DEPARTMENT: Finance

DCM: Bryan Langley

DATE: June 20, 2017

SUBJECT

Receive a report; hold a discussion, and receive departmental presentations in preparation for the FY 2017-18 Proposed Budget, Capital Improvement Program, and Five Year Financial Forecast.

BACKGROUND

The purpose of this work session and additional work sessions during the months of June and July is to have each City Department give a brief presentation to City Council. Each presentation will cover the structure and staffing of the Department, functional areas and major responsibilities, goal and accomplishments, performance measures, cost containment efforts and process improvement strategies. These presentations are scheduled to be presented during the months of June and July prior to the City Manager's proposed budget being presented to City Council on August 3, 2017. The planned presentations for this meeting are from Library Services, Planning and Development Services, and the Finance Department. The Departmental presentations are attached to this item.

In addition, a memorandum responding to questions from the June 5th and 6th budget discussions is enclosed as Exhibit 2. Staff will prepare these memorandums in response to budgetary questions throughout the budgetary season. This first memorandum includes a survey on return on investment (ROI), responses regarding the homelessness coordinator, and responses to questions on the City's Utilities.
