TRANSPORTATION – ROADWAY ENHANCEMENTS

MARCH 1, 2018

## A large, circular seal of the City of Denton, Texas, is mounted on a yellow-tiled wall. The seal features a central illustration of a building with a dome, surrounded by the text "DENTON TEXAS" and the year "1857". The seal is set against a background of yellow and brown tiles. A green lawn and a paved road are visible in the foreground.

$$18'-4" \times 18'-4" = 336 \text{ SQ. FT.}$$
[illegible]

**REINFORCEMENT OF BUILDERS, PHYSICAL CONDITIONS:** If installation is a part of this Agreement, Buyer shall be responsible and pay for all necessary reinforcements to the building or any other structure on which Display is installed, for installing power lines and other cabling, and for any additional installation costs incurred by Seller due to adverse soil conditions, underground or other obstructions including but not limited to drilling for excavation or removal of any rock. Unless notified of sprinkler lines or private utility lines prior to drilling, Buyer shall be responsible for any damage and shall be notified immediately by Seller. Seller shall not be responsible for any utility lines, diversion of such lines, or other damage to property. Seller shall not be responsible for any damage to property or loss of life or injuries. Division of private utilities is the sole responsibility of the Buyer. In the event rock or adverse soil conditions are encountered in the drilling
