

No Parking Proposed for Denton Street

The Traffic Safety Commission has been advised of safety concerns related to the level of on-street parking on Denton Street between Oak Street and Hickory Street. On-street parking on the east and west side of Denton Street impairs the mobility of public safety vehicles needing to access Denton Street.

As a property owner or resident on or adjacent to Denton Street, City of Denton officials want to ensure you have the opportunity to participate in the discussion regarding on-street parking on Denton Street. The Denton Traffic Safety Commission encourages your participation in the consideration of this issue as part of their March meeting.
