**ECONOMIC DEVELOPMENT PROGRAM GRANT AGREEMENT WITH
SALLY BEAUTY SUPPLY LLC**

This Economic Development Program Grant Agreement ("Agreement") is made and entered into as of the effective date provided for below, by SALLY BEAUTY SUPPLY LLC (the "Grantee"), a Delaware corporation, and the CITY OF DENTON (the "City"), a Texas municipal corporation, for the purposes and considerations stated below:

WHEREAS, this Agreement is authorized by and made pursuant to the economic development program provisions of Chapter 380 of the Texas Local Government Code (the "Act") to promote local economic development and to stimulate business and commercial activity in the City of Denton; and

WHEREAS, Grantee is contemplating the development of that certain real property located within the city limits of the City as more particularly described in **Exhibit "A"** attached hereto and made a part hereof by reference (the "Property"); and

WHEREAS, on the 8th day of December, 2015, Grantee submitted an application for economic development incentives with various attachments to the City concerning the contemplated use and development of the Property, which is on file in the City's Office of Economic Development, a copy of which is attached hereto and made a part hereof by reference as **Exhibit "B"** (the "Application for Economic Development Incentives"); and

WHEREAS, on the 9th day of March, 2016, the Economic Development Partnership Board reviewed the Grantee's Application for Economic Development Incentives and unanimously (8-0) recommended Council approval of a three-year, 50% grant of City ad valorem taxes attributable to Improvements resulting in an increase of assessed value (the "Grant"); and

WHEREAS, the City Council finds that the contemplated use and development of the Property, the proposed improvements provided for herein that will remodel the interior space at 3900 Morse Street to accommodate an increase in the Grantee's employee base at that location, and the other terms and conditions of this Agreement will promote economic development; business retention and expansion efforts; and will stimulate development activity within the City of Denton for the benefit of the public;

NOW, THEREFORE, the City and Grantee for and in consideration of the Property and the promises contained herein do hereby contract, covenant and agree as follows:

I.

CONDITIONS OF THE GRANT

A. In consideration of this Agreement, the retention of the Grantee's ongoing business and investment within the City of Denton; the planned improvements of an interior remodel at the 3900 Morse property; and subject to the Grantee meeting all the terms and conditions of the Grant as set forth herein, the City hereby grants the following:

1. A Grant equal to 50% of City ad valorem taxes attributable to Improvements (as the term "Improvements" is defined below) resulting in an increase of assessed value (excluding land value), above the base year of January 1, 2016, solely from the property located at 3900 Morse Street as determined by the Denton Central Appraisal District, of real property improvements to and tangible personal property (excluding inventory, vehicles and supplies) located on the 3900 Morse Street Property, but only if the combined assessed valuation of the 3900 Morse Street and the Sally Beauty headquarters facility located at 3001 Colorado is at least \$22,000,000 in assessed valuation, as determined by the Denton Central Appraisal District, of the Properties (excluding land) and tangible personal property (excluding inventory, vehicles and supplies) located on the Properties, for a period of three years commencing the first year following receipt by Grantee of the new certificate of occupancy based on the Improvements completed after the base year (the "CO") for the 3900 Morse Street Property. If the assessed value, as determined by the Denton Central Appraisal District, is less than \$22,000,000 for the combined aforementioned properties in Denton (excluding Sally Beauty retail stores) there will be no Grant payment during that year.

B. A condition of the Grant is that, by December 31, 2017 (subject to force majeure delays not to exceed 180 days), Grantee shall have made Improvements on or to the Property, which result in an increase in the assessed values, as determined by the Denton Central Appraisal District, as contemplated by Section I.A.1. However, prior to the expiration of the said 180 day period, the City, in its sole reasonable discretion, shall review the cause of such failure to make such improvements to determine whether an additional extension of the said time period should be granted. In the event the City determines that an additional extension of the 180 day period is appropriate, the City may grant such additional time for the making of improvements as it, in its sole reasonable discretion, deems appropriate. For the purposes of this paragraph, the term "force majeure" shall mean any circumstance or any condition beyond the control of Grantee, as set forth in Section XIV "Force Majeure" which prevents the above-mentioned thresholds or time restraints from being met.

C. The terms "Improvements" or "Contemplated Improvements" are defined as the construction, renovation, remodeling and equipping of the Property including but not limited to (1) costs related to the development and improvement of the real estate, including, without limitation, construction costs and design and engineering costs; (2) tangible personal property located on or at the Property owned or controlled by Grantee, excluding inventory and supplies. The kind and location of the Contemplated Improvements is more particularly described in the Application for Economic Development Incentives.

D. A condition of the Grant is that the Contemplated Improvements be constructed and the Property be used substantially in accordance with the description of the project set forth in the Application for Economic Development Incentives.

E. A condition of the Grant is that throughout the term of the Grant, the Contemplated Improvements shall be operated and maintained for the purposes set forth herein

so that the use of the Property shall be consistent with the general purpose of encouraging development or redevelopment of the City except as otherwise authorized or modified by this Agreement.

G. The City shall have the right to terminate the Grant if the Grantee does not occupy the Contemplated Improvements continuously (subject to force majeure) for the term of the Grant for the purposes set forth in the Application for Economic Development Incentives. In the event of such termination, the Grantee shall refund to the City fifty percent of Grant payments for the year in which Grantee ceases to occupy the Property, and Grant payments for future years shall be terminated.

H. The City and Grantee agree to comply with all the terms and conditions set forth in this Agreement.

II. GENERAL PROVISION

A. In the event of any conflict between the City zoning ordinances, or other City ordinances or regulations, and this Agreement, such ordinances or regulations shall control, provided however the City shall not diminish the benefits to the Grantee under this Agreement through ordinances or regulations (whether now or hereafter in effect).

III. TERMS AND CONDITIONS OF GRANT

A. Subject to the terms and conditions of this Agreement, the City hereby agrees to pay to Grantee, on an annual basis, after the first assessment following receipt by Grantee of the certificate of occupancy for the Property, an amount equal to 50% of the difference between: (a) the then current City ad valorem taxes for the Property and the Improvements, minus, (b) City ad valorem taxes payable for the Property and improvements as of January 1, 2016, (with the resulting payments known as the "Annual Payments"), such Annual Payments to be subject to the terms and conditions provided in this Agreement.

B. Grantee shall have the right to protest and contest any or all appraisals or assessments by the Denton County Appraisal District for the Property, the Improvements or any other tangible personal property owned or controlled by Grantee and located on the Property. All calculations in this Agreement shall be based upon final assessed values after any such protest or contest.

C. The Annual Payments shall be for a term not to exceed three (3) years with the first payment being due and payable on or before 60 days after the City is in receipt of all City ad valorem taxes due and payable for the Property and Improvements as of January 1st of the year following the calendar year in which a certificate of occupancy is issued by the City for the Property (the "Beginning Date"), and, unless sooner terminated as herein provided, shall end after the third Annual Payment. All subsequent Annual Payments shall be due and payable on or before 60 days after the City is in receipt of all ad valorem taxes due and payable for the Property and Improvements as of January 1 for the respective subsequent years.

D. Grantee shall comply with local taxes, fees, and permits directly affecting the City of Denton, such as local sales/use taxes, local permits, use of public easement, and their associated fees, subject to reasonable dispute by Grantee.

IV.

RECORDS, AUDITS, AND EVALUATION OF PROJECT

A. Grantee shall provide access and authorize inspection of the Property by authorized City employees and allow sufficient inspection of financial information to insure that the Improvements are made and the threshold has been met according to the specifications and conditions of this Agreement. Such inspections shall be done in a way that will not interfere with Grantee's business operations or violate any laws, including any rules or regulations promulgated by the Securities and Exchange Commission or the New York Stock Exchange. The City shall, on an annual basis, evaluate the Project to ensure compliance with this Agreement. Grantee shall provide information to the City on a Certificate of Compliance form provided by the City as Exhibit "C" for the evaluation. The information shall include, without limitation, an inventory listing the kind, number, and location of and the estimated total investment value of all improvements to the property, including the value of all buildings and other structures and permanent improvements installed, renovated, repaired or located on the Property.

V.

FAILURE TO MEET CONDITIONS

In the event (i) Grantee or the owner of the Property allow their ad valorem real property taxes owed to the City with respect to the Property or Building, or ad valorem taxes owed to the City with respect to any tangible personal property owned or controlled by the Grantee and which are located on the Property to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem real property or tangible personal property taxes; or, (ii) any other material conditions of this Agreement are not substantially met, including the Grant Conditions, then a "Condition Failure" shall be deemed to have occurred. It is understood that a Condition Failure shall not be deemed to occur merely because at a particular time it cannot be determined whether such condition will be met, but shall occur only if at a particular time it can be determined that such condition has not been met after notice and reasonable opportunity for Grantee to cure such failure. In the event that a Condition Failure occurs, the City shall give Grantee written notice of such Condition Failure and if the Condition Failure has not been cured or satisfied within ninety (90) days of said written notice, this Agreement may be terminated by the City; provided, however, that if such Condition Failure is not reasonably susceptible of cure or satisfaction within such ninety (90) day period and Grantee has commenced and is pursuing the cure or satisfaction of same, then after first advising the City of efforts to cure or satisfy same, Grantee may utilize such additional time as may be reasonably required to cure such Condition Failure. If a Condition Failure is not cured or satisfied after the expiration of the applicable notice and cure or satisfaction periods ("Condition Failure Default"), as City's sole and exclusive remedy, the Annual Payment shall be terminated with respect to the year in which notice of the Condition Failure is given and for all future years.

Provided, however, that prior to the expiration of the said applicable notice and cure periods, the City, in its sole reasonable discretion, may review the cause of such failure and may determine whether an extension of the said time period(s) shall be granted. In the event the City determines that an extension of the said time period(s) is appropriate, the City may grant such additional time as it, in its sole discretion, deems appropriate.

VI.
ASSIGNMENT

This Agreement and Grantee's rights and obligations hereunder may not be assigned without prior notice to the City, unless such notice is prohibited by contract or applicable law in which case notice shall be provided as soon as allowable. In the event that Grantee ceases to operate its business on the Property, this Agreement shall terminate and all future obligations of the City, as set forth herein, shall terminate and be of no further force and effect.

VII.
NOTICE

All notices called for or required by this Agreement shall be addressed to the following, or such other party or address as either party designated in writing, by certified mail postage prepaid or by hand delivery:

VIII.
CITY COUNCIL AUTHORIZATION

This Agreement is authorized by the City Council at its meeting on the _____ day of _____, 2016, authorizing the City Manager to execute this Agreement on behalf of the City.

IX.
AUTHORIZATION

Grantee represents that it has the corporate right, power and authority necessary to execute, deliver, and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery, and performance of this Agreement and the consummation of the transactions contemplated herein have been duly and validly authorized by all necessary corporate and member action. Evidence of such right, power and authority shall be attached as Exhibit "D".

X.
SEVERABILITY

In the event any section, subsection, paragraph, sentence, or phrase is held invalid, illegal or unconstitutional, the balance of this Agreement shall stand, shall be enforceable and shall be read as if the parties intended at all times to delete said invalid, illegal or unconstitutional provision.

XI.
ESTOPPEL CERTIFICATE

Any party hereto may request an estoppel certificate from another party hereto so long as the certificate is requested in connection with a bona fide business purpose. The certificate shall include, but not necessarily be limited to, statements that this Agreement is in full force and effect without default (or if default exists the nature of default and curative action, which should be undertaken to cure same), the remaining term of this Agreement, the levels and remaining term of the Annual Payments in effect, and such other matters reasonably requested by the party(ies) to receive the certificates.

XII.
STANDING

Grantee, as a party to this Agreement, shall be deemed a proper and necessary party in any litigation questioning or challenging the validity of this Agreement or any of the underlying ordinances, resolutions, or City Council actions authorizing same and Grantee shall be entitled to intervene in said litigation.

XIII.
APPLICABLE LAW

This Agreement shall be construed under the laws of the State of Texas. Venue for any action under this Agreement shall be the appropriate court serving Denton County, Texas. This Agreement is fully performable in Denton County, Texas.

XIV.
FORCE MAJEURE

If, because of flood, fire, explosions, civil disturbances, strikes, war, acts of God, or other causes beyond the control of either party, either party is not able to perform any or all of its obligations under this Agreement, then the respective party's obligations hereunder shall be suspended during such period but for no longer than such period of time when the party is unable to perform

XV.
INDEMNIFICATION

No Joint Venture. Nothing contained in this Agreement is intended by the parties to create a partnership or joint venture between the parties, and any implication to the contrary is hereby expressly disavowed. It is understood and agreed that this Agreement does not create a joint enterprise, nor does it appoint either party as an agent of the other for any purpose whatsoever. Except as otherwise specifically provided herein, neither party shall in any way assume any of the liability of the other for acts of the other or obligations of the other. Further, this Agreement does not cause or support any type of Joint Employment in any way between the parties. The City, its past and future officers, elected officials, employees, and agents expressly do not assume any responsibilities or liabilities to any third party in connection with the project or the design, construction, or operation of any portion of the Improvements.

XVI.
AMENDMENT

This Agreement is the entire agreement of the parties and may only be modified by a written instrument executed by both parties.

XVII.
EFFECTIVE DATE

This Agreement is effective as of the ____ day of _____, 2016.

Exhibit B
APPLICATION FOR ECONOMIC DEVELOPMENT INCENTIVES

CITY OF DENTON TAX ABATEMENT AND INCENTIVE POLICY

I. GENERAL PURPOSE AND OBJECTIVES

The City of Denton (City) is committed to the promotion of high quality development in all parts of the city and to an ongoing improvement in the quality of life for its citizens. Insofar as these objectives are generally served by the enhancement and expansion of the local economy, the City will, on a case-by-case basis, give consideration to providing tax abatement or other incentive as a stimulus for economic development in Denton. It is the policy of the City that said consideration will be provided in accordance with the procedures and criteria outlined in this document. Nothing herein shall imply or suggest that the City is under any obligation to provide an incentive to any applicant.

All applicants shall be considered on a case-by-case basis. Incentives will not be considered if construction of a project already has begun.

Tax abatements, as described in this Policy, will be available for businesses wanting to locate, expand or modernize, existing or new facilities and structures, including, without limitation, basic industries, corporate office headquarters or distribution centers, except as this Policy may be limited for property described in Section 312.211(a) of the Texas Property Tax Code (Vernons Texas Civil Statutes Annotated, hereinafter referred to as "Tax Code.")

In addition to tax abatements, the City may provide alternative or additional incentives to businesses utilizing its authority under Chapter 380 of the Texas Local Government Code (hereinafter referred to as "Chapter 380.") Chapter 380 of the Texas Local Government Code states that a municipality may establish and provide for the administration of one or more programs for making loans and grants of public money and providing personnel and services of the municipality, to promote state or local economic development and to stimulate business and commercial activity in the municipality.

The City of Denton will consider, on a case-by-case basis, the use of grants and loans as incentives to accomplish one or more of the following economic development objectives:

- Development and diversification of the economy
- Elimination of unemployment or underemployment
- Expansion of transportation or commerce
- Attraction of major investment
- Expansion of primary employment
- Stimulation of agricultural innovation

The City of Denton may establish targeted incentive programs to accomplish one or more of the above objectives. Such programs could include, but are not limited to:

- Targeted industry cluster or supply chain recruitment initiatives
- Capital grants or loans for start-up and small businesses to promote entrepreneurship
- Special incentive programs within certain boundaries of the City in order to promote infill redevelopment and attract businesses that meet pre-determined desirable criteria
- Grants to offset costs associated with public infrastructure improvements and/or impact fees
- Cash incentives to gain a competitive position when in direct competition for a project

II. ECONOMIC DEVELOPMENT PARTNERSHIP BOARD

Requests for tax abatement or other incentives shall be reviewed by the Economic Development Partnership (EDP) board, on a case-by-case basis unless otherwise directed by City Council, the EDP board being comprised of two City Council members, two Chamber of Commerce board members, two representatives from the top twenty taxpayers, one representative from the University of North Texas, one member with aviation experience, and one member at-large.

The EDP board serves as a recommending body to the City Council regarding whether economic development incentives should be offered in each individual case. Its recommendation shall be based upon an evaluation of information submitted in the incentive application and any additional information requested by the EDP board or presented to the EDP board. The Incentive Application shall be substantially in the form of Exhibit A of this Policy. All meetings of the EDP board shall be held in compliance with the Texas Open Meetings Act, Chapter 551 of the Texas Government Code.

III. VALUE OF INCENTIVES

The criteria outlined in the Application will be used by the EDP board in determining whether or not it is in the best interests of the City to recommend that incentives be offered to a particular project. Specific considerations will include the degree to which the individual project furthers the goals and objectives of the community as described in the Denton Comprehensive Plan, as well as the relative impact on growth, employment, expansion of the tax base, economic development and human health and the environment.

Tax Abatements

New, expanding and modernizing businesses may be considered for a tax abatement if the minimum threshold, as described in Table 1 below, is met. Once a determination has been made that a project is eligible for a tax abatement, the following table will serve as a basis for determining amount and term of abatement:

TABLE 1: Establishes a framework for considering the length and percentage of abatement according to assessed property value of improvements and of tangible personal property located on the real property.

VALUE OF STRUCTURE AND PERSONAL PROPERTY IN MILLION DOLLARS	YEARS OF ABATEMENT	PERCENTAGE OF ABATEMENT
100	10	25%
80	9	25%
65	8	25%
50	7	25%
35	6	25%
20	5	25%
15	4	25%
10	3	25%
5	2	25%

To qualify, companies must meet the minimum threshold of the Policy in the first 24 months from the execution of the agreement or as specified in the tax abatement agreement.

If upon initial application a project qualifies for tax abatement under the guidelines set forth in this Policy, the City may consider granting an additional 5% abatement for each one of the following factors provided, however, that the total tax abatement does not exceed 50% annually or continue for a period of more than ten years. No applicant may receive credit for more than five of the following factors:

- The project will occupy a building that has been vacant for at least two years;
- The project will create high-skilled, high-paying jobs as documented by the applicant; (A breakdown of number of jobs per job classification and entry level wage per classification will be used to determine eligibility);
- The project will involve a significant relationship with one of the two universities in Denton;
- At least 25% of the new jobs created by the project will be filled by Denton residents;
- A minimum of 25% of local contractors and local subcontractors will be utilized during construction of the project;
- The project will provide knowledge-based jobs (at least 25 percent of jobs require college bachelors degree at entry level);
- The project will donate significant public art to the community. (To qualify, donation must be approved by Greater Denton Arts Council and City Council);
- The project will donate significant materials/equipment to the public schools (to qualify, donation must be approved by DISD and City Council);
- The project will create improvements to the Denton Downtown Implementation Plan area;
- The project will result in the formation of a business park;
- The project is an international or national headquarters facility.
- The project is a medical manufacturing or research facility.
- The project incorporates significant environmentally sustainable practices that includes: Leadership in Energy and Environmental Design (LEED) certification, recycling initiatives, the manufacture of sustainable materials or products that support sustainable industries, or the incorporation of clean technology.

- Renewable Energy will be generated, stored or utilized for the project on an ongoing basis;
- The applicant is committed to actively supporting the Denton Community.

The total tax abatement may not exceed 50% annually for ten years. All abatements are subject to final approval of the City Council. **Even though a project may meet the criteria as set forth in this Policy, an application may be denied at the discretion of the City.** Tax abatement shall not apply to any portion of the land value of the project. The thresholds as described in Table 1 are considered guidelines for establishing the Tax Abatement Agreement terms. However, the City may determine that a lower or higher percentage and/or a shorter or longer term of abatement may be more appropriate for an individual project. If the abatement is approved, the City may consider applying all or a portion of the abatement in the first year or during any shorter period within the term of the tax abatement agreement. For example, an approved abatement of 25 percent for four years may be applied as 100 percent abatement for one year.

When the City of Denton determines that incentives are required to retain existing businesses, which propose to improve or redevelop property within the City limits, the Denton City Council may consider these “special projects” on a case-by-case basis and reserve the right to waive the minimum threshold and/or exceed fifty percent (50%) in tax abatement. The City of Denton may also take into consideration as “special projects” the expansion/redevelopment of existing businesses that create new or additional professional jobs. New or existing businesses that incorporate environmentally sustainable practices or have a renewable energy component may also be considered “special projects.” Abatement hereunder will only apply to the increased valuation of the improvements over the appraised value of the property prior to such improvements as same is established by the Denton Central Appraisal District the year in which the tax abatement agreement is executed. The City may also consider other tax incentives authorized by law.

Chapter 380 Incentives

At times when alternative incentives may be preferable to a tax abatement, the City Council has the authority under Chapter 380 to create a custom incentive in order to accomplish specific economic development goals. Chapter 380 incentives will be considered on a case-by-case basis, and may be considered for one or more of the following criteria:

- A certain number of net new jobs with wages above Denton’s median household income
- The relocation of a company that promotes the growth of targeted industry clusters such as high-tech companies, aviation/aerospace industry, or supply chain clusters that support Denton’s existing primary employers
- Incentives for businesses that cause infill redevelopment or other desirable development objectives
- Any other activity which the City Council determines meets a specific public purpose for economic development

Definitions:

Local contractors and local sub-contractors refers to vendors that have their “principal office or place of business,” as reported to the Texas Secretary of State Office, located within Denton City Limits or

Extraterritorial Jurisdiction (ETJ). The minimum requirement of 25%, to be eligible under this consideration, will be based on the estimated construction valuation of the project.

Knowledge-based jobs are defined as occupations which:

- Require specialized and theoretical knowledge, usually acquired through a college education or through work experience or other training which provides comparable knowledge;
- Require some research, analysis, report writing and presentations;
- Require special licensing, certification, or registration to perform the job task;

A **Business Park** is defined as a multi-building, multi-tenant, master planned complex of approximately one million square feet or more under roof, constructed to house manufacturing, distribution, assembly, and office facilities.

Leadership in Energy and Environmental Design (LEED) certification is a voluntary internationally recognized green building certification system, with verification by a third-party that a building or community was designed and built using strategies aimed at improving performance across the following metrics:

- energy savings
- water efficiency
- CO₂ emissions reduction
- improved indoor environmental quality
- stewardship of resources.

The certification levels consist of the following: Basic, Silver, Gold and Platinum and are weighted on a 100 point system. The LEED system measures: innovation in design; sustainable sites; water efficiency; energy and atmosphere; materials and resources; indoor environmental quality; and locations and linkages.

The manufacture of sustainable materials or products may include but is not limited to: biobased, recyclable and reclaimed goods. Denton is located in an air quality nonattainment region designated by the Environmental Protection Agency for air pollution levels that continually exceed national standards. Products and equipment that support sustainable industries or clean technologies that reduce environmental pollution are encouraged and may qualify for consideration under this section. Community support and involvement may include but is not limited to monetary or active investment in local non profits, public institutions or community organizations. Membership and participation in a Denton chamber of commerce is an example that may qualify under this consideration. The EDP board will consider criteria proposed by the applicant, review and make a recommendation on the eligibility of the applicant's community support and recommend whether an additional five percent should be added to the overall incentive percentage.

When the City determines that abandoned property may require additional incentives to promote economic development that generally satisfies the requirements of this Policy, the City may waive the minimum threshold and/or exceed fifty percent (50%) in tax abatement, or consider other tax incentives for special projects to redevelop abandoned buildings consistent with existing law. For the purpose of this Policy, an abandoned building is defined as a building that has been identified as being suitable for commercial or industrial development, has been vacant for a minimum of five-years or has substantially declined in appraised value. Abatement would only be considered on the increased valuation of the improvements in each year covered by the tax abatement agreement over the value of the property for

the year in which the tax abatement agreement is executed. The City may also consider other tax incentives authorized by law.

Preliminary Application

IV. PROCEDURAL GUIDELINES

Any person, organization or corporation desiring that the City consider providing incentives to encourage location or expansion of facilities within the limits of the jurisdictions shall be required to comply with the following procedural guidelines. **Nothing within these guidelines shall imply or suggest that the City is under any obligation to provide an incentive to any applicant.**

- A. Applicant shall complete the attached "Incentive Application."
- B. Applicant shall prepare a map or other documents providing the following:
 - precise location of the property and all roadways within 500 feet of the site
 - existing uses and conditions of real property
 - proposed improvements and uses
 - any proposed changes in zoning
 - compatibility with the Denton Comprehensive Plan and applicable building codes and City ordinances.
 - A complete legal description.
- C. Applicant shall complete all forms and information detailed in the Application and submit all information to the City Manager (or his/her designee), City of Denton, 215 E. McKinney, Denton, TX 76201.
- D. All information in the application package detailed above will be reviewed for completeness and accuracy. Additional information may be requested as needed.
- E. The application will be distributed to the appropriate City departments for internal review and comments. Additional information may be requested as needed.
- F. Copies of the complete application package and staff comments will be provided to the EDP board.
- G. Fiscal agents of the City will review the application for comments and recommendation. Additional information may be requested as needed.

Consideration of the Application

- H. The EDP board will consider the application at a regular or special-called meeting(s). Additional information may be requested as needed.

- I. The recommendation of the EDP board will be forwarded, with all relevant materials, to the City Council.
- J. If the City Council decides to grant a tax abatement, it shall call a public hearing to consider establishment of a tax reinvestment zone in accordance with Section 312.201 of the Tax Code. The reinvestment zone must meet one or more of the criteria of Section 312.202 of the Tax Code.
- K. The City Council may consider adoption of an ordinance designating the area described in the legal description of the proposed project as a commercial/industrial tax abatement zone.
- L. The City Council may consider adoption of an ordinance or resolution approving the terms and conditions of a contract between the City and the applicant governing the provision of the tax abatement or incentive and the commitments of the applicant, including all the terms required by Section 312.205 of the Tax Code and such other terms and conditions as the City Council may require. Should the commitments subsequently not be satisfied, the tax abatement or other incentive shall be null and void (unless the tax abatement agreement provides for a recapture of the property tax revenue lost proportionate to a partial failure to meet the minimum thresholds set forth in the agreement) and all abated taxes or other incentive shall be paid immediately to the City of Denton. Provisions to this effect shall be incorporated into the agreement.
- N. The City reserves the authority to enter into tax abatement agreements at differing percentages and/or terms as set forth in the guidelines of this Policy, consistent with the requirements of the Tax Code. The City also reserves the authority to enter into incentive agreements under Chapter 380 of the Texas Local Government Code.

Any incentive agreement will address various issues, including but not limited to, the following:

- 1. General description of the project
- 2. Amount of the tax abatement and percent of value to be abated each year
- 3. Method of calculating the value of the abatement
- 4. Duration of the abatement, including commencement date and termination date
- 5. Legal description of the property
- 6. Kind, number, location and timetable of planned improvements
- 7. Specific terms and conditions to be met by applicant
- 8. The proposed use of the facility and nature of construction
- 9. Contractual obligations in the event of default, violation of terms or conditions, delinquent taxes, recapture, any decrease in valuation, administration and assignment

Annual Evaluation

Upon completion of construction and/or other threshold criteria, the City Council shall receive from the City Manager (or his/her designee) an annual evaluation of each incentive to insure compliance with the agreement and to report possible violations of the agreement to the appropriate taxing entities. After new tax base numbers are received in July of each year, the City Manager and his staff will have ninety (90) days to review and prepare a breakdown of those figures.

Local Businesses and Historically Underutilized Businesses

Businesses receiving an incentive are asked to use diligent efforts to purchase all goods and services from Denton businesses whenever such goods and services are comparable in availability, quality and price.

The City of Denton also encourages the use, if applicable, of qualified contractors, subcontractors and suppliers who are historically underutilized businesses based on information provided by the General Services Commission pursuant to Chapter 2161 of the Government Code. In the selection of subcontractors, suppliers or other persons or organizations proposed for work on this Agreement, the OWNERS agree to consider this Policy and to use their reasonable and best efforts to select and employ such companies and persons for work on this Agreement.

Job Recruiting from Low-Moderate Income Census Tracts

Businesses receiving incentives are asked to endeavor to make available, or endeavor to cause lessees or assignees to make available, full-time or part-time employment with on-the-job training for Denton citizens. In this effort, the business, lessee or assignee is encouraged to recruit from the low-moderate income Census tracts as further defined by the U.S. Department of Housing and Urban Development's (HUD) Qualified Census Tracts (QCT) map shown in Figure 1. HUD defines QCTs as "census tracts in which one-half or more of the households have incomes below 60 percent of the area median income or the poverty rate is 25 percent of [or] higher.

The City of Denton Incentive Application

About the Application...

The Incentive Application provides the City with specific information on the project. The information requested in the Application is designed to address the criteria developed within the City of Denton's Incentive Policy. The information serves as the basis for fiscal analysis and overall project evaluation. This evaluation is provided to the Economic Development Partnership (EDP) board and Council Members and serves as a source document during EDP board and City Council deliberations.

The Application and the Agreement...

Specific information from the Application (such as value of new investment and employment commitments) is incorporated into the Incentive Agreement. In fact, the Application is an attachment to the Agreement. Since the Agreement is a binding contract, it is important that each question on the application be answered in full and as realistically as possible. Simply put, the application is part of the process from start to finish so you'll want to make sure you're comfortable with the contents.

When Is The Application Final?

The answer to this question is very simple: When you tell us, "It's final." It is not uncommon for a business entity to submit numerous Applications as drafts for informational and evaluative purposes only. As conversations continue, the business entity will submit a finalized version of the Application that includes all of the commitments agreed to during the discussions.

What about Confidentiality?

Section 312.003 of the Texas Tax Code makes confidential information provided to the City as a part of this application that describes the specific processes or business activities to be conducted or the equipment or other property to be located on the property. This information is not subject to public disclosure until the incentive agreement is executed. Section 522.131 of the Texas Government Code (Texas Public Information Act) makes confidential information which relates to economic development negotiations between the City and a business prospect that the City seeks to have locate, stay or expand in or near the territory of the City. The information must relate to a trade secret of the business prospect, commercial or financial information which the business prospect can demonstrate based on specific factual evidence that disclosure would cause substantial competitive harm to the person from whom the information was obtained or information about a financial or other incentive being offered to the business prospect by the City or by another person. Information about a financial or other incentive being offered to the business prospect is required to be disclosed when an agreement is made with a business prospect. The City is subject to disclosing most records and documents upon request under the Public Information Act. **Accordingly, please clearly indicate and mark any information you consider proprietary.**

This would include anything in your application which you consider a trade secret, commercial or financial information which you can demonstrate by specific factual evidence that would cause substantial competitive harm if disclosed, information which describes the specific processes or business activities to be conducted or the equipment or other property for which the incentive is sought, any financial or other incentive you may be seeking from the City or any other information you deem to be confidential under the law.

Who is Authorized To Sign the Application?

Because the Application itself is non-binding, the person signing need not be the property owner or even an individual duly authorized to sign on behalf of the property owner. However, if an Agreement is reached, the Application will be an attachment to the Agreement and its contents will be binding through the authorized signature required on the Agreement.
