BACKGROUND

The State Homeland Security Program (SHSP) grant is appropriated by the Department of Homeland Security and is designed to enhance the ability of local governments to prevent, protect against, respond to, and recover from terrorist attacks and other disasters. The Office of the Governor (OOG) allocates funding to the State’s designated Council of Government regions. The City of Denton has participated in this program since 2002 as a member of the North Central Texas Council of Governments and the Regional Emergency Preparedness Advisory Committee. The City Manager acts as the “Authorized Official” for this program.

The OOG now requires a resolution be passed by any jurisdiction receiving grant funds. This year’s project will provide ballistic blankets to be used by the Denton Police Tactical Team and is 100 percent funded by the grant. The ballistic blankets are designed to offer protection in a wide variety of tactical situations. Ballistic blankets can be used to cover windows, doors and walls, or used as a personal shield in hazardous situations. The grant project has been pre-authorized by the OOG pending final approval upon passage of the resolution.
