MEMORANDUM

DATE: October 11, 2016

TO: Denton Mobility Committee

FROM: Julie Anderson, Bike and Pedestrian Coordinator

SUBJECT: Fall Cycle with the City – Historic Ride

This correspondence is an invite to the Committee to participate in the annual Fall Cycle with the City on Monday, October 17 at 5:30 p.m. This fall event is an opportunity to highlight bicycle riding and infrastructure. We also use the ride as a time to highlight a specific City of Denton department. This year it will be a historic ride with the Historic Preservation officer for the City of Denton, Roman McAllen. The ride will start at City Hall, a well-known historic landmark from the Texas architect, O'Neil Ford, and continue through Denton visiting various historic locations. The ride will be slow-paced and about five miles.
