## Meeting Agenda Public Utilities Board

---

Monday, June 10, 2024

9:00 AM

Council Work Session Room

---

### **REGISTRATION GUIDELINES FOR ADDRESSING THE PUBLIC UTILITIES BOARD**

Citizens will be able to participate in the following way:

- eComment – The agenda was posted online at <https://tx-denton.civicplus.com/242/Public-Meetings-Agendas>. Once the agenda is posted, a link to make virtual comments using the eComment module will be made available next to the meeting listing on the Upcoming Events Calendar. Using eComment, Individuals may indicate support or opposition and submit a brief comment about a specific agenda item. eComments may be submitted up until the start of the meeting at which time the ability to make an eComment will be closed. eComments will be sent directly to members of the Public Utilities Board immediately upon submission and recorded by the Secretary into the Minutes of the Meeting.

After determining that a quorum is present, the Public Utilities Board of the City of Denton, Texas will convene in a Regular Meeting on Monday, June 10, 2024, at 9:00 a.m. in the Council Work Session Room at City Hall, 215 E. McKinney Street, Denton, Texas at which the following items will be considered:

### **REGULAR MEETING**

#### **1. PRESENTATIONS FROM MEMBERS OF THE PUBLIC**

This section of the agenda permits a person to make comments regarding public business on items as listed on the agenda. Each speaker will be allowed a maximum of four (4) minutes. Such person(s) shall have registered under the REGISTRATION GUIDELINES FOR ADDRESSING THE PUBLIC UTILITIES BOARD detailed at the beginning of this agenda. Registration is required prior to the time this agenda item is read into the record.

#### **2. CONSENT AGENDA**

Each of the items on the Consent Agenda is recommended by the Staff and approval thereof will be strictly on the basis of the Staff recommendations. Approval of the Consent Agenda authorizes the City Manager or designee to implement each item in accordance with the Staff recommendations. The Public Utilities Board has received background information and has had an opportunity to raise questions regarding these items prior to consideration.

Listed below are bids, purchase orders, contracts, and other items to be approved for payment or other action under the Consent Agenda (Agenda Items A – N). This listing is provided on the Consent Agenda to allow Public Utilities Board Members to discuss or withdraw an item prior to approval of the Consent Agenda. If no items are pulled, the Consent Agenda Items will be approved with one motion. If items are pulled for separate discussion, they may be considered as the first items following approval of the Consent Agenda.

- A. [PUB24-100](#) Consider recommending adoption of an Ordinance of the City of Denton, a Texas

home-rule municipal corporation, authorizing the City Manager to enter into an agreement with the Texas Department of Transportation (TxDOT) for the relocation and road widening projects (ROW CSJ 0195-03-103, ROW CSJ 0081-13-074, and ROW CSJ 1951-01-012) of various facilities operated by Denton Municipal Electric generally located at I35E frontage road at the Union Pacific Railroad crossing, I35W frontage road between FM 407 and FM 2499 and FM 1515 from Bonnie Brae Street to Westcourt Road within the territorial limits of the City of Denton; authorizing the expenditure of funds not to exceed \$5,000,000; and declaring an effective date.

**4. CONCLUDING ITEMS**

A. Under Section 551.042 of the Texas Open Meetings Act, respond to inquiries from the Public Utilities Board or the public with specific factual information or recitation of policy, or accept a proposal to place the matter on the agenda for an upcoming meeting AND Under Section 551.0415 of the Texas Open Meetings Act, provide reports about items of community interest regarding which no action will be taken, to include: expressions of thanks, congratulations, or condolence; information regarding holiday schedules; an honorary or salutary recognition of a public official, public employee, or other citizen; a reminder about an upcoming event organized or sponsored by the governing body; information regarding a social, ceremonial, or community event organized or sponsored by an entity other than the governing body that was attended or is scheduled to be attended by a member of the governing body or an official or employee of the municipality; or an announcement involving an imminent threat to the public health and safety of people in the municipality that has arisen after the posting of the agenda.

Following the completion of the Regular Meeting, the Public Utilities Board will convene in a Work Session at which the following items will be considered:

**WORK SESSION**

- A. [PUB24-014](#) Receive a report, hold a discussion, and give staff direction regarding the Fiscal Year 2024-25 preliminary utility forecasts for Solid Waste, Water, Wastewater/Drainage, and Electric.

Attachments: [Exhibit 1. Agenda Information Sheet](#)

[Exhibit 2. Presentation](#)

Following the completion of the Work Session, the Public Utilities Board (PUB) will convene in a Closed Meeting to consider specific items when these items are listed below under the Closed Meeting section of this agenda. The Public Utilities Board (PUB) reserves the right to adjourn into a Closed Meeting on any item on its Open Meeting agenda consistent with Chapter 551 of the Texas Government Code, as amended, or as otherwise allowed by law.

#### CERTIFICATE

I certify that the above notice of meeting was posted on the official website (<https://tx-denton.civicplus.com/242/Public-Meetings-Agendas>) and bulletin board at City Hall, 215 E. McKinney Street, Denton, Texas, on June 6, 2024, in advance of the 72-hour posting deadline, as applicable, and in accordance with Chapter 551 of the Texas Government Code.

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Denton Municipal Electric, Engineering Department

**GM:** Antonio Puente Jr., General Manager

**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an Ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to enter into an agreement with the Texas Department of Transportation (TxDOT) for the relocation and road widening projects (ROW CSJ 0195-03-103, ROW CSJ 0081-13-074, and ROW CSJ 1951-01-012) of various facilities operated by Denton Municipal Electric generally located at I35E frontage road at the Union Pacific Railroad crossing, I35W frontage road between FM 407 and FM 2499 and FM1515 from Bonnie Brae Street to Westcourt Road within the territorial limits of the City of Denton; authorizing the expenditure of funds not to exceed \$5,000,000; and declaring an effective date.

### **INFORMATION/BACKGROUND**

DME has been tasked with relocation of electrical facilities as part of several TXDOT projects including I35W, I35E, and FM 1515. All work that is accomplished in the TXDOT Right-of-Way (ROW) requires a permit from the state (similar to City of Denton's requirements to work in the ROW of city streets). As part of the permitting process, TXDOT requires completion of a Reimbursement Agreement, joint use agreements, crossing permits, and ROW-U-40 Signature Authority forms.

TXDOT requires all utilities (DME is considered a separate utility from City of Denton utilities by TXDOT) and contractors to submit a complete Reimbursement Agreement for state approval for each project prior to a TXDOT work permit being issued. The Reimbursement Agreement must include a full set of construction plans, material lists (including identification of all iron and steel components in accordance with Buy America laws), and easement acquisition documentation. It also includes a complete estimate of all expected project costs. To identify a properly authorized signatory for the utility, the utility must complete the TXDOT form ROW-U-40 Signature Authority. More than one signatory may be authorized by the utility, however a separate ROW-U-40 form and Reimbursement Agreement are required for each TXDOT project. TXDOT will only accept a Reimbursement Agreement that has been signed by an authorized signatory indicated on the form.

Brief descriptions of each project currently under design and in need of Signature Authority completions are as follows.

**I35E Frontage Road Bridge Replacements at Union Pacific Railroad Crossing** – TXDOT is replacing the frontage road bridges over the railroad tracks. The new bridges will require relocation of existing

DME overhead and underground electrical distribution facilities on both sides of the railroad tracks. The project will require boring underneath I35E for two highway crossings. The estimated cost of this project is roughly \$1,000,000, all of which will be reimbursed to DME by TXDOT.

**I35W Frontage Roads, FM407 to FM2499** – TXDOT is adding frontage roads along this segment of I35W. This highway work will require relocation of existing DME overhead and underground electric distribution facilities at two highway crossing locations. The estimated cost of this project is roughly \$2,200,000, all of which will be reimbursed to DME by TXDOT.

**FM1515 (Airport Road), Bonnie Brae St to Westcourt Rd** – TXDOT is rebuilding and widening FM 1515 along this segment. This road work will require relocation of approximately 9,000 feet of existing DME overhead and underground electric distribution facilities along most of the route. The estimated cost of this project is roughly \$1,800,000, all of which will be reimbursed to DME by TXDOT.

### **RECOMMENDATION**

DME recommends the approval of Signature Authority for DME to enter into reimbursement agreements with TXDOT for the projects listed.

## ORDINANCE NO. 24-1047

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH THE TEXAS DEPARTMENT OF TRANSPORTATION (TXDOT) FOR THE RELOCATION AND ROAD WIDENING PROJECTS (ROW CSJ 0195-03-103, ROW CSJ 0081-13-074, AND ROW CSJ 1951-01-012) OF VARIOUS FACILITIES OPERATED BY DENTON MUNICIPAL ELECTRIC GENERALLY LOCATED AT I35E FRONTAGE ROAD AT THE UNION PACIFIC RAILROAD CROSSING, I35W FRONTAGE ROAD BETWEEN FM 407 AND FM 2499 AND FM 1515 FROM BONNIE BRAE STREET TO WESTCOURT ROAD WITHIN THE TERRITORIAL LIMITS OF THE CITY OF DENTON; AUTHORIZING THE EXPENDITURE OF FUNDS NOT TO EXCEED \$5,000,000; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, the City of Denton (the “City”) owns and operates an electric utility which provides electric energy and related services to all customers within Denton Municipal Electric’s (DME) Public Utilities Commission of Texas (PUCT) certificated jurisdiction; and

WHEREAS, the City and TxDOT are working cooperatively to determine scope, cost, and appropriate reimbursement to the City associated with the City’s provision of electric energy and related services currently located in TxDOT rights-of-way or private easements to be relocated based upon highway design and rights-of-way drawings provided by TxDOT; and

WHEREAS, the City has determined that it is the public interest to authorize the City Manager to enter into TxDOT reimbursement agreements, joint use agreements, crossing permits, and other required agreements for three (3) active and currently identified TxDOT relocation and road widening projects within the City referenced as ROW CSJ 0195-03-103, ROW CSJ 0081-13-074, and ROW CSJ 1951-01-012 after approval by the City Attorney; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The recitations contained in the preamble of this ordinance are incorporated herein by reference as findings of the City Council.

SECTION 2. The City Council approves and authorizes the City Manager, or designee, to execute and deliver reimbursement agreements, joint use agreements, and crossing permits, as well as other agreements required by TxDOT, including those attached hereto and referenced herein (“Agreements”) as needed for ROW CSJ 0195-03-103, ROW CSJ 0081-13-074, and ROW CSJ 1951-01-012, only after the same have been approved by the City Attorney and is further authorized to carry out the rights, duties, obligations, and responsibilities of the City under such Agreements.

SECTION 3. The City Council approves and authorizes the City Manager, or designee, to take such additional actions as the City Manager, or designee, determines to be necessary and

advisable to continue to effectuate the purpose, terms, and conditions of the Agreements.

SECTION 4. This ordinance shall become effective immediately upon its passage and approval.

SECTION 5. City Council hereby authorizes the expenditure of funds up to Five Million Dollars and 0/100 (\$5,000,000).

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. The ordinance was passed and approved by the following vote [\_\_\_\_ - \_\_\_\_]:

This Agreement by and between the State of Texas, acting by and through the Texas Transportation Commission, ("**State**"), and \_\_\_\_\_, ("**Utility**"), acting by and through its duly authorized representative, shall be effective on the date of approval and execution by and on behalf of the **State**.

**WHEREAS**, the **State** has deemed it necessary to make certain highway improvements as designated by the **State** and approved by the Federal Highway Administration within the limits of the highway as indicated above (the "**Highway Project**");

**WHEREAS**, the proposed Highway Project will necessitate the adjustment, removal, and/or relocation of certain facilities of the **Utility** as indicated in the following statement of work: [Enter scope of work here or submission will not be complete] ; and more specifically as shown in the **Utility's** plans, specifications and estimated costs, which are attached hereto as Attachment "A".

**WHEREAS**, the **State** will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation.

**WHEREAS**, the **State**, upon receipt of evidence it deems sufficient, acknowledges the **Utility's** interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work above.

### NOW, THEREFORE, BE IT AGREED:

The **State** will pay to the **Utility** the costs incurred in adjustment, removal, and relocation of the **Utility's** facilities up to the amount said costs may be eligible for **State** participation.

All conduct under this agreement, including but not limited to the adjustment, removal, and relocation of the facility, the development and reimbursement of costs, any environmental requirements, and retention of records will be in accordance with all applicable federal and state laws, rules and regulations, including, without limitation, the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act, 42 U.S.C. §§ 4601, et seq., the National Environmental Policy Act, 42 U.S.C. §§ 4321, et seq., the Buy America provisions of 23 U.S.C. § 313 and 23 CFR 635.410, as amended, Texas Transportation Code § 223.045, the Utility Relocations, Adjustments, and Reimbursements provisions of 23 CFR 645, Subpart A, and the Utility Accommodation provisions of 23 CFR 645, Subpart B.

The **Utility** shall supply, upon request by the **State**, proof of compliance with the aforementioned laws, rules, regulations, and guidelines prior to the commencement of the adjustment, removal, and relocation of the facility.

The **Utility** shall not commence any physical work, including without limitation site preparation, on the State's right of way or future right of way, until TxDOT provides the **Utility** with written authorization to proceed with the physical work upon TxDOT's completion and clearance of its environmental review of the Highway Project. Any such work

\_\_\_\_\_  
Initial                      Date  
TxDOT

\_\_\_\_\_  
Initial                      Date  
Utility

by the Utility prior to TxDOT's written authorization to proceed will not be eligible for reimbursement and the Utility is responsible for entering any property within the proposed limits of the Highway Project that has not yet been acquired by TxDOT. This written authorization to proceed with the physical work is in addition to the authorization to commence work outlined below. Notwithstanding the foregoing, the provisions of this paragraph are required only when TxDOT has not obtained completion and clearance of its environmental review of the Highway Project prior to the execution of this Agreement by the State and the Utility.

The **Utility** shall comply with the Buy America provisions of 23 U.S.C. § 313, 23 CFR 635.410, as amended, and the Steel and Iron Preference provisions of Texas Transportation Code § 223.045 and, when products that are composed predominately of steel and/or iron are incorporated into the permanent installation of the utility facility, use domestically manufactured products. TxDOT Form 1818 (Material Statement), along with all required attachments, must be submitted, prior to the commencement of the adjustment, removal, and relocation of the facility, as evidence of compliance with the aforementioned provisions. Failure to submit the required documentation or to comply with the Buy America, and Steel and Iron Preference requirements shall result in: (1) the **Utility** becoming ineligible to receive any contract or subcontract made with funds authorized under the Intermodal Surface Transportation Efficiency Act of 1991; (2) the **State** withholding reimbursement for the costs incurred by the **Utility** in the adjustment, removal, and relocation of the **Utility's** facilities; and (3) removal and replacement of the non-compliant products.

The **Utility** agrees to develop relocation or adjustment costs by accumulating actual direct and related indirect costs in accordance with a work order accounting procedure prescribed by the **State**, or may, with the **State's** approval, accumulate actual direct and related indirect costs in accordance with an established accounting procedure developed by the **Utility**. Bills for work hereunder are to be submitted to the **State** not later than one (1) year after completion of the work. Failure to submit the request for final payment, in addition to all supporting documentation, within one (1) year after completion of the work may result in forfeiture of payment for said work.

When requested, the **State** will make intermediate payments at not less than monthly intervals to the **Utility** when properly billed. Such payments will not exceed 90 percent (90%) of the eligible cost as shown in each such billing. Intermediate payments shall not be construed as final payment for any items included in the intermediate payment.

The **State** will, upon satisfactory completion of the adjustment, removal, and/or relocation and upon receipt of final billing prepared in an approved form and manner and accounting for any intermediate payments, make payment in the amount of 90 percent (90%) of the eligible costs as shown in the final billing prior to audit and after such audit shall make an additional final payment totaling the reimbursement amount found eligible for **State** reimbursement.

Alternatively, if the approved accounting method is a lump sum, the **State** agrees to pay the **Utility** an agreed lump sum of \$ \_\_\_\_\_ as supported by the attached estimated costs. The **State** will, upon satisfactory completion of the adjustments, removals, and relocations and upon receipt of a final billing, make payment to the **Utility** in the agreed amount.

Upon execution of this agreement by both parties hereto, the **State** will, by written notice, authorize the **Utility** to perform such work diligently and to conclude said adjustment, removal, and relocation by the stated completion date which is attached hereto in Attachment "C". The completion date shall be extended for delays caused by events outside the **Utility's** control, including an event of Force Majeure, which shall include a strike, war or act of war (whether an actual declaration of war is made or not), insurrection, riot, act of public enemy, accident, fire, flood or other act of God, sabotage, or other events, interference by the **State** or any other party with the **Utility's** ability to proceed with the work, or any other event in which the **Utility** has exercised all due care in the prevention thereof so that the causes of other events are beyond the control and without the fault or negligence of the **Utility**.

This agreement in its entirety consists of the following elements:

Standard Utility Agreement – ROW-U-35;

\_\_\_\_\_  
Initial      Date  
TxDOT

\_\_\_\_\_  
Initial      Date  
Utility

- Plans, Specifications, and Estimated Costs (Attachment “A”);
- Accounting Method (Attachment “B”);
- Schedule of Work (Attachment “C”);
- Statement Covering Contract Work – ROW-U-48 (Attachment “D”);
- Utility Joint Use Agreement – ROW-U-JUA and/or Utility Installation Request – Form 1082 (Attachment “E”);
- Eligibility Ratio (Attachment “F”);
- Betterment Calculation and Estimate (Attachment “G”); and
- Proof of Property Interest – ROW-U-Affidavit (Attachment “H”).

All attachments are included herein as if fully set forth. In the event it is determined that a substantial change from the statement of work contained in this agreement is required, reimbursement therefore shall be limited to costs covered by a modification or amendment of this agreement or a written change or extra work order approved by the **State** and the **Utility**.

This agreement is subject to cancellation by the **State** at any time up to the date that work under this agreement has been authorized, and such cancellation will not create any liability on the part of the **State**. However, the **State** will review and reimburse the **Utility** for eligible costs incurred by the **Utility** in preparation of this Agreement.

The State Auditor may conduct an audit or investigation of any entity receiving funds from the **State** directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

The **Utility** by execution of this agreement does not waive any of the rights that the **Utility** may have within the limits of the law.

It is expressly understood that the **Utility** conducts the adjustment, removal, and relocation at its own risk, and that the **State** makes no warranties or representations regarding the existence or location of utilities currently within its right of way.

## Attachment "A"

### Plans, Specifications, and Estimated Costs

All material items within the cost estimate that must meet Buy America or Steel and Iron Preference Provision requirements must be indicated with an asterisk (\*).

- ☐ Currently, **this project does not plan to use** iron and steel subject to Buy America requirements. In the event that Buy America compliant materials are used during construction on this project, compliance documentation will be provided.
- ☐ There are non-domestic iron and steel materials in this project that fall under the De Minimis equation. Calculation showing the total cost does not exceed one-tenth of one percent (0.1 %) of the individual utility agreement amount or \$2,500.00, whichever is greater is required.
- ☐ We understand the Buy America Compliance Requirements for iron and steel and will supply the required documentation to TxDOT indicating compliance with this provision. The following documents will be supplied prior to installation of the materials:

- 1) Form 1818 - Material Statement
- 2) Material Test Reports or Certifications

\_\_\_\_\_

TxDOT

\_\_\_\_\_  
Initial      Date  
Utility

## Attachment “B” Accounting Method

☐ **Actual Cost Method of Accounting**

The utility accumulates cost under a work order accounting procedure prescribed by the Federal or State regulatory body and proposes to request reimbursement for actual direct and related indirect costs.

☐ **Lump Sum Method of Accounting**

The Utility proposed to request reimbursement based on an agreed lump sum amount supported by a detailed cost analysis.

## Attachment “D” Statement Covering Contract Work

**Construction Contract:** Complete form ROW-U-48 and ROW-U-48-1 if applicable.

- ☐ Utility performing with their own forces (timesheets will be required at the time of billing).
- ☐ Utility will use outside forces to perform the adjustment, complete attached ROW-U-48 or ROW-U-48-1 (joint bid).

**Engineering Contract:**

- ☐ Utility performing with their own forces (timesheets will be required at the time of billing).
- ☐ Utility will use consultant contract (continuing contract rate sheets or fee schedule will be required).
- ☐ TxDOT will procure a utility engineering consultant.

Denton, Texas  
[www.cityofdenton.com](http://www.cityofdenton.com)

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Environmental Services and Sustainability

**ACM:** Christine Taylor

**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, Texas authorizing the City Manager to execute and administer joint funding agreements (“agreements”) for water resource investigations by and between the City of Denton and the United States Geological Survey, Oklahoma-Texas Water Science Center (“USGS”) related to continued support of the Hickory Creek streamflow station (“station”) in an annual amount not to exceed \$6,500.00; authorizing the expenditure of funds; and providing an effective date.

### **BACKGROUND**

The City of Denton has participated in collaborative cost share with the USGS and the United States Army Corps of Engineers, Fort Worth District (USACE - FW) to maintain the Hickory Creek streamflow station since 2019. The station is a full range station displaying gage height and discharge flow, located in Hickory Creek at Country Club Road. Hickory Creek streamflow station is one of over 13,000 USGS real-time stations in the USGS National Water Dashboard,  
<https://dashboard.waterdata.usgs.gov/app/nwd/?region=lower48>.

Data is available online in real-time for water quality, emergency management, public and academic use going back to 2008. Additionally, City staff utilize the flow data to support the Hickory Creek Watershed Protection Plan through the development of a load duration curve to assess downstream loadings of sediments and nutrients reaching Lewisville Lake.

USACE contributes financially to this project and the USGS performs all field and analytical work to make data available to the public. The Joint Funding Agreements would be executed annually and have a term from October 1 through September 30. The proposed delegation would be limited to these specific USGS agreements so long as they do not exceed \$6,500 of budgeted funds. Proposed FY2024-25 agreement amount is \$5,250. Previous agreements in FY2022-23 and FY2023-24 were for an annual expenditure of \$5,100.

### **OPTIONS**

1. Approve delegation for Joint Funding Agreements with the USGS.
2. Decline delegation for Joint Funding Agreements with the USGS.

### **RECOMMENDATION**

Approve delegation of Joint Funding Agreements with the USGS.

**ESTIMATED SCHEDULE OF PROJECT**

October 1 through September 30 annually

**PRIOR ACTION/REVIEW (Council, Boards, Commissions)**

None

**FISCAL INFORMATION**

Funds are budgeted by Environmental Services and Sustainability, Watershed Protection Division operating budget.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, TEXAS AUTHORIZING THE CITY MANAGER TO EXECUTE AND ADMINISTER JOINT FUNDING AGREEMENTS (“AGREEMENTS”) FOR WATER RESOURCE INVESTIGATIONS BY AND BETWEEN THE CITY OF DENTON AND THE UNITED STATES GEOLOGICAL SURVEY, OKLAHOMA-TEXAS WATER SCIENCE CENTER (“USGS”) RELATED TO CONTINUED SUPPORT OF THE HICKORY CREEK STREAMFLOW STATION (“STATION”) IN AN ANNUAL AMOUNT NOT TO EXCEED \$6,500.00; AUTHORIZING THE EXPENDITURE OF FUNDS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Hickory Creek Streamflow Station (“Station”), located at Country Club Road and Hickory Creek Road, is a full range stream monitoring station displaying gauge height and discharge flow online in real-time to the public on the Current Water Data for the Nation website; and

WHEREAS, the United States Geological Survey conducts annual Texas Water Science Center Water Resources Investigations (“Investigations”) from October 1st through September 30th; and

WHEREAS, the Investigations include maintaining stream gage height and streamflow discharge volume at the Station (“Project”); and

WHEREAS, through the Agreements, the City of Denton covers necessary field and analytical work costs directly related to the Project; and

WHEREAS, the United States Army Corps of Engineers (“USACE”) provides additional monetary support for operation and maintenance of the Station; and

WHEREAS, the City of Denton has executed Agreements with USGS since 2019 and publicly available data has been recorded by USGS at the Station since 1986; and

WHEREAS, Project data is utilized by staff in support of the Hickory Creek Watershed Protection Plan; and

WHEREAS, records and reports resulting from the Project shall be made available to the public; and

WHEREAS, the City Council, having considered the Project’s benefit to the public, agrees that approval of current and future Agreements by and between USGS and the City is in the best interest of the citizens of the City of Denton; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The findings and recitations contained in the preamble of this ordinance are incorporated herein by reference as true and as if fully set forth in the body of this ordinance.

SECTION 2. The City Manager is hereby authorized to execute Agreements with USGS related to the Project at the Station.

SECTION 3. The City Manager is further authorized to carry out all duties and obligations to be performed by the City of Denton under the Agreements including, but not limited to, the expenditure of funds available in the budget in a total annual amount not to exceed \$6,500.00.

SECTION 4. The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under the Agreements to the City Manager of the City of Denton.

SECTION 5. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_, the ordinance was passed and approved by the following vote [\_\_\_\_ - \_\_\_\_]:

	<u>Aye</u>	<u>Nay</u>	<u>Abstain</u>	<u>Absent</u>

## United States Department of the Interior

U.S. GEOLOGICAL SURVEY  
Oklahoma-Texas Water Science Center  
1505 Ferguson Lane  
Austin, TX 78754

April 16, 2024

Ms. JoEtta Dailey  
Watershed Protection Manager  
City of Denton  
1105 South Mayhill Rd  
Denton, TX 76208

Dear Ms. Dailey:

Enclosed is a signed scan of our standard joint-funding agreement 25SJFATX161000 between the U.S. Geological Survey Oklahoma-Texas Water Science Center and City of Denton for negotiated deliverables (see attached), during the period October 1, 2024 through September 30, 2025 in the amount of \$5,250 from your agency. U.S. Geological Survey contributions for this agreement are \$0 for a combined total of \$5,250. Please sign and return one fully-executed original to Kandis Becher at GS-W-OT\_OTFM@usgs.gov or mail to the address above.

Federal law requires that we have a signed agreement before we start or continue work. Please return the signed agreement by **July 1, 2024**. If, for any reason, the agreement cannot be signed and returned by the date shown above, please contact Marsha Gipson at (682) 444-6392 or email mgipson@usgs.gov to make alternative arrangements.

This is a fixed cost agreement to be billed annually via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact Kandis Becher at phone number (682) 316-5051 or GS-W-OT\_OTFM@usgs.gov.

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. We look forward to continuing this and future cooperative efforts in these mutually beneficial water resources studies.

Sincerely,

Timothy H. Raines  
Director

Agreement #: 25SJFATX161000  
Project #: SJ009ME  
TIN #: 75--6000514**

**Fixed Cost Agreement YES[ X ] NO[ ]**

THIS AGREEMENT is entered into as of the October 1, 2024, by the U.S. GEOLOGICAL SURVEY, Oklahoma-Texas Water Science Center, UNITED STATES DEPARTMENT OF THE INTERIOR, party of the first part, and the City of Denton party of the second part.

1. The parties hereto agree that subject to the availability of appropriations and in accordance with their respective authorities there shall be maintained in cooperation for negotiated deliverables (see attached), herein called the program. The USGS legal authority is 43 USC 36C; 43 USC 50, and 43 USC 50b.

2. The following amounts shall be contributed to cover all of the cost of the necessary field and analytical work directly related to this program. 2(b) include In-Kind-Services in the amount of \$0.00

- (a) \$0 by the party of the first part during the period  
October 1, 2024 to September 30, 2025
- (b) \$5,250 by the party of the second part during the period  
October 1, 2024 to September 30, 2025
- (c) Contributions are provided by the party of the first part through other USGS regional or national programs,  
in the amount of: \$0

Description of the USGS regional/national program:

- (d) Additional or reduced amounts by each party during the above period or succeeding periods as may be determined by mutual agreement and set forth in an exchange of letters between the parties.
- (e) The performance period may be changed by mutual agreement and set forth in an exchange of letters between the parties.

3. The costs of this program may be paid by either party in conformity with the laws and regulations respectively governing each party.

4. The field and analytical work pertaining to this program shall be under the direction of or subject to periodic review by an authorized representative of the party of the first part.

5. The areas to be included in the program shall be determined by mutual agreement between the parties hereto or their authorized representatives. The methods employed in the field and office shall be those adopted by the party of the first part to insure the required standards of accuracy subject to modification by mutual agreement.

6. During the course of this program, all field and analytical work of either party pertaining to this program shall be open to the inspection of the other party, and if the work is not being carried on in a mutually satisfactory manner, either party may terminate this agreement upon 60 days written notice to the other party.

7. The original records resulting from this program will be deposited in the office of origin of those records. Upon request, copies of the original records will be provided to the office of the other party.

8. The maps, records or reports resulting from this program shall be made available to the public as promptly as possible. The maps, records or reports normally will be published by the party of the first part. However, the party of the second part reserves the right to publish the results of this program, and if already published by the party of the first part shall, upon request, be furnished by the party of the first part, at cost, impressions suitable for purposes of reproduction similar to that for which the original copy was prepared. The maps, records or reports published by either party shall contain a statement of the cooperative relations between the parties. The Parties acknowledge that scientific information and data developed as a result of the Scope of Work (SOW) are subject to applicable USGS review, approval, and release requirements, which are available on the USGS Fundamental Science Practices website (<https://www.usgs.gov/office-of-science-quality-and-integrity/fundamental-science-practices>).

**File #: PUB24-106, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a first amendment to a Professional Services Agreement between the City of Denton and 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., amending the contract approved by City Council on August 1, 2023, in the not-to-exceed amount of \$892,320.00, said first amendment to add additional services as the Owner's Engineer for Denton Municipal Electric; providing for the expenditure of funds therefor; and providing an effective date (RFQ 7804-010 - providing for an additional first amendment expenditure amount not-to-exceed \$197,780.00, with the total contract amount not-to-exceed \$1,090,100.00).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement

**ACM:** Cassey Ogden

**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a first amendment to a Professional Services Agreement between the City of Denton and 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., amending the contract approved by City Council on August 1, 2023, in the not-to-exceed amount of \$892,320.00, said first amendment to add additional services as the Owner's Engineer for Denton Municipal Electric; providing for the expenditure of funds therefor; and providing an effective date (RFQ 7804-010 - providing for an additional first amendment expenditure amount not-to-exceed \$197,780.00, with the total contract amount not-to-exceed \$1,090,100.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

Denton Municipal Electric (DME) is proposing to relocate the electric meter data currently located on an on-premises database to the AWS "DME Utility Cloud". The Itron Meter Data Management System (MDMS) collects and stores detailed data from smart meters and other monitoring devices installed throughout the power grid. Itron MDMS does not allow querying on the hosted system, nor do they guarantee data integrity or performance if individuals are performing tasks other than the basic reporting tools Itron provides. Replicating the electric meter data on AWS "DME Utility Cloud" will allow DME to utilize the data in a more efficient and effective manner. This granular data provides a comprehensive view of electricity consumption patterns at various levels of the grid, allowing for better load forecasting and load profile creation. In addition, logging into the AWS Appstream environment is very cumbersome and takes a long period of time to connect, adding Always-on app-stream will correct this issue.

This change order requests additional efforts to augment DME's existing AWS cloud infrastructure and managed services. Specifically, to create an instance to store a replica of the Itron MDM data within the DME Utility Cloud environment. Leveraging the data within engineering applications will provide DME with the capability to conduct comprehensive load flow analysis and strategic planning. The Energy Management Office (EMO) can access near real-time information on load profiles and system conditions which assist them in improving load forecasting by capturing sudden changes or anomalies in load behavior. The new configuration will decrease egress charges of data transfer from the AWS "DME Utility Cloud".

Cost breakdown for AWS cloud services and additional amendment efforts:

	<b>Year One</b>	<b>Year Two</b>	<b>Year Three</b>
AWS Cloud Services	\$297,440	\$297,440	\$297,440
Meter Data Amendment		98,890	98,890
<b>New Contract Total</b>			<b>\$1,090,100</b>

### **PRIOR ACTION/REVIEW (Council, Boards, Commissions)**

On August 1, 2023, City Council approved a contract with 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., in the not-to-exceed amount of \$892,320 (Ordinance 23-1414).

### **RECOMMENDATION**

Award a contract to 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., to add additional services as the Owner's Engineer for Denton Municipal Electric, in a not-to-exceed amount of \$197,780, for a total amended contract amount of \$1,090,100.

### **PRINCIPAL PLACE OF BUSINESS**

1898 & Co., a division of Burns & McDonnell Engineering Company, Inc.  
Fort Worth, TX

### **ESTIMATED SCHEDULE OF PROJECT**

This contract expires on August 1, 2026.

### **FISCAL INFORMATION**

These services will be funded from DME TechOps Operating fund 600750.7899.9210. Requisition #164531 has been entered into the Purchasing software system in the amount of \$98,890. The total amended amount of this contract is \$1,090,100.

ORDINANCE NO. 23-1414

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH 1898 & CO, A DIVISION OF BURNS & MCDONNELL ENGINEERING COMPANY, INC., FOR PROFESSIONAL ENGINEERING SERVICES TO THE DENTON MUNICIPAL ELECTRIC SYSTEMS OPERATION DEPARTMENT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFORE; AND PROVIDING AN EFFECTIVE DATE (RFQ 7804-010 - PROFESSIONAL SERVICES AGREEMENT FOR PROFESSIONAL SERVICES AWARDED TO 1898 & CO, A DIVISION OF BURNS & MCDONNELL ENGINEERING COMPANY, INC., IN THE THREE (3) YEAR NOT TO EXCEED THE AMOUNT OF \$892,320.00).

WHEREAS, on December 14, 2021, the City Council approved a pre-qualified professional services list of professional engineering services for Denton Municipal Electric (Ordinance 21-2687), and the professional services provider (the "Provider") mentioned in this ordinance is being selected as the most highly qualified on the basis of its demonstrated competence and qualifications to perform the proposed professional services; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the fees under the proposed contract are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees published by the professional associations applicable to the Provider's profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The City Manager, or their designee, is hereby authorized to enter into an agreement with 1898 & Co, a division of Burns & McDonnell Engineering Company, Inc., to provide professional engineering services for the City of Denton, a copy of which is attached hereto and incorporated by reference herein.

SECTION 2. The City Manager, or their designee, is authorized to expend funds as required by the attached contract.

SECTION 3. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 4. The findings in the preamble of this ordinance are incorporated herein by reference.

SECTION 5. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by Brian Beck and seconded by Brandon Chase McGee. This ordinance was passed and approved by the following vote [7 - 0]:

	Aye	Nay	Abstain	Absent

**CONTRACT BY AND BETWEEN  
CITY OF DENTON, TEXAS AND 1898 & Co., a division of BURNS & MCDONNELL  
ENGINEERING COMPANY, INC  
(CONTRACT 7804-010)**

**THIS CONTRACT** is made and entered into this date 08/01/2023, by and between 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., a Missouri corporation, whose address is 9400 Ward Parkway, Kansas City, Missouri 64114, hereinafter referred to as "Engineer," and the **CITY OF DENTON, TEXAS**, a home rule municipal corporation, hereinafter referred to as "City," to be effective upon approval of the Denton City Council and subsequent execution of this Contract by the Denton City Manager or his duly authorized designee.

For and in consideration of the covenants and agreements contained herein, and for the mutual benefits to be obtained hereby, the parties agree as follows:

**SCOPE OF SERVICES**

Engineer shall provide products and/or services in accordance with the Master Services and Solutions Agreement ("MSSA"), a copy of which is attached hereto and incorporated herein for all purposes as **Exhibit "B"**. The Contract consists of this written agreement and the following items which are attached hereto and incorporated herein by reference:

- (a) Special Terms and Conditions (**Exhibit "A"**);
- (b) 1898 Burns & McDonnell Master Services and Solutions Agreement "MSSA" (**Exhibit "B"**);
- (c) Certificate of Interested Parties Electronic Filing (**Exhibit "C"**);
- (d) Form CIQ – Conflict of Interest Questionnaire (**Exhibit "D"**);

These documents make up the Contract documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the Contract documents, the inconsistency or conflict shall be resolved by giving precedence first to the written agreement then to the contract documents in the order in which they are listed above. These documents shall be referred to collectively as "Contract Documents."

**Prohibition On Contracts With Companies Boycotting Israel**

Engineer acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer's signature provides written verification to the City that Engineer: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

### **Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization**

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Engineer certifies that Engineer's signature provides written verification to the City that Engineer, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

### **Prohibition on Contracts with Companies Boycotting Certain Energy Companies**

Engineer acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms "boycott energy company" and "company" shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer's signature provides written verification to the City that Engineer: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

### **Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations**

Engineer acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms "discriminate against a firearm entity or firearm trade association," "firearm entity" and "firearm trade association" shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer's signature provides written verification to the City that Engineer: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

### **Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies**

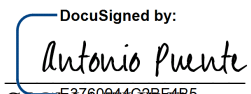

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Engineer is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of Contract # 7804-010

China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

The parties agree to transact business electronically. Any statutory requirements that certain terms be in writing will be satisfied using electronic documents and signing. Electronic signing of this document will be deemed an original for all legal purposes.

IN WITNESS WHEREOF, the parties of these presents have executed this agreement in the year and day first above written.

THIS AGREEMENT HAS BEEN  
BOTH REVIEWED AND APPROVED  
as to financial and operational obligations  
and business terms.

## **Exhibit A**

1. The ENGINEER shall be compensated for all services provided pursuant to this AGREEMENT in an amount not to exceed \$892,320.00 in the manner and in accordance with the fee schedule as set forth in Exhibit B. Payment shall be considered full compensation for all labor, materials, supplies, and equipment necessary to complete the services described in Exhibit B.
2. Unless otherwise terminated pursuant to MSSA Section 5 herein, this AGREEMENT shall be for a contract term of three (3) years, effective from date of award or notice to proceed as determined by the City of Denton Purchasing Department. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months as set forth in Exhibit B.

**Exhibit B**

1898 Burns & McDonnell Master Services and Solutions Agreement “MSSA”

## Exhibit B

### MASTER SERVICES AND SOLUTIONS AGREEMENT

This Master Services and Solutions Agreement ("MSSA") is made by and between City of Denton ("Client") and 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., a Missouri Corporation ("1898") this 13<sup>th</sup> day of AUGUST 2023 ("Effective Date").

Client from time to time requires professional services and/or technology solutions in connection with Client's business. Therefore, Client and 1898, in consideration of their mutual covenants, agree as follows:

#### SECTION 1 – GENERAL TERMS

- 1.1 1898 shall serve as Client's professional consultant as detailed in subsequent Task Orders to which this MSSA applies, and shall give consultation and advice to Client during the performance of 1898's services ("Services").
- 1.2 Services on any assignment shall be undertaken only upon written authorization of Client and agreement of 1898. The Parties shall use the form of Task Order attached hereto as **Exhibit 1**.
- 1.3 1898's Services will be performed solely for the benefit of Client and are not intended for the benefit of any other persons or entities.
- 1.4 1898 and Client shall execute additional documents ("Ordering Documents") to detail obligations and rights as between the Parties relating to software licenses, hardware, or services obtained from 1898 ("Solutions"). Such Solutions may be obtained from third-party providers ("Third-Party Solutions") or developed by 1898 ("1898 Solutions") and such Ordering Documents will be subject to the terms and conditions of this MSSA. Each capitalized term used in the MSSA has the meaning set forth herein.
- 1.5 If either Party desires to modify this MSSA, such modification shall be communicated in writing to the parties below. No modifications to this MSSA will be valid unless an amendment reflecting agreed to modifications is signed by both Parties.

#### SECTION 2 – SERVICES AND SOLUTIONS

- 2.1 Services. 1898 agrees to provide the Services and Solutions set forth in each Task Order. Unless otherwise agreed to in the Task Order, payments will be made on a time and materials basis. If applicable, 1898 shall quote all compensation for labor at the per hour rates specified in **Appendix A** to any associated Task Order.
- 2.2 Modifications. If Client desires to modify the Services or include additional services at any time during the term of an associated Task Order, Client shall describe the additional services or deliverables to 1898 in writing ("Change Notice"). Within fourteen (14) calendar days of such Change Notice, 1898 shall submit a proposal ("Change Order") which includes a statement of any additional compensation and, if the Change Notice is provided prior an initial acceptance of a deliverable, any additional time or other adjustments to the schedule resulting from the proposed Change Order. Upon Client's approval of a Change Order, 1898 shall issue a Change Order substantially in the format of **Exhibit 2**. Any additional deliverables or changes to the scope described in the Change Order shall be subject to acceptance testing as described in the associated Task Order.
- 2.3 Data Security. 1898 utilizes third-party hosting providers that have implemented industry standard security measures, systems, and procedures designed to protect against normally anticipated threats or hazards to the security or integrity of Client's Confidential Information. Upon request by Client, 1898 will provide a copy of the most recent service auditor's report for such third-party hosting providers.
- 2.4 Ownership of 1898 Solutions. If any 1898 proprietary software is part of the 1898 Solution or contained in the Ordering Documents, 1898 grants to Client a non-exclusive, non-transferable license to use the software, subject to the terms of this MSSA and the applicable Ordering Document. Client

## Exhibit B

represents that it has the authority to bind each User to the use restrictions set forth in this MSSA or, as applicable, in the Ordering Documents. The 1898 Solution is proprietary to 1898, is based upon and contains trade secrets and other Confidential Information provided however this Section is subject to the Texas Public Information Act. No right to use, print, copy, modify, create derivative works of, adapt, translate, distribute, disclose, decompile or reverse engineer the 1898 Solution is granted, except as expressly set forth in this MSSA or applicable Ordering Documents. 1898 reserves all right, title, and interest to the 1898 Solution, and the 1898 intellectual property contained therein licensed to Client pursuant to this MSSA and all rights not expressly granted hereunder. All license grants herein are conditioned upon receipt of payment pursuant to Section 4.

- 2.5 Ownership of Third-Party Solutions. Client's use rights and license limitations to any Third-Party Solution (a) shall be enumerated in the Ordering Documents; (b) such license is solely between the third-party and Client; (c) such license takes precedence if it conflicts with this MSSA; and (d) such third-party license may not be expanded by this MSSA. All right, title and interest to any third-party software, hardware, or service that is embedded or part of a Solution, including any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by Client, shall remain the property of such third-party provider. All license grants herein are conditioned upon receipt of payment pursuant to Section 4.
- 2.6 Ownership of Deliverables. Unless specifically identified in a Task Order, all right, title, and interest to any deliverable associated with the Services and Solutions will be solely owned by 1898 or its third-party provider. If Client acquires any rights, title, or interests in a deliverable delivered as part of the Services, Client will grant 1898 an exclusive, unlimited, irrevocable, fully paid, royalty-free, worldwide perpetual right to use, publicly display, create derivative works, modify, distribute, and reproduce such deliverable. Except as expressly set forth pursuant to this Agreement, 1898 or the Third-Party Solution provider (and its licensors, where applicable) will retain all intellectual property rights relating to the Solution or any suggestions, ideas, enhancement requests, feedback, recommendations or other information provided by Client relating to the Solution, which are hereby assigned to 1898 or the Third-Party Solution provider.
- 2.7 Warranty – If any third-party goods or products are included as part of the 1898 Solution, the third-party supplier warranty will be provided in the Ordering Documents, the warranty shall be directly assigned to Client, and the warranty obligation and any remedies so provided shall be solely and exclusively as to between Client and third-party supplier. 1898 makes no warranty, express or implied, to Client with regards to Third-Party Solutions. Such warranty is conditioned upon receipt of full and final payment to 1898 by Client, for the Third-Party Solution under the applicable Task Order.

## SECTION 3 – CLIENT RESPONSIBILITIES

- 3.1 Usage. Client will not, and will use reasonable efforts to ensure that its employees, agents, contractors, or contingent workers that have access to any 1898 Solutions ("Users") do not: (a) sell, resell, lease, lend, or otherwise make available the 1898 Solutions in whole or in part to a third party; (b) modify, adapt, translate, reverse engineer or make derivative works of the 1898 Solutions; (c) knowingly transmit any viruses or programming routines intended to damage, surreptitiously intercept, or expropriate any system, data, or personal information; or (d) sublicense or operate the 1898 Solutions for timesharing, rental, outsourcing, or service bureau operations, or to train persons other than its Users. Client will manage and maintain communications, connections, and devices for its Users at all locations.

If Client acquires a Third-Party Solution pursuant to this MSSA, Client warrants it shall abide by the terms of any associated licensing or use rights agreements included in the Ordering Documents or attached hereto.

- 3.2 Credentials. Client will (a) credential all Users and determine the correct privileges for each User, (b) use reasonable efforts to ensure that all Users use the 1898 Solutions or Third-Party Solutions in

## Exhibit B

accordance with the Ordering Documents and for no other purpose, and (c) be responsible for any activities that occur under the Client's or Users' accounts or passwords.

- 3.3 Unauthorized Use. Client will use reasonable efforts to prevent unauthorized use of the 1898 Solutions or Third-Party Solutions, and to terminate any unauthorized use. Client will promptly notify 1898 of any unauthorized use of, or access to, the 1898 Solutions or Third-Party Solutions of which it becomes aware. Client agrees to provide information requested by 1898 to verify Client's compliance with this MSSA. Client is also responsible for (a) its security and privacy compliance, including obtaining consents and authorizations where necessary; (b) implementing reasonable security capabilities and policies and procedures to minimize or prevent unlawful access by Client or its Users, and access by unauthorized persons; and (c) any unlawful or unauthorized use by authorized persons.
- 3.4 Audit Rights. Not more than once per year, 1898 may, at its expense, audit Client's compliance with this Agreement or any underlying Task Orders or Ordering Documents. Any such audit will be conducted during Client's business hours and will not unreasonably interfere with Client's business activities. Client shall provide 1898 with all reasonable assistance and information required to enable it to determine whether Client is compliant this Agreement. If the audit reveals that Client has underpaid amounts due under this Agreement, Client shall pay such amounts within thirty (30) days after receiving notice, plus interest at the rate set forth in Section 4.3. If the audit reveals that Client has underpaid amounts totaling five percent (5%) or more of the amounts due in any year, Client shall reimburse 1898 for all reasonable costs, fees, and expenses associated with such audit within thirty (30) days after receiving notice.
- 3.5 Notification of Delays or Errors. Client shall provide timely notice to 1898 of any anticipated delays to the planned Services or Solutions caused by, or otherwise attributable to Client. Client shall also promptly notify 1898 of any errors, inconsistencies, or omissions Client discovers in the Services or Solutions. Unless promptly notified, 1898 shall not be responsible for any costs incurred by Client which would have been avoided if prompt notification had been given as required. 1898 shall be entitled to an equitable adjustment in schedule and compensation and will provide a Change Notice to Client to reflect time and cost impacts to the planned and efficient execution of the Services and Solutions.

## SECTION 4 – COMPENSATION

- 4.1 Compensation. Client shall pay 1898 for services rendered and reimbursable expenses as stated in the Task Order and pursuant to this Section 4.
- 4.2 Invoices. Unless otherwise agreed to in a specific Task Order, monthly invoices will be submitted by 1898 to Client for progress on Services performed in the previous month. Separate invoices will be issued upon delivery, or as further indicated in specific Task Orders or Ordering Documents, for 1898 Solutions or Third-Party Solutions.
- 4.3 Payments. Invoices are payable within 30 days of receipt of invoice. A late payment charge of one and a half percent (1.5%) per month or any partial month or the maximum amount allowed by law (whichever is less) will be added to amounts not received within thirty (30) days of the invoice date. Time is of the essence in payments of invoices, and timely payment is a material part of the consideration of this MSSA. Costs, including reasonable attorney's fees, incurred by 1898 in collecting any delinquent amount shall be reimbursed by Client. If a portion of 1898's invoice is disputed by Client, the undisputed portion shall be paid by Client by the due date. Client shall advise 1898 in writing of the basis for any disputed portion of any invoice.
- 4.4 Reserved.
- 4.5 Additional Services or Modified Services. For additional or modified Services, or reduced or changed or impacted scope of Services, the schedule, and compensation and amount of payment for the

## Exhibit B

applicable Task Order shall be adjusted by Change Order on a mutually agreeable basis. Labor shall be on an hourly rate schedule (found in Appendix A), or as otherwise agreed to by the Parties.

- 4.6 Expenses. Reimbursable expenses for such items as airfare, rental car, lodging, meals, postage, and shipping, and other such costs shall be billed to Client at 1898's direct cost.

### SECTION 5 – TERM & TERMINATION

- 5.1 Term. This MSSA shall remain effective until the later of (a) 90 days after the expiration of all Task Orders in accordance with this MSSA; (b) expiration of any Ordering Document, as and if applicable; or (c) termination of this MSSA as defined below. The term of each Task Order or other Ordering Document is set forth in the applicable Task Order or other Ordering Document. Third-Party Solutions may include a term different than stated herein and such term will be specific to such Third-Party Solution.
- 5.2 For Cause. Either Party may terminate this MSSA or any specific Task Order upon thirty (30) days' written notice in the event of substantial failure to perform a material requirement by the other party, including, but not limited to and by way of example, (a) payment by Client is a material requirement and breach by failure to timely pay undisputed amounts would be substantial failure; or (b) the confidentiality or license grant sections are material requirements, and breach of those sections shall be deemed a substantial failure to perform.
- 5.3 For Convenience. Either Party may terminate this MSSA upon ninety (90) days' written notice if all associated and applicable Task Orders and Ordering Documents have expired prior to such termination. In the event the Contract spans multiple fiscal years, the City's continuing performance under the Contract is contingent upon the appropriation of funds to fulfill the requirements of the Contract by the City Council of the City of Denton. If the City Council of the City of Denton fails to appropriate or allot the necessary funds, City shall issue written notice to Contractor that City may terminate the Contract without penalty, further duty, or obligation.
- 5.4 1898 Compensation. If the MSSA or any Task Order or Ordering Document is terminated in part or in whole for reasons other than the fault of 1898, 1898 shall be compensated for all undisputed amounts related to Services performed and expenses incurred prior to the date of termination in accordance with the provisions of Section 4 above.
- 5.5 1898 Liability. 1898 shall have no liability to Client or third parties for Services or Solutions (a) completed or modified by Client or others provided however 1898 will retain liability for any Services or Solutions provided prior to completion or modification; or (b) that are incomplete due to an early termination by either Party prior to final completion of 1898's Services under the Task Order; or (c) Third-Party Solutions provided however 1898 will retain liability for any Third Party Solutions for which Client does not execute a separate license agreement, including any errors or omissions or warranty obligations, if any of the same are applicable.
- 5.6 Survival. Sections 5.5, 7, 8, and 9 shall survive any termination of this MSSA or of a Task Order by any party.

### SECTION 6 – INSURANCE

- 6.1 1898 Insurance. During the course of performance of its Services, 1898 shall maintain the following insurance (all amounts stated are in U.S. Dollars):

*General Liability Insurance*, with a combined single limit of \$1,000,000 for each occurrence and \$1,000,000 in the aggregate.

*Automobile Liability Insurance*, with a combined single limit of \$1,000,000 for each accident.

*Workers' Compensation Insurance* in accordance with statutory requirements and Employers' Liability Insurance, with a limit of \$500,000 for each accident.

## Exhibit B

- 6.2 Client's Insurance. During the course of performance of its Services, Client shall maintain the following insurance (all amounts stated are in U.S. Dollars):

*General Liability Insurance*, with a combined single limit of \$1,000,000 for each occurrence and \$1,000,000 in the aggregate.

*Automobile Liability Insurance*, with a combined single limit of \$1,000,000 for each accident.

*Workers' Compensation Insurance* in accordance with statutory requirements and Employers' Liability Insurance, with a limit of \$500,000 for each accident.

*Umbrella/Excess Liability Insurance* coverage on a follow form basis and sitting excess of the Commercial General Liability, Automobile Liability, and Employers Liability Insurance required herein, with limits not less than \$3,000,000 per occurrence and general aggregate on a per project/location aggregate basis.

*All Risk Property Insurance* including coverage for Client's property, tools and equipment used and necessary in the performance of Services under this contract.

*Cyber Liability Insurance including coverage for Network Security and Privacy Liability* with a minimum limit of \$250,000 per claim and annual aggregate covering all network security and privacy injury liability risks, including but not limited to unauthorized access, failure of security, breach of privacy perils, wrongful disclosure of information, network interruption, data restoration, media liability, cyber extortion, as well as notification costs and regulatory defense, in the performance of Services and Solutions under this contract.

6.2.1 Prior to commencing any services hereunder, Client shall provide 1898 with certificates evidencing that (a) all insurance obligations required by the Task Orders and Ordering Documents (as applicable) are in full force and in effect and will remain in effect for the duration required by such and (b) no insurance coverage will be canceled or renewal refused unless at least thirty (30) days' prior written notice is given to 1898.

6.2.2 Except for Workers Compensation and Employers Liability, the insurance policies required herein shall list 1898 as an additional insured. Client shall also require its other contractors to name 1898, along with Client as an indemnitee, the beneficiary of any waiver of subrogation, and with respect the other contractor's automobile, general liability, and excess liability policies of insurance as an additional insured.

- 6.3 Waiver of Subrogation. Client and 1898 waive against each other and their respective consultants, subcontractors, sub-subcontractors, agents and employees of each and all of them, all rights of recovery, and their insurer's rights of subrogation, for damages covered by property, automobile, or general liability insurance provided herein. Client and 1898 shall, where appropriate, require similar waivers of subrogation from consultants and subcontractors and shall require each of them to include similar waivers in their contracts.

## SECTION 7 – CONFIDENTIALITY

- 7.1 Confidential Information. The Parties hereby acknowledge that all non-public information provided by or relating to another Party ("Confidential Information") pursuant to this MSSA constitutes trade secrets and confidential information of the disclosing Party. Confidential Information includes, without limitation, (a) pre-existing works, (b) Client materials and data, (c) 1898's methods and designs, (d) either Party's client information, and (e) either Party's trade secrets or other intellectual property. No Party shall sell, transfer, disclose, display or otherwise make available any of another Party's Confidential Information or copies or portions thereof to any other entity or third party (other than employees and contractors on a need-to-know basis who are bound in writing by confidentiality obligations, which are no less protective than those contained herein and survive any termination or expiration of the employee's employment or contractor's agreement with the receiving Party), or

## Exhibit B

otherwise use another Party's Confidential Information, except as expressly permitted under, and in compliance with, this MSSA. The Parties agree to secure and protect the other Parties' Confidential Information so as to maintain the proprietary and confidentiality rights of the disclosing Party therein, including appropriate instructions to and agreements with its employees and contractors. Without limiting the foregoing, each of the Parties shall use at least the same procedures and degree of care which it uses to prevent the disclosure of its own confidential information of like importance to prevent the disclosure of Confidential Information disclosed to it by the other Party under this MSSA, but in no event less than reasonable care.

- 7.2 Limitations. The provisions of this section do not apply to information: (a) generally available to, or known by, the public prior to the time of disclosure by the disclosing Party; (b) that becomes publicly known and made generally available after disclosure by the disclosing Party to the receiving Party through no action or inaction of the receiving Party; (c) which can be documented as previously known by the receiving Party prior to disclosure thereof by the disclosing Party; (d) disclosed to the receiving Party by a third party having no confidentiality obligations with respect to such information; (e) required by law to be disclosed by the receiving Party, provided that the receiving Party gives the disclosing Party prompt written notice of such requirement prior to such disclosure and assistance in obtaining an order protecting the information from public disclosure; or (f) to the extent that the receiving Party has obtained written consent of the disclosing Party, but only to the extent expressly authorized in such written consent. 1898 acknowledges that the City of Denton must strictly comply with the Public Information Act, Chapter 552, Texas Government Code in responding to any request for public information related to this Agreement. This obligation supersedes any conflicting provisions of this Agreement. All written material submitted by 1898 to the City of Denton shall become property of the City upon receipt. Any portions of such material claimed by 1898 to be proprietary must be clearly marked as such. Determination of the public nature of the material is subject to the Texas Public Information Act, chapter 552, and Texas Government Code.
- 7.3 Injunctive Relief. The Parties agree and acknowledge that money damages may not be an adequate remedy for any breach of this section and that a Party may, in its sole discretion, apply to any court of law or equity of competent jurisdiction for injunctive relief in order to prevent any such breach.

## SECTION 8 – SERVICES STANDARD OF CARE AND SOLUTION WARRANTY

- 8.1 1898 Solution Warranty. Unless otherwise stated in an Ordering Document, the 1898 Solution will be “as-is” without warranty, unless the applicable Task Order includes installation and User Acceptance Testing services (“UAT”) by 1898. Such UAT shall demonstrate that the 1898 Solution can function in the specified operating environment substantially in accordance with the documentation. After “go-live” or accepted as ready for production use, the software is thereafter provided “as-is” without warranty; provided, however, if Ordering Document includes an agreement for maintenance and support services, the coverage period under the Ordering Document shall apply from “go-live” or ready for production use date.
- 8.2 1898 Solution Warranty Remedy. In the event of a breach of the warranty in 8.1, 1898 will repair or replace the failing item so that it performs in accordance with such warranty. If, after repeated efforts (not to exceed six (6) months from the date 1898 receives written notice of the warranty breach), 1898 is unable to remediate such warranty claim, 1898 may refund that portion of any pre-paid fees from the date of the original warranty claim, as calculated in the Ordering Documents, as liquidated damages.
- 8.3 1898 Services. 1898 will perform the Services associated with the applicable Task Order consistent with the standards and practices of others providing similar services under similar circumstances at time of performance (“Standard of Care”). Client shall promptly notify 1898 in writing of any failure of 1898 to comply with this standard or any perceived deficiency in its Services. During performance of the Task Order, and for one year after completion of Services, should 1898 receive such notice, 1898 at its sole option, may (a) reperform the Services to bring the same into

## Exhibit B

conformance with the requirements of the Task Order and the applicable Standard of Care, or (b) 1898 may liquidate damages to Client by paying to Client, as refund or otherwise, that portion of the compensation for that portion of the Services which are found to be deficient, or otherwise were not able to be corrected or bought into conformance with Task Order requirements by reperformance or replacement after commercially reasonable attempts by 1898 to do so.

- 8.4 Third-Party Solution. 1898 offers no warranty for Third-Party Solutions, or any third-party products or goods. Any warranty provided to Client will be through the third-party provider of such Third-Party Solution, products, or goods, and Client will be directed to where those warranties are contained or can be found in the Ordering Documents. 1898 makes no warranty or representation, express or implied, and assumes no obligation or liability with regards to Third-Party Solutions, products, goods, or warranties, and Client shall look solely to those third parties for remedies or relief.
- 8.5 THE OBLIGATIONS AND RIGHTS UNDER THIS SECTION CONSTITUTE THE PARTIES' SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO ANY NON-CONFORMANCE OF SERVICE OR BREACH OF THIS WARRANTY.

## SECTION 9 – INDEMNIFICATION

- 9.1 General Indemnity. 1898 agrees to defend, indemnify, and hold Client harmless, and the other's officers, directors, and employees, from and against third party claims, liabilities, obligations, judgments, and causes of actions ("Third-Party Claims") and all losses, damages, or expenses (including reasonable attorney's fees) to the extent such losses, damages, and expenses are caused by the indemnitor's own negligent acts, errors, or omissions. In the event losses, damages, or expenses are caused by the joint or concurrent negligence of Client and 1898, they shall be borne by each party in proportion to its own negligence. The Parties expressly agree that no provision of the MSSA is in any way intended to constitute a waiver by Client of any immunities from suit or from liability that Client may have by operation of law.
- 9.2 Intellectual Property Indemnity. 1898 will defend, indemnify, and hold Client and its officers, directors, employees, and agents harmless from and against Third-Party Claims and associated costs and expenses (including reasonable attorneys' fees) to the extent arising out of an allegation that the 1898 Solution infringes a third party's U.S. patent, trademark, or copyright. 1898's indemnification obligation will not apply to the extent that the Third-Party Claim is based upon: (a) the use of any item in the 1898 Solution in combination with any other product if such combination is the proximate cause of the infringement; or (b) the use of the 1898 Solution in violation of this MSSA; (c) the use of the 1898 Solution not updated to the latest version offered by 1898 if such latest version incorporates modifications that would have avoided the infringement claim; (d) third party content supplied or transmitted by Client or Users; or (e) Third-Party Solutions. If there is a Third-Party Claim relating to Client's use of the 1898 Solution due to an infringement, or if, in 1898's opinion, any of the 1898 Solution is likely to become the subject of a Third-Party Claim of infringement, 1898 will at its option and expense, and as Client's sole and exclusive remedy, use reasonable efforts to procure the right for Client to use the 1898 Solution that is the subject of the infringement Third-Party Claim, replace or modify the 1898 Solution so that it becomes non-infringing, or terminate the 1898 Solution and provide Client with a refund of the item's license fee (calculated on a 5-year straight line depreciated basis) and any prepaid amounts for Services not yet performed.
- 9.3 Indemnification Process. To be indemnified, the party seeking indemnification must: (a) give the other party timely written notice of the Third Party Claim (unless the other party already has notice of the Third-Party Claim); (b) give the indemnifying party authority, information, and assistance for the Third-Party Claim's defense and settlement; and (c) not materially prejudice the indemnifying party's ability to satisfactorily defend or settle the Third-Party Claim. The indemnifying party has the right, at its option, to defend the Third-Party Claim at its own expense and with its own counsel. The indemnifying party has the right to settle the claim without the indemnified party's consent so long as the settlement does not require the indemnified party to pay any money or admit fault. The

## Exhibit B

indemnified party will have the right, at its option, to participate in the defense of the Third-Party Claim, with its own counsel and at its own expense, but the indemnifying party will retain control of the Third-Party Claim's defense.

- 9.4 Third-Party Solutions. As used in this Section 9, "Third-Party Claims", shall not include claims made by a Third-Party Solutions provider against a Party, or made by a Party against a Third-Party Solutions Provider, and indemnification obligations of one Party to the other in that case shall not apply.

### SECTION 10 - LIMITATION OF REMEDIES

Except with regards to Client's breach of Section 3 (Client Responsibilities), Section 4 (Compensation), Section 7 (Confidentiality), or with regards to Third-Party Claims under Section 9 (Indemnification), the following limitations of remedies as to between the parties shall apply:

- 10.1 Mutual Waiver of Consequential Damages. Neither party is liable for any special, indirect, incidental, punitive, or consequential damages to the other. The excluded damages include, but are not limited to, by way of example, loss of profits; loss of savings or revenue; loss of use of the equipment, sublicensed software, licensed software, services, or data; cost of capital; cover costs, or cost of any substitute performance or replacement of equipment, facilities or services; third party consequential damages; and damage or loss property.
- 10.2 1898 Not Responsible for Third-Party Solutions. Subject to Section 5.5, 1898 is not liable for any damages of any kind or nature related to or arising from a Third-Party Solution or any third party product or services. Any liability limitations set forth in the Ordering Documents state the maximum liability of the applicable Third-Party Solution including any representations, warranties, indemnification obligations, limitations of remedies, release or waiver of damages, and any other rights, duties, responsibilities, or obligations between Client and Third Party with respect to that Third-Party Solution. 1898 shall be considered an agent of Client with regards to the procurement of Third-Party Solutions, and otherwise all rights and remedies against Third-Party Solutions provider found under the applicable Order Documents; Client accepts such assignment, and Client waives and releases 1898 from any and all damages or liabilities arising out of Third-Party-Solutions, and Client shall look solely to Third-Party Solutions provider for any enforcement or remedy.
- 10.3 1898 Limitation of Liability. Notwithstanding any other provision herein, 1898's maximum liability to Client for all claims arising out of or related to any individual Task Order or 1898 Solution shall be limited to the specific remedies provided herein, but shall not exceed the greater of \$100,000 USD or the amount paid by Client to 1898 under the applicable Task Order or applicable 1898 Solution Ordering Document, EXCLUDING any amounts paid for Third-Party Solutions. The maximum liability of 1898 to Client for all aggregated claims arising under this MSSA for all Task Orders and 1898 Solutions is limited to the amount paid by Client to 1898 during the twelve (12) months preceding the event giving rise to the most recent claim. The limitations of liability provided herein in this subsection 10.3 shall apply should it be judicially determined that the specific remedies provided elsewhere in this MSSA fail in their essential purpose.
- 10.4 Allowable Remedies. To the greatest extent allowed by law, the damages waived or excluded, or otherwise limited in this SECTION 10 Limitation of Remedies, shall be allowed, and shall apply to any and all claims or causes of action as to between the parties, including but not limited to breach of contract, breach of warranty, any tort claim including negligence, strict liability, or any other legal or statutory theory of recovery.

### SECTION 11 – GENERAL

- 11.1 Dispute Avoidance and Resolution. The parties are fully committed to working with each other during the term of this MSSA and agree to communicate regularly with each other at all times so as to avoid or minimize disputes or disagreements. If disputes or disagreements do arise, Client and 1898 each

## Exhibit B

commit to resolving such disputes or disagreements in an amicable, professional, and expeditious manner so as to avoid unnecessary losses, delays, and disruptions.

- 11.2 Jury Trial Waiver. Each party hereto waives trial by jury, and such waiver shall be binding upon their successors and assigns. Each party agrees not to name any employees of the other party individually in a suit, demand, or claim except to establish jurisdiction or venue, and to promptly dismiss such employee if the other party submits to jurisdiction and venue.
- 11.3 Dispute Resolution. For any claim, dispute, or controversy, Client and 1898 will first attempt to resolve such claim, dispute, or controversy through discussions between Client representatives and 1898 representatives designated by each party at such time as a claim, dispute, or controversy should arise.
- 11.3.1 If a claim, dispute, or controversy cannot be resolved through Client representatives and 1898 representatives, the persons who signed the MSSA agreement ("Signatories") shall, upon the written request of either party, meet as soon as conveniently possible in the United States at a mutually agreed location, but in no case later than thirty (30) days after such a request is made, to attempt to resolve such claim, dispute, or controversy. Prior to any meetings between the Signatories, the parties will exchange relevant information that will assist the parties in resolving the claim, dispute, or controversy.
- 11.3.2 If after such meeting, the Signatories determine that the claim, dispute, or controversy cannot be resolved on terms satisfactory to both parties, the parties shall submit the claim, dispute, or controversy to mediation. The mediation shall be conducted by a mutually agreeable impartial mediator jointly selected or, if the parties cannot so agree, a mediator designated by the American Arbitration Association (AAA) pursuant to its Commercial Arbitration Rules and Mediation Procedures from the panel of technology mediators. The mediation will be held in the city of Denton, Texas (unless otherwise agreed in writing) and governed by and conducted pursuant to a mediation agreement negotiated by the parties or, if the parties cannot so agree, by procedures established by the mediator.
- 11.3.3 If a dispute is not resolved by mediation, then the Client and 1898 agree to consent to the jurisdiction and venue of the courts in the State of Texas, United States of America.
- 11.4 Recovery of Attorney Fees. The prevailing party in any litigation, or any other final, binding dispute proceeding upon which the parties may agree, shall be entitled to recover from the other party reasonable attorneys' fees and expenses incurred by the prevailing party.
- 11.5 Governing Law, Jurisdiction, and Venue.
- 11.5.1 This MSSA, and any cause of action between the parties, shall be governed by the laws of the State of Texas. Under no circumstances does either Party agree to, or submit itself to, the jurisdiction of any foreign court or tribunal. Parties agree to jurisdiction and venue of the Eastern District Court of Texas, and parties waive any objection to federal jurisdiction or venue in this court, and otherwise agree not to oppose removal from state court to this federal court if action should be first filed in state court; but if federal jurisdiction cannot be established, then jurisdiction and venue shall be found solely in the District Court of Denton County, Texas.
- 11.5.2 It is agreed that as to between the parties involving this MSSA and any Task Order or 1898 Solutions Ordering Document, none of these will be subject to the Uniform Computer Information Transactions Act ("UCITA") (formerly the proposed Article 2B of the Uniform Commercial Code) or any version or revision of UCITA.
- 11.6 Solely with regards to THIRD-PARTY SOLUTIONS:

## Exhibit B

- 11.6.1 If an Ordering Document for Third-Party Solutions specifies Governing Law, Jurisdiction, or Venue, then as to between Third-Party Solutions Provider and Client, that Ordering Document shall control, otherwise governing law shall be Texas and venue shall be in Denton County, Texas.
- 11.6.2 If the Third-Party Solutions ordering document specifies UCITA shall apply, then it shall apply but only as to between the Client and the Third-Party Solutions Provider and that Ordering Document.
- 11.7 Force Majeure. Neither Party shall be considered in default of this MSSA for delays or failure to perform which is caused by circumstances beyond the reasonable control of the nonperforming party. For purposes of this MSSA, such circumstances include, but are not limited to, where ever the work or services are to be provided or performed, including but not limited to and by way of example: abnormal weather conditions; floods; earthquakes; lightning; smoke; explosion, wind; water; volcanic eruptions; tidal waves; landslide; hail; fire; epidemics or pandemics; war, riots, and labor disturbances; terrorism; sabotage; third-party criminal acts; electrical; mechanical; telecommunication; cable or satellite failure; facility outages; power interruptions; short circuits; surges; brownouts; failure of the Internet; judicial restraint; order of government authority, organized labor actions, changes in law after the Effective Date; Acts of God; and any inability to procure any of the supplies, materials, accesses, or services required to be provided by either Party under this MSSA (Force Majeure Events).
- Should such circumstances occur, the non-performing Party shall, within 5 days of being prevented from performing, give written notice to the other Party describing the Force Majeure Event, and the circumstances preventing continued performance and the efforts being made to mitigate impacts and resume performance of this MSSA. Force Majeure Events that impact the planned and efficient execution of any Task Order or Ordering Document, including impacts to the scope, schedule, cost to perform, or involving any additional costs or time involved with suspension, protection of 1898's work, demobilization, mitigation costs, increased risks of performance or acceptance, or costs to resume Services, and equitable adjustment in time and compensation shall be subject of a Change Notice and Change Order.
- In the event that any Task Order duration is suspended or extended due to no fault of 1898 for more than sixty (60) days beyond the planned date for final completion of the Task Order, the Services of 1898 required beyond that time shall be performed as additional services pursuant to the hourly rates stated in Appendix A, while both parties pursue in good faith an equitable adjustment in compensation and time for completion by Change Order.
- 11.8 Assignment. This MSSA shall inure to the benefit and be binding upon the Parties, their successors and assigns of the respective Parties hereto, provided however, that neither party shall assign, in whole or in part, its interest under this MSSA or any Task Order without the prior written consent of the other Party.
- 11.9 Beneficiaries. This MSSA and any Task Order or Ordering Document are solely for the benefit of the parties, and there are no other third-party beneficiaries under this MSSA or any Task Order or Ordering Document.
- 11.10 Entire Agreement. This MSSA, as supplemented by the Task Order(s) and Ordering Document(s), represents the entire and integrated agreement between Client and 1898 as to the Services and solutions herein and supersedes all prior negotiations, representations or agreements, either written or oral, relative to the Services and solutions described herein.
- 11.11 Precedence. In the event of inconsistencies between the terms contained in the MSSA and a Task Order or Ordering Document, the Task Order or Ordering Document shall take precedence. The terms of this MSSA will control over the terms contained in any purchase order.

## Exhibit B

11.12 Exhibits. Attached hereto are the following exhibits and attachments which are incorporated herein by reference:

- Exhibit 1 – Task Order template
- Exhibit 2 – Change Order template
- Exhibit 3 - Contractor's Task Order

Task Order Documents – To be determined on a transactional basis  
Ordering Documents – To be determined on a transactional basis

11.13 Authorized Signatories. The persons signing below warrant and represent that they are authorized to execute this MSSA on behalf of their respective companies.

11.14 International Terms. To the extent that any Task Order is located outside of the United States or any 1898 Solution is used outside of the United States, the following additional terms apply.

- 11.14.1 English shall be the official language of this MSSA and of all documents prepared by 1898, as well as those furnished by Client to 1898 for use with any Services or 1898 Solution. In the event of any conflict between documents, the English version shall prevail.
- 11.14.2 All payments hereunder, by either party, shall be in United States Dollars.
- 11.14.3 To the extent permitted by law, Client waives any claims under decennial liability laws of any country and agrees that any claims against 1898 shall be made no later than one (1) year after completion of 1898's Services or Client's acquisition of any 1898 Solution.
- 11.14.4 Exchange rate on any damages awarded to either Party shall be based on the rate in effect on the date the Task Order and/or Ordering Document was entered into for the specific dispute.
- 11.14.5 This MSSA is excluded from the provisions of the United Nations Convention on the International Sale of Goods.
- 11.14.6 Taxes paid by 1898 to taxing authorities outside of the United States are not included in the fees, such as tax withholdings, transaction taxes, value-added taxes ("VAT") and similar taxes. All such excluded taxes not included in the fees are to be paid by Client.

**EXHIBIT 1**

**TASK ORDER #20**

This Task Order ("Task Order") is entered into and authorized by **City of Denton** ("Client") and 1898 & Co., a division of Burns & McDonnell Engineering Co, Inc. ("1898") on the last date of execution below ("Effective Date"). The Parties agree that the 1898 shall perform the following Services in accordance with the terms of the Master Software Services and Solutions Agreement dated \_\_\_\_\_, \_\_\_\_\_ ("MSSA").

1. Scope of Services. (Describe Services here, or in attached **Attachment 20** )

2. Compensation. The basis of compensation for the above Services shall be:

- ☐ Lump Sum Fee of \$ \_\_\_\_\_
- ☐ Hourly Rate per Appendix 2  
Subject to a Not-to-Exceed Cap of \$ \_\_\_\_\_, without further authorization
- ☐ Hourly Rate per Appendix 2  
With no maximum
- ☐ Other, as follows (describe below):

3. Other Terms. (Describe below)

A. The terms of this Task Order supersede any contrary terms of the MSSA.

IN WITNESS WHEREOF, the parties have executed this Task Order the day and year first written above.

## **EXHIBIT 2**

### ***CHANGE ORDER [TEMPLATE]***

This Change Order shall modify the terms and conditions in the Master Software Services and Solutions Agreement dated \_\_\_\_\_, \_\_\_\_\_ ("MSSA") under which 1898 & Co., a division of Burns & McDonnell Engineering Co, Inc. ("1898") provides Services to **City of Denton** ("Client") pursuant to Task Order \_\_\_\_\_ ("Task Order").

1898 is hereby authorized and directed to make the changes to the Task Order and its related scope of work as set forth herein. To the extent the terms and conditions set forth herein are inconsistent with or contradict the terms of the MSSA or Task Order, these amended terms and conditions shall supersede such inconsistent or contradictory terms. Except as amended hereby, the MSSA shall remain in full force and effect. This Change Order supersedes all proposals or other prior acknowledgements, oral or written, and all other communications between the parties relating to the subject set forth herein.

1. Adjusted Scope of Services. 1898 shall perform the Services as set forth in **Appendix 2**, which shall be incorporated into this Change Order by reference.
2. **Supplemental or Modified Terms and Conditions. [IF NEEDED]**
3. Compensation. To compensate 1898 for the supervision, labor, materials, equipment, supplies and other costs or risks necessarily incurred to perform the Services required by this Change Order or to credit Client for the supervision, labor, materials, equipment, and supplies deducted from the Services, the Compensation included in the Task Order shall be adjusted as follows:

**Exhibit C**  
**Certificate of Interested Parties Electronic Filing**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract unless the Contractor submits a disclosure of interested parties (Form 1295) to the City at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

**Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.**

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
[https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line.  
(EX: Contract 1234 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

1898 & Co. a division of Burns &  
McDonnell Engineering Company,

Inc.

**2 ☐ Check this box if you are filing an update to a previously filed questionnaire.**
☐

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

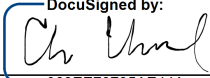

☒

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4 ☒ I have no Conflict of Interest to disclose.****5**

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A FIRST AMENDMENT TO A PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF DENTON AND 1898 & CO., A DIVISION OF BURNS & MCDONNELL ENGINEERING COMPANY, INC., AMENDING THE CONTRACT APPROVED BY CITY COUNCIL ON AUGUST 1, 2023, IN THE NOT-TO-EXCEED AMOUNT OF \$892,320.00, SAID FIRST AMENDMENT TO ADD ADDITIONAL SERVICES AS THE OWNER'S ENGINEER FOR DENTON MUNICIPAL ELECTRIC; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFQ 7804-010 - PROVIDING FOR AN ADDITIONAL FIRST AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$197,780.00, WITH THE TOTAL CONTRACT AMOUNT NOT-TO-EXCEED \$1,090,100.00).

WHEREAS, on August 1, 2023, City Council awarded a contract to 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc. in the amount of \$892,320.00, for professional engineering services for the Denton Municipal Electric Systems Operation Department; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the additional fees under the proposed First Amendment are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees applicable to the Provider's profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The First Amendment, increasing the amount of the contract between the City and 1898 & Co., a division of Burns & McDonnell Engineering Company, Inc., which is on file in the office of the Purchasing Agent, in the amount of One Hundred Ninety-Seven Thousand Seven Hundred Eighty and 0/100 (\$197,780.00) Dollars, is hereby approved, and the expenditure of funds therefor is hereby authorized in accordance with said amendment which shall be effective upon the execution of the amendment attached hereto. The total contract amount increases to \$1,090,100.00.

SECTION 2. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_\_ - \_\_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Gerard Hudspeth:	_____	_____	_____	_____

THE STATE OF TEXAS                   §  
  §  
COUNTY OF DENTON                   §

FIRST AMENDMENT TO CONTRACT  
BY AND BETWEEN THE CITY OF DENTON, TEXAS  
AND 1898 & Co., a division of BURNS & MCDONNELL ENGINEERING  
COMPANY, INC (CONTRACT 7804-010)

THIS FIRST AMENDMENT TO CONTRACT 7804-010 (this “Amendment”) by and between the City of Denton, Texas (“City”) and 1898 & Co., a division of BURNS & MCDONNELL ENGINEERING COMPANY, INC (“Engineer”) to that certain contract executed on August 1, 2023, in the original not-to-exceed amount of \$892,320.00 (the “Agreement”); for services related to the **1898 Burns & McDonnell Master Services and Solutions Agreement “MSSA” for the Utility Network Cloud Management Services**

WHEREAS, the City deems it necessary to further expand the services provided by Contractor to the City pursuant to the terms of the Agreement, and to provide an additional not-to-exceed amount \$197,780 with this First Amendment for an aggregate not-to-exceed amount of 1,090,100.00; and

FURTHERMORE, the City deems it necessary to further expand the goods/services provided by Engineer to the City;

NOW THEREFORE, the City and Engineer (hereafter collectively referred to as the “Parties”), in consideration of their mutual promises and covenants, as well as for other good and valuable considerations, do hereby AGREE to the following Amendment, which amends the following terms and conditions of the said Agreement, to wit:

1. The additional services described in Exhibit “A” of this Amendment, attached hereto and incorporated herein for all purposes, for additional services and materials related to the Utility Network Cloud Management Services are hereby authorized to be performed by Engineer. For and in consideration of the additional services to be performed by Engineer, the City agrees to pay, based on the cost estimate detail attached.
2. This Amendment modifies the Agreement amount to provide an additional \$197,780 for the additional services with a revised aggregate not to exceed total of \$1,090,100.

The Parties hereto agree, that except as specifically provided for by this Amendment, that all of the terms, covenants, conditions, agreements, rights, responsibilities, and obligations of the Parties, set forth in the Agreement remain in full force and effect.

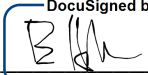

IN WITNESS WHEREOF, the City and the Contractor, have each executed this Amendment, by and through their respective duly authorized representatives and officers on this date\_\_\_\_\_.

**PROPOSAL FOR**

# **AWS Cloud Infrastructure to Support MDM Data Storage & 'Always-On' AppStream 2.0**

Submitted To: Denton Municipal Electric

Date: March 26, 2024

March 26, 2024

Mr. Jerry Looper  
Denton Municipal Electric  
601 E Hickory St.  
Denton, TX 76205

Re: Proposal for AWS Cloud Infrastructure to Support MDM Data Storage and 'Always-On' AppStream 2.0

Dear Mr. Looper:

1898 & Co., a division of Burns & McDonnell, is pleased to present the proposal below to Denton Municipal Electric (DME) for AWS cloud infrastructure provisioning and managed services for MDM data storage and 'Always-On' AppStream 2.0, provided by our cloud partner, CyberTech Systems & Software Inc., on a 2-year term as an addendum to the existing Managed ArcGIS Cloud Services agreement to support DME's efforts for generating customer load profiles, for future integration with DNV Synergi for engineering modeling, and usage of ArcGIS Pro and Designer XI.

The proposal covers specifications for provisioning of a single compute environment (Production), the products to be implemented, managed services, support and service level agreements, operations and governance, and pricing.

1898 & Co. looks forward to working with Denton Municipal Electric on this important initiative. If you have any questions about our proposal, please contact me at 816-652-2820 or [brian.hiller@1898andco.com](mailto:brian.hiller@1898andco.com).

Sincerely,

A handwritten signature in black ink, appearing to read "B. Hiller", is positioned above the typed name.

Brian Hiller, MBA  
Director, Geospatial Technologies  
1898 & Co.

## Background

Denton Municipal Electric (DME) will be utilizing AWS-based cloud data storage to store long-term Itron IEE meter data to facilitate the production of customer load profiles, and for future integration with DNV Synergi for engineering modeling. In addition, DME would like to use the 'Always-On' AppStream 2.0 configuration for ArcGIS Pro and Designer XI. The 1898 & Co. proposal lays out details of the scope of services ("SOW") to be provided by our cloud partner, CyberTech Systems & Software Inc., for cloud infrastructure provisioning and managed cloud services for a single production environment.

## Managed MDM AWS Cloud Storage and 'Always-On' AppStream for Denton Municipal Electric (DME)

### Services Provided

CyberTech shall provide the services described in this section.

Service	Details	In-Scope Components
Cloud Provisioning <ul style="list-style-type: none"> <li>1 Production Environment</li> </ul>	<ul style="list-style-type: none"> <li>Cloud infrastructure, security infrastructure and network provisioning</li> <li>Installation and licensing of SQL Server on EC2</li> <li>Security scan of the environment</li> <li>Planning and configuring backup and retention</li> <li>Configuring monitoring</li> </ul>	<ul style="list-style-type: none"> <li>AWS EC2 for IEE Task Manager</li> <li>AWS EC2 for SQL Server</li> <li>AWS S3 Intelligent Tier</li> <li>AWS Transfer Family</li> </ul>
Cloud Provisioning <ul style="list-style-type: none"> <li>2 'Always-On' AppStream 2.0</li> </ul>	<ul style="list-style-type: none"> <li>Provision and configure 'Always-On' AppStream 2.0 for Designer XI and ArcGIS Pro</li> </ul>	<ul style="list-style-type: none"> <li>AWS 'Always-On' AppStream 2.0</li> </ul>
Monitoring Services	<ul style="list-style-type: none"> <li>System vitals of cloud components</li> <li>System processes</li> <li>Alerts</li> <li>24*7 Monitoring</li> </ul>	<ul style="list-style-type: none"> <li>AWS Cloud Infrastructure</li> </ul>
Incidents	<ul style="list-style-type: none"> <li>Incident resolution</li> <li>Recommendations</li> </ul>	
Service Requests	<ul style="list-style-type: none"> <li>Change management</li> <li>L2 support: Dedicated service desk (Monday - Friday, 8 AM to 5 PM CST)</li> </ul>	

**Note** — CyberTech will provide managed services for the AWS infrastructure provisioned for MDM data storage. Itron will provide managed services for Itron software, i.e., IEE Task Manager and IEE SQL Database. CyberTech will provide the Itron team with the necessary access to provide these managed services. A RACI matrix will be defined during the project kickoff.

### MDM Data Cloud Infrastructure Requirements

Components	Details
AWS Compute environments	<ul style="list-style-type: none"> <li>1 Production (Two 1-Year Reserved instances)</li> </ul>

## Denton Municipal Electric / AWS Cloud Infrastructure to Support MDM Data Storage &amp; 'Always-On' AppStream 2.0

Products on the Cloud	<ul style="list-style-type: none"> <li>• IEE Task Manager</li> <li>• MDM Data <ul style="list-style-type: none"> <li>• Initial Load – 2.5 TB</li> <li>• Monthly Load – 250 GB/Month</li> </ul> </li> </ul>
AWS Services	<ul style="list-style-type: none"> <li>• Windows EC2 Instance for IEE Task Manager</li> <li>• Windows SQL Server for MDM Data Storage – 15 TB (5 years)</li> <li>• S3 Intelligent Tier for archiving MDM Data (After 5 years)</li> <li>• AWS Transfer Family (1-2 TB Bulk Data Download outside of AWS)</li> </ul>

## MDM Data Cloud Infrastructure Specifications (Only Production Environment)

Component	Server Instance	Specs	Disk Type	Total Disk Size
IEE Task Manager	1	Windows Server 2022 4 vCPUs, 16 GB RAM	General Purpose SSD	256 GB
IEE SQL DB Server	1	Windows Server 2022 8 vCPUs, 96 GB RAM	General Purpose SSD	15 TB
AWS S3	1	Intelligent Tier	N/A	250 GB
AWS Data Transfer	1	Inbound and Outbound	N/A	Inbound 250 GB Outbound 1 TB

## 'Always-On' AppStream 2.0 Specifications

Components	Details
Compute environments	Always-On AppStream 2.0
Products on the Cloud	ArcGIS Pro Designer XI
AWS Services	AWS AppStream 2.0

## 'Always-On' AppStream 2.0 Usage Parameters

The AppStream 2.0 usage parameters are identical to the ones used to design the AppStream component for the initial engagement.

Vectors	ArcGIS Pro	Designer XI
Number of users per month (Total number of unique users launching AppStream 2.0 in a month)	15	50
Number of working hours per day (the maximum number of hours per day that AppStream 2.0 may be used)	8	8
<b>Weekday Usage</b>		
Days in week (number of working days in a week)	5	5
Peak duration (hours) per day (Number of peak hours in a day)	5	4
Average off-peak concurrent users per hour (Number of concurrent users during off-peak hours)	1	1

Vectors	ArcGIS Pro	Designer XI
Average peak concurrent users per hour (Number of concurrent users during peak hours)	10	20
<b>Weekend Usage</b>		
Days in weekend (Number of working days in a weekend)	2	2
Peak duration (hours) per day (Number of peak hours in a weekend)	5	5
Average off-peak concurrent users per hour (Number of concurrent users during off-peak hours in a weekend)	2	2
Average peak concurrent users per hour (Number of concurrent users during peak hours in a weekend)	2	2

## Operations and Governance

Both parties will use the following governance structure to address any issues and conflicts.

### Escalation Process

The engagement will facilitate a monthly call with the engagement manager and a quarterly status review with CyberTech executive management and Client team. All the escalation team members' contact details will be made available to the Client team and can be reached any time for any issue escalation.

- **Manager-Level Meetings:** CyberTech and Client governance team will participate in monthly status meetings.
- **Key Stakeholder Meetings:** Additionally, CyberTech and Client will hold quarterly meetings to discuss any outstanding issues and the overall strategic direction of the relationship.

### Change Management

It may become necessary to amend this SOW based on changes in the Client's requirements or other factors leading to the change in the scope. In the event either party desires to change this SOW, the procedures described in **Error! Reference source not found.** will apply.

### Reports

To ensure transparency and provide detailed operational information, CyberTech will submit the following reports to the Client.

Report	Contents
Weekly	Details of the work accomplished last week Focus on any operational and service issues Details of work proposed to be done in the next week Open/Action Items with respective owners
Monthly	Details of the work accomplished in last month Open/Action Items with respective owners Establish action plans to address any SLA misses Track Progress of action plan
Quarterly	Outstanding Issues Strategic Direction Review major accomplishments for the period Review and discuss upcoming initiatives Review quarterly performance with executive staff SLA performance

	Overall service performance
--	-----------------------------

Service Levels

CyberTech will provide services as per the SLAs discussed in this section. CyberTech will report its performance based on these SLAs. A detailed description of Service Levels can be found in **Error! Reference source not found..**

Service	Service Level	Service Level Agreements (SLA)
Response Time	P1: 30 Minutes P2: 30 Minutes P3: 4 hours P4: 1 business day	95%
Resolution Time	P1: 12 hours P2: 1 business day P3: 4 business days P4: As Scheduled	Target 90%*
MACS Availability	N/A	99%

\* Resolution time may be impacted by other dependencies and complexity of the issue.

\*\* Cloud instance availability will be determined and controlled by Amazon.

Coverage Window

Services described in this SoW will be available during the Coverage Window mentioned here. SLAs will be measured only during the Service Window. CyberTech will exercise reasonable efforts to provide services outside the Coverage Window.

- Monitoring services                   7x24
- Other support services               Monday to Friday (8AM to 5PM US Central Time)

Exclusions

The following services and activities are excluded from the scope of this SOW,

- Procurement of third-party products, licenses, or any tools
- Link and bandwidth provisioning
- Troubleshooting, configuration or services around third-party products
- Application development
- Changes to application software, virtual infrastructure, networking, operating systems, etc. from the proposed services
- Custom reports and dashboards
- Managed Services around IEE Task Manager and Itron metering data

Assumptions and Prerequisites

- All communication will be over HTTPS
- Client will provide:
  - Installation files, Itron licenses, SSL certificates, third-party licenses (if any)
- Support will be provided for English language only
- Successful execution of the task depends on the clarity of information and requirements. Both parties should take the necessary steps to ensure communication and provide the requirements

## Denton Municipal Electric / AWS Cloud Infrastructure to Support MDM Data Storage & 'Always-On' AppStream 2.0

- 1898 will be notified of any proposed or implemented changes to the network or applications being used during the time frame of this project.
- Client will keep 1898 informed of all applicable on-site travel restrictions for the in-scope locations.
- The MDM Cloud Data Storage environment has been sized based on the following –
  - The warehouse (AWS MDM Storage) will have a user or 2 and 5 or 6 services
  - Database connections will drop to less than 50 in the warehouse (AWS MDM Storage)
  - A dedicated Windows EC2 instance setup for SQL Server is favored over AWS RDS for SQL Server
  - Itron will perform the initial load from the current system to the MDM Cloud Storage solution in CyberTech's AWS Cloud
  - Approximately 235 GB of monthly data – including both new data and updates
  - Itron MRS Feed to run twice a day
  - Itron to maintain synchronization between the two environments

## Miscellaneous

CyberTech may use portions of the work from this SOW in IT research and industry publications, advertising, and on Social-Media including your name and logo. No confidential business information or data will be disclosed. Client grants CyberTech permission to publish the work as appropriate.

## Statement of Work Term

**Engagement Duration:** This is an addendum to the existing MACS term and is applicable to Year 2 and Year 3 of the agreement. **The effective date for this addendum is August 21, 2024.**

Pricing / Compensation

Based on the scope of work identified above, 1898 & Co. proposes to perform these services on an annual subscription basis utilizing the existing Master Services and Solutions Agreement (MSSA) 7804-010 between Denton Municipal Electric and Burns & McDonnell Engineering Company, Inc. Pricing for the services is listed below, which will be billed on Day 1 of each term year.

Services	Cost
Two 1-Year Reserved MDM Cloud Data Storage (Only Production environment) <ul style="list-style-type: none"><li>• Cloud provisioning (one-time)</li><li>• Cloud hosting</li><li>• AWS hosting</li><li>• Managed services for AWS Infrastructure only<ul style="list-style-type: none"><li>o 24X7 Monitoring</li><li>o Dedicated Help Desk 8am-5pm CST</li></ul></li></ul>	\$ 67,400/Annual
‘Always-on’ AppStream 2.0	\$22,500/Annual
1898 & Co. Administrative Fee (10%)	\$8,990/Annual
TOTAL COST	\$98,890/Annual
TOTAL COST FOR YEARS 2 AND 3 OF CURRENT AGREEMENT (CONTRACT #7804-010) WITH ADDITIONAL SERVICES PROVIDED	\$396,330/Annual

## Appendix – 1: Description of Services

**Cloud Provisioning:** AWS Cloud provisioning is a one-time service for initial setup for cloud-based MDM Cloud Storage and 'Always-On' AppStream infrastructure and related in-scope components.

**Monitoring Services:** Monitoring services will provide 7x24 monitoring for in-scope components. These services will be provided using mutually agreed and pre-defined Standard Operating Procedures (SOPs) and Runbooks. The monitoring team will take actions defined in SOPs. Actions taken by the monitoring team would include,

- System vitals
- System processes
- Alerts

The monitoring services will include,

- **Alerts**
  - Configuring alerts in monitoring systems for system vitals and processes
- **System Vitals and System Processes**
  - Monitoring VMs hosting SQL products and IEE software
    - CPU utilization
    - Memory utilization
    - Network
    - Disk space

### Service Desk:

- **Ticket management**
  - First level response to emails, calls or tickets from clients
  - Logging tickets with appropriate priority
  - Updating status in the ticketing portal
- **L1 Support**
  - Support for basic customer issues
  - Initial investigation and basic troubleshooting
  - FAQ support
- **Escalations**
  - Determining if L2 support is required
  - Escalating to L2 appropriately
- **Backup and Restore**
  - Monitoring backups
  - Quarterly restoration checks

**Incidents:** An Incident is defined as an event that results in interruption of one or more services.

- **Incident Resolution**
  - Identifying and logging incidents
  - Investigating, analyzing, and troubleshooting
  - Providing issue resolution and recovery
  - Verifying and closing incidents
- **Recommendations**
  - Presenting recommendations as per trend analysis and observations

**Service Requests:** A Service Request is defined as an enhancement or change to the existing cloud-based ArcGIS landscape.

- **L2 Support**
  - Providing in-depth technical support
  - Support personnel with deep knowledge of ArcGIS products

## Appendix – 2: Service Levels

### Service Priority Definitions

CyberTech will follow service categories (prioritized based on the business level impact of the service) defined below.

Priority	Definition/Description
<b>1</b>	The entire application is unavailable. A critical component of the application is unavailable, resulting in the client not being able to conduct critical day-to-day business activities and no acceptable temporary work-around can be identified.
<b>2</b>	A critical component of the application is unavailable, resulting in the client not being able to conduct critical day-to-day business activities. However, an acceptable temporary work-around has been identified.
<b>3</b>	A non-critical part of the application is unavailable or Incident causing or at risk of causing inconvenience and/or increased work effort but not seriously impacting client's ability to conduct day-to-day business activities.
<b>4</b>	Incident with the application that is causing or at risk of causing a minimal amount of increased work effort but is not impacting client's ability to conduct day-to-day business activities.

### Service Levels

Priority	Condition	Response Time	Resolution Time*
<b>1</b>	1. A significant number of clients are affected 2. No workaround available	1. Email to acknowledge within 30 minutes 2. Email on resolution	12 hours
<b>2</b>	1. Multiple clients are affected 2. Possible acceptable workaround	1. Email to acknowledge within 30 minutes 2. Email on resolution	1 business day
<b>3</b>	1. Few clients or individual work is affected 2. Possible workaround exists	1. Email to acknowledge within 4 hours 2. Email on resolution	4 business days
<b>4</b>	1. Requests for additional information 2. No impact on work	1. Email to acknowledge within 1 business day 2. Email on resolution	As scheduled

#### Notes:

- Resolution time can vary depending on complexity of the issue and other dependencies
- During the first 3 months of the engagement, CyberTech will monitor and optimize the SLAs jointly with the Client. SLAs will be enforced from the 4th month of the engagement

## Appendix – 3 Change Management:

It may become necessary to amend this SOW based on changes in the Client's requirements or other factors leading to the change in the scope. In the event either party desires to change this SOW, the following procedures will apply:

- The party requesting the change will deliver a Change Request Form (attached in this section) to the other party. The Change Request will describe the nature of the change, the reason for the change, and the effect the change will have on the scope of work, which may include changes to the Deliverables, the schedule and the price.
- A Change Request may be initiated by either party for any changes to the SOW. The designated contact of the requesting party will review the proposed change with his/her counterpart. The parties will evaluate the Change Request and negotiate in good faith the changes to the Services and the additional charges, if any, required to implement the Change Request. If both parties agree to implement the Change Request, the appropriate authorized representatives of the parties will sign the Change Request, indicating the acceptance of the changes by the parties.
- Upon execution of the Change Request, said Change Request will be incorporated into, and made a part of, this SOW.

**Note:** Whenever there is a conflict between the terms and conditions set forth in a fully executed Change Request and those set forth in the original SOW, or previous fully executed Change Request, the terms and conditions of the most recent fully executed Change Request shall prevail.

Change Request Form

CHANGE REQUEST # <n>

With reference to the change requested by <Client> for the <Project>, CyberTech Systems and Software Inc. (“CyberTech”) and Client, both parties hereby certify, by the signature of an authorized representative, that this Change Management Request will amend and be fully incorporated into the existing Statement of Work (SOW) or Proposal.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a first amendment to a contract between the City of Denton and Freeport Welding & Fabricating, Inc., amending the contract approved by the City Council on June 27, 2023, in the not-to-exceed amount of \$1,279,570.00; said first amendment to complete the purchase of three (3) 60,000 gallon tanks for the Denton Energy Center Winterization Project; providing for the expenditure of funds therefor; and providing an effective date (RFP 8220 – providing for an additional first amendment expenditure amount not-to-exceed \$140,000.00, with the total contract amount not-to-exceed \$1,419,570.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

In late 2021, Denton Municipal Electric (DME) initiated a comprehensive study of options that could be implemented to reduce or eliminate risks associated with winter weather. The Public Utility Commission of Texas (PUCT) also established new weatherization requirements for the Denton Energy Center (DEC) and all generating units and transmission equipment across Texas in response to winter storm Uri. Based upon the results of the comprehensive analysis of options provided by Black & Veatch (BV), DME selected specific cost-effective measures to permanently reduce the risk of freeze damage to DEC equipment and included \$2.2 million in the FY23 Capital Improvement Plan (CIP) to make the recommended changes. Due to supply chain issues and lead times, three (3) 60,000-gallon tanks will need to be fabricated and purchased separately from the remainder of the procure and construct scope for the DEC winterization project. Due to unpredictable costs and market increases, the transportation of the tanks increased by \$140,000 from the initial contract execution to the actual tank delivery date.

<b>Project Description</b>	<b>Estimated Expenditure</b>
Original Contract	\$1,279,570.00
Transportation of three (3) – 60,000 Gallon Tanks (Amendment)	140,000.00
<b>New Contract Total</b>	<b>\$1,419,570.00</b>

## **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On June 27, 2023, City Council approved a contract with Freeport Welding & Fabricating, Inc., in the not-to-exceed amount of \$1,279,570 (Ordinance 23-1236).

## **RECOMMENDATION**

Award Amendment No. 1 with Freeport Welding & Fabricating, Inc., to complete the purchase of three (3) 60,000 gallon tanks for the Denton Energy Center Winterization Project, in a not-to-exceed amount of \$140,000, for a total amended contract amount of \$1,419,570.

## **PRINCIPAL PLACE OF BUSINESS**

Freeport Welding & Fabricating, Inc.  
Freeport, TX

## **ESTIMATED SCHEDULE OF PROJECT**

This is a one-time expenditure for capital equipment. The anticipated delivery date of the tanks to the Denton Energy Center is May 2024.

## **FISCAL INFORMATION**

These items will be funded from DEC Winterization account 605091500.1350.5520. Purchase Order #203830 will be revised to include the first amendment amount of \$140,000. The total amended amount of this contract is \$1,419,570.

ORDINANCE NO. 23-1236

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH FREEPORT WELDING & FABRICATING, INC., FOR THREE (3) 60,000 GALLON TANKS FOR THE DENTON ENERGY CENTER'S WINTERIZATION PROJECT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFP 8220 – AWARDED TO FREEPORT WELDING & FABRICATING, INC., IN THE NOT-TO-EXCEED AMOUNT OF \$1,279,570.00).

WHEREAS, the City has solicited, received, and evaluated competitive proposals for three (3) 60,000 gallon tanks for the Denton Energy Center's Winterization Project; and

WHEREAS, the City Manager, or a designated employee, has received, reviewed, and recommended that the herein described proposals are the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the request for proposals; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The items in the following numbered request for proposal for materials, equipment, supplies, or services shown in the "Request Proposals" on file in the office of the Purchasing Agent, are hereby accepted and approved as being the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the request for proposals.

<u>RFP NUMBER</u>	<u>CONTRACTOR</u>	<u>AMOUNT</u>
8220	Freeport Welding & Fabricating, Inc.	\$1,279,570.00

SECTION 2. That by the acceptance and approval of the above numbered items of the submitted proposals, the City accepts the offer of the persons submitting the proposals for such items and agrees to purchase the materials, equipment, supplies, or services in accordance with the terms, specifications, standards, quantities, and for the specified sums contained in the Proposal Invitations, Proposals, and related documents.

SECTION 3. That should the City and person submitting approved and accepted items wish

to enter into a formal written agreement as a result of the acceptance, approval, and awarding of the proposals, the City Manager, or their designated representative, is hereby authorized to execute the written contract which shall be attached hereto; provided that the written contract is in accordance with the terms, conditions, specifications, standards, quantities, and specified sums contained in the Proposal and related documents herein approved and accepted.

SECTION 4. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 5. By the acceptance and approval of the above enumerated bids, the City Council hereby authorizes the expenditure of funds therefor in the amount and in accordance with the approved bids.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by Brian Beck and seconded by Paul Meltzer. This ordinance was passed and approved by the following vote [7 - 0]:

	Aye	Nay	Abstain	Absent
Mayor Gerard Hudspeth:	<u>✓</u>	<u>      </u>	<u>      </u>	<u>      </u>

City Council Target Date	06/27/2023
Piggy Back Option	Yes
Contract Expiration	N/A
Ordinance	23-1236

**CONTRACT BY AND BETWEEN  
CITY OF DENTON, TEXAS AND FREEPORT WELDING & FABRICATING, INC.  
(Contract # 8220)**

**THIS CONTRACT** is made and entered into this date 06/27/2023, by and between **FREEPORT WELDING & FABRICATING, INC.** a Texas Corporation whose address is 200 N. Navigation Blvd., Freeport, TX 77541, hereinafter referred to as "Contractor," and the **CITY OF DENTON, TEXAS**, a home rule municipal corporation, hereinafter referred to as "City," to be effective upon approval of the Denton City Council and subsequent execution of this Contract by the Denton City Manager or his duly authorized designee.

For and in consideration of the covenants and agreements contained herein, and for the mutual benefits to be obtained hereby, the parties agree as follows:

**SCOPE OF SERVICES**

Contractor shall provide products in accordance with the City's RFP # 8220 – DEC Winterization Tanks, a copy of which is on file at the office of Purchasing Agent and incorporated herein for all purposes. The Contract consists of this written agreement and the following items which are attached hereto, or on file, and incorporated herein by reference:

- (a) Special Terms and Conditions (**Exhibit "A"**);
- (b) City of Denton's **RFP 8220 (Exhibit "B" on file at the office of the Purchasing Agent)**;
- (c) City of Denton Standard Terms and Conditions (**Exhibit "C"**);
- (d) City of Denton Insurance Requirements (**Exhibit "D"**);
- (e) Certificate of Interested Parties Electronic Filing (**Exhibit "E"**);
- (f) Contractor's Proposal. (**Exhibit "F"**);
- (g) Form CIQ – Conflict of Interest Questionnaire (**Exhibit "G"**)

These documents make up the Contract documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the Contract documents, the inconsistency or conflict shall be resolved by giving precedence first to the written agreement then to the contract documents in the order in which they are listed above. These documents shall be referred to collectively as "Contract Documents."

**Prohibition on Contracts with Companies Boycotting Israel**

Contractor acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**Prohibition on Contracts with Companies Boycotting Certain Energy Companies**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains

written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms “boycott energy company” and “company” shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization**

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies**

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

The parties agree to transact business electronically. Any statutory requirements that certain terms be in writing will be satisfied using electronic documents and signing. Electronic signing of this document will be deemed an original for all legal purposes.

IN WITNESS WHEREOF, the parties of these presents have executed this agreement in the year and day first above written.

## **Exhibit A**

### **Special Terms and Conditions**

#### **1. The Quantities**

The quantities indicated on Exhibit F are estimates based upon the best available information. The City reserves the right to increase or decrease the quantities to meet its actual needs without any adjustments in the bid price. Individual purchase orders will be issued on an as needed basis.

#### **2. Product Changes During Contract Term**

The Contractor shall not change specifications during the contract term without prior approval. Any deviation in the specifications or change in the product must be approved in advance by the City of Denton. Notice of a change shall be submitted in writing to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com), with the above file number in the subject line, for review. Products found to have changed specifications without notification, and acceptance, will be returned at the contractor's expense. Products that have been installed will be replaced at the contractor's expense.

#### **3. Authorized Distributor**

The Contractor shall be the manufacturer or authorized distributor of the proposed products. The distributor shall be authorized to sell to the City of Denton, and make available the manufacturer's representative as needed by the City.

#### **4. Contract Terms**

The contract will be effective from date of award or notice to proceed with a purchase order as determined by the City of Denton Purchasing Department. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months.

#### **5. Price Escalation and De-escalation**

On Contractor's request in the form stated herein, the City will implement an escalation/de-escalation price adjustment annually based on these special terms. Any request for price adjustment must be based on the, U.S Department of Labor, Bureau of Labor Statistics, Producer Price Index (PPI) or the manufacturer published pricing list. The maximum escalation will not exceed +/- 8% for any individual year. The escalation will be determined annually at the renewal date. The price will be increased or decreased based upon the annual percentage change in the PPI or the percentage change in the manufacturer's price list. Should the PPI or manufacturer price list change exceed a minimum threshold value of +/-1%, then the stated eligible bid prices shall be adjusted in accordance with the percent change not to exceed the 8% limit per year. The Contractor should provide documentation as percentage of each cost associated with the unit prices quoted for consideration.

Request must be submitted in writing with supporting evidence for need of such increase to the Purchasing Manager at least 60 days prior to contract expiration of each year. Respondent must also provide supporting documentation as justification for the request. If no request is made, then it will be assumed that the current contract price will be in effect.

Contract 8220

Upon receipt of such request, the City of Denton reserves the right to either: accept the escalation as competitive with the general market price at the time, and become effective upon the renewal date of the contract award or reject the increases within 30 calendar days after receipt of a properly submitted request. If a properly submitted increase is rejected, the Contractor may request cancellation of such items from the Contract by giving the City of Denton written notice. Cancellation will not go into effect for 15 calendar days after a determination has been issued. Pre-price increase prices must be honored on orders dated up to the official date of the City of Denton approval and/or cancellation.

The request can be sent by e-mail to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) noting the solicitation number.

The City of Denton reserves the right to accept, reject, or negotiate the proposed price changes.

#### **6. Total Contract Amount**

The contract total shall not exceed **\$1,279,570.00**. Pricing shall be per Exhibit F attached.

#### **7. Delivery Lead Time**

This is a one-time expenditure for capital equipment. Fabrication of the tanks is expected to begin upon approval, with an anticipated delivery date to the DEC of September 2023.

**Exhibit C**  
**City of Denton**  
**Standard Purchase Terms and Conditions**

These standard Terms and Conditions and the Terms and Conditions, Specifications, Drawings and other requirements included in the City of Denton's contract are applicable to contracts/purchase orders issued by the City of Denton hereinafter referred to as the City or Buyer and the Seller or respondent herein after referred to as Contractor or Supplier. Any deviations must be in writing and signed by a representative of the City's Procurement Department and the Supplier. No Terms and Conditions contained in the seller's proposal response, invoice or statement shall serve to modify the terms set forth herein. If there is a conflict between the provisions on the face of the contract/purchase order these written provisions will take precedence.

The Contractor agrees that the contract shall be governed by the following terms and conditions, unless exceptions are duly noted and fully negotiated. Unless otherwise specified in the contract, Sections 3, 4, 5, 6, 7, 8, 20, 21, and 36 shall apply only to a solicitation to purchase goods, and sections 9, 10, 11, 22 and 32 shall apply only to a solicitation to purchase services to be performed principally at the City's premises or on public rights-of-way.

1. **CONTRACTOR'S OBLIGATIONS.** The Contractor shall fully and timely provide all deliverables described in the Solicitation and in the Contractor's Offer in strict accordance with the terms, covenants, and conditions of the Contract and all applicable Federal, State, and local laws, rules, and regulations.

2. **EFFECTIVE DATE/TERM.** Unless otherwise specified in the Solicitation, this Contract shall be effective as of the date the contract is signed by the City, and shall continue in effect until all obligations are performed in accordance with the Contract.

3. **CONTRACTOR TO PACKAGE DELIVERABLES:** The Contractor will package deliverables in accordance with good commercial practice and shall include a packing list showing the description of each item, the quantity and unit price unless otherwise provided in the Specifications or Supplemental Terms and Conditions, each shipping container shall be clearly and permanently marked as follows: (a) The Contractor's name and address, (b) the City's name, address and purchase order or purchase release number and the price agreement number if applicable, (c) Container number and total number of containers, e.g. box 1 of 4 boxes, and (d) the number of the container bearing the packing list. The Contractor shall bear cost of packaging. Deliverables shall be suitably packed to secure lowest transportation costs and to conform to all the requirements of common carriers and any applicable specification. The City's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

4. **SHIPMENT UNDER RESERVATION PROHIBITED:** The Contractor is not authorized to ship the deliverables under reservation and no tender of a bill of lading will operate as a tender of deliverables.

5. **TITLE & RISK OF LOSS:** Title to and risk of loss of the deliverables shall pass to the City only when the City actually receives and accepts the deliverables.

**6. DELIVERY TERMS AND TRANSPORTATION CHARGES:** Deliverables shall be shipped F.O.B. point of delivery unless otherwise specified in the Supplemental Terms and Conditions. Unless otherwise stated in the Offer, the Contractor's price shall be deemed to include all delivery and transportation charges. The City shall have the right to designate what method of transportation shall be used to ship the deliverables. The place of delivery shall be that set forth the purchase order.

**7. RIGHT OF INSPECTION AND REJECTION:** The City expressly reserves all rights under law, including, but not limited to the Uniform Commercial Code, to inspect the deliverables at delivery before accepting them, and to reject defective or non-conforming deliverables. If the City has the right to inspect the Contractor's, or the Contractor's Subcontractor's, facilities, or the deliverables at the Contractor's, or the Contractor's Subcontractor's, premises, the Contractor shall furnish, or cause to be furnished, without additional charge, all reasonable facilities and assistance to the City to facilitate such inspection.

**8. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender or delivery of deliverables must fully comply with all provisions of the Contract as to time of delivery, quality, and quantity. Any non-complying tender shall constitute a breach and the Contractor shall not have the right to substitute a conforming tender; provided, where the time for performance has not yet expired, the Contractor may notify the City of the intention to cure and may then make a conforming tender within the time allotted in the contract.

**9. PLACE AND CONDITION OF WORK:** The City shall provide the Contractor access to the sites where the Contractor is to perform the services as required in order for the Contractor to perform the services in a timely and efficient manner, in accordance with and subject to the applicable security laws, rules, and regulations. The Contractor acknowledges that it has satisfied itself as to the nature of the City's service requirements and specifications, the location and essential characteristics of the work sites, the quality and quantity of materials, equipment, labor and facilities necessary to perform the services, and any other condition or state of fact which could in any way affect performance of the Contractor's obligations under the contract. The Contractor hereby releases and holds the City harmless from and against any liability or claim for damages of any kind or nature if the actual site or service conditions differ from expected conditions.

The contractor shall, at all times, exercise reasonable precautions for the safety of their employees, City Staff, participants and others on or near the City's facilities.

## **10. WORKFORCE**

A. The Contractor shall employ only orderly and competent workers, skilled in the performance of the services which they will perform under the Contract.

B. The Contractor, its employees, subcontractors, and subcontractor's employees may not while engaged in participating or responding to a solicitation or while in the course and scope of delivering goods or services under a City of Denton contract or on the City's property .

i. use or possess a firearm, including a concealed handgun that is licensed under state law, except as required by the terms of the contract; or

ii. use or possess alcoholic or other intoxicating beverages, illegal drugs or controlled substances, nor may such workers be intoxicated, or under the influence of alcohol or drugs, on the job.

Contract 8220

C. If the City or the City's representative notifies the Contractor that any worker is incompetent, disorderly or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms, or has possessed or was under the influence of alcohol or drugs on the job, the Contractor shall immediately remove such worker from Contract services, and may not employ such worker again on Contract services without the City's prior written consent.

**Immigration:** The Contractor represents and warrants that it shall comply with the requirements of the Immigration Reform and Control Act of 1986 and 1990 regarding employment verification and retention of verification forms for any individuals hired on or after November 6, 1986, who will perform any labor or services under the Contract and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 ("IIRIRA") enacted on September 30, 1996.

**11. COMPLIANCE WITH HEALTH, SAFETY, AND ENVIRONMENTAL REGULATIONS:** The Contractor, its Subcontractors, and their respective employees, shall comply fully with all applicable federal, state, and local health, safety, and environmental laws, ordinances, rules and regulations in the performance of the services, including but not limited to those promulgated by the City and by the Occupational Safety and Health Administration (OSHA). In case of conflict, the most stringent safety requirement shall govern. The Contractor shall indemnify and hold the City harmless from and against all claims, demands, suits, actions, judgments, fines, penalties and liability of every kind arising from the breach of the Contractor's obligations under this paragraph.

**Environmental Protection:** The Respondent shall be in compliance with all applicable standards, orders, or regulations issued pursuant to the mandates of the Clean Air Act (42 U.S.C. §7401 *et seq.*) and the Federal Water Pollution Control Act, as amended, (33 U.S.C. §1251 *et seq.*).

## **12. INVOICES:**

A. The Contractor shall submit separate invoices in duplicate on each purchase order or purchase release after each delivery. If partial shipments or deliveries are authorized by the City, a separate invoice must be sent for each shipment or delivery made.

**B. Proper Invoices must include a unique invoice number, the purchase order or delivery order number and the master agreement number if applicable, the Department's Name, and the name of the point of contact for the Department.** Invoices shall be itemized and transportation charges, if any, shall be listed separately. A copy of the bill of lading and the freight waybill, when applicable, shall be attached to the invoice. The Contractor's name, remittance address and, if applicable, the tax identification number on the invoice must exactly match the information in the Vendor's registration with the City. Unless otherwise instructed in writing, the City may rely on the remittance address specified on the Contractor's invoice.

C. Invoices for labor shall include a copy of all time-sheets with trade labor rate and deliverables order number clearly identified. Invoices shall also include a tabulation of work-hours at the appropriate rates and grouped by work order number. Time billed for labor shall be limited to hours actually worked at the work site.

D. Unless otherwise expressly authorized in the Contract, the Contractor shall pass through all Subcontract and other authorized expenses at actual cost without markup.

E. Federal excise taxes, State taxes, or City sales taxes must not be included in the invoiced amount.

The City will furnish a tax exemption certificate upon request.

**13. PAYMENT:**

A. All proper invoices need to be sent to Accounts Payable. Approved invoices will be paid within thirty (30) calendar days of the City's receipt of the deliverables or of the invoice being received in Accounts Payable, whichever is later.

**B. If payment is not timely made, (per paragraph A); interest shall accrue on the unpaid balance at the lesser of the rate specified in Texas Government Code Section 2251.025 or the maximum lawful rate; except, if payment is not timely made for a reason for which the City may withhold payment hereunder, interest shall not accrue until ten (10) calendar days after the grounds for withholding payment have been resolved.**

C. If partial shipments or deliveries are authorized by the City, the Contractor will be paid for the partial shipment or delivery, as stated above, provided that the invoice matches the shipment or delivery.

D. The City may withhold or set off the entire payment or part of any payment otherwise due the Contractor to such extent as may be necessary on account of:

- i. delivery of defective or non-conforming deliverables by the Contractor;
- ii. third party claims, which are not covered by the insurance which the Contractor is required to provide, are filed or reasonable evidence indicating probable filing of such claims;
- iii. failure of the Contractor to pay Subcontractors, or for labor, materials or equipment;
- iv. damage to the property of the City or the City's agents, employees or contractors, which is not covered by insurance required to be provided by the Contractor;
- v. reasonable evidence that the Contractor's obligations will not be completed within the time specified in the Contract, and that the unpaid balance would not be adequate to cover actual or damages for the anticipated delay;
- vi. failure of the Contractor to submit proper invoices with purchase order number, with all required attachments and supporting documentation; or
- vii. failure of the Contractor to comply with any material provision of the Contract Documents.

E. Notice is hereby given that any awarded firm who is in arrears to the City of Denton for delinquent taxes, the City may offset indebtedness owed the City through payment withholding.

F. Payment will be made by check unless the parties mutually agree to payment by credit card or electronic transfer of funds. The Contractor agrees that there shall be no additional charges, surcharges, or penalties to the City for payments made by credit card or electronic funds transfer.

G. The awarding or continuation of this contract is dependent upon the availability of funding. The City's payment obligations are payable only and solely from funds Appropriated and available for this contract. The absence of Appropriated or other lawfully available funds shall render the Contract null and void to the extent funds are not Appropriated or available and any deliverables delivered but unpaid shall be returned to the Contractor. The City shall provide the Contractor written notice of the failure of the City to make an adequate Appropriation for any fiscal year to pay the amounts due under the Contract, or the reduction of any Appropriation to an amount insufficient to permit the City to pay its obligations under the Contract. In the event of none or inadequate appropriation of funds, there will be no penalty nor removal fees charged to the City.

**14. TRAVEL EXPENSES:** All travel, lodging and per diem expenses in connection with the Contract shall be paid by the Contractor, unless otherwise stated in the contract terms. During the term of this contract, the contractor shall bill and the City shall reimburse contractor for all reasonable and approved out of pocket expenses which are incurred in the connection with the performance of duties hereunder. Notwithstanding the foregoing, expenses for the time spent by Contractor 8220

the contractor in traveling to and from City facilities shall not be reimbursed, unless otherwise negotiated.

#### **15. FINAL PAYMENT AND CLOSE-OUT:**

A. If a DBE/MBE/WBE Program Plan is agreed to and the Contractor has identified Subcontractors, the Contractor is required to submit a Contract Close-Out MBE/WBE Compliance Report to the Purchasing Manager no later than the 15th calendar day after completion of all work under the contract. Final payment, retainage, or both may be withheld if the Contractor is not in compliance with the requirements as accepted by the City.

B. The making and acceptance of final payment will constitute:

i. a waiver of all claims by the City against the Contractor, except claims (1) which have been previously asserted in writing and not yet settled, (2) arising from defective work appearing after final inspection, (3) arising from failure of the Contractor to comply with the Contract or the terms of any warranty specified herein, (4) arising from the Contractor's continuing obligations under the Contract, including but not limited to indemnity and warranty obligations, or (5) arising under the City's right to audit; and ii. a waiver of all claims by the Contractor against the City other than those previously asserted in writing and not yet settled.

**16. SPECIAL TOOLS & TEST EQUIPMENT:** If the price stated on the Offer includes the cost of any special tooling or special test equipment fabricated or required by the Contractor for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of the City and shall be identified by the Contractor as such.

#### **17. RIGHT TO AUDIT:**

A. The City shall have the right to audit and make copies of the books, records and computations pertaining to the Contract. The Contractor shall retain such books, records, documents and other evidence pertaining to the Contract period and five years thereafter, except if an audit is in progress or audit findings are yet unresolved, in which case records shall be kept until all audit tasks are completed and resolved. These books, records, documents and other evidence shall be available, within ten (10) business days of written request. Further, the Contractor shall also require all Subcontractors, material suppliers, and other payees to retain all books, records, documents and other evidence pertaining to the Contract, and to allow the City similar access to those documents. All books and records will be made available within a 50 mile radius of the City of Denton. The cost of the audit will be borne by the City unless the audit reveals an overpayment of 1% or greater. If an overpayment of 1% or greater occurs, the reasonable cost of the audit, including any travel costs, must be borne by the Contractor which must be payable within five (5) business days of receipt of an invoice.

B. Failure to comply with the provisions of this section shall be a material breach of the Contract and shall constitute, in the City's sole discretion, grounds for termination thereof. Each of the terms "books", "records", "documents" and "other evidence", as used above, shall be construed to include drafts and electronic files, even if such drafts or electronic files are subsequently used to generate or prepare a final printed document.

#### **18. SUBCONTRACTORS:**

A. If the Contractor identified Subcontractors in a DBE/MBE/WBE agreed to Plan, the Contractor shall comply with all requirements approved by the City. The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in Contract 8220

writing. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Procurement Manager, no later than the tenth calendar day of each month.

B. Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the

Contract, and shall contain provisions that:

- i. require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract;
- ii. prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;
- iii. require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;
- iv. require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and
- v. require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

C. The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

D. The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

#### **19. WARRANTY-PRICE:**

A. The Contractor warrants the prices quoted in the Offer are no higher than the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

B. The Contractor certifies that the prices in the Offer have been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such fees with any other firm or with any competitor.

C. In addition to any other remedy available, the City may deduct from any amounts owed to the Contractor, or otherwise recover, any amounts paid for items in excess of the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

**20. WARRANTY – TITLE:** The Contractor warrants that it has good and indefeasible title to all deliverables furnished under the Contract, and that the deliverables are free and clear of all liens, claims, security interests and encumbrances. The Contractor shall indemnify and hold the City harmless from and against all adverse title claims to the deliverables.

**21. WARRANTY – DELIVERABLES:** The Contractor warrants and represents that all deliverables sold the City under the Contract shall be free from defects in design, workmanship or manufacture, and conform in all material respects to the specifications, drawings, and descriptions in the Solicitation, to any samples furnished by the Contractor, to the terms, covenants and conditions of the Contract, and to all applicable State, Federal or local laws, rules, and regulations, and industry codes and standards. Unless otherwise stated in the Solicitation, the deliverables shall be new or recycled merchandise, and not used or reconditioned.

A. Recycled deliverables shall be clearly identified as such.

B. The Contractor may not limit, exclude or disclaim the foregoing warranty or any warranty implied by law; and any attempt to do so shall be without force or effect.

C. Unless otherwise specified in the Contract, the warranty period shall be at least one year from the date of acceptance of the deliverables or from the date of acceptance of any replacement deliverables. If during the warranty period, one or more of the above warranties are breached, the Contractor shall promptly upon receipt of demand either repair the non-conforming deliverables, or replace the non-conforming deliverables with fully conforming deliverables, at the City's option and at no additional cost to the City. All costs incidental to such repair or replacement, including but not limited to, any packaging and shipping costs shall be borne exclusively by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this section.

D. If the Contractor is unable or unwilling to repair or replace defective or non-conforming deliverables as required by the City, then in addition to any other available remedy, the City may reduce the quantity of deliverables it may be required to purchase under the Contract from the Contractor, and purchase conforming deliverables from other sources. In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such deliverables from another source.

E. If the Contractor is not the manufacturer, and the deliverables are covered by a separate manufacturer's warranty, the Contractor shall transfer and assign such manufacturer's warranty to the City. If for any reason the manufacturer's warranty cannot be fully transferred to the City, the Contractor shall assist and cooperate with the City to the fullest extent to enforce such manufacturer's warranty for the benefit of the City.

**22. WARRANTY – SERVICES:** The Contractor warrants and represents that all services to be provided the City under the Contract will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Contract, and all applicable Federal, State and local laws, rules or regulations.

A. The Contractor may not limit, exclude or disclaim the foregoing warranty or any warranty implied by law, and any attempt to do so shall be without force or effect.

B. Unless otherwise specified in the Contract, the warranty period shall be at least one year from the Acceptance Date. If during the warranty period, one or more of the above warranties are breached, the Contractor shall promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to the City. All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach warranty, but failure to give timely notice shall not impair the City's rights under this section.

C. If the Contractor is unable or unwilling to perform its services in accordance with the above Contract 8220

standard as required by the City, then in addition to any other available remedy, the City may reduce the amount of services it may be required to purchase under the Contract from the Contractor, and purchase conforming services from other sources. In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such services from another source.

**23. ACCEPTANCE OF INCOMPLETE OR NON-CONFORMING DELIVERABLES:** If, instead of requiring immediate correction or removal and replacement of defective or non-conforming deliverables, the City prefers to accept it, the City may do so. The Contractor shall pay all claims, costs, losses and damages attributable to the City's evaluation of and determination to accept such defective or non-conforming deliverables. If any such acceptance occurs prior to final payment, the City may deduct such amounts as are necessary to compensate the City for the diminished value of the defective or non-conforming deliverables. If the acceptance occurs after final payment, such amount will be refunded to the City by the Contractor.

**24. RIGHT TO ASSURANCE:** Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. In the event that no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

**25. STOP WORK NOTICE:** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

**26. DEFAULT:** The Contractor shall be in default under the Contract if the Contractor (a) fails to fully, timely and faithfully perform any of its material obligations under the Contract, (b) fails to provide adequate assurance of performance under Paragraph 24, (c) becomes insolvent or seeks relief under the bankruptcy laws of the United States or (d) makes a material misrepresentation in Contractor's Offer, or in any report or deliverable required to be submitted by the Contractor to the City.

**27. TERMINATION FOR CAUSE:** In the event of a default by the Contractor, the City shall have the right to terminate the Contract for cause, by written notice effective ten (10) calendar days, unless otherwise specified, after the date of such notice, unless the Contractor, within such ten (10) day period, cures such default, or provides evidence sufficient to prove to the City's reasonable satisfaction that such default does not, in fact, exist. In addition to any other remedy available under law or in equity, the City shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the City as a result of the Contractor's default, including, without limitation, cost of cover, reasonable attorneys' fees, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. Additionally, in the event of a default by the Contractor, the City may remove the Contractor from the City's vendor list for three (3) years and any Offer submitted by the Contractor may be disqualified for up to three (3) years. All rights and remedies under the Contract are cumulative and are not exclusive of any other right or remedy provided by law.

Contract 8220

**28. TERMINATION WITHOUT CAUSE:** The City shall have the right to terminate the Contract, in whole or in part, without cause any time upon thirty (30) calendar days' prior written notice. Upon receipt of a notice of termination, the Contractor shall promptly cease all further work pursuant to the Contract, with such exceptions, if any, specified in the notice of termination. The City shall pay the Contractor, to the extent of funds Appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof.

**29. FRAUD:** Fraudulent statements by the Contractor on any Offer or in any report or deliverable required to be submitted by the Contractor to the City shall be grounds for the termination of the Contract for cause by the City and may result in legal action.

**30. DELAYS:**

A. The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution process specified in paragraph 49. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

B. Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

**31. INDEMNITY:**

**A. Definitions:**

i. "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for: (1) damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or (2) death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties), ii. "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct or a breach of any legally imposed strict liability standard.

**B. THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS,**  
Contract 8220

**EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.**

**32. INSURANCE:** The following insurance requirements are applicable, in addition to the specific insurance requirements detailed in **Appendix A** for services only. The successful firm shall procure and maintain insurance of the types and in the minimum amounts acceptable to the City of Denton. The insurance shall be written by a company licensed to do business in the State of Texas and satisfactory to the City of Denton.

**A. General Requirements:**

- i. The Contractor shall at a minimum carry insurance in the types and amounts indicated and agreed to, as submitted to the City and approved by the City within the procurement process, for the duration of the Contract, including extension options and hold over periods, and during any warranty period.
- ii. The Contractor shall provide Certificates of Insurance with the coverage's and endorsements required to the City as verification of coverage prior to contract execution and within fourteen (14) calendar days after written request from the City. Failure to provide the required Certificate of Insurance may subject the Offer to disqualification from consideration for award. The Contractor must also forward a Certificate of Insurance to the City whenever a previously identified policy period has expired, or an extension option or hold over period is exercised, as verification of continuing coverage.
- iii. The Contractor shall not commence work until the required insurance is obtained and until such insurance has been reviewed by the City. Approval of insurance by the City shall not relieve or decrease the liability of the Contractor hereunder and shall not be construed to be a limitation of liability on the part of the Contractor.
- iv. The Contractor must submit certificates of insurance to the City for all subcontractors prior to the subcontractors commencing work on the project.
- v. The Contractor's and all subcontractors' insurance coverage shall be written by companies licensed to do business in the State of Texas at the time the policies are issued and shall be written by companies with A.M. Best ratings of **A- VII or better**. The City will accept workers' compensation coverage written by the Texas Workers' Compensation Insurance Fund.
- vi. All endorsements naming the City as additional insured, waivers, and notices of cancellation endorsements as well as the Certificate of Insurance shall contain the solicitation number and the following information:  
City of Denton  
Materials Management Department  
901B Texas Street  
Denton, Texas 76209
- vii. The "other" insurance clause shall not apply to the City where the City is an additional insured shown on any policy. It is intended that policies required in the Contract, covering both the City and the Contractor, shall be considered primary coverage as applicable.

- viii. If insurance policies are not written for amounts agreed to with the City, the Contractor shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.
- ix. The City shall be entitled, upon request, at an agreed upon location, and without expense, to review certified copies of policies and endorsements thereto and may make any reasonable requests for deletion or revision or modification of particular policy terms, conditions, limitations, or exclusions except where policy provisions are established by law or regulations binding upon either of the parties hereto or the underwriter on any such policies.
- x. The City reserves the right to review the insurance requirements set forth during the effective period of the Contract and to make reasonable adjustments to insurance coverage, limits, and exclusions when deemed necessary and prudent by the City based upon changes in statutory law, court decisions, the claims history of the industry or financial condition of the insurance company as well as the Contractor.
- xi. The Contractor shall not cause any insurance to be canceled nor permit any insurance to lapse during the term of the Contract or as required in the Contract.
- xii. The Contractor shall be responsible for premiums, deductibles and self-insured retentions, if any, stated in policies. All deductibles or self-insured retentions shall be disclosed on the Certificate of Insurance.
- xiii. The Contractor shall endeavor to provide the City thirty (30) calendar days' written notice of erosion of the aggregate limits below occurrence limits for all applicable coverage's indicated within the Contract.
- xiv. The insurance coverage's specified in within the solicitation and requirements are required minimums and are not intended to limit the responsibility or liability of the Contractor.

B. Specific Coverage Requirements: Specific insurance requirements are contained in the solicitation instrument.

**33. CLAIMS:** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse effect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Denton City Attorney. Personal delivery to the City Attorney shall be to City Hall, 215 East McKinney Street, Denton, Texas 76201.

**34. NOTICES:** Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Contract shall be in writing and shall be deemed delivered three (3) business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, telefax, or other commercially accepted means. Notices to the Contractor shall be sent to the address specified in the Contractor's Offer, or at such other address as a party may notify the other in writing. Notices to the City shall be addressed to the City at 901B Texas Street, Denton, Texas 76209 and marked to the attention of the Purchasing Manager.

**35. RIGHTS TO BID, PROPOSAL AND CONTRACTUAL MATERIAL:** All material submitted by the Contractor to the City shall become property of the City upon receipt. Any portions of such material claimed by the Contractor to be proprietary must be clearly marked as such. Determination of the public nature of the material is subject to the Texas Public Information Act, Chapter 552, and Texas Government Code.

**36. NO WARRANTY BY CITY AGAINST INFRINGEMENTS:** The Contractor represents and warrants to the City that: (i) the Contractor shall provide the City good and indefeasible title to the deliverables and (ii) the deliverables supplied by the Contractor in accordance with the specifications in the Contract will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party; that no claims have been made by any person or entity with respect to the ownership or operation of the deliverables and the Contractor does not know of any valid basis for any such claims. The Contractor shall, at its sole expense, defend, indemnify, and hold the City harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that the City's exercise anywhere in the world of the rights associated with the City's ownership, and if applicable, license rights, and its use of the deliverables infringes the intellectual property rights of any third party; or (ii) the Contractor's breach of any of Contractor's representations or warranties stated in this Contract. In the event of any such claim, the City shall have the right to monitor such claim or at its option engage its own separate counsel to act as co-counsel on the City's behalf. Further, Contractor agrees that the City's specifications regarding the deliverables shall in no way diminish Contractor's warranties or obligations under this paragraph and the City makes no warranty that the production, development, or delivery of such deliverables will not impact such warranties of Contractor.

**37. CONFIDENTIALITY:** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

**38. OWNERSHIP AND USE OF DELIVERABLES:** The City shall own all rights, titles, and interests throughout the world in and to the deliverables.

A. Patents. As to any patentable subject matter contained in the deliverables, the Contractor agrees

Contract 8220

to disclose such patentable subject matter to the City. Further, if requested by the City, the Contractor agrees to assign and, if necessary, cause each of its employees to assign the entire right, title, and interest to specific inventions under such patentable subject matter to the City and to execute, acknowledge, and deliver and, if necessary, cause each of its employees to execute, acknowledge, and deliver an assignment of letters patent, in a form to be reasonably approved by the City, to the City upon request by the City.

B. Copyrights. As to any deliverables containing copyrightable subject matter, the Contractor agrees that upon their creation, such deliverables shall be considered as work made-for-hire by the Contractor for the City and the City shall own all copyrights in and to such deliverables, provided however, that nothing in this Paragraph 38 shall negate the City's sole or joint ownership of any such deliverables arising by virtue of the City's sole or joint authorship of such deliverables. Should by operation of law, such deliverables not be considered works made-for-hire, the Contractor hereby assigns to the City (and agrees to cause each of its employees providing services to the City hereunder to execute, acknowledge, and deliver an assignment to the City of) all worldwide right, title, and interest in and to such deliverables. With respect to such work made-for-hire, the Contractor agrees to execute, acknowledge, and deliver and cause each of its employees providing services to the City hereunder to execute, acknowledge, and deliver a work-made-for-hire agreement, in a form to be reasonably approved by the City, to the City upon delivery of such deliverables to the City or at such other time as the City may request.

C. Additional Assignments. The Contractor further agrees to, and if applicable, cause each of its employees to, execute, acknowledge, and deliver all applications, specifications, oaths, assignments, and all other instruments which the City might reasonably deem necessary in order to apply for and obtain copyright protection, mask work registration, trademark registration and/or protection, letters patent, or any similar rights in any and all countries and in order to assign and convey to the City, its successors, assigns and nominees, the sole and exclusive right, title, and interest in and to the deliverables. The Contractor's obligations to execute, acknowledge, and deliver (or cause to be executed, acknowledged, and delivered) instruments or papers such as those described in this Paragraph 38 a., b., and c. shall continue after the termination of this Contract with respect to such deliverables. In the event the City should not seek to obtain copyright protection, mask work registration or patent protection for any of the deliverables, but should desire to keep the same secret, the Contractor agrees to treat the same as Confidential Information under the terms of Paragraph 37 above.

**39. PUBLICATIONS:** All published material and written reports submitted under the Contract must be originally developed material unless otherwise specifically provided in the Contract. When material not originally developed is included in a report in any form, the source shall be identified.

**40. ADVERTISING:** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

**41. NO CONTINGENT FEES:** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission,

percentage, brokerage or contingent fee.

**42. GRATUITIES:** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City of Denton with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

**43. PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS:** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation as defined in the City's Ethic Ordinance 18-757 and in the City Charter chapter 2 article XI(Ethics). Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City. The Contractor shall complete and submit the City's Conflict of Interest Questionnaire.

**44. INDEPENDENT CONTRACTOR:** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City of Denton, Texas for the purposes of income tax, withholding, social security taxes, vacation or sick leave benefits, worker's compensation, or any other City employee benefit. The City shall not have supervision and control of the Contractor or any employee of the Contractor, and it is expressly understood that Contractor shall perform the services hereunder according to the attached specifications at the general direction of the City Manager of the City of Denton, Texas, or his designee under this agreement. The contractor is expressly free to advertise and perform services for other parties while performing services for the City.

**45. ASSIGNMENT-DELEGATION:** The Contract shall be binding upon and ensure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there are no third party beneficiaries to the Contract.

The Vendor shall notify the City's Purchasing Manager, in writing, of a company name, ownership, or address change for the purpose of maintaining updated City records. The president of the company or authorized official must sign the letter. A letter indicating changes in a company name or ownership must be accompanied with supporting legal documentation such as an updated W-9, documents filed with the state indicating such change, copy of the board of director's resolution approving the action, or an executed Contract 8220

merger or acquisition agreement. Failure to do so may adversely impact future invoice payments.

**46. WAIVER:** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

**47. MODIFICATIONS:** The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

**48. INTERPRETATION:** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

**49. DISPUTE RESOLUTION:**

A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option; the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Denton County Alternative Dispute Resolution Program (DCAP). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of

Contract 8220

participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

**50. JURISDICTION AND VENUE:** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Denton County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

**51. INVALIDITY:** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

**52. HOLIDAYS:** The following holidays are observed by the City:

New Year's Day (observed)
Martin Luther King, Jr. Day
Memorial Day
Juneteenth
Independence Day
Labor Day
Veterans Day
Thanksgiving
Friday After Thanksgiving
Christmas Eve (observed)
Christmas Day (observed)

If a Legal Holiday falls on Saturday, it will be observed on the preceding Friday. If a Legal Holiday falls on Sunday, it will be observed on the following Monday. Normal hours of operation shall be between 8:00 am and 4:00 pm, Monday through Friday, excluding City of Denton Holidays. Any scheduled deliveries or work performance not within the normal hours of operation **must be approved** by the City Manager of Denton, Texas or his authorized designee.

**53. SURVIVABILITY OF OBLIGATIONS:** All provisions of the Contract that impose continuing obligations on the parties, including but not limited to the warranty, indemnity, and confidentiality obligations of the parties, shall survive the expiration or termination of the Contract.

**54. NON-SUSPENSION OR DEBARMENT CERTIFICATION:**

The City of Denton is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, Contract 8220

or City of Denton Contracts. By accepting a Contract with the City, the Vendor certifies that its firm and its principals are not currently suspended or debarred from doing business with the Federal Government, as indicated by the General Services Administration List of Parties Excluded from Federal Procurement and Non-Procurement Programs, the State of Texas, or the City of Denton.

## **55. EQUAL OPPORTUNITY**

**A. Equal Employment Opportunity:** No Offeror, or Offeror's agent, shall engage in any discriminatory employment practice. No person shall, on the grounds of race, sex, sexual orientation, age, disability, creed, color, genetic testing, or national origin, be refused the benefits of, or be otherwise subjected to discrimination under any activities resulting from this RFQ.

**B. Americans with Disabilities Act (ADA) Compliance:** No Offeror, or Offeror's agent, shall engage in any discriminatory employment practice against individuals with disabilities as defined in the ADA.

## **56. BUY AMERICAN ACT-SUPPLIES (Applicable to certain federally funded requirements)**

The following federally funded requirements are applicable. A. Definitions. As used in this paragraph –

i. "Component" means an article, material, or supply incorporated directly into an end product.

ii. "Cost of components" means -

(1) For components purchased by the Contractor, the acquisition cost, including transportation costs to the place of incorporation into the end product (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or  
(2) For components manufactured by the Contractor, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (1) of this definition, plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the end product.

iii. "Domestic end product" means-

(1) An unmanufactured end product mined or produced in the United States; or

(2) An end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of foreign origin of the same class or kind as those that the agency determines are not mined, produced, or manufactured in sufficient and reasonably available commercial quantities of a satisfactory quality are treated as domestic. Scrap generated, collected, and prepared for processing in the United States is considered domestic.

iv. "End product" means those articles, materials, and supplies to be acquired under the contract for public use.

v. "Foreign end product" means an end product other than a domestic end product.

vi. "United States" means the 50 States, the District of Columbia, and outlying areas.

**B.** The Buy American Act (41 U.S.C. 10a - 10d) provides a preference for domestic end products for supplies acquired for use in the United States.

**C.** The City does not maintain a list of foreign articles that will be treated as domestic for this Contract; but will consider for approval foreign articles as domestic for this product if the articles are on a list approved by another Governmental Agency. The Offeror shall submit documentation with their Offer demonstrating that the article is on an approved Governmental list.

**D.** The Contractor shall deliver only domestic end products except to the extent that it specified delivery of foreign end products in the provision of the Solicitation entitled "Buy American Act Contract 8220

Certificate".

**57. RIGHT TO INFORMATION:** The City of Denton reserves the right to use any and all information presented in any response to this contract, whether amended or not, except as prohibited by law. Selection of rejection of the submittal does not affect this right.

**58. LICENSE FEES OR TAXES:** Provided the solicitation requires an awarded contractor or supplier to be licensed by the State of Texas, any and all fees and taxes are the responsibility of the respondent.

**59. PREVAILING WAGE RATES:** The contractor shall comply with prevailing wage rates as defined by the United States Department of Labor Davis-Bacon Wage Determination at <http://www.dol.gov/whd/contracts/dbra.htm> and at the Wage Determinations website [www.wdol.gov](http://www.wdol.gov) for Denton County, Texas (WD-2509).

**60. COMPLIANCE WITH ALL STATE, FEDERAL, AND LOCAL LAWS:** The contractor or supplier shall comply with all State, Federal, and Local laws and requirements. The Respondent must comply with all applicable laws at all times, including, without limitation, the following: (i) §36.02 of the Texas Penal Code, which prohibits bribery; (ii) §36.09 of the Texas Penal Code, which prohibits the offering or conferring of benefits to public servants. The Respondent shall give all notices and comply with all laws and regulations applicable to furnishing and performance of the Contract.

**61. FEDERAL, STATE, AND LOCAL REQUIREMENTS:** Respondent shall demonstrate on-site compliance with the Federal Tax Reform Act of 1986, Section 1706, amending Section 530 of the Revenue Act of 1978, dealing with issuance of Form W-2's to common law employees. Respondent is responsible for both federal and State unemployment insurance coverage and standard Workers' Compensation insurance coverage. Respondent shall ensure compliance with all federal and State tax laws and withholding requirements. The City of Denton shall not be liable to Respondent or its employees for any Unemployment or Workers' Compensation coverage, or federal or State withholding requirements. Contractor shall indemnify the City of Denton and shall pay all costs, penalties, or losses resulting from Respondent's omission or breach of this Section.

**62. DRUG FREE WORKPLACE:** The contractor shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C. 701 ET SEQ.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and the contractor shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

**63. RESPONDENT LIABILITY FOR DAMAGE TO GOVERNMENT PROPERTY:** The Respondent shall be liable for all damages to government-owned, leased, or occupied property and equipment caused by the Respondent and its employees, agents, subcontractors, and suppliers, including any delivery or cartage company, in connection with any performance pursuant to the Contract. The Respondent shall notify the City of Denton Procurement Manager in writing of any such damage within one (1) calendar day.

Contract 8220

**64. FORCE MAJEURE:** The City of Denton, any Customer, and the Respondent shall not be responsible for performance under the Contract should it be prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of the City of Denton. In the event of an occurrence under this Section, the Respondent will be excused from any further performance or observance of the requirements so affected for as long as such circumstances prevail and the Respondent continues to use commercially reasonable efforts to recommence performance or observance whenever and to whatever extent possible without delay. The Respondent shall immediately notify the City of Denton Procurement Manager by telephone (to be confirmed in writing within five (5) calendar days of the inception of such occurrence) and describe at a reasonable level of detail the circumstances causing the non-performance or delay in performance.

**65. NON-WAIVER OF RIGHTS:** Failure of a Party to require performance by another Party under the Contract will not affect the right of such Party to require performance in the future. No delay, failure, or waiver of either Party's exercise or partial exercise of any right or remedy under the Contract shall operate to limit, impair, preclude, cancel, waive or otherwise affect such right or remedy. A waiver by a Party of any breach of any term of the Contract will not be construed as a waiver of any continuing or succeeding breach.

**66. NO WAIVER OF SOVEREIGN IMMUNITY:** The Parties expressly agree that no provision of the Contract is in any way intended to constitute a waiver by the City of Denton of any immunities from suit or from liability that the City of Denton may have by operation of law.

**67. RECORDS RETENTION:** The Respondent shall retain all financial records, supporting documents, statistical records, and any other records or books relating to the performances called for in the Contract. The Respondent shall retain all such records for a period of four (4) years after the expiration of the Contract, or until the CPA or State Auditor's Office is satisfied that all audit and litigation matters are resolved, whichever period is longer. The Respondent shall grant access to all books, records and documents pertinent to the Contract to the CPA, the State Auditor of Texas, and any federal governmental entity that has authority to review records due to federal funds being spent under the Contract.

**Should a conflict arise between any of the contract documents, it shall be resolved with the following order of precedence (if applicable). In any event, the final negotiated contract shall take precedence over any and all contract documents to the extent of such conflict.**

- 1. Final negotiated contract**
- 2. RFP/Bid documents**
- 3. City's standard terms and conditions**
- 4. Purchase order**
- 5. Contractor terms and conditions**

## EXHIBIT D

### CITY OF DENTON INSURANCE REQUIREMENTS

*Respondent's attention is directed to the insurance requirements below. It is highly recommended that respondents confer with their respective insurance carriers or brokers to determine in advance of Proposal/Bid submission the availability of insurance certificates and endorsements as prescribed and provided herein. If an apparent low respondent fails to comply strictly with the insurance requirements, that respondent may be disqualified from award of the contract. Upon contract award, all insurance requirements shall become contractual obligations, which the successful contractor shall have a duty to maintain throughout the course of this contract.*

#### **STANDARD PROVISIONS:**

**Without l i m i t i n g any of the other obligations or liabilities of the Contractor, the Contractor shall provide and maintain until the contracted work has been completed and accepted by the City of Denton, Owner, the minimum insurance coverage as indicated hereinafter.**

**As soon as practicable after notification of contract award, Contractor shall file with the Purchasing Department satisfactory certificates of insurance including any applicable addendum or endorsements, containing the contract number and title of the project. Contractor may, upon written request to the Purchasing Department, ask for clarification of any insurance requirements at any time; however, Contractors are strongly advised to make such requests prior to proposal/bid opening, since the insurance requirements may not be modified or waived after proposal/bid opening unless a written exception has been submitted with the proposal/bid. Contractor shall not commence any work or deliver any material until he or she receives notification that the contract has been accepted, approved, and signed by the City of Denton.**

**All insurance policies proposed or obtained in satisfaction of these requirements shall comply with the following general specifications, and shall be maintained in compliance with these general specifications throughout the duration of the Contract, or longer, if so noted:**

- Each policy shall be issued by a company authorized to do business in the State of Texas with an A.M. Best Company rating of at least A+ or better.
- Any deductibles or self-insured retentions shall be declared in the proposal. If requested by the City, the insurer shall reduce or eliminate such deductibles or self-insured retentions with respect to the City, its officials, agents, employees and volunteers; or, the contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- Liability policies shall be endorsed to provide the following:
  - Name as Additional Insured the City of Denton, its Officials, Agents, Employees and volunteers.
  - That such insurance is primary to any other insurance available to the Additional Insured with respect to claims covered under the policy and that this insurance applies separately to each insured against whom claim is made or suit is brought. The inclusion of more than one insured shall not operate to increase the insurer's limit of liability.
  - o Provide a Waiver of Subrogation in favor of the City of Denton, its officials, agents, employees, and volunteers.

• **Cancellation: City requires 30 day written notice should any of the policies described on the certificate be cancelled or materially changed before the expiration date.**

• Should any of the required insurance be provided under a claims made form, Contractor shall maintain such coverage continuously throughout the term of this contract and, without lapse, for a period of three years beyond the contract expiration, such that occurrences arising during the contract term which give rise to claims made after expiration of the contract shall be covered.

• Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit providing for claims investigation or legal defense costs to be included in the general annual aggregate limit, the Contractor shall either double the occurrence limits or obtain Owners and Contractors Protective Liability Insurance.

• Should any required insurance lapse during the contract term, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this contract, effective as of the lapse date. If insurance is not reinstated, City may, at its sole option, terminate this agreement effective on the date of the lapse.

#### **SPECIFIC ADDITIONAL INSURANCE REQUIREMENTS:**

*All insurance policies proposed or obtained in satisfaction of this Contract shall additionally comply with the following specifications, and shall be maintained in compliance with these additional specifications throughout the duration of the Contract, or longer, if so noted:*

##### **A. COMMERCIAL GENERAL LIABILITY INSURANCE**

Commercial General Liability Insurance including, but not limited to, Premises/Operations, Personal & Advertising Injury, Products/Completed Operations, Independent Contractors, and Contractual Liability with minimum combined bodily injury (including death) and property damage limits of \$1,000,000.00 per occurrence and \$2,000,000.00 general aggregate.

##### **B. WORKERS' COMPENSATION and EMPLOYERS LIABILITY INSURANCE**

**Workers' Compensation** within the regulations of the Texas Workers' Compensation Act. The minimum policy limits for Employers Liability are: Bodily Injury by Accident: \$1,000,000.00 Each Accident Bodily Injury by Disease: \$1,000,000.00 Each Employee Bodily Injury by Disease: \$1,000,000.00 Policy Limit NOTES:

a. If CONTRACTOR will not be providing services under the contract at a City facility, has no employees and/or is operating as a sole owner and single operator, CONTRACTOR shall provide a signed letter, with the current date, on official letterhead stating such to meet the requirement.

b. If CONTRACTOR is a non-subscriber or is self-insured CONTRACTOR shall provide a copy of its Certificate of Authority to Self-Insure from the Texas Department of Insurance, Division of Workers' Compensation Self Insurance Regulation Program, evidence of alternative coverage and internal safety and injury coverage policies and procedures.

**C. BUSINESS AUTOMOBILE LIABILITY INSURANCE**

**Business Automobile Liability Insurance** covering owned, hired, and non-owned vehicles, with a minimum combined single limit for bodily injury (including death) and property damage limit of \$1,000,000.00 per occurrence.

**NOTE:**

a. If CONTRACTOR does not have owned, hired and non-owned autos or vehicles and/or no autos or vehicles will not be used in the performance of services under the contract, CONTRACTOR shall provide a signed letter, with the current date, on official letterhead stating such to meet the requirement for owned autos.

**EXHIBIT E**  
**Certificate of Interested Parties Electronic Filing**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract unless the Contractor submits a disclosure of interested parties (Form 1295) to the City at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

**Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.**

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
<https://www.ethics.state.tx.us/filinginfo/1295/>
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line.  
(EX: Contract 1234 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

**EXHIBIT G - CONFLICT OF INTEREST QUESTIONNAIRE****CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1** **Name of vendor who has a business relationship with local governmental entity.**  
FREEPORT WELDING & FABRICATING, INC

**2** ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3** **Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☐

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☐

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☐

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4** ☐ **I have no Conflict of Interest to disclose.**

**5** **Danny Yates – there is no conflict of interest to disclose**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A FIRST AMENDMENT TO A CONTRACT BETWEEN THE CITY OF DENTON AND FREEPORT WELDING & FABRICATING, INC., AMENDING THE CONTRACT APPROVED BY THE CITY COUNCIL ON JUNE 27, 2023, IN THE NOT-TO-EXCEED AMOUNT OF \$1,279,570.00; SAID FIRST AMENDMENT TO COMPLETE THE PURCHASE OF THREE (3) 60,000 GALLON TANKS FOR THE DENTON ENERGY CENTER WINTERIZATION PROJECT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFP 8220 – PROVIDING FOR AN ADDITIONAL FIRST AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$140,000.00, WITH THE TOTAL CONTRACT AMOUNT NOT-TO-EXCEED \$1,419,570.00).

WHEREAS, on June 27, 2023, City Council awarded a contract to Freeport Welding & Fabricating, Inc. in the amount of \$1,279,570.00, for three (3) 60,000 gallon tanks for the Denton Energy Center’s Winterization Project; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function; and

WHEREAS, the additional fees under the proposed First Amendment are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees applicable to the Provider’s profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The First Amendment, increasing the amount of the contract between the City and Freeport Welding & Fabricating, Inc., which is on file in the office of the Purchasing Agent, in the amount of One Hundred Forty Thousand and 0/100 (\$140,000.00) Dollars, is hereby approved, and the expenditure of funds therefor is hereby authorized in accordance with said amendment which shall be effective upon the execution of the amendment attached hereto. The total contract amount increases to \$1,419,570.00.

SECTION 2. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>

THE STATE OF TEXAS           §  
   §  
 COUNTY OF DENTON           §

FIRST AMENDMENT TO CONTRACT  
 BY AND BETWEEN THE CITY OF DENTON, TEXAS  
 AND FREEPORT WELDING & FABRICATING, INC.

THIS FIRST AMENDMENT TO CONTRACT 8220 (this “Amendment”) by and between the City of Denton, Texas (“City”) and FREEPORT WELDING & FABRICATING, INC. (“Contractor”) to that certain contract executed on June 27, 2023 in the original not-to-exceed amount of \$ 1,279,570.00 (the “Agreement”); for services related to the **DEC Winterization Tanks**.

WHEREAS, the City deems it necessary to further expand the services provided by Contractor to the City pursuant to the terms of the Agreement, and to provide an additional not-to-exceed amount **\$140,000** with this First Amendment for an aggregate not-to-exceed amount of **\$1,419,570**; and

WHEREAS, this amendment incorporates any previously executed documents between the parties including but not limited to pricing adjustments.

WHEREAS, the City deems it necessary to further expand the goods/services provided by Contractor to the City; and

WHEREAS, the original not-to-exceed amount may not be increased by more than 25.0% as provided in Texas Local Government Code Sec. 252.048; and

NOW THEREFORE, the City and Contractor (hereafter collectively referred to as the “Parties”), in consideration of their mutual promises and covenants, as well as for other good and valuable considerations, do hereby AGREE to the following First Amendment, which amends the following terms and conditions of the said Agreement, to wit:

1. The additional services described in Exhibit “A” of this Amendment, attached hereto and incorporated herein for all purposes, for professional services related to the **Transportation of three (3) – 60,000 Gallon Tanks for the DEC Winterization Project**, are hereby authorized to be performed by Contractor. For and in consideration of the additional services to be performed by Contractor, the City agrees to pay, based on the cost estimate detail attached as Exhibit “A”, a total fee, including reimbursement for non—labor expenses an amount not to exceed \$140,000.
2. This Amendment modifies the Agreement amount to provide an additional \$140,000 for the additional services with a revised aggregate not to exceed total of \$1,419,570.

The Parties hereto agree, that except as specifically provided for by this Amendment, that all of the terms, covenants, conditions, agreements, rights, responsibilities, and obligations of the Parties, set forth in the Agreement remain in full force and effect.

IN WITNESS WHEREOF, the City and the Contractor, have each executed this Amendment, by and through their respective duly authorized representatives and officers on this date\_\_\_\_\_.

Electronic Record and Signature Disclosure		

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #: PUB24-108, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with (CTS) Crown Texas, Inc. dba Crown Texas, Inc., for the purchase of prefabricated substation control buildings for Denton Municipal Electric; providing for the expenditure of funds therefor; and providing an effective date (RFP 8418 - awarded to (CTS) Crown Texas, Inc. dba Crown Texas, Inc., in the three (3) year not-to-exceed amount of \$2,419,785.01).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with (CTS) Crown Texas, Inc. dba Crown Texas, Inc., for the purchase of prefabricated substation control buildings for Denton Municipal Electric; providing for the expenditure of funds therefor; and providing an effective date (RFP 8418 – awarded to (CTS) Crown Texas, Inc. dba Crown Texas, Inc., in the three (3) year not-to-exceed amount of \$2,419,785.01).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

Denton Municipal Electric (DME) has substation projects approved in its five (5) year Capital Improvement Plan (CIP) that will require the purchase of prefabricated control buildings. Control buildings are essential components for substations because they provide physical security and a climate-controlled environment for critical power system protection and control hardware.

A standardized layout for the buildings has been developed that gives the advantages of reducing engineering, providing a predictable space requirement within substations, and allowing an agreement to be structured to purchase similar buildings over time at a lower cost. A pricing method was incorporated that will allow increases or decreases in the lengths of the buildings should adjustments be necessary. Substation control buildings are used to house relay and control panels, Alternating Current (AC) and Direct Current (DC) systems, meters, the Supervisory Control And Data Acquisition (SCADA) system, and communications equipment that are necessary to control and protect substations and power lines. Placing this sensitive equipment in a climate-controlled environment provides the highest probability of reliable performance and provides the best arrangement for the large amount of integration that is necessary.

Buildings will be configured with the same basic equipment which will include AC and DC circuit breaker panels, redundant heating and air conditioning, interior lighting and outlets, emergency interior and exterior egress lighting, and 125V battery systems (batteries and battery chargers).

The buildings are prefabricated at the manufacturer's facility and shipped as completed functional units to the sites. The prices quoted in this RFP include all estimated shipping costs to Denton, Texas. The contract price includes a 10% contingency for steel and other material cost fluctuations and possible design changes. A portion of the costs are recoverable through the Transmission Cost of Services (TCOS) program.

<b>Project Description</b>	<b>Estimated 3-Year Expenditure</b>
Control Building for Underwood Substation	\$1,099,902.28
Control Building for Future Substation	1,099,902.28
10% Contingency	219,980.45
<b>Total</b>	<b>\$2,419,785.01</b>

Request for Proposals was sent to 177 prospective suppliers, including eight (8) Denton firms. In addition, specifications were placed on the Procurement website for prospective suppliers to download and advertised in the local newspaper. Two (2) proposals were received, references were checked, and proposals were evaluated based upon published criteria including delivery, compliance with specifications, probable performance, and price. Best and Final Offers (BAFO) were requested from the top firm. Based upon this evaluation, (CTS) Crown Texas, Inc. dba Crown Texas, Inc. was ranked the highest and determined to be the best value for the City.

### **RECOMMENDATION**

Award a contract with (CTS) Crown Texas, Inc. dba Crown Texas, Inc., for the purchase of prefabricated substation control buildings for Denton Municipal Electric, in a three (3) year not-to-exceed amount of \$2,419,785.01.

### **PRINCIPAL PLACE OF BUSINESS**

(CTS) Crown Texas, Inc. dba Crown Texas, Inc.,  
Garland, TX

### **ESTIMATED SCHEDULE OF PROJECT**

This is a three (3) year contract.

### **FISCAL INFORMATION**

These items will be funded from Capital Improvement Projects, and part of the cost will ultimately be recovered through the Public Utility Commission Transmission Cost of Service Program (TCOS). Requisition #164998 has been entered into the Purchasing software system in the amount of \$1,057,312. The budgeted amount for this item is \$2,419,785.01.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH (CTS) CROWN TEXAS, INC. DBA CROWN TEXAS, INC., FOR THE PURCHASE OF PREFABRICATED SUBSTATION CONTROL BUILDINGS FOR DENTON MUNICIPAL ELECTRIC; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFP 8418 – AWARDED TO (CTS) CROWN TEXAS, INC. DBA CROWN TEXAS, INC., IN THE THREE (3) YEAR NOT-TO-EXCEED AMOUNT OF \$2,419,785.01).

WHEREAS, the City has solicited, received, and evaluated competitive proposals for the purchase of prefabricated substation control buildings for Denton Municipal Electric; and

WHEREAS, the City Manager, or a designated employee, has received, reviewed, and recommended that the herein described proposals are the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the request for proposals; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function; and

WHEREAS, the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The items in the following numbered request for proposal for materials, equipment, supplies, or services shown in the “Request Proposals” on file in the office of the Purchasing Agent, are hereby accepted and approved as being the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the request for proposals.

<u>RFP NUMBER</u>	<u>CONTRACTOR</u>	<u>AMOUNT</u>
8418	(CTS) Crown Texas, Inc. dba Crown Texas, Inc.	\$2,419,785.01

SECTION 2. That by the acceptance and approval of the above numbered items of the submitted proposals, the City accepts the offer of the persons submitting the proposals for such items and agrees to purchase the materials, equipment, supplies, or services in accordance with the terms, specifications, standards, quantities, and for the specified sums contained in the Proposal Invitations, Proposals, and related documents.

**SECTION 3.** That should the City and person submitting approved and accepted items wish to enter into a formal written agreement as a result of the acceptance, approval, and awarding of the proposals, the City Manager, or their designated representative, is hereby authorized to execute the written contract which shall be attached hereto; provided that the written contract is in accordance with the terms, conditions, specifications, standards, quantities, and specified sums contained in the Proposal and related documents herein approved and accepted.

**SECTION 4.** The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

**SECTION 5.** By the acceptance and approval of the above enumerated bids, the City Council hereby authorizes the expenditure of funds therefor in the amount and in accordance with the approved bids.

**SECTION 6.** This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Gerard Hudspeth:	_____	_____	_____	_____

**CONTRACT BY AND BETWEEN  
CITY OF DENTON, TEXAS AND (CTS) CROWN TEXAS, INC. dba CROWN TEXAS  
INC.  
(Contract # 8418)**

**THIS CONTRACT** is made and entered into this date \_\_\_\_\_, by and between (CTS) CROWN TEXAS, INC. dba CROWN TEXAS, INC. a Texas Corporation whose address is 2350 CRIST RD SUITE 1300, GARLAND, TEXAS 75040 hereinafter referred to as "Contractor," and the **CITY OF DENTON, TEXAS**, a home rule municipal corporation, hereinafter referred to as "City," to be effective upon approval of the Denton City Council and subsequent execution of this Contract by the Denton City Manager or his duly authorized designee.

For and in consideration of the covenants and agreements contained herein, and for the mutual benefits to be obtained hereby, the parties agree as follows:

**SCOPE OF SERVICES**

Contractor shall provide products in accordance with the City's RFP #8418 Substation Control Buildings, a copy of which is on file at the office of Purchasing Agent and incorporated herein for all purposes. The Contract consists of this written agreement and the following items which are attached hereto, or on file, and incorporated herein by reference:

- (a) Special Terms and Conditions (**Exhibit "A"**);
- (b) City of Denton's RFP 8418 (**Exhibit "B" on file at the office of the Purchasing Agent**);
- (c) City of Denton Standard Terms and Conditions (**Exhibit "C"**);
- (d) Certificate of Interested Parties Electronic Filing (**Exhibit "D"**);
- (e) Contractor's Proposal (**Exhibit "E"**);
- (f) Form CIQ – Conflict of Interest Questionnaire (**Exhibit "F"**)

These documents make up the Contract documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the Contract documents, the inconsistency or conflict shall be resolved by giving precedence first to the written agreement then to the contract documents in the order in which they are listed above. These documents shall be referred to collectively as "Contract Documents."

**Prohibition on Contracts with Companies Boycotting Israel**

Contractor acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**Prohibition on Contracts with Companies Boycotting Certain Energy Companies**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains

written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms “boycott energy company” and “company” shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization**

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies**

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

The parties agree to transact business electronically. Any statutory requirements that certain terms be in writing will be satisfied using electronic documents and signing. Electronic signing of this document will be deemed an original for all legal purposes.

IN WITNESS WHEREOF, the parties of these presents have executed this agreement in the year and day first above written.

## **Exhibit A**

### **Special Terms and Conditions**

#### **1. The Quantities**

The quantities indicated on Exhibit E are estimates based upon the best available information. The City reserves the right to increase or decrease the quantities to meet its actual needs without any adjustments in the bid price. Individual purchase orders will be issued on an as needed basis.

#### **2. Product Changes During Contract Term**

The Contractor shall not change specifications during the contract term without prior approval. Any deviation in the specifications or change in the product must be approved in advance by the City of Denton. Notice of a change shall be submitted in writing to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com), with the above file number in the subject line, for review. Products found to have changed specifications without notification, and acceptance, will be returned at the contractor's expense. Products that have been installed will be replaced at the contractor's expense.

#### **3. Authorized Distributor**

The Contractor shall be the manufacturer or authorized distributor of the proposed products. The distributor shall be authorized to sell to the City of Denton, and make available the manufacturer's representative as needed by the City.

#### **4. Contract Terms**

The contract term will be three (3) years, effective from date of award or notice to proceed as determined by the City of Denton Purchasing Department. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months.

by the City of Denton Purchasing Department. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months.

#### **5. Price Escalation and De-escalation**

On Contractor's request in the form stated herein, the City will implement an escalation/de-escalation price adjustment annually based on these special terms. Any request for price adjustment must be based on the, U.S Department of Labor, Bureau of Labor Statistics, Producer Price Index (PPI) or the manufacturer published pricing list. The maximum escalation will not exceed +/- 8% for any individual year. The escalation will be determined annually at the renewal date. The price will be increased or decreased based upon the annual percentage change in the PPI or the percentage change in the manufacturer's price list. Should the PPI or manufacturer price list change exceed a minimum threshold value of +/-1%, then the stated eligible bid prices shall be adjusted in accordance with the percent change not to exceed the 8% limit per year. The Contractor should provide documentation as percentage of each cost associated with the unit prices quoted for consideration.

Request must be submitted in writing with supporting evidence for need of such increase to the Purchasing Manager at least 60 days prior to contract expiration of each year. Respondent must also provide supporting documentation as justification for the request. If no request is made, then it will be assumed that the current contract price will be in effect.

Upon receipt of such request, the City of Denton reserves the right to either: accept the escalation as competitive with the general market price at the time, and become effective upon the renewal date of the contract award or reject the increases within 30 calendar days after receipt of a properly submitted request. If a properly submitted increase is rejected, the Contractor may request cancellation of such items from the Contract by giving the City of Denton written notice. Cancellation will not go into effect for 15 calendar days after a determination has been issued. Pre-price increase prices must be honored on orders dated up to the official date of the City of Denton approval and/or cancellation.

The request can be sent by e-mail to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) noting the solicitation number.

The City of Denton reserves the right to accept, reject, or negotiate the proposed price changes.

#### **6. Total Contract Amount**

The contract total shall not exceed \$2,419,785.01. Pricing shall be per Exhibit E attached.

#### **7. Delivery Lead Time**

Product or services shall be delivered to the City per the days/weeks noted in Exhibit E after receipt of the order.

**Exhibit C**  
**City of Denton**  
**Standard Purchase Terms and Conditions**

These standard Terms and Conditions and the Terms and Conditions, Specifications, Drawings and other requirements included in the City of Denton's contract are applicable to contracts/purchase orders issued by the City of Denton hereinafter referred to as the City or Buyer and the Seller or respondent herein after referred to as Contractor or Supplier. Any deviations must be in writing and signed by a representative of the City's Procurement Department and the Supplier. No Terms and Conditions contained in the seller's proposal response, invoice or statement shall serve to modify the terms set forth herein. If there is a conflict between the provisions on the face of the contract/purchase order these written provisions will take precedence.

The Contractor agrees that the contract shall be governed by the following terms and conditions, unless exceptions are duly noted and fully negotiated. Unless otherwise specified in the contract, Sections 3, 4, 5, 6, 7, 8, 20, 21, and 36 shall apply only to a solicitation to purchase goods, and sections 9, 10, 11, 22 and 32 shall apply only to a solicitation to purchase services to be performed principally at the City's premises or on public rights-of-way.

1. **CONTRACTOR'S OBLIGATIONS.** The Contractor shall fully and timely provide all deliverables described in the Solicitation and in the Contractor's Offer in strict accordance with the terms, covenants, and conditions of the Contract and all applicable Federal, State, and local laws, rules, and regulations.

2. **EFFECTIVE DATE/TERM.** Unless otherwise specified in the Solicitation, this Contract shall be effective as of the date the contract is signed by the City, and shall continue in effect until all obligations are performed in accordance with the Contract.

3. **CONTRACTOR TO PACKAGE DELIVERABLES:** The Contractor will package deliverables in accordance with good commercial practice and shall include a packing list showing the description of each item, the quantity and unit price unless otherwise provided in the Specifications or Supplemental Terms and Conditions, each shipping container shall be clearly and permanently marked as follows: (a) The Contractor's name and address, (b) the City's name, address and purchase order or purchase release number and the price agreement number if applicable, (c) Container number and total number of containers, e.g. box 1 of 4 boxes, and (d) the number of the container bearing the packing list. The Contractor shall bear cost of packaging. Deliverables shall be suitably packed to secure lowest transportation costs and to conform to all the requirements of common carriers and any applicable specification. The City's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

4. **SHIPMENT UNDER RESERVATION PROHIBITED:** The Contractor is not authorized to ship the deliverables under reservation and no tender of a bill of lading will operate as a tender of deliverables.

5. **TITLE & RISK OF LOSS:** Title to and risk of loss of the deliverables shall pass to the City only when the City actually receives and accepts the deliverables.

**6. DELIVERY TERMS AND TRANSPORTATION CHARGES:** Deliverables shall be shipped F.O.B. point of delivery unless otherwise specified in the Supplemental Terms and Conditions. Unless otherwise stated in the Offer, the Contractor's price shall be deemed to include all delivery and transportation charges. The City shall have the right to designate what method of transportation shall be used to ship the deliverables. The place of delivery shall be that set forth the purchase order.

**7. RIGHT OF INSPECTION AND REJECTION:** The City expressly reserves all rights under law, including, but not limited to the Uniform Commercial Code, to inspect the deliverables at delivery before accepting them, and to reject defective or non-conforming deliverables. If the City has the right to inspect the Contractor's, or the Contractor's Subcontractor's, facilities, or the deliverables at the Contractor's, or the Contractor's Subcontractor's, premises, the Contractor shall furnish, or cause to be furnished, without additional charge, all reasonable facilities and assistance to the City to facilitate such inspection.

**8. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender or delivery of deliverables must fully comply with all provisions of the Contract as to time of delivery, quality, and quantity. Any non-complying tender shall constitute a breach and the Contractor shall not have the right to substitute a conforming tender; provided, where the time for performance has not yet expired, the Contractor may notify the City of the intention to cure and may then make a conforming tender within the time allotted in the contract.

**9. PLACE AND CONDITION OF WORK:** The City shall provide the Contractor access to the sites where the Contractor is to perform the services as required in order for the Contractor to perform the services in a timely and efficient manner, in accordance with and subject to the applicable security laws, rules, and regulations. The Contractor acknowledges that it has satisfied itself as to the nature of the City's service requirements and specifications, the location and essential characteristics of the work sites, the quality and quantity of materials, equipment, labor and facilities necessary to perform the services, and any other condition or state of fact which could in any way affect performance of the Contractor's obligations under the contract. The Contractor hereby releases and holds the City harmless from and against any liability or claim for damages of any kind or nature if the actual site or service conditions differ from expected conditions.

The contractor shall, at all times, exercise reasonable precautions for the safety of their employees, City Staff, participants and others on or near the City's facilities.

## **10. WORKFORCE**

A. The Contractor shall employ only orderly and competent workers, skilled in the performance of the services which they will perform under the Contract.

B. The Contractor, its employees, subcontractors, and subcontractor's employees may not while engaged in participating or responding to a solicitation or while in the course and scope of delivering goods or services under a City of Denton contract or on the City's property .

i. use or possess a firearm, including a concealed handgun that is licensed under state law, except as required by the terms of the contract; or

ii. use or possess alcoholic or other intoxicating beverages, illegal drugs or controlled substances, nor may such workers be intoxicated, or under the influence of alcohol or drugs, on the job.

C. If the City or the City's representative notifies the Contractor that any worker is incompetent, disorderly or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms, or has possessed or was under the influence of alcohol or drugs on the job, the Contractor shall immediately remove such worker from Contract services, and may not employ such worker again on Contract services without the City's prior written consent.

**Immigration:** The Contractor represents and warrants that it shall comply with the requirements of the Immigration Reform and Control Act of 1986 and 1990 regarding employment verification and retention of verification forms for any individuals hired on or after November 6, 1986, who will perform any labor or services under the Contract and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 ("IIRIRA) enacted on September 30, 1996.

**11. COMPLIANCE WITH HEALTH, SAFETY, AND ENVIRONMENTAL REGULATIONS:** The Contractor, its Subcontractors, and their respective employees, shall comply fully with all applicable federal, state, and local health, safety, and environmental laws, ordinances, rules and regulations in the performance of the services, including but not limited to those promulgated by the City and by the Occupational Safety and Health Administration (OSHA). In case of conflict, the most stringent safety requirement shall govern. The Contractor shall indemnify and hold the City harmless from and against all claims, demands, suits, actions, judgments, fines, penalties and liability of every kind arising from the breach of the Contractor's obligations under this paragraph.

**Environmental Protection:** The Respondent shall be in compliance with all applicable standards, orders, or regulations issued pursuant to the mandates of the Clean Air Act (42 U.S.C. §7401 *et seq.*) and the Federal Water Pollution Control Act, as amended, (33 U.S.C. §1251 *et seq.*).

## **12. INVOICES:**

A. The Contractor shall submit separate invoices in duplicate on each purchase order or purchase release after each delivery. If partial shipments or deliveries are authorized by the City, a separate invoice must be sent for each shipment or delivery made.

**B. Proper Invoices must include a unique invoice number, the purchase order or delivery order number and the master agreement number if applicable, the Department's Name, and the name of the point of contact for the Department.** Invoices shall be itemized and transportation charges, if any, shall be listed separately. A copy of the bill of lading and the freight waybill, when applicable, shall be attached to the invoice. The Contractor's name, remittance address and, if applicable, the tax identification number on the invoice must exactly match the information in the Vendor's registration with the City. Unless otherwise instructed in writing, the City may rely on the remittance address specified on the Contractor's invoice.

C. Invoices for labor shall include a copy of all time-sheets with trade labor rate and deliverables order number clearly identified. Invoices shall also include a tabulation of work-hours at the appropriate rates and grouped by work order number. Time billed for labor shall be limited to hours actually worked at the work site.

D. Unless otherwise expressly authorized in the Contract, the Contractor shall pass through all Subcontract and other authorized expenses at actual cost without markup.

E. Federal excise taxes, State taxes, or City sales taxes must not be included in the invoiced amount.

The City will furnish a tax exemption certificate upon request.

**13. PAYMENT:**

A. All proper invoices need to be sent to Accounts Payable. Approved invoices will be paid within thirty (30) calendar days of the City's receipt of the deliverables or of the invoice being received in Accounts Payable, whichever is later.

**B. If payment is not timely made, (per paragraph A); interest shall accrue on the unpaid balance at the lesser of the rate specified in Texas Government Code Section 2251.025 or the maximum lawful rate; except, if payment is not timely made for a reason for which the City may withhold payment hereunder, interest shall not accrue until ten (10) calendar days after the grounds for withholding payment have been resolved.**

C. If partial shipments or deliveries are authorized by the City, the Contractor will be paid for the partial shipment or delivery, as stated above, provided that the invoice matches the shipment or delivery.

D. The City may withhold or set off the entire payment or part of any payment otherwise due the Contractor to such extent as may be necessary on account of:

- i. delivery of defective or non-conforming deliverables by the Contractor;
- ii. third party claims, which are not covered by the insurance which the Contractor is required to provide, are filed or reasonable evidence indicating probable filing of such claims;
- iii. failure of the Contractor to pay Subcontractors, or for labor, materials or equipment;
- iv. damage to the property of the City or the City's agents, employees or contractors, which is not covered by insurance required to be provided by the Contractor;
- v. reasonable evidence that the Contractor's obligations will not be completed within the time specified in the Contract, and that the unpaid balance would not be adequate to cover actual or damages for the anticipated delay;
- vi. failure of the Contractor to submit proper invoices with purchase order number, with all required attachments and supporting documentation; or
- vii. failure of the Contractor to comply with any material provision of the Contract Documents.

E. Notice is hereby given that any awarded firm who is in arrears to the City of Denton for delinquent taxes, the City may offset indebtedness owed the City through payment withholding.

F. Payment will be made by check unless the parties mutually agree to payment by credit card or electronic transfer of funds. The Contractor agrees that there shall be no additional charges, surcharges, or penalties to the City for payments made by credit card or electronic funds transfer.

G. The awarding or continuation of this contract is dependent upon the availability of funding. The City's payment obligations are payable only and solely from funds Appropriated and available for this contract. The absence of Appropriated or other lawfully available funds shall render the Contract null and void to the extent funds are not Appropriated or available and any deliverables delivered but unpaid shall be returned to the Contractor. The City shall provide the Contractor written notice of the failure of the City to make an adequate Appropriation for any fiscal year to pay the amounts due under the Contract, or the reduction of any Appropriation to an amount insufficient to permit the City to pay its obligations under the Contract. In the event of none or inadequate appropriation of funds, there will be no penalty nor removal fees charged to the City.

**14. TRAVEL EXPENSES:** All travel, lodging and per diem expenses in connection with the Contract shall be paid by the Contractor, unless otherwise stated in the contract terms. During the term of this contract, the contractor shall bill and the City shall reimburse contractor for all reasonable and approved out of pocket expenses which are incurred in the connection with the performance of duties hereunder. Notwithstanding the foregoing, expenses for the time spent by Contractor 8418

the contractor in traveling to and from City facilities shall not be reimbursed, unless otherwise negotiated.

**15. FINAL PAYMENT AND CLOSE-OUT:**

A. If a DBE/MBE/WBE Program Plan is agreed to and the Contractor has identified Subcontractors, the Contractor is required to submit a Contract Close-Out MBE/WBE Compliance Report to the Purchasing Manager no later than the 15th calendar day after completion of all work under the contract. Final payment, retainage, or both may be withheld if the Contractor is not in compliance with the requirements as accepted by the City.

B. The making and acceptance of final payment will constitute:

i. a waiver of all claims by the City against the Contractor, except claims (1) which have been previously asserted in writing and not yet settled, (2) arising from defective work appearing after final inspection, (3) arising from failure of the Contractor to comply with the Contract or the terms of any warranty specified herein, (4) arising from the Contractor's continuing obligations under the Contract, including but not limited to indemnity and warranty obligations, or (5) arising under the City's right to audit; and ii. a waiver of all claims by the Contractor against the City other than those previously asserted in writing and not yet settled.

**16. SPECIAL TOOLS & TEST EQUIPMENT:** If the price stated on the Offer includes the cost of any special tooling or special test equipment fabricated or required by the Contractor for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of the City and shall be identified by the Contractor as such.

**17. RIGHT TO AUDIT:**

A. The City shall have the right to audit and make copies of the books, records and computations pertaining to the Contract. The Contractor shall retain such books, records, documents and other evidence pertaining to the Contract period and five years thereafter, except if an audit is in progress or audit findings are yet unresolved, in which case records shall be kept until all audit tasks are completed and resolved. These books, records, documents and other evidence shall be available, within ten (10) business days of written request. Further, the Contractor shall also require all Subcontractors, material suppliers, and other payees to retain all books, records, documents and other evidence pertaining to the Contract, and to allow the City similar access to those documents. All books and records will be made available within a 50 mile radius of the City of Denton. The cost of the audit will be borne by the City unless the audit reveals an overpayment of 1% or greater. If an overpayment of 1% or greater occurs, the reasonable cost of the audit, including any travel costs, must be borne by the Contractor which must be payable within five (5) business days of receipt of an invoice.

B. Failure to comply with the provisions of this section shall be a material breach of the Contract and shall constitute, in the City's sole discretion, grounds for termination thereof. Each of the terms "books", "records", "documents" and "other evidence", as used above, shall be construed to include drafts and electronic files, even if such drafts or electronic files are subsequently used to generate or prepare a final printed document.

**18. SUBCONTRACTORS:**

A. If the Contractor identified Subcontractors in a DBE/MBE/WBE agreed to Plan, the Contractor shall comply with all requirements approved by the City. The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in

Contract 8418

writing. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Procurement Manager, no later than the tenth calendar day of each month.

B. Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the

Contract, and shall contain provisions that:

- i. require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract;
- ii. prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;
- iii. require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;
- iv. require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and
- v. require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

C. The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

D. The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

#### **19. WARRANTY-PRICE:**

A. The Contractor warrants the prices quoted in the Offer are no higher than the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

B. The Contractor certifies that the prices in the Offer have been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such fees with any other firm or with any competitor.

C. In addition to any other remedy available, the City may deduct from any amounts owed to the Contractor, or otherwise recover, any amounts paid for items in excess of the Contractor's current prices on orders by others for like deliverables under similar terms of purchase.

**20. WARRANTY – TITLE:** The Contractor warrants that it has good and indefeasible title to all deliverables furnished under the Contract, and that the deliverables are free and clear of all liens, claims, security interests and encumbrances. The Contractor shall indemnify and hold the City harmless from and against all adverse title claims to the deliverables.

**21. WARRANTY – DELIVERABLES:** The Contractor warrants and represents that all deliverables sold the City under the Contract shall be free from defects in design, workmanship or manufacture, and conform in all material respects to the specifications, drawings, and descriptions in the Solicitation, to any samples furnished by the Contractor, to the terms, covenants and conditions of the Contract, and to all applicable State, Federal or local laws, rules, and regulations, and industry codes and standards. Unless otherwise stated in the Solicitation, the deliverables shall be new or recycled merchandise, and not used or reconditioned.

A. Recycled deliverables shall be clearly identified as such.

B. The Contractor may not limit, exclude or disclaim the foregoing warranty or any warranty implied by law; and any attempt to do so shall be without force or effect.

C. Unless otherwise specified in the Contract, the warranty period shall be at least one year from the date of acceptance of the deliverables or from the date of acceptance of any replacement deliverables. If during the warranty period, one or more of the above warranties are breached, the Contractor shall promptly upon receipt of demand either repair the non-conforming deliverables, or replace the non-conforming deliverables with fully conforming deliverables, at the City's option and at no additional cost to the City. All costs incidental to such repair or replacement, including but not limited to, any packaging and shipping costs shall be borne exclusively by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this section.

D. If the Contractor is unable or unwilling to repair or replace defective or non-conforming deliverables as required by the City, then in addition to any other available remedy, the City may reduce the quantity of deliverables it may be required to purchase under the Contract from the Contractor, and purchase conforming deliverables from other sources. In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such deliverables from another source.

E. If the Contractor is not the manufacturer, and the deliverables are covered by a separate manufacturer's warranty, the Contractor shall transfer and assign such manufacturer's warranty to the City. If for any reason the manufacturer's warranty cannot be fully transferred to the City, the Contractor shall assist and cooperate with the City to the fullest extent to enforce such manufacturer's warranty for the benefit of the City.

**22. WARRANTY – SERVICES:** The Contractor warrants and represents that all services to be provided the City under the Contract will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Contract, and all applicable Federal, State and local laws, rules or regulations.

A. The Contractor may not limit, exclude or disclaim the foregoing warranty or any warranty implied by law, and any attempt to do so shall be without force or effect.

B. Unless otherwise specified in the Contract, the warranty period shall be at least one year from the Acceptance Date. If during the warranty period, one or more of the above warranties are breached, the Contractor shall promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to the City. All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach warranty, but failure to give timely notice shall not impair the City's rights under this section.

C. If the Contractor is unable or unwilling to perform its services in accordance with the above Contract 8418

standard as required by the City, then in addition to any other available remedy, the City may reduce the amount of services it may be required to purchase under the Contract from the Contractor, and purchase conforming services from other sources. In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such services from another source.

**23. ACCEPTANCE OF INCOMPLETE OR NON-CONFORMING DELIVERABLES:** If, instead of requiring immediate correction or removal and replacement of defective or non-conforming deliverables, the City prefers to accept it, the City may do so. The Contractor shall pay all claims, costs, losses and damages attributable to the City's evaluation of and determination to accept such defective or non-conforming deliverables. If any such acceptance occurs prior to final payment, the City may deduct such amounts as are necessary to compensate the City for the diminished value of the defective or non-conforming deliverables. If the acceptance occurs after final payment, such amount will be refunded to the City by the Contractor.

**24. RIGHT TO ASSURANCE:** Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. In the event that no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

**25. STOP WORK NOTICE:** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

**26. DEFAULT:** The Contractor shall be in default under the Contract if the Contractor (a) fails to fully, timely and faithfully perform any of its material obligations under the Contract, (b) fails to provide adequate assurance of performance under Paragraph 24, (c) becomes insolvent or seeks relief under the bankruptcy laws of the United States or (d) makes a material misrepresentation in Contractor's Offer, or in any report or deliverable required to be submitted by the Contractor to the City.

**27. TERMINATION FOR CAUSE:** In the event of a default by the Contractor, the City shall have the right to terminate the Contract for cause, by written notice effective ten (10) calendar days, unless otherwise specified, after the date of such notice, unless the Contractor, within such ten (10) day period, cures such default, or provides evidence sufficient to prove to the City's reasonable satisfaction that such default does not, in fact, exist. In addition to any other remedy available under law or in equity, the City shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the City as a result of the Contractor's default, including, without limitation, cost of cover, reasonable attorneys' fees, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. Additionally, in the event of a default by the Contractor, the City may remove the Contractor from the City's vendor list for three (3) years and any Offer submitted by the Contractor may be disqualified for up to three (3) years. All rights and remedies under the Contract are cumulative and are not exclusive of any other right or remedy provided by law.

**28. TERMINATION WITHOUT CAUSE:** The City shall have the right to terminate the Contract, in whole or in part, without cause any time upon thirty (30) calendar days' prior written notice. Upon receipt of a notice of termination, the Contractor shall promptly cease all further work pursuant to the Contract, with such exceptions, if any, specified in the notice of termination. The City shall pay the Contractor, to the extent of funds Appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof.

**29. FRAUD:** Fraudulent statements by the Contractor on any Offer or in any report or deliverable required to be submitted by the Contractor to the City shall be grounds for the termination of the Contract for cause by the City and may result in legal action.

**30. DELAYS:**

A. The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution process specified in paragraph 49. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

B. Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

**31. INDEMNITY:**

**A. Definitions:**

i. "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for: (1) damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or (2) death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties), ii. "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct or a breach of any legally imposed strict liability standard.

**B. THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS,**

Contract 8418

**EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.**

**32. INSURANCE:** The following insurance requirements are applicable, in addition to the specific insurance requirements detailed in **Appendix A** for services only. The successful firm shall procure and maintain insurance of the types and in the minimum amounts acceptable to the City of Denton. The insurance shall be written by a company licensed to do business in the State of Texas and satisfactory to the City of Denton.

**A. General Requirements:**

- i. The Contractor shall at a minimum carry insurance in the types and amounts indicated and agreed to, as submitted to the City and approved by the City within the procurement process, for the duration of the Contract, including extension options and hold over periods, and during any warranty period.
- ii. The Contractor shall provide Certificates of Insurance with the coverage's and endorsements required to the City as verification of coverage prior to contract execution and within fourteen (14) calendar days after written request from the City. Failure to provide the required Certificate of Insurance may subject the Offer to disqualification from consideration for award. The Contractor must also forward a Certificate of Insurance to the City whenever a previously identified policy period has expired, or an extension option or hold over period is exercised, as verification of continuing coverage.
- iii. The Contractor shall not commence work until the required insurance is obtained and until such insurance has been reviewed by the City. Approval of insurance by the City shall not relieve or decrease the liability of the Contractor hereunder and shall not be construed to be a limitation of liability on the part of the Contractor.
- iv. The Contractor must submit certificates of insurance to the City for all subcontractors prior to the subcontractors commencing work on the project.
- v. The Contractor's and all subcontractors' insurance coverage shall be written by companies licensed to do business in the State of Texas at the time the policies are issued and shall be written by companies with A.M. Best ratings of **A- VII or better**. The City will accept workers' compensation coverage written by the Texas Workers' Compensation Insurance Fund.
- vi. All endorsements naming the City as additional insured, waivers, and notices of cancellation endorsements as well as the Certificate of Insurance shall contain the solicitation number and the following information:  
City of Denton  
Materials Management Department  
901B Texas Street  
Denton, Texas 76209
- vii. The "other" insurance clause shall not apply to the City where the City is an additional insured shown on any policy. It is intended that policies required in the Contract, covering both the City and the Contractor, shall be considered primary coverage as applicable.

- viii. If insurance policies are not written for amounts agreed to with the City, the Contractor shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it shall follow the form of the primary coverage.
- ix. The City shall be entitled, upon request, at an agreed upon location, and without expense, to review certified copies of policies and endorsements thereto and may make any reasonable requests for deletion or revision or modification of particular policy terms, conditions, limitations, or exclusions except where policy provisions are established by law or regulations binding upon either of the parties hereto or the underwriter on any such policies.
- x. The City reserves the right to review the insurance requirements set forth during the effective period of the Contract and to make reasonable adjustments to insurance coverage, limits, and exclusions when deemed necessary and prudent by the City based upon changes in statutory law, court decisions, the claims history of the industry or financial condition of the insurance company as well as the Contractor.
- xi. The Contractor shall not cause any insurance to be canceled nor permit any insurance to lapse during the term of the Contract or as required in the Contract.
- xii. The Contractor shall be responsible for premiums, deductibles and self-insured retentions, if any, stated in policies. All deductibles or self-insured retentions shall be disclosed on the Certificate of Insurance.
- xiii. The Contractor shall endeavor to provide the City thirty (30) calendar days' written notice of erosion of the aggregate limits below occurrence limits for all applicable coverage's indicated within the Contract.
- xiv. The insurance coverage's specified in within the solicitation and requirements are required minimums and are not intended to limit the responsibility or liability of the Contractor.

B. Specific Coverage Requirements: Specific insurance requirements are contained in the solicitation instrument.

33. **CLAIMS:** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse effect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Denton City Attorney. Personal delivery to the City Attorney shall be to City Hall, 215 East McKinney Street, Denton, Texas 76201.

34. **NOTICES:** Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Contract shall be in writing and shall be deemed delivered three (3) business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, telefax, or other commercially accepted means. Notices to the Contractor shall be sent to the address specified in the Contractor's Offer, or at such other address as a party may notify the other in writing. Notices to the City shall be addressed to the City at 901B Texas Street, Denton, Texas 76209 and marked to the attention of the Purchasing Manager.

**35. RIGHTS TO BID, PROPOSAL AND CONTRACTUAL MATERIAL:** All material submitted by the Contractor to the City shall become property of the City upon receipt. Any portions of such material claimed by the Contractor to be proprietary must be clearly marked as such. Determination of the public nature of the material is subject to the Texas Public Information Act, Chapter 552, and Texas Government Code.

**36. NO WARRANTY BY CITY AGAINST INFRINGEMENTS:** The Contractor represents and warrants to the City that: (i) the Contractor shall provide the City good and indefeasible title to the deliverables and (ii) the deliverables supplied by the Contractor in accordance with the specifications in the Contract will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party; that no claims have been made by any person or entity with respect to the ownership or operation of the deliverables and the Contractor does not know of any valid basis for any such claims. The Contractor shall, at its sole expense, defend, indemnify, and hold the City harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that the City's exercise anywhere in the world of the rights associated with the City's ownership, and if applicable, license rights, and its use of the deliverables infringes the intellectual property rights of any third party; or (ii) the Contractor's breach of any of Contractor's representations or warranties stated in this Contract. In the event of any such claim, the City shall have the right to monitor such claim or at its option engage its own separate counsel to act as co-counsel on the City's behalf. Further, Contractor agrees that the City's specifications regarding the deliverables shall in no way diminish Contractor's warranties or obligations under this paragraph and the City makes no warranty that the production, development, or delivery of such deliverables will not impact such warranties of Contractor.

**37. CONFIDENTIALITY:** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

**38. OWNERSHIP AND USE OF DELIVERABLES:** The City shall own all rights, titles, and interests throughout the world in and to the deliverables.

A. Patents. As to any patentable subject matter contained in the deliverables, the Contractor agrees

Contract 8418

to disclose such patentable subject matter to the City. Further, if requested by the City, the Contractor agrees to assign and, if necessary, cause each of its employees to assign the entire right, title, and interest to specific inventions under such patentable subject matter to the City and to execute, acknowledge, and deliver and, if necessary, cause each of its employees to execute, acknowledge, and deliver an assignment of letters patent, in a form to be reasonably approved by the City, to the City upon request by the City.

B. Copyrights. As to any deliverables containing copyrightable subject matter, the Contractor agrees that upon their creation, such deliverables shall be considered as work made-for-hire by the Contractor for the City and the City shall own all copyrights in and to such deliverables, provided however, that nothing in this Paragraph 38 shall negate the City's sole or joint ownership of any such deliverables arising by virtue of the City's sole or joint authorship of such deliverables. Should by operation of law, such deliverables not be considered works made-for-hire, the Contractor hereby assigns to the City (and agrees to cause each of its employees providing services to the City hereunder to execute, acknowledge, and deliver an assignment to the City of) all worldwide right, title, and interest in and to such deliverables. With respect to such work made-for-hire, the Contractor agrees to execute, acknowledge, and deliver and cause each of its employees providing services to the City hereunder to execute, acknowledge, and deliver a work-made-for-hire agreement, in a form to be reasonably approved by the City, to the City upon delivery of such deliverables to the City or at such other time as the City may request.

C. Additional Assignments. The Contractor further agrees to, and if applicable, cause each of its employees to, execute, acknowledge, and deliver all applications, specifications, oaths, assignments, and all other instruments which the City might reasonably deem necessary in order to apply for and obtain copyright protection, mask work registration, trademark registration and/or protection, letters patent, or any similar rights in any and all countries and in order to assign and convey to the City, its successors, assigns and nominees, the sole and exclusive right, title, and interest in and to the deliverables. The Contractor's obligations to execute, acknowledge, and deliver (or cause to be executed, acknowledged, and delivered) instruments or papers such as those described in this Paragraph 38 a., b., and c. shall continue after the termination of this Contract with respect to such deliverables. In the event the City should not seek to obtain copyright protection, mask work registration or patent protection for any of the deliverables, but should desire to keep the same secret, the Contractor agrees to treat the same as Confidential Information under the terms of Paragraph 37 above.

**39. PUBLICATIONS:** All published material and written reports submitted under the Contract must be originally developed material unless otherwise specifically provided in the Contract. When material not originally developed is included in a report in any form, the source shall be identified.

**40. ADVERTISING:** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

**41. NO CONTINGENT FEES:** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission,

percentage, brokerage or contingent fee.

**42. GRATUITIES:** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City of Denton with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

**43. PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS:** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation as defined in the City's Ethic Ordinance 18-757 and in the City Charter chapter 2 article XI(Ethics). Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City. The Contractor shall complete and submit the City's Conflict of Interest Questionnaire.

**44. INDEPENDENT CONTRACTOR:** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City of Denton, Texas for the purposes of income tax, withholding, social security taxes, vacation or sick leave benefits, worker's compensation, or any other City employee benefit. The City shall not have supervision and control of the Contractor or any employee of the Contractor, and it is expressly understood that Contractor shall perform the services hereunder according to the attached specifications at the general direction of the City Manager of the City of Denton, Texas, or his designee under this agreement. The contractor is expressly free to advertise and perform services for other parties while performing services for the City.

**45. ASSIGNMENT-DELEGATION:** The Contract shall be binding upon and ensure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there are no third party beneficiaries to the Contract.

The Vendor shall notify the City's Purchasing Manager, in writing, of a company name, ownership, or address change for the purpose of maintaining updated City records. The president of the company or authorized official must sign the letter. A letter indicating changes in a company name or ownership must be accompanied with supporting legal documentation such as an updated W-9, documents filed with the state indicating such change, copy of the board of director's resolution approving the action, or an executed

merger or acquisition agreement. Failure to do so may adversely impact future invoice payments.

**46. WAIVER:** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

**47. MODIFICATIONS:** The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

**48. INTERPRETATION:** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

**49. DISPUTE RESOLUTION:**

A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option; the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Denton County Alternative Dispute Resolution Program (DCAP). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of

participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

**50. JURISDICTION AND VENUE:** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Denton County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

**51. INVALIDITY:** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

**52. HOLIDAYS:** The following holidays are observed by the City:

New Year's Day (observed)
Martin Luther King, Jr. Day
Memorial Day
Juneteenth
Independence Day
Labor Day
Veterans Day
Thanksgiving
Friday After Thanksgiving
Christmas Eve (observed)
Christmas Day (observed)

If a Legal Holiday falls on Saturday, it will be observed on the preceding Friday. If a Legal Holiday falls on Sunday, it will be observed on the following Monday. Normal hours of operation shall be between 8:00 am and 4:00 pm, Monday through Friday, excluding City of Denton Holidays. Any scheduled deliveries or work performance not within the normal hours of operation **must be approved** by the City Manager of Denton, Texas or his authorized designee.

**53. SURVIVABILITY OF OBLIGATIONS:** All provisions of the Contract that impose continuing obligations on the parties, including but not limited to the warranty, indemnity, and confidentiality obligations of the parties, shall survive the expiration or termination of the Contract.

**54. NON-SUSPENSION OR DEBARMENT CERTIFICATION:**

The City of Denton is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, Contract 8418

or City of Denton Contracts. By accepting a Contract with the City, the Vendor certifies that its firm and its principals are not currently suspended or debarred from doing business with the Federal Government, as indicated by the General Services Administration List of Parties Excluded from Federal Procurement and Non-Procurement Programs, the State of Texas, or the City of Denton.

## **55. EQUAL OPPORTUNITY**

**A. Equal Employment Opportunity:** No Offeror, or Offeror's agent, shall engage in any discriminatory employment practice. No person shall, on the grounds of race, sex, sexual orientation, age, disability, creed, color, genetic testing, or national origin, be refused the benefits of, or be otherwise subjected to discrimination under any activities resulting from this RFQ.

**B. Americans with Disabilities Act (ADA) Compliance:** No Offeror, or Offeror's agent, shall engage in any discriminatory employment practice against individuals with disabilities as defined in the ADA.

## **56. BUY AMERICAN ACT-SUPPLIES (Applicable to certain federally funded requirements)**

The following federally funded requirements are applicable. A. Definitions. As used in this paragraph –

i. "Component" means an article, material, or supply incorporated directly into an end product.

ii. "Cost of components" means -

(1) For components purchased by the Contractor, the acquisition cost, including transportation costs to the place of incorporation into the end product (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or  
(2) For components manufactured by the Contractor, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (1) of this definition, plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the end product.

iii. "Domestic end product" means-

(1) An unmanufactured end product mined or produced in the United States; or

(2) An end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of foreign origin of the same class or kind as those that the agency determines are not mined, produced, or manufactured in sufficient and reasonably available commercial quantities of a satisfactory quality are treated as domestic. Scrap generated, collected, and prepared for processing in the United States is considered domestic.

iv. "End product" means those articles, materials, and supplies to be acquired under the contract for public use.

v. "Foreign end product" means an end product other than a domestic end product.

vi. "United States" means the 50 States, the District of Columbia, and outlying areas.

**B.** The Buy American Act (41 U.S.C. 10a - 10d) provides a preference for domestic end products for supplies acquired for use in the United States.

**C.** The City does not maintain a list of foreign articles that will be treated as domestic for this Contract; but will consider for approval foreign articles as domestic for this product if the articles are on a list approved by another Governmental Agency. The Offeror shall submit documentation with their Offer demonstrating that the article is on an approved Governmental list.

**D.** The Contractor shall deliver only domestic end products except to the extent that it specified delivery of foreign end products in the provision of the Solicitation entitled "Buy American Act Contract 8418

Certificate".

**57. RIGHT TO INFORMATION:** The City of Denton reserves the right to use any and all information presented in any response to this contract, whether amended or not, except as prohibited by law. Selection of rejection of the submittal does not affect this right.

**58. LICENSE FEES OR TAXES:** Provided the solicitation requires an awarded contractor or supplier to be licensed by the State of Texas, any and all fees and taxes are the responsibility of the respondent.

**59. PREVAILING WAGE RATES:** The contractor shall comply with prevailing wage rates as defined by the United States Department of Labor Davis-Bacon Wage Determination at <http://www.dol.gov/whd/contracts/dbra.htm> and at the Wage Determinations website [www.wdol.gov](http://www.wdol.gov) for Denton County, Texas (WD-2509).

**60. COMPLIANCE WITH ALL STATE, FEDERAL, AND LOCAL LAWS:** The contractor or supplier shall comply with all State, Federal, and Local laws and requirements. The Respondent must comply with all applicable laws at all times, including, without limitation, the following: (i) §36.02 of the Texas Penal Code, which prohibits bribery; (ii) §36.09 of the Texas Penal Code, which prohibits the offering or conferring of benefits to public servants. The Respondent shall give all notices and comply with all laws and regulations applicable to furnishing and performance of the Contract.

**61. FEDERAL, STATE, AND LOCAL REQUIREMENTS:** Respondent shall demonstrate on-site compliance with the Federal Tax Reform Act of 1986, Section 1706, amending Section 530 of the Revenue Act of 1978, dealing with issuance of Form W-2's to common law employees. Respondent is responsible for both federal and State unemployment insurance coverage and standard Workers' Compensation insurance coverage. Respondent shall ensure compliance with all federal and State tax laws and withholding requirements. The City of Denton shall not be liable to Respondent or its employees for any Unemployment or Workers' Compensation coverage, or federal or State withholding requirements. Contractor shall indemnify the City of Denton and shall pay all costs, penalties, or losses resulting from Respondent's omission or breach of this Section.

**62. DRUG FREE WORKPLACE:** The contractor shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C. 701 ET SEQ.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free work place (grants), issued by the Office of Management and Budget and the Department of Defense (32 CFR Part 280, Subpart F) to implement the provisions of the Drug-Free Work Place Act of 1988 is incorporated by reference and the contractor shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

**63. RESPONDENT LIABILITY FOR DAMAGE TO GOVERNMENT PROPERTY:** The Respondent shall be liable for all damages to government-owned, leased, or occupied property and equipment caused by the Respondent and its employees, agents, subcontractors, and suppliers, including any delivery or cartage company, in connection with any performance pursuant to the Contract. The Respondent shall notify the City of Denton Procurement Manager in writing of any such damage within one (1) calendar day.

Contract 8418

**64. FORCE MAJEURE:** The City of Denton, any Customer, and the Respondent shall not be responsible for performance under the Contract should it be prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of the City of Denton. In the event of an occurrence under this Section, the Respondent will be excused from any further performance or observance of the requirements so affected for as long as such circumstances prevail and the Respondent continues to use commercially reasonable efforts to recommence performance or observance whenever and to whatever extent possible without delay. The Respondent shall immediately notify the City of Denton Procurement Manager by telephone (to be confirmed in writing within five (5) calendar days of the inception of such occurrence) and describe at a reasonable level of detail the circumstances causing the non-performance or delay in performance.

**65. NON-WAIVER OF RIGHTS:** Failure of a Party to require performance by another Party under the Contract will not affect the right of such Party to require performance in the future. No delay, failure, or waiver of either Party's exercise or partial exercise of any right or remedy under the Contract shall operate to limit, impair, preclude, cancel, waive or otherwise affect such right or remedy. A waiver by a Party of any breach of any term of the Contract will not be construed as a waiver of any continuing or succeeding breach.

**66. NO WAIVER OF SOVEREIGN IMMUNITY:** The Parties expressly agree that no provision of the Contract is in any way intended to constitute a waiver by the City of Denton of any immunities from suit or from liability that the City of Denton may have by operation of law.

**67. RECORDS RETENTION:** The Respondent shall retain all financial records, supporting documents, statistical records, and any other records or books relating to the performances called for in the Contract. The Respondent shall retain all such records for a period of four (4) years after the expiration of the Contract, or until the CPA or State Auditor's Office is satisfied that all audit and litigation matters are resolved, whichever period is longer. The Respondent shall grant access to all books, records and documents pertinent to the Contract to the CPA, the State Auditor of Texas, and any federal governmental entity that has authority to review records due to federal funds being spent under the Contract.

**Should a conflict arise between any of the contract documents, it shall be resolved with the following order of precedence (if applicable). In any event, the final negotiated contract shall take precedence over any and all contract documents to the extent of such conflict.**

- 1. Final negotiated contract**
- 2. RFP/Bid documents**
- 3. City's standard terms and conditions**
- 4. Purchase order**
- 5. Contractor terms and conditions**

**Exhibit D**  
**Certificate of Interested Parties Electronic Filing**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract unless the Contractor submits a disclosure of interested parties (Form 1295) to the City at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

**Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.**

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
<https://www.ethics.state.tx.us/filinginfo/1295/>
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line.  
(EX: Contract 8418 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

# Proposal Letter

May 8, 2024

To: Christa Christian  
City of Denton  
Denton, TX 76209 USA

From: Bryan Sorensen  
Director of Business Development  
Crown Technical Systems  
13470 Philadelphia Ave.  
Fontana, CA. 92337

**Job Name: Underwood Substation Building**  
**Reference: RFP No: 8418 Email Dated: 12/08/2023**  
**Crown Quote No: B223427**  
**Rev. 0**  
**Rev. 1**  
**Rev. 2 (clean)**

Dear Ms. Christian:

Thank you for allowing Crown Technical Systems the opportunity to provide a cost proposal for the subject project.

**Please see attached Bill of Materials for Pricing.**

**Lead time for this project would be 50-54 weeks** based on the Panelboards being a (40-42) week lead time. If Crown can provide an alternate manufacturer with a shorter lead time the overall project lead time can be reduced.

**Long Lead Items**

- Bard: 27-30 weeks
- Eaton: 40-42 weeks
- Battery & Charger: 20-24 Weeks

**Revision 1 changes:**

1. Emails dated 02/12/2024 & 03/06/2024: Revised quoted Primax Battery Charger to Hindle equivalent (Alpha ACS is obsolete)
  - a. Please note only the Charger price was revised.

**Revision 2 changes:**

1. Emails dated 02/12/2024 & 03/06/2024: Revised quote to reflect current material pricing and labor rates.

**Customer Documentation provided for bid:**

Crown's proposal is based upon our best understanding of the following Specifications and Drawings provided. It is the Customers responsibility to review the Bill of Material for accuracy and completeness. If awarded, Crown's Bill of Material shall be included in the Contract/Purchase Order.

**1. Current drawing status quoted to is not to be used for construction.**

Document Type	Document Name
<b>Specification</b>	8418 Substation Control Bldg -Tech Specs Substation Control Bldg - Pricing Sheet

**Option(s) Offered:**

Option	Description
<b>Option No. 1</b>	<b><u>OPTION</u></b> price to increase building by 2' <b><u>CANNOT</u></b> be offered as the building is already at the max shipping length of 60'. An increase of 2' in length would require another shipping section. Crown would be able to offer this on a per project basis.
<b>Option No. 2</b>	<b><u>OPTION</u></b> cost for a reduction to decrease building by 2'.
<b>Option No. 3</b>	<b><u>OPTION</u></b> cost to Provide and Install Card Readers For Exterior Doors and Associated Equipment as done on prior City Of Denton Projects, Brinker 1 and 2.

**Clarifications to Customer Documentation:****1. Building:**

Specification No. / Drawing No.	Section No.	Clarification
<b>Specification</b>	<b>II.A.1 V.T.2</b>	Providing Eaton panelboards in lieu of Square D described in specification section V.P.9 and V.T.8.
<b>Specification Batteries</b>	<b>V.U.2</b>	The battery racks, spill containment and chargers will be installed and interconnected at Crown Facility. The battery cells will be shipped directly from the battery manufacturer to the site and installed and connect by City of Denton personnel. To maintain the battery warranty, the following conditions at site <b><u>MUST</u></b> be met. Failure to observe these requirements may result in addition costs to reschedule the installation and no back charges for delivery issues caused by failure to meet these conditions shall be assessed against Crown: <ol style="list-style-type: none"> <li>1. The building <b><u>MUST</u></b> have functional climate control in the battery room or area so as the temperature maintains the required 77F degrees in accordance with battery warranty.</li> <li>2. The batteries <b><u>MUST</u></b> be put in service or charged within (3) months of the date of last charge provided in our documentation to maintain the battery warranty.</li> </ol>
<b>Specification</b>	<b>V.L, V.M,</b>	The building has been quoted to be coated with an alternative to

	<b>&amp; V.J</b>	the KYNAR 500 coating. Please note this is the same paint supplied on all previous City of Denton Project Crown has delivered including Brinker No. 1 & 2.
<b>Specification</b>	<b>V.N.11</b>	Providing fire rated doors as requested. 1-hour is best available in lieu of 1.5- hour.
<b>Specification</b>	<b>V.T.1</b>	AC MTS 1 and 2 are being estimated based on given description and drawing AC-1 Line UW-UW.
<b>Specification</b>	<b>V.U.1.k</b>	Per Alcad battery vendor Nicad batteries do not require a thermometer or any monitoring equipment.
<b>Specification</b>	<b>V.U.2</b>	Battery Charger estimated DC output as done on prior City of Denton projects and requested battery system, information for battery charger was not provided with bid.
<b>Specification</b>	<b>V.V</b>	Battery room interior walls are fire rated per Texas state requirement and as done on prior City of Denton projects, Brinker 1 and 2.
<b>Drawing</b>	<b>UW-PL03</b>	Quoting Door canopies shown per building layout in lieu of drip shields per specification section V.N.4
<b>Drawing</b>	<b>DC Panels UW-UW</b>	Providing 48/127vac shunt trip on given DC panelboard drawings. Final type to be selected in engineering phase and may result in a different cost due to the limited information available at this time. DC panels 1 and 2 (Distribution) have replaced (1) 20A 2P breakers with (1) 50A 2P breaker showing in drawing DC-1 Line UW-UW.
<b>Drawing</b>	<b>UW-PL03</b>	Have <b><u>NOT</u></b> included the cost for installing any of customer furnished equipment (CFE) or future equipment (i.e. SCADA Panels, servers, etc.) in this proposal. This includes but is not limited to the following items: <ol style="list-style-type: none"> <li>1. Relay panels (38 shown)</li> <li>2. Comm Rack</li> <li>3. DC transfer switch 2 (Not shown on DC one-line)</li> <li>4. AC panel 3</li> </ol>
		The cost to procure and install stairs and/or platform landings has <b><u>NOT</u></b> been included. It is assumed the will be mounted 6" above grade.

### **Technical Information:**

Shipping Sections		be removed for shipment and will have to be re-installed at the site.
Shipping Terms	Prepaid Allowed	

**b. Site Work:**

- i. Please note this price does not account for delays due to weather. Each additional day lost due to weather conditions or onsite delays past (2) day for Crane usage, and (7) days for the Crown field personnel are subject to additional costs.
  1. Please note Crown is a non-union shop and will be performing the below tasks at the site. The purchaser will have to provide access and authorization to Crown employees at the work site.
    - a. Should union labor be required, additional costs will apply.
  2. Should site specific training or certification be required prior to Crown personnel performing any site work, additional costs may apply. This includes but is not limited to drug testing, background checks, OSHA specific training and any specific customer requirements.
- ii. Please note the following site work is **NOT** included in our proposal.
  1. Installation of any field cables. This includes all cables from the yard equipment into the building. As well as any cables from the panels (Not provided by Crown (i.e. SCADA & Server Panels to the termination cabinet).
  2. Installation of field conduits.
  3. Shimming of the building if the concrete foundation tolerances is not within 0.25" of specifications.

Task	Crown	Client	Option	Reference Note
Crane	X			Unloading of the building is quoted using a 200-ton hydraulic crane with a 35' swing radius (center to center). The crane size is determined by assuming the crane will be able to set up next to the building pad and not have any obstacles (substation equipment) in its path for unloading. The cost for the unloading is subject to change if a larger crane is required
Lift Plan	X			
Anchoring	X			To the owner provided foundation.
Reassembly of Items Removed for Shipment	X			includes but not limited to exterior lights, cable entry hoods, door handles, HVAC units, Ventilation Fans, Rain Hoods, etc are included. All items on the long walls which make the building wider than 16'-0".
Reconnection of Cables removed for Shipment	X			
Continuity Testing of Cables removed for Shipment	X			

Breaker simulation	NA			
Current & Voltage Injection		X		

**Commercial Terms and Conditions:**

1. Contracts, Purchase Orders and Change Orders for this project shall be issued to:

Crown Texas, Inc  
 2350 Crist Rd. Ste. 300  
 Garland, TX 75040

**8. Payment Terms:**

- a. One Hundred Percent (100%) at time of delivery to Customer and acceptance
- b. All invoices are due Net 30 from receipt.

**9. Proposal Validity:** 30 Days

**10. Taxes:** **NO** sales, use, general receipts, transactional privilege or any similar taxes or fees are included in the bid price. Any taxes or fees due to the state from Crown for this purchase shall be fully reimbursed to Crown from Buyer. Applicable sales tax of the State of sale shall be added as a line item on the final invoice unless, Buyer provides one of the following documents with the Purchase Order:

- a. Tax Exemption Certificate
- b. Reseller Certificate
- c. Direct Pay Certificate

**11. Cancellation Policy:** The City shall pay the Contractor, to the extent of funds Appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of termination.

**Attachments:**

1. Customer Documentation
  - a. Pricing Sheet
  - b. Conflict of Interest questionnaire
  - c. Safety Record questionnaire
  - d. Sample Invoice
  - e. Tax License
2. Crown Documents:
  - a. Crown Building Bill of Material
  - b. Crown General Design Criteria
  - c. Crown Preliminary HVAC Calculations

Please do not hesitate to call me at (951) 332-4170 Ext. 175, if you have any questions. We thank you again for the opportunity provided to Crown.

Best regards,

Bryan Sorensen  
Director of Business Development

**CONFLICT OF INTEREST QUESTIONNAIRE - FORM CIQ**

**For vendor or other person doing business with local governmental entity**

**This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

(CTS) CROWN TEXAS, INC. dba  
CROWN TEXAS, INC.

**2 ☐ Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relations hip with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☐

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☐

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☐

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4 ☒ I have no Conflict of Interest to disclose.**

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #:** PUB24-109, **Version:** 1

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Mountain Cascade of Texas, LLC, for the I-35 Utility Relocation at Fort Worth Drive project, including the construction and movement of public water and abandonment of wastewater utilities in support of the Texas Department of Transportation's I-35 widening from US-377 to South Locust Street for the Capital Projects Department as set forth in the contract; providing for the expenditure of funds therefor; and providing an effective date (RFQ 7968-006 - awarded to Mountain Cascade of Texas, LLC, in the not-to-exceed amount of \$750,870.75).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Mountain Cascade of Texas, LLC, for the I-35 Utility Relocation at Fort Worth Drive project, including the construction and movement of public water and abandonment of wastewater utilities in support of the Texas Department of Transportation's I-35 widening from US-377 to South Locust Street for the Capital Projects Department as set forth in the contract; providing for the expenditure of funds therefor; and providing an effective date (RFQ 7968-006 – awarded to Mountain Cascade of Texas, LLC, in the not-to-exceed amount of \$750,870.75).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

The Texas Department of Transportation (TxDOT) has proposed a widening of Interstate Highway 35 (I-35) with an estimated construction start of Q4 2024. The I-35 Utility Relocation at Fort Worth Drive Project will move public utilities in support of TxDOT with the installation of 709 LF of 8" PVC, 466 LF of 12" PVC, and the removal of abandoned 340 LF of 8" wastewater in conflict with pavement & ROW longitudinal to IH35 from US-377 to South Locust Street. To align with TxDOT I-35 widening, the project is scheduled for 90 days. Since the project is a forced relocation of City of Denton utilities, there will be reimbursements from TxDOT to support this effort at 100%.

The I-35 Utility Relocation Project (Fort Worth Drive) has a total estimated cost of \$750,870.75. This estimate includes a \$715,115.00 total base proposal amount and a contingency of \$35,755.75. A five (5) percent contingency allowance, if any, is for the sole use of the City and will be subject to written authorization by the City's Project Manager and Program Manager.

In an effort to meet TxDOT's anticipated roadway construction schedule, a Request for Qualifications for utility relocation construction services was solicited using the City's formal solicitation process. City Council approved a pre-qualified list of professional service firms on June 7, 2022 (Ordinance 22-1145).

Invitation for Bids was sent to the three pre-qualified firms. Two (2) bids meeting specifications were received. The lowest bid was received from Mountain Cascade of Texas, LLC.

## **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On June 7, 2022, City Council approved RFQ 7968 for a prequalified list of firms for utility relocation and construction services for various Capital Investment Projects (Ordinance 22-1145).

## **RECOMMENDATION**

Award a contract with Mountain Cascade of Texas, LLC, for the I-35 Utility Relocation at Fort Worth Drive project, including the construction and movement of public water and abandonment of wastewater utilities in support of the Texas Department of Transportation's I-35 widening from US-377 to South Locust Street for the Capital Projects Department, in a not-to-exceed amount of \$750,870.75.

## **PRINCIPAL PLACE OF BUSINESS**

Mountain Cascade of Texas, LLC  
Alvarado, TX

## **ESTIMATED SCHEDULE OF PROJECT**

This project will be started upon approval with a completion date within 120 days after receipt of order with an estimated construction start in Q4 of 2024.

## **FISCAL INFORMATION**

These items/services will be funded from a combination of the accounts listed below.

TXDOT I-35N WW LINE RELOCATION	640504541.1365.401000	\$24,710.00
TXDOT I-35N WATER LINE RELOCATION	630523523.1365.401000	\$665,655.00

Requisition #164940 has been entered into the Purchasing software system in the amount of \$690,365. The project cost is 100% reimbursable. Project expenses will be submitted for reimbursement at regular intervals during the project. The budgeted amount for this item is \$750,870.75. As the project progresses the remaining funds not yet encumbered will be encumbered for a total of \$750,870.75.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH MOUNTAIN CASCADE OF TEXAS, LLC, FOR THE I-35 UTILITY RELOCATION AT FORT WORTH DRIVE PROJECT, INCLUDING THE CONSTRUCTION AND MOVEMENT OF PUBLIC WATER AND ABANDONMENT OF WASTEWATER UTILITIES IN SUPPORT OF THE TEXAS DEPARTMENT OF TRANSPORTATION'S I-35 WIDENING FROM US-377 TO SOUTH LOCUST STREET FOR THE CAPITAL PROJECTS DEPARTMENT AS SET FORTH IN THE CONTRACT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFQ 7968-006 – AWARDED TO MOUNTAIN CASCADE OF TEXAS, LLC, IN THE NOT-TO-EXCEED AMOUNT OF \$750,870.75).

WHEREAS, on June 7, 2022, the City Council approved a pre-qualified list for utility relocation and construction services for various Capital Improvement Projects (Ordinance 22-1145), and the provider (the "Provider") mentioned in this ordinance is being selected as being the most advantageous to the City considering the relative importance of price and the other evaluation factors; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The City Manager, or their designee, is hereby authorized to enter into an agreement with Mountain Cascade of Texas, LLC, to provide construction services for the City of Denton, a copy of which is attached hereto and incorporated by reference herein.

SECTION 2. The City Manager, or their designee, is authorized to expend funds as required by the attached contract.

SECTION 3. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 4. The findings in the preamble of this ordinance are incorporated herein by reference.

SECTION 5. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by  
\_\_\_\_\_. This ordinance was passed approved by the following vote [\_\_\_\_ - \_\_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Gerard Hudspeth:	_____	_____	_____	_____
Vicki Byrd, District 1:	_____	_____	_____	_____

**SECTION 00 52 43****AGREEMENT – UNIT PRICE BID**

**THIS AGREEMENT**, authorized on \_\_\_\_\_ is made by and between the City of Denton, a Texas home-rule municipal corporation, acting by and through its duly authorized City Manager, (“City”), and Mountain Cascade of Texas, LLC, authorized to do business in Texas, acting by and through its duly authorized representative, (“Contractor”).

City and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

**Article 1. WORK**

Contractor shall complete all Work as specified or indicated in the Contract Documents for the Project identified herein.

**Article 2. PROJECT**

The project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

I-35 Utility Relocation at Fort Worth Dr. Frontage Road

IFB# 7968-006

**Article 3. CONTRACT PRICE**

City agrees to pay Contractor for performance of the Work in accordance with the Contract Documents an amount, in current funds, of Seven Hundred Fifteen Thousand One Hundred Fifteen Dollars (\$715,115.00). At the sole option of the City, five (5) percent contingency in the amount of Thirty-Five Thousand Seven Hundred Fifty-Five Dollars and Seventy-Five Cents (\$35,755.75) may be used for a total not-to-exceed amount of Seven Hundred Fifty Thousand Eight Hundred Seventy Dollars and Seventy-Five Cents. (\$750,870.75).

**Article 4. CONTRACT TIME****4.1 Time is of the essence.**

All time limits for Milestones, if any, and Final Acceptance as stated in the Contract Documents are of the essence to this Contract.

**4.2 Final Acceptance.**

The Work will be completed for Final Acceptance within 120 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.

## 4.3 Liquidated Damages:

- A. Contractor recognizes that *time is of the essence* to achieve Milestones and Final Acceptance of the Work, and City will suffer financial and other losses if the Work is not completed within the times specified in the Contract Documents. The Contractor also recognizes the delays, expense and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by the City if the Work related to the Milestones or Final Acceptance is not completed on time. Accordingly, instead of requiring any such proof, Contractor agrees that liquidated damages for delay (but not as a penalty):
1. *Final Acceptance*: If Contractor neglects, refuse, or fails to complete the Work within the time (as duly adjusted pursuant to the Contract) specified in Paragraph 4.2, for completion and readiness for Final Payment, Contractor shall pay City Six-Hundred and Twenty-Five Dollars (\$625.00) for each day that expires after such time, until the date determined by City as stated in the City-issued Letter of Final Acceptance.

**Article 5. CONTRACT DOCUMENTS**

## 5.1 CONTENTS:

- A. The Contract comprises the entire agreement between City and Contractor concerning the Work and consists of this Agreement and the items set forth below. The Contract Documents consist of all items below other than this Agreement.
1. Attachments to this Agreement:
    - a. Proposal Form
      - 1) Bid Form
      - 2) Unit Price Proposal Form
      - 3) State and Federal documents (*project specific*)
    - b. Current Prevailing Wage Rate Table
    - c. Worker's Compensation Affidavit
    - d. General Conditions.
    - e. Supplementary Conditions.
  2. The following located in File 7968-006 at:  
<https://lfpubweb.cityofdenton.com/MaterialsManagement/Browse.aspx?id=19&dbid=0&repo=MaterialsManagement&cr=1>
    - a. Specifications described in the Table of Contents of the Project's Contract Documents.
    - b. Drawings.
    - c. Addenda.
    - d. Documentation submitted by Contractor prior to Notice of Award.
  3. The following which shall be issued after the Effective Date and delivered to the City within ten (10) days of the Effective Date and before beginning Work:
    - a. Payment Bond
    - b. Performance Bond
    - c. Maintenance Bond
    - d. Power of Attorney for the Bonds
    - e. Form 1295 – Certificate of Interested Parties (email to purchasing)
    - f. Insurance Certificate

4. Specifications specifically made a part of the Contract Documents by attachment or, if not attached, as incorporated by reference and described in the Table of Contents of the Project's Contract Documents.
5. The following which may be delivered or issued after the Effective Date of the Agreement and, if issued, become an incorporated part of the Contract Documents:
  - a. Notice to Proceed.
  - b. Field Orders.
  - c. Change Orders.
  - d. Letter of Final Acceptance.

## Article 6. INDEMNIFICATION

**6.1 CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY, HOLD HARMLESS AND DEFEND, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, AND EMPLOYEES, FROM AND AGAINST ANY AND ALL CLAIMS FOR PERSONAL INJURY OR DEATH, ARISING OUT OF, OR ALLEGED TO ARISE OUT OF, RELATED TO OR IN CONNECTION WITH THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THIS CONTRACT. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY. THIS INDEMNITY PROVISION IS INTENDED TO INCLUDE, WITHOUT LIMITATION, INDEMNITY FOR ANY AND ALL COSTS, EXPENSES AND LEGAL FEES INCURRED BY THE CITY IN DEFENDING AGAINST SUCH CLAIMS AND CAUSES OF ACTIONS.**

**6.2 CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY, HOLD HARMLESS AND DEFEND, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, AND EMPLOYEES, FROM AND AGAINST ANY AND ALL CLAIMS FOR, LOSS OF, DAMAGE TO, OR DESTRUCTION OF, PROPERTY OF THE CITY OR OF A THIRD PARTY, ARISING OUT OF, OR ALLEGED TO ARISE OUT OF, RELATED TO OR IN CONNECTION WITH THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THIS CONTRACT. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY. THIS INDEMNITY PROVISION IS INTENDED TO INCLUDE, WITHOUT LIMITATION, INDEMNITY FOR ANY AND ALL COSTS, EXPENSES AND LEGAL FEES INCURRED BY THE CITY IN DEFENDING AGAINST SUCH CLAIMS AND CAUSES OF ACTIONS.**

## Article 7. MISCELLANEOUS

1     7.1   Capitalized Terms.

2           Unless otherwise provided herein, capitalized terms used in this Agreement which are  
3           defined in Article 1 of the General Conditions will have the meanings indicated in the General  
4           Conditions.

5     7.2   Assignment of Contract.

6           This Agreement, including all of the Contract Documents may not be assigned by the  
7           Contractor without the advance express written consent of the City.

8     7.3   Successors and Assigns.

9           City and Contractor each binds itself, its partners, successors, assigns and legal  
10          representatives to the other party hereto, in respect to all covenants, agreements and  
11          obligations contained in the Contract Documents.

12    7.4   Severability.

13          Any provision or part of the Contract Documents held to be unconstitutional, void or  
14          unenforceable by a court of competent jurisdiction shall be deemed stricken, and all  
15          remaining provisions shall continue to be valid and binding upon City and Contractor.

16    7.5   Venue and Waiver of Sovereign Immunity.

17          This Agreement, including all of the Contract Documents is performable in the State of  
18          Texas. Venue shall be in the state district courts of Denton County, Texas. The City's  
19          sovereign immunity is waived only to the extent set forth and in accordance with the  
20          provisions of Subchapter I, Chapter 271 of the Texas Local Government Code or as otherwise  
21          specifically waived by law. The City does not waive its sovereign immunity to suit in federal  
22          court.

23    7.6   Authority to Sign.

24          Contractor hereby certifies that the person signing the Agreement on its behalf is the duly  
25          authorized signatory of the Contractor.

26    7.7   Prohibition on Contracts with Companies Boycotting Israel.

27          Contractor acknowledges that in accordance with Chapter 2270 of the Texas Government  
28          Code, the City is prohibited from entering into a contract with a company for goods or  
29          services unless the contract contains a written verification from the company that it: (1) does  
30          not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms  
31          "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section  
32          808.001 of the Texas Government Code. By signing this contract, Contractor certifies that  
33          Contractor's signature provides written verification to the City that Contractor: (1) does not  
34          boycott Israel; and (2) will not boycott Israel during the term of the contract.

35    7.8   Prohibition on Contracts with Companies Boycotting Certain Energy Companies

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms “boycott energy company” and “company” shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement. Failure to meet or maintain the requirements under this provision will be considered a material breach.

7.9 Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations.

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

7.10 Prohibition on Contracts with Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

7.11 Prohibition on Contracts with Companies Boycotting Certain Energy Companies

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

7.12 Immigration Nationality Act.

Contractor shall verify the identity and employment eligibility of its employees who perform work under this Agreement, including completing the Employment Eligibility Verification Form (I-9). Upon request by City, Contractor shall provide City with copies of all I-9 forms and supporting eligibility documentation for each employee who performs work under this Agreement. Contractor shall adhere to all Federal and State laws as well as establish appropriate procedures and controls so that no services will be performed by any Contractor employee who is not legally eligible to perform such services. **CONTRACTOR SHALL INDEMNIFY CITY AND HOLD CITY HARMLESS FROM ANY PENALTIES, LIABILITIES, OR LOSSES DUE TO VIOLATIONS OF THIS PARAGRAPH BY CONTRACTOR, CONTRACTOR'S EMPLOYEES, SUBCONTRACTORS, AGENTS, OR LICENSEES.** City, upon written notice to Contractor, shall have the right to immediately terminate this Agreement for violations of this provision by Contractor.

7.13 No Third-Party Beneficiaries.

This Agreement gives no rights or benefits to anyone other than the City and the Contractor and there are no third-party beneficiaries.

7.14 No Cause of Action Against Engineer.

Contractor, its subcontractors and equipment and materials suppliers on the Project or their sureties, shall maintain no direct action against the Engineer, its officers, employees, and subcontractors, for any claim arising out of, in connection with, or resulting from the engineering services performed. Only the City will be the beneficiary of any undertaking by the Engineer. The presence or duties of the Engineer's personnel at a construction site, whether as on-site representatives or otherwise, do not make the Engineer or its personnel in any way responsible to Contractor or any other entity for those duties that belong to the City, and do not relieve Contractor or any other entity of its obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for performing, coordinating and completing all portions of the Work in accordance with the Contract Documents and any health or safety precautions required by such Work. The Engineer and its personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions.

SIGNATURE PAGE TO FOLLOW

IN WITNESS WHEREOF, City and Contractor have each executed this Agreement to be effective as of the date subscribed by the City's City Manager or his designee ("Effective Date").

**SECTION 00 41 00****BID FORM**

TO: City of Denton  
c/o: Purchasing Division  
901-B Texas Street  
Denton, Texas 76209

FOR: *I-35 Utility Relocation at Fort Worth Dr. Frontage Road, IFB 7968-006*

**1 Enter Into Agreement**

The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with City in the form included in the Bidding Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Bid Price and within the Contract Time indicated in this Bid and in accordance with the other terms and conditions of the Contract Documents.

**2 BIDDER Acknowledgements and Certification**

- 2.1 In submitting this Bid, Bidder accepts all of the terms and conditions of the INVITATION TO BIDDERS and INSTRUCTIONS TO BIDDERS, including without limitation those dealing with the disposition of Bid Bond.
- 2.2 Bidder is aware of all costs to provide the required insurance, will do so pending contract award, and will provide a valid insurance certificate meeting all requirements within 14 days of notification of award.
- 2.3 Bidder certifies that this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation.
- 2.4 Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid.
- 2.5 Bidder has not solicited or induced any individual or entity to refrain from bidding.
- 2.6 Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph:
- a. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process.
  - b. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of City (b) to establish Bid prices at artificial non-competitive levels, or (c) to deprive City of the benefits of free and open competition.
  - c. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of City, a purpose of which is to establish Bid prices at artificial, non-competitive levels.
  - d. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

2.7 The Bidder acknowledges and agrees to comply with the requirements of City Ethics Ordinance No. 23-1165.

### 3 Time of Completion

- 3.1 The Work will be complete for Final Acceptance within 120 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.
- 3.2 Bidder accepts the provisions of the Agreement as to Liquidated Damages in the event of failure to obtain Milestones (if applicable) and Final Acceptance within the times specified in the Agreement.

### 4 Attached to this Bid

The following documents are attached to and made a part of this Bid:

- a. Section 00 35 13 – Conflict of Interest Affidavit
- b. Section 00 41 00 – This Bid Form
- c. **Section 00 42 43 – Unit Price Proposal Form – Electronic Copy (either included in the Bid, or submitted via Ion Wave)**
- d. Section 00 42 13 – Required Bid Bond, issued by a surety meeting the requirements of Paragraph 6.01 of the General Conditions
- e. Section 00 43 36 – Proposed Subcontractors Form
- f. ~~Section 00 43 37 – Vendor Compliance to State Law Non-Resident Bidder~~
- g. ~~Section 00 45 13 – Bidders Minimum Qualification Statement~~
- h. Section 00 45 26 – Contractor Compliance with Workers Compensation Law
- i. Section 00 45 43 – Corporate Resolution of Authorized Signatories
- j. Any additional documents that may be required by Section 00 21 13 – Instructions to Bidders

**5 Total Bid Amount**

- 5.1 Bidder will complete the Work in accordance with the Contract Documents for the following bid amount. In the space provided below, please enter the total bid amount for this project. Only this figure will be read publicly by the City at the bid opening.
- 5.2 It is understood and agreed by the Bidder in signing this proposal that the total bid amount entered below is subject to verification and/or modification by multiplying the unit bid prices for each pay item by the respective estimated quantities shown in this proposal and then totaling all of the extended amounts.
- 5.3 Total Bid Amount: \$ 715,115.00

**6 Bid Submittal**

This Bid is submitted on April 10, 2024 by the entity named below.

Respectfully submitted,

By:

Mountain Cascade of Texas LLC.

"General Decision Number: TX20240016 01/05/2024

Superseded General Decision Number: TX20230016

State: Texas

Construction Type: Heavy

County: Denton County in Texas.

Heavy Construction, Including Treatment Plants (Does not include water/sewer lines)

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 14026 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.</li> </ul>
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 13658 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$12.90 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2024.</li> </ul>

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

=====

\*\* Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year.

Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

<https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses

(29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date

for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-----  
WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

=====

END OF GENERAL DECISION"

"General Decision Number: TX20240025 01/05/2024

Superseded General Decision Number: TX20230025

State: Texas

Construction Type: Highway

Counties: Archer, Callahan, Clay, Collin, Dallas, Delta, Denton, Ellis, Grayson, Hunt, Johnson, Jones, Kaufman, Parker, Rockwall, Tarrant and Wise Counties in Texas.

HIGHWAY CONSTRUCTION PROJECTS (excluding tunnels, building structures in rest area projects & railroad construction; bascule, suspension & spandrel arch bridges designed for commercial navigation, bridges involving marine construction; and other major bridges).

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	<ul style="list-style-type: none"><li>. Executive Order 14026 generally applies to the contract.</li><li>. The contractor must pay all covered workers at least \$17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.</li></ul>
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	<ul style="list-style-type: none"><li>. =====

\*\* Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular

rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-----

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

**ARTICLE 1 – DEFINITIONS AND TERMINOLOGY****1.01 *Defined Terms***

- A. Wherever used in the Contract or in other Contract Documents, the terms listed below have the meanings indicated which are applicable to both the singular and plural thereof, and words denoting gender shall include the masculine, feminine and neuter. When used in a context consistent with the definition of a listed-defined term, the term shall have a meaning as defined below whether capitalized or italicized or otherwise. In addition to terms specifically defined, terms with initial capital letters in the Contract Documents include references to identified articles and paragraphs, and the titles of other documents or forms.
1. *Addenda*—Written or graphic instruments issued prior to the opening of Bids which clarify, correct, or change the Bidding Requirements or the proposed Contract Documents.
  2. *Agreement*—The written instrument titled “Agreement”, “Agreement – CSP”, or “Agreement – Unit Price Bid” executed by the City and Contractor for the Work, setting forth the name of the Project, Contract Price, Contract Time and the items included in the Contract.
  3. *Application for Payment*—The form acceptable to City which is to be used by Contractor during the course of the Work in requesting progress or final payments and which is to be accompanied by such supporting documentation as is required by the Contract.
  4. *Asbestos*—Any material that contains more than one percent asbestos and is friable or is releasing asbestos fibers into the air above current action levels established by the United States Occupational Safety and Health Administration.
  5. *Award*—Authorization by the City Council for the City to enter into an Agreement.
  6. *Bid*—The offer or proposal of a Bidder submitted on the prescribed form setting forth the prices for the Work to be performed. The term “Bid” shall be defined to include the term “Proposal” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  7. *Bidder*—The individual or entity that submits a Bid directly to City. The term “Bidder” shall be defined to include the terms “Proposer” or “Offeror” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  8. *Bidding Documents*—The Bidding Requirements and the proposed Contract Documents (including all Addenda). The term “Bidding Documents” shall be defined to include the terms “Proposal Documents” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  9. *Bidding Requirements*—The Advertisement or Invitation to Bid, Instructions to Bidders, Bid Bond or other Bid security, if any, the Bid Form, and the Bid with any attachments. The term “Bidding Requirements” shall be defined to include the terms “Proposal Requirements” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid and will include the Request for Proposal or Invitation to Offerors, Instructions to Offerors, Offerors Bond or other Proposal security, if any, the Proposal Form, and the Proposal with any attachments.

10. *Business Day*—A day that the City conducts normal business, generally Monday through Friday, except for federal or state holidays observed by the City.
11. *Calendar Day*—A day consisting of 24 hours measured from midnight to the next midnight.
12. *Change Order*—A document which is prepared by the Contractor or City, approved by the City, and signed by Contractor and City, authorizing an addition, deletion, or revision in the Work or an adjustment in the Contract Price or the Contract Time, issued on or after the Effective Date of the Agreement.
13. *City*—The City of Denton is, a Texas home-rule municipal corporation acting by its City Council through its City Manager or his or her designee.
14. *City Attorney*—The officially appointed City Attorney of the City of Denton or his or her designee.
15. *City Council*—The duly elected and qualified governing body of the City of Denton.
16. *City Manager*—The officially appointed authorized City Manager of the City of Denton.
17. *Contract*—The entire and integrated set of written instruments between the City and Contractor concerning the Work comprised of the Agreement and all Contract Documents, which written instruments supersede all prior negotiations, representations, or agreements, whether written or oral, concerning the Work.
18. *Contract Claim*—A demand or assertion by City or Contractor seeking an adjustment of Contract Price or Contract Time, or both, or other relief with respect to the terms of the Contract. A demand for money or services by a third party is not a Contract Claim.
19. *Contract Documents*—Those items so designated as “Contract Documents.” in the Agreement at Paragraph 5.1.A. Approved Submittals, other Contractor submittals, and the reports and drawings of subsurface and physical conditions are not Contract Documents.
20. *Contract Price*—The moneys payable by City to Contractor for completion of the Work in accordance with the Contract Documents as stated in the Agreement (subject to the provisions of Paragraph 12.03 in the case of Unit Price Work). The Contract Price does not include any “Incentive”, if applicable.
21. *Contract Time*—The number of days or the dates stated in the Agreement to: (a) achieve Milestones, if any and (bb) complete the Work so that it is ready for Final Acceptance.
22. *Contractor*—The individual or entity with whom City has entered into the Agreement.
23. *Cost of the Work*—See Paragraph 12.01 of these General Conditions for definition.
24. *Damage Claims*—A demand for money or services arising from the Project or Site from a third party, City or Contractor exclusive of a Contract Claim.
25. *Day or day*—A day, unless otherwise defined, shall mean a Calendar Day.
26. *Drawings*—The part of the Contract Documents prepared or approved by an Engineer that graphically shows the scope, extent, and character of the Work to be performed by Contractor. Submittals, as defined, are not considered Drawings as so defined here.

27. *Effective Date of the Agreement*—The date, indicated in the Agreement, on which it becomes effective,, but if no such date is indicated, it means the date on which the Agreement is signed and delivered by the City.
28. *Electronic Document*—Any Project-related correspondence, attachments to correspondence, text, data, documents, drawings, information, or graphics, including but not limited to Shop Drawings and other Submittals, that are in an electronic or digital format.
29. *Electronic Means*—Electronic mail (email), upload/download from a secure Project website, or other communications methods that allow: (a) the transmission or communication of Electronic Documents; (b) the documentation of transmissions, including sending and receipt; (c) printing of the transmitted Electronic Document by the recipient; (d) the storage and archiving of the Electronic Document by sender and recipient; and (e) the use by recipient of the Electronic Document for purposes permitted by the Contract. Electronic Means does not include the use of text messaging, or of Facebook, Twitter, Instagram, or similar social media services for transmission of Electronic Documents.
30. *Engineer*—The licensed professional engineer or engineering firm registered in the State of Texas performing professional services for the City.
31. *Extra Work*—Additional work made necessary by City-approved changes or alterations to the Contract Documents. Extra Work shall be part of the Work.
32. *Field Order*—A written directive issued by City that requires changes in the Work but does not involve a change to the Contract Price, Contract Time, or Drawings, Plan, or Shop Drawings.
33. *Final Acceptance*—The written notice given by the City to the Contractor that the Work specified in the Contract Documents has been completed to the satisfaction of the City.
34. *Final Inspection*—The inspection performed by the City to determine whether the Contractor has completed each and every part or appurtenance of the Work fully, entirely, and in conformance with the Contract Documents.
35. *General Requirements*—Sections of The information set forth in “Division 101 – General Requirements” of the Standard Construction Specification Documents.
36. *Hazardous Environmental Condition*—The presence at the Site of Asbestos, P C B s , Petroleum, Hazardous Waste, Radioactive Material, or any other substance, product, waste or materials, in such quantities or circumstances that may present a substantial danger to persons or property exposed thereto.
37. *Hazardous Waste*—Any solid waste listed as hazardous or which possesses one or more hazardous characteristics as defined in applicable Laws and Regulations.
38. *Incidental or incidental*—Work items that the Contractor is not paid for directly, but costs for which are included under the various bid items of the Project.
39. *Laws and Regulations*—Any and all applicable laws, statutes, rules, regulations, ordinances, codes, and binding decrees, resolutions, and orders of any and all

governmental bodies, agencies, authorities, and courts having jurisdiction over the Site or any portion or part of the Work to be performed.

40. *Liens*—Charges, security interests, or encumbrances upon Project funds, real property, or personal property.
41. *Major Item*—An item of work included in the Contract Documents that has a total cost equal to or greater than 5% of the original Contract Price.
42. *Milestone*—A principal event specified in the Contract Documents relating to the performance of an identified portion of the Work by an intermediate Contract Time prior to Final Acceptance of the Work.
43. *Notice of Award*—The written notice by City to the Successful Bidder stating that upon timely compliance by the Successful Bidder with the conditions precedent listed in such notice, City will sign and deliver the Agreement.
44. *Notice to Proceed*—A written notice given by City to Contractor fixing the date on which the Contract Time will commence to run and on which Contractor shall start to perform the Work specified in Contract Documents.
45. *PCBs*—Polychlorinated biphenyls.
46. *Petroleum*—Petroleum, including crude oil or any fraction thereof which is liquid at standard conditions of temperature and pressure (60 degrees Fahrenheit and 14.7 pounds per square inch absolute), and including but not limited to oil, fuel oil, oil sludge, oil refuse, gasoline, diesel fuel, kerosene, and oil mixed with other non-Hazardous Waste and crude oils.
47. *Plans*—This term will have the same definition of as “Drawings”.
48. *Project* —The Work to be performed under the Contract.
49. *Project Manager*—The authorized representative of the City who will be assigned to the Project.
50. *Project Manual*—The documentary information prepared for bidding or proposing and furnishing the Work.
51. *Project Schedule*—A schedule, prepared and maintained by Contractor, in accordance with the General Requirements, describing the sequence and duration of the activities comprising Contractor’s plan to achieve each Milestone and accomplish the Work within the Contract Time.
52. *Public Meeting*—An announced meeting conducted by the City to facilitate public participation and to assist the public in gaining an informed view of the Project.
53. *Samples*—Physical examples of materials, equipment, or workmanship that are representative of some portion of the Work and that establish the standards by which such portion of the Work will be judged.
54. *Schedule of Submittals*—A schedule, prepared and maintained by Contractor, of required submittals and the time requirements to support scheduled performance of related construction activities.

55. *Schedule of Values*—A schedule, prepared and maintained by Contractor, allocating portions of the Contract Price to various portions of the Work and used as the basis for reviewing Contractor's Applications for Payment.
56. *Shop Drawings*—All drawings, diagrams, illustrations, schedules, and other data or information that are specifically prepared or assembled by or for Contractor and submitted by Contractor to illustrate some portion of the Work. Shop Drawings, whether approved or not, are not Drawings and are not Contract Documents.
57. *Site*—Lands or areas indicated in the Contract Documents as being furnished by City upon which the Work is to be performed, including rights-of-way, permits, and easements for access thereto, and such other lands furnished by City which are designated for the use of Contractor.
58. *Specifications or Technical Specifications* —The part of the Contract that consists of written requirements for materials, equipment, systems, standards, and workmanship as applied to the Work, and certain administrative requirements and procedural matters applicable to the Work. Specifications may be specifically made a part of the Contract Documents by attachment or, if not attached, may be incorporated by reference as indicated in the Table of Contents (Section 00 00 00) of the Project.
59. *Subcontractor*—An individual or entity having a direct contract with Contractor or with any other Subcontractor for the performance of a part of the Work at the Site.
60. *Submittal*—All drawings, diagrams, illustrations, schedules and other data or information which are specifically prepared or assembled by or for Contractor and submitted by Contractor to the City to illustrate some portion of the Work.
61. *Subsidiary or subsidiary*—*These terms will have the same* definition as "Incidental. or incidental".
62. *Successful Bidder*—The Bidder to whom City issues a Notice of Award. The term "Bidder" shall be defined to include the terms "Proposer" or "Offeror" in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid and is the Proposer or Offeror submitting the proposal or offer that provides the best value to the City and to whom the City issues a Notice of Award.
63. *Superintendent*—The representative of the Contractor who is available at all times and able to receive instructions from the City and to act for the Contractor.
64. *Supplementary Conditions*—The part of the Contract set forth at Division 00 73 00 that amends or supplements these General Conditions.
65. *Supplier*—A manufacturer, fabricator, supplier, distributor, materialman, or vendor having a direct contract with Contractor or with any Subcontractor to furnish materials or equipment to be incorporated in the Work by Contractor or a Subcontractor.
66. *Underground Facilities*—All underground lines, pipelines, conduits, ducts, encasements, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or systems at the Site, including but not limited to those facilities or systems that produce, transmit, distribute, or convey telephone or other communications, cable television, fiber optic transmissions, power, electricity, light, heat, gases, oil, crude oil products, liquid

petroleum products, water, steam, waste, wastewater, storm water, other liquids or chemicals, or traffic or other control systems.

67. *Unit Price Work*—Work for which the Contract Price is determined by multiplying the unit price for the item by the estimated quantity of the item.
68. *Weekend Working Hours*—Those hours between 8:00 a.m. and 8:30 p.m. on Saturday, and between 1:00 p.m. and 8:30 p.m. on Sunday or on a federal or state holiday observed by the City, as approved in advance by the City for performing Work.
69. *Work*—The entire construction or the various separately identifiable parts thereof required to be provided under the Contract Documents. Work includes and is the result of performing or providing all labor, services, and documentation necessary to produce such construction including any Change Order or Field Order, and furnishing, installing, and incorporating all materials and equipment into such construction, all as required by the Contract Documents.
70. *Working Day*—Defined as a Business Day but excluding any days that weather or other conditions beyond the reasonable control of the Contractor prevents the performance of the principal unit of work underway for a continuous period of not less than 7 hours between 7:00 a.m. and 8:00 p.m.

#### 1.02 *Terminology*

- A. The words and terms discussed in Paragraphs 1.02.B, C, D, and E are not defined terms that require initial capital letters, but, when used in the Bidding Requirements or Contract, have the indicated meaning.
- B. *Intent of Certain Terms or Adjectives*: The Contract includes the terms “as allowed,” “as approved,” “as ordered,” “as directed” or terms of like effect or import to authorize an exercise of judgment by CityCity. In addition, the adjectives “reasonable,” “suitable,” “acceptable,” “proper,” “satisfactory,” or adjectives of like effect or import are used to describe an action or determination of City as to the Work. It is intended that such exercise of judgment, action, or determination will be to evaluate, in general, the Work for compliance with the information in the Contract Documents and with the design concept of the Project as a functioning whole as shown or indicated in the Contract Documents (unless there is a specific statement indicating otherwise).
- C. *Defective*: The word “defective,” when modifying the word “Work,” refers to Work that is unsatisfactory, faulty, or deficient in that it:
  1. does not conform to the Contract Documents; or
  2. does not meet the requirements of any applicable inspection, reference standard, test, or approval referred to in the Contract Documents; or
  3. has been damaged prior to City’s written notice of Final Acceptance.
- D. *Furnish, Install, Perform, Provide*
  1. The word “furnish,” when used in connection with services, materials, or equipment, means to supply and deliver said services, materials, or equipment to the Site (or some other specified location) ready for use or installation and in usable or operable condition.

2. The word “install,” when used in connection with services, materials, or equipment, means to put into use or place in final position said services, materials, or equipment complete and ready for intended use.
  3. The words “perform” or “provide,” when used in connection with services, materials, or equipment, means to execute, carry out, furnish and install said services, materials, or equipment complete and ready for intended use.
  4. If the Contract Documents establish an obligation of Contractor with respect to specific services, materials, or equipment, but do not expressly use any of the four words “furnish,” “install,” “perform,” or “provide,” then Contractor shall furnish and install said services, materials, or equipment complete and ready for intended use.
- E. Unless stated otherwise in the Contract, words or phrases that have a well-known technical or construction industry or trade meaning are used in the Contract in accordance with such recognized meaning.

## **ARTICLE 2 – PRELIMINARY MATTERS**

### **2.01 *Delivery of Performance and Payment Bonds; Evidence of Insurance***

- A. Performance and Payment Bonds: When Contractor delivers the signed counterparts of the Agreement to City, Contractor shall also deliver to City the performance bond, payment bond and maintenance bond that comply with the provisions of Chapter 2253 of the Texas Government Code. Work will not be allowed to begin until the performance and payment bonds have been provided by the Contractor to the City.
- B. Evidence of Contractor’s Insurance: When Contractor delivers the signed counterparts of the Agreement to City, Contractor shall also deliver to City, with copies to each additional insured (as identified in the Contract), the certificates, endorsements, and other evidence of insurance required to be provided by Contractor in accordance with Article 6. Work will not be allowed to begin until the evidence of insurance has been provided by the Contractor to the City.

### **2.02 *Copies of Documents***

- A. City shall furnish to Contractor one (1) original executed copy and one (1) electronic copy of the Contract, and three (3) additional copies of the Drawings. Additional printed copies will be furnished upon request at the cost of reproduction.

### **2.03 *Before Starting Construction***

Baseline starting Work, Contractor shall submit for review by City the following in accordance with the Contract Documents:

- A. Baseline Schedules in accordance with General Requirements, Section 01 32 16.
- B. Preliminary Schedule of Submittals.
- C. Preliminary Schedule of Values: For lump sum contracts, a Schedule of Values for all of the Work that includes quantities and prices of items that when added together equal the Contract Price and subdivides the Work into component parts in sufficient detail to serve as the basis for progress payments during performance of the Work. Such prices will include an appropriate amount of overhead and profit applicable to each item of Work.

#### 2.04 *Preconstruction Meeting*

- A. Before any Work at the Site is started, the Contractor shall attend a Preconstruction Meeting as specified in Section 01 31 19.

#### 2.05 *Public Meeting*

- A. Contractor may not mobilize any equipment, materials, or resources to the Site prior to Contractor attending the Public Meeting as scheduled by the City.

#### 2.06 *Initial Acceptance of Schedules*

- A. No progress payment shall be made to Contractor until acceptable Project Schedules are submitted to City in accordance with the Contract Documents.

#### 2.07 *Electronic Submittals and Transmittals*

- A. Except as otherwise stated elsewhere in the Contract, the City and Contractor may send, and shall accept, Electronic Documents transmitted by Electronic Means.
- B. If the Contract does not establish protocols for Electronic Means, then City and Contractor shall jointly develop such protocols.
- C. Subject to any governing protocols for Electronic Means, when transmitting Electronic Documents by Electronic Means, the transmitting party makes no representations as to long-term compatibility, usability, or readability of the Electronic Documents resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the Electronic Documents.

### **ARTICLE 3 – CONTRACT DOCUMENTS: INTENT, REQUIREMENTS, REUSE**

#### 3.01 *Intent*

- A. The Contract Documents are complementary; what is required by one Contract Document is as binding as if required by all.
- B. It is the intent of the Contract to describe a functionally complete Project to be constructed in accordance with the Contract Documents. Any labor, documentation, services, materials, or equipment that reasonably may be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the indicated result will be provided whether or not specifically called for, at no additional cost to City.
- C. City will issue clarifications and interpretations of the Contract Documents as provided herein.
- D. The Specifications may vary in form, forma and style. Some Specification sections may be written in varying degrees of streamlined or declarative style, and some sections may be relatively narrative by comparison. Omission of such words and phrases as “the Contractor shall,” “in conformity with,” “as shown,” or “as specified” are intentional in streamlined sections. Omitted words and phrases shall be supplied by inference. Similar types of provisions may appear in various parts of a section or articles within a part depending on the format of the section. The Contractor shall not take advantage of any variation of form, format or style in making Contract Claims or Damage Claims.

- E. The cross-referencing of Specification sections under the subparagraph heading “Related Sections include but are not necessarily limited to:” and elsewhere within each Specification section is provided as an aid and convenience to the Contractor. The Contractor shall not rely on the cross-referencing provided and shall be responsible to coordinate the entire Work under the Contract Documents and provide a complete Project whether or not cross-referencing is provided in each section or whether the cross-referencing is complete or accurate.

### 3.02 *Reference Standards*

#### A. Standards Specifications, Codes, Laws and Regulations

1. Reference in the Contract Documents to standard specifications, manuals, reference standards, or codes of any technical society, organization, or association, or to Laws or Regulations, whether such reference be specific or by implication, means the standard specification, manual, reference standard, code, or Laws or Regulations in effect at the time of opening of Bids (or on the Effective Date of the Agreement if there were no Bids), except as may be otherwise specifically stated in the Contract Documents.
2. No provision of any such standard specification, manual, reference standard, or code, and no instruction of a Supplier, will be effective to change the duties or responsibilities of City, Contractor, or any of their subcontractors, consultants, agents, or employees from those set forth in the Contract Documents. No such provision or instruction shall be effective to assign to City or any of its officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors, any duty or authority to supervise or direct the performance of the Work or any duty or authority to undertake responsibility inconsistent with the provisions of the Contract Documents.

### 3.03 *Reporting and Resolving Discrepancies*

#### A. Reporting Discrepancies

1. *Contractor’s Verification of Figures and Field Measurements:* Before undertaking each part of the Work, Contractor shall carefully study the Contract Documents, and check and verify pertinent figures and dimensions therein, particularly with respect to applicable field measurements, and conditions. Contractor shall promptly report in writing to City any conflict, error, ambiguity, or discrepancy that Contractor discovers, or has actual knowledge of, and shall obtain a written interpretation or clarification from City before proceeding with any Work affected thereby.
2. *Contractor’s Review of Contract Documents:* If, before or during the performance of the Work, Contractor discovers any conflict, error, ambiguity, or discrepancy within the Contract Documents, or between the Contract Documents and (a) any applicable Law or Regulation, (b) actual field conditions, (c) any standard specification, manual, reference standard, or code, or (d) any instruction of any Supplier, then Contractor shall promptly report it to City in writing. Contractor shall not proceed with the Work affected thereby (except in an emergency as required by Paragraph 7.1717) until the conflict, error, ambiguity, or discrepancy is resolved, by a clarification or interpretation by City, or by an amendment or supplement to the Contract issued pursuant to Paragraph 11.01.
3. Contractor shall not be liable to City for failure to report any conflict, error, ambiguity, or discrepancy in the Contract Documents unless Contractor had actual knowledge thereof.

**B. Resolving Discrepancies**

1. Except as may be otherwise specifically stated in the Contract Documents, the provisions of the Contract Documents take precedence in resolving any conflict, error, ambiguity, or discrepancy between such provisions of the Contract Documents and:
  - a. the provisions of any standard specification, manual, reference standard, or code, or the instruction of any Supplier; or
  - b. the provisions of any Laws or Regulations applicable to the performance of the Work (unless such an interpretation of the provisions of the Contract Documents would result in violation of such Law or Regulation).
2. In case of discrepancies, figured dimensions shall govern over scaled dimensions, Drawings shall govern over Specifications, and Supplementary Conditions shall govern over General Conditions and Specifications.

**3.04 Requirements of the Contract Documents**

- A. During the performance of the Work and until final payment, Contractor shall submit to the City in writing all matters in question concerning the requirements of the Contract Documents (sometimes referred to as requests for information or interpretation—RFIs), or relating to the acceptability of the Work under the Contract Documents, as soon as possible after such matters arise. City will be the interpreter of the requirements of the Contract Documents, and judge of the acceptability of the Work.
- B. City will, with reasonable promptness, render a written clarification, interpretation, or decision on the issue submitted, or initiate an amendment or supplement to the Contract Documents. City's written clarification, interpretation, or decision will be final and binding on Contractor, unless Contractor appeals by filing a Contract Claim.

**3.05 Reuse of Documents**

- A. Contractor and its Subcontractors and Suppliers shall not:
  1. have or acquire any title to or ownership rights in any of the Drawings, Specifications, or other documents (or copies of any thereof) prepared by or bearing the seal of Engineer or its consultants, including electronic media versions, or reuse any such Drawings, Specifications, other documents, or copies thereof on extensions of the Project or any other project without written consent of CityCity and specific written verification or adaptation by Engineer; or
  2. have or acquire any title or ownership rights in any other Contract Documents, reuse any such Contract Documents for any purpose without City's express written consent, or violate any copyrights pertaining to such Contract Documents.
- B. The prohibitions of this Paragraph 3.05 05 will survive final payment, or termination of the Contract. Nothing herein precludes Contractor from retaining copies of the Contract Documents for record purposes.

**ARTICLE 4 – COMMENCEMENT AND PROGRESS OF THE WORK****4.01** *Commencement of Contract Time; Notice to Proceed*

- A. The Contract Time will commence to run on the day indicated in the Notice to Proceed. A Notice to Proceed may be given at any time within 30 days after the Effective Date of the Contract.

**4.02** *Starting the Work*

- A. Contractor shall start to perform the Work on the date when the Contract Time commences to run. No Work may be done at the Site prior to the date on which the Contract Time commences to run.

**4.03** *Delays in Contractor's Progress*

- A. If Contractor is delayed, City shall not be liable to Contractor for any claims, costs, losses, or damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) sustained by Contractor on or in connection with any other project or anticipated project. The City shall be liable only to the extent allowed by the provisions of the Contract and as allowed by Subchapter I, Chapter 271 of the Texas Local Government Code.
- B. Contractor shall not be entitled to an adjustment in Contract Price or Contract Time for delay, disruption, or interference caused by or within the control of Contractor. Delay, disruption, and interference attributable to and within the control of a Subcontractor or Supplier shall be deemed to be within the control of Contractor.
- C. The Contractor shall receive no compensation for delays or hindrances to the Work, except when direct and unavoidable extra cost to the Contractor is caused by the failure of the City to provide information or material, if any, that the Contract specifies is to be furnished by the City.
- D. If Contractor's performance or progress is delayed, disrupted, or interfered with by unanticipated causes not the fault of and beyond the control of City, Contractor, and those for whom they are responsible, then Contractor shall be entitled to an equitable adjustment in Contract Time. Such an adjustment will be Contractor's sole and exclusive remedy for the delays, disruption, and interference described in this Paragraph 4.03. D. The Contractor is responsible for the prompt submission of a request for an adjustment to the Contract Time under this Paragraph to the City. Causes of delay, disruption, or interference that may give rise to an adjustment in Contract Time under this Paragraph include but are not limited to the following:
  - 1. Severe and unavoidable natural catastrophes such as fires, floods, epidemics, and earthquakes;
  - 2. Abnormal weather conditions;
  - 3. Acts or failures to act of third-party utility owners or other third-party entities (other than those third-party utility owners or other third-party entities performing other work at or adjacent to the Site as arranged by or under contract with City, as contemplated in Article 8); and

4. Acts of war or terrorism.
- E. Contractor's entitlement to an adjustment of Contract Time or Contract Price is limited as follows:
  1. Contractor's entitlement to an adjustment of the Contract Time is conditioned on the delay, disruption, or interference adversely affecting an activity on the critical path to completion of the Work, as of the time of the delay, disruption, or interference.
  2. Contractor shall not be entitled to an adjustment in Contract Price for any delay, disruption, or interference if such delay is concurrent with a delay, disruption, or interference caused by or within the control of Contractor. Such a concurrent delay by Contractor shall not preclude an adjustment of Contract Time to which Contractor is otherwise entitled.
  3. Adjustments of Contract Time or Contract Price are subject to the provisions of Article 11.
- F. Each Contractor request or Change Order seeking an increase in Contract Time or Contract Price must be supplemented by supporting data that sets forth in detail the following:
  1. The circumstances that form the basis for the requested adjustment;
  2. The date upon which each cause of delay, disruption, or interference began to affect the progress of the Work;
  3. The date upon which each cause of delay, disruption, or interference ceased to affect the progress of the Work;
  4. The number of days' increase in Contract Time claimed as a consequence of each such cause of delay, disruption, or interference; and
  5. The impact on Contract Price, in accordance with the provisions of Paragraph 11.08.
  6. Contractor shall also furnish such additional supporting documentation as City may require including, where appropriate, a revised Project Schedule indicating all the activities affected by the delay, disruption, or interference, and an explanation of the effect of the delay, disruption, or interference on the critical path to completion of the Work.
- G. Delays, disruption, and interference to the performance or progress of the Work resulting from the existence of a differing subsurface or physical condition, an Underground Facility that was not shown or indicated by the Contract Documents, or not shown or indicated with reasonable accuracy, and those resulting from undisclosed Hazardous Environmental Conditions, are governed by Article 5, together with the provisions of Paragraphs 4.03.F and 4.03.G.

## **ARTICLE 5 – SITE; SUBSURFACE AND PHYSICAL CONDITIONS; HAZARDOUS ENVIRONMENTAL CONDITIONS**

### **5.01 *Availability of Lands***

- A. City shall furnish the Site. City shall notify Contractor in writing of any encumbrances or restrictions not of general application but specifically related to use of the Site with which

Contractor must comply in performing the Work. City will be responsible for obtaining any necessary easements for permanent structures or permanent changes in existing facilities.

1. The City has obtained or anticipates acquisition of and/or access to right-of-way, and/or easements. Any outstanding right-of-way and/or easements are anticipated to be acquired in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding right-of-way, and/or easements.
  2. Unless otherwise specified in the Contract Documents, the City has or anticipates moving and/or relocating utilities, and obstructions to the Site. Any outstanding movement or relocation of utilities or obstructions is anticipated in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding utilities or obstructions to be moved and/or relocated by others.
- B. Upon reasonable written request of Contractor, City shall furnish Contractor with a current statement of record legal title and legal description of the lands upon which the Work is to be performed.
- C. Contractor shall provide for any additional lands and access thereto not included in the Site that may be required for construction facilities or storage of materials and equipment. The cost of such shall be part of the Contract Price.

#### 5.02 *Use of Site and Other Areas*

##### A. Limitation on Use of Site and Other Areas

1. Contractor shall confine construction equipment, temporary construction facilities, the storage of materials and equipment, worker car parking and the operations of workers to the Site, to adjacent areas that Contractor has arranged to use through construction easements or otherwise, and to other adjacent areas permitted by Laws and Regulations, and shall not unreasonably encumber the Site and such other adjacent areas with worker car parking, construction equipment or other materials or equipment. Contractor shall assume full responsibility for (a) damage to the Site; (b) damage to any such other adjacent areas used for Contractor's operations; (c) damage to any other adjacent land or areas, or to improvements, structures, utilities, or similar facilities located at such adjacent lands or areas; and (d) for injuries, including death, and damage to or losses of property sustained by the owners or occupants of any such land or areas; provided that such damage, losses, injuries or deaths arose out of or result from the performance of the Work or arose out of or resulted from any other actions or conduct of the Contractor or those for whom Contractor is responsible.
2. At any time when, in the judgment of the City, the Contractor has obstructed, closed, or is carrying on operations in a portion of a street, right-of-way, or easement greater than is necessary for proper execution of the Work, the City may require the Contractor to reduce the area impacted to only that necessary for proper execution of the Work and/or to finish the section on which operations are in progress before work is commenced on any additional area of the Site.

3. Construction equipment, spoil materials, supplies, forms, buildings, labs, or equipment and supply storage buildings, or any other item that may be transported by flood flows, shall not be stored within existing federal floodways during the course of the Work.
  4. Should any Damage Claim be made by any such owner or occupant adversely impacted because of the performance of the Work, Contractor shall promptly attempt to resolve the Damage Claim.
  5. ***PURSUANT TO PARAGRAPH 7.21, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, AND EMPLOYEES, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES ARISING OUT OF OR RELATING TO ANY CLAIM OR ACTION, LEGAL OR EQUITABLE, BROUGHT BY ANY SUCH ADVERSELY IMPACTED OWNER OR OCCUPANT AGAINST CITY.***
- B. *Removal of Debris During Performance of the Work:* During the progress of the Work the Contractor shall keep the Site and other adjacent areas free from accumulations of waste materials, rubbish, and other debris. Removal and disposal of such waste materials, rubbish, and other debris will conform to applicable Laws and Regulations.
  - C. *Site Maintenance Cleaning:* If 24 hours after written notice is given to the Contractor that the clean-up at the Site is insufficient or occurring in a manner unsatisfactory to the City, the Contractor fails to correct the unsatisfactory condition and/or procedures, the City may take such direct action as the City deems appropriate to correct the clean-up deficiencies cited to the Contractor in the written notice, and the costs of such direct corrective action, plus 25 % of such costs, shall be deducted from the monies due or to become due to the Contractor under the Contract.
  - D. *Final Site Cleaning:* Prior to Final Acceptance of the Work, Contractor shall clean the Site and the Work and make it ready for utilization by City and any adjacent property owners, if applicable. At the completion of the Work, Contractor shall remove from the Site and adjacent areas all tools, appliances, construction equipment and machinery, surplus materials, waste materials, rubbish and other debris and shall restore to original condition or better all areas impacted or disturbed by the Work.
  - E. *Loading of Structures:* Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent structures or land to stresses or pressures that will endanger them.

### 5.03 *Subsurface and Physical Conditions*

- A. *Reports and Drawings:* The Supplementary Conditions identify:
  1. Those reports known to City of explorations and tests of subsurface conditions at or contiguous to the Site; and
  2. Those drawings known to City of existing physical conditions at or contiguous to the Site, including those drawings known to City depicting existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities.).
- B. *Underground Facilities:* Underground Facilities are shown or indicated on the Drawings, pursuant to Paragraph 5.05, and not in the drawings referred to in Paragraph 5.03.A.

Information and data regarding the presence or location of Underground Facilities are not intended to be categorized, identified, or defined as technical data.

- C. *Reliance by Contractor on Technical Data:* Contractor is provided certain technical data identified in the Supplementary Conditions with respect to such reports and drawings for its use, but the City does not warrant or guarantee the accuracy of the information, and such information including reports and drawings are not Contract Documents. Contractor may not make any Contract Claim against City, or any of their officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors with respect to:
1. the completeness or accuracy of such reports and drawings for Contractor's purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, and safety precautions and programs incident thereto; or
  2. other data, interpretations, opinions, and information contained in such reports or shown or indicated in such drawings; or
  3. the contents of other Site-related documents made available to Contractor, such as record drawings from other projects at or adjacent to the Site, or City's archival documents concerning the Site; or
  4. any Contractor interpretation of or conclusion drawn from any "technical data" or any such other data, interpretations, opinions, or information.

#### 5.04 *Differing Subsurface or Physical Conditions*

- A. *Notice by Contractor:* If Contractor believes that any subsurface or physical condition that is uncovered or revealed at the Site either:
1. is of such a nature as to establish that any "technical data" is materially inaccurate; or
  2. is of such a nature as to require a change in the Contract Documents; or
  3. differs materially from that shown or indicated in the Contract Documents; or
  4. is of an unusual nature, and differs materially from conditions ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract Documents;

then Contractor shall, promptly after becoming aware thereof and before further disturbing the subsurface or physical conditions or performing any Work in connection therewith (except in an emergency as required by Paragraph 7.17), notify City in writing about such condition.

- B. *Possible Price and Time Adjustments*
1. Contractor shall not be entitled to any adjustment in the Contract Price or Contract Time if:
    - a. Contractor knew of the existence of such condition at the time Contractor made a final commitment to City with respect to Contract Price and Contract Time by the submission of a Bid or becoming bound under the Contract; or

- b. The existence of such condition reasonably could have been discovered or revealed as a result of the examination of the Contract Documents or the Site; or
  - c. Contractor failed to give the written notice required by Paragraph 5.04.A.
- C. *Underground Facilities; Hazardous Environmental Conditions:* Paragraph 5.05 governs rights and responsibilities regarding the presence or location of Underground Facilities. Paragraph 5.06 governs rights and responsibilities regarding Hazardous Environmental Conditions. The provisions of Paragraphs 5.03 and 5.04 are not applicable to the presence or location of Underground Facilities, or to Hazardous Environmental Conditions.

#### 5.05 *Underground Facilities*

- A. *Shown or Indicated:* The information and data shown or indicated in the Contract Documents with respect to Underground Facilities at or contiguous to the Site is based on information and data furnished to City or Engineer by the owners of such Underground Facilities, including City, or by others, unless it is otherwise expressly provided in the Supplementary Conditions::
- 1. City and Engineer shall not be responsible for the accuracy or completeness of any such information or data provided by others; and
  - 2. the cost of all of the following are included in the Contract Price, and Contractor shall have full responsibility for:
    - a. reviewing and checking all information and data;
    - b. verifying the actual location of those Underground Facilities shown or indicated in the Contract Documents as being within the area affected by the Work, by exposing such Underground Facilities during the course of construction;
    - c. coordination and adjustment of the Work with the owners (including City) of such Underground Facilities, during construction; and
    - d. the safety and protection of all existing Underground Facilities at the Site, and repairing any damage thereto resulting from the Work.
- B. *Not Shown or Indicated:*
- 1. If an Underground Facility that is uncovered or revealed at the Site was not shown or indicated on the Drawings or otherwise indicated in the Contract Documents, or was not shown or indicated on the Drawings or in the Contract Documents with reasonable accuracy, then Contractor shall, promptly after becoming aware thereof and before further disturbing conditions affected thereby or performing any Work in connection therewith (except in an emergency as required by Paragraph 7.17), identify the owner of such Underground Facility and give notice to that owner and to City. Contractor shall be responsible for the safety and protection of such discovered Underground Facility.
  - 2. If City concludes that a change in the Contract Documents is required, a Change Order may be issued to reflect and document such consequences, subject to the provisions of Article 11.
  - 3. Verification of existing utilities, structures, and service lines shall include notification of all utility companies a minimum of 48 hours in advance of construction including exploratory excavation if necessary.

#### 5.06 *Hazardous Environmental Conditions at Site*

- A. *Reports and Drawings:* The Supplementary Conditions identify:
1. those reports known to City relating to Hazardous Environmental Conditions that have been identified at the Site; or
  2. drawings known to City relating to Hazardous Environmental Conditions that have been identified at the Site.
- B. *Reliance by Contractor on Technical Data:* Contractor is provided certain technical data identified in the Supplementary Conditions with respect to such reports and drawings for its use, but the City does not warrant or guarantee the accuracy of the information, and such information including reports and drawings are not Contract Documents. Contractor may not make any Contract Claim against City, or any of its officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors with respect to:
1. the completeness or accuracy of such reports and drawings for Contractor's purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, and safety precautions and programs incident thereto; or
  2. other data, interpretations, opinions, and information contained in such reports or shown or indicated in such drawings; or
  3. the contents of other Site-related documents made available to Contractor, such as record drawings from other projects at or adjacent to the Site, or City's archival documents concerning the Site; or
  4. any Contractor interpretation of or conclusion drawn from any "technical data" or any such other data, interpretations, opinions, or information.
- C. Contractor shall not be responsible for a Hazardous Environmental Condition uncovered or revealed at the Site if such Hazardous Environmental Condition was not shown or indicated in Drawings or Specifications or identified if the removal or remediation of such Hazardous Environmental Condition was not identified in the Contract Documents to be within the scope of the Work. Contractor shall be responsible for a Hazardous Environmental Condition created by the actions of or with any materials brought to the Site by Contractor, Subcontractors, Suppliers or anyone else for whom Contractor is responsible and the costs associated with the same.
- D. If Contractor encounters, uncovers, or reveals a Hazardous Environmental Condition whose removal or remediation is not expressly identified in the Contract Documents as being within the scope of the Work, or if Contractor or anyone for whom Contractor is responsible creates a Hazardous Environmental Condition, then Contractor shall immediately: (1) secure or otherwise isolate such condition; (2) stop all Work in connection with such condition and in any area affected thereby (except in an emergency as required by Paragraph 7.17); and (3) notify City (and promptly thereafter confirm such notice in writing). City may consider the necessity to retain a qualified expert to evaluate such condition or take corrective action, if any.

- E. Contractor shall not be required to resume Work in connection with a Hazardous Environmental Condition identified pursuant to Paragraph 5.06.D or in any affected area until after City has obtained any required permits related thereto, and delivered written notice to Contractor either (1) specifying that such condition and any affected area is or has been rendered safe for the resumption of Work, or (2) specifying any special conditions under which such Work may be resumed.
- F. If, after receipt of such written notice, Contractor does not agree to resume such Work based on a reasonable belief it is unsafe, or does not agree to resume such Work under such special conditions, then City may order the portion of the Work that is in the area affected by such condition to be deleted from the Work and the Contract Price. City may have such deleted portion of the Work performed by City's own forces or others.
- G. ***TO THE FULLEST EXTENT PERMITTED BY LAWS AND REGULATIONS, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY, AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, DIRECTORS, MEMBERS, PARTNERS, EMPLOYEES, AGENTS, CONSULTANTS, AND SUBCONTRACTORS OF EACH AND ANY OF THEM, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES (INCLUDING BUT NOT LIMITED TO ALL FEES AND CHARGES OF ENGINEERS, ARCHITECTS, ATTORNEYS, AND OTHER PROFESSIONALS AND ALL COURT ARBITRATION OR OTHER DISPUTE RESOLUTION COSTS) FOR PERSONAL INJURY, DEATH OR PROPERTY DAMAGE ARISING OUT OF OR RELATING TO A HAZARDOUS ENVIRONMENTAL CONDITION CREATED BY CONTRACTOR OR BY ANYONE FOR WHOM CONTRACTOR IS RESPONSIBLE. NOTHING IN THIS PARAGRAPH 5.06.CityG OBLIGATES CONTRACTOR TO INDEMNIFY ANY INDIVIDUAL OR ENTITY FROM AND AGAINST THE CONSEQUENCES OF THAT INDIVIDUAL'S OR ENTITY'S OWN NEGLIGENCE.***
- H. The provisions of Paragraphs 5.03, 5.04, and 5.05 do not apply to the presence of a Hazardous Environmental Condition uncovered or revealed at the Site.

## **ARTICLE 6 – BONDS AND INSURANCE**

### **6.01 *Licensed Sureties and Insurers***

- A. All bonds and insurance required by the Contract Documents to be purchased and maintained by Contractor shall be obtained from surety or insurance companies that are duly licensed or authorized in the State of Texas to issue bonds or insurance policies for the limits and coverages required. Such surety and insurance companies shall also meet such additional requirements and qualifications as may be provided in the Supplementary Conditions.

### **6.02 *Performance, Payment, and Maintenance Bonds***

- A. Contractor shall furnish a performance bond and a payment bond, in accordance with the provisions of the Texas Government Code Chapter 2253 or successor statute and as required by the City, each in an amount at least equal to the Contract Price, as security for the faithful performance and payment of all of Contractor's obligations under the Contract. The performance and payment bonds must be provided by the Contractor to the City prior to the Contractor beginning any Work.

- B. Contractor shall furnish maintenance bonds in an amount equal to the Contract Price as security to protect the City against any defects in any portion of the Work described in the Contract Documents. Maintenance bonds shall remain in effect for two (2) years after the date of Final Acceptance by the City. The maintenance bond(s) shall be provided as directed by the City as part of the close-out of the Contract and shall be provided prior to the final payment being made.
- C. All bonds shall be in the form prescribed by the Contract Documents, except as provided otherwise by Laws and Regulations, and must be issued and signed by a surety named in “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies” as published in Department Circular 570 (as amended and supplemented) by the Bureau of the Fiscal Service, U.S. Department of the Treasury. A bond signed by an agent or attorney-in-fact must be accompanied by a certified copy of that individual’s authority to bind the surety. The evidence of authority must show that it is effective on the date the agent or attorney-in-fact signed the accompanying bond.
- D. If the surety on a bond furnished by Contractor is declared bankrupt or becomes insolvent, or the surety ceases to meet the requirements above, or its right to do business is terminated in the State of Texas, then Contractor shall promptly notify City in writing and shall, within 30 days after the event giving rise to such notification, provide another bond and surety, both of which must comply with the bond and surety requirements above.
- E. If Contractor has failed to obtain a required bond, City may refuse to allow the Contractor to begin Work, exclude the Contractor from the Site and exercise City’s termination rights under Article 15.
- F. Upon request to Contractor from any Subcontractor, Supplier, or other person or entity claiming to have furnished labor, services, materials, or equipment used in the performance of the Work, Contractor shall provide a copy of the payment bond to such person or entity.

#### 6.03 *Certificates of Insurance*

- A. Contractor shall deliver to City, with copies to each additional insured and loss payee identified in the Supplementary Conditions, certificates of insurance and endorsements (and other evidence of insurance requested by City or any other additional insured) establishing that Contractor has obtained and is maintaining the policies and coverages required by these General Conditions and the Supplementary Conditions prior to beginning any Work.
  - 1. The certificate of insurance shall document the City, and all identified entities named in the Supplementary Conditions as “additional insureds” on all liability policies.
  - 2. The Contractor’s general liability insurance shall include a “per project” or “per location” endorsement, that shall be identified in the certificate of insurance provided to the City.
  - 3. The certificate shall be signed by an agent authorized to bind coverage on behalf of the insured, be complete in its entirety, and show complete insurance carrier names as listed in the current A.M. Best Property & Casualty Guide.
  - 4. The insurers for all policies must be licensed and/or approved to do business in the State of Texas. Except for workers’ compensation, all insurers must have a minimum rating of A-: VII in the current A. M. Best Key Rating Guide or have reasonably equivalent

financial strength and solvency to the satisfaction City. If the rating is below that required, written approval of City is required.

5. All applicable policies shall include a Waiver of Subrogation (Rights of Recovery) in favor of the City. In addition, the Contractor agrees to waive all rights of subrogation against the Engineer (if applicable), and each additional insured identified in the Supplementary Conditions
6. Failure of the City to demand such certificates or other evidence of full compliance with the insurance requirements or failure of the City to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such lines of insurance coverage or to provide such certificates or other evidence of full compliance with the insurance requirements.
7. If insurance policies are not written for specified coverage limits, an Umbrella or Excess Liability insurance for any differences is required. Excess Liability shall follow form of the primary coverage.
8. Unless otherwise stated, all required insurance shall be written on the "occurrence basis". If If City agrees in writing that coverage is underwritten may be written on a claims-made basis, the retroactive date shall be coincident with or prior to the date of the effective date of the Agreement and the certificate of insurance shall state that the coverage is claims-made and the retroactive date. The insurance coverage shall be maintained for the duration of the Contract and for three (3) years following Final Acceptance or for the warranty period provided for under the Contract Documents or for the warranty period, whichever is longer. An annual certificate of insurance submitted to the City shall evidence such insurance coverage.
9. Policies shall have no exclusions by endorsements that either nullify or amend the required lines of coverage, nor or decrease the limits of said coverage unless such endorsements are approved in writing by the City. In the event a Notice of an Award has been issued or the Agreement executed, and the policy exclusions are determined to be unacceptable or the City desires that the Contractor obtain additional insurance coverage the contract price shall be adjusted by the cost of the premium for such additional coverage plus 10%.
10. For any proposed self-insured retention (SIR,) in excess of \$25,000.00, affecting insurance coverage, Contractor must obtain the written approval of the City in regard to asset value and stockholders' equity. In lieu of traditional insurance, proposed alternative coverage maintained through insurance pools or, risk retention groups, or self-funding will also require the written approval of the City.
11. Any deductible in excess of \$5,000.00, for any policy that does not provide coverage on a first-dollar basis must be acceptable to and approved in writing by the City.
12. City, at its sole discretion, reserves the right to review the insurance requirements and to make reasonable adjustments to insurance coverages and limits when deemed necessary and prudent by the City based upon the scope of the Work, changes in statutory law, court decision or the claims history of the industry as well as of the contracting party to the City. The City will provide prior notice of 90 days and the insurance adjustments shall be incorporated into the Work by Change Order.

13. City shall be entitled, upon written request to Contractor and without expense to City, to receive copies of policies and endorsements thereto and. City may make any reasonable requests for deletion or revision or modifications of particular policy terms, conditions, limitations, or exclusions necessary to conform the policy and endorsements to the requirements of the Contract. Deletions, revisions, or modifications shall not be required where policy provisions are established by law or regulations binding upon either party or the underwriter on any such policies.
14. City shall not be responsible for the direct payment of insurance premium costs for Contractor's insurance.

#### 6.04 *Contractor's Insurance*

- A. *Workers Compensation and Employers' Liability:* Contractor shall purchase and maintain such insurance coverage with limits consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Texas Labor Code, Ch. 406, as amended), and minimum limits for Employers' Liability as is appropriate for the Work being performed and as will provide protection from claims set forth below which may arise out of or result from Contractor's performance of the Work and Contractor's other obligations under the Contract Documents, whether it is to be performed by Contractor, any Subcontractor or Supplier, or by anyone directly or indirectly employed by any of them to perform any of the Work, or by anyone for whose acts any of them may be liable:
  1. claims under workers' compensation, disability benefits, and other similar employee benefit acts;
  2. claims for damages because of bodily injury, occupational sickness or disease, or death of employees.
- B. *Commercial General Liability.* Coverage shall include but not be limited to covering liability (bodily injury, including death, or property damage) arising from: premises/operations, independent contractors, products/completed operations, personal injury including death, liability under an insured contract, and explosion/collapse/underground (where those exposures exist). Insurance shall be provided on an occurrence basis, and as comprehensive as the current Insurance Services Office (ISO) policy. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to the City. The Commercial General Liability policy shall have no exclusions by endorsements that would alter or nullify premises/operations, products/completed operations, contractual, personal injury, or advertising injury, that are normally contained with the policy, unless the City approves such exclusions in writing.  
  
For construction projects that present a substantial completed operation exposure, the City may require the Contractor to maintain completed operations coverage for a minimum of no less than three (3) years following the completion of the project (if identified in the Supplementary Conditions)).
- C. *Automobile Liability.* A commercial business auto policy shall provide coverage on "any auto", defined as autos owned, hired and non-owned and provide indemnity for claims for damages because of bodily injury or death of any person and/or property damage arising out of or related to the work, maintenance or use of any motor vehicle by the Contractor, any

Subcontractor or Supplier, or by anyone directly or indirectly employed by any of them to perform any of the Work, or by anyone for whose acts any of them may be liable.

- D. *Railroad Protective Liability.* If any of the Work or any warranty work is within the limits of railroad right-of-way, the Contractor shall comply with the requirements identified in the Supplementary Conditions.
- E. *Notification of Policy Cancellation:* Contractor shall immediately notify City upon cancellation or other loss of insurance coverage. Contractor shall stop Work until replacement insurance has been procured. There shall be no time credit for delays or days not worked pursuant to this section.

#### 6.05 *Acceptance of Bonds and Insurance; Option to Replace*

- A. If City has any objection to the coverage afforded by or other provisions of the bonds or insurance required to be purchased and maintained by the Contractor in accordance with Article 6 or the Supplementary Conditions on the basis of non-conformance with the Contract Documents, the City shall so notify the Contractor in writing within 10 Business Days after receipt of the certificates (or other evidence requested). Contractor shall provide to the City such additional information in respect of insurance provided as the City may reasonably request. If Contractor does not purchase or maintain all of the bonds and insurance required by the Contract Documents, the City shall notify the Contractor in writing of such failure prior to the start of the Work, or of such failure to maintain prior to any change in the required coverage. Such failure to provide bonds or insurance as required by the Contract Documents is a breach of the terms of the Contract and the City may terminate the Contractor in accordance with the provisions of the Contract Documents.

### ARTICLE 7 – CONTRACTOR’S RESPONSIBILITIES

#### 7.01 *Contractor’s Means and Methods of Construction*

- A. Contractor shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction.
- B. If the Contract Documents note, or Contractor determines, that professional engineering or other design services are needed to carry out Contractor’s responsibilities for construction means, methods, techniques, sequences, and procedures, or for Site safety, then Contractor shall cause such services to be provided by a properly licensed design professional, at Contractor’s expense. Such services are not City-delegated professional design services under this Contract, and neither City nor Engineer has any responsibility with respect to (1) Contractor’s determination of the need for such services, (2) the qualifications or licensing of the design professionals retained or employed by Contractor, (3) the performance of such services, or (4) any errors, omissions, or defects in such services.

#### 7.02 *Supervision and Superintendence*

- A. Contractor shall supervise, inspect, and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents.
- B. At all times during the progress of the Work, Contractor shall identify and assign a competent superintendent, who is proficient in English, and who shall not be replaced without written

notice to City of the name of the replacement superintendent. If at any time the superintendent is not satisfactory to the City, Contractor shall, if requested by City, replace the superintendent with another satisfactory to City.

- C. Contractor shall notify the City 24 hours prior to moving areas during the sequence of construction.

#### 7.03 *Labor; Working Hours*

- A. Contractor shall provide competent, suitably qualified personnel to survey and lay out the Work and perform construction as required by the Contract Documents. Contractor shall at all times maintain good discipline and order at the Site.
- B. Contractor shall be fully responsible to City for all acts and omissions of Contractor's employees; of Suppliers and Subcontractors, and their employees; and of any other individuals or entities performing or furnishing any of the Work, just as Contractor is responsible for Contractor's own acts and omissions.
- C. Except as otherwise required for the safety or protection of persons or the Work or property at the Site or adjacent thereto, and except as otherwise stated in the Contract Documents, all Work at the Site shall be performed during regular working hours on Business Days. Contractor will not permit the performance of Work outside of regular working hours on Business Days without City's prior written consent (which will not be unreasonably withheld)). Contractor's written request (by letter or electronic communication) for City's written consent must be made as follows:
  - 1. for Work beyond regular working hours on Business Days, request must be made by noon at least two (2) Business Days prior;
  - 2. for Work during Weekend Working Hours, request must be made by noon of the preceding Wednesday; and
  - 3. for Work on state or federal holidays observed by the City, request must be made sufficiently in advance of the holiday, to satisfy requirements for City Council approval.

#### 7.04 *Services, Materials, and Equipment*

- A. Unless otherwise specified in the Contract Documents, Contractor shall provide and assume full responsibility for all services, materials, equipment, labor, transportation, construction equipment and machinery, tools, appliances, fuel, power, light, heat, telephone, water, sanitary facilities, temporary facilities, and all other facilities and incidentals necessary for the performance, Contractor required testing, start up, and completion of the Work, whether or not such items are specifically called for in the Contract Documents.
- B. All materials and equipment incorporated into the Work shall be as specified or, if not specified, shall be of sufficient quality to complete the Work, and must be new and of good quality, except as otherwise provided in the Contract Documents. All special warranties and guarantees required by the Specifications shall expressly run to the benefit of City. If required by City, Contractor shall furnish satisfactory evidence (including reports of required tests) as to the source, kind, and quality of materials and equipment.
- C. All materials and equipment to be incorporated into the Work shall be stored, applied, installed, connected, erected, protected, used, cleaned, and conditioned in accordance with

instructions of the applicable Supplier, except as otherwise may be provided in the Contract Documents.

- D. All items of standard equipment to be incorporated into the Work shall be the latest model at the time of bid, unless otherwise specified.

#### 7.05 *Project Schedule*

- A. Contractor shall adhere to the Project Schedule established in accordance with Paragraph 2.06 and the General Requirements as it may be adjusted from time to time as provided below.
  - 1. Contractor shall submit to the City for acceptance (to the extent indicated in Paragraph 2.06 and the General Requirements) proposed adjustments in the Project Schedule that will not result in changing the Contract Time. Such adjustments must comply with any provisions of the General Requirements applicable thereto.
  - 2. Contractor shall submit to City a monthly Project Schedule with a monthly progress payment request for the duration of the Contract in accordance with the Construction Progress Schedule, General Requirements 01 32 16.
  - 3. Proposed adjustments in the Project Schedule that will change the Contract Time shall be submitted in accordance with the requirements of Article 11. Adjustments in Contract Time may only be made by a Change Order.

#### 7.06 *“Or Equals”*

- A. *Contractor’s Request; Governing Criteria:* Whenever an item of equipment or material is specified or described in the Contract Documents by using the names of one or more proprietary items or specific Suppliers, the Contract Price has been based upon Contractor furnishing such item as specified. The specification or description of such an item is intended to establish the type, function, appearance, and quality required. Unless the specification or description contains or is followed by words reading that no like, equivalent, or “or equal” item is permitted, Contractor may request that City permit the use of other items of equipment or material, or items from other proposed Suppliers, under the circumstances described below.
  - 1. If City in its sole discretion determines that an item of equipment or material proposed by Contractor is functionally equal to that named and sufficiently similar so that no change in related Work will be required, it may be considered by City as an “or equal” item. For the purposes of this Paragraph, a proposed item of equipment or material will be considered functionally equal to an item so named if:
    - a. the City determines that:
      - 1) it is at least equal in materials of construction, quality, durability, appearance, strength, and design characteristics;
      - 2) it will reliably perform at least equally well the function and achieve the results imposed by the design concept of the completed Project as a functioning whole;
      - 3) it has a proven record of performance and availability of responsive service; and
      - 4) it is not objectionable to City.

- b. Contractor certifies that, if the proposed item is approved and incorporated into the Work:
    - 1) there will be no increase in cost to the City or increase in Contract Time; and
    - 2) the item will conform substantially to the detailed requirements of the item named in the Contract Documents.
- B. *Contractor's Expense*: Contractor shall provide all data in support of any proposed "or equal" item at Contractor's expense.
- C. *City's Evaluation and Determination*: City will be allowed a reasonable time to evaluate each "or-equal" request. City may require Contractor to furnish additional data about the proposed "or-equal" item. City will be the sole judge of acceptability. No "or-equal" item will be ordered, furnished, installed, or utilized until City's review is complete and City determines that the proposed item is an "or-equal." City." City will advise Contractor in writing of its determination.
- D. *Effect of City's Determination*: Neither approval nor denial of an "or-equal" request will result in any change in Contract Price. The City's denial of an "or-equal" request will be final and binding, and may not be reversed through an appeal under any provision of the Contract.
- E. *Treatment as a Substitution Request*: If City determines that an item of equipment or material proposed by Contractor does not qualify as an "or-equal" item, Contractor may request that City consider the item a proposed substitution pursuant to Paragraph 7.07.

#### 7.07 Substitutions

- A. *Contractor's Request; Governing Criteria*: Unless the specification or description of an item of equipment or material required to be furnished under the Contract Documents contains or is followed by words reading that no substitution is permitted, Contractor may request that City permit the use of other items of equipment or material under the circumstances described below. To the extent possible such requests must be made before commencement of related Work at the Site.
  - 1. Contractor shall submit sufficient information as provided below to allow City to determine if the item of material or equipment proposed is functionally equivalent to that named and an acceptable substitution therefor. City will not accept requests for review of proposed substitute items of equipment or material from anyone other than Contractor.
  - 2. The requirements for review by City will be as set forth in Paragraph 7.07.B, as supplemented by the Specifications, and as City may decide is appropriate under the circumstances.
  - 3. Contractor shall make written application to City for review of a proposed substitute item of equipment or material that Contractor seeks to furnish or use. The application shall comply with Section 01 25 00 and:
    - a. will certify that the proposed substitute item will:
      - 1) perform adequately the functions and achieve the results called for by the general design;
      - 2) be substantially similar in substance to the item specified; and

- 3) be well-suited to the same use as the item specified.
  - b. will state:
    - 1) the extent, if any, to which the use of the proposed substitute item will adversely impact Contractor's achievement of Final Acceptance on or before the Contract Time;
    - 2) whether use of the proposed substitute item in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with City for other work on the Project) to adapt the design to the proposed substitute item; and
    - 3) whether incorporation or use of the proposed substitute item in connection with the Work is subject to payment of any license fee or royalty.
  - c. will identify:
    - 1) all variations of the proposed substitute item from the item specified; and
    - 2) available engineering, sales, maintenance, repair, and replacement services.
  - d. will contain an itemized estimate of all costs or credits that will result directly or indirectly from use of such substitute item, including but not limited to changes in Contract Price, shared savings, costs of redesign, and Damage Claims of other contractors affected by any resulting change.
- B. *City's Evaluation and Determination:* City will be allowed a reasonable time to evaluate each substitution request. City may require Contractor to furnish additional data about the proposed substitute item. City will be the sole judge of acceptability. No substitute will be ordered, furnished, installed, or utilized until City's review is complete and City determines that the proposed item is an acceptable substitution. City's approval determination will be evidenced by a Change Order accounting for the substitution itself and all related impacts, including changes in Contract Price or Contract Time. City will advise Contractor in writing of any denial determination.
- C. *Special Guarantee:* City may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitution. ***Contractor shall indemnify and hold harmless City and its officers, elected and appointed officials, employees, agents, consultants and subcontractors and anyone directly or indirectly employed by them from and against any and all claims, damages, losses and expenses (including attorney's fees) arising out of or relateds to the use of substituted materials or equipment.***
- D. *Reimbursement of City's Cost:* City will record City's costs in evaluating a substitution proposed or submitted by Contractor. Whether or not City approves a substitute so proposed or submitted by Contractor, Contractor shall reimburse City for evaluating each such proposed substitute. Contractor shall also reimburse City for the charges for making changes in the Contract Documents (or in the provisions of any other direct contract with City) resulting from the acceptance of each proposed substitute.
- E. *Contractor's Expense:* Contractor shall provide all data in support of any proposed substitute at Contractor's expense.

- ## 7.08 Concerning Subcontractors and Suppliers

- CITY OF DENTON  
STANDARD CONSTRUCTION SPECIFICATION DOCUMENTS  
Revised *November 27, 2025*

- H. All Work performed for Contractor by a Subcontractor or Supplier must be pursuant to an appropriate contractual agreement that specifically binds the Subcontractor or Supplier to the applicable terms and conditions of the Contract for the benefit of City. Contractor must comply with all applicable federal, state, and local laws, statutes, ordinances or regulations, including but not limited to immigration laws, workers compensation laws and wage laws, in the hiring of any Subcontractor or Supplier and shall ensure that each Subcontractor or Supplier has the same obligations.
- I. Contractor shall restrict all Subcontractors and Suppliers from communicating with City, except through Contractor or in case of an emergency, or as otherwise expressly allowed in this Contract.

#### 7.09 *Wage Rates*

- A. *Duty to pay Prevailing Wage Rates:* The Contractor shall comply with all requirements of Chapter 2258, Texas Government Code (as amended), including the payment of not less than the rates determined by the City Council of the City of Denton to be the prevailing wage rates in accordance with Chapter 2258. The then current prevailing wage rates at the time of execution of the Agreement are included in these Contract Documents.
- B. *Penalty for Violation:* A Contractor or any Subcontractor who does not pay the prevailing wage shall, upon demand made by the City, pay to the City \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the prevailing wage rates stipulated in these contract documents. This penalty shall be retained by the City to offset its administrative costs, pursuant to Texas Government Code Section 2258.023.
- C. *Complaints of Violations and City Determination of Good Cause:* On receipt of information, including a complaint by a worker, concerning an alleged violation of Section 2258.023, Texas Government Code, by a Contractor or Subcontractor, the City shall make an initial determination, before the 31st day after the date the City receives the information, as to whether good cause exists to believe that the violation occurred. The City shall notify in writing the Contractor or Subcontractor and any affected worker of its initial determination. Upon the City's determination that there is good cause to believe the Contractor or Subcontractor has violated Chapter 2258, the City shall retain the full amounts claimed by the claimant or claimants as the difference between wages paid and wages due under the prevailing wage rates, such amounts being retained from successive progress payments pending a final determination of the violation.
- D. *Arbitration Required if Violation Not Resolved:* An issue relating to an alleged violation of Section 2258.023, Texas Government Code, including a penalty owed to the City or an affected worker, shall be submitted to binding arbitration in accordance with the Texas General Arbitration Act (Article 224 et seq., Revised Statutes) if the Contractor or Subcontractor and any affected worker does not resolve the issue by agreement before the 15th day after the date the City makes its initial determination pursuant to Paragraph 7.09.C. If the persons required to arbitrate under this section do not agree on an arbitrator before the 11th day after the date that arbitration is required, a district court shall appoint an arbitrator on the petition of any of the persons. The City is not a party in the arbitration. The decision and award of the arbitrator is final and binding on all parties and may be enforced in any court of competent jurisdiction.

- E. *Records to be Maintained:* The Contractor and each Subcontractor shall, for a period of three (3) years following the date of Final Acceptance, maintain records that show (i) the name and occupation of each worker employed by the Contractor in the construction of the Work provided for in this Contract; and (ii) the actual per diem wages paid to each worker. The records shall be available in Denton County, Texas at all reasonable hours for inspection by the City. The provisions of Paragraph 7.23, Right to Audit, shall pertain to this inspection.
- F. *Progress Payments:* With each progress payment request or payroll period, whichever is less, the Contractor shall submit an affidavit stating that the Contractor has complied with the requirements of Chapter 2258, Texas Government Code.
- G. *Posting of Wage Rates:* The Contractor shall post prevailing wage rates in a conspicuous place at the Site at all times.
- H. *Subcontractor Compliance:* The Contractor shall include in its subcontracts and/or shall otherwise require all of its Subcontractors to comply with Paragraphs 7.09.A through 7.09.G.

#### 7.10 *Patent Fees and Royalties*

- A. Contractor shall pay all patent or license fees and royalties and pay all costs incident to the use in the performance of the Work or the incorporation in the Work of any invention, design, process, product, or device which is the subject of patent rights or copyrights held by others. If an invention, design, process, product, or device is specified in the Contract Documents for use in the performance of the Work and if, to the actual knowledge of City, its use is subject to patent rights or copyrights calling for the payment of any patent or license fee or royalty to others, the existence of such rights will be disclosed in the Contract Documents. Failure of the City to disclose such information does not relieve the Contractor from its obligations to pay said fees or, royalties or costs to others.
- B. ***TO THE FULLEST EXTENT PERMITTED BY LAWS AND REGULATIONS, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY, AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, DIRECTORS, MEMBERS, PARTNERS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS OF EACH AND ANY OF THEM, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES (INCLUDING BUT NOT LIMITED TO ALL FEES AND CHARGES OF ENGINEERS, ARCHITECTS, ATTORNEYS, AND OTHER PROFESSIONALS AND ALL COURT OR ARBITRATION OR OTHER DISPUTE RESOLUTION COSTS) ARISING OUT OF OR RELATING TO ANY INFRINGEMENT OF PATENT RIGHTS OR COPYRIGHTS INCIDENT TO THE USE IN THE PERFORMANCE OF THE WORK OR RESULTING FROM THE INCORPORATION IN THE WORK OF ANY INVENTION, DESIGN, PROCESS, PRODUCT, OR DEVICE.***

#### 7.11 *Permits and Utilities*

- A. *Contractor obtained permits and licenses.* Unless otherwise expressly provided in the Contract Documents, Contractor shall obtain and pay for all construction permits and licenses. City shall provide reasonable assistance to Contractor, if necessary, in obtaining such permits and licenses. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work applicable at the time the Notice of Award is issued, except for permits provided by the City as specified in Paragraph 7.11.B. City shall pay the charges of utility service providers for connections for providing permanent service to the Work.

- B. *City obtained permits and licenses.* City will obtain and pay for those permits and licenses identified as City's responsibility in the Supplementary Conditions or Contract Documents. It will be the Contractor's responsibility to comply with and carry out the provisions of the permit. If the Contractor initiates changes to the Contract and the City approves the changes, the Contractor is responsible for obtaining clearances and coordinating with the appropriate regulatory agency, relating to the changes. The City will not reimburse the Contractor for any cost associated with the requirements of any City acquired permit. The following are permits the City will obtain if required:
1. Texas Department of Transportation Permits
  2. U.S. Army Corps of Engineers Permits
  3. Texas Commission on Environmental Quality Permits
  4. Railroad Company Permits
  5. Texas Department of Licensing and Regulation (TDLR) Permits
- C. *Outstanding permits and licenses.* Any outstanding permits and licenses are anticipated to be acquired in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding permits and licenses.

#### 7.12 Taxes

- A. On issuance of a Notice of Award by the City, an organization which qualifying for exemption pursuant to Texas Tax Code, Subchapter H (as amended), the Contractor may purchase, rent or lease all materials, supplies and equipment used or consumed in the performance of this contract by issuing to hisits Supplier an exemption certificate in lieu of the tax, said exemption certificate to comply with State Comptroller's Rulings applicable to Texas Tax Code, Subchapter H. Any such exemption certificate issued to the Contractor in lieu of the tax shall be subject to and shall comply with all applicable rulings pertaining to the Texas Tax Code, Subchapter H.
- B. Texas tax permits and information may be obtained from:
1. Comptroller of Public Accounts  
Sales Tax Division  
Capitol Station  
Austin, TX 78711; or
  2. <http://www.window.state.tx.us/taxinfo/taxforms/93-forms.html>

#### 7.13 Laws and Regulations

- A. Contractor shall give all notices required by and shall comply with all Laws and Regulations applicable to the performance of the Work. Except where otherwise expressly required by applicable Laws and Regulations, City shall not be responsible for monitoring Contractor's compliance with any Laws and Regulations.
- B. If Contractor performs any Work or takes any other action knowing or having reason to know that it is contrary to Laws and Regulations, Contractor shall be liable for all resulting claims, costs losses, and damages, and shall indemnify and hold harmless City, and its officers, elected

and appointed officials, directors, members, partners, employees, agents, consultants, and subcontractors of each and any of them, from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such Work or other action.

- C. Changes in Laws and Regulations not known at the time of the City's issuance of a Notice of Award having an effect on the cost or time of performance of the Work may be the subject of an adjustment in Contract Price or Contract Time.

#### 7.14 *Record Documents*

- A. Contractor shall maintain in a safe place at the Site one printed record copy of all Drawings, Specifications, Addenda, Change Orders, Field Orders, written interpretations and clarifications, and approved Shop Drawings. Contractor shall keep such record documents in good order and annotate them to show changes made during construction. Contractor shall include accurate locations for buried and imbedded items. These record documents, together with all approved Samples, will be available to City for reference. Upon completion of the Work, Contractor shall deliver these record documents to City prior to Final Inspection.

#### 7.15 *Safety and Protection*

- A. As between City and Contractor, Contractor shall be responsible for the safety of persons and property in the performance of the Work, for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work and for compliance with applicable safety Laws and Regulations.
- B. Contractor shall designate a qualified and experienced safety representative whose duties and responsibilities are the prevention of Work-related accidents and the maintenance and supervision of safety precautions and programs. Contractor shall inform the City in writing of Contractor's designated safety representative at the Site.
- C. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:
  - 1. all persons on the Site or who may be affected by the Work;
  - 2. all the Work and materials and equipment to be incorporated therein, whether in storage on or off the Site; and
  - 3. other property at the Site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, other work in progress, utilities, and Underground Facilities not designated for removal, relocation, or replacement in the course of construction.
- D. All damage, injury, or loss to any property referred to in Paragraph 7.1515.C.2 or 7.1515.C.3 caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, Supplier, or any other individual or entity directly or indirectly employed by any of them to perform any of the Work, or anyone for whose acts any of them may be liable, shall be the responsibility of and remedied by Contractor at its expense.
- E. Contractor shall comply with all applicable Laws and Regulations relating to the safety of persons or property, or to the protection of persons or property from damage, injury, or loss;

and shall implement, erect and maintain all necessary safeguards for such safety and protection.

- F. Contractor shall notify City; the owners of adjacent property; the owners of Underground Facilities and other utilities (if the identity of such owners is known to Contractor); and other contractors and utility owners performing work at or adjacent to the Site, in writing, when Contractor knows that prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, and replacement of their property or work in progress.
- G. Contractor shall comply with the applicable requirements of City's safety programs, if any.
- H. Contractor shall inform City in advance in writing of the specific requirements of Contractor's safety program with which City's and Engineer's employees and representatives must comply while at the Site.
- I. Contractor's duties and responsibilities for safety and protection will continue until all the Work is completed and City has issued a Letter of Final Acceptance.
- J. Contractor's duties and responsibilities for safety and protection will resume whenever Contractor or any Subcontractor or Supplier returns to the Site to fulfill warranty or correction obligations, or to conduct other tasks arising from the Contract Documents.

#### 7.16 *Hazard Communication Programs*

- A. Contractor shall be responsible for coordinating any exchange of safety data sheets (formerly known as material safety data sheets) or other hazard communication information required to be made available to or exchanged between or among employers at the Site in accordance with Laws and Regulations.

#### 7.17 *Emergencies and/or Rectification*

- A. In the event of threatened or actual emergencies affecting the safety or protection of persons or the Work or property at the Site or adjacent thereto, Contractor is obligated to immediately act to prevent damage, injury, or loss. Contractor shall give City prompt written notice if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused by an emergency or are required as a result of Contractor's response to an emergency. If City determines that a change in the Contract Documents is required because of an emergency or Contractor's response, a Change Order may be issued.
- B. Should the Contractor fail to respond to a request from the City to rectify any discrepancies, omissions, or correction necessary to conform with the requirements of the Contract Documents, the City shall give the Contractor written notice that such work or changes are to be performed. The written notice shall direct attention to the discrepant condition and request the Contractor to take remedial action to correct the condition. In the event the Contractor does not take proper action within 24 hours to fulfill this written request or fails to show just cause for not taking the proper action, within 24 hours, the City may take such remedial action with City resources or by contract. The City shall deduct an amount equal to the entire cost for such remedial action, plus 25% from any funds due or to become due the Contractor on the Project.

### 7.18 Submittals

- A. *Submittal Procedures for Shop Drawings and Samples:* Contractor shall submit required Submittals to City for review and acceptance in accordance with the accepted Schedule of Submittals (as required by Paragraph 2.03).
1. Contractor shall submit the Submittals in accordance with Section 01 33 00 of the General Requirements.
  2. Data shown on the Submittals must be complete with respect to quantities, dimensions, specified performance and design criteria, materials, and similar data to demonstrate to City the services, materials, and equipment Contractor proposes to provide, and to enable City to review the information for the limited purposes required by Paragraph 7.18.C.
  3. Submittals reviewed and accepted by City for conformance with the design concept shall be executed in conformity with the Contract Documents unless otherwise required by City.
  4. When Submittals are submitted for the purpose of showing the installation in greater detail, their review shall not excuse Contractor from requirements shown on the Drawings and Specifications.
  5. For-Information-Only submittals upon which the City is not expected to conduct a review or take responsive action may be so identified in the Contract Documents.
  6. Contractor shall submit the required number of Samples specified in the Specifications.
  7. Contractor shall clearly identify each Sample as to material, Supplier, pertinent data such as catalog numbers, the use for which it is intended and other data as City may require to enable City to review the Submittal for the limited purposes set forth in Paragraph 7.18.C.
- B. Where a Submittal is required by the Contract Documents or the Schedule of Submittals, any related Work performed prior to City's review and acceptance of the pertinent submittal will be at the sole risk, expense and responsibility of Contractor.
- C. City's Review
1. City will provide timely review of Submittals in accordance with the accepted Schedule of Submittals. City's review and acceptance will be to determine if the items covered by the Submittals will, after installation or incorporation in the Work, comply with the requirements of the Contract Documents, and be compatible with the design concept of the completed Project as a functioning whole as indicated by the Contract Documents.
  2. City's review and acceptance will not extend to means, methods, techniques, sequences, or procedures of construction (except where a particular means, method, technique, sequence or procedure of construction is specifically and expressly called for by the Contract Documents), or to safety precautions or programs incident thereto.
  3. City's review and acceptance of a separate item as such will not indicate approval of the assembly in which the item functions.
  4. City's review and acceptance of a Submittal will not relieve Contractor from responsibility for any variation from the requirements of the Contract Documents unless Contractor has complied with the requirements of Section 01 33 00 of the General

Requirements, and City has given written acceptance of each such variation by specific written notation thereof incorporated in or accompanying the Submittal.

5. City's review and acceptance of a Submittal will not relieve Contractor from responsibility for complying with the requirements of the Contract Documents.
6. City's review and acceptance of a Submittal, or of a variation from the requirements of the Contract Documents, will not, under any circumstances, change the Contract Time or Contract Price, unless such changes are included in a Change Order.
7. Neither City's receipt, review, or acceptance of a Submittal will result in such item becoming a Contract Document.
8. Contractor shall perform the Work in compliance with the requirements and commitments set forth in accepted Submittals, subject to the provisions of Section 01 33 00 of the General Requirements.

7.19 *Continuing the Work*

- A. Except as otherwise provided, Contractor shall carry on the Work and adhere to the Project Schedule during all disputes or disagreements with City. No Work shall be delayed or postponed pending resolution of any disputes or disagreements, except as City and Contractor may otherwise agree in writing.

7.20 *Contractor's General Warranty and Guarantee*

- A. Contractor warrants and guarantees to City that all Work will be in accordance with the Contract Documents and will not be defective. City and its officers, elected and appointed officials, directors, members, partners, employees, agents, consultants, and subcontractors shall be entitled to rely on Contractor's warranty and guarantee.
- B. Contractor's warranty and guarantee hereunder excludes defects or damage caused by:
  1. abuse, or improper modification, maintenance, or operation, by persons other than Contractor, Subcontractors, Suppliers, or any other individual or entity for whom Contractor is responsible; or
  2. normal wear and tear under normal usage.
- C. Contractor's obligation to perform and complete the Work in accordance with the Contract Documents is absolute. None of the following will constitute an acceptance of Work that is not in accordance with the Contract Documents, a release of Contractor's obligation to perform the Work in accordance with the Contract Documents, or a release of Contractor's warranty and guarantee under this Paragraph 7.20:
  1. Observations by Engineer or City;
  2. Recommendation by Engineer or payment by City of any progress or final payment;
  3. The issuance of a letter or certificate of Final Acceptance by City or any payment related thereto by City;
  4. Use or occupancy of the Work or any part thereof by City;
  5. Any review and acceptance of a Submittal by City;

- 6. Any inspection, test, or acceptance by others; or
  - 7. Any correction of defective Work by City.
- D. The Contractor shall remedy any defects or damages in the Work and pay for any damage to other work or property resulting therefrom which shall appear within a period of two (2) years from the date of Final Acceptance of the Work unless a longer period is specified. Contractor shall furnish a good and sufficient maintenance bond, complying with the requirements of Paragraph 6.02.B. The City will give notice of observed defects with reasonable promptness.

#### 7.21 Indemnification

- A. **CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS AND ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM , FROM AND AGAINST ANY AND ALL CLAIMS FOR PERSONAL OR BODILY INJURY OR DEATH, ARISING OUT OF OR RELATED TO, OR ALLEGED TO ARISE OUT OF OR BE RELATED TO, THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THESE CONTRACT DOCUMENTS. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY, OR ITS OFFICERS, ELECTED OR APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS OR SUBCONTRACTORS OR ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM. THIS INDEMNITY PROVISION IS INTENDED TO INCLUDE, WITHOUT LIMITATION, INDEMNITY FOR COSTS, EXPENSES AND LEGAL FEES INCURRED IN DEFENDING AGAINST SUCH CLAIMS AND CAUSES OF ACTIONS.**
- B. **CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY AND HOLD HARMLESS, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS AND ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM FROM AND AGAINST ANY AND ALL LOSS, DAMAGE OR DESTRUCTION OF PROPERTY OF THE CITY, ARISING OUT OF OR RELATED TO, OR ALLEGED TO ARISE OUT OF OR BE RELATED TO, THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THIS CONTRACT. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY OR ITS OFFICERS, ELECTED OR APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS OR SUBCONTRACTORS OR ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM.**

## 7.22 *Delegation of Professional Design Services*

- A. Contractor will not be required to provide professional design services unless such services are specifically required by the Contract Documents for a portion of the Work or unless such services are required to carry out Contractor's responsibilities for construction means, methods, techniques, sequences and procedures.
- B. If professional design services or certifications by a design professional related to systems, materials or equipment are specifically required of Contractor by the Contract Documents, City will specify all performance and design criteria that such services must satisfy. Contractor shall cause such services or certifications to be provided pursuant to the professional standard of care by a properly licensed design professional, whose signature and seal must appear on all drawings, calculations, specifications, certifications, and Submittals prepared by such design professional. Such design professional must issue all certifications of design required by Laws and Regulations.
- C. If a Submittal related to the requirements indicated in Paragraph 7.22.B is prepared by Contractor, a Subcontractor, or others for submittal to City, then such Submittal must bear the written approval of Contractor's design professional when submitted by Contractor to City.
- D. City shall be entitled to rely upon the adequacy, accuracy, and completeness of the services, certifications, and approvals performed or provided by the design professionals retained or employed by Contractor under the conditions indicated in Paragraph 7.22.B, subject to the professional standard of care and the performance and design criteria stated in the Contract Documents.
- E. Pursuant to this Paragraph 7.22, City's review, acceptance, and other determinations regarding design drawings, calculations, specifications, certifications, and other Submittals furnished by Contractor pursuant to the conditions indicated in Paragraph 7.22.B, will be only for the following limited purposes:
  - 1. Checking for conformance with the requirements of this Paragraph 7.22;
  - 2. Confirming that Contractor (through its design professionals) has used the performance and design criteria specified in the Contract Documents; and
  - 3. Establishing that the design furnished by Contractor is consistent with the design concept expressed in the Contract Documents.

## 7.23 *Right to Audit*

- A. The City shall have the right to audit and make copies of the books, records and computations pertaining to the Contract. The Contractor shall retain such books, records, documents and other evidence pertaining to the Contract during the term of the Contract and for five years thereafter, except if an audit is in progress or audit findings are yet unresolved, in which case records shall be kept until all audit tasks are completed and resolved. These books, records, documents and other evidence shall be made available, in Denton County, Texas within ten (10) Business Days of City's written request. Further, the Contractor shall also require all Subcontractors, material suppliers, and other payees to retain all books, records, documents and other evidence pertaining to the Contract, and to allow the City similar access to those documents. All books and records will be made available within Denton County, Texas. Except as otherwise provided herein, the cost of the audit will be borne by the City

unless the audit reveals an overpayment of 1% or greater. If the City is undertaking an audit or inspection pursuant to Paragraph 7.09 or if an overpayment of 1% or greater occurs, the City's reasonable cost of the audit, including any travel costs, must be paid by the Contractor within five (5) Business Days of receipt of City's invoice for such costs.

- B. Failure to comply with the provisions of this section shall be a material breach of the Contract and shall constitute, in the City's sole discretion, grounds for termination thereof. Each of the terms "books", "records", "documents" and "other evidence", as used above, shall be construed to include drafts and electronic files, even if such drafts or electronic files are subsequently used to generate or prepare a final printed document.

#### 7.24 *Nondiscrimination*

- A. The City is responsible for operating Public Transportation Programs and implementing transit-related projects, funded in part with Federal financial assistance awarded by the U.S. Department of Transportation and the Federal Transit Administration (FTA), without discriminating against any person in the United States on the basis of race, color, or national origin.
- B. Contractor shall comply with the requirements of *Title VI, Civil Rights Act of 1964 as amended* and the regulations promulgated thereunder, as may be further defined in the Supplementary Conditions, for any project receiving Federal assistance.

### **ARTICLE 8 – OTHER WORK AT THE SITE**

#### 8.01 *Other Work*

- A. In addition to and apart from the Work under the Contract Documents, the City may perform other work at or adjacent to the Site. Such other work may be performed by City's employees, or through contracts between the City and third parties. City may also arrange to have third-party utility owners perform work on their utilities and facilities at or adjacent to the Site.
- B. If City performs other work at or adjacent to the Site with City's employees, or through contracts for such other work, then City shall give Contractor written notice thereof prior to starting any such other work, if such other work is not noted in the Contract Documents.
- C. Contractor shall afford proper and safe access to the Site to each contractor that performs such other work, each utility owner performing other work, and City, if City is performing other work with City's employees, and provide a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such other work.
- D. Contractor shall do all cutting, fitting, and patching of the Work that may be required to properly connect or otherwise make its several parts come together and properly integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering such work; provided, however, that Contractor may cut or alter others' work with the written consent of City and the others whose work will be affected.
- E. If the proper execution or results of any part of Contractor's Work depends upon work performed by others, Contractor shall inspect such other work and promptly report to City in writing any delays, defects, or deficiencies in such other work that render it unavailable or unsuitable for the proper execution and results of Contractor's Work. Contractor's failure to so report will constitute an acceptance of such other work as fit and proper for integration with

Contractor's Work except for latent defects and deficiencies in such other work that could not have been discovered through a proper inspection.

- F. The provisions of this Article 8 are not applicable to work that is performed by third-party utilities or other third-party entities without a contract with City, or that is performed without having been arranged by City. If such work occurs, then any related delay, disruption, or interference incurred by Contractor is governed by the provisions of Paragraph 4.03.D.3.

#### 8.02 *Coordination*

- A. If City intends to contract with others for the performance of other work at or adjacent to the Site, to perform other work at or adjacent to the Site with City's employees, or to arrange to have utility owners perform work at or adjacent to the Site, the following will be set forth in the Supplementary Conditions or provided to Contractor prior to the start of any such other work:
  - 1. The identity of the individual or entity that will have authority and responsibility for coordination of the activities among the various contractors;
  - 2. An itemization of the specific matters to be covered by such authority and responsibility; and
  - 3. The extent of such authority and responsibilities.
- B. Unless otherwise provided in the Supplementary Conditions, City shall have authority for such coordination.

#### 8.03 *Legal Relationships*

- A. Contractor shall take reasonable and customary measures to avoid damaging, delaying, disrupting, or interfering with the work of City, any other contractor, or any utility owner performing other work at or adjacent to the Site.
  - 1. When City is performing other work at or adjacent to the Site with City's employees, Contractor shall be liable to City for damage to such other work, and for the reasonable direct delay, disruption, and interference costs incurred by City as a result of Contractor's failure to take reasonable and customary measures with respect to City's other work.
- B. If Contractor damages, delays, disrupts, or interferes with the work of any other contractor, or any utility owner performing other work at or adjacent to the Site, through Contractor's failure to take reasonable and customary measures to avoid such impacts, or if any Damage Claim arising out of Contractor's actions, inactions, or negligence in performance of the Work at or adjacent to the Site is made by any such other contractor or utility owner against Contractor, City, or Engineer, then Contractor shall (1) promptly attempt to settle the claim as to all parties through negotiations with such other contractor or utility owner, or otherwise resolve the claim by arbitration or other dispute resolution proceeding or at law, and (2) indemnify, defend and hold harmless City and Engineer, and the officers, elected and appointed officials, directors, members, partners, employees, agents, consultants and subcontractors of each and any of them from and against any such claims, and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such damage, delay, disruption, or interference.

**ARTICLE 9 – CITY’S RESPONSIBILITIES****9.01    *Communications to Contractor***

- A. Except as otherwise provided in the Supplementary Conditions, City shall issue all communications to Contractor.

**9.02    *Furnish Data***

- A. City shall promptly furnish the data required of City under the Contract Documents.

**9.03    *Pay When Due***

- A. City shall make payments to Contractor when they are due in accordance with and subject to the provisions of Article 14.

**9.04    *Lands and Easements; Reports, Tests, and Drawings***

- A. City’s duties with respect to providing lands and easements are set forth in Paragraph 5.01.
- B. Article 5 refers to City’s identifying and making available to Contractor copies of reports of explorations and tests of subsurface conditions at the Site, and drawings of physical conditions relating to existing surface or subsurface structures at or contiguous to the Site that have been utilized by City in preparing the Contract Documents.

**9.05    *Change Orders***

- A. City’s responsibilities with respect to Change Orders are set forth in Article 11.

**9.06    *Inspections, Tests, and Approvals***

- A. City’s responsibility with respect to certain inspections, tests, and approvals is set forth in Paragraph 13.02.DD.

**9.07    *Limitations on City’s Responsibilities***

- A. The City shall not supervise, direct, or have control or authority over, nor be responsible for, Contractor’s means, methods, techniques, sequences, or procedures of construction, or the safety precautions and programs incident thereto, or for any failure of Contractor to comply with Laws and Regulations applicable to the performance of the Work. City will not be responsible for Contractor’s failure to perform the Work in accordance with the Contract Documents.

**9.08    *Undisclosed Hazardous Environmental Condition***

- A. City’s responsibility in respect to an undisclosed Hazardous Environmental Condition is set forth in Paragraph 5.06.

**9.09    *Compliance with Safety Program***

- A. While at the Site, City’s employees and representatives shall comply with the specific applicable requirements of Contractor’s safety programs of which City has been informed in advance in writing pursuant to Paragraph 7.15.

**ARTICLE 10 – CITY’S OBSERVATION DURING CONSTRUCTION****10.01** *City’s Project Manager or Duly Authorized Representative*

- A. City will provide a Project Manager or duly authorized representative during the construction period. The duties and responsibilities and the limitations of authority of City’s Project Manager or duly appointed representative during construction are set forth in the Contract Documents.
- B. City’s Project Manager for these Contract Documents is as set forth in the Supplementary Conditions. City will establish a duly authorized representative at the Preconstruction Meeting in accordance with Section 01 31 19 of the General Requirements.

**10.02** *Visits to Site*

- A. City will make visits to the Site at intervals appropriate to the various stages of construction as City deems necessary in order to observe the progress that has been made and the quality of the various aspects of Contractor’s executed Work. Based on information obtained during such visits and observations, City will determine, in general, if the Work is proceeding in accordance with the Contract Documents. City will not be required to make exhaustive or continuous inspections on the Site to check the quality or quantity of the Work. City’s efforts will be directed toward providing City a greater degree of confidence that the completed Work will conform generally to the Contract Documents.
- B. City’s visits and observations are subject to all the limitations on City’s responsibility set forth in Paragraph 9.07. Particularly, but without limitation, during or as a result of City’s visits or observations of Contractor’s Work, City will not supervise, direct, control, or have authority over or be responsible for Contractor’s means, methods, techniques, sequences, or procedures of construction, or the safety precautions and programs incident thereto, or for any failure of Contractor to comply with Laws and Regulations applicable to the performance of the Work.

**10.03** *Determinations for Work Performed*

- A. As applicable, Contractor will determine the actual quantities and classifications of Work performed.. City’s Project Manager or duly authorized representative will review with Contractor the preliminary determinations on such matters before rendering a written recommendation. City’s written decision will be final (except as modified to reflect changed factual conditions or more accurate data).

**10.04** *Decisions on Requirements of Contract Documents and Acceptability of Work*

- A. City will be the interpreter of the requirements of the Contract Documents and judge the acceptability of the Work thereunder.
- B. City will render a written decision on any issue referred.
- C. City’s written decision on the issue referred will be final and binding on the Contractor, subject to the provisions of Paragraph 11.07.

**ARTICLE 11 – CHANGES IN THE WORK; CLAIMS; EXTRA WORK****11.01 *Amending and Supplementing the Contract***

- A. The Contract may be amended to provide for additions, deletions, and revisions in the Work or to modify the terms and conditions thereof, including in the Contract Price or Contract Time, but such amendment will be made by Change Order only.
- B. The requirements of the Contract Documents may be supplemented, and minor variations and deviations in the Work not involving a change in Contract Price or Contract Time, may be authorized, by one of the following ways:
  - 1. A Field Order; or
  - 2. City's review of a Submittal (subject to the provisions of Paragraph 7.18.C); or
  - 3. City's written interpretation or clarification.

**11.02 *Execution of Change Orders***

- A. City and Contractor shall execute appropriate Change Orders covering:
  - 1. Changes in the Contract Price or Contract Time which are agreed to by the parties, including any undisputed sum or amount of time for Work actually performed..
  - 2. Changes in the Work which are: (a) ordered by City pursuant to Paragraph 11.04, (b) required because of City's acceptance of defective Work under Paragraph 13.05 or City's correction of defective Work under Paragraph 13.08, or (c) as otherwise agreed to by the parties.

**11.03 *Field Orders***

- A. City may authorize minor variations and deviations in changes in the Work if the changes do not involve an adjustment in the Contract Price or the Contract Time and are compatible with the design concept of the completed Project as a functioning whole as indicated by the Contract Documents. Such changes will be accomplished by a Field Order and will be binding on both the City and Contractor, which shall perform the Work involved promptly.

**11.04 *Authorized Changes in the Work – Extra Work***

- A. Without invalidating the Contract and without notice to any surety, City may, at any time or from time to time, order Extra Work. Upon notice of such Extra Work, Contractor shall proceed with the Work involved only upon receiving written notice from City. Extra Work will be performed under the applicable conditions of the Contract Documents (except as otherwise specifically provided). Extra Work shall be memorialized by a Change Order which may or may not precede an order of Extra Work.
- B. For minor changes of Work not requiring changes to Contract Time or Contract Price, a Field Order may be issued by City.

**11.05 *Unauthorized Changes in the Work***

- A. Contractor shall not be entitled to an increase in the Contract Price or an extension of the Contract Time with respect to any work performed that is not required by the Contract

Documents, as amended, modified, or supplemented as allowed herein, except in certain cases of an emergency as provided in Paragraph 7.17.A.

#### 11.06 *Dispute of Extra Work*

- A. Should a difference arise as to what does or does not constitute Extra Work, or as to the payment for such Extra Work, and the City requires its performance, the Contractor shall proceed with the Extra Work after making written request for a Change Order and shall keep accurate account of the actual reasonable cost thereof. Contract Claims regarding Extra Work shall be made pursuant to Paragraph 11.07.
- B. The Contractor shall furnish the City such records of all deviations from the original Contract Documents as may be necessary to enable the City to prepare for permanent record a corrected set of plans showing the actual work performed.
- C. The compensation agreed upon for Extra Work whether or not initiated by a Change Order shall be the full, complete and final payment for all charges, fees and costs Contractor incurs as a result of or relating to the Extra Work, whether said charges, fees or costs are known, unknown, foreseen or unforeseen at that time, including without limitation, any charges, fees or costs for delay, extended overhead, ripple or impact cost, or any other effect on changed or unchanged work as a result of the Extra Work.

#### 11.07 *Contract Claims Process*

- A. *City's Decision Required:* All Contract Claims, except those waived pursuant to Paragraph 14.08, shall be referred to the City for decision. A decision by City shall be required as a condition precedent to any exercise by Contractor of any rights or remedies he may otherwise have under the Contract Documents or by Laws and Regulations in respect of such Contract Claims.
- B. *Notice:*
  - 1. Written notice stating the general nature of each Contract Claim shall be delivered by the Contractor to City no later than 15 days after the start of the event giving rise thereto. The responsibility to substantiate a Contract Claim shall rest with the party making the Contract Claim.
  - 2. Notice of the amount or extent of the Contract Claim, with supporting data shall be delivered to the City no later than 45 days after the start of the event giving rise thereto (unless the City notifies Contractor in writing that City will allow additional time for Contractor to submit additional or more accurate data in support of such Contract Claim).
  - 3. A Contract Claim for an adjustment in Contract Price shall be prepared in accordance with the provisions of Paragraph 11.08.
  - 4. A Contract Claim for an adjustment in Contract Time shall be prepared in accordance with the provisions of Paragraph 11.09.
  - 5. Each Contract Claim shall be accompanied by Contractor's written statement that the adjustment claimed is the entire adjustment to which the Contractor believes it is entitled as a result of said event.

6. The City shall submit any response to the Contractor within 30 days after receipt of the Contractor's last submittal (unless in connection with the Contract Claim (unless Contractor allows the City additional time to submit a response).
- C. *City's Action:* City will review each Contract Claim and, within 30 days after receipt of the last submittal of the Contractor unless action by City's Council is required, take one of the following actions in writing:
  1. deny the Contract Claim in whole or in part;
  2. approve the Contract Claim; or
  3. notify the Contractor that the City is unable to resolve the Contract Claim if, in the City's sole discretion, it would be inappropriate for the City to do so. For purposes of further resolution of the Contract Claim, such notice shall be deemed a denial.
- D. City's written action under this Paragraph 11.07 will be final and binding, unless City or Contractor invoke the dispute resolution procedure set forth in Article 16 within 30 days of such action or denial.
- E. No Contract Claim for an adjustment in Contract Price or Contract Time will be valid if not submitted in accordance with this Paragraph 11.07.
- F. If the City fails to take any action pursuant to this Paragraph 11.07, the Contract Claim is considered to have been denied by the City.

#### 11.08 *Change of Contract Price*

- A. The Contract Price may only be changed by a Change Order.
- B. TheThe value of any Work covered by a Change Order will be determined as follows:
  1. Where the Work involved is covered by unit prices contained in the Contract Documents, then by application of such unit prices to the quantities of the items involved (subject to the provisions of Paragraph 12.03);
  2. Where the Work involved is not covered by unit prices contained in the Contract Documents, then by a mutually agreed lump sum or unit price (which may include an allowance for overhead and profit not necessarily in accordance with Paragraph 11.08.C.2), and shall include the cost of any secondary impacts that are foreseeable at the time of pricing the cost of Extra Work; or
  3. Where the Work involved is not covered by unit prices contained in the Contract Documents and the parties do not reach mutual agreement to a lump sum or unit price, then on the basis of the Cost of the Work (determined as provided in Paragraph 12.01) plus a Contractor's fee for overhead and profit (determined as provided in Paragraph 11.08.C).
- C. *Contractor's Fee:* The Contractor's fee for overhead and profit will be determined as follows:
  1. A mutually acceptable fixed fee; or
  2. If a fixed fee is not agreed upon, then a fee based on the following percentages of the various portions of the Cost of the Work:

- a. For costs incurred under Paragraphs 12.01.B.1, 12.01.B.2, and 12.01.B.3, the Contractor's fee will be 15 percent except for:
  - 1) rental fees for Contractor's own equipment; and
  - 2) bonds and insurance;
- b. For costs incurred under Paragraph 12.01.B.4, the Contractor's fee will be 5 percent;
  - 1) Where one or more tiers of subcontracts are on the basis of Cost of the Work plus a fee and no fixed fee is agreed upon, the intent of Paragraphs 11.08.C.2.a and 11.08.C.2.b is that the Contractor's fee will be based on: (1) a fee of 15 percent of the costs incurred under Paragraphs 12.01.B.1, 12.01.B.2, and 12.01.B.3 by the Subcontractor that actually performs the Work, at whatever tier, and (2) with respect to Contractor itself and to any Subcontractors of a tier higher than that of the Subcontractor that actually performs the Work, a fee of 5 percent of the amount (fee plus underlying costs incurred) attributable to the next lower tier Subcontractor; provided, however, in no case shall the cumulative total of fees paid be in excess of 25% of the Cost of the Work;
- c. No fee will be payable on the basis of costs itemized under Paragraphs 12.01.B.5, 12.01.B.6, and 12.01.C;
- d. The amount of credit to be allowed by Contractor to City for any change which results in a net decrease in Cost of the Work will be the amount of the actual net decrease in Cost of the Work and a deduction of an additional amount equal to 5 percent of such actual net decrease in Cost of the Work; and

#### 11.09 *Change of Contract Time*

- A. The Contract Time may only be changed by a Change Order.
- B. No extension of the Contract Time will be allowed under a Change Order for Extra Work or for claimed delay unless the Extra Work contemplated or claimed delay is shown to be on the critical path of the Project Schedule or Contractor can show by critical path method analysis how the Extra Work or claimed delay adversely affects the critical path.
- C. Delay, disruption, and interference in the Work, and any related changes in Contract Time, are addressed in and governed by Paragraph 4.03.

#### 11.10 *Notification to Surety*

- A. If the provisions of any bond require notice to be given to a surety of any change affecting the general scope of the Work or the provisions of the Contract Documents (including, but not limited to, Contract Price or Contract Time), the giving of any such notice will be Contractor's responsibility. The amount of each applicable bond will be adjusted by the Contractor to reflect the effect of any such change.

**ARTICLE 12 – COST OF THE WORK; ALLOWANCES; UNIT PRICE WORK; PLANS QUANTITY MEASUREMENT****12.01 *Cost of the Work***

- A. *Purposes for Determination of Cost of the Work:* The term “Cost of the Work” means the sum of all costs necessary for the proper performance of the Work at issue, as further defined below. The provisions of this Paragraph 12.01 are used for two distinct purposes:
1. To determine Cost of the Work when Cost of the Work is a component of the Contract Price, under cost-plus-fee, time-and-materials, or other cost-based terms; or
  2. When needed to determine the value of a Change Order. When the value of any such adjustment is determined on the basis of Cost of the Work, Contractor is entitled only to those additional or incremental costs required because of the change in the Work or because of the event giving rise to the adjustment.
- B. *Costs Included:* The term, “Cost of the Work” means the sum of all costs, except those excluded in Paragraph 12.01.C, necessarily incurred and paid by Contractor in the proper performance of the Work. When the value of any Work is covered by a Change Order, the costs reimbursed to Contractor will be only those additional or incremental costs required because of the change in the Work. Such costs shall be in amounts no higher than those calculated based on the prevailing wage rates contained in the Contract Documents, shall not include any of the costs itemized in Paragraph 12.01.C, and may include as applicable, but not be limited to the following items:
1. Payroll costs for employees in the direct employ of Contractor in the performance of the Work under schedules of job classifications agreed upon by City and Contractor. Such employees shall include, without limitation, superintendents, foremen, safety managers, safety representatives, and other personnel employed full time on the Work. Payroll costs for employees not employed full time on the Work will be apportioned on the basis of their time spent on the Work. Payroll costs shall include, salaries and wages plus the cost of fringe benefits, which include social security contributions, unemployment, excise, and payroll taxes, workers’ compensation, health and retirement benefits, sick leave, and vacation and holiday pay applicable thereto. The expenses of performing Work outside of regular working hours on Business Days, during Weekend Working Hours, or on a state or federal holiday observed by the City, shall be included in the above to the extent authorized by City.
  2. Cost of all materials and equipment furnished and incorporated in the Work, including costs of transportation and storage thereof, and Suppliers’ field services required in connection therewith.
  3. Rentals of all construction equipment and machinery and the parts thereof, whether rented from Contractor or others, in accordance with rental agreements approved in writing by City, and the costs of transportation, loading, unloading, assembly, dismantling, and removal thereof. All such costs shall be in accordance with the terms of said rental agreements. and the Contract Documents. The rental of any such equipment, machinery, or parts shall cease when the use thereof is no longer necessary for the Work.

4. Payments made by Contractor to Subcontractors for Work performed by Subcontractors. If required by City, Contractor shall obtain competitive bids from subcontractors acceptable to City. Contractor shall deliver such bids to City, which will then determine, which bids, if any, will be acceptable. If any subcontract provides that the Subcontractor is to be paid on the basis of Cost of the Work plus a fee, the Subcontractor's Cost of the Work and fee will be determined in the same manner as Contractor's Cost of the Work and fee as provided in this Paragraph 12.01 and Paragraph 11.08.C.
5. Costs of special consultants (including but not limited to engineers, architects, testing laboratories, surveyors, attorneys, and accountants) employed or retained for services specifically related to the Work and specifically included in the agreed upon schedule of job classifications referred to in Paragraph 12.01.B.1 or otherwise specifically included in the Contract.
6. Supplemental costs consisting of the following:
  - a. The proportion of necessary transportation, travel, and subsistence expenses of Contractor's employees incurred in discharge of duties connected with the Work.
  - b. Cost, including transportation and maintenance, of all materials, supplies, equipment, machinery, appliances, and temporary office or facilities at the Site, which are consumed in the performance of the Work, and cost, less market value, of such items used but not consumed which remain the property of Contractor.
  - c. Sales, consumer, use, and other similar taxes related to the Work, and for which Contractor is liable, as imposed by Laws and Regulations, excluding those taxes for which an exemption is available as described in Paragraph 7.12.
  - d. Deposits lost for causes other than the negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, and royalty payments and fees for permits and licenses.
  - e. Losses and damages (and related expenses) caused by damage to the Work, not compensated by insurance or otherwise, sustained by Contractor in connection with the performance of the Work, provided such losses and damages have resulted from causes other than the negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable. Such losses include settlements made with the written consent and approval of CityCity. No such losses, damages, and expenses will be included in the Cost of the Work for the purpose of determining Contractor's fee.
  - f. The cost of utilities, fuel, and sanitary facilities at the Site.
  - g. Minor expenses such as communication service at the Site, express and courier services, and similar petty cash items in connection with the Work.
  - h. The costs of premiums for all bonds and insurance that Contractor is required by the Contract Documents to purchase and maintain.

C. *Costs Excluded:* The term Cost of the Work does not include any of the following items:

1. Payroll costs and other compensation of Contractor's officers, executives, principals, general managers, engineers, architects, estimators, attorneys, auditors, accountants, purchasing and contracting agents, expeditors, timekeepers, clerks, and other personnel employed by Contractor, whether at the Site or in Contractor's principal or branch office for general administration of the Work and not specifically included in the agreed upon schedule of job classifications referred to in Paragraph 12.01.B.1 or otherwise specifically covered in the Contract. The payroll costs and other compensation excluded here are to be considered administrative costs covered by the Contractor's fee.
2. Expenses of Contractor's principal and branch offices other than Contractor's office at the Site.
3. Any part of Contractor's capital expenses, including interest on Contractor's capital employed for the Work and charges against Contractor for delinquent payments.
4. Costs due to the acts, omissions, negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, including but not limited to, the correction of defective Work, disposal of materials or equipment wrongly supplied, and making good any damage to property.
5. Other overhead or general expense costs of any kind.

D. *Contractor's Fee*

1. When the Work as a whole is performed on the basis of cost-plus-a-fee, then:
  - a. Contractor's fee for the Work set forth in the Contract Documents as of the Effective Date of the Agreement will be determined as set forth in the Contract.
  - b. for any Work covered by a Change Order for an adjustment in Contract Price on the basis of Cost of the Work, Contractor's fee will be determined as set forth in Paragraph 11.08.C.
2. When the Work as a whole is performed on the basis of a stipulated sum, or any other basis other than cost-plus-a-fee, then Contractor's fee for any Work covered by a Change Order for an adjustment in Contract Price on the basis of Cost of the Work will be determined in accordance with Paragraph 11.08.C.2.

- E. *Documentation and Audit:* Whenever the Cost of the Work for any purpose is to be determined pursuant to this Article 12, Contractor and pertinent Subcontractors will establish and maintain records of the costs in accordance with generally accepted accounting practices, and submit in a form acceptable to City an itemized cost breakdown together with supporting data. Subject to prior written notice, City will be afforded reasonable access, during normal business hours, to all Contractor's accounts, records, books, correspondence, instructions, drawings, receipts, vouchers, memoranda, and similar data relating to the Cost of the Work and Contractor's fee. Contractor shall preserve all such documents for a period of three years after the final payment by City. Contractor will be responsible for ensuring that pertinent Subcontractors will afford such access to City, and preserve such documents, to the same extent as is required of Contractor.

## 12.02 Allowances

- A. *Specified Allowance*: It is understood that Contractor has included in the Contract Price all allowances so named in the Contract Documents and shall cause the Work so covered to be performed for such sums and by such persons or entities as may be acceptable to City.
- B. *Cash Allowances*: Contractor agrees that:
  - 1. the cash allowances include the cost to Contractor (less any applicable trade discounts) of materials and equipment required by the allowances to be delivered at the Site, and all applicable taxes; and
  - 2. Contractor's costs for unloading and handling on the Site, labor, installation, overhead, profit, and other expenses contemplated for the cash allowances, have been included in the Contract Price and not in the allowances, and no demand for additional payment for any of the foregoing will be valid.
- C. *Contingency Allowance*: Contractor agrees that a contingency allowance, if any, is for the sole use of City.
- D. Prior to final payment, an appropriate Change Order will be issued to reflect actual amounts due Contractor for Work covered by allowances, and the Contract Price will be correspondingly adjusted.

## 12.03 Unit Price Work

- A. Where the Contract Documents provide that all or part of the Work is to be Unit Price Work, initially the Contract Price will be deemed to include for all Unit Price Work an amount equal to the sum of the unit price for each separately identified item of Unit Price Work multiplied by the estimated quantity of each item as indicated in the Agreement.
- B. The estimated quantities of items of Unit Price Work are not guaranteed and are solely for the purpose of comparison of Bids and determining an initial Contract Price. Determinations of the actual quantities and classifications of Unit Price Work performed by Contractor will be made by City subject to the provisions of Paragraph 10.03.
- C. Each unit price will be deemed to include an amount considered by Contractor to be adequate to cover Contractor's overhead and profit for each separately identified item. Work described in the Contract Documents, or reasonably inferred as required for a functionally complete installation, but not identified in the listing of unit price items shall be considered incidental to Unit Price Work listed and the cost of incidental work included as part of the unit price.
- D. Adjustments in Contract Price
  - 1. City may make an adjustment in the Contract Price in accordance with Paragraph 11.08 if:
    - a. the quantity of the item of Work performed by Contractor differs materially and significantly from the estimated quantity of such item indicated in the Agreement; and
    - b. there is no corresponding adjustment with respect to any other item of Work.
  - 2. Adjusted unit prices will apply to all units of that item.

- E. Increased or Decreased Quantities: The City reserves the right to order Extra Work in accordance with Paragraph 11.04.
1. If the changes in quantities or the alterations do not significantly change the character of the Work under the Contract Documents, the altered Work will be paid for at the Contract unit price.
  2. If the changes in quantities or alterations materially and significantly change the character of the Work, the Contract will be amended by a Change Order.
  3. If no unit prices exist, this any increase or decrease in quantities will be considered Extra Work and the Contract will be amended by a Change Order in accordance with Article 11.
  4. A significant change in the character of Work occurs when:
    - a. the character of work for any Item as altered differs materially or significantly in kind or nature from that in the Contract; or
    - b. a Major Item of work varies by more than 25% from the original Contract quantity.
  5. When the quantity of work to be done under any Major Item of the Contract is more than 125% of the original quantity stated in the Contract, then either party to the Contract may request an adjustment to the unit price on the portion of the work that is above 125%.
  6. When the quantity of work to be done under any Major Item of the Contract is less than 75% of the original quantity stated in the Contract, then either party to the Contract may request an adjustment to the unit price.

**12.04 Plans Quantity Measurement for Unclassified Excavation or Embankment**

- A. Plans quantities may or may not represent the exact quantity of Work performed or material moved, handled, or placed during the term of the Contract. The estimated bid quantities are designated as final payment quantities, unless revised in accordance with the Contract.
- B. If the total actual quantity measured for an individual item varies by more than 25% (or as stipulated under "Price and Payment Procedures" for specific Items) from the total estimated quantity for an individual Item originally shown in the Contract Documents, an adjustment may be made to the quantity of authorized Work done for payment purposes. The party to the Contract requesting the adjustment will provide field measurements and calculations showing the final quantity for which payment will be made. Payment for revised quantity will be made at the unit price bid for that Item, except as provided for in Article 11.
- C. When quantities are revised by a change in design approved by the City, by Change Order, or to correct an error, or to correct an error on the plans, the plans quantity will be increased or decreased by the amount identified in the approved change, and the 25% variance provisions of Paragraph 12.04.B will apply to the new plans quantity.
- D. If the total Contract quantity multiplied by the unit price bid for an individual Item is less than \$250 and the Item is not originally a plans quantity Item, then the Item may be paid as a plans quantity Item if the City and Contractor agree in writing to fix the final quantity as a plans quantity.

- E. For callout work or non-site specific Contracts, the plans quantity measurement requirements are not applicable.

## **ARTICLE 13 – TESTS AND INSPECTIONS; CORRECTION, REMOVAL, OR ACCEPTANCE OF DEFECTIVE WORK**

### **13.01 Access to Work**

- A. City and its Engineer, consultants, representatives, employees, and independent testing laboratories, and authorities having jurisdiction shall have access to the Site and the Work at reasonable times for their observation, inspection, and testing. Contractor shall provide them proper and safe conditions for such access and advise them of Contractor's safety procedures and programs so that they may comply with such procedures and programs as applicable.

### **13.02 Tests and Inspections**

- A. Contractor shall give City timely notice of readiness of the Work (or specific parts thereof) for all required inspections and tests and shall cooperate with inspection and testing personnel to facilitate required inspections and tests.
- B. If the Contract Documents or any Laws and Regulations of any public body having jurisdiction require any Work (or part thereof) specifically to be inspected, tested, or approved, Contractor shall assume full responsibility for arranging and obtaining such inspections, tests, or approvals, pay all costs in connection therewith, and furnish City the required certificates of inspection, testing or approval, except that those fees specifically identified in the Supplementary Conditions or any Texas Department of Licensure and Regulation (TDLR) inspections, which shall will be paid as described in the Supplementary Conditions.
- C. Contractor shall be responsible for arranging, obtaining, and paying for all inspections, tests, re-tests, and approvals required:
  - 1. by the Contract Documents, unless the Contract Documents expressly allocate responsibility for a specific inspection or test to City;
  - 2. to attain City's acceptance of materials or equipment to be incorporated in the Work;
  - 3. by manufacturers of equipment furnished under the Contract Documents;
  - 4. for testing, adjusting, and balancing of mechanical, electrical, and other equipment to be incorporated into the Work; and
  - 5. for acceptance of materials, mix designs, or equipment submitted for approval prior to Contractor's purchase thereof for incorporation in the Work.

Such inspections and tests will be performed by independent inspectors, testing laboratories, or other qualified individuals or entities acceptable to City.

- D. City may arrange for the services of an independent testing laboratory ("Testing Lab") to perform any inspections or tests ("Testing") for any part of the Work, as determined solely by City.
  - 1. City will coordinate such Testing to the extent possible, with Contractor;

2. Should any Testing under this Section 13.03.D result in a “fail”, “did not pass” or other similar negative result, the Contractor shall be responsible for paying for any and all retests. Contractor’s cancellation without cause of City initiated Testing shall be deemed a negative result and require a retest.
  3. Any amounts owed for any retest under this Section 13.02.D shall be paid directly to the Testing Lab by Contractor. City will forward all invoices for retests to Contractor.
  4. If Contractor fails to pay the Testing Lab, City will not issue Final Payment until the Testing Lab is paid.
- E. If the Contract Documents require the Work (or part thereof) to be approved by City or another designated individual or entity, then Contractor shall assume full responsibility for seeking and obtaining such approvals.
- F. If any Work (or the work of others) that is to be inspected, tested, or approved is covered by Contractor without the written approval of City, Contractor shall, if requested by City, uncover such Work for observation. Such uncovering and the recovering of such Work will be at Contractor’s expense.

### 13.03 *Defective Work*

- A. *Contractor’s Obligation:* It is Contractor’s obligation to assure that the Work is not defective.
- B. *City’s Authority:* City has the authority to determine whether Work is defective, and to reject defective Work.
- C. *Notice of Defects:* Written notice of all defective Work of which City has actual knowledge will be given to Contractor.
- D. *Correction, or Removal and Replacement:* Promptly after receipt of written notice of defective Work, Contractor shall correct all such defective Work, whether or not fabricated, installed, or completed, or, if City has rejected the defective Work, shall remove the defective Work from the Project and replace it with Work that is not defective. Failure to require the removal of any defective Work shall not constitute acceptance of such Work.
- E. *Preservation of Warranties:* When correcting defective Work, Contractor shall take no action that would void or otherwise impair City’s warranty and guarantee, if any, on said Work.
- F. *Costs and Damages:* In addition to its correction, removal, and replacement obligations with respect to defective Work, Contractor shall pay all claims, costs, losses, and damages arising out of or relating to defective Work, including but not limited to the cost of the inspection, testing, correction, removal, replacement, or reconstruction of such defective Work, fines levied against Contractor or City by governmental authorities because the Work is defective, and the costs of repair, replacement or reconstruction of work of others resulting from defective Work.

### 13.04 *Rejecting Defective Work*

- A. City will have authority to reject Work which City believes to be defective or will not produce a completed Project that conforms to the Contract Documents or that will prejudice the integrity of the design concept of the completed Project as a functioning whole as indicated by the Contract Documents. City will have authority to conduct special inspection or testing

of the Work as provided in this Article 13, whether or not the Work is fabricated, installed, or completed.

#### 13.05 *Acceptance of Defective Work*

- A. If, instead of requiring correction or removal and replacement of defective Work, City prefers to accept it, City may do so. Contractor shall pay all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) attributable to City's evaluation of and determination to accept such defective Work, and for the diminished value of the Work to the extent not otherwise paid by Contractor. If any such acceptance occurs prior to Final Acceptance, a Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work, and City shall be entitled to an appropriate decrease in the Contract Price, reflecting the diminished value of the Work so accepted.

#### 13.06 *Uncovering Work*

- A. City has the authority to require additional inspection or testing of the Work, whether or not the Work is fabricated, installed, or completed.
- B. If any Work is covered contrary to the Contract Documents or specific instructions of City and if requested by City, Contractor shall uncover such Work for City's observation, inspection or testing and then replace the covering, all at Contractor's expense.
- C. If City considers it necessary or advisable that covered Work be observed by City or inspected or tested by others, then Contractor, at City's request, shall uncover, expose, or otherwise make available for observation, inspection, or testing as City may require, that portion of the Work in question, and provide all necessary labor, material, and equipment.
  - 1. If it is found that the uncovered Work is defective, Contractor shall be responsible for all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or dispute resolution costs) arising out of or relating to such uncovering, exposure, observation, inspection, and testing, and of satisfactory replacement or reconstruction (including but not limited to all costs of repair or replacement of work of others). City shall be entitled to accept defective Work in accordance with Paragraph 13.05 and in such case Contractor shall still be responsible for all costs associated with exposing, observing, and testing defective Work.
  - 2. If the uncovered Work is not found to be defective, Contractor shall be allowed an extension of the Contract Time to the extent directly attributable to such uncovering, exposure, observation, inspection, testing, replacement, and reconstruction.

#### 13.07 *City May Stop the Work*

- A. If the Work is defective, or Contractor fails to supply sufficient skilled workers or suitable materials or equipment, or Contractor fails to perform the Work in such a way that the completed Work will conform to the Contract Documents, then City may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been corrected or eliminated; however, this right of City to stop the Work will not give rise to any duty on the part of City to exercise this right for the benefit of Contractor, any Subcontractor, any Supplier, any other individual or entity, or any surety for, or any employee or agent of, any of them.

**13.08 City May Correct Defective Work**

- A. If Contractor fails within a reasonable time after written notice from City to correct defective Work, or to remove and replace defective Work as required by City, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any other provision of the Contract Documents, then City may, after providing 7 days' advance written notice to Contractor, correct or remedy any such deficiency.
- B. In connection with such corrective or remedial action, City may exclude Contractor from all or part of the Site, take possession of all or part of the Work and suspend Contractor's services related thereto, and incorporate in the Work all materials and equipment stored at the Site or for which City has paid Contractor but which are stored elsewhere. Contractor shall allow City, City's representatives, agents and employees, and City's other contractors access to the Site to enable City to exercise the rights and remedies under this Paragraph 13.08.
- C. All claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court, or arbitration or other dispute resolution costs) incurred or sustained by City in exercising the rights and remedies under this Paragraph 13.08 will be the responsibility of and will be charged against Contractor. A Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work, and City shall be entitled to an appropriate decrease in the Contract Price. Such claims, costs, losses and damages will include, but not be limited to, all costs of repair or replacement of work of others destroyed or damaged by correction, removal, or replacement of Contractor's defective Work.
- D. Contractor shall not be allowed an extension of the Contract Time because of any delay in the performance of the Work attributable to the exercise by City of City's rights and remedies under this Paragraph 13.08.

**ARTICLE 14 – PAYMENTS TO CONTRACTOR; COMPLETION; CORRECTION PERIOD****14.01 Progress Payments**

- A. *Basis for Progress Payments:* The Schedule of Values established as provided in Paragraph 2.03 will serve as the basis for progress payments and will be incorporated into a form of Application for Payment acceptable to City. Progress payments for Unit Price Work will be based on the number of units completed during the pay period, as determined under the provisions of Paragraph 12.03. Progress payments for cost-based Work will be based on Cost of the Work completed by Contractor during the pay period.
- B. Applications for Payments
  - 1. Contractor is responsible for providing all information as required to become a vendor of the City.
  - 2. At least 20 days before the date established in the General Requirements for each progress payment (but not more often than once a month), Contractor shall submit to City for review an Application for Payment filled out and signed by Contractor covering the Work completed as of the date of the Application and accompanied by such supporting documentation as is required by the Contract Documents.

3. If payment is requested on the basis of materials and equipment not incorporated in the Work but delivered and suitably stored at the Site or at another location agreed to in writing, the Application for Payment must also be accompanied by: (a) bill of sale, invoice, or purchase order payments, copies of cancelled checks or other documentation establishing full payment by Contractor for the materials and equipment; (b) at City's request, documentation warranting that City has received the materials and equipment free and clear of all Liens; and (c) evidence that the materials and equipment are covered by appropriate property insurance, or other arrangements to protect City's interest therein, all of which must be satisfactory to City.
4. Beginning with the second Application for Payment, each Application must include an affidavit of Contractor stating that all previous progress payments received on account of the Work by Contractor have been applied to discharge Contractor's legitimate obligations associated with prior Applications for Payment.
5. The amount of retainage with respect to progress payments will be as stipulated in the Contract Documents.

C. Review of Applications

1. City will, after receipt of each Application for Payment, either indicate in writing it will proceed to process the Application for Payment or return the Application to Contractor indicating reasons for refusing payment. In the latter case, Contractor may make the necessary corrections and resubmit the Application.
2. City's processing of any payment requested in an Application for Payment will be based on City's observations of the executed Work, and on City's review of the Application for Payment and the accompanying data and schedules, that based City's actual knowledge:
  - a. the Work has progressed to the point indicated; and
  - b. the quality and/or quantity of the Work is generally in accordance with the Contract Documents (subject to any subsequent evaluations of the Work, an evaluation of the Work as a functioning whole prior to or upon Final Acceptance, the results of any subsequent tests or inspections called for in the Contract Documents, a final determination of quantities and classifications for Unit Price Work under Paragraphs 10.05 and 12.03, and any other qualifications stated).
3. Processing any such payment will not thereby be deemed to have represented that:
  - a. inspections made to check the quality or the quantity of the Work as it has been performed have been exhaustive, extended to every aspect of the Work in progress, or involved detailed inspections of the Work; or
  - b. there are no other matters or issues between the parties that might entitle Contractor to be paid additionally by City or entitle City to withhold payment to Contractor; or
  - c. Contractor has complied with Laws and Regulations applicable to Contractor's performance of the Work.
4. City may refuse to process or pay the whole or any part of any payment because of subsequently discovered evidence or the results of subsequent inspections or tests, and

may revise or revoke any such payment previously made, to such extent as may be necessary to protect City from loss because:

- a. the Work is defective, or the completed Work has been damaged by the Contractor or his subcontractors, requiring correction or replacement;
- b. there are discrepancies in quantities contained in previous applications for payment;
- c. the Contract Price has been reduced by Change Orders;
- d. City has been required to correct defective Work in accordance with Paragraph 1313.08, or has accepted defective Work pursuant to Paragraph 13.05;
- e. City has been required to remove or remediate a Hazardous Environmental Condition for which Contractor is responsible; or
- f. City has actual knowledge of the occurrence of any of the events enumerated in Paragraph 15.02.A that would constitute a default by Contractor and therefore justify termination for cause under the Contract Documents.

D. Retainage:

1. For all contracts, retainage shall be five percent (5%).

E. *Liquidated Damages*: For each calendar day that any work shall remain uncompleted after the time specified in the Contract Documents, the sum per day specified in the Agreement will be paid by the Contractor to the City, not as a penalty, but as liquidated damages suffered by the City. If feasible, the parties may agree to have the liquidated damages deducted from any amounts owned to Contractor by City instead of being paid directly to City by Contractor.

F. *Payment*: Contractor will be paid pursuant to the requirements of this Article 14 and payment will become due in accordance with the Contract Documents.

G. Reduction in Payment

1. City may refuse to make payment of the of the amount requested because:
  - a. Claims have been made against City based on Contractor's performance or furnishing of the Work, or City has incurred costs, losses, or damages resulting from Contractor's performance or furnishing of the Work, including but not limited to claims, costs, losses, or damages from workplace injuries, adjacent property damage, non-compliance with Laws and Regulations, or patent infringement;
  - b. Contractor has failed to take reasonable and customary measures to avoid damage, delay, disruption, and interference with other work at or adjacent to the Site;
  - c. Contractor has failed to provide and maintain required bonds or insurance;
  - d. City has been required to remove or remediate a Hazardous Environmental Condition for which Contractor is responsible;
  - e. City has incurred extra charges or engineering costs related to submittal reviews, evaluations of proposed substitutes, tests and inspections, or return visits to manufacturing or assembly facilities;
  - f. The Work is defective, requiring correction or replacement;

- g. City has been required to correct defective Work in accordance with Paragraph 13.08, or has accepted defective Work pursuant to Paragraph 13.05;
  - h. The Contract Price has been reduced by Change Orders;
  - i. An event has occurred that would constitute a default by Contractor and therefore justify a termination for cause;
  - j. Liquidated or other damages have accrued as a result of Contractor's failure to achieve Milestones or Final Acceptance of the Work;
  - k. Liens have been filed in connection with the Work, except where Contractor has delivered a specific bond satisfactory to City to secure the satisfaction and discharge of such Liens;
  - l. Other items entitle City to a set-off against the payment amount requested; or
  - m. City has actual knowledge of the occurrence of any of the events enumerated in Paragraph 15.02.
2. If City refuses to make payment of the amount requested, City will give Contractor written notice stating the reasons for such action and promptly pay Contractor any amount remaining after deduction of the amount so withheld. City shall pay Contractor the amount so withheld, or any adjustment thereto agreed to by City and Contractor, within a reasonable time after Contractor remedies the reasons for such action to the satisfaction of City and City has confirmed such action.

#### 14.02 *Contractor's Warranty of Title*

- A. Contractor warrants and guarantees that title to all Work, materials, and equipment covered by any Application for Payment, whether incorporated in the Project or not, will pass to City no later than the time of payment free and clear of all Liens.

#### 14.03 *Partial Utilization*

- A. Prior to Final Acceptance of all the Work, City may use or occupy any substantially completed part of the Work which has specifically been identified in the Contract Documents, or which City determines constitutes a separately functioning and usable part of the Work that can be used by City for its intended purpose without significant interference with Contractor's performance of the remainder of the Work. City at any time may notify Contractor in writing to of any such part of the Work which City determines to be ready for its intended use. In addition, City may request in writing that Contractor permit City to use or occupy any such part of the Work that City believes to be substantially complete, subject to the following conditions:
  - 1. At any time, Contractor may notify City that Contractor considers any such part of the Work ready for its intended use.
  - 2. Within a reasonable time after notification as enumerated in Paragraph 14.03, City and Contractor shall make an inspection of that part of the Work to determine its status of completion. If City does not consider that part of the Work to be substantially complete, City will notify Contractor in writing giving the reasons therefor.
  - 3. Partial Utilization by City will not constitute Final Acceptance by City.

#### 14.04 *Final Inspection*

- A. Upon written notice from Contractor that the entire Work is complete in accordance with the Contract Documents:
  - 1. City will promptly schedule a Final Inspection with Contractor.
  - 2. City will notify Contractor in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. Contractor shall immediately take such measures as are necessary to complete such Work or remedy such deficiencies.
- B. City reserves the right to deny request for Final Inspection if City determines that the entire Work is not sufficiently complete to warrant a Final Inspection.

#### 14.05 *Final Acceptance*

- A. Upon completion by Contractor to City's satisfaction, of any and all Work in accordance with the Contract Documents, including any corrections or additional Work identified in the Final Inspection and delivery of all maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurances, certificates of inspection, annotated record documents and other required documents in accordance with the Contract Documents, City will issue to Contractor a letter of Final Acceptance.

#### 14.06 *Final Payment*

- A. Application for Payment
  - 1. Upon receipt of a letter of Final Acceptance from City, Contractor may make application for Final Payment following the procedures for requesting payments in accordance with the Contract Documents.
  - 2. The final Application for Payment must be accompanied (except as previously delivered) by:
    - a. all documentation called for in the Contract Documents, including but not limited to the evidence of insurance required by Paragraph 6.03;
    - b. consent of the surety, if any, to final payment;
    - c. satisfactory evidence that all title issues have been resolved such that title to all Work, materials, and equipment has passed to City free and clear of any Liens or other title defects or will so pass upon final payment.
    - d. a list of all Contract Claims or Damage Claims against City that Contractor believes are unsettled; and
    - e. affidavits of payments and complete and legally effective releases or waivers (satisfactory to City) of all Lien rights arising out of the Work, and of Liens filed in connection with the Work.
- B. Payment Becomes Due: The final payment requested by Contractor, less previous payments made and less any sum to which City is entitled, including but not limited to liquidated damages, will become due and payable:
  - 1. After City's acceptance of the Application for Payment and accompanying documentation; and

2. After all Damage Claims have been resolved:

- a. directly by the Contractor; or
- b. Contractor provides evidence that the Damage Claim has been reported to Contractor's insurance provider for resolution.

The making of the final payment by the City shall not relieve the Contractor of any guarantees or other requirements of the Contract that continue thereafter.

14.07 *Final Completion Delayed and Partial Retainage Release*

- A. If final completion of the Work is significantly delayed, and if City so confirms, City may, upon receipt of Contractor's final Application for Payment, and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance to be held by City for Work not fully completed or corrected is less than the retainage stipulated in Paragraph 14.01.D, and if bonds have been furnished as required in Paragraph 6.02, the written consent of the surety to the payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by Contractor to City with the Application for such payment. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of Contract Claims.
- B. *Partial Retainage Release.* If the Contract provides for separate establishment and maintenance periods and/or test and performance periods following the completion of all other construction in the Contract Documents for all Work locations, the City may release a portion of the amount retained provided that all other work is completed as determined by the City. Before the release, all submittals and final quantities must be completed and accepted for all other work. An amount sufficient to ensure Contract compliance will be retained.

14.08 *Waiver of Claims*

- A. The acceptance of final payment will constitute a waiver and release by Contractor of all claims, rights, causes of action, or liabilities, including Contract Claims, against City arising out of, related to or under the Contract or for any act, omission or neglect of City.

14.09 *Correction Period*

- A. If within two (2) years after the date of Final Acceptance (or such longer period of time as may be prescribed by the Contract Documents) any Work has been found to be defective, or Contractor's repair of any damages to the Site, adjacent areas, or areas made available for Contractor's use by City has been found to be defective, then after receipt of City's written notice of defect, Contractor shall promptly, without cost to City and in accordance with City's written instructions:
  1. correct the defective repairs to the Site or such adjacent areas, or areas made available for Contractor's use by City;
  2. correct such defective Work;
  3. remove the defective Work from the Project and replace it with Work that is not defective, if the defective Work has been rejected by City, and

4. satisfactorily correct or repair or remove and replace any damage to other Work, to the work of others, or to other land or areas resulting from the corrective measures.
- B. If Contractor does not promptly comply with the terms of City's written instructions, or in an emergency where delay would cause serious risk of loss or damage, City may have the defective Work corrected or repaired or may have the rejected Work removed and replaced. Contractor shall pay all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such correction or repair or such removal and replacement (including but not limited to all costs of repair or replacement of work of others).
- C. In special circumstances where a particular item of equipment is placed in continuous service before Final Acceptance of all the Work, the correction period for that item may start to run from an earlier date if so provided in the Specifications.
- D. Where defective Work (and damage to other Work resulting therefrom) has been corrected, repaired or removed and replaced under this Paragraph 14.09, the correction period hereunder with respect to such Work may be extended for an additional period of one year after the end of the initial correction period.
- E. Contractor's obligations under this paragraph are in addition to all other obligations and warranties. The provisions of this Paragraph 14.09 are not to be construed as a substitute for, or a waiver of, the provisions of any applicable statute of limitation or repose.

## ARTICLE 15 – SUSPENSION OF WORK AND TERMINATION

### 15.01 *City May Suspend Work*

- A. At any time and without cause, City may suspend the Work or any portion thereof by written notice to Contractor. City may fix the date on which Work will be resumed in such notice, and Contractor shall resume the Work on the date so fixed. During a temporary suspension of the Work covered by these Contract Documents, for any reason, the City will make no extra payment for stand-by time of construction equipment and/or construction crews.
- B. Should the Contractor not be able to complete a portion of the Project due to causes beyond the control of and without the fault or negligence of the Contractor, and should it be determined by mutual consent of the Contractor and City that a solution to allow construction to proceed is not available within a reasonable period of time, Contractor may request an extension in Contract Time, directly attributable to any such suspension.
- C. If it should become necessary to suspend the Work for an indefinite period, the Contractor shall store all materials in such a manner that they will not obstruct or impede the public unnecessarily nor become damaged in any way; Contractor shall take every precaution to prevent damage or deterioration of the work performed; and Contractor shall provide suitable drainage about the work, and erect temporary structures where necessary.
- D. Contractor may be reimbursed for the cost of moving its equipment off the job and returning the necessary equipment to the job when it is determined by the City that construction may be resumed. Such reimbursement shall be based on actual cost to the Contractor of moving the

equipment and no profit or overhead will be allowed. Reimbursement may not be allowed if the equipment is moved to another construction project for the City.

15.02 *City May Terminate for Cause*

- A. The occurrence of any one or more of the following events by way of example, but not of limitation, may justify termination for cause:
1. Contractor's persistent failure to perform the Work in accordance with the Contract Documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment, or failure to adhere to the Project Schedule established under Paragraph 2.06 as adjusted from time to time pursuant to Paragraph 7.05);
  2. Failure of Contractor to perform or otherwise to comply with a material term of the Contract; or
  3. Contractor's disregard of Laws and Regulations of any public body having jurisdiction; or
  4. Contractor's repeated disregard of the authority of City; or
  5. Contractor's failure to promptly make good any defect in materials or workmanship, or defects of any nature, the correction of which has been directed in writing by the City; or
  6. Substantial indication that the Contractor has made an unauthorized assignment of the Contract or any funds due therefrom for the benefit of any creditor or for any other purpose; or
  7. Substantial indication that the Contractor has become insolvent or bankrupt, or otherwise financially unable to perform the Work satisfactorily; or
  8. Contractor commences legal action in a court of competent jurisdiction against the City.
- B. If one or more of the events identified in Paragraph 15.02.A occurs, City will provide written notice to Contractor and Surety to arrange a conference with Contractor and Surety to address Contractor's failure to perform the Work. The conference shall be held not later than 15 days after receipt of notice. by both Contractor and surety.
1. If the City, the Contractor, and the Surety do not agree to allow the Contractor to proceed to perform the Contract, the City may, to the extent permitted by Laws and Regulations, declare a Contractor default and formally terminate the Contractor's right to complete the Contract. Contractor default shall not be declared earlier than 20 days after the Contractor and Surety have received notice of the conference to address Contractor's failure to perform the Work.
  2. If Contractor's services are terminated, Surety shall be obligated to take over and perform the Work. If Surety does not commence performance thereof within 15 consecutive calendar days after date of an additional written notice demanding Surety's performance of its obligations, then City, without process or action at law, may take over any portion of the Work and complete it as described below.
    - a. If City completes the Work, City may exclude Contractor and Surety from the Site and take possession of the Work, and all materials and equipment stored at the Site

or for which City has paid Contractor, but which are stored elsewhere, and the Work as City may deem expedient.

3. Whether City or Surety completes the Work, Contractor shall not be entitled to receive any further payment until the Work is completed. If the unpaid balance of the Contract Price exceeds the cost to complete the Work, including all related claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals) sustained by City, such excess will be paid to Contractor. If the cost to complete the Work including such related claims, costs, losses, and damages exceeds such unpaid balance, Contractor shall pay the difference to City. Such claims, costs, losses, and damages incurred by City will be incorporated in a Change Order, provided that when exercising any rights or remedies under this Paragraph 15.02, City shall not be required to obtain the lowest price for the Work performed.
  4. Neither City, nor any of its respective consultants, agents, officers, elected or appointed officials, directors or employees shall be in any way liable or accountable to Contractor or Surety for the method by which the completion of the said Work, or any portion thereof, may be accomplished or for the price paid therefor.
  5. City, notwithstanding the method used in completing the Contract, shall not forfeit the right to recover damages from Contractor or Surety for Contractor's failure to timely complete the entire Contract. Contractor shall not be entitled to any claim, counterclaim or offset on account of the method used by City in completing the Contract.
  6. Maintenance of the Work shall continue to be Contractor's and Surety's responsibilities as provided for in the bond requirements of the Contract Documents or any special guarantees provided for under the Contract Documents or any other obligations otherwise under the Contract or prescribed by law.
- C. Notwithstanding Paragraph 15.02.B, Contractor's services will not be terminated if Contractor begins within seven days of receipt of notice of intent to terminate to correct its failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt of said notice.
- D. Where Contractor's services have been so terminated by City, the termination will not affect any rights or remedies of City against Contractor then existing or which may thereafter accrue, or any rights or remedies of City against Contractor or Surety. Any retention or payment of money due Contractor by City will not release Contractor from liability.
- E. If and to the extent that Contractor has provided a performance bond under the provisions of Paragraph 6.02, the termination procedures of that bond shall not supersede the provisions of this Article 15.

#### 15.03 *City May Terminate for Convenience*

- A. City may, without cause and without prejudice to any other right or remedy of City, terminate the Contract, in whole or in part. Any termination shall be affected by giving notice of the termination to the Contractor specifying the extent to which performance of Work under the contract is terminated, and the date upon which such termination becomes effective. Notice shall be deemed validly given if given in accordance with Paragraph 17.01.A.

- B. After a notice of termination, has been given, and except as otherwise directed by the City, the Contractor shall:
1. stop work under the Contract on the date and to the extent specified in the notice of termination;
  2. place no further orders or subcontracts for materials, services or facilities except as may be necessary for completion of such portion of the Work under the Contract as is not terminated;
  3. terminate all orders and subcontracts to the extent that they relate to the performance of the Work terminated by notice of termination;
  4. transfer title to the City and deliver in the manner, at the times, and to the extent, if any, directed by the City:
    - a. the fabricated or unfabricated parts, Work in progress, completed Work, supplies and other material produced as a part of, or acquired in connection with the performance of, the Work terminated by the notice of the termination; and
    - b. the completed, or partially completed plans, drawings, information and other property which, if the Contract had been completed, would have been required to be furnished to the City.
  5. complete performance of such Work as shall not have been terminated by the notice of termination; and
  6. take such action as may be necessary, or as the City may direct, for the protection and preservation of the property related to the Contract that is in the possession of the Contractor and in which the City has or may acquire the rest.
- C. At a time not later than 30 days after the termination date specified in the notice of termination, the Contractor may submit to the City a list, certified as to quantity and quality, of any or all items of termination inventory not previously disposed of in accordance with the Contract, exclusive of items the disposition of which has been directed or authorized by City.
- D. Not later than 15 days after Contractor's submission of the certified list to City pursuant to Paragraph 15.03.C, the City shall accept title to such items, subject to verification of the list by the City upon removal of the items or, If the items are stored, then City shall have 45 days after submission of the list, to verify the list submitted and accept title to such items. Any necessary adjustments to correct the list as submitted, shall be made prior to final settlement.
- E. Not later than 60 days after the notice of termination has been given, the Contractor shall submit a termination claim to the City in the form and with the certification prescribed by the City. Unless an extension request is made in writing within such 60-day period by the Contractor, and granted by the City, any and all such claims of Contractor that are not submitted to City within such 60-day period shall be conclusively deemed waived.
- F. Should a termination claim be timely submitted to the City, Contractor shall be paid for (without duplication of any items):
1. completed and acceptable Work executed in accordance with the Contract Documents prior to the effective date of termination, including fair and reasonable sums for overhead

- and profit on such Work calculated and determined in accordance with the Contract Documents;
2. expenses sustained prior to the effective date of termination in performing services and furnishing labor, materials, or equipment as required by the Contract Documents in connection with uncompleted Work, plus fair and reasonable sums for overhead and profit on such expenses calculated and determined in accordance with the Contract Documents; and
  3. reasonable expenses directly attributable to reasonable and necessary wind-down and termination activities, without any overhead or profit.
- G. In the event of the failure of the Contractor and City to agree upon the whole amount to be paid to the Contractor by reason of the termination of the Work, the City shall determine, on the basis of information submitted and available to it, the amount, if any, due to the Contractor by reason of the termination and City shall pay to the Contractor the amounts so determined. Contractor shall not be paid on account of loss of anticipated profits or revenue or other economic loss arising out of, related to or resulting from such termination.

## ARTICLE 16 – RESOLUTION OF DISPUTES

### 16.01 *Methods and Procedures*

- A. Either City or Contractor may request mediation of any Contract Claim submitted for a decision under Paragraph 11.07 before such decision becomes final and binding. The request for mediation shall be submitted to the other party to the Contract. Timely submission of the request shall stay the effect of Paragraph 11.07.E.
- B. City and Contractor shall participate in the mediation process in good faith. The process shall be commenced within 60 calendar days of filing of the request.
- C. The parties shall agree on a mediator; however, if they cannot agree within 14 calendar days then the Denton County Alternative Dispute Resolution Program (“DCAP”) shall appoint a mediator. The mediation session shall be held within 45 days of the retention of the mediator, and last for at least one full mediation day, before any party has the option to withdraw from the process. The parties may agree to continue the mediation process beyond one day, until there is a settlement agreement, or one party, or the mediator, states that there is no reason to continue because of an impasse that cannot be overcome and sends a “notice of termination of mediation.” All reasonable efforts will be made to complete the mediation within 30 days of the first mediation session. All costs of mediation shall be borne equally by the parties.
- D. All communications, both written and oral, during Phases A and B are confidential and shall be treated as settlement negotiations for purposes of applicable rules of evidence; however, documents generated in the ordinary course of business prior to the Dispute, that would otherwise be discoverable, do not become confidential simply because they are used in the Negotiation and/or Mediation process.
- E. The process shall be confidential based on terms acceptable to the mediator and/or mediation service provider.

- F. If the Contract Claim is not resolved by mediation, City's action under Paragraph 11.07.C or a denial pursuant to Paragraphs 11.07.C.3 or 11.07.D shall become final and binding 30 days after termination of the mediation unless, within that time period, City or Contractor:
1. elects in writing to invoke any other dispute resolution process provided for in the Supplementary Conditions; or
  2. agrees with the other party to submit the Contract Claim to another dispute resolution process; or
  3. gives written notice to the other party of the intent to submit the Contract Claim to a court of competent jurisdiction as set forth within the Contract Documents.

## ARTICLE 17 – MISCELLANEOUS

### 17.01 *Giving Notice*

- A. Whenever any provision of the Contract requires the giving of written notice, it will be deemed to have been validly given if delivered:
1. in person, by a commercial courier service or otherwise, if to City, to the duly authorized representative of City identified in the Contract Documents or to City's Project Manager or, if to Contractor, to a member of the firm or to an officer of the corporation for whom it is intended; or
  2. by registered or certified mail, postage prepaid, to the recipient's place of business; or
  3. by e-mail to the recipient.

### 17.02 *Computation of Time*

- A. When any period of time is referred to in the Contract by days, it will be computed to exclude the first and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day that is a state or federal holiday observed by the City, the next Business Day shall become the last day of the period.

### 17.03 *Cumulative Remedies*

- A. The duties and obligations imposed by these General Conditions and the rights and remedies available hereunder to the parties hereto are in addition to, and are not to be construed in any way as a limitation of, any rights and remedies available to any or all of them which are otherwise imposed or available by Laws and Regulations, in equity, by special warranty or guarantee, or by other provisions of the Contract. The provisions of this Paragraph 17.03 will be as effective as if repeated specifically in the Contract Documents in connection with each particular duty, obligation, right, and remedy to which they apply.

### 17.04 *Limitation of Damages*

- A. With respect to any and all claims, disputes subject to final resolution, and other matters at issue, neither City, nor any of its officers, directors, elected or appointed officials, members, partners, employees, agents, consultants, or subcontractors, shall be liable to Contractor for any claims, costs, losses, or damages sustained by Contractor on or in connection with any other project or anticipated project. Further, the Contractor may only claim and the City may only be liable for those damages that are set forth in Subchapter I, Chapter 271 of the Texas

Local Government Code and the City shall not be liable for any consequential damages, exemplary damages or damages for unabsorbed home office overhead.

17.05 *No Waiver*

- A. A party's non-enforcement of any provision will not constitute a waiver of that provision, nor will it affect the enforceability of that provision or of the remainder of this Contract.
- B. The City has not waived its sovereign immunity except as expressly set forth in Subchapter I, Chapter 271 of the Texas Local Government Code or as expressly waived by other statute.

17.06 *Survival of Obligations*

All representations, indemnifications, warranties, and guarantees made in, required by, or given in accordance with the Contract, as well as all continuing obligations indicated in the Contract, will survive final payment, completion, and Final Acceptance of the Work or termination of the Contract or of the services of Contractor.

17.07 *Assignment of Contract*

- A. Unless expressly agreed to elsewhere in the Contract, no assignment by a party to this Contract of any rights under or interests in the Contract will be binding on the other party without the written consent of the party sought to be bound; and, specifically but without limitation, money that may become due and money that is due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract.

17.08 *Successors and Assigns*

- A. City and Contractor each binds itself, its successors, assigns, and legal representatives to the other party hereto, its successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

17.09 *Governing Law*

- A. The Contract shall be construed in accordance with the laws of the State of Texas without regard to conflicts of law principles.

17.10 *Headings*

- A. Article and paragraph headings are inserted for convenience only and do not constitute parts of these General Conditions.

1                                   **SECTION 00 73 00**  
2                                   SUPPLEMENTARY CONDITIONS  
3                                   TO  
4                                   GENERAL CONDITIONS

6  
7   **Supplementary Conditions**  
8

9   These Supplementary Conditions modify and supplement Section 00 72 00 - General Conditions, and other  
10 provisions of the Contract Documents as indicated below. All provisions of the General Conditions that are  
11 modified or supplemented remain in full force and effect as so modified or supplemented. All provisions  
12 of the General Conditions which are not so modified or supplemented remain in full force and effect.  
13

14   **Defined Terms**  
15

16   The terms used in these Supplementary Conditions which are defined in the General Conditions have the  
17 meaning assigned to them in the General Conditions, unless specifically noted herein.  
18

19   **Modifications and Supplements**  
20

21   The following are instructions that modify or supplement specific paragraphs in the General Conditions and  
22 other Contract Documents.  
23

24   **SC-5.01A**  
25

26   Easement limits shown on the Drawing are approximate and were provided to establish a basis for bidding.  
27 Upon receiving the final easements descriptions, Contractor shall compare them to the lines shown on the  
28 Contract Drawings.  
29

30   **SC-5.01A.1., “Availability of Lands”**  
31

32   The following is a list of known outstanding right-of-way, and/or easements to be acquired, if any as of  
33 [\[February 5, 2024\]](#):  
34  
35  
36  
37

38   **Outstanding Right-Of-Way, and/or Easements to Be Acquired**

PARCEL NUMBER	OWNER	TARGET DATE OF POSSESSION
DEN23303	Eighteen SAC SELF-Storage Corporation	5/5/2024
DEN23303	Five SAC SELF-Storage Corporation	5/5/2024

39   The Contractor understands and agrees that the dates listed above are estimates only, are not guaranteed,  
40 and do not bind the City.  
41

42   If Contractor considers the final easements provided to differ materially from the representations on the  
43 Contract Drawings, Contractor shall within five (5) Business Days and before proceeding with the Work,  
44 notify City in writing associated with the differing easement line locations.  
45

**SC-5.01A.2, "Availability of Lands"****Utilities or obstructions to be removed, adjusted, and/or relocated**

The following is list of utilities and/or obstructions that have not been removed, adjusted, and/or relocated as of *[February 5, 2024]*

EXPECTED OWNER	UTILITY AND LOCATION	TARGET DATE OF ADJUSTMENT
-------------------	----------------------	------------------------------

---

---

The Contractor understands and agrees that the dates listed above are estimates only, are not guaranteed, and do not bind the City.

**SC-5.03A., "Subsurface and Physical Conditions"**

The following are reports of explorations and tests of subsurface conditions at the site of the Work:

*[ "None" ]*

The following are drawings of physical conditions in or relating to existing surface and subsurface structures (except Underground Facilities) which are at or contiguous to the site of the Work:

*[ "None" ]*

**SC-5.05 A., "Underground Facilities"**

The following are additional resources for identification of Underground Facilities which are at or contiguous to the site of the Work, and which are not necessarily shown in the Drawings:

*[ "None" ]*

**SC-5.06A., "Hazardous Environmental Conditions at Site"**

The following are reports and drawings of existing hazardous environmental conditions known to the City:

*[ "None" ]*

**SC-6.02, "Performance, Payment, and Maintenance Bonds"**

*The "Contract Price" for Performance, Payment, and Maintenance Bonds will be the same as indicated in Article 3 as listed in the Agreement.*

**SC-6.03A., "Certificates of Insurance"**

The entities listed below are "additional insureds as their interest may appear" including their respective officers, directors, agents and employees.

- (1) City
- (2) Consultant: *[ "None" ]*
- (3) Other: *[ "None" ]*

**SC-6.04A., "Contractor's Insurance"**

The limits of liability for the insurance required by Paragraph GC-6.04 shall provide the following coverages for not less than the following amounts or greater where required by laws and regulations:

**6.04A. Workers' Compensation, under Paragraph GC-6.04A.**

*Statutory limits*

*Employer's liability*

*\$100,000 each accident/occurrence*

*\$100,000 Disease - each employee*

*\$500,000 Disease - policy limit*

**SC-6.04B., "Contractor's Insurance"**

**6.04B.** Commercial General Liability, under Paragraph GC-6.04B. Contractor's Liability Insurance under Paragraph GC-6.04B., which shall be on a per project basis covering the Contractor with minimum limits of:

*\$1,000,000 each occurrence*

*\$2,000,000 aggregate limit*

The policy must have an endorsement (Amendment – Aggregate Limits of Insurance) making the General Aggregate Limits apply separately to each job site.

The Commercial General Liability Insurance policies shall provide "X", "C", and "U" coverage's. Verification of such coverage must be shown in the Remarks Article of the Certificate of Insurance.

**SC 6.04C., "Contractor's Insurance"**

**6.04C.** Automobile Liability, under Paragraph GC-6.04C. Contractor's Liability Insurance under Paragraph GC-6.04C., which shall be in an amount not less than the following amounts:

- (1) **Automobile Liability** - a commercial business policy shall provide coverage on "Any Auto", defined as autos owned, hired and non-owned.

*\$1,000,000 each accident on a combined single limit basis. Split limits are acceptable if limits are at least:*

*\$250,000 Bodily Injury per person /*

*\$500,000 Bodily Injury per accident /*

*\$100,000 Property Damage*

**SC-6.04D., "Contractor's Insurance"**

The Contractor's construction activities will require its employees, agents, subcontractors, equipment, and material deliveries to cross railroad properties and tracks, or perform work within 25 feet of the center line of tracks [*"None"*].

The Contractor shall conduct its operations on railroad properties in such a manner as not to interfere with, hinder, or obstruct the railroad company in any manner whatsoever in the use or operation of its/their trains or other property. Such operations on railroad properties may require that Contractor to execute a "Right of Entry Agreement" with the particular railroad company or companies involved, and to this end the Contractor should satisfy itself as to the requirements of each railroad company and be prepared to execute the right-of-entry (if any) required by a railroad company. The requirements specified herein likewise relate to the Contractor's use of private and/or construction access roads crossing said railroad company's properties.

The Contractual Liability coverage required by Paragraph 5.04D of the General Conditions shall provide coverage for not less than the following amounts, issued by companies satisfactory to the City and to the Railroad Company for a term that continues for so long as the Contractor's operations and work cross, occupy, or touch railroad property:

(1) General Aggregate: *\$Confirm Limits with Railroad*

(2) Each Occurrence: *\$Confirm Limits with Railroad*

       *Required for this Contract*

  x   *Not required for this Contract*

With respect to the above outlined insurance requirements, the following shall govern:

1. Where a single railroad company is involved, the Contractor shall provide one insurance policy in the name of the railroad company. However, if more than one grade separation or at-grade crossing is affected by the Project at entirely separate locations on the line or lines of the same railroad company, separate coverage may be required, each in the amount stated above.
2. Where more than one railroad company is operating on the same right-of-way or where several railroad companies are involved and operated on their own separate rights-of-way, the Contractor may be required to provide separate insurance policies in the name of each railroad company.
3. If, in addition to a grade separation or an at-grade crossing, other work or activity is proposed on a railroad company's right-of-way at a location entirely separate from the grade separation or at-grade crossing, insurance coverage for this work must be included in the policy covering the grade separation.
4. If no grade separation is involved but other work is proposed on a railroad company's right-of-way, all such other work may be covered in a single policy for that railroad, even though the work may be at two or more separate locations.

No work or activities on a railroad company's property to be performed by the Contractor shall be commenced until the Contractor has furnished the City with an original policy or policies of the insurance for each railroad company named, as required above. All such insurance must be approved by the City and each affected Railroad Company prior to the Contractor's beginning work.

The insurance specified above must be carried until all Work to be performed on the railroad right-of-way has been completed and the grade crossing, if any, is no longer used by the Contractor. In addition, insurance must be carried during all maintenance and/or repair work performed in the railroad right-of-way. Such insurance must name the railroad company as the insured, together with any tenant or lessee of the railroad company operating over tracks involved in the Project.

#### **SC 6.04F., "Contractor's Insurance"**

Add Paragraph 6.04F. Environmental Impairment/Pollution

Environmental Impairment/Pollution Insurance to include coverage for the handling, receiving, dispensing, removal, storage, testing, transportation, disposal, discharge, dispersal release or escape of any hazardous material into or upon land, or any structure on land, the atmosphere or any watercourse or body of water, including ground water, with a minimum combined bodily injury (including death) and property damage limit of \$2,000,000 per occurrence to be obtained upon substantial completion and acceptance of facility by the City.

TXDOT	Utility Installation Permit, Project work site	4/1/2024
-------	--	----------

**SC-7.24B., “Title VI, Civil Rights Act of 1964 as amended”**

During the performance of this Contract, the Contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "Contractor") agrees as follows:

- Compliance with Regulations:** The Contractor shall comply with the Regulation relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, “DOT”) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- Nondiscrimination:** The Contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin, in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR, section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- Solicitations for Subcontractors, Including Procurements of Materials and Equipment:** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each

potential subcontractor or supplier shall be notified by the Contractor of the Contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

4. **Information and Reports:** The Contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by City or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the City, or the Texas Department of Transportation, as appropriate, and shall set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of the Contractor's noncompliance with the nondiscrimination provisions of this Contract, City shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:
  - a. withholding of payments to the Contractor under the Contract until the Contractor complies, and/or
  - b. cancellation, termination or suspension of the Contract, in whole or in part.
6. **Incorporation of Provisions:** The Contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Contractor shall take such action with respect to any subcontract or procurement as City or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request City to enter into such litigation to protect the interests of City, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Additional Title VI requirements can be found in the Appendix.

#### SC-8.02., "Coordination"

The individuals or entities listed below have contracts with the City for the performance of other work at the Site:

Vendor	Scope of Work	Coordination Authority
<i>Texas Department of Transportation</i>	<i>Highway and Frontage Road Construction</i>	<i>Contractor/City</i>
<i>Various Franchise Utility Companies</i>	<i>Utility Construction</i>	<i>Contractor/City</i>

#### SC-9.01, "Communications to Contractor"

1. All materials shall use domestically manufactured products that are composed predominately of steel and/or iron to incorporate into the permanent installation of the utility facility in compliance with the Buy America provisions of 23 CFR 635.410 as amended.
2. Denton Water Field Operations (Coordinate 48 hours in advance of performed shutdown and tie-in).

#### SC-10.01B., "City's Project Manager"

The City's Project Manager for this Contract is *<Cole Tankersley>*, or his/her successor pursuant to written notification from the City Engineer.

**SC-13.02B., "Tests and Inspections"**

*<"None">*

**SC-14.01G, "Reduction in Payment"**

Add Paragraph 14.01G.3:

3. *City may reduce payments to the Contractor, if the number of Days that have passed after the date listed on the Notice to Proceed exceeds the Contract Time for Substantial Completion.*

**SC-16.01C.1, "Methods and Procedures"**

*<"None">*

**SC – 17.01, "Documents"**

*Any documents submitted to the City in electronic format shall be considered equivalent to an original of such document.*

**SC – 18.01, "Texas State Law Provisions"**

**SC – 18.01A. "Prohibition on Contracts with Companies Boycotting Israel"**

Contractor acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**SC – 18.01B. "Prohibition on Contracts with Companies Boycotting Certain Energy Companies"**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms "boycott energy company" and "company" shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**SC – 18.01C. “Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations”**

Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**SC – 18.01D. “Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization”**

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

**SC – 18.01E. “Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies”**

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

**SC – 19.01 “BUY AMERICA’ Requirements”**

Notice to Contractors and Suppliers

1 The project requires certification from the contractor's suppliers that all manufacturing processes  
2 for steel and iron materials or for the application of coatings (epoxy, galvanizing, painting or any  
3 other coating that protects or enhances the value of the steel or iron metal) to these materials  
4 occurred in the United States of America. For the purposes of the certifications, manufacturing  
5 processes are defined as all processes required to change the raw ore or scrap metal into the  
6 finished in-place steel or iron product. The successful contractor will be required to complete the  
7 Texas Department of Transportation Material Statement Certification Form 1818 for each  
8 appropriate shop drawing submittal. TxDOT Form 1818 is included in the Appendix of this  
9 project manual.

Revision Log		
DATE	NAME	SUMMARY OF CHANGE

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

Mountain Cascade of Texas LLC

**2** ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☐

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☐

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☐

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4** ☒ **I have no Conflict of Interest to disclose.****5**

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

- (A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:
  - (2) the vendor:
    - (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
    - (i) a contract between the local governmental entity and vendor has been executed; or
    - (ii) the local governmental entity is considering entering into a contract with the vendor;
    - (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
      - (i) a contract between the local governmental entity and vendor has been executed; or
      - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #:** PUB24-111, **Version:** 1

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Gage & Cade Construction, LLC, for the construction of the Landfill Entrance Facility (Scalehouse) Improvements Project for the Solid Waste and Capital Projects Department; providing for the expenditure of funds therefor; and providing an effective date (CSP 8281 - awarded to Gage & Cade Construction, LLC, in the not-to-exceed amount of \$3,419,799.60).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Gage & Cade Construction, LLC, for the construction of the Landfill Entrance Facility (Scalehouse) Improvements Project for the Solid Waste and Capital Projects Department; providing for the expenditure of funds therefor; and providing an effective date (CSP 8281 – awarded to Gage & Cade Construction, LLC, in the not-to-exceed amount of \$3,419,799.60).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

The Solid Waste Department operates many programs and offers diverse services. Many of these occur at the Landfill with final transactions at the Scalehouse. The Scalehouse facility was constructed in 2007 and has been operating for 17 years. As the City of Denton and surrounding regions have been growing, so has the traffic as it approaches and departs the Scale House. When the Scalehouse was first opened, it was managing transactions of about 600 tons of waste per day. Currently, it is averaging about 1,800 tons a day. The Solid Waste Department seeks to improve site access roads, scale wait times, traffic flow, and safety concerns with the current system to expedite and manage traffic with efficacy and safety.

The Solid Waste Department's Capital Improvement Program (CIP) provides funding for infrastructure improvements regarding the Landfill Scale House roads approaching and departing this facility. The Landfill Entrance Facility Improvements Project has a total construction cost of \$3,419,799.60. The projected cost includes a \$3,256,952 total base bid amount and a 5% contingency of \$162,847.60. A contingency allowance, if any, is for the sole use of the City and will be subject to written authorization by the City's Project Manager and Program Manager.

Competitive Sealed Proposals were sent to 1,055 prospective suppliers, including 75 Denton firms, of this item. In addition, specifications were placed on the Procurement website for prospective suppliers to download and advertised in the local newspaper. One (1) proposal was received, and references were checked to ensure the vendor can provide the services requested in the Scope of Work. A Best and Final Offer (BAFO) was requested from the responding firm. The department is awarding the contract to Gage & Cade Construction, LLC.

NIGP Code Used for Solicitation:	911, 912, 913, 914
Notifications sent for Solicitation sent in IonWave:	1,055

### **RECOMMENDATION**

Award a contract with Gage & Cade Construction, LLC, for the construction of the Landfill Entrance Facility (Scalehouse) Improvements Project for the Solid Waste and Capital Projects Department, in a not-to-exceed amount of \$3,419,799.60.

### **PRINCIPAL PLACE OF BUSINESS**

Gage & Cade Construction, LLC  
Bertram, TX

### **ESTIMATED SCHEDULE OF PROJECT**

The work will be complete for Final Acceptance within 365 days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed. This project will be started upon approval with a completion date of Summer 2025.

### **FISCAL INFORMATION**

These services will be funded from Solid Waste Projects-CO. account 660904.595. Requisition #164650 has been entered into the Purchasing software system in the amount of \$2,322,368.00. Solid Waste has requested FY2024-2025 additional CIP funding for this project in the sum of \$1,097,431.60. The budgeted amount for this item is \$3,419,799.60.

### **EXHIBITS**

Exhibit 1: Agenda Information Sheet  
Exhibit 2: Ordinance and Contract

Respectfully submitted:

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH GAGE & CADE CONSTRUCTION, LLC, FOR THE CONSTRUCTION OF THE LANDFILL ENTRANCE FACILITY (SCALEHOUSE) IMPROVEMENTS PROJECT FOR THE SOLID WASTE AND CAPITAL PROJECTS DEPARTMENTS; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (CSP 8281 – AWARDED TO GAGE & CADE CONSTRUCTION, LLC, IN THE NOT-TO-EXCEED AMOUNT OF \$3,419,799.60).

WHEREAS, the City has solicited, received, and evaluated competitive proposals for the construction of the Landfill Entrance Facility (Scalehouse) Improvements Project for the Solid Waste and Capital Projects Department; and

WHEREAS, the City Manager, or a designated employee, has received, reviewed, and recommended that the herein described proposals are the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the competitive sealed proposals; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function; and

WHEREAS, the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The items in the following numbered competitive sealed proposal for materials, equipment, supplies, or services shown in the “Competitive Sealed Proposals” on file in the office of the Purchasing Agent, are hereby accepted and approved as being the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the competitive sealed proposal.

<u>CSP NUMBER</u>	<u>CONTRACTOR</u>	<u>AMOUNT</u>
8281	Gage & Cade Construction, LLC	\$3,419,799.60

SECTION 2. That by the acceptance and approval of the above numbered items of the submitted proposals, the City accepts the offer of the persons submitting the proposals for such items and agrees to purchase the materials, equipment, supplies, or services in accordance with the terms, specifications, standards, quantities, and for the specified sums contained in the Proposal Invitations, Proposals, and related documents.

**SECTION 3.** That should the City and person submitting approved and accepted items wish to enter into a formal written agreement as a result of the acceptance, approval, and awarding of the proposals, the City Manager, or their designated representative, is hereby authorized to execute the written contract which shall be attached hereto; provided that the written contract is in accordance with the terms, conditions, specifications, standards, quantities, and specified sums contained in the Proposal and related documents herein approved and accepted.

**SECTION 4.** The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

**SECTION 5.** By the acceptance and approval of the above enumerated bids, the City Council hereby authorizes the expenditure of funds therefor in the amount and in accordance with the approved bids.

**SECTION 6.** This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Gerard Hudspeth:	_____	_____	_____	_____
Vicki Byrd, District 1:	_____	_____	_____	_____

## STIPULATED SUM VERTICAL CONSTRUCTION CONTRACT

This Stipulated Sum Vertical Construction Contract (this “Agreement”) made as of the \_\_\_\_ day of \_\_\_\_\_ in the year 20 \_\_\_\_ (the “Effective Date”) between City of Denton, a Texas home rule municipal corporation located at 215 East McKinney Street Denton, Texas 76201 (the “Owner” or “City”) and Gage & Cade Construction, LLC at 1107 County Road 264, Bertram, TX 78605 (the “Contractor”) for the following Project:

*CSP 8281 – Landfill Entrance Facility Improvements*

The Owner and Contractor agree as follows:

### Article 1.      THE CONTRACT DOCUMENTS

Section 1.1    The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary, and other Conditions), Drawings, Specifications, Addenda issued prior to execution of this Agreement, other documents listed in the above table of contents, documents issued as part of the solicitation for the Project, this Agreement, and Modifications issued after execution of this Agreement, all of which form the Contract, and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral. An enumeration of the Contract Documents, other than a Modification, appears in Article 9. In the event any provision contained in this Agreement conflicts with any provision contained in the Contract Documents, the more stringent provision for the Contractor, as interpreted by the Owner, shall govern.

Section 1.2    If, and to the extent of, any inconsistency, ambiguity, discrepancy or error in the Contract Documents (referred to collectively in this Section 1.2 as discrepancy), the Contractor shall immediately seek clarification from (Insert Name and Firm of Design Professional) (the “Design Professional” or “Architect” or “Engineer” as reference may be made in the Contract Documents) and notify the Owner and Contractor that clarification has been requested. In the event that the Design Professional fails to clarify such discrepancy, within a reasonable time under the circumstances, the Contractor shall proceed with the Work without the clarification based on written permission from the Owner, and give precedence to the Contract Documents in the following descending order of priority:

- a. Modifications issued after execution of the Owner-Contractor Agreement, including all exhibits not specifically referenced in this Section 1.2;
- b. the Owner-Contractor Agreement;
- c. Addenda issued prior to the execution of the Owner-Contractor Agreement, with the Addenda bearing the latest date taking precedence;

- d. the General Conditions of the Contract for Construction;
- e. Exhibit "B" - Drawings and Specifications;

## Article 2. THE WORK OF THIS CONTRACT

Section 2.1 The Contractor shall in a good workmanlike manner, fully execute the Work described in, and reasonably inferable by the Contractor as necessary to provide the results intended by fully execute the Work described in the Contract Documents, except as specifically indicated in the Contract Documents to be the responsibility of others: and the Contractor at its sole cost, risk, and expense shall construct, equip, provide purchase, pay for, and furnish all of the Work in accordance with such Contract Documents. and governmental codes and regulations as they apply to performance of the Work.

Section 2.2 An Index of Drawings and Specifications which have been furnished to the Contractor as of the date of this Agreement is set forth in Exhibit "B" – Drawings and Specifications.

Section 2.3 The Contractor shall not be entitled to any adjustments in the Contract Sum or the Contract Time as a result of any action, or failure to act, in connection with any work or other services performed by the Contractor, or any entity affiliated with the Contractor, for portions of the Project other than the Work, such as, without limitation, other projects for this Owner or nearby the Project site, whether such work or other services are performed under contract with the Owner or an independent third party.

Section 2.4 The Contractor shall proceed with performance of the Work as required by the Contract Documents and shall not modify such requirements unless such modifications are accepted by the Owner in a Change Order or Construction Change Directive. The Contractor shall not be entitled to receive any additional fees as a result of any modification requests or recommendations submitted by the Contractor.

Section 2.5 The Contractor shall furnish only skilled and properly trained staff for the performance of the Work. The key members of the Contractor's staff shall be persons agreed upon with the Owner and Contractor and identified in Exhibit "C" – Key Personnel, which is attached hereto and incorporated herein for all purposes.

- a. Such key members of the Contractor's staff shall not be changed without the written consent of the Owner and Contractor, unless such person becomes unable to perform any required duties due to death, disability or termination of employment with the Contractor. If a key member is no longer capable of performing in the capacity described in Exhibit "C" – Key Personnel, the Owner, Design Professional, and the Contractor shall agree on a mutually acceptable substitute.

- b. During the performance of the Work, the Contractor shall keep a competent superintendent at the Project site, who is fully authorized to act on behalf of the Contractor. Notice from the Owner, Contractor or the Design Professional to such superintendent, in connection with defective Work, instructions for performance of the Work or any and all other issues shall be considered notice of such issues to the Contractor.

### Article 3.      DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

Section 3.1      The construction of the Work to be performed under this Contract shall be commenced within three (3) calendar days after receipt of a building permit and Owner's Notice to Proceed.

Issuance of a Notice to Proceed for construction of the Work is subject to Owners acceptance of the Contractor's proposed Construction Management Plan, and receipt of a building permit.

The Contractor shall notify the Owner in writing, with confirmation of receipt, not less than three (3) business days before commencing the Work on the Project site to permit timely filing of mortgages, mechanics' liens, and other security interests.

Section 3.2      The Contract Time shall be measured from the date of Notice to Proceed.

#### Section 3.3 Substantial Completion

- a. Subject to adjustments of the Contract Time as provided in the Contract Documents, the Contractor shall diligently prosecute the Work and shall achieve Substantial Completion of the entire Work by 300 days.
- b. If the Contractor fails to achieve Substantial Completion as provided in this Section 3.3, liquidated damages, shall be as specified in Section 8.6 of Exhibit A - General Conditions for the Contract for Construction.

#### Section 3.4 Final Completion

- a. Subject to adjustments of the Contract Time as provided in the Contract Documents, the Contractor shall diligently prosecute the Work and shall achieve final completion of the entire Work by 365 days.
- b. If the Contractor fails to achieve final completion as provided in this Section 3.3, liquidated damages, shall be as specified in Section 8.6 of Exhibit A - General Conditions for the Contract for Construction.

#### Article 4. CONTRACT SUM

Section 4.1 The Owner shall pay the Contractor the Contract Sum in current funds for the Contractor's performance of the Contract. The Contract Sum shall be Three Million Two Hundred Fifty-Six Thousand Nine Hundred Fifty-Two Dollars and 00/100 Cents (\$3,256,952.00), subject to additions and deductions as provided in the Contract Documents. At the sole option of the City, *five* (5) percent contingency in the amount of One Hundred Sixty-Two Thousand Eight Hundred Forty-Seven Dollars and 60/100 Cents (\$162,847.60) may be used for a total not-to-exceed amount of Three Million Four Hundred Nineteen Thousand Seven Hundred Ninety-Nine Dollars and 60/100 Cents (\$3,419,799.60).

#### Section 4.2 Alternates

*None*

#### Section 4.3 Allowances, if any, included in the Contract Sum:

*None*

Section 4.4 Unit prices, if any are set forth in Exhibit "F" – Unit Costs, and such unit prices are considered complete and include all materials, equipment, labor, delivery, installation, overhead, and profit; and any other costs or expenses in connection with, or incidental to, the performance of that portion of the Work to which such unit prices apply.

See Exhibit "F" – Unit Costs

#### Section 4.5 Liquidated damages, if any:

See Exhibit "A" - General Conditions for the Contract for Construction

#### Section 4.6 Other: Omitted

#### Section 4.7 Omitted

#### Article 5. PAYMENTS

#### Section 5.1 Progress Payments

- a. Based upon Applications for Payment including all supporting documentation required by the Owner and submitted to the Design Professional and Owner by the Contractor; its review by the Design Professional and Owner; and Certificates for Payment issued by the

Design Professional and Certificates for Payment issued by the Design Professional, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents.

- b. The period covered by each Application for Payment shall be one calendar month ending on the last day of the month.
- c. Provided that a certifiable Application for Payment is approved by the Design Professional not later than the «twenty-fifth (25th) » day of a month, the Owner shall make payment of the amount certified to the Contractor not later than the « thirtieth (30th) » day of the « following » month. If a certifiable Application for Payment is received by the Design Professional after the application date fixed above, payment of the amount certified shall be made by the Owner not later than « thirty » (« 30 ») calendar days after the Design Professional approves the Application for Payment.
- d. Each Application for Payment shall be based on the most recent Unit Price Proposal Form submitted by the Contractor and approved in advance by the Owner and Design Professional in accordance with the Contract Documents and the Construction Management Plan. The Unit Price Proposal Form shall allocate the entire Contract Sum among the various portions of the Work and be prepared in such form, and supported by such data to substantiate its accuracy, as the Owner and Design Professional may require. This Unit Price Proposal Form, unless objected to by the Owner or Design Professional, shall be used as a basis for reviewing the Contractor's Applications for Payment.
- e. Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.
- f. In accordance with Exhibit A - General Conditions for the Contract for Construction, and subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:
  - i. The amount of each progress payment shall first include:
    - .1 That portion of the Contract Sum properly allocable to completed Work;
    - .2 That portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction, or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing; and
    - .3 That portion of Construction Change Directives that the Design Professional determines, in the Design Professional's professional judgment, to be reasonably justified.
  - ii. The amount of each progress payment shall then be reduced by:
    - .1 The aggregate of any amounts previously paid by the Owner;
    - .2 The amount, if any, for Work that remains uncorrected and for which the Contractor or Design Professional has previously withheld or

nullified a Certificate for Payment as provided in Article 9 of Exhibit A - General Conditions for the Contract for Construction;

.3 Any amount for which the Contractor does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Contractor intends to pay;

.4 For Work performed or defects discovered since the last payment application, any amount for which the Design Professional may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of Exhibit A - General Conditions for the Contract for Construction; and

.5 Retainage withheld pursuant to Section 5.1.g.

g. Retainage

- i. For each progress payment made prior to Final Completion of the Work, the Owner may withhold the following amount, as retainage, from the payment otherwise due:

*« Five Percent (5.0%) »*

h. Omitted.

- i. Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.
- j. Each Application for Payment shall, without limitation, conform with the requirements of Exhibit A - General Conditions for the Contract for Construction, as amended.
- k. In taking action on the Contractor's Applications for Payment, the Owner and Design Professional shall be entitled to rely on the accuracy and completeness of the information furnished by the Contractor and shall not be deemed to represent that the Owner or Design Professional have made a detailed examination, audit or arithmetic verification of the documentation submitted in accordance with this Section 5.1.k or other supporting data; that the Owner or Design Professional have made exhaustive or continuous on-site inspections; or that the Owner or Design Professional have made examinations to ascertain how or for what purposes the Contractor has used amounts previously paid on account of the Contract. Such examinations, audits and verifications, if required by the Owner, will be performed by the Owner's auditors acting in the sole interest of the Owner.
- l. Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site, and even with such approval the Contractor shall follow the procedures in the Contract Documents for such payments.

m. In addition to other required items, the final Application for Payment shall be accompanied by the following, all in form and substance satisfactory to the Owner and in compliance with applicable statutes of the State of Texas all in a form acceptable to the Owner:

.1 A current sworn statement from the Contractor setting forth all Subcontractors and any material suppliers with whom the Contract has entered into subcontracts; the amount of each such subcontract; the amount requested for any Subcontractor or material supplier in the Application for Payment; and the amount to be paid to the Contractor from such final payment;

.2 A current, duly executed waiver of mechanics' and material suppliers' liens from the Contractor conditional upon establishing receipt of payment or satisfaction of the payment requested by the Contractor in the current Application for Payment;

.3 A current Subcontractor's lien waiver for the current period, conditional only on payment from the Contractor, and duly executed, acknowledged sworn statement showing all Sub-subcontractors and material suppliers with whom the Subcontractor has entered into sub-subcontracts, the amount of each such sub-subcontract, the amount requested for any Sub-subcontractor and material supplier in the requested progress payment, and the amount to be paid to the Sub-subcontractor from such final payment to the Subcontractor;

.4 A current, duly executed unconditional final waiver of mechanics' and material suppliers' liens from the Contractor and all Subcontractors and, when deemed appropriate by the Owner and Design Professional, from material suppliers and Sub-subcontractors establishing payment or satisfaction of payments of all amounts requested by the Contractor on behalf of such entities or persons in any previous Applications for Payment;

.5 A final certificate of occupancy issued by the appropriate governmental body in which the project is located;

.6 All maintenance and operating manuals;

.7 Digitally marked, fully accessible electronic files (not "plot files" or "PDFs") of both field record drawings and specifications reflecting "as-built" conditions;

.8 Digitally marked, accurately dimensioned, and fully accessible electronic files (not "plot files" or "PDFs") of drawings reflecting the location of any concealed utilities, mechanical or electrical systems, and components;

.9 any special guarantees or warranties required by the Contract Documents;

.10 assignments of all guarantees and warranties from subcontractors, vendors, suppliers, or manufacturers;

- .11 a list of the primary contact names, email addresses, physical addresses, and telephone numbers of all Subcontractors and any other persons providing guarantees and warranties;
- .12 all information and materials required to comply with the requirements of the Contract Documents or reasonably requested by the Owner, or the Design Professional; and
- .13 If required by the Owner's title insurer, if any, the Contractor shall execute a personal gap undertaking in form and substance satisfactory to such title insurer.

## Section 5.2 Final Payment

- a. Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when
  - .1 the Contractor has fully performed the Contract except for the Contractor's responsibility to correct Work as provided in Article 12 of Exhibit A - General Conditions for the Contract for Construction, and to satisfy other requirements, if any, which necessarily survive beyond final payment; and
  - .2 a final Certificate for Payment has been issued by the Design Professional; and
  - .3 the Contractor has provided, and the Owner has accepted as correct, all the information and documents required under Section 5.1.m above; and
  - .4 a complete release of all claims arising out of, related to or connected with Contractor's performance of the respective Phase under this Agreement, and any claims of Subcontractors, subject to any claims reserved in accordance with the terms of the General Conditions and an affidavit that so far as Contractor has knowledge or information, the release includes and covers all materials and services over which Contractor has control for which a claim could be filed, subject to any claims reserved in accordance with the terms of the General Conditions.
- b. The Owner's final payment to the Contractor shall be made no later than 30 days after the issuance of the Design Professional's final Certificate for Payment and the Contractor has provided Owner with all required documentation.

## Section 5.3 Interest

Payments are due and payable within thirty (30) days of the date the Owner receives the Construction Manager's approvable invoice, unless a different date for payment is provided under this Agreement. Amounts unpaid shall bear interest at the legal rate allowed by Texas Government Code Ch. 2251.

## Article 6. DISPUTE RESOLUTION

### Section 6.1 Initial Decision Maker

The Owner will serve as the Initial Decision Maker pursuant to Article 15 of Exhibit A - General Conditions for the Contract for Construction.

### Section 6.2 Binding Dispute Resolution

For any Claim subject to, but not resolved by, mediation or other alternative dispute resolution method as mutually agreed by the parties ("ADR") pursuant to Article 15 of Exhibit A - General Conditions for the Contract for Construction, the method of binding dispute resolution shall be litigation in a court of competent jurisdiction.

## Article 7. TERMINATION OR SUSPENSION

Section 7.1 The Contract may be terminated by the Owner or the Contractor as provided in Article 14 of Exhibit A - General Conditions for the Contract for Construction, as amended.

If the Contract is terminated for the Owner's convenience in accordance with Article 14 of Exhibit A - General Conditions for the Contract for Construction, then the Owner shall pay the Contractor a compensation calculated in the manner as specified in Section 14.4.c of Exhibit A - General Conditions for the Contract for Construction, as amended.

Section 7.2 The Work may be suspended by the Owner as provided in Article 14 of Exhibit A - General Conditions for the Contract for Construction, as amended.

Section 7.3 In the event of such termination by the Owner, the amount to be paid to the Contractor shall not exceed the amount the Contractor would have been entitled to receive under Article 5 above.

Section 7.4 In no event shall the Contractor be entitled to receive "Lost Opportunity Costs", defined as unabsorbed overhead costs or unrealized profit on this Work, future work for this Owner, other owner(s), other work, foregone opportunities for the Contractor, or other costs not directly and verifiably associated with services actually performed or Work successfully completed under this Agreement.

## Article 8. MISCELLANEOUS PROVISIONS

Section 8.1 All references in this Agreement to Exhibit A, shall mean the Exhibit A - General Conditions for the Contract for Construction, as modified and amended by the parties hereto. Where reference is made in this Agreement to a provision of another Contract

Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

Section 8.2 The Owner's representative:

City of Denton  
Kristine Stewart  
Project Manager  
401 N Elm Street  
Denton, Texas 76201  
(940) 349-8910  
kristine.stewart@cityofdenton.com

Section 8.3 The Contractor's representative:

*Brandon Wells*  
*Gage & Cade Construction, LLC*  
*Project Manager*  
*1107 County Road 264, Bertram, TX 78605*  
*512-394-8176*  
*brandon@gageandcadeconstruction.com*

Section 8.4 Neither the Owner's nor the Contractor's representative shall be changed without ten days' prior notice to the other party.

Section 8.5 Insurance and Bonds

- a. The Owner and the Contractor shall purchase and maintain insurance as set forth in Exhibit A - General Conditions for the Contract for Construction, Insurance and Bonds, and elsewhere in the Contract Documents.

Section 8.6 « Not Used. »

Section 8.7 Other Conditions and Services:

- a. The Contractor represents and warrants the following to the Owner (in addition to any other representation and warranties contained in the Contract Documents) as a material inducement to the Owner to execute this Agreement, which representations and warranties shall survive the execution and delivery of this Agreement, any termination of this Agreement, and final completion of the Work:

- .1 The Contractor is financially solvent, capable of obtaining adequate insurance, able to pay all debts as they mature and possessed of sufficient working capital to complete the Work and perform all obligations hereunder;
  - .2 The Contractor is able to furnish the physical infrastructure, tools, materials, supplies, equipment and supervision, and labor required to complete the Work and perform its obligations hereunder and has sufficient experience and competence to do so;
  - .3 The Contractor is authorized to do business in the City of Denton, and the State of Texas and is properly licensed by all necessary governmental and public and quasi-public authorities having jurisdiction over the Contractor and over the Work and the Project;
  - .4 The Contractor's execution of this Agreement and performance thereof is within the Contractor's duly-authorized powers;
  - .5 The Contractor's duly-authorized representative has visited the site of the Project and is familiar with the local conditions under which the Work is to be performed and has correlated its observations with the requirements of the Contract Documents;
  - .6 The Contractor possesses a high level of experience and expertise in the business administration, construction, construction management and superintendence of projects of this size, complexity and nature of this particular Project and will perform the Work with the care, skill and diligence of such a contractor;
  - .7 The foregoing warranties are in addition to, and not in lieu of, any and all other liability imposed upon the Contractor by law with respect to the Contractor's duties, obligations, and performance hereunder; and
  - .8 The Contractor acknowledges that the Owner is relying upon the Contractor's skill and experience in connection with the proper, timely and diligent prosecution of the Work.
- b. In the event any provision contained in this Agreement conflicts with any provision contained in the Contract Documents, the more stringent provision for the Contractor, as interpreted by the Owner, shall govern.
  - c. Some or all of the Owner's duties, approvals and actions required under this Agreement may be provided by third parties by mutual agreement of the Owner and such third parties. When notified in writing of the specific duties and responsibilities of such third party, the Contractor will recognize the actions and approvals of the third party as sufficient to fulfill the Owner's responsibilities under this Agreement.
  - d. The Contractor shall provide sufficient supporting documentation in form and with a level of detail wholly acceptable to the Owner and Contractor to substantiate any Application for Payment, request for Change to the Contract Sum or Contract Time, and all contract Allowances provided within the Contractor's Contract Sum for this scope of

work. Failure to timely provide all supporting documentation, in and of itself, may result in rejection of the Application for Payment or requested change to the Contract Sum or Contract Time, or payment for work charged to the Allowance(s).

- e. Proof of purchase and warehouse insurance naming the Owner, Contractor and Design Professional as additional insureds, together with inspection rights for the Owner, Contractor and Design Professional is to be provided for any billed materials by the Contractor for the work not physically stored at the Project site.
- f. Time limits set out in or under this Agreement are solely for the protection and benefit of the Owner and create no third-party beneficiary rights in any other party.
- g. Notices. All legal notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement shall be in writing and shall be deemed to have been duly given or served when delivered by hand delivery or when deposited in the U.S. mail by registered or certified mail, return receipt requested, postage prepaid, and addressed as follows:

If to Owner:

Kristine Stewart  
Project Manager  
City of Denton  
401 N Elm Street  
Denton, Texas 76201  
kristine.stewart@cityofdenton.com

*brandon@gageandcadeconstruction.com*

If to Design Professional:

Biggs & Mathews Environmental, Inc. (the "Design Professional")  
1700 Robert Road, Suite 100  
Mansfield, TX 76063

- h. All Exhibits referred to in this Agreement are, by reference, incorporated herein for all purposes.
- i. The numbering and captions of the sections are set forth only for convenience and reference and are not intended in any way to define, limit, or describe the scope or intent of this Agreement.
- j. The parties agree that they will execute any further instrument or instruments, and that they will perform any act or acts, which are or may become necessary to effectuate any of the terms or provisions of this Agreement.
- k. Nothing contained in this Agreement shall create a contractual relationship with a cause of action in favor of a third party against either the Owner or Contractor.
- l. This Agreement has been created jointly and ambiguity cannot be construed against either party.
- m. This Agreement is and shall be subject to those provisions required of political subdivisions by the laws of the State of Texas. The Contractor understands that the Owner is a Texas home rule municipality and that the project is subject to applicable provisions of Texas law including bid requirements, bonding, and final settlement provisions.
- n. Contractor understands that certain information, including this Agreement, are public records available for public inspection and copying under the Texas Open Records Act., Texas Government Code Ch. 552, as amended, and other applicable laws.
- o. The Owner represents that there are sufficient funds available to undertake this Project.

- p. No term or condition of the Agreement shall be construed or interpreted as a waiver, express or implied, of any of the governmental or sovereign immunities, rights, benefits, or protections of the Owner.
- q. Contractor warrants that the products, processes, techniques and methodologies provided by Contractor shall not infringe upon the copyright, patent or other proprietary rights of others.
- r. Contractor certifies and warrants that no gratuities, kickbacks or contingency fees were paid in connection with this Agreement, nor were any fees, commissions, gifts or other considerations made contingent upon the award of this Agreement. Contractor warrants that to the best of Contractor's knowledge, there exists no actual or potential conflict of interest, and no financial or substantial interest as may be prohibited by Texas law, the Charter, or Code of Ethics of the City of Denton between Contractor and Owner.
- s. Contractor shall comply with the disclosure and reporting requirements in Local Government Code Chapters 171 and 176, and Texas Government Code Sec. 2252.908. Under Sec. 2252.908, if City Council approval is required to award this Agreement or if this Agreement has a value of at least \$1,000,000, the City may not enter into the Agreement unless the Contractor submits a disclosure of interested parties to the City at the time the executed Agreement is presented to the City. The disclosure must be made on the form prescribed by the Texas Ethics Commission and the City is required to submit a copy of the disclosure statement to the Texas Ethics Commission not later than the 30th day after the disclosure is received by the City.
- t. In case any provision hereof shall, for any reason, be held invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if such invalid or unenforceable provision had not been included herein.
- u. Contractor understands and agrees that TIME IS OF THE ESSENCE.
- v. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument. Each counterpart may consist of any number of copies hereof each signed by less than all, but together signed by all of the parties hereto. Any documents submitted to the City in electronic format shall be considered equivalent to an original of such document.
- w. Any of the representations, warranties, covenants, and obligations of the Parties, as well as any rights and benefits of the Parties, pertaining to a period of time following the termination of this Agreement shall survive termination.
- x. COMPLIANCE WITH CERTAIN STATE LAW
  - .1 Prohibition on Contracts with Companies Boycotting Israel. Contractor acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company

that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms “boycott Israel” and “company” shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement. Failure to meet or maintain the requirements under this provision will be considered a material breach.

.2 Prohibition on Contracts with Companies Boycotting Certain Energy Companies. Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms “boycott energy company” and “company” shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement. Failure to meet or maintain the requirements under this provision will be considered a material breach.

.3 Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations. Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. By signing this agreement, Contractor certifies that Contractor’s signature provides written verification to the City that Contractor: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. Failure to meet or maintain the requirements under this provision will be considered a material breach.

.4 Prohibition on Contracts with Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization. Sections 2252 and 2270 of the Texas

Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization. Failure to meet or maintain the requirements under this provision will be considered a material breach.

.5 Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies. The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

.6 Pursuant to Chapter 2258, Texas Government Code, all contractors and any Subcontractor involved in the construction of a public work project shall pay not less than the prevailing rates as per diem wages in the locality at the time of construction to all laborers, workmen and mechanics employed by them in the execution of this contract. Contractor shall assure that these requirements are met for the Project and shall insure that every contract or subcontract relating to the Work requires, on behalf of Owner, that the prevailing wage rates be paid.

.6 The Contractor shall be provided an applicable Department of Labor Wage Rate Determination for use on the Project required by Chapter 2258.022, Texas Government Code. In the event the Owner does not provide this Labor Wage Rate Determination, the Contractor shall request it in writing in a timely manner, so as not to delay the Construction Manager's initial subcontractor procurement process during preconstruction. The Construction Manager shall, if requested by the Owner, assist the Owner in conducting a survey of the wages paid, by labor class, on projects of a similar type in a similar location.

## Article 9. ENUMERATION OF CONTRACT DOCUMENTS

Section 9.1 This Agreement is comprised of the following documents:

- .1 Stipulated Sum Vertical Construction Contract
- .2 Exhibit "A" – General Conditions of the Contract for Construction

- .3 Exhibit “B” – Drawings and Specifications (On File with the Purchasing Agent)
- .4 Specifications  
See Exhibit “B” – Drawings and Specifications (On File with the Purchasing Agent)
- .5 Addenda, if any:  
See Exhibit “B” – Drawings and Specifications (On File with the Purchasing Agent)  
Portions of Addenda relating to bidding or proposal requirements are not part of the Contract Documents unless the bidding or proposal requirements are also enumerated in this Article 9.
- .6 Other Exhibits:  
Exhibit “C” – Key Personnel  
Exhibit “D” – Alternates – *None*  
Exhibit “E” – Allowances – *None*  
Exhibit “F” – Unit Price Proposal Form  
Exhibit “G” – Initial Schedule of Values – *None*  
Exhibit “H” – Contractor’s Construction Schedule (To be Completed after Contract Award)  
Exhibit “I” – Escrow Agreement – *None*  
Exhibit “J” – Conflict of Interest Questionnaire  
Exhibit “K” – Proposal Form  
Exhibit “L” – Prevailing Wage Rates  
Exhibit “M” – Contractor’s Insurance Certificate(s) and Bonds (To be Completed after Contract Award)

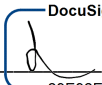

.9 Other documents, if any, listed below:

(List here any additional documents that are intended to form part of the Contract Documents. Exhibit A provides that the advertisement or invitation to bid, Instructions to Bidders, sample forms, the Contractor’s bid or proposal, portions of Addenda relating to bidding or proposal requirements, and other information furnished by the Owner in anticipation of receiving bids or proposals, are not part of the Contract Documents unless enumerated in this Agreement. Any such documents should be listed here only if intended to be part of the Contract Documents.)

## Article 1. GENERAL PROVISIONS

### Section 1.1 Basic Definitions

#### a. The Contract Documents

The Contract Documents are enumerated in the Agreement between the Owner and Contractor (hereinafter the Agreement) and consist of the Agreement, Conditions of the Contract (General, Supplementary and other Conditions), Proposal Documents, Drawings, Specifications, Addenda issued prior to execution of the Contract, other documents listed in the Agreement, and Modifications issued after execution of the Contract. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a Construction Change Directive, or (4) a written order for a minor change in the Work issued by the Design Professional. Unless specifically enumerated in the Agreement, the Contract Documents do not include the advertisement or invitation to bid, Instructions to Bidders, sample forms, other information furnished by the Owner in anticipation of receiving bids or proposals, the Contractor's bid or proposal, or portions of Addenda relating to bidding or proposal requirements.

#### b. The Contract

The Contract Documents form the Contract for Construction. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral. The Contract may be amended or modified only by a Modification. The Contract Documents shall not be construed to create a contractual relationship of any kind (1) between the Contractor and the Design Professional or the Design Professional's consultants, (2) between the Owner and a Subcontractor or a Sub-subcontractor, (3) between the Owner and the Design Professional or the Design Professional's consultants, or (4) between any persons or entities other than the Owner and the Contractor. The Design Professional shall, however, be entitled to performance and enforcement of obligations under the Contract intended to facilitate performance of the Design Professional's duties. This Agreement was the result of negotiations between the Owner and Contractor, and has been reviewed by the Owner, Contractor and their respective counsel. Accordingly, this Agreement shall be deemed to be the product of both parties and no ambiguity shall be construed in favor of or against either party. The terms "Agreement" and "Contract" shall be used interchangeably to have the same meaning as defined in this Section 1.1.b.

#### c. The Work

The term "Work" means the construction and services required by the Contract Documents, whether completed or partially completed, and includes all other labor, materials, equipment, supplies, skill, supervision, transportation, support services, facilities and other resources necessary or proper or incidental to the carrying out and completion of the terms of the contract and all other items of cost or value needed to produce, construct and fully complete the Work identified by the Contract Documents. The Work may constitute the whole or a part of the Project.

#### d. The Project

The Project is the total construction of which the Work performed under the Contract Documents may be the whole or a part and which may include construction by the Owner and by Separate Contractors.

#### e. The Drawings

The Drawings are the graphic and pictorial portions of the Contract Documents showing the design, location and dimensions of the Work, generally including plans, elevations, sections, details, schedules, and diagrams.

f. The Specifications

The Specifications are that portion of the Contract Documents consisting of the written requirements for materials, equipment, systems, standards and workmanship for the Work, and performance of related services.

g. Design Documents

Design Documents are representations, in any medium of expression now known or later developed, of the tangible and intangible creative work performed by the Design Professional and the Design Professional's consultants under their respective professional services agreements. Design Documents may include, without limitation, studies, surveys, models, sketches, drawings, specifications, the Project Manual and other similar materials.

h. Initial Decision Maker

The Initial Decision Maker is the person identified in the Agreement to render initial decisions.

i. The Indemnitees

The Owner, which includes the Mayor, members of the City Council, employees, agents, assigns, and other city officers, the Owner's consultants, the Design Professional, Design Professional's consultants, and the agents and employees of any of them shall hereafter be known as the "Indemnitees".

j. Construction Management Plan

The Construction Management Plan is prepared by the Contractor for its use in managing the Work and is not a Contract Document. The Construction Management Plan must include, at a minimum and without limitation, the following separate deliverables, which are subject to review and approval by the Design Professional and Owner:

- i. Safety and Logistics Plan;
- ii. Contractor's Construction Schedule;
- iii. Cost Management Plan, Control Estimate and Schedule of Values;
- iv. Quality Management, Commissioning and Turnover Plan; and
- v. Information Management System.

k. As-Built Documents

The As-Built Documents are the Drawings, Specifications, and addenda thereto that may be updated by the Contractor to accurately reflect the actual Work in place, including without limitation, the incorporation of Change Orders, responses to the Contractor's requests for information, Design Professional's supplemental instructions, field modifications, and other similar changes made to the Work during construction. The As-Built documents shall conform to the format and compatibility requirements of Section 1.5.c.

l. Work Breakdown Structure

The project's Work Breakdown Structure ("WBS") is a deliverable-oriented, hierarchical organization of the Project components to be executed by the Owner, and its accompanying numbering system. The WBS will be mutually agreed upon by the Owner and Design Professional and used by the Contractor.

m. Equal to (or Approved Equal)

Products by manufacturers and information about those products other than those products specified in the Contract Documents which the Contractor may submit for substitution as equal to those products specified in the Contract Documents; which may be incorporated in the Work after using the process specified in the Contract Documents for review and acceptance by the Design Professional and acceptance of same by the Owner.

n. Underground Facilities

All underground lines, pipelines, conduits, ducts, encasements, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or systems at the Site, including but not limited to those facilities or systems that produce, transmit, distribute, or convey telephone or other communications, cable television, fiber optic transmissions, power, electricity, light, heat, gases, oil, crude oil products, liquid petroleum products, water, steam, waste, wastewater, storm water, other liquids or chemicals, or traffic or other control systems.

o. Force Majeure

An act of God, fire, tornado, hurricane, flood, earthquake, explosion, war on American soil, civil disturbance, labor strikes, and similar unavoidable circumstances beyond Contractor's control, not caused by the negligent act or omission of Contractor or breach of this Agreement, its Subcontractors, or anyone else for whom Contractor is responsible, and not caused by Contractor's breach of a project labor or a "no strike" agreement.

p. Knowledge

The terms "knowledge," "recognize" and "discover," their respective derivatives and similar terms in the Contract Documents, as used in reference to the Contractor, shall be interpreted to mean that which the Contractor knows or should know, recognizes or should recognize and discovers or should discover in exercising the care, skill, and diligence of a diligent and prudent contractor familiar with the Work. Analogously, the expression "reasonably inferable" and similar terms in the Contract Documents shall be interpreted to mean reasonably inferable by a diligent and prudent contractor familiar with the Work and in accordance with the highest standards in the construction profession.

q. Proposal

The offer or proposal of an Offeror submitted on the prescribed form setting forth the prices for the Work to be performed.

r. Offeror

The individual or entity that submits a Proposal directly to City.

s. Proposal Documents

The Proposal Requirements and the proposed Contract Documents including all addenda.

t. Proposal Requirements

The Advertisement or Request for Proposal, Invitation to Offerors, Instructions to Offerors, Offeror's Bond or other Proposal security, the Proposal Form, and the Proposal with any attachments.

u. Notice of Award

A written notice given by City to the Successful Offeror stating that upon timely compliance by the Successful Offeror with the conditions precedent listed in such notice, City will sign and deliver the Agreement.

v. Calendar Day

A day consisting of 24 hours measures from midnight to the next midnight. A “day” or “Day” unless otherwise defined shall mean a Calendar Day.

w. Business Day

A day that the City conducts normal business, generally Monday through Friday, except for federal or state holidays observed by the City.

x. Notice to Proceed

A written instrument from the Owner to the Contractor requiring the Contractor to proceed with performance of activities, including, but not limited to development of submittals, ordering of materials, and any other services (the “Preconstruction Services”) required to prepare for and expedite the construction of the Work as required by the Contract Documents; and complete the Work (the “Construction Services”).

## Section 1.2 Correlation and Intent of the Contract Documents

- a. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by the Contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the indicated results. Where a conflict occurs between or within standards, specifications, and drawings, the more stringent or higher quality requirements shall apply. The precedence and coordination of the Contract Documents are as follows:

.1 Any addenda and modifications to the Drawings and Specifications take precedence over any earlier Contract Documents.

.2 Should there be a conflict within the Specifications, or within the Drawings, or between the Drawings and Specification, the Design Professional shall decide which stipulation will provide the best installation and its decision shall be final.

.3 The Drawing and Specifications are intended to coordinate with each other. Anything shown on the Drawings but not mentioned in the Specification or vice-versa, or anything not expressly set forth in either, but which is reasonably implied, shall be furnished as though specifically shown and mentioned in both without any extra charge.

.4 The Drawings, for purposes of clearness and legibility, are essentially diagrammatic, and although the sizes and locations of equipment are shown to scale wherever possible, the Contractor, Subcontractors, and Sub-subcontractors are required to familiarize themselves with all the Work required by the Contract Documents. Each Contractor, Subcontractor, and Sub-subcontractor shall properly coordinate its work with that of the Owner and all Separate Contractors. It is not within the scope of the Drawings to show all necessary offsets, obstructions or structural conditions. It shall be the responsibility of each Contractor to plan, coordinate, and install its work in such a manner so as to conform to the structure. Any conflict within the Drawings shall be referred to the Design Professional for disposition prior to the installation of any affected work.

.5 Figured dimensions contained in the Contract Documents shall be accurately followed, even though they differ from scaled measurements. No work

shown on the plans, the dimensions of which are not figured, shall be executed until instructions have been obtained from the Design Professional as to the dimensions to be used. Larger scale Drawings shall have preference over smaller scale drawings, but discrepancies shall be referred to the Design Professional for interpretation.

**.6 Underground Facilities**

Shown or Indicated: The information and data shown or indicated in the Contract Documents with respect to Underground Facilities at or contiguous to the Site is based on information and data furnished to City or Engineer by the owners of such Underground Facilities, including City, or by others, unless it is otherwise expressly provided in the Supplementary Conditions:

City and Engineer shall not be responsible for the accuracy or completeness of any such information or data provided by others; and the cost of all of the following are included in the Contract Price, and Contractor shall have full responsibility for:

- reviewing and checking all information and data;
- verifying the actual location of those Underground Facilities shown or indicated in the Contract Documents as being within the area affected by the Work, by exposing such Underground Facilities during the course of construction;
- coordination and adjustment of the Work with the owners (including City) of such Underground Facilities, during construction; and
- the safety and protection of all existing Underground Facilities at the Site, and repairing any damage thereto resulting from the Work.

Not Shown or Indicated: If an Underground Facility that is uncovered or revealed at the Site was not shown or indicated on the Drawings or otherwise indicated in the Contract Documents, or was not shown or indicated on the Drawings or in the Contract Documents with reasonable accuracy, then Contractor shall, promptly after becoming aware thereof and before further disturbing conditions affected thereby or performing any Work in connection therewith, identify the owner of such Underground Facility and give notice to that owner and to City. Contractor shall be responsible for the safety and protection of such discovered Underground Facility.

If City concludes that a change in the Contract Documents is required, a Change Order may be issued to reflect and document such consequences, subject to the provisions of Article 11.

Verification of existing utilities, structures, and service lines shall include notification of all utility companies a minimum of 48 hours in advance of construction including exploratory excavation if necessary.

**.7 Reliance by Contractor on Technical Data:**

Contractor is provided certain technical data with respect to such reports and drawings for its use, but the City does not warrant or guarantee the accuracy of the

information, and such information including reports and drawings are not Contract Documents. Contractor may not make any Contract Claim against City, or any of its officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors with respect to:

the completeness or accuracy of such reports and drawings for Contractor's purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, and safety precautions and programs incident thereto; or

other data, interpretations, opinions, and information contained in such reports or shown or indicated in such drawings; or

the contents of other Site-related documents made available to Contractor, such as record drawings from other projects at or adjacent to the Site, or City's archival documents concerning the Site; or

any Contractor interpretation of or conclusion drawn from any "technical data" or any such other data, interpretations, opinions, or information.

- i. The invalidity of any provision of the Contract Documents shall not invalidate the Contract or its remaining provisions. If it is determined that any provision of the Contract Documents violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Contract Documents shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Contract.
- b. Organization of the Specifications into divisions, sections and articles, and arrangement of Drawings shall not control the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade.
- c. Unless otherwise stated in the Contract Documents, words that have well-known technical or construction industry meanings are used in the Contract Documents in accordance with such recognized meanings.

### Section 1.3 Capitalization

Terms capitalized in these General Conditions include those that are (1) specifically defined, (2) the titles of numbered articles, or (3) the titles of other documents that are a part of this Contract.

### Section 1.4 Interpretation

In the interest of brevity the Contract Documents frequently omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement.

### Section 1.5 Ownership and Use of Design Documents

- a. Submittal or distribution of the Design Documents or any portion thereof to meet official laws, statutes, ordinances and regulatory requirements or for other purposes in connection with this Project is not to be construed as publication in derogation of the Owner's reserved rights.
- b. The Contractor, Subcontractors, Sub-subcontractors, and material or equipment suppliers are authorized to use and reproduce the Design Documents provided to them solely and exclusively for

execution of the Work. All copies made under this authorization shall bear the copyright notice, if any, shown on the Design Documents. The Contractor, Subcontractors, Sub-subcontractors, and material or equipment suppliers may not use the Design Documents on other projects or for additions to this Project outside the scope of the Work without the specific written consent of the Owner.

#### Section 1.6 Notice

- a. Except as otherwise provided in Section 1.6.b, where the Contract Documents require one party to notify or give notice to the other party, such notice shall be provided in writing to the designated representative of the party to whom the notice is addressed and shall be deemed to have been duly served if delivered in person, by mail, by courier, or by electronic transmission if a method for electronic transmission is set forth in the Agreement. In the event notice is provided by mail, it shall be sent certified return receipt requested.
- b. Notice of Claims as provided in Section 15.1.c shall be provided in writing and shall be deemed to have been duly served only if delivered to the designated representative of the party to whom the notice is addressed by certified or registered mail, or by courier providing proof of delivery.

#### Section 1.7 Digital Data Use and Transmission

- a. The parties shall agree upon protocols governing the transmission and use of Design Documents or any other information or documentation in digital form. The parties will establish the protocols for the development, use, transmission, and exchange of digital data in writing, as mutually agreed.
- b. The Contractor, at any time upon the request of the Owner, shall immediately return and surrender to the Owner, without limitation, all electronic and hard copies of any Project-related materials, records, notices, memoranda, recordings, drawings, specifications, mock-ups and any other documents furnished by the Owner or the Design Professional to the Contractor.

#### Section 1.8 Building Information Models Use and Reliance

Any use of, or reliance on, all or a portion of a building information model without written agreement to protocols governing the use of, and reliance on, the information contained in the model, shall be at the using or relying party's sole risk and without liability to the other party and its contractors or consultants, the authors of, or contributors to, the building information model, and each of their agents and employees.

Section 1.9 The representations and warranties contained in the Contract Documents shall survive the complete performance of the Work or earlier termination of this Agreement.

## Article 2.      OWNER

#### Section 2.1 General

- a. The Owner is the person or entity identified as such in the Agreement and is referred to throughout the Contract Documents as if singular in number. The Owner shall designate in writing a representative who shall have express authority to bind the Owner with respect to all matters requiring the Owner's approval or authorization. Except as otherwise provided in Section 4.2.a, the

Design Professional does not have such authority. The term “Owner” means the Owner or the Owner’s authorized representative.

- b. The Owner shall furnish the following information to a person, including the Design Professional or Contractor, who makes a request for information under Texas Government Code Chapter 2253, related to a payment or performance bond: (1) a certified copy of a payment bond and any attachment to the bond; (2) the public work contract for which the bond was given; and (3) the toll-free telephone number maintained by the Texas Department of Insurance under Subchapter B, Chapter 521, Insurance Code, for obtaining information concerning licensed insurance companies.
- c. **The Owner may obtain independent review(s) of the Design Professional’s Design Documents, or of any document or other materials submitted by the Contractor, by a separate architect, engineer, contractor, cost estimator or any other consultant they deem necessary and put under contract to or cause to be employed by the Owner. Such independent review shall be undertaken at the Owner’s expense in a timely manner and shall not delay the orderly progress of the Work. The Design Professional and Contractor shall cooperate with such Owner’s other consultants fully and respond to their reviews and comments in writing in a timely and comprehensive manner. This provision shall not be interpreted to require the Owner to obtain an independent review or imply that the Owner is in any way assuming responsibility for the work of the Design Professional and Contractor.**

#### Section 2.2 Evidence of the Owner’s Financial Arrangements

- a. Prior to commencement of the Work and upon written request by the Contractor, the Owner shall furnish to the Contractor reasonable evidence that the Owner has made financial arrangements to fulfill the Owner’s obligations under the Contract.
- b. Following commencement of the Work and within ten (10) business days of written request by the Contractor, the Owner shall furnish to the Contractor reasonable evidence that the Owner has made financial arrangements to fulfill the Owner’s obligations under the Contract only if (1) the Owner fails to make payments to the Contractor as the Contract Documents require; (2) the Contractor identifies in writing a reasonable concern regarding the Owner’s ability to make payment when due; or (3) a change in the Work materially changes the Contract Sum. If the Owner fails to provide such evidence, as required, within fourteen days of the Contractor’s request, the Contractor may immediately stop the Work and, in that event, shall notify the Owner that the Work has stopped. However, if the request is made because a change in the Work materially changes the Contract Sum under (3) above, the Contractor may immediately stop only that portion of the Work affected by the change until reasonable evidence is provided. If the Work is stopped under this Section 2.2.b, the Contract Time shall be extended appropriately, and the Contract Sum shall be increased by the amount of the Contractor’s reasonable costs of shutdown, delay and start-up, plus interest as provided in the Contract Documents.
- c. After the Owner furnishes evidence of financial arrangements under this Section 2.2, the Owner shall not materially vary such financial arrangements without prior notice to the Contractor.
- d. Where the Owner has designated information furnished under this Section 2.2 as “confidential,” the Contractor shall keep the information confidential and shall not disclose it to any other person. However, the Contractor may disclose “confidential” information, after seven (7) days’ notice to the Owner, where disclosure is required by law, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or by court or arbitrator(s) order. The

Contractor may also disclose “confidential” information to its employees, consultants, sureties, Subcontractors and their employees, Sub-subcontractors, and others who need to know the content of such information solely and exclusively for the Project and who agree to maintain the confidentiality of such information. Notwithstanding the above, all Agreements with the Owner shall have all references to compensation redacted before disclosing to Subcontractors, sub-Subcontractors, or any other tier of vendor.

### Section 2.3 Information and Services Required of the Owner

- a. Except for permits and fees that are the responsibility of the Contractor under the Contract Documents, including those required under Section 3.7.a, the Owner shall secure and pay for necessary approvals, easements, assessments and charges required for construction, use or occupancy of permanent structures or for permanent changes in existing facilities.
- b. The Owner shall retain a Design Professional lawfully licensed to practice architecture or engineering as applicable, or an entity lawfully practicing architecture or engineering, as applicable, in the jurisdiction where the Project is located. That person or entity is identified as the Design Professional in the Agreement and is referred to throughout the Contract Documents as if singular in number.
- c. If the employment of the Design Professional terminates, the Owner shall employ a successor whose status under the Contract Documents shall be that of the Design Professional.
- d. The Owner shall furnish surveys describing physical characteristics, legal limitations and utility locations for the site of the Project, and a legal description of the site. The Contractor shall be entitled to rely on the accuracy of information furnished by the Owner but shall exercise proper precautions relating to the safe performance of the Work.
- e. The Owner shall furnish information or services required of the Owner by the Contract Documents with reasonable promptness. The Owner shall also furnish any other information or services under the Owner’s control and relevant to the Contractor’s performance of the Work with reasonable promptness after receiving the Contractor’s written request for such information or services.
- f. Unless otherwise provided in the Contract Documents, the Owner shall furnish to the Contractor one copy of the Contract Documents for purposes of making reproductions pursuant to Section 1.5.e.
- g. The foregoing are, without limitation and in addition to, the other duties and responsibilities of the Owner specified in Article 6; Article 9; and Article 11.

### Section 2.4 Owner’s Right to Stop the Work

If the Contractor fails to correct Work that is not in accordance with the requirements of the Contract Documents as required by Section 12.2 or fails to carry out Work in accordance with the Contract Documents, the Owner may issue a written order to the Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, the right of the Owner to stop the Work shall not give rise to a duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity, except to the extent required by Section 6.1.c nor shall the exercise of the Owner’s right hereunder give rise to any claim by Contractor for additions to the Contract Sum or Contract Time.

### Section 2.5 Owner’s Right to Carry Out the Work

If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within forty-eight (48) hours from receipt of written notice from the Owner or Design Professional to commence and continue correction of such default or neglect with diligence and promptness, the Owner may, without prejudice to other remedies the Owner may have, correct such default or neglect. The Design Professional may, at the direction of the Owner, pursuant to Section 9.5.a, withhold or nullify a Certificate for Payment in whole or in part, to the extent reasonably necessary to reimburse the Owner for the reasonable cost of correcting such deficiencies, including Owner's expenses and compensation for the Design Professional's additional services made necessary by such default, neglect, or failure. If current and future payments are not sufficient to cover such amounts, the Contractor shall pay the difference to the Owner. If the Contractor disagrees with the actions of the Owner or the Design Professional, or the amounts claimed as costs to the Owner, the Contractor may file a Claim pursuant to Article 15.

#### Section 2.6 Extent of Owner Rights

- a. The rights stated in this Article 2 and elsewhere in the Contract Documents are cumulative and not in limitation of any rights of the Owner granted in the Contract Documents; at law; or in equity.
- b. In no event shall the Owner or Design Professional have control over, charge of, or any responsibility for construction means, methods, techniques, sequences, or procedures or for safety precautions and programs in connection with the Work. Notwithstanding anything else herein, and without limitation, any review(s), independent or otherwise, or approval(s) by the Owner or Design Professional of the Design Documents, the Contract Documents, the Contractor's Construction Management Plan(s), the Contractor's Construction Schedule, shop drawings, submittals, meeting minutes or other Contractor's services, deliverables or activities; nor the exercising of any of the rights and authority granted the Owner or Design Professional in the Contract Documents shall in any way reduce, diminish, or otherwise affect the Contractor's responsibilities, duties and accountability to the Owner for, without limitation, the construction means, methods, techniques, sequences, procedures or for safety precautions, and the provision of the Work per the requirements of the Contract Documents.
- c. The Owner reserves the right to have the Contractor and/or subcontractors remove person(s) and/or personnel from any and all work on the Project for cause but without cost to the Owner. Such requests from the Owner will be made in writing and may be done directly or indirectly through the Design Professional/Engineer or on-site representative. "Cause" may include, but is not limited to, any of the following: incompetence, poor workmanship, poor scheduling abilities, poor coordination, disruptive to the project, the facility or others, poor management, cause delay or delays, will not strictly adhere to facility procedures and project requirements either willfully or unknowingly, insubordination, drug/alcohol use, possession of contraband, belligerent acts or actions, etc. The Contractor shall provide replacement person(s) and/or personnel acceptable to the Owner at no cost to the Owner.

### Article 3.      CONTRACTOR

#### Section 3.1 General

- a. The Contractor is the person or entity identified as such in the Contract or Agreement and is referred to throughout the Contract Documents as if singular in number. The Contractor shall be lawfully

licensed, if required in the jurisdiction where the Project is located, Denton County, Texas. The Contractor shall designate in writing a representative who shall have express authority to bind the Contractor with respect to all matters under this Contract. The term "Contractor" means the Contractor or the Contractor's authorized representative.

- b. The Contractor shall perform the Work in accordance with the Contract Documents.
- c. The Contractor shall not be relieved of its obligations to perform the Work in accordance with the Contract Documents either by activities or duties of the Design Professional in the Design Professional's administration of the Contract, or by tests, inspections or approvals required or performed by persons or entities other than the Contractor.

### Section 3.2 Review of Contract Documents and Field Conditions by Contractor

- a. Execution of the Contract by the Contractor is a representation that the Contractor has visited the site, become generally familiar with local conditions under which the Work is to be performed, and correlated personal observations with requirements of the Contract Documents. Prior to execution of the Agreement, the Contractor and each Subcontractor have evaluated and satisfied themselves as to the conditions and limitations under which the Work is to be performed, including, without limitation, (i) the location, condition, layout, and nature of the Project site and surrounding areas and generally prevailing climatic conditions; (ii) anticipated labor supply and costs; (iii) availability and cost of materials, tools, and equipment; and (iv) other similar issues. The Owner and Design Professional assume no responsibility or liability for the physical condition or safety of the Project site, or any improvements located on the Project site. Except as set forth in Section 10.3, the Contractor shall be solely responsible for providing a safe place for the performance of the Work. The Owner and Design Professional shall not be required to make any adjustment in either the Contract Sum or the Contract Time in connection with any failure by the Contractor or any Subcontractor to have complied with the requirements of this Section 3.2.a.
- b. Because the Contract Documents are complementary, the Contractor shall, before starting each portion of the Work, carefully study and compare the various Contract Documents relative to that portion of the Work, as well as the information furnished by the Owner pursuant to Section 2.3.d, shall take field measurements of and verify any existing conditions related to that portion of the Work, and shall observe and verify the impact of any conditions at the site affecting it. These obligations are for the purpose of facilitating coordination and construction by the Contractor and are not for the purpose of discovering errors, omissions, or inconsistencies in the Contract Documents; however, the Contractor shall promptly report to the Design Professional any errors, inconsistencies or omissions discovered by or made known to the Contractor as a request for information in such form as the Design Professional may require. If the Contractor performs any construction activity knowing it involves a recognized error, inconsistency or omission in the Contract Documents without such notice to the Design Professional, the Contractor shall assume appropriate responsibility for such performance and shall bear an appropriate amount of the attributable costs for correction per Section 12.2. It is recognized that the Contractor's review is made in the Contractor's capacity as a contractor and not as a licensed design professional, unless otherwise specifically provided in the Contract Documents.
- c. The Contractor is not required to ascertain that the Contract Documents are in accordance with applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, but the Contractor shall promptly report to the Design Professional any nonconformity

discovered by or made known to the Contractor as a request for information in such form as the Design Professional may require.

- d. If the Contractor believes that additional cost or time is involved because of clarifications or instructions the Design Professional issues in response to the Contractor's notices or requests for information pursuant to Sections 3.2.b or 3.2.c, the Contractor shall submit Claims as provided in Article 15. If the Contractor fails to perform the obligations of Sections 3.2.b or 3.2.c, the Contractor shall pay such costs and damages to the Owner, subject to Section 15.1.g, as would have been avoided if the Contractor had performed such obligations. If the Contractor performs those obligations, the Contractor shall not be liable to the Owner or Design Professional for damages resulting from errors, inconsistencies or omissions in the Contract Documents, for differences between field measurements or conditions and the Contract Documents, or for nonconformities of the Contract Documents to applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities unless such error, inconsistency or omission could be ascertained from a careful study of the Contract Documents in its capacity as a contractor and not as a design professional.

### Section 3.3 Supervision and Construction Procedures

- a. The Contractor shall supervise and direct the Work, using the Contractor's best skill and attention. The Contractor shall be solely responsible for, and have control over, construction means, methods, techniques, sequences, and procedures, and for coordinating all portions of the Work in accordance with the Contract Documents.
- b. The Contractor shall be responsible to the Owner for acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and other persons or entities performing portions of the Work for, or on behalf of, the Contractor or any of its Subcontractors.
- c. The Contractor shall be responsible for inspection of portions of Work already performed to determine that such portions are in proper condition to receive subsequent Work.
- d. The Contractor shall carefully check its own work and that of Subcontractors as the Work is being performed.
- e. During the finishing stages of the project, the Contractor shall make frequent inspections of the Work, with the applicable Subcontractor(s) involved, if any, with seven (7) days advance notice to the Design Professional, and the Contractor shall identify incorrect and faulty Work.
- f. The Contractor shall ensure that incorrect or faulty Work is corrected immediately.
- g. The Contractor shall not be relieved of obligations to perform the Work in accordance with the Contract Documents either by activities or duties of the Design Professional in their administration of the Contract, or by tests, inspections or approvals required or performed by persons other than the Contractor.

### Section 3.4 Labor and Materials

- a. Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

- b. The Contractor is encouraged to consider products and systems that improve the project and retain the character of the products specified, but do not alter the intent of the project. However, except in the case of minor changes in the Work authorized by the Design Professional in accordance with Sections 3.12.h or 7.4, the Contractor may make substitutions only by a formal request for substitution of products in place of those specified with the consent of the Owner, after evaluation by the Design Professional in accordance with the conditions set forth below and elsewhere in the Contract Documents, and a Change Order or Construction Change Directive. The Contractor must submit to the Design Professional and the Owner, for each proposed substitution:

.1 A full explanation of the proposed substitution and submittal of all supporting data, including technical information, catalog "cut sheets", warranties, test results, installation instructions, operating procedures, and other like information necessary for a complete evaluation of the substitution;

.2 A written explanation of the reasons the substitution is advantageous and necessary, including the benefits to the Owner and the Work in the event the substitution is acceptable;

.3 The adjustment, if any, in the Contract Sum, in the event the substitution is acceptable;

.4 The adjustment, if any, in the time of completion of the Contract and the Contractor's Construction Schedule in the event the substitution is acceptable;

.5 An affidavit stating that (1) the proposed substitution conforms to and meets all the requirements of the pertinent Specifications and the requirements shown on the Drawings, and (2) the Contractor accepts the warranty and correction obligations in connection with the proposed substitution as if originally specified by the Design Professional;

.6 Proposals for substitutions shall be submitted electronically to the Design Professional and the Owner's other consultants, if any, in sufficient time to allow no less than ten (10) business days for their respective reviews;

.7 No substitutions will be considered or allowed without the Contractor's submittal of complete substantiating data and information as stated herein; and

.8 Substitutions and alternates may be rejected without explanation and will be considered only under one or more of the following conditions: (1) the proposal is required for compliance with interpretation of code requirements or insurance regulations then existing; (2) specified products are unavailable through no fault of the Contractor; (3) subsequent information discloses the inability of specified products to perform properly or to fit in the designated space; (4) the manufacturer/fabricator refuses to certify or guarantee the performance of the specified product as required; and (5) when, in the judgment of the Owner or the Design Professional, a substitution would be substantially in the Owner's best interests, in terms of cost, time, or other considerations; and

.9 Whether or not any proposed substitution is accepted by the Owner, the Owner's other consultants, if any (if any), or the Design Professional, the Contractor shall reimburse the Owner for any fees charged by the Design Professional, and the Owner's other consultants for evaluating each proposed substitute.

- c. The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Work. The Contractor shall not permit employment of unfit persons or persons not properly skilled in tasks assigned to them. Smoking and chewing of tobacco products is prohibited in enclosed new construction. No glass bottles shall be brought on the construction site or Owner's property by any construction personnel.
- d. All work under this Agreement shall be performed in a skillful and workmanlike manner in accordance with the highest industry standards.
- e. The Contractor shall only employ or use labor in connection with the Work capable of working harmoniously with all trades, crafts, and any other individuals associated with the Project. The Contractor shall also use best efforts to minimize the likelihood of any strike, work stoppage, or other labor disturbance.

.1 If the Work is to be performed by trade unions, the Contractor shall make all necessary arrangements to reconcile, without delay, damage, or cost to the Owner and without recourse to the Design Professional or the Owner, any conflict between the Contract Documents and any agreements or regulations of any kind at any time in force among members or councils that regulate or distinguish the activities that shall not be included in the work of any particular trade; and

.2 In case the progress of the Work is affected by any undue delay in furnishing or installing any items or materials or equipment required under the Contract Documents because of such conflict involving any such labor agreement or regulation, the Owner may require that other material or equipment of equal kind and quality be provided pursuant to a Change Order or Construction Change Directive.

### Section 3.5 Warranty

- a. The Contractor warrants to the Owner and Design Professional that materials and equipment furnished under the Contract will be of good quality and new unless the Contract Documents require or permit otherwise. The Contractor further warrants that the Work will conform with the requirements of the Contract Documents and will be free from defects, except for those inherent in the quality of the Work the Contract Documents require or permit. Work, materials, or equipment not conforming to these requirements may be considered defective. The Contractor's warranty excludes remedy for damage or defect caused by abuse, alterations to the Work not executed by the Contractor, improper or insufficient maintenance, improper operation, or normal wear and tear and normal usage. If required by the Design Professional, the Contractor shall furnish satisfactory evidence as to the kind and quality of materials and equipment. **THE CONTRACTOR SHALL DEFEND AND HOLD THE OWNER HARMLESS AGAINST ANY CLAIM, DEMAND, LOSS, OR DAMAGE BY ANY BREACH OF THIS WARRANTY, AND CONTRACTOR ACKNOWLEDGES IT SHALL NOT LIMIT SUCH WARRANTY BY THE PROVISIONS OF SECTION 12.2.**
- b. All material, equipment, or other special warranties required by the Contract Documents shall be issued in the name of the Owner and shall commence in accordance with Section 9.8.d.
- c. When written warranties are specified, the document shall include the following information:  
Name and address of Project and Owner;  
Article, materials, or systems covered;

Name and address of Installer;

Name and address of Contractor; and

Signature of individual authorized to sign contracts for the company issuing the warranty.

- d. The following minimum warranty terms shall be incorporated:
  - .1 Duration shall be one year or as otherwise specified, dated from the Date of Substantial Completion;
  - .2 The article, material or system is free from defective materials and workmanship;
  - .3 Costs of repair or replacement shall not accrue to the Owner, including, without limitation, repair or replacement of other work disturbed by, or because of, repair or replacement; and
  - .4 The warranty period of one year, or as otherwise specified, shall recommence upon the identification and completion by Contractor and acceptance by Owner of any warranty claim during the initial one-year (1) warranty period.
- e. Warranties which are provided by a manufacturer for its product shall be received by the Contractor, filled out and filed with the manufacturer or other appropriate entity in coordination with the Owner. Certificates or registration stubs shall be included with the record documents submitted for the Owner upon completion of the Work. The Owner shall administrate manufacturer's warranties/guarantees after expiration of the Contractor's warranty.
- f. Temporary or trial usage by the Owner of any mechanical device, machinery, apparatus, equipment, or any work or material supplied under the Contract Documents before final completion and written acceptance by the Design Professional and Owner shall not be construed as evidence of the Design Professional's or the Owner's acceptance of same, or the commencement of any warranty periods.
- g. The Owner has the privilege of such temporary or trial usage, for such reasonable time as the Owner, or the Design Professional deem proper. The Contractor shall make no claims for damage or injury to, or breaking of, any parts of such work which may be caused by weakness or insufficiency of structural parts, or by defective materials or workmanship.
- h. The Contractor may, without cost to the Owner, make such trial usage. However, trials shall only be conducted with the Design Professional's prior approval and under its observation as may be required by either of them. Equipment and/or materials shall be replaced or returned to "as new" condition prior to acceptance by the Owner.
- i. The Contractor agrees to assign to the Owner at the time of final completion of the Work any and all manufacturer's warranties relating to materials and labor used in the Work and further agrees to perform the Work in such manner so as to preserve any and all such manufacturer's warranties.
- j. If necessary as a matter of law, the Contractor may retain the right to enforce directly any such manufacturers' warranties during the one (1) year period following the date of Substantial Completion described in Section 12.2.b.

### Section 3.6 Taxes

The Contractor shall, to the extent not exempted under Section 13.11.k herein, pay sales, consumer, use and similar taxes for the Work provided by the Contractor that are legally enacted when bids are received or negotiations concluded, whether or not yet effective or merely scheduled to go into effect. In

no event shall the Owner pay the Contractor for taxes that were not properly due or for which the Owner is exempt from paying under Texas law.

### Section 3.7 Permits, Fees, Notices and Compliance with Laws

- a. Unless otherwise provided in the Contract Documents, the Owner shall secure and pay for the building permit. The Owner shall also pay for any applicable gas, water, sewer and electrical service application fees; assessments against the property, including property tax, developmental excise and similar taxes; sewer, water, and related utility tap fees; and sewer plant improvement fees, unless exempted under Texas law. The Contractor shall secure and pay for all other permits, fees, licenses, and inspections by government agencies necessary for proper execution and completion of the Work that are customarily secured after execution of the Contract and legally required at the time bids are received or negotiations concluded.
- b. The Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities applicable to performance of the Work.
- c. If the Contractor performs Work knowing it to be contrary to applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, regardless of whether such work is in accordance with Contract Documents, and without notice to the Design Professional that the Contract Documents are at variance with applicable laws, ordinances, rules, or regulations, the Contractor shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction. Codes and ordinances shall take full and complete precedence over anything contained in the Drawings, Specifications, or other Contract Documents, except where the Contract Documents call for Work or materials of higher standards than those required by codes or ordinances, in which case, the Contract Documents shall govern. Nothing contained in the Contract Documents shall be construed as authority for the Contractor to violate any applicable codes or ordinances in effect at the site.
- d. **Concealed or Unknown Conditions**  
If the Contractor encounters conditions at the site that are (1) subsurface or otherwise concealed physical conditions that differ materially from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, the Contractor shall promptly provide notice to the Owner and the Design Professional before conditions are disturbed and in no event later than seven (7) days after first observance of the conditions. The Design Professional will promptly investigate such conditions and, if, in the Design Professional's opinion, they differ materially and cause an increase or decrease in the Contractor's cost of, or time required for, performance of any part of the Work, will recommend that an equitable adjustment be made in the Contract Sum or Contract Time, or both. If, in the Design Professional's opinion, the conditions at the site are not materially different from those indicated in the Contract Documents and that no change in the terms of the Contract is justified, the Design Professional shall promptly notify the Owner and Contractor, stating the reasons. If either party disputes the Design Professional's recommendation, that party may submit a Claim as provided in Article 15.
  - i. In no event shall any adjustment in the Contract Sum or Contract Time be made for conditions which should have been known to the Contractor or would have been noticed

by a Contractor of similar size and experience pursuant to its on-site inspection; by way of or conditions referenced in any other inspections or tests concerning the site which have been made available to the Contractor or have been performed by the Contractor or its Subcontractors; are part of the Contract Documents; or are part of the materials provided by the Contractor to be used in constructing the improvements.

- e. If, in the course of the Work, the Contractor encounters human remains or recognizes the existence of burial markers, archaeological sites or wetlands not indicated in the Contract Documents, the Contractor shall immediately suspend any operations that would affect them and shall notify the Owner and Design Professional. Upon receipt of such notice, the Owner shall promptly take any action necessary to obtain governmental authorization required to resume the operations. The Contractor shall continue to suspend such operations until otherwise instructed by the Owner but shall continue with all other operations that do not affect those remains or features. Requests for adjustments in the Contract Sum and Contract Time arising from the existence of such remains or features may be made as provided in Article 15.

- f. The Contractor shall comply with all applicable laws, statutes, rules, codes, orders, regulations, and ordinances, including, but not limited to, all immigration, environmental and safety laws, statutes, rules, codes, orders and regulations.

- .1 The Contractor shall also maintain at all times during the term of the this Agreement (and for the time otherwise required by law) all records required by the United States Citizenship and Immigration Services (“USCIS”), including, without limitation, the completion and maintenance of the Form I-9 for each of Contractor’s employees and shall respond at all times during the term of this Agreement in a timely fashion to any inspection request related to such I-9 forms by the Contractor, Owner or governmental agency or authority;

- .2 Furthermore, during the term of this Agreement, and for the time otherwise required by law, Contractor shall cause its officers, directors, managers, agents, and employees to cooperate fully in all respects with any audit, inquiry, inspection, or investigation that may be conducted by the USCIS of the Contractor or any of its employees or subcontractors;

- .3 The Contractor shall immediately, and in any event within two (2) hours of Contractor’s first notice of an event described in this Section 3.7.e, notify the Owner in writing and by in-person voice communications (not voicemail) of any unscheduled inspections, raids, investigations, inquiries, visits, or audits conducted by the USCIS, OSHA, or any other governmental agency or authority related to environmental, immigration, or employee safety issues of the Contractor, its agents, employees, its Design Professional, Subcontractors, or Sub-subcontractors;

- .4 The Contractor shall, on a monthly basis during the term of this Agreement, conduct an audit of the I-9 forms for its employees and shall promptly correct any defects or deficiencies that are identified as a result of such audit;

- .5 The Owner may, at its sole discretion, terminate this Agreement immediately if, at any time during the term of this Agreement, the Contractor violates or is in breach of any provision of this Section 3.7.e, or the USCIS determines that Contractor has not complied with any of the immigration laws, statutes, rules, codes, or regulations of the United States or any applicable state

laws or regulations, or any applicable local ordinances, including, without limitation, the Immigration Reform and Control Act of 1986, as amended, and the Illegal Immigration Reform and Immigration Responsibility Act of 1996, as amended, and any successor statutes thereto;

.6 If an employee of the Contractor or if the Contractor is later determined to not have valid I-9 information then that employee shall be removed and barred from the Project site at the Contractor's expense; and

.7 The Contractor shall require the Subcontractors, Sub-subcontractors and material suppliers to make the representations and warranties set forth in this Section 3.7.e and to be bound by the same requirements set forth herein.

### Section 3.8 Allowances

- a. The Contractor shall include in the Contract Sum all allowances stated in the Contract Documents. Items covered by allowances shall be supplied for such amounts and by such persons or entities as the Owner may direct, but the Contractor shall not be required to employ persons or entities to whom the Contractor has reasonable objection.
- b. Unless otherwise provided in the Contract Documents,
  - .1 allowances shall cover the cost to the Contractor of materials and equipment delivered at the site and all required taxes, less applicable trade discounts;
  - .2 Contractor's costs for unloading and handling at the site, labor, installation costs, overhead, profit, and other expenses contemplated for stated allowance amounts shall be included in the Contract Sum but not in the allowances; and
  - .3 whenever costs are more than or less than allowances, the Contract Sum shall be adjusted accordingly by Change Order. The amount of the Change Order shall reflect (1) the difference between actual costs and the allowances under Section 3.8.b.1 and (2) changes in Contractor's costs under Section 3.8.b.2.
- c. Materials and equipment under an allowance shall be selected by the Owner with reasonable promptness.

### Section 3.9 Superintendent

- a. The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Work including, but not limited to, weekends, evenings and nights, or as otherwise reasonably and mutually agreed in writing with the Owner, until all punch list items have been completed to the satisfaction of the Design Professional. No subcontractor shall perform work on the site without the presence of the Superintendent or Assistant Superintendent. The superintendent shall represent the Contractor, and communications given to the superintendent shall be as binding as if given to the Contractor.
- b. The Contractor, as soon as practicable after award of the Contract, shall notify the Owner and Design Professional of the name and qualifications of a proposed superintendent. Within 14 days of receipt of the information, the Owner or the Design Professional may notify the Contractor, stating whether the Owner or the Design Professional (1) has reasonable objection to the proposed superintendent or (2) requires additional time for review. Failure of the Design Professional to provide notice within the 14-day period shall constitute notice of no reasonable objection.

- c. All of the Contractor's proposed on-site personnel must be approved by the Design Professional and Owner. The Contractor shall not employ a proposed superintendent to whom the Owner or Design Professional has made reasonable and timely objection. The Contractor shall not change the superintendent without the Owner's consent, which shall not unreasonably be withheld or delayed. Substitution or other significant personnel changes which may affect the Contractor's on-site personnel must be preceded by written notification of the Design Professional and Owner no less than seven (7) business days before the anticipated event. Such proposed changes must be approved by the Design Professional and Owner. The Contractor shall designate a second person in charge in writing in the event the Superintendent is temporarily absent due to illness, vacation, or any other cause(s).

#### Section 3.10 Contractor's Construction and Submittal Schedules

- i. Where the Contract is based on a Stipulated Sum, the Contractor, immediately after being awarded the Work, and before execution of the Agreement, shall meet at a Preconstruction Conference with the Owner for the purpose of reviewing the Contractor's proposed Construction Management Plan; assisting the Owner with further developing the Master Project Schedule; and integrating the Work of the Contractor into that of the Owner and all Separate Contractors, if any.
- ii. The Contractor's Project Schedule must include all the following:
  - .1 Use precedence format, critical path method scheduling without the use of artificial activity constraints or "negative float";
  - .2 Use software, techniques and methods satisfactory to the Owner;
  - .3 Provide an electronic and graphic representation of all activities and events that will occur during performance of the Work;
  - .4 Identify each subproject, to include, without limitation preconstruction, construction, commissioning, turnover of the Work, and Owner's occupancy;
  - .5 Set forth dates that are critical in ensuring the timely and orderly completion of the Work in accordance with the requirements of the Contract Documents (hereinafter referred to as "Contractual Milestone Dates");
  - .6 Upon review by the Design Professional and written review and acceptance by the Owner of the Contractual Milestone Dates, the Contractor's Project Schedule shall be deemed part of the Contract Documents and provided to the Owner as a submittal;
  - .7 If not accepted, the Contractor's Project Schedule shall be promptly revised by the Contractor in accordance with the recommendations of the Owner and resubmitted for acceptance;
  - .8 Submission of an updated Contractor's Project Schedule with each Application for Payment shall be a mandatory condition precedent to the payment by the Owner to the Contractor pursuant to an Application for Payment, and the Owner shall not be obligated to make payment if the Contractor fails to include an updated Contractor's Project Schedule reflecting the then-current conditions on the Project and the anticipated progress of Work based on those conditions; and
  - .9 All requests for change orders, modifications or additional compensation from the Contractor affecting the Contract Time or Contract Sum shall include a

detailed schedule with both data and graphics showing the specific effect of the changed, modified or differing condition(s) on the critical path of the Contractor's Project Schedule.

- iii. The Contractor, prior to preparing the Construction Management Plan and attending the Preconstruction Conference, will have reviewed the sequences, durations, sequencing and dependencies of activities, material deliveries, and sequenced man-hour staffing to complete the Work. Work activities which have an installed value of twenty thousand dollars (\$20,000) or more will be broken down into major products or operations except where mutually agreed otherwise by Contractor and Owner, and these values cost-loaded into the Contractor's Project Schedule as deemed necessary by the Owner. Upon request by the Owner, the Contractor shall support values given for each work activity with data that will substantiate its correctness. The Owner may require the Contractor to show separate work activities and Contractual Milestones for, as examples only and without limitation: Substructure Completion; Superstructure Completion; Building Exterior Skin Completion; Interior Finishes Completion; Owner's Beneficial Occupancy, and other similar dates the Owner, at its sole discretion deems important to the Project.
  - iv. In the event the Contractor does not timely provide the Contractor's Construction Management Plan with an acceptable Contractor's Project Schedule containing such elements, information, and processes in a form and with a level of detail acceptable to the Design Professional and the Owner, the Owner may, at the Owner's discretion, unilaterally generate the target Contractor's Project Schedule at the Contractor's expense, and impose such schedule, sequences, logic, and/or durations on the Contractor as it deems necessary to complete the Work, or the Owner may declare the Contractor in breach of contract. Whether or not the Owner decides to implement this option, all other contractual provisions relating to breach of contract will continue to be in full force and apply without modification. The Owner may deduct from the Contractor's Application(s) for Payment the amount paid by the Owner for generating the Contractor's Project Schedule.
  - v. Upon completion of the Master Project Schedule, and acceptance by the Owner and all Separate Contractors, the Master Project Schedule shall supersede previously submitted schedules. Each updated Master Project Schedule shall supersede previous updates.
- b. The Contractor shall, at the Preconstruction Conference, and as a sub-system of its Contractor's Project Schedule, prepare an easily isolated, sorted and separately viewed submittal schedule, and thereafter update it as necessary to maintain a current submittal schedule, and shall submit such schedule(s) for the Design Professional's approval. The Design Professional's approval shall not be unreasonably delayed or withheld. The submittal schedule shall (1) be coordinated with the Contractor's Construction Schedule, and (2) allow the Design Professional reasonable time to review submittals. If the Contractor fails to submit an approvable submittal schedule thirty (30) days prior to the date established for commencement of the Work, the Contractor shall not mobilize on site, or be entitled to any increase in Contract Sum or extension of Contract Time based on the delay of the Work or time required for review of submittals during the prosecution of the Work.
- c. The Contractor shall perform the Work in general accordance with the most recent Contractor's Project Schedules submitted to the Owner and Design Professional and incorporated into the approved Master Project Schedule.

- d. The Owner together with the Contractor, will monitor the Master Project Schedule, and incorporate the Contractor's updates to its portions of this overall schedule. As all Separate Contractors are also obligated to follow the Master Project Schedule and their respective schedules therein, they will be required to actively cooperate and participate in the preparation and updating of their portion of this schedule, as well as updating the overall Master Project Schedule by the Owner. The Contractor will be kept updated on all significant Master Project Schedule changes materially affecting the Contractor's Project Schedule.
- e. The Contractor will produce a Short Interval Schedule containing activities for not less than one (1) previous week and the next three (3) weeks, and which focuses on the major weekly work activities of each subsystem. At each weekly meeting this Short Interval Schedule will be reviewed by the Contractor with all affected Subcontractors and the Owner.
- f. In the event of substantial delay, if excusable under the Contract, for which extension of the Contract Time has or will be granted, the Owner will review and may require revision by the appropriate contractor(s) of affected component of the Master Project Schedule as required by the specific applicable situation(s), and with the cooperation of the Separate Contractors on the Project.
- g. The Contractor shall, at mutually agreed intervals, submit to the Owner and Design Professional a progress report stating, without limitation, labor forces mobilized and working on site; areas worked in or on; percent complete of current work activities; any potential schedule or coordination problems; material deliveries received; site visitors; and other information as required by the Owner.
- h. The Contractor shall monitor the progress of the Work for conformance with the requirements of the Contractor's Project Schedule and shall promptly advise the Owner of any delays or potential delays. The accepted Contractor's Project Schedule shall be updated to reflect actual conditions as frequently as mutually agreed by the Contractor and Owner; but in no event less frequently than with each Application for Payment; and at other times as may be reasonably requested by the Owner or Design Professional. In the event any progress report or schedule update indicates any actual or potential delays, the Contractor shall, using both the most currently approved Contractor's Project Schedule as a baseline for comparison, and a written narrative, propose an affirmative plan to correct the delay (hereinafter referred to as the "Proposed Recovery Schedule") which must include the following:
  - .1 The Proposed Recovery Schedule will show the results of working additional shift or days, adding additional labor, and any of the other actions specified in Section 8.4, if necessary, all as described in the accompanying narrative;
  - .2 The Proposed Recovery Schedule will be reviewed by the Owner, and the Contractor will promptly and diligently make all adjustments to the Proposed Recovery Schedule reasonably requested as a result of such review.
  - .3 The Proposed Recovery Schedule shall become the most current, approved Contractor's Project Schedule upon its approval by the Owner, issuance of a Change Order for the purpose by the Design Professional; and signing of such Change Order by the Contractor, Design Professional, and Owner, in that order; and
  - .4 In no event shall any progress report, schedule update or Proposed Recovery Schedule constitute an adjustment in the Contract Time, any Contractual

Milestone Date, or the Contract Sum unless any such adjustment is agreed to by the Owner and authorized pursuant to Change Order.

- i. In the event either the Owner or Design Professional determine that the performance of the Work, as of a Contractual Milestone Date, has not progressed or reached the level of completion required by the Contract Documents, the Owner shall have the right to order the Contractor to take corrective measures necessary to expedite the progress of construction, including, without limitation those further specified in Section 8.4.
- j. The Owner may exercise the rights furnished the Owner under or pursuant to this Section 3.10 and Section 8.4 as frequently as the Owner deems necessary to ensure that the Contractor's performance of the Work will comply with any Contractual Milestone Date or completion date set forth in the Contract Documents.
- k. The Owner shall have the right to direct a postponement or rescheduling of any date or time for the performance of any part of the Work that may interfere with the operation of any part of the Owner's organization or any stakeholders or invitees thereof. The Contractor shall, upon the Owner's or Design Professional's request, reschedule such portion of the Work during hours when the interference to the Owner's organization, or any stakeholders or invitees thereof, will be minimized or eliminated. Any postponement, rescheduling, or performance of the Work under this Section 3.10.k may be grounds for an extension of the Contract Time, if permitted under Section 8.3.a; and an equitable adjustment in the Contract Sum if the performance of the Work was properly scheduled by the Contractor in compliance with the requirements of the Contract Documents; and to the extent such rescheduling or postponement is required for the convenience of the Owner.

l. Documents and Samples at the Site

The Contractor shall make available, to the Owner, Design Professional or their designees, at the Project site, the Contract Documents, including Change Orders, Construction Change Directives, and other Modifications, in good order and marked currently to indicate field changes and selections made during construction, and the approved Shop Drawings, Product Data, Samples, and similar required submittals. These shall be in electronic form or paper copy and delivered to the Design Professional for submittal to the Owner upon completion of the Work as a record of the Work as constructed. The Contractor shall make available to the Owner or Design Professional for inspection and copying the record copy of the drawings, specifications, addenda, Change Orders and other Modifications, including all such documents maintained by the Contractor in electronic format, upon reasonable request of the Owner or Design Professional and, in any event, within twenty-four (24) hours of receipt by Contractor of a request from Owner or Design Professional for such review and/or copying. The Owner or Design Professional may request the record copy of the As-Built Documents, specifications, addenda, Change Orders and other modifications of the Work to be updated before Substantial Completion to reflect the most current condition of the Project, as additional Cost of the Work paid as a Change Order at the Owner's expense. The Owner or Design Professional may require the Contractor to furnish the As-Built Documents in electronic format and may make copies of them prior to completion of the Work at the Owner's expense.

- i. The Contractor shall provide final electronic files and one "hard" copy of the Drawings and Specifications to the Owner updated to reflect the final condition of the Project with the final Application for Payment as a condition precedent to final payment.

### Section 3.12 Shop Drawings, Product Data and Samples

- a. Shop Drawings are drawings, diagrams, schedules, and other data specially prepared for the Work by the Contractor or a Subcontractor, Sub-subcontractor, manufacturer, supplier, or distributor to illustrate some portion of the Work.
- b. Product Data are illustrations, standard schedules, performance charts, instructions, brochures, diagrams, and other information furnished by the Contractor to illustrate materials or equipment for some portion of the Work.
- c. Samples are physical examples that illustrate materials, equipment, or workmanship, and establish standards by which the Work will be judged.
- d. Shop Drawings, Product Data, Samples, and similar submittals are not Contract Documents. Their purpose is to demonstrate how the Contractor proposes to conform to the information given and the design concept expressed in the Contract Documents for those portions of the Work for which the Contract Documents require submittals. Review by the Design Professional is subject to the limitations of Section 4.2.g. Informational submittals upon which the Design Professional is not expected to take responsive action may be so identified in the Contract Documents. Submittals that are not required by the Contract Documents may be returned by the Design Professional without action.
- e. The Contractor shall review for compliance with the Contract Documents, approve, and submit to the Design Professional, Shop Drawings, Product Data, Samples, and similar submittals required by the Contract Documents, after Contractor has verified the information contained within said submittals is in accordance with representations required by Section 3.12.f and in accordance with the submittal schedule approved by the Design Professional or, in the absence of an approved submittal schedule, with reasonable promptness and in such sequence as to cause no delay in the Work or in the activities of the Owner or of Separate Contractors.
- f. By submitting Shop Drawings, Product Data, Samples, and similar submittals, the Contractor represents to the Owner and Design Professional that the Contractor has (1) reviewed and approved them, (2) determined and verified materials, field measurements and field construction criteria related thereto, or will do so, and (3) checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents and (4) verified the information contained within said submittals is in accordance with all applicable Federal, state and local codes or ordinances in effect at the site.
- g. The Contractor shall perform no portion of the Work for which the Contract Documents require submittal and review of Shop Drawings, Product Data, Samples, or similar submittals, until the respective submittal has been approved by the Design Professional. Should the Contractor, Subcontractors, or Sub-subcontractors install, construct, erect or perform any portion of the Work without approval of any requisite submittal, the Contractor shall bear the costs, responsibility, and delay for removal, replacement, and/or correction of any and all items, material, and /or labor.
- h. The Work shall be in accordance with approved submittals except that the Contractor shall not be relieved of responsibility for deviations from the requirements of the Contract Documents by the Design Professional's approval of Shop Drawings, Product Data, Samples, or similar submittals, unless the Contractor has specifically notified the Design Professional of such deviation at the time of submittal and (1) the Design Professional has given written approval to the specific deviation as a minor change in the Work, or (2) a Change Order or Construction Change Directive has been issued authorizing the deviation. The Contractor shall not be relieved of responsibility for errors or

omissions in Shop Drawings, Product Data, Samples, or similar submittals, by the Design Professional's approval thereof.

- i. The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data, Samples, or similar submittals, to revisions other than those requested by the Design Professional on previous submittals. In the absence of such notice, the Design Professional's approval of a resubmission shall not apply to such revisions.
  - i. Copies of all approved Shop Drawings, Product Data, Samples and similar submittals shall be preserved in an orderly manner and delivered by the Contractor to the Owner upon Final Completion.
- j. The Contractor shall not be required to provide professional services that constitute the practice of architecture or engineering unless such services are specifically required by the Contract Documents for a portion of the Work or unless the Contractor needs to provide such services in order to carry out the Contractor's responsibilities for construction means, methods, techniques, sequences, and procedures. The Contractor shall not be required to provide professional services in violation of applicable law.
  - i. If professional design services or certifications by a design professional related to systems, materials, or equipment are specifically required of the Contractor, the Owner and the Design Professional will specify all performance and design criteria that such services must satisfy in the Contract Documents. The Contractor shall be entitled to rely upon the adequacy and accuracy of the performance and design criteria provided in the Contract Documents. The Contractor shall cause such services or certifications to be provided by an appropriately licensed design professional, whose signature and seal shall appear on all drawings, calculations, specifications, certifications, Shop Drawings, and other submittals prepared by such professional who shall comply with reasonable requirements of the Owner regarding qualifications and insurance. Shop Drawings, and other submittals related to the Work, designed or certified by such professional, if prepared by others, shall bear such professional's written approval when submitted to the Design Professional. The Owner and the Design Professional shall be entitled to rely upon the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals, provided the Owner and Design Professional have specified to the Contractor the performance and design criteria that such services must satisfy. Pursuant to this Section 3.12.j, the Design Professional will review and approve or take other appropriate action on submittals only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents.
  - ii. If the Contract Documents require the Contractor's design professional to certify that the Work has been performed in accordance with the design criteria, the Contractor shall furnish such certifications to the Owner and the Design Professional at the time and in the form specified by the Design Professional.

### Section 3.13 Use of Site, Delivery and Storage

- a. The Contractor shall confine operations at the site to areas permitted by applicable laws, statutes, ordinances, codes, rules and regulations, lawful orders of public authorities, and the Contract Documents and shall not unreasonably encumber the site with materials or equipment.

- b. The Contractor shall coordinate the Contractor's operations with, and secure the approval of, the Owner before using any portion of the site.
- c. The Contractor shall take reasonable precautions for the safety of, and shall provide all reasonable protection to prevent damage, injury or loss to, all persons at the Project site; all property at the Project site; and all persons or property adjacent thereto, which includes, but is not limited to, the all the following duties and acknowledgements:
  - .1 The Contractor acknowledges the Project site comprises and/or may be adjacent to existing structures and that these site areas may be occupied during the performance of some portions of this Contract;
  - .2 The Work shall be performed, to the fullest extent reasonably possible, in such a manner that public areas adjacent to the site of the Work shall be free from all debris, building materials, and equipment likely to cause interference with adjacent stakeholders or create hazardous conditions;
  - .3 The Contractor shall be responsible for the mitigation and/or abatement of all noise, dust, fumes, traffic or other by-product of construction activity that, in the opinion of the Owner or the Design Professional, have an adverse affect on the quality of life or productivity for Project stakeholders, the Owner's current operations, or the Owner's employees. Such mitigation and/or abatement shall be performed in manner and with a result completely and wholly acceptable to the Owner and Design Professional;
  - .4 The Contractor shall control its personnel and the Subcontractors on site, especially regarding the use of alcohol or profanity, dressing in an inappropriate manner, parking in an inappropriate place, or other activities deemed to be inappropriate, to the satisfaction of the Owner and Design Professional. Repeat offenses will cause the Owner or Design Professional to require, through the Contractor, the temporary or permanent removal of the offending individuals, Subcontractor(s) or Sub-subcontractor(s) from the site;
  - .5 The Contractor shall, at a minimum, secure the site by erecting and maintaining a 6'-0" chain link fence around the perimeter of the construction site. This fence shall remain intact until such time the site becomes secure in the opinion of the Contractor, as a result of construction progress (by way of example, and without limitation, completion of site grading and backfill, installation of doors and windows, etc.);
  - .6 The Contractor shall furnish and maintain sufficient sanitary facilities for its own forces and those of any Subcontractor or Sub-subcontractor. The facilities of any existing, nearby buildings will not be available for construction use; and
  - .7 The Contractor is advised that the project site area is subject to, among other inclement weather, unpredictable and high winds. When all or a portion of the Work is suspended for any reason, the Contractor shall securely fasten down all coverings and stored materials on site and fully protect the Work, as necessary, from injury or damage by any cause and to prevent possible damage caused by flying materials and debris.

- d. The Contractor shall ensure that the Work, at all times, is performed in a manner that affords reasonable access, both vehicular and pedestrian, to the site of the Work and all adjacent areas, which includes, but is not limited to, all of the following duties:
  - .1 The access to the site shall be maintained in compliance with all local, state, and Federal code and life safety requirements for ingress by first responders and other similar emergency requirements;
  - .2 The Contractor shall inform the Owner, Design Professional and any officials referenced in Section 3.13.f in writing a minimum of thirty (30) calendar days prior to any disruption of access, specifically and graphically showing the nature of the disruption, as well as the hours it will be disrupted. Such disruption will be subject to Owner's and Design Professional's approval, such approval not to be unreasonably withheld;
  - .3 The Owner shall be responsible for snow removal to the limits of the construction site only so far that the Contractor will have access to the entrance to the construction area; and
  - .4 Snow removal within the limits of work and/or for the purpose of performing and protecting work by individual contractors is the duty of the Contractor.
- e. During the performance of the Work, the Contractor, its Subcontractors, Sub-subcontractors, suppliers and their employees agree they shall:
  - .1 Use such entrances to the construction site that may be designated by the Owner;
  - .2 Perform the Work at such times of the day and days of the week as may be designated by the Owner; and
  - .3 Accept that these entrances and times may be reviewed and changed from time to time by the Owner.
- f. The Contractor shall notify all public utility companies a minimum of two (2) business days prior to the commencement of any work by it or its Subcontractors in the vicinity of the utilities. No work shall commence until the utilities have been located and staked by the utility company or written consent from the Owner to proceed has been given to the Contractor. If the utility service must be interrupted, the Contractor shall, at Contractor's sole cost and expense, notify the head of the local administrative services (by way of example only, and without limitation, the city manager, the mayor, the city or county clerk, etc. as applicable) and the utility users affected by the interruption. Such notice shall consist of direct written communication, publication in a local newspaper, and/or announcement on local radio or television stations, whichever is most reasonably calculated to give the most effective notice to such utility users.
- g. The Contractor shall exercise due diligence in seeing that all equipment, material, and supplies are delivered in advance of the time they are needed on the job and shall properly store and protect same at the Contractor's expense.
- h. Notwithstanding any other provision herein, the Contractor shall take all necessary measures to store materials on site for which payment has been requested by the Contractor or been made by the Owner so that they shall not deteriorate, be damaged or be stolen, which includes, but is not limited to, all the following:
  - .1 Only materials and equipment that are to be used directly in the Work shall be brought to and stored on the Project site by the Contractor;

- .2 Protection of construction materials and equipment stored at the Project site from fire, weather, burglary, pilferage, vandalism and mischief, damage, and all other adversity; and the care and protection of materials and Work installed in the building is solely the responsibility of the Contractor;
  - .3 The Contractor shall bear sole responsibility for the restoration of damaged Work and replacement of damaged or stolen materials at no additional cost to the Owner; and
  - .4 After equipment is no longer required for the Work, it shall be promptly removed from the Project site.
- i. The Contractor shall not deliver any materials to the site which are not to be installed by same Contractor without fifteen (15) day's advance notice in writing to the Owner of the location, date, and time of such delivery to allow proper coordination. Such materials shall be received jointly by a representative of the Contractor and a representative of the Owner, who shall agree, and the Contractor shall document such agreement in writing:
- .1 The materials delivered are undamaged, or if damaged, such damage is documented by digital photo(s);
  - .2 They are in the quantities shown on the purchase order, invoice or bill of lading accompanying the shipment or delivery or otherwise provided;
  - .3 The storage conditions are adequate for the purposes; and
  - .4 The Contractor has accepted responsibility for insurance and ongoing protection per Section 10.2 for such material until it is released to a third party authorized in writing by the Owner to receive it.

#### Section 3.14 Cutting and Patching

- a. The Contractor shall be responsible for cutting, fitting, or patching required to complete the Work or to make its parts fit together properly. All areas requiring cutting, fitting, or patching shall be restored to the condition existing prior to the cutting, fitting, or patching, unless otherwise required by the Contract Documents.
- b. The Contractor shall not damage or endanger a portion of the Work or fully or partially completed construction of the Owner or Separate Contractors by cutting, patching, or otherwise altering such construction, or by excavation. The Contractor shall not cut or otherwise alter construction by the Owner or a Separate Contractor except with written consent of the Owner and of the Separate Contractor. Consent shall not be unreasonably withheld. The Contractor shall not unreasonably withhold, from the Owner or a Separate Contractor, its consent to cutting or otherwise altering the Work.

#### Section 3.15 Cleaning Up

- a. The Contractor shall keep the premises and surrounding area free from accumulation of waste materials and rubbish caused by operations under the Contract and shall be responsible for daily clean-up of construction materials and dust control. At completion of the Work, the Contractor shall remove waste materials, rubbish, the Contractor's tools, construction equipment, machinery, and surplus materials from and about the Project and shall clean all glass surfaces and leave the Work "broom clean", or its equivalent, except as otherwise specified.

- b. If the Contractor fails to clean up as provided in the Contract Documents, the Owner may do so and the Owner shall be entitled to reimbursement from the Contractor.

#### Section 3.16 Access to Work

The Contractor shall provide the Owner and Design Professional and their representatives with access to the Work in preparation and progress at all times wherever located, and shall provide proper and safe facilities for such access.

#### Section 3.17 Royalties, Patents and Copyrights

The Contractor shall pay all royalties and license fees. The Contractor shall defend suits or claims for infringement of copyrights and patent rights and shall defend and hold the Owner and Design Professional harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process, or product of a particular manufacturer or manufacturers is required by the Contract Documents, or where the copyright violations are contained in Drawings, Specifications, or other documents prepared by the Owner or Design Professional. However, if an infringement of a copyright or patent is discovered by, or made known to, the Contractor, the Contractor shall be responsible for the loss unless the information is promptly furnished to the Design Professional.

#### Section 3.18 Indemnification

- a. **CONTRACTOR DOES HEREBY AGREE TO WAIVE ALL CLAIMS, RELEASE, INDEMNIFY, DEFEND AND HOLD HARMLESS INDEMNITEES FROM AND AGAINST ANY AND ALL CITATIONS, CLAIMS, COSTS, DAMAGES, DEMANDS, EXPENSES, FINES, JUDGMENTS, LIABILITY, LOSSES, PENALTIES, SUITS OR CAUSES OF ACTION OF EVERY KIND INCLUDING ALL EXPENSES OF LITIGATION AND/OR SETTLEMENT, COURT COSTS AND ATTORNEY FEES WHICH MAY ARISE BY REASON OF INJURY TO OR DEATH OF ANY PERSON OR FOR LOSS OF, DAMAGE TO, OR LOSS OF USE OF ANY PROPERTY OCCASIONED BY ERROR, OMISSION, OR NEGLIGENT ACT OF CONTRACTOR, ITS SUBCONTRACTORS, ANY OFFICERS, AGENTS OR EMPLOYEES OF CONTRACTOR OR ANY SUBCONTRACTORS, INVITEES, AND ANY OTHER THIRD PARTIES OR PERSONS FOR WHOM OR WHICH CONTRACTOR IS LEGALLY RESPONSIBLE, IN ANY WAY ARISING OUT OF, RELATING TO, RESULTING FROM, OR IN CONNECTION WITH THE PERFORMANCE OF THIS CONTRACT, AND CONTRACTOR WILL AT ITS OWN COST AND EXPENSE DEFEND AND PROTECT OWNER FROM ANY AND ALL SUCH CLAIMS AND DEMANDS.**

**CONTRACTOR DOES HEREBY AGREE TO WAIVE ALL CLAIMS, RELEASE, INDEMNIFY, DEFEND AND HOLD HARMLESS INDEMNITEES FROM AND AGAINST ANY AND ALL CITATIONS, CLAIMS, COSTS, DAMAGES, DEMANDS, EXPENSES, FINES, JUDGMENTS, LIABILITY, LOSSES, PENALTIES, SUITS OR CAUSES OF ACTION OF EVERY KIND INCLUDING ALL EXPENSES OF LITIGATION AND/OR SETTLEMENT, COURT COSTS AND ATTORNEY FEES FOR INJURY, SICKNESS, DISEASE OR DEATH OF ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF CONTRACTOR OR ANY OF ITS SUBCONTRACTORS,**

REGARDLESS OF WHETHER THE CITATIONS, CLAIMS, COSTS, DAMAGES, DEMANDS, EXPENSES, FINES, JUDGMENTS, LIABILITY, LOSSES, PENALTIES, SUITS OR CAUSES OF ACTION ARISE IN WHOLE OR IN PART FROM THE NEGLIGENCE OF INDEMNITEES. IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT THE INDEMNITY PROVIDED FOR IN THIS PARAGRAPH IS AN INDEMNITY BY CONTRACTOR FOR THE BENEFIT OF THE OWNER FROM THE CONSEQUENCES OF OWNER'S NEGLIGENCE, WHETHER THAT NEGLIGENCE IS A SOLE OR CONCURRING CAUSE OF THE INJURY, SICKNESS, DISEASE OR DEATH OF CONTRACTOR'S EMPLOYEE OR EMPLOYEE OF ANY OF ITS SUBCONTRACTORS.

IN ANY AND ALL CLAIMS AGAINST ANY PARTY INDEMNIFIED HEREUNDER BY ANY EMPLOYEE OF THE CONTRACTOR, ANY SUB-CONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY ANY OF THEM OR ANYONE FOR WHOSE ACTS ANY OF THEM MAY BE LIABLE, THE INDEMNIFICATION OBLIGATION HEREIN PROVIDED SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION OR BENEFITS PAYABLE BY OR FOR THE CONTRACTOR OR ANY SUB-CONTRACTOR UNDER WORKMEN'S COMPENSATION OR OTHER EMPLOYEE BENEFIT ACTS.

INDEMNIFIED ITEMS SHALL INCLUDE, BUT NOT BE LIMITED TO, ATTORNEYS' FEES AND COSTS, COURT COSTS AND SETTLEMENT COSTS, INCURRED BY AN INDEMNIFIED INDIVIDUAL OR ENTITY IN ATTEMPTING TO ENFORCE THIS INDEMNITY.

THE CONTRACTOR IS NOT REQUIRED TO INDEMNIFY OR DEFEND THE DESIGN PROFESSIONAL, ANY LICENSED ENGINEER, OR AN AGENT, SERVANT, OR EMPLOYEE OF THE DESIGN PROFESSIONAL OR LICENSED ENGINEER FROM LIABILITY THAT MAY ARISE FROM DEFECTS IN THE PLANS, DESIGNS OR SPECIFICATIONS OR NEGLIGENCE ON THE PART OF THE DESIGN PROFESSIONAL OR LICENSED ENGINEER IN THE RENDITION OR CONDUCT OF PROFESSIONAL DUTIES ARISING FROM THE CONTRACT AND THE PLANS DESIGNS OR SPECIFICATIONS THAT ARE PART OF THE CONSTRUCTION CONTRACT AS SET FORTH IN CHAPTER 130 OF THE TEXAS CIVIL PRACTICE AND REMEDIES CODE.

- b. THE CONTRACTOR'S INDEMNITY OBLIGATIONS UNDER THIS SECTION 3.18 SHALL ALSO SPECIFICALLY INCLUDE, WITHOUT LIMITATION, ALL FINES, PENALTIES, DAMAGES, LIABILITY, SAFETY VIOLATIONS, COSTS, EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES), AND PUNITIVE DAMAGES, IF ANY, ARISING OUT OF, OR IN CONNECTION WITH ANY:
  - .1 VIOLATION OF OR FAILURE COMPLY WITH ANY LAW, STATUTE, ORDINANCE, RULE, REGULATION, CODE OR REQUIREMENT OF A PUBLIC AUTHORITY THAT BEARS UPON THE PERFORMANCE OF THE WORK BY THE CONTRACTOR, A

**SUBCONTRACTOR OR ANY PERSON OR ENTITY FOR WHOM EITHER IS RESPONSIBLE;**

**.2 MEANS, PROCEDURES, TECHNIQUES, SAFETY PRECAUTIONS, OR SEQUENCES OF EXECUTION OR PERFORMANCE OF THE WORK; AND**

**.3 FAILURE TO SECURE AND PAY FOR PERMITS, FEES, APPROVALS, LICENSES, AND INSPECTION AS REQUIRED UNDER THE CONTRACT DOCUMENTS, OR ANY VIOLATION OF ANY PERMIT OR OTHER APPROVAL OF A PUBLIC AUTHORITY APPLICABLE TO THE WORK, BY THE CONTRACTOR, A SUBCONTRACTOR, OR ANY PERSON OR ENTITY FOR WHOM EITHER IS RESPONSIBLE.**

- c. **THE CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS ALL OF THE INDEMNITEES SET OUT IN SECTION 3.18.a FROM AND AGAINST ANY COSTS AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES) INCURRED BY ANY OF THE INDEMNITEES IN ENFORCING ANY OF THE CONTRACTOR'S DEFENSE, INDEMNITY, AND HOLD-HARMLESS OBLIGATIONS UNDER THIS CONTRACT.**

#### Article 4. DESIGN PROFESSIONAL

##### Section 4.1 General

- a. The Design Professional is the person or entity retained by the Owner pursuant to Section 2.3.b and identified as such in the Agreement.
- b. Duties, responsibilities, and limitations of authority of the Design Professional as set forth in the Contract Documents shall not be restricted, modified, or extended without written consent of the Owner, Contractor, and Design Professional. Consent shall not be unreasonably withheld.

##### Section 4.2 Administration of the Contract

- a. The Design Professional will provide administration of the Contract as described in the Contract Documents and will be an Owner's representative during construction until the date the Design Professional issues the final Certificate for Payment. The Design Professional will have authority to act on behalf of the Owner only to the extent provided in the Contract Documents.
- b. The Design Professional will visit the site at intervals appropriate to the stage of construction, or as otherwise agreed with the Owner, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine in general if the Work observed is being performed in a manner indicating that the Work, as the Work progresses and when fully completed, will be in accordance with the Contract Documents. However, the Design Professional will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. The Design Professional will not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for the safety precautions and programs in connection with the Work, since these are solely the Contractor's rights and responsibilities under the Contract Documents, except as provided in Section 3.3.a.
- c. On the basis of the site visits, the Design Professional will keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most

recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work. The Design Professional will not be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Design Professional will not have control over or charge of and will not be responsible for acts or omissions of, the Contractor, Subcontractors, or their agents or employees, or any other persons or entities performing portions of the Work.

- i. **NEITHER THE OWNER NOR THE DESIGN PROFESSIONAL NOR THE OWNER'S OTHER CONSULTANTS SHALL BE RESPONSIBLE OR LIABLE FOR THE SAFETY PROGRAM(S) DEVELOPED BY THE CONTRACTOR OR ITS SUBCONTRACTORS FOR THE SAFETY OF PERSONS AND PROPERTY, OR FOR COMPLIANCE WITH STATUTES, RULES, REGULATIONS, AND ORDERS APPLICABLE TO CONDUCT THE WORK. SHOULD ANY CONTRACTOR OR THEIR SUBCONTRACTOR(S), OR THE SUB-SUBCONTRACTOR(S) MAKE A CLAIM AGAINST THE INDEMNITEES, OR SHOULD THEY OR ANY GOVERNMENTAL ENTITY BRING ANY ACTION OR LEVY OR A FINE OR PENALTY AGAINST THE INDEMNITEES ON ACCOUNT OF ANY SAFETY-RELATED DAMAGE OR VIOLATION OF LAW ALLEGED TO HAVE BEEN SUSTAINED, THE CONTRACTOR AGREES THAT IT WILL HOLD THE INDEMNITEES HARMLESS AGAINST ANY SUCH VIOLATION, FINE, CLAIM OR SUIT, AND THAT IT WILL REIMBURSE THE INDEMNITEES THE COST OF DEFENDING SUCH SUIT, AND IF ANY JUDGMENT AGAINST THE INDEMNITEES ARISES THEREFROM, THE CONTRACTOR SHALL PAY OR SATISFY IT AND SHALL PAY ALL COSTS INCURRED BY THE INDEMNITEES.**
- d. Communications
- The Owner and Contractor shall include the Design Professional in all communications about the Design Professional's services or professional responsibilities. The Owner shall promptly notify the Design Professional of the substance of any direct communications between the Owner and the Contractor otherwise relating to the Project. Communications by and with the Design Professional's consultants shall be through the Design Professional. Communications by and with Subcontractors and suppliers shall be through the Contractor. Communications by and with Separate Contractors shall be through the Owner. The Contract Documents may specify other communication protocols.
- i. Failure of Contractor to give the Owner or Design Professional written notice of Contractor's objections, within three (3) business days, to directives, instructions, interpretations, or minutes from the Owner or Design Professional, shall constitute final and conclusive consent on the part of the Contractor to such directives, instructions, interpretations, or minutes of the Owner or Design Professional.
  - ii. Any written notice from the Owner or Design Professional to the Contractor shall be sufficiently given when delivered to the last known business address of the Contractor, or to its registered or authorized agent, representative, or officer. Any written notice from the Contractor to the Owner shall be sufficiently given when personally delivered to the Owner's Office, Attn: Project Manager, or at such other address and to the attention of such person as the Owner may from time to time designate in writing.

- e. Based on the Design Professional's evaluations of the Contractor's Applications for Payment, the Design Professional will review and certify the amounts due the Contractor and will issue Certificates for Payment in such amounts.
- f. The Design Professional has authority to reject Work that does not conform to the Contract Documents. Whenever the Design Professional considers it necessary or advisable, the Design Professional will have authority to require inspection or testing of the Work in accordance with Sections 13.4.b and 13.4.c, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Design Professional nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Design Professional to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees, or other persons or entities performing portions of the Work.
- g. The Design Professional will review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data, and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Design Professional's action will be taken in accordance with the submittal schedule approved by the Design Professional or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time in the Design Professional's professional judgment to permit adequate review. Review of such submittals is not conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of the Contractor as required by the Contract Documents. The Design Professional's review of the Contractor's submittals shall not relieve the Contractor of the obligations under Sections 1.2, 3.2.a, 3.3, 3.5, 3.12, and 13.9. The Design Professional's review shall not constitute approval of safety precautions or of any construction means, methods, techniques, sequences, or procedures. The Design Professional's approval of a specific item shall not indicate approval of an assembly of which the item is a component.
- h. The Design Professional will prepare Change Orders and Construction Change Directives and may order minor changes in the Work as provided in Section 7.4. The Design Professional will investigate and make recommendations regarding concealed and unknown conditions as provided in Section 3.7.d.
- i. The Design Professional will conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion pursuant to Section 9.8; receive and forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract and assembled by the Contractor pursuant to Section 9.10; and issue a final Certificate for Payment pursuant to Section 9.10.
- j. If the Owner and Design Professional agree, the Design Professional will provide one or more Project representatives to assist in carrying out the Design Professional's responsibilities at the site. The duties, responsibilities and limitations of authority of such project representatives shall be as set forth in an exhibit to be incorporated in the Contract Documents. The Owner shall notify the Contractor of any change in the duties, responsibilities and limitations of authority of the Project representatives.
- k. The Design Professional will interpret matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Design

Professional's response to such requests will be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

- l. Interpretations of the Design Professional will be consistent with the intent of, and reasonably inferable from, the Contract Documents and will be in writing or in the form of drawings. When making such interpretations, the Design Professional will endeavor to secure faithful performance by both Owner and Contractor, will not show partiality to either, and will not be liable for results of interpretations or decisions rendered in good faith.
- m. The Design Professional's opinions on matters relating to aesthetic effect will be considered by the Owner when making the Owner's determination on these issues and the Owner's decision will be final if consistent with the intent expressed in the Contract Documents. Such Owner's determination shall be communicated through the Design Professional.
- n. The Design Professional will review and respond to requests for information about the Contract Documents. The Design Professional's response to such requests will be made in writing within any time limits agreed upon or otherwise with reasonable promptness. If appropriate, the Design Professional will prepare and issue supplemental Drawings and Specifications in response to the requests for information.

## Article 5. SUBCONTRACTORS

### Section 5.1 Definitions

- a. A Subcontractor is a person or entity who has a direct contract with the Contractor to perform a portion of the Work at the site. The term "Subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include a Separate Contractor or the subcontractors of a Separate Contractor.
- b. A Sub-subcontractor is a person or entity who has a direct or indirect contract with a Subcontractor to perform a portion of the Work at the site. The term "Sub-subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Sub-subcontractor or an authorized representative of the Sub-subcontractor.

### Section 5.2 Award of Subcontracts and Other Contracts for Portions of the Work

- a. Unless otherwise stated in the Contract Documents, the Contractor, as soon as practicable after award of the Contract, shall notify the Owner and Design Professional of the persons or entities proposed for each principal portion of the Work, including those who are to furnish materials or equipment fabricated to a special design. Within 14 days of receipt of the information, the Design Professional may notify the Contractor whether the Owner or the Design Professional (1) has reasonable objection to any such proposed person or entity or (2) requires additional time for review. Failure of the Design Professional to provide notice within the 14-day period shall constitute notice of no reasonable objection.
- b. The Contractor shall not contract with a proposed person or entity to whom the Owner or Design Professional has made reasonable and timely objection. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable objection.

- c. If the Owner or Design Professional has reasonable objection to a person or entity proposed by the Contractor, the Contractor shall propose another to whom the Owner or Design Professional has no reasonable objection. If the proposed but rejected Subcontractor was reasonably capable of performing the Work, the Contract Sum and Contract Time shall be increased or decreased by the difference, if any, occasioned by such change, and an appropriate Change Order shall be issued before commencement of the substitute Subcontractor's Work. However, no increase in the Contract Sum or Contract Time shall be allowed for such change unless the Contractor has acted promptly and responsively in submitting names as required.
- d. The Contractor shall not substitute a Subcontractor, person, or entity for one previously selected if the Owner or Design Professional makes reasonable objection to such substitution.
- e. Upon request, the Contractor shall provide to the Owner an executed copy of all subcontracts, purchase orders, and other agreements relating to the Work.
- f. The Contractor shall not sublet the Work as a whole. The approval of subcontractors in no way relieves the Contractor from full responsibility.

### Section 5.3 Subcontractual Relations

- a. By appropriate written agreement, the Contractor shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities, including responsibility for safety of the Subcontractor's Work, which the Contractor, by the Contract Documents, assumes toward the Owner, the Owner's other consultants and Design Professional. Each subcontract agreement shall preserve and protect the rights of the Owner, the Owner's other consultants, and Design Professional under the Contract Documents with respect to the Work to be performed by the Subcontractor. Where appropriate, the Contractor shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Contractor shall make available for review for each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement that may be at variance with the Contract Documents. Subcontractors will similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors. Notwithstanding the above, all Agreements with the Owner shall have all references to compensation redacted before disclosing to Subcontractors, sub-Subcontractors, or any other tier of vendor.
- b. All subcontracts shall be in writing in form and substance substantially similar to the Contractor's standard form subcontract, attached to the Agreement and made a part thereof as an Exhibit, and shall specifically provide that the Owner is an intended third-party beneficiary of such subcontract. The Contractor's subcontractors, however, are not intended third-party beneficiaries of this Agreement by pass through, assignment, or otherwise, except as provided in the Contract Documents, and the Owner shall not be bound to Contractor's subcontract agreements.
- c. Whenever the Contractor receives payment pursuant to the Contract Documents, the Contractor shall make payments to each of its Subcontractors of any amounts actually received which were included in the Contractor's Application for Payment to the Owner for such subcontracts unless otherwise allowed to withhold payment by the terms and conditions of the subcontract or as allowed by law. The Contractor shall make such payments within ten (10) days of receipt of payment from

the Owner in the same manner as the Owner is required to pay the Contractor under the Contract Documents if the Subcontractor is satisfactorily performing under its contract with the Contractor. Such payments from Owner to Contractor shall be imposed with an express trust to assure that payment is made to all Project Subcontractors, Sub-subcontractors, and suppliers. In addition to the express trust imposed upon such funds and the fiduciary duties incumbent upon the Contractor, Texas Property Code Chapter 162 shall apply.

- d. The Contractor shall monitor the Subcontractors, who shall pay all suppliers, Sub-subcontractors, laborers, and any other persons who provide goods, materials, labor, or equipment to the Subcontractor any amounts actually received which were included in the Subcontractor's request for payment to the Contractor for such persons, within ten (10) days of receipt of payment from the Contractor. The construction payments made by the Contractor to the Subcontractor shall be trust funds as set forth in Chapter 162 of the Texas Property Code. If the Subcontractor fails to make such payments in the required manner, the Subcontractor shall pay said suppliers, Sub-subcontractors, and laborers interest as set forth in Chapter 162 of the Texas Property Code.
- e. At the time the Subcontractor submits a request for payment to the Contractor, the Subcontractor shall also submit to the Contractor a list of the Subcontractor's suppliers, Sub-subcontractors, and laborers. The Contractor shall be relieved of the requirements of this Section regarding payment in ten (10) days and interest payments until the Subcontractor submits such list. If the Contractor fails to make timely payments to the Subcontractor as required by this Section, the Contractor shall pay the Subcontractor interest as calculated under the provisions of Chapter 2251 of the Texas Government Code. Nothing in this Section 5.3 shall be construed to affect the retention provisions of any contract.
- f. The provisions of this Section 5.3 shall be made a part of each contract between the Contractor and each Subcontractor, either expressly or by incorporation by reference to this Section of the Contract Documents.

#### Section 5.4 Contingent Assignment of Subcontracts

- a. Each subcontract agreement for a portion of the Work may be assigned by the Contractor to the Owner, provided that
  - .1 assignment is effective only after termination of the Contract by the Owner for cause pursuant to Section 14.2 and only for those subcontract agreements that the Owner accepts by notifying the Subcontractor and Contractor; and
  - .2 assignment is subject to the prior rights of the surety, if any, obligated under bond relating to the Contract.

When the Owner accepts the assignment of a subcontract agreement, the Owner assumes the Contractor's rights and obligations under the subcontract.

- b. If the Work in connection with a subcontract has been suspended for more than thirty ( 30 ) days, after termination of the Contract by the Owner pursuant to Section 14.2 and the Owner accepts assignment of such subcontract, the Subcontractor's compensation shall be equitably adjusted for any increase in direct verifiable costs incurred by such Subcontractor as a result of the suspension.
- c. Upon assignment to the Owner under this Section 5.4, the Owner may further assign the subcontract to a successor contractor or other entity, including the performance bond Surety's takeover or completion contractor, which shall relieve the Owner of any legal responsibility under the subcontract.

- d. Each subcontract shall specifically provide that the Owner shall only be responsible to the Subcontractor for those obligations that accrue subsequent to the assignment of the Subcontractor to the Owner after suspension and termination of the Contract, as provided in this Section 5.4. This Section 5.4 shall be construed to prohibit a pass through or assignment of rights, unless authorized by the Owner in writing

#### Section 5.5 Owner Payments to Subcontractors

- a. In the event of any default hereunder by the Contractor, or in the event the Owner or Design Professional fails to approve any Application for Payment that is not the fault of a Subcontractor, the Owner may make direct payment to the Subcontractor, less appropriate retainage. In that event, the amount paid the Subcontractor shall be deducted from the payment to the Contractor.
- b. Nothing contained herein shall create any obligation on the part of the Owner to make any payments to any Subcontractor, and no payment by the Owner to any Subcontractor shall create any obligation to make any further payments to any Subcontractor.

### Article 6. CONSTRUCTION BY OWNER OR BY SEPARATE CONTRACTORS

#### Section 6.1 Owner's Right to Perform Construction and to Award Separate Contracts

- a. The term "Separate Contractor(s)" shall mean other contractors retained by the Owner under separate agreements. The Owner reserves the right to perform construction or operations related to the Project with the Owner's own forces, and with Separate Contractors in connection with other portions of the Project or other construction or operations on the site under Conditions of the Contract identical or substantially similar to these including those portions related to insurance and waiver of subrogation. If the Contractor claims that delay or additional cost is involved because of such action by the Owner, the Contractor shall make such Claim as provided in Article 15.
- b. When separate contracts are awarded for different portions of the Project or other construction or operations on the site, the term "Contractor" in the Contract Documents in each case shall mean the Contractor who executes each separate Owner-Contractor Agreement.
- c. The Owner shall provide for coordination of the activities of the Owner's own forces and of each Separate Contractor with the Work of the Contractor, who shall cooperate with them. The Contractor shall participate with any Separate Contractors and the Owner in reviewing their construction schedules. The Contractor shall make any revisions to its construction schedule deemed necessary after a joint review and mutual agreement. The construction schedules shall then constitute the schedules to be used by the Contractor, Separate Contractors, and the Owner until subsequently revised.
- d. Unless otherwise provided in the Contract Documents, when the Owner performs construction or operations related to the Project with the Owner's own forces or with Separate Contractors, the Owner or its Separate Contractors shall have the same obligations and rights that the Contractor has under the Conditions of the Contract, including, without excluding others, those stated in Article 3, this Article 6, and Articles 10, 11, and 12.
- e. The Contractor accepts assignment of, and liability for, all purchase orders and other agreements for procurement of materials and equipment that are listed in and identified as part of the Contract Documents. The Contractor shall be responsible for such pre-purchased items, if any, as if the

Contractor were the original purchaser. The Contract Sum includes, without limitation, all costs and expenses in connection with delivery, storage, insurance, installation, and testing of items covered in any assigned purchase orders or agreements. All warranty and correction of the Work obligations under the Contract Documents shall also apply to any pre-purchased items, unless the Contract Documents specifically provide otherwise.

#### Section 6.2 Mutual Responsibility

- a. The Contractor shall afford the Owner and Separate Contractors reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities and shall connect and coordinate the Contractor's construction and operations with theirs as required by the Contract Documents.
- b. If part of the Contractor's Work depends on proper execution or results upon construction or operations by the Owner or a Separate Contractor, the Contractor shall, prior to proceeding with that portion of the Work, promptly notify the Design Professional of any apparent discrepancies or defects in the construction or operations by the Owner or Separate Contractor that would render it unsuitable for proper execution and results of the Contractor's Work. Failure of the Contractor to notify the Design Professional of these apparent discrepancies or defects prior to proceeding with the Work shall constitute an acknowledgment that the Owner's or Separate Contractor's completed or partially completed construction is fit and proper to receive the Contractor's Work.
- c. The Contractor shall reimburse the Owner for costs the Owner incurs that are payable to a Separate Contractor because of the Contractor's delays, improperly timed activities or defective construction. The Owner shall be responsible to the Contractor for costs the Contractor incurs because of a Separate Contractor's delays, improperly timed activities, damage to the Work or defective construction.
- d. The Contractor shall promptly remedy damage that the Contractor wrongfully causes to completed or partially completed construction or to property of the Owner or Separate Contractor as provided in Section 10.2.e.
- e. The Owner and each Separate Contractor shall have the same responsibilities for cutting and patching as are described for the Contractor in Section 3.14.
- f. Should the Contractor wrongfully delay or cause damage to the work or property of any Separate Contractor, the Contractor shall, upon due notice, promptly attempt to settle with such other contractor by agreement or otherwise to resolve the dispute. If such Separate Contractor sues or initiates a judicial proceeding against the Owner on account of any delay or damage alleged to have been caused by the Contractor, the Owner shall notify the Contractor who shall defend such proceedings at the Contractor's expense. The Owner may fund the defense of such proceedings contemplated by this Section but, in any event, if any judgment or award against the Owner arises therefrom, the Contractor shall pay to satisfy it to the extent of Contractor's responsibility.
- g. **SHOULD ANY SUCH SEPARATE CONTRACTOR WRONGFULLY DELAYED OR DAMAGED BY THE CONTRACTOR OR PERSONS FOR WHOM THE CONTRACTOR IS RESPONSIBLE PER SECTION 6.2.f MAKE A CLAIM AGAINST THE INDEMNITEES, OR BRING ANY ACTION AGAINST THE INDEMNITEES, ON ACCOUNT OF THE DAMAGE ALLEGED TO HAVE BEEN SO SUSTAINED, THE CONTRACTOR SHALL HOLD THE INDEMNITEES HARMLESS AND DEFEND THEM AGAINST ANY SUCH CLAIM OR SUIT, AND SHALL REIMBURSE TO THE**

**INDEMNITEES THE COST INCLUDING, WITHOUT LIMITATION, REASONABLE, ADDITIONAL ATTORNEY'S FEES INCURRED DEFENDING SUCH SUIT, AND IF ANY JUDGMENT AGAINST THE INDEMNITEES ARISES THERE FROM, THE CONTRACTOR SHALL PAY OR SATISFY IT AND SHALL PAY ALL COSTS INCURRED BY THE INDEMNITEES.**

- h. Should the Contractor be caused damage by any Owner's Separate Contractor(s)'s work, by reason of such Owner's Separate Contractor's failure to perform properly under its contract with the Owner, no action will lie against the Owner, and the Owner shall have no liability therefor, but the Contractor may assert its claims for damages directly against such Owner's Separate Contractor and the Owner shall reasonably assist the Contractor by assign such rights to Contractor, unless otherwise prohibited under Texas law.
- i. Inasmuch as the completion of the building within the prescribed time is dependent very largely upon the close and active cooperation of all those engaged therein, it is, therefore expressly understood and agreed that each contractor shall lay out and install its work at such time(s) and in such manner as to not delay or interfere with the carrying forward of the work of the other contractors.
- j. Where the work of one contractor directly affects the conditions of the work of another contractor including, as examples only, and not limited to, providing shoring for backfilling, providing protective covering for painting, providing adequate bracing of door jambs, etc., the contractor performing the work which will adversely affect another contractor's work shall be responsible for providing adequate protection based upon methods used to perform its work.

### Section 6.3 Owner's Right to Clean Up

If a dispute arises among the Contractor, Separate Contractors, or the Owner as to the responsibility under their respective contracts for maintaining the premises and surrounding area free from waste materials and rubbish, the Owner may clean up and the Design Professional will allocate the cost among those responsible, which allocation shall be final.

## Article 7. CHANGES IN THE WORK

### Section 7.1 General

- a. Changes in the Work may be accomplished after execution of the Contract, and without invalidating the Contract, by Change Order, Construction Change Directive or order for a minor change in the Work, subject to the limitations stated in this Article 7 and elsewhere in the Contract Documents.
- b. A Change Order shall be based upon agreement among the Owner, Contractor, and Design Professional. A Construction Change Directive requires agreement by the Owner and Design Professional and may or may not be agreed to by the Contractor. An order for a minor change in the Work not involving an adjustment in the Contract Sum or an extension of the Contract Time and reasonably inferable from the intent of the Contract Documents may be issued by the Design Professional alone.
- c. Changes in the Work shall be performed under applicable provisions of the Contract Documents. The Contractor shall proceed promptly with changes in the Work, unless otherwise provided in the Change Order, Construction Change Directive, or order for a minor change in the Work. Except as

permitted in Section 7.3 or as otherwise provided herein, a change in the Contract Sum or the Contract Time shall be accomplished only by Change Order. Accordingly, no course of conduct or dealings between the parties, nor express or implied acceptance of alterations or additions to the Work, and no claim that Owner has been unjustly enriched by any alteration of or addition to the Work, whether or not there is, in fact, any unjust enrichment to the Work, shall be the basis of any claim to an increase in any amounts due under the Contract Documents or a change in any time period provided for in the Contract Documents.

#### Section 7.2 Change Orders

- a. A Change Order is a written instrument prepared by the Design Professional and signed by the Owner, Contractor, and Design Professional stating their agreement upon all of the following:
  - .1 The change in the Work;
  - .2 The amount of the adjustment, if any, in the Contract Sum; and
  - .3 The extent of the adjustment, if any, in the Contract Time.
- b. Methods used in determining adjustments to the Contract Sum may include those listed in Sections 7.3.c, 7.3.g and 7.3.j.
- c. Agreement on any Change Order constitutes a final settlement of all past and future claims, at law or in equity, concerning all matters relating to the change in the Work that is the subject of the Change Order, including, but not limited to, delays, all direct and indirect costs, any claim for damages associated with such change, and any and all adjustments to the Contract Sum and the construction schedule.
- d. Change Orders Requiring City Council Approval  
 The Contract Sum may not be increased because of a Change Order unless additional money for increased costs is appropriated for that purpose from available funds or is provided for by the authorization of the issuance of time warrants. The approval of the Denton City Council is required if a Change Order involves a decrease or an increase of \$50,000.01 or more. The original Contract Sum also may not be increased under this Section 7.2 by more than twenty-five percent (25.0%) over the entire duration of the Project. The original Contract Sum may not be increased by more than twenty-five percent (25%) over the entire duration of the Project for any reason; nor may it be decreased by more than twenty-five percent (25%) without the consent of the Contractor, as provided in Texas Local Government Code Sec. 252.048. After the Change Order is submitted by the Contractor under this Section 7.2, the additional time required to obtain City Council approval shall not be factored into any past or future claim for delays or calculated as a part of the Change Order request.

#### Section 7.3 Construction Change Directives

- a. A Construction Change Directive is a written order prepared by the Design Professional and signed by the Owner and Design Professional, directing a change in the Work prior to agreement on adjustment, if any, in the Contract Sum or Contract Time, or both. The Owner may by Construction Change Directive, without invalidating the Contract, order changes in the Work within the general scope of the Contract consisting of additions, deletions, or other revisions, the Contract Sum and Contract Time being adjusted accordingly.
- b. A Construction Change Directive shall be used in the absence of total agreement on the terms of a Change Order.

- c. If the Construction Change Directive provides for an adjustment to the Contract Sum, the adjustment shall be based on one of the following methods:
  - .1 Mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation;
  - .2 Unit prices stated in the Contract Documents or subsequently agreed upon;
  - .3 Cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed fee; or
  - .4 As provided in Section 7.3.d.
- d. If the Contractor does not respond promptly or disagrees with the method for adjustment in the Contract Sum, the Design Professional shall determine the adjustment on the basis of reasonable expenditures and savings of those performing the Work attributable to the change, including, in case of an increase in the Contract Sum, an amount for overhead and profit calculated using the sum of the actual costs allowed in Sections 7.3.d.1 through 7.3.d.5, and using the percentages as set forth in Section 7.3.1 below. In such case, and also under Section 7.3.c, the Contractor shall keep and present, in such form as the Design Professional may prescribe, an itemized accounting together with appropriate supporting data. Unless otherwise provided in the Contract Documents, costs for the purposes of this Section 7.3.d shall be limited to the following:
  - .1 Costs of labor, including applicable payroll taxes, fringe benefits required by agreement or custom, workers' compensation insurance, and other employee costs approved by the Design Professional;
  - .2 Costs of materials, supplies, and equipment, including cost of transportation, whether incorporated or consumed;
  - .3 Rental costs of machinery and equipment, exclusive of hand tools, whether rented from the Contractor or others;
  - .4 Costs of premiums for all bonds and insurance, permit fees, and sales, use, or similar taxes, directly related to the change; and
  - .5 Additional, verifiable payroll and subsistence costs incurred by the Contractor, Subcontractor, and Sub-subcontractor of field personnel directly attributable to the change.
- e. If the Contractor disagrees with the adjustment in the Contract Time, the Contractor may make a Claim in accordance with applicable provisions of Article 15.
- f. Upon receipt of a Construction Change Directive, the Contractor shall promptly proceed with the change in the Work involved and advise the Design Professional of the Contractor's agreement or disagreement with the method, if any, provided in the Construction Change Directive for determining the proposed adjustment in the Contract Sum or Contract Time.
- g. A Construction Change Directive signed by the Contractor indicates the Contractor's agreement therewith, including adjustment in Contract Sum and Contract Time or the method for determining them. Such agreement shall be effective immediately and shall be recorded as a Change Order.
- h. The amount of credit to be allowed by the Contractor to the Owner for a deletion or change that results in a net decrease in the Contract Sum shall be actual net cost as confirmed by the Design Professional. When both additions and credits covering related Work or substitutions are involved in a change, the allowance for overhead and profit shall be figured on the basis of net increase, if any, with respect to that change.

- i. Pending final determination of the total cost of a Construction Change Directive to the Owner, the Contractor may request payment for Work completed under the Construction Change Directive in Applications for Payment. The Design Professional will make an interim recommendation for purposes of monthly certification for payment for those costs and certify for payment the amount that the Design Professional recommends, in the Design Professional's professional judgment, to be reasonably justified. The Design Professional's interim recommendation of cost shall adjust the Contract Sum on the same basis as a Change Order, subject to the right of either party to disagree and assert a Claim in accordance with Article 15.
- j. When the Owner and Contractor agree with a recommendation made by the Design Professional concerning the adjustments in the Contract Sum and Contract Time, or otherwise reach agreement upon the adjustments, such agreement shall be effective immediately and the Design Professional will prepare a Change Order. Change Orders may be issued for all or any part of a Construction Change Directive.
- k. If the Owner and Contractor do not agree with the adjustment in Contract Time or the method for determining it, the adjustment or the method shall be referred to the Design Professional for determination. The Design Professional may consult with the Owner in connection with such determination either at the direction of the Owner or at the Design Professional's discretion. If the Contractor does not ultimately agree with the Design Professional's determination, the Contractor may assert a Claim in accordance with Article 15.
- l. In Subparagraph 7.3.4, the allowance for the combined total of onsite and offsite overhead and profit included in the total cost to the Owner shall be based on the following schedule:
  - .1 For the Contractor, for Work performed by the Contractor's own forces, fee percentage of the Cost of Work stated in Section 5.1.a of the Stipulated Sum Agreement plus actual direct jobsite costs associated with the additional work, if any;
  - .2 For the Contractor, for Work performed by the Contractor's Subcontractor, fee percentage of the Cost of Work stated in Section 5.1.a of the Stipulated Sum Agreement plus actual direct jobsite costs associated with the additional work, if any;
  - .3 For each Subcontractor or Sub-subcontractor involved, for Work performed by that Subcontractor or Sub-subcontractor's own forces, ten percent (10%) of the cost;
  - .4 For each Subcontractor, for Work performed by the Subcontractor's Sub-subcontractors, five percent (5%) of the amount due the Sub-subcontractor;
  - .5 Cost to which overhead and profit is to be applied shall be determined in accordance with Section 7.3.d;
  - .6 Under no circumstance shall costs of the Contractor's supervisory, management, administrative or other office personnel, regardless of where stationed, be paid as cost of the Work under 7.3.4. Conversely, the Contractor shall be compensated for their labor within the overhead and profit percentage specified in this Section 7.3.l;
  - .7 In order to facilitate checking of quotations for extras or credits, all proposals, except those so minor that their propriety can immediately be seen by inspection, shall be accomplished by a complete itemization of costs including

labor, materials, and subcontracts. Labor and materials shall be itemized in the manner prescribed above. Where major cost items are subcontracts, they shall be itemized also;

.8 When both additions and credits are involved in any change, the allowance for overhead and profit shall be figured on the basis of the net increase or decrease, if any; and

.9 Overtime, when specifically authorized by the Owner and not as a requirement for the Contractor to fulfill its obligations under this Agreement, shall be paid for by the Owner on the basis of premium payment only, plus the cost of insurance and taxes based on the premium payment period. Overhead and profit will not be paid by the Owner for overtime.

#### Section 7.4 Minor Changes in the Work

The Design Professional may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. The Design Professional's order for minor changes shall be in writing. If the Contractor believes that the proposed minor change in the Work will affect the Contract Sum or Contract Time, the Contractor shall notify the Design Professional and shall not proceed to implement the change in the Work. If the Contractor performs the Work set forth in the Design Professional's order for a minor change without prior notice to the Design Professional that such change will affect the Contract Sum or Contract Time, the Contractor waives any adjustment to the Contract Sum or extension of the Contract Time.

#### Section 7.5 Supporting Information

Notwithstanding the above, requests for an adjustment in the Contract Sum or adjustment in the Contract Time shall be in a form and accompanied by supporting information with a level of detail wholly acceptable to the Owner and Design Professional. The Contractor shall also comply with all provisions of Articles 8 and 15 with respect to claims. The required information shall be provided by the Contractor in less than twenty-one (21) days from the Contractor's request for an adjustment in the Contract Sum or Contract Time. Failure to timely provide this information in the proper form may be, in and of itself, grounds for rejection of the request, at the sole discretion of the Owner or Design Professional.

### Article 8. TIME

#### Section 8.1 Definitions

- a. Unless otherwise provided, Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work.
- b. The date of commencement of the Work is the date established in the Agreement. The date shall not be postponed by the failure to act of the Contractor or of persons or entities for whom the Contractor is responsible.
- c. The date of Substantial Completion is the date certified by the Design Professional in accordance with Section 9.8.
- d. The term "day" as used in the Contract Documents shall mean calendar day unless otherwise specifically defined.

## Section 8.2 Progress and Completion

- a. Time limits stated in the Contract Documents are of the essence. By executing the Agreement, the Contractor confirms that the Contract Time is a reasonable period for performing the Work.
- b. The Contractor shall not knowingly, except by agreement or instruction of the Owner in writing, prematurely commence operations on the site or elsewhere prior to the effective date of insurance required by Article 11 to be furnished by the Contractor and Owner. The date of commencement of the Work shall not be changed by the effective date of such insurance. Unless the date of commencement is established by a Notice to Proceed given by the Owner, the Contractor shall notify the Owner in writing not less than five (5) days or other agreed period before commencing the Work to permit the timely filing of any additional necessary documents.
- c. Attention is directed to the fact that the Work is urgently needed by the Owner; for this reason it shall be agreed that the Contractor will substantially complete all Work under the Contract within the time established in the Contract Documents and the most recently approved Contractor's Project Schedule. The Contractor shall begin the Work on the date of commencement as defined in the Contract Documents; carry the Work forward with adequate resources; furnish, without limitation such labor, supervision, materials, facilities, and equipment; and work such hours, including night shifts, overtime operations, and Sundays and/or holidays, as may be necessary to ensure the progress and completion of both the Work and the Project as reflected by the most recently approved Contractor's Project Schedule.
- d. The Contractor shall achieve specific Contractual Milestone dates (if any), Substantial Completion, and Final Completion within the times stated in the Contract Documents, and such dates shall be adhered to and shall be the last acceptable dates for completion of Work required for those milestones and completions, unless and until modified by the Owner in writing.
- e. The Contractor understands and agrees that all Work must be performed in an orderly and closely coordinated sequence so that the dates for Contractual Milestones (if any), Substantial Completion, and Final Completion, may be met by the both the Contractor as well as the respective Separate Contractors.
- f. The Contractor shall also complete the Work in all of its details for final acceptance as expeditiously as possible after Substantial Completion.
- g. The Contractor shall proceed expeditiously with adequate forces and shall achieve Substantial Completion within the Contract Time.

## Section 8.3 Delays and Extensions of Time

- a. If the Contractor is delayed at any time in the commencement or progress of the Work by (1) an act or neglect of the Owner or Design Professional, of an employee of either, or of a Separate Contractor; (2) by changes ordered in the Work; (3) by labor disputes, fire, implementation of Federal law or policies, unusual delay in transportation, unavoidable casualties, adverse weather conditions documented in accordance with Section 15.1.f.ii, or other causes beyond the Contractor's control; (4) by delay authorized by the Owner pending mediation; or (5) by other causes that the Design Professional recommends may, justify delay, then the Contract Time may be extended for such reasonable time as the Owner may determine.
- b. Claims relating to time shall be made in accordance with applicable provisions of Article 15.
- c. This Section 8.3 does not preclude recovery of damages for delay by either party under other provisions of the Contract Documents.

- d. Any claims for extension of time shall be made in writing to the Owner and Design Professional not more than ten (10) days after commencement of the delay; otherwise it shall be waived. In the case of a continuing delay only one claim is necessary. The Contractor shall provide an estimate of the probable effect of such delay on the progress of work within five (5) days of the first date the Contractor should reasonably be expected to have calculated the impact of such delay, but in no event more than fifteen (15) days after the commencement of the delay, with weekly updates to the impact if the delay is of an ongoing nature.
- e. Extensions of the Contract Time will be made for delays due to weather conditions only when such conditions are more severe and extended than those reflected by the ten (10) year average for the month as evidenced by the National Climatic Data Center's (NCDC's) Surface Data US at <http://gis.ncdc.noaa.gov/website/ims-cdo/sod/viewer.htm> or other data as mutually agreed by the Owner and Contractor for the Project area.
- f. In allowing delays for weather, the Owner will be entitled to consider weather conditions prevailing throughout the entire Contract period. The Owner and Contractor will together reconcile actual working days lost and gained over the entire Contract period every ninety (90) days. The Contractor shall then adjust the schedule activities accordingly for both the Contractor's weather float reserves and Owner's float reserves where those activities are carried in the Contractor's Project Schedule (if any). Extensions of time due to weather or other allowable reasons will be granted on the basis of one-and-four-tenths (1.4) calendar days credit for every working day lost, with each separate extension figured to the nearest whole calendar day.
- g. The extension of the contract completion time for weather conditions will occur only in the event that the weather in question affected critical activities on the most current Contractor's Construction Schedule, and at least one half of the work force allocated to that item of work was also adversely affected by the same weather conditions.

#### Section 8.4 Contractor's Obligations After Delay

- a. If either the Work actually in place falls behind as reflected by the currently updated Master Project Schedule or Contractor's Construction Schedule, or it becomes apparent or likely in the reasonable opinion of the Owner after consultation with the Design Professional that the Work will not be completed within the Contract Time or in accordance with the Contractor's Construction Schedule, due to delays caused by the Contractor or its subcontractors, the Contractor agrees it shall, as necessary, take some or all of the following actions (hereinafter referred to collectively as "Extraordinary Measures") at no additional cost to the Owner or Design Professional, as required to substantially eliminate, in the judgment of the Owner, the backlog of Contractor's Work on the Project:
  - .1 Increase quantities of, without limitation, labor, supervision, material deliveries, equipment on site, and crafts as necessary;
  - .2 Increase the number of working hours per shift, shifts per working day, working days per week, or any combination of the foregoing;
  - .3 Reschedule activities to achieve maximum practical concurrence of accomplishment; and
  - .4 Do whatever else is reasonably required by the Owner or Design Professional.

- b. These Extraordinary Measures shall continue until the progress of the Work complies with the stage of completion required by the Contract Documents. The Owner's right to require Extraordinary Measures is solely for the purpose of ensuring the Contractor's compliance with the Contractor's Construction Schedule.
- c. In the event of a delay, the Owner Design Professional may also require the Contractor to immediately submit a Proposed Recovery Schedule as specified in Section 3.10.h above. If the Proposed Recovery Schedule is not satisfactory, the Design Professional may unilaterally establish a new Proposed Recovery Schedule acceptable to the Owner; issue it as a Construction Change Directive; and the Contractor shall comply therewith. The Owner may also require the Contractor to take any of the Extraordinary Measures to make up the lag in scheduled progress, all without additional cost to the Owner, or Design Professional.
- d. Failure of the Contractor to substantially comply with the requirements of this Section 8.4 shall be considered grounds for a determination by the Owner, after consultation with the Design Professional, that the Contractor is in breach of this Agreement by failing to prosecute the Work and that of the Project so as to ensure its completion within both the Contract Time and the updated Contractor's Construction Schedule.
- e. Likewise, in the event the progress of the Project falls behind the predictions of the Master Project Schedule through no fault of the Contractor, the Owner or Design Professional may request, and the Contractor may agree to take one or more of the Extraordinary Measures, with the Owner bearing the cost for such measures by Change Order.
- f. The Contractor shall not be entitled to an adjustment in the Contract Sum in connection with Extraordinary Measures required by the Owner under or pursuant to this Section 8.4, except as specifically noted otherwise in Section 8.4.e.

#### Section 8.5 Owner's Rights After Delay

- a. In the event that any Contractor fails, or appears likely to fail, to complete a critical portion of Work on time or to complete a Contractual Milestone Date or completion date as evidenced by the most recently approved Contractor's Project Schedule, the Owner or the Design Professional shall have the right to impose any or all of the following options:
  - .1 Require the Contractor to substantiate the capability to get back on schedule within ten (10) business days;
  - .2 Require the Contractor to take some or all of the Extraordinary Measures, and do whatever else is required by the Owner or Design Professional until Contractor confirms, to the satisfaction of the Owner and Design Professional, the progress of the Work is in compliance and congruence with the most recently approved Contractor's Construction Schedule, such measures being at no extra cost to Owner and Design Professional;
  - .3 Withhold progress payment, or portions thereof, until such time as the Contractor is in compliance with the most recently approved Contractor's Project Schedule; and
  - .4 Contact or visit the factory, plant or distribution center whose production or delivery schedule may be critical to the scheduled completion of a portion of the contract work, and expedite same, at Contractor's expense.

### Section 8.6 Liquidated Damages

- a. Should the Contractor fail to substantially complete the Work on, or before, the original date set forth in the Contract, or on or before the revised date as granted by extensions to Contract Time, the Owner may at its sole discretion permit the Contractor to proceed, and in such case, there shall be deducted from any monies due or which may become due the Contractor, a sum as specified herein, for each and every calendar day that the Work shall remain uncompleted. This sum shall be considered, not as penalty, but as the cost(s) for substantial losses suffered by the public and the Owner. Liquidated damages are intended to compensate the Owner for the Contractor's failure to meet the deadlines set forth herein, and shall not excuse the Contractor from liability from any other breach of requirements of the Contract Documents, including any failure of the Work to conform to applicable requirements. The Contractor agrees that the sums in Section 8.6.b are reasonable in light of the anticipated or actual harm caused by the breach, the difficulties of the proof of loss, and the inconvenience or nonfeasibility of otherwise obtaining an adequate remedy. Contractor further acknowledges and agrees that Liquidated Damages may be owing even though no termination has occurred.
- b. Contractor shall pay as liquidated damages to the Owner: the sums shown in the table below for each calendar day that expires after the date set forth in the Contract for Final Completion of the Work.

First Week Late	Second Week Late	Third & Fourth Weeks Late	Every Day After the Fourth Week Late
\$500/day	\$750/day	\$1,000/day	\$2,000/day

- c. The parties acknowledge, covenant, and agree that the daily basis and the amount set forth above for liquidated damages are reasonable because of the unique nature of the Project as a benefit to the public; the fact that inconvenience to the public will be one of the significant impacts of any failure by the Contractor to timely complete the Work; and that it is impracticable and extremely difficult to ascertain and determine the actual losses which would accrue to the Owner and the public.
- d. Permitting the Contractor to continue and finish the Work, or any portion thereof, after the time fixed for its completion, shall in no way operate as a waiver on the part of the Owner of any of its rights under the Contract. The Contractor acknowledges the Owner receives no benefits from early completion of the Project or the Work, therefore all rights, if any, to an early completion bonus or other increases in the Contract Sum for such early completion are hereby waived by the Contractor.

## Article 9. PAYMENTS AND COMPLETION

### Section 9.1 Contract Sum

- a. The Contract Sum is stated in the Agreement and, is the maximum amount payable by the Owner to the Contractor for performance of the Work under the Contract Documents. The Contract Sum may only be increased pursuant to a Change Order signed by the Owner. Completion of the Work is a condition precedent to Owner's obligation to pay the full Contract Sum.

- b. If unit prices are stated in the Contract Documents or subsequently agreed upon, and if quantities originally contemplated are materially changed so that application of such unit prices to the actual quantities causes substantial inequity to the Owner or Contractor, the applicable unit prices shall be equitably adjusted.

#### Section 9.2 Schedule of Values

Where the Contract is based on a Stipulated Sum or the Cost of the Work, the Contractor shall meet with the Design Professional, at the Preconstruction Conference with a proposed Schedule of Values as specified in Section 3.10. The Contractor's Schedule of Values will be reviewed by the Owner and Design Professional in the context of the Contractor's proposed Construction Management Plan, including, but not limited to, the Contractor's Construction Schedule therein. The values assigned to each work activity in the Schedule of Values should be generated by the projected earned value of the activities in the Contractor's Construction Schedule, rounded to the nearest five dollars, and equal in aggregate to the Contractor's and Subcontractor's contract amount(s). The Schedule of Values shall allocate the entire Contract Sum to the various portions of the Work and be prepared in such form and supported by such additional data to substantiate its accuracy as the Owner and Design Professional may require. This Schedule, of Values, unless objected to by the Owner or Design Professional, shall be used as a basis for reviewing the Contractor's Applications for Payment.

#### Section 9.3 Applications for Payment

- a. At least ten days before the date established for each progress payment, the Contractor shall submit to the Design Professional an itemized Application for Payment prepared in accordance with the Schedule of Values, if required under Section 9.2, for completed portions of the Work. The application shall be notarized, if required, and supported by all data substantiating the Contractor's right to payment that the Owner or Design Professional require, such as copies of requisitions, and releases and waivers of liens from Subcontractors and suppliers and shall reflect retainage if provided for in the Contract Documents. The Application for Payment shall be notarized and include other documentation as reasonably required by the Owner; submitted electronically.
  - i. As provided in Section 7.3.i, such applications may include requests for payment on account of changes in the Work that have been properly authorized by Construction Change Directives, or by interim recommendations of the Design Professional, but not yet included in Change Orders.
  - ii. Applications for Payment shall not include requests for payment for portions of the Work for which the Contractor does not intend to pay a Subcontractor or supplier, unless such Work has been performed by others whom the Contractor intends to pay.
  - iii. Each Application for Payment shall be accompanied by the following, all in form and substance satisfactory to the Owner and Design Professional and in compliance with all applicable statutes:
    - .1 A duly executed and acknowledged sworn statement showing all Subcontractors and material suppliers with whom the Contractor has entered into subcontracts, the amount of each such subcontract, the invoice from and the amount requested for any Subcontractor and material supplier in the requested Application for Payment, and the amount to be paid to the Contractor from such

progress payment, together with similar sworn statements from all such Subcontractors and material suppliers;

.2 Duly executed statutory conditional waivers of mechanics' and material suppliers' lien for progress payments with each payment application; and appropriate statutory unconditional waivers of mechanics' and material suppliers' liens for progress payments; and appropriate statutory unconditional waivers for final payments from all Subcontractors and, when appropriate, from material suppliers and lower tier Sub-subcontractors establishing payment or satisfaction of payment of all amounts requested by the Contractor on behalf of such entities or persons in any previous Application for Payment;

.3 An updated Contractor's Construction Schedule per Section 3.10.vii.7 clearly showing the actual progress of the Work for each activity against the Work previously scheduled to be completed during the period, and against targeted activities' previously approved completion dates; and

.4 With every Payment Request for the Work, contractor will submit an affidavit stating that the contractor has complied with the requirements of Chapter 2258, Texas Government Code. The parties hereto agree that any electronic copy of such affidavit shall be treated as an original for all intents and purposes;

.4 If required by the Owner's title insurer, if any, the Contractor shall execute a personal gap undertaking in form and substance satisfactory to such title insurer; and.

.5 Notwithstanding the above, Applications for Payment shall be in a form and accompanied by supporting information with a level of detail wholly acceptable to the Design Professional, and shall include, at a minimum, an updated monthly Contractor's Construction Schedule clearly and graphically comparing the actual "work-in-place" completed to the Work previously projected to be complete for the period. Failure to provide this information in the proper form may be, in and of itself, grounds for rejection of the Application for Payment, at the discretion of the Design Professional.

- b. Unless otherwise provided in the Contract Documents, payments shall be made on account of materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work. If approved in advance by the Owner, payment may similarly be made for materials and equipment suitably stored off the site at a location agreed upon in writing. Payment for materials and equipment stored on or off the site shall be conditioned upon compliance by the Contractor with procedures satisfactory to the Owner to establish the stored materials and equipment which must be properly tagged as to material and job identification; must be available for inspection by the Design Professional; and such requests for payment must be accompanied by documentary evidence as specified, without limitation, in Sections 3.13 and 11.3, which supports the request's validity; quantity and value of materials; proper material acceptance and storage; and including insurance on the materials as evidenced by a Certificate of Insurance or otherwise protects the Owner's interests. Such request shall include the costs of applicable insurance, storage, and transportation to the site, for such materials and equipment stored off the site. Such materials shall be:

- .1 Protected from diversion, destruction, theft, and damage to the satisfaction of the Owner, and the Lender;
  - .2 Specifically marked for use on the Project; and
  - .3 Segregated from other materials at the storage facility.
- c. The Contractor warrants that title to all Work covered by an Application for Payment will pass to the Owner either by incorporation in the construction or upon the receipt of payment by the Contractor, whichever occurs. The Contractor further warrants that upon submittal of an Application for Payment all Work for which Certificates for Payment have been previously issued and payments received from the Owner shall be free and clear of liens, claims, security interests, or encumbrances, in favor of the Contractor, Subcontractors, suppliers, or other persons or entities that provided labor, materials, and equipment relating to the Work.
- d. **THE CONTRACTOR FURTHER EXPRESSLY UNDERTAKES TO DEFEND THE INDEMNITEES, AT THE CONTRACTOR'S SOLE EXPENSE, AGAINST ANY ACTIONS, LAWSUITS, OR PROCEEDINGS BROUGHT AGAINST THE INDEMNITEES AS A RESULT OF LIENS OR VERIFIED CLAIMS FILED AGAINST THE WORK, THE SITE OF ANY OF THE WORK, THE PROJECT SITE AND ANY IMPROVEMENTS THEREON, PAYMENTS DUE THE CONTRACTOR, THE PROJECT BOND OR ANY PORTION OF THE PROPERTY OF ANY OF THE INDEMNITEES (REFERRED TO COLLECTIVELY AS "LIENS OR VERIFIED CLAIMS" IN THIS SECTION 9.3.d). THE CONTRACTOR HEREBY AGREES TO INDEMNIFY AND HOLD THE INDEMNITEES HARMLESS AGAINST ANY SUCH LIENS OR VERIFIED CLAIMS AND AGREES TO PAY ANY JUDGMENT OR LIENS OR VERIFIED CLAIMS RESULTING FROM ANY SUCH ACTIONS, LAWSUITS, OR PROCEEDINGS.**

#### Section 9.4 Certificates for Payment

- a. The Design Professional will, within seven (7) days after receipt of the Contractor's Application for Payment, either (1) issue to the Owner a Certificate for Payment in the full amount of the Application for Payment, with a copy to the Contractor; or (2) issue to the Owner a Certificate for Payment for such amount as the Design Professional recommends is properly due, and notify the Contractor and Owner of the Design Professional's reasons for withholding certification in part as provided in Section 9.5.a; or (3) withhold certification of the entire Application for Payment, and notify the Contractor and Owner of the Design Professional's reason for withholding certification in whole as provided in Section 9.5.a.
- b. The issuance of a Certificate for Payment will constitute a representation by the Design Professional to the Owner, based on the Design Professional's evaluation of the Work and the data in the Application for Payment, that, to the best of the Design Professional's knowledge, information, and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to results of subsequent tests and inspections, to correction of minor deviations from the Contract Documents prior to completion, and to specific qualifications expressed by the Design Professional. However, the issuance of a Certificate for Payment will not be a representation that the Design Professional has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work;

(2) reviewed construction means, methods, techniques, sequences, or procedures; (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment; or (4) made examination to ascertain how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

- c. Certification will be issued for ninety-five percent (95%) of the amount requested by the Contractor and approved by the Design Professional to be properly due until the Contractor is ninety-five percent (95%) completed with the Work. Thereafter, the accumulated retainage may be held without additional retainage, except that, should the Contractor at any time fail to keep current with the approved progress schedule, fail to assure payment to Subcontractors, Sub-subcontractors and suppliers as required hereunder; or fail to promptly and diligently correct Work that does not comply with the Contract Documents, certification of ninety-five percent (95%) shall automatically again become effective and shall apply as long as the Contractor lags behind such progress or fails to assure such payment.

#### Section 9.5 Decisions to Withhold Certification

- a. The Design Professional may withhold a Certificate for Payment in whole or in part, to the extent reasonably necessary to protect the Owner, if in the Design Professional's opinion the representations to the Owner required by Section 9.4.b cannot be made. If the Design Professional is unable to certify payment in the amount of the Application, the Design Professional will notify the Contractor and Owner as provided in Section 9.4.a. If the Contractor and Design Professional cannot agree on a revised amount, the Design Professional will promptly issue a Certificate for Payment for the amount for which the Design Professional is able to make such representations to the Owner. The Design Professional may also withhold a Certificate for Payment or, because of subsequently discovered evidence, may nullify the whole or a part of a Certificate for Payment previously issued, to such extent as may be necessary in the Design Professional's opinion to protect the Owner from loss for which the Contractor is responsible, including loss resulting from acts and omissions described in Section 3.3.b, because of any of the following:
  - .1 defective Work not remedied;
  - .2 third party claims filed or reasonable evidence indicating probable filing of such claims, unless security acceptable to the Owner is provided by the Contractor;
  - .3 failure of the Contractor to make payments properly to Subcontractors, Sub-subcontractors and suppliers or for labor, materials or equipment;
  - .4 reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum;
  - .5 damage to the Owner or a Separate Contractor;
  - .6 reasonable evidence that the Work will not be completed within the Contract Time, and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay;
  - .7 repeated failure to carry out the Work in accordance with the Contract Documents;
  - .8 Contractor's failure to obtain necessary permits or licenses or to comply with applicable codes, regulations, or other laws;

- .9 failure to fully execute the Contract with all associated documents as required;
  - .10 bond claims, or liens, filed for any portion of the Work; or
  - .11 failure of the Contractor to comply with any provisions of the Contract Documents, including without limitation Section 8.4.
- b. Omitted
  - c. When the reasons for withholding certification are removed, certification will be made for amounts previously withheld less all associated damages, costs and expenses, suffered or accrued by the Owner or Design Professional. In the event the Design Professional nullifies a previously issued Project Certificate for Payment, and the Owner has, prior to such nullification, paid thereon, the Contractor shall promptly reimburse to the Owner amounts the latter had previously paid pursuant to the nullified project Certificate for Payment. Alternately, the Owner may withhold payment in any subsequent Application for Payment, until and unless the reasons for nullification of the previously issued project Certificate for Payment have been remedied and all associated damages, costs, and expenses of Owner and Design Professional have been paid by the Contractor.
  - d. If the Design Professional withholds certification for payment under Section 9.5.a.3, the Owner may, at its sole option, issue joint checks to the Contractor and to any Subcontractor or supplier to whom the Contractor failed to make payment for Work properly performed or material or equipment suitably delivered. If the Owner makes payments by joint check, the Owner shall notify the Design Professional and the Contractor shall reflect such payment on its next Application for Payment.
  - e. The Contractor shall not stop work or terminate the Contract if the Design Professional should refuse to issue any certificate because the Application for Payment does not conform with the requirements of Sections 9.3, 9.4, 9.5 or any other portion of these General Conditions, as supplemented herein.

#### Section 9.6 Progress Payments

- a. After the Design Professional has issued a Certificate for Payment, the Owner shall make payment in the manner and within the time provided in the Contract Documents, and shall so notify the Design Professional.
- b. The Contractor shall pay each Subcontractor, Sub-subcontractor and supplier, no later than ten (10) days after receipt of payment from the Owner the amount to which the Subcontractor, Sub-subcontractor and supplier is entitled, reflecting percentages actually retained from payments to the Contractor on account of the Subcontractor's, Sub-subcontractor's and supplier's portion of the Work, unless otherwise allowed by the provisions of the subcontract or by law. The Contractor shall notify Owner in advance and in writing of any payment(s) to be withheld from any Subcontractor. The Contractor shall, by appropriate agreement with each Subcontractor, Sub-subcontractor and supplier, require each to make payments to their Sub-subcontractors and suppliers in a similar manner.
- c. The Design Professional will, on request, furnish to a Subcontractor, if practicable, information regarding percentages of completion or amounts applied for by the Contractor and action taken thereon by the Design Professional and Owner on account of portions of the Work done by such Subcontractor.

- d. The Owner has the right to request written evidence from the Contractor that the Contractor has properly paid Subcontractors and suppliers amounts paid by the Owner to the Contractor for subcontracted Work. If the Contractor fails to furnish such evidence within seven (7) days, the Owner shall have the right to contact Subcontractors and suppliers to ascertain whether they have been properly paid. Neither the Owner nor Design Professional shall have an obligation to pay, or to see to the payment of money to, a Subcontractor or supplier, except as may otherwise be required by law.
- e. The Contractor's payments to suppliers shall be treated in a manner similar to that provided in Sections 9.6.b, 9.6.c and 9.6.d.
- f. A Certificate for Payment, a progress payment, or partial or entire use or occupancy of the Project by the Owner shall not constitute acceptance of any Work.
- g. The Contractor shall not withhold from any Subcontractor sums due the Subcontractor for completed Work which has been paid for by the Owner unless allowed by the terms and conditions of the subcontract as stated in Section 2.19 of the Agreement or by law. The Contractor shall notify Owner in advance and in writing of any payment(s) to be withheld from any Subcontractor. Sums withheld by the Owner from the Contractor for deficiencies solely attributable to the Contractor shall not be grounds for the Contractor to withhold sums due to any Subcontractor. All sums paid to the Contractor for labor, materials, or equipment for the Work or Project shall be considered trust funds to be used by the Contractor for payment to those persons to the extent providing labor, materials and/or equipment incorporated into the Work or Project. Payments received by the Contractor for Work properly performed by Subcontractors and suppliers shall be held by the Contractor for those Subcontractors or suppliers who performed Work or furnished materials, or both, under contract with the Contractor for which payment was made by the Owner. However, notwithstanding the above, nothing contained herein shall require money to be placed in a separate account and not commingled with money of the Contractor, shall create any fiduciary liability or tort liability on the part of the Contractor for breach of trust or shall entitle any person or entity to an award of punitive damages against the Contractor for breach of the requirements of this provision.
- h. **PROVIDED THE OWNER HAS FULFILLED ITS PAYMENT OBLIGATIONS UNDER THE CONTRACT DOCUMENTS, THE CONTRACTOR SHALL DEFEND AND INDEMNIFY THE OWNER FROM ALL LOSS, LIABILITY, DAMAGE OR EXPENSE, INCLUDING REASONABLE ATTORNEY'S FEES AND LITIGATION EXPENSES, ARISING OUT OF ANY LIEN CLAIM OR OTHER CLAIM FOR PAYMENT BY ANY SUBCONTRACTOR OR SUPPLIER OF ANY TIER. UPON RECEIPT OF NOTICE OF A LIEN CLAIM OR OTHER CLAIM FOR PAYMENT, THE OWNER SHALL NOTIFY THE CONTRACTOR. IF APPROVED BY THE APPLICABLE COURT, WHEN REQUIRED, THE CONTRACTOR MAY SUBSTITUTE A SURETY BOND FOR THE PROPERTY AGAINST WHICH THE LIEN OR OTHER CLAIM FOR PAYMENT HAS BEEN ASSERTED.**
- i. To the extent Contractor has received payment in accordance with the terms of this Agreement, the Contractor agrees to keep the Work and the site of the Project and all project bonds free and clear of all bond claim and verified claims related to labor and materials furnished in connection with the Work.

- j. If the Owner is entitled to reimbursement or payment from the Contractor under or pursuant to the Contract Documents, such payment shall be made promptly upon demand by the Owner. Notwithstanding anything contained in the Contract Documents to the contrary, if the Contractor fails to promptly make any payment due the Owner, or if the Owner incurs any costs and expenses to cure any default of the Contractor or to correct defective Work, the Owner shall have an absolute right to offset such amount against the Contract Sum and may, at the Owner's sole discretion, elect either to (i) deduct an amount equal to that which the Owner is entitled from any payment then or thereafter due the Contractor from the Owner, or (ii) issue a written notice to the Contractor reducing the Contract Sum by an amount equal to that which the Owner is entitled.

#### Section 9.7 Failure of Payment

If the Design Professional does not issue a Certificate for Payment, through no fault of the Contractor, within seven (7) days after receipt of the Contractor's Application for Payment, or if the Owner does not pay the Contractor within the date established in the Contract Documents, the amount certified by the Design Professional, then the Contractor may, upon seven (7) additional days' written notice to the Owner and Design Professional, stop the Work until payment of the amount owing has been received. The Contract Time shall be extended appropriately and the Contract Sum shall be increased by the amount of the Contractor's reasonable costs of shutdown, delay and start-up, plus interest as provided for in the Contract Documents.

#### Section 9.8 Substantial Completion

- a. "Substantial Completion" is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use, all major systems are operational, and all safety features are completed and Owner's receipt of written confirmation after final inspections by the applicable electrical, plumbing, fire department, health department, and other local and state officials having jurisdiction, stating the project is ready for occupancy by the Owner. In addition to the other requirements of the Contract Documents, and without limitation, the Contractor must also have obtained the written approval and issuance of any occupancy permits required by the laws of local government(s) and the State of Texas before the Contractor shall be deemed to have achieved Substantial Completion.
- b. When the Contractor considers that the Work, or a portion thereof which the Owner agrees to accept separately, is substantially complete, the Contractor shall prepare and submit to the Design Professional a comprehensive list of items to be completed or corrected prior to final payment. The Contractor shall proceed promptly to complete and correct items on the list. Failure to include an item on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents. The Contractor will also provide the Design Professional a comprehensive list of all claims previously and properly made in writing and identified by the Contractor as unsettled at the time of Substantial Completion.
- c. Upon receipt of the Contractor's list, the Design Professional will make an inspection to determine whether the Work or designated portion thereof is substantially complete. If the Design Professional's inspection discloses any item, whether or not included on the Contractor's list, which is not sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work or designated portion thereof for its intended use, the Contractor shall,

before issuance of the Certificate of Substantial Completion, complete or correct such item upon notification by the Design Professional. In such case, the Contractor shall then submit a request for another inspection by the Design Professional to determine Substantial Completion.

- d. When the Work or designated portion thereof is substantially complete, the Design Professional will prepare a Certificate of Substantial Completion that shall establish the date of Substantial Completion; establish responsibilities of the Owner and Contractor for security, maintenance, heat, utilities, damage to the Work and insurance; and fix the time within which the Contractor shall finish all items on the list accompanying the Certificate. Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion.
- e. The Certificate of Substantial Completion shall be submitted to the Owner and Contractor for their written acceptance of responsibilities assigned to them in the Certificate. Upon such acceptance, the Owner shall make payment of retainage applying to the Work or designated portion thereof. Such payment shall be adjusted for Work that is incomplete or not in accordance with the requirements of the Contract Documents.
- f. The Contractor's acceptance of payment per Section 9.8.e shall constitute a waiver for all purposes of all claims or causes of action by the Contractor against the Owner and the Design Professional, except those previously and properly made in writing and identified in the list provided by the Contractor as unsettled at the time of Substantial Completion per Sections 9.8.b.

#### Section 9.9 Partial Occupancy or Use

- a. The Owner may occupy or use any completed or partially completed portion of the Work at any stage when such portion is designated by separate agreement with the Contractor, as such occupancy or use is consented to by the insurer and required under Section 11.3 provided it is authorized by public authorities having jurisdiction over the Project. Such partial occupancy or use may commence whether or not the portion is substantially complete, provided the Owner and Contractor have accepted in writing the responsibilities assigned to each of them for payments, retainage, if any, security, maintenance, heat, utilities, damage to the Work and insurance, and have agreed in writing concerning the period for correction of the Work and commencement of warranties required by the Contract Documents. When the Contractor considers a portion substantially complete, the Contractor shall prepare and submit a list to the Design Professional as provided under Section 9.8.b. Consent of the Contractor to partial occupancy or use shall not be unreasonably withheld. The stage of the progress of the Work shall be determined by written agreement between the Owner and Contractor or, if no agreement is reached, by decision of the Owner.
- b. Immediately prior to such partial occupancy or use, the Owner, Contractor, and Design Professional shall jointly inspect the area to be occupied or portion of the Work to be used in order to determine and record the condition of the Work.
- c. Unless otherwise agreed upon, partial occupancy or use of a portion or portions of the Work shall not constitute acceptance of Work not complying with the requirements of the Contract Documents.

#### Section 9.10 Final Completion and Final Payment

- a. Upon receipt of the Contractor's written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the Design Professional will

promptly make such inspection. When the Design Professional finds the Work acceptable under the Contract Documents and the Contract fully performed, the Design Professional will promptly issue a final Certificate for Payment stating that the Work has been completed in accordance with the Contract Documents and that the entire balance found to be due the Contractor and noted in the final Certificate is due and payable. The Design Professional's final Certificate for Payment will constitute a further representation that conditions listed in Section 9.10.b as precedent to the Contractor's being entitled to final payment have been fulfilled. All warranties and guarantees required under Section 3.5 or otherwise required pursuant to the Contract Documents shall be assembled and delivered by the Contractor to the Design Professional as part of the final Application for Payment. The final Certificate for Payment will not be issued by the Design Professional until all warranties and guarantees have been received and accepted by the Owner. "Final Completion" occurs when all the conditions of this Section and the Contract Documents are met as set forth herein.

- b. Neither final payment nor any remaining retained percentage shall become due until the Contractor submits to the Design Professional and Owner; (1) an affidavit that payrolls, bills for materials and equipment, and other indebtedness connected with the Work for which the Owner or Owner's property might be responsible or encumbered (less amounts withheld by the Owner) have been paid or otherwise satisfied; (2) a certificate evidencing that insurance required by the Contract Documents to remain in full force after final payment is currently in effect; (3) a written statement satisfactory to the Owner that the insurance will cover the period required by the Contract Documents; (4) consent of surety to final payment; (5) if required by the Owner, other data establishing payment or satisfaction of obligations, such as receipts and releases and waivers of liens, claims, security interests, or encumbrances arising out of the Contract for Construction, to the extent and in such form as may be designated by the Owner and Owner's lender; (6) certification by the Contractor that (i) all Work has been completed in accordance with the Contract Documents, (ii) the final Application for Payment includes all claims of the Contractor against the Owner arising in connection with the Project and constitutes a waiver and release of any and all claims not presented in that application except for claims arising out of third party actions, cross-claims and counterclaims, and (iii) the Record Drawings maintained by the Contractor pursuant to the Contract Documents and delivered to the Owner or Design Professional are complete and accurate in all respects; and (7) evidence of compliance with all requirements of the Contract Documents, such as notices, certificates, affidavits, or other requirements to complete obligations under the Contract Documents, including, but not limited to, (i) instruction of the Owner's representatives in the operation of mechanical, electrical, plumbing, and other systems; (ii) delivery of keys to the Owner with keying schedule (master, submaster, and special keys); (iii) delivery to the Owner of the Contractor's warranties as set forth in the Contract Documents and each written warranty and assignment thereof prepared in duplicate, certificates of inspections, and bonds for the Design Professional's review and delivery to the Owner; (iv) delivery to the Owner of printed operating, servicing, maintenance and cleaning instructions for all Work (parts lists and special tools for mechanical and electrical work) in approved form; (v) delivery to the Owner of the Record Drawings; (vi) delivery to the Owner of a Final Waiver and Release of Liens covering all Work for itself and for each Subcontractor, vendor, and material supplier who furnished labor, materials, and services to the Work, executed by an authorized officer and duly notarized; (vii) delivery to the Owner of final waivers of lien from each subcontractor and material supplier who furnished labor,

materials, and services to the Work, executed by their respective officers and duly notarized; and (viii) delivery of sales and use tax certificate number of the Contractor. In addition to the foregoing, all other submissions required by other Articles and Paragraphs of the Specifications and other Contract Documents shall be submitted to the Owner before approval of final payment. If a Subcontractor refuses to furnish a release or waiver required by the Owner and Owner's lender (if any), the Contractor may furnish a bond satisfactory to the Owner and Owner's lender (if any) to indemnify the Owner against such lien, claim, security interest, or encumbrance. If a lien, claim, security interest, or encumbrance remains unsatisfied after payments are made, the Contractor shall refund to the Owner all money that the Owner may be compelled to pay in discharging the lien, claim, security interest, or encumbrance, including all costs and attorneys' fees.

- i. In addition to items listed in 9.10.b to be submitted before Final Payment will be made or remaining retainage released, Contractor shall deliver a permanent certificate of occupancy from local authorities having jurisdiction.
- c. If, after Substantial Completion of the Work, final completion thereof is materially delayed through no fault of the Contractor or by issuance of Change Orders affecting final completion, and the Design Professional so confirms, the Owner shall, upon application by the Contractor and certification by the Design Professional, and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed, corrected, and accepted. If the remaining balance for Work not fully completed or corrected is less than retainage stipulated in the Contract Documents, and if bonds have been furnished, the written consent of the surety to payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by the Contractor to the Design Professional prior to certification of such payment. Such payment shall be made under terms and conditions governing final payment, except that it shall not constitute a waiver of Claims.
- d. The making of final payment shall constitute a waiver of Claims by the Owner except those arising from
  - .1 bond claims, Claims, liquidated damages, security interests, or encumbrances arising out of the Contract and unsettled;
  - .2 failure of the Work to comply with the requirements of the Contract Documents;
  - .3 terms of special warranties required by the Contract Documents;
  - .4 audits performed by the Owner, if permitted by the Contract Documents, after final payment; or
  - .5 gross negligence, willful misconduct, or fraudulent concealment in connection with the performance of the Contract.
- e. Application for and acceptance of final payment by the Contractor, a Subcontractor, or a supplier, shall constitute a waiver of claims by that payee against the Owner or Design Professional except those previously made in writing and identified by that payee arising after the waiver given at Substantial Completion payment described in Sections 9.8.b and 9.8.f.
- f. In addition to any other damages, failure of the Contractor to achieve final completion within sixty (60) days after the specified date of Substantial Completion, subject to authorized extensions, will result in the Contractor being responsible for excess Design Professional's and other Owner's consultant(s)' fees beyond their original scope of services required to achieve final completion ("Excess Fees"). Excess Fees will be deducted from the amount due the Contractor.

## Article 10.      PROTECTION OF PERSONS AND PROPERTY

### Section 10.1 Safety Precautions and Programs

The Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the performance of the Contract. Contractor's and all Subcontractors' Safety Programs shall comply with all applicable requirements of the Occupational Safety and Health Act of 1970, and all other applicable state, local, or federal laws or regulations.

### Section 10.2 Safety of Persons and Property

- a. The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury, or loss to all of the following:
  - .1 employees on the Work and other persons who may be affected thereby;
  - .2 the Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody, or control of the Contractor, a Subcontractor, or a Sub-subcontractor; and
  - .3 other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of construction.
- b. The Contractor shall comply with, and give notices required by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities, bearing on safety of persons or property or their protection from damage, injury, or loss.
- c. The Contractor shall implement, erect, and maintain, as required by existing conditions and performance of the Contract, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards; promulgating safety regulations; and notifying the owners and users of adjacent sites and utilities of the safeguards. The Contractor shall also be responsible, at the Contractor's sole cost and expense, for all measures necessary to protect any property adjacent to the Project and improvements therein. Any damage to such property or improvements shall be promptly repaired by the Contractor.
- d. When use or storage of explosives or other hazardous materials or equipment, or unusual methods are necessary for execution of the Work, the Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel, and the Contractor shall give the Owner and the Design Professional reasonable advance written notice of such planned activities.
- e. The Contractor shall promptly remedy damage and loss (other than damage or loss insured under property insurance required by the Contract Documents) to property referred to in Sections 10.2.a.2 and 10.2.a.3 caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Sections 10.2.a.2 and 10.2.a.3. The Contractor may make a Claim for the cost to remedy the damage or loss to the extent such damage or loss is attributable to acts or omissions of the Owner or Design Professional or anyone directly or indirectly employed by either of them, or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Section 3.18.

- f. The Contractor shall designate a responsible member of the Contractor's organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Owner and Design Professional.
- g. The Contractor shall not permit any part of the construction or site to be loaded so as to cause damage or create an unsafe condition.
- h. Injury or Damage to Person or Property  
If either party suffers injury or damage to person or property because of an act or omission of the other party, or of others for whose acts such party is legally responsible, written notice of the injury or damage, whether or not insured, shall be given to the other party within a reasonable time not exceeding 21 days after discovery. The notice shall provide sufficient detail to enable the other party to investigate the matter.
- i. The Contractor shall immediately report in writing to the Owner and Design Professional all accidents arising out of or in connection with the Work that cause death, personal injury, or property damage, giving full details and statements of any witnesses. In addition, if death, serious personal injuries, or serious damages are caused, the accident shall be reported immediately electronically, as well as by telephone or messenger to the Owner and the Design Professional.

### Section 10.3 Hazardous Materials and Substances

- a. Hazardous materials include any material in such quantity, concentration, and physical or chemical characteristics including, but not limited to, ignitability or toxicity, so as to be capable of posing an unreasonable risk to health, safety and/or property if released into the atmosphere, transported, stored, or disposed of. The Contractor is responsible for compliance with any requirements included in the Contract Documents regarding hazardous materials or substances. If the Contractor encounters a hazardous material or substance not addressed in the Contract Documents and if reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance, including but not limited to asbestos or polychlorinated biphenyl (PCB), encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and notify the Owner and Design Professional of the condition in writing.

.1 For the purposes of this section, the following terms have the below meanings (however, each definition should be read as broadly as possible to incorporate similar hazardous materials or substances:

Asbestos: any material that contains more than one percent asbestos and is friable or is releasing asbestos fibers into the air above current action levels established by the United States Occupational Safety and Health Administration.

Petroleum: Petroleum, including crude oil or any fraction thereof which is liquid at standard conditions of temperature and pressure (60 degrees Fahrenheit and 14.7 pounds per square inch absolute), and including but not limited to oil, fuel oil, oil sludge, oil refuse, gasoline, diesel fuel, kerosene, and oil mixed with other non-Hazardous Waste and crude oils.

Hazardous Waste: any solid waste listed as hazardous or which possesses one or more hazardous characteristics.

- b. Upon receipt of the Contractor's written notice, the Owner shall obtain the services of a licensed laboratory to verify the presence or absence of the material or substance reported by the Contractor and, in the event such material or substance is found to be present, to cause it to be rendered harmless. Unless otherwise required by the Contract Documents, the Owner shall furnish in writing to the Contractor and Design Professional the names and qualifications of persons or entities who are to perform tests verifying the presence or absence of the material or substance or who are to perform the task of removal or safe containment of the material or substance. The Contractor and the Design Professional will promptly reply to the Owner in writing stating whether or not either has reasonable objection to the persons or entities proposed by the Owner. If either the Contractor or Design Professional has an objection to a person or entity proposed by the Owner, the Owner shall propose another to whom the Contractor and the Design Professional have no reasonable objection. When the material or substance has been rendered harmless, Work in the affected area shall resume upon written agreement of the Owner and Contractor. By Change Order duly processed and approved, the Contract Time shall be extended appropriately, and the Contract Sum shall be increased by the amount of the Contractor's reasonable additional costs of shutdown, delay, and start-up, both as specified in Article 7. The term "rendered harmless" shall be interpreted to mean, without limitation that levels of hazardous materials, including, but not limited to, asbestos and polychlorinated biphenyls, are less than any applicable exposure standards set forth in OSHA regulations. In no event, however, shall the Owner have any responsibility for any substance or material that is brought to the Project site by the Contractor, any Subcontractor, any material supplier, or any entity for whom any of them is responsible. The Contractor agrees not to use any fill or other materials to be incorporated into the Work that are hazardous, toxic, or made up of any items that are hazardous or toxic.
- c. Omitted.
- d. The Owner shall not be responsible under this Section 10.3 for hazardous materials or substances the Contractor brings to the site unless such materials or substances are required by the Contract Documents. The Owner shall be responsible for hazardous materials or substances required by the Contract Documents, except to the extent of the Contractor's fault or negligence in the use and handling of such materials or substances.
- e. Omitted.
- f. **THE CONTRACTOR SHALL INDEMNIFY THE OWNER FOR THE COST AND EXPENSE THE OWNER INCURS (1) FOR REMEDIATION OF A MATERIAL OR SUBSTANCE THE CONTRACTOR BRINGS TO THE SITE AND NEGLIGENTLY HANDLES, OR (2) WHERE THE CONTRACTOR FAILS TO PERFORM ITS OBLIGATIONS UNDER SECTION 10.3.a, EXCEPT TO THE EXTENT THAT THE COST AND EXPENSE ARE DUE TO THE OWNER'S FAULT OR NEGLIGENCE.**

#### Section 10.4 Emergencies

In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's discretion, to prevent threatened damage, injury, or loss. Additional compensation or extension of time claimed by the Contractor on account of an emergency shall be determined as provided in Article 15 and Article 7.

#### Section 10.5 Site Visits

Anyone other than the Owner's designated representatives, the Design Professional, the Design Professional's consultants, and the Owner's other consultants visiting the job site who is not employed by a Contractor shall be required to register with the Contractor's site office before proceeding onto the job site.

## Article 11.      INSURANCE AND BONDS

### Section 11.1 Contractor's Liability Insurance

- a. The Contractor shall purchase and maintain in a company or companies lawfully authorized to do business in Texas and as further qualified in Paragraph 11.6, such insurance as will protect the Contractor and the Indemnitees from claims set forth below which may arise out of or result from the Contractor's operations and completed operations under the Contract and for which the Contractor may be legally liable, whether such operations be by the Contractor or by a Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:
  - .1 Claims under workers' compensation, disability benefit and other similar employee benefit acts which are applicable to the Work to be performed; including private entities performing Work at the site and exempt from the coverage on account of number of employees or occupation, which entities shall maintain voluntary compensation coverage at the same limits specified for mandatory coverage for the duration of the Project;
  - .2 Claims for damages because of bodily injury, occupational sickness or disease, or death of the Contractor's employees; or persons or entities exempt by statute from the requirements of Section 11.1.a.1, but required by the Contract Documents to provide the insurance required by that Section;
  - .3 Claims for damages because of bodily injury, sickness or disease, or death of any person other than the Contractor's employees;
  - .4 Claims for damages insured by usual personal injury liability coverage;
  - .5 Claims for damages, other than to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom;
  - .6 Claims for damages because of bodily injury, death of a person or property damage arising out of ownership, maintenance or use of a motor vehicle, including pollution clean-up if hauling hazardous materials; and
  - .7 Claims for bodily injury or property damage arising out of completed operations, which coverage shall be maintained for no less than ten (10) years following final payment.
  - .8 Claims for damages to the Work, and/or materials and equipment used/stored at the Work, as may be covered under any Builder's Risk insurance policy.
- b. The Contractor's Commercial General Liability Insurance should be written on ISO Form CG 00 01 10 01 or its equivalent and provide the following:
  - .1 Premises/operations (Including X-C-U coverages);
  - .2 Independent contractors;

- .3 Products and completed operations with a per project aggregate limit, which coverage shall be maintained for a period of ten (10) years from the date of the Final Payment;
  - .4 Personal injury (libel, slander, false arrest) liability with employment exclusion deleted;
  - .5 Blanket Contractual, including, but not limited to, a specified provision for the Contractor's obligations under Section 3.18 of the Contract Documents;
  - .6 Broad form property damage including, but not limited to, completed operations;
  - .7 Primary and Non-Contributory endorsement in favor of Indemnitees; and
  - .8 Contain a Waiver of Subrogation in favor of Indemnitees.
- c. Professional Errors and Omissions Liability Insurance is required for all licensed and certified professionals, including, but not limited to, contractors, engineers, Design Professionals, design-build and design professionals as follows:
- .1 The retroactive date preceding the date of the contract; and
  - .2 An extended reporting period of three (3) years past substantial completion.
- d. Notice of Cancellation or Expiration of Contractor's Required Insurance. Within three (3) business days of the date the Contractor becomes aware of an impending or actual cancellation or expiration of any insurance required by the Contract Documents, the Contractor shall provide notice to the Owner of such impending or actual cancellation or expiration. Upon receipt of notice from the Contractor, the Owner shall, unless the lapse in coverage arises from an act or omission of the Owner, have the right to stop the Work until the lapse in coverage has been cured by the procurement of replacement coverage by the Contractor. The furnishing of notice by the Contractor shall not relieve the Contractor of any contractual obligation to provide any required coverage.
- e. The Contractor shall, for the protection and benefit of the Indemnitees and the Contractor and as part of the Contractor's efforts to satisfy the obligations set forth in this Article 11, procure, pay for, and maintain in full force and effect, at all times during the performance of the Work until final acceptance of the Work; and for such duration as required in the Contract Documents; policies of insurance issued by a responsible carriers acceptable to the Owner, and in form and substance satisfactory to the Owner, that afford the coverages set forth in the Schedule of Insurance, attached to the Contract and made a part of it as Exhibit "YX" – Contractor's Insurance Certificate(s). All such insurance shall be written on an occurrence basis, with the sole exception of Professional Errors and Omissions Liability Insurance. In the event professional liability coverage is not available on "an occurrence" basis, a "claims made" basis policy with effective and retroactive dates prior to the effective date of the Contract Documents and an extended reporting period of at least three (3) years beyond Substantial Completion or as otherwise required by the Contract Documents, whichever is greater, may be substituted with the written consent and approval of the Owner and Design Professional. The Contractor's completed operations coverage shall be maintained until the expiration of the period for correction of Work or for such other period for maintenance of completed operations coverage as specified in the Contract Documents.
- f. The Contractor agrees to deliver to the Design Professional, for transmittal to the Owner with a copy to the Design Professional within ten (10) days of the date of the Owner-Contractor Agreement and prior to bringing any equipment or personnel onto the site of the Work or the Project

site, and thereafter upon renewal or replacement of each required policy of insurance, certified copies of all required insurance policies procured by the Contractor under or pursuant to this Article 11 or, with the written consent of the Owner and Design Professional, Certificates of Insurance in form and substance satisfactory to the Owner and Design Professional evidencing the required coverages with limits not less than those specified in Section 11.1.k below and all endorsements as required in Article 11 herein. The coverage afforded under any insurance policy obtained under or pursuant to this Section 11.1 shall be primary to any valid and collectible insurance carried separately by any of the Indemnitees. Furthermore, all policies and Certificates of Insurance shall expressly provide that no less than thirty (30) days prior written notice (ten (10) days for non-payment of premium) shall be given the Design Professional and Owner in the event of material alteration, cancellation, nonrenewal or expiration of the coverage contained in such policy or evidenced by such certified copy or Certificate of Insurance. An additional certificate evidencing continuation of liability coverage, including coverage for completed operations, shall be submitted with the final Application for Payment as required by Section 9.10.b and thereafter upon renewal or replacement of such coverage until the expiration of the time required by Section 11.1.e. Information concerning reduction of coverage shall be furnished by the Contractor with reasonable promptness.

- g. Certificates of Insurance with the following or similar wording are not acceptable: "Failure to notify the certificate holder shall impose no obligation or liability of any kind upon the insurer, its agents or representatives."
- h. In no event shall any failure of the Design Professional to receive certified copies or certificates of policies required under Paragraph 11.1.f or to demand receipt of such certified copies or certificates prior to the Contractor's commencing the Work be construed as a waiver by the Owner of the Contractor's obligations to obtain insurance pursuant to this Article 11.
- i. When any required insurance, due to the attainment of normal expiration date or renewal date, shall expire, the Contractor shall furnish to the Design Professional Certificates of Insurance and amendatory riders or endorsements that clearly evidence the continuation of all coverage in the same manner, limits of protection, and scope of coverage as was provided by the previous policy forty-five (45) days prior to renewal date. In the event any renewal or replacement policy, for whatever reason obtained or required, is written by a carrier other than that with whom the coverage was previously placed, or the subsequent policy differ in any way from the previous policy, the Contractor shall also furnish the Design Professional with a certified copy of the renewal or replacement policy unless the Owner provide the Contractor with prior written consent to submit only a Certificate of Insurance for any such policy. All renewal and replacement policies shall be in form and substance satisfactory to the Owner and Design Professional and written by carriers acceptable to the Owner and Design Professional.
- j. Any Aggregate limit under the Contractor's liability insurance, shall by endorsement, apply to this Project separately.
- k. The Contractor shall notify the Owner and Design Professional in writing of any reduction in collectible limits (aggregate limits) by an amount in excess of Fifty Thousand Dollars (\$50,000), and the Contractor shall promptly procure, at no expense to the Owner, such additional coverage as necessary to restore the valid and collectible limits of such insurance to that required under the Contract Documents.

- l. The Contractor shall cause each Subcontractor to procure insurance congruent with the Contractor's insurance requirements as specified in the Contract Documents and satisfactory to the Owner and Design Professional and name each of the Indemnitees as additional insureds under the Subcontractor's commercial general liability, automobile and umbrella excess liability policies. The additional insured endorsement included on the Subcontractor's commercial general liability policy shall state that coverage is afforded the additional insureds with respect to claims arising out of all on-going and completed operations performed by or on behalf of the Contractor. Each policy shall contain a Waiver of Subrogation in favor of the Indemnities, provide for forty-five (45) day notice of cancellation or non-renewal, and be primary without contribution if the additional insureds have other insurance that is applicable to the loss. If the additional insureds have other insurance that is applicable to the loss, such other insurance shall be on an excess or contingent basis. The amount of the insurer's liability under this insurance policy shall not be reduced by the existence of such other insurance.
- m. The Indemnitees shall also be shown as "Additional Insureds" on the property, commercial general liability, automobile liability and umbrella (excess) liability policies and evidence of same must be included in Certificates of Insurance. Copies of policy endorsements must be provided listing the Indemnities as Additional Insureds, using ISO forms CG2010, CG2037, CA0070, CA0032 or their equivalents, and approved as to form by Owner.
- n. A "waiver of subrogation" clause in favor of the Owner will be attached to the workers compensation, commercial general liability, umbrella (excess) liability, automobile and the any applicable property insurance policies and evidence of same must be included in Certificates of Insurance. Copies of policy endorsements must be provided showing waivers of subrogation in favor of the Indemnities using ISO forms CG2404, CA0070, CA0032, WC0003 or their equivalents, and approved as to form by Owner.
- o. The Owner reserves the right to review the insurance requirements during the effective period of its Agreement with the Contractor, and provide a written request for the Contractor to make any reasonable and commercially available adjustments to insurance coverages and/or limits when deemed reasonably prudent by the Owner based upon its unilateral interpretation of changes in statutory law, court decisions or the Owner's potential increase in exposure to loss.
- p. Neither Contractor, Subcontractor, Sub-subcontractor, nor any of their insurance carrier's liability obligations shall be limited to the minimum limits of coverage of insurance maintained or required to be maintained by the Contract Documents.

#### Section 11.2 Owner's Liability Insurance

- a. The Owner shall be responsible for purchasing and maintaining the Owner's usual liability insurance.

#### Section 11.3 Property Insurance

- a. The Contractor shall purchase and maintain "builder's risk" property insurance, or comparable coverage, for the full replacement cost value thereof, for (i) the Work that is to be done, (ii) all insurable items of Work, title to which has been acquired by Owner in accordance with the Contract Documents and (iii) all materials to be incorporated in the Work, if such materials are in or upon the Premises, or in transit to Premises, whether or not title has been acquired by Owner. Such insurance shall not cover any property owned, leased, or otherwise used in connection with the

Work by Contractor, Contractor's subcontractors or the agents or employees of them, that is not forming a permanent part of the Project. This insurance shall include the interests of Owner, Contractor, and Subcontractors and shall provide coverage against loss for "direct physical damage" (previously known as "all risk" coverage) including, but not limited to, without duplication of coverage, fire, extended coverage, vandalism and malicious mischief, theft, collapse, earthquake, flood, sprinkler leakage, windstorm, testing and startup, temporary buildings and debris removal including demolition and increased cost of construction occasioned by enforcement of any applicable legal requirements.

- b. Any coverage related to the builder's risk property insurance maintained by Contractor for time including delay in opening and/or extra expenses shall inure to the benefit of Owner only. Owner shall be the only party insured under such policy, with the sole exception that the Contractor may be entitled to payment of its fee and general conditions associated with the reconstruction, less any deductible.
- c. The Contractor's insurance shall cover against loss for "direct physical damage" (previously known as "all risk" coverage) with sufficient limits to protect the full replacement cost value of the Work.
- d. If by the terms of the property insurance there is a deductible amount, in the event of a loss covered by such insurance, Contractor shall be responsible for all deductibles per occurrence which shall be considered a Cost of the Work for all insurable items of Work and materials to be incorporated in the Work, title to which has not been acquired by Owner in accordance with the Contract Documents. Except for Contractor's deductible risk, Owner is bearing all risk of loss to the Property for which Owner, Contractor, and others have an insurable or financial interest during construction, and, in the event of a loss to the property during construction, Owner agrees to rely solely to the proceeds of the Builder's Risk Insurance which Owner Contractor has agreed to furnish.
- e. To the extent permitted by law, Owner and Contractor waive all rights against (1) each other and any of their subcontractors, sub-subcontractors, agents, and employees, each of the other, and (2) Owner's Separate Contractors, if any, and any of their subcontractors, sub-subcontractors, agents, and employees, for damages caused by fire or other causes of loss to the extent covered by property insurance obtained pursuant to this Section or other property insurance applicable to the Work. Owner or Contractor, as appropriate, shall require of Owner's Separate Contractors, if any, and the subcontractors, sub-subcontractors, agents, and employees of any of them, by written appropriate agreement, similar waivers each in favor of other parties enumerated herein.
- f. To the degree allowed by the insurer, Owner and Contractor shall each have its policies endorsed to provide for a waiver of the right of subrogation against the other respective party.
- g. Any loss insured pursuant to this Section 11.3 Property Insurance is to be adjusted by Owner and made payable to Owner as trustee for the insureds, as their interests may appear, subject to the requirements of any applicable mortgagee clause. Contractor shall pay each Subcontractor a just share of any insurance monies received by Contractor, and by appropriate written agreement, shall require each Subcontractor to make payments to its Sub-subcontractors in similar manner.
- h. Upon request, Owner shall make available for inspection by Contractor a copy of all policies to be furnished by Owner.

#### Section 11.4 Performance Bond, Payment Bond, and Maintenance Bond

- a. The Contractor must furnish bonds covering faithful performance of the Contract and payment of obligations arising thereunder as stipulated in bidding requirements or specifically required in the Contract Documents on the date of execution of the Contract. Such bonds shall be issued in an amount equal to the total Contract Sum by a surety company licensed in the state where the Project is located, with a current A.M. Best rating of at least A- X, included on the U.S. Treasury Department's listing of approved sureties, and acceptable to the Owner and Design Professional, or as expressly agreed otherwise by the Owner and Design Professional in writing.
  - .1 Except as otherwise required by statute, the form and substance of such bonds shall be satisfactory to the Owner in the Owner's sole judgment and shall satisfy the requirements Texas Government Code Chapters 2253 and 2269.
  - .2 The Performance Bond and the Labor and Material Payment Bond shall each be in an amount equal to the Contract Sum and all subsequent increases.
  - .3 Every Bond under this Section 11.4.a must display the Surety's Bond Number and a rider including the following provisions, which shall be attached to each Bond:
    - a) The Surety hereby agrees that it consents to and waives notice of any addition, alteration, omission, change, or other modification of the Contract Documents;
    - b) Any addition, alteration, change, extension of time, or other modification of the Contract Documents, or a forbearance on the part of either the Owner or the Contractor to the other, shall not release the Surety of its obligations hereunder, and notice to the Surety of such matters is hereby waived; and
    - c) The Surety agrees that it is obligated under the bonds to any successor, grantee, or assignee of the Owner.
- b. Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the Contract, the Contractor shall promptly furnish a copy of the bonds or shall authorize a copy to be furnished.
- c. The Bond Form shall be in a form provided by the Owner.
- d. Additional Performance and Payment Bonds may be recommended by the Design Professional and required by the Owner, at the Owner's sole discretion, from any Subcontractor. The Owner will pay such actual, additional expenditures as Cost of the Work using the process specified in Article 7 for Changes in the Work. All such bonds shall be in form and substance satisfactory to the Owner and Design Professional.
- e. The Contractor shall deliver the required bonds to the Owner no later than three (3) business days following the date of the Agreement is entered into, or if the Work is to be commenced prior to the date the Agreement is entered into, in response to a notification of award. The Contractor shall, prior to the commencement of the Work, submit evidence satisfactory to the Owner that such bonds will be furnished.
- f. The Contractor shall require the attorney-in-fact who executes the required bond on behalf of the surety to affix thereto a certified and current copy of the power of attorney.

#### Section 11.5 Adjustment and Settlement of Insured Loss

- a. 11.5.1 Omitted.

- b. Prior to settlement of an insured loss, the Owner shall notify the Contractor of the terms of the proposed settlement as well as the proposed allocation of the insurance proceeds. The Contractor shall have fourteen (14) days from receipt of notice to object to the proposed settlement or allocation of the proceeds. If the Contractor does not object, the Owner shall settle the loss and the Contractor shall be bound by the settlement and allocation. Upon receipt, the Owner shall deposit the insurance proceeds in a separate account and make the appropriate distributions. Thereafter, if no other agreement is made or the Owner does not terminate the Contract for convenience, the Owner and Contractor shall execute a Change Order for reconstruction of the damaged or destroyed Work in the amount allocated for that purpose. If the Contractor timely objects to either the terms of the proposed settlement or the allocation of the proceeds, the Owner may proceed to settle the insured loss, and any dispute between the Owner and Contractor arising out of the settlement or allocation of the proceeds shall be resolved pursuant to Article 15. Pending resolution of any dispute, the Owner may issue a Construction Change Directive for the reconstruction of the damaged or destroyed Work.

#### Section 11.6 Insurance Companies

All insurance coverage procured by the Contractor shall be provided by insurance companies having current policyholder ratings no lower than “A- X” by A.M. Best and acceptable by the Owner and Design Professional, or as expressly agreed otherwise by the Owner, Contractor and Owner in writing. Such companies must be licensed to do business in the State of Texas.

#### Section 11.7 Failure to Purchase Insurance

If one or more of the Indemnitees, or the Contractor is damaged by the failure of either the Owner or the Contractor to purchase or maintain the insurance required under this Article 11, then the party who failed to purchase or maintain the insurance shall bear all reasonable costs (including attorneys’ fees and court and settlement expenses) properly attributable to the failure.

#### Section 11.8 Insurance Limits Required

The following insurance limits are the minimums to be carried by the Design Professional, the Design Professional’s consultants, the Owner’s other consultants, the Contractor, and the Subcontractors, Sub-subcontractors, and suppliers, unless higher limits are required by their respective Agreements or Texas law (in which case those limits shall control):

- .1 Automobile Liability  
\$1,000,000 Combined Single Limit
- .2 Commercial General Liability  
\$1,000,000 Aggregate, Per Occurrence and Personal Injury  
\$2,000,000 General Aggregate  
\$2,000,000 Products/Completed Operations Aggregate  
\$1,000,000 Personal and Advertising Injury  
\$500,000 Fire Damage  
\$5,000 Medical Payments
- .3 Omitted

- .4 Worker's Compensation  
Statutory Limits  
\$1,000,000 Employers Liability
  - .5 Umbrella or Excess Liability  
\$10,000,000 Per Occurrence
  - .6 Contractor's Pollution coverage  
\$1,000,000 Occurrence or Claim  
\$2,000,000 Policy Aggregate
  - .7 Builder's Risk  
100% of the total value of the work
- a. Limits for primary policies may differ from those shown when Umbrella or Excess Liability insurance is provided, as long as all coverage is equal to or greater than the minimum limits required herein.

## Article 12 UNCOVERING AND CORRECTION OF WORK

### Section 12.1 Uncovering of Work

- a. If a portion of the Work is covered contrary to the Design Professional's request or to requirements specifically expressed in the Contract Documents, it must, if requested in writing by the Design Professional, be uncovered for the Design Professional's examination and be replaced at the Contractor's expense without change in the Contract Time.
- b. If a portion of the Work has been covered that the Design Professional has not specifically requested to examine prior to its being covered, the Design Professional may request to see such Work and it shall be uncovered by the Contractor. If such Work is in accordance with the Contract Documents, the Contractor shall be entitled to an equitable adjustment to the Contract Sum and Contract Time as may be appropriate. If such Work is not in accordance with the Contract Documents, the costs of uncovering the Work, and the cost of correction, shall be at the Contractor's expense.

### Section 12.2 Correction of Work

- a. Before Substantial Completion  
The Contractor shall promptly correct Work rejected by the Design Professional or failing to conform to the requirements of the Contract Documents, discovered before Substantial Completion and whether or not fabricated, installed or completed. Costs of correcting such rejected Work, specifically including but not limited to additional testing and inspections, the cost of uncovering and replacement; the cost of any additional supervision, material, labor, equipment, rental charges, home office overhead, and other expenditures necessitated to both rectify the non-complying conditions, protect adjacent Work of both the Contractor and the Project, and restore Work by the Contractor and others necessarily damaged in the course of rectifying the non-complying

conditions; as well as compensation for the Design Professional's services and expenses made necessary thereby, shall be at the Contractor's expense.

- i. If prior to the date of Substantial Completion the Contractor, a Subcontractor, or anyone for whom either is responsible uses or damages any portion of the Work, including, without limitation, mechanical, electrical, plumbing, and other building systems, machinery, equipment, or other mechanical device, the Contractor shall cause such item to be restored to "like new" condition at no expense to the Owner. In addition, the Contractor shall promptly remedy damage and loss arising in conjunction with the Project caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor, supplier, or anyone directly or indirectly employed by any of them, or anyone for whose acts they may be liable or for which the Contractor is otherwise responsible.
- b. After Substantial Completion
  - i. In addition to the Contractor's obligations under Section 3.5, if, within one year after the date of Substantial Completion of the Work or designated portion thereof or after the date for commencement of warranties established under Section 9.9.a, or by terms of any applicable special warranty required by the Contract Documents, or within such longer period of time as may be prescribed by law, any of the Work is found to be not in accordance with the requirements of the Contract Documents, the Contractor shall correct it promptly after receipt of notice from the Owner to do so, unless the Owner has previously given the Contractor a written acceptance of such condition. The Owner shall give such notice promptly after discovery of the condition. If the condition is reasonably discoverable, during the one-year period for correction of Work, and the Owner fails to notify the Contractor and give the Contractor an opportunity to make the correction, the Owner waives the rights to require correction by the Contractor and to make a claim for breach of warranty. If the Contractor fails to correct nonconforming Work within a reasonable time during that period after receipt of notice from the Owner or Design Professional, the Owner may correct it in accordance with Section 2.5, and charge the reasonable costs to the Contractor.
  - ii. The one-year period for correction of Work shall also be extended by the period of time between Substantial Completion and the actual completion of the corrective Work performed by the Contractor pursuant to this Section 12.2, but only with respect to the corrected portions of the Work.
  - iii. Omitted.
- c. Omitted.
- d. The Contractor shall bear the cost of correcting destroyed or damaged construction of the Owner or Separate Contractors, whether completed or partially completed, caused by the Contractor's correction or removal of Work that is not in accordance with the requirements of the Contract Documents. These costs specifically include, but are not limited to such additional supervision, material, labor, equipment rental charges, home office overhead, and other expenditures necessitated to rectify the non-complying conditions, protect adjacent Work, and restore Work by the Contractor and others necessarily damaged in the course of rectifying the non-complying conditions.
- e. Nothing contained in this Section 12.2 shall be construed to establish a period of limitation with respect to other obligations the Contractor has under the Contract Documents. Establishment of the

one-year period for correction of Work as described in Section 12.2.b relates only to the specific obligation of the Contractor to correct the Work, and has no relationship to the time within which the obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Contractor's liability with respect to the Contractor's obligations other than specifically to correct the Work.

- f. The Contractor's obligations under this Section 12.2 shall, without limitation, survive acceptance of the Work under the Contract and termination of the Contract.

### Section 12.3 Acceptance of Nonconforming Work

If the Owner prefers to accept Work that is not in accordance with the requirements of the Contract Documents, the Owner may do so instead of requiring its removal and correction, in which case the Contract Sum will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made. In the event final payment has been made by the Owner subsequent to accepting such non-conforming Work, the Contractor shall pay the Owner for the reduction in the Contract Sum occasioned by such acceptance.

## Article 13. MISCELLANEOUS PROVISIONS

### Section 13.1 Governing Law

The Contract shall be governed by the laws of the state of Texas. Venue on any dispute arising out of this Contract shall be in Denton County, Texas, which is the place where the Project is located and where performance is primarily to occur.

### Section 13.2 Successors and Assigns

- a. The Owner and Contractor respectively bind themselves, their partners, successors, assigns, and legal representatives to the covenants, agreements, and obligations contained in the Contract Documents. Except as provided in Section 13.2.b, neither party to the Contract shall assign the Contract, or any rights under the contract, in whole or in part without the written consent of the other. If either party attempts to make an assignment without such consent, that party shall nevertheless remain legally responsible for all obligations under the Contract.
- b. The Owner may, without consent of the Contractor, assign the Contract to a lender providing construction financing for the Project, if the lender assumes the Owner's rights and obligations under the Contract Documents. The Contractor shall execute all consents reasonably required to facilitate the assignment.
- c. **Written Notice**  
Written notice shall be deemed to have been duly served if delivered in person to the individual, to a member of the firm or entity, or to an officer of the corporation for which it was intended; or if delivered at or sent by registered or certified mail or by courier service providing proof of delivery to, the last business address known to the party giving notice.

### Section 13.3 Rights and Remedies

- a. Duties and obligations imposed by the Contract Documents and rights and remedies available thereunder shall be in addition to and not a limitation of duties, obligations, rights, and remedies otherwise imposed or available by law.
- b. No action or failure to act by the Owner, Design Professional, or Contractor shall constitute a waiver of a right or duty afforded them under the Contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach thereunder, except as may be specifically agreed upon in writing.

#### Section 13.4 Quality Management Tests and Inspections

- a. Tests, inspections, and approvals of portions of the Work shall be made as required by the Contract Documents and by applicable laws, statutes, ordinances, codes, rules, and regulations or lawful orders of public authorities. Unless otherwise provided, the Contractor shall make arrangements for such tests, inspections, and approvals with an independent testing laboratory or entity acceptable to the Owner, or with the appropriate public authority, and shall bear all related costs of tests, inspections, and approvals. The Contractor shall give the Design Professional timely notice of when and where tests and inspections are to be made so that the Design Professional may be present for such procedures. The Owner shall bear costs of tests, inspections, or approvals that do not become requirements until after bids are received or negotiations concluded. The Owner shall directly arrange and pay for tests, inspections, or approvals where building codes or applicable laws or regulations so require. As required by the provisions of Texas Government Code, Section 2269.058(a), the Owner shall provide or contract for the construction materials engineering, testing, and inspection services and the verification testing services necessary for acceptance of the facility by the Owner. To the extent that any of the provisions of this Section 13.4 or other provisions of this Agreement conflict with any of the provisions of Section 2269.058(a) such conflict is unintentional, and the provisions of the Texas Government Code shall control.
- b. If the Design Professional, Owner, or public authorities having jurisdiction determine that portions of the Work require additional testing, inspection, or approval not included under Section 13.4.a, the Design Professional will, upon written authorization from the Owner, instruct the Contractor to make arrangements for such additional testing, inspection, or approval, by an entity acceptable to the Owner, and the Contractor shall give timely notice to the Design Professional of when and where tests and inspections are to be made so that the Design Professional may be present for such procedures. Such costs, except as provided in Section 13.4.c, shall be at the Owner's expense.
- c. If such procedures for testing, inspection, or approval under Sections 13.4.a and 13.4.b reveal failure of the portions of the Work to comply with requirements established by the Contract Documents ("Failed Work"), all costs made necessary by the Failed Work, including those of repeated procedures and compensation for the Design Professional's services and expenses and all costs specified in Section 12.2 shall be at the Contractor's expense. The Contractor also agrees all costs of testing, inspection, and approval services required for the correction of the Failed Work and the cost of such similar services related to remedial operations performed to the Failed Work shall be borne by the Contractor.
- d. Required certificates of testing, inspection, or approval shall, unless otherwise required by the Contract Documents, be secured by the Contractor and promptly delivered to the Design Professional.

- e. If the Design Professional is to observe tests, inspections, or approvals required by the Contract Documents, the Design Professional will do so promptly and, where practicable, at the normal place of testing.
- f. It is the intent of the Construction Documents to require the Contractor to control the quality of the Work using the processes specified in the Contractor's Quality Management, Commissioning, and Turnover Plan contained within the most recent Construction Management Plan approved by the Owner and Design Professional. Tests or inspections conducted pursuant to the Contract Documents shall be made promptly to avoid unreasonable delay in the Work and shall conform to the most recently approved Contractor's Construction Schedule.
- g. The responsibility for implementing the Quality Management, Commissioning and Turnover Plan is the Contractor's, as is the obligation to provide the Work and a complete and functional project per the Contract Documents. Notwithstanding anything herein, or in subsequently approved Quality Management, Commissioning and Turnover Plans, the Owner's review and Design Professional's approval of such plan(s) does not relieve the Contractor in any way of this responsibility.
- h. The Contractor shall be in charge of scheduling; re-scheduling (when required); and confirming adequate distribution of reports and other findings from all testing and inspections of the Work. This responsibility includes, but is not limited to, scheduling the testing services of a certified testing laboratory which, by statute shall be contracted to and paid for by the Owner. The certified testing laboratory shall be acceptable to the Design Professional; and shall perform the tests as called for in the Contract Documents. The conditions that apply to materials testing and inspections include, but are not limited to the following:
  - .1 The frequency and type of Quality Control testing shall be established by the Contractor and shall be sufficient to insure the delivery of the Work and a complete and functional project per the Contract Documents. The type and amount of testing required by the Contract Documents shall be seen as the minimums required, and shall be increased, if in the opinion of the Contractor, more testing is needed to meet the requirements of the Contractor.
  - .2 The Contractor shall concurrently provide the Design Professional copies of all test results it receives within three (3) business days of receipt of same.
  - .3 The Owner shall provide such Quality Assurance testing as it and the Design Professional mutually agree to be adequate for their own needs. The Owner shall distribute the results of its own Quality Assurance tests as it, at its sole discretion, deems appropriate. The provision of Quality Assurance testing by the Owner, or lack thereof shall in no manner affect the responsibilities of the Contractor or Design Professional under this Agreement.
- i. The Contractor shall facilitate and conduct weekly (or more frequent if necessary) meetings on site for the coordination of all mechanical, electrical and special systems installation activities and possible interference(s) above ceilings, in mechanical rooms, etc. The mechanical trades shall typically have preference in the event of conflicts, and therefore the mechanical contractor's coordinator will usually lead each meeting, unless the Contractor decides another trade or the Contractor should take the lead. The Design Professional shall be informed of the meetings at least seven (7) days in advance, and the appropriate Design Professional's consultants should be invited to attend by the Contractor, as supplemented and coordinated by the Design Professional.

- j. The Contractor's Quality Management, Commissioning and Turnover Plan shall specify that prior to completion and acceptance of any building system or phase, consistent with the Contract and applicable codes and Contractor will review, in detail, the steps for completing testing of all building systems with the Owner and Design Professional. This plan shall be coordinated with and shall be made part of the Contractor's Construction Schedule. All testing shall be of each complete system, before covering, or of individually separable larger portions of each system and shall be performed in the presence of the appropriate Owner's and Design Professional's consultant(s), representatives of the Owner, and at its option, either or both the Design Professional.
- k. When heating, air conditioning, ventilating, exhaust, or other items of mechanical, electrical or other similar equipment are installed, or other systems or equipment requiring testing as may be specified in the Contractor's Quality Management, Commissioning and Turnover Plan, it shall be the responsibility of the Contractor, Subcontractor or Sub-subcontractor installing such equipment to operate it for a period of time satisfactory to the Owner prior to acceptance and before the start of Warranty. The duration of such operation shall be as the Owner, Owner's consultant(s), Design Professional's consultant(s), Owner's employees and other Owner's representatives (the Turnover Team) shall reasonably require for proper testing of the respective system and thorough instruction of the Owner's operating personnel.
- l. All equipment, testing instruments, instruction materials and incidentals required for proper testing of such systems and thorough instruction of the Owner's operating personnel on each system's operations and maintenance shall be provided by the Contractor, Subcontractor or Sub-subcontractor responsible for providing and installing the equipment. Such tests and instruction shall be in meetings held solely for this purpose (the Turnover Meetings), which shall be coordinated and managed by the Contractor, who shall show their dates in the Contractor's Construction Schedule at least sixty (60) days prior to occurrence. The Contractor shall schedule the Turnover Meetings at times reasonably convenient for the Owner's consultant(s), Design Professional's consultant(s), Owner's employees and other Owner's representatives that the Owner and Design Professional agree are necessary to attend for each system. The Design Professional may attend such Turnover Meetings at its discretion.
- m. The Contractor shall provide a digital video record to the Owner, with copies to the Design Professional of all meetings for the purpose of Owner operational staff instruction or training; as well as commissioning of equipment. These videos will become a permanent part of all Operations and Maintenance manuals as applicable.
- n. The Contractor shall prepare a digital video record of the project for the Owner with copies to the Design Professional at such stages as shall be indicated by the Design Professional for the purpose of documenting the location of piping, conduit, equipment, or other construction to be concealed at a later date; recording key inspections and tests; providing evidence of unforeseeable conditions encountered by the Contractor on site; and other construction issues as the Design Professional may reasonably require from time to time.
- o. The Contractor shall layout and mark any plantings, shrubs and trees which will require removal a minimum of five (5) business days prior to their removal. The Contractor shall notify the Design Professional in writing immediately upon completion of this marking, and the Design Professional will have the location of these marked plantings, shrubs and trees reviewed and approved (if correct) by the Owner. The Design Professional will then give permission for removal in writing

to the Contractor. Plantings, shrubs, and trees shall not be removed or damaged without such permission.

#### Section 13.5 Interest

Payments due and unpaid under the Contract Documents shall bear interest as set forth in the provisions of Texas Government Code, Chapter 2251 or its successor statute.

#### Section 13.6 Time Limits on Claims

The Owner and Contractor shall commence all claims and causes of action, whether in contract, tort, breach of warranty or otherwise, against the other arising out of or related to the Contract in accordance with the requirements of the final dispute resolution method selected in the Agreement within the time period specified by applicable law, but in any case not more than ten (10) years after the date of Substantial Completion of the Work.

#### Section 13.7 Omitted

#### Section 13.8 Measurement

Before ordering any material or doing any Work, the Contractor shall verify all measurements for Work completed at the Project and shall be responsible for their accuracy. Any differences found shall be submitted to the Design Professional for consideration before proceeding with the Work. The Contractor shall use its utmost efforts to identify discrepancies in dimensions in a timely fashion and notify the Owner and Design Professional of these prior to commencing any Work affected by the ambiguous dimensions. No extra charge or compensation shall be allowed because of differences between actual measurements and the dimensions indicated on the drawings.

#### Section 13.9 Expediting Materials

The Contractor shall immediately, after receipt of Notice to Proceed and approval of the list of subcontractors and material suppliers, place orders for all equipment, materials, and supplies required for the Work, and shall submit to the Design Professional evidence that such orders have been placed in accordance with the Contractor's Construction Schedule.

#### Section 13.10 Addressing the Owner's Additional Needs and Concerns

- a. Notwithstanding the above, the Owner has a unique set of stakeholders and organizational structure that creates special challenges the Contractor must completely and successfully address to the satisfaction of the Owner and Design Professional in the performance of the Work under this Agreement. The actions that shall be taken to address these special challenges include, but are not limited to, the following:
  - .1 The Contractor shall provide the Superintendent once per month for a scheduled meeting with the Owner for a progress update on the project if requested by the Owner. A walk-through of the site may be held as a part of this meeting, which shall be scheduled by mutual agreement during regular business hours.
  - .2 The Contractor may be required to provide the Superintendent for one meeting per month with the Design Professional for the purpose of assisting the Owner in preparing City Council agenda items and assisting City staff in preparing

presentations to the City Council for the benefit of the public. The actual preparation and submission of the City Council of any agenda or work session item shall be performed by the Owner.

.3 In addition to the meetings required to complete the Project, it is anticipated the Owner may request tours from time to time of the project and the site. The Contractor shall indicate in writing when such activity will be permitted and when the site is off limits. These requirements shall be coordinated through the Owner.

#### Section 13.11 Additional Provisions

- a. In the event that any provision herein is held to be unlawful, against public policy, or a violation of the Charter or Ordinances of the Denton City, Texas, such provision shall be modified to make it valid, or if modification is not possible, such provision shall be deleted and the remainder of this Agreement shall remain in full force and effect.
- b. Each party hereto agrees to, without limitation, perform all acts; provide all services, material, equipment, labor and supervision; and to make, execute, and deliver such written instruments, as shall from time to time be reasonably required to carry out the terms and provisions of the Contract Documents.
- c. All exhibits referred to in the Contract Documents are, by reference, incorporated herein for all purposes.
- d. The captions of the paragraphs are set forth only for convenience and reference, and are not intended in any way to define, limit, or describe the scope or intent of the Contract Documents.
- e. Any specific requirement in this Contract that require responsibilities or obligations of the Contractor also apply to a Subcontractor is added for emphasis and is also hereby deemed to include a Subcontractor, Sub-subcontractor or supplier of any tier. The omission of a reference to a Subcontractor in connection with any of the Contractor's responsibilities or obligations shall not be construed to diminish, abrogate, or limit any responsibilities or obligations of a Subcontractor, Sub-subcontractor or supplier of any tier under the Contract Documents or the applicable subcontract.
- f. The provisions of the Contract Documents shall not be changed, amended, waived, or otherwise modified in any respect except by a written document signed by Owner. No person is authorized on behalf of Owner to orally change, amend, waive, or otherwise modify the terms of the Contract Documents or any of the Contractor's duties or obligations under or arising out of the Contract Documents. Any change, waiver, approval, or consent granted to the Contractor shall be limited to the specific material restated in the written document signed by Owner and shall not relieve Contractor of any other of the duties and obligations under the Contract Documents.
- g. The Contractor shall provide and file, as required by law, all notices required or permitted by the laws of the state in which the Project is located for protection of Owner from liens and claims of lien if permitted or required by applicable law. Contractor shall be responsible for filing in the appropriate court or other governmental office records all such notices as required or permitted by the laws of the state in which the Project is located.
- h. The Contractor shall provide Owner with copies of all notices received by Contractor from Subcontractors, Sub-subcontractors, and/or suppliers to Contractor.

- i. The Owner is a Texas home-rule municipality and as such is generally exempt from taxation under Texas law, which may include the purchase of items, materials, or supplies purchased on behalf of the Owner for this public works project. Contractor shall confirm that the Owner is exempt before paying taxes for items, materials, or supplies that may not be lawfully charged to the Owner.
- j. Owner affirmatively represents that its governing body has duly appropriated such sums which are equal to or in excess of the contract amount, and that such contract amount may be lawfully paid by Owner to Contractor subject to the terms and conditions of the Contract Documents. In the event that Owner approves a Change Order, Construction Change Directive or other additional compensable Work to be performed by Contractor, (other than that contemplated by the Contract Documents under any remedy-granting provision), Owner will issue a written assurance at the time of such approval that such additional compensation to be paid has also been duly appropriated by the Owner's governing body.
- k. In the event the Owner is required to further advertise the completion of the Work or the Project under any local, state or Federal law, the Contractor shall notify the Owner and Design Professional of such requirement(s) in writing not less than thirty (30) days in advance and attach a copy of the specific advertising and noticing required.
- l. The Contractor shall, in addition to compliance with the requirements of Section 3.7.f and without limitation, not knowingly employ or contract with an illegal alien to perform any of the Work under this Agreement. The Contractor shall not knowingly contract with a Subcontractor that (i) knowingly employs or contracts with an illegal alien to perform work under this Agreement or (ii) fails to certify to the Contractor that the Subcontractor will not knowingly employ or contract with an illegal alien to perform work under this Agreement.
  - i. The Contractor shall comply with any reasonable request of the Texas Workforce Commission made in the course of an investigation pursuant to state law.
  - ii. In addition to any other legal or equitable remedy, and notwithstanding anything to the contrary in the Contract Document the Owner may be entitled to for a breach of the Agreement, if the Owner terminates this Agreement, in whole or in part, due to Contractor's breach of the obligations set forth above in this Section 13.11.1 Contractor shall be liable for actual and consequential damages to the Owner.
- m. It is the express intention of the parties that this Agreement is not to be construed as a waiver of any immunities or defenses of the Owner under Texas law.
- n. Notwithstanding any other provision in the Contract Documents to the contrary, public property is protected from forced sale and therefore may not be made the subject of a mechanic's lien. Nothing in the Contract Documents shall be construed to allow a mechanic's lien on public property owned by the Owner. The Owner does not waive its immunities or right to object to or contest such a lien.

#### Article 14. TERMINATION OR SUSPENSION OF THE CONTRACT

##### Section 14.1 Termination by the Contractor

- a. The Contractor may terminate the Contract if the Work is stopped for a period of 30 consecutive days through no act or fault of the Contractor, a Subcontractor, a Sub-subcontractor, their agents or employees, or any other persons or entities performing portions of the Work, for any of the following reasons:

- .1 Issuance of an order of a court or other public authority having jurisdiction that requires all Work to be stopped; or
- .2 An act of government, such as a declaration of national emergency, that requires all Work to be stopped.
- b. The Contractor may terminate the Contract if, through no act or fault of the Contractor, a Subcontractor, a Sub-subcontractor, their agents or employees, or any other persons or entities performing portions of the Work, repeated suspensions, delays, or interruptions of the entire Work by the Owner as described in Section 14.3, constitute in the aggregate more than 100 percent of the total number of days scheduled for completion, or 120 days in any 365-day period, whichever is less.
- c. If one of the reasons described in Section 14.1.a or 14.1.b exists, the Contractor may, upon seven (7) days' notice to the Owner and Design Professional, terminate the Contract and recover from the Owner payment for Work executed, including other costs allowed by the law.
- d. If the Work is stopped for a period of sixty (60) consecutive days through no act or fault of the Contractor, a Subcontractor, a Sub-subcontractor, or their agents or employees or any other persons or entities performing portions of the Work because the Owner has repeatedly failed to fulfill the Owner's obligations under the Contract Documents with respect to matters important to the progress of the Work, the Contractor may, upon seven additional days' written notice to the Owner and the Design Professional, terminate the Contract and recover from the Owner as provided in Section 14.1.c.

#### Section 14.2 Termination by the Owner for Cause

- a. The Owner may terminate the Contract if the Contractor:
  - .1 refuses or fails to supply enough properly skilled workers or proper materials;
  - .2 fails to make payment to Subcontractors or suppliers in accordance with the respective agreements between the Contractor and the Subcontractors or suppliers;
  - .3 disregards applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of a public authority;
  - .4 otherwise is guilty of substantial breach of a provision of the Contract Documents; or
  - .5 contractor becomes insolvent or makes a general assignment for the benefit of its creditors.
- b. When any of the reasons described in Section 14.2.a exist, and upon certification by the Design Professional that sufficient cause exists to justify such action, the Owner may, without prejudice to any other rights or remedies of the Owner and after giving the Contractor and the Contractor's surety, if any, seven days' written notice, terminate employment of the Contractor and may, subject to any prior rights of the surety:
  - .1 Exclude the Contractor from the site and take possession of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Contractor;
  - .2 Accept assignment of subcontracts pursuant to Section 5.4; and

.3 Finish the Work by whatever reasonable method the Owner may deem expedient. Upon written request of the Contractor, the Owner shall furnish to the Contractor a detailed accounting of the costs incurred by the Owner in finishing the Work.

- c. When the Owner terminates the Contract for one of the reasons stated in Section 14.2.a, the Contractor shall not be entitled to receive further payment.
- d. If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, including compensation for the Design Professional's, Design Professional's consultants', and Owner's other consultants' services and expenses made necessary thereby, and other damages incurred by the Owner and not expressly waived, such excess shall be paid to the Contractor. If such costs and damages exceed the unpaid balance, the Contractor shall pay the difference to the Owner. The amount to be paid to the Contractor or Owner, as the case may be, shall be certified by the Initial Decision Maker, upon application, and this obligation for payment shall survive termination of the Contract.
  - i. The costs of finishing the Work include, without limitation, all reasonable attorneys' fees, additional title costs, insurance, additional interest because of any delay in completing the Work, and all other direct and indirect costs incurred by the Owner by reason of the termination of the Contractor as stated herein.

#### Section 14.3 Suspension by the Owner for Convenience

- a. The Owner may, without cause, order the Contractor in writing to suspend, delay or interrupt the Work, in whole or in part for such period of time as the Owner may determine.
- b. The Contract Sum and Contract Time shall be adjusted for increases in the cost and time caused by suspension, delay, or interruption under Section 14.3.a. Adjustment of the Contract Sum shall be as specified in Article 7. No adjustment shall be made to the extent:
  - .1 that performance is, was, or would have been, so suspended, delayed, or interrupted, by another cause for which the Contractor is responsible; or
  - .2 that an equitable adjustment is made or denied under another provision of the Contract.

#### Section 14.4 Termination by the Owner for Convenience

- a. The Owner may, at any time, terminate the Contract for the Owner's convenience and without cause.
- b. Upon receipt of written notice from the Owner of such termination for the Owner's convenience, the Contractor shall:
  - .1 cease operations as directed by the Owner in the notice;
  - .2 take actions necessary, or that the Owner may direct, for the protection and preservation of the Work; and
  - .3 except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.
- c. Upon such termination for the Owner's convenience, the Contractor shall recover as its sole remedy payment for Work properly performed in connection with the terminated portion of the Work prior to the effective date of termination and for items properly and timely fabricated off the Project site,

delivered and stored in accordance with the Contract Documents and Owner's further instructions. **The Contractor waives and forfeits all other claims for payment and damages, including, without limitation, anticipated profits, lost opportunity costs, and potential and actual unabsorbed overhead costs.** The Owner shall be credited for (1) payments previously made to the Contractor for the terminated portion of the Work; (2) claims that the Owner has against the Contractor under the Contract; and (3) the value of the materials, supplies, equipment, or other items that are to be disposed of by the Contractor that are part of the Contract.

## Article 15. CLAIMS AND DISPUTES

### Section 15.1 Claims

#### a. Definition

A Claim is a demand or assertion by one of the parties seeking, as a matter of right, payment of money, a change in the Contract Time, or other relief with respect to the terms of the Contract. The term "Claim" also includes other disputes and matters in question between the Owner and Contractor arising out of or relating to the Contract. The responsibility to substantiate Claims shall rest with the party making the Claim. This Section 15.1.a does not require the Owner to file a Claim in order to impose liquidated damages in accordance with the Contract Documents.

#### b. Time Limits on Claims

The Owner and Contractor shall commence all Claims and causes of action against the other and arising out of or related to the Contract, whether in contract, tort, breach of warranty or otherwise, in accordance with the requirements of the dispute resolution method selected in the Agreement and within the period specified by applicable law.

#### c. Notice of Claims

Claims by either the Owner or Contractor must be initiated by written notice to the other party and to the Initial Decision Maker with a copy sent to the Design Professional, if the Design Professional is not serving as the Initial Decision Maker.; provided, however, that the claimant shall use its best efforts to furnish the Initial Decision Maker and the other party, as expeditiously as possible, with notice of any Claim including, without limitation, those in connection with concealed or unknown conditions, once such claim is recognized, and shall cooperate with the Design Professional and the party against whom the claim is made in any effort to mitigate the alleged or potential damages, delay, or other adverse consequences arising out of the condition that is the cause of such a Claim. Claims by either party must be initiated within twenty-one (21) days after occurrence of the event giving rise to such Claim or within twenty-one ( 21 ) days after the claimant first recognizes the condition giving rise to the Claim, whichever is later.

##### i. Claims Made After Final Payment

After Final Payment, Claims made by the Contractor that have not otherwise been waived pursuant to this Contract, must be initiated within one hundred and eighty (180) days from the date of Final Payment by written notice to the Owner as a condition precedent to the Contractor's right to sue on the Contract.

##### ii. Claims by either the Owner or Contractor, where the condition giving rise to the Claim is first discovered after expiration of the period for correction of the Work set forth in Section

12.2.b, shall be initiated by notice to the other party. In such event, no recommendation by the Initial Decision Maker is required.

d. Continuing Contract Performance

- i. Pending final resolution of a Claim, except as otherwise agreed in writing or as provided in Section 9.7 and Article 14, the Contractor shall proceed diligently with performance of the Contract and the Owner shall continue to make payments in accordance with the Contract Documents.
- ii. The Contract Sum and Contract Time shall be adjusted in accordance with the Initial Decision Maker's decision, subject to the right of either party to proceed in accordance with this Article 15. The Design Professional will prepare Change Orders and issue Certificates for Payment in accordance with the decision of the Initial Decision Maker.

e. Claims for Additional Cost

If the Contractor wishes to make a Claim for an increase in the Contract Sum, notice as provided in Section 15.1.c shall be given before proceeding to execute the portion of the Work that is the subject of the Claim. Prior notice is not required for Claims relating to an emergency endangering life or property arising under Section 10.4. Damages available to the Contractor are limited to those set forth in the Texas Local Government Code, Subchapter I, Section 271.153 or its successor statute(s).

f. Claims for Additional Time

- i. If the Contractor wishes to make a Claim for an increase in the Contract Time, the Contractor shall provide written notice as required by Sections 8.3.d. and 8.3.e.
- ii. If adverse weather conditions are the basis for a Claim for additional time, such Claim shall be documented in accordance with Section 8.3.e.

g. Waiver of Claims for Consequential Damages

The Contractor and Owner waive Claims against each other for consequential damages arising out of or relating to this Contract. This mutual waiver includes

- .1 damages incurred by the Owner for rental expenses, for losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons; and
- .2 damages incurred by the Contractor for principal office expenses including the compensation of personnel stationed there, for losses of financing, business and reputation, and for loss of profit, except anticipated profit arising directly from the Work.

This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination in accordance with Article 14. Nothing contained in this Section 15.1.g shall be deemed to preclude assessment of liquidated damages, when applicable, in accordance with the requirements of the Contract Documents.

## Section 15.2 Initial Decision

Omitted.

## Section 15.3 Mediation

- a. Claims, disputes, or other matters in controversy arising out of or related to the Contract shall be subject to mediation as a condition precedent to precedent to filing suit in a state district court

having competent jurisdiction per the Contract Documents. If a statute of limitations is at issue, then suit may be filed by either party to toll the statute, but the suit shall then be stayed pending completion of the agreed mediation. If the parties cannot agree on a mediator, then the court may appoint one upon application of either party.

- b. The parties shall endeavor to resolve their Claims by mediation. A request for mediation, shall be made in writing, delivered to the other party to the Contract.
- c. Either party may, within 30 days from the date that mediation has been concluded without resolution of the dispute or 60 days after mediation has been demanded without resolution of the dispute, demand in writing that the other party file for binding dispute resolution. If such a demand is made and the party receiving the demand fails to file for binding dispute resolution within 60 days after receipt thereof, then both parties waive their rights to binding dispute resolution proceedings.
- d. The parties shall share the mediator's fee equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Written agreement(s) reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

Exhibit C

KEY PERSONNEL RESUME FORM

Offerors may attach an organizational chart (maximum of 1 page) as supporting documentation. Please list the key team members that will be assigned to the Project. The Offeror should, at a minimum, provide personnel experience for the Project Manager, Superintendent, and the Foreman/Foremen. Past experience projects should demonstrate experience in the categories listed in 12.2.2.7 of Section 00 21 16 – Instructions to Offerors.

## CONFLICT OF INTEREST AFFIDAVIT - CSP

**CONFLICT OF INTEREST QUESTIONNAIRE - FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.****GAGE AND CADE CONSTRUCTION, LLC****2** ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☒

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4** ☒ **I have no Conflict of Interest to disclose.****5**

**SECTION 00 41 01**  
PROPOSAL FORM - CSP

TO: City of Denton  
c/o: Purchasing Division  
901-B Texas Street  
Denton, Texas 76209

FOR: *CSP 8281 – Landfill Entrance Facility Improvements*

**1 Enter into Agreement**

The undersigned Offeror proposes and agrees, if this Proposal is accepted, to enter into an Agreement with City in the form included in the Proposal Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Unit Price Proposal and within the Contract Time indicated in this Proposal and in accordance with the other terms and conditions of the Contract Documents.

**2 OFFEROR Acknowledgements and Certification**

- 2.1 In submitting this Proposal, Offeror accepts all of the terms and conditions of the INVITATION TO OFFERORS and INSTRUCTIONS TO OFFERORS, including without limitation those dealing with the disposition of Offeror's Bond.
- 2.2 Offeror is aware of all costs to provide the required insurance, will do so pending contract award, and will provide a valid insurance certificate meeting all requirements within 14 days of notification of award.
- 2.3 Offeror certifies that this Proposal is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation.
- 2.4 Offeror has not directly or indirectly induced or solicited any other Offeror to submit a false or sham Proposal.
- 2.5 Offeror has not solicited or induced any individual or entity to refrain from proposing.
- 2.6 Offeror has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Agreement. For the purposes of this Paragraph:
- a. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the proposal process.
  - b. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the proposal process to the detriment of City (b) to establish proposal prices at artificial non-competitive levels, or (c) to deprive City of the benefits of free and open competition.
  - c. "collusive practice" means a scheme or arrangement between two or more Offerors, with or without the knowledge of City, a purpose of which is to establish proposal prices at artificial, non-competitive levels.
  - d. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the proposal process or affect the execution of the Contract.

2.7 The Offeror acknowledges and agrees to comply with the requirements of City Ethics Ordinance No. 23-1165.

### 3 Time of Completion

3.1 The Work will be Substantially Complete as defined in the General Conditions within 300 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 8 of the General Conditions.

3.2 The Work will be complete for Final Acceptance within 365 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 8 of the General Conditions.

3.3 Offeror accepts the provisions of the Agreement as to Liquidated Damages in the event of failure to obtain Milestones (if applicable), Substantial Completion, and Final Acceptance within the times specified in the Agreement.

### 4 Attached to this Proposal

4.1 The following documents are attached to and made a part of this Proposal:

- a. Section 00 35 14 – Conflict of Interest Affidavit – CSP
- b. Section 00 41 01 – This Proposal Form – CSP
- c. **Section 00 42 44 – Unit Price Proposal Form – CSP – Excel Electronic Copy (either included in the hard copy Proposal, or submitted via Ionwave)**
- d. Section 00 43 14 – Required Offeror's Bond – CSP, issued by a surety meeting the requirements of Paragraph 6.01 of the General Conditions.
- e. Section 00 43 38 – Proposed Subcontractors Form – CSP
- f. Section 00 43 39 – Vendor Compliance to State Law Non-Resident Offeror – CSP
- g. Section 00 45 14 – Safety Record Questionnaire – CSP
- h. Section 00 45 27 – Contractor Compliance with Workers Compensation Law – CSP
- i. Section 00 45 44 – Corporate Resolution of Authorized Signatories – CSP
- j. Any additional documents required by Paragraph 12 of Section 00 21 16 – Instructions to Offerors

### 5 Total Proposal Amount

5.1 Offeror will complete the Work in accordance with the Contract Documents for the following proposal amount. In the space provided below, please enter the total proposed amount for this project. This figure will be read publicly by the City at the proposal opening.

5.2 It is understood and agreed by the Offeror in signing this proposal that the total proposed amount entered below is subject to verification and/or modification by multiplying the unit prices for each pay item by the respective estimated quantities shown in this proposal and then totaling all of the extended amounts.

Base Bid Proposal Amount: \$ 3,061,952.00

Alternate Proposal Amount: \$ 195,000

Total Proposal Amount: \$ 3,256,952.00

6 Proposal Submittal

6.1 It is understood by Offeror that submission of the total proposal amount is only one of the factors for the City’s evaluation process, and that any award of contract will be based on the complete evaluation of the Proposal and Offeror by City under the terms provided in the Instructions to Offerors or any validly issued amendments or addenda.

6.2 This Proposal is submitted on March 20, 2024 by the entity named below.

Respectfully submitted,

By: BW  
(Signature)

Addenda No. 2:	BW
Addenda No. 3:	BW
Addenda No. 4:	
Addenda No. 5:	

END OF SECTION

"General Decision Number: TX20240025 01/05/2024      Exhibit L - Prevailing Wage Rates

Superseded General Decision Number: TX20230025

State: Texas

Construction Type: Highway

Counties: Archer, Callahan, Clay, Collin, Dallas, Delta, Denton, Ellis, Grayson, Hunt, Johnson, Jones, Kaufman, Parker, Rockwall, Tarrant and Wise Counties in Texas.

HIGHWAY CONSTRUCTION PROJECTS (excluding tunnels, building structures in rest area projects & railroad construction; bascule, suspension & spandrel arch bridges designed for commercial navigation, bridges involving marine construction; and other major bridges).

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	<ul style="list-style-type: none"><li>. Executive Order 14026 generally applies to the contract.</li><li>. The contractor must pay all covered workers at least \$17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.</li></ul>
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	<ul style="list-style-type: none"><li>. Executive Order 13658 generally applies to the contract.</li><li>. The contractor must pay all covered workers at least \$12.90 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2024.</li></ul>

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at

<http://www.dol.gov/whd/govcontracts>.

=====

\*\* Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular

rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-----

## WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

=====

END OF GENERAL DECISION"

"General Decision Number: TX20240243 04/05/2024

Superseded General Decision Number: TX20230243

State: Texas

Construction Type: Building

County: Denton County in Texas.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 14026 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.</li> </ul>
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 13658 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$12.90 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2024.</li> </ul>

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

=====

\*\* Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number,

005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

---

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this

initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Trilliant Networks Inc., for the renewal extension of continued vendor support services for Advanced Metering Infrastructure (AMI) for Denton Municipal Electric, which is the sole provider of this software, in accordance with Texas Local Government Code 252.022, which provides that procurement of commodities and services that are available from one source are exempt from competitive bidding, and if over \$50,000, shall be awarded by the governing body; providing for the expenditure of funds therefor; and providing an effective date (File 8566 – awarded to Trilliant Networks Inc., in the five (5) year not-to-exceed amount of \$1,707,564.10).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

The City of Denton Electric Metering Department uses the Trilliant smart grid software to record the consumption of electric energy on meters and communicate that information back to Denton Municipal Electric (DME) for monitoring and billing. All Advanced Metering Infrastructure (AMI) meters on the Trilliant system can be read remotely at any time. Because the system uses two-way communications, DME can serve customers more efficiently, saving time and resources. This software may also detect the location of power outages more rapidly and provide power quality monitoring. This software also provides more efficient customer service and support by, improved handling of customer accounts (i.e. connects, re-connects, service transfers), hourly use data for billing and use inquiries, online presentation of electric usage to interested customers, fewer visits to the meter location, high-level billing and meter read accuracy, fewer trucks on the road and more detailed data to assist with planning, constructing, and optimizing DME's distribution system.

In addition, the Trilliant smart grid software can provide data for upcoming or new services such as prepaid billing and Time-of-Use billing plans.

If support is not purchased for Trilliant, we will not have access to updates and patches as they are released and immediate access to technical support could be limited. Consistent software patching and maintenance services lead to higher levels of security and compliance. It is important to make use of provided software updates, upgrades, and support tools to maintain security. External threats are ongoing and becoming increasingly sophisticated, requiring ongoing vigilance and maintenance. As security breaches appear to be

more common, with more companies identified as victims of attacks in recent months, we need to ensure that our systems are secure and up-to-date with the latest vendor-supported version.

Support also includes assistance in issues related to application usage, reporting, configuration, and setup. The City of Denton needs to keep current maintenance with the software vendor to ensure the availability of upgrades, software fixes, and access to knowledge and support resources. The City has an established contract in place with Trilliant with negotiated terms and conditions that were approved on June 30, 2010. This would extend the maintenance and support for an additional five (5) years.

Sustainment Support services were added to the contract through an amendment to the scope of services. Sustainment includes the installation and validation of patches and new Head End System releases on the test environment. Deployment planning and execution for patches and new Head End System releases into the production environment. Deployment planning for new firmware releases for test and production networks. Execution and testing of new network device firmware releases in the test environment. Deployment of new firmware release via Unity Suite FW packages to the Production Network. Deployment of new firmware release via NEMS to the Production Network. Assistance in issues related to application usage, reporting, configuration, and setup, which is essential for the City of Denton to ensure the availability of upgrades, software fixes, and access to knowledge and support resources.

Trilliant Networks Inc. is the sole source vendor for the continued upgrade, support, services, and maintenance of Trilliant software and infrastructure.

Section 252.022 of the Local Government Code provides that procurement of sole source commodities and services are exempt from competitive bidding, if over \$50,000, shall be awarded by the governing body.

	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Year 4</b>	<b>Year 5</b>	<b>Contract Total</b>
Maintenance & Support/ Sustainment Services	\$284,457.67	\$297,856.22	\$309,924.21	\$322,958.68	\$337,134.32	\$1,552,331.10
Contingency	28,446.00	29,786.00	30,992.00	32,296.00	33,713.00	155,233.00
Contract Total:						\$1,707,564.10

### **RECOMMENDATION**

Award with a contract to Trilliant Networks Inc., as a sole source supplier, for the renewal extension of continued vendor support services for Advanced Metering Infrastructure (AMI) for Denton Municipal Electric, in a five (5) year not-to-exceed amount of \$1,707,564.10.

### **PRINCIPAL PLACE OF BUSINESS**

Trilliant Networks Inc.  
Redwood City, CA

### **ESTIMATED SCHEDULE OF PROJECT**

This is a five (5) year contract.

## **FISCAL INFORMATION**

These services will be funded from Operating account 600750.7899.9210. Requisitions will be entered on an as-needed basis. The budgeted amount for this item is \$1,707,564.10. The City will only pay for services rendered and is not obligated to pay the full contract amount unless needed.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH TRILLIANT NETWORKS INC., FOR THE RENEWAL EXTENSION OF CONTINUED VENDOR SUPPORT SERVICES FOR ADVANCED METERING INFRASTRUCTURE (AMI) FOR DENTON MUNICIPAL ELECTRIC, WHICH IS THE SOLE PROVIDER OF THIS SOFTWARE, IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE 252.022, WHICH PROVIDES THAT PROCUREMENT OF COMMODITIES AND SERVICES THAT ARE AVAILABLE FROM ONE SOURCE ARE EXEMPT FROM COMPETITIVE BIDDING, AND IF OVER \$50,000, SHALL BE AWARDED BY THE GOVERNING BODY; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (FILE 8566 – AWARDED TO TRILLIANT NETWORKS INC., IN THE FIVE (5) YEAR NOT-TO-EXCEED AMOUNT OF \$1,707,564.10).

WHEREAS, Section 252.022 of the Local Government Code provides that procurement of items that are only available from one source, including items that are only available from one source because of patents, copyrights, secret processes, or natural monopolies; films, manuscripts, or books; electricity, gas, water, and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; need not be submitted to competitive bids; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function; and

WHEREAS, the City Council wishes to procure one or more of the items mentioned in the above paragraph; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The following purchase of materials, equipment or supplies, as described in the “File” listed hereon, and on file in the office of the Purchasing Agent, and the license terms attached are hereby approved:

<u>FILE NUMBER</u>	<u>VENDOR</u>	<u>AMOUNT</u>
8566	Trilliant Networks Inc.	\$1,707,564.10

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including items that are only available from one source because of patents, copyrights, secret processes, or natural monopolies; films, manuscripts, or books; electricity, gas, water, and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library

that are available only from the persons holding exclusive distribution rights to the materials; need not be submitted to competitive bids.

**SECTION 3.** The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

**SECTION 4.** The City Manager, or their designee, is hereby authorized to execute the contract relating to the items specified in Section 1, attached hereto, and the expenditure of funds pursuant to said contract is hereby authorized.

**SECTION 5.** The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

**SECTION 6.** This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. The ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>

**RENEWAL AMENDMENT TO CONTRACT BETWEEN  
CITY OF DENTON, TEXAS AND TRILLIANT NETWORKS INC.  
(Contract #8566)**

This Renewal Amendment to Contract (Contract 8566) (this **Amendment**) is entered into between the City of Denton, Texas (**City**) and Trilliant Networks Inc, **Supplier**).

**Background**

The City and Supplier have previously entered into Contract 7218 as amended (the **Agreement**). Initially capitalized terms used but not otherwise defined in this Amendment will have the meanings set forth in the Agreement. The parties desire to amend the Agreement as follows:

**1 Effective Date**

The terms of this Amendment are effective as of the latest date in the signature block.

**2 Contract Term**

Section (7.1) of the M&S Agreement will be deleted and replaced in its entirety with the following:

The contract term will be five (5) years, effective from date of award.

The Amendment shall commence upon the issuance of a Notice of Award by the City of Denton and shall automatically renew each year, from the date of award by City Council. The Supplier's request to not renew the contract must be submitted in writing to the Purchasing Manager at least 60 days prior to the contract renewal date for each year. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months.

**3 Fee Schedule**

Attachment 1 to this Amendment includes the Annual Fee Schedules. This Attachment 1 shall supersede Exhibit 1 of the Agreement.

**4 Total Contract Amount**

The contract total for the continued services shall not exceed \$1,707,564.10

**5 Updated contract number**

This Amendment constitutes a new agreement beginning on the Effective Date between the parties incorporating, except as amended herein, all the terms and conditions in the Agreement for all intents and purposes. Such Agreement will have contract number 8566.

**Confirmation of Agreement**

This Amendment (together with all exhibits attached hereto) constitutes the entire agreement between the parties regarding the matters of this Amendment and supersedes all prior and contemporaneous agreements and understandings regarding the matters of this Amendment. In the event of a conflict between this Amendment and the Agreement as it relates to the matters of this Amendment, the terms of this Amendment will control. Otherwise, all terms and conditions of the Agreement will remain in full force and effect and likewise apply to this Amendment.

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

Trilliant Networks Inc.

**2** ☒ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☒

Yes

☐

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4** ☒ **I have no Conflict of Interest to disclose.****5** DocuSigned by:

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #: PUB24-113, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, ratifying the expenditure of funds by the City Manager for the emergency purchase of property, boiler, machinery, and business interruption insurance coverage for the Denton Energy Center through the City's broker of record, Lockton Companies, LLC; and providing an effective date (File 8544 - awarded to Associated Electric & Gas Insurance Services Limited (AEGIS), for one (1) year, with the option for two (2) additional one (1) year extensions, in the total three (3) year not-to-exceed amount of \$2,707,349.29).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Trilliant Networks Inc., for the renewal extension of continued vendor support services for Advanced Metering Infrastructure (AMI) for Denton Municipal Electric, which is the sole provider of this software, in accordance with Texas Local Government Code 252.022, which provides that procurement of commodities and services that are available from one source are exempt from competitive bidding, and if over \$50,000, shall be awarded by the governing body; providing for the expenditure of funds therefor; and providing an effective date (File 8566 – awarded to Trilliant Networks Inc., in the five (5) year not-to-exceed amount of \$1,707,564.10).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

The City of Denton Electric Metering Department uses the Trilliant smart grid software to record the consumption of electric energy on meters and communicate that information back to Denton Municipal Electric (DME) for monitoring and billing. All Advanced Metering Infrastructure (AMI) meters on the Trilliant system can be read remotely at any time. Because the system uses two-way communications, DME can serve customers more efficiently, saving time and resources. This software may also detect the location of power outages more rapidly and provide power quality monitoring. This software also provides more efficient customer service and support by, improved handling of customer accounts (i.e. connects, re-connects, service transfers), hourly use data for billing and use inquiries, online presentation of electric usage to interested customers, fewer visits to the meter location, high-level billing and meter read accuracy, fewer trucks on the road and more detailed data to assist with planning, constructing, and optimizing DME's distribution system.

In addition, the Trilliant smart grid software can provide data for upcoming or new services such as prepaid billing and Time-of-Use billing plans.

If support is not purchased for Trilliant, we will not have access to updates and patches as they are released and immediate access to technical support could be limited. Consistent software patching and maintenance services lead to higher levels of security and compliance. It is important to make use of provided software updates, upgrades, and support tools to maintain security. External threats are ongoing and becoming increasingly sophisticated, requiring ongoing vigilance and maintenance. As security breaches appear to be

more common, with more companies identified as victims of attacks in recent months, we need to ensure that our systems are secure and up-to-date with the latest vendor-supported version.

Support also includes assistance in issues related to application usage, reporting, configuration, and setup. The City of Denton needs to keep current maintenance with the software vendor to ensure the availability of upgrades, software fixes, and access to knowledge and support resources. The City has an established contract in place with Trilliant with negotiated terms and conditions that were approved on June 30, 2010. This would extend the maintenance and support for an additional five (5) years.

Sustainment Support services were added to the contract through an amendment to the scope of services. Sustainment includes the installation and validation of patches and new Head End System releases on the test environment. Deployment planning and execution for patches and new Head End System releases into the production environment. Deployment planning for new firmware releases for test and production networks. Execution and testing of new network device firmware releases in the test environment. Deployment of new firmware release via Unity Suite FW packages to the Production Network. Deployment of new firmware release via NEMS to the Production Network. Assistance in issues related to application usage, reporting, configuration, and setup, which is essential for the City of Denton to ensure the availability of upgrades, software fixes, and access to knowledge and support resources.

Trilliant Networks Inc. is the sole source vendor for the continued upgrade, support, services, and maintenance of Trilliant software and infrastructure.

Section 252.022 of the Local Government Code provides that procurement of sole source commodities and services are exempt from competitive bidding, if over \$50,000, shall be awarded by the governing body.

	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Year 4</b>	<b>Year 5</b>	<b>Contract Total</b>
Maintenance & Support/ Sustainment Services	\$284,457.67	\$297,856.22	\$309,924.21	\$322,958.68	\$337,134.32	\$1,552,331.10
Contingency	28,446.00	29,786.00	30,992.00	32,296.00	33,713.00	155,233.00
Contract Total:						\$1,707,564.10

### **RECOMMENDATION**

Award with a contract to Trilliant Networks Inc., as a sole source supplier, for the renewal extension of continued vendor support services for Advanced Metering Infrastructure (AMI) for Denton Municipal Electric, in a five (5) year not-to-exceed amount of \$1,707,564.10.

### **PRINCIPAL PLACE OF BUSINESS**

Trilliant Networks Inc.  
Redwood City, CA

### **ESTIMATED SCHEDULE OF PROJECT**

This is a five (5) year contract.

## **FISCAL INFORMATION**

These services will be funded from Operating account 600750.7899.9210. Requisitions will be entered on an as-needed basis. The budgeted amount for this item is \$1,707,564.10. The City will only pay for services rendered and is not obligated to pay the full contract amount unless needed.

## Declaration of an Emergency

File #: 8544

Requisition #: 165063

Date: 05/22/2024

Vendor: Associated Electric & Gas Insurance Services Limited (AEGIS)Commodity/Service: Property insurance renewal for the Denton Energy Center

Estimated expenditure for the above commodity or service: \$ Three year not to exceed amount of  
\$\_704,213.63

Initial all entries below that apply to the proposed purchase, under the Purchasing Procedures as passed by City Council. (More than one entry may apply.)

1. DS  
MG Emergency situations, including procurements necessary to protect the public health or safety or in response to a public calamity;
2. \_\_\_\_\_ A procurement necessary because of unforeseen damage to public equipment, machinery, or other property;

### Brief Description/Justification for an exception:

Given the complexities of this insurance product solicitation and given that Chapter 252.024 of the Texas Local Government Code, the City utilized the services of our broker of record, Lockton Companies, LLC.

To prevent a lapse in coverage, Property Insurance for Denton Energy Center (DEC) coverage renewals for the 2024/2025 coverage year must be bound by May 24, 2024, by Aegis, through the City's broker of record, Lockton, in the amount of \$704, 213.63.

Staff recommends the approval of expenditures for the purchase of coverage including funding to accommodate a year-over-year price increase of 15% per year for the renewal of property coverage for the DEC through the City's broker of record, Lockton.

Re: City of Denton 5/25/2024-25 Denton Energy Center Property Renewal Proposal

To Whom it May Concern:

Thank you for the opportunity to assist the City of Denton with the 5/25/2024-25 Denton Energy Center Property policy renewal.

The insurance market for conventional power generation risks comparative to other subsets of the power/utility market remains limited and cautious. Insurance carriers, including AEGIS, continue to focus heavily on the engineering quality of risks. We are seeing property rate insurance increases in the 5% to 10% range. Ultimately, Lockton was able to secure renewal terms with the incumbent carrier, AEGIS, at a 2.6% rate increase. Policy terms & conditions remain as expiring with AEGIS.

Lockton marketed the property placement to several markets, including AEGIS (incumbent), AIG, Munich Re, Starr, Swiss Re and Zurich. Ultimately, only AEGIS was able to quote 100% of the risk, which is a favorable policy structure. AIG & Munich Re offered terms on a quota-share basis, whereby they would split the risk with AEGIS, however it was determined that this option was not advantageous as the premium savings were nominal.

Lockton recommends the City bind its Energy Center Property Insurance with AEGIS for a total annual deposit premium of \$674,125 including TRIA (Terrorism) less an AEGIS membership credit of \$2,742 plus \$32,830.63 surplus lines tax and stamping fee for a total premium including taxes of \$704,213.63.

Thank you for the opportunity to work with the City of Denton. Please let us know if you have any questions regarding this renewal.

Sincerely,

Neil Cohen

Senior Vice President, Practice Leader

Lockton Companies.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, RATIFYING THE EXPENDITURE OF FUNDS BY THE CITY MANAGER FOR THE EMERGENCY PURCHASE OF PROPERTY, BOILER, MACHINERY, AND BUSINESS INTERRUPTION INSURANCE COVERAGE FOR THE DENTON ENERGY CENTER THROUGH THE CITY'S BROKER OF RECORD, LOCKTON COMPANIES, LLC; AND PROVIDING AN EFFECTIVE DATE (FILE 8544 – AWARDED TO ASSOCIATED ELECTRIC & GAS INSURANCE SERVICES LIMITED (AEGIS), FOR ONE (1) YEAR, WITH THE OPTION FOR TWO (2) ADDITIONAL ONE (1) YEAR EXTENSIONS, IN THE TOTAL THREE (3) YEAR NOT-TO-EXCEED AMOUNT OF \$2,707,349.29).

WHEREAS, state law and city policy requires that certain contracts requiring an expenditure or payment by the city in an amount exceeding \$50,000 be by competitive bids, except in the case of public calamity where it becomes necessary to act at once to appropriate money to relieve the necessity of the citizens of the city, or in case of unforeseen damage to public property, machinery, or equipment, or where the procurement is necessary to preserve or protect the public health or safety of the city's residents under Section 252 of the Local Government Code; and

WHEREAS, the City Manager has recommended to the City Council that it is necessary to ratify the purchase goods or services due to the following emergency conditions outlined in the memorandum referenced herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The City Council hereby determines that there is a public calamity that makes it necessary to act at once to appropriate money to relieve the necessity of the citizens of the city, or to provide for unforeseen damage to public property, machinery, or equipment, or to preserve or protect the public health or safety of the city's residents, and by reason thereof, the following emergency purchases of materials, equipment, supplies, or services, as described in the "Declaration of Emergency Memorandum" referenced herein and on file in the office of the Purchasing Agent, are hereby approved:

<u>FILE NUMBER</u>	<u>VENDOR</u>	<u>AMOUNT</u>
8544	Associated Electric & Gas Insurance Services Limited (AEGIS)	\$2,707,349.29

SECTION 2. Because of such emergency, the City Manager, or a designated employee, is hereby authorized to purchase the materials, equipment, supplies, or services as described in the Memorandum on file in the office of the Purchasing Agent, and to make payment therefore in the amounts therein stated. Such emergency purchases, being in accordance with the provisions of state law, exempt such purchases by the city from the requirements of competitive bids.

SECTION 3. The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 4. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_\_ - \_\_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>

## Legislation Text

---

**File #: PUB24-114, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a first amendment to a contract between the City of Denton and Wärtsilä North America, Inc., amending the contract approved by City Council on April 20, 2021, in the not to exceed amount of \$3,448,184.00; said first amendment to continue to supply routine maintenance supplies for the Denton Energy Center; providing for the expenditure of funds therefor; and providing an effective date (IFB 7544 - providing for an additional first amendment expenditure amount not-to-exceed \$862,046.00, with the total contract amount not-to-exceed \$4,310,230.00).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a first amendment to a contract between the City of Denton and Wärtsilä North America, Inc., amending the contract approved by City Council on April 20, 2021, in the not to exceed amount of \$3,448,184.00; said first amendment to continue to supply routine maintenance supplies for the Denton Energy Center; providing for the expenditure of funds therefor; and providing an effective date (IFB 7544 – providing for an additional first amendment expenditure amount not-to-exceed \$862,046.00, with the total contract amount not-to-exceed \$4,310,230.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility

### **INFORMATION/BACKGROUND**

The Denton Energy Center (DEC) was an approved CIP project for DME that reached commercial operation in June 2018. The DEC provides power at times when renewable energy sources are not readily available. The DEC is a critical component of the City of Denton's future commitment to providing the citizens of Denton with 100% electricity from renewable sources of energy.

The DEC's electric generating equipment (12 Gensets and Auxiliary) requires maintenance as the units operate. The maintenance activities are performed as preventative, predictive, and corrective maintenance activities. These are performed as scheduled maintenance based on hours of operation and corrective maintenance are unplanned component failures that most often cause unit outages.

As equipment operating hours increase the maintenance activities also increase. During these maintenance activities, critical components require inspection or replacement for premature wear/failure. In order for the DEC team to manage and maintain high unit availability and reliability for our customers, performing these routine maintenance activities is critical to ensure reliability and this contract is necessary to purchase the materials necessary to perform the hour-based, calendar-based, and corrective maintenance activities efficiently.

Thus far, routine preventative, predictive, and corrective maintenance requiring parts have been procured through contract, however, unpredictable component failures, increased material cost, and market operating hour increases have consumed the initial contract not to exceed amount requiring an amendment to the contract expenditure approval amount.

<b>Project Description</b>	<b>Estimated Expenditure</b>
Original Contract	\$3,448,184.00
Amendment 1 - Maintenance Parts	862,046.00
<b>Total:</b>	<b>\$4,310,230.00</b>

### **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On April 20, 2021, City Council approved a contract with Wärtsilä North America, Inc., in the not-to-exceed amount of \$3,448,184 (Ordinance 21-414).

### **RECOMMENDATION**

Award Amendment No. 1 with Wärtsilä North America, Inc., to continue to supply routine maintenance supplies for the Denton Energy Center, in a not-to-exceed amount of \$862,046, for a total amended contract amount of \$4,310,230.

### **PRINCIPAL PLACE OF BUSINESS**

Wärtsilä North America, Inc.  
Houston, TX

### **ESTIMATED SCHEDULE OF PROJECT**

This contract expires on April 20, 2026.

### **FISCAL INFORMATION**

These services will be funded from DEC operating budget account 600105.6525.5500. Requisitions will be entered on an as-needed basis. The total amended amount of this contract is \$4,310,230.

### **EXHIBITS**

Exhibit 1: Agenda Information Sheet  
Exhibit 2: Original Ordinance and Contract  
Exhibit 3: Ordinance and Amendment 1

ORDINANCE NO. 21-414

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER, OR THEIR DESIGNEE, TO EXECUTE A CONTRACT WITH WÄRTSILÄ NORTH AMERICA, INC., FOR THE SUPPLY OF ROUTINE MAINTENANCE SUPPLIES AND SERVICES FOR THE DENTON ENERGY CENTER; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (IFB 7544 – AWARDED TO WÄRTSILÄ NORTH AMERICA, INC., FOR THREE (3) YEARS, WITH THE OPTION FOR TWO (2) ADDITIONAL ONE (1) YEAR EXTENSIONS, IN THE TOTAL FIVE (5) YEAR NOT-TO-EXCEED AMOUNT OF \$3,448,184.00).

WHEREAS, the City has solicited, received, and tabulated competitive bids for the purchase of necessary materials, equipment, supplies, or services in accordance with the procedures of state law and City ordinances; and

WHEREAS, the City Manager, or a designated employee, has reviewed and recommended that the herein described bids are the lowest responsible bids for the materials, equipment, supplies, or services as shown in the “Bid Proposals” submitted therefore; and

WHEREAS, the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The following competitive bids for the materials, equipment, supplies, or services, as described in the “Bid Invitations”, “Bid Proposals” or plans and specifications on file in the Office of the City’s Purchasing Agent filed according to the bid number assigned hereto, are hereby accepted and approved as being the lowest responsible bids:

<u>BID NUMBER</u>	<u>VENDOR</u>	<u>AMOUNT</u>
7544	Wärtsilä North America, Inc.	\$3,448,184.00

SECTION 2. That the acceptance and approval of the above competitive bids shall not constitute a contract between the City and the person submitting the bid for such items and agrees to purchase the materials, equipment, supplies, or services in accordance with the terms, specifications, standards, quantities, and for the specified sums contained in the Bid Invitations, Bid Proposals, and related documents.

SECTION 3. Should the City and the winning bidder(s) wish to enter into a formal written agreement as a result of the acceptance, approval, and awarding of the bids, the City Manager, or their designated representative, is hereby authorized to execute a written contract, which shall be attached hereto, in accordance with the terms, conditions, specifications,

standards, quantities, and specified sums contained in the Bid Proposal and related documents and to extend that contract as determined to be advantageous to the City of Denton.

SECTION 4. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 5. By the acceptance and approval of the above enumerated bids, the City Council hereby authorizes the expenditure of funds therefor in the amount and in accordance with the approved bids.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by Jesse Davis and seconded by John Ryan, the ordinance was passed and approved by the following vote [6 - 1]:

	Aye	Nay	Abstain	Absent
Mayor Gerard Hudspeth:	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

City Council Target Date	April 20, 2021
Piggy Back Option	No
Contract Expiration	April 20, 2026
Ordinance	21-414

**CONTRACT BY AND BETWEEN  
CITY OF DENTON, TEXAS AND WARTSILA NORTH AMERICA  
(Contract # 7544)**

**THIS CONTRACT** is made and entered into this date 04/20/2021, 2021, by and between WÄRTSILÄ NORTH AMERICA, INC. a MARYLAND corporation, whose address is 11710 North Gessner Road, Suite A, Houston, Texas 77064, hereinafter referred to as "Contractor," and the **CITY OF DENTON, TEXAS**, a Texas municipal corporation, hereinafter referred to as "City," to be effective upon approval of the Denton City Council and subsequent execution of this Contract by the Denton City Manager or his duly authorized designee.

For and in consideration of the covenants and agreements contained herein, and for the mutual benefits to be obtained hereby, the parties agree as follows:

**SCOPE OF SERVICES**

Contractor shall provide products in accordance with the City's IFB 7544 Denton Energy Center Equipment Maintenance Parts and Services a copy of which is on file at the office of Purchasing Agent and incorporated herein for all purposes. The Contract consists of this written agreement and the following items which are attached hereto, or on file, and incorporated herein by reference:

- (a) Special Terms and Conditions (**Exhibit "A"**);
- (b) City of Denton's IFB 7544 (**Exhibit "B" on file at the office of the Purchasing Agent**);
- (c) Master Services Agreement (**Exhibit "C"**);
- (d) Contractor's Quotation (**Exhibit "D"**);
- (e) Certificate of Interested Parties Electronic Filing (**Exhibit "E"**);
- (f) Form CIQ – Conflict of Interest Questionnaire (**Exhibit "F"**)

These documents make up the Contract documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the Contract documents, the inconsistency or conflict shall be resolved by giving precedence first to the written agreement then to the contract documents in the order in which they are listed above. These documents shall be referred to collectively as "Contract Documents."

**Prohibition on Contracts with Companies Boycotting Israel**

Contractor acknowledges that in accordance with Chapter 2270 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

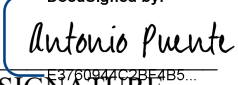

**Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization**

Section 2252 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Contractor certifies that Contractor's signature provides written verification to the City that Contractor, pursuant to Chapter 2252, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

The parties agree to transact business electronically. Any statutory requirements that certain terms be in writing will be satisfied using electronic documents and signing. Electronic signing of this document will be deemed an original for all legal purposes.

IN WITNESS WHEREOF, the parties of these presents have executed this agreement in the year and day first above written.

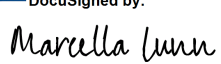

THIS AGREEMENT HAS BEEN  
BOTH REVIEWED AND APPROVED  
as to financial and operational obligations and  
business terms.

CITY MANAGER

## **Exhibit A**

### **Special Terms and Conditions**

#### **1. Total Contract Amount**

The contract total for products shall not exceed \$3,448,184.00. Pricing shall be per Exhibit D attached.

#### **2. Contract Terms**

The contract term will be three (3) year, effective from date of award. The City and the Contractor shall have the option to renew this contract for an additional two (2) one-year periods on mutual written-agreement.

The Contract shall commence upon the issuance of a Notice of Award by the City of Denton and shall automatically renew each year, from the date of award by City Council. The Contractor's request to not renew the contract must be submitted in writing to the Purchasing Manager at least 60 days prior to the contract renewal date for each year. At the sole option of the City of Denton, the Contract may be further extended as needed, not to exceed a total of six (6) months.

Prices quoted do not include shipping/freight and duties/customs fees. These fees will be included in the Final Invoices and are payable by Purchaser.

#### **3. Price Adjustment**

Prices quoted for the commodities or services described in Exhibit D attached hereto must be firm for a period of one (1) year from date of contract award. Any request for price adjustment must be based on the, U.S. department of Labor, Bureau of Labor Statistics, Producer Price Index (PPI) or the manufacturer published list price. The maximum escalation will not exceed +/- 8% for any individual year. The escalation will be determined annually at the renewal date. The price will be increased or decreased based upon the annual percentage change in the PPI or the percentage change in the manufacturers published price list. Should the PPI or manufacturers published price list change exceed a minimum threshold value of +/- 1%, then the stated eligible bid prices shall be adjusted in accordance with the percent change not to exceed the 8% limit per year. The supplier should provide documentation as percentage of each cost associated with the unit prices quoted for consideration.

Request must be submitted in writing with supporting evidence for need of such increase to the Purchasing Manager at least sixty (60) days prior to Contract expiration of each year. Respondent must also provide supporting documentation as justification for the request. If no request is made, then it will be assumed that the current contract pricing will be in effect.

The request can be sent by email to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) noting the solicitation number.

#### **4. SHIPPING, DELIVERY, AND PACKAGING**

##### **Identification of Shipments:**

In addition to the complete destination address, each delivery must be clearly marked with the purchase order number. Each shipment must be accompanied by a packing slip.

##### **Packaging and Labeling:**

All items shipped must be properly labeled, with weather resistant labeling, showing the brand name, package quantity, lot number (if applicable) and any other necessary identifying information.

##### **Special Delivery Requirements:**

City Department representatives may have specific, internal delivery rules and policies. These will be provided on each purchase order issued. The contractor(s) will be required to adhere to those requirements.

##### **Hours of Delivery:**

Delivery shall be made during the hours of 8:00 am to 3:00 pm (CST) unless prior approval for after-hours delivery has been obtained from the City. In the event of any approval by the City for after-hours delivery, Contractor may

not invoice any additional charges for that delivery. Contractor is encouraged to obtain City's hours of operation at time of order.

**Delivery Delays:**

If delay is foreseen, Contractor shall give written notice to the City and must keep City advised at all times of the status of order. All shipping dates provided by Contractor are estimates only, subject to availability of the applicable materials at the time of Purchase Order receipt.

**Restocking Fee:**

The City may request that a Contractor accept return of merchandise already delivered or that a Contractor cancel an order prior to delivery. If the return is required through no fault of the Contractor, the Contractor may request a reasonable restocking charge.. As a guideline, such charges shall not exceed 10%.

## EXHIBIT C

### MASTER SERVICE AGREEMENT BETWEEN CITY OF DENTON AND WÄRTSILÄ NORTH AMERICA INC. MASTER SERVICES AGREEMENT

THIS MASTER SERVICES AGREEMENT ("Agreement") is made and entered into effective as of 04/20/2021 ("Effective Date"), by and between the City of Denton. ("Purchaser"), and Wärtsilä North America Inc. ("Contractor") and, together with Purchaser, each a "Party" and together the "Parties". Capitalized terms not otherwise defined have the meaning set forth in Exhibit A.

### COMMERCIAL TERMS AND CONDITIONS

#### 1. SCOPE OF AGREEMENT/PURCHASE ORDERS FOR SERVICES

##### A. Purchase Orders.

- i. Contractor shall provide Services to Purchaser during the Term of this Agreement, as agreed upon in each Purchase Order. Subject to Section 1.A.ii below, each request for Services shall be made by Purchaser in writing pursuant to a Purchase Order substantially similar to the form attached hereto as Exhibit B ("Purchase Order"). Contractor shall provide the Services set forth in the Purchase Order on such terms as shall be mutually agreed upon therein. Contractor's acceptance of a Purchase Order shall be accomplished by Contractor's written acknowledgment of such Purchase Order. All Purchase Orders, and Contractor's performance of Services thereunder, are subject to the terms and conditions of this Agreement, including the General Terms and Conditions set forth in Exhibit A, which form an integral part of this Agreement. This Agreement shall control in the event of any ambiguity, conflict or inconsistency between this Agreement and the Purchase Order.
- ii. In the event of an emergency causing an immediate or imminent threat to Purchaser's Facility, operations, or personnel, Purchaser may issue a verbal Purchase Order to Contractor if Contractor is willing or able to accept such an order. In such event, Purchaser shall promptly submit a written Purchase Order following the issuance of any such verbal Purchase Order.

- B. No Minimum Commitment. Nothing herein shall obligate Purchaser to request Services from Contractor and Contractor shall be compensated only for such Services as Contractor actually performs at the request of Purchaser via a Purchase Order.

#### 2. COMPENSATION, PAYMENTS AND INVOICING

Compensation. As compensation for the performance of the Services, Purchaser shall pay Contractor in accordance with the method of payment set forth in the applicable Purchase Order, which shall be either a lump sum method ("Lump Sum"), a time and materials method ("Time and Materials") or an alternative mutually agreed upon method of payment set forth in the applicable Purchase Order as confirmed by the Contractor; provided that, in the event the Parties do not agree on the Lump Sum or alternative payment method, the Time and Materials method shall be used. Additionally, the Contractor may require certain portions or all of the compensation applicable for a particular Purchase Order to be paid in advance.

Lump-Sum. If the compensation to Contractor is based on a Lump Sum payment method, then such Lump Sum amount shall be set forth in the applicable Purchase Order, as expressly confirmed in writing by the Contractor, describing the Services to be performed.

## Time and Materials.

- i. If the compensation to Contractor is based on a Time and Materials payment method, then Purchaser shall reimburse Contractor for the costs, fees and expenses incurred (collectively, "Fees and Expenses"), including but not limited to:
  - a. The number of hours worked by Contractor, its employees and/or Subcontractors performing the Services multiplied by the applicable hourly rates; and
  - b. Contractor's reasonable expenses related to or attributable to the Services, such as reasonable travel and lodging expenses, supplies, reproduction and equipment rental, if necessary, for performance of the Services, mileage, Materials or such other charges as documented by the Contractor.
- ii. In the event the Parties have agreed to specific rates which apply to a Time and Materials payment method, such rates shall be set forth in the Rate Schedule attached as Exhibit D, which shall be updated by Contractor from time to time, at a minimum, once per calendar year.

## 3. INVOICING AND PAYMENT

Invoicing. Contractor shall use reasonable efforts to submit invoices to Purchaser for Services performed on a monthly basis for all Services performed by Contractor during the prior month. Each invoice (i) shall identify the Purchase Order number and shall include sufficient line item detail for Purchaser to reasonably verify the basis of the charges, including the Services performed and applicable quantities and pricing of Materials, if separately priced and (ii) shall be accompanied by any supporting information or documentation reasonably requested by Purchaser. Invoices submitted for Fees and Expenses charged on an hourly basis shall be supported by documents, time sheets or such other reasonable documentation showing description, date and location of Services performed. Invoices submitted for Fees and Expenses charged as allowable expenses shall be supported by copies of the actual receipts forming the basis of reimbursement. Furthermore, Applicable Taxes or similar fees paid by Contractor on behalf of Purchaser shall be invoiced and supported by reasonable documentation.

Payment. Payment terms are net thirty (30) days from Purchaser's receipt of an invoice unless otherwise specified in the Purchase Order. In the event of a dispute regarding any invoice submitted by Contractor: (i) all amounts not disputed shall be paid by Purchaser as required by this Section 3, (ii) Purchaser shall promptly (but in any event within ten (10) days) notify Contractor in writing of any such dispute, and (iii) payment of any withheld and disputed amount shall be made within ten (10) days following resolution of the dispute.

## 4. INSURANCE

During the Term of this Agreement, each of Contractor and Purchaser, at its sole cost and expense, shall procure and maintain insurance coverage with the coverages and conditions set forth in Exhibit C.

## 5. TERM OF AGREEMENT/TERM OF PURCHASE ORDERS

During the Term of this Agreement, each contractor and Purchaser, at its sole cost and expense, shall procure and maintain insurance coverage with the coverages and conditions set forth in Exhibit C.

## 6. NOTICES

Statements and reports required of Contractor hereunder shall be addressed to the individual designated on the particular Purchase Order. Invoices and Notices required of the Parties herein shall be addressed to the address set forth below or as otherwise provided in writing by one Party to the other:

<b>Contractor</b>	<b>Purchaser</b>
Wärtsilä North America Inc. Attention: Scott Hannen 11710 N. Gessner Rd, Suite A, Houston, TX 77064 Facsimile No.: 281-233-6233 Phone No.: 281-233-6200	Denton Energy Center Attention: Jason Brown 8161 Jim Christal Road Denton, TX 76207 Phone No.: 806-786-5572

## 7. ENTIRE AGREEMENT

This Agreement, together with all Exhibits referenced herein and Purchase Orders executed by the Parties, constitutes the entire agreement between the Parties in relation to the Services and supersedes all prior agreements, understandings and commitments, whether oral or in writing, between the Parties. This Agreement may not be amended or modified in any manner except by a written document signed by both Parties that expressly amends this Agreement. All additional and/or conflicting terms and conditions that may appear on written documents including Purchase Orders, service order tickets, or invoices shall be null and void.

## 8. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall constitute an original and together which shall constitute one and the same agreement.

*[REMAINDER OF THIS PAGE IS LEFT INTENTIONALLY BLANK]*

**IN WITNESS WHEREOF**, the Parties have caused this Agreement to be executed by their duly authorized Representatives as of the date first written above.

## EXHIBIT A – MASTER SERVICES AGREEMENT

**GENERAL TERMS AND CONDITIONS****A.1. DEFINITIONS**

As used in this Agreement, the following terms and expressions shall have the following meanings:

- A. **"Affiliate"** means any Person that directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the specified Person. For purposes of this definition, "control" shall mean ownership, directly or indirectly, of either the outstanding voting stock of the controlled Person or any other ownership interest in the controlled Person if such interest has, directly or indirectly, the power to direct or cause the direction of the management and policies of such relevant Person.
- B. **"Applicable Law"** means all applicable laws, regulations, ordinances, statutes, codes, regulations and other rules, as amended, of any international, federal, state, municipality, territory, parish, county, local government or political subdivision thereof or any other duly constituted public authority having jurisdiction over the Parties, the Facilities or the performance of the Services.
- C. **"Applicable Taxes"** shall have the meaning set forth in Section A.17.B of this Agreement.
- D. **"Arbitration Rules"** shall have the meaning set forth in Section A.20 of this Agreement.
- E. **"Change Order"** means a written authorization agreed to and/or signed by Purchaser and Contractor, regarding a deletion or modification to a Purchase Order.
- F. **"Change of Law"** means the coming into force or enacting after the Effective Date of (i) any new Applicable Law, (ii) any reform, modification or revocation of any Applicable Law or official interpretation of such Applicable Law, (iii) the adoption of a new official interpretation of any Applicable Law, or (iv) the issuance of resolutions or other administrative acts by a competent Governmental Authority which changes the nature, application or interpretation of the Applicable Law in force as of the Effective Date.
- G. **"Claims"** means all liabilities, judgments, costs (including court costs, reasonable attorneys' fees and costs of investigation), losses, fines, penalties, expenses, damages, claims, suits, disputes and demands.
- H. **"Confidential Information"** shall have the meaning set forth in Section A.15.A of this Agreement.
- I. **"Effective Date"** shall have the meaning set forth in the first paragraph of this Agreement.
- J. **"Event of Default"** shall have the meaning set forth in Section A.11.A of Exhibit A.
- K. **"External Cybersecurity Threat"** means any threat, act, attack or other incident which negatively affects the reliable workings of the Contractor Provided Equipment, which originated outside of the physical site housing the Contractor Provided Equipment.
- L. **"Facilities"** means the facilities, site and/or location where the Services are performed.
- M. **"Fees and Expenses"** shall have the meaning set forth in Section 2.C.i of this Agreement.

- N. "Force Majeure" means any event or circumstance or combination of events and circumstances that is beyond the reasonable control of a Party and not due to its fault or negligence and could not have been avoided by the exercise of reasonable due diligence by the Party claiming to be excused; such events or circumstances include but are not limited to: drought, fire, severe storms, floods, tsunamis, lightning, explosions, tornadoes, hurricanes, earthquakes, landslides and other acts of God or catastrophic natural events, war, riots, civil disturbances, terrorist attacks, revolts, insurrections, sabotage, strikes and other labor disputes, commercial embargoes, epidemics or quarantine restrictions, failure of a subcontractor to provide manpower, materials or goods caused by an event that qualifies as Force Majeure, Changes in Law, expropriation or confiscation, or action, inaction, or restraint of a Governmental Authority, including but not limited to denial or failure to grant required permits, licenses or authorizations.
- O. "Governmental Authority" means any international, federal, state or local government or other political subdivision thereof, or any governmental, quasi-governmental, judicial, public or statutory instrumentality, administrative agency, authority, body or other entity thereof having proper jurisdiction over the Facility or the Parties.
- P. "Indemnified Party" and "Indemnifying Party" shall have the respective meanings set forth in Section 9.C.
- Q. "Initial Term" shall have the meaning set forth in Section 5 of this Agreement.
- R. "Insolvency Event" means the Party (i) makes a general assignment for the benefit of its creditors; (ii) commences a proceeding under applicable bankruptcy law or other Applicable Law for the relief of debtors; (iii) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or readjustment of debts; (iv) the appointment of a trustee, custodian, conservator, receiver or similar official for it, or for a substantial part of its property; (v) becomes insolvent or is unable to pay its debts as they become due; or (vi) has instituted against it any involuntary bankruptcy, reorganization, debt arrangement, or other proceeding under any applicable bankruptcy, insolvency or other similar law for the relief of debtors or any dissolution or liquidation proceeding, which is not dismissed or stayed within forty-five (45) days after it is commenced.
- S. "Internal Cybersecurity Threat" means any threat, act, attack or other incident which negatively affects the reliable workings of the Contractor-Provided Equipment, which originated inside of the physical site housing the Contractor-Provided Equipment.
- T. "Improper Service Work" means any act or failure to act which contradicts the OEM-recommended maintenance, configuration and advisable operations resulting in detrimental reliability or increased possibility of failure.
- U. "Lump Sum" shall have the meaning set forth in Section 2.A of this Agreement.
- V. "Materials" means all materials, parts and/or goods provided to Purchaser or incorporated into the Facility as part of the Services.
- W. "Notice" means all notices, consents, approvals, certifications, requests, demands and authorizations.
- X. "Person" means an individual, corporation, limited liability company, partnership, joint venture, unincorporated organization or any other legal entity.

- Y. "Purchase Order" shall have the meaning set forth in Section 1.A of this Agreement.
- Z. "Renewal Term" shall have the meaning set forth in Section 5 of this Agreement.
- AA. "Representatives" shall mean a Party's directors, officers, employees and agents.
- BB. "Services" means the service work to be performed by Contractor for Purchaser pursuant to a Purchase Order accepted by Contractor pursuant to this Agreement.
- CC. "Subcontractors" means a Person of any tier (including vendors and suppliers) who (i) performs any part of the Services and who is not a direct employee of Contractor or (ii) performs any services for Purchaser at the Facility (other than Contractor or its Subcontractors) and who is not a direct, full-time employee of Purchaser.
- DD. "Term" shall mean the Initial Term and any and all Renewal Terms.
- EE. "Time and Materials" shall have the meaning set forth in Section 2.A of this Agreement.

## **A.2. CONTRACTOR'S GENERAL OBLIGATIONS**

- A. General. Contractor shall furnish the Materials and/or Services pursuant to a Purchase Order if and when agreed to and acknowledged by Contractor.
- B. Scheduling. Any agreed upon schedules or delivery or completion date(s) under this Agreement shall be considered estimates only unless Contractor and Purchaser otherwise agree to a firm date for completion or delivery and such date is specified in a Purchase Order agreed to by Contractor. Contractor shall use commercially reasonable efforts to perform the Services in accordance with the estimated completion date(s) set forth in the applicable Purchase Order, subject to the applicable provisions set forth in any Change Order. Contractor shall promptly notify Purchaser of events or circumstances that may, immediately or in the future, materially impede the proper and timely execution of any Services so that remedial action, as is appropriate under the circumstances, may be taken.
- C. Monitoring of Services. Contractor shall provide Purchaser and its representatives the right to inspect and monitor, upon reasonable Notice to Contractor and during regular business hours, Contractor's on-site operations and facilities including tools, equipment, Materials, Services and inventory thereof. Such inspection and monitoring shall be at the cost of Purchaser, and Purchaser shall be responsible for any risks, liabilities incurred by Purchaser's personnel during such inspection and monitoring.

## **A.3. SHIPMENT AND DELIVERY OF MATERIALS**

- A. Packaging, shipment and delivery of all Materials shall be in accordance with this Agreement, including the applicable Purchase Order(s).
- B. All shipments of Materials shall be made DDP as defined under Incoterms® 2020 or as designated in the applicable Purchase Order and written acknowledgement by Contractor. All shipping dates provided by Contractor are estimates only subject to availability of the applicable Materials at the time of the Purchase Order.  
as defined under Incoterms® 2010 or as designated in the applicable Purchase Order and written acknowledgement by Contractor. All shipping dates provided by Contractor are estimates only subject to availability of the applicable Materials at the time of the Purchase Order.

- C. Purchaser reserves the right (payment notwithstanding) to reject and return that portion of any shipment of Materials that may be defective or otherwise fail to comply with an applicable Purchase Order; provided that Notice of such rejection (describing in detail the reason for rejection) is provided to Contractor in writing within seventy-two (72) hours after delivery to Purchaser of such Materials. Purchaser shall be deemed to have accepted the Materials if no rejection Notice is provided to Contractor within such seventy-two (72) hour period.

#### **A.4. USE AND CONDITION OF THE FACILITIES AND EQUIPMENT**

Purchaser shall provide when necessary for Contractor, at no cost to Contractor, ancillary manpower equipped with appropriate tools (such as drills and hand lamps), heavy duty hoisting and transport facilities along with the necessary fuel, lubricants, water, electricity, compressed air and cleaning facilities for Contractor's performance of the Services. Additionally, Purchaser shall advise Contractor of information concerning (i) the local laws and regulations applicable to the Services and (ii) any dangerous conditions or unusual risks that may be encountered in Purchaser's Facility or in the use of any equipment or tools provided by Purchaser.

#### **A.5. SAFETY AND WORKPLACE POLICIES**

Purchaser shall be responsible for providing a healthy and safe work place and working environment for Contractor's Representatives during performance of Services at any Facility controlled by Purchaser. The Parties shall comply with all safety requirements imposed by Applicable Law for the safety of Persons or property. To the extent Services are performed at a Facility controlled by Purchaser, Contractor shall comply with Purchaser's applicable policies and procedures.

#### **A.6. WARRANTIES**

- A. General Warranties. Should the Services performed by Contractor be inadequate due to defective workmanship, Contractor shall re-perform such Services at no additional cost to Purchaser. Contractor shall also repair or, at its discretion, replace any defect in material or manufacturing in the Materials supplied by Contractor under this Agreement, provided that Purchaser notifies Contractor of such defect during the warranty period. When required by Contractor, such Material(s) shall be returned to Contractor, at Contractor's cost, to the location provided by Contractor. Purchaser shall immediately take appropriate steps to prevent any defect from becoming more serious and to enable Contractor to repair such defect at no additional cost to Purchaser. Any warranty claims or requests must be made by Purchaser within fourteen (14) days from discovery during the warranty period.
- B. Replaced Materials. Contractor shall bear only the costs of repairing or replacing the defective Materials at the location designated by Contractor, as well as the cost to transport defective and repaired or replaced Materials between the location designated by Contractor and the Purchaser destination indicated on the applicable Purchase Order for such Materials. Materials that have been replaced shall become Contractor's property.
- C. Warranty Period. The warranty period for Services performed is limited to defects which appear within six (6) months from the performance of Services. The warranty period in respect of Services which have been re-performed under the warranty shall expire six (6) months following the last day on which the Services were re-performed under the warranty. The warranty period for the Materials begins at delivery and ends either (i) twelve (12) months upon installation or (ii) eighteen (18) months from the date of delivery to Purchaser, whichever occurs earlier. The warranty period for repaired or replaced Materials shall be six (6) months from the date of repair or replacement, or until the expiration date of the original warranty period, whichever occurs earlier, under the same

terms, conditions and limitations of liability. Under no circumstances shall the warranty period for Services of Materials exceed thirty-six (36) months from the commencement of the original warranty period.

D. Limits on Warranty. This warranty does not cover any defect due to or connected with: (i) any materials or components or design provided by Purchaser or on behalf of Purchaser; (ii) negligence or other improper acts or omissions of Purchaser, its employees or agents or other third parties; (iii) spare parts not supplied by Contractor; (iv) improper installation or alterations carried out without Contractor's consent in writing; (v) parts, accessories or attachments that are not sold, supplied or expressly approved in writing by Contractor; or (vi) parts provided by Contractor that are warranted directly to Purchaser by another manufacturer. This warranty does not cover any defects that are caused by or connected with the design, normal wear and tear, the use of unsuitable material or consumables by Purchaser, fluctuation in the grid or with any use, maintenance, service or operation of the equipment or the spare parts or any part thereof which is not in conformity with Contractor's or any of its Subcontractors' manuals, instructions or specifications or that is otherwise not in accordance with normal industry practice. Contractor's warranty obligation does not include any craning, electricity, scaffolding, assisting work, docking, towage, underwater or diving work, demounting, mounting nor any travel and boarding costs of Contractor's personnel or Representatives. If after Contractor's warranty investigation it is found that Purchaser does not have a warranty claim within the scope of this Agreement, then Purchaser shall be responsible for all applicable costs and expenses for such inspection, repaired or replaced components or other services.

**E. THE WARRANTIES SET FORTH IN THIS SECTION ARE THE ONLY WARRANTIES BY CONTRACTOR APPLICABLE TO THE MATERIALS AND SERVICES PROVIDED HEREUNDER AND ARE EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER WARRANTY EXPRESSED OR IMPLIED AGAINST DEFECTS, LATENT OR OTHERWISE. CONTRACTOR NEITHER ASSUMES, NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT, ANY OTHER WARRANTY OBLIGATION IN CONNECTION WITH THE MATERIALS OR SERVICES PROVIDED HEREUNDER OR ANY PART THEREOF.**

#### **A.7. MECHANICS' LIENS**

To the extent that Purchaser has paid all amounts due and owing to Contractor for the Services, Contractor shall keep the Facility and the Services free of all mechanic's and materialmen's liens and encumbrances with respect to Services provided under this Agreement. Title to any part, material, equipment, supplies, consumables or replacement and any other items furnished, provided or supplied by Contractor in performance of the Services shall pass to Purchaser only when payment in full has been received by Contractor. If such a lien or encumbrance is filed on the Facility or the Services despite Purchaser's payment of the applicable amounts due, Contractor will take whatever steps are necessary to have the lien or encumbrance satisfied, removed or otherwise discharged, and the Purchaser shall provide assistance as may be reasonably requested by Contractor. If Contractor fails to satisfy or remove the lien or encumbrance, Purchaser may satisfy, remove or discharge, by bond or otherwise, the lien or encumbrance, and Contractor shall be liable to Purchaser for all reasonable costs and expenses in connection with such satisfaction, removal or discharge.

#### **A.8. HAZARDOUS SUBSTANCE DISPOSITION**

Purchaser shall be responsible for all costs and expenses associated with any clean-up, removal, response or remediation of any and all hazardous substances or waste material required by any governmental authority or environmental law, except to the extent that the existence of such

contamination directly arises out of the gross negligence or willful misconduct of Contractor in the performance of the Services. Unless otherwise prohibited under Texas law, Purchaser shall indemnify and hold harmless Contractor from and against any and all Claims arising out of or resulting from any matter for which Purchaser is responsible pursuant to this Section A.8.

## **A.9. INDEMNIFICATION**

A. Indemnification by Contractor. Contractor shall indemnify and hold harmless Purchaser, its Representatives from and against any and all third party Claims of any kind or nature whatever to or in respect of Persons or property arising out of, resulting from or relating to the willful misconduct or gross negligence of Contractor in performing its obligations under this Agreement.

B. Indemnification by Purchaser. Unless otherwise prohibited under Texas law, Purchaser shall indemnify and hold harmless Contractor, its Representatives, contractors, and suppliers, from and against any and all third party Claims of any kind or nature whatever to or in respect of Persons or property arising out of, resulting from, or relating to the performance by Contractor obligations under this Agreement and not resulting from or relating to the willful misconduct or gross negligence of Contractor.

C. Notices. If any Party entitled to indemnification hereunder (the "Indemnified Party") intends to seek indemnification under this Section 9 from the other Party (the "Indemnifying Party") with respect to any Claim, the Indemnified Party shall give the Indemnifying Party Notice of such Claim upon the receipt of actual knowledge or information by the Indemnified Party of any possible Claim or of the commencement of such Claim, which period shall in no event be later than the lesser of (a) fifteen (15) business Days prior to the last Day for responding to such Claim or (b) one half of the period allowed for responding to such Claim. The Indemnifying Party shall have no liability under this Section 9 for any Claim for which such Notice is not provided, unless the failure to give such Notice does not prejudice the Indemnifying Party. The Indemnifying Party shall have the right to assume the defense of any such Claim with counsel designated by the Indemnifying Party and reasonably satisfactory to the Indemnified Party; provided, however, that if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it which are different from or additional to those available to the Indemnifying Party, the Indemnified Party shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Party. Should any Indemnified Party be entitled to indemnification under this Section 9 as a result of a Claim by a third Party, and should the Indemnifying Party fail to assume the defense of such Claim, the Indemnified Party may, at the expense of the Indemnifying Party, contest (or, with the prior consent of the Indemnifying Party, settle) such Claim. Except to the extent expressly provided herein, no Indemnified Party shall settle any Claim with respect to which it has sought or intends to seek indemnification pursuant to this Section 9 without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

D. Cybersecurity Indemnification. Unless otherwise prohibited under Texas law, Purchaser shall defend, indemnify and hold harmless Contractor and Contractor's parent and subsidiaries, affiliates, and their respective officers, directors, employees, agents, successors and permitted assigns (each, a "Contractor Indemnitee") from and against all losses, damages, liabilities, deficiencies, actions, judgments, interest, awards, penalties, fines, costs or expenses of whatever kind, including reasonable attorneys' fees, the cost of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers, arising out of or resulting from any cybersecurity breach arising out of or resulting from Purchaser's failure to comply with any of its obligations under this provision. For the

absence of doubt, Purchaser shall not be obligated to indemnify Contractor for Contractor's actions or inactions with respect to Contractor's cybersecurity obligations.

#### **A.10 LIMITATION OF LIABILITY**

**A. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CONTRACTOR BE LIABLE, WHETHER IT BE IN CONTRACT, NEGLIGENCE, STRICT LIABILITY OR TORT, TO THE PURCHASER FOR ANY AMOUNTS IN EXCESS OF FIFTY PERCENT (50%) OF THE AMOUNTS PAID BY PURCHASER TO CONTRACTOR UNDER THIS AGREEMENT DURING THE CONTRACT YEAR GIVING RISE TO THE LIABILITY OR INCIDENT GIVING RISE TO THE LIABILITY EXCEPT FOR CLAIMS COVERED BY CONTRACTOR'S POLICY OF INSURANCE SPECIFIED IN EXHIBIT C TO THIS AGREEMENT TO THE EXTENT OF THE LIMITS SO SPECIFIED.**

**B. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS OR LOST REVENUES, TOWAGE CHARGES, POLLUTION REMEDIATION COSTS, COSTS FOR DOCKING, DIVING OR UNDERWATER WORK, COSTS FOR ADDITIONAL TESTS) ARISING OUT OF THE PERFORMANCE OR FAILURE TO PERFORM UNDER THIS AGREEMENT OR THE SERVICES.**

#### **A.11 CYBERSECURITY LIMITATION OF LIABILITY**

Contractor shall not be liable for any harm, injury or damages due to or arising in connection with: (1) software provided by Purchaser; (2) systems other than those provided by Contractor except if such other systems are modified by Contractor to interface or communicate with Contractor's proprietary software; or (3) Improper Service Work, installation or alterations carried out by Purchaser.

#### **A.12. TERMINATION FOR DEFAULT**

A. Event of Default. Each of the following shall constitute an event of default under this Agreement ("Event of Default"):

- i. Either Party shall fail in any material respect to comply with, observe, or perform, or shall default in any material respect, in the performance of the Services or any of the terms and conditions of this Agreement or any Purchase Order, as applicable;
- ii. Either Party shall fail to make any payment when due hereunder; or
- iii. The occurrence of an Insolvency Event with respect to either Party.

B. Notice and Cure for Default. If an Event of Default as defined in Section A.11.A.i or Section A.11.A.ii occurs, the non-defaulting Party shall provide the defaulting Party with Notice of the Event of Default. The defaulting Party shall have sixty (60) days following receipt of such Notice to cure the Event of Default, provided that if such Event of Default (other than a payment default) is not capable of being cured within such sixty (60) day period with the exercise of reasonable diligence, then such cure period shall be extended for an additional reasonable period of time, not to exceed

ninety (90) days, so long as the defaulting Party is exercising reasonable diligence to cure the default.

- C. Remedies for Default. If the Notice was given by the non-defaulting Party as provided for in Section A.11.B and the Event of Default is not cured by the expiration of the corresponding period for cure or if an Event of Default as defined in Section A.11.A.iii occurs, the non-defaulting Party, by Notice in writing to the defaulting Party may, in addition to any other rights and remedies available to it under this Agreement or at law or in equity, suspend or terminate this Agreement and/or any Purchase Order. In such event, the non-defaulting Party shall have no further obligation to the defaulting Party with respect to this Agreement or Purchase Order except with respect to Services already performed by Contractor in accordance with this Agreement. The defaulting Party shall remain liable to the non-defaulting Party for any and all Claims that the non-defaulting Party may have against the defaulting Party under this Agreement or the applicable Purchase Order. Further, Contractor shall have the right to suspend any Services until the default is cured if Notice was given by Contractor to Purchaser as provided for in Section A.11.B.

### **A.13. TERMINATION FOR CONVENIENCE**

- A. Termination for Convenience by Purchaser. Purchaser may terminate this Agreement and/or any Purchase Order at any time for its sole convenience by giving Contractor at least thirty (30) days prior written Notice to such effect. In the event of any such termination, Contractor shall promptly stop all terminated Services for such Purchase Order and/or for the Agreement unless notified by Purchaser in writing to the contrary. In the event of such termination for convenience, Purchaser shall pay Contractor that portion of the total consideration specified in the Purchase Order equal to the portion of the Services performed in accordance with this Agreement prior to the effective date of termination, less any payments made prior to such termination plus an amount equal to any and all applicable demobilization costs incurred by Contractor.
- B. Termination for Convenience by Contractor. Contractor may terminate this Agreement in the event of a material change in Contractor's business operations without cause effective thirty (30) days upon providing written Notice to Purchaser to such effect. Purchaser shall pay Contractor that portion of the total consideration specified in the Purchase Order equal to the portion of the Services performed in accordance with this Agreement prior to the effective date of termination, less any payments made prior to such termination.

### **A.14. RIGHT TO AUDIT**

The Purchaser shall have the right to audit the Contractor's invoices, work sheets, and time sheets related to work performed under this Agreement and/or the applicable Order(s). Contractor agrees to maintain such records for a period of two (2) years from the date such work was performed and to make the foregoing available to the Purchaser or Purchaser's representatives at the Purchaser's cost during normal business hours. Nothing herein shall oblige Contractor to disclose documents that will reveal neither the Contractor's commercial costs nor information that is confidential or proprietary.

### **A.15. FORCE MAJEURE**

- A. Neither Contractor nor Purchaser shall be liable for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, caused by or arising from an event of Force Majeure.
- B. If the Services are interrupted by Force Majeure or for other reasons not attributable to Contractor, the costs for maintaining personnel at or near the Facility (including, without limitation, wages and

lodging) will be borne by Purchaser. Upon the occurrence of an even of Force Majeure, one Party shall notify the other Party of such occurrence and the anticipated delays in writing. If the interruption continues for more than one week, Contractor's personnel may be returned to Contractor's country. All expenses in relation to such withdrawal and/or subsequent return shall be borne by Purchaser. If the period of suspension exceeds one (1) month, either party may terminate the Agreement by three (3) days Notice in writing to the other party without prejudice to the rights of either Party up to the date of termination. In the case of such a termination, Purchaser's payment of the applicable consideration and demobilization costs of Contractor shall be handled as a termination for convenience by Purchaser in accordance with Section A.12.A. All reasonable additional costs incurred by Contractor as a consequence of the suspension and any subsequent resumption or completion of the Services shall be reimbursed by Purchaser.

#### **A.16. CONFIDENTIALITY**

- A. Subject to the Texas Public Information Act, court order, or other law, each Party agrees, for itself and its Affiliates and their Representatives, to keep confidential and not make any unauthorized use of any confidential or proprietary information of the other Party disclosed to such Party in and during the performance of this Agreement, including documents, specifications, formulae, evaluations, methods, processes, technical descriptions, reports and other data, records and information (hereinafter the "Confidential Information").
- B. Confidential Information shall be identified in writing by the disclosing Party, or if it is orally disclosed, the confidentiality thereof shall be confirmed in writing by the disclosing Party promptly after such oral disclosure. In any event, no disclosure shall be deemed to be Confidential Information if such information:
  - (i) was known on a non-confidential basis by the recipient prior to the disclosure thereof by the disclosing Party;
  - (ii) is, or shall become, other than by an act of the recipient, generally available to the public;
  - (iii) is lawfully made available on a non-confidential basis to the recipient by a third Party in good faith; or
  - (iv) was developed by the recipient without reference to or reliance upon Confidential Information received from the disclosing Party.
- C. Each Party agrees that it will make available the other Party's Confidential Information only on a "need to know" basis to such Party's personnel and that all Persons to whom such Confidential Information is made available will be made aware of the strictly confidential nature of such Confidential Information. If either Party deems it necessary to disclose Confidential Information to any third party, such Party must receive written authorization from the other Party.
- D. The Confidential Information will remain the property of disclosing party. Nothing contained in this Agreement shall be construed as a right or license, express or implied, under any patent, copyright, trademark or intellectual property right, or application therefore, that is now or hereafter owned, applied for, or controlled by a disclosing party or any of its partners or Affiliates.

## **A.17. CLAIMS FOR INFRINGEMENT**

- A. Contractor warrants that the Services will not infringe on any copyright, patent, trade secret or other proprietary interest of any third party. Contractor shall indemnify, defend and hold harmless the Purchaser Indemnified Parties against all Claims for any copyright, patent or other proprietary right infringement or misappropriation of a trade secret, arising out of or resulting from the performance of the Services delivered by Contractor under this Agreement. In the event Purchaser's use of any Services is interrupted as a result of such a Claim, then Contractor shall, at its sole cost and expense and Purchaser's option, either (i) procure for Purchaser the right to continue using the infringing Services as though it were non-infringing, or (ii) replace or modify the infringing portion of the Services to make such Services non-infringing without materially impairing their usefulness or performance.
- B. Intellectual property rights associated with the Services or any document or data provided by Contractor in connection therewith shall remain Contractor's property. Unless otherwise prohibited under Texas law, Purchaser shall defend, indemnify and hold harmless Contractor against all Claims arising out of or resulting from any reuse, modification, reproduction or publication of Contractor's intellectual property documents or data by Purchaser or one of its Subcontractors.

## **A.18. TAXES**

- A. General. Unless otherwise expressly set forth in the applicable Purchase Order, Contractor shall be fully responsible for all state and federal income taxes, pension benefits, social security taxes, employment, disability and for any other taxes (except sales, use, excise and gross receipts taxes addressed below) which may be due and owing by Contractor.
- B. Applicable Taxes. Except for Contractor's obligations under Section A.17.A, Purchaser will be responsible for all applicable taxes that arise in any jurisdiction, including, without limitation, value added, sales, use, gross receipts, excise or other taxes, fees, customs fees, duties, however designated, imposed on, incident to, or based upon the Services (collectively "Applicable Taxes"). If Purchaser is entitled to an exemption from any Applicable Taxes, Purchaser is responsible for presenting Contractor with a valid exemption certificate (in a form reasonably acceptable to Contractor). Unless otherwise prohibited under Texas law, Purchaser shall indemnify and hold Contractor harmless for any determination by a Government Authority (i) that Contractor be held liable for such taxes or (ii) regarding the validity or applicability of Purchaser's tax exemptions.

## **A.19. CHANGE ORDERS**

- A. Requests by Purchaser for any modifications or changes to Contractor's Services, including but not limited to, additions, deletions or other revisions, must be issued in writing by an authorized representative of Purchaser. All such Change Order requests are subject to Contractor's written acceptance, and may result in adjustments to fees, expenses and delivery schedules as mutually agreed in writing.
- B. The Parties acknowledged that Purchaser's inability to fully comply with its responsibilities under this Agreement may impact the Contractor's Services. Therefore, Purchaser's failure to adhere to its obligations or interference with the Services shall entitle Contractor to a Change Order under this Section A.18.
- C. If Purchaser initiates any modifications to the Facilities not disclosed and reviewed with the Contractor prior to the Effective Date or if Contractor requests changes to this Agreement as made necessary by the happening of an event of Force Majeure or a Change of Law, Contractor shall be entitled to a Change Order.

- D. Contractor shall be entitled to suspend its performance for the particular Purchase Order pending the agreement of the Parties as to the relevant adjustments in scope, compensation and scheduling for any given Change Order.

#### **A.20. GOVERNING LAW**

This Agreement shall be governed and construed in accordance with the laws of the State of Texas without regard to its conflicts of law principles.

#### **A.21. ARBITRATION**

The Parties shall attempt to resolve any Claim arising out of or relating to this Agreement or the breach thereof by amicable negotiations. If the Parties are unable to resolve the Claim through such negotiations, then the issue shall be submitted to binding arbitration under the arbitration rules of the International Chamber of Commerce (the "Arbitration Rules") then in effect. The arbitration shall be held in Houston, TX, and the proceedings shall be in the English language. If the amount of any asserted Claim or counterclaim does not exceed One Million Dollars (\$1,000,000), the arbitration shall be conducted before a single arbitrator selected in accordance with the Arbitration Rules. Otherwise, the arbitration shall be conducted in accordance with the procedures of the Arbitration Rules before a panel of three (3) arbitrators, with each Party selecting one arbitrator and the third arbitrator, who shall be the chairman of the panel, being selected by the two Party-appointed arbitrators. The award rendered by the arbitration shall be final and judgment thereon may be entered by any court having jurisdiction thereof.

#### **A.22. COMPLIANCE WITH APPLICABLE LAW AND CHANGE OF LAW**

- A. Purchaser and Contractor respectively agree to comply with all Applicable Laws which are now or may become applicable to Services performed under this Agreement or any applicable Purchase Order(s). In the event a Change of Law relating to this Agreement causes an increase of the fees for Services or other compensation due to the Contractor or other adjustments to Contractor's Services, the Parties shall consult in good faith to reach an agreement as to either (i) the adjustment in compensation that should apply and/or (ii) the appropriate scope of Change Order associated with the Change of Law.
- B. Either Party shall provide prompt Notice to the other Party of the occurrence of a Change of Law. Such Notice shall include the notifying Party's opinion as to the impact on its performance of its obligations under the Agreement. In case of disagreement between the Parties concerning the implication and consequences of the increase in the expenditures and/or costs because of a Change of Law, and an agreement cannot be reached between the Parties after thirty (30) days, either Party may terminate this Agreement with three (3) days prior written Notice.
- C. In the event any provision of this Agreement is inconsistent with or contrary to any Applicable Law, said provision shall be deemed to be modified to the extent required to comply with said law, and this Agreement as so modified, shall remain in full force and effect.

#### **A.23. RELATIONSHIP OF THE PARTIES**

Nothing contained in this Agreement shall be construed to constitute either Party as the partner, employee or agent of the other, and neither Party shall have the authority to bind the other in any respect, it being intended that each shall remain responsible for its own actions. Contractor is retained

only for the purposes and to the extent set forth in this Agreement and applicable Purchase Order(s), and Contractor's relationship to Purchaser shall be that of an independent contractor.

Contractor may retain any Subcontractor necessary to assist Contractor in the performance of the Services that is qualified and capable of performing its portion of the Services in accordance with this Agreement and its subcontract. The creation of any Subcontractor relationship by either Party shall not relieve either Party of any of its obligations under this Agreement and such Party who has the Subcontractor shall be responsible for the acts of such.

#### **A.24. MISCELLANEOUS**

- A. Assignment. Neither Party shall assign this Agreement nor any of its rights or obligations under this Agreement without the prior written approval of the other Party and any attempt to make such an assignment shall be void.
- B. No Waiver. No waiver by either Party of the performance of any provision, condition or requirement of this Agreement shall be deemed to be a waiver of, or in any manner release the other Party from, performance of any other provision, condition or requirement of this Agreement; nor shall it be deemed to be a waiver of, or in any manner release the other Party from future performance of the same provision, condition, or requirement; nor shall any delay or omission of a Party in exercising any right hereunder in any manner impair the exercise of any such right or any like right accruing to it thereafter. No waiver shall be effective unless expressly made in writing and signed by the Party to be charged with such waiver.
- C. Severability. If any provision of this Agreement is held to be illegal, invalid, or unenforceable (i) such provision will be fully severable, (ii) this Agreement will be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement, and (iii) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.
- D. No Publicity. Neither Party shall reveal any information concerning details of this Agreement to the press or a news-disseminating agency or use the details of this Agreement within any advertising, promotional material, publicity or other printed material without the other Party's prior written approval in each instance.
- E. Construction. The Parties acknowledge that this Agreement was the subject of fair negotiation between the Parties, and that neither Party shall be considered the "drafter" of this Agreement for the purpose of construing any of its terms and conditions. Article and Section headings and numbers are provided for convenience only, and shall not affect the construction or interpretation of this Agreement. References to "days" or a "day" shall mean a calendar day, unless otherwise stated.
- F. Notices. Any Notice provided for in this Agreement shall be duly given if delivered by (i) hand, (ii) registered or certified mail, return receipt requested, (iii) facsimile or (iv) by electronic mail, with acknowledged receipt by the other Party. The Parties may change their respective addresses for receipt of Notices upon reasonable advance notice to the other. Any Notice given by hand delivery or registered mail shall be deemed given at the time of delivery and facsimile transmission or electronic mail shall be deemed to be given, respectively, at the time of transmission or when electronic delivery has been confirmed.

#### **A.25. EQUIPMENT TECHNICAL DATA**

Purchaser consents to the collection and use of information and to the ownership of the derived or incorporating works as set forth herein. Purchaser shall be responsible for providing equipment technical data through any reasonable means requested by Contractor, including internet-connected devices. The term "Equipment Technical Data" refers to all data relating to the technical operating parameters of any equipment delivered, including without limitation, all information that Contractor shall gather from sensors, instruments, monitors, or other industrial control or SCADA devices located at Purchaser's sites or on the equipment delivered. Equipment Technical Data shall be transmitted to Contractor for purposes including, but not limited to, developing its products, solutions and services. Contractor, Contractor's parent, subsidiaries and/or affiliates shall own all works, products, reports and improvements each may develop based upon, derived from, or incorporating Equipment Technical Data. Equipment Technical Data may be transferred (a) to Contractor's parent, subsidiaries and/or affiliates and (b) to third parties who act for or on Contractor's behalf for processing in accordance with the non-exclusive purpose(s) listed above or as may otherwise be lawfully processed. Equipment Technical Data may also be disclosed to a third party if Contractor is required to do so due to an applicable law, court order or governmental regulation, or if such disclosure is otherwise necessary in support of any criminal or other legal investigation. Contractor's rights to use Equipment Technical Data shall survive the termination or expiration of this Agreement, any applicable warranty period and any other commercial contract between the Contractor and Purchaser.

#### **A.26. CYBERSECURITY PROTECTION**

Contractor shall deliver Contractor Provided Equipment together with its logic-bearing system components (e.g., hardware, firmware, and software hereafter referred to collectively as the "Critical Components") free of any software virus and malware detectable by current standard industry best practices. Unless otherwise agreed, upon delivery of Contractor Provided Equipment, the Purchaser shall be solely responsible for any non-Contractor Provided Equipment system integrations and/or system security engineering. It is Purchaser's sole responsibility to protect Critical Components from any External Cybersecurity Threat or Internal Cybersecurity Threat, including against hardware and software vulnerabilities. In recognition of the foregoing, Purchaser agrees and covenants that it shall use the degree of care appropriate to prevent unauthorized access, use, or hacking of the Critical Components provided in connection with Contractor Provided Equipment and shall do so in a manner that is no less rigorous than any recommendations provided by Contractor and accepted industry practices.

## EXHIBIT C - MASTER SERVICES AGREEMENT

---

### INSURANCE REQUIREMENTS

The Parties shall carry insurance (with reliable insurance companies) in the amounts set forth below. In each such policy, each such Party shall cause (i) all of its deductibles to be for its own account, (ii) the insurer to waive all rights of subrogation against the other Party and its Affiliates, (iii) the other Party to be listed as additional insured, and (iv) all such policies to be primary as to any other existing valid and collectible insurance of the other. If requested, each Party shall furnish the other Party with an executed Certificate of Insurance and/or such other reasonable assurances evidencing such insurance.

1. Workers' Compensation insurance, disability benefit and any other similar employee benefit to the extent required by the Applicable Law in any jurisdiction in which the Services are to be performed.
2. Commercial General Liability insurance for incidents or series of incidents covering the operations, premises and completed operations of a Party in the performance of the Agreement, with a combined single limit of \$1,000,000 for bodily injury and property damage per occurrence and a limit of \$1,000,000 in the general aggregate.
3. Automobile Liability insurance extending to owned, non-owned and hired automobiles used by a Party in the performance of this Agreement, with a combined single limit of \$1,000,000 per occurrence.
4. Such other insurance as may from time to time be required by Applicable Law.

# US Field Service Rates 2019

Wärtsilä North America Inc.

## WÄRTSILÄ NORTH AMERICA INC. 2019 OBSERVED PUBLIC HOLIDAYS SCHEDULE

January 1, February 18, April 19, May 27, July 4 - 5, September 2, November 28 - 29,  
December 24-25

## CANCELLATION POLICY

Should a customer find it necessary to completely cancel a job, less than twenty-four (24) hours prior to the scheduled dispatch, and is not in a position to re-schedule the engineer within a one (1) week time frame, **Wärtsilä reserves the right to invoice a trip cancellation fee of one thousand five hundred (\$1500) USD.** If the engineer is en route to jobsite, the customer will also be invoiced for all travel related expenses incurred as a result of the job cancellation.

## RESERVATION OF ENGINEER

This fee will be applied when the customer specifically requests to put an engineer on "Reserved Status" (unavailable for other jobs or service assignments) awaiting travel instructions to customers work site. A maximum of five (5) days is permissible for reserving an engineer. When five (5) days have elapsed Wärtsilä reserves the right to re-assign the engineer for other service assignments.

**The fee for reserving an engineer will be invoiced at five hundred (\$500) USD per day.**

## LIABILITY

**NO LIABILITY WHETHER DIRECT, INDIRECT, SPECIAL INCIDENTAL OR CONSEQUENTIAL, IS ASSUMED WITH RESPECT TO THE INFORMATION CONTAINED HEREIN. THIS PUBLICATION IS CONFIDENTIAL AND INTENDED FOR INFORMATION PURPOSES ONLY.**

**Exhibit E**  
**Certificate of Interested Parties Electronic Filing**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract unless the Contractor submits a disclosure of interested parties (Form 1295) to the City at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

**Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.**

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
[https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line. (EX: Contract 1234 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.****Wärtsilä North America, Inc.****2 ☐ Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**N/A

Name of Officer

This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☒

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4 ☒ have no Conflict of Interest to disclose.****5  Sam Straka****25/11/2020**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A FIRST AMENDMENT TO A CONTRACT BETWEEN THE CITY OF DENTON AND WÄRTSILÄ NORTH AMERICA, INC., AMENDING THE CONTRACT APPROVED BY CITY COUNCIL ON APRIL 20, 2021, IN THE NOT TO EXCEED AMOUNT OF \$3,448,184.00; SAID FIRST AMENDMENT TO CONTINUE TO SUPPLY ROUTINE MAINTENANCE SUPPLIES FOR THE DENTON ENERGY CENTER; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (IFB 7544 – PROVIDING FOR AN ADDITIONAL FIRST AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$862,046.00, WITH THE TOTAL CONTRACT AMOUNT NOT-TO-EXCEED \$4,310,230.00).

WHEREAS, on April 20, 2021, City Council awarded a contract to Wärtsilä North America, Inc. in the amount of \$3,448,184.00, for the supply of routine maintenance supplies and services for the Denton Energy Center; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the additional fees under the proposed First Amendment are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees applicable to the Provider's profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The First Amendment, increasing the amount of the contract between the City and Wärtsilä North America, Inc., which is on file in the office of the Purchasing Agent, in the amount of Eight Hundred Sixty-Two Thousand Forty-Six and 0/100 (\$862,046.00) Dollars, is hereby approved, and the expenditure of funds therefor is hereby authorized in accordance with said amendment which shall be effective upon the execution of the amendment attached hereto. The total contract amount increases to \$4,310,230.00.

SECTION 2. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>

 COUNTY OF DENTON           §

FIRST AMENDMENT TO CONTRACT  
 BY AND BETWEEN THE CITY OF DENTON, TEXAS  
 AND WARTSILA NORTH AMERICA, INC.

THIS FIRST AMENDMENT TO CONTRACT 7544 (this “Amendment”) by and between the City of Denton, Texas (“City”) and **Wärtsilä North America, Inc.**, (“Contractor”) to that certain contract executed on April 20, 2021, in the original not-to-exceed amount of **\$3,448,184.00** (the “Agreement”); for services related to the **Denton Energy Center (DEC) Equipment Maintenance Parts and Services**.

WHEREAS, the City deems it necessary to further expand the services provided by Contractor to the City pursuant to the terms of the Agreement, and to provide an additional not-to-exceed amount **\$862,046.00** with this First Amendment for an aggregate not-to-exceed amount of **\$4,310,230.00**; and

WHEREAS, this amendment incorporates any previously executed documents between the parties including but not limited to pricing adjustments.

WHEREAS, the City deems it necessary to further expand the goods/services provided by Contractor to the City; and

WHEREAS, the original not-to-exceed amount may not be increased by more than 25.0% as provided in Texas Local Government Code Sec. 252.048; and

NOW THEREFORE, the City and Contractor (hereafter collectively referred to as the “Parties”), in consideration of their mutual promises and covenants, as well as for other good and valuable considerations, do hereby AGREE to the following First Amendment, which amends the following terms and conditions of the said Agreement, to wit:

1. This Amendment modifies the Agreement amount to provide an additional \$862,046.00 for additional services and materials to be provided in accordance with the terms of the Agreement with a revised aggregate not-to-exceed total of **\$4,310,230.00**.

The Parties hereto agree, that except as specifically provided for by this Amendment, that all of the terms, covenants, conditions, agreements, rights, responsibilities, and obligations of the Parties, set forth in the Agreement remain in full force and effect.

IN WITNESS WHEREOF, the City and the Contractor, have each executed this Amendment, by and through their respective duly authorized representatives and officers on this date \_\_\_\_\_.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a Professional Services Agreement with Parkhill, Smith & Cooper, Inc., for design services of Landfill Cell 6 for the Solid Waste and Recycling Department as set forth in the contract; providing for the expenditure of funds therefor; and providing an effective date (RFP 7109-039 – Professional Services Agreement for design services awarded to Parkhill, Smith & Cooper, Inc., in the not-to-exceed amount of \$367,000.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Promote Sustainability and the Environment.

### **INFORMATION/BACKGROUND**

The City of Denton Solid Waste Department's landfill is located at 1527 South Mayhill Road and serves as the sole solid waste disposal site for the City of Denton's residents and businesses. Solid Waste operations are designed to maximize the use of landfill space while controlling environmental hazards and protecting the environment.

Landfill design provides for land and air space to be consumed in a phased approach. The Landfill is currently divided into six (6) separate "phases" of land/airspace, and each phase is further subdivided into "cells" which are developed and used according to our Texas Commission on Environmental Quality (TCEQ) 1590 B Rules and Regulations. A site map has been provided in the contract to illustrate the current phases and cells that are both planned and in use. As waste is disposed in a cell, both land and airspace are consumed, and as a result, each cell's useful life is determined by the rate, volume, and density of waste disposed.

Request for Qualifications for professional engineering services was solicited using the City's formal solicitation process. City Council approved a pre-qualified list of engineering firms on October 8, 2019 (Ordinance 19-2305).

### **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On October 8, 2019, City Council approved RFQ 7109 for a prequalified list of professional engineering firms (Ordinance 19-2305).

## **RECOMMENDATION**

Award a contract with Parkhill, Smith & Cooper, Inc., for design services of Landfill Cell 6 for the Solid Waste and Recycling Department, in a not-to-exceed amount of \$367,000.

## **PRINCIPAL PLACE OF BUSINESS**

Parkhill, Smith & Cooper, Inc.  
Lubbock, TX

## **ESTIMATED SCHEDULE OF PROJECT**

We are expecting this project to begin within this fiscal year, and expecting to have the engineering services and sealed design plans by September of 2024. The bidding and construction phase of this project will begin immediately following FY 24/25.

## **FISCAL INFORMATION**

These services will be funded from Solid Waste and Recycling account #660270585.1360.20100. Requisition #164764 has been entered into the Purchasing software system in the amount of \$367,000.

## **EXHIBITS**

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH PARKHILL, SMITH & COOPER, INC., FOR DESIGN SERVICES OF LANDFILL CELL 6 FOR THE SOLID WASTE AND RECYCLING DEPARTMENT AS SET FORTH IN THE CONTRACT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (RFQ 7109-039 – PROFESSIONAL SERVICES AGREEMENT FOR DESIGN SERVICES AWARDED TO PARKHILL, SMITH & COOPER, INC., IN THE NOT-TO-EXCEED AMOUNT OF \$367,000.00).

WHEREAS, on October 8, 2019, the City Council approved a pre-qualified professional and engineer list (Ordinance 19-2305); and

WHEREAS, the professional services provider (the “Provider”) mentioned in this ordinance is being selected as the most highly qualified on the basis of its demonstrated competence and qualifications to perform the proposed professional services; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function; and

WHEREAS, the fees under the proposed contract are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees published by the professional associations applicable to the Provider’s profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The City Manager, or their designee, is hereby authorized to enter into an agreement with Parkhill, Smith & Cooper, Inc., to provide professional design services of Landfill Cell 6 for the Solid Waste and Recycling Department, a copy of which is attached hereto and incorporated by reference herein.

SECTION 2. The City Manager, or their designee, is authorized to expend funds as required by the attached contract.

SECTION 3. The City Council of the City of Denton, Texas hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, Texas, or their designee.

SECTION 4. The findings in the preamble of this ordinance are incorporated herein by reference.

SECTION 5. This ordinance shall become effective immediately upon its passage and

approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Gerard Hudspeth:	_____	_____	_____	_____

## **CITY OF DENTON, TEXAS**

### **STANDARD AGREEMENT FOR ENGINEERING RELATED PROFESSIONAL SERVICES**

This AGREEMENT is between the City of Denton, a Texas home-rule municipality ("CITY"), and Parkhill, Smith & Cooper, Inc., with its corporate office at 4222 85<sup>TH</sup> St., Lubbock, TX 79423 and authorized to do business in Texas, ("ENGINEER"), for a PROJECT generally described as: Cell 6 Design (the "PROJECT").

#### **SECTION 1** **Scope of Services**

- A.** The CITY hereby agrees to retain the ENGINEER, and the ENGINEER hereby agrees to perform, professional engineering services set forth in the Scope of Services attached hereto as Attachment A. These services shall be performed in connection with the PROJECT.
- B.** Additional services, if any, will be requested in writing by the CITY. CITY shall not pay for any work performed by ENGINEER or its consultants, subcontractors and/or suppliers that has not been ordered in advance and in writing. It is specifically agreed that ENGINEER shall not be compensated for any additional work resulting from oral orders of any person.

#### **SECTION 2** **Compensation and Term of Agreement**

- A.** The ENGINEER shall be compensated for all services provided pursuant to this AGREEMENT in an amount not to exceed \$367,000 in the manner and in accordance with the fee schedule as set forth in Attachment A. Payment shall be considered full compensation for all labor, materials, supplies, and equipment necessary to complete the services described in Attachment A.
- B.** Unless otherwise terminated pursuant to Section 6. D. herein, this AGREEMENT shall be for a term beginning upon the effective date, as described below, and shall continue for a period which may reasonably be required for the completion of the PROJECT, until the expiration of the funds, or completion of the PROJECT and acceptance by the CITY, whichever occurs first. ENGINEER shall proceed diligently with the PROJECT to completion as described in the PROJECT schedule as set forth in Attachment A.

#### **SECTION 3** **Terms of Payment**

Payments to the ENGINEER will be made as follows:

##### **A. Invoice and Payment**

City of Denton, Texas  
Standard Agreement for Engineering Related Design Services  
Revised Date: 3/22/22  
Page 1 of 19

- (1) The Engineer shall provide the City sufficient documentation, including but not limited to meeting the requirements set forth in the PROJECT schedule as set forth in Attachment A to reasonably substantiate the invoices.
- (2) The ENGINEER will issue monthly invoices for all work performed under this AGREEMENT. Invoices for the uncontested performance of the particular services are due and payable within 30 days of receipt by City.
- (3) Upon completion of services enumerated in Section 1, the final payment of any balance for the uncontested performance of the services will be due within 30 days of receipt of the final invoice.
- (4) In the event of a disputed or contested billing, only that portion so contested will be withheld from payment, and the undisputed portion will be paid. The CITY will exercise reasonableness in contesting any bill or portion thereof. No interest will accrue on any contested portion of the billing until mutually resolved.
- (5) If the CITY fails to make payment in full to ENGINEER for billings contested in good faith within 60 days of the amount due, the ENGINEER may, after giving 7 days' written notice to CITY, suspend services under this AGREEMENT until paid in full. In the event of suspension of services, the ENGINEER shall have no liability to CITY for delays or damages caused the CITY because of such suspension of services.

## **SECTION 4**

### **Obligations of the Engineer**

#### **A. General**

The ENGINEER will serve as the CITY's professional engineering representative under this AGREEMENT, providing professional engineering consultation and advice and furnishing customary services incidental thereto.

#### **B. Standard of Care**

The ENGINEER shall perform its services:

- (1) with the professional skill and care ordinarily provided by competent engineers practicing in the same or similar locality and under the same or similar circumstances and professional license; and
- (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer.

#### **C. Subsurface Investigations**

- (1) The ENGINEER shall advise the CITY with regard to the necessity for subcontract work such as special surveys, tests, test borings, or other subsurface investigations in connection with design and engineering work to be performed hereunder. The ENGINEER shall also advise the CITY concerning the results of same. Such surveys, tests, and investigations shall be furnished by the CITY, unless otherwise specified in Attachment A.
- (2) In soils, foundation, groundwater, and other subsurface investigations, the actual characteristics may vary significantly between successive test points and sample intervals and at locations other than where observations, exploration, and investigations have been made. Because of the inherent uncertainties in subsurface evaluations, changed or unanticipated underground conditions may occur that could affect the total PROJECT cost and/or execution. These conditions and cost/execution effects are not the responsibility of the ENGINEER.

#### **D. Preparation of Engineering Drawings**

The ENGINEER will provide to the CITY the original drawings of all plans in ink on reproducible mylar sheets and electronic files in .pdf format, or as otherwise approved by CITY, which shall become the property of the CITY. CITY may use such drawings in any manner it desires; provided, however, that the ENGINEER shall not be liable for the use of such drawings for any project other than the PROJECT described herein.

#### **E. Engineer's Personnel at Construction Site**

- (1) The presence or duties of the ENGINEER's personnel at a construction site, whether as on-site representatives or otherwise, do not make the ENGINEER or its personnel in any way responsible for those duties that belong to the CITY and/or the CITY's construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the AGREEMENT Documents and any health or safety precautions required by such construction work. The ENGINEER and its personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions.
- (2) Except to the extent of specific site visits expressly detailed and set forth in Attachment A, the ENGINEER or its personnel shall have no obligation or responsibility to visit the construction site to become familiar with the progress or quality of the completed work on the PROJECT or to determine, in general, if the work on the PROJECT is being performed in a manner indicating that the PROJECT, when completed, will be in accordance with the AGREEMENT

Documents, nor shall anything in the AGREEMENT Documents or this AGREEMENT between CITY and ENGINEER be construed as requiring ENGINEER to make exhaustive or continuous on-site inspections to discover latent defects in the work or otherwise check the quality or quantity of the work on the PROJECT. If the ENGINEER makes on-site observation(s) of a deviation from the AGREEMENT Documents, the ENGINEER shall inform the CITY.

- (3) When professional certification of performance or characteristics of materials, systems or equipment is reasonably required to perform the services set forth in the Scope of Services, the ENGINEER shall be entitled to rely upon such certification to establish materials, systems or equipment and performance criteria to be required in the AGREEMENT Documents.

#### **F. Opinions of Probable Cost, Financial Considerations, and Schedules**

- (1) The ENGINEER shall provide opinions of probable costs based on the current available information at the time of preparation, in accordance with Attachment A.
- (2) In providing opinions of cost, financial analyses, economic feasibility projections, and schedules for the PROJECT, the ENGINEER has no control over cost or price of labor and materials; unknown or latent conditions of existing equipment or structures that may affect operation or maintenance costs; competitive bidding procedures and market conditions; time or quality of performance by third parties; quality, type, management, or direction of operating personnel; and other economic and operational factors that may materially affect the ultimate PROJECT cost or schedule. Therefore, the ENGINEER makes no warranty that the CITY's actual PROJECT costs, financial aspects, economic feasibility, or schedules will not vary from the ENGINEER's opinions, analyses, projections, or estimates.

#### **G. Construction Progress Payments**

Recommendations by the ENGINEER to the CITY for periodic construction progress payments to the construction contractor will be based on the ENGINEER's knowledge, information, and belief from selective sampling and observation that the work has progressed to the point indicated. Such recommendations do not represent that continuous or detailed examinations have been made by the ENGINEER to ascertain that the construction contractor has completed the work in exact accordance with the AGREEMENT Documents; that the final work will be acceptable in all respects; that the ENGINEER has made an examination to ascertain how or for what purpose the construction contractor has used the moneys paid; that title to any of the work, materials, or equipment has passed to the CITY free and clear of liens, claims, security interests, or encumbrances; or that there are not other matters at issue between the CITY and the construction contractor that affect the amount that should be paid.

## **H. Record Drawings**

Record drawings, if required, will be prepared, in part, on the basis of information compiled and furnished by others, and may not always represent the exact location, type of various components, or exact manner in which the PROJECT was finally constructed. The ENGINEER is not responsible for any errors or omissions in the information from others that is incorporated into the record drawings.

## **I. Right to Audit**

- (1) ENGINEER agrees that the CITY shall, until the expiration of five (5) years after final payment under this AGREEMENT, have access to and the right to examine and photocopy any directly pertinent books, documents, papers and records of the ENGINEER involving transactions relating to this AGREEMENT. ENGINEER agrees that the CITY shall have access during normal working hours to all necessary ENGINEER facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. The CITY shall give ENGINEER reasonable advance notice of intended audits.
- (2) ENGINEER further agrees to include in all its subconsultant agreements hereunder a provision to the effect that the subconsultant agrees that the CITY shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and photocopy any directly pertinent books, documents, papers and records of such subconsultant, involving transactions to the subcontract, and further, that the CITY shall have access during normal working hours to all subconsultant facilities, and shall be provided adequate and appropriate work space, in order to conduct audits in compliance with the provisions of this section together with subsection (3) hereof. CITY shall give subconsultant reasonable advance notice of intended audits.
- (3) ENGINEER and subconsultant agree to photocopy such documents as may be requested by the CITY. The CITY agrees to reimburse ENGINEER for the cost of copies at the rate published in the Texas Administrative Code in effect as of the time copying is performed.

## J. INSURANCE

### (1) ENGINEER'S INSURANCE

- a. Commercial General Liability – the ENGINEER shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000.00 per each occurrence with a \$2,000,000.00 aggregate. If such Commercial General Liability insurance contains a general aggregate limit, it shall apply separately to this PROJECT or location.
  - i. The CITY shall be included as an additional insured with all rights of defense under the CGL, using ISO additional insured endorsement or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to the CITY. The Commercial General Liability insurance policy shall have no exclusions or endorsements that would alter or nullify: premises/operations, products/completed operations, contractual, personal injury, or advertising injury, which are normally contained within the policy, unless the CITY specifically approves such exclusions in writing.
  - ii. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the commercial general liability or commercial umbrella liability insurance maintained in accordance with this AGREEMENT.
- b. Business Auto – the ENGINEER shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of “any auto”, including owned, hired, and non-owned autos, when said vehicle is used in the course of the PROJECT. If the engineer owns no vehicles, coverage for hired or non-owned is acceptable.
  - i. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella liability insurance obtained by ENGINEER pursuant to this AGREEMENT or under any applicable auto physical damage coverage.
- c. Workers' Compensation – ENGINEER shall maintain workers compensation and employers liability insurance and, if necessary,

commercial umbrella liability insurance with a limit of not less than \$100,000.00 each accident for bodily injury by accident or \$100,000.00 each employee for bodily injury by disease, with \$500,000.00 policy limit.

- i. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by workers compensation and employer's liability or commercial umbrella insurance obtained by ENGINEER pursuant to this AGREEMENT.
- d. Professional Liability – ENGINEER shall maintain professional liability, a claims-made policy, with a minimum of \$1,000,000.00 per claim and aggregate. The policy shall contain a retroactive date prior to the date of the AGREEMENT or the first date of services to be performed, whichever is earlier. Coverage shall be maintained for a period of 5 years following the completion of the AGREEMENT. An annual certificate of insurance specifically referencing this PROJECT shall be submitted to the CITY for each year following completion of the AGREEMENT.

## (2) GENERAL INSURANCE REQUIREMENTS

- a. Certificates of insurance evidencing that the ENGINEER has obtained all required insurance shall be attached to this AGREEMENT prior to its execution.
- b. Applicable policies shall be endorsed to name the CITY an Additional Insured thereon, subject to any defense provided by the policy, as its interests may appear. The term CITY shall include its employees, officers, officials, agents, and volunteers as respects the contracted services.
- c. Certificate(s) of insurance shall document that insurance coverage specified in this AGREEMENT are provided under applicable policies documented thereon.
- d. Any failure on part of the CITY to attach the required insurance documentation hereto shall not constitute a waiver of the insurance requirements.
- e. A minimum of thirty (30) days notice of cancellation or material change in coverage shall be provided to the CITY. A ten (10) days notice shall be acceptable in the event of non-payment of premium. Notice shall be sent to the respective Department Director (by name), City of Denton, 901 Texas Street, Denton, Texas 76209.
- f. Insurers for all policies must be authorized to do business in the State of

Texas and have a minimum rating of A:V or greater, in the current A.M. Best Key Rating Guide or have reasonably equivalent financial strength and solvency to the satisfaction of Risk Management.

- g. Any deductible or self insured retention in excess of \$25,000.00 that would change or alter the requirements herein is subject to approval by the CITY in writing, if coverage is not provided on a first-dollar basis. The CITY, at its sole discretion, may consent to alternative coverage maintained through insurance pools or risk retention groups. Dedicated financial resources or letters of credit may also be acceptable to the CITY.
- h. Applicable policies shall each be endorsed with a waiver of subrogation in favor of the CITY as respects the PROJECT.
- i. The CITY shall be entitled, upon its request and without incurring expense, to review the ENGINEER's insurance policies including endorsements thereto and, at the CITY's discretion; the ENGINEER may be required to provide proof of insurance premium payments.
- j. Lines of coverage, other than Professional Liability, underwritten on a claims-made basis, shall contain a retroactive date coincident with or prior to the date of the AGREEMENT. The certificate of insurance shall state both the retroactive date and that the coverage is claims-made.
- k. Coverages, whether written on an occurrence or claims-made basis, shall be maintained without interruption nor restrictive modification or changes from date of commencement of the PROJECT until final payment and termination of any coverage required to be maintained after final payments.
- l. The CITY shall not be responsible for the direct payment of any insurance premiums required by this AGREEMENT.
- m. Sub consultants and subcontractors to/of the ENGINEER shall be required by the ENGINEER to maintain the same or reasonably equivalent insurance coverage as required for the ENGINEER. When sub consultants/subcontractors maintain insurance coverage, ENGINEER shall provide CITY with documentation thereof on a certificate of insurance.

## **K. Independent Consultant**

The ENGINEER agrees to perform all services as an independent consultant and not as a subcontractor, agent, or employee of the CITY. The doctrine of *respondeat superior* shall not apply.

**L. Disclosure**

The ENGINEER acknowledges to the CITY that it has made full disclosure in writing of any existing conflicts of interest or potential conflicts of interest, including personal financial interest, direct or indirect, in property abutting the proposed PROJECT and business relationships with abutting property cities. The ENGINEER further acknowledges that it will make disclosure in writing of any conflicts of interest that develop subsequent to the signing of this AGREEMENT and prior to final payment under the AGREEMENT.

**M. Asbestos or Hazardous Substances**

- (1) If asbestos or hazardous substances in any form are encountered or suspected, the ENGINEER will stop its own work in the affected portions of the PROJECT to permit testing and evaluation.
- (2) If asbestos or other hazardous substances are suspected, the CITY may request the ENGINEER to assist in obtaining the services of a qualified subcontractor to manage the remediation activities of the PROJECT.

**N. Permitting Authorities - Design Changes**

If permitting authorities require design changes so as to comply with published design criteria and/or current engineering practice standards which the ENGINEER should have been aware of at the time this AGREEMENT was executed, the ENGINEER shall revise plans and specifications, as required, at its own cost and expense. However, if design changes are required due to the changes in the permitting authorities' published design criteria and/or practice standards criteria which are published after the date of this AGREEMENT which the ENGINEER could not have been reasonably aware of, the ENGINEER shall notify the CITY of such changes and an adjustment in compensation will be made through an amendment to this AGREEMENT.

**O. Schedule**

ENGINEER shall manage the PROJECT in accordance with the schedule developed per Attachment A to this AGREEMENT.

**P. Equal Opportunity**

- (1) **Equal Employment Opportunity:** ENGINEER and ENGINEER's agents shall engage in any discriminatory employment practice. No person shall, on the grounds of race, sex, sexual orientation, age, disability, creed, color, genetic testing, or national origin, be refused the benefits of, or be otherwise subjected to discrimination under any activities resulting from this AGREEMENT.
- (2) **Americans with Disabilities Act (ADA) Compliance:** ENGINEER and ENGINEER's agents shall not engage in any discriminatory employment

practice against individuals with disabilities as defined in the ADA.

## **SECTION 5**

### **Obligations of the City**

#### **A. City-Furnished Data**

ENGINEER may rely upon the accuracy, timeliness, and completeness of the information provided by the CITY.

#### **B. Access to Facilities and Property**

The CITY will make its facilities accessible to the ENGINEER as required for the ENGINEER's performance of its services. The CITY will perform, at no cost to the ENGINEER, such tests of equipment, machinery, pipelines, and other components of the CITY's facilities as may be required in connection with the ENGINEER's services. The CITY will be responsible for all acts of the CITY's personnel.

#### **C. Advertisements, Permits, and Access**

Unless otherwise agreed to in the Scope of Services, the CITY will obtain, arrange, and pay for all advertisements for bids; permits and licenses required by local, state, or federal authorities; and land, easements, rights-of-way, and access necessary for the ENGINEER's services or PROJECT construction.

#### **D. Timely Review**

The CITY will examine the ENGINEER's studies, reports, sketches, drawings, specifications, proposals, and other documents; obtain advice of an attorney, insurance counselor, accountant, auditor, bond and financial advisors, and other consultants as the CITY deems appropriate; and render in writing decisions required by the CITY in a timely manner in accordance with the PROJECT schedule prepared in accordance with Attachment A.

#### **E. Prompt Notice**

The CITY will give prompt written notice to the ENGINEER whenever CITY observes or becomes aware of any development that affects the scope or timing of the ENGINEER's services or of any defect in the work of the ENGINEER or construction contractors.

#### **F. Asbestos or Hazardous Substances Release.**

- (1) CITY acknowledges ENGINEER will perform part of the work at CITY's facilities that may contain hazardous materials, including asbestos containing

materials, or conditions, and that ENGINEER had no prior role in the generation, treatment, storage, or disposition of such materials. In consideration of the associated risks that may give rise to claims by third parties or employees of City, City hereby releases ENGINEER from any damage or liability related to the presence of such materials.

- (2) The release required above shall not apply in the event the discharge, release or escape of hazardous substances, contaminants, or asbestos is a result of ENGINEER's negligence or if ENGINEER brings such hazardous substance, contaminant or asbestos onto the PROJECT.

## **G. Contractor Indemnification and Claims**

The CITY agrees to include in all construction contracts the provisions of Article IV.E. regarding the ENGINEER's Personnel at Construction Site, and provisions providing for contractor indemnification of the CITY and the ENGINEER for contractor's negligence.

## **H. Contractor Claims and Third-Party Beneficiaries**

- (1) The CITY agrees to include the following clause in all contracts with construction contractors and equipment or materials suppliers:

"Contractors, subcontractors and equipment and materials suppliers on the PROJECT, or their sureties, shall maintain no direct action against the ENGINEER, its officers, employees, and subcontractors, for any claim arising out of, in connection with, or resulting from the engineering services performed. Only the CITY will be the beneficiary of any undertaking by the ENGINEER."

- (2) This AGREEMENT gives no rights or benefits to anyone other than the CITY and the ENGINEER and there are no third-party beneficiaries.
- (3) The CITY will include in each agreement it enters into with any other entity or person regarding the PROJECT a provision that such entity or person shall have no third-party beneficiary rights under this AGREEMENT.
- (4) Nothing contained in this Section H. shall be construed as a waiver of any right the CITY has to bring a claim against ENGINEER.

## **I. CITY's Insurance**

- (1) The CITY may maintain property insurance on certain pre-existing structures associated with the PROJECT.
- (2) The CITY may secure Builders Risk/Installation insurance at the replacement cost value of the PROJECT. The CITY may provide ENGINEER a copy of the

policy or documentation of such on a certificate of insurance.

#### **J. Litigation Assistance**

The Scope of Services does not include costs of the ENGINEER for required or requested assistance to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CITY. In the event CITY requests such services of the ENGINEER, this AGREEMENT shall be amended or a separate agreement will be negotiated between the parties.

#### **K. Changes**

The CITY may make or approve changes within the general Scope of Services in this AGREEMENT. If such changes affect the ENGINEER's cost of or time required for performance of the services, an equitable adjustment will be made through an amendment to this AGREEMENT with appropriate CITY approval.

### **SECTION 6** **General Legal Provisions**

#### **A. Authorization to Proceed**

ENGINEER shall be authorized to proceed with this AGREEMENT upon receipt of a written Notice to Proceed from the CITY.

#### **B. Reuse of Project Documents**

All designs, drawings, specifications, documents, and other work products of the ENGINEER, whether in hard copy or in electronic form, are instruments of service for this PROJECT, whether the PROJECT is completed or not. Reuse, change, or alteration by the CITY or by others acting through or on behalf of the CITY of any such instruments of service without the written permission of the ENGINEER will be at the CITY's sole risk. The CITY shall own the final designs, drawings, specifications and documents.

#### **C. Force Majeure**

The ENGINEER is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents, or other events beyond the control of the ENGINEER that prevent ENGINEER's performance of its obligations hereunder.

#### **D. Termination**

(1) This AGREEMENT may be terminated:

a. by the City for its convenience upon 30 days' written notice to

## ENGINEER.

- b. by either the CITY or the ENGINEER for cause if either party fails substantially to perform through no fault of the other and the nonperforming party does not commence correction of such nonperformance within 5 days' written notice or thereafter fails to diligently complete the correction.

(2) If this AGREEMENT is terminated for the convenience of the City, the ENGINEER will be paid for termination expenses as follows:

- a. Cost of reproduction of partial or complete studies, plans, specifications or other forms of ENGINEER'S work product;
- b. Out-of-pocket expenses for purchasing electronic data files and other data storage supplies or services;
- c. The time requirements for the ENGINEER'S personnel to document the work underway at the time of the CITY'S termination for convenience so that the work effort is suitable for long time storage.

(3) Prior to proceeding with termination services, the ENGINEER will submit to the CITY an itemized statement of all termination expenses. The CITY'S approval will be obtained in writing prior to proceeding with termination services.

## **E. Suspension, Delay, or Interruption to Work**

The CITY may suspend, delay, or interrupt the services of the ENGINEER for the convenience of the CITY. In the event of such suspension, delay, or interruption, an equitable adjustment in the PROJECT's schedule, commitment and cost of the ENGINEER's personnel and subcontractors, and ENGINEER's compensation will be made.

## **F. Indemnification**

**IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE SECTION 271.904, THE ENGINEER SHALL INDEMNIFY OR HOLD HARMLESS THE CITY AGAINST LIABILITY FOR ANY DAMAGE COMMITTED BY THE ENGINEER OR ENGINEER'S AGENT, CONSULTANT UNDER CONTRACT, OR ANOTHER ENTITY OVER WHICH THE ENGINEER EXERCISES CONTROL TO THE EXTENT THAT THE DAMAGE IS CAUSED BY OR RESULTING FROM AN ACT OF NEGLIGENCE, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER. CITY IS ENTITLED TO RECOVER ITS REASONABLE ATTORNEY'S FEES IN PROPORTION TO THE ENGINEER'S LIABILITY.**

## G. Assignment

Neither party shall assign all or any part of this AGREEMENT without the prior written consent of the other party.

## H. Jurisdiction

The law of the State of Texas shall govern the validity of this AGREEMENT, its interpretation and performance, and any other claims related to it. The venue for any litigation related to this AGREEMENT shall be Denton County, Texas.

## I. Severability and Survival

If any of the provisions contained in this AGREEMENT are held for any reason to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision, and this AGREEMENT shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. Sections 5.F., 6.B., 6.D., 6.F., 6.H., and 6.I. shall survive termination of this AGREEMENT for any cause.

## J. Observe and Comply

ENGINEER shall at all times observe and comply with all federal and State laws and regulations and with all City ordinances and regulations which in any way affect this AGREEMENT and the work hereunder, and shall observe and comply with all orders, laws ordinances and regulations which may exist or may be enacted later by governing bodies having jurisdiction or authority for such enactment. No plea of misunderstanding or ignorance thereof shall be considered. **ENGINEER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS CITY AND ALL OF ITS OFFICERS, AGENTS AND EMPLOYEES FROM AND AGAINST ALL CLAIMS OR LIABILITY ARISING OUT OF THE VIOLATION OF ANY SUCH ORDER, LAW, ORDINANCE, OR REGULATION, WHETHER IT BE BY ITSELF OR ITS EMPLOYEES.**

## K. Immigration Nationality Act

ENGINEER shall verify the identity and employment eligibility of its employees who perform work under this AGREEMENT, including completing the Employment Eligibility Verification Form (I-9). Upon request by CITY, ENGINEER shall provide CITY with copies of all I-9 forms and supporting eligibility documentation for each employee who performs work under this AGREEMENT. ENGINEER shall adhere to all Federal and State laws as well as establish appropriate procedures and controls so that no services will be performed by any ENGINEER employee who is not legally eligible to perform such services. **ENGINEER SHALL INDEMNIFY CITY AND HOLD CITY HARMLESS FROM ANY PENALTIES, LIABILITIES, OR LOSSES DUE TO VIOLATIONS OF THIS PARAGRAPH BY ENGINEER, ENGINEER'S EMPLOYEES, SUBCONTRACTORS, AGENTS, OR LICENSEES.** CITY, upon written notice to ENGINEER, shall have the right to immediately terminate this AGREEMENT for violations of this provision by

ENGINEER.

#### **L. Prohibition on Contracts with Companies Boycotting Israel**

Engineer acknowledges that in accordance with Chapter 2271 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms “boycott Israel” and “company” shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer’s signature provides written verification to the City that Engineer: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **M. Prohibition on Contracts with Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization**

Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this agreement, Engineer certifies that Engineer’s signature provides written verification to the City that Engineer, pursuant to Chapters 2252 and 2270, is not ineligible to enter into this agreement and will not become ineligible to receive payments under this agreement by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **N. Prohibition on Contracts with Companies Boycotting Certain Energy Companies**

Engineer acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the contract. The terms “boycott energy company” and “company” shall have the meanings ascribed to those terms in Section 809.001 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer’s signature provides written verification to the City that Engineer: (1) does not boycott energy companies; and (2) will not boycott energy companies during the term of the agreement.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **O. Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm Trade Associations**

Engineer acknowledges that in accordance with Chapter 2274 of the Texas Government Code, City is prohibited from entering into a contract with a company for goods or services unless the contract contains written verification from the company that it (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. The terms “discriminate against a firearm entity or firearm trade association,” “firearm entity” and “firearm trade association” shall have the meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. ***By signing this agreement, Engineer certifies that Engineer’s signature provides written verification to the City that Engineer: (1) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

#### **P. Termination Right for Contracts with Companies Doing Business with Certain Foreign-Owned Companies**

The City of Denton may terminate this Contract immediately without any further liability if the City of Denton determines, in its sole judgment, that this Contract meets the requirements under Chapter 2274, and Engineer is, or will be in the future, (i) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly controlled by the Government of China, Iran, North Korea, Russia, or other designated country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated country.

#### **Q. Prohibition Against Personal Interest in Contracts**

No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation as defined in the City’s Ethic Ordinance 23-1165 and in the City Charter chapter 2 article XI(Ethics). Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City. The Contractor shall complete and submit the City’s Conflict of Interest Questionnaire.

#### **R. Certificate of Interested Parties Electronic Filing**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract unless the Contractor submits a disclosure of interested parties (Form 1295) to the City

at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
<https://www.ethics.state.tx.us/filinginfo/1295/>
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line. (EX: Contract 1234 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

## **S. Agreement Documents**

This AGREEMENT, including its attachments and schedules, constitutes the entire AGREEMENT, which supersedes all prior written or oral understandings, and may only be changed by a written amendment executed by both parties. This AGREEMENT may be executed in one or more counterparts and each counterpart shall, for all purposes, be deemed an original, but all such counterparts shall together constitute but one and the same instrument. The following attachments and schedules are hereby made a part of this AGREEMENT:

Attachment A - Scope of Services, Compensation, Project Schedule, Location Map

These documents make up the AGREEMENT documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the AGREEMENT documents, the inconsistency or conflict shall be resolved by giving precedence first to the written AGREEMENT then to the AGREEMENT documents in the order in which they are listed above.

The parties agree to transact business electronically. Any statutory requirements that certain terms be in writing will be satisfied using electronic documents and signing. Electronic signing of this document will be deemed an original for all legal purposes.

## ATTACHMENT A

April 15, 2024

Mr. Randall Morris  
Landfill Manager  
Solid Waste and Recycling Department  
City of Denton  
1527 S. Mayhill Rd.  
Denton, TX 76208

RE: Proposal for Professional Services  
Landfill Cell 6 Design, Construction Administration and Regulatory Reporting  
Denton, Texas

Dear Mr. Morris:

Parkhill is pleased to have the opportunity to provide this Proposal for Engineering Services to the City of Denton (the City) for the referenced Project.

### **Project Understanding and Assumptions**

- The cell construction area is approximately  $\pm 30$  acres. In addition to Cell 6, the construction includes a portion of Cell 5 and the remaining separation liner over the pre-Subtitle D Cell 0.
- The liner of Cell 6 will tie-into the edge of Cell 4 and Cell 5. The liner system shall be a composite liner system in accordance with the landfill permit 1590B. The liner will consist of a recompacted 2-foot-thick clay liner from onsite stockpiles, 60 mil double textured high-density polyethylene (HDPE) geomembrane liner, drainage geocomposite/ geonet, and protective cover.
- A separation liner (approximately  $\pm 14$  acres) will be constructed over the south slope of Cell 0/"1590." The liner will consist of a geocomposite gas vent layer, a 40-mil linear low-density polyethylene (LLDPE) geomembrane, and a geocomposite leachate drainage layer, and protective cover in accordance with the Permit.
- Total construction is anticipated to be approximately 12 months and the actual liner construction is anticipated not to exceed eight weeks.
- The City of Denton will provide a topographical survey of the Site to use for existing conditions.
- The City of Denton will contract with third-party surveyor to complete liner verification surveys (survey CQA).
- The City of Denton will contract with third-party for liner testing and liner construction quality assurance (liner CQA).
- The preliminary Engineer's Opinion of Probable Cost of the Project is between \$6,800,000 and \$8,000,000.

**SCOPE OF SERVICES****TASK 1 – DESIGN**

- Prepare the design of the liner systems for Landfill Cell 6, a portion of Cell 5, and the separation liner over Cell 0/“1590.”
- Prepare the design of a groundwater control, collection and removal system to provide suitable subsurface working conditions for liner construction and to prevent hydrostatic uplift of the liner system prior to establishing sufficient ballast.
- Prepare the design for horizontal gas collection wells to be placed below the separation liner.
- Prepare design details for penetration of the separation liner by existing landfill gas wells.
- The Design Plans will include information necessary for use by a construction contractor including but not limited to:
  - Construction Notes.
  - Pre-Design Topographic Survey.
  - Site Plan.
  - Groundwater Conditions Plan.
  - Existing Utilities Plan.
  - Excavation and Subgrade Plan.
  - Composite Liner Plan.
  - Liner Control Point Plan.
  - Protective Cover Control Point Plan.
  - Liner System Details and Sections.
  - Liner System Cross Sections.
  - Leachate Collection System Plan and Sections.
  - Leachate Collection System Details.
  - Groundwater Collection System Plan and Details.
  - Landfill Gas Collection System Plan and Details.
  - Electrical General Notes.
  - Electrical One-Line Diagram.
  - Electrical Plan.
- Prepare Technical Specifications to govern the work and materials.
- Prepare an Engineer's Opinion of Probable Cost at each submittal milestone.
- Incorporate revisions to Design Plans and Specifications based upon comments received from the City.
- Coordinate with the City's Purchasing Department to incorporate any required Specifications, documents, or forms into the Bid Documents.
- Attend Project meetings:
  - Project staff will attend design review meetings at Project initiation, 60% design, 95% design, and 100% Bid Documents submittal stages.
  - Other Project meetings or Site visits may be scheduled on an as needed basis.

**TASK 2 – BIDDING**

- Attend a Pre-Bid meeting and Site visit to familiarize prospective contractors with the Project.
- Respond to comments and questions raised by potential Bidders through the City Purchasing Department.
- Prepare and issue clarifications to Plans and Specifications as necessary via Addenda to the Bid Documents through the City Purchasing Department.
- Following the Bid opening, Parkhill will provide assistance with reviewing the Bid tab prepared by Denton's Purchasing Department and contacting Contractor references as requested.

**TASK 3 – CONSTRUCTION ADMINISTRATION & ENGINEER OF RECORD**

- During construction Parkhill will lead preconstruction and construction progress meetings with the City and Contractor staff and take and distribute meeting minutes.
  - Attend up to 14 regular construction progress meetings.
- Review construction activities and progress, coordinate with third-party CQA contracted directly with Denton, and review conformance testing results.
- Review and respond to up to 20 submittals, five Requests for Information (RFI) and make recommendations as necessary for up to two Change Order requests.
- Review and submit Contractor requests for payment to the City for processing.
- The Engineer of Record shall visit the Site no less than two times a week while the actual liner construction as required by Texas Commission on Environmental Quality (TCEQ) guidance (recompacted clay, HDPE geomembrane, leachate collection system, and protective cover installation).
- Review CQA survey verification for TCEQ reporting.
- Receive and review all soil tests, material tests, certification forms, daily logs, and other data from the CQA materials testing firm to ensure TCEQ liner construction documentation standards are met.
- Conduct a preliminary walk-through to generate a “punch-list” for completion by the Contractor.
- Conduct a final walk-through at Project completion.
- Assist with groundwater management planning during construction, if required.

**TASK 4 – LINER EVALUATION REPORTS**

- Compile all required information and documentation from the CQA activities. Complete and submit the Soil Liner Evaluation Report (SLER).
  - Respond to comments received from the TCEQ.
- Compile all required information and documentation from the CQA activities. Complete and submit the Geosynthetic Liner Evaluation Report (GLER).
  - Respond to comments received from the TCEQ.

**TASK 5 – DEVELOPMENT SERVICES SUBMITTAL AND COORDINATION**

- Compile all required information and documentation for City’s Development Services.
  - Prepare submittal.
  - Attend up to two meetings with the City.
  - Respond to City’s comments.
  - Submit up to two revised submittals to address City’s comments.

Services specifically excluded from our Scope of Services include, but are not limited to, the following:

- Surveys and Geotechnical Reports.
- Third-Party Independent Construction Inspection Services.
- Construction Material Testing.
- Multiple Bid Packages.

**DELIVERABLES**

- Draft Design Plans and Specifications at 60% and 95% completion in PDF format and 4 copies in 11x17 printed format.
- Final sealed Design Plans and Specifications suitable for Bidding purposes in PDF format.
- Soil Liner Evaluation Report (SLER).
- Geosynthetic Liner Evaluation Report (GLER).

Mr. Randall Morris  
City of Denton

April 15, 2024

**COMPENSATION**

Our fee for the Scope of Services for Tasks 1 through 4 described above will be based on a lump sum amount of \$352,000.00 and will be billed on a percentage complete method. Task 5 will be based on an hourly rate. We estimate this to be a not-to-exceed an amount of \$15,000.00. Our proposed not-to-exceed fee for Tasks 1 through 5 is \$367,000.00

<u>TASK</u>		<u>FEE</u>
Task 1 – Design	\$	185,000.00
Task 2 – Bidding	\$	18,500.00
Task 3 – Construction Administration & Engineer of Record	\$	110,000.00
Task 4 – Liner Evaluation Reports	\$	38,500.00
Task 5 – Development Services Submittal and Coordination (hourly)	\$	15,000.00
Grand Total	\$	367,000.00

If this Proposal meets your expectations, you may indicate your acceptance by returning one signed copy to our office. Upon receipt, we will wait to receive your Agreement and Purchase Order and will consider receipt of the executed Agreement and Purchase Order as Authorization to Proceed.

We appreciate the opportunity to provide Professional Services to you and look forward to the successful completion of your Project. If you have any questions, please do not hesitate to call us at 469.200.7384.

Sincerely,

**PARKHILL**

SHEET  
11.9.3

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

PARKHILL, SMITH &amp; COOPER, INC.

**2 ☐ Check this box if you are filing an update to a previously filed questionnaire.**☐

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☐

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☐

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☐

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #: PUB24-116, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a fifth amendment to a contract between the City of Denton and Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC, amending the contract approved by City Council on May 7, 2013, in the not-to-exceed amount of \$491,813.75; said fifth amendment to continue to provide vendor support of the Denton Municipal Electric (DME) ArcFM solution and associated software modules along with new hardware and software upgrades, which is the sole provider of these items, in accordance with Texas Local Government Code 252.022, which provides that procurement of commodities and services that are available from one source are exempt from competitive bidding, and if over \$50,000, shall be awarded by the governing body; providing for the expenditure of funds therefor; and providing an effective date (File 8564 - providing for a two (2) year term and an additional fifth amendment expenditure amount not-to-exceed \$95,000.00).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the approval of a fifth amendment to a contract between the City of Denton and Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC, amending the contract approved by City Council on May 7, 2013, in the not-to-exceed amount of \$491,813.75; said fifth amendment to continue to provide vendor support of the Denton Municipal Electric (DME) ArcFM solution and associated software modules along with new hardware and software upgrades, which is the sole provider of these items, in accordance with Texas Local Government Code 252.022, which provides that procurement of commodities and services that are available from one source are exempt from competitive bidding, and if over \$50,000, shall be awarded by the governing body; providing for the expenditure of funds therefor; and providing an effective date (File 8564 – providing for a two (2) year term and an additional fifth amendment expenditure amount not-to-exceed \$95,000.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility

### **INFORMATION/BACKGROUND**

Denton Municipal Electric (DME) must maintain a master repository of records and maps for the installed electric system equipment. A geographic information/facilities management system (referred to as “GIS”) was the method chosen by the City of Denton many years ago. GIS software assists utilities by increasing productivity and improving services through effective spatial data management.

We are currently using ArcFM Suite of products including but not limited to, ArcFM Editor, ArcFM Fiber, Responder OMS, ArcFM Viewer and we have migrated to the latest version of ArcFM XI.

The ArcFM electric GIS tool allows DME the capability to run database queries on the transmission and distribution electric systems infrastructure, fiber communications infrastructure, and create engineering and operations maps. The electric GIS has become a core product for DME and is now used to provide GIS data that assists with financial fixed asset accounting, budget preparations, and presentations requiring governing board approvals, distribution engineering analysis, and outage management tracking and reporting. Over time, there have been other software that have had integrations to the Schneider suite of software that require continued maintenance and support.

The City of Denton needs to keep current maintenance with the software vendor to ensure the availability of upgrades, software fixes, and access to knowledge and support resources.

Schneider Electric, LLC is the sole source vendor for the maintenance of ArcFM Solutions Software systems and associated software modules. They are a wholly owned subsidiary of Schneider Electric Holdings, Inc, operating under the Schneider Electric brand.

### **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

On May 7, 2013, City Council approved a contract with Telvent USA, LLC, in the not-to-exceed amount of \$491,813.75 (Ordinance 2013-118).

On October 18, 2016, City Council approved Amendment 1 with Telvent USA, LLC, in the not-to-exceed amount of \$129,401.00 (Ordinance 2016-322).

On August 8, 2018, Purchasing approved Amendment 2 with Telvent USA, LLC, in the not-to-exceed amount of \$4,667.00.

On March 3, 2020, Council approved Amendment 3 with Telvent USA, LLC, in the not-to-exceed amount of \$142,000.00 (Ordinance 20-498).

On April 8, 2022, Purchasing executed a Name Change with Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC.

On August 16, 2022, Council approved Amendment 4 with Schneider Electric Smart Grid Solutions, LLC, in the not-to-exceed amount of \$95,000.00 (Ordinance 22-1504).

### **RECOMMENDATION**

Award with an Amendment 5 to Schneider Electric Smart Grid Solutions, LLC, as a sole source supplier, to continue to provide vendor support of the Denton Municipal Electric (DME) ArcFM Solution and associated software modules along with new hardware and software upgrades, in a two (2) year not-to-exceed amount of \$95,000.

### **PRINCIPAL PLACE OF BUSINESS**

Schneider Electric Smart Grid Solutions, LLC,  
Fort Collins, CO

### **ESTIMATED SCHEDULE OF PROJECT**

Anticipated start date of December 1, 2024 until November 30, 2026 for a total of 2 years.

### **FISCAL INFORMATION**

The services will be funded from DME TechOps Operating budget 600750.7899.9210, in the not-to-exceed amount of \$95,000.

ORDINANCE NO. 2013-118

AN ORDINANCE OF THE CITY OF DENTON, TEXAS PROVIDING FOR, AUTHORIZING, AND APPROVING A THREE (3) YEAR EXPENDITURE OF FUNDS FOR THE PURCHASE OF A GEOGRAPHIC INFORMATION/FACILITIES MANAGEMENT SYSTEM (GIS), SOFTWARE PRODUCTS FOR GIS CORE OPERATIONS, ENHANCED WEB-BASED GIS, AND A NEW OUTAGE MANAGEMENT SYSTEM FROM TELVENT USA, LLC, WHICH IS AVAILABLE FROM ONLY ONE SOURCE AND IN ACCORDANCE WITH CHAPTER 252.022 OF THE TEXAS LOCAL GOVERNMENT CODE SUCH PURCHASES ARE EXEMPT FROM THE REQUIREMENTS OF COMPETITIVE BIDDING; AND PROVIDING AN EFFECTIVE DATE (FILE 5225-PURCHASE OF GIS SOFTWARE PRODUCTS, ENHANCED WEB-BASED GIS, AND OUTAGE MANAGEMENT SYSTEM IN THE NOT-TO-EXCEED AMOUNT OF \$491,813.75).

WHEREAS, Section 252.022 of the Local Government Code provides that procurement of items that are only available from one source, including; items that are only available from one source because of patents, copyrights, secret processes or natural monopolies; films, manuscripts or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids; and

WHEREAS, the City Council wishes to procure one or more of the items mentioned in the above paragraph; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The following purchase of materials, equipment or supplies, as described in the "File" listed hereon, and on file in the office of the Purchasing Agent, and the license terms attached are hereby approved:

<u>FILE</u> <u>NUMBER</u>	<u>VENDOR</u>	<u>AMOUNT</u>
5225	Telvent USA, LLC	\$491,813.75

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including, items that are only available from one source because of patents, copyrights, secret processes or natural monopolies; films, manuscripts or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and

library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids.

SECTION 3. The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

SECTION 4. The City Manager is hereby authorized to execute any contracts relating to the items specified in Section 1 and the expenditure of funds pursuant to said contracts is hereby authorized.

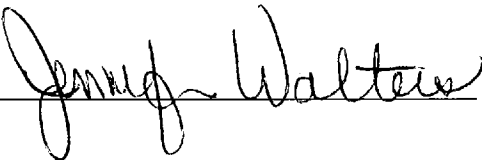

SECTION 5. The City Council of the City of Denton, Texas hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under File 5225 to the City Manager of the City of Denton, Texas, or his designee.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

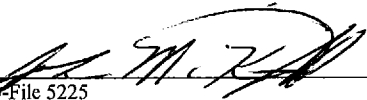

PASSED AND APPROVED this the 7th day of May, 2013.

§

**PROFESSIONAL SERVICES AGREEMENT  
FOR CONSULTING SERVICES RE ARCFM SOLUTION UPGRADE**

**THIS AGREEMENT** is made and entered into as of the 7th day of May, 2013, by and between the City of Denton, Texas, a Texas Municipal Corporation, with its principal offices at 215 East McKinney Street, Denton, Texas 76201 (hereinafter "City") and Telvent USA LLC, a limited liability company, with offices at 4701 Royal Vista Circle, Fort Collins, Colorado, 80528 (hereinafter "CONSULTANT"); the parties acting herein, by and through their duly-authorized officers and representatives.

WITNESSETH, that in consideration of the covenants and agreements herein contained, the parties hereto do mutually AGREE as follows:

**ARTICLE I**  
**EMPLOYMENT OF CONSULTANT**

The CITY hereby contracts with CONSULTANT, as an independent contractor, and the CONSULTANT hereby agrees to perform the services herein in connection with the scope of services as stated in the Articles to follow, with diligence and in accordance with the professional standards customarily obtained for such services in the State of Texas.

**ARTICLE II**  
**SCOPE OF SERVICES**

The CONSULTANT shall perform the following services in a professional manner:

- A. Consultant, an international software engineering firm, shall provide to the City professional and personal consulting services pertaining to CONSULTANT'S Scope of Work entitled "ArcFM Solution Upgrade Services", dated March 27, 2013 which is a thirty-three (33) page document from CONSULTANT to Denton Municipal Electric, which letter is attached hereto as Exhibit "A" and is incorporated herewith by reference.
- B. To consult with key personnel within Denton Municipal Electric and the Technology Services Department of the CITY, and any other designated city personnel regarding any and all aspects of the services to be performed pursuant to this Agreement.

**ARTICLE III**  
**ADDITIONAL SERVICES**

Any additional services to be performed by CONSULTANT, if authorized by the CITY, which are not included in the above-described Scope of Work, CONSULTANT, who shall determine, in writing, the scope of such additional services, the amount of compensation for such additional services, and other essential terms pertaining to the provision of such additional services by CONSULTANT.

ARTICLE IV  
PERIOD OF SERVICE

This Agreement shall become effective upon execution by the CITY and the CONSULTANT and upon the issuance of a notice to proceed by the CITY. The termination date of this Agreement shall be upon the earliest to occur of the following events: completion of the work described here, including additional services, and in the attached Exhibit "A"; or upon the depletion and exhaustion of the \$491,813.75 not-to-exceed amount provided for herein; or upon fifteen (15) days written notice to terminate, issued by the City Manager. This Agreement may be sooner terminated in accordance with the provisions hereof. Time is of the essence in this Agreement. The CONSULTANT shall make all reasonable efforts to complete the services set forth herein as expediently as possible and to meet the schedules established by the CITY, acting through its Assistant City Manager of Utilities or his designee.

ARTICLE V  
COMPENSATION

A. COMPENSATION TERMS:

Compensation terms are pursuant to the "Service Quote" contained on page 31 of the above Scope of Work. Reference is expressly made to page 30 for the specific figures and the assumptions.

"Direct Non-Labor Expense" is defined as that expense, based upon actual cost, for any out-of-pocket expense reasonably incurred by CONSULTANT in the performance of this Agreement for supplies, long-distance telephone, telecopier, reproduction expense, overnight courier, photocopy expense, transportation, travel, communications, subsistence and lodging away from home and similar incidental expenses reasonably incurred in connection with the Project. All expenses are included in the fixed price Service Quote on page 31 of the Scope of Work.

B. BILLING AND PAYMENT:

For and in consideration of the professional services to be performed by the CONSULTANT herein, the CITY agrees to pay CONSULTANT a total fee, including reimbursement for direct non-labor expenses, of not-to-exceed \$491,813.75 for those services described in Exhibit "A" attached hereto.

Payments to CONSULTANT will be made by the CITY on the basis of the milestone payment schedule as detailed on page 31 of the Scope of Work and rendered to the CITY through the General Manager of Denton Municipal Electric ("DME") of designee. The fee bills as submitted, shall be allowed and approved, or shall be disallowed for cause, by the General Manager of DME or designees.

Nothing contained in this Article shall require the CITY to pay for any work which is unsatisfactory as reasonably determined by the General Manager of DME Utilities or designee, or which is not submitted in compliance with the terms of this Agreement. The CITY shall not be required to make any payments to the CONSULTANT when the

CONSULTANT is in default under this Agreement.

It is specifically understood and agreed that the CONSULTANT shall not be authorized to undertake any work pursuant to this Agreement which would require additional payments by the CITY for any charge, expense or reimbursement above the maximum not-to-exceed fee as stated, without first having obtained written authorization from the CITY. CONSULTANT shall not proceed to perform any services to be later provided for under Article III. "Additional Services" without first obtaining prior written authorization from the CITY.

- C. **ADDITIONAL SERVICES:** For additional services authorized in writing by the CITY in Article III hereinabove, CONSULTANT shall be paid based on a to-be-agreed-upon Schedule of Charges. Payments for additional services shall be due and payable upon submission by CONSULTANT, and shall be in accordance with Article V.B. herein. Statements for Basic Services and any Additional Services shall be submitted to CITY no more frequently than once monthly.
- D. **PAYMENT**

If the CITY fails to make payments due to CONSULTANT for services and expenses within thirty (30) days after receipt of the CONSULTANT'S undisputed statement thereof, the amounts due the CONSULTANT will be increased by the rate of statutory Prompt Payment Act interest as provided under Texas law from the said thirtieth (30th) day, and in addition, the CONSULTANT may, after giving ten (10) days' written notice to the CITY, suspend services under this Agreement until the CONSULTANT has been paid in full for all amounts then due and owing for services, expenses and charges provided. However, nothing herein shall require the OWNER to pay the Prompt Payment interest referenced above if the CITY reasonably determines that the work of CONSULTANT is unsatisfactory, in accordance with Article V, Compensation, and the CITY promptly notifies CONSULTANT in writing within twenty-one (21) days of any such defect, specifying the work which it deems to be unsatisfactory..

#### ARTICLE VI OBSERVATION AND REVIEW OF THE WORK

- A. CONSULTANT will exercise reasonable care and due diligence in discovering and promptly reporting to the CITY any defects or deficiencies in the work of the CONSULTANT or any of its subcontractors or subconsultants.
- B. All deliverables submitted to the CITY shall be reviewed and checked within two weeks of delivery. Deliverables are outlined in Exhibit "A" – Scope of Work and include completed work (documents, services, code, etc.) provided to CITY for review. CONSULTANT shall be notified in writing of any pending delays in review periods.
- C. All reviews will be performed on the basis of work correctness and compliance with the Agreement. The CITY reserves the right to return for correction within these approximate review periods any and all products that are in error of have not been prepared within the scope of work; unless otherwise notified in writing, these corrections will be incorporated in another work task submittal.

- D. The correction procedures of CONSULTANT shall not affect the overall production schedule. Once final acceptance is given on any deliverable product, any further modifications required of CONSULTANT for that accepted product shall be considered Additional Services per Article III, and shall be billable at appropriate current hourly rates.
- E. CITY must exercise due diligence and shall ensure that factors beyond the control of CONSULTANT, such as CITY delays and failure to fulfill CITY responsibilities, shall not interfere with CONSULTANT's ability to complete the services. CITY shall notify CONSULTANT of any such factors that may cause delays in the completion of tasks or changes to the scope of work, and both parties will mutually determine required modifications to this Agreement.
- F. At the conclusion of project acceptance, CONSULTANT will request that CITY sign an acceptance certificate. CITY's production use of any given application prior to receipt of an acceptance certificate shall constitute acceptance on the part of the CITY. Production use shall be defined as the use of the application in an environment that includes Client's system of record database.

#### ARTICLE VII OWNERSHIP OF DOCUMENTS

All documents, analyses and other data and deliveries prepared by CONSULTANT under this Agreement as described in the Scope of Work ("Work Product") are instruments of service and are and shall remain the property of CONSULTANT. CONSULTANT grants a personal, non-transferable, nonexclusive license to use and copy the Work Products (as defined in Attachment "A" Scope of Work) solely for CITY's internal business purposes. CITY shall include CONSULTANT'S copyright notice and any other legend of ownership on all copies of the Work Product as such notice appears on the originals. CITY shall not make, sell, translate, export, license, sublicense, localize, use with any time-sharing or for service bureau arrangements, or transmit to any person outside of CITY'S internal business organization, the Work Product.

The Work Products shall not be changed or used for purposes other than those set forth in this Agreement without the prior written approval of CONSULTANT. If CITY releases the Work Products to a third party without CONSULTANT prior written consent, or changes or uses the Work Products other than as intended hereunder, CITY does so at its sole risk and discretion and CONSULTANT shall not be liable for any claims or damages resulting from or connected with the release or any third party's use of the Work Products; and CITY shall be considered in breach of this Agreement and CONSULTANT shall have all rights to remedy as provided hereunder.

#### ARTICLE VIII INDEPENDENT CONTRACTOR

CONSULTANT shall provide services to CITY as an independent contractor, not as an employee of the CITY. CONSULTANT shall not have or claim any right arising from employee status.

ARTICLE IX  
INDEMNITY AGREEMENT

A. The CONSULTANT shall indemnify and save and hold harmless the CITY and its officials, officers, agents, attorneys and employees from and against any and all liability, claims, demands, damages, losses and expenses, including but not limited to court costs and reasonable attorney fees incurred by the CITY, and including without limitation damages for bodily and personal injury, death and property damage, resulting from the negligent acts or omissions of the CONSULTANT or its subconsultants in performance of this Agreement. PROVIDED HOWEVER, the total liability of CONSULTANT hereunder, in any event, shall in no event exceed \$1,000,000.

B. The CITY, to the extent provided by applicable law, shall indemnify and save and hold harmless CONSULTANT and its officials, officers, agents, attorney, and employees from and against any and all liability, claims, demands, damages, losses, and expenses, including but not limited to court costs and reasonable attorney's fees incurred by CONSULTANT and including, without limitation, damages for bodily and personal injury, death, or property damage, resulting from the negligent acts or omissions of the CITY, or its officers, agents, subcontractors, subconsultants, attorney, and employees in the execution, operation, or performance of this Agreement

C. Nothing in this Agreement shall be construed to create a liability to any person who is not a party to this Agreement and nothing herein shall waive any of the party's defenses, both at law or equity, to any claim, cause of action or litigation filed by anyone not a party to this Agreement, including the defense of governmental immunity, which defenses are hereby expressly reserved.

ARTICLE X  
INSURANCE

During the performance of the Services under this Agreement, CONSULTANT shall maintain the following insurance with an insurance company licensed to do business in the State of Texas by the State Insurance Commission or any successor agency, that has a rating with A. M. Best Rate Carriers of at least an "A-" or above:

- A. Comprehensive General Liability Insurance with bodily injury limits of not less than \$1,000,000 for each occurrence and not less than \$1,000,000 in the aggregate, and with property damage limits of not less than \$100,000 for each occurrence and not less than \$100,000 in the aggregate.
- B. Automobile Liability Insurance with bodily injury limits of not less than \$1,000,000 for each person and not less than \$1,000,000 for each accident and with property damage limits for not less than \$100,000 for each accident.
- C. Worker's Compensation Insurance (if applicable) in accordance with statutory requirements and Employer's Liability Insurance with limits of not less than \$100,000 for each accident.
- D. Professional Liability Insurance with limits of not less than \$1,000,000 annual aggregate.
- E. CONSULTANT shall furnish insurance certificates or insurance policies at the CITY's request to evidence such coverage to the extent that is possible. Otherwise CONSULTANT

shall furnish to CITY within fifteen (15) days of the date of approval of this Agreement, certificates of insurance evidencing the required coverage. The insurance policies shall name the CITY as an additional insured on all such policies to the extent legally possible (save and except the coverage described in Subparagraph C. and D. of this Article), and shall contain a provision that such insurance shall not be cancelled or modified without thirty (30) days prior written notice to CITY and CONSULTANT. In such event, the CONSULTANT shall, prior to the effective date of the change or cancellation of coverage, deliver copies of any such substitute policies furnishing at least the same policy limits and coverage to OWNER.

#### ARTICLE XI ARBITRATION AND ALTERNATE DISPUTE RESOLUTION

The parties may agree to settle any disputes under this Agreement by submitting the dispute to arbitration or other means of alternate dispute resolution such as mediation. No arbitration or alternate dispute resolution arising out of or relating to, this Agreement involving one party's disagreement may include the other party to the disagreement without the other's approval.

#### ARTICLE XII LIMITATION OF LIABILITY

- A. CONSULTANT's liability to the CITY shall extend only to those actual damages suffered by the CITY as a result of CONSULTANT's breach of this Agreement. CONSULTANT's liability shall not exceed the amount actually paid by the CITY for the professional services involved in this Agreement.
- B. Notwithstanding the provisions of Article XII.A of this Agreement, the provisions and the insurance coverage provided for in Article X. of this Agreement shall apply, and shall be in full force and effect. CONSULTANT must maintain the insurance set forth in Article X. or otherwise, upon the occurrence of an insurable event for which CONSULTANT should be covered under the terms of this Agreement, CONSULTANT shall be liable to CITY for actual damages, up to the required face amount of each applicable insurance policy. In no event will Consultant be liable to CITY for any indirect, consequential, or special damages.

#### ARTICLE XIII CONSEQUENTIAL DAMAGES

In no event and under no circumstances shall CONSULTANT be liable to CITY for any interest, loss of anticipated revenues, earning, profits, or increases expense of operations, or for any consequential indirect, or special damages.

#### ARTICLE XIV PROFESSIONAL STANDARDS

CONSULTANT will perform services under this Agreement with the degree of skill and diligence normally practiced by professional engineers or consultants performing the same degree of similar services. No other warranty or guarantee, expressed or implied, is made with respect to the services furnished under this Agreement and all implied warranties are disclaimed.

ARTICLE XV  
TERMINATION OF AGREEMENT

- A. Notwithstanding any other provision of this Agreement, either party may terminate this Agreement by providing thirty (30) days advance written notice to the other party.
- B. Alternatively, this Agreement may be terminated in whole or in part in the event of either party substantially failing to fulfill its obligations under this Agreement. No such termination will be effected unless the other party is given (1) written notice (delivered by certified mail, return receipt requested) of intent to terminate and setting forth the reasons specifying the nonperformance or other reason(s), and not less than (30) calendar days to cure the failure; and (2) an opportunity for consultation with the terminating party prior to termination.
- C. If the Agreement is terminated prior to completion of the services to be provided hereunder, CONSULTANT shall immediately cease all services and shall render a final bill for services to the CITY within thirty (30) days after the date of termination. The CITY shall pay CONSULTANT for all services properly rendered and satisfactorily performed, and for reimbursable expenses prior to notice of termination being received by CONSULTANT, in accordance with Article V of this Agreement. Should the CITY subsequently contract with a new consultant for the continuation of services on the Project, CONSULTANT shall cooperate in providing information to the CITY and the new consultant. The CONSULTANT shall turn over all documents prepared or furnished by CONSULTANT pursuant to this Agreement to the OWNER on or before the date of termination but may maintain copies of such documents for its use.

ARTICLE XVI  
RESPONSIBILITY FOR CLAIMS AND LIABILITIES

Approval of the work by the CITY shall not constitute nor be deemed a release of the responsibility and liability of the CONSULTANT, its officers, employees, agents, subcontractors, and sub-consultants for the accuracy and competency of their designs or other work performed pursuant to this Agreement; nor shall such approval by the CITY be deemed as an assumption of such responsibility by the CITY for any defect in the design or other work prepared by the CONSULTANT, its officers, employees, agents, subcontractors, and sub-consultants.

ARTICLE XVII  
NOTICES

All notices, communications, and reports required or permitted under this Agreement shall be personally delivered, faxed e-mailed, or may be mailed to the respective parties by depositing same in the United States mail at the addresses shown below, by means of U. S. Mail, postage prepaid, certified mail, return receipt requested, unless otherwise specified herein.

To CONSULTANT:

To CITY:

City of Denton, Texas  
Attn: Jerry Fielder, P.E.  
1659 Spencer Road  
Denton, Texas 76205

Fax No. (940) 349-7334

And

City of Denton, Texas  
Attn: City Manager  
215 East McKinney Street  
Denton, Texas 76201

Fax: (940) 349- 8596

All notices under this Agreement shall be effective upon their actual receipt by the party to whom such notice is given or within three days after the date of mailing.

ARTICLE XVIII  
ENTIRE AGREEMENT

This Agreement, consisting of thirteen (13) pages and Exhibit "A" consisting of thirty-one (31) pages, constitutes the complete and final expression of the Agreement of the parties and is intended as a complete and exclusive statement of the terms of their agreements, and supersedes all prior contemporaneous offers, promises, representations, negotiations, discussions, communications understandings, and agreements which may have been made in connection with the subject matter hereof.

ARTICLE XIX  
SEVERABILITY

If any provision of this Agreement is found or deemed by a court of competent jurisdiction to be invalid or unenforceable, it shall be considered severable from the remainder of this Agreement, and shall not cause the remainder to be invalid or unenforceable. In such event, the parties shall reform this Agreement, to the extent reasonably possible, to replace such stricken provision with a valid and enforceable provision which comes as close as possible to expressing the original intentions of the parties respecting any such stricken provision.

ARTICLE XX  
COMPLIANCE WITH LAWS

The CONSULTANT shall comply with all federal, state, local laws, rules, regulations, and ordinances applicable to the work performed by CONSULTANT hereunder, as they may now read or hereafter be amended.

ARTICLE XXI  
DISCRIMINATION PROHIBITED

In performing the services required hereunder, the CONSULTANT shall not discriminate against any person on the basis of race, color, religion, sex, national origin or ancestry, age, or physical handicap.

ARTICLE XXII  
PERSONNEL

- A. The CONSULTANT represents that it has secured, or will secure at its own expense at its own expense any additional personnel required to perform all the services under this Agreement. Such personnel shall be subconsultants of CONSULTANT, and shall not be employees or officers of, nor have any contractual relations with the CITY. CONSULTANT shall inform the CITY of any conflict of interest or potential conflict of interest that may arise during the term of this Agreement.
- B. All services required hereunder will be performed by the CONSULTANT or under its supervision. All personnel engaged in performing the work shall be qualified, and shall be authorized and permitted under state and local laws to perform such services.
- C. It is hereby mutually agreed that the CITY and CONSULTANT will not solicit, hire, or contract with any employee(s) of the CITY's or CONSULTANT's staff who are associated with efforts called for under this Agreement during the term of this Agreement and for a period of one (1) year thereafter. In the event the foregoing provision is breached, liquidated damages equal to twelve (12) months of the employee's compensation plus any legal expenses associated with the enforcement of this provision shall be paid by the hiring party, whether CITY or CONSULTANT.

ARTICLE XXIII  
ASSIGNABILITY

The CONSULTANT shall not assign any interest in this Agreement and shall not transfer any interest in this Agreement (whether by assignment, novation or otherwise) without the prior written consent of the OWNER. CONSULTANT shall promptly notify OWNER, in writing, of any change of its name as well as of any material change in its corporate structure, its location, and/or its operations.

ARTICLE XXIV  
MODIFICATION

No waiver or modification of this Agreement or of any covenant, condition, limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith. No evidence of any waiver or modification shall be offered or received in evidence in any proceeding arising between the parties hereto out of or affecting this Agreement, or the rights or obligations of the parties hereunder, unless such waiver or modification is in writing, duly executed.

The parties further agree that the provisions of this Article will not be waived unless as herein set forth.

ARTICLE XXV  
MISCELLANEOUS

- A. The following Exhibit "A" is attached to, incorporated herewith by reference, and made a part of this Agreement for all purposes pertinent:

Exhibit "A" --- CONSULTANT'S Scope of Work

- B. CONSULTANT agrees that CITY shall, until the expiration of four (4) years after the final payment made by CITY under this Agreement, have access to and the right to examine any pertinent books, documents, papers and records of the CONSULTANT involving transactions relating to this Agreement. CONSULTANT agrees that OWNER shall have access during normal working hours to all necessary CONSULTANT facilities and shall be provided adequate and appropriate working space in order to conduct examinations or audits in compliance with this Article. CITY shall give CONSULTANT reasonable advance notice of all intended examinations or audits.
- C. Venue of any suit or cause of action under this Agreement shall lie exclusively in Denton County, Texas. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas.
- D. For the purpose of this Agreement, the key persons who will serve as Project Manager respecting this engagement shall be Brent Heath, and Rick Frymyer, Strategic Account Manager of CONSULTANT. However, nothing herein shall limit CONSULTANT from using other qualified and competent consultants and administrative support personnel of their firm to perform the services required herein.
- E. CONSULTANT shall commence, carry on, and complete its work on the Project with all applicable dispatch, and in a sound, economical, efficient manner, and in accordance with the provisions hereof. In accomplishing the Project, CONSULTANT shall take such steps as are appropriate to ensure that the work involved is properly coordinated with related work being carried on by the CITY.
- F. The CITY shall assist the CONSULTANT by placing at the CONSULTANT's disposal all available information pertinent to the Project, including previous reports, any other data relative to the Project and arranging for the access to, and make all provisions for the CONSULTANT to enter in or upon, public and private property as required for the CONSULTANT to perform professional services under this Agreement. CITY and CONSULTANT agree that CONSULTANT is entitled to rely upon information furnished to it by CITY without the need for further inquiry or investigation into such information.
- G. During the entire course of the project, CITY will be responsible for backup/recovery of all onsite project related digital data, materials, and databases. CONSULTANT will be responsible for backup/recovery of all project related data housed on CONSULTANT computer systems.

- H. The captions of this Agreement are for informational purposes only and shall not in any way affect the substantive terms or conditions of this Agreement.

*Remainder of Page Intentionally Left Blank  
Signatures on next page*

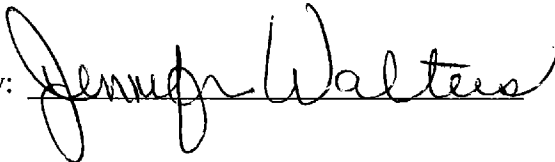

IN WITNESS WHEREOF, the City of Denton, Texas has executed this Agreement in four (4) original counterparts, by and through its duly-authorized City Manager; and Telvent USA LLC, a Delaware limited liability company, having executed this Agreement by and through its duly-authorized undersigned officer, on this the 7th day of May, 2013.

## Introduction

Telvent USA, LLC (Telvent) is pleased to provide to Denton Municipal Electric (DME) at the City of Denton this Scope of Work for ArcFM Solution Upgrade Services.

The upgrade of software components defined in this SOW relates to only those custom components in use at DME that were developed by Telvent during previous ArcFM implementation or upgrade projects. The upgrade of custom components developed either in-house by DME, or by other entities, is not included in this SOW. Should DME request Telvent to perform services beyond those specified in this scope of work, a contract change order will be required.

## Assumptions

### Upgrade Assumptions

- An environment for conversion and upgrades will be established in the Fort Collins office of Telvent, using an Oracle 10g export from DME's existing ArcGIS database. The environment will be configured to operate similarly as DME's new Servers which will be running ArcFM Solution version 10.1 on an Oracle 11g database.
- Telvent will be performing the requested Long Raw to Blob conversion at the time of the database upgrade.
- DME will provide a full database export 10g initially for Telvent to load onto their Fort Collins environment and upgrade and test. DME export of the SDE database should arrive in the Fort Collins office at least four (4) days prior to the arrival of the Telvent Technical Lead on-site to give Telvent adequate time to perform the upgrade and test.
- Telvent has included an on-site visit during the course of the project to assist in the installation of the upgraded system on DME's development environment. This visit will occur after the database has been upgraded in the Fort Collins test environment.
- Telvent requests that DME's DBA be available for the duration of the on-site visit.
- Only the custom Telvent components listed are included in the upgrade SOW.
- No new functionality will be incorporated into the existing custom components. They will continue to function as they do currently. However, a new AutoUpdater will be created in accordance with 1.3.2 of this SOW.
- The mobile replication process will be included in this SOW. An example of what will not be included will be the implementation of replicating aerial images; however, that process and ability will be available but not configured.
- DME should be prepared to provide, for the duration of the on-site upgrade effort, a connection to DME network for the Telvent Technical Lead and an

active internet connection port for the Telvent laptop computer in the same area as the electric GIS client workstations.

- Extended Feeder Manager assumes that all electric data resides within the same geometric network.

### Fiber Manager Assumptions

- Since DME already has existing Fiber features and classes, Telvent has not included any Fiber data migration work included in this scope of work. It is assumed that DME will utilize the Fiber Manager Tools to input or migrate all fiber data into the system manually. Should DME wish Telvent to provide assistance with any data migration, a separate scope and costs will be provided for that effort.
- It is assumed that stored displays can be created through a combination of symbols from the standard Fiber Manager symbol set or standard Esri symbol sets. This scope does not include time for creating custom symbols.

### Responder Assumptions

- DME will use a standard out-of-the-box configuration of Responder. Telvent will work with DME to adjust this configuration to load DME's users into the appropriate user roles, adjust the incident creation parameters according to DME's requirements, assist DME with how to create and enter and set up new users, Crew and Truck information. Telvent will assist DME in creating an Outage Stored Display that allows DME to view outage and crew information within the ArcFM environment and work with DME to create a process that will maintain the Responder customer information with the GIS customer tables.
- DME will use an out-of-the-box installation of the Responder toolset. No custom tools will be developed during DME implementation of the Responder web-browser, the Responder Explorer, or the Responder tools for ArcGIS beyond the specified interfaces of Northstar CIS, Porche IVR system, OSI SCADA system, and associated communication networks.
- Two or more dispatchers will be able to use the system at any time; however the system will not be configured to assign a dispatcher to specific areas of responsibility. Telvent will provide knowledge transfer to DME staff on how to assign specific dispatchers to areas of responsibility.
- Truck and Crew information would be loaded from an existing data source or entered manually by DME personnel.
- ArcFM Feeder Manager is configured and running on DME electric dataset. All features are connected to the network and contain the appropriate attributes for correct tracing.

- Customers will be related to either service points or transformers. If customers are related to service points, the secondary network will support electrical tracing between the transformer and the service points. In either case the network will support electrical tracing between transformer and source breakers.
- Telvent does not expect and has added no time in this scope of work (due to existing functional OMS implementation at DME) for any required data cleaning activities that may be required to operate Responder. Telvent expects that DME will make the data 'Responder Ready' based upon any deficiencies discovered by Telvent during the database upgrade, including ensuring that the Primary Electric Network has appropriate connectivity, ensuring either connectivity from the transformer to the customer point or build relationships between the transformer and the customer point, and ensuring that ArcFM traces can run properly on the network (ie: phasing and voltage levels are correctly populated on the network features).
- DME will have all necessary hardware and network equipment installed prior to the initiation of the project including, but not limited to:
  - A Windows server that will be used to run the Responder business server processes such as the prediction engine and data services
  - A Web Server that will host the Responder Web Browser application
  - Client machines to access the application
  - Network equipment and cable to allow the machines to interact
- DME will provide Telvent remote VPN access to the GIS and Responder systems to assist in the implementation and troubleshooting of issues should they arise after deployment. The City of Denton VPN remote access must be approved and conform to COD Technology Services criteria.
- All GIS, CIS, IVR, and SCADA integrations will be performed through existing COD networking or proposed web services when possible:
- Telvent will be responsible for creating web services to receive messages from the IVR, SCADA and CIS system interfaces or utilize existing COD networking that is established or that will be established. Final solution to be determined after Telvent meets with DME and Technology Services to discuss proposed solutions and interfaces.
- Telvent will be responsible building interfaces which consume web services built by DME and/or other vendors for the IVR, SCADA or CIS systems.
- The services represented in this scope of work are to configure ArcFM Fiber Manager for Fiber Optic feature classes only, and do not include configuration services for Coax, Copper, or Wireless features.

## Proposed Services

### 1 ArcFM Solution Upgrade from Version 9.3.1 to 10.1.x

This section describes the tasks and subtasks required to migrate DME to the ArcGIS for Desktop 10.1.x, ArcGIS for Server (SDE) 10.1.x, and ArcFM 10.1.x environments or the latest recommended environment and then test and verify that all Telvent installed software and migrated custom code, including ArcFM Geodatabase Replication functions properly.

#### 1.1 Project Initiation

Members of the Telvent project team and DME representatives shall attend a project kick-off conference call. The agenda for this call shall be as follows:

- Introduce Telvent team members, including the Project Manager and Database Analyst.
- Review Scope of Work and Project Plan.
- Review deliverables.
- Discuss and define DME tasks required to complete the project.
- Review change control procedures.
- Review project status reporting procedures.
- Identify project risks and issues, and plan mitigation where appropriate.

**Telvent Deliverables:**

- Kick-off meeting attendance by Project Manager and Database Analyst.
- Meeting notes.

**DME Responsibilities:**

- Kick-off meeting attendance.

**Task Assumptions:**

- Telvent understands DME Electric Engineering will be the sole point of contact for all configuration decisions needing to be made during the upgrade

#### 1.2 Data Modeling Support

Telvent will participate in a WebEx-based conference call to discuss potential changes to the DME data model to support functionality with respect to the following:

- Hyperlinks
- Meter location vs Meter Number linkage to CIS
- Others (TBD by DME)

Telvent will make recommendations on any necessary changes to the data model to support the outcome of the discussion. It is anticipated that DME will make the changes to the data model.

**Telvent Deliverables:**

- Participate in Data Model discussion with DME staff

- Provide recommendations on changes to be made to the DME data model to support the additional functionality if necessary.

**DME Responsibilities:**

- Participate in Data Model discussion with Telvent DBA staff

### 1.3 Upgrade Custom Components

Following the establishment of the upgrade environment at Telvent, the process of migrating the DME's GIS environment to ArcFM and ArcGIS 10.1, Telvent will prepare for code upgrade by:

- Installing ArcFM Solution SDK.
- Registering ESRI upgrade add-ins as necessary

The custom code modules will then be upgraded using a process that will:

- Update Global Unique Identifiers in project files for .OCXs
- Open project in Visual Studio
- Remove missing references
- Perform manual checks and apply necessary changes

There are specific changes that must be made when an application uses Shared Product Code samples including:

- Recompile code
- Perform unit test

#### 1.3.1 Upgrade Custom ArcFM Solution Components

Telvent shall apply the ArcFM upgrade process to migrate the existing ArcFM Solution custom tools to the new 10.1 environment. The tools to be migrated are:

- AutoUpdater to populate Transformer LabelText
- AutoUpdater to populate Conductor LabelText
- AutoUpdater to update Transformer Unit information in the Inventory System
- AutoUpdater to modify the TransformerID in ServiceLocation when a transformer is replaced, removed, or when a new ServiceLocation is added
- AutoUpdater to populate BankKVA in TransformerBank when a TransformerUnit record is changed or added.
- Custom Inspection application.

**Telvent Deliverables:**

- Upgraded Custom ArcFM Solution tools
- Provide documentation on what each customized tool is and how it functions. Any existing information from the original creation of each customized autoupdater will be delivered to DME.

**DME Responsibilities:**

- None

**Task Assumptions**

- Telvent understands DME Electric Engineering will be the sole point of contact for all configuration decisions needing to be made during the upgrade

### 1.3.2 Create Additional Custom ArcFM Solution Components

Telvent shall discuss and work with DME to create the following custom AutoUpdater in the new 10.1 environment.

- AutoUpdater to populate new and replaced meters into the Service Account Record and the related meter record.

Telvent will develop component specification documents describing the custom AutoUpdaters to be developed for DME. These component specifications will be used as the blueprint for development of the required custom AutoUpdaters.

Telvent will revise the Component Specifications after reviewing DME's comments. Telvent will initiate (if necessary) a conference call to discuss the revisions necessary to the document. The revisions will only include changes both parties agree upon.

DME will review and provide comments to Telvent on the Draft Component Specification Document within five (5) business days of receiving the documents.

DME will approve the Component Specifications. This document will be the basis for the Custom AutoUpdater.

Telvent will develop the AutoUpdater, using its standard development process including coding, a prototype demonstration via WebEx of the user interface with DME, code reviews with peers, unit testing, and code documentation.

#### Telvent Deliverable(s):

- Draft & Final Component Specification Document
- WebEx Prototype review
- Custom AutoUpdaters

#### DME Responsibilities:

- Ensure attendance at prototype review by appropriate staff
- Comments on the Draft Component Specifications Document
- Approval of the Final Component Specifications

#### Task Assumptions:

- None

## 1.4 Deployment to Development Support

### 1.4.1 Install ArcFM, ArcGIS for Server, & ArcGIS 10.1 in Development Environment

DME will install the following software on DME development system:

- ArcGIS for Server 10.1
- ArcGIS for Desktop 10.1 on desktop machines in the development environment
- ArcFM, ArcFM Viewer, and ArcFM Geodatabase Replication 10.1

**Telvent Deliverables:**

- Remote assistance in the installation of the development system and converting any licenses required.
- Complete documentation of the process involved to configure a machine with each type of existing software products (ArcFM, ArcFM Viewer, ArcFM Viewer for Engine, and ArcFM Geodatabase Replication, demonstrate the proper way to upgrade the client on both Viewer and Engine machines.

**DME Responsibilities:**

- Installation of the development system.

**Task Assumptions:**

- DME has the installed and configured the database server for Oracle 11g prior to Telvent's arrival onsite.

### 1.4.2 Configure Development Environment

Telvent will travel to DME and install the migrated custom code and will migrate the existing ArcFM Solution configuration into the development environment with assistance from DME. This configuration migration will include:

- Model Name Assignments
- Special AutoUpdater Assignments
- Field AU Assignments
- Relationship AU Assignments
- Relationship Rules
- Connectivity Rules
- Snapping Rules
- Px Framework configuration
- ArcFM Geodatabase Replication configuration

**Telvent Deliverables:**

- Migrated Custom Code
- Migration of the existing ArcFM configuration to the development environment.
- Provide detailed documentation of any process that operates or is handled in a uniquely different way than DME's current configuration.

**DME Responsibilities:**

- Assistance in the migration of the existing ArcFM configuration to the development environment.

### 1.4.3 Update Test & Acceptance Plan

To ensure that all application functionality is fully tested in exactly the same manner as it is used in production at DME, Telvent asks that DME update the Acceptance Test Plan used during the previous implementation and upgrade efforts. Telvent will provide recommendations on areas of the test plan to be updated based on new or modified functionality.

Telvent will review the updated plan and provide feedback where appropriate. The final plan shall be used to guide acceptance testing.

**Telvent Deliverable(s):**

- Comment on Acceptance Test Plan documents

**DME Responsibilities:**

- Update Acceptance Test Plan

#### 1.4.4 Site Acceptance Testing – Development Environment

DME shall perform Site Acceptance Testing (SAT) for ArcFM, ArcFM Viewer for ArcGIS Engine, Inspector, and ArcFM Server, using the Acceptance Test Plan developed in Task 1.4.3. DME team members shall record any issues discovered during testing in the issue tracking system. Telvent will provide a resolution for all discrepancies and will resolve all Critical or High issues before completion of SAT.

**Telvent Deliverables:**

- Three (3) days of onsite testing support by Telvent

**DME Responsibilities:**

- Provide details on issues found including steps taken to re-create the problem and any specific data used during the test
- Complete SAT

### 1.5 Deployment to Production Support

#### 1.5.1 Install ArcFM, ArcGIS for Server, & ArcGIS 10.1 in Production Environment

DME will install the following software on DME production environment:

- ArcGIS for Server 10.1
- ArcGIS for Desktop 10.1 on 2 desktop machines in the production environment
- ArcFM, ArcFM Viewer, and ArcFM Geodatabase Replication 10.1
- Custom tools upgraded in Task 1.3.11.3.1

DME has requested that, Telvent travel to DME to assist with migrating from the development environment to the production environment. Telvent shall be onsite at the time DME switches from the IBM production environment to the new Linux production servers. Should it become necessary for Telvent to travel to DME after the initial production environment migration to Linux visit a change order would be issued for these additional travel and service costs.

**Telvent Deliverables:**

- Onsite assistance in the installation of the production system and converting any licenses required.

**DME Responsibilities:**

- Installation of the production system based on the installation and configuration documentation delivered in Task 1.4.1

### 1.5.2 Configure Production Environment

The Telvent Technical Resource will remotely assist DME in the migration of the existing ArcFM Solution configuration into the production environment. This configuration migration will include:

- Model Name Assignments
- Special AutoUpdater Assignments
- Field AU Assignments
- Relationship AU Assignments
- Relationship Rules
- Connectivity Rules
- Snapping Rules
- Px Framework configuration
- ArcFM Geodatabase Replication configuration

**Telvent Deliverables:**

- Remote assistance in the migration of the existing ArcFM configuration to the production environment.
- Provide detailed documentation of any process that operates or is handled in a uniquely different way than DME's current configuration.

**DME Responsibilities:**

- Migration of the existing ArcFM configuration to the production environment.

## 2 ArcFM for Silverlight Implementation

### 2.1 Project Initiation

Telvent team will host a Project Kickoff conference call with DME. During the Kickoff Meeting, Telvent will present the project plan to review the tasks, responsibilities, and dependencies. The team will review the goals and methodology for the project and make sure all participants fully aware of all aspects of the project. The team will then cover the administrative framework for managing the project. We will establish communication protocols, business processes, and change control processes.

**Telvent Deliverables:**

- Agenda
- Project Kickoff Conference Call

**DME Responsibilities:**

- Ensure attendees are invited in advance and are present during the meeting

**Assumptions:**

- All project negotiations will be complete

### 2.2 Install & Configure Hardware

Telvent will provide DME a list of the required hardware and software to support the DME environment.

DME will install and test the required hardware and operating system software to support ArcFM Server and the ArcFM Silverlight Viewer.

**Telvent Deliverables:**

- Provide list of hardware and software to support the ArcFM Server environment.

**DME Responsibilities:**

- Install and test hardware and operating system software.

## 2.3 Configure ArcFM for Silverlight

In this task series Telvent will ensure the DME Geodatabase is configured to use the tools required in ArcFM Server for Silverlight.

During the configuration Telvent will:

- Ensure the correct operation of ArcFM for Silverlight in the DME environment
  - Ensure the table names and aliases in the DME geodatabase do not use any of the following special characters: & @ \* \$ ' " ; : / \ < > { } [ ] % ^ #.
  - Verify that all tables in the geodatabase have a field (e.g., ObjectID) with a data type of OID. (Note: This field must contain a unique value for each feature.)
- Create an ArcGIS Map Service using ArcCatalog and assign the ArcFMMapServer extension.
- Configure Layers
- Configure Related Data
- Configure Searches
- Configure Printing
- Set Up Redlining
- Configure Tracing

**Telvent Deliverables:**

- Configure ArcGIS Server and ArcFM Server for Silverlight
- Produce process document outlining configuration steps

**DME Responsibilities:**

- Provide access to DME web server environment to Telvent resources

## 2.4 Publish Map services

Telvent will create a map services based upon the Map Document provided by DME. Telvent will define, configure, and run the caching process on the published map service.

**Telvent Deliverables:**

- Publish map/data service based on DME's map documents
- Use both ArcMap and the ESRI Server Manager application to test map service.
- Produce process document outlining steps necessary to publish service
- Analyze and document map cache requirements.
- Create cache for published map service
- Produce process document outlining steps necessary to cache services

**DME Responsibilities:**

- Provide relevant map documents.
- Provide guidance on cache scales required

**Task Assumptions:**

- Security and permissions have been configured to allow ArcGIS Server accounts access to necessary data sources.
- It is understood that caching to the ArcGIS Server is a computational intensive process and depending on complexity and extent of data some caching processes could take several hours or even several days.

## 2.5 Post Rollout Support

The Telvent team will provide three (3) days of onsite support to DME after the system has been put into use. This support will provide DME with direct access to a technical resource to answer questions and help resolve issues related to the implementation of ArcFM Server and the ArcFM Silverlight Viewer.

**Telvent Deliverable(s):**

- Onsite ArcFM Server technical support for DME for three (3) days following system rollout

**DME Responsibilities:**

- Provide access for the onsite technical resource to enable quick troubleshooting of any issues identified during this time.
- Provide facility access so the Telvent technical resource can work with DME staff directly.

## 3 Fiber Manager Implementation

### 3.1 Project Kickoff

Telvent will host a WebEx based Project Kickoff Meeting. The team will review, discuss and make sure all participants fully understand the goals and methodology for the project. Telvent will also review the project plan to describe the tasks, responsibilities, and dependencies. The team will then cover the administrative framework for managing the project. We will establish communication processes, business processes (for example, configuration control and access control), and change control processes.

Telvent will review with DME any necessary map products and feature configurations that should be gathered prior to the onsite work to allow time for the materials to be collected. DME will provide Telvent with the projection information necessary to create the Fiber Geodatabase.

**Telvent Deliverable:**

- Host WebEx based project kick-off meeting

- Lead discussion on DME-specific map products and feature configurations to be reviewed during the knowledge transfer sessions

**DME Responsibilities**

- Ensure appropriate personnel attend the Project Kickoff Meeting

**Task Assumptions**

- The project kickoff meeting will be performed via WebEx

## 3.2 Create and Configure Geodatabase

Telvent will create an ArcFM Fiber Manager Fiber Dataset that is in the DME-provided coordinate system. Telvent will then apply a standard ArcFM Fiber configuration to the dataset. The configuration will include all favorites, field properties, Autoupdater assignment, model name assignment, stored displays, page templates, and standard symbology that are provided within the Minerville Fiber sample database.

**Telvent Deliverable:**

- A Fiber Geodatabase using the DME coordinate system created from the ArcFM Fiber Manager data model and configured with the Minerville Fiber sample database configuration.

**DME Responsibilities**

- Provide Telvent with the DME coordinate system

**Task Assumptions:**

- No data model or configuration changes will be included in the creation and configuration of the DME Fiber Geodatabase

## 3.3 Fiber Manager Installation & Configuration

### 3.3.1 Install Fiber Manager Data Model

Telvent will travel to DME to install the ArcFM Fiber Manager data model.

Once installed, Telvent will test the system to ensure that the core ArcFM Fiber Manager functionality works within the environment established. Telvent will update the pre-configured Stored Displays to ensure that the data sources for the GIS layers available from the clients current enterprise GIS are available to the DME user.

**Telvent Deliverable:**

- Installing the Fiber Manager geodatabase in the ArcGIS Server instance.
- Verification of the installation.

**DME Responsibilities**

- Provide access to the DME workstation computers and the network file locations.
- Participate in the installation and verification process to gain knowledge about the ArcFM system.
- Ensure ArcGIS Server instance is installed and ready for data loading.

**Task Assumptions:**

- The installation of the Fiber Manager software will be performed on the same two (2) workstation computers that the ArcFM software was install on.

### 3.3.2 Data Editing and Configuration Settings Knowledge Transfer

Following the software installation and verification, Telvent will lead a three (3) day Fiber data editing/entry/configuration workshop with DME GIS and DME Fiber personnel. The workshop will be a hands-on exercise and is designed to introduce DME personnel to the basic tasks necessary for editing and maintaining an ArcFM Fiber Manager geodatabase.

The workshop will provide:

- Step-by-step instruction on building a fiber circuit in ArcFM starting by drawing a fiber cable in the map, placing a patch location, splice points, slack loops, and fiber faults. The workshop will also demonstrate the use of the Connection Manager to enter the connection information.
- Demonstration of the ArcFM Attribute Editor to correct attributes of features already placed in the system.
- Telvent will demonstrate how to leverage the editing productivity tools within ArcFM such as the ArcFM Target tab, ArcFM favorites, composite favorites, & templates, create new favorites & composite favorites from existing features, the ArcFM Snapping Manager, and the ArcFM QA/QC tools.
- Additional instruction on editing the symbology of an existing Fiber stored display to more closely match DME existing map products.
- Additional instruction on creating a new Fiber stored display to meet specific DME data viewing requirements.
- Additional instruction on modifying an existing Page Template to adjust the map surround to meet specific DME needs.
- Additional instruction on modifying domains in the fiber data model through ArcCatalog.
- Additional instruction on creating new favorites for patch locations, devices and fiber optic cables.

Telvent Deliverable:

- Three (3) day onsite workshop presenting and using the ArcFM and Fiber Manager data editing and configuration tools following a step-by-step process to create & maintain fiber data in the ArcFM Solution.

DME Responsibilities

- Participate in the workshop, performing the data entry and editing work, under the direction of Telvent.

### 3.4 Remote Editing & Configuration Support

Telvent will provide up to eight (8) hours of addition remote support to DME GIS Personnel during the four weeks immediately following the Fiber Manager installation, editing, and configuration workshops.

This support allows DME personnel to call Telvent resources assigned to the DME project to ask questions regarding the use of the ArcFM Fiber Manager tools and their configuration. Telvent will respond to questions through WebEx demonstrations, conference calls, and emails, as appropriate.

**Telvent Deliverable:**

- Up to eight (8) hours of remote support to DME to respond to questions and issues on the use and configuration of Fiber Manager.
- Prompt responses to issues raised by DME

**DME Responsibilities**

- Initiate any communications and present the issues in a clear concise manner.

**Task Assumptions:**

- DME will be able to provide remote access to their GIS through WebEx

## 4 Responder Implementation

### 4.1 Responder – Design Phase

#### 4.1.1 Project Kickoff

Our experience has demonstrated the value of discussing and establishing project parameters and the project plan at the beginning of the project. This ensures all participants have a clear understanding of the project drivers, expectations, and requirements.

In order for this implementation to be successful, DME will assign the following key personnel to support the project and will ensure each is available and can provide the necessary support, at the required times, over the course of the project. DME will ensure the individuals assigned possess the appropriate skills and are authorized to participate in decisions made over the course of the project.

- Executive Sponsor
- Project Manager
- IT System Administrator
- IT Database Administrator
- Subject Matter Experts on current outage processes at DME

Telvent and DME will conduct a two (2) hour conference call to formally begin the project. In this meeting, individuals fulfilling the project roles will be identified, the team will review the detailed project plan to identify and work around any conflicts, review and reach agreement on project drivers, and establish the procedures for identifying and resolving issues as they arise over the course of the project.

The team will review the project schedule and make adjustments to the schedule as needed to accommodate the team member's existing commitments.

**Telvent Deliverable(s):**

- Lead Project Kickoff Conference Call

**DME Responsibilities:**

- Participate in Project Kickoff Meeting

**Task Assumptions**

- None

#### 4.1.2 Core Team Workshop

Telvent will travel to DME and present a two (2) day workshop to introduce DME's team members to the functionality available within Responder. This workshop will cover the Responder Web Browser application, the Responder Explorer, and the Responder tools available within ArcFM and how configurable options within these solutions can impact business processes.

**Telvent Deliverable(s):**

- Two (2)-day onsite presentation of the functionality available within Responder

**DME Responsibilities:**

- Attend Core Team Workshop
- Provide meeting facilities including projector

**Task Assumptions**

- None

#### 4.1.3 Integration Requirements

##### 4.1.3.1 Design Responder IVR Integration

Telvent will work closely with DME and Technology Services defining the requirements for the Responder Milsoft Porche IVR interface. During the onsite workshop, Telvent will lead the requirements discussion to define the functionality that must be included in the interfaces and the data expected to be passed between the applications.

Telvent expects that this interface will be based upon the following general requirements:

- DME and Technology Services will be responsible for providing an interface to receive calls from the IVR system.
- Telvent will create a web service to receive calls from DME's IVR interface. The structure of the call message to be determined by Telvent and DME. The web services will then submit validated calls to Responder as a new incident or part of an existing incident. The Telvent web service will reply back with a message stating if the call will be a new incident or part of a known incident with appropriate incident information available by Responder.
- Telvent will work with DME and Technology Services to build a mechanism for receiving/retrieving callbacks.

This scope of work is limited to the custom components necessary to allow Responder to accept messages from the IVR system, process the messages, and return messages to the IVR.

**Telvent Deliverable(s):**

- Lead Onsite Interface Requirements Workshop
- Draft and final copies of the Interface requirements document

**DME Responsibilities:**

- Ensure attendance at Interface Requirements Workshop by DME SMEs, and IVR SMEs as needed
- Provide meeting facilities
- Provide comments on Draft Functional Requirements Document

#### 4.1.3.2 Design ArcFM/Responder CIS Interface

Telvent will develop processes to load NorthStar CIS data into the ArcFM and Responder customer tables, and to maintain it for ArcFM and Responder uses.

After the onsite workshop, Telvent will develop a functional requirements document and provide it to DME and Technology Services for review. Mutually agreed upon changes to the document will be incorporated into the final functional requirements document.

**Telvent Deliverable(s):**

- Lead Onsite Interface Requirements Workshop
- Draft and final copies of the Interface requirements document

**DME Responsibilities:**

- Ensure attendance at Interface Requirements Workshop by DME and Technology Services SMEs
- Provide meeting facilities
- Provide comments on Draft Functional Requirements Document

**Task Assumptions**

- None

#### 4.1.3.3 Design Responder SCADA Integration

Telvent will work closely with DME and Technology Services defining the requirements for the Responder SCADA interface. During the workshop, Telvent will lead the requirements discussion to define the functionality that must be included in the interface and the data expected to be passed between the applications.

Telvent expects that this interface will be based upon the following general requirements:

- Receive from SCADA a message detailing a status change event that includes a Device ID which can be used to locate the device in GIS and the new device status

This scope of work is limited to the custom components necessary to allow Responder to accept messages from the SCADA system and process the messages to create an outage or to confirm a restoration.

**Telvent Deliverable(s):**

- Lead Onsite Interface Requirements Workshop
- Draft and final copies of the Interface requirements document

**DME Responsibilities:**

- Ensure attendance at Interface Requirements Workshop by DME and Technology Services SMEs
- Provide meeting facilities
- Provide comments on Draft Functional Requirements Document

**Task Assumptions:**

- This interface is only a one-way interface from SCADA to Responder. There is no anticipated functionality to send return messages to SCADA from Responder.

#### 4.1.3.4 Design Responder MDMS Integration

Telvent will work closely with DME and Technology Services defining the requirements for the development of processes to load Itron MDMS meter data into the ArcFM and Responder customer tables, and to maintain it for ArcFM and Responder uses such as trigger OMS indication from AMI of a power outage at a specific AMI electric meter.

After the onsite workshop, Telvent will develop a functional requirements document and provide it to DME and Technology Services for review. Mutually agreed upon changes to the document will be incorporated into the final functional requirements document.

**Telvent Deliverable(s):**

- Lead Onsite Interface Requirements Workshop
- Draft and final copies of the Interface requirements document

**DME Responsibilities:**

- Ensure attendance at Interface Requirements Workshop by DME and Technology Services SMEs
- Provide meeting facilities
- Provide comments on Draft Functional Requirements Document

**Task Assumptions**

- None

## 4.2 Responder – Develop Phase

### 4.2.1 Develop Integrations

#### 4.2.1.1 IVR Interface Development

Under this task, the Telvent team will develop and configure the Responder - IVR Interface. Prior to the start of development, the Telvent team will prepare a Component Specification. This document will contain information on the specific components that require configuration and customization including user and system interfaces, system and data inputs/outputs, database requirements, schema descriptions, system dependencies, and system architecture requirements/descriptions. A draft and final IVR Interface Component Specification will be submitted to DME and Technology Services for review, comment, and acceptance.

Following acceptance of the Component Specification, the Telvent team will use our standard development process to create this interface. This includes performing initial coding or configuration of the IVR interface, holding peer code reviews, performing unit testing, and fix defects as required.

During the development process, if appropriate, the Telvent team will provide DME and Technology Services with WebEx demonstration(s) showing the current state of the IVR interface to elicit comments on the design, usability of the tools, and to apprise DME and Technology Services of the project status. The Telvent team, DME and Technology Services, will mutually agree on the frequency of the demonstration(s) and method(s) used to conduct them.

**Telvent Deliverable(s):**

- Component Specification for the custom integration and tools
- Prototype demonstrations, held via WebEx, to show the development progress, as necessary
- Test plans for the interface to use during acceptance testing
- End User and Administrator documentation, as appropriate
- Installation wizard and guide
- IVR Interface components

**DME Responsibilities:**

- None

#### 4.2.1.2 Develop CIS Interface

Under this task, the Telvent team will develop and configure the ArcFM - CIS Interface. Prior to the start of development, the Telvent team will prepare a Component Specification. This document will contain information on the specific components that require configuration and customization including user and system interfaces, system and data inputs/outputs, database requirements, schema descriptions, system dependencies, and system architecture requirements/descriptions. A draft and final CIS Interface Component Specification will be submitted to DME and Technology Services for review, comment, and acceptance.

Following acceptance of the Component Specification, the Telvent team will use our standard development process to create this interface. This includes performing initial coding or configuration of the CIS interface, holding peer code reviews, performing unit testing, and fix defects as required.

During the development process, if appropriate, the Telvent team will arrange WebEx demonstration(s) showing the current state of the CIS interface to elicit comments on the design, usability of the tool, and to apprise DME of the project status. The Telvent team, DME, and Technology Services will mutually agree on the frequency of the demonstration(s) and method(s) used to conduct them.

**Telvent Deliverable(s):**

- Component Specification for the custom integration and tools
- Prototype demonstrations, held via WebEx, to show the development progress, as necessary
- Test plans for the interface to use during acceptance testing
- End User and Administrator documentation, as appropriate

- Installation wizard and guide
- CIS Interface components

**DME Responsibilities:**

- None

#### 4.2.1.3 SCADA Interface Development

Under this task, the Telvent team will develop and configure the Responder - SCADA Interface. Prior to the start of development, the Telvent team will prepare a Component Specification. This document will contain information on the specific components that require configuration and customization including user and system interfaces, system and data inputs/outputs, database requirements, schema descriptions, system dependencies, and system architecture requirements/descriptions. A draft and final SCADA Interface Component Specification will be submitted to DME and Technology Services for review, comment, and acceptance.

Following acceptance of the Component Specification, the Telvent team will use our standard development process to create this interface. This includes performing initial coding or configuration of the SCADA interface, holding peer code reviews, performing unit testing, and fix defects as required.

During the development process, if appropriate, the Telvent team will provide DME and Technology Services with WebEx demonstration(s) showing the current state of the SCADA interface to elicit comments on the design, usability of the tools, and to apprise DME of the project status. The Telvent team, DME, and Technology Services will mutually agree on the frequency of the demonstration(s) and method(s) used to conduct them.

**Telvent Deliverable(s):**

- Component Specification for the custom integration and tools
- Prototype demonstrations, held via WebEx, to show the development progress, as necessary
- Test plans for the interface to use during acceptance testing
- End User and Administrator documentation, as appropriate
- Installation wizard and guide
- SCADA Interface components

**DME Responsibilities:**

- None

**Task Assumptions**

- This interface is only a one-way interface from SCADA to Responder. There is no anticipated functionality to send return messages to SCADA from Responder.

#### 4.2.2 Responder Configuration

After DME and Technology Services confirm that the infrastructure for the Responder system is in place, Telvent will install and configure the Responder system at DME.

#### 4.2.2.1 Responder Configuration Specification Workshop

Telvent will lead an onsite Responder configuration workshop to work with DME in transferring knowledge on how to configure Responder and defining DME-specific items such as machine names.

**Telvent Deliverable(s):**

- Lead Responder Configuration Workshop

**DME Responsibilities:**

- Attend Configuration Specification Workshop
- Provide meeting facilities

**Task Assumptions**

- None

#### 4.2.2.2 Configuration Specification Development

Once the workshop is complete Telvent will document the results and provide the draft version of the document to DME for review. Any mutually agreed upon changes will be incorporated into the document and the final version will be delivered to DME.

**Telvent Deliverable(s):**

- Draft & Final Responder Configuration Specification documents

**DME Responsibilities:**

- Provide Comment on Draft Configuration Specification

**Task Assumptions**

- None

#### 4.2.2.3 Install Responder Software and Standard Configuration

Telvent will install the Responder software and the out of the box Responder configuration files. Additionally, Telvent will create the Responder tables within the database to store Responder-specific data. Telvent will require support from a system administrator or user accounts with full access to the RDBMS in order to accomplish this task.

**Telvent Deliverable(s):**

- Onsite installation and configuration of Responder and Geodatabase

**DME Responsibilities:**

- RDBMS administrator support or full access to RDBMS
- Participate in installation to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.4 Configure Business Server

##### 4.2.2.4.1 Configure Data Services

Telvent will configure the Data Services portion of Responder's Server.exe.config file. This configuration will be limited to:

- Updating the connection string information to point to DME's Responder database
- Updating the Geodatabase connection information to point to DME's ArcSDE Geodatabase
- Updating the path to the ControlStylesConfig.xml & the DMERulesConfig.xml to point to the file location of these files

**Telvent Deliverable(s):**

- Configured Data Services section of the Server.exe.config file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

##### 4.2.2.4.2 Configure Responder Security

Telvent will configure Responder's Security by adding DME's core team of users to Responder using the Responder web application. Telvent will also instruct DME on how to enter their own users into the system. This configuration will be limited to:

- Adding DME specific users through the web application.
- Assigning one or more of the following user roles to each user: Customer Service, Dispatcher, Senior Dispatcher, Administrator, Archive

**Telvent Deliverable(s):**

- Configured Security.xml file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

##### 4.2.2.4.3 Configure Database Schema file

Telvent will configure Responder's Database Schema file by modifying domain list options to configure Responder to better meet DME's business processes. Such configurable options will be covered in the core team training and specific needs determined during the configuration workshop (Task 4.2.2.1) and DME will be instructed on how to make these changes on their own:

- Telvent will perform the modifications to the Database Schema file as specified in the configuration workshop and will allow DME to confirm these settings through user acceptance testing.

**Telvent Deliverable(s):**

- Configured DatabaseSchemaConfig.xml file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.4.4 Configure Callbacks

Telvent will configure the standard Callback settings within Responder. Telvent will review the standard settings for Callbacks with DME. DME will then have the ability to change these at a future time.

**Telvent Deliverable(s):**

- None

**DME Responsibilities:**

- None

**Task Assumptions**

- None

#### 4.2.2.4.5 Configure Prediction Engine

Telvent will configure the standard Prediction Engine settings within Responder. Telvent will review the standard settings for Prediction Engine with DME. DME will then have the ability to change these at a future time.

**Telvent Deliverable(s):**

- None

**DME Responsibilities:**

- None

**Task Assumptions**

- None

#### 4.2.2.4.6 Configure MS Message Queuing

Telvent will configure Microsoft Message Queuing on the Responder server(s) and one client machine. Telvent will document and instruct DME on the proper configuration of Microsoft Message Queuing for all client installations.

This configuration will be limited to:

- Adding MS Message to Responder application and web servers and at least one client.

**Telvent Deliverable(s):**

- Configured Server-side message queuing

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.5 Configure Responder Web Server

##### 4.2.2.5.1 Configure Web Remoting

The web configuration file (WebRemoting.config) is an XML file that must be configured to work with Responder Data Services. Telvent will configure the WebRemoting.config file by assigning the business server name within the file. This configuration will be limited to:

- Assigning the business server name to the appropriate tag within the WebRemoting.config file

**Telvent Deliverable(s):**

- Configured WebRemoting.config file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

##### 4.2.2.5.2 Configure Web Application

Telvent will configure or verify the configuration of the ASP.NET and dot Net framework for the web application:

- Restarting IIS after configuring the WebRemoting.config file
- IIS configuration and dot Net framework.

**Telvent Deliverable(s):**

- Configured IIS & Web application

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.6 Configure DME Machines

##### 4.2.2.6.1 Configure Responder within ArcMap

Telvent will configure the ArcMapRemotingconfig.xml file by assigning the business server name within the file. This configuration will be limited to:

- Assigning the business server name to the appropriate tag within the ArcMap.exe.config file

**Telvent Deliverable(s):**

- Configured ArcMap.exe.config file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.6.2 Configure Responder Explorer Application

Telvent will configure the Miner.Responder.Explorer.exe.config file by assigning the business server name within the file and the URL of the Responder Web application server. This configuration will be limited to:

- Assigning the business server name to the appropriate tag within the Miner.Responder.Explorer.exe.config file.
- Assigning the URL of the Responder Web Application.

**Telvent Deliverable(s):**

- Configured Miner.Responder.Explorer.exe.config file

**DME Responsibilities:**

- Participate in configuration to gain knowledge of Responder

**Task Assumptions**

- None

#### 4.2.2.7 Configure Outage Stored Displays

Telvent will work with DME team to configure a Stored Display that allows DME to view outage information within the ArcFM environment. Telvent will focus on how DME can set and adjust the outage and truck symbology, enabling DME to maintain and update the stored display as required.

**Telvent Deliverable(s):**

- Stored Display Configuration Assistance

**DME Responsibilities:**

- Configure Stored Display for Responder

**Task Assumptions**

- None

#### 4.2.2.8 Configure/Load Data

##### 4.2.2.8.1 Enter Truck, and Crew Data

Telvent will work with DME to enter Truck and Crew data into Responder using the Responder Explorer.

**Deliverable(s)**

- Initial load of Truck and Crew data into Responder database.

**DME Responsibilities:**

- Load Truck and Crew data into Responder Database

**Task Assumptions**

- None

#### 4.2.2.8.2 Drop Network, Modify Traceweight, Rebuild Network

In order to support analysis of the distribution network by Responder, Telvent will modify the trace weights maintained by the system for load points (those locations on the network where load is assigned). This is usually done by updating a Model Name in ArcCatalog and then updating the features within a version in the production Geodatabase. Telvent will complete this change and then run Feeder tracing to ensure the trace weights have been properly restored.

**Telvent Deliverable(s):**

- Configuration of Model Name and Update of the Trace Weights used in the Production Geodatabase for Load Points and verification of proper system operation following the change.

**DME Responsibilities:**

- RDBMS administrator support or full access to RDBMS

**Task Assumptions**

- None

#### 4.2.2.9 Configuration Check

Telvent will perform a system walkthrough with DME representatives to confirm configurations have been completed and that the system is ready for the Site Acceptance Testing. Telvent will address any software configuration discrepancies identified during this review. DME will address any infrastructure, related subsystem, or personnel issues.

**Telvent Deliverable(s):**

- Configuration Check of Installed and Configured Responder.
- Configuration documentation

**DME Responsibilities:**

- Resolution of infrastructure, related subsystem, or personnel questions

**Task Assumptions**

- None

#### 4.2.3 Functional Review

Telvent will perform an onsite functional review with DME representatives to review the functionality of Responder by walking through a series of scenarios. These scenarios will include the following processes:

- Receive a call, find the customer record, and enter it into the Call Taking web page in Responder Explorer
- Display the call in Responder Explorer and within ArcMap
- Enter additional calls until the predicted outage device is moved to the transformer feeding the customers and display the changes within Responder Explorer and ArcMap
- Enter additional calls until the predicted outage device is moved to the fuse protecting the branch line feeding the customers and display the changes within Responder Explorer and ArcMap
- Dispatch a crew to the incident and move the incident through the incident workflow to a confirmed outage
- Create a switching plan to restore power to the affected area and execute the switching plan
- Move the incident through the remaining steps of the incident workflow and archive the incident
- Create & View performance metrics reports (CAIDI, CAIFI, SAIDI, SAIFI, etc...)

This review will be performed at both the application level to view the effects on the system from the end user perspective as changes are made and at the database level so that the administrators of the system will have a detailed understanding of how Responder functions.

**Telvent Deliverable(s):**

- Three (3) day onsite Functional Review

**DME Responsibilities:**

- Participation in the Functional Review to gain knowledge of the Responder system

**Task Assumptions**

- None

## 4.3 Responder – Deploy Phase

### 4.3.1 Site Acceptance Testing (SAT)

#### 4.3.1.1 Develop Acceptance Test Plan

DME will develop an Acceptance Plan based on the Responder functionality demonstrated during the Core Team training and the Functional Review. Telvent will provide a checklist of items that should be included in the Acceptance Test Plan for DME to use as a starting point.

**Telvent Deliverable(s):**

- Provide Template Acceptance Plan to DME

**DME Responsibilities:**

- Acceptance Plan

**Task Assumptions**

- None

**4.3.1.2 Review and Comment Acceptance Test Plan**

Telvent will review and comment on the Acceptance Test Plan and approve the plan prior to the start of Acceptance Testing.

**Telvent Deliverable(s):**

- Provide comments on the Acceptance Test Plan within five (5) business days.

**DME Responsibilities:**

- None

**Task Assumptions**

- None

**4.3.1.3 Install & Configure Responder on DME Machines**

Based upon knowledge gained during the configuration task, DME will install Responder client components as needed on client machines and copy the DME configuration files to the client machines based upon Telvent's recommendations and documentation.

**Telvent Deliverable(s):**

- None

**DME Responsibilities:**

- Install Responder DME components and copy client configuration files

**Task Assumptions**

- None

**4.3.1.4 Conduct Site Acceptance Test**

Telvent will provide onsite resources during the test period to address issues as they arise and to provide technical assistance to the team during the testing. DME will perform the SAT following Telvent's testing checklist to ensure that Responder functionality works within DME's environment.

**Telvent Deliverable(s):**

- Onsite SAT Support

**DME Responsibilities:**

- Conduct SAT per Testing Checklist

**Task Assumptions**

- None

**4.3.1.5 Address Acceptance Test Issues**

Telvent will correct any configuration issues that are discovered in the SAT. It is expected that any IT-related issues such as network connectivity or IT system settings will be addressed by DME and Technology Services.

**Telvent Deliverable(s):**

- Correction of configuration issues

**DME Responsibilities:**

- Correction of any IT network or systems issues

**Task Assumptions**

- None

#### 4.3.1.6 Formal Acceptance

This milestone designates DME has completed the testing defined in the Test and Acceptance Plan and formally accepts the implemented system.

**Telvent Deliverable(s):**

- None

**DME Responsibilities:**

- Formal Acceptance per Testing Plan

**Task Assumptions**

- None

#### 4.3.2 Working with Responder Training

Telvent will provide two (2) standard three (3)-day training courses for up to six (6) DME end users in each class. These courses will be standard Working with Responder training courses making use of Minerville data and the standard Responder incident management workflow. The Telvent Trainer will bring a laptop that contains an ArcSDE instance of Minerville to be used during the training classes.

**Telvent Deliverable(s):**

- Lead two (2) separate three (3) day Working with Responder training class for up to six (6) DME staff in each class.

**DME Responsibilities:**

- Attend Responder Training
- Provide training facilities including training hardware

**Task Assumptions**

- None

#### 4.3.3 Responder Deployment Support

##### 4.3.3.1 Go Live with Responder

This milestone designates the project team has completed the preparations, and the system is ready for operational use.

**Telvent Deliverable(s):**

- None

**DME Responsibilities:**

- Begin operational use of Responder system

**Task Assumptions**

- None

#### 4.3.3.2 Production Responder Support

Telvent will provide an offsite technical resource that was involved in the setup and configuration in Denton to work with DME team during the initial two weeks of operational use to resolve any issues, work with users to clarify procedures, and help adjust configuration items as required. Telvent assumes that this person will use remote access to DME's OMS environment or WebEX to assist in any troubleshooting.

**Telvent Deliverable(s):**

- Two (2) weeks of remote support

**DME Responsibilities:**

- None

**Task Assumptions**

- None

## Project Plan

Telvent proposes to perform this work according to the following project schedule and any agreed upon modifications:

ID	Task Name	Month 1			Month 2			Month 3			Month 4			Month 5										
		W-1	W1	W2	W3	W4	W5	W6	W7	W8	W9	W10	W11	W12	W13	W14	W15	W16	W17	W18	W19	W20	W21	
1	1 Upgrade to ArcFM 10.1 and ArcGIS 10.1																							
2	1.1 Project Initiation																							
4	1.2 Data Model Review																							
5	1.3 Upgrade Telvent Custom Components																							
8	1.4 Deployment to Development Support																							
12	1.5 Deployment to Production Support																							
15																								
16	2 ArcFM Server Implementation																							
23																								
24	3 Fiber Manager Installation & Configuration																							
33																								
34	4 Responder Implementation																							
35	4.1 Responder - Design Phase																							
36	4.1.1 Project Kickoff																							
37	4.1.2 Core Team Training																							
38	4.1.3 Integration Requirements																							
63	4.2 Responder - Develop Phase																							
64	4.2.1 Integration Development																							
65	4.2.1.1 IVR Integration Development																							
79	4.2.1.2 CIS Integration Development																							
93	4.2.1.3 SCADA Integration																							
107	4.2.2 Responder Configuration																							
130	4.2.3 Functional Review																							
132	4.3 Responder - Deploy Phase																							
133	4.3.1 Site Acceptance Test (SAT)																							
141	4.3.2 Responder Training																							
143	4.3.3 Responder Deployment Support																							

## Services Quote

Date: 11-Feb-13  
 Quote Number: 2012-2003  
 To: DME

**Receiving Party:** DME

We are pleased to submit the following Fixed Price Quote for:

**ArcFM Upgrade**

**and Optional Services for Responder, ArcFM Server, and Fiber Manager**

### PROPOSED SERVICES

TASK ID	TASK DESCRIPTION	COST
1	ArcFM Upgrade	\$56,319.19
2	ArcFM Server for Silverlight Implementation	\$25,734.92
3	Fiber Manager Implementation	\$23,120.18
	Responder Implementation	
4.1	Rx Design	\$20,540.26
4.2	Rx Develop	\$44,433.26
4.3	Rx Deploy	\$76,371.77
4.4	CIS Integration	\$31,050.07
4.5	IVR Integration	\$27,740.23
4.6	SCADA Integration	\$36,813.86
<b>TOTAL SERVICES COSTS:</b>		<b>\$342,123.75</b>

### OPTIONAL TASKS

		COST
<b>TOTAL OPTIONAL COSTS:</b>		

**Quote is valid for 60 days.**

All rates and costs are quoted in US Dollars and will be billed in US Dollars.

Quote is inclusive of all travel and living expenses for on-site work.

All prices are based on Telvent Utilities Group's standards for services, and do not include duties, levies or fees.

This quotation is made in confidence for your review. It may not be disclosed to third parties, except as required by law.

This offer is limited to the terms and conditions of Telvent Utilities Group's Standard Services Agreement.

Estimate does not include the cost of any third party software required to perform the services.

THE PRICING CONTAINED IN THIS QUOTATION IS BASED UPON TUG'S

STANDARD TERMS AND CONDITIONS AND TUG'S EXPERIENCE WITH

SIMILAR PROJECTS. THE SCHEDULE AND PRICE ARE SUBJECT TO CHANGE

BASED UPON THE TERMS AND CONDITIONS IN THE FINAL AGREEMENT.

**TELVENT USA, LLC  
SOFTWARE LICENSE AGREEMENT**

**Contract No. 2013-404**

This is a License Agreement and not an Agreement for Sale. This License Agreement (Agreement) is between the City of Denton, Texas, a Texas Municipal Corporation (Licensee), whose address is given in Exhibit 1, Registered Licensee Information annexed hereto, and Telvent USA, LLC (Telvent), and gives Licensee certain limited rights to use the proprietary Telvent Software and Related Materials (Software and Related Materials). All rights not specifically granted in this Agreement are reserved to Telvent.

**ARTICLE 1  
DEFINITIONS**

As used herein, the following words, phrases or terms in this Agreement shall have the following meanings:

"Licensed Configuration" means the specific computer networks and/or computer systems where the Software installed and configured as designated by Licensee. Telvent's Software shall be downloaded from the following website url: [http://www.telvent-gis.com/support/download\\_form.shtml](http://www.telvent-gis.com/support/download_form.shtml).

"Software" means all or any portion of Telvent's proprietary software products including backups, merged copies, and updates that may be provided by Telvent under this Agreement.

"Related Materials" means all of the printed materials, user and specification documentation, training documentation, and other material, if any, provided by Telvent for use with respect to the Software.

"Term License" means Software provided to Licensee for a limited period of time to be used for non-production purposes.

**ARTICLE 2  
RESERVATION OF OWNERSHIP AND GRANT OF LICENSE**

**a. Retention of Rights and License Grant.** Telvent retains exclusive title and ownership of the Software and Related Materials licensed under this Agreement. Upon Licensee providing payment in full for the Software, Telvent grants to Licensee a perpetual (unless terminated as provided in Article 6), personal, non-exclusive, nontransferable license to use the Software and Related Materials pursuant to the terms of the Agreement. Licensee shall use reasonable efforts to protect the Software and Related Materials from unauthorized use, reproduction, distribution or publication.

**b. License Management.** Telvent employs a License Manager to limit use of the Software to specific computer networks and/or computer systems. As each configuration of computer networks and/or computer systems may be unique, Licensee agrees to conform its use of the Software to the Licensed Configuration. The Licensed Configuration is incorporated herein by reference, inclusive of any written modifications approved by Telvent. Licensee is required to update its Licensed Configuration to reflect current use of Software for license management purposes.

### **ARTICLE 3 COPYRIGHT**

The Software and Related Materials are owned by Telvent and are protected by United States copyright laws and applicable international treaties and/or conventions. Licensee shall not export the Software and Related Materials into a country that does not have copyright laws that will protect Telvent's proprietary rights.

### **ARTICLE 4 SCOPE OF USE**

**a. Permitted Uses.** The license grant permits the Licensee to do only each of the following:

- Licensee may install the Software onto the computer systems designated by the Licensed Configuration.
- Licensee may use the Software and Related Materials for its internal business and commercial operations only.
- Licensee may access and use any secure Telvent Web site resources made available to Licensee for Licensee's internal use only, provided that Licensee follows Telvent's terms of use policy specified therein. All password or controlled access information provided by Telvent shall be considered confidential information subject to Article 13 below.
- Licensee may make only one copy of the Software for archival purposes unless the right to make additional copies is granted to Licensee in writing by Telvent.

**b. Uses Not Permitted.** The Licensee has no rights to:

- Licensee may not sell, rent, lease, sublicense, lend, time-share or transfer, in whole or in part, or provide unlicensed third parties access to prior or present versions of the Software and Related Materials, including any updates, or Licensee's rights under this Agreement.
- Licensee may not reverse engineer, decompile or disassemble the Software, or make any attempt to unlock or bypass the License Configuration.
- Licensee may not alter, modify or create any derivative works of the Software and Related Materials.

- Licensee may not make additional copies of the Software and Related Materials, except as permitted in Article 4a above.
- Licensee may not remove or obscure any copyright or trademark notices from the Software or Related Materials.

**c. Use By Contractors:** A contractor of Licensee may be permitted to use one or more of the licenses for the Software under the following terms and conditions.

- Contractor refers to a person, not an employee of Licensee, which is contracted by Licensee and authorized to perform construction or other work on Licensee's behalf ("Contractor"). No Contractor shall be an organization engaged in the development, licensing or implementation of a GIS design tool software product unless express written consent is obtained in advance from Telvent.
- No licensing rights will be provided to a Contractor. The Software will remain licensed to Licensee. When Contractors use the Software, Licensee will be responsible for ensuring the use of the Software in accordance with the terms of this Agreement.
- Any Contractor permitted to use the Software by Licensee will use the Software only to perform work on behalf of Licensee. The Software may not be used by the Contractor to perform work for any other third party.
- Licensee will advise each Contractor in writing of the terms of use for the Software. Each Contractor will acknowledge in writing that it understands and will abide by those terms.
- Licensee will require each Contractor to execute a nondisclosure agreement with Licensee in which the Contractor agrees to protect the Software from disclosure to third parties other than the Contractor and its employees.
- Licensee will keep a written record of which Contractors are using the Software. Telvent may audit these records upon request, provided that such audits may not unreasonably interfere with Licensee's business and shall occur only during Licensee's normal hours of operation.
- If a Contractor that is using the Software ceases to perform work for Licensee, then Licensee will ensure that either (a) the Software and any Related Materials that have been provided to the Contractor are returned to Licensee, or (b) the Contractor certifies in writing that it has destroyed all copies of the Software and any Related Materials that have been provided to the Contractor.

Such limits detailed above shall apply to use of either all or a portion of the Software or Related Materials.

## **ARTICLE 5 TERM LICENSES**

**a. Development Licenses.** Telvent offers a Term License for development Software. Development Software may be used for testing, staging, and development purposes only.

Licensee shall not use development licenses in its production environment. A production environment shall be defined as the use of the Software in an environment that includes Licensee's system of record database system for live business operations. Any use of the development Software in a production environment shall be deemed a material breach of the Agreement.

**b. Evaluation Licenses.** Telvent, at its sole discretion, may provide Licensee a Term License for Software to be used for evaluation purposes. Evaluation licenses are to be used in a non-production environment only.

## **ARTICLE 6 TERMINATION**

The right to use the Software and Related Materials may be automatically terminated by Telvent without notice and without refund if Licensee fails to comply with any provision of this Agreement or contributes to any infringement of any proprietary rights in the Software or Related Materials. Upon termination of the Agreement, Licensee shall uninstall and return to Telvent the Software, Related Materials, including any whole or partial copies, codes, modifications, and merged portions in any form. Telvent may require that Licensee provide written certification that the Software has been uninstalled. All provisions which operate to protect the rights of Telvent shall remain in full force and effort after termination of the Agreement.

## **ARTICLE 7 ASSIGNMENT**

Licensee shall not assign this contract or Licensee's rights hereunder without the prior written consent of Telvent. Any purported assignment without such consent shall be null and void.

## **ARTICLE 8 MERGER OR ACQUISITION**

Should Licensee acquire, be acquired by, or merge with another business entity after the date of execution of the Agreement, Licensee shall notify Telvent in writing within a reasonable time. Successor entities shall be subject to the terms of the Agreement or will be required to stop use and return all Software and Related Materials. A separate license agreement (or an addendum to this Agreement) may be required in order to cover additional licenses that may be required due to the merger or acquisition. Licensee will be responsible to update its Licensed Configuration to reflect current use of Software for license management purposes.

## **ARTICLE 9 LIMITED WARRANTY AND DISCLAIMER**

**a. Limited Warranty.** Telvent warrants the unaltered Software and media, under normal use, will conform substantially to the Related Materials and be free from defects in materials and workmanship for a period of ninety (90) days from the date of issue of the software download password or of the license file(s), whichever is first.

**b. General Disclaimer.** EXCEPT FOR THE EXPRESS LIMITED WARRANTY ABOVE, TELVENT DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED,

INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FURTHERMORE TELVENT DOES NOT WARRANT THAT OPERATION OF THE SOFTWARE SHALL BE UNINTERRUPTED, ERROR FREE, OR THAT THE SOFTWARE IS SUITABLE FOR USE IN FAULT-INTOLERANT OPERATIONS. ,

**c. Data Disclaimer.** LICENSEE ASSUMES ALL RESPONSIBILITY FOR THE QUALITY AND ACCURACY OF DATA USED IN CONJUNCTION WITH THE SOFTWARE LICENSED UNDER THIS AGREEMENT. TELVENT MAKES NO WARRANTY WITH RESPECT TO THE DATA. Without limiting the generality of the preceding sentence, Telvent does not warrant that the data will meet Licensee's needs or expectations, the use of the data will be uninterrupted, or that all nonconformities can or will be corrected. Licensee should always verify its data including, but not limited to, map, spatial, raster, and tabular information, against its own records.

**d. Exclusive Remedy.** During the warranty period, Telvent's entire liability and Licensee's exclusive remedy shall be, at Telvent's option, to attempt to correct or work around errors, to replace the Software and Related Materials in accordance with the Telvent Maintenance and Support Policy, or to return the license fees paid and terminate the Agreement. Upon such termination, Licensee will uninstall and return the Software and Related Materials to Telvent and/or provide written certification that the Software has been uninstalled.

## **ARTICLE 10 SOFTWARE MAINTENANCE**

Telvent offers a one-year complimentary maintenance period that begins seven days from the date of issue of the Software download password or of the license file(s), whichever is first. Software maintenance and support beyond the complimentary period is available at the option of Licensee as specified in Telvent's Software Maintenance and Support Policy (please see <http://www.telvent-gis.com/support/maintenance.shtml> for specific terms of reference.) Software maintenance and support, whether during the complimentary maintenance period or during another time period covered under a paid maintenance period, consists of Software and/or Related Materials, updates, and access to technical support and other benefits specified in the most current applicable Telvent Maintenance and Support Policy.

## **ARTICLE 11 LIMITATION OF LIABILITY**

**a. Disclaimer of Certain Types of General Liability.** TELVENT SHALL IN NO EVENT BE LIABLE TO LICENSEE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; BUSINESS EXPENDITURES; INVESTMENTS; OR COMMITMENTS IN CONNECTION WITH ANY BUSINESS, LOSS OF ANY GOODWILL, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR USE OF THE SOFTWARE, OR RELATED MATERIALS, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT TELVENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

**b. Limitation of Liability.** IN NO EVENT SHALL TELVENT'S TOTAL CUMULATIVE LIABILITY HEREUNDER, FROM ALL CAUSES OF ACTION OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY,

BREACH OF WARRANTY, MISREPRESENTATION, OR OTHERWISE, EXCEED THE AMOUNTS PAID TO TELVENT BY LICENSEE FOR SOFTWARE AND/OR RELATED MATERIALS PURSUANT TO THIS AGREEMENT.

## **ARTICLE 12 INDEMNITY AGAINST INFRINGEMENT**

**a. Indemnification.** Telvent, at its own expense, shall defend and indemnify Licensee from all claims that the Software and Related Materials furnished under this Agreement infringe a U. S. Copyright, provided that Licensee gives Telvent prompt written notice of such claims and permits Telvent the sole right to control the defense of all such claims and provides Telvent all reasonable cooperation.

**b. Remedies.** As to any Software and Related Materials that are or in the opinion of Telvent may become subject to a claim of infringement, Telvent, at its option, will obtain the right for Licensee to continue using the Software and Related Materials or replace or modify the Software and Related Materials so as to make them non-infringing. If neither of such alternatives is commercially practical, the infringing items shall be returned to Telvent and Telvent's sole liability shall be to refund license fees paid by Licensee prorated over a five (5) year period.

**c. Alterations by Licensee.** If Licensee extends, alters, modifies, or creates any derivative works of the Software and Related Materials or breaches this Agreement in any way, Telvent will not indemnify nor defend Licensee from any infringement claim resulting from the unauthorized modifications or alterations. Licensee, at its own expense, shall defend and indemnify Telvent from all claims, damages, legal fees, and costs of whatsoever kind or nature arising out of any infringement in connection with Licensees performance of such modification or alteration to the Software and Related Materials.

THIS SECTION STATES TELVENT'S ENTIRE OBLIGATION TO LICENSEE AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR COPYRIGHT INFRINGEMENT.

## **ARTICLE 13 CONFIDENTIALITY**

**a. Confidentiality Requirement.** Licensee acknowledges that the Software and Related Materials constitutes the proprietary and confidential information of Telvent. Without the prior written approval of Telvent, Licensee shall not disclose any confidential information to any third party or allow any person to have access to the Software and Related Materials or any portion thereof except for such of its employees and Contractors who:

- (i) need access to such information for purposes related to their employment with Licensee;
- (ii) have been informed of the Licensee's obligation of confidence under this Agreement; and
- (iii) are subject to either a binding and enforceable agreement with Licensee to be bound by such obligation of confidence or a written agreement of confidentiality directly with Telvent.

**b. Exceptions.** The obligations of this provision shall not apply to information:

- (i) which was in Licensee's possession without any obligation of confidentiality prior to the disclosure thereof by Telvent to Licensee and was not acquired by Licensee directly or indirectly from Telvent;
- (ii) which is or later becomes a matter of public knowledge without any fault or negligence on the part of Licensee;
- (iii) which Licensee receives without any obligation of confidentiality from a third party who is rightfully in possession of such information; or
- (v) which Licensee is required by law to disclose.

**c. Remedies for Breach.** Licensee acknowledges and agrees that disclosure of any of the confidential information of Telvent would cause serious and irreparable harm to Telvent which could not adequately be compensated for in damages and, in the event of a breach, or an anticipated breach, by Licensee of any of the provisions of this Agreement, Licensee hereby consents to an injunction being issued against it restraining it from such anticipated breach or any further breach of such provision (as applicable), but such action shall not be construed so as to be in derogation of any other remedy which may be available in the event of such breach or anticipated breach. Licensee shall immediately notify Telvent of any unauthorized possession, use or knowledge of Telvent's confidential information which becomes known to a responsible officer of Licensee.

## ARTICLE 14 GENERAL PROVISIONS

**a. Export Regulations:** Licensee acknowledges that this Agreement and the performance thereof are subject to compliance with any and all applicable United States laws, regulations, or orders relating to the export of computer software or know-how relating thereto. Telvent Software and Related Materials may be Technical Data under United States export laws. Licensee agrees to comply with all laws, regulations, and orders of the United States in regard to any export of such Technical Data. Licensee agrees not to disclose or re-export any Technical Data received under this Agreement in or to any countries for which the United States government requires an export license or other supporting documentation at the time of export or transfer, unless Licensee has obtained prior written authorization from Telvent and the U. S. Office of Export Control.

**b. Additional Software Licenses:** Additional Software purchased by Licensee shall be governed by the terms and conditions of the Agreement and may be purchased without an amendment.

**c. Severability:** If any provision or portion of a provision of this Agreement is held invalid or unenforceable, the remainder of the Agreement shall not be affected, and the remaining terms will continue in effect and be binding on the Parties, provided that such holding of invalidity or unenforceability does not materially affect the essence of the Agreement.

**d. No Implied Waivers:** No failure or delay by Telvent in enforcing any right or remedy under this Agreement shall be construed as a waiver of any future or other exercise of such right or remedy by Telvent.

**e. Order of Precedence:** Any conflict between the terms of this License Agreement and any Purchase Order or other terms shall be resolved in favor of the terms of this License Agreement.

**f. Governing Law:** This Agreement shall be construed and enforced in accordance with the laws of the State of Colorado without reference to conflict of laws principles.

**g. Entire Agreement and Amendments:** This Agreement and the Attachments, which are incorporated by reference, constitute the sole and entire agreement of the parties as to the matter set forth herein and supersedes any previous agreements, understandings, and arrangements between the parties relating hereto. Except as otherwise expressly provided herein, any Amendments to this Agreement must be in writing and signed by an authorized representative of each party. The attachments are as follows:

Exhibit 1 -- Registered Client Information

IN WITNESS WHEREOF, the parties hereto have executed this Agreement to be effective, valid, and binding upon the parties as of the date below as executed by their duly authorized representatives.

## ADDENDUM 1 Responder Software License Addendum

Licensee and Telvent mutually desire to modify the Agreement to include the Responder Software Site License. Accordingly, this Addendum, when signed by Licensee and Telvent, shall constitute the following modifications to the Agreement.

For the purposes of this Agreement, and with respect to the Responder Software and Related Materials (Responder) only, "Licensee" includes City of Denton, Texas, a Texas Municipal Corporation and its Named Affiliates as identified below. The provisions of this License Agreement and its Addendum do not apply to any other Affiliate or entity. Licensee shall notify Telvent within a reasonable period after Licensee's acquisition of any company who Licensee intends to add to this Agreement pursuant to Articles 6 and 7 below.

### ARTICLE 1 DEFINITIONS

The following definitions are added to the Agreement and are applicable to Responder only:

"Affiliate" means any commercial entity (including any entity acquired or created after the date of this Agreement) which, directly or indirectly, controls, or is controlled by, or is under common control with, Licensee. An entity shall be deemed to control another entity if such entity possesses, either directly or indirectly, the power to direct or cause the direction of the management and policies of such entity, whether through the ownership of voting securities, by contract, or otherwise. Without limiting the foregoing, for purposes of this definition, beneficial ownership of 50% or more of the voting equity of an entity shall be deemed to constitute control of such entity. This Agreement shall only apply to Named Affiliates as described below. Licensee may have Affiliates not named in this Agreement, and for whom this Agreement does not apply. For the purposes of this Agreement, Named Affiliates are: NONE

"Site License" means a license to use software for its intended purpose to manage facilities, plant, and work processes owned by and within the current corporate boundaries of Licensee and its Named Affiliates. It provides authorization to install the software on all or some number of servers for a specified number of users at specified locations as well as make copies of the software for distribution within that jurisdiction. The Site License software is as described in the table below, and at the indicated price for purchase.

### ARTICLE 4 SCOPE OF USE

The following provisions are in addition to those in Article 4 of the Software License Agreement and are applicable Responder only:

**Permitted Uses.** The license grant permits the Licensee to do only each of the following:

- Licensee may use the Responder client Software and Related Materials for its internal business and commercial operations only, limited to the normal electric only outage management and operational tasks for which it is intended.

**Uses Not Permitted.** The Licensee has no rights to:

- Licensee may not use Responder client Software for production data maintenance, mapping, or viewing tasks normally executed through the use of ArcFM or ArcFM Viewer

Such limits shall apply to use of either a portion of or the entire Software or Related Materials.

**Use By Contractors:** A contractor of Licensee ("Contractor"), may be permitted to use one or more of the licenses for the Software under the following terms and conditions:

- The term Contractor refers to a person, not an employee of Licensee, which is contracted by Licensee and authorized to perform construction or other work on Licensee's behalf. No Contractor shall be an organization engaged in the development, licensing or implementation of a GIS design tool software product or Outage Management software product unless express written consent is obtained in advance from Telvent.

## **ARTICLE 6 ASSIGNMENT**

The following provision supersedes Article 6 of the Software License Agreement for the governance of Responder only:

Upon written approval from Telvent, Licensee may assign its rights and obligations hereunder to the other/s affiliate company provided such affiliate company agrees, in writing, to assume such Licensee's rights and obligations under the Agreement. The affiliate company to which the assignment is made will be responsible for payment of any addition in the site license fee, as provided in Article 7 below. As of the effective date of such assignment, the assigning Licensee shall have no further rights, obligations or liability pursuant to this Agreement except its obligation to maintain the confidentiality of the Software and Related Materials.

## **ARTICLE 7 MERGER OR ACQUISITION**

The following provision is added to Article 7 of the Software License Agreement for governance of Responder only:

**Pricing and Payment.** Should merged or acquired affiliate companies, or current or future affiliate companies not named in this Agreement, elect to participate in the Software site license granted hereunder, an equitable adjustment of the site license fee will be made to accommodate the increase in number of copies of Software required. License fees will be billed upon receipt of Software.

Except as modified by this Addendum all other terms in the Agreement and any other previous modifications to the Agreement are incorporated herein by this reference and remain unchanged unless modified by a separate signed modification agreement.

IN WITNESS WHEREOF, the City of Denton, Texas has executed this Agreement in four (4) original counterparts, by and through its duly-authorized City Manager; and Telvent USA LLC, a Delaware limited liability company, having executed this Agreement by and through its duly-authorized undersigned officer, on this the 26th day of July, 2013.

**TELVENT USA LLC  
SMALL UTILITY  
ENTERPRISE LICENSE AGREEMENT**

**Contract No. 2013-402**

This Small Utility Enterprise License Agreement is a License Agreement and not an Agreement for Sale. This Enterprise License Agreement (ELA) is between City of Denton, Texas, a Texas Municipal Corporation (Licensee), whose address is given in Exhibit 1, Registered Licensee Information annexed hereto, and Telvent USA LLC (Telvent) and is effective (Effective Date) as of the date of signature of this ELA and receipt of Licensee's Purchase Order citing this signed ELA. The ELA grants Licensee certain limited rights to use specific proprietary Telvent Enterprise Software and Related Materials (Software and Related Materials) and receive maintenance and support over a limited, fixed period of time from the Effective Date of this ELA. All rights not specifically granted in this ELA are reserved to Telvent.

This ELA constitutes the sole and entire agreement of the parties as to the subject matter set forth herein. This ELA supersedes any different or additional terms or conditions in or with any Licensee Purchase Order and the terms of this ELA shall govern.

This ELA supersedes any previous agreements, proposals, presentations, understandings, and arrangements between the parties relating to the software listed in Exhibit 1, which is the licensing of the Enterprise Software. All other software shall continue to be licensed under the existing Software License Agreement (Contract No. 2003-CoServ) with Telvent. Except as provided in Article 12.b, any modifications or amendments to this ELA must be in writing and signed by an authorized representative of each party.

**ARTICLE 1  
DEFINITIONS**

As used herein, the following words, phrases or terms in this ELA shall have the following meanings:

"Deploy", "Deployed", or "Deployment" means to redistribute and install or the redistribution and installation of the Enterprise Software or its having been redistributed and installed by Licensee on Licensee's hardware.

"Enterprise Software" means the actual copy of all or any portion of the computer programs delivered, inclusive of backups, updates or merged copies of the specific Telvent software products identified in Exhibit 2.

"ELA Fees" means the fees set forth in Exhibit 3, ELA Fee Schedule.

“Hardware Key/License Manager” means the device and/or software program that administers the distribution of the licensed number of Enterprise Software copies of requesting end users.

“Licensed Configuration” means the Licensee’s specific computer networks and/or computer systems which are licensed to use the Software, as designated through the internet website url: [http://www.telvent-gis.com/support/download\\_form.shtml](http://www.telvent-gis.com/support/download_form.shtml).

“Related Materials” means all of the printed materials, user and specification documentation, training documentation, and other material, if any, specifically identified for use in conjunction with the confidential Enterprise Software supplied by Telvent under this ELA.

## ARTICLE 2

### GRANT OF LICENSE AND RESERVATION OF OWNERSHIP

**a. Grant of License and Retention of Rights.** Telvent hereby grants to Licensee a limited term, personal, non-exclusive, nontransferable license to use the Enterprise Software and Related Materials pursuant to the terms and conditions of this ELA. From the date of receipt, Licensee agrees to protect the Enterprise Software and Related Materials from any unauthorized use, reproduction, distribution or publication. Telvent retains exclusive title and ownership of any copy of the Enterprise Software and Related Materials licensed under this ELA.

**b. License Management.** Telvent employs a License Manager to limit use of the licensed Enterprise Software to specific computer networks and/or computer systems. As each configuration of computer networks and/or computer systems may be unique, Licensee agrees to conform its use of the Enterprise Software to the Licensed Configuration. The Licensed Configuration is incorporated herein by this reference, inclusive of any written modifications approved by Telvent. Licensee is required to update its Licensed Configuration to reflect current use of Enterprise Software for license management purposes.

**c. Audit.** The terms and conditions in this Small Utility ELA offer are for utilities with a total customer count that falls between 10,001 and 50,000. By entering into this Agreement, Licensee confirms its organization's customer count falls within this range. During the term of this ELA, Telvent or its designated agent may inspect Licensee’s facilities and records to verify Licensee’s compliance with this ELA. Any such inspection will take place only during Licensee’s normal business hours and upon no less than ten (10) days prior written notice from Telvent. Telvent will give Licensee written notice of any non-compliance with the Licensed Configuration.

## ARTICLE 3

### COPYRIGHT

The Enterprise Software and Related Materials are owned by Telvent and are protected by United States copyright laws and applicable international treaties and/or conventions. Licensee may not export the Enterprise Software and Related Materials into a country that does not have copyright laws that will protect Telvent's proprietary rights.

#### **ARTICLE 4 SCOPE OF USE**

**a. Permitted Uses.** The license grant permits the Licensee to do only each of the following:

- Licensee may install the Enterprise Software onto the computer systems designated by the Licensed Configuration.
- Licensee may use the Enterprise Software and Related Materials for its internal business and commercial operations only.
- Licensee may access and use any secure Telvent website resources made available to Licensee for Licensee's internal use only, provided that Licensee follows Telvent's terms of use policy specified therein. All password or controlled access information provided by Telvent shall be treated as Telvent Confidential Information.
- Licensee may make only one copy of the Enterprise Software for archival and disaster recovery purposes unless the right to make additional copies is granted to Licensee in writing by Telvent.

**b. Uses Not Permitted.** The Licensee has no rights to:

- Licensee may not sell, rent, lease, sublicense, lend, time-share or transfer, in whole or in part, or provide unlicensed Third Parties access to prior or present versions of the Enterprise Software and Related Materials, any updates, or Licensee's rights under this ELA.
- Licensee may not reverse engineer, decompile or disassemble the Software, or make any attempt to unlock or bypass the License Manager.
- Licensee may not alter, modify or create any derivative works of the Enterprise Software and/or Related Materials.
- Licensee may not make additional copies of the Enterprise Software and/or Related Materials.
- Licensee may not remove or obscure any copyright or trademark notices from the Enterprise Software and/or Related Materials.

**c. Use By Contractors:** A contractor of Licensee ("Contractor"), may be permitted to access the Enterprise Software under the following terms and conditions.

- The term "Contractor" refers to a person, not an employee of Licensee, which is contracted by Licensee and authorized to perform construction or other work on Licensee's behalf. No Contractor shall be an organization engaged in the development, licensing or implementation of a GIS design tool software product unless express written consent is obtained in advance from Telvent.
- No licensing rights will be provided to the Contractor. The license will remain licensed to the Licensee. When its Contractors use the Enterprise Software, Licensee will be responsible for ensuring a Contractor's use of the Enterprise Software in accordance with the terms of this ELA, and shall solely liable for any misuse of the Enterprise Software by Contractor.
- Any Contractor permitted to use the Enterprise Software by Licensee will use it for the sole benefit of Licensee, and only while working on-site at Licensee's facilities or by remotely accessing the Enterprise Software from Licensee's on-site computers or machines. The Enterprise Software may not be used by the Contractor to perform work for any other Licensee.
- Licensee will keep a written record of which Contractors are using the Enterprise Software. Telvent may audit these records upon request, provided that such audits may not unreasonably interfere with Licensee's business and shall occur only during Licensee's normal hours of operation.
- If a Contractor that is using the Enterprise Software ceases to perform work for Licensee, then Licensee will ensure that the Contractor discontinues use of and access to the Enterprise Software.

Such limits shall apply to use of either a portion of or the entire Enterprise Software or Related Materials.

## **ARTICLE 5 PAYMENT**

Fees for the Enterprise Software and Related Materials (the "ELA Fees") will be identified in Exhibit 3. ELA Fees are stated in United States Dollars, must be paid in United States Dollars, and, unless otherwise specified in writing, do not include out-of-pocket expenses or shipping costs. Licensee will pay all ELA Fees and expenses, if any, no later than thirty (30) days from the date of an invoice. All ELA Fees are exclusive of Taxes. Licensee will pay Telvent an amount equal to any Taxes arising from or relating to this ELA which are paid by or are payable

by Telvent. "Taxes" means any form of sales, use, value added or other form of taxation and any fines, duties, fees, penalties, surcharges or interest, but excluding any taxes based solely on the net income of Telvent.

## ARTICLE 6 TERM, TERMINATION, AND RENEWAL

**a. Term:** The license granted by this ELA is for a term of three (3) years from the Effective Date, unless this ELA is terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software Deployed shall be concurrent with the term of this ELA. No indefinite or perpetual term license grants are provided with this ELA.

**b. Termination By Government Entity:** For Government owned utilities only, either party may terminate this ELA for Lack of Funds. Lack of Funds is the inability of Licensee to secure appropriation of funds through the legislative or governing body's approval process for annual payments due.

**c. Termination For Cause:** Either party may termination this ELA for a material breach by the other party. The breaching party shall be given a period of ten (10) days from the date of written notice to cure any material breach. Notwithstanding the foregoing, the parties agree that any breach of this ELA may cause irreparable damage and that, in the event of such breach, in addition to any and all remedies at law, Telvent shall have the right to seek an injunction, specific performance, or other equitable relief in any court of competent jurisdiction.

**d. Termination for Convenience.** Should Licensee terminate this ELA for convenience, Licensee will be required to continue paying the ELA Fees for the remainder of the ELA.

**e. Effect of Termination or Expiration:** Upon expiration or termination of this ELA, all Enterprise Software Deployed shall terminate. Licensee shall cease access and use of the Enterprise Software and uninstall, remove, and destroy all Deployed Enterprise Software and any whole or partial copies, modifications, media, or merged portions in any form and execute and deliver evidence of such actions to Telvent. All Enterprise Software maintenance services shall also terminate.

**f. Renewal:** Upon expiration of this ELA, the parties will evaluate Licensee's requirements. Any renewal ELA will be offered in accordance with license terms and conditions and pricing then in effect and based upon Licensee's then current meter count.

## ARTICLE 7 ASSIGNMENT

Licensee shall not assign this ELA or Licensee's rights hereunder without the prior written consent of Telvent. Any purported assignment without such consent shall be null and void.

## ARTICLE 8 MERGER, DIVESTITURE OR ACQUISITION

**a. Merger or Acquisition.** Should Licensee acquire, be acquired by, or merge with another business entity after the date of execution of this License, Licensee shall promptly provide written notice to Telvent. Any entities merged with or acquired by Licensee may join the ELA as additional users upon mutual written agreement of the parties only if the new cumulative meter count does not exceed the maximum meter count to qualify for the Small Utility ELA program. If the new cumulative meter count moves Licensee into a higher pricing tier within the Small Utility ELA program, an increase in the ELA Fees will be negotiated by the parties. If the new cumulative meter count exceeds the limit for the Small Utility ELA program, this ELA shall be considered terminated and a new pricing model shall be negotiated and applied.

**b. Divestiture.** Should any portion of the Licensee's organization be sold or divested, all Enterprise Software and/or Related Materials used by the divested entity must either be uninstalled or transferred to the Licensee in a prompt manner. If the divested entity wishes to continue using any portion of the Enterprise Software, Telvent and the divested entity shall enter into a mutually agreed upon agreement between the parties. Additional fees shall apply to the continued use of the Enterprise Software by the divested entity.

## ARTICLE 9 LIMITED WARRANTY AND DISCLAIMER

**a. Limited Warranty.** Telvent warrants that the unaltered Enterprise Software and media, under normal use, will conform substantially to the Related Materials and will be free from defects in materials and workmanship for a period of ninety (90) days from the date of issue of the software download password or of the license file(s), whichever is first.

**b. General Disclaimer.** EXCEPT FOR THE EXPRESS LIMITED WARRANTY ABOVE, Telvent DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE ENTERPRISE SOFTWARE AND RELATED MATERIALS.

**c. Data Disclaimer.** LICENSEE ASSUMES ALL RESPONSIBILITY FOR THE QUALITY AND ACCURACY OF DATA USED IN CONJUNCTION WITH THE SOFTWARE LICENSED UNDER THIS ELA. TELVENT MAKES NO WARRANTY WITH RESPECT TO THE DATA. Without limiting the generality of the preceding sentence, Telvent does not warrant that the data will meet Licensee's needs or expectations, the use of the data will be uninterrupted, or that all nonconformities can or will be corrected. Licensee should always verify its data including, but not limited to, map, spatial, raster, and tabular information, against its own records.

**d. Internet Disclaimer.** THE PARTIES EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE INTERNET IS A NETWORK OF PRIVATE AND PUBLIC NETWORKS, AND THAT (i) THE INTERNET IS NOT A SECURE INFRASTRUCTURE, (ii) THE PARTIES HAVE NO CONTROL OVER THE INTERNET, AND (iii) NONE OF THE PARTIES SHALL BE LIABLE FOR DAMAGES UNDER ANY THEORY OF LAW RELATED TO THE DISCONTINUANCE OF OPERATION OF ANY PORTION OF THE INTERNET OR POSSIBLE REGULATION OF THE INTERNET THAT MIGHT RESTRICT OR PROHIBIT THE OPERATION OF THE WEB SERVICES.

**e. Exclusive Remedy.** During the warranty period, Telvent's entire liability and Licensee's exclusive remedy shall be, at Telvent's option, to attempt to correct or work around errors, to replace the Enterprise Software and Related Materials in accordance with the Telvent Maintenance and Support Policy, or to return the license fees paid and terminate the ELA upon the Licensee uninstalling and returning the Enterprise Software and Related Materials to Telvent with a copy of Licensee's receipt.

## **ARTICLE 10 ENTERPRISE SOFTWARE MAINTENANCE**

ELA Maintenance for Enterprise Software provided under this ELA is included with the ELA Fee. ELA Maintenance consists of Enterprise Software and/or Related Materials, updates, and access to technical support and other benefits specified in the Telvent Maintenance Support Services Policy (please see <http://www.telvent-gis.com/support/maintenance.shtml> for specific terms of reference), as modified by this Article 9. Notwithstanding the foregoing, any terms and conditions included in the Maintenance Support Services Policy, especially those related to price, term and renewal, that differ from those contained herein, shall not apply to the ELA Maintenance. This ELA takes precedence over the Maintenance Support Services Policy.

▪ **Tier 1 Support Provided by Licensee**

- (1) Licensee shall provide Tier 1 Support through the Tier 1 Help Desk to all Licensees authorized users.
- (2) The Tier 1 Help Desk shall use analysts fully trained in the Enterprise Software they are supporting.
- (3) At a minimum, Tier 1 Support shall include those activities that assist the user in resolving how-to and operational questions as well as questions on installation and troubleshooting procedures.
- (4) Tier 1 Support analysts shall be the initial points of contact for all questions and Incidents. Tier 1 Support analysts shall obtain a full description of each reported Incident and the system configuration from the Licensee. This may include obtaining any customizations, code samples, or data involved, if applicable, to the Incident. The analyst shall also use any other information and databases it may develop to satisfactorily resolve Incidents.

- (5) If the Tier 1 Help Desk can not resolve the Incident, an authorized Tier 1 Help Desk individual may contact Telvent Technical Support. The Tier 1 Help Desk shall provide support in such a way as to minimize repeat calls and make solutions to problems available to Licensees.
- (6) Tier 1 Help Desk individuals identified by Licensee are the only individuals authorized to contact Telvent directly for Tier 2 Support. Licensee may revise named individuals by written notice.

▪ **Tier 2 Support Provided by Telvent**

- (1) Telvent shall log the calls received from the Tier 1 Help Desk individuals.
- (2) Telvent shall attempt to resolve the Incidents by assisting the Tier 1 Help Desk individuals.
- (3) When the Incident is resolved, Telvent shall communicate the information to the Tier 1 Help Desk individuals, and the Tier 1 Help Desk shall disseminate the resolution to the Licensee.
- (4) Telvent may, at Telvent's sole discretion, make patches, hot fixes, or updates available for downloading from Telvent's web site or deliver them on via email.

## **ARTICLE 11 LIMITATION OF LIABILITY**

**a. Disclaimer of Certain Types of General Liability.** Telvent SHALL IN NO EVENT BE LIABLE TO LICENSEE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; BUSINESS EXPENDITURES; INVESTMENTS; OR COMMITMENTS IN CONNECTION WITH ANY BUSINESS, LOSS OF ANY GOODWILL, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS ELA OR USE OF THE ENTERPRISE SOFTWARE, OR RELATED MATERIALS, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT Telvent HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

**b. Limitation of Liability.** FOR ALL EVENTS AND CIRCUMSTANCES, Telvent'S TOTAL CUMULATIVE AND AGGREGATE LIABILITY ARISING OUT OF THIS ELA, FROM ALL CAUSES OF ACTION OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), STRICT LIABILITY, BREACH OF WARRANTY, MISREPRESENTATION, OR OTHERWISE, WILL BE LIMITED TO DIRECT DAMAGES AND SHALL NOT EXCEED THE AMOUNTS PAID TO Telvent DURING THE TWELVE (12) MONTHS PRECEDING THE FIRST EVENT GIVING RISE TO LIABILITY.

## **ARTICLE 12 INDEMNITY AGAINST INFRINGEMENT**

**a. Indemnification.** Telvent, at its own expense, shall (i) defend Licensee against a Claim and (ii) pay costs, damages and/or attorneys fees that are included in a final judgment against Licensee (without right of appeal) or in a settlement approved by Telvent that are attributable to an unaffiliated third party's claim that the Enterprise Software and Related Materials furnished under this ELA infringe a U. S. Copyright ("Claim"). As conditions precedent to Telvent's obligations to Licensee under Article 12a., Licensee must comply with the following conditions. Licensee must (1) notify Telvent promptly, but in no event later than ten (10) days of receipt of any Claim for which relief is sought under this ELA (including evidence of the Claim brought); (2) provide Telvent with the right to control and conduct the defense of the Claim with counsel of its choice and to settle such Claim at Telvent's sole discretion; and (3) cooperate with Telvent in the defense of the Claim.

**b. Remedies.** As to any Enterprise Software and Related Materials that are or in the opinion of Telvent may become subject to a claim of infringement, Telvent, at its option, will obtain the right for Licensee to continue using the Enterprise Software and Related Materials or replace or modify the Enterprise Software and Related Materials so as to make them non-infringing. If Telvent determines that neither remedy is commercially practical, then Telvent may terminate the ELA without further liability under this paragraph, and if the infringing items are returned to Telvent, Licensee shall be refunded the ELA fees, prorated over a three year period.

**c. Alterations by Licensee.** If Licensee extends, alters, modifies, or creates any derivative works of the Enterprise Software and Related Materials or breaches this ELA in any way, Telvent will not indemnify nor defend Licensee from any infringement claim resulting from any of these modifications or alterations. Licensee, at its own expense, shall defend and indemnify Telvent from all claims, damages, legal fees, and costs of whatsoever kind or nature arising out of any infringement in connection with Licensees performance of such modification or alteration to the Enterprise Software and Related Materials.

THIS SECTION STATES Telvent'S ENTIRE OBLIGATION TO LICENSEE AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR COPYRIGHT INFRINGEMENT.

### ARTICLE 13 GENERAL PROVISIONS

**a. Export Regulations:** Licensee acknowledges that this ELA and the performance thereof are subject to compliance with any and all applicable United States laws, regulations, or orders relating to the export of computer software or know-how relating thereto. Telvent Enterprise Software and Related Materials may be Technical Data under United States export laws. Licensee agrees to comply with all laws, regulations, and orders of the United States in regard to any export of such Technical Data. Licensee agrees not to disclose or re-export any Technical Data received under this ELA in or to any countries for which the United States government requires an export license or other supporting documentation at the time of export or transfer, unless Licensee has obtained prior written authorization from Telvent and the U. S. Office of Export Control.

**b. Future Versions:** Updated or new Enterprise Software may require additional or revised terms and conditions. Telvent will provide notice of the revisions to Licensee in writing. The revisions shall be incorporated into this ELA upon such written notice to Licensee. Should Licensee reject the revisions, then Licensee shall not install or use the revised, updated, or new Enterprise Software.

**c. OEM Licenses:** If Licensee obtains Software or Related Materials or any component thereof as part of an original equipment manufacturer (OEM) software program or product developed and licensed by an OEM business partner of Telvent, Licensee shall not be entitled to or seek any discount from the OEM business partner or Telvent, directly or indirectly, as a result of or based on the availability of such Software or Related Materials, as Enterprise Software under this ELA. In addition, such Software and Related Materials, or any component thereof included in the OEM software program or product will be licensed through the license agreement provided by the OEM business partner and not through this ELA.

**d. Product Obsolescence.** During the term of this ELA, some Enterprise Software items may become obsolete, may no longer be commercially offered, or may no longer be available for unlimited quantity Deployment. Licensee may continue to use such Enterprise Software that has been Deployed for the term of the ELA, but updates for such obsolete Enterprise Software may not be available. Telvent's Product Life Cycle Support Policy, available at <http://www.telvent-gis.com/support/SupportLifeCycleandPolicy.pdf> defines the support phases and overall support plans. ELA Maintenance shall be subject to the Product Life Cycle Support Policy.

**e. Purchase Orders:** Licensee shall issue a Purchase Order upon execution of the ELA and annually thereafter in accordance with the payment schedule. Payment shall be due and payable within thirty (30) days of the anniversary date of the Effective Date, with the initial payment due within thirty (30) days of execution of the ELA. All Purchase Orders shall include the following language "THIS PURCHASE ORDER IS GOVERNED BY THE TERMS AND CONDITIONS OF THE Telvent SMALL UTILITY ELA, AND ANY DIFFERENT OR ADDITIONAL TERMS AND CONDITIONS IN OR WITH THIS PURCHASE ORDER SHALL NOT APPLY".

**f. Endorsement and Publicity:** This ELA shall not be construed or interpreted as an exclusive dealings agreement or an endorsement of Telvent by Licensee. Licensee agrees that upon execution of this ELA, Telvent may publicize the existence of this ELA with Licensee.

**g. Severability:** If any provision or portion of a provision of this ELA is held invalid or unenforceable, the remainder of the ELA shall not be affected, and the remaining terms will continue in effect and be binding on the Parties, provided that such holding of invalidity or unenforceability does not materially affect the essence of the ELA.

**h. No Implied Waivers:** No failure or delay by Telvent in enforcing any right or remedy under this ELA shall be construed as a waiver of any future or other exercise of such right or remedy by Telvent.

**i. Order of Precedence:** Any conflict between the terms of this ELA and any Purchase Order or other terms shall be resolved in favor of the terms of this ELA.

**j. Governing Law:** This ELA, entered into in the County of Larimer, shall be construed and enforced in accordance with, and be governed by, the laws of the State of Colorado without reference to conflict of laws principles. The parties hereby consent to the personal jurisdiction of the courts of this county and waive their rights to change venue.

**k. Survival.** If this ELA is terminated for any reason, Articles 2, 3, 5, 9b, and 11 of this ELA will survive such termination.

**l. Entire Agreement and Amendments:** This ELA and the Attachments, which are incorporated by reference, constitute the sole and entire agreement of the parties as to the matter set forth herein and supersedes any previous agreements, understandings, and arrangements between the parties relating hereto. Except as otherwise expressly provided herein, any Amendments to this ELA must be in writing and signed by an authorized representative of each party. The attachments are as follows:

Exhibit 1 -- Registered Client Information

Exhibit 2 -- Enterprise Software

Exhibit 3 -- ELA Fees Schedule

IN WITNESS WHEREOF, the parties hereto have executed this ELA to be effective, valid, and binding upon the parties as of the date below as executed by their duly authorized representatives.

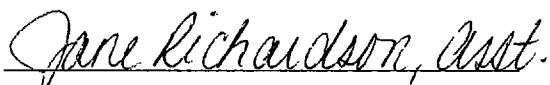

IN WITNESS WHEREOF, the City of Denton, Texas has executed this Agreement in four (4) original counterparts, by and through its duly-authorized City Manager; and Telvent USA LLC, a Delaware limited liability company, having executed this Agreement by and through its duly-authorized undersigned officer, on this the 26th day of July, 2013.

### **Enterprise Software**

The ELA includes unlimited quantities of the following Telvent proprietary software:

- ArcFM
- ArcFM Viewer
- Designer
- Designer Staker
- Designer Express
- Conduit Manager
- Network Adapter
- Fiber Manager
- ArcFM Viewer with Redliner
- ArcFM Viewer with Inspector
- ArcFM Server Standard
- ArcFM Geodatabase Manager

Any additional Telvent software that is not included in the list above that Licensee wishes to obtain during the term of this ELA, whether such software exists at the time of signing this ELA or not, shall be available to Licensee under a separate agreement and at an additional price.

**Exhibit 3**  
**ELA Fees Schedule**

Licensee shall pay the following ELA Fees for the duration of the agreement. Payment for each year shall be due within 30 days of receipt of an invoice from Telvent.

	Year 1	Year 2	Year 3	Total
<b>Total Annual Fee</b>	\$25,000	\$25,000	\$25,000	\$75,000

ORDINANCE NO. 2016-322

AN ORDINANCE OF THE CITY OF DENTON, TEXAS PROVIDING FOR, AUTHORIZING, AND APPROVING THREE (3) YEAR SOFTWARE MAINTENANCE FOR CONTINUED VENDOR SUPPORT OF THE DENTON MUNICIPAL ELECTRIC (DME) ARCFM SOLUTION AND ASSOCIATED SOFTWARE MODULES ALONG WITH NEW HARDWARE AND SOFTWARE UPGRADES, WHICH IS AVAILABLE FROM ONLY ONE SOURCE AND IN ACCORDANCE WITH CHAPTER 252.022 OF THE TEXAS LOCAL GOVERNMENT CODE SUCH PURCHASES ARE EXEMPT FROM THE REQUIREMENTS OF COMPETITIVE BIDDING; AND PROVIDING AN EFFECTIVE DATE (FILE 5770 AWARDED TO TELEVENT USA, LLC FOR A THREE (3) YEAR NOT-TO-EXCEED AMOUNT OF \$129,401).

WHEREAS, Section 252.022 of the Local Government Code provides that procurement of items that are only available from one source, including; items that are only available from one source because of patents, copyrights, secret processes or natural monopolies; films, manuscripts or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids; and

WHEREAS, the City Council wishes to procure one or more of the items mentioned in the above paragraph; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The following purchase of materials, equipment or supplies, as described in the "File" listed hereon, and on file in the office of the Purchasing Agent, are hereby approved:

<u>FILE</u> <u>NUMBER</u>	<u>VENDOR</u>	<u>AMOUNT</u>
5770	Televent USA, LLC	\$129,401

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including, items that are only available from one source because of patents, copyrights, secret processes or natural monopolies; films, manuscripts or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids.

SECTION 3. The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

SECTION 4. The City Manager is hereby authorized to execute any contracts relating to the items specified in Section 1 and the expenditure of funds pursuant to said contracts is hereby authorized.

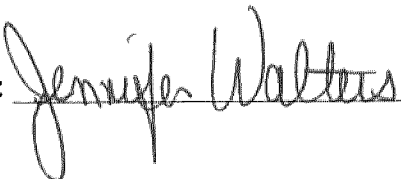

SECTION 5. The City Council of the City of Denton, Texas hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under File 5770 to the City Manager of the City of Denton, Texas, or his designee.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

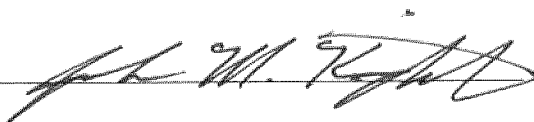

PASSED AND APPROVED this the 18 day of OCTober, 2016.

### Small Utility Enterprise License Agreement City of Denton, Texas, a Texas Municipal Corporation Amendment No. 1

In accordance with the terms and conditions of the Small Utility Enterprise License Agreement ("Agreement" or "ELA") between City of Denton, Texas, a Texas Municipal Corporation ("Licensee") and Telvent USA LLC ("Telvent"), Contract No. 2013-402, the parties hereby wish to amend the Agreement for the purpose of renewing the Agreement for an additional three-year period. The terms of the Agreement shall be amended as follows.

#### **Article 6, Term, Termination, and Renewal**

The paragraph a. of Article 6 shall be deleted and replaced with the following provision.

- a. **Term:** The license granted by this ELA Amendment 1 is for a period of three (3) years from the Effective Date, unless terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software deployed by Licensee shall be concurrent with the term of this ELA Amendment. No indefinite or perpetual term license grants are provided with this ELA.

For the avoidance of doubt, the Effective Date for Year 1 under this Amendment 1 is August 1, 2016.

#### **Article 13, General Provisions**

The paragraph l. of Article 13 references Exhibit 2 – Enterprise Software and Exhibit 3 – ELA Fees Schedule.

Exhibit 2 – Enterprise Software, shall be deleted and replaced with the following.

The ELA includes unlimited quantities of the following Telvent proprietary software:

- ArcFM
- ArcFM Viewer
- Designer
- Designer Express
- Conduit Manager
- Network Adapter
- Fiber Manager
- ArcFM Viewer with Redliner
- ArcFM Viewer with Inspector
- ArcFM Server Standard
- ArcFM Geodatabase Manager

**Small Utility Enterprise License Agreement  
City of Denton, Texas, a Texas Municipal Corporation  
Amendment No. 2**

In accordance with the terms and conditions of the Small Utility Enterprise License Agreement ("Agreement" or "ELA") between City of Denton, Texas, a Texas Municipal Corporation ("Licensee"), and Telvent USA, LLC ("Telvent"), Contract No. 2013-402, the parties hereby wish to amend the Agreement for the purpose of extending Year 3 for an additional two months. The terms of the Agreement shall be amended as follows.

**Article 6, Term, Termination, and Renewal**

The paragraph a. of Article 6 shall be deleted and replaced with the following provision, with changes shown in italics.

- a. **Term:** The license granted by this ELA Amendment 1 is for a period of *thirty-eight (38) months* from the Effective Date, unless terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software deployed by Licensee shall be concurrent with the term of this ELA Amendment. No indefinite or perpetual term license grants are provided with this ELA.

For the avoidance of doubt, the Effective Date for Year 1 under this Amendment 1 is August 1, 2016.

Exhibit 3 – ELA Fees Schedule, shall be deleted and replaced with the following, with changes shown in italics.

Licensee shall pay the following ELA Fees for the duration of the Agreement. Payment for each year shall be due within 30 days of receipt of an invoice from Telvent.

	<del>Year 1</del> <i>OCTOBER</i> <del>November 1, 2016 –</del> <i>SEPTEMBER 30</i> <del>October 31, 2017</del>	<del>Year 2</del> <i>OCTOBER</i> <del>November 1, 2017 –</del> <i>SEPTEMBER 30</i> <del>October 31, 2018</del>	<del>Year 3</del> <i>OCTOBER</i> <del>November 1, 2018 –</del> <i>SEPTEMBER 30</i> <del>November 30, 2019</del>	Total
<b>Total Annual Fee</b>	\$28,000	\$28,000	\$32,667	\$88,667

All terms and conditions of the Agreement not specifically amended as provided herein shall remain unchanged and in full force and effect.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A THIRD AMENDMENT TO A SOLE SOURCE AGREEMENT BETWEEN THE CITY OF DENTON AND TELVENT USA, LLC, AMENDING THE CONTRACT APPROVED BY CITY COUNCIL ON MAY 7, 2013, IN THE NOT-TO-EXCEED AMOUNT OF \$491,813.75; AMENDED BY AMENDMENTS 1-2 APPROVED BY PURCHASING; SAID THIRD AMENDMENT TO PROVIDE CONTINUED VENDOR SUPPORT OF THE DENTON MUNICIPAL ELECTRIC (DME) ARCFM SOLUTION AND ASSOCIATED SOFTWARE MODULES ALONG WITH NEW HARDWARE AND SOFTWARE UPGRADES; WHICH IS THE SOLE PROVIDER OF THIS SOFTWARE, IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE 252.022, WHICH PROVIDES THAT PROCUREMENT OF COMMODITIES AND SERVICES THAT ARE AVAILABLE FROM ONE SOURCE ARE EXEMPT FROM COMPETITIVE BIDDING; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (FILE 5770 – PROVIDING FOR AN ADDITIONAL THREE (3) YEAR TERM AND THIRD AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$142,000, WITH THE TOTAL CONTRACT AMOUNT NOT-TO-EXCEED \$722,980.75).

WHEREAS, on May 7, 2013, by Ordinance No. 2013-118, the City awarded a contract to Telvent USA, LLC in the amount of \$491,813.75 for the DME GIS Upgrade to Version 10.2.1a; and

WHEREAS, the additional fees under the proposed Third Amendment are fair and reasonable and are consistent with and not higher than the recommended practices and fees applicable to the Provider's profession and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The Third Amendment, increasing the amount of the contract between the City and Telvent USA, LLC, which is on file in the office of the Purchasing Agent, in the amount of One Hundred Forty-Two Thousand Five Hundred and 00/100 (\$142,500) Dollars, is hereby approved and the expenditure of funds therefor is hereby authorized in accordance with said amendment. The total contract amount increases to \$722,980.75.

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including, items that are only available from one source because of patents, copyrights, secret processes or natural monopolies; films, manuscripts or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids.

**SECTION 3.** The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

**SECTION 4.** The City Manager is hereby authorized to execute any contracts relating to the items specified in Section 1 and the expenditure of funds pursuant to said contracts is hereby authorized.

**SECTION 5.** The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or his designee.

**SECTION 6.** This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by KEELY BRIGGS and seconded by JOHN RYAN, the ordinance was passed and approved by the following vote [ 5 - 0 ]:

	<b>Aye</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>
Mayor Chris Watts:	<u>✓</u>	<u>      </u>	<u>      </u>	<u>      </u>

**Small Utility Enterprise License Agreement  
City of Denton, Texas, a Texas Municipal Corporation  
Amendment No. 3**

In accordance with the terms and conditions of the Small Utility Enterprise License Agreement (“Agreement” or “ELA”) between City of Denton, Texas, a Texas Municipal Corporation (“Licensee”), and Telvent USA, LLC (“Telvent”), Contract No. 2013-402, the parties hereby wish to amend the Agreement for the purpose of extending the ELA for an additional three (3) years. The terms of the Agreement shall be amended as follows.

**Article 6, Term, Termination, and Renewal**

The paragraph a. of Article 6 shall be deleted and replaced with the following provision, with changes shown in italics.

- a. **Term:** The license granted by this ELA Amendment 3 is for *an additional three (3) years* from the Effective Date, unless terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software deployed by Licensee shall be concurrent with the term of this ELA Amendment. No indefinite or perpetual term license grants are provided with this ELA.

For the avoidance of doubt, the term of this Amendment 3 shall be from December 1, 2019 through November 30, 2022.

In **Exhibit 2 – Enterprise Software**, the list of Telvent proprietary software to which Licensee shall have access to during the term of this Amendment 3 shall be deleted and replaced with the following:

- |                    |                               |
|--------------------|-------------------------------|
| • ArcFM            | • Fiber Manager               |
| • ArcFM Editor XI  | • ArcFM Viewer with Redliner  |
| • ArcFM Viewer     | • ArcFM Viewer with Inspector |
| • ArcFM Mobile     | • ArcFM Web                   |
| • Designer         | • ArcFM Geodatabase Manager   |
| • Designer XI      |                               |
| • Designer Express | • Wavepoint                   |
| • Network Adapter  | • Conduit Manager             |
| • Responder        | • Responder Adapters          |

**Exhibit 3 – ELA Fees Schedule**, shall be deleted and replaced with the following.

Licensee shall pay the following ELA Fees for the duration of this Amendment 3. Payment for each year shall be due within 30 days of receipt of an invoice from Telvent.

	<b>Year 1</b> <b>December 1, 2019 –</b> <b>November 30, 2020</b>	<b>Year 2</b> <b>December 1, 2020 –</b> <b>November 30, 2021</b>	<b>Year 3</b> <b>December 1, 2021 –</b> <b>November 30, 2022</b>
<b>Total Annual Fee</b>	\$47,500	\$47,500	\$47,500

All terms and conditions of the Agreement not specifically amended as provided herein shall remain unchanged and in full force and effect.

Accepted and Agreed:

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Name Change

From date of execution, Telvent USA, LLC should now be know as Schneider Electric Smart Grid Solutions, LLC. Schneider hereby accepts all rights, title, and interest to the “Contract” described as follows:

Contract approved May 7, 2013, by and between the City of Denton, Telvent USA, LLC for upgrading Denton Municipal Electric (DME)’s geographical information systems (GIS) and related software systems including ARCGIS and ARCFM Database, Responder outage management system (OMS), Fiber Manager, ARCFM for Silverlight, ARCFM Mobile Replication, ARCFM Mobile Inspector and related custom code from Version 10.1 to 10.2.1A; said Contract # 5225 being in the original not to exceed amount of \$491,813.75 and contained the Professional Services Agreement, the Software License Agreement(Contract No. 2013-404), and the Small Utility Enterprise License Agreement (Contract No. 2013-402) (the “ELA”).

Amendments 1 through 3 reference contract #5770 in error. The original contract number is 5225 and was attached to all amendments.

Amendment 1 to the ELA approved October 18, 2016, by and between the City of Denton, Telvent USA, LLC for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; said ELA Amendment 1 being in the additional not to exceed amount of \$84,000 for a total contract not to exceed amount of \$575,813.75.

Amendment 2 to the ELA approved August 7, 2018, by and between the City of Denton, Telvent USA, LLC for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; said ELA Amendment 2 being in the additional not to exceed amount of \$4,667 for a total contract not to exceed amount of \$580,480.75.

Amendment 3 to the ELA approved March 3, 2020, by and between the City of Denton, Telvent USA, LLC to provide continued vendor support of the Denton Municipal Electric (DME) ArcFM Solution and associated software modules along with new hardware and software upgrades; which is the sole provider of this software; said ELA Amendment 3 being in the additional not to exceed amount of \$142,500 for a total contract not to exceed amount of \$722,980.75.

This name change shall become effective as of the date the Consent to Name Change is executed by the City of Denton, which will be signed after this Name Change is executed by the Schneider and shall be binding. In the event of a conflict between this name change and the Contract as it relates to the matters of this name changing, the terms of this name change will control. Otherwise, all terms and conditions of the Contract will remain in full force and effect and likewise apply to this document.

ORDINANCE NO. 22-1504

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A FOURTH AMENDMENT TO A CONTRACT BETWEEN THE CITY OF DENTON AND SCHNEIDER ELECTRIC SMART GRID SOLUTIONS, LLC, FORMERLY TELVENT USA, LLC, AMENDING THE CONTRACT APPROVED BY CITY COUNCIL ON MAY 7, 2013, IN THE NOT-TO-EXCEED AMOUNT OF \$491,813.75; SAID FOURTH AMENDMENT TO CONTINUE TO PROVIDE VENDOR SUPPORT OF THE DENTON MUNICIPAL ELECTRIC (DME) ARCFM SOLUTION AND ASSOCIATED SOFTWARE MODULES ALONG WITH NEW HARDWARE AND SOFTWARE UPGRADES, WHICH IS THE SOLE PROVIDER OF THESE ITEMS, IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE 252.022, WHICH PROVIDES THAT PROCUREMENT OF COMMODITIES AND SERVICES THAT ARE AVAILABLE FROM ONE SOURCE ARE EXEMPT FROM COMPETITIVE BIDDING, AND IF OVER \$50,000, SHALL BE AWARDED BY THE GOVERNING BODY; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (FILE 8048 – PROVIDING FOR A TWO (2) YEAR TERM AND AN ADDITIONAL FOURTH AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$95,000.00).

WHEREAS, on May 7, 2013, by Ordinance No. 2013-118, the City awarded a contract to Telvent USA, LLC, in the amount of \$491,813.75, for the purchase of a Geographic Information/Facilities Management System (GIS) software products for core operations, enhanced web-based GIS, and a new Outage Management System; and

WHEREAS, on October 18, 2016, by Ordinance No. 2016-322, City Council awarded a First Amendment to Telvent USA, LLC, in the amount of \$129,401.00, for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on August 8, 2018, Purchasing awarded a Second Amendment to Telvent USA, LLC, in the amount of \$4,667.00, for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on March 3, 2020, by Ordinance No. 20-498, the City Council awarded a Third Amendment to Telvent USA, LLC, in the amount of \$142,000.00, to provide continued vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on April 8, 2022, Purchasing executed a Name Change with Schneider Electric Smart Grid Solutions, LLC, formally Telvent USA, LLC; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the additional fees under the proposed Fourth Amendment are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees applicable to the Provider's profession, and such fees do not exceed the maximum provided by law; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The Fourth Amendment, increasing the amount of the contract between the City and Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC, which is on file in the office of the Purchasing Agent, in the amount of Ninety-Five Thousand and 00/100 (\$95,000.00), is hereby approved and the expenditure of funds therefor is hereby authorized in accordance with said amendment.

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including items that are only available from one source because of patents, copyrights, secret processes, or natural monopolies; films, manuscripts, or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids.

SECTION 3. The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

SECTION 4. The City Manager is hereby authorized to execute any contracts relating to the items specified in Section 1, and the expenditure of funds pursuant to said contracts is hereby authorized.

SECTION 5. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by Jesse Davis and seconded by Brian Beck, the ordinance was passed and approved by the following vote [7 - 0]:

	Aye	Nay	Abstain	Absent
Mayor Gerard Hudspeth:	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Vicki Byrd, District 1:	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**Small Utility Enterprise License Agreement  
City of Denton, Texas, a Texas Municipal Corporation  
Amendment No. 4**

In accordance with the terms and conditions of the Small Utility Enterprise License Agreement (“Agreement” or “ELA”) between City of Denton, Texas, a Texas Municipal Corporation (“Licensee”), and Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC (“Schneider Electric” or “Telvent”), Contract No. 5770, the parties hereby wish to amend the Agreement for the purpose of extending the ELA for an additional two (2) years and change the contract number from 5770 to 8048. The terms of the Agreement shall be amended as follows.

**Article 6, Term, Termination, and Renewal**

The paragraph a. of Article 6 shall be deleted and replaced with the following provision, with changes shown in italics.

- a. **Term:** The license granted by this ELA Amendment 4 is for *an additional two (2) years* from the Effective Date, unless terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software deployed by Licensee shall be concurrent with the term of this ELA Amendment. No indefinite or perpetual term license grants are provided with this ELA.

For the avoidance of doubt, the term of this Amendment 4 shall be from December 1, 2022 through November 30, 2024.

In **Exhibit 2 – Enterprise Software**, the list of Schneider Electric proprietary software to which Licensee shall have access to during the term of this Amendment 4 shall be as follows:

- |                    |                               |
|--------------------|-------------------------------|
| • ArcFM            | • Fiber Manager               |
| • ArcFM Editor XI  | • ArcFM Viewer with Redliner  |
| • ArcFM Viewer     | • ArcFM Viewer with Inspector |
| • ArcFM Mobile     | • ArcFM Web                   |
| • Designer         | • ArcFM Geodatabase Manager   |
| • Designer XI      |                               |
| • Designer Express | • Wavepoint                   |
| • Network Adapter  | • Conduit Manager             |
| • Responder        | • Responder Adapters          |

**Exhibit 3 – ELA Fees Schedule**, shall be deleted and replaced with the following.

Licensee shall pay the following ELA Fees for the duration of this Amendment 4. Payment for each year shall be due within 30 days of receipt of an invoice from Schneider Electric.

---

	<b>Year 1 December 1, 2022 – November 30, 2023</b>	<b>Year 2 December 1, 2023 – November 30, 2024</b>
<b>Total Annual Fee</b>	\$47,500	\$47,500

For a two year not to exceed amount of \$95,000

This Amendment constitutes the entire agreement between the parties regarding the matters of this Amendment and supersedes all prior and contemporaneous agreements and understandings regarding the matters of this Amendment. In the event of a conflict between this Amendment and the Agreement as it relates to the matters of this Amendment, the terms of this Amendment will control. Otherwise, all terms and conditions of the Agreement not specifically amended as provided herein shall remain unchanged and in full force and effect.

Accepted and Agreed:

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE APPROVAL OF A FIFTH AMENDMENT TO A CONTRACT BETWEEN THE CITY OF DENTON AND SCHNEIDER ELECTRIC SMART GRID SOLUTIONS, LLC, FORMERLY TELVENT USA, LLC, AMENDING THE CONTRACT APPROVED BY CITY COUNCIL ON MAY 7, 2013, IN THE NOT-TO-EXCEED AMOUNT OF \$491,813.75; SAID FIFTH AMENDMENT TO CONTINUE TO PROVIDE VENDOR SUPPORT OF THE DENTON MUNICIPAL ELECTRIC (DME) ARCFM SOLUTION AND ASSOCIATED SOFTWARE MODULES ALONG WITH NEW HARDWARE AND SOFTWARE UPGRADES, WHICH IS THE SOLE PROVIDER OF THESE ITEMS, IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE 252.022, WHICH PROVIDES THAT PROCUREMENT OF COMMODITIES AND SERVICES THAT ARE AVAILABLE FROM ONE SOURCE ARE EXEMPT FROM COMPETITIVE BIDDING, AND IF OVER \$50,000, SHALL BE AWARDED BY THE GOVERNING BODY; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (FILE 8564 – PROVIDING FOR A TWO (2) YEAR TERM AND AN ADDITIONAL FIFTH AMENDMENT EXPENDITURE AMOUNT NOT-TO-EXCEED \$95,000.00).

WHEREAS, on May 7, 2013, by Ordinance No. 2013-118, the City awarded a contract to Telvent USA, LLC, in the amount of \$491,813.75, for the purchase of a Geographic Information/Facilities Management System (GIS) software products for core operations, enhanced web-based GIS, and a new Outage Management System; and

WHEREAS, on October 18, 2016, by Ordinance No. 2016-322, City Council awarded a First Amendment to Telvent USA, LLC, in the amount of \$129,401.00, for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on August 8, 2018, Purchasing awarded a Second Amendment to Telvent USA, LLC, in the amount of \$4,667.00, for vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on March 3, 2020, by Ordinance No. 20-498, the City Council awarded a Third Amendment to Telvent USA, LLC, in the amount of \$142,000.00, to provide continued vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, on April 8, 2022, Purchasing executed a Name Change with Schneider Electric Smart Grid Solutions, LLC, formally Telvent USA, LLC; and

WHEREAS, on August 16, 2022, by Ordinance No. 22-1504, the City Council awarded a Fourth Amendment to Schneider Electric Smart Grid Solutions, LLC, in the amount of \$95,000.00, to provide continued vendor support of the Denton Municipal Electric (DME) ARCFM Solution and associated software modules along with new hardware and software upgrades; and

WHEREAS, this procurement was undertaken as part of the City's governmental function; and

WHEREAS, the additional fees under the proposed Fifth Amendment are fair and reasonable and are consistent with, and not higher than, the recommended practices and fees applicable to the Provider's profession, and such fees do not exceed the maximum provided by law;  
NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The Fifth Amendment, increasing the amount of the contract between the City and Schneider Electric Smart Grid Solutions, LLC, which is on file in the office of the Purchasing Agent, in the amount of Ninety-Five Thousand and 00/100 (\$95,000.00), is hereby approved, and the expenditure of funds therefor is hereby authorized in accordance with said amendment which shall be attached hereto.

SECTION 2. The City Council hereby finds that this bid, and the award thereof, constitutes a procurement of items that are available from only one source, including items that are only available from one source because of patents, copyrights, secret processes, or natural monopolies; films, manuscripts, or books; electricity, gas, water and other utility purchases; captive replacement parts or components for equipment; and library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials; and need not be submitted to competitive bids.

SECTION 3. The acceptance and approval of the above items shall not constitute a contract between the City and the person submitting the quotation for such items until such person shall comply with all requirements specified by the Purchasing Department.

SECTION 4. The City Manager is hereby authorized to execute any contracts relating to the items specified in Section 1, and the expenditure of funds pursuant to said contracts is hereby authorized.

SECTION 5. The City Council of the City of Denton, hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

SECTION 6. This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

**Small Utility Enterprise License Agreement  
City of Denton, Texas, a Texas Municipal Corporation  
Amendment No. 5**

In accordance with the terms and conditions of the Small Utility Enterprise License Agreement (“Agreement” or “ELA”) between City of Denton, Texas, a Texas Municipal Corporation (“Licensee”), and Schneider Electric Smart Grid Solutions, LLC, formerly Telvent USA, LLC (“Schneider Electric” or “Telvent”), SE Contract No. 2013-402 or Denton Contract No. 8048, the parties hereby wish to amend the Agreement for the purpose of extending the ELA for an additional two (2) years and change the contract number from 8048 to 8564. The terms of the Agreement shall be amended as follows.

---

**Article 6, Term, Termination, and Renewal**

The paragraph a. of Article 6 shall be deleted and replaced with the following provision, with changes shown in italics.

- a. **Term:** The license granted by this ELA Amendment 5 is for *an additional two (2) years* from the Effective Date, unless terminated earlier as provided herein. The term of all licenses and the authorized period of use for all Enterprise Software deployed by Licensee shall be concurrent with the term of this ELA Amendment. No indefinite or perpetual term license grants are provided with this ELA.

For the avoidance of doubt, the term of this Amendment 5 shall be from December 1, 2024 through November 30, 2026.

---

In **Exhibit 2 – Enterprise Software**, the list of Schneider Electric proprietary software to which Licensee shall have access to during the term of this Amendment 5 shall be as follows:

- ArcFM
- Fiber Manager
- Fiber Manager XI
- ArcFM Editor XI
- ArcFM Viewer with Redliner
- ArcFM Viewer
- ArcFM Viewer with Inspector
- ArcFM Mobile
- ArcFM Web
- ArcFM Web XI
- Designer
- Designer XI
- ArcFM Geodatabase Manager
- ArcFM Geodatabase Manager XI
- Designer Express
- Wavepoint

• Responder Adapters

**Exhibit 3 – ELA Fees Schedule**, shall be deleted and replaced with the following.

Licensee shall pay the following ELA Fees for the duration of this Amendment 4. Payment for each year shall be due within 30 days of receipt of an invoice from Schneider Electric.

	Year 1 December 1, 2024 – November 30, 2025	Year 2 December 1, 2025 – November 30, 2026
Total Annual Fee	\$47,500	\$47,500

For a two year not to exceed amount of \$95,000

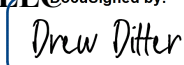

All terms and conditions of the Agreement not specifically amended as provided herein shall remain unchanged and in full force and effect.

Accepted and Agreed:

**CONFLICT OF INTEREST QUESTIONNAIRE - FORM CIQ**

**For vendor or other person doing business with local governmental entity**

**This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

SCHNEIDER ELECTRIC SMART GRID SOLUTIONS, LLC

**2** ☒ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relations hip with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☒

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4** ☒ **I have no Conflict of Interest to disclose.**

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## Legislation Text

---

**File #: PUB24-119, Version: 1**

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance authorizing the City Manager to execute and deliver Supplemental No. 2 to the Standard Utility Agreement ("Agreement") by and between the City of Denton and the Texas Department of Transportation ("TxDOT"), for the reimbursement of design, property acquisition and related services, construction, inspection, project management and other direct costs associated with the adjustment, removal, and/or relocation of water utilities along I-35E from Mayhill to Loop 288 more specifically called the I-35E/Mayhill Utility Relocations Project (Utility ID No. U00008008) for water utility relocation efforts, within the County and City of Denton, Texas; providing for the expenditure of funds not to exceed an increase of One Million, Eight Hundred Thirty-Two Thousand, Six Hundred Thirty-Two and 59/100 dollars (\$1,832,632.59) therefor; and providing an effective date.

---

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Capital Projects/Public Works

**ACM:** Cassandra Ogden

**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance authorizing the City Manager to execute and deliver Supplemental No. 2 to the Standard Utility Agreement (“Agreement”) by and between the City of Denton and the Texas Department of Transportation (“TxDOT”), for the reimbursement of design, property acquisition and related services, construction, inspection, project management and other direct costs associated with the adjustment, removal, and/or relocation of water utilities along I-35E from Mayhill to Loop 288 more specifically called the I-35E/Mayhill Utility Relocations Project (Utility ID No. U00008008) for water utility relocation efforts, within the County and City of Denton, Texas; providing for the expenditure of funds not to exceed an increase of One Million, Eight Hundred Thirty-Two Thousand, Six Hundred Thirty-Two and 59/100 dollars (\$1,832,632.59) therefor; and providing an effective date.

### **BACKGROUND**

In anticipation of the I-35E widening project, the City is responsible for relocating the city owned utilities outside of the newly acquired TxDOT right-of-way. In November 2022, The City and TxDOT entered into an agreement for the water and wastewater utilities to be relocated for the section I-35E/Mayhill section of the project.

Upon completion of the project and an accounting of all costs associated with the relocation efforts, a supplemental agreement is needed by TxDOT to increase the estimated reimbursement amount from \$15,407,417.25 to \$17,240,049.84.

### **RECOMMENDATION**

Staff recommends approval of the Ordinance.

### **PRIOR ACTION/REVIEW (Council, Boards, Commissions)**

On Nov. 15, 2022, The City of Denton authorized the Standard Utility Agreement with TxDOT approving reimbursements in the amount of \$15,407,417.25 – Ordinance No. 22-2391

On Sept. 21, 2023, City Manager authorized Supplemental No. 1 adding the project plan sheets and property interest documentation to the Standard Utility Agreement inadvertently left off in the original City authorization process.

## **ESTIMATED SCHEDULE OF PROJECT**

The City's I-35E/Mayhill Utility Relocation Project was completed in March of 2024.

## **FISCAL INFORMATION**

Reimbursements from TxDOT will be deposited to the I-35E/Mayhill Utility Relocations Project.

## **EXHIBITS**

Exhibit 1 – Agenda Information Sheet

Exhibit 2 – Ordinance and Agreement

Exhibit 3 – Original Agreement and Supplemental No. 1

Respectfully submitted:  
Trevor Crain  
Director of Capital Projects

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE CITY MANAGER TO EXECUTE AND DELIVER SUPPLEMENTAL NO. 2 TO THE STANDARD UTILITY AGREEMENT ("AGREEMENT") BY AND BETWEEN THE CITY OF DENTON AND THE TEXAS DEPARTMENT OF TRANSPORTATION ("TXDOT"), FOR THE REIMBURSEMENT OF DESIGN, PROPERTY ACQUISITION AND RELATED SERVICES, CONSTRUCTION, INSPECTION, PROJECT MANAGEMENT AND OTHER DIRECT COSTS ASSOCIATED WITH THE ADJUSTMENT, REMOVAL, AND/OR RELOCATION OF WATER UTILITIES ALONG I-35E FROM MAYHILL TO LOOP 288 MORE SPECIFICALLY CALLED THE I-35E/MAYHILL UTILITY RELOCATIONS PROJECT (UTILITY ID NO. U00008008) FOR WATER UTILITY RELOCATION EFFORTS, WITHIN THE COUNTY AND CITY OF DENTON, TEXAS; PROVIDING FOR THE EXPENDITURE OF FUNDS NOT TO EXCEED AN INCREASE OF ONE MILLION, EIGHT HUNDRED THIRTY-TWO THOUSAND, SIX HUNDRED THIRTY-TWO AND 59/100 DOLLARS (\$1,832,632.59) THEREFOR; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on November 15, 2022, City Council authorized Ordinance No. 22-2391 for the approval and execution of the Standard Utility Agreement for water utility relocations on project U00008008 in the amount of \$15,407,417.25; and

WHEREAS, the Supplemental No. 2 to the Standard Utility Agreement No. U00008008 for water relocations will increase the reimbursement available to the City by an additional \$1,832,632.59 for all eligible costs associated with the City's I-35E/Mayhill Utility Relocation Project between Mayhill and Loop 288 for a Total Reimbursement of \$17,240,049.84; and

WHEREAS, the City Council having considered the importance of the project to the citizens of Denton and finding that it is in the public's health and safety interest, is of the opinion that it should approve the Agreements; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The recitals contained in the preamble of this ordinance are hereby incorporated into the body of this ordinance are true and correct.

SECTION 2. The City Manager, or designee, is hereby authorized to execute on behalf of the City, Supplemental No. 2 to the Standard Utility Agreement No. U00008008 for water utilities relocations, a copy of which is attached hereto as Exhibit " A" and made a part hereof for all purposes.

SECTION 3. The City Manager, or designee, is authorized to expend funds an amount not to exceed not to exceed One Million, Eight Hundred Thirty-Two Thousand, Six Hundred Thirty-Two And 59/100 Dollars (\$1,832,632.59) for Utility ID No. U0008008.

SECTION 4. The City Manager, or designee, is further authorized to carry out all obligations and duties of the City as set forth in the Agreements.

SECTION 5. That this ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. The ordinance was passed and approved by the following vote [\_\_\_\_ - \_\_\_\_]:

Standard Utility Agreement No. U00008008

I35E-Mayhill Water Utility Relocations

## Standard Utility Agreement Supplemental Agreement No. 2 to U Number N/A Utility ID U00008008

District: Dallas  
ROW Project ID: R00006793  
ROW CSJ: 0196-01-114  
Construction CSJ: 0196-01-109  
Proposed Highway Project Letting Date: 09/01/23 RTL

County: Denton  
Highway: IH 35E  
From: South of Mayhill  
To: South of SL 288

**THIS SUPPLEMENTAL AGREEMENT** by and between the State of Texas ("**State**") and City of Denton ("**Utility**") shall be effective upon the date of acceptance and execution by and on behalf of the **State**.

**WHEREAS**, the **State** and **Utility** executed a Standard Utility Agreement on January 18, 2023 concerning the adjustment, relocation, or removal of certain of the **Utility's** facilities;

**WHEREAS**, said Standard Utility Agreement limits the required scope of work and/or the amount of eligible reimbursement;

**WHEREAS**, due to newly discovered information by the **Utility** deemed sufficient by the **State**, the **State** and **Utility** agree that supplementation to the Standard Utility Agreement is necessary; and

**WHEREAS**, the statement of work contained in the Standard Utility Agreement shall be supplemented to include the reason the supplemental is needed and the change in cost: costs for material over-runs and authorized change orders required for the successful completion of the project, easement acquisition costs over the estimated amount and outside legal counsel costs incurred through the easement acquisition process, and Buy America Attachment A items 49, 51, 52, 53 and 54 fall under small service PVC lines / small fittings section and are not applicable to the Buy America requirement, which is more specifically shown in **Utility's** plans, specifications, estimated costs, and schedule, which are attached to this supplemental agreement as Attachment "A."

### NOW, THEREFORE, BE IT AGREED:

The statement of work contained in the Standard Utility Agreement is supplemented to include the additional adjustment, relocation, or removal found in Attachment "A."

The estimated cost of the adjustment, relocation, or removal is ☒ increased or ☐ decreased to a total of \$17,240,049.84, or ☐ no change to the Total Cost Estimate. The parties agree that the approval of estimated costs in no way indicates the eligibility of said costs for reimbursement.

All conditions and agreements contained in the Standard Utility Agreement, except those specifically included in this document, remain in effect.

The signatories to this agreement warrant that each has the authority to enter into this agreement on behalf of the party represented.

## Attachment “A” Plans, Specifications, and Estimated Costs

☐ Not Applicable

All material items within the cost estimate that must meet Buy America or Steel and Iron Preference Provision requirements must be indicated with an asterisk (\*).

- ☐ Currently, **this project does not plan to use** iron and steel subject to Buy America requirements. In the event that Buy America regulated materials are used during the construction of this project, compliance documentation will be provided.
- ☐ There are non-domestic iron and steel materials in this project that fall under the De Minimis equation. Calculations showing the total cost does not exceed one-tenth of one percent (0.1 %) of the individual utility agreement amount or \$2,500.00, whichever is greater is required.
- ☒ We understand the Buy America Compliance Requirements for iron and steel and will supply the required documentation to TxDOT indicating compliance with this provision. The following documents will be supplied prior to the installation of the materials:

- 1) Form 1818 - Material Statement
- 2) Material Test Reports or Certifications

## Attachment “B” Accounting Method

☒ Not Applicable

☐ **Actual Cost Method of Accounting**

The Utility accumulates cost under a work order accounting procedure prescribed by the Federal or State regulatory body and proposes to request reimbursement for actual direct and related indirect costs.

☐ **Lump Sum Method of Accounting**

The Utility proposed to request reimbursement based on an agreed lump sum amount supported by a detailed cost analysis.

## Attachment “D” Statement Covering Contract Work

☒ Not Applicable

**Construction Contract:** Complete form ROW-U-48 and ROW-U-48-1 if applicable.

- ☐ The Utility will use its own personnel (supporting documentation will be required at the time of billing, See ROW Utilities Manual, Chapter 11).
- ☐ The Utility will use third party contractors to perform the adjustment and complete the attached ROW-U-48 with ROW-U-48-1 (joint bid), if appropriate. (verification of continuing contract rate sheets or copy of bid tabulation will be required at the time of billing)

### Engineering Contract:

- ☐ The Utility will use its own personnel (supporting documentation will be required at the time of billing, See ROW Utilities Manual, Chapter 11).
- ☐ The Utility will use a consultant contract (verification of fee schedule is required).
- ☐ TxDOT will procure a utility engineering consultant.

ORDINANCE NO. 22-2391

AN ORDINANCE APPROVING THE STANDARD UTILITY AGREEMENTS (“AGREEMENTS”) BY AND BETWEEN THE CITY OF DENTON AND THE TEXAS DEPARTMENT OF TRANSPORTATION (“TXDOT”), FOR THE REIMBURSEMENT OF DESIGN, PROPERTY ACQUISITION AND RELATED SERVICES, CONSTRUCTION, INSPECTION AND PROJECT MANAGEMENT COSTS ASSOCIATED WITH THE ADJUSTMENT, REMOVAL, AND/OR RELOCATION OF BOTH WATER AND WASTEWATER UTILITIES ALONG I-35E FROM MAYHILL TO LOOP 288 MORE SPECIFICALLY CALLED THE I-35E/MAYHILL UTILITY RELOCATIONS PROJECT, WITHIN THE COUNTY AND CITY OF DENTON, TEXAS; AUTHORIZING THE CITY MANAGER, OR THEIR DESIGNEE, TO EXECUTE AND DELIVER THE AGREEMENTS; 1) STANDARD UTILITY AGREEMENT-UTILITY ID NO. U00008008 FOR WATER UTILITY RELOCATION EFFORTS IN THE AMOUNT OF \$15,407,417.25 AND 2) STANDARD UTILITY AGREEMENT-UTILITY ID NO. U00011546 FOR WASTEWATER UTILITY RELOCATION EFFORTS IN THE AMOUNT OF \$1,624,824.00; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, TxDOT has expanded their right-of-way through the I-35E corridor within the Denton City Limits in anticipation of the State’s I-35E Widening project with a current project letting schedule of September 2023; and

WHEREAS, The City of Denton is responsible for relocating the city’s utilities currently located within the recently acquired TxDOT right-of-way; and

WHEREAS, In an effort to meet TxDOT’s anticipated roadway construction schedule, the City’s I-35E/Mayhill Utility Relocation Project will relocate both water and wastewater utilities out of TxDOT’s recently expanded right-of-way between Mayhill and Loop 288; and

WHEREAS, The Water and Wastewater Standard Utility Agreements-Utility ID No.’s U00008008 and U00011546 will reimburse the City for all costs associated with the City’s I-35E/Mayhill Utility Relocation Project between Mayhill and Loop 288 with the exception of the City’s elective betterment where the City has upsized from the equivalent 20-Inch High Density Polyethylene (“HDPE”) water pipe to a 24-Inch HDPE water pipe in anticipation of the City’s continued growth. The cost of this elective betterment including design and construction that will not be reimbursed by TxDOT is \$782,065.00; and

WHEREAS, TxDOT will pay the 90% of eligible costs and hold a 10% retainer of the cost until a final audit is done of the billing/invoicing package(s) submitted by the City of Denton after which TXDOT will release the funds owed and that will be the final payment of the reimbursement amount; and

WHEREAS, the City Council having considered the importance of the project to the citizens of Denton and finding that it is in the public's health and safety interest, is of the opinion that it should approve the Agreements; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The recitals contained in the preamble of this ordinance are hereby incorporated into the body of this ordinance are true and correct.

SECTION 2. The City Manager, or their designee, is hereby authorized to execute on behalf of the City the Water and Wastewater Standard Utility Agreements No's. U00008008 and U00011546, a copy of which is attached hereto as Exhibits " A" and " B " and made a part hereof for all purposes.

SECTION 3. The City Manager, or their designee, is further authorized to carry out all obligations and duties of the City as set forth in the Agreements, including but not limited to the expenditure of funds.

SECTION 4. That this ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by Brian Beck and seconded by Jesse Davis. The ordinance was passed and approved by the following vote [7 - 0]:

	<u>Aye</u>	<u>Nay</u>	<u>Abstain</u>	<u>Absent</u>
Gerard Hudspeth, Mayor:	<u>✓</u>	_____	_____	_____

Mrs. Sara Hensley, City Manager  
City of Denton  
216 E. McKinney St.  
Denton, TX 76201

RE: Approved Standard Utility Agreement – UID: U00008008  
City of Denton  
IH 35E From: South of Mayhill to: South of SL 288  
RCSJ: 0196-01-114 / CCSJ: 0196-01-106  
Federal Project Number: N/A  
Denton County

Dear Mrs. Hensley,

The Texas Department of Transportation is pleased to forward a fully executed copy of the approved Standard Utility Agreement for the above referenced utility relocation project. The Agreement assembly consists of the following:

1. Standard Utility Agreement (Form ROW-U-35)
2. Plans, Specifications, and Estimated Costs (Attachment "A")
3. Accounting Method (Attachment "B")
4. Schedule of Work (Attachment "C")
5. Statement Covering Contract Work (Attachment "D")
6. Utility Joint Use Agreement (Form ROW-U-JUA) (Attachment "E")
7. Eligibility Ratio (Attachment "F")
8. Betterment Calculation and Estimate (Attachment "G")
9. Proof of Property Interest (Attachment "H")

Also attached are the specifications for utility construction including: *"General Utility Installations, Water and Sanitary Sewer Lines, Trench Excavation and Pit Location, Construction of Highway Crossing by Bore, Construction of Highway Crossing by Tunnel, Backfill Specifications, "Buy America" guidelines, and a copy of Form 1818*

Planned construction on the above project requires that utilities, "In Conflict", be relocated or adjusted. This utility adjustment consists of Water Line A: Install approximately 1,172 LF of 24" HOPE water line, 7,002 LF of 20" HOPE, 75 LF of 8" DIP, 63 LF of 12" PVC, 508 LF of 8" PVC, 1,020 LF of 6" PVC and 420 LF of 36" steel casing with carrier pipe and 463 LF of 30" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1793+87 to IH35 Sta 1721+38 and one crossing of Mayhill/State School Road at Sta 20+ 75. Water Line 8: Install approximately 1,079 LF of 8" PVC water line and 72 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1750+24 to IH35 Sta 1739+91. Water Line C: Install approximately 563 LF of 12" PVC water line, and 629 LF of 24" steel casing with carrier pipe crossing IH 35 at IH 35 Sta 1762+66 and Mayhill/State School Road at Sta 10+87. Water Line D: Install approximately 816 LF of 12" PVC water line, 1,672 LF of 8" PVC, 55 LF of 6" PVC and 616 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1832+18 to IH35 Sta 1803+52. Water Line E: Install approximately 1,057 LF of 24" HOPE water line, 60 LF of 8" DIP, and 131 LF of 36" steel

OUR VALUES: People • Accountability • Trust • Honesty

OUR MISSION: Connecting You With Texas

An Equal Opportunity Employer

casing with carrier pipe longitudinal to IH35 from IH35 Sta 1829+23 to IH35 Sta 1817+50. -Approximately 142 LF of 16" water line, 8,387 LF of 14" water line, 1,064 LF of 12" water line, 4,490 LF of 8" water line, 426 LF of 6" water line to be removed. Approximately 320 LF of 14" water line, 799 LF of 12" water line, 72 LF of 8" water line, 36 LF of 6" water line to be abandoned by grout fill. Facilities will be uniformly aligned and installed in accordance with the Utility Accommodation Rules.

City of Denton has submitted a calculated total estimated cost for this adjustment of \$12,353,045.25. Elective betterment is included in the utility plan, and is identified as such in the cost estimate, for this utility adjustment. The cost of elective betterment is estimated to be \$747,065.00 (4.8307%).

Declared salvage of \$5,477.68 is identified in the cost estimate for this utility adjustment.

This adjustment is eligible for state cost participation in accordance with the provisions of 23 CFR 645 A. The eligibility ratio is 100% of eligible costs for the relocation of Utilities on Federal Aid Interstate projects. "Buy America" items have been identified within this agreement.

All quantities in the estimate portion of the agreement are preliminary. Final quantities and participation will be based on the costs of actual work performed.

Subject to Texas Transportation Code Section 203.094, TxDOT may reduce reimbursement to the utility by 10 percent for each 30-day period or portion of a 30-day period by which the relocation exceeds the limit specified in the agreement.

Billing submittals to TxDOT must have a cover letter that includes the following information to facilitate expeditious processing of payments due:

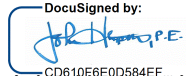

1. Highway Name – RCSJ XXXX XX XXX – Utility Name (U# and/or Utility ID#)
2. Starting and Ending Dates of Construction
3. If applicable, "Buy America" Certification must be notarized and submitted on Material Statement (Form 1818).
4. The Street Address where all records pertaining to this job can be accessed for audit. These records must be maintained for a 3-year minimum from the date of completion.
5. The Utility's 11 Digit Texas Taxpayer Number and 3 Digit Mail Code
6. If applicable, a copy of all Bid Tabulations received.
7. Final or partial invoices must include a detailed itemized billing submittal consistent with the same format as the original estimate. Supporting documentation is also required. If billing submittal deviates significantly from the approved estimate, an explanation will be needed.

The TxDOT Area Engineer (AE) is Travis Campbell, P.E., at the Denton County Area Office. The Area Engineer will be certifying that work was done in accordance with these plans and specifications, and that materials specified, or equivalent have been used. Attention should be paid to backfill, cleanup requirements, and erosion control. These must be accomplished to the satisfaction of the Project Engineer.

The Area Office Utility Coordinator must be notified to arrange a pre-construction meeting 5 working days prior to starting construction. The agenda for this meeting shall include the following: a) Construction Safety, b) Traffic Control Plan, c) Scheduled Project Starting and Completion Dates, and d) Prior to installation, all "Buy America" compliant items must be shown on the Material Statement (Form 1818) with each item's supporting documentation included. The Utility Coordinator for this Area Office is Leonard Chapman (940) 383-1414.

Questions regarding this adjustment may be directed to Jason Lloyd at (214) 320-6623.

Sincerely,

DocuSigned by:

## STANDARD UTILITY AGREEMENT

U Number: N/A Utility ID: U00008008

District: Dallas  
Federal Project No.: N/A  
ROW CSJ: 0196-01-114  
Highway Project Letting Date: 09/01/2023

County: Denton  
Highway: IH 35E  
From: South of Mayhill  
To: South of SL 288

This Agreement by and between the State of Texas, acting by and through the Texas Transportation Commission, ("State"), and City of Denton, ("Utility"), acting by and through its duly authorized representative, shall be effective on the date of approval and execution by and on behalf of the State.

**WHEREAS**, the State has deemed it necessary to make certain highway improvements as designated by the State and approved by the Federal Highway Administration within the limits of the highway as indicated above (the "Highway Project");

**WHEREAS**, the proposed Highway Project will necessitate the adjustment, removal, and/or relocation of certain facilities of the Utility as indicated in the following statement of work:

- Water Line A: Install approximately 1,172 LF of 24" HDPE water line, 7,002 LF of 20" HDPE, 75 LF of 8" DIP, 63 LF of 12" PVC, 508 LF of 8" PVC, 1,020 LF of 6" PVC and 420 LF of 36" steel casing with carrier pipe and 463 LF of 30" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1793+87 to IH35 Sta 1721+38 and one crossing of Mayhill/State School Road at Sta 20+75.
- Water Line B: Install approximately 1,079 LF of 8" PVC water line and 72 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1750+24 to IH35 Sta 1739+91.
- Water Line C: Install approximately 563 LF of 12" PVC water line, and 629 LF of 24" steel casing with carrier pipe crossing IH 35 at IH 35 Sta 1762+66 and Mayhill/State School Road at Sta 10+87.
- Water Line D: Install approximately 816 LF of 12" PVC water line, 1,672 LF of 8" PVC, 55 LF of 6" PVC and 616 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1832+18 to IH35 Sta 1803+52.
- Water Line E: Install approximately 1,057 LF of 24" HDPE water line, 60 LF of 8" DIP, and 131 LF of 36" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1829+23 to IH35 Sta 1817+50.
- Approximately 142 LF of 16" water line, 8,387 LF of 14" water line, 1,064 LF of 12" water line, 4,490 LF of 8" water line, 426 LF of 6" water line to be removed.
- Approximately 320 LF of 14" water line, 799 LF of 12" water line, 72 LF of 8" water line, 36 LF of 6" water line to be abandoned by grout fill.; and more specifically as shown in the Utility's plans, specifications and estimated costs, which are attached hereto as Attachment "A".

**WHEREAS**, the State will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation.

**WHEREAS**, the State, upon receipt of evidence it deems sufficient, acknowledges the Utility's interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work above.

### NOW, THEREFORE, BE IT AGREED:

The State will pay to the Utility the costs incurred in adjustment, removal, and relocation of the Utility's facilities up to the amount said costs may be eligible for State participation.

All conduct under this agreement, including but not limited to the adjustment, removal, and relocation of the facility, the development and reimbursement of costs, any environmental requirements, and retention of records will be in

accordance with all applicable federal and state laws, rules and regulations, including, without limitation, the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act, 42 U.S.C. §§ 4601, et seq., the National Environmental Policy Act, 42 U.S.C. §§ 4321, et seq., the Buy America provisions of 23 U.S.C. § 313 and 23 CFR 635.410, as amended, Texas Transportation Code § 223.045, the Utility Relocations, Adjustments, and Reimbursements provisions of 23 CFR 645, Subpart A, and the Utility Accommodation provisions of 23 CFR 645, Subpart B.

The **Utility** shall supply, upon request by the **State**, proof of compliance with the aforementioned laws, rules, regulations, and guidelines prior to the commencement of the adjustment, removal, and relocation of the facility.

The **Utility** shall not commence any physical work, including without limitation site preparation, on the **State's** right of way or future right of way, until TxDOT provides the **Utility** with written authorization to proceed with the physical work upon TxDOT's completion and clearance of its environmental review of the Highway Project. Any such work by the **Utility** prior to TxDOT's written authorization to proceed will not be eligible for reimbursement and the **Utility** is responsible for entering any property within the proposed limits of the Highway Project that has not yet been acquired by TxDOT. This written authorization to proceed with the physical work is in addition to the authorization to commence work outlined below. Notwithstanding the foregoing, the provisions of this paragraph are required only when TxDOT has not obtained completion and clearance of its environmental review of the Highway Project prior to the execution of this Agreement by the **State** and the **Utility**.

The **Utility** shall comply with the Buy America provisions of 23 U.S.C. § 313, 23 CFR 635.410, as amended, and the Steel and Iron Preference provisions of Texas Transportation Code § 223.045 and, when products that are composed predominately of steel and/or iron are incorporated into the permanent installation of the utility facility, use domestically manufactured products. TxDOT Form 1818 (Material Statement), along with all required attachments, must be submitted, prior to the commencement of the adjustment, removal, and relocation of the facility, as evidence of compliance with the aforementioned provisions. Failure to submit the required documentation or to comply with the Buy America, and Steel and Iron Preference requirements shall result in: (1) the **Utility** becoming ineligible to receive any contract or subcontract made with funds authorized under the Intermodal Surface Transportation Efficiency Act of 1991; (2) the **State** withholding reimbursement for the costs incurred by the **Utility** in the adjustment, removal, and relocation of the **Utility's** facilities; and (3) removal and replacement of the non-compliant products.

The **Utility** agrees to develop relocation or adjustment costs by accumulating actual direct and related indirect costs in accordance with a work order accounting procedure prescribed by the **State**, or may, with the **State's** approval, accumulate actual direct and related indirect costs in accordance with an established accounting procedure developed by the **Utility**. Bills for work hereunder are to be submitted to the **State** not later than one (1) year after completion of the work. Failure to submit the request for final payment, in addition to all supporting documentation, within one (1) year after completion of the work may result in forfeiture of payment for said work.

When requested, the **State** will make intermediate payments at not less than monthly intervals to the **Utility** when properly billed. Such payments will not exceed 90 percent (90%) of the eligible cost as shown in each such billing. Intermediate payments shall not be construed as final payment for any items included in the intermediate payment.

The **State** will, upon satisfactory completion of the adjustment, removal, and/or relocation and upon receipt of final billing prepared in an approved form and manner and accounting for any intermediate payments, make payment in the amount of 90 percent (90%) of the eligible costs as shown in the final billing prior to audit and after such audit shall make an additional final payment totaling the reimbursement amount found eligible for **State** reimbursement.

Alternatively, the **State** agrees to pay the **Utility** an agreed lump sum of \$ N/A as supported by the attached estimated costs. The **State** will, upon satisfactory completion of the adjustments, removals, and relocations and upon receipt of a final billing, make payment to the **Utility** in the agreed amount.

Upon execution of this agreement by both parties hereto, the **State** will, by written notice, authorize the **Utility** to perform such work diligently and to conclude said adjustment, removal, and relocation by the stated completion date which is attached hereto in Attachment "C". The completion date shall be extended for delays caused by events outside the **Utility's** control, including an event of Force Majeure, which shall include a strike, war or act of

war (whether an actual declaration of war is made or not), insurrection, riot, act of public enemy, accident, fire, flood or other act of God, sabotage, or other events, interference by the **State** or any other party with the **Utility's** ability to proceed with the work, or any other event in which the **Utility** has exercised all due care in the prevention thereof so that the causes of other events are beyond the control and without the fault or negligence of the **Utility**.

This agreement in its entirety consists of the following elements:

Standard Utility Agreement – ROW-U-35;

- Plans, Specifications, and Estimated Costs (Attachment "A");
- Accounting Method (Attachment "B");
- Schedule of Work (Attachment "C");
- Statement Covering Contract Work – ROW-U-48 (Attachment "D");
- Utility Joint Use Agreement – ROW-U-JUA and/or Utility Installation Request – Form 1082 (Attachment "E");
- Eligibility Ratio (Attachment "F");
- Betterment Calculation and Estimate (Attachment "G"); and
- Proof of Property Interest – ROW-U-Affidavit (Attachment "H").

All attachments are included herein as if fully set forth. In the event it is determined that a substantial change from the statement of work contained in this agreement is required, reimbursement therefore shall be limited to costs covered by a modification or amendment of this agreement or a written change or extra work order approved by the **State** and the **Utility**.

This agreement is subject to cancellation by the **State** at any time up to the date that work under this agreement has been authorized, and such cancellation will not create any liability on the part of the **State**. However, the **State** will review and reimburse the **Utility** for eligible costs incurred by the **Utility** in preparation of this Agreement.

The State Auditor may conduct an audit or investigation of any entity receiving funds from the **State** directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

The **Utility** by execution of this agreement does not waive any of the rights that the **Utility** may have within the limits of the law.

It is expressly understood that the **Utility** conducts the adjustment, removal, and relocation at its own risk, and that the **State** makes no warranties or representations regarding the existence or location of utilities currently within its right of way.

### Plans, Specifications, and Estimated Costs

All material items within cost estimate that must meet Buy America or Steel and Iron Preference Provision requirements must be indicated with an asterisk (\*).

- ☐ Currently, **we do not have** Buy America required materials planned for this project. In the event that Buy America compliant materials are used during construction on this project, compliance documentation will be provided.
- ☐ There are non-domestic iron and steel materials in this project that fall under the De Minimus equation. Calculation showing the total cost does not exceed one-tenth of one percent (0.1 %) of the individual utility agreement amount or \$2,500.00, whichever is greater is required.
- ☒ We understand the Buy America Compliance Requirements and will supply the required documentation to TxDOT indicating compliance with this provision. The following documents will be supplied prior to installation of the materials:

- 1) Form 1818 - Material Statement
- 2) Material Test Reports or Certifications

Dear Mr. Bur:

The City of Denton

hereby requests portions/portion of the existing utility facility adjustments and/or relocations shown in the attached exhibits to address items outlined in 43 TAC §21.39 to be abandoned in place. With these exhibits, we have taken the following into consideration:

1. Areas of abandonment will not have negative impacts on TxDOT's facilities and/or construction. Areas proposed for abandonment have exhibits included such as Plan/Profile(s), Plan/Cross Section(s), etc.
2. The need for abandonment will benefit TxDOT in the following manner:

It will allow for the City of Denton to clear proposed TxDOT roadway construction in a more timely manner with minimal disruption to the traffic flow along the IH-35E. The city recommends removing all above ground appurtenances, and pipelines under future roadway and TxDOT ROW. The city is proposing to abandon by grout fill all utilities under major roadways (State School, Mayhill, Brinker, Pockrus Page, Wind River, and Regal) as seen in the exhibit below. Abandonment in place will allow for the city's contractor to be out of the way of other utilities attempting to relocate.

3. This abandonment will not impede future installations of other facilities in TxDOT ROW.

The existing 6", 8", 12", 14", and 16" water lines to be abandoned will be adjusted and/or relocated in compliance with TxDOT's UAR.

The existing type of utility facility to be abandoned within TxDOT ROW consist of:

The existing type of utility facility to be abandoned by removal or grout fill is identified as approximately: 142 LF of 16" water line, 8,707 LF of 14" water line, 1,863 LF of 12" water line, 4,562 LF of 8" water line, and 462 LF of 6" water line, as described further on the attached exhibits. The existing waterlines consist of ductile iron, cast iron, PVC, and concrete cylinder pipe, with average bury depths of 5-feet, but varying from 3.5-ft to 10-ft.

These facilities will be adjusted and/or relocated in compliance with TxDOT's UAR.

During the utility adjustment/relocation the vacated facilities\*, shown in the attached exhibits as abandoned in place, will be :

cut, purged, grout filled, and capped. All other facilities conflicting with IH-35E & Mayhill will be removed during construction during excavation stages as indicated in detail within the enclosed plans and supporting documentation.

All other facilities conflicting with above TxDOT Construction Project, if applicable, will be removed during construction during excavation stages as indicated in detail within the enclosed plans and supporting documentation.

The enclosed plans and supporting documentation includes:

1. UIR Installation Request (Permit)
2. Relocation plans in the form of Plan/Profile(s), Plan/Cross Section(s), etc. that includes:
  - Age, condition, size, current status, type (material composition) and length of the utility facility to be abandoned.
  - The approximate depth of the existing pipeline or conduit to be abandoned.
  - Existing pipeline or conduit operating condition (Optimal/Compromised).
  - Existing pipeline or conduit is not in conflict with other existing utilities.
  - Abandonment will not cause conflict with either the proposed construction and/or other utilities.
  - The removal of abandoned facilities as shown will be coordinated in advance with the designated TxDOT Contractor and/or Utility Coordinator in the Area Office.

This abandonment WILL NOT be construed as a change in ownership of the facility.

1. Assumes all financial responsibility and property ownership of the abandoned facility referenced above.
2. Will be responsible for maintaining abandoned facility records, in accordance with 43 TAC §21.39 and all current federal, state, local laws, codes and industry standards.
3. Attests the utility facility associated with this abandonment does not contain, or is not composed of, hazardous or contaminated materials.

RE: Standard Utility Agreement – Supplemental Agreement No. 1 – U00008008  
City of Denton  
IH 35E: From South of Mayhill  
To: South of SL 288  
RCSJ: 0196-01-114/CCSJ: 0196-01-10  
Federal Project Number: N/A  
Denton County

Dear Ms. Hensley,

Attached for your record, and to be made part of the original approved utility agreement, is an executed Standard Utility Agreement – Supplemental Agreement No. 1 – U00008008. This Supplemental Agreement contains the following:

1. Standard Utility Agreement – Supplemental Agreement 1 (Form ROW-U-COA)
2. Update to Attachment A – Inclusion of Utility Adjustment Plans
3. Update to Attachment H – Inclusion of Property Interest Documentation

There is no change to the Total Cost Estimate.

Billing submittals to TxDOT must have a cover letter that includes the following information to facilitate expeditious processing of payments due:

1. Highway Name – RCSJ XXXX XX XXX – Utility Name (U# and/or Utility ID#)
2. Starting and Ending Dates of Construction
3. If applicable, “Buy America” Certification must be notarized and submitted on Material Statement (Form 1818).
4. The Street Address where all records pertaining to this job can be accessed for audit. These records must be maintained for a 3-year minimum from the date of completion.
5. The Utility’s 11 Digit Texas Taxpayer Number and 3 Digit Mail Code
6. If applicable, a copy of all Bid Tabulations received.
7. Final or partial invoices must include a detailed itemized billing submittal consistent with the same format as the original estimate. Supporting documentation is also required. If billing submittal deviates significantly from the approved estimate, an explanation will be needed.

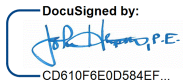

OUR VALUES: *People • Accountability • Trust • Honesty*

OUR MISSION: *Connecting You With Texas*

An Equal Opportunity Employer

Questions regarding this adjustment may be directed to Darla Payberah, P.E. at (214) 320-4436.

Sincerely,

DocuSigned by:

## STANDARD UTILITY AGREEMENT SUPPLEMENTAL AGREEMENT NO. 1 TO U NUMBER N/A UTILITY ID U00008008

District: Dallas  
ROW Project ID: R00006793  
ROW CSJ: 0196-01-114  
Proposed Highway Project Letting Date: 9/1/2023

County: Denton  
Highway: IH 35E  
From: South of Mayhill  
To: South of SL 288

**THIS SUPPLEMENTAL AGREEMENT** by and between the State of Texas ("**State**") and City of Denton ("**Utility**") shall be effective upon the date of acceptance and execution by and on behalf of the **State**.

**WHEREAS**, the **State** and **Utility** executed a Standard Utility Agreement on January 18, 2023 concerning the adjustment, relocation, or removal of certain of the **Utility's** facilities;

**WHEREAS**, said Standard Utility Agreement limits the required scope of work and/or the amount of eligible reimbursement;

**WHEREAS**, due to newly discovered information by the **Utility** deemed sufficient by the **State**, the **State** and **Utility** agree that supplementation to the Standard Utility Agreement is necessary; and

**WHEREAS**, the statement of work contained in the Standard Utility Agreement shall be supplemented to include: Inclusion of plan and profiles in Attachment A, and easement documentation in Attachment H to confirm Utility's property interest, which is more specifically shown in **Utility's** plans, specifications, estimated costs, and schedule, which are attached to this supplemental agreement as Attachment "A."

### NOW, THEREFORE, BE IT AGREED:

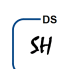

The statement of work contained in the Standard Utility Agreement is supplemented to include the additional adjustment, relocation, or removal found in Attachment "A."

The estimated cost of the adjustment, relocation, or removal is ☐ increased or ☐ decreased to a total of \$ \_\_\_\_\_, or ☒ no change to the Total Cost Estimate. The reason for the increase/decrease: N/A. The parties agree that the approval of estimated costs in no way indicates the eligibility of said costs for reimbursement.

All conditions and agreements contained in the Standard Utility Agreement, except those specifically included in this document, remain in effect.

The signatories to this agreement warrant that each has the authority to enter into this agreement on behalf of the party represented.

TxDOT GENERAL NOTES:

- BY SEALING AND SIGNING THESE PERMIT PLANS AS A PROFESSIONAL CIVIL ENGINEER LICENSED TO PRACTICE IN THE STATE OF TEXAS, I CERTIFY THAT THE PROPOSED DRIVEWAY OR PUBLIC STREET CONNECTION TO THE STATE ROADWAY MEETS OR EXCEEDS THE MINIMUM STOPPING SIGHT DISTANCE REQUIRED FOR A POSTED SPEED OF 45 MILES PER HOUR, BASED ON THE MOST RECENT TxDOT DESIGN MANUAL REQUIREMENTS.
- ALL CONSTRUCTION WITHIN THE STATE RIGHT OF WAY WILL REQUIRE COMPLIANCE TO TxDOT STANDARD SPECIFICATIONS, STANDARD PLANS, AND TEXAS MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES.

OCTOBER 2022

No.	Revision	By	Date
1	PIPE SIZE CHANGE TO REFLECT BID MATERIAL	CP1	10/12/2022

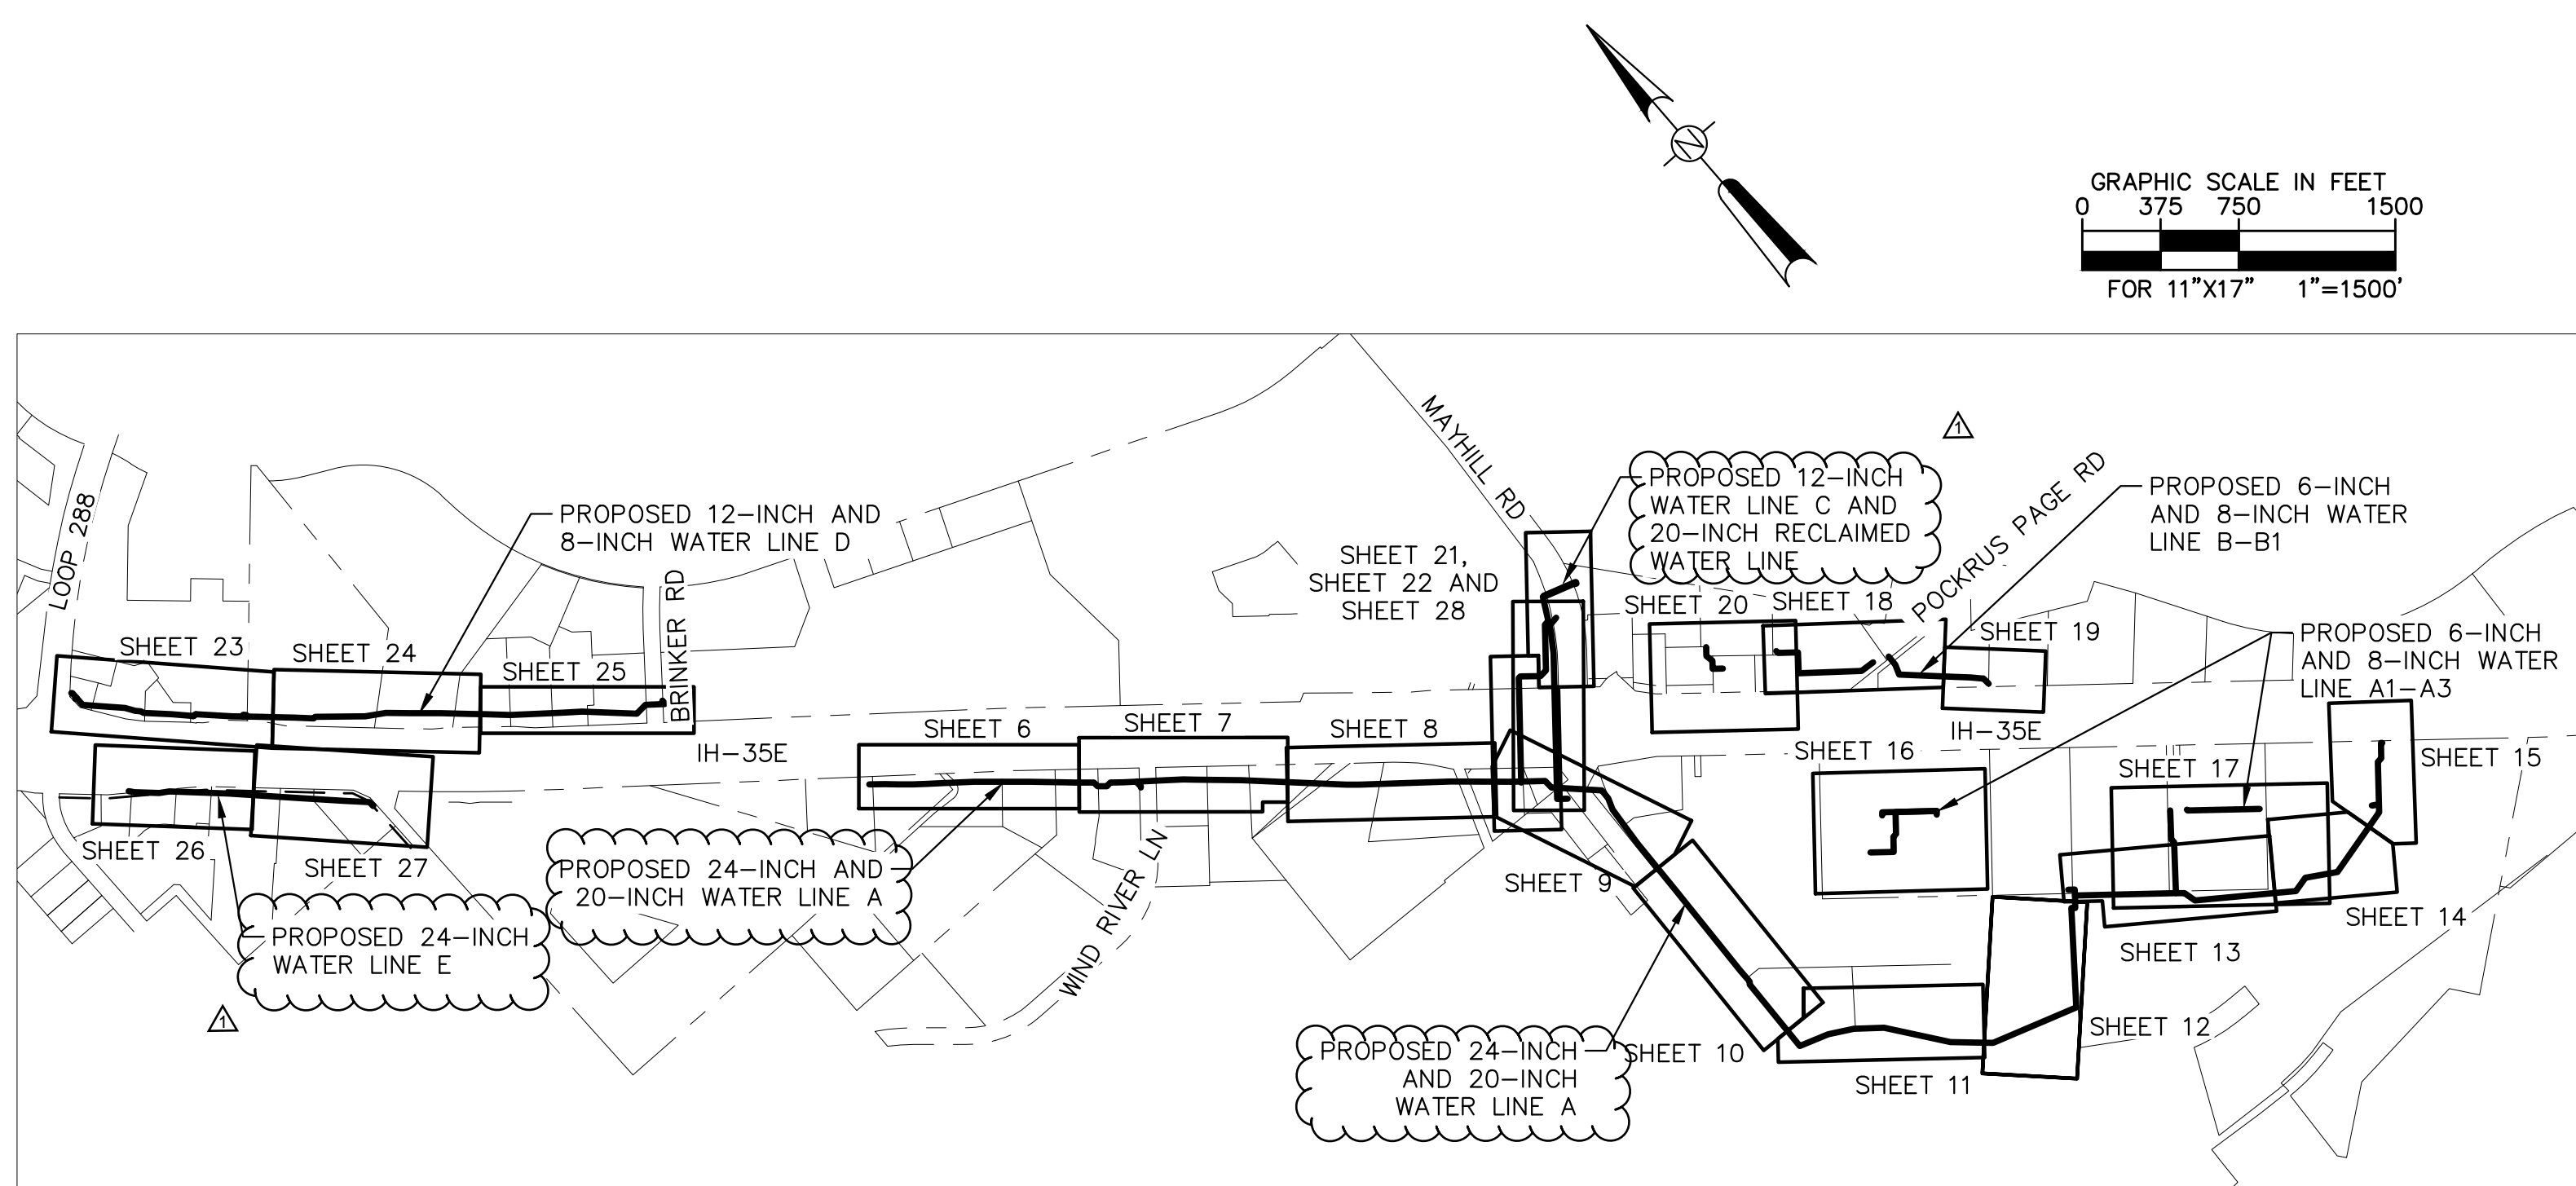

1. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING ALL UTILITIES, WHETHER PRIVATE OR PUBLIC, PRIOR TO EXCAVATION. THE INFORMATION AND DATA SHOWN WITH RESPECT TO EXISTING UNDERGROUND FACILITIES AT OR CONTIGUOUS TO THE SITE IS APPROXIMATE AND BASED ON INFORMATION FURNISHED BY THE OWNERS OF SUCH UNDERGROUND FACILITIES OR ON PHYSICAL APPURTENANCES OBSERVED IN THE FIELD. THE OWNER AND ENGINEER SHALL NOT BE RESPONSIBLE FOR THE ACCURACY OR COMPLETENESS OF ANY SUCH INFORMATION OR DATA; AND, THE CONTRACTOR SHALL HAVE FULL RESPONSIBILITY FOR REVIEWING AND CHECKING ALL SUCH INFORMATION AND DATA (FOR LOCATING ALL UNDERGROUND FACILITIES FOR COORDINATION OF THE WORK WITH THE CITY OF SUCH UNDERGROUND FACILITIES DURING CONSTRUCTION) FOR THE SAFETY AND PROTECTION THEREOF, AND REPAIRING ANY DAMAGE THERETO RESULTING FROM THE WORK. THE COST OF ALL WILL BE CONSIDERED AS HAVING BEEN INCLUDED IN THE CONTRACT PRICE. THE CONTRACTOR SHALL NOTIFY ANY AFFECTED UTILITY COMPANIES OR AGENCIES IN WRITING AT LEAST 48 HOURS PRIOR TO BEGINNING CONSTRUCTION.
2. NOTIFY THE CITY OF DENTON TO LOCATE EXISTING CITY UTILITIES PRIOR TO CONSTRUCTION.
3. CAUTION! BURIED GAS LINES EXIST ALONG THIS PROJECT. CONTACT EXPLORER GAS, THOMAS MARTINEZ (918-493-5104) 48 HOURS PRIOR TO EXCAVATION.
4. CAUTION! BURIED GAS LINES EXIST ALONG THIS PROJECT. CONTACT ATMOS, OMAR CAMPOS (940-380-7463) 48 HOURS PRIOR TO EXCAVATION.
5. CAUTION! BURIED TELEPHONE CABLES EXIST ALONG THIS PROJECT. CONTACT THE APPROPRIATE FRANCHISE 48 HOURS PRIOR TO EXCAVATION: VERIZON (972-318-5260), GTE (940-381-9294), ZAYO (817-665-4702), AND AT&T (817-338-6013).
6. CAUTION! BURIED ELECTRIC CABLES EXIST ALONG THIS PROJECT. CONTACT THE APPROPRIATE FRANCHISE 48 HOURS PRIOR TO EXCAVATION: COSERV (940-321-7800) AND DENTON MUNICIPAL ELECTRIC (940-349-8700).
7. CONSTRUCTION SURVEYING IS THE RESPONSIBILITY OF THE CONTRACTOR. THE CONTRACTOR SHALL VERIFY CONTROL MONUMENTATION PRIOR TO CONSTRUCTION AND SUBMIT DOCUMENTATION OF VERIFICATION TO THE CITY AND ENGINEER.
8. CONTRACTOR SHALL RE-ESTABLISH ANY PROPERTY MARKER, BENCHMARK, ETC. DISTURBED DURING CONSTRUCTION TO ITS ORIGINAL LOCATION AT NO COST TO CITY.
9. ONLY THOSE ITEMS LISTED IN THE BID TABULATION WILL BE MEASURED AND PAID FOR AT THE UNIT PRICE REQUIRED TO COMPLETE THE PROJECT. ALL OTHER WORK SHALL BE CONSIDERED SUBSIDIARY TO THE VARIOUS ITEMS BID, AND NO SEPARATE PAYMENT SHALL BE MADE.
10. THE CONTRACTOR SHALL NOTIFY THE CITY OF DENTON 48 HOURS PRIOR TO START OF ANY CONSTRUCTION.
11. THE CONTRACTOR SHALL NOTIFY LANDOWNERS AT LEAST 48 HOURS PRIOR TO ENTERING PROPERTY.
12. CLEARING AND GRUBBING MAY BEGIN NO SOONER THAN ONE MONTH PRIOR TO PIPE TRENCHING OPERATIONS. PIPE STRINGING SHALL BE NO MORE THAN ONE WEEK PRIOR TO PIPE LAYING. BACKFILL SHALL BE COMPLETED NO MORE THAN ONE DAY AFTER PIPE LAYING. CLEANUP AND SURFACE RESTORATION SHALL BE COMPLETED NO MORE THAN ONE MONTH AFTER PIPE LAYING. THE SITE SHALL BE KEPT CLEAN OF TRASH AT ALL TIMES. FAILURE TO COMPLY WITH THESE REQUIREMENTS MAY RESULT IN WITHHOLDING SOME OR ALL PAYMENT TO THE CONTRACTOR.
13. ALL BARRICADES, WARNING SIGNS, LIGHTS, DEVICES, ETC., FOR THE GUIDANCE AND PROTECTION OF TRAFFIC AND PEDESTRIANS SHALL CONFORM TO THE INSTALLATIONS AND LOCATIONS SHOWN IN THE TEXAS MANUAL OF UNIFORM TRAFFIC CONTROL DEVICES (TMUTCD), AS CURRENTLY AMENDED, AS PUBLISHED BY TEXAS DEPARTMENT OF TRANSPORTATION.
14. CONTRACTOR SHALL MAINTAIN AT LEAST ONE LANE OF TRAFFIC ON ALL OPEN-CUT ROADS AT ALL TIMES, AND CONSTRUCT TEMPORARY BYPASS IF NECESSARY.
15. THE CONTRACTOR SHALL GIVE THE CITY 5 DAYS NOTICE IN ADVANCE OF THE TIME A STREET SIGN IS TO BE REMOVED TO CLEAR CONSTRUCTION OPERATIONS. AT NO TIME WILL THE CONTRACTOR REMOVE OR RELOCATE A STOP OR YIELD SIGN WITHOUT PRIOR APPROVAL BY THE CITY.

1. ALL MATERIALS SHALL USE DOMESTICALLY MANUFACTURED PRODUCTS THAT ARE COMPOSED PREDOMINATELY OF STEEL AND/OR IRON TO INCORPORATE INTO THE PERMANENT INSTALLATION OF THE UTILITY FACILITY - IN COMPLIANCE WITH THE BUY AMERICA PROVISIONS OF 23 CFR 635.410 AS AMENDED.
2. THE CONTRACTOR MAY BE REQUIRED TO USE TEMPORARY PLUGS AND/OR VALVES FOR SEQUENCING OF CONSTRUCTION AND TESTING OF PROPOSED WATER LINES. TEMPORARY PLUGS AND/OR VALVES SHALL BE CONSIDERED SUBSIDIARY TO THE PIPELINE INSTALLATION AND NO SEPARATE PAYMENT SHALL BE MADE.
3. CONTRACTOR SHALL FIELD VERIFY HORIZONTAL AND VERTICAL LOCATIONS OF PROPOSED CONNECTIONS PRIOR TO FABRICATION OF PROPOSED PIPING. VERIFICATION OF TIE-IN LOCATIONS SHALL BE SUBSIDIARY TO CONNECTION BID ITEMS AND NO SEPARATE PAYMENT SHALL BE MADE.
4. ALL OUTLETS, APPURTENANCES, AND FITTINGS FOR DUCTILE IRON PIPE ALTERNATIVE SHALL BE MECHANICAL JOINT, EXCEPT WHERE NOTED OTHERWISE.
5. CORROSION PROTECTION REQUIREMENTS: THE CONTRACTOR WILL BE REQUIRED TO FURNISH AND INSTALL THE FOLLOWING CORROSION PROTECTION SYSTEMS.  
  
DUCTILE IRON PIPE
  - a. A CORROSION CONTROL SYSTEM CONSISTING 8-MIL V-BIO ENHANCED POLYETHYLENE ENCASEMENT, AND ZINC COATED PIPE IN ACCORDANCE WITH ISO 8179-1
  - b. JOINT BONDING
  - c. JOINT ISOLATION AT CONNECTIONS TO EXISTING NON-PVC PIPELINES
  - d. ELECTRICAL ISOLATION AT CASED CROSSINGS
6. SEQUENCING: GENERALLY, THE CONTRACTOR SHALL BEGIN WORK ON WATER LINE D WORKING TOWARDS THE SOUTH DOWN TO THE EAST SIDE OF WATER LINE C AND THEN DOWN TO WATER LINE B. AFTER, CONTRACTOR SHALL MOVE TO THE WEST SIDE OF I-35 AND WORK BACK UP TO THE NORTH, INSTALLING WATER LINE A AND ULTIMATELY WATER LINE E.

1. ALL CONSTRUCTION WITHIN THE STATE RIGHT OF WAY WILL REQUIRE COMPLIANCE TO TxDOT STANDARD SPECIFICATIONS, STANDARD PLANS AND THE TEXAS MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES.
2. SPECIFICATIONS ADOPTED BY THE TEXAS DEPARTMENT OF TRANSPORTATION, NOVEMBER 1, 2014, AND SPECIFICATION ITEMS LISTED AS FOLLOWS SHALL GOVERN ON THIS PROJECT FOR ALL WORK WITHIN THE STATE RIGHT OF WAY.
3. TRAFFIC CONTROL MUST BE MAINTAINED THROUGHOUT THE DURATION OF WORK WITHIN TxDOT ROW.
4. THERE MAY BE TIMES WHERE INTERRUPTION OF A PARTICULAR CONSTRUCTION SEQUENCE MAY BE REQUIRED DUE TO COORDINATION WITH TxDOT OR OTHER UTILITY CONTRACTORS. NO ADDITIONAL PAYMENT WILL BE CONSIDERED FOR SUCH INTERRUPTIONS, DELAYS, RE-MOBILIZATIONS, OR ANY OTHER ACTIVITIES RELATED TO THIS COORDINATION.
5. ALL DISTURBED ROW MUST BE RE-VEGETATED WITH SOD AND MAINTAINED UNTIL VEGETATION IS RE-ESTABLISHED.
6. ALL LANE CLOSURES MUST BE COORDINATED WITH BOTH TxDOT AND MUNICIPALITY INSPECTORS.
7. CONTRACTOR TO CONTACT TxDOT 48 HOURS PRIOR TO BEGIN CONSTRUCTION.
8. CONTRACTOR TO ENSURE MINIMUM DEPTH OF 60" FROM TOP OF CASING TO TOP OF GRADE IN TxDOT ROW AND THAT THE LENGTH OF ANY ENCASEMENT UNDER THE ROADWAY SHALL BE PROVIDED FROM TOP OF BACKSLOPE TO TOP OF BACKSLOPE FOR CUT SECTIONS, 5' BEYOND THE TOE OF SLOPE FOR FILL SECTIONS, AND 5' BEYOND THE FACE OF THE CURB FOR CURB SECTIONS.
9. CONTRACTOR SHALL MAINTAIN A 24" MINIMUM CLEARANCE FROM HIGHWAY STRUCTURES AND ALL OTHER EXISTING UTILITIES (UNLESS MORE IS REQUIRED).

**METER VAULT INSTALLATION NOTES:**

- PIPE, METER SIZE AND VAULT SHALL BE APPROVED BY THE WATER UTILITIES DEPARTMENT DURING REVIEW PROCESS.
- PREFABRICATED OR POURED IN PLACE VAULTS SHALL HAVE PRE CAST-CLASS H OR POURED-CLASS S CONCRETE, REINFORCED WITH MINIMUM #4 O.C.E.W.
- METER VAULT MUST BE LOCATED BEHIND CURB AND OUT OF VEHICLE/PEDESTRIAN TRAFFIC. IN THE WATER UTILITY EASEMENT OR PUBLIC R.O.W. EASEMENT OR R.O.W. AREA MUST ACCOMMODATE A MINIMUM 18" BEYOND EACH SIDE OF THE VAULT. METER VAULT TO BE PLACED IN A PROTECTED GRASSY AREA.
- MAINLINE AND BYPASS VALVES WILL BE RESILIENT SEAT TYPE WITH CORROSION RESISTANT FUSION BONDED EPOXY COATING INSIDE AND OUT. NON-RISING STEM. ALL VALVES IN THE VAULT WILL HAVE HANDWHEELS. CUSTOMER VALVES SHALL BE LOCATED OUTSIDE OF VAULT AND EASEMENTS. ALL VALVES SHALL BE RIGHT-HAND TURN CLOSE.
- ALL METERS SHALL BE EQUIPPED WITH ENCODER REGISTERS AND HAVE TOUCH PADS INSTALLED ON THE LID FOR READING PURPOSES. ALL METERS SHALL BE INSTALLED WITH STRAINERS ON THE INLET SIDE OF THE METER.
- HATCH OPENING WILL BE 1" ALUMINUM DIAMOND PLATE COVER WITH EXTRUDED ALUMINUM FRAME. HATCH TO BE FURNISHED WITH TYPE 316 STAINLESS STEEL SHAP AND LOCK WITH BRASS HINGES.
- ALL VAULTS OVER 4 FT. IN DEPTH SHALL HAVE A LADDER INSTALLED AND SECURED TO THE VAULT WALL AT HATCH ENTRY.
- VAULT BEDDING SHALL BE GRADE 4 STANDARD CRUSHED AGGREGATE, 1 IN. SIEVE.
- THE TOP OF METER VAULT SHALL BE SET AT AN ELEVATION SUCH THAT THE SURROUNDING GROUND SLOPES AWAY FROM THE VAULT.
- FOR 3" METERS AND ABOVE ON PROJECTS ON WHICH THE CITY INSTALLS THE TAP IN THE MAINLINE AND STUBS OUT THE SERVICE LINE TO THE BACK OF CURB, THE CONTRACTOR IS RESPONSIBLE FOR INSTALLATION OF ALL REMAINING PIPING FROM THE STUBOUT BEHIND THE CURB THROUGH THE VAULT.
- FOR WATER METER VAULT INSTALLATIONS WHERE THE METER IS NOT EQUIPPED WITH AN INTEGRAL TEST PORT, A SEPARATE SPOOL PIECE WILL BE PROVIDED BETWEEN THE METER AND THE DOWNSTREAM GATE VALVE. THE SPOOL SHALL BE EQUIPPED WITH A TEST PORT AND THREADED BRASS FLUG SIDE FOR THE MANUFACTURER'S REQUIREMENTS OR AS FOLLOWS.
- WHERE NOT SPECIFICALLY NOTED, ALL FLANGED PIPE SHALL BE DUCTILE IRON PIPE WITH DUCTILE IRON FLANGES THREADED ON.

**METER SIZE**      **TEST PORT**

### CITY STANDARD DETAILS 1

DATE:	JULY 2022
DESIGN:	OPT
DRAWN:	NDCH
CHECKED:	JRA
KHA NO.:	061024039

GENERAL NOTES FOR ALL THRUST BLOCKS:

1. RESTRAINED JOINTS SHALL BE REQUIRED FOR ALL WATER MAINS 16" AND LARGER. JOINT RESTRAINT SHALL BE DESIGNED TO ACCOMMODATE THE ENTIRE DESIGN LOAD AS INDICATED IN THE APPLICABLE PIPE MATERIAL SPECIFICATION. THRUST BLOCKING SHALL BE PROVIDED ON ALL FITTINGS AND DEAD-ENDS FOR PIPE 24" AND SMALLER.
2. CONCRETE FOR BLOCKING SHALL BE CLASS B.
3. ALL CALCULATIONS ARE BASED ON INTERNAL PRESSURE OF 200 PSI FOR DUCTILE IRON, P.V.C., AND 150 PSI FOR CONCRETE PIPE.
4. VOLUMES OF THRUST BLOCKS ARE NET VOLUMES OF CONCRETE TO BE FURNISHED. THE CORRESPONDING WEIGHT OF THE CONCRETE (CLASS B) IS EQUAL TO OR GREATER THAN THE VERTICAL COMPONENT OF THE THRUST ON THE VERTICAL BEND.
5. WALL THICKNESS (T) ASSUMED HERE FOR ESTIMATING PURPOSES ONLY.
6. THE SOIL BEARING PRESSURES ARE BASED ON 1,000 LBS./S.F. IN SOIL AND 2,000 LBS./S.F. IN ROCK.
7. POUR CONCRETE FOR BLOCK AGAINST UNDISTURBED EARTH.
8. DIMENSIONS MAY BE VARIED AS REQUIRED BY FIELD CONDITIONS AND AS DIRECTED BY THE CITY. THE VOLUME OF CONCRETE BLOCKING SHALL NOT BE LESS THAN SHOWN HERE.
9. USE POLYETHYLENE WRAP OR EQUAL AS BOND BREAKER BETWEEN CONCRETE AND BEND, TEE, OR PLUG.
10. CONCRETE SHALL NOT EXTEND BEYOND JOINTS.

#### NOTES:

1. THE DETAIL ABOVE IS FOR TEMPORARY OR PERMANENT FENCING.
2. PERMANENT GATE SHALL BE 2", 16GA., 12'x50" TUBE GATE MANUFACTURED BY TRACTOR SUPPLY CO., SKU #3603116 OR APPROVED EQUAL. CONTRACTOR SHALL SUBMIT GATE SPECS AS RECORD DATA.
3. PRESSURE TREATED WOOD POSTS (4" DIAMETER) ARE ALLOWED FOR TEMPORARY FENCE INSTALLATION.
4. TEMPORARY GATE SHALL BE 12' SWING, GALVANIZED STEEL TUBE GATE.
5. IN AREAS ADJACENT TO LIVESTOCK, TEMPORARY FENCE SHALL REMAIN IN PLACE UNTIL SEEDING HAS DEVELOPED INTO A UNIFORM STAND OF GRASS AND HAS BEEN ACCEPTED BY THE ENGINEER. FOLLOWING ACCEPTANCE, CONTRACTOR SHALL BE RESPONSIBLE FOR REMOVING TEMPORARY FENCE.
6. TEMPORARY FENCING POSTS SHALL BE SPACED AT A MAXIMUM DISTANCE OF 96' WITH "T" STEEL POSTS AT A MAXIMUM OF 12' SPACING. "T" POSTS SHALL BE EMBEDDED A MINIMUM OF 2'-3" INTO GROUND.
7. CONTRACTOR SHALL SUBMIT SHOP DRAWING DETAILING CONNECTION OF PROPOSED PERMANENT GATE TO EXISTING FENCE TO THE ENGINEER FOR APPROVAL PRIOR TO CONSTRUCTION.

- NOTES:
1. MARKERS SHALL BE 4-INCH DIAMETER, 6-FOOT MINIMUM LENGTH, FIBERGLASS COMPOSITE, DOUBLE-SIDED MARKER, OR APPROVED EQUAL.
  2. POSTS SHALL BE WHITE WITH BLUE ULTRAVIOLET RESISTANT DOMES (IN ACCORDANCE WITH APWA UNIFORM COLOR CODE).

UTILIZE DETAIL IF HDPE IS THE SELECTED PIPE MATERIAL. INSTALL AT ALL CONNECTION POINTS BACK TO EXISTING PIPES. INSTALL AT ALL DIP APPURTENANCES AND FITTINGS

### CONSTRUCTION DETAILS 1

DATE:	JULY 2022	CPI	NDCH	JRA	061024039
DESIGN:					
DRAWN:					
CHECKED:					
KHA NO.:					

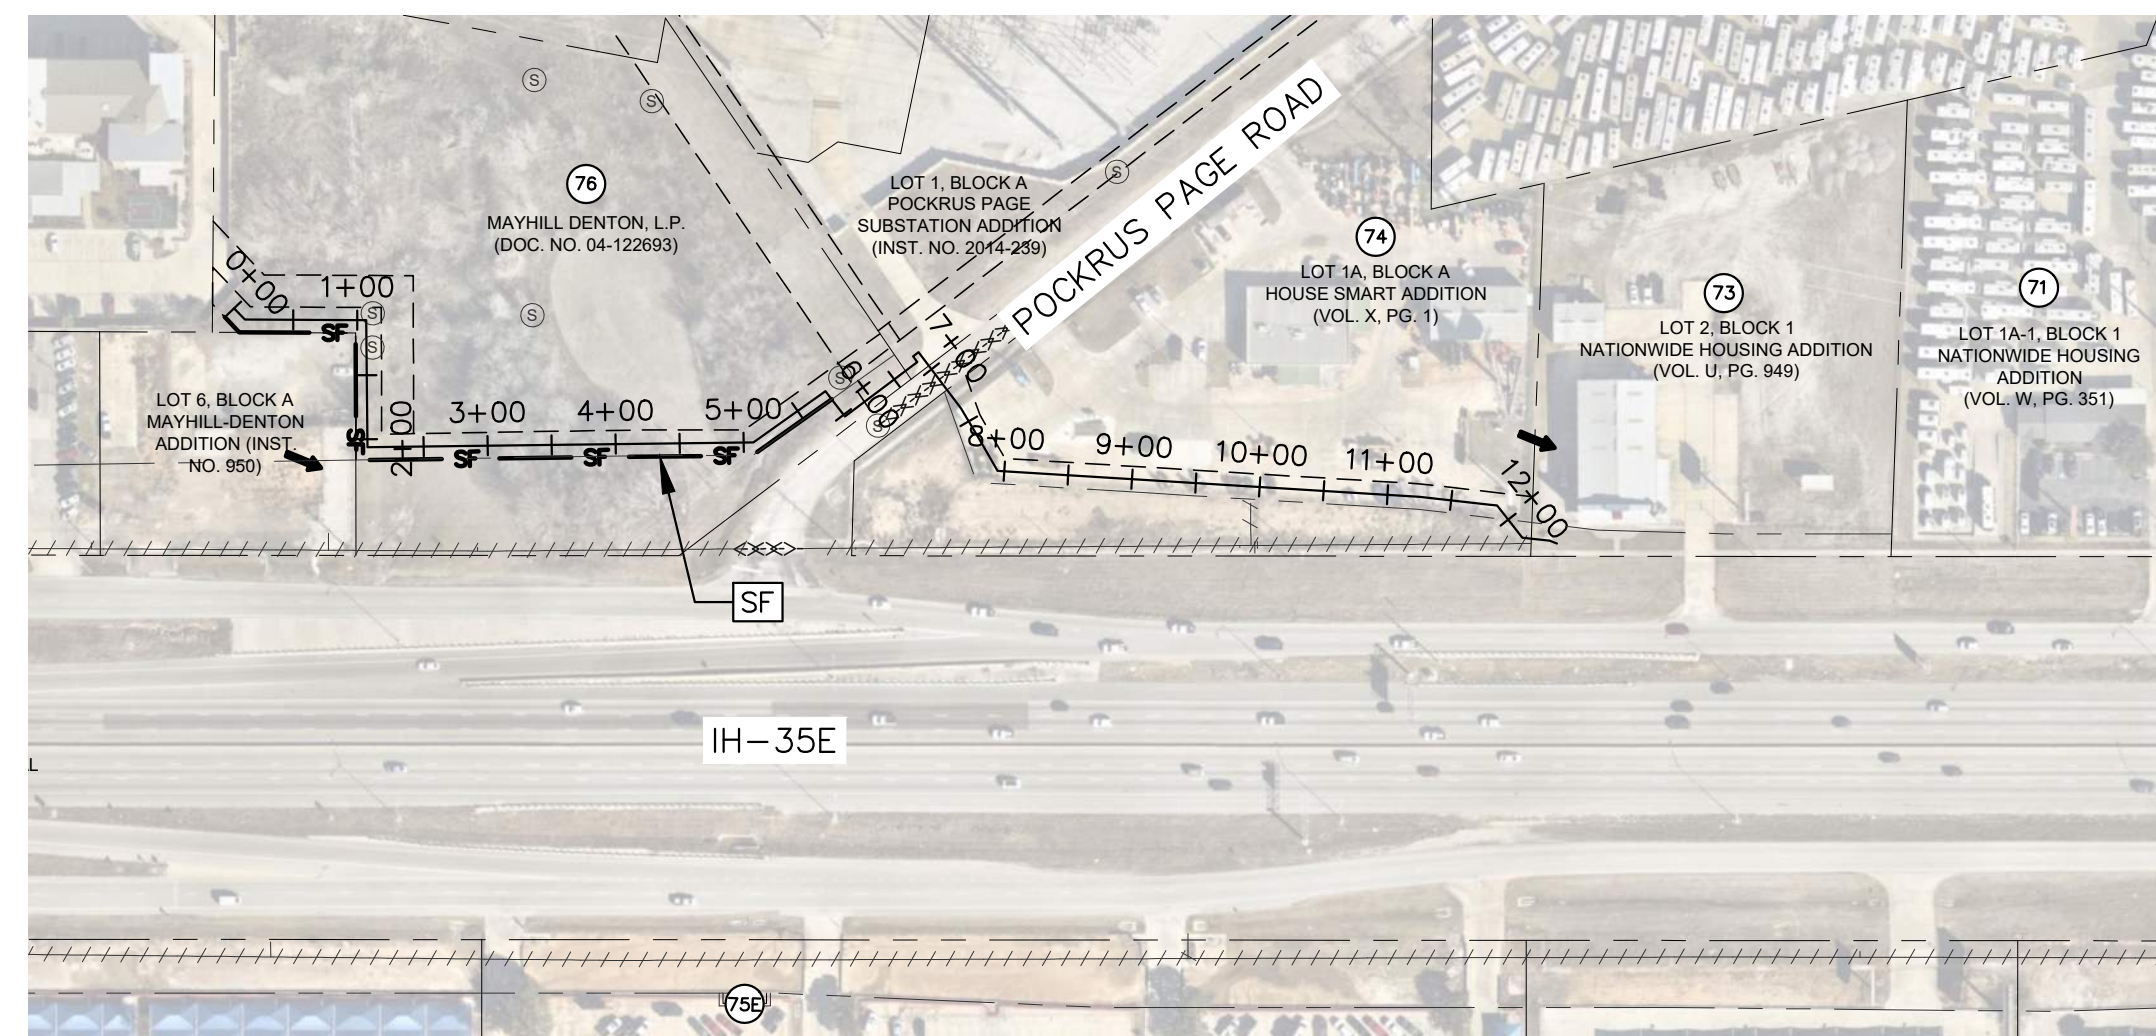

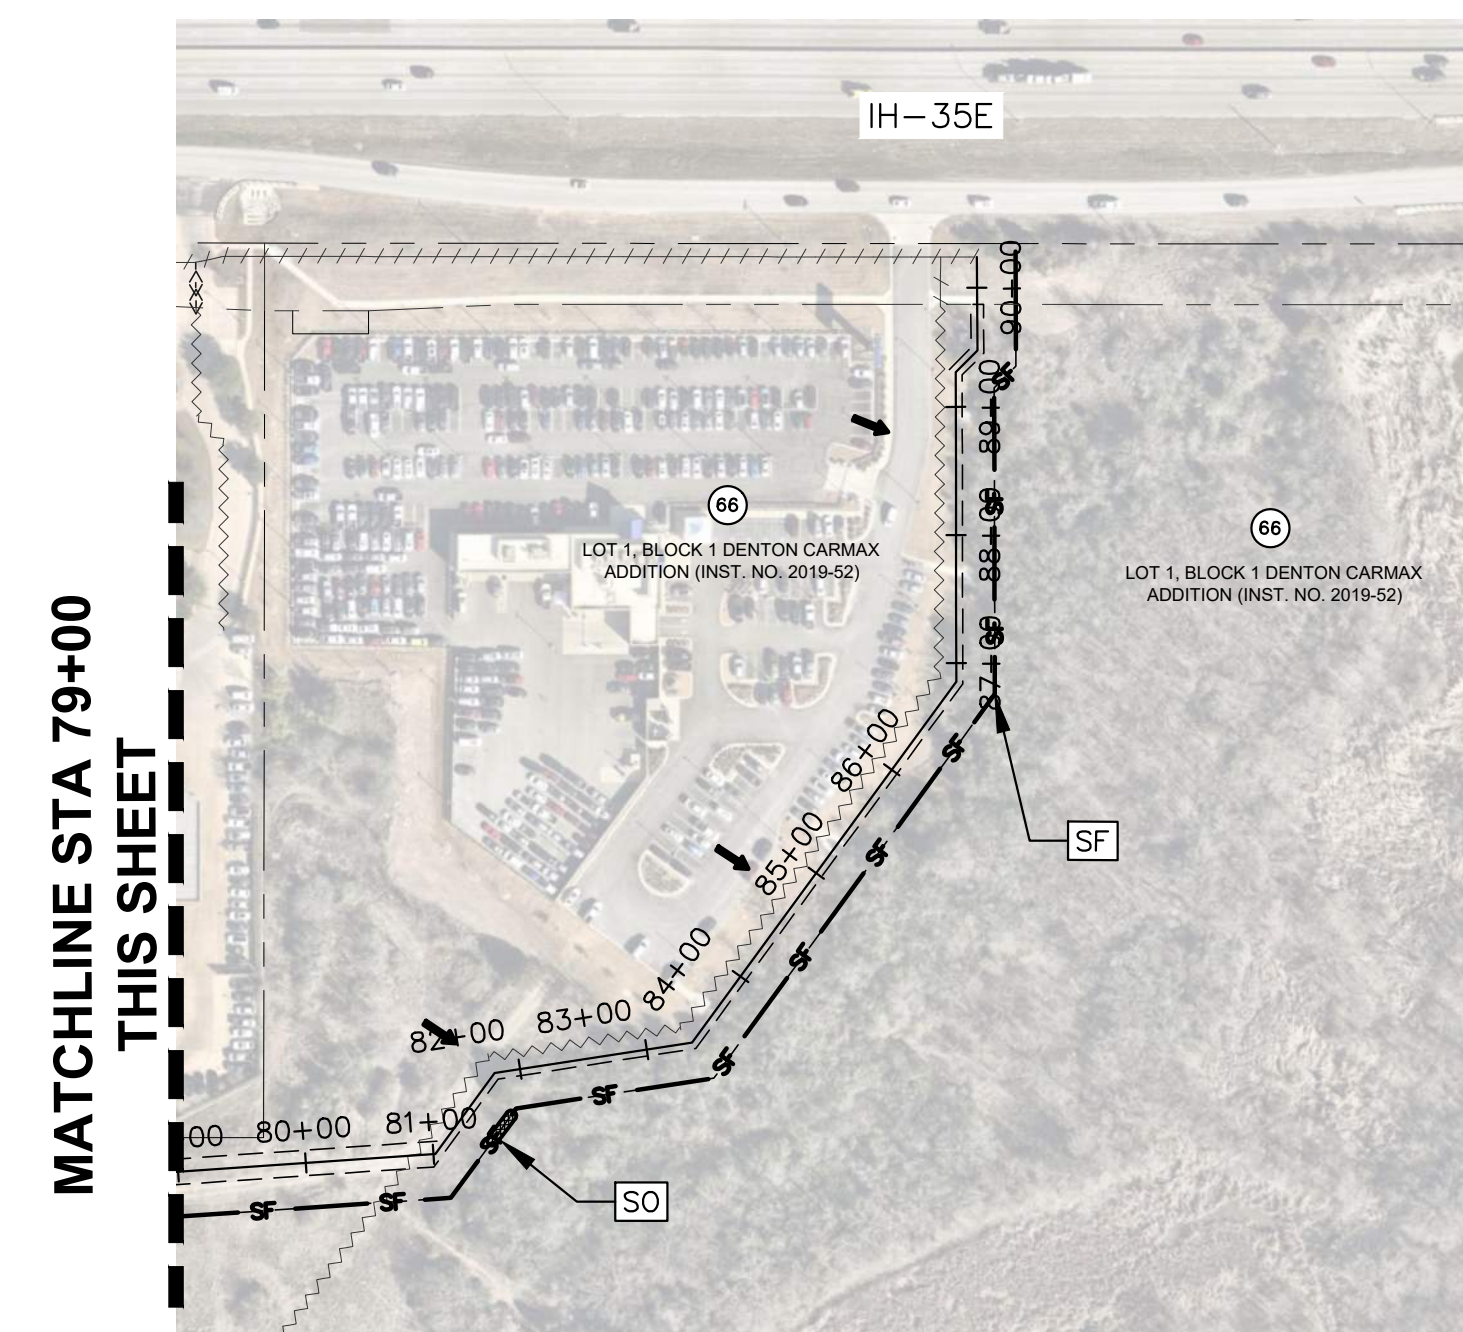

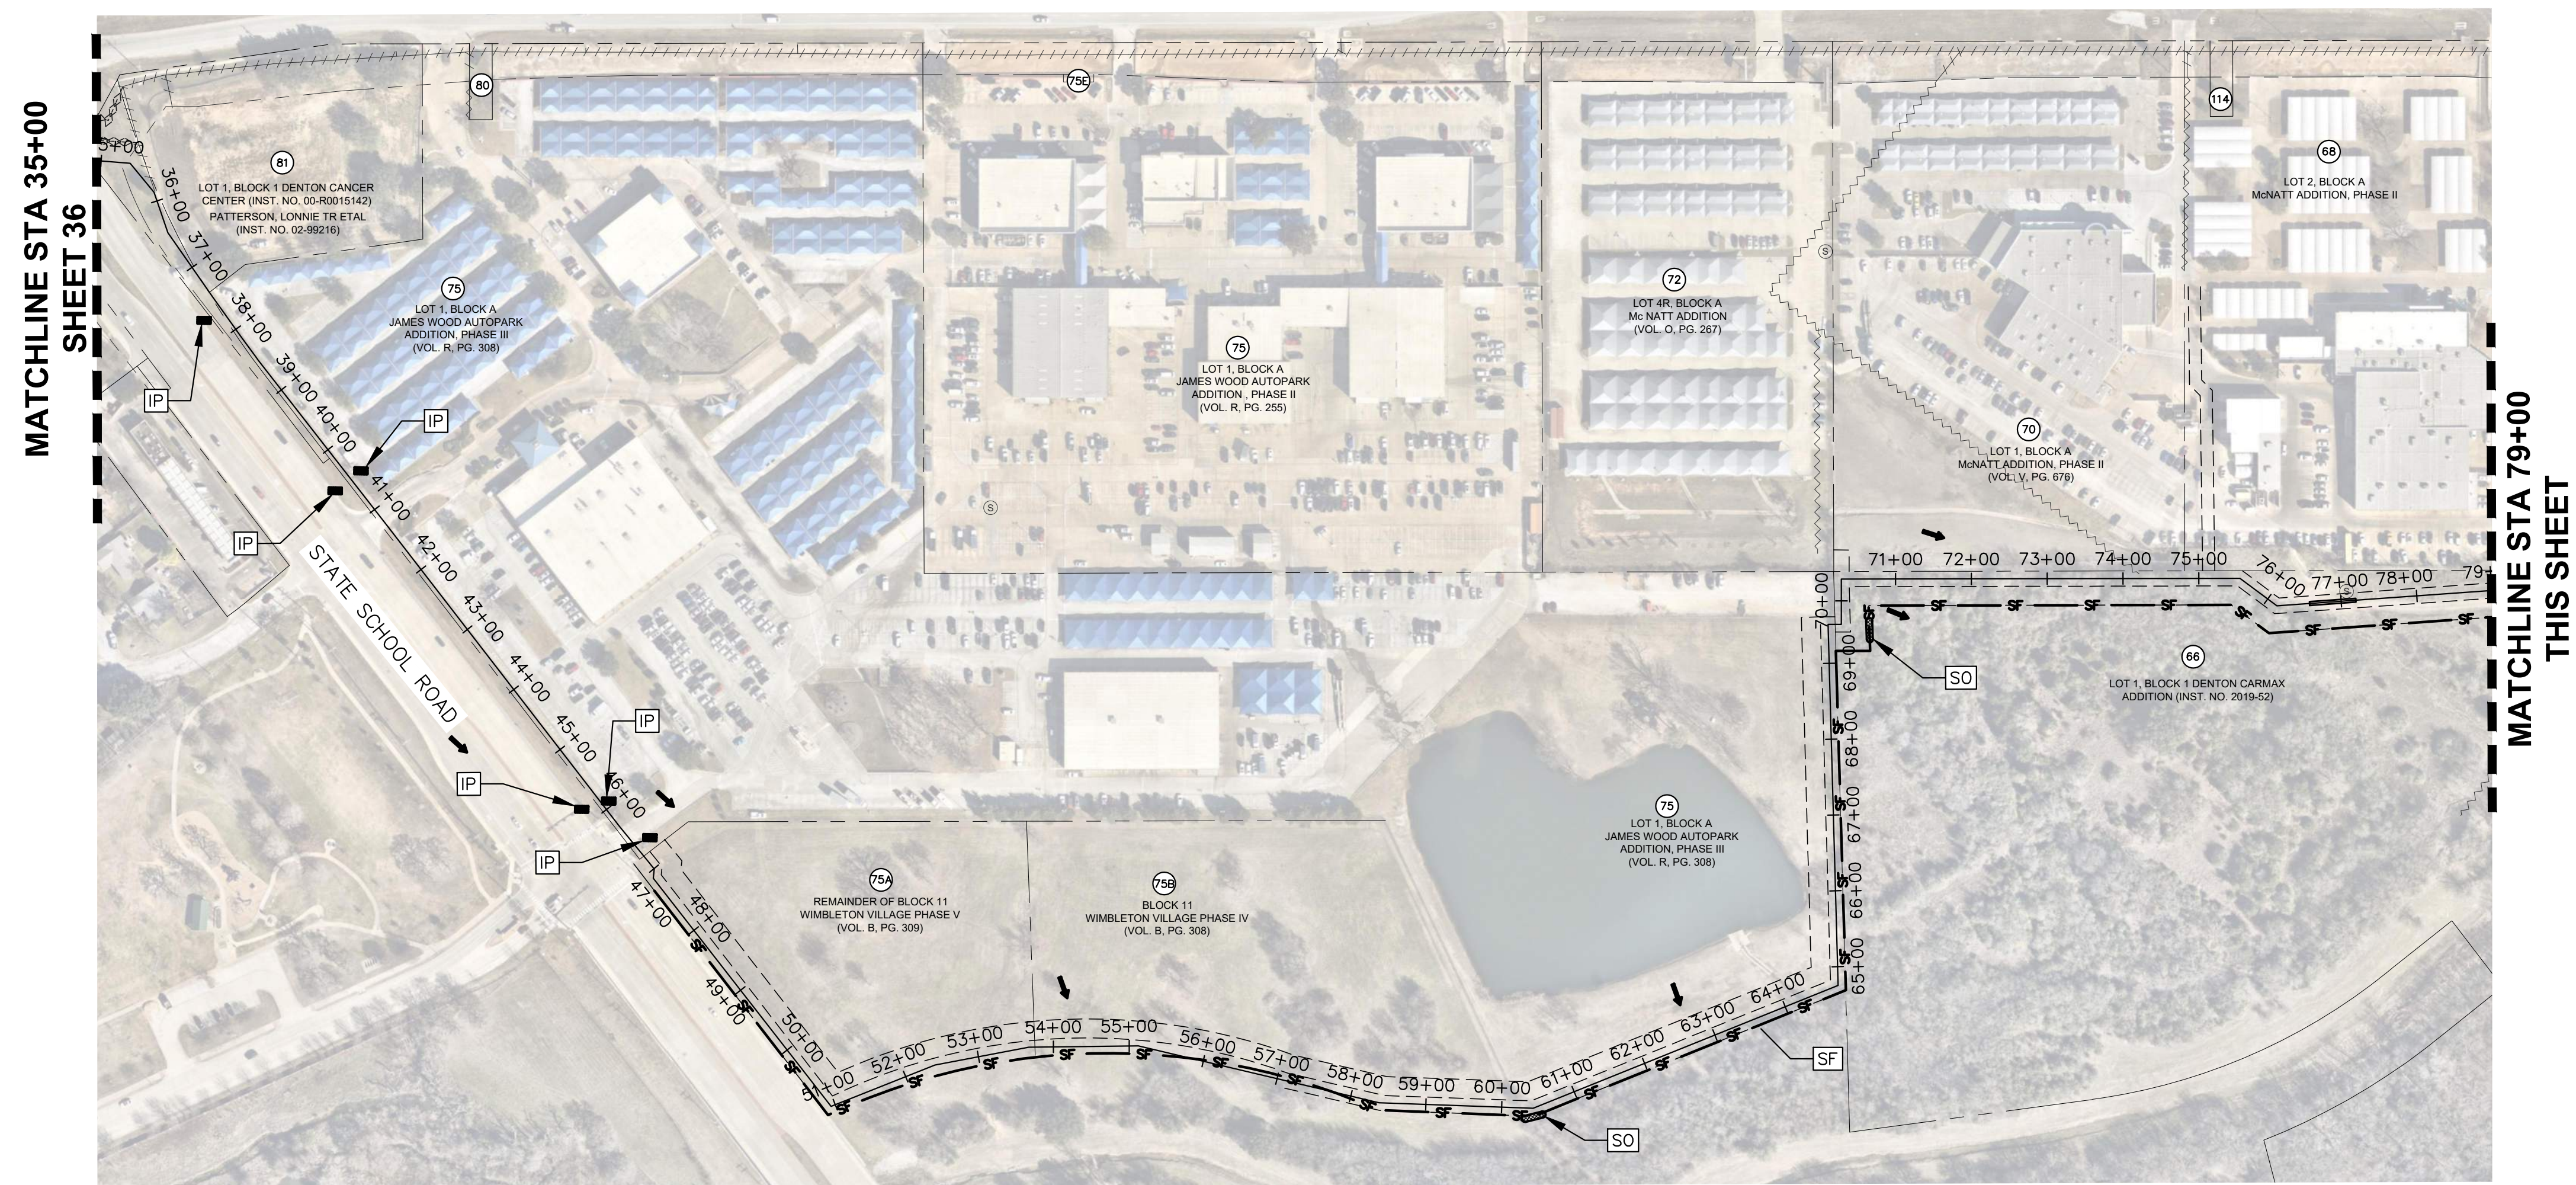

SHEET

**35**

NOTES:

1. POSTS WHICH SUPPORT THE SILT FENCE SHALL BE INSTALLED ON A SLIGHT ANGLE TOWARD THE ANTICIPATED RUNOFF SOURCE. POST MUST BE EMBEDDED A MINIMUM OF ONE FOOT.
2. THE TOE OF THE SILT FENCE SHALL BE TRENCHED IN WITH A SPADE OR MECHANICAL TRENCHER, SO THAT THE DOWNSLOPE FACE OF THE TRENCH IS FLAT AND PERPENDICULAR TO THE LINE OF FLOW. WHERE FENCE CANNOT BE TRENCHED IN (e.g. PAVEMENT), WEIGHT FABRIC FLAP WITH ROCK ON UPHILL SIDE TO PREVENT FLOW FROM SEEPING UNDER FENCE.
3. THE TRENCH MUST BE A MINIMUM OF 6 INCHES DEEP AND 6 INCHES WIDE TO ALLOW FOR THE SILT FENCE FABRIC TO BE LAID IN THE GROUND AND BACKFILLED WITH COMPACTED MATERIAL.
4. SILT FENCE SHOULD BE SECURELY FASTENED TO EACH SUPPORT POST OR TO WIRE BACKING, WHICH IN TURN IS ATTACHED TO THE FENCE POST. THERE SHALL BE A 3 FOOT OVERLAP, SECURELY FASTENED WHERE ENDS OF FABRIC MEET.
5. INSPECTION SHALL BE AS SPECIFIED IN THE SWPPP. REPAIR OR REPLACEMENT SHALL BE MADE PROMPTLY AS NEEDED.
6. SILT FENCE SHALL BE REMOVED WHEN FINAL STABILIZATION IS ACHIEVED OR ANOTHER EROSION OR SEDIMENT CONTROL DEVICE IS EMPLOYED.
7. ACCUMULATED SILT SHALL BE REMOVED WHEN IT REACHES A DEPTH OF HALF THE HEIGHT OF THE FENCE. THE SILT SHALL BE DISPOSED OF AT AN APPROVED SITE AND IN SUCH A MANNER AS TO NOT CONTRIBUTE TO ADDITIONAL SILTATION.
8. PROVISIONS FOR SILT FENCE CAN BE COMBINED WITH TEMPORARY FENCE IN LOCATION WHERE BOTH ARE REQUIRED.
9. CONTRACTOR SHALL PREPARE STORM WATER POLLUTION PREVENTION PLAN IN ACCORDANCE WITH THE SPECIFICATIONS.

1. PLACE CONCRETE BLOCKS IN A SINGLE ROW IN FRONT OF INLET ON THEIR SIDES, WITH ENDS OF ADJACENT BLOCKS ABUTTING.
2. HEIGHT OF BARRIER VARIES. USE STACKS OF 4-INCH, 8-INCH, OR 12\"/>
3. PLACE HARDWARE CLOTH/WIRE MESH W/ MAX. 1/2\"/>
4. THE AGGREGATE SHALL BE ANY NON-ERODIBLE MATERIAL SUCH AS LOOSE ROCK, BROKEN CONCRETE THAT WILL SLOW THE FLOW OF THE WATER AND ALLOW IT TO FILTER THROUGH AND OVER THE MATERIAL BEFORE ENTERING THE INLET.

STABILIZED CONSTRUCTION ACCESS GENERAL NOTES:

1. STONE SHALL BE 3 TO 5 INCH DIAMETER CRUSHED ROCK OR ACCEPTABLE CRUSHED PORTLAND CEMENT CONCRETE.
2. LENGTH SHALL BE SHOWN ON PLANS, WITH A MINIMUM LENGTH OF 30 FEET FOR LOTS WHICH ARE LESS THAN 150 FEET FROM EDGE OF PAVEMENT. THE MINIMUM DEPTH IN ALL OTHER CASES SHALL BE 50 FEET.
3. THE THICKNESS SHALL NOT BE LESS THAN 8 INCHES.
4. THE WIDTH SHALL BE NO LESS THAN THE FULL WIDTH OF ALL POINTS OF INGRESS OR EGRESS.
5. WHEN NECESSARY, VEHICLES SHALL BE CLEANED TO REMOVE SEDIMENT PRIOR TO ENTRANCE ONTO A PUBLIC ROADWAY. WHEN WASHING IS REQUIRED, IT SHALL BE DONE ON AN AREA STABILIZED WITH CRUSHED STONE WITH DRAINAGE FLOWING AWAY FROM BOTH THE STREET AND THE STABILIZED ENTRANCE. ALL SEDIMENT SHALL BE PREVENTED FROM ENTERING ANY STORM DRAIN, DITCH OR WATERCOURSE USING APPROVED METHODS.
6. THE ENTRANCE SHALL BE MAINTAINED IN A CONDITION WHICH WILL PREVENT TRACKING OR FLOWING OF SEDIMENT ONTO PAVED SURFACES. THIS MAY REQUIRE PERIODIC TOP DRESSING WITH ADDITIONAL STONE AS CONDITIONS DEMAND. ALL SEDIMENT SPILLED, DROPPED, WASHED, OR TRACKED ONTO PAVED SURFACES MUST BE REMOVED IMMEDIATELY.
7. THE ENTRANCE MUST BE PROPERLY GRADED OR INCORPORATE A DRAINAGE SWALE TO PREVENT RUNOFF FROM LEAVING THE CONSTRUCTION SITE.

SPACING BETWEEN CHECK DAMS

ROCK CHECK DAM GENERAL NOTES:

1. STONE SHALL BE WELL GRADED WITH SIZE RANGE FROM 1-1/2 TO 3-1/2 INCHES IN DIAMETER DEPENDING ON EXPECTED FLOWS.
2. THE CHECK DAM SHALL BE SECURED WITH A WOVEN WIRE SHEATHING HAVING A MAXIMUM OPENING OF 1 INCH AND A MINIMUM WIRE SIZE OF 20 GAUGE.
3. THE CHECK DAM SHALL BE INSPECTED AS SPECIFIED IN THE SWPPP AND SHALL BE REPLACED WHEN THE STRUCTURE CEASES TO FUNCTION AS INTENDED DUE TO SILT ACCUMULATION AMONG THE ROCKS, WASHOUT, CONSTRUCTION TRAFFIC DAMAGE, ETC.
4. WHEN SILT REACHES A DEPTH EQUAL TO ONE-THIRD OF THE HEIGHT OF THE CHECK DAM OR ONE FOOT, WHICHEVER IS LESS, THE SILT SHALL BE REMOVED AND DISPOSED OF PROPERLY.
5. WHEN THE SITE HAS ACHIEVED FINAL STABILIZATION OR ANOTHER EROSION OR SEDIMENT CONTROL DEVICE IS EMPLOYED, THE CHECK DAM AND ACCUMULATED SILT SHALL BE REMOVED AND DISPOSED OF IN AN APPROVED MANNER.

- GENERAL NOTES**
- Flags attached to signs where shown are REQUIRED.
  - All traffic control devices illustrated are REQUIRED, except those denoted with the triangle symbol may be omitted when stated elsewhere in the plans, or for routine maintenance work, when approved by the Engineer.
  - Inactive work vehicles or other equipment should be parked near the right-of-way line and not parked on the paved shoulder.
  - A Shadow Vehicle with a TMA should be used anytime it can be positioned 30 to 100 feet in advance of the area of crew exposure without adversely affecting the performance or quality of the work. If workers are no longer present but road or work conditions require the traffic control to remain in place, Type 3 Barricades or other channelizing devices may be substituted for the Shadow Vehicle and TMA.
  - Additional Shadow Vehicles with TMAs may be positioned off the paved surface, next to those shown in order to protect wider work spaces.
  - See TCP(5-1) for shoulder work on divided highways, expressways and freeways.
  - CW21-5 "SHOULDER WORK" signs may be used in place of CW20-1D "ROAD WORK AHEAD" signs for shoulder work on conventional roadways.

## GENERAL NOTES

- Flags attached to signs where shown are REQUIRED.
- All traffic control devices illustrated are REQUIRED, except those denoted with the triangle symbol may be omitted when stated elsewhere in the plans, or for routine maintenance work, when approved by the Engineer.
- The CW3-4 "BE PREPARED TO STOP" sign may be installed after the CW20-4D "ONE LANE ROAD AHEAD" sign, but proper sign spacing shall be maintained.
- Sign spacing may be increased or an additional CW20-1D "ROAD WORK AHEAD" sign may be used if advance warning ahead of the flagger or R1-2 "YIELD" sign is less than 1500 feet.
- A Shadow Vehicle with a TMA should be used anytime it can be positioned 30 to 100 feet in advance of the area of crew exposure without adversely affecting the performance or quality of the work. If workers are no longer present but road or work conditions require the traffic control to remain in place, Type 3 Barricades or other channelizing devices may be substituted for the Shadow Vehicle and TMA.
- Additional Shadow Vehicles with TMAs may be positioned off the paved surface, next to those shown in order to protect wider work spaces.

## TCP (1-2a)

- R1-2 "YIELD" sign traffic control may be used on projects with approaches that have adequate sight distance. For projects in urban areas, work spaces should be no longer than one half city block. In rural areas on roadways with less than 2000 ADT, work spaces should be no longer than 400 feet.
- R1-2 "YIELD" sign with R1-2aP "TO ONCOMING TRAFFIC" plaque shall be placed on a support at a 7 foot minimum mounting height.

## TCP (1-2b)

- Flaggers should use two-way radios or other methods of communication to control traffic.
- Length of work space should be based on the ability of flaggers to communicate.
- If the work space is located near a horizontal or vertical curve, the buffer distances should be increased in order to maintain adequate stopping sight distance to the flagger and a queue of stopped vehicles (see table above).
- Channelizing devices on the center-line may be omitted when a pilot car is leading traffic and approved by the Engineer.
- Flaggers should use 24" STOP/SLOW paddles to control traffic. Flags should be limited to emergency situations.

**Title:** Water Cost Projection Summary

Project Description	Total		
Water Line Relocations	17,342	LF	\$11,986,735
Utility Abandonments	15,736	LF	\$797,541
<b><u>Construction Total</u></b>			<b>\$12,784,276</b>
Property Acquisition for Proposed Easements	31	parcels	\$2,142,471.25
Property Acquisition Consultant Services (Task 11 in Kimley-Horn Contract Attached)			\$551,500.00
Engineering (Contract Attached) (includes design, survey, CA, permitting, geotech and SUE, less the \$35,000 conflict analysis))			\$630,100.00
City Staff Time (backup estimate provided)			\$81,135
<b><u>Combined Total</u></b>			<b>\$16,189,482.25</b>
<b><u>Betterment for 16-inch to 20-inch (non-reimbursable):</u></b>			<b>\$747,065</b>
<b><u>Engineering for I-35 Conflict Analysis (Task 12, non-reimbursable under this contract):</u></b>			<b>\$35,000</b>
<b><u>Total Reimbursable Amount:</u></b>			<b>\$15,407,417.25</b>

**Basis for Cost Projection:**

- ☐ No Design Completed  
☐ Preliminary Design  
☒ Final Design

**ACTUAL BID TABULATION PROVIDED AS BACKUP**

The Engineer has no control over the cost of labor, materials, equipment, or over the Contractor's methods of determining prices or over competitive bidding or market conditions. Opinions of probable costs provided herein are based on the information known to Engineer at this time and represent only the Engineer's judgment as a design professional familiar with the construction industry. The Engineer cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its opinions of probable costs.

## Attachment "B" Accounting Method

### Actual Cost Method of Accounting

The utility accumulates cost under a work order accounting procedure prescribed by the Federal or State regulatory body and proposes to request reimbursement for actual direct and related indirect costs.

### Lump Sum Method of Accounting

Utility proposed to request reimbursement based on an agreed lump sum amount supported by a detailed cost analysis.

STATEMENT COVERING UTILITY CONSTRUCTION CONTRACT WORK  
(AS APPEARING IN ESTIMATE)

Form ROW-U-48  
(Rev. 10/20)  
Page of

U-Number: N/A Utility ID: U00008008  
ROW CSJ Number: 0196-01-114 District: Dallas  
County: Denton Highway No.: IH-35E  
Federal Project No.: N/A

I, Sara Hensley, a duly authorized and qualified representative of  
City of Denton, hereinafter referred to as **Owner**, am fully cognizant of the  
facts and make the following statements in respect to work which will or may be done on a contract basis as it appears in the  
estimate to which this statement is attached.

It is more economical and/or expedient for **Owner** to contract this adjustment, or **Owner** is not adequately staffed or equipped  
to perform the necessary work on this project with its own forces to the extent as indicated on the estimate.

Procedure to be Used in Contracting Work

- ☐ A. Solicitation for bids is to be accomplished through open advertising and contract is to be awarded to the lowest  
qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be  
performed. Associated bid tabulations will be provided to the **State**.
- ☒ B. Solicitation for bids is to be accomplished by circulating to a list of pre-qualified contractors or known qualified  
contractors and such contract is to be awarded to the lowest qualified bidder who submits a proposal in conformity  
with the requirements and specifications for the work to be performed. Associated bid tabulations will be provided to  
the **State**. Such presently known contractors are listed below:

1. Mountain Cascade of Texas, LLC
2. Oscar Renda Contracting, Inc.
3. S.J. Louis Construction of Texas, Ltd
- 4.
- 5.

- ☐ C. The work is to be performed under an existing continuing contract under which certain work is regularly performed  
for **Owner** and under which the lowest available costs are developed. The existing continuing contract will be made  
available to the **State** for review at a location mutually acceptable to the **Owner** and the **State**. If only part of the  
contract work is to be done under an existing contract, give detailed information by attachment hereto.
- ☐ D. The utility proposes to contract outside the foregoing requirements and therefore evidence in support of its proposal  
is attached to the estimate in order to obtain the concurrence of the **State**, and the Federal Highway Administration  
Division Engineer where applicable, prior to taking action thereon (approval of the agreement shall be considered as  
approval of such proposal).
- ☐ E. The utility plans and specifications, with the consent of the **State**, will be included in the construction contract  
awarded by the **State**. In the best interest of both the **State** and the **Owner**, the **Owner** requests the **State** to include  
the plans and specifications for this work in the general contract for construction of Highway \_\_\_\_\_ in this area, so  
that the work can be coordinated with the other construction operations; and the construction contract is to be  
awarded by the **State** to the lowest qualified bidder who submits a proposal in conformity with the requirements and  
specifications for the work to be performed. If this option is chosen, attach form ROW-U-48-1, the terms of which are  
incorporated herein by reference.

## **CITY OF DENTON, TEXAS**

### **STANDARD AGREEMENT FOR ENGINEERING RELATED PROFESSIONAL SERVICES #6590-084**

This AGREEMENT is between the City of Denton, a Texas home-rule municipality ("CITY"), and Kimley-Horn and Associates, Inc., with its corporate office at 801 Cherry Street, Unit 11 Suite 950, Fort Worth, Texas 76102 and authorized to do business in Texas, ("ENGINEER"), for a PROJECT generally described as: engineering services for the design and construction phase services for the IH-35E-MAYHILL – UTILTIY-RELOCATIONS (the "PROJECT").

#### **SECTION 1** **Scope of Services**

- A.** The CITY hereby agrees to retain the ENGINEER, and the ENGINEER hereby agrees to perform, professional engineering services set forth in the Scope of Services attached hereto as Attachment A. These services shall be performed in connection with the PROJECT.
- B.** Additional services, if any, will be requested in writing by the CITY. CITY shall not pay for any work performed by ENGINEER or its consultants, subcontractors and/or suppliers that has not been ordered in advance and in writing. It is specifically agreed that ENGINEER shall not be compensated for any additional work resulting from oral orders of any person.

#### **SECTION 2** **Compensation and Term of Agreement**

- A.** The ENGINEER shall be compensated for all services provided pursuant to this AGREEMENT in an amount not to exceed \$922,800 in the manner and in accordance with the fee schedule as set forth in Attachment B. Payment shall be considered full compensation for all labor, materials, supplies, and equipment necessary to complete the services described in Attachment A.
- B.** Unless otherwise terminated pursuant to Section 6. D. herein, this AGREEMENT shall be for a term beginning upon the effective date, as described below, and shall continue for a period which may reasonably be required for the completion of the PROJECT, until the expiration of the funds, or completion of the PROJECT and acceptance by the CITY, whichever occurs first. ENGINEER shall proceed diligently with the PROJECT to completion as described in the PROJECT schedule as set forth in Attachment A.

### **SECTION 3**

#### **Terms of Payment**

Payments to the ENGINEER will be made as follows:

#### **A. Invoice and Payment**

- (1) The Engineer shall provide the City sufficient documentation, including but not limited to meeting the requirements set forth in the PROJECT schedule as set forth in Attachment D to reasonably substantiate the invoices.
- (2) The ENGINEER will issue monthly invoices for all work performed under this AGREEMENT. Invoices for the uncontested performance of the particular services are due and payable within 30 days of receipt by City.
- (3) Upon completion of services enumerated in Section 1, the final payment of any balance for the uncontested performance of the services will be due within 30 days of receipt of the final invoice.
- (4) In the event of a disputed or contested billing, only that portion so contested will be withheld from payment, and the undisputed portion will be paid. The CITY will exercise reasonableness in contesting any bill or portion thereof. No interest will accrue on any contested portion of the billing until mutually resolved.
- (5) If the CITY fails to make payment in full to ENGINEER for billings contested in good faith within 60 days of the amount due, the ENGINEER may, after giving 7 days' written notice to CITY, suspend services under this AGREEMENT until paid in full. In the event of suspension of services, the ENGINEER shall have no liability to CITY for delays or damages caused the CITY because of such suspension of services.

### **SECTION 4**

#### **Obligations of the Engineer**

#### **A. General**

The ENGINEER will serve as the CITY's professional engineering representative under this AGREEMENT, providing professional engineering consultation and advice and furnishing customary services incidental thereto.

#### **B. Standard of Care**

The ENGINEER shall perform its services:

- (1) with the professional skill and care ordinarily provided by competent engineers

practicing in the same or similar locality and under the same or similar circumstances and professional license; and

- (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer.

### **C. Subsurface Investigations**

- (1) The ENGINEER shall advise the CITY with regard to the necessity for subcontract work such as special surveys, tests, test borings, or other subsurface investigations in connection with design and engineering work to be performed hereunder. The ENGINEER shall also advise the CITY concerning the results of same. Such surveys, tests, and investigations shall be furnished by the CITY, unless otherwise specified in Attachment A.
- (2) In soils, foundation, groundwater, and other subsurface investigations, the actual characteristics may vary significantly between successive test points and sample intervals and at locations other than where observations, exploration, and investigations have been made. Because of the inherent uncertainties in subsurface evaluations, changed or unanticipated underground conditions may occur that could affect the total PROJECT cost and/or execution. These conditions and cost/execution effects are not the responsibility of the ENGINEER.

### **D. Preparation of Engineering Drawings**

The ENGINEER will provide to the CITY the original drawings of all plans in ink on reproducible mylar sheets and electronic files in .pdf format, or as otherwise approved by CITY, which shall become the property of the CITY. CITY may use such drawings in any manner it desires; provided, however, that the ENGINEER shall not be liable for the use of such drawings for any project other than the PROJECT described herein.

### **E. Engineer's Personnel at Construction Site**

- (1) The presence or duties of the ENGINEER's personnel at a construction site, whether as on-site representatives or otherwise, do not make the ENGINEER or its personnel in any way responsible for those duties that belong to the CITY and/or the CITY's construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the AGREEMENT Documents and any health or safety precautions required by such construction work. The ENGINEER and its personnel have no authority to exercise any control over any construction contractor or other entity or their

employees in connection with their work or any health or safety precautions.

- (2) Except to the extent of specific site visits expressly detailed and set forth in Attachment A, the ENGINEER or its personnel shall have no obligation or responsibility to visit the construction site to become familiar with the progress or quality of the completed work on the PROJECT or to determine, in general, if the work on the PROJECT is being performed in a manner indicating that the PROJECT, when completed, will be in accordance with the AGREEMENT Documents, nor shall anything in the AGREEMENT Documents or this AGREEMENT between CITY and ENGINEER be construed as requiring ENGINEER to make exhaustive or continuous on-site inspections to discover latent defects in the work or otherwise check the quality or quantity of the work on the PROJECT. If the ENGINEER makes on-site observation(s) of a deviation from the AGREEMENT Documents, the ENGINEER shall inform the CITY.
- (3) When professional certification of performance or characteristics of materials, systems or equipment is reasonably required to perform the services set forth in the Scope of Services, the ENGINEER shall be entitled to rely upon such certification to establish materials, systems or equipment and performance criteria to be required in the AGREEMENT Documents.

#### **F. Opinions of Probable Cost, Financial Considerations, and Schedules**

- (1) The ENGINEER shall provide opinions of probable costs based on the current available information at the time of preparation, in accordance with Attachment A.
- (2) In providing opinions of cost, financial analyses, economic feasibility projections, and schedules for the PROJECT, the ENGINEER has no control over cost or price of labor and materials; unknown or latent conditions of existing equipment or structures that may affect operation or maintenance costs; competitive bidding procedures and market conditions; time or quality of performance by third parties; quality, type, management, or direction of operating personnel; and other economic and operational factors that may materially affect the ultimate PROJECT cost or schedule. Therefore, the ENGINEER makes no warranty that the CITY's actual PROJECT costs, financial aspects, economic feasibility, or schedules will not vary from the ENGINEER's opinions, analyses, projections, or estimates.

#### **G. Construction Progress Payments**

Recommendations by the ENGINEER to the CITY for periodic construction progress payments to the construction contractor will be based on the ENGINEER's knowledge, information, and belief from selective sampling and observation that the work has

progressed to the point indicated. Such recommendations do not represent that continuous or detailed examinations have been made by the ENGINEER to ascertain that the construction contractor has completed the work in exact accordance with the AGREEMENT Documents; that the final work will be acceptable in all respects; that the ENGINEER has made an examination to ascertain how or for what purpose the construction contractor has used the moneys paid; that title to any of the work, materials, or equipment has passed to the CITY free and clear of liens, claims, security interests, or encumbrances; or that there are not other matters at issue between the CITY and the construction contractor that affect the amount that should be paid.

## **H. Record Drawings**

Record drawings, if required, will be prepared, in part, on the basis of information compiled and furnished by others, and may not always represent the exact location, type of various components, or exact manner in which the PROJECT was finally constructed. The ENGINEER is not responsible for any errors or omissions in the information from others that is incorporated into the record drawings.

## **I. Right to Audit**

- (1) ENGINEER agrees that the CITY shall, until the expiration of five (5) years after final payment under this AGREEMENT, have access to and the right to examine and photocopy any directly pertinent books, documents, papers and records of the ENGINEER involving transactions relating to this AGREEMENT. ENGINEER agrees that the CITY shall have access during normal working hours to all necessary ENGINEER facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. The CITY shall give ENGINEER reasonable advance notice of intended audits.
- (2) ENGINEER further agrees to include in all its subconsultant agreements hereunder a provision to the effect that the subconsultant agrees that the CITY shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and photocopy any directly pertinent books, documents, papers and records of such subconsultant, involving transactions to the subcontract, and further, that the CITY shall have access during normal working hours to all subconsultant facilities, and shall be provided adequate and appropriate work space, in order to conduct audits in compliance with the provisions of this section together with subsection (3) hereof. CITY shall give subconsultant reasonable advance notice of intended audits.
- (3) ENGINEER and subconsultant agree to photocopy such documents as may be requested by the CITY. The CITY agrees to reimburse ENGINEER for the cost of copies at the rate published in the Texas Administrative Code in effect as of

the time copying is performed.

## **J. INSURANCE**

### **(1) ENGINEER'S INSURANCE**

- a. Commercial General Liability – the ENGINEER shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000.00 per each occurrence with a \$2,000,000.00 aggregate. If such Commercial General Liability insurance contains a general aggregate limit, it shall apply separately to this PROJECT or location.
  - i. The CITY shall be included as an additional insured with all rights of defense under the CGL, using ISO additional insured endorsement or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to the CITY. The Commercial General Liability insurance policy shall have no exclusions or endorsements that would alter or nullify: premises/operations, products/completed operations, contractual, personal injury, or advertising injury, which are normally contained within the policy, unless the CITY specifically approves such exclusions in writing.
  - ii. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the commercial general liability or commercial umbrella liability insurance maintained in accordance with this AGREEMENT.
- b. Business Auto – the ENGINEER shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of “any auto”, including owned, hired, and non-owned autos, when said vehicle is used in the course of the PROJECT. If the engineer owns no vehicles, coverage for hired or non-owned is acceptable.
  - i. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella liability insurance obtained by ENGINEER pursuant to this AGREEMENT or under any applicable auto physical damage coverage.

- c. Workers' Compensation – ENGINEER shall maintain workers compensation and employers liability insurance and, if necessary, commercial umbrella liability insurance with a limit of not less than \$100,000.00 each accident for bodily injury by accident or \$100,000.00 each employee for bodily injury by disease, with \$500,000.00 policy limit.
  - i. ENGINEER waives all rights against the CITY and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by workers compensation and employer's liability or commercial umbrella insurance obtained by ENGINEER pursuant to this AGREEMENT.
- d. Professional Liability – ENGINEER shall maintain professional liability, a claims-made policy, with a minimum of \$1,000,000.00 per claim and aggregate. The policy shall contain a retroactive date prior to the date of the AGREEMENT or the first date of services to be performed, whichever is earlier. Coverage shall be maintained for a period of 5 years following the completion of the AGREEMENT. An annual certificate of insurance specifically referencing this PROJECT shall be submitted to the CITY for each year following completion of the AGREEMENT.

## (2) GENERAL INSURANCE REQUIREMENTS

- a. Certificates of insurance evidencing that the ENGINEER has obtained all required insurance shall be attached to this AGREEMENT prior to its execution.
- b. Applicable policies shall be endorsed to name the CITY an Additional Insured thereon, subject to any defense provided by the policy, as its interests may appear. The term CITY shall include its employees, officers, officials, agents, and volunteers as respects the contracted services.
- c. Certificate(s) of insurance shall document that insurance coverage specified in this AGREEMENT are provided under applicable policies documented thereon.
- d. Any failure on part of the CITY to attach the required insurance documentation hereto shall not constitute a waiver of the insurance requirements.
- e. A minimum of thirty (30) days notice of cancellation or material change in coverage shall be provided to the CITY. A ten (10) days notice shall be acceptable in the event of non-payment of premium. Notice shall be sent

to the respective Department Director (by name), City of Denton, 901 Texas Street, Denton, Texas 76209.

- f. Insurers for all policies must be authorized to do business in the State of Texas and have a minimum rating of A:V or greater, in the current A.M. Best Key Rating Guide or have reasonably equivalent financial strength and solvency to the satisfaction of Risk Management.
- g. Any deductible or self insured retention in excess of \$25,000.00 that would change or alter the requirements herein is subject to approval by the CITY in writing, if coverage is not provided on a first-dollar basis. The CITY, at its sole discretion, may consent to alternative coverage maintained through insurance pools or risk retention groups. Dedicated financial resources or letters of credit may also be acceptable to the CITY.
- h. Applicable policies shall each be endorsed with a waiver of subrogation in favor of the CITY as respects the PROJECT.
- i. The CITY shall be entitled, upon its request and without incurring expense, to review the ENGINEER's insurance policies including endorsements thereto and, at the CITY's discretion; the ENGINEER may be required to provide proof of insurance premium payments.
- j. Lines of coverage, other than Professional Liability, underwritten on a claims-made basis, shall contain a retroactive date coincident with or prior to the date of the AGREEMENT. The certificate of insurance shall state both the retroactive date and that the coverage is claims-made.
- k. Coverages, whether written on an occurrence or claims-made basis, shall be maintained without interruption nor restrictive modification or changes from date of commencement of the PROJECT until final payment and termination of any coverage required to be maintained after final payments.
- l. The CITY shall not be responsible for the direct payment of any insurance premiums required by this AGREEMENT.
- m. Sub consultants and subcontractors to/of the ENGINEER shall be required by the ENGINEER to maintain the same or reasonably equivalent insurance coverage as required for the ENGINEER. When sub consultants/subcontractors maintain insurance coverage, ENGINEER shall provide CITY with documentation thereof on a certificate of insurance.

**K. Independent Consultant**

The ENGINEER agrees to perform all services as an independent consultant and not as a subcontractor, agent, or employee of the CITY. The doctrine of *respondeat superior* shall not apply.

**L. Disclosure**

The ENGINEER acknowledges to the CITY that it has made full disclosure in writing of any existing conflicts of interest or potential conflicts of interest, including personal financial interest, direct or indirect, in property abutting the proposed PROJECT and business relationships with abutting property cities. The ENGINEER further acknowledges that it will make disclosure in writing of any conflicts of interest that develop subsequent to the signing of this AGREEMENT and prior to final payment under the AGREEMENT.

**M. Asbestos or Hazardous Substances**

- (1) If asbestos or hazardous substances in any form are encountered or suspected, the ENGINEER will stop its own work in the affected portions of the PROJECT to permit testing and evaluation.
- (2) If asbestos or other hazardous substances are suspected, the CITY may request the ENGINEER to assist in obtaining the services of a qualified subcontractor to manage the remediation activities of the PROJECT.

**N. Permitting Authorities - Design Changes**

If permitting authorities require design changes so as to comply with published design criteria and/or current engineering practice standards which the ENGINEER should have been aware of at the time this AGREEMENT was executed, the ENGINEER shall revise plans and specifications, as required, at its own cost and expense. However, if design changes are required due to the changes in the permitting authorities' published design criteria and/or practice standards criteria which are published after the date of this AGREEMENT which the ENGINEER could not have been reasonably aware of, the ENGINEER shall notify the CITY of such changes and an adjustment in compensation will be made through an amendment to this AGREEMENT.

**O. Schedule**

ENGINEER shall manage the PROJECT in accordance with the schedule developed per Attachment D to this AGREEMENT.

**P. Equal Opportunity**

- (1) **Equal Employment Opportunity:** ENGINEER and ENGINEER's agents

shall engage in any discriminatory employment practice. No person shall, on the grounds of race, sex, sexual orientation, age, disability, creed, color, genetic testing, or national origin, be refused the benefits of, or be otherwise subjected to discrimination under any activities resulting from this AGREEMENT.

- (2) **Americans with Disabilities Act (ADA) Compliance:** ENGINEER and ENGINEER's agents shall not engage in any discriminatory employment practice against individuals with disabilities as defined in the ADA.

## **SECTION 5**

### **Obligations of the City**

#### **A. City-Furnished Data**

ENGINEER may rely upon the accuracy, timeliness, and completeness of the information provided by the CITY.

#### **B. Access to Facilities and Property**

The CITY will make its facilities accessible to the ENGINEER as required for the ENGINEER's performance of its services. The CITY will perform, at no cost to the ENGINEER, such tests of equipment, machinery, pipelines, and other components of the CITY's facilities as may be required in connection with the ENGINEER's services. The CITY will be responsible for all acts of the CITY's personnel.

#### **C. Advertisements, Permits, and Access**

Unless otherwise agreed to in the Scope of Services, the CITY will obtain, arrange, and pay for all advertisements for bids; permits and licenses required by local, state, or federal authorities; and land, easements, rights-of-way, and access necessary for the ENGINEER's services or PROJECT construction.

#### **D. Timely Review**

The CITY will examine the ENGINEER's studies, reports, sketches, drawings, specifications, proposals, and other documents; obtain advice of an attorney, insurance counselor, accountant, auditor, bond and financial advisors, and other consultants as the CITY deems appropriate; and render in writing decisions required by the CITY in a timely manner in accordance with the PROJECT schedule prepared in accordance with Attachment D.

**E. Prompt Notice**

The CITY will give prompt written notice to the ENGINEER whenever CITY observes or becomes aware of any development that affects the scope or timing of the ENGINEER's services or of any defect in the work of the ENGINEER or construction contractors.

**F. Asbestos or Hazardous Substances Release.**

- (1) CITY acknowledges ENGINEER will perform part of the work at CITY's facilities that may contain hazardous materials, including asbestos containing materials, or conditions, and that ENGINEER had no prior role in the generation, treatment, storage, or disposition of such materials. In consideration of the associated risks that may give rise to claims by third parties or employees of City, City hereby releases ENGINEER from any damage or liability related to the presence of such materials.
- (2) The release required above shall not apply in the event the discharge, release or escape of hazardous substances, contaminants, or asbestos is a result of ENGINEER's negligence or if ENGINEER brings such hazardous substance, contaminant or asbestos onto the PROJECT.

**G. Contractor Indemnification and Claims**

The CITY agrees to include in all construction contracts the provisions of Article IV.E. regarding the ENGINEER's Personnel at Construction Site, and provisions providing for contractor indemnification of the CITY and the ENGINEER for contractor's negligence.

**H. Contractor Claims and Third-Party Beneficiaries**

- (1) The CITY agrees to include the following clause in all contracts with construction contractors and equipment or materials suppliers:
 

"Contractors, subcontractors and equipment and materials suppliers on the PROJECT, or their sureties, shall maintain no direct action against the ENGINEER, its officers, employees, and subcontractors, for any claim arising out of, in connection with, or resulting from the engineering services performed. Only the CITY will be the beneficiary of any undertaking by the ENGINEER."
- (2) This AGREEMENT gives no rights or benefits to anyone other than the CITY and the ENGINEER and there are no third-party beneficiaries.
- (3) The CITY will include in each agreement it enters into with any other entity or person regarding the PROJECT a provision that such entity or person shall have no third-party beneficiary rights under this AGREEMENT.

- (4) Nothing contained in this Section H. shall be construed as a waiver of any right the CITY has to bring a claim against ENGINEER.

#### **I. CITY's Insurance**

- (1) The CITY may maintain property insurance on certain pre-existing structures associated with the PROJECT.
- (2) The CITY may secure Builders Risk/Installation insurance at the replacement cost value of the PROJECT. The CITY may provide ENGINEER a copy of the policy or documentation of such on a certificate of insurance.

#### **J. Litigation Assistance**

The Scope of Services does not include costs of the ENGINEER for required or requested assistance to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CITY. In the event CITY requests such services of the ENGINEER, this AGREEMENT shall be amended or a separate agreement will be negotiated between the parties.

#### **K. Changes**

The CITY may make or approve changes within the general Scope of Services in this AGREEMENT. If such changes affect the ENGINEER's cost of or time required for performance of the services, an equitable adjustment will be made through an amendment to this AGREEMENT with appropriate CITY approval.

### **SECTION 6** **General Legal Provisions**

#### **A. Authorization to Proceed**

ENGINEER shall be authorized to proceed with this AGREEMENT upon receipt of a written Notice to Proceed from the CITY.

#### **B. Reuse of Project Documents**

All designs, drawings, specifications, documents, and other work products of the ENGINEER, whether in hard copy or in electronic form, are instruments of service for this PROJECT, whether the PROJECT is completed or not. Reuse, change, or alteration by the CITY or by others acting through or on behalf of the CITY of any such instruments of service without the written permission of the ENGINEER will be at the CITY's sole risk. The CITY shall own the final designs, drawings, specifications and documents.

### **C. Force Majeure**

The ENGINEER is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents, or other events beyond the control of the ENGINEER that prevent ENGINEER's performance of its obligations hereunder.

### **D. Termination**

(1) This AGREEMENT may be terminated:

- a. by the City for its convenience upon 30 days' written notice to ENGINEER.
- b. by either the CITY or the ENGINEER for cause if either party fails substantially to perform through no fault of the other and the nonperforming party does not commence correction of such nonperformance within 5 days' written notice or thereafter fails to diligently complete the correction.

(2) If this AGREEMENT is terminated for the convenience of the City, the ENGINEER will be paid for termination expenses as follows:

- a. Cost of reproduction of partial or complete studies, plans, specifications or other forms of ENGINEER'S work product;
- b. Out-of-pocket expenses for purchasing electronic data files and other data storage supplies or services;
- c. The time requirements for the ENGINEER'S personnel to document the work underway at the time of the CITY'S termination for convenience so that the work effort is suitable for long time storage.

(3) Prior to proceeding with termination services, the ENGINEER will submit to the CITY an itemized statement of all termination expenses. The CITY'S approval will be obtained in writing prior to proceeding with termination services.

### **E. Suspension, Delay, or Interruption to Work**

The CITY may suspend, delay, or interrupt the services of the ENGINEER for the convenience of the CITY. In the event of such suspension, delay, or interruption, an equitable adjustment in the PROJECT's schedule, commitment and cost of the ENGINEER's personnel and subcontractors, and ENGINEER's compensation will be made.

## **F. Indemnification**

**IN ACCORDANCE WITH TEXAS LOCAL GOVERNMENT CODE SECTION 271.904, THE ENGINEER SHALL INDEMNIFY OR HOLD HARMLESS THE CITY AGAINST LIABILITY FOR ANY DAMAGE COMMITTED BY THE ENGINEER OR ENGINEER'S AGENT, CONSULTANT UNDER CONTRACT, OR ANOTHER ENTITY OVER WHICH THE ENGINEER EXERCISES CONTROL TO THE EXTENT THAT THE DAMAGE IS CAUSED BY OR RESULTING FROM AN ACT OF NEGLIGENCE, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER. CITY IS ENTITLED TO RECOVER ITS REASONABLE ATTORNEY'S FEES IN PROPORTION TO THE ENGINEER'S LIABILITY.**

## **G. Assignment**

Neither party shall assign all or any part of this AGREEMENT without the prior written consent of the other party.

## **H. Jurisdiction**

The law of the State of Texas shall govern the validity of this AGREEMENT, its interpretation and performance, and any other claims related to it. The venue for any litigation related to this AGREEMENT shall be Denton County, Texas.

## **I. Severability and Survival**

If any of the provisions contained in this AGREEMENT are held for any reason to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision, and this AGREEMENT shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. Sections 5.F., 6.B., 6.D., 6.F., 6.H., and 6.I. shall survive termination of this AGREEMENT for any cause.

## **J. Observe and Comply**

ENGINEER shall at all times observe and comply with all federal and State laws and regulations and with all City ordinances and regulations which in any way affect this AGREEMENT and the work hereunder, and shall observe and comply with all orders, laws ordinances and regulations which may exist or may be enacted later by governing bodies having jurisdiction or authority for such enactment. No plea of misunderstanding or ignorance thereof shall be considered. **ENGINEER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS CITY AND ALL OF ITS OFFICERS, AGENTS AND EMPLOYEES FROM AND AGAINST ALL CLAIMS OR LIABILITY ARISING OUT OF THE VIOLATION OF ANY SUCH ORDER, LAW, ORDINANCE, OR REGULATION, WHETHER IT BE BY ITSELF OR ITS EMPLOYEES.**

## K. Immigration Nationality Act

ENGINEER shall verify the identity and employment eligibility of its employees who perform work under this AGREEMENT, including completing the Employment Eligibility Verification Form (I-9). Upon request by CITY, ENGINEER shall provide CITY with copies of all I-9 forms and supporting eligibility documentation for each employee who performs work under this AGREEMENT. ENGINEER shall adhere to all Federal and State laws as well as establish appropriate procedures and controls so that no services will be performed by any ENGINEER employee who is not legally eligible to perform such services. **ENGINEER SHALL INDEMNIFY CITY AND HOLD CITY HARMLESS FROM ANY PENALTIES, LIABILITIES, OR LOSSES DUE TO VIOLATIONS OF THIS PARAGRAPH BY ENGINEER, ENGINEER'S EMPLOYEES, SUBCONTRACTORS, AGENTS, OR LICENSEES.** CITY, upon written notice to ENGINEER, shall have the right to immediately terminate this AGREEMENT for violations of this provision by ENGINEER.

## L. Prohibition On Contracts With Companies Boycotting Israel

ENGINEER acknowledges that in accordance with Chapter 2270 of the Texas Government Code, CITY is prohibited from entering into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section 808.001 of the Texas Government Code. ***By signing this AGREEMENT, ENGINEER certifies that ENGINEER'S signature provides written verification to the CITY that ENGINEER: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the AGREEMENT.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

## M. Prohibition On Contracts With Companies Doing Business with Iran, Sudan, or a Foreign Terrorist Organization

Section 2252 of the Texas Government Code restricts CITY from contracting with companies that do business with Iran, Sudan, or a foreign terrorist organization. ***By signing this AGREEMENT, ENGINEER certifies that ENGINEER'S signature provides written verification to the CITY that ENGINEER, pursuant to Chapter 2252, is not ineligible to enter into this AGREEMENT and will not become ineligible to receive payments under this AGREEMENT by doing business with Iran, Sudan, or a foreign terrorist organization.*** Failure to meet or maintain the requirements under this provision will be considered a material breach.

## N. Certificate of Interested Parties Electronic Filing

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that the City may not enter into this contract

unless the Contractor submits a disclosure of interested parties (Form 1295) to the City at the time the Contractor submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

Contractor will be required to furnish a Certificate of Interest Parties before the contract is awarded, in accordance with Government Code 2252.908.

The contractor shall:

1. Log onto the State Ethics Commission Website at :  
[https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)
2. Register utilizing the tutorial provided by the State
3. Print a copy of the completed Form 1295
4. Enter the Certificate Number on page 2 of this contract.
5. Complete and sign the Form 1295
6. Email the form to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) with the contract number in the subject line. (EX: Contract 1234 – Form 1295)

The City must acknowledge the receipt of the filed Form 1295 not later than the 30th day after Council award. Once a Form 1295 is acknowledged, it will be posted to the Texas Ethics Commission's website within seven business days.

## **O. Agreement Documents**

This AGREEMENT, including its attachments and schedules, constitutes the entire AGREEMENT, which supersedes all prior written or oral understandings, and may only be changed by a written amendment executed by both parties. This AGREEMENT may be executed in one or more counterparts and each counterpart shall, for all purposes, be deemed an original, but all such counterparts shall together constitute but one and the same instrument. The following attachments and schedules are hereby made a part of this AGREEMENT:

- Attachment A - Scope of Services
- Attachment B – Compensation
- Attachment C – Changes and Amendments to Standard Agreement
- Attachment D – Project Schedule
- Attachment E – Project Location Map

These documents make up the AGREEMENT documents and what is called for by one shall be as binding as if called for by all. In the event of an inconsistency or conflict in any of the provisions of the AGREEMENT documents, the inconsistency or conflict shall be resolved by giving precedence first to the written AGREEMENT then to the AGREEMENT documents in the order in which they are listed above.

Duly executed by each party's designated representative to be effective on the date subscribed by the City Manager.

## ATTACHMENT "A"

### Scope for Engineering Design Related Services for: **IH-35E-MAYHILL - UTILITY-RELOCATIONS**

The ENGINEER will perform its services pursuant to the requirements delineated below. Services under this attachment include engineering services for the design and construction phase services for the IH-35E-MAYHILL - UTILITY-RELOCATIONS.

#### **Project Understanding**

ENGINEER will provide engineering design services for the following tasks:

The relocations of approximately 14,000 linear feet of 20-inch through 8-inch water main, 1,500 linear feet of 18-inch reclaimed water line, and 500 feet of gravity sewer line from Loop 288 to Post Oak Road along the north and south frontage roads of IH-35E. The relocations are necessary due to the CSJ 0196-01-109 Mayhill Bridge and frontage road expansion planned by TxDOT. All proposed relocations will be placed back in easement, except for lines that cross IH-35E or Mayhill Road. There are approximately 1,000 linear feet of proposed trenchless bores/tunneling.

ENGINEER's scope of services is as follows:

#### **IH-35E-MAYHILL - UTILITY-RELOCATIONS**

- Task 1 – Design Management
- Task 2 – Alignment Study
- Task 3 – Preliminary Design
- Task 4 – Final Design
- Task 5 – Construction Contract Documents
- Task 6 – Bid Phase Services
- Task 7 – Construction Phase Services
- Task 8 – Record Drawings Preparation
- Task 9 – Permitting
- Task 10 – Survey and Easements
- Task 11 – Easement Acquisition Services

#### **IH-35 - UTILITY-RELOCATIONS**

- Task 12 – Conflict Analysis

## **Task 1        DESIGN MANAGEMENT**

### **A. Project Management**

1. Develop project communication plan.
  - a. Develop project contact list. .
  - b. Prepare and e-mail progress reports to the project team once a month to be included with invoices. 24 months is assumed.
  - c. Prepare project schedule and provide schedule updates if the schedule changes.
2. Meetings
  - a. Prepare for and attend kickoff meeting.
  - b. Prepare meeting notes and distribute to the City.
3. Sub-consultant Agreement Preparation
  - a. Prepare and execute up to five (5) subconsultant agreements.

## **Task 2 – ALIGNMENT STUDY**

### **A. Preliminary Investigation**

1. Data Collection and Record Research
  - b. Gather existing survey and topographic data
  - c. Gather existing aerial photographs.
  - d. Gather existing water, sanitary sewer, and storm sewer record drawings.
  - e. Gather existing paving plans.
  - f. Gather existing development plans.
  - g. Gather existing plat information.
  - h. Collect property owner and record information
  - i. Gather existing right-of-way and easement information.
  - j. Gather existing franchise utility record information.
2. Site Investigation
  - a. Walk general alignment.
  - b. Document alignment corridor with photographs.
  - c. Identify potential alignment, conflicts and issues.
3. Data Review with City
  - a. Meet with City to review accuracy of record information.
  - b. Interview City staff concerning historical, existing and future City plans along the alignment.

**B. Prepare Alternate Alignment Technical Memorandum.**

1. Analysis of alternate alignments indicating merits and challenges for each, and including the following considerations:
  - a. Easement acquisition schedule and cost impacts.
  - b. Existing development impacts.
  - c. Existing potential horizontal and vertical conflicts.
  - d. Accessibility for maintenance.
  - e. Prepare opinions of probable construction cost for each alignment. The ENGINEER has no control over the cost of labor, materials, equipment, or over the Contractor's methods of determining prices or over competitive bidding or market conditions. Opinions of probable costs provided herein are based on the information known to ENGINEER at this time and represent only the ENGINEER's judgment as a design professional familiar with the construction industry. The ENGINEER cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its opinions of probable costs.

**C. Deliverables**

1. Digital .PDF copy of draft and final technical memorandum.

**D. Meetings**

1. Conduct one (1) review meeting with City.
2. Revise memorandum based on City comments.

**Task 3 – PRELIMINARY DESIGN****A. Design Survey**

1. Utility and Property Owner Coordination
  - a. Coordinate with DIG TESS and City of Denton to locate and mark existing franchise and public utilities prior to performing the field survey.
2. Design Survey
  - a. The limits of the survey shall be a 100-foot wide alignment generally along IH-35E, and along Mayhill Road as shown on the Project Location Map. There are two location of offsite alignment that will require easement along the backside of properties adjacent to IH-35E. The topographic survey will be approximately 15,000 linear feet.
  - b. Establish up to ten (10) horizontal control points based on the City of Denton Coordinate System using ½-inch rebar with identifiable plastic cap, specific for this project.
  - c. Establish a vertical control benchmark circuit tied to the City of Denton benchmark system, specific for this project, as well as tie into the TxDOT control.

- d. Perform a field survey to identify and locate all existing topographic elements within the alignment corridor including, but not limited to, the following:
  - i. Property pins
  - ii. Existing pavement, curbs, sidewalks, barrier free ramps, etc.
  - iii. Lane Striping (where applicable)
  - iv. Driveways
  - v. Existing storm sewer inlets, manholes, junction boxes, outfalls, and erosion control
  - vi. Culverts and bridges
  - vii. Guardrail
  - viii. Utility manholes, vaults, water valves, water meters, sprinkler heads, telephone poles, power poles, utility markers, other public utilities, and franchise utilities
  - ix. Traffic signal poles, cabinets, and other signal equipment
  - x. Signs (excluding temporary signs)
  - xi. Trees, 6-inch caliper and up (center of trunk as well as dripline)
  - xii. Buildings
  - xiii. Retaining walls
  - xiv. Fence limits and material types
  - xv. Other applicable physical features that could impact design:
    - a) Field ties to the existing edge of pavement on Mayhill Road and Interstate Hwy 35.
    - b) Field sketches of utility manholes and structures.
    - c) Prepare a final topographic drawings in a digital format (including one-foot contours and breaklines) showing the features located in the field as well as right-of-way strip map information, an ASCII coordinate file of the points located in the field, and a hard copy of the coordinates and feature descriptions.

## **B. Geotechnical Engineering**

1. Perform a geotechnical analysis of the alignment utilizing a qualified geotechnical laboratory to determine subsurface conditions and make recommendations regarding design parameters. The analysis shall include the following:
  - a. Subsurface exploration including up to ten (10) sample bores varying 30 feet depending upon location.
  - b. Laboratory tests for classification purposes and strength characteristics.
  - c. Engineering services that address the following:

- i. soil and groundwater conditions
  - ii. Comments on general excavatability of soils and shale encountered
  - iii. Recommendations for pipe installation, including bedding and backfill
  - iv. Recommendations for tunneling operations
2. A geotechnical report will be furnished by the geotechnical engineer to present the results of the field and laboratory data as well as analyses and recommendations. Three (3) copies of the report will be provided by the geotechnical engineer, with one (1) copy going to the City. The data contained in the geotechnical report will be made available to contractors during the bidding process for informational purposes.

### **C. Subsurface Utility Engineering (SUE)**

1. Level A investigation of existing water line connection point, and potential crossing utilities. The Level A investigation shall consist of performing up to four (4) level A testholes or "locates" of existing utilities. The Level A investigation will be conducted in accordance with ASCE publication CI/ASCE 38-02 and include the location of said utility in three dimensions obtained through non-destructive geophysical methods.

### **D. Preliminary Water Line Design**

1. Visit the site to perform field verification of the survey.
2. Preliminary plan and profile drawings preparation for approximately 8,000 linear feet of 20-inch water line, 1,500 linear feet of 12-inch water line, 3,800 linear feet of 8-inch water line, 500 feet of gravity sanitary sewer, and 1,500 linear feet of 18-inch reclaimed water line.
  - a. Prepare (22"x34") plan and profile drawings at 1"=20' horizontal and 1"=8' vertical scale.
  - b. Plan view of the base map shall have all above ground features shown and clearly labeled along with existing utilities based on field ties and record information.
  - c. Plan view shall include design notes for stationing, size, slope, pipe material, embedment, length and construction method.
  - d. Profile view shall include design notes for stationing, size, slope, flow-line of pipe, pipe material, embedment, length and construction method.
  - e. Prepare preliminary water line details, including connection details.
  - f. Design tunnels/bores including casing/tunnel liner plate minimum thickness and inside diameter, shafts, allowable methods, control of ground water, and appropriate tolerances with the chosen method.
  - g. Perform one (1) site visit to verify preliminary design.
3. Preliminary Traffic Control and Detour Plan Preparation.

- a. City and TxDOT typical traffic control details will be included as required.
4. Franchise Utility Coordination
  - a. Provide one set of drawings to each franchise utility encountered for their review. Request each franchise to mark up the drawings to show the size, type, and location of their utilities.
  - b. Coordinate with franchise utilities if any relocations are required. Notify City if any relocations will be required.
5. Prepare preliminary general notes and details, including City Standard Details where applicable.
6. Prepare preliminary technical specifications utilizing City Standard Specifications, and any special specifications.
7. Compile and prepare an updated opinion of probable construction cost for the entire project using recent average unit bid prices which are representative of similar types of construction in the local area.
  - a. The ENGINEER has no control over the cost of labor, materials, equipment, or over the Contractor's methods of determining prices or over competitive bidding or market conditions. Opinions of probable costs provided herein are based on the information known to ENGINEER at this time and represent only the ENGINEER's judgment as a design professional familiar with the construction industry. The ENGINEER cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its opinions of probable costs.

#### **E. Deliverables**

1. Preliminary design submittal (60%)
  - a. Submit four (4) copies to City for review and comment.
  - b. Submittal shall include the following:
    - i. Preliminary design plans (22"x34")
    - ii. Preliminary technical specifications
    - iii. Opinion of probable construction cost

#### **F. Meetings**

1. Attend one (1) meeting with City to kick-off preliminary design.
2. Attend one (1) meeting with City on-site prior to submittal of preliminary plans, if required.
3. Attend one (1) meeting with City to present and review the preliminary design submittal

## **Task 4 – FINAL DESIGN**

### **A. Easement Preparation**

1. Upon receiving approval of 60% design drawings, ENGINEER will prepare up to thirty-five (35) permanent water line easements and up to thirty-five (35) temporary construction easements (which may be shown on the permanent easement document).
2. Easement instruments will consist of metes and bounds descriptions and exhibits.

### **B. Final Design**

1. Incorporate the preliminary design submittal review comments (one (1) round of comments is anticipated in proposed effort).
2. Prepare updated opinion of probable construction cost.
  - a. The ENGINEER has no control over the cost of labor, materials, equipment, or over the Contractor's methods of determining prices or over competitive bidding or market conditions. Opinions of probable costs provided herein are based on the information known to ENGINEER at this time and represent only the ENGINEER's judgment as a design professional familiar with the construction industry. The ENGINEER cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its opinions of probable costs.
3. Incorporate franchise utility investigation information
4. Incorporate details and technical specifications.
5. Prepare surface repair sheets and details as necessary.
6. Prepare final abandonment layout sheet and letter for TxDOT submittal.
7. Prepare Project Manual using City Standard Construction Contract Documents.

### **C. Deliverables:**

1. Final Design Submittal (95%)
  - a. Submit four (4) copies to the City for review and comment.
  - b. Submittal shall include the following:
    - i. Final design drawings
    - ii. Final design project manual
    - iii. Opinion of probable construction cost

### **D. Meetings**

1. One (1) meeting with City to review Final Design Submittal.

## **Task 5 – CONSTRUCTION CONTRACT DOCUMENTS**

### **A. Bidding Construction Contract Documents**

1. Incorporate City comments from 95% design submittal and prepare construction contract documents, bid plans, and opinion of probable construction cost.
2. Construction contract documents will consist of the final plans and project manual, both signed and sealed by a licensed professional engineer in the State of Texas and in accordance with comments provided by the City during final design.

### **B. Deliverables:**

1. Construction Contract Documents Submittal
  - a. Submit four (4) copies to the City for bidding.
  - b. Submittal shall include the following:
    - i. Bid drawings
    - ii. Bid project manual
    - iii. Opinion of probable construction cost

## **Task 6 – BID PHASE SERVICES**

### **A. Bid Phase Services**

1. Provide electronic bid documents to the City purchasing department for bidding.
2. Provide the Notice to Bidders to the City for publication. The City will be responsible for publication of the notice. The City will be responsible for distribution of the bidding documents to prospective contractors, suppliers and plan rooms.
3. The following assistance will be provided to the City during the bidding phase:
  - a. Preparation of addenda and delivery to City for distribution to plans holders.
  - b. Responses to questions submitted by plans holders.
  - c. Attend bid opening facilitated by City.
  - d. Preparation of bid tabulation.
  - e. Preparation of recommendation of award letter.
4. Conformance plans and specifications
  - a. Based on potential questions and addenda from the bidding phase, prepare conformance set of plans and specifications to be used during construction.
    - i. Provide up to four (4) sets to City for execution.

## **Task 7 – CONSTRUCTION PHASE SERVICES**

### **A. Construction Phase Services**

1. Pre-Construction Conference
  - a. Prepare for and attend a pre-construction conference prior to commencement of Work at the Site
2. Site Visits
  - a. Visit the construction site up to twelve (12) times during construction to perform construction observation. 12 months construction time is assumed.
  - b. Site Visits are not intended to be exhaustive or to extend to every aspect of Contractor's work in progress. Observations are to be limited to spot checking, selective measurement, and similar methods of general observation of the Work based on ENGINEER's exercise of professional judgement.
  - c. Based on information obtained during site visits, ENGINEER will determine if Contractor's work is generally proceeding in accordance with the Contract Documents, and ENGINEER will keep CITY informed of the general progress of the work.
3. Recommendations with Respect to Defective Work
  - a. Provide recommendations to City that Contractor's work be disapproved and rejected while it is in progress if, on the basis of site visit evaluations, ENGINEER believes such work will not produce a completed Project that conforms generally to Contract Documents or that it will prejudice the integrity of the design concept of the completed Project as a functioning whole as indicated in the Contract Documents. Notwithstanding the foregoing, the City reserves the right to disapprove or reject Contractor's work without a recommendation from the ENGINEER.
4. Clarifications and Interpretations
  - a. Issue necessary clarifications and interpretations of the Contract Documents to City as appropriate to the orderly completion of Contractor's work. Such clarifications and interpretations will be consistent with the intent of the Contract Documents. Field orders authorizing variations from the requirements of the Contract Documents will be made by City.
5. Change Orders
  - a. Recommend change orders to City, as appropriate.
  - b. Review and make recommendations related to Change Orders submitted or proposed by the Contractor.
6. Shop Drawings and Samples
  - a. Review and approve or take other appropriate action in respect to Shop Drawings and Samples and other data which Contractor is required to

submit, but only for conformance with the information given in the Contract Documents and compatibility with the design concept of the completed Project as a functioning whole as indicated in the Contract Documents. Such review and approvals or other action will not extend to means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction or to related safety precautions and programs.

7. Substitutes and “or-equal”

- a. Evaluate and determine the acceptability of substitute or “or-equal” materials and equipment proposed by Contractor in accordance with the Contract Documents, but subject to the provisions of applicable standards of state or local government entities.
- b. Provide recommendations to City

8. Inspections and Tests

- a. Review certificates of inspections and tests within ENGINEER’s area of responsibility for the purpose of determining that the results certified indicate compliance with the Contract Documents and will not constitute an independent evaluation that the content or procedures of such inspections, tests, or approvals comply with the requirements of the Contract Documents. ENGINEER will be entitled to rely on the results of such tests and facts being certified. The scope of services assumes the pumps and motors will go through a non-witnessed factory test. Attending testing will be considered additional services.

9. Disagreements between City and Contractor

- a. As necessary, ENGINEER will, with reasonable promptness, render initial written decision on all claims of City and Contractor relating to the acceptability of Contractor’s work or the interpretation of the requirements of the Contract Documents pertaining to the progress of the Contractor’s work. In rendering such decisions, ENGINEER will be fair and not show partiality to City or Contractor and will not be liable in connection with any decision rendered in good faith in such capacity. The initial decision of the ENGINEER shall be required as a condition precedent to mediation or litigation of any claim arising prior to the date final payment is due to the Contractor, unless thirty (30) days have passed after a claim has been referred to the ENGINEER with no decision having been rendered.

10. Final Walkthrough and Punchlist Preparation

- a. Attend final walkthrough with Contractor and City to determine if the completed work of Contractor is generally in accordance with the Contract Documents.
  - i. Limitation of Responsibilities: The ENGINEER will not be responsible for the acts or omissions of any Contractor, or of any of their subcontractors, suppliers, or of any other individual entity performing or furnishing the work. ENGINEER will not have the authority or responsibility to stop the work of any Contractor.

- b. Compile punch list from information gathered during final walkthrough with City and Contractor.

## **Task 8 – RECORD DRAWINGS**

### **A. Record Drawings**

1. Obtain and review comments and field changes on the construction plans from City and Contractor.
2. Prepare record drawings based on comments and field changes. The ENGINEER will not be providing resident engineering services and will not be observing on a full-time basis, and will therefore not seal the record drawings. The record drawings will be provided in the following format:
  - a. (1) Mylar hardcopy full-size (22"x34")
  - b. PDF electronic copy

## **Task 9 – PERMITTING**

### **A. Permitting**

1. The City will be responsible for administration of TxDOT UIR permits. The ENGINEER will prepare exhibits for permit submittal.
2. The ENGINEER will aid the City in coordinating the Utility Agreement (U-35) with TxDOT and prepare reimbursement invoices as necessary. This also includes providing betterment calculations and coordination efforts with TxDOT, and their designated Utility Coordinator.

## **Task 10 – SURVEY AND EASEMENTS**

### **A. Survey and Easements**

1. See components of Task 3 and Task 4.

## **Task 11 – EASEMENT ACQUISITION SERVICES**

### **A. Easement Acquisition Services**

ENGINEER will perform the following services for this task:

1. Provide appraisals for proposed easements on up to twenty-five (25) parcels for the proposed lines. Appraisals will be approved by the City prior to beginning negotiations with property owners. The appraisals will be prepared by State Certified Appraisers in accordance with the Uniform Standards of Professional Appraisal Practice Act (USPAP). The appraisals will be suitable for use in condemnation proceedings, if necessary.

2. Provide property negotiation services for up to twenty-five (25) parcels for the proposed line as follows:
3. The offer to purchase the properties will be based on the appraisals as indicated above. The City will establish the value to be used in negotiation and the range of negotiating authority to be given to the right-of-way agent. ENGINEER's Real Estate Agent will provide the services of qualified right-of-way agents to secure the required right-of-way for the project. The right-of-way agents will provide each property owner a copy of The Texas Landowner Bill of Rights, but will NOT be required to provide negotiation services under the Uniform Relocation and Acquisition Act (Uniform Act).
4. ENGINEER's Real Estate Agent will negotiate on behalf of the City and utilize conveyance documents and other necessary forms as prescribed by the City. ENGINEER's Real Estate Agent will provide a good faith effort to acquire the rights-of-way through a negotiation process, which will generally consist of three (3) contacts with the property owner, or his authorized representative. A maximum of five (5) total contacts will be provided to reach an agreement with the property owner, or to determine that further negotiations will be non-productive and that eminent domain actions will be necessary to acquire the property. If absentee owners are involved, the negotiations may be conducted via telephone, fax, or by mail. If the schedule for acquisition of the right-of-way or other factors arise, which make it expedient, travel outside the project area to meet with the absentee owners may be desirable. If such events arise, the travel must be specifically authorized by the City. If such travel is authorized, the expenses involved, including the agent's services, will be considered additional services.
5. The initial offer made to the property owner will be based on the value authorized by the City. All counter-offers by the property owner, along with ENGINEER's Real Estate Agent recommendations will be presented to the City for consideration. The City must establish and recommend such counter offers before ENGINEER's Real Estate Agent will be authorized to agree to the requested changes. All monetary offers made to the property owners will be within the limits authorized by the City in the various stages of the negotiation.
6. After reaching an agreement with the landowner on the consideration and all other terms of the transaction, ENGINEER's Real Estate Agent will forward to the City a Memorandum of Agreement (M/A) executed by the property owner to be ratified by the City. This M/A sets forth the compensation and any other terms and conditions agreed upon. The City will be responsible for obtaining the City's ratification and for returning the ratified M/A to ENGINEER's Real Estate Agent. ENGINEER's Real Estate Agent will then inform the Title Company that the parcel is ready for closing.
7. ENGINEER's Real Estate Agent will coordinate contacts with the CITY to deliver any payments to the Title Company prior to closing.
8. This Scope of Services assumes that costs for Title Commitments, Title Policies and recording fees will be purchased by the City through the assistance of the Real Estate Agent. The amount paid for the Title Policies will not exceed premium amounts set by the Texas Department of Insurance and agreed upon in advance between the City and the Title Company. Any additional Title Company services such as recording fees shall be agreed upon in advance

between the City and the Title Company. ENGINEER's Real Estate Agent will review liens or other exceptions reported in the Title Commitment. ENGINEER will coordinate the location and the effect of any utility easements. ENGINEER will report the results of the Title Commitment to the City, recommending the disposition of the exceptions. The decision whether the reported exceptions are acceptable or must be eliminated will be the responsibility of the City. Any action required to clear title is not included in the Scope of Work for this project, and if required, will be considered Additional Services.

9. ENGINEER's Real Estate Agent will coordinate and attend all closings at the Title Company.
10. ENGINEER's Real Estate Agent will confirm that the Title Company records all documents at the Denton County Courthouse after closing.
11. ENGINEER's Real Estate Agent will confirm that the Title Company forwards copies of all recorded documents to the City.

## **Task 12 – CONFLICT ANALYSIS**

### **A. Conflict Analysis**

- a. I-35 (from I-35E/I-35W split to Denton County Line) Schematic Review: Review proposed TxDOT ROW maps and proposed roadway alignment schematics as compared to the existing CITY water and sanitary sewer maps. Identify potential conflicts between proposed TxDOT ROW, proposed roadway, water and sanitary sewer utilities.
- b. Site Visits to Conflict Areas: After conflict identification, perform site visit to obtain additional information not shown on maps and schematics.
- c. Coordination with CITY regarding conflicts between the future roadway infrastructure and the CITY's water and sanitary sewer infrastructure that creates a service interruption that the CITY deems not in their best interest therefore warranting a potential realignment of the roadway to avoid the conflict with the water and/or sanitary sewer infrastructure.
- d. Coordination with TxDOT regarding conflicts between the future roadway infrastructure and the CITY's water and sanitary sewer infrastructure that creates a service interruption that the CITY deems not in their best interest therefore warranting a potential realignment of the roadway to avoid the conflict with the water and/or sanitary sewer infrastructure.

### **B. Deliverables:**

- a. Meeting notes and action items for each attending party from the coordination efforts.
- b. Conceptual map identifying conflicts and conceptual OPCC.

## **ADDITIONAL SERVICES NOT INCLUDED IN THE EXISTING SCOPE OF SERVICES**

City and ENGINEER agree that the following services are beyond the Scope of Services described in the tasks above. However, ENGINEER can provide these services, if needed, upon the City's written request. Any additional amounts paid to ENGINEER as a result of any material change to the Scope of the Project shall be agreed upon in writing by both parties before the services are performed. These additional services include, but are not limited to the following:

- Redesign to reflect project scope changes requested by the CITY or TxDOT, required to address changed conditions or change in direction previously approved by the CITY, mandated by changing governmental laws, or necessitated by the CITY's acceptance of substitutions proposed by the contractor.
- Additional Construction Site Visits
- Additional Construction Shop Drawing and Sample Review and Comment
- Additional Traffic Control Plan Details
- Traffic signal design
- Sidewalk design
- Design of any offsite drainage improvements beyond the improvements identified in the scope
- Preparation for and attendance at public meetings
- Furnish additional copies of review documents and/or bid documents in excess of the number of the same identified above.
- Negotiation of temporary right-of-entries.
- Services related to disputes over bid protests, bid rejection, and re-bidding of the contract for construction.
- Construction management and inspection services.
- Performance of materials or specialty testing services.
- Services necessary due to default of the Contractor.
- Services related to damages caused by fire, flood, earthquake or other acts of God.
- Services related to warranty claims, enforcement, and inspection after final completion.
- Services related to Survey Construction Staking.
- Services to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CITY.
- Performance of miscellaneous and supplemental services related to the project as requested by the CITY.
- Retaining wall design
- "Value engineering" after bidding
- Traffic studies or reports
- SWPPP inspections / coordination
- Any services not listed in the Scope of Services

**ATTACHMENT "B"**

Compensation for Engineering Design Related Services for:

**IH-35E-MAYHILL - UTILITY-RELOCATIONS**

Total compensation for the ENGINEER contemplated under the terms of this agreement **shall be a total not-to-exceed \$922,800** for all services including reimbursable expenses. The CITY shall compensate the ENGINEER as follows:

For Tasks 1-12 the total compensation shall be on a reimbursable (hourly) basis and not to exceed **\$922,800**.

Progress payments for shall be paid monthly based on the actual work satisfactorily completed per month in each phase, with the following amounts of the total compensation for each phase of the Project:

• Task 1 – Design Management	\$46,700
• Task 2 – Alignment Study	\$51,400
• Task 3 – Preliminary Design	\$171,000
• Task 4 – Final Design	\$79,500
• Task 5 – Construction Contract Documents	\$14,500
• Task 6 – Bid Phase Services	\$18,700
• Task 7 – Construction Phase Services	\$61,900
• Task 8 – Record Drawings Preparation	\$10,100
• Task 9 – Permitting	\$26,600
• Task 10 – Survey and Easements	\$130,200
• Task 11 – Easement Acquisition Services	\$277,200
• Task 12 – Conflict Analysis	\$35,000

---

<b>Grand Total</b>	<b>\$922,800</b>
--------------------	------------------

ENGINEER will not exceed the total maximum labor fee shown without authorization from the CITY. Individual task amounts are provided for budgeting purposes only. ENGINEER reserves the right to reallocate amounts among tasks as necessary.

Labor fee will be billed on an hourly basis according to our then-current rates. As to these tasks, direct reimbursable expenses such as express delivery services, fees, air travel, and other direct expenses will be billed at 1.10 times cost. A percentage of labor fee will be added to each invoice to cover certain other expenses as to these tasks such as telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Administrative time related to the project may be billed hourly. All permitting, application, and similar project fees will be paid directly by the CITY.

Payment will be due within 25 days of your receipt of the invoice and should include the invoice number and Kimley-Horn project number.

Piggy Back Option	Not Applicable
Contract Expiration	N/A
Ordinance	21-019

**FIRST AMENDMENT TO CONTRACT  
BY AND BETWEEN THE CITY OF DENTON, TEXAS  
AND KIMLEY-HORN AND ASSOCIATES, INC.  
Contract #6590-084**

THE STATE OF TEXAS                   §

COUNTY OF DENTON                   §

THIS FIRST AMENDMENT TO CONTRACT 6590-084 (“Amendment”) by and between the City of Denton, Texas (“City”) and Kimley-Horn and Associates, Inc., (“Engineer”); to that certain contract executed on January 15, 2020, in the original not-to-exceed amount of \$922,800 (the “Agreement”); for services related to the IH-35E-Mayhill-Utility Relocations.

WHEREAS, the City deems it necessary to further expand the services provided by Consultant to the City pursuant to the terms of the Agreement, and to provide an additional not-to-exceed amount \$165,000 with this Amendment for an aggregate not-to-exceed amount of \$1,087,800; and

FURTHERMORE, the City deems it necessary to further expand the goods/services provided by Engineer to the City;

NOW THEREFORE, the City and Engineer (hereafter collectively referred to as the “Parties”), in consideration of their mutual promises and covenants, as well as for other good and valuable considerations, do hereby AGREE to the following Amendment, which amends the following terms and conditions of the said Agreement, to wit:

1. The additional services described in Exhibit “A” of this Amendment, attached hereto and incorporated herein for all purposes, for professional services related to the IH-35E-Mayhill-Utility Relocations, are hereby authorized to be performed by Engineer. For and in consideration of the additional services to be performed by Engineer, the City agrees to pay, based on the cost estimate detail attached as Exhibit “A”, a total fee, including reimbursement for non-labor expenses an amount not to exceed \$165,000.
2. This Amendment modifies the Agreement amount to provide an additional \$165,000 for the additional services with a revised aggregate not to exceed total of \$1,087,800.

The Parties hereto agree, that except as specifically provided for by this Amendment, that all of the terms, covenants, conditions, agreements, rights, responsibilities, and obligations of the Parties, set forth in the Agreement remain in full force and effect.

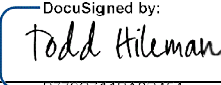

IN WITNESS WHEREOF, the City and the Consultant, have each executed this Amendment electronically, by and through their respective duly authorized representatives and officers on this date 01/12/2021.

**SECOND AMENDMENT TO CONTRACT  
BY AND BETWEEN THE CITY OF DENTON, TEXAS  
AND KIMLEY-HORN AND ASSOCIATES, INC.  
Contract #6590-084**

THE STATE OF TEXAS                   §

COUNTY OF DENTON                   §

THIS SECOND AMENDMENT TO CONTRACT 6590-084 (“Amendment”) by and between the City of Denton, Texas (“City”) and Kimley-Horn and Associates, Inc., (“Engineer”); to that certain contract executed on January 14, 2020, in the original not-to-exceed amount of \$922,800 (the “Original Agreement”); amended on January 12, 2021 in the additional amount of \$165,000 aggregating a not-to-exceed amount of \$1,087,800 (the “First Amendment”) (collectively, the Original Agreement, the First Amendment are the “Agreement”) for services related to the IH-35E-Mayhill-Utility Relocations.

WHEREAS, the City deems it necessary to further expand the services provided by Consultant to the City pursuant to the terms of the Agreement, and to provide an additional not-to-exceed amount \$217,500 with this Amendment for an aggregate not-to-exceed amount of \$1,305,300; and

FURTHERMORE, the City deems it necessary to further expand the goods/services provided by Engineer to the City;

NOW THEREFORE, the City and Engineer (hereafter collectively referred to as the “Parties”), in consideration of their mutual promises and covenants, as well as for other good and valuable considerations, do hereby AGREE to the following Amendment, which amends the following terms and conditions of the said Agreement, to wit:

1. The additional services described in Exhibit “A” of this Amendment, attached hereto and incorporated herein for all purposes, for professional services related to the IH-35E-Mayhill-Utility Relocations, are hereby authorized to be performed by Engineer. For and in consideration of the additional services to be performed by Engineer, the City agrees to pay, based on the cost estimate detail attached as Exhibit “A”, a total fee, including reimbursement for non-labor expenses an amount not to exceed \$217,500.
2. This Amendment modifies the Agreement amount to provide an additional \$217,500 for the additional services with a revised aggregate not to exceed total of \$1,305,300.

The Parties hereto agree, that except as specifically provided for by this Amendment, that all of the terms, covenants, conditions, agreements, rights, responsibilities, and obligations of the Parties, set forth in the Agreement remain in full force and effect.

IN WITNESS WHEREOF, the City and the Consultant, have each executed this Amendment electronically, by and through their respective duly authorized representatives and officers on this date 08/03/2021.

**EXHIBIT A****AMENDMENT NO. 2 TO PROFESSIONAL SERVICES AGREEMENT  
ADDITIONAL SERVICES****Professional Services Agreement:  
IH-35E-MAYHILL - UTILITY-RELOCATIONS  
Amendment Scope of Services****Scope of Services**

TxDOT has redesigned a portion of the roadway project that necessitates additional waterline relocation. The CITY has requested that the ENGINEER perform additional services including topographic survey, design, easement acquisition, and additional TxDOT coordination for approximately 1,700 linear feet of 20-inch water line.

**Task 1      Design Management**

ENGINEER will provide the following additional services in accordance with the Original Contract:

**A. Project Management**

1. Continued development of progress reporting and updates to project schedule.
2. Attend up to one additional meeting with City.
3. Prepare and execute up to two (2) additional subconsultant amendments.

**Task 3      Preliminary Design**

ENGINEER will provide the following additional services in accordance with the Original Contract:

**A. Preliminary Water Line Design**

1. Perform one additional site visit to perform field verification of the survey.
2. Prepare preliminary water line plan and profile drawings for approximately 1,700 linear feet of 20-inch water line.
3. Compile and prepare an updated opinion of probable construction cost (OPCC) for the additional infrastructure to be incorporated into the preliminary design OPCC.

**B. Deliverables**

1. Supplemental Preliminary design submittal (60%)
  - a. Submit four (4) copies to City for review and comment.
  - b. Submittal shall include the following:
    - i. Supplemental preliminary design plans (22"x34")
    - ii. Opinion of probable construction cost incorporated into overall cost of proposed Mayhill Utility Relocations

**C. Meetings**

1. Attend one (1) additional meeting with City to present and review the supplemental preliminary design submittal.

**Task 4 Final Design**

ENGINEER will provide the following additional services in accordance with the Original Contract:

**A. Final Design**

1. Prepare final design water line plan and profile drawings, surface repair, erosion control, and details for approximately 1,700 linear feet of 20-inch water line.

**B. Deliverables:**

1. Final Design Submittal will be incorporated into the Final Design Deliverables indicated in the Original Contract.

**Task 9 Permitting**

ENGINEER will provide the following additional services in accordance with the Original Contract:

**A. Permitting**

1. The ENGINEER will aid the City in coordinating the additional design into the Utility Agreement (U-35) with TxDOT and prepare reimbursement invoices as necessary. This also includes providing betterment calculations and coordination efforts with TxDOT, and their designated Utility Coordinator.

**Task 10 Survey and Easements**

ENGINEER will provide the following additional services in accordance with the Original Contract:

**A. Design Survey**

1. Additional design survey with the following limits:
  - a. A 100-foot wide alignment generally along Interstate Hwy 35 continuing south/east from the Lillian Miller/Loop 288 intersection approximately 1,700 linear feet.

**B. Easement Preparation**

1. Upon receiving approval of 60% design drawings, ENGINEER will prepare up to eight (8) permanent water line easements and up to one (1) temporary construction easements.
2. Revise up to twelve (12) previously submitted signed and sealed easement documents due to coordination with Denton Municipal Electric and City Real Estate requests.

### **Task 11 – Easement Acquisition Services**

ENGINEER will provide technical assistance to the Real Estate Agent during property negotiations for up to twenty (20) hours.

ENGINEER's Real Estate Agent will provide the following additional services in accordance with the Original Contract:

- Provide property negotiation services, title closing services, and appraisal services, including appraisal review for an additional eight (8) parcels for the proposed line in accordance with the previously agreed to scope under Task 11.A.
- Revise up to four (4) previously submitted appraisal packets due to coordination with Denton Municipal Electric and City Real Estate requests.

## Compensation

The additional services described above will be accommodated by increasing the contract amount by \$217,500. The following table summarizes the revised contract amount:

Task	Original Contract	Amd. No. 1	Amd. No. 2	Revised Contract
Task 1 – Design Management	\$46,700	-	\$2,900	\$49,600
Task 2 – Alignment Study	\$51,400		-	\$51,400
Task 3 – Preliminary Design	\$171,000	-	\$23,900	\$194,900
Task 4 – Final Design	\$79,500	-	\$11,100	\$90,600
Task 5 – Construction Contract Documents	\$14,500	-	-	\$14,500
Task 6 – Bid Phase Services	\$18,700	-	-	\$18,700
Task 7 – Construction Phase Services	\$61,900	-	-	\$61,900
Task 8 – Record Drawings Preparation	\$10,100	-	-	\$10,100
Task 9 – Permitting	\$26,600	-	\$7,600	\$34,200
Task 10 – Survey and Easements	\$130,200	-	\$35,000	\$165,200
Task 11 – Easement Acquisition Services	\$277,200	\$165,000	\$137,000	\$579,200
Task 12 – Conflict Analysis	\$35,000	-	-	\$35,000

## APPROVAL

To David Brown

City of Denton Water Utilities

901 A Texas St

Denton, TX 76209

Date 9/14/2022

Application No. DAL20210118130643

District App. No. DAL20210118130643

Highway IH 0035

Control Section 019601

Maintenance Section Denton County Maintenance

County Denton

TxDOT offers no objection to the location on the right-of-way of your proposed utility installation, as described by Notice of Proposed Utility Installation No. DAL20210118130643 (District Application No. DAL20210118130643) dated 9/14/2022 and accompanying documentation, except as noted below.

**It is understood that it is the responsibility of the utility owner to contact TxDOT 48 hrs prior to the start of construction using the UIR System and by email or phone call to the area office Utility Coordinator. It is also the owners responsibility to contact TxDOT once the construction is complete.**

When installing utility lines on controlled access highways, your attention is directed to governing laws, especially to Texas Transportation Code, Title 6, Chapter 203, pertaining to Modernization of State Highways; Controlled Access Highways. Access for serving this installation shall be limited to access via (a) frontage roads where provided, (b) nearby or adjacent public roads or streets, (c) trails along or near the highway right-of-way lines, connecting only to an intersecting roads; from any one or all of which entry may be made to the outer portion of the highway right-of-way for normal service and maintenance operations. The Installation Owner's rights of access to the through-traffic roadways and ramps shall be subject to the same rules and regulations as apply to the general public except, however, if an emergency situation occurs and usual means of access for normal service operations will not permit the immediate action required by the Utility Installation Owner in making emergency repairs as required for the safety and welfare of the public, the Utility Owners shall have a temporary right of access to and from the through-traffic roadways and ramps as necessary to accomplish the required emergency repairs, provided TxDOT is immediately notified by the Utility Installation Owner when such repairs are initiated and adequate provision is made by the Utility Installation Owner for convenience and safety of highway traffic.

The installation shall not damage any part of the highway and adequate provisions must be made to cause minimum inconveniences to traffic and adjacent property owners. In the event the Installation Owner fails to comply with any or all of the requirements as set forth herein, the State may take such action as it deems appropriate to compel compliance.

It is expressly understood that the TxDOT does not purport, hereby, to grant any right, claim, title, or easement in or upon this highway; and it is further understood that the TxDOT may require the Installation Owner to relocate this line, subject to provisions of governing laws, by giving thirty (30) days written notice.

If construction has not started within six (6) months of the date of this approval, the approval will automatically expire and you will be required to submit a new application. You are also requested to notify this office prior to commencement of any routine or periodic maintenance which requires pruning of trees within the highway right-of-way, so that we may provide specifications for the extent and methods to govern in trimming, topping, tree balance, type of cuts, painting cuts and clean up. These specifications are intended to preserve our considerable investment in highway planting and beautification, by reducing damage due to trimming.

### Special Provisions:

**Bore water sewer lines General Trench Pit Location Backfill**

You are required to notify TxDOT 48 hours (2 business days) before you start construction to allow for proper inspection and coordination of work days and traffic control plans. Use the UIR website for the 48-hour notification. DO NOT start construction until you have coordinated the construction start date and inspection with TxDOT. You are also required to keep a copy of this Approval, the Notice of Proposed Installation, and any approved amendments at the job site at all times.

Texas Department of Transportation  
By Justin Braudrick  
Title Utility Coordinator  
District Dallas

**Construction of Highway Crossing by Bore**

- 1. GENERAL - WATER JETTING OR JACKING WILL NOT BE PERMITTED.** All paved streets which are maintained by TxDOT must be bored & encased unless it is specifically stated on the permit that an exception for open cutting and/or no encasement is granted.

At no time shall the boring operation interfere with the traveling public. The safety of the traveling public and maintaining the integrity of the roadway is the primary concern.

- 2. BORE PIT LOCATIONS** - No excavations for bore pits will be allowed to be any closer to the edge of the pavement (travel lane) than as outlined in the "TRENCH EXCAVATIONS AND PIT LOCATION" specification. If the required clear zoned distance is closer than outlined in the above mentioned specification, then appropriate traffic control devices such as barricades, signs, barrel mounted guard fence and/or concrete traffic barriers will be required as deemed necessary by the TxDOT inspector.

No excavated material will be stored closer to the traveled way than the bore pit. All pits and trenches shall be backfilled immediately after the encasement and carrier pipes have been installed. Upon completion of the backfill, all excess material will be removed from the right of way.

- 3. METHOD OF INSTALLATION** - Crossings are to be installed by the AUGER or "DRY" BORE method and shall be accomplished by use of a laser sighted bore machine or a bore machine requiring a pilot hole. The pilot hole will serve as the centerline of the large diameter hole to be bored. The user of water or fluids in the boring operation will only be allowed for lubricating the cutting head.

The boring operation shall be performed from the low or downstream end. Lateral or vertical variation of the encasement pipe from the proposed line and grade will be permitted only to the extent of one (1) inch in ten (10) feet, provided that such a variation shall be regular and only in one direction.

The encasement pipe shall be approximately the same diameter as the bore hole. Over cutting in excess of one (1) inch shall be remedied by pressure grouting the entire length of the installation with a mixture consisting of two (2) sacks of cement per yard of sand.

- 4. OPTIONAL WET BORE** - The utility or contractor may request installation by the Slurry or "Wet" bore method. The approval to wet bore is granted by the Area Engineer or his designated representative on an individual permit basis. If the area office allows wet bores in their designated area, approval will be based on bore size and soil conditions. Wet bores should be restricted to areas of rock or other suitable material which will prevent the sides of the bore hole from "caving in". A geotechnical report may be required prior to approval. In no instance will wet bores be allowed to exceed eighteen (18) inches in diameter.

The amount of water used for creating the slurry will be such that little or no runoff is encountered. If, in the opinion of the TxDOT inspector, at any time during the boring operation inadequate conditions are encountered for performing the wet bore, the process will be stopped and the bore will be completed by Auger bore.

The slurry material removed from the bore may not be used in the backfilling of the bore pit.

### Water & Sanitary Sewer Lines

- 1. GENERAL** - Longitudinal water and sanitary sewer pipelines shall be placed on uniform alignment three (3) to ten (10) feet from the right of way line. The minimum depth of cover shall be twenty-four (24) inches for non-plastic lines and thirty (30) inches for plastic lines. If a nonmetallic line is installed, a durable metal wire or other device shall be concurrently installed for detection purposes.

Each line may be installed with enough vertical flexibility to prevent stresses; however, horizontal "snaking" of the line is prohibited.

The utility agency shall place identification markers at the right of way line in sufficient number for longitudinal installations and at each highway crossing.

All paved side streets crossed by a longitudinal line within TxDOT right of way must be installed as outlined in item #2 below.

- 2. CROSSING** - Highway crossings are to be installed at or near right angles to highway and must be installed with an encasement pipe. Encasement pipe is also to be installed under normal center medians, extend from the top of back slope for cut sections, and five (5) feet beyond the toe of slope for fill sections, unless an additional length is required as outlined in the "TRENCH EXCAVATION AND PIT LOCATION" specification.

All crossings under existing pavement must be installed as outlined in the "CONSTRUCTION OF HIGHWAY CROSSINGS BY BORE" specification.

The depth of cover for crossings shall be twenty-four (24) inches for non-plastic pipe and thirty (30) inches for plastic pipe under ditches. The encasement pipe must be a minimum of eighteen (18) inches or  $\frac{1}{2}$  the diameter of the pipe, whichever is greater, below the bottom of the pavement structure.

The encasement shall consist of a steel pipe around and outside the carrier pipe and support the load of the ground above the pipe, the highway, and the superimposed loads there on, including construction equipment. HDPE pipe with a SDR ratio of 11 or greater may be used for encasement of water service lines. The HDPE pipe must be a single continuous piece with no joints. The strength of the encasement pipe shall equal or exceed the structural requirements for highway drainage culverts covered under ASTM specifications.

- 3. ABOVE GROUND APPURTENANCES** - Fire hydrants, air release valves, and other similar appurtenances should be located at or near the right of way line. All fire hydrants will be equipped with breakaway bases and should not be located in the sidewalk. Any appurtenances may not be located any closer than 3 ft from back of curb.

Pumps, wells, and other structures associated with lift stations and pump stations will not be permitted within the limits of TxDOT right of way.

- 4. MANHOLES** - The outside diameter of the manhole chimney at ground level shall not exceed thirty-six (36) inches. The inside diameter of the manhole for lines up to twelve (12) inches shall not exceed four (4) feet. For any increase in line size greater than twelve (12) inches the manhole may be increased a like amount. The manhole cover shall be installed flush with the ground, meet HS-20 load requirements, and weigh at least 175 pounds.

## General Utility Installations

**1. GENERAL** - A copy of the approved notice must be kept onsite at all times during construction. Unless other arrangements are made with the designated Texas Department (TxDOT) inspector, no work will be performed on Saturday, Sunday, Holidays, or hours other than standard working hours. Utility lines shall be located to avoid or minimize the need for adjustments to accommodate future highway improvements.

All utility installations will be made without excavation or longitudinal placement being made any closer than three (3) feet from the back of curb. No pavement cuts are permitted unless specifically stated on the permit that approval is given to open cut the pavement.

No explosives shall be used within the limits of the TxDOT highway right of way for utility installations.

**2. COORDINATION OF WORK** - *Prior to the start of construction the local TxDOT Office MUST BE NOTIFIED at the number listed on the approval notice. Traffic control plans must be approved by the Area Office before work can begin.* If the installation is within the limits of an active highway construction project, the utility work must be coordinated with the TxDOT Contractor and Inspectors. The utility work shall not cause any delay or disruption to the TxDOT contractor or construction.

Location existing utility facilities and coordination with the owners is the responsibility of the utility agency.

**3. TRAFFIC SAFETY, BARRICADES, WARNING DEVICES** - Traffic control and protective devices shall be used and must conform to the TEXAS MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES for streets and highways. All barricades, warning devices, signs, flashers, and flag persons shall be provided by the utility agency or contractor.

Traffic shall not be stopped at any time without the use of a flag person. Prior to beginning work, the traffic control plans must be approved by the Area Engineer or his designated representative. Lane closures for any utility work will not be permitted without prior approval of Area Engineer or his designated representative. Lane closures are not permitted during peak "rush hour" traffic times.

Vehicles, equipment, construction material and personnel not necessary to the timely installation of the facility shall be kept as far as possible from the traveling public. Any above ground obstruction or bore pit located closer than the clear zone distances outlined in the "Trench Excavation and Pit Locations" specification shall be protected by barricades, metal beam guard fence and/or concrete traffic barriers as deemed necessary by the TxDOT Inspector. At the end of every construction day, all equipment and materials shall be removed as far from the roadway edge as possible.

**4. SURVEYING AND STAKING OF UTILITIES** - All utility installations shall be staked by utility agency so that TxDOT may inspect the alignment prior to start of construction. The ROW line is to be staked and the utility installed based on a set distance from the ROW line. The utility is ultimately responsible for the accuracy of the installation.

**5. TIME PERIOD ALLOWED FOR INSTALLATION** - If the installation of the work covered by this utility permit has not started within twelve (12) months from the approval date, a written request for an extension must be submitted to the District Office. It is expected that the installation will progress to completion in an efficient manner. However, if the work is delayed or abandoned for a period of one (1) month or more, a written request must be submitted to continue under the authority of the original permit.

**6. FULL TIME SUPERVISION and INSPECTION** - The utility agency shall provide competent, full time inspectors or supervisors to be present on-site during the installation. Also, the utility may be required to provide a telephone number at which someone may be contacted 24 hours in case of an emergency. The utility construction may be delayed or stopped when it is observed by the TxDOT Inspector that there is not an agency inspector or supervisor present on the job site.

**7. DEPARTMENT INTERVENTION** - TxDOT has the right to take charge of an to remedy any immediate hazard to the traveling public when it is obvious the utility agency will not do so. Any costs associated with TxDOT's action will be charged to the utility agency.

**8. UTILITY ACCOMMODATION RULES** - Utility installations within the TxDOT Right of Way shall conform to the requirements contained in the TxDOT Utility Accommodation Rules, dated February 2, 2005, the Dallas District Utility Specifications and the following industry policies.

A. Safety rules for the installation and maintenance of electric and communication lines - National Electrical Safety Code.

B. Latest edition of the Rules and Regulations for Public Water Systems, published by the Texas Department of Health, Water Hygiene Division.

C. Gas Pipelines - Title 49, C.F.R., Part 195, Transportation of Natural and Other Gas by Pipeline: Minimum Federal Safety Standards and amendments.

D. Liquid Petroleum Pipelines - Title 49, C.F.R., Part 195, Transportation of Liquids by Pipelines and amendments.

E. Latest edition of the American Society for Testing and Materials (ASTM) Specifications.

F. Latest edition of the AASHTO policy entitled "A Policy on the Accommodations of Utilities within Freeway Right of Way".

G. Latest edition of the Occupational Safety and Health Administration (OSHA) Standards and Interpretations.

### Trench Excavation and Pit Location

1. **GENERAL** - No dirt from a trench or pit excavation shall be placed on the roadway or shoulders. All equipment and stockpiled dirt shall meet the safety clear zone distances listed below or have adequate barricades and warning devices to protect the traveling public.

Topsoil shall be kept separate from other excavation material, and be replaced in accordance with "BACKFILLING" specification.

All pits and trenches shall be kept free from standing water. If trenches and/or bore pits are left open for extended periods of time without a continuous progression of work, the utility will be required to backfill the trench and/or bore pits. Any other pit will not be left open for more than a forty eight (48) hour period.

In all excavations where sloughing is likely to occur, shoring will be utilized to prevent damage to the highway structure(s). The utility agency or contractor shall be responsible for maintaining trench excavation protections as required by provisions of Part 1926, Subpart P - Excavations, Trenching and Shoring of OSHA Standards.

2. **TRENCHING** - Longitudinal installations must be placed as near a uniform alignment to the right of way line as possible. Trenching machine or backhoe may be used. A backhoe will be required if a uniform alignment can't be maintained by use of a trenching machine.
3. **SAFETY CLEAR ZONE DISTANCES** - Minimum clear zone distances required for trench excavations and bore pit locations are as follows:

#### For UNCURBED Highways

- A. Thirty (30) ft. from the edge of pavement (traveled lane) of high-speed (more than 40 mph), high volume (more than 750 vehicles per day) highways.
- B. Sixteen (16) ft\* from edge of pavement of high-speed, low volume (less than 750 vehicles per day) highways.
- C. Sixteen (16) ft\* from ramps.
- D. Ten (10) ft\* for low-speed (40 mph or less) highways.
- E. Ten (10) ft\* for any paved intersections side streets.

\* Five (5) ft MINIMUM from edge of any shoulder.

#### For CURBED Highways

- A. Thirty (30) ft from the back of curb for high-speed highways
- B. Five (5) ft from the back of curb, plus any additional distance to clear sidewalks, for low-speed highways
- C. Five (5) ft from the back of curb for intersecting side street.

### **Backfill Specifications**

- 1. GENERAL** - As soon as practical, all portions of the excavation shall be backfilled. Trenches and pits shall be backfilled with the material obtained from the excavation or from other sources. Backfill material will be free from stones of such size as to interfere with compactions; free from large lumps which will not break down readily under compaction; and free from frozen lumps, wood or other extraneous material. The TxDOT inspector may reject any material containing more than twenty (20) percent by weight of material retained on a three (3) inch sieve.

The portion of top soil removed from the original excavation shall be replaced, as nearly as feasible, in its original position.

- 2. DEPTH OF LIFTS** - The portion of backfill below the top of pipe shall be placed in uniform layers not to exceed eight (8) inches in depth (loose measurement). Backfill above the top of the pipe shall be placed in layers not to exceed ten (10) inches in depth (loose measurement). If the backfill is to support a portion of roadway or embankment, then the material will be placed in uniform layers not to exceed eight (8) inches in depth (loose measurement).

- 3. PROCEDURE FOR COMPACTION** - Each layer of backfill material, if dry, shall be wetted uniformly to the moisture content required to obtain a density comparable with the adjacent undisturbed soil and shall be compacted to that density by means of mechanical tampers or rammers. The use of rolling equipment of the type generally used in compacting embankments will be permitted on portions that are accessible to such equipment. Water jetting or ponding will not be permitted.

Special care shall be taken to ensure thorough compaction of material placed under the haunches of the pipe.

Cohesionless materials, such as sand, may be used for general backfilling purposes. Compaction of cohesionless materials shall be done with vibratory equipment.

- 4. RESTORATION OF RIGHT OF WAY** - Prompt replacement of sod, removal of debris, and any other restoration necessary to restore the right of way to a condition equal to that which existed prior to the utility installation will be required. In areas of erosion, the use of stabilized backfill may be required. Should settlement or erosion occur within six (6) months of the utility installation, the utility agency will be required to reshape, reseed, and/or resod the area.

**Form 1082 Additional Page 3**

- Water Line A: Install approximately 1,172 LF of 24" HDPE water line, 7,002 LF of 20" HDPE, 75 LF of 8" DIP, 36 LF of 12" PVC, 493 LF of 8" PVC, 1,000 LF of 6" PVC and 420 LF of 36" steel casing with carrier pipe and 463 LF of 30" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1793+87 to IH35 Sta 1721+38 and one crossing of Mayhill/State School Road at Sta 20+75.
- Water Line B: Install approximately 1,079 LF of 8" PVC water line and 72 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1750+24 to IH35 Sta 1739+91.
- Water Line C: Install approximately 563 LF of 12" PVC water line, and 629 LF of 24" steel casing with carrier pipe crossing IH 35 at IH 35 Sta 1762+66 and Mayhill/State School Road at Sta 10+87.
- Water Line D: Install approximately 816 LF of 12" PVC water line, 1,672 LF of 8" PVC, 55 LF of 6" PVC and 616 LF of 18" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1832+18 to IH35 Sta 1803+52.
- Water Line E: Install approximately 1,057 LF of 24" HDPE water line, 60 LF of 8" DIP, and 131 LF of 36" steel casing with carrier pipe longitudinal to IH35 from IH35 Sta 1829+23 to IH35 Sta 1817+50.
- Approximately 142 LF of 16" water line, 8,387 LF of 14" water line, 2,599 LF of 12" water line, 5,359 LF of 8" water line, 815 LF of 6" water line to be removed.
- Approximately 320 LF of 14" water line, 245 LF of 12" water line, 114 LF of 8" water line, 36 LF of 6" water line to be abandoned by grout fill.

## Attachment "F" Eligibility Ratio

Eligibility Ratio established: 100 %

- ☐ Non-interstate Highway (Calculations attached)
- ☒ Interstate Highway

### ROW Utility Manual Chapter 8, Section 2

In developing the ratio, line length or number of poles is restricted to facilities located within the existing and proposed highway right of way. Facilities located outside the existing and proposed right of way limits will not be used in developing the ratio.

Please see example of eligibility ratio calculations below.

Plan Sheet or Page#	In Easement (Eligible) Existing # of Poles or LF	In Public ROW (Ineligible) Existing # of Poles or LF
1	0	0
2	84	22
3	90	385
4	238	96
Totals	412	503

Total Existing # of Poles or LF (Eligible)	412
Total Existing # of Poles or LF (Ineligible)	503
Total Existing # of Poles or LF	915
