AGENDA INFORMATION SHEET

DEPARTMENT: Capital Projects
CM/ DCM/ ACM: Mario Canizares
DATE: September 19, 2017

SUBJECT

Consider adoption of an ordinance approving a Discretionary Services Agreement between the City of Denton and Oncor Electric Delivery Services Company, LLC for the rearrangement of Oncor electric facilities in conflict with the planned improvements of the current Mayhill Road project, ranging from Edwards Road north to the 1500 Block of South Mayhill Road; providing for the payment of ninety thousand one hundred fifty six dollars (\$90,156.00); authorizing the City Manager to execute the agreement; and providing an effective date. (Mayhill Widening and Improvements project – Oncor Electric WR#3202552)

BACKGROUND

The City of Denton is presently undertaking the Mayhill Road Widening & Improvements project, constituting the widening of a two lane rural road to a four lane urban section from US Highway 380 (University Drive) to North of Edwards Road.

Oncor Electric Delivery Services Company, LLC (Oncor) has existing electric infrastructure that is in direct conflict with the City of Denton's planned road improvements which are located in preexisting easements owned by Oncor, therefore necessitating that the costs for rearrangement of said infrastructure be borne by the City of Denton.

New poles will be installed on the edge of the new right of way, existing poles removed from the future roadway, and near intersections the existing poles will be exchanged for taller poles so that DME lines can run underneath.

RECOMMENDATION

Approve the Discretionary Services Agreement with Oncor Electric Delivery Services Company, LLC for the installation, removal, and exchange of utility poles in preparation for the current Mayhill Widening and Improvements Project.
