2016-2017 Third Quarter Financial Report June 2017

About This Quarterly Financial Report

This report has been prepared by the City of Denton's Finance Department. The Quarterly Financial Report is intended to provide our users (internal and external) with information regarding the City's financial position and economic activity. This report includes information for the quarter ending June 30, 2017.

This report is presented in six sections.

- The <u>Executive Dashboard</u> section contains a high level summary of the major operating funds using graphic illustrations and key economic indicators. Narrative disclosures are also included to highlight any significant changes or fluctuations.
- The <u>Financial Summary</u> section reports the performance of the major operating funds of the City. In addition, the report provides an end of year projection and a comparison to the budget for major revenue sources and expenditure items.
- 3. The <u>Revenue & Economic Analysis</u> section provides additional analysis regarding key revenue sources and economic indicators.
- 4. The <u>Quarterly Investment Report</u> provides a summary of the City's investment portfolio, interest earnings and a brief market outlook.
- 5. The <u>Performance Report</u> provides Key Performance Indicators (KPIs) for each of the goals identified in the City's strategic plan. In addition, the progress on Key Action Steps are highlighted.
- 6. The <u>G.O. Bond Program Report</u> provides updates of each of the Bond Propositions from the 2012 and 2014 bond elections.

The Quarterly Financial Report is intended to provide our users with timely and relevant information. Please provide us with any comments or suggestions you may have. If you would like additional information, feel free to contact me.

| Net Income (Loss) | (0.48) | - | |
| Ending Fund Balance | \$ 26.89 | \$ 28.17 | |

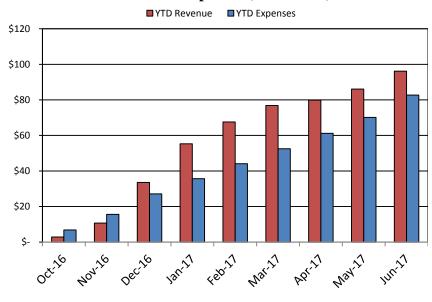

FY 2016-17

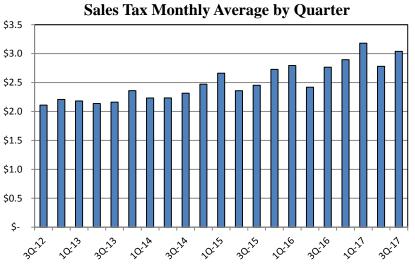

Key Trends

- >Sales Tax revenues are projected \$3.19M higher than budget due to stronger collections in the third quarter.
- > Licenses and Permits revenues are projected \$0.47M less than budget due to lower collections of Building Permits and Food Handler Permits.
- >Transfers In are projected \$1.11M higher than budget due to return of Risk Retention contributions.
- > Personal Service expenditures are projected \$1.83M lower than budget due to Position Savings.
- >Operations expenditures are projected \$0.94M higher than budget due to the timing of 380 Sales Tax Agreements.
- >Transfers Out are projected \$4.21M higher than budget due to Transfers to Capital Projects. A budget amendment will be presented to Council in September 2017.

¹Annual adopted budget as amended or modified. Beginning Fund Balance represents the amount which was estimated in the FY 2016-17 budget process.

| DENTON | FY 2016-17 | FY 2016-17 | |
|-------------------------------|------------|-------------|------------|
| | ANNUAL | ANNUAL | FY 2016-17 |
| DESCRIPTION | BUDGET 1 | PROJECTIONS | VARIANCE |
| Beginning Working Capital | | | |
| and Reserves as of 9/30/16 | \$ 68.18 | \$ 76.00 | |
| RESOURCES: | | | |
| Operating Revenues | 176.68 | 182.18 | 3% |
| Non-operating Revenues | 0.30 | 0.60 | 100% |
| Total Revenues | 176.98 | 182.78 | 3% |
| Total Resources | 245.16 | 258.78 | |
| EXPENDITURES: | | | |
| | 05.05 | 05.45 | 1.40/ |
| Purchased Power | 85.37 | 97.67 | 14% |
| Operation and Maintenance | 44.37 | 45.18 | 2% |
| Non-Operating Expenditures | 43.67 | 43.66 | 0% |
| Total Expenditures | 173.41 | 186.51 | 8% |
| Net Income (Loss) | 3.57 | (3.73) | |
| Ending Working Capital | | | |
| and Reserves | \$ 71.75 | \$ 72.27 | |
| | | | |

Key Trends

Non-operating Revenues are projected to be higher than budget as a result of higher interest income than anticipated.

➤ Purchased Power expenditures are projected to be \$12.3 million higher than budget as a result of TMPA debt. Due to anticipated TMPA sale last fall, DME did not prepay capital appreciation bonds in FY 15-16 which resulted in that cost being included in FY 16-17 purchase power payments to TMPA. Any necessary budget amendment will be submitted later in this fiscal year.

Note: All figures presented are in millions of dollars.

¹ This grant amount will be spent over several years and the fiscal year 2016-17 projections are just estimated expenditure in the one year. Remaining grant amounts will be spent in future fiscal year.

If the City decides to withdraw from constructing a Public CNG fueling facility, the reimbursement \$201,367.87 will be returned and the remaining expenses will not be reimbursed by TCEQ.

² A portion of the grants presented cover multiple years.

³ Advance Funding received in April 2017.

 $^{^{\}rm 4}$ The City has decided to let a non-profit operate the Summer Food Program.

 $^{^{\}rm 5}$ The City received the first reimbursement from TCEQ in the amount of \$201,367.87 on May 12 2017.

Section 3

City of Denton Quarterly Financial Report June 2017

REVENUE & ECONOMIC ANALYSIS

Revenue & Economic Analysis Summary

The data included in this section provides information on local, state and national trends impacting the City's financial position.

The following notes are provided to facilitate this section's readability.

- 1. Positive Outlook Represents favorable conditions for the local economy. Color code Green.
- 2. Cautious Outlook Represents changing conditions that require close monitoring. Color code Yellow.
- 3. Negative Outlook Represents unfavorable conditions for the local economy. Color code Red.

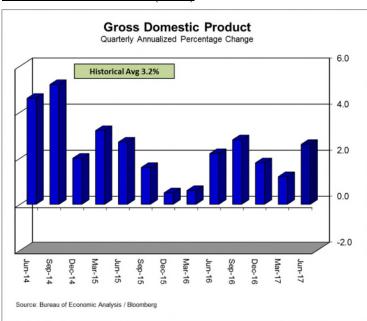

The data included in this section have been obtained from a variety of sources. Sales tax and construction related data have been obtained from internal city departments. Economic data for the State have been obtained from the Federal Reserve Bank of Dallas and may be subject to availability. National economic data were compiled with assistance from the City's investment advisor, First Southwest Asset Management.

National Economic Trends

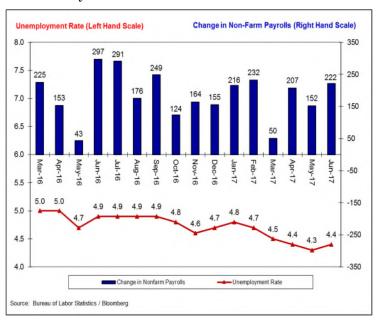

Period Ending June 30, 2017

Gross Domestic Product (GDP)

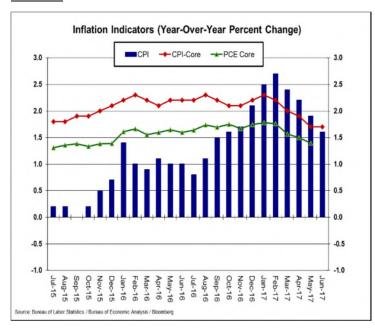

The final measure of first quarter (annualized) GDP was +1.2%. Although this is well below the prerecession historical average of +3.2%, it was an improvement over the +0.7% original report. The prevailing thought in the spring was that a sizable rebound would occur in the second quarter. Early Q2 measures showed growth in excess of +4.0%, but consumer spending faltered, and as a result, GDP missed the mark. The initial Q2 reading was just +2.6%, although this will be recalculated twice and be subject to further annual revision. Looking forward, the Atlanta Fed's "GDPNow" measure was tracking early Q3 growth at +3.7% on August 4th, while the New York Fed's "NowCast" reading was +2.0% on the same date. The latest Bloomberg survey indicates average annual GDP growth of just +2.2% for the next five quarters.

Nonfarm Payrolls

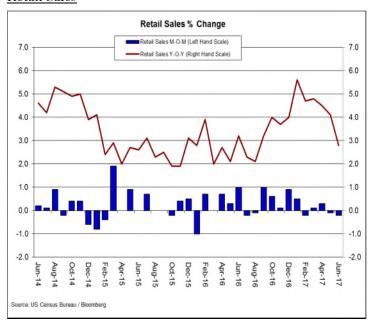

The Bureau of Labor Statistics reported U.S. companies added +222k new jobs to non-farm payrolls in June, well above the +178k median forecast, while revisions to the previous two months added another +47k. In May, the threemonth average had been a lackluster +121k, but the June report boosted the average up to a respectable +194k. The unemployment rate actually rose from a 16-year low of 4.3% to 4.4% in June as +361k Americans (re)joined the labor force. The U.S. is at, or is very close to "full employment." Economic textbooks tell us this tight labor market should result in higher wages, which would then be expected to drive overall inflation higher, but this has yet to happen. Hourly earnings continue to trend downward.

Inflation

The key to the Fed's policy decisions going forward will depend to a large degree on inflation ... or the lack thereof. Headline CPI was flat in June, after falling by -0.1% in May. The year-over-year pace dropped from +1.9% to +1.6%. Core CPI rose +0.1% for second straight month, while annual pace held at +1.7%, down from +2.3% as recently as January. The PCE core pace was just +1.4% in May, continuing a downtrend from +1.8% in January. The Fed target is +2.0%. Higher interest rates should slow inflation even further. However, the Fed believes the recent weakness is transitory and continues to expect inflation will return to target over the medium term. If it does not, the Fed will likely hold rates steady until price pressures move higher.

Retail Sales

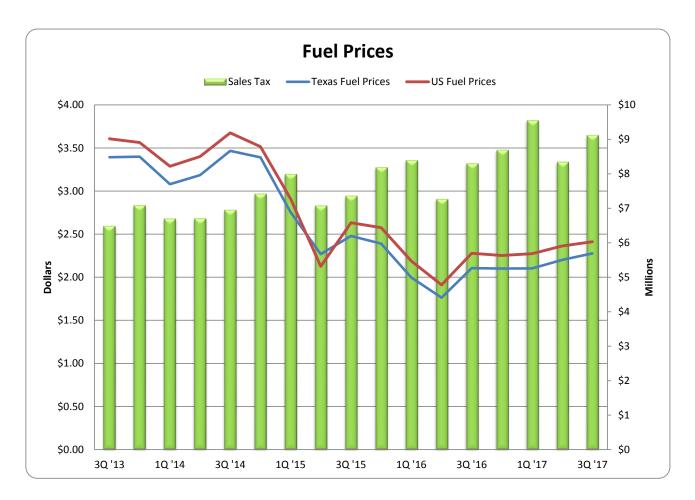

Since 2008, wages have increased by an average of just +2.2% per year. Americans have borrowed to fill the gap. According to the New York Fed, total household debt has recently reached \$12.7 trillion, \$50 billion above the third quarter of 2008. Although household net worth is also at an all-time high, the majority of households have not experienced the benefit. As a result, overall spending has disappointed. Retail sales, which make up about two-thirds of consumer spending, declined -0.1% in May, and -0.2% in June. Auto sales, which represent a large component of overall retail sales, peaked in December at an annual pace of 18.3 million units, but have slowed significantly since. The 16.4 million unit pace in June was a 20month low.

Outlook Cautious

Description: Quarterly fuel trends for the United States and Texas.

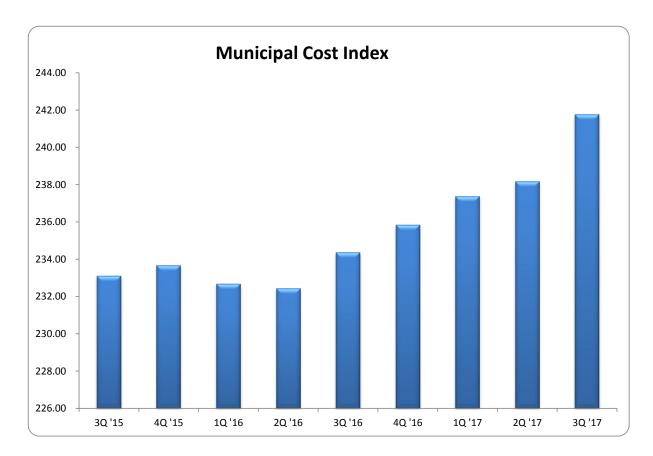

<u>Analysis</u>: Fuel prices are a major commodity source in the economy. Studies have shown a positive effect on disposable income levels when fuel prices decrease. It is estimated that for every penny decrease in the price of fuel, \$1.3 billion is available to the consumer for disposable income. Therefore, the price of fuel is likely to be a key predictor of sales tax collections. Fuel prices showed a 2.1% increase from the prior quarter at the national level and a 3.4% increase at the state level. Staff has rated this outlook as Cautious.

Source: U.S. Department of Energy

<u>Description</u>: The Municipal Cost Index was developed to show the rate of inflation for the cost of goods purchased frequently by local governments. The MCI draws on the monthly statistical data collected by the U.S. Departments of Commerce and Labor as well as independently compiled data to project a composite cost picture for the municipal budget officer or operating department manager. Costs of labor, materials and contract services are all factored into the composite MCI. Major indicators of these items used for the MCI include the Consumer Price Index, the Wholesale Price Index for Industrial Commodities (now known as the Producer Price Index) and the construction cost indexes published by the U.S. Department of Commerce, respectively.

<u>Analysis</u>: The Municipal Cost Index (MCI) pulls a variety of prices for frequently purchased commodities for local governments. The cost for labor, materials and contract services are factored for the MCI. An increase in MCI means the overall price mix for these types of commodities will cost local governments more to do routine business. The 3rd fiscal quarter of 2017 shows an increase of 3.6% over the prior quarter and an increase of 7.4% over the 3rd fiscal quarter of 2016. Staff has rated this indicator as Negative.

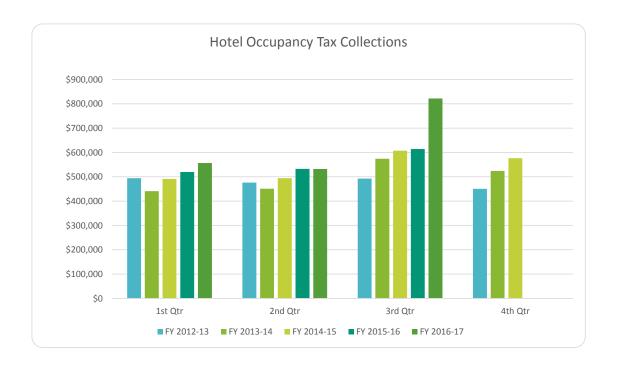

Source: American City and County Magazine

Note: The Municipal Cost Index is designed to show the effects of inflation on the cost of providing municipal services. State and local government officials rely on American City & County's Municipal Cost Index to stay on top of price trends, help control price increases for commodities, make informed government contract decisions and intelligent budget planning. Since 1978, readers have loyally referred to the Municipal Cost Index to determine the cost of inflation and, hence, the rising cost of doing business as a local government.

<u>Description</u>: Tax imposed on a person who, under a lease, concession, permit, right of access, license, contract, or agreement, pays for the use of a room that is in a hotel. A hotel includes: any building in which the public may obtain sleeping accommodations; motels; a tourist home, house or court; lodginghouse; inn; roominghouse; or bed and breakfast. The tax rate levied by the City is 7% of the price paid for a room. The State also levies a tax equal to 6%.

Analysis: While the use of this revenue source is restricted by state law, it is an essential revenue source for various tourist related activities within the community and an important indicator of local economic activity. Hotel Occupancy tax revenue through the 3rd Quarter of FY 2017 was 30% more than budget and 33% more than the prior year's actual. The 3rd quarter's revenue includes an incoming transfer of \$150,000 from a canceled capital project approved in a prior fiscal year. Revenue net of this one-time incoming transfer is 6% more than budget and 9% more than the prior year's actual. Staff has rated the outlook for this economic indicator as Positive.

| End of Year Projection: | | | \$ | 2,474,214 |
| Variance: | | | \$ | 150,000 |

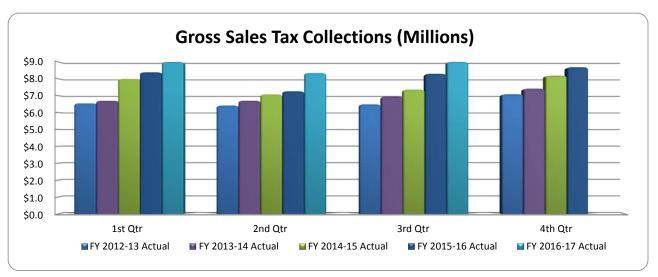

Outlook

Positive

<u>Description</u>: Tax imposed on all retail sales, leases, and rentals of most goods, as well as taxable services. The total tax rate levied within the City is 8.25% (State, 6.25%; City, 1.5%; DCTA, 0.5%).

<u>Analysis</u>: As the second largest revenue source to the City's General Fund, sales and use taxes are essential to the delivery of services to the community. Sales tax revenues through the 3rd quarter of FY 2017 compared to revenues from the prior year 3rd quarter shows a 12.43% increase, and compared to the budget it is 9.90% above. Staff has rated this indicator as Positive.

- 1. Incentive is 50% of general sales taxes. For the 3rd quarter sales tax equaled \$401,219.
- 2. Incentive is 50% of general sales taxes. For the 3rdd quarter sales tax equaled \$56,705.
- 3. Incentive is 75% of general sales taxes. For the 3rd quarter sales tax equaled \$905,932.
- 4. Incentive is 75% of general sales taxes. For the 3rd quarter sales tax equaled \$137,314.

<u>Description</u>: Certificates of Occupancy (CO) are permits issued in compliance with the 2009 International Building Code (IBC) and applicable City ordinances. The IBC states, "that no building shall be used or occupied, and no change in the existing occupancy classification of a building or structure or portion thereof shall be made, until the building official has issued a certificate of occupancy." Certificates of Occupancy ensure that applicable building, fire and consumer health codes are met.

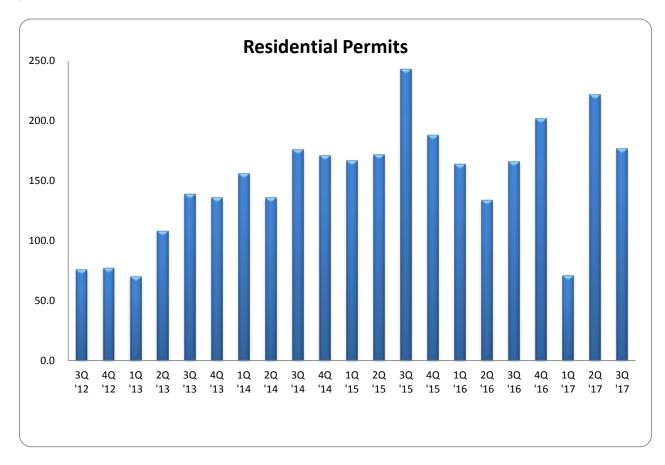

<u>Analysis</u>: Certificates of Occupancy are an economic indicator that provides a framework for the overall condition of the local economy. Certificates of Occupancy increased 64.8% from the prior quarter and increased 40.2% from the 3rd quarter of 2016. Staff has rated the outlook for this revenue indicator as Positive.

Source: City of Denton's Development Services Department.

<u>Description</u>: Residential Permits are issued in compliance with the 2009 International Residential Code (IRC) and applicable City ordinances. The data presented in this analysis only include new permits issued and not remodels/alterations.

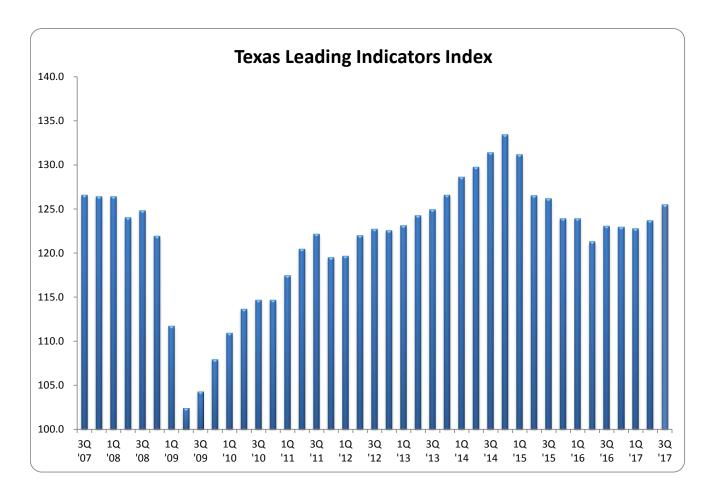

<u>Analysis</u>: Residential Permits are an economic indicator that provides a framework for the overall condition of the local economy. In particular, residential permits have a direct correlation with building inspection fees and appraised values. Residential permits decreased 20.3% from the prior quarter and increased 6.6% from the 3rd Quarter of 2016. Staff has rated the outlook for this revenue indicator as Cautious.

Source: City of Denton's Development Services Department.

<u>Description</u>: The Texas Leading Indicators Index is a single weighted summary statistic that sheds light on the future of the state's economy. The index is designed to signal movements and changes in the state's rate of growth. The index includes the following leading indicators: Texas Value of the Dollar, U.S. Leading Index, Real Oil Prices, Well Permits, Initial Claims for Unemployment Insurance, Texas Stock Index, Help-Wanted Advertising, and Average Weekly Hours Worked in Manufacturing.

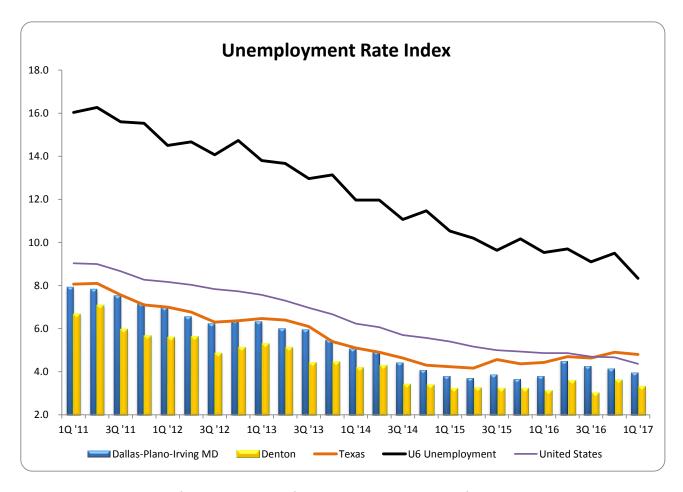

<u>Analysis</u>: Texas Leading Indicators provide a framework for the overall condition of the local economy. Data for this quarter shows a slow down in the state's rate of growth. The index increased 1.45% from the prior quarter and increased 1.97% from the 3rd quarter of 2016. Staff has rated this indicator as Cautious

Source: Federal Reserve Bank of Dallas

<u>Description</u>: Unemployment is defined as the number or proportion of people looking for work at the prevailing wage who are unable to find employment.

<u>Analysis</u>: Unemployment is an economic indicator that provides a framework for the overall condition of the national, state and local economies. The unemployment rate for the City of Denton is at 3.33% for the 3rd quarter. The unemployment rates for most of the other reported sectors were either down or flat from the prior quarter. As a result of the downward trend since the high of the 1st Quarter of 2011, staff has rated the outlook for this revenue indicator as Positive.

Source: Federal Reserve Bank of Dallas, U.S. Bureau of Labor Statistics, and Texas Workforce Commission

Note: U6 unemployment includes marginally attached workers who currently are neither working nor looking for work but indicate that they want and are available for a job and have looked for work sometime in the recent past. Discouraged workers, a subset of the marginally attached, have given a job-market related reason for not looking currently for a job. Persons employed part-time for economic reasons are those who want and are available for full-time work but have had to settle for a part-time schedule.

¹Unrealized gain/(loss) is the difference between the market and book value and does not represent an actual gain or loss. Gains and losses are realized only when a security is sold prior to maturity. Since it is the City's practice to hold investments until they mature, the temporary gains and losses are unlikely to be realized.

Strategy Statement:

The investment pool is an aggregation of the majority of City funds which may include tax receipts, enterprise fund revenues, fine and fee income, as well as some, but not necessarily all bond proceeds, grants, gifts and endowments. This portfolio is maintained to meet anticipated daily cash needs for the City's operations, capital projects and debt service. In order to meet these obligations and to minimize potential liquidation losses, the dollar-weighted stated average maturity of the investment pool shall not exceed 1.5 years or 550 days. The objectives of this portfolio are to: (1) ensure safety of principal by investing in only high quality securities for which a strong secondary market exists; (2) ensure that anticipated cash flow needs are matched with adequate investment liquidity; (3) limit market and credit risk through diversification; and (4) attain the best feasible yield, commensurate with the objectives and restrictions set forth in the Investment Policy, by actively managing the portfolio to meet or exceed the twelve month moving average yield of a one year U.S. Treasury bill as derived from the Federal Reserve Statistical Release H.15 for constant maturities.

Objective

It is the policy of the City to diversity its investment portfolio by restricting investments in a single issuer/institution to no more than 35 percent of the portfolio's total book value and to those offering repurchase agreements, collateralized CDs (including standby letters of credit), and local or state of Texas municipal securities to no greater than 15 percent. The purpose of this requirement is to limit market and credit risk. Commercial paper issuers are further restricted by a 5 percent total portfolio limitation. There are no issuer limitations on U.S. Treasuries or FDIC insured products except as they pertain to the overall 35% certificates of deposit restriction. Some investment types may be further restricted.

Objective:

The risk of market price volatility is minimized through maturity diversification. Investment maturities are staggered to provide cash flows based on the anticipated needs of the City. Liquidity is achieved by matching investment maturities with forecasted cash disbursements and by investing in securities with active secondary markets. Short-term local government investment pools and money market mutual funds help to provide daily liquidity and may be utilized as a competitive alternative to other fixed income investments.

QUARTERLY COMMENTARY

June 30, 2017

Source: First Southwest Asset Management Economic Summary & TexSTAR Monthly Newsletter

The second calendar quarter was marked by steady global growth, a healthy U.S. labor and housing market, albeit with softer than expected inflation data along with a retreat in commodity prices. Amidst this economic backdrop, the FOMC announced a 25 basis point increase in the overnight federal funds target rate to a range of 1.00% to 1.25% at their mid-June meeting. It was the fourth quarter point hike since December 2015, with one more expected at the end of this year. According to the Bloomberg economist survey dated July 9, 2017 the median growth forecast for second quarter real GDP is 2.8%, followed by 2.5%, 2.3% and 2.1% for the next three quarters.

City of Denton Quarterly Financial Report June 2017

PERFORMANCE REPORT

Strategic Plan

The City of Denton uses a Strategic Plan as a roadmap to achieve long-term goals and objectives that capture the City's Vision, Mission, and Value statements. The first Strategic Plan was formally approved by the City Council in April 2011, and it has been updated periodically since that time. Over the past year, the City has partnered with the Bloomberg What Works Cities initiative to refine our strategic outcomes and identify measurable ways to mark our progress. The City Council approved the FY 2016-17 Strategic Plan and associated performance measures on September 20, 2016.

The Strategic Plan serves as the basis for resource allocation decisions that are used in the development of the FY 2016-17 Budget. The Strategic Plan is organized into five Key Focus Areas (KFAs) and major goals associated with each KFA are also identified below.

| Key Focus Area 1: Organizational Excellence |
|--|
| Goal 1.1 Manage financial resources in a responsible manner. |
| Goal 1.2 Develop a high-performance work force. |
| Goal 1.3 Promote effective internal and external communication. |
| Goal 1.4 Achieve high level of customer satisfaction. |
| Goal 1.5 Utilize technology to enhance efficiency and productivity. |
| Goal 1.6 Collaborate with local, regional, state, and federal partners. |
| |
| Key Focus Area 2: Public Infrastructure |
| Goal 2.1 Optimize resources to improve quality of City roadways. |
| Goal 2.2 Seek solutions to mobility demands and enhance connectivity. |
| Goal 2.3 Promote superior utility services and facilities. |
| Goal 2.4 Manage drainage infrastructure. |
| Goal 2.5 Develop Capital Improvement Program (CIP) based on community needs. |
| |
| Key Focus Area 3: Economic Development |
| Goal 3.1 Develop targeted policies and incentives to achieve desired economic growth. |
| Goal 3.2 Make Denton a destination for visitors. |
| Goal 3.3 Promote a business-friendly environment. |
| Goal 3.4 Encourage development, redevelopment, recruitment, and retention. |
| |
| Key Focus Area 4: Safe Liveable and Family Friendly Community |
| Goal 4.1 Enhance public safety in the community. |
| Goal 4.2 Seek clean and healthy neighborhoods in Denton. |
| Goal 4.3 Provide quality, diverse, and accessible neighborhood services for the community. |
| Goal 4.4 Provide and support outstanding leisure, cultural, and educational opportunities. |
| Goal 4.5 Provide support to citizens in need through social service agencies and programs. |
| |
| Key Focus Area 5: Sustainable & Environmental Stewardship |
| Goal 5.1 Manage Denton's water resources. |
| Goal 5.2 Improve air quality and greenhouse gas management. |
| Goal 5.3 Improve energy efficiency and conservation. |
| Goal 5.4 Manage land use and preserve open/natural spaces. |
| Goal 5.5 Provide alternative modes of transportation. |
| Goal 5.6 Promote sustainable materials resource management. |
| Goal 5.7 Encourage local food production. |

Strategic Plan

The matrix below organizes the Key Focus Areas (KFAs) by select service areas in the organization. While every department has some level of responsibility for each KFA, the matrix is intended to only highlight the primary departments responsible for each KFA.

| SERVICE AREA | KFA 1 | KFA 2 | KFA 3 | KFA 4 | KFA 5 | | | | | |
|--|--|------------|-------|----------|----------|--|--|--|--|--|

Strategic Plan Performance Report Dashboard

Key Action Steps

During the strategic planning process, staff identified several Key Action Steps to be completed over the coming fiscal year. The purpose of creating the Strategic Plan action steps or "tasks" is to:

- Link broad policy goals identified in the Strategic Plan with specific actions that are to be undertaken.
- Provide policy makers and employees with key milestones for assessing our performance.
- Establish accountability for completing the tasks in the coming year.

Strategic Plan Performance Report Dashboard

Key Focus Area 1: Organizational Excellence

| Action Steps | Department | Target Date | Status |
|---|------------------|--------------|---|
| Implement interim Customer Relationship Manager (CRM) module and other feedback mechanisms for citizens | City Mgr. Office | January 2017 | The new cityofdenton.com includes a form to report an issue and a general contact page for the public. These requests come to the CMO and are routed to appropriate city staff. A cross-departmental staff team started work in July 2017 to explore CRM options with the goal of bringing forward a recommendation to the Committee on Citizen Engagement or City Council in late fall 2017. |

Strategic Plan Performance Report Dashboard

Key Focus Area 1: Organizational Excellence

| Action Stone | Donortmont | Target Date | Status |
|--|--------------------|----------------|--|
| Action Steps | Department | Target Date | Status |
| | | | |
| Create a digital road map for providing services to the community | Technology Service | September 2017 | We completed the second phase which includes interviewing key stakeholders to assist with the digital roadmap definition. We are scheduled to complete the third phase by September which include a survey for both internal staff and residents. This was scheduled to be published on Friday, August 4th. The initial draft of the digital roadmap will not be available until Oct/Nov 2017. |
| Hold regular performance management meetings with departments and executive team | City Mgr. Office | January 2017 | The City Manager's Office has launched a new performance measurement platform through the internal Sharepoint site in July 2017 to facilitate collection and reporting on a quarterly basis from each department. Management will begin holding performance meetings each quarter with rotating departments. |

Strategic Plan Performance Report Dashboard

Key Focus Area 1: Organizational Excellence

| Action Steps | Department | Target Date | Status |
|---|--------------------|--------------|---|
| Conduct citizen and business surveys and explore options for soliciting input from various stakeholders | City Mgr. Office | July 2017 | The 2017 Citizen Survey was sent to a sample of residents and available to all residents online in May 2017. We received over 1,300 survey responses. The results were presented to the Committee on Citizen Engagement in August 2017 and shared with the City Council. The business survey is planned to be conducted in spring 2018. |
| Conduct "State of the City" meeting with citizens and create Citizen's Academy | City Mgr. Office | March 2017 | Approximately 150 residents attend the State of the City event held on March 30, 2017. The Citizen's Academy was held over 5 sessions in June and July 2017 with 12 residents participating. |
| Enhance open data platform and related initiatives | Technology Service | January 2017 | The new open data portal was launched in August 2016. This Step has been completed. |
| Utilize the Lean, LEEP, Performance Management, and Employee Innovation programs to generate efficiency and productivity enhancements | City Mgr. Office | Ongoing | The City recently completed its 2nd LEEP class and second year of the innovation program with positive outcomes. The City also continues to use the Lean program to analyze and improve processes throughout the City. |

Strategic Plan Performance Report Dashboard

Key Focus Area 2: Public Infrastructure

| Action Steps | Department | Target Date | Status |
|---|------------|----------------|--|
| Complete Phase 1 of the Intelligent Transportation System Communication Network Plan | Traffic | December 2017 | We are on track with the target date and currently at 60% complete with design plans for Phase 1 fiber network construction. |
| Transition 10 percent of franchise fee revenue to the Street Improvement Fund | Finance | September 2017 | The first year of this 10 year transition was completed in the adopted FY 2016-17 budget. The City's five-year General Fund forecast calls for an additional 10 percent transfer (\$622,000 annually) of remaining franchise fees to the Street Improvement Fund. |
| Transition the funding of street reconstruction activities from bond funding to revenue funding for the smaller street projects | Finance | Ongoing | This action step is dependent on the annual transition of 10 percent of franchise fees to the Street Improvement Fund (prior action step). This increase in Street Maintenance funding will allow for a greater portion of street reconstruction to be funded with cash versus bond funding. The long term goal over the 10 years is to move a majority of street reconstruction to cash funding and significantly reduce the need for bond funding. |

Strategic Plan Performance Report Dashboard

Key Focus Area 2: Public Infrastructure

| Action Steps | Department | Target Date | Status |
|---|---------------------------------------|----------------|---|
| Develop Rights-of-Way (ROW) Management plan | Engineering and Technology Service | September 2017 | The discussion of telecommunication in the right-of-way and where the infrastructure (including small cell nodes)will be located and how the installation will be managed is on-going. While the City has investigated examples of right-of-way management ordinances from other cities and has evaluated best practices, pending legislative and Public Utility Commission (PUC) action may have a significant impact on staff's ultimate recommendation. Further evaluation and recommendation will be forthcoming pending any final PUC ruling or legislative action. Examples of right of way management ordinances from larger cities have been obtained and the "best practices" are being evaluated by a committee of City Departments that have a part of the right of way decision making process. |

Strategic Plan Performance Report Dashboard

Key Focus Area 2: Public Infrastructure

| Action Steps | Department | Target Date | Status |
|---|-------------|-------------|--|
| Install fiber conduit as part of major transportation projects along arterial streets | Engineering | Ongoing | The project entails installation of the City's ITS, Phase 1 (\$1.6 million NCTCOG ITS Grant) fiber infrastructure. Engineering and Traffic Operations Staff has engaged the services of Binkley and Barfield consulting Engineers to prepare design plans for the City's ITS Phase 1 . The design plans are at 90% and are anticipated to be completed by end of August 2017. Conduit has already been installed along US 380 and DCTA tracks. Currently working with purchasing department to identify existing fiber installation contracts (with DME) for expeditiously hiring a contractor to begin construction. Staff is also working with TxDOT to have conduit installed in their US-377 and FM 2181 roadway widening projects, to be bid in 2017. Staff is also working with contractors on City projects (Mayhill Road and Bonnie Brae Road) to include installation of Fiber along these major corridors. |

Strategic Plan Performance Report Dashboard

Key Focus Area 3: Economic Development

| Action Steps | Department | Target Date | Status |
|--|---------------|----------------|--|
| Develop incentives and policies that attract high-wage employers to Denton | Economic Dev. | September 2017 | Economic Development currently is reviewing and revising the current incentive policy and application. |
| Develop funding methodology and strategy for Economic Development Incentive Fund | Economic Dev. | September 2017 | The Economic Development Incentive Fund was established in August 2016. It is funded by revenues from mixed beverage taxes at a rate of \$150,000 each budget year. The criteria for eligibility to receive a grant from the fund were defined in the adopted ordinance. The strategy is to use the fund to pursue targeted industries as defined by Council, high-investment projects, and projects that involve high-wage and/or knowledge-based jobs. |
| Continue to implement workforce development programs | Economic Dev. | September 2017 | Since the Economic Development Department does not itself "implement" workforce development programs, this action step is better phrased as "continue to collaborate on the implementation of workforce development programs." ED has taken the lead role in forming the Denton Workforce Development Consortium among DISD, NCTC, TWU, and North Central Texas Workforce Solutions. The group has met twice in 2017 |

Strategic Plan Performance Report Dashboard

Key Focus Area 3: Economic Development

| Action Steps | Department | Target Date | Status |
|--|------------|---------------|--|
| Implement improvements to development review process | Planning | October 2016 | Initial recommendations from the Lean Committee were implemented in August 2016. A follow-up Lean Process Improvement event that will incorporate DRC Engineering is planned for the 3 rd Quarter of FY2016-2017. Staff will continue to monitor operations and make adjustments as needed. |
| Rewrite Denton Development Code | Planning | December 2017 | City Council approved a new scope of services for the full re-write of the Denton Development Code in December 2016. Clarion Associates held a series of kickoff meeting with staff and the Planning and Zoning Commission in January 2017 and have already begun to draft the new code. A kickoff meeting for the public was held on June 7, 2017 to present the first Module: Proposed Zoning Districts and Uses. It is anticipated that the project will be complete in May 2018. |

Strategic Plan Performance Report Dashboard

| Action Steps | Department | Target Date | Status |
|--|---------------|---------------|--|
| Implement recommendations from study on current dispatch system to improve efficiency, effectiveness, and cost | Police & Fire | December 2016 | Candidates for Communications Manager under review. Anticipated hire August 2017. Selection of Public Safety Answering Point (PSAP) Board committee members underway. Specifications for Police RMS and CAD complete. Development of RFP's for system acquisition underway. |
| Deploy additional medic unit in Southeast Denton | Fire | January 2017 | Medic Unit 8 went into service on January 1st. The tenant finish out of Temporary Station 8 on the Denton Medical City campus is complete. |
| Conduct analysis to identify hot spots that drive police response and consider resource allocation to focus on prevention in those areas | Police | December 2016 | Completed analysis of problem areas in each of 5 police districts in December 2016. Analysis revealed that hotspots were not primary driver of police staffing resources. New staffing configuration based on overall police call loads implemented in January 2017. Conducting analysis to determine impact on call response times. The new staffing configuration reduced call response times were reduced by 6% in the next quarter (2 ^{nd Qtr)} . Call response times increased slightly in the next quarter (3 rd) but remained lower than 1 st Quarter. Increases may have been attributed to rise in daily absentee rates in 3 rd Quarter. |

Strategic Plan Performance Report Dashboard

| Action Steps | Department | Target Date | Status |
|--|--|---------------|---|
| Collaborate with Community Improvement Services to build relationships with neighborhood organizations | Police | October 2016 | Personnel from Police and Community Improvement jointly attended neighborhood meeting. Worked together to alleviate issues related to criminal trespassing and littering at several temporary campsites within the city. Collaborated on neighborhood nuisance location in Southeast Denton which led to abandoned vehicles that were being used for criminal activity being towed. |
| Continue implementation and evaluation of the enhanced right-of-way maintenance program | Community Improvement Services | December 2016 | Project has been implemented and evaluation of enhanced right-of-way maintenance program continues. |
| Create an inventory and conduct an analysis of Cityowned or maintained vacant lots and buildings | Community Improvement Services/ Engineering | February 2017 | Staff has compiled a list of city-owned properties. The list is in Real Estate for review. When complete, the list will have a direct link for each property to DCAD information and aerial map. This list will be sent to other departments to claim maintenance responsibility for properties that have no departmental designation. |
| Develop a program to leverage volunteer service to make cosmetic improvements to homes in Denton neighborhoods | Community Improvement Services | May 2017 | Habitat had some organizational shifts. Met with newly-assigned staff liaison for the 'Brush with Kindness' program to provide background information and agreements to-date. Also, meeting with the People Helping People Program (City of Dallas) to look at their funding/sponsorship mechanisms. |

Strategic Plan Performance Report Dashboard

| Action Steps | Department | Target Date | Status |
|--|-----------------------|----------------|--|
| | | | |
| Expand DPL2GO Mobile Library to develop strategic relationships with underserved groups and neighborhoods | Library | September 2017 | Thirteen staff members and one volunteer made contact with 829 people at the 12 DPL2GO stops in the third quarter. Staff introduced library services, showcased and demonstrated library resources, and presented educational programming to traditionally underserved communities and groups. The "Armchair Travel" programs at local senior living facilities have become particularly popular. This spring, DPL2GO also participated in the City of Denton/DISD Career on Wheels program and appeared at CycloDia in May. |
| Support the United Way Homelessness Coordinator and the Denton County Homelessness Leadership Team to implement recommendations from the Mayor's Task Force for Housing the Homeless | Community Development | Ongoing | This program is jointly funded with the United Way of Denton County. The City's contribution totals \$40,000 plus human resources that include City staff, Mayor and a Council member that serve on the Denton County Homeless Leadership Team. |

Strategic Plan Performance Report Dashboard

| Action Steps | Department | Target Date | Status |
|--|-----------------------|-------------|--|
| | | | |
| Dedicate City resources that community organizations and programs working with the homeless can leverage for greater impact | Community Development | Ongoing | City staff, the Mayor and Council member serve on the Denton County Homeless Leadership Team. City staff participates in the Denton County Homeless Coalition. The City of Denton (COD) leverages multiple funding sources the City then distributes to organizations and programs working with the homeless. 3Q – Apr. 1, 2017 Jun. 30, 2017 \$1,911.00 in COD general funds \$7,596.63 in CDBG, federal funds \$117,311.26 in ESG state funds 1062 unduplicated clients assisted in these programs |
| Encourage City participation in coalitions and community organizations that address community social issues, such as the Denton County Behavioral Health Team and the Homelessness Leadership Team | Community Development | Ongoing | City staff, the Mayor and City Council members serve on the following Community Organizations: Denton County Behavioral Health Leadership Team (BHLT), Denton County Homeless Leadership Team (HLT). In addition, community development (CD) staff serve as exofficio to the HLT and on BHLT and HLT workgroups. CD staff hold positions on the Denton County Homeless Coalition, Denton County Hunger Coalition, Early Childhood Coalition, Community Health Council, UW Community Needs Assessment, Denton County Veterans Coalition, and Healthy Communities Coalition. |

Strategic Plan Performance Report Dashboard

Key Focus Area 5: Safe, Sustainable & Environmental Stewardship

| Action Steps | Department | Target Date | Status |
|-------------------------------------|-------------|-------------|--|
| Advance renewable power portfolio | DME | Ongoing | The Renewable Denton Plan was approved by City Council on September 20, 2016 with the goal of achieving a 70% renewable portfolio by 2019. DME has successfully added an additional wind power purchase agreement in Fall 2016 and has issued and RFP for additional renewable energy. |
| Expand commercial recycling program | Solid Waste | Ongoing | In 2016, the number of recycling containers set for commercial customers increased from 334 to 440. Fifty two (52) multi-family residential customers added recycling containers this year, increasing the recycling participation rate to 39% of the multi-family developments. |

Strategic Plan Performance Report Dashboard

Key Focus Area 5: Safe, Sustainable & Environmental Stewardship

| Action Steps | Department | Target Date | Status |
|--------------------------------------|----------------|-------------|--|
| Continue implementation of Bike Plan | Transportation | Ongoing | Staff continued to work on the planned 2016-2017 Bike Fund Projects. All sharrow projects have been completed. Additional projects on Bell Ave and Mockingbird Ln have been incorporated in conjunction with street projects currently underway. Staff is working on wayfinding signs for the bike route between TWU and DDTC. Expect to reach the 7 miles of on-street bike infrastructure target by end of FY. |

| Program Description | Staff Comments |
|--|--|
| Street Reconstruction | Staff has completed 112 of 208 total segments from the 2012 bond program. However, the amount reflected on this report represents 61 segments from the 2012 bond program and 16 segments from the 2014 bond program that have been funded with 2012 Bond Election bonds. The remaining 31 segments have been funded by other sources, including unspent GO bonds related to the 2005 bond program. |
| Public Art for Streets | An iconic Denton Medallion is to be placed along I-35 on either side of the North Texas Blvd. Bridge. The two medallions are currently being constructed and will be installed upon completion of the North Texas Blvd. Bridge. |
| Proposition 1 – Street & Public Art Improvements | |
