AGENDA INFORMATION SHEET

DEPARTMENT: Materials Management

ACM: Mario Canizares

DATE: August 15, 2017

SUBJECT

Consider adoption of an ordinance of the City of Denton authorizing the City Manager or his designee to execute a contract through the Houston-Galveston Area Council of Governments (H-GAC) for the purchase of traffic signal hardware including pedestrian push button systems, illuminated street name signs, and emergency vehicle preemption devices, for the City of Denton Traffic Department; and providing an effective date (File 6360 awarded to Consolidated Traffic Controls, Inc. in the annual estimated amount of \$200,000 for a four (4) year not-to-exceed amount of \$800,000).

FILE INFORMATION

This item is for the purchase of the following traffic signal hardware items for the signalized traffic intersections listed in Exhibit 2:

- Polara Pedestrian Push Button System-assists hearing and visually impaired citizens in crossing the street
- Southern Manufacturing- Illuminated Street Name Signs
- Global Technology- Emergency Vehicle Preemption Devices

In order to maintain product uniformity and to limit the replacement inventory, these specific models are required as part of the City's traffic signal specifications. All other pedestrian push button and preemption system models are not compatible with the current traffic signal software package. These items will be purchased through the Houston-Galveston Area Council of Governments (H-GAC) Cooperative Purchasing Program Contract PE-05-17 (Exhibit 3-Pricing Sheet). Consolidated Traffic Controls, Inc. (the awarded vendor) is the exclusive distributor in Texas for these items, therefore there are no local vendors that can provide these items. Pricing obtained through the Houston-Galveston Area Council of Governments (H-GAC) Cooperative Purchasing Program has been competitively bid and meets the statutory requirements of Texas Local Government Code 271.102.

RECOMMENDATION

Award the purchase of traffic signal hardware in the unit prices shown on Exhibit 3, to Consolidated Traffic Controls, Inc. in the annual estimated amount of \$200,000 for a four (4) year not-to-exceed amount of \$800,000.

PRINCIPAL PLACE OF BUSINESS

Consolidated Traffic Controls, Inc.
Arlington, Texas

ESTIMATED SCHEDULE OF PROJECT

These items can be delivered and installed within 30-45 days of receipt of an order via purchase order. The Houston Galveston Area Council of Governments (H-GAC) Contract #PE-05-17 expires April 30, 2019. The HGAC contract does contain an option to renew based upon mutual agreement between H-GAC and the Vendor. Staff will follow up with the H-GAC to confirm contract renewal in April 2019.

FISCAL INFORMATION

These items will be funded on an as needed basis through job cost project accounts.

STRATEGIC PLAN RELATIONSHIP

The City of Denton's Strategic Plan is an action-oriented road map that will help the City achieve its vision. The foundation for the plan is the five long-term Key Focus Areas (KFA): Organizational Excellence; Public Infrastructure; Economic Development; Safe, Livable, and Family-Friendly Community; and Sustainability and Environmental Stewardship. While individual items may support multiple KFAs, this specific City Council agenda item contributes most directly to the following KFA and goal:

Related Key Focus Area: **Organizational Excellence**
Related Goal: **4.1 Enhance public safety in the community**
