Re: Historic landmark (H) zoning designation at 119 West Hickory
(Ellington's)

Dear Owner(s):

The Denton Historic Landmark Commission considered your request for historic landmark (H) zoning designation at its May 14, 1981 meeting. The recommendation was approval with the stipulation that the historic landmark plaque include the word "site".

Please accept my personal apology for the oversight resulting in your not being notified of the meeting. This was an agenda item that the Historic Landmark Commission had to reconsider because when first presented, the Commission did not have enough members to present to constitute a quorum.

The Planning and Zoning Commission will hold a public hearing on May 20, 1981 in the Council Chambers of the Municipal Building at 5:00 p.m. to further consider this request. We recommend that a representative be present to speak in favor of this request if possible.

Once again, please accept my sincerest apology.

Sincerely,

David Ellison
