Mr. Donnelly,

I've attached a copy of the meeting agenda for this week. There are hyperlinks for each of the cases that will allow you to access the reports and associated documents for each agenda item. There are a site plan and landscape plan attached for the SUP case. Please let me know if you have any questions.

Thank you,

I did not see a site plan in the backup for these items. If you have the Site Plans for these projects would you please send them to me by return email. I am Neutral on both these items as I do not have enough information at this time to support or oppose.

Thank You
Robert Donnelly
