

Station 3 – Site Plan

The site plan for Station 3 shows a new building footprint of 679.00 square feet located on a 1.559-acre lot. The lot is part of Lot 1, Block 1 of the Royal Inn Addition, Case No. 193, P.D. 193, P.D.C.T. The building is situated between Underwood St. to the north and McCormick St. to the east. The plan includes various easements, including a 10-foot wide easement for the City of Denton, and a 10-foot wide easement for the City of Denton. The plan also shows the location of the new building relative to the existing building and the surrounding streets. A red bracket on the right side of the plan indicates a closure of McCormick St. for approximately 340 linear feet.
