Comments:

We feel it adversely affects property and home values in the neighborhood. An apartment may start off very well kept but it will deteriorate. It will cause traffic problems with increased autos; will cause noise problems; and with no on site caretaker cause problems for all neighbors to have to deal with. This is a quiet neighborhood and would like it to stay that way.

I am opposed to this request because of added noise, more traffic in small area and adding to the existing drainage problem. Thank you, Ed Cottle.

My location is south west and across the street of said project.
