**DEVELOPMENT AGREEMENT BETWEEN
CITY OF DENTON AND DW CARMEL, LLC**

This Development Agreement (this "Agreement") is made and entered into as of the _____ of _____, 2017 (the "Effective Date"), by and between the City of Denton, Texas, a Texas Municipal Corporation (the "City"), and DW Carmel, LLC, a Texas limited liability company, whose principle place of business is located at 5305 Village Creek Drive, Plano, Texas 75093 ("Developer"). The City and Developer are sometimes hereinafter referred to individually as "Party", and collectively as the "Parties".

WHEREAS, Sec. 212.071 of the Tex. Loc. Gov't Code authorizes the City to enter into a written agreement with a developer of a subdivision or land in the city to construct public improvements related to the development of the land and to participate in the cost related to same; and

WHEREAS, Developer is developing a residential subdivision by the name of Villages of Carmel located generally North of Pockrus Page Road, South of Edwards Road, East of Mayhill Road and West of Swisher Road in the City of Denton, Denton County, Texas (the "Development"); and

WHEREAS, the Development has been and continues to be constructed in several phases, namely Phase 1, 2, 2A, 2B, 2C, 2D, 3, 4A, 4B, 5A and 5B ("Phases"), and the Developer elected to phase its perimeter street requirements so that the perimeter paving improvements adjacent to each phase would be completed as each phase is platted pursuant to Sec. 35.20.2.L.3.c. of the Denton Development Code; and

WHEREAS, Phase 5A and Phase 5B of the Development (the "Property"), which Final Plats are attached as **Exhibit A** hereto and incorporated herein, are directly adjacent to Edwards Road, which is an unimproved perimeter street ultimately designated as a Commercial Mixed-Use Collector (73-foot total right-of-way width), so that a minimum of 36.5-ft from the centerline of the street to property line of Phase 5A and Phase 5B would be required to be dedicated as Right-of-Way along the Phase 5A and Phase 5B frontage, and 25-feet in width of asphalt pavement (including concrete curb and gutter), 8-feet in width of sidewalk, and related drainage improvements would be required to be constructed from the eastern edge of the Development's Phase 2C up to the Swisher Road and Edwards Road Intersection ("Edwards Improvements"); and

WHEREAS, TXDOT closed the Post Oak Road overpass at I-35E for improvements, resulting in a temporary increase in traffic along Edwards Road (the "TXDOT Improvements"), shortly after the approval of the Phase 5A plat on or about September 16, 2015; and, the Director of Engineering Services determined that for public safety and traffic efficiencies, the Edwards Improvements should not be constructed at the same time as the TXDOT Improvements because at least one street needed to be kept open for traffic flow to and from the Development and for benefit of City of Denton emergency services response timing to areas east of the Development; and

WHEREAS, the parties have agreed to the City's purchase of approximately 6.394 acres of the Development from the Developer for the amount of \$278,325.⁰⁰ dollars, the purchase of which being approved by the City on May 3, 2016, via Ordinance 2016-134, being the prospective purchase of Lot 1, Block KK, of the Villages of Carmel Phase 5B, an approved but yet to be recorded pending subdivision plat within the City of Denton, Texas (the "City Purchase Tract"), which Sales Contract is attached hereto as **Exhibit B** and incorporated by reference herein; and

WHEREAS, the Sales Contract requires that a Final Plat for the Development, Villages of Carmel Phase 5B, would be filed of record in the Real Property Records of Denton County, Texas within six (6) months of the Effective Date of the Sales Contract, and that the plat would conform with a Memorandum of Understanding between the parties dated July 31, 2015 (the "MOU"), which MOU is attached as part of the Sales Contract under **Exhibit B**; and

WHEREAS, the MOU requires that the Phase 5B Final Plat, Lot 1, dedicate 0.9 acre of right-of-way along Edwards and Swisher Roads, dedicate a 2.4 acre tract as "Upland Habitat Area," provide a Park Land Dedication Area on 1.2 acres, provide the extension of a 12 inch water main, and provide for the Edwards Improvements; and

WHEREAS, now that the TXDOT Improvements are completed in October 2016, the Edwards Improvements still require completion; and, since the proposed City Purchase Tract is adjacent to Edwards Road and the imposition by the City of a protracted schedule delay upon Developer, impacted the construction timing of Developer's required Edwards Improvements, the City wishes to participate in the construction and cost of the Edwards Improvements under the terms and conditions as stated herein, using the Construction Plans/Design already approved for the Developer; and

WHEREAS, the City has not filed the Final Plat for Phase 5B of the development pending the execution of a "3-way Development Agreement" to complete the construction of the Edwards Improvements; however, the parties agree that this Development Agreement will take the place of the 3-way Development Agreement requirements for Phase 5B; and

WHEREAS, the Development is now subject to Roadway Impact Fees pursuant to Ordinance No. 2016-189 as of July 6, 2017, which total amount for the Collection Rate of Phases 5A and 5B for 175 Dwelling Units is approximately \$350,000 (calculated by multiplying 4.9 vehicle trips per mile per dwelling unit by the Collection Rate of \$408.16) ("Impact Fee Collection Rate"), where perimeter system improvements may have been required up to the Maximum Assessable Rate of approximately \$1,921,657.50 absent this Agreement (calculated by multiplying 4.9 vehicle trips per mile per dwelling unit by the Maximum Assessable Roadway Impact Fee Rate of \$2,241.00) ("Impact Fee Maximum Assessable Rate"); and

WHEREAS, the parties executed a Development Contract for Public Improvements for Phase 5A on or about October 30, 2015, which was amended on or about November 18, 2016, and which contained a proposed cost estimate for the portion of the Edwards Improvements along Phase 5A frontage of \$146,667.70 by Developer, which is well under the Impact Fee Maximum Assessable Rate; and

WHEREAS, the parties agree that it would be more cost-effective, efficient, and in the overall best interests of the Parties for the City to construct the entire (Phase 5A and Phase 5B) Edwards Improvements using the design and engineering for the improvements completed by the Developer in the Construction Plans, and the Developer would contribute a lump sum fee as described herein to be paid prior to construction and which would be a credit toward all of the Impact Fee Collection Rate due for Phases 5A and 5B; and

NOW THEREFORE, the City and Developer, in consideration of the mutual covenants and agreements of the Parties herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, agree as follows:

ARTICLE I

This payment together with dedication of the rights-of-way for Edwards Road, Swisher Road, and Post Oak Road, by the subdivision plats of Villages of Carmel, Phases 5A and 5B, will be accepted by the City as full credit against the Roadway Impact Fees due for 175 single family detached residents planned in Phases 5A and 5B, in accordance with plats either currently filed or currently submitted to the City.
- c. The Developer is required to follow the terms of the MOU and dedicate the required right-of-way, the required Upland Habitat Area, and the required Park Land Dedication Area.

ARTICLE 3

EARNEST MONEY

3.1. Earnest Money Deposit. Within fourteen (14) business days after this Contract is fully executed by Seller and Purchaser, Purchaser will deposit with Capital Title of Texas, LLC ("Title Company"), at 620 West Hickory, Denton, Texas 76201, a fully executed original counterpart of this Contract and the amount of Fourteen Thousand and No/100 Dollars (\$14,000.00) to ensure prompt observance of this Contract by Purchaser ("Earnest Money Deposit"). All interest accruing on the Escrow Deposit will become a part of the Escrow Deposit and will be delivered to the party entitled to receive the Escrow Deposit. At Closing, the Escrow Deposit will be applied to the payment of the Purchase Price.

3.2. Refundability. The Earnest Money Deposit will be nonrefundable to Purchaser, except as specified in this Contract.

ARTICLE 4

TITLE STATUS

4.1. Title Commitment and Survey. Seller will deliver or have delivered to Purchaser within thirty (30) days after the Effective Date, as defined in Section 12.10, the following:

(a) a current Commitment for Title Insurance ("Title Commitment") for the Property, issued by Title Company. Notwithstanding the Survey of the Property, the Purchase Price for the Property shall not be adjusted in the event the Survey shall determine the Property to be either larger or smaller than that depicted or described in the attached Exhibit A.

Upon establishment of the boundary monuments of said Lot 1, Seller shall notify Purchaser of that event, so that the Survey contemplated herein can be completed for delivery to the parties.

4.2. Review of Title Documents. The review of the Commitment, the Exception Documents, and the Survey (collectively, "Title Documents") will be governed by the following terms:

(a) Purchaser Obligations. Purchaser will have until the date that is the sooner of (i) ten (10) days after Purchaser's receipt of the last of the Title Documents, or (ii) thirty (30) days after the Effective Date ("Title/Survey Review Period") to provide to Seller written objections to the status of title to the Property ("Objections"). All items set forth in the Schedule C of the Title Commitment, and all other items set forth in the Title Commitment which are required to be released or otherwise satisfied at or prior to Closing, shall also be deemed to be Objections without any action by Purchaser. All matters affecting the status of title to the Property to which Purchaser does not timely make Objections per this Section 4.2(a) or which are not otherwise deemed to be Objections per the previous sentence shall be deemed "Permitted Exceptions".

(b) Seller Response. If Purchaser does timely deliver Objections to Seller, Seller may within seven (7) days after receiving them ("Response Period") notify Purchaser of which Objections Seller will cure before Closing ("Cure Notice"), Seller having no obligation to cure any of Purchaser's Objections. If during the Response Period, Seller fails to notify Purchaser that Seller agrees to cure any or all of Purchaser's Objections before Closing, Purchaser may terminate this Contract by giving written notice to Seller within fourteen (14) business days after the end of the Response Period (the "Title Termination Period"), in which

event the Earnest Money Deposit will be returned to Purchaser on demand, and neither Seller nor Purchaser will have any further obligations under this Contract except for those that expressly survive its termination. Purchaser's failure to timely terminate this Contract per the previous sentence shall be deemed Purchaser's election to waive the Objections and to purchase the Property subject to the matters affecting the status of title to the Property to which the Objections applied, in which event such matters will be deemed Permitted Exceptions.

(a) Deed. A Special Warranty Deed in the form and substance of Exhibit B conveying fee simple title to the Real Property to Purchaser, subject to the Permitted Exceptions.

(b) Nonforeign Affidavit. An affidavit required under Internal Revenue Code Section 1445 stating, under penalty of perjury, that neither Seller nor any other party so swearing is a foreign person within the meaning of Section 1445.

An Owner's Policy of Title Insurance ("Owner Policy") issued by the Title Company, insuring good and indefeasible title to the Property in Purchaser in a face amount equal to the Purchase Price, subject to the standard printed or exceptions (as modified below) and the Permitted Exceptions. The Owner Policy may contain no other exceptions to title, with certain standard printed or common exceptions amended or deleted as follows:

(i) survey exception must be amended if required by Purchaser to read "shortages in area" only (although Schedule C of the Title Commitment may condition amendment on the presentation of an

(ii) no exception will be permitted for “visible and apparent easements” or words to that effect (although reference may be made to any specific easement or use shown on the Survey, if a Permitted Exception);

ARTICLE 7

REPRESENTATIONS, WARRANTIES, AND COVENANTS

7.1. Seller’s Representations, Warranties, and Covenants. Seller represents, warrants, and covenants to Purchaser the following:

(a) Authority. Seller has been duly organized and is in good standing under the laws of the state of its organization. Seller has the legal right and authority to enter into this Contract and to transfer all of the Property under this Contract. The person signing this Contract on Seller's behalf is authorized to do so.

(b) Condemnation; Legal Action. To Seller’s actual knowledge, there is no pending or threatened condemnation or similar proceeding affecting the Property or pending public improvements, liens, or special assessments in, about, or outside the Property that will affect the Property or access to it, nor any legal action of any kind affecting the Property that will affect Purchaser, nor is any such legal action presently contemplated.

(c) Governmental Requirements. To Seller’s actual knowledge, Seller has complied with all applicable laws, ordinances, regulations, statutes, rules, and restrictions pertaining to and affecting the Property, and Seller’s performance of

this Contract will not result in any breach of, constitute any default under, or result in imposition of any lien or encumbrance on the Property under any agreement or other instrument to which Seller is a party or by which Seller or the Property might be bound.

(d) Terrorist Organizations Lists. Neither Seller nor, to Seller's actual knowledge, any of its respective partners, members, shareholders, owners, employees, officers, directors, representatives, or agents is or will become a person or entity with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control of the Department of the Treasury (including those named on the OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action.

(e) Pending Actions. To Seller's actual knowledge, Seller has not received written notice of any action, lawsuit, arbitration, unsatisfied order or judgment, government investigation, or proceeding pending against Seller that, if adversely determined, could materially interfere with the transaction contemplated by this Contract.

(f) No New or Amended Agreements. After the Effective Date, Seller will not, without Purchaser's prior written consent, which may be withheld or denied in Purchaser's sole discretion, enter into any leases, licenses, occupancy agreements, or other agreements providing for the use or occupancy of the Property or services for the Property for a term that extends beyond the Closing Date.

7.2. Purchaser's Representations, Warranties, and Covenants. Purchaser represents, warrants, and covenants to Seller the following:

(a) Authority. Purchaser has been duly organized and is in good standing under the laws of the state of its organization. Purchaser has the legal right and authority to enter into this Contract and to make the transactions under this Contract. The execution, delivery, and performance of this Contract have been duly authorized, and no other action by Purchaser is required for the valid and binding execution, delivery, and performance of this Contract, except as otherwise expressly provided. There is no agreement to which Purchaser is a party or, to Purchaser's knowledge, binding on Purchaser that is in conflict with this Contract.

(b) Terrorist Organizations Lists. Neither Purchaser nor, to Purchaser's actual knowledge, any of its respective partners, members, shareholders, owners, employees, officers, directors, representatives, or agents is or will become a person or entity with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control of the Department of the Treasury (including those named on the OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including the September 24,

2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action.

7.3. **As Is.** Prior to Closing, Purchaser will have examined and inspected the Property, reviewed all instruments, records, and documents that Purchaser deems appropriate or advisable to review in connection with this transaction, and, at its own cost and expense, made its own independent investigation into the Property and all other aspects of this transaction.

PURCHASER AGREES THAT, EXCEPT FOR SELLER'S REPRESENTATIONS AND WARRANTIES IN SECTION 7.1, SELLER HAS NOT MADE, DOES NOT MAKE, AND SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES ABOUT THE COMPLIANCE OR NONCOMPLIANCE OF SELLER OR ANY OTHER PERSON OR ENTITY OR THE PROPERTY OR ITS OPERATION WITH (A) ALL CODES, LAWS, ORDINANCES, REGULATIONS, AGREEMENTS, LICENSES, PERMITS, APPROVALS, AND APPLICATIONS OF OR WITH ANY GOVERNMENTAL AUTHORITIES ASSERTING JURISDICTION OVER THE PROPERTY, INCLUDING BUT NOT LIMITED TO THOSE RELATING TO ZONING, LAND USE, BUILDING, PUBLIC WORKS, PARKING, FIRE AND POLICE ACCESS, HANDICAP ACCESS, LIFE SAFETY, SUBDIVISION AND SUBDIVISION SALES, AND HAZARDOUS AND TOXIC SUBSTANCES, MATERIALS, CONDITIONS, OR WASTE; AND (B) ALL AGREEMENTS, COVENANTS, CONDITIONS AND RESTRICTIONS (PUBLIC OR PRIVATE), DEVELOPMENT AGREEMENTS, BUILDING RULES, AND OTHER INSTRUMENTS AND DOCUMENTS GOVERNING THE USE, DEVELOPMENT, AND OPERATION OF THE PROPERTY. PURCHASER AGREES THAT THE PROPERTY WILL BE SOLD AND CONVEYED TO (AND ACCEPTED BY) PURCHASER AT CLOSING IN ITS CONDITION AT THE TIME, **AS IS, WHERE IS, WITH ALL FAULTS, AND WITHOUT ANY WRITTEN OR ORAL REPRESENTATIONS OR WARRANTIES, EXPRESS, IMPLIED, OR ARISING BY OPERATION OF LAW**, OTHER THAN THE SPECIAL WARRANTY OF TITLE IN THE DEED. FURTHER, PURCHASER REPRESENTS AND WARRANTS TO SELLER THAT PURCHASER HAS KNOWLEDGE AND EXPERTISE IN FINANCIAL AND BUSINESS MATTERS THAT ENABLE IT TO EVALUATE THE MERITS AND RISKS OF THE TRANSACTION CONTEMPLATED BY THIS CONTRACT AND THAT PURCHASER IS NOT IN A SIGNIFICANTLY DISPARATE BARGAINING POSITION. PURCHASER AGREES THAT THE PROVISIONS IN THIS SECTION WILL SURVIVE THE CLOSING. PURCHASER WILL RELY SOLELY ON ITS OWN INVESTIGATION OF THE PROPERTY AND NOT ON ANY INFORMATION PROVIDED BY SELLER, ITS AGENTS, OR ITS CONTRACTORS. SELLER WILL NOT BE LIABLE OR BOUND IN ANY WAY BY ANY ORAL OR WRITTEN STATEMENTS, REPRESENTATIONS, OR INFORMATION ABOUT THE PROPERTY OR ITS OPERATION FURNISHED BY ANY PARTY PURPORTING TO ACT ON SELLER'S BEHALF.

ARTICLE 8

DEFAULT

8.1. Purchaser's Default. If Purchaser defaults in its obligation to purchase the Property from Seller under this Contract, Seller may, as its sole and exclusive remedy for the breach, terminate this Contract by written notice to Purchaser and the Title Company, and upon any such termination the Title Company will immediately deliver to Seller the Earnest Money Deposit, which is agreed on as the amount payable by Purchaser to Seller in consideration of Purchaser having the option to refuse to purchase the Property without any liability on account of its refusal other than payment of the Earnest Money Deposit.

8.2. Seller's Default. If Seller defaults in its obligation to convey the Property to Purchaser under this Contract, the Purchaser may, as its sole and exclusive remedy, either (i) terminate this Contract by written notice to Seller and the Title Company, in which event the Earnest Money Deposit will be returned to Purchaser, or (ii) enforce specific performance of Seller's obligations under this Contract. In no event will Seller be liable to Purchaser for any actual, punitive, speculative, consequential, or other damages.

ARTICLE 9

CASUALTY LOSS

9.1. Risk of Loss. Risk of loss due to casualty up to and including the Closing Date will be borne by Seller (as between Seller and Purchaser), except to the extent of any loss or damage caused solely by the acts of Purchaser or its agents, employees, contractors, or invitees. The provisions of this Section will govern despite any contrary provisions of Texas Property Code Section 5.007.

9.2. Condemnation. By written notice to Purchaser given within three (3) days after Seller receives written notice of proceedings in eminent domain affecting the Property that are contemplated, threatened, or instituted by anybody having the power of eminent domain, Purchaser may (a) terminate this Contract and the Earnest Money Deposit will be immediately returned to Purchaser without the necessity of obtaining any consent or release by Seller, or (b) proceed under this Contract, in which event Seller will, at Closing, assign to Purchaser its entire right, title, and interest in and to any condemnation award. The provisions of this Section will govern despite any contrary provisions of Texas Property Code Section 5.007.

ARTICLE 10
BROKER FEES AND COMMISSIONS

10.1. No Brokerage Fees. Neither Seller nor Purchaser has contacted any real estate broker, agent, finder, or similar person in connection with the negotiation and execution of this Contract, the transactions contemplated by it, or the sale and purchase of the Property. To the actual knowledge of Seller and Purchaser, no Acquisition Fees have been paid or are due to any other person or entity. As used this Section, "Acquisition Fees" means all fees paid to any person or entity in connection with the selection and purchase of the Property, including real estate commissions, selection fees, nonrecurring management and startup fees, development fees, and any other similar fees. If any claims for Acquisition Fees are ever made against Seller or Purchaser in connection with the transactions contemplated by this Contract, all such claims will be the responsibility of the party whose commitments form the basis of the claims. Seller and Purchaser each agree to indemnify and hold harmless the other from and against any and all liabilities, claims, demands, or actions for or with respect to Acquisition Fees asserted by any person, firm, or corporation in connection with this Contract or the transactions contemplated by it, and any court costs, attorney fees, or other costs and expenses arising from it, insofar as any such liabilities, claims, demands, or actions are based on a contract or commitment of the indemnifying party. This indemnification provision will survive the Closing or the termination of this Contract, as applicable.

ARTICLE 11
NOTICE

11.1. Notice Designation. All notices required or permitted under this Contract must be in writing and be served on the parties at the addresses listed below. Unless otherwise provided, all notices must be given or served (a) by overnight delivery using a nationally recognized overnight courier, (b) by personal delivery, (c) by fax transmission during normal business hours with a confirmation copy delivered by another method permitted under this Section other than e-mail, or (d) by e-mail sent to the e-mail address listed below with a confirmation copy delivered by another method permitted under this Section other than fax transmission. Notice given by all permitted forms other than fax transmission or e-mail will be effective on the earlier of actual delivery to the address of the addressee or refusal of receipt by the addressee (even if the addressee refuses delivery). Notice given by fax transmission or e-mail will be effective on the transmission or attempted transmission of a fax to the phone number designated as the recipient's fax number during normal business hours or an e-mail to the e-mail address designated as the recipient's e-mail address during normal business hours. A party's address, fax number, or e-mail address may be changed by written notice to the other party, but a notice of change is not effective until actual receipt of the notice. Copies of notices are for informational purposes only, and a failure to give or receive copies of any notice will not be deemed a failure to give notice. The purpose of this Memorandum of Understanding is to formally set forth the mutual goals and understandings between D. W. The City contemplates purchase of Lot 1, Block K, Villages of Carmel Phase 5.

The City and the Owner understand and support the following platting provisions:

- 1) The Owner shall final plat Lot 1, Block K, as shown on the Preliminary Plat, prepared by Herbert S. Beasley Land Surveyors, L. P., prepared September 2014. To be platted as Lot 1, Block K, Villages of Carmel Phase 5.

- 4) The Owner shall provide for the construction of 25 foot wide concrete pavement, 8 foot wide sidewalk, curb & gutter, and required drainage improvements along Edwards Road frontage, as required under PP14-0027, Villages of Carmel Phase 5 record DRC comments, in respect to Lot 1, Block K;
- 5) City and Owner to consider a Contract of Sale in the amount of ~~\$248,325.00~~ ^{\$278,325.00} for purchase of Lot 1, Block K, Villages of Carmel Phase 5 Addition, (Preliminary Plat Lot 1 Block K, Villages of Carmel Phase 5: net ROW dedication, with Upland Habitat price adjustment, and the Park Land dedication requirements as detailed above). *EMC*
