AGENDA INFORMATION SHEET

DEPARTMENT: Parks and Recreation

CM/ DCM/ ACM: Bryan Langley

DATE: May 7, 2018

SUBJECT

Receive an informational report regarding a request by the Board to receive information on the environmental quality of materials used by the proposed contractor for concession stand operations.

BACKGROUND

On April 2, the Board received a presentation on a bid award for concession stand services at North Lakes and Denia Softball Complex concession stands. Members requested information on the material used to serve concession items and expressed a desire to require the service provider use compostable or recyclable materials. Direction was given to determine if Styrofoam specifically was being used.

The proposed service provider, Mega Promotions, was contacted by the City's Materials Management Department. Mega Promotions reported that no Styrofoam is used in serving. Paper nacho trays, paper cups, plastic spoons and forks, plastic straws, waxy paper for hot dogs, and paper napkins are used to serve food and drinks.

RECOMMENDATION

Based on the direction and information obtained, staff proceeded with approval of the contract.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

The contract with Mega Promotions is tentatively scheduled for review and approval by Council on May 8, 2018.
