Keep Denton Beautiful is a 501(c)(3) celebrating thirty years of work to keep Denton beautiful. The mission of Keep Denton Beautiful is to engage our community in creating a clean and beautiful Denton. Our vision is a clean, beautiful, and vibrant city! And our values are Volunteerism, Education, Stewardship of Resources, Community Aesthetics, and Grass Roots Involvement.

Denton Municipal Electric has sponsored Keep Denton Beautiful Programs since 2008, and has been a long-time sponsor of the KDB Community Tree Giveaway, Great American Cleanup, and Denton Redbud Festival. DME is one of KDB's largest corporate donors. Together, KDB and DME work to maintain and build-up Denton's urban forest, which saves on electricity costs.

KDB is proposing the following sponsorships for DME for 2018, which includes the DME name and logo on all promotional materials, including t-shirts (if applicable); listing on the KDB website, E-newsletter, and annual "Thank You" full-page ad in the *Denton Record-Chronicle*; and acknowledgement on KDB social media pages:

Great American Cleanup – Saturday, March 24, 2018
Bronze Level Sponsorship
\$1,500

Now in its thirtieth year, the Great American Cleanup is a community-wide litter cleanup that annually engages more than 2,000 volunteers to remove literal tons of trash and recycling from Denton's streets, waterways, and public spaces. This event mobilizes thousands of volunteers each year to make our City cleaner, greener, and more beautiful. Funds will be used for event t-shirts.

Denton Redbud Festival – Saturday, April 21, 2018
Silver Level Sponsorship
\$2,500

Held at the Civic Center and Quakertown Park in April each year, the Redbud Festival is Denton's annual Arbor Day Celebration. Approximately 5,000 participants attend this indoor/outdoor event with vendors, educational seminars, annual TRASHion Fashion Show, children's activities, and festival food. Funds will be used for t-shirts and other event needs.

Community Tree Giveaway – Saturday, October 27, 2018

Silver Level Sponsorship

\$2,500

Each year, KDB gives away thousands of free trees to Denton residents. Residents pre-register online and select their preferred tree species. On Event Day, over 800 cars will make their way through the City of Denton Landfill to receive their free tree and goodie bag, which includes a Tree Owner's Manual. Funds will be used for tree purchase and volunteer t-shirts.

Neighborhood Beautification Grants

Presenting Sponsor

\$2,500

KDB's Neighborhood Beautification Grants Program provides project funding each year for neighborhoods, nonprofits, and other community groups seeking to improve their neighborhood public spaces, beautify the community, or nurture a shared sense of neighborhood identity and community pride. Projects in past years have included neighborhood entryway signs and landscaping, community garden projects, and mural art.

Environmental Education Grants

Sponsor

\$1,000

KDB's Environmental Education Grants Program provides grant funding for school-based environmental learning projects. Schools may request up to \$500 per project, per year for projects that directly engage students in outdoor learning activities, campus improvement projects, and natural resource stewardship efforts. Projects in past years have included, vegetable/food gardens, tree planting, rainwater collection, and general campus beautification.

Mural Art Initiative

Sponsor

\$1,500

The Mural Art Initiative began in 2015 as a way to beautify Denton and instill community pride with painted mural artwork in key gateway points and neighborhood areas. Using a street-art aesthetic, the goal is to beautify and enliven public spaces, abate graffiti, and inspire community action to keep our city clean and beautiful. Three murals have already been completed; these

funds will go towards a planned mural on the Union Pacific Railroad bridge crossing at the intersection of Dallas Drive, Bell Avenue, and Eagle Drive.

KDB appreciates the long-running partnership it has enjoyed with DME since 2008, and we look forward to continuing that partnership.
