## Attachment "G" Betterment Calculation and Estimate

- ☒ Elective Betterment Ratio established: 4.8307 %  
(Calculation attached and justification below)
- ☒ Forced Betterment  
(Provide supporting documentation)
- ☐ Not Applicable

**Elective betterment justification statement:**

The work required is 100% reimbursable with the exception of the upsize of a portion of 20-inch waterline to 24-inch waterline for Waterline A and all of Waterline E. One other portion of engineering work that was not reimbursable per this CSJ is work to identify future conflicts with upcoming TXDOT projects.

Please see attached documentation.

## Attachment G: Forced Betterment

### Water Comparison HDPE to DIP

The existing 14-inch concrete cylinder water transmission main is in conflict with the State's I-35E widening project and was proposed to be replaced with a 16-inch ductile iron pipe (DIP), as a 14-inch is only available by custom order through manufacturers and per the City's Water Design Criteria manual (Section 3.C.) and City ordinances, a 14-inch water line is non-standard and therefore not allowed. For this reason, the upsizing from a 14-inch to a 16-inch DIP is not considered an elective betterment, but rather a forced betterment.

The City only allows DIP (and will allow HDPE, but not PVC) for this size water transmission line, however the 16-inch DIP is undergoing extremely long lead times (9 plus months). In order to clear TxDOT's requested ready to let date, the City set a short contract duration for this relocation project. To achieve the accelerated schedule, the City allowed contractors to consider either DIP or HDPE pipe when bidding the city's relocation project (see unit price bid sheet). This is a direct benefit to the highway project and should not be considered elective betterment.

HDPE pipe has a thicker wall and smaller inner diameter than the same sized DIP. To achieve the same flow characteristics as a 16-inch DIP, a 20-inch HDPE pipe is required. Additionally, the City has elected to perform a pipe upsize from the required 20-inch HDPE to a 24-inch HDPE due to increased flow demands in the area, The City understands the upsizing from the required 20-inch to 24-inch HDPE is considered an elective betterment and will be responsible for costs associated with this betterment. The below chart shows the difference in pipe inner diameters (ID) between HDPE and DIP.

# Attachment G- Elective Betterment

City of Denton

Reimbursable Cost Estimate

Client: City of Denton	Date: 9/16/2022
Project: IH35E Mayhill from Loop 288 to Post Oak - Utility Relocations	Prepared By: CPI
KHA No.: 061024039	Checked By: JRA

Title: Water Line "A" and "E" Betterment  
Upsizing Water Line Relocation from 20" to 24"

## 24" Water Line A (Betterment) (HDPE has an ID of 20")

Item Description	Unit	Quantity	Actual Unit Cost	Total
3314.226 - 24" HDPE Pressure Pipe, Water	LF	1,172	\$600	\$703,200
3305.031 - 36" Casing by Other Than Open Cut	LF	366	\$1,200	\$439,200
3305.025 - 36" Casing by Open Cut	LF	54	\$600	\$32,400
3305.111 - 24" HDPE Water Carrier Pipe	LF	420	\$220	\$92,400
3314.331 - 20" Gate Valve	EA	1	\$45,000	\$45,000
Total				\$1,312,200

## 20" Water Line A (Base Relocation) (HDPE has an ID of 16")

Item Description	Unit	Quantity	Estimated Unit Cost	Total
3314.222 - 20" HDPE Pressure Pipe, Water	LF	1,172	\$375	\$439,500
3305.030 - 30" Casing Pipe by Other Than Open Cut	LF	366	\$960	\$351,360
3305.024 - 30" Casing by Open Cut	LF	54	\$500	\$27,000
3305.110 - 20" HDPE Water Carrier Pipe	LF	420	\$180	\$75,600
3314.330 - 16" Gate Valve	EA	1	\$8,000	\$8,000
Total				\$901,460

24" Water Line A (Betterment) (HDPE has an ID of 20")	\$1,312,200
20" Water Line A (Base Relocation) (HDPE has an ID of 16")	\$901,460
<b>Total Betterment Amount for WL A</b>	<b>\$410,740</b>

## 24" Water Line E (Betterment) (HDPE has an ID of 20")

Item Description	Unit	Quantity	Actual Unit Cost	Total
3314.226 - 24" HDPE Pressure Pipe, Water	LF	1,057	\$600	\$634,200
3305.031 - 36" Casing by Other Than Open Cut	LF	44	\$1,200	\$52,800
3305.025 - 36" Casing by Open Cut	LF	87	\$600	\$52,200
3305.111 - 24" HDPE Water Carrier Pipe	LF	131	\$220	\$28,820
3314.331 - 20" Gate Valve	EA	2	\$45,000	\$90,000
Total				\$858,020

## 20" Water Line E (Base Relocation) (HDPE has an ID of 16")

Item Description	Unit	Quantity	Estimated Unit Cost	Total
3314.222 - 20" HDPE Pressure Pipe, Water	LF	1,057	\$375	\$396,375
3305.030 - 30" Casing Pipe by Other Than Open Cut	LF	44	\$960	\$42,240
3305.024 - 30" Casing by Open Cut	LF	87	\$500	\$43,500
3305.110 - 20" HDPE Water Carrier Pipe	LF	131	\$180	\$23,580
3314.330 - 16" Gate Valve	EA	2	\$8,000	\$16,000
Total				\$521,695

24" Water Line E (Betterment) (HDPE has an ID of 20")	\$858,020
20" Water Line E (Base Relocation) (HDPE has an ID of 16")	\$521,695
<b>Total Betterment Amount for WL E</b>	<b>\$336,325</b>

Total Water Line Betterment Amount	\$747,065
Engineering for I-35 Conflict Analysis (non-reimbursable under this contract):	\$35,000
The total estimated cost of the project INCLUDING BETTERMENT	\$16,189,482.25
The total estimated cost of the project NOT including BETTERMENT	\$15,407,417.25
<b>Betterment Ratio:</b>	<b>4.8307%</b>

## Attachment "H" Proof of Property Interest

☒ Supporting documentation of compensable property interest that establishes reimbursement eligibility as referenced in Texas Transportation Code §203.092.

☐ Property interest documented through applicable affidavits and required attachments.

☐ ROW-U-Affidavit

☒ The roadway improvement project is designated as an Interstate Highway project; therefore, no supporting documentation of compensable interest is required.

## 35.21.4. - Easement Requirements.

All utilities in a development shall be provided in street rights-of-way except for special circumstances approved by the Development Review Committee. In such cases, the following standards shall prevail:

- A. All utility easements shall be a minimum of sixteen (16) feet unless special circumstances warrant additional or reduced easements which can be approved by the Development Review Committee. The general criteria to define minimum easement widths are listed below:

Type of Development	Easement Size
Individual water or sewer lines up to 24" in diameter	16 ft
Individual water or sewer lines greater than 24"	20 ft
Water and sewer lines up to 24" in the same easement	20 ft
Water and sewer lines greater than 24" in the same easement	25 ft
Easements along TxDOT rights-of-way	20 ft

- B. Lot lines will not split easements.
- C. Dead-end easements are not acceptable unless approved for special circumstances by the Development Review Committee.
- D. Fences within utility easements are prohibited.
1. No fences will be allowed to be built that cross dedicated utility easements.
  2. Any existing fence that crosses dedicated utility easements that conflict with the purpose and intent of the easement may be removed by the City at any time.
  3. The City is under no obligation to repair or replace any fence that is damaged or removed that encroaches within a dedicated easement for the purposes of operating, maintaining, replacing or installing water or sewer facilities within the dedicated easement.
- E. Employees of the City shall have the authority to enter premises at any reasonable time in the regular line of duty for the purpose of inspecting, repairing or constructing any water, electric or sewer line or any water or electric meter, etc. The landowner and occupant are responsible for any construction activities occurring over

or within any on-site utility in a utility easement. If utility inspection or repair or reconstruction is necessary, any pavement, structure or improvement damaged within a dedicated utility easement, shall not be the responsibility of the City for any repairs, but shall be the sole responsibility of the owner. The landowner assumes responsibility for any and all improvements placed within a utility easement at their own risk. Additionally, the provisions of this section do not permit or supercede the limits and restrictions prescribed by the conditions of any existing utility easement for allowing improvements to be place within utility easements.

DENTON CARMAX ADDITION  
GIDEON WALKER SURVEY, ABSTRACT NO. 1330  
CITY OF DENTON, DENTON COUNTY, TEXAS

THE STATE OF TEXAS

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON

18424

That M.F.A., INC.

of the County of Tarrant, State of Texas, hereinafter called "Grantor", for a good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Corinth, hereinafter called "City", an easement and right-of-way for the purpose of constructing a water/sewer line, the term of such easement to end when the City of Corinth accepts the entire water/sewer system when construction of same is completed; and Grantor does also grant to said City a perpetual easement and right-of-way for the purpose of operating and maintaining such water/sewer line; easements and rights-of-way over and across Grantor's land in G. Walker Survey, Abstract No. 1330, Denton County, Texas, more particularly described in deed from Sanders Campbell to M.F.A., Inc.,

dated February 4, 19 69, and recorded in Volume 579, Page 701, of the Deed Records of said County and containing 326.2 acres, in, on and

over the tracts of land set forth and described in Exhibit "A", which is attached hereto and made a part hereof for all purposes, and SUBJECT TO THE RESERVATION of right in favor of Grantor as set forth therein; and, additionally, City shall have the right to use a strip 15 feet in width adjacent to the West boundary line of the tract set forth and described in Exhibit "A" for and during, and only during, the period of construction of the said water/sewer line.

Together with the right of ingress and egress over Grantor's adjacent lands to or from said right-of-way for the purpose of constructing, improving, reconstructing, repairing, inspecting, maintaining and removing said water/sewer line and appurtenances; the right to relocate said line in the same relative position to any adjacent road, if same is widened in the future; the right to prevent possible interference with the operation of said line and to remove possible hazard thereto; the right to prevent the construction, for a distance of one-half the width of the easement on each side of the actual center of where said water/sewer line is laid, of any building, structures or other obstructions which may endanger or interfere with the efficiency, safety or convenient operation of said water/sewer line and its appurtenances. If such buildings, structures or other obstructions are constructed by Grantor, as above mentioned, without written consent of the City, the City shall have the right to remove same from such space, and this agreement, together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the City, its successors and assigns.

The right is reserved to Grantor to use the land over which a right-of-way or easement is herein granted, provided such use shall not include any use which might interfere with the exercise by the City of the rights hereby granted. The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damages will result from its use to Grantor's premises.

VOL 657 PAGE 736

TO HAVE AND TO HOLD the above-described easement and rights unto the said City  
of Corinth, its successors and assigns, forever.

And Grantor does hereby bind himself, his heirs and legal representatives, to Warrant and Forever Defend all and singular the above-described easement and rights unto the Said City, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

EXECUTED THIS 3rd day of May, 19 72.

M.F.A., INC.

By: T.W. Reilly

### CORPORATION ACKNOWLEDGMENT

THE STATE OF TEXAS,  
COUNTY OF TARRANT

BEFORE ME, the undersigned authority,

in and for said County, Texas, on this day personally appeared T. W. Reilly, President

whose name is subscribed to the foregoing instrument and acknowledged to me that the same was the act of the said M. F. A., Inc.

a corporation, and that he executed the same as the act of such corporation for the purposes and consideration therein expressed, and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, This 8th day of May, A. D. 19 72

(L. S.)

Ann Johnson Notary Public, Tarrant County, Texas

My Commission Expires June 1, 19 73.

TRACT NO. 1: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

BEGINNING at a right-of-way marker at the East side of State School Road;

THENCE North  $67^{\circ} 56'$  East with a fence 110.3 feet to a right-of-way monument on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $58^{\circ} 23' 30''$  East with said right-of-way 283.8 feet to a monument;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 331.0 feet to a fence corner;

THENCE South  $1^{\circ} 09'$  West with a fence 12.67 feet to a marker;

THENCE North  $50^{\circ} 21'$  West a distance of 338.8 feet to an angle point;

THENCE North  $58^{\circ} 23' 30''$  West a distance of 278.6 feet to an angle point;

THENCE South  $67^{\circ} 56'$  West a distance of 109.39 feet to an angle point;

THENCE North  $2^{\circ} 0'$  East 10.83 feet to the place of beginning.

TRACT NO. 2: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

VOL 657 PAGE 737

BEGINNING at fence corner on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 3055.2 feet to fence corner;

THENCE South  $32^{\circ} 33'$  West with a fence 10.16 feet to an angle point;

THENCE North  $50^{\circ} 21'$  West a distance of 3048.8 feet to an angle point;

THENCE North  $1^{\circ} 51'$  East a distance of 12.67 feet to the point of beginning.

Grantor reserves the right from time to time to construct one or more streets for vehicular and/or pedestrian right-of-way over and across the easement area for ingress and egress for the remaining portion of Grantor's land to Interstate Highway 35, and City agrees to bury the water/sewer pipe line contemplated hereby at a sufficient depth so that such streets may be constructed by Grantor at no additional cost by reason of said pipeline. In addition, City grants the right to Grantor to tap into the water/sewer pipeline as is necessary to service the improvements to be constructed on that portion of Grantor's property which lies within the City limits of the City of Corinth provided, however, that Grantor shall be obligated to pay the standard tap-in fee charged by the City in such cases.

FILED FOR RECORD: 18<sup>th</sup> DAY OF October A.D. 1972 at 12:45 o'clock - P M.  
 RECORDED: 25<sup>th</sup> DAY OF October A.D. 1972 at 11:20 o'clock A M.  
 BY E. A. Enrich DEPUTY THETA PARKER, COUNTY CLERK  
 DENTON COUNTY, TEXAS

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the Gideon Walker Survey, Abstract No. 1330, City of Denton, Denton County, Texas, and being part of Lot 1, Block 1, Denton Carmax Addition, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2019-52 of the Official Public Records of Denton, Texas, and being more particularly described as follows:

**BEGINNING** at the northernmost northwest corner of said Lot 1;

**THENCE** South 50°23'42" East, along the northeast line of said Lot 1, a distance of 539.24 feet to a point for corner;

**THENCE** departing the said northeast line of said Lot 1, South 13°34'46" East, a distance of 60.42 feet to a point for corner;

**THENCE** the following seven (7) calls:

South 54°21'41" East, a distance of 484.63 feet to a point for corner;  
 North 75°47'10" East, a distance of 71.52 feet to a point for corner;  
 South 59°12'50" East, a distance of 156.27 feet to a point for corner;  
 North 75°47'10" East, a distance of 345.68 feet to a point for corner;  
 North 39°28'39" East, a distance of 242.13 feet to a point for corner;  
 North 84°13'03" East, a distance of 24.07 feet to a point for corner;

**THENCE** North 39°10'34" East, a distance of 33.86 feet to a point for corner; from said point the northernmost northeast corner of said Lot 1 bears North 45°27'26" West, a distance of 553.73 feet;

**THENCE** the following eleven (11) calls:

South 50°23'38" East, a distance of 10.00 feet to a point for corner;  
 South 39°10'34" West, a distance of 37.93 feet to a point for corner;  
 South 84°16'10" West, a distance of 24.08 feet to a point for corner;  
 South 39°28'39" West, a distance of 241.32 feet to a point for corner;  
 South 75°47'10" West, a distance of 353.10 feet to a point for corner;  
 North 59°12'50" West, a distance of 156.27 feet to a point for corner;  
 South 75°47'10" West, a distance of 85.11 feet to a point for corner;  
 North 54°21'41" West, a distance of 488.28 feet to a point for corner;  
 North 13°34'46" West, a distance of 61.21 feet to a point for corner;

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the Gideon Walker Survey, Abstract No. 1330, City of Denton, Denton County, Texas, and being part of Lot 1, Block 1, Denton Carmax Addition, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2019-52 of the Official Public Records of Denton, Texas, and being more particularly described as follows:

**COMMENCING** at the northernmost northwest corner of said Lot 1;

**THENCE** South 38°04'28" West, along the northernmost northwest line of said Lot 1, a distance of 79.83 feet to the **POINT OF BEGINNING**;

**THENCE** departing the said northernmost northwest line of said Lot 1, South 50°16'45" East, a distance of 20.02 feet to a point for corner;

**THENCE** the following nine (9) calls:

North 38°03'08" East, a distance of 59.87 feet to a point for corner;  
 South 50°23'42" East, a distance of 512.05 feet to a point for corner;  
 South 13°34'46" East, a distance of 61.21 feet to a point for corner;  
 South 54°21'41" East, a distance of 488.28 feet to a point for corner;  
 North 75°47'10" East, a distance of 85.11 feet to a point for corner;  
 South 59°12'50" East, a distance of 156.27 feet to a point for corner;  
 North 75°47'10" East, a distance of 353.10 feet to a point for corner;  
 North 39°28'39" East, a distance of 241.32 feet to a point for corner;  
 North 84°16'10" East, a distance of 24.08 feet to a point for corner;

**THENCE** North 39°10'34" East, a distance of 37.93 feet to a point for corner; from said point the northernmost northeast corner of said Lot 1 bears North 45°32'41" West, a distance of 563.70 feet;

**THENCE** the following twelve (12) calls:

South 50°23'38" East, a distance of 25.00 feet to a point for corner;  
 South 39°10'34" West, a distance of 48.12 feet to a point for corner;  
 South 84°16'10" West, a distance of 24.15 feet to a point for corner;  
 South 39°28'39" West, a distance of 239.22 feet to a point for corner;  
 South 75°47'10" West, a distance of 371.66 feet to a point for corner;  
 North 59°12'50" West, a distance of 156.27 feet to a point for corner;  
 South 75°47'10" West, a distance of 86.37 feet to a point for corner;  
 North 54°21'41" West, a distance of 509.19 feet to a point for corner;  
 North 13°34'46" West, a distance of 62.18 feet to a point for corner;  
 North 50°23'42" West, a distance of 478.04 feet to a point for corner;  
 South 38°03'08" West, a distance of 59.92 feet to a point for corner;

THE STATE OF TEXAS

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON

18424

That M.F.A., INC.

of the County of Tarrant, State of Texas, hereinafter called "Grantor", for a good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Corinth, hereinafter called "City", an easement and right-of-way for the purpose of constructing a water/sewer line, the term of such easement to end when the City of Corinth accepts the entire water/sewer system when construction of same is completed; and Grantor does also grant to said City a perpetual easement and right-of-way for the purpose of operating and maintaining such water/sewer line; easements and rights-of-way over and across Grantor's land in G. Walker Survey, Abstract No. 1330, Denton County, Texas, more particularly described in deed from Sanders Campbell to M.F.A., Inc.,

dated February 4, 19 69, and recorded in Volume 579, Page 701, of the Deed Records of said County and containing 326.2 acres, in, on and

over the tracts of land set forth and described in Exhibit "A", which is attached hereto and made a part hereof for all purposes, and SUBJECT TO THE RESERVATION of right in favor of Grantor as set forth therein; and, additionally, City shall have the right to use a strip 15 feet in width adjacent to the West boundary line of the tract set forth and described in Exhibit "A" for and during, and only during, the period of construction of the said water/sewer line.

Together with the right of ingress and egress over Grantor's adjacent lands to or from said right-of-way for the purpose of constructing, improving, reconstructing, repairing, inspecting, maintaining and removing said water/sewer line and appurtenances; the right to relocate said line in the same relative position to any adjacent road, if same is widened in the future; the right to prevent possible interference with the operation of said line and to remove possible hazard thereto; the right to prevent the construction, for a distance of one-half the width of the easement on each side of the actual center of where said water/sewer line is laid, of any building, structures or other obstructions which may endanger or interfere with the efficiency, safety or convenient operation of said water/sewer line and its appurtenances. If such buildings, structures or other obstructions are constructed by Grantor, as above mentioned, without written consent of the City, the City shall have the right to remove same from such space, and this agreement, together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the City, its successors and assigns.

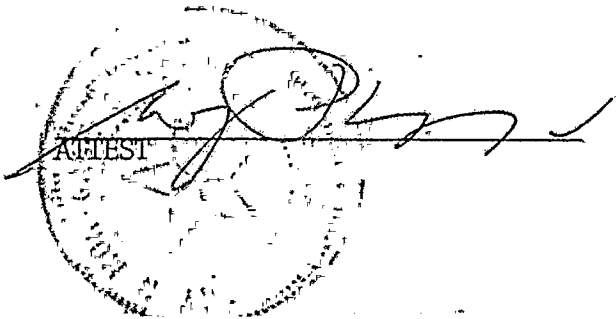

The right is reserved to Grantor to use the land over which a right-of-way or easement is herein granted, provided such use shall not include any use which might interfere with the exercise by the City of the rights hereby granted. The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damages will result from its use to Grantor's premises.

VOL 657 PAGE 736

TO HAVE AND TO HOLD the above-described easement and rights unto the said City  
of Corinth, its successors and assigns, forever.

And Grantor does hereby bind himself, his heirs and legal representatives, to Warrant and Forever Defend all and singular the above-described easement and rights unto the Said City, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

EXECUTED THIS 3rd day of May, 19 72.

  
Attest

M.F.A., INC.

By: 

### CORPORATION ACKNOWLEDGMENT

THE STATE OF TEXAS,  
COUNTY OF TARRANT

BEFORE ME, the undersigned authority,

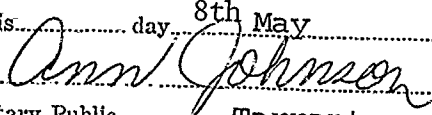

in and for said County, Texas, on this day personally appeared T. W. Reilly, President

whose name is subscribed to the foregoing instrument and acknowledged to me that the same was the act of the said M. F. A., Inc.

a corporation, and that he executed the same as the act of such corporation for the purposes and consideration therein expressed, and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, This 8th day of May, A. D. 19 72

(L. S.)

 ANN JOHNSON  
Notary Public, Tarrant County, Texas

My Commission Expires June 1, 19 73.

TRACT NO. 1: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

BEGINNING at a right-of-way marker at the East side of State School Road;

THENCE North 67° 56' East with a fence 110.3 feet to a right-of-way monument on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South 58° 23' 30" East with said right-of-way 283.8 feet to a monument;

THENCE South 50° 21' East with said right-of-way 331.0 feet to a fence corner;

THENCE South 1° 09' West with a fence 12.67 feet to a marker;

THENCE North 50° 21' West a distance of 338.8 feet to an angle point;

THENCE North 58° 23' 30" West a distance of 278.6 feet to an angle point;

THENCE South 67° 56' West a distance of 109.39 feet to an angle point;

THENCE North 2° 0' East 10.83 feet to the place of beginning.

TRACT NO. 2: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

VOL 657 PAGE 737

BEGINNING at fence corner on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 3055.2 feet to fence corner;

THENCE South  $32^{\circ} 33'$  West with a fence 10.16 feet to an angle point;

THENCE North  $50^{\circ} 21'$  West a distance of 3048.8 feet to an angle point;

THENCE North  $1^{\circ} 51'$  East a distance of 12.67 feet to the point of beginning.

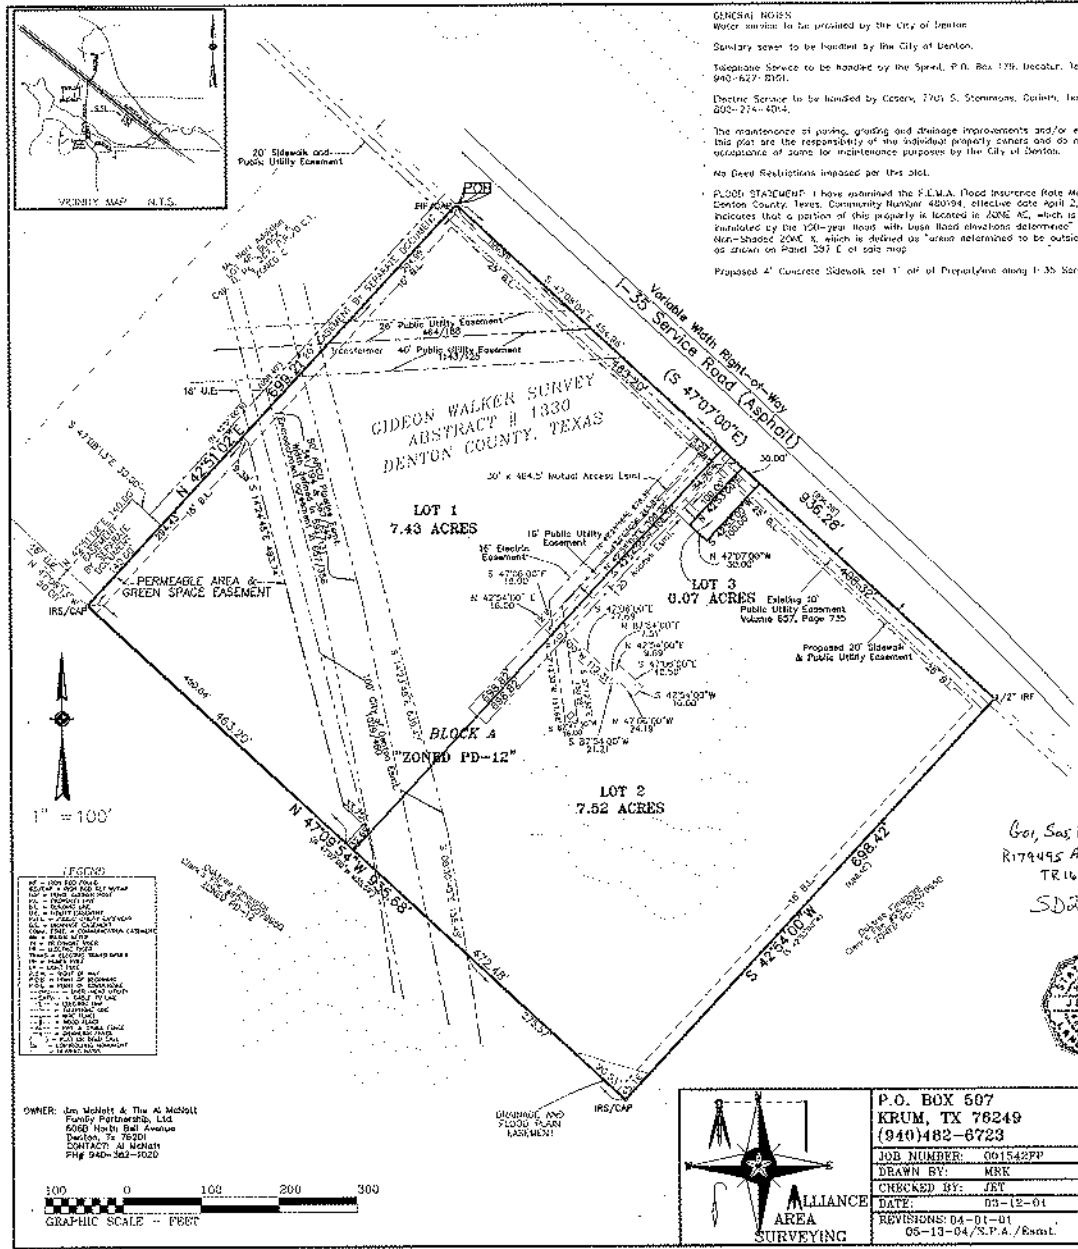

Grantor reserves the right from time to time to construct one or more streets for vehicular and/or pedestrian right-of-way over and across the easement area for ingress and egress for the remaining portion of Grantor's land to Interstate Highway 35, and City agrees to bury the water/sewer pipe line contemplated hereby at a sufficient depth so that such streets may be constructed by Grantor at no additional cost by reason of said pipeline. In addition, City grants the right to Grantor to tap into the water/sewer pipeline as is necessary to service the improvements to be constructed on that portion of Grantor's property which lies within the City limits of the City of Corinth provided, however, that Grantor shall be obligated to pay the standard tap-in fee charged by the City in such cases.

 Notary Public in the State of Texas  
 My commission expires 04/08/08  
 SURVEYOR'S CERTIFICATE  
 I, John E. Thompson, a Registered Professional Land Surveyor, do hereby certify that this plat was prepared from and actual survey made on the ground and that the measurements shown herein were found or placed with 1/2" iron rods capped "McNatt" under my direction and supervision in accordance with the Ordinances of the City of Denton, Texas.

John E. Thompson, I.R.S. # 4857 Date 05-14-04  
 CLATIFICATE OF APPROVAL  
 Approved this 14th day of May, 2004 by the Planning Commission for the City of Denton, Texas.  
 Chairman  
 Jennifer Walters  
 City Secretary  
 JENNIFER WALTERS  
 As per Subdivision and Land Development Regulations and subject to the following conditions that shall be binding upon the owners, the heirs, grantees, and successors, the portion of Block A, shown on this plat, is subject to "Private Drainage & Detention Easement". The private drainage & detention easement within the limits of this addition, will remain open to all times and will be maintained in a safe and sanitary condition by the owners of the lots that are traversed by or adjacent to the private drainage & detention easement. The City of Denton will not be responsible for the maintenance and operation of said easement for any purpose to private property or person that results from negligence in the maintenance, or for the control or action. No obstruction to the natural flow of water shall be permitted by construction of any type of building, fence, or any other structure within the private drainage & detention easement, as herein above described, unless approved by the City of Denton. The property owner shall keep the private drainage & detention easement clear of debris, fill, and any obstruction that will result in unduly restricting, or obstruct the flow of water. And, the City of Denton shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to observe any unreasonable conditions that may occur. The natural drainage through the private drainage & detention easement is subject to storm water overflow and natural bank erosion to an extent that cannot be reasonably defined. The City of Denton shall not be held liable for any of these natural phenomena, or resulting from the failure of any structure, or structures, within the easement.  
 PERMEABLE AREA/GREEN SPACE EASEMENT  
 No building, structures, parking lot, fire lane, road, or other impervious improvements shall be constructed or installed in the permeable area/green space area. If impervious improvements are to be made, a report and associated drainage studies and construction plans shall be submitted for review and approval by the City of Denton for all public and private drainage systems. Other rules and regulations related to zoning in the City of Denton Subdivision and Land Regulations would apply.

THE STATE OF TEXAS

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON

18424

That M.F.A., INC.

of the County of Tarrant, State of Texas, hereinafter called "Grantor", for a good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Corinth, hereinafter called "City", an easement and right-of-way for the purpose of constructing a water/sewer line, the term of such easement to end when the City of Corinth accepts the entire water/sewer system when construction of same is completed; and Grantor does also grant to said City a perpetual easement and right-of-way for the purpose of operating and maintaining such water/sewer line; easements and rights-of-way over and across Grantor's land in G. Walker Survey, Abstract No. 1330, Denton County, Texas, more particularly described in deed from Sanders Campbell to M.F.A., Inc.,

dated February 4, 19 69, and recorded in Volume 579, Page 701, of the Deed Records of said County and containing 326.2 acres, in, on and

over the tracts of land set forth and described in Exhibit "A", which is attached hereto and made a part hereof for all purposes, and SUBJECT TO THE RESERVATION of right in favor of Grantor as set forth therein; and, additionally, City shall have the right to use a strip 15 feet in width adjacent to the West boundary line of the tract set forth and described in Exhibit "A" for and during, and only during, the period of construction of the said water/sewer line.

Together with the right of ingress and egress over Grantor's adjacent lands to or from said right-of-way for the purpose of constructing, improving, reconstructing, repairing, inspecting, maintaining and removing said water/sewer line and appurtenances; the right to relocate said line in the same relative position to any adjacent road, if same is widened in the future; the right to prevent possible interference with the operation of said line and to remove possible hazard thereto; the right to prevent the construction, for a distance of one-half the width of the easement on each side of the actual center of where said water/sewer line is laid, of any building, structures or other obstructions which may endanger or interfere with the efficiency, safety or convenient operation of said water/sewer line and its appurtenances. If such buildings, structures or other obstructions are constructed by Grantor, as above mentioned, without written consent of the City, the City shall have the right to remove same from such space, and this agreement, together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the City, its successors and assigns.

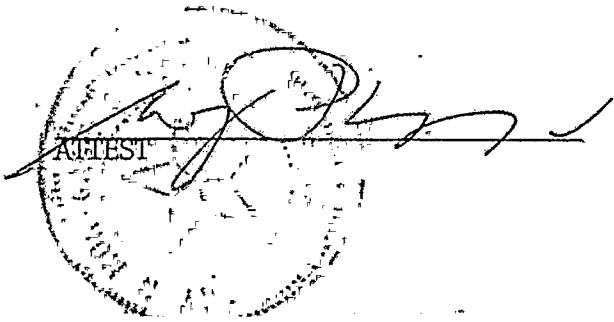

The right is reserved to Grantor to use the land over which a right-of-way or easement is herein granted, provided such use shall not include any use which might interfere with the exercise by the City of the rights hereby granted. The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damages will result from its use to Grantor's premises.

VOL 657 PAGE 736

TO HAVE AND TO HOLD the above-described easement and rights unto the said City  
of Corinth, its successors and assigns, forever.

And Grantor does hereby bind himself, his heirs and legal representatives, to Warrant and Forever Defend all and singular the above-described easement and rights unto the Said City, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

EXECUTED THIS 3rd day of May, 19 72.

M.F.A., INC.

### CORPORATION ACKNOWLEDGMENT

THE STATE OF TEXAS,  
COUNTY OF TARRANT

BEFORE ME, the undersigned authority,

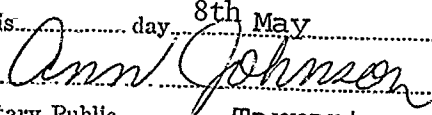

in and for said County, Texas, on this day personally appeared T. W. Reilly, President

whose name is subscribed to the foregoing instrument and acknowledged to me that the same was the act of the said M. F. A., Inc.

a corporation, and that he executed the same as the act of such corporation for the purposes and consideration therein expressed, and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, This 8th day of May, A. D. 19 72

(L. S.)

 ANN JOHNSON  
Notary Public, Tarrant County, Texas

My Commission Expires June 1, 19 73.

TRACT NO. 1: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

BEGINNING at a right-of-way marker at the East side of State School Road;

THENCE North  $67^{\circ} 56'$  East with a fence 110.3 feet to a right-of-way monument on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $58^{\circ} 23' 30''$  East with said right-of-way 283.8 feet to a monument;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 331.0 feet to a fence corner;

THENCE South  $1^{\circ} 09'$  West with a fence 12.67 feet to a marker;

THENCE North  $50^{\circ} 21'$  West a distance of 338.8 feet to an angle point;

THENCE North  $58^{\circ} 23' 30''$  West a distance of 278.6 feet to an angle point;

THENCE South  $67^{\circ} 56'$  West a distance of 109.39 feet to an angle point;

THENCE North  $2^{\circ} 0'$  East 10.83 feet to the place of beginning.

TRACT NO. 2: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

BEGINNING at fence corner on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 3055.2 feet to fence corner;

THENCE South  $32^{\circ} 33'$  West with a fence 10.16 feet to an angle point;

THENCE North  $50^{\circ} 21'$  West a distance of 3048.8 feet to an angle point;

THENCE North  $1^{\circ} 51'$  East a distance of 12.67 feet to the point of beginning.

Grantor reserves the right from time to time to construct one or more streets for vehicular and/or pedestrian right-of-way over and across the easement area for ingress and egress for the remaining portion of Grantor's land to Interstate Highway 35, and City agrees to bury the water/sewer pipe line contemplated hereby at a sufficient depth so that such streets may be constructed by Grantor at no additional cost by reason of said pipeline. In addition, City grants the right to Grantor to tap into the water/sewer pipeline as is necessary to service the improvements to be constructed on that portion of Grantor's property which lies within the City limits of the City of Corinth provided, however, that Grantor shall be obligated to pay the standard tap-in fee charged by the City in such cases.

**ABANDONMENT AND RELEASE**

<b>THE STATE OF TEXAS</b>	<b>§</b>	
	<b>§</b>	<b>KNOW ALL MEN BY THESE PRESENTS:</b>
<b>COUNTY OF DENTON</b>	<b>§</b>	

THIS Abandonment and Release (herein so called) is dated as of the date set forth below, from the City of Denton, Texas (the "City"), and accepted by 52241, L.P., a Texas limited partnership (the "Owner").

WHEREAS, Owner is the owner of a certain tract of real property described in a General Warranty Deed from James L. McNatt, and The Al McNatt Family Partnership, L. P., recorded under Clerk's File Number 2004-88468, in the Real Property Records of Denton County, Texas (the "Property");

WHEREAS, the PROPERTY is encumbered by the following easements:

- a. That certain sanitary sewer easement, dated on or about January 9, 1961, from Walter M. Lea and wife, Jane C. Lea to the City of Denton, Texas, recorded in Volume 464, Page 188, Deed Records, Denton County, Texas (the "Lea Easement");

- b. That certain public utility easement, dated on or about August 7, 1980, from Calusa Development, Inc. to the City of Denton, Texas, recorded in Volume 1029, Page 480, Deed Records, Denton County, Texas, as affecting Tract One, as referred to therein. [(the “Calusa Easement”);
- c. That certain all purpose utility easement, dated on or about October 6, 1981, from Leon McNatt Motor Co., to the City of Denton, Texas, recorded in Volume 1106, Page 73, Deed Records, Denton County, Texas (the “McNatt Easement”);
- d. That certain all purpose utility easement, dated on or about May 14, 1982, from Republicbank Dallas, National Association to the City of Denton, Texas, recorded in Volume 1143, Page 125, Deed Records, Denton County, Texas, as Affecting Tracts One and Two, as referred to therein (the “Bank Easement”);

WHEREAS, the Lea Easement, the Calusa Easement, the McNatt Easement, and the Bank Easement are hereinafter collectively referred to as the “Affected Easements”;

WHEREAS, pursuant to that certain Easement Grant and Abandonment Agreement, dated on or about May 28, 2013, City of Denton Ordinance No. 2013-131, the Denton City Council authorized the City Manager, or his designee, to enter into this Abandonment and Release for the express purpose of partially releasing the Affected Easements, said partial release releasing the Affected Easements INsofar AND ONLY INsofar as the Affected Easements cover and include those lands described and depicted on Attachment 1 and Attachment 2, respectively, both attached hereto and made a part hereof for all purposes (the “Abandonment

Tracts”).

NOW, THEREFORE, for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby stipulated, the City, subject to the terms and reservations hereof, does by these presents, abandon and release unto Owner, its successors and assigns, all of its right, title and interest in and to the Affected Easements, INsofar AND ONLY INsofar as said Affected Easements cover the Abandonment Tracts. The City expressly reserves and retains, and this abandonment and release shall not be deemed to effect, in any way, manner or form, (i) any right, title or interest that the City may own, hold or possess under or pursuant to the Affected Easements, INsofar as said Affected Easements cover, encumber or include lands other than the Abandonment Tracts, and that the Affected Easements, INsofar as said Affected Easements cover, encumber or include all lands other than the Abandonment Tracts, shall remain valid and subsisting, and in full force and effect in accordance with the terms thereto; and (ii) any and all easements, rights of way and any other rights or interests, other than the Affected Easements, whether acquired, obtained, owned or claimed by the City or public, by, through or under conveyance, dedication by plat or other express dedication, implied dedication, prescription, or by any other manner or means, in or to lands in which the Affected Easements may cover, encumber, include, cross or overlap.

Chairman:  
Jennifer Walters  
City Secretary Jennifer Walters

PRIVATE DETENTION AND DRAINAGE EASEMENT  
As per Subdivision and Land Development Regulations and subject to the following conditions that shall be binding upon the owners, the heirs, grantees, and successors; the portion of Block A, as shown on the plat, is called "Private Drainage & Detention Easement". The private drainage & detention easement within the limits of this addition, will remain open at all times and will be maintained in a safe and sanitary condition by the owners of the lot(s) that are traversed by or adjacent to the private drainage & detention easement. The City of Denton will not be responsible for the maintenance and operation of said easement for any damage to private property or person that results from conditions in the easement, or for the control of erosion. No obstruction to the natural flows of storm water run-off shall be permitted by construction of any type of building, fence, or any other structure within the private drainage & detention easement, so herein above deferred, unless approved by the City of Denton. The property owner shall keep the private drainage & detention easement clear of debris, silt, and any substance that will result in unsanitary conditions, or obstruct the flow of water. And, the City of Denton shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions that may occur. The natural drainage through the private drainage & detention easement is subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City of Denton shall not be held liable for any of these natural phenomena, or resulting from the failure of any structure, or structures, within the easement.

PERMEABLE AREA/GREEN SPACE EASEMENT  
No building, structures, parking lot, fire lane, road, or other impermeable improvements shall be constructed or installed in the permeable area/green space area. If impermeable improvements are to be made, a replat and associated drainage studies and construction plans shall be submitted for review and approval by the City of Denton for all public and private drainage systems. Other rules and regulations related to platting as per City of Denton Subdivision and Land Regulations would apply.

COUNTY OF

11583

That Joe P. Farina

of the County of Denton, State of Texas, hereinafter called "Grantor", for a good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Corinth, hereinafter called "City", an easement and right-of-way for the purpose of constructing a water/sewer line, the term of such easement to end when the City of Corinth accepts the entire water/sewer system when construction of same is completed; and Grantor does also grant to said City a perpetual easement and right-of-way for the purpose of operating and maintaining such Sewer line; easements and rights-of-way over and across Grantor's land in M.E.P. & P.R.R. Co. & W. Garrison Survey, Abstract No. 911 & 1545, Denton County, Texas, more particularly described in deed from Joe P. Farina to Jay-Kay Investments, Inc.,

dated February 9th, 1972, and recorded in Volume 638, Page 133, of the Deed Records of said County and containing 98.866 acres.

The Construction Easement being a strip of land across the tract referred to above, twenty-five (25) feet in width, with the Grantee herein being hereby authorized to designate the course of the easement herein conveyed. When the pipe line is installed, the Operation and Maintenance Easement herein granted shall be limited to a strip of land ten (10) feet in width, with the center line thereof being the pipe line as installed.

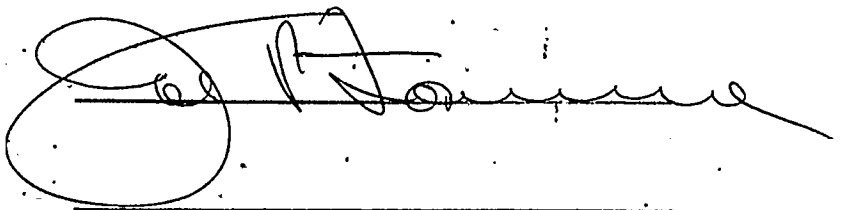

Together with the right of ingress and egress over Grantor's adjacent lands to or from said right-of-way for the purpose of constructing, improving, reconstructing, repairing, inspecting, maintaining and removing said water/sewer line and appurtenances; the right to relocate said line in the same relative position to any adjacent road, if same is widened in the future; the right to prevent possible interference with the operation of said line and to remove possible hazard thereto; the right to prevent the construction, for a distance of one-half the width of the easement on each side of the actual center of where said water/sewer line is laid, of any building, structures or other obstructions which may endanger or interfere with the efficiency, safety or convenient operation of said water/sewer line and its appurtenances. If such buildings, structures or other obstructions are constructed by Grantor, as above mentioned, without written consent of the City, the City shall have the right to remove same from such space, and this agreement, together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the City, its successors and assigns.

The right is reserved to Grantor to use the land over which a right-of-way or easement is herein granted, provided such use shall not include any use which might interfere with the exercise by the City of the rights hereby granted. The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damages will result from its use to Grantor's premises.

TO HAVE AND TO HOLD the above-described easement and rights unto the said City of Corinth, its successors and assigns, forever.

And Grantor does hereby bind himself, his heirs and legal representatives, to Warrant and Forever Defend all and singular the above-described easement and rights unto the Said City, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

EXECUTED THIS 23 day of March, 19 72.

COUNTY OF DENTON

18424

That M.F.A., INC.

of the County of Tarrant, State of Texas, hereinafter called "Grantor", for a good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Corinth, hereinafter called "City", an easement and right-of-way for the purpose of constructing a water/sewer line, the term of such easement to end when the City of Corinth accepts the entire water/sewer system when construction of same is completed; and Grantor does also grant to said City a perpetual easement and right-of-way for the purpose of operating and maintaining such water/sewer line; easements and rights-of-way over and across Grantor's land in G. Walker Survey, Abstract No. 1330, Denton County, Texas, more particularly described in deed from Sanders Campbell to M.F.A., Inc.,

dated February 4, 19 69, and recorded in Volume 579, Page 701, of the Deed Records of said County and containing 326.2 acres, in, on and

over the tracts of land set forth and described in Exhibit "A", which is attached hereto and made a part hereof for all purposes, and SUBJECT TO THE RESERVATION of right in favor of Grantor as set forth therein; and, additionally, City shall have the right to use a strip 15 feet in width adjacent to the West boundary line of the tract set forth and described in Exhibit "A" for and during, and only during, the period of construction of the said water/sewer line.

Together with the right of ingress and egress over Grantor's adjacent lands to or from said right-of-way for the purpose of constructing, improving, reconstructing, repairing, inspecting, maintaining and removing said water/sewer line and appurtenances; the right to relocate said line in the same relative position to any adjacent road, if same is widened in the future; the right to prevent possible interference with the operation of said line and to remove possible hazard thereto; the right to prevent the construction, for a distance of one-half the width of the easement on each side of the actual center of where said water/sewer line is laid, of any building, structures or other obstructions which may endanger or interfere with the efficiency, safety or convenient operation of said water/sewer line and its appurtenances. If such buildings, structures or other obstructions are constructed by Grantor, as above mentioned, without written consent of the City, the City shall have the right to remove same from such space, and this agreement, together with other provisions of this grant shall constitute a covenant running with the land for the benefit of the City, its successors and assigns.

The right is reserved to Grantor to use the land over which a right-of-way or easement is herein granted, provided such use shall not include any use which might interfere with the exercise by the City of the rights hereby granted. The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the structures referred to herein and the Grantee will maintain such easement in a state of good repair and efficiency so that no unreasonable damages will result from its use to Grantor's premises.

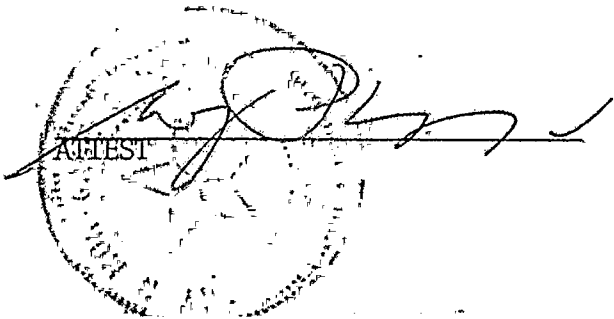

VOL 657 PAGE 736

TO HAVE AND TO HOLD the above-described easement and rights unto the said City  
of Corinth, its successors and assigns, forever.

And Grantor does hereby bind himself, his heirs and legal representatives, to Warrant and Forever Defend all and singular the above-described easement and rights unto the Said City, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof..

EXECUTED THIS 3rd day of May, 19 72.

M.F.A., INC.

By: 

### CORPORATION ACKNOWLEDGMENT

THE STATE OF TEXAS,  
COUNTY OF TARRANT

BEFORE ME, the undersigned authority,

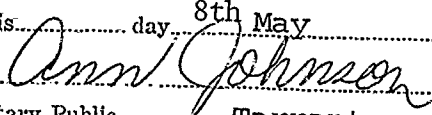

in and for said County, Texas, on this day personally appeared T. W. Reilly, President

whose name is subscribed to the foregoing instrument and acknowledged to me that the same was the act of the said M. F. A., Inc.

a corporation, and that he executed the same as the act of such corporation for the purposes and consideration therein expressed, and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, This 8th day of May, A. D. 19 72

(L. S.)

 ANN JOHNSON  
Notary Public, Tarrant County, Texas

My Commission Expires June 1, 19 73.

TRACT NO. 1: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

BEGINNING at a right-of-way marker at the East side of State School Road;

THENCE North  $67^{\circ} 56'$  East with a fence 110.3 feet to a right-of-way monument on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $58^{\circ} 23' 30''$  East with said right-of-way 283.8 feet to a monument;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 331.0 feet to a fence corner;

THENCE South  $1^{\circ} 09'$  West with a fence 12.67 feet to a marker;

THENCE North  $50^{\circ} 21'$  West a distance of 338.8 feet to an angle point;

THENCE North  $58^{\circ} 23' 30''$  West a distance of 278.6 feet to an angle point;

THENCE South  $67^{\circ} 56'$  West a distance of 109.39 feet to an angle point;

THENCE North  $2^{\circ} 0'$  East 10.83 feet to the place of beginning.

TRACT NO. 2: All that certain lot, tract or parcel of land, lying and being situated in the County of Denton, State of Texas, being out of the G. Walker Survey, Abstract No. 1330, and being more particularly described as follows:

VOL 657 PAGE 737

BEGINNING at fence corner on the Southwest right-of-way of Interstate Highway 35-E;

THENCE South  $50^{\circ} 21'$  East with said right-of-way 3055.2 feet to fence corner;

THENCE South  $32^{\circ} 33'$  West with a fence 10.16 feet to an angle point;

THENCE North  $50^{\circ} 21'$  West a distance of 3048.8 feet to an angle point;

THENCE North  $1^{\circ} 51'$  East a distance of 12.67 feet to the point of beginning.

Grantor reserves the right from time to time to construct one or more streets for vehicular and/or pedestrian right-of-way over and across the easement area for ingress and egress for the remaining portion of Grantor's land to Interstate Highway 35, and City agrees to bury the water/sewer pipe line contemplated hereby at a sufficient depth so that such streets may be constructed by Grantor at no additional cost by reason of said pipeline. In addition, City grants the right to Grantor to tap into the water/sewer pipeline as is necessary to service the improvements to be constructed on that portion of Grantor's property which lies within the City limits of the City of Corinth provided, however, that Grantor shall be obligated to pay the standard tap-in fee charged by the City in such cases.

COUNTY OF DENTON :

THAT WE, T. M. Cunningham, and wife, Hilda H. Cunningham of the County of Denton, State of Texas, for and in consideration of the sum of Ten Dollars (\$10.00) cash to us in hand paid by the City of Denton, Texas, a municipal corporation, of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, and other good and valuable consideration including the benefits that will accrue to our property, do hereby GIVE, GRANT and EXTEND to the said City of Denton, Texas, its successors and assigns, the right to construct, reconstruct and perpetually maintain a sanitary sewer line and appurtenances in, upon and across the following described tract of land, said tract being a strip of land twenty-six (26) feet in width and six hundred, thirty-seven (637) feet in length, containing 0.37 acres of land, more or less, and being thirteen (13) feet on either side of the center line of said strip of land which said center line is more particularly described as follows:

BEGINNING at a point in a tract of land belonging to T. M. Cunningham and wife, Hilda H. Cunningham, in the M.E.P. & P.R.R. Co. 160 acre Survey No. 47, Denton County, Texas, deeded by W. H. Overall as shown in Volume 361, Page 407 of the Deed Records of Denton County, Texas, said point being in the West property line of said tract and approximately 93.7 feet North of the Southwest property corner of said tract;

THENCE Northeastward a distance of 637 feet, more or less, to a point in the East property line of said tract, said point being approximately 399 feet North of the Southeast property corner of said tract.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the City of Denton, Texas, will never construct any such sanitary sewer line or appurtenances above plow depth, and that the City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises as nearly as possible to the condition in which same were found before such work was undertaken, including repair of all fences that might be disturbed or damaged in performing said work, and further upon the condition that in the use of the aforesaid rights and privileges herein granted, the City of Denton, Texas,

will not create a nuisance or do any act that will be detrimental to said premises and that said tract will not be used by said City of Denton, Texas, for any other purpose, under this grant, except as herein provided. Provided, however, that for the purpose of initially constructing the sanitary sewer line and appurtenances above described, and during such initial construction only, the City of Denton, Texas, and its agents, shall have the right and privilege to enter upon and use for such initial construction purposes a strip of land sixty (60) feet in width and six hundred, thirty-seven (637) feet in length, more or less, and being thirty (30) feet on either side of the center line of said strip of land, as said center line is more particularly described above, upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

WITNESS OUR HANDS this 17<sup>th</sup> day of December, A.D. 1960.

KNOW ALL MEN BY THESE PRESENTS:

THAT WE, Walter M. Lea, and wife, Jane C. Lea of the County of Denton, State of Texas, for and in consideration of the sum of Ten Dollars (\$10.00) cash to us in hand paid by the City of Denton, Texas, a municipal corporation, of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, and other good and valuable consideration including the benefits that will accrue to our property, do hereby GIVE, GRANT and EXTEND to the said City of Denton, Texas, its successors and assigns, the right to construct, reconstruct and perpetually maintain a sanitary sewer line and appurtenances in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the West line of an 82.24 acre tract of land in the Gideon Walker Survey, Abstract No. 1330 as deeded to Walter M. Lea and wife, Jane C. Lea, by Thomas E. Noel and recorded in Vol. 416, P. 521 of the Deed Records of Denton County, Texas, said West line also being the West line of said Gideon Walker Survey and the East line of a tract of land belonging to Henry C. Taliaferro in the M.E.P. & P.R.R. Co. Survey, Abstract No. 950. Said point being 665.5 feet, more or less, North of the Southeast corner of said Taliaferro tract;

THENCE North  $84^{\circ} 58'$  East, a distance of 893.62 feet, more or less, to a point in the Northeast property line of said Walter M. Lea tract and in the Southwest right-of-way line of Interstate Highway No. 35E, said point being 1102.36', South  $49^{\circ} 57'$  East from said Walter M. Lea Northwest corner;

THENCE Northwesterly with the Southwest right-of-way line of said Highway 35E a distance of 36.72 feet to a point for a corner;

THENCE South  $84^{\circ} 58'$  West, a distance of 842.38 feet to a point for a corner in Walter M. Lea West line;

THENCE South with the West line of said Walter M. Lea tract, a distance of 26 feet more or less to the place of beginning, and containing 0.52 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the City of Denton, Texas, will at all times,

after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences that might be disturbed or damaged in performing said work, or in lieu of such complete restoration that the City of Denton, Texas, will pay such damages as will fairly compensate grantor for such incomplete restoration; and further upon the condition that in the use of the aforesaid rights and privileges herein granted, the City of Denton, Texas, will not create a nuisance or do any act that will be detrimental to said premises and that said tract will not be used by said City of Denton, Texas, for any other purpose, under this grant, except as herein provided; and further upon the condition that any markers placed for the purpose of locating said sanitary sewer line be placed in the fence rows and not upon the interior portion of grantor's land.

WITNESS OUR HANDS this 9<sup>th</sup> day of January, A.D. 1961.

THAT, REPUBLICBANK DALLAS, NATIONAL ASSOCIATION, for and in consideration of the sum of one dollar (\$1.00) cash to us in hand paid by the City of Denton, Texas, a municipal corporation of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, and other good and valuable consideration including the benefits that will accrue to our property, do hereby GIVE, GRANT, and EXTEND to the said City of Denton, Texas, its successors and assigns, the right to construct or reconstruct utilities and perpetually maintain an All-Purpose Utility Easement in, upon and across land described as follows:

Said Tract being in the M.E.P. and P.R.R. Survey, Abstract 950 GIDEON WALKER Survey, Abstract 1330, and LEVI YOUNG Survey, Abstract 1451, Denton County, Texas, and recorded in Volume 1136, Page 441, in the Deed Records of Denton County, Texas, and more particularly described below in Tract 1 and Tract 2.

Said easement crossing this property, comprising two parts, as herein designated and described, including (1) a permanent easement 40 feet in width, for construction, or reconstruction of utilities and appurtenances, and for perpetually maintaining an All Purpose Utility Easement, and (2) an additional area adjacent to the permanent easement 20 feet in width, to be used for initial construction.

PART 1 PERMANENT EASEMENT WITH CENTERLINE DESCRIBED AS FOLLOWS:

TRACT 1

Beginning at a point in the Northeasterly boundary line of the said RepublicBank Tract, and the Southwest Right-of-Way line of Interstate Highway 35-E said point lying North 47° 08' 05" West a distance of 1965.26 feet from the most easterly corner of said tract, said point also lying South 47° 08' 05" East a distance of 5.0 feet from an existing sanitary sewer line and North 47° 08' 05" West a distance of 5.0 feet from a proposed 21" sanitary sewer line;

THENCE South 42° 41' 55" West 5 feet from and parallel to the existing and proposed sanitary sewer lines, a distance of 14.29 feet to a point;

THENCE South 86° 38' 20" West 10 feet Northwest of and parallel to the proposed sanitary sewer line, a distance of 609.49 feet the Easterly Northwest boundary line of said RepublicBank Tract, same being the Southeast boundary line of a tract conveyed to McNatt Motor Company by deed recorded in Volume 939, Page 972 of the deed records of Denton County Texas.

VOL 1143  
PAGE 125

TRACT II

Vol 1143 Page 126

Commencing at a point in the Northeast boundary line of said RepublicBank Tract and the Southwest right-of-way line of Interstate Highway 35-E, said point lying North 47° 08' 05" West a distance of 1965.26 feet from the Easterly corner of said tract;

THENCE South 42° 41' 55" West a distance of 14.29 feet to a point;

THENCE South 86° 38' 20" West a distance of 822.97 feet to the point of beginning, said point lying in the Southwest boundary line of said McNatt Tract and the Southerly Northeast boundary line of said RepublicBank Tract;

THENCE South 86° 38' 20" West 10 feet Northwest of and parallel to the proposed sanitary sewer line a distance of 1288.89 feet to a point in the West boundary line of said RepublicBank Tract and the East right-of-way line of said School Road, said point lying South 50° 13' 47" West 1762.81 feet from the Northwest corner of said tract;

PART 2 CONSTRUCTION EASEMENT

In addition to the 40 foot permanent easement as described above, an initial construction easement 20 foot in width is to be furnished. This easement shall be adjacent and parallel to the permanent easement and shall be 20 feet in width on the south side of said permanent easement. The construction easement is to be used for initial construction only and will expire December 31, 1983.

The City of Denton, Texas, shall have the right and privilege to remove and dispose of, off the site, trees, brush, debris, excess excavated material, etc. in the easements, that would interfere with access to the construction site and that would interfere with construction of the said facilities.

TO HAVE AND TO HOLD, all singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said facilities together with necessary appurtenances inside said perpetual easements and for making connections therewith; all upon the condition that the City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said facilities restore said premises as nearly as feasible to the condition in which same were found before such work was undertaken, including repair of all fences that might be disturbed or damaged in performing said work, and further upon the condition that in the use of the aforesaid rights and privileges herein granted, the City of Denton, Texas, will not create a nuisance or do any act that will be detrimental to said premises and that said tract will not be used by said City of Denton, Texas, for any other purpose, under this grant, except as herein provided.

STATE OF TEXAS :  
COUNTY OF DENTON : WHEREAS WE, J & S Wood, L.P., are the owners of all that certain lot, tract or parcel, of land situated in the Gideon Walker Survey, Abstract Number 1330 and the M. E. P. & P. RR. Company Survey, Abstract Number 950, City of Denton, Denton County, Texas, being all of that certain called 13.103 acre tract of land described in deed to J & S Wood LP recorded in Clerk's File Number 94-R0039612 of the Real Property Records of Denton County, Texas, and being part of Lot 1, Block A, McNatt Addition, an addition to the City of Denton according to the plat thereof recorded in Cabinet D, Page 11 of the Plat Records of Denton County, Texas, part of Blocks 10 and 11, Wimbleton Village, Phase V, an addition to the City of Denton according to the plat thereof recorded in Cabinet B, Page 309 of said Plat Records and part of Block 13, Wimbleton Village Phase IV, an addition to the City of Denton according to the plat thereof recorded in Cabinet B, Page 378 of said Plat Records (plat now vacated) and being more particularly described as follows:

BEGINNING at a 1/2" rebar found at the northwest corner of said 13.103 acre tract and Lot 1, Block A, McNatt Addition, said point being the northeast corner of Lot 2, McNatt Addition, Phase Two, an addition to the City of Denton according to the plat thereof recorded in Cabinet E, Page 244 of the Plat Records of Denton County, Texas, and being on the southwest right-of-way line of Interstate Highway 35E, a public roadway (300 foot R.O.W.);

THENCE S 49°57'00" E, 815.85 feet, along the the southwest right-of-way line of Interstate Highway 35E, and the northeast line of said 13.103 acre tract and Lot 1, Block A, McNatt Addition to a 1/2" rebar set at the northeast corner thereof and the northwest corner of Lot 4R, Block A, McNatt Addition, an addition to the City of Denton according to the plat thereof recorded in Cabinet O, Page 267 of the Plat Records of Denton County, Texas;

THENCE S 40°00'22" W, along the southeast line of said 13.103 acre tract, and the northwest line of said Lot 4R crossing the south line of said McNatt Addition and the north line of said Block 13, Wimbleton Village, Phase IV, a total distance of 699.42 feet, to a 3/4" rebar found, said point being on the northeast line of that certain tract of land described as Tract Two in deed to James Wood recorded in Volume 3178, Page 682 of the Real Property Records of Denton County, Texas;

THENCE N 49°57'15" W, along the southwest line of said 13.103 acre tract, and the northeast line of said James Wood tract, crossing the west line of said Block 13 and the east line of said Block 11, Wimbleton Village Phase V, crossing the west line of same and the east line of Block 10, a total distance of 815.85 feet, to a 3/8" rebar found at the southwest corner of said 13.103 acre tract, same being the southeast corner of that tract of land described in deed to J & S Wood LP recorded in Clerk's File Number 95-R0040952 of the Real Property Records of Denton County, Texas ;

THENCE N 40°00'22" E, along the northwest line of said 13.103 acre tract, passing the southeast corner of Lot 2, McNatt Addition, Phase Two and the southwest corner of said Lot 1, Block A, McNatt Addition, a total distance of 699.47 feet, to the POINT OF BEGINNING and containing approximately 13.100 acres of land.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS : THAT WE, J & S Wood, L.P., acting through our duly authorized representative, do hereby adopt this Final Plat designating the hereinabove described tract of land as James Wood Autopark Addition, an addition to the City of Denton, Denton County, Texas, and do hereby dedicate to public use forever the streets and alleys shown hereon. The easements as shown are hereby reserved for the purposes as indicated. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed or placed upon, over or across the utility easements as shown. Said utility easements being hereby reserved for the mutual use and accommodation of all public utilities desiring to use or using same. All and any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths which may endanger or interfere with construction, maintenance or efficiency of its respective system on the utility easements, and any public utility shall at all times have the full right of ingress and egress to, from and upon the said utility easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining or adding to or removing all or part of its respective system without the necessity of procuring the permission of anyone.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the City of Denton, Texas.

WITNESS OUR HAND this 6 day of Oct, 1999.

OWNER'S CERTIFICATE AND DEDICATION

STATE OF TEXAS

COUNTY OF DENTON : WHEREAS WE, J & S Wood, L. P. Are the owners of all that certain lot, tract or parcel of land situated in the Gideon Walker Survey, Abstract Number 330, and the M. E. P. & P. RR. Company Survey, Abstract Number 950, City of Denton County, Texas, being all of Lot 2, Block 1, Denton Cancer Addition, an addition to the City of Denton according to the plat thereof recorded in Cabinet R, Page 247 of the Plat Records of Denton County, Texas, and all of Lot 1, Block A, James Wood AutoPark Addition, Phase II, an addition to the City of Denton according to the plat thereof recorded in Cabinet R, Pages 255 and 256 of the Plat Records of Denton County, Texas, and being described by metes and bounds as follows:

BEGINNING at 1/2" rebar found at the most northerly corner of Lot 2, Block A, James Wood AutoPark Addition, Phase II, being the most easterly northeast corner of Lot 2, Block 1, Denton Cancer Center, being on the southwesterly right-of-way line of Interstate Highway 35E (300 foot R.O.W.);

THENCE S 39°59'50" W, 100.00 feet, along the southeasterly line of Lot 2, Block 1, Denton Cancer Center and the northwesterly line of Lot 2, Block A, James Wood AutoPark Addition, Phase II, to a 1/2" capped rebar (stamped G & A) found at the southwest corner thereof;

THENCE S 49°57'00" E, 30.00 feet, along the southwesterly line of Lot 2, Block A, James Wood AutoPark Addition, Phase II, to a capped rebar (stamped G & A) found at the southeast corner thereof;

THENCE N 39°59'50" E, 100.00 feet, along the southeasterly line of Lot 2, Block A, James Wood AutoPark Addition, Phase II, to a 1/2" capped rebar (stamped G & A) found at the northeast corner thereof being an ell corner of Lot 1, Block A, James Wood AutoPark Addition, Phase II, and being on the southwesterly right-of-way line of Interstate Highway 35E;

THENCE S 49°57'00" E, 568.04 feet, along the southwesterly right-of-way line of Interstate Highway 35E and the northerly northeast line of Lot 1, Block A, to a 1/2" rebar found at the most northeasterly corner thereof being the most northerly corner of Lot 1, Block A, James Wood AutoPark Addition, an addition to the City of Denton according to the plat thereof recorded in Cabinet R, Pages 42 and 43 of the Plat Records of Denton County, Texas;

THENCE S 40°00'22" W, 699.47 feet, along the common line between Lot 1, Block A, James Wood AutoPark Addition and Lot 1, Block A, James Wood AutoPark Addition, Phase II, to a 3/8" rebar found;

THENCE S 49°58'01" E, along the southerly northeast line of Lot 1, Block A, James Wood AutoPark Addition, Phase II and the southwesterly line of Lot 1, Block A, James Wood AutoPark Addition, Phase II, passing a 3/4" rebar found at the southeasterly corner thereof and the most westerly corner of Lot 4R, Block A, McNatt Addition, an addition to the City of Denton according to the plat thereof recorded in Cabinet O, Page 267 of the Plat Records of Denton County, Texas, and continuing a total distance of 1199.77 feet, to a 1/2" rebar found on the northwesterly line of that certain tract of land described in deed to Oakmont Canadian Land Partnership, Ltd. Recorded in Clerk's File Number 94-003975 of the Real Property Records of Denton County, Texas;

THENCE S 38°30'09" W, 739.25 feet, along the northwesterly line of said Oakmont Canadian tract and the southerly southeast line of Lot 1, Block A, James Wood AutoPark Addition, Phase II, to a 1/2" rebar found at the most southerly southeast corner thereof being on the north line of a Channel according to the Final Plat of Wimbledon Village, Phase V, an addition to the City of Denton, recorded in Cabinet B, Page 309 of the Plat Records of Denton County, Texas, said point being in a curve to the left;

THENCE Northwesterly, along the north line of said Channel and with the arc of said curve having a radius of 960.00 feet, a central angle of 17°17'54", whose chord bears N 67°19'58" W, 288.74 feet, an arc length of 289.84 feet, to a railroad spike set at a point of reverse curvature;

THENCE Northwesterly, continuing along said line, and with the arc of said curve having a radius of 404.43 feet, a central angle of 13°21'34", whose chord bears N 69°21'18" W, 94.08 feet, an arc length of 94.30 feet, to a 1/2" capped rebar (stamped G & A) found at the most southerly southwest corner of Lot 1, Block A, James Wood AutoPark Addition, Phase II;

THENCE N 15°00'00" E, 584.23 feet, along the westerly line of Lot 1, Block A, James Wood AutoPark Addition, Phase II, to a 1/2" capped rebar (stamped G & A) found at an angle point;

THENCE N 49°57'00" W, 919.83 feet, continuing along said line, to a 1/2" capped rebar (stamped G & A) found at an angle point;

THENCE N 87°34'53" W, 80.84 feet, continuing along said line, to a 1/2" capped rebar (stamped G & A) found on the east right-of-way line of State School Road (110 foot R.O.W.);

THENCE N 02°25'07" E, 668.46 feet, along the east right-of-way line of State School Road and the west line of Lot 1, Block A, James Wood AutoPark Addition, Phase II, to a 1/2" capped rebar (stamped G & A) found at the westerly northwest corner thereof being the southwest corner of Lot 2, Block 1, Denton Cancer Center;

THENCE N 02°19'44" E, 135.45 feet, along the east right-of-way line of State School Road and the west line of Lot 2, Block 1, Denton Cancer Center, to a capped rebar (stamped Goodwin & Marshall) found at the point of curvature of a curve to the right;

THENCE Northeasterly, continuing along the east right-of-way line of State School Road, the west line of Lot 2, Block 1, Denton Cancer Center, and with the arc of said curve having a radius of 1140.00 feet, a central angle of 06°47'21", whose chord bears N 05°50'05" E, 135.00 feet, an arc length of 135.08 feet, to a capped rebar (stamped G & A) set at the northwest corner of said Lot 2 and the southwest corner of Lot 1, Block 1, Denton Cancer Center;

THENCE S 87°35'35" E, 60.60 feet, along the north line of Lot 2 and the south line of Lot 1, Block 1, Denton Cancer Center, to a capped rebar (stamped Goodwin & Marshall) found at an angle point;

THENCE S 57°59'42" E, 236.61 feet, continuing along said line to a capped rebar (stamped Goodwin & Marshall) found at an angle point;

THENCE N 39°58'22" E, 257.40 feet, along the southeast line of Lot 1 and the northwest line of Lot 2, to a capped rebar (stamped Goodwin & Marshall) found on the southwesterly right-of-way line of Interstate Highway 35E;

THENCE S 49°57'00" E, 62.22 feet, along said right-of-way line, to the POINT OF BEGINNING and containing approximately 30.584 acres of land.

PRIVATE DRAINAGE AND DETENTION EASEMENT

STATE OF TEXAS  
COUNTY OF DENTON  
CITY OF DENTON

The plat is hereby adopted by the Owners and approved by the City of Denton (called "City") subject to the following conditions that shall be binding upon the Owners, their heirs, grantees and successors: The portions of Block A, as shown on the plat, are called "Private Drainage and Detention Easements." The Private Drainage and Detention Easements within the limits of this addition, will remain open at all times and will be maintained in a safe and sanitary condition by the owners of the lot or lots that are traversed by or adjacent to the Private Drainage and Detention Easements. The City will not be responsible for the maintenance and operation of said easements or for any damage to private property or person that results from conditions in the Easements or for the control of erosion. No obstruction to the natural flow of storm water run-off shall be permitted by construction of any type of buildings, fences or any other structures within the Private Drainage and Detention Easements; as herein above defined, unless approved by the City. The property owner shall keep the Private Drainage and Detention Easements clear and free of debris, silt, and any substances that would result in unsanitary conditions or obstruct the flow of water. And, the City shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions that may occur. The natural drainage through the Private Drainage and Detention Easements is subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City shall not be held liable for any damages of any nature resulting from the occurrence of these natural phenomena, or resulting from the failure of any structure, or structures, within the Easements.

- NOTES:
1. Bearings based on west line of I 35 E R.O.W. per TxDOT R.O.W. map.
  2. Only the portion shown of subject property appears to lie within a special flood hazard area according to the FLOOD INSURANCE RATE MAP for Denton County, Texas and Incorporated Areas, Map No. 48121C0387 E, Dated April 2, 1997.
  3. Proposed use: Auto Sales and Service

Vicinity Map Scale 1"=2000'

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS : THAT WE, J & S Wood L. P. Acting through our duly authorized representative, do hereby adopt this Final Plat designating the hereinabove described tract of land as James Wood Autopark Addition, Phase III, an addition to the City of Denton, Denton County, Texas, and do hereby dedicate to public use forever the streets and alleys shown hereon. The easements as shown are hereby reserved for the purposes as indicated. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed or placed upon, over or across the utility easements as shown. Said utility easements being hereby reserved for the mutual use and accommodation of all public utilities desiring to use or using same. All and any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths which may endanger or interfere with construction, maintenance or efficiency of its respective system on the utility easements, and any public utility shall at all times have the full right of ingress and egress to, from and upon the said utility easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining or adding to or removing all or part of its respective system without the necessity of procuring the permission of anyone.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the City of Denton, Texas.

**LEGAL DESCRIPTION**

**BEING** a 18,485 square foot (0.4244 acre) tract of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, and the Gideon Walker Survey, Abstract No. 1330, City of Denton, Denton County, Texas, and being part of Lot 1, Block A, James Wood Autopark Addition, Phase III, an addition to the City of Denton, Texas according to the plat recorded in Volume R, Page 308 of the Plat Records of Denton, Texas; said tract being more particularly described as follows:

**COMMENCING** at the south corner of Lot 4R, Block A, McNatt Addition, an addition to the City of Denton according to the plat recorded in Volume O, Page 267 of the said Plat records, and being a point in the southeast line of said Lot 1; from said point a 1/2-inch iron rod found for the west corner of said Lot 4R bears North 50°23'42" West, a distance of 384.00 feet;

**THENCE** South 38°04'28" West, along the southeast line of said Lot 1, a distance of 59.82 feet to the **POINT OF BEGINNING**;

**THENCE** South 38°04'28" West, continuing along said southeast line of Lot 1, a distance of 492.56 feet to a point for corner;

**THENCE** North 72°16'09" West, departing said southeast line of Lot 1, a distance of 443.38 feet to a point for corner;

**THENCE** North 48°07'42" West, a distance of 13.15 feet to a point for corner in the west line of said Lot 1;

**THENCE** North 14°34'19" East, along said west line of Lot 1, a distance of 22.51 feet to a point for corner; from said point a 1/2-inch iron rod found for an ell corner of said Lot 1 bears North 14°34'19" East, a distance of 407.49 feet;

**THENCE** South 48°07'42" East, departing said west line of Lot 1, a distance of 19.19 feet to a point for corner;

**THENCE** South 72°16'09" East, a distance of 425.54 feet to a point for corner;

**THENCE** North 38°07'06" East, a distance of 479.07 feet to a point for corner;

**THENCE** South 50°16'45" East, a distance of 19.32 feet to the **POINT OF BEGINNING** and containing 18,485 square feet or 0.4244 acres of land, more or less.

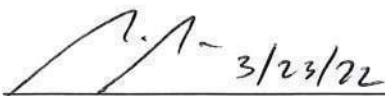

**NOTES:**

SURVEY, ABSTRACT NO. 950  
CITY OF DENTON, DENTON COUNTY, TEXAS

**LEGAL DESCRIPTION**

**BEING** a 16,872 square foot (0.3873 acre) tract of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being part of Block 11, Wimbleton Village, Phase V, an addition to the City of Denton, Texas according to the plat recorded in Volume B, Page 309 of the Plat Records of Denton, Texas; said tract being more particularly described as follows:

**COMMENCING** at a point in the south line of Lot 1, Block A, James Wood Autopark Addition, Phase III, an addition to the City of Denton, Texas, according to the plat recorded in Volume R, Page 308 of the said Plat Records; from said point a 1/2-inch iron rod found for an inner ell corner of said Lot 1 bears South 50°22'41" East, a distance of 450.44 feet;

**THENCE** departing said south line of Lot 1, South 39°36'18" West, along said southeast line of Block 11, a distance of 262.73 feet to the **POINT OF BEGINNING**;

**THENCE** South 39°36'18" West, continuing along said southeast line of Block 11, a distance of 25.06 feet to a point for corner, being the beginning of a non-tangent curve to the left with a radius of 776.50 feet, a central angle of 21°29'13", and a chord bearing and distance of North 65°12'18" West, 289.50 feet;

**THENCE** in a northwesterly direction, departing said southeast line of Block 11, and along said non-tangent curve to the left, an arc distance of 291.20 feet to a point for corner;

**THENCE** North 02°01'58" East, a distance of 30.17 feet to a point for corner;

**THENCE** North 01°49'33" East, a distance of 337.61 feet to a point for corner;

**THENCE** North 46°00'59" East, a distance of 12.22 feet to a point for corner;

**THENCE** North 00°24'17" East, a distance of 25.81 feet to a point for corner in the north line of said Block 11;

**THENCE** South 88°00'34" East, along said north line of Block 11, a distance of 25.01 feet to a point for corner;

**THENCE** South 00°24'17" West, departing said north line of Block 11, a distance of 35.63 feet to a point for corner;

**THENCE** South 46°00'59" West, a distance of 12.58 feet to a point for corner;

**THENCE** South 01°49'33" West, a distance of 327.51 feet to a point for corner;

**THENCE** South 02°01'58" West, a distance of 10.23 feet to a point for corner, being the beginning of a non-tangent curve to the right with a radius of 801.50 feet, a central angle of 20°09'47", and a chord bearing and distance of South 64°24'58" East, 280.60 feet;

**THENCE** in a southeasterly direction, along said non-tangent curve to the right, an arc distance of 282.06 feet to the **POINT OF BEGINNING** and containing 16,872 square feet or 0.3873 acres of land, more or less.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

**LEGAL DESCRIPTION**

**BEING** a 14,330 square foot (0.3290 acre) tract of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being part of Block 11, Wimbleton Village, Phase V, an addition to the City of Denton, Texas according to the plat recorded in Volume B, Page 309 of the Plat Records of Denton, Texas; said tract being more particularly described as follows:

**COMMENCING** at a point in the south line of Lot 1, Block A, James Wood Autopark Addition, Phase III, an addition to the City of Denton, Texas, according to the plat recorded in Volume R, Page 308 of the said Plat Records; from said point a 1/2-inch iron rod found for an inner ell corner of said Lot 1 bears South 50°22'41" East, a distance of 450.44 feet;

**THENCE** departing said south line of Lot 1, South 39°36'18" West, along said southeast line of Block 11, a distance of 287.79 feet to the **POINT OF BEGINNING**;

**THENCE** South 39°36'18" West, continuing along said southeast line of Block 11, a distance of 20.05 feet to a point for corner, being the south corner of said Block 11, and being in the northeast right-of-way line of Wimbleton Boulevard (an 80 foot right-of-way) and being the beginning of a non-tangent curve to the left with a radius of 756.50 feet, a central angle of 22°35'27", and a chord bearing and distance of North 65°51'53" West, 296.35 feet;

**THENCE** in a northwesterly direction, along the said northeast line of Wimbleton Boulevard, and along said non-tangent curve to the left, an arc distance of 298.27 feet to a point for corner in the intersection of the said northeast line of Wimbleton Boulevard and east right-of-way line of State School Road (a variable width right-of-way);

**THENCE** North 01°58'11" East, along said east line of State School Road, a distance of 418.75 feet to a point for corner;

**THENCE** South 88°00'34" East, departing the said east line of State School Road, and along the north line of said Block 11, a distance of 26.84 feet to a point for corner;

**THENCE** South 00°24'17" West, departing the north line of said Block 11, a distance of 25.81 feet to a point for corner;

**THENCE** South 46°00'59" West, a distance of 12.22 feet to a point for corner;

**THENCE** South 01°49'33" West, a distance of 337.61 feet to a point for corner;

**THENCE** South 02°01'58" West, a distance of 30.17 feet to a point for corner, being the beginning of a non-tangent curve to the right with a radius of 776.50 feet, a central angle of 21°29'13", and a chord bearing and distance of South 65°12'18" East, 289.50 feet;

**THENCE** in a southeasterly direction, along said non-tangent curve to the right, an arc distance of 291.20 feet to the **POINT OF BEGINNING** and containing 14,330 square feet or 0.3290 acres of land, more or less.

WIMBLETON VILLAGE, PHASE V  
MEMPHIS, EL PASO AND PACIFIC RAILROAD COMPANY  
SURVEY, ABSTRACT NO. 950  
CITY OF DENTON, DENTON COUNTY, TEXAS

**LEGAL DESCRIPTION**

**BEING** a 15,654 square foot (0.3594 acre) tract of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being part of Block 11, Wimbleton Village, Phase IV, an addition to the City of Denton, Texas according to the plat recorded in Volume B, Page 308 of the Plat Records of Denton, Texas; said tract being more particularly described as follows:

**COMMENCING** at a point in the south line of Lot 1, Block A, James Wood Autopark Addition, Phase III, an addition to the City of Denton, Texas, according to the plat recorded in Volume R, Page 308 of the said Plat Records, and being a point in the northwest line of said Block 11; from said point a 1/2-inch iron rod found for an inner ell corner of said Lot 1 bears South 50°22'41" East, a distance of 450.44 feet;

**THENCE** departing said south line of Lot 1, and along said northwest line of Block 11, South 39°36'18" West, a distance of 262.73 feet to the **POINT OF BEGINNING**, being the beginning of a non-tangent curve to the right with a radius of 801.50 feet, a central angle of 23°58'41", and a chord bearing and distance of South 42°20'43" East, 332.98 feet;

**THENCE** in a southeasterly direction, with said non-tangent curve to the right, an arc distance of 335.43 feet to a point for corner;

**THENCE** South 37°02'57" East, a distance of 121.49 feet to a point for corner;

**THENCE** South 48°07'42" East, a distance of 163.18 feet to a point for corner in the southeast line of said Block 11; from said point a 1/2-inch iron rod found for the east corner of said Block 11 bears North 14°35'19" East, a distance of 379.35 feet;

**THENCE** South 14°34'19" West, along said southeast line of Block 11, a distance of 28.14 feet to a point for corner;

**THENCE** North 48°07'42" West, departing said southeast line of Block 11, a distance of 178.50 feet to a point for corner;

**THENCE** North 37°03'07" West, a distance of 125.34 feet to a point for corner, being the beginning of a non-tangent curve to the left with a radius of 776.50 feet, a central angle of 24°12'57", and a chord bearing and distance of North 42°21'13" West, 325.75 feet;

**THENCE** in a northwesterly direction, with said non-tangent curve to the left, an arc distance of 328.18 feet to a point for corner in the northwest line of said Block 11;

**THENCE** North 39°36'18" East, along said northwest line of Block 11, a distance of 25.06 feet to the **POINT OF BEGINNING** and containing 15,654 square feet or 0.3594 acres of land, more or less.

## **UTILITY EASEMENT**

<b>THE STATE OF TEXAS</b>	§	
	§	<b>KNOW ALL MEN BY THESE PRESENTS:</b>
<b>COUNTY OF DENTON</b>	§	

THAT MAYHILL DENTON, L.P., a Texas limited partnership (hereinafter referred to as "Grantor"), whose address is 15303 Dallas Parkway, Suite 350, Addison, Texas 75001 for and in consideration of the sum of One and No/100 Dollars (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, receipt and sufficiency of which is hereby acknowledged, has GRANTED, BARGAINED, SOLD and CONVEYED and does by these presents GRANT, BARGAIN, SELL and CONVEY unto the City of Denton, Texas ("Grantee") a perpetual utility easement in, along, upon, under, over and across the following described property (the "Property"), owned by Grantor, and situated in Denton County, Texas, located in the Gideon Walker Survey, Abstract Number 1330 to wit:

**PROPERTY DEPICTED AND DESCRIBED IN EXHIBIT "A",  
ATTACHED HERETO AND MADE A PART HEREOF**

For the following purposes:

Constructing, reconstructing, installing, repairing, relocating, operating, and perpetually maintaining utilities and related facilities and appurtenances, in, along, upon, under, over and across said Property, including without limitation, the free and interrupted use, liberty, passage, ingress, egress and regress, at all times in, along, upon, under, over and across the Property to Grantee herein, its agents, employees, contractors, workmen and representatives, for the purposes set forth herein, including without limitation, the making additions to, improvements on and repairs to said facilities or any part thereof.

This Easement is subject to the following covenants and agreements:

1. Structures. No buildings, fences, structures, signs, facilities, improvements or obstructions of any kind, or portions thereof, shall be constructed, erected, reconstructed or placed in, along, upon, under, over or across the Property. Further, Grantor stipulates and acknowledges that the Grantee, in consideration of the benefits above set out, may alter the grade of the Property and may remove from the Property, such buildings, fences, structures, signs, facilities, improvements and other obstructions as may now or hereafter be found upon said Property and dispose of any such buildings, fences, structures, signs, facilities, improvements or obstructions in any manner it deems appropriate without liability to Grantee.

2. Access. For the purpose of exercising and enjoying the rights granted herein, the Grantee shall have access to the Property by way of existing public property or right-of-way.

3. Trees and Landscaping. No shrub or tree shall be planted upon the Property or that may encroach upon the Property. Grantee may cut, trim, or remove any shrubs or trees, or portions of shrubs or trees now or hereafter located within or that may encroach overhang upon the Property without liability to Grantee, including without limitation, the obligation to make further payment to Grantor.

4. Grantor's Rights. Grantor shall have the right, subject to the covenants and restrictions contained herein, to make use of the Property for any purpose that does not interfere with the City's rights granted to it herein for the purposes granted.

5. Successors and Assigns. This grant and the provisions contained herein shall constitute covenants running with the land and shall be binding upon the Grantor and Grantee, and their heirs, devisees, successors and assigns.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premise above described.

Witness my hand, this the 28<sup>th</sup> day of SEPTEMBER, 2014.

**GRANTOR:**

MAYHILL DENTON, L.P.,  
A Texas limited partnership

By: Silver Tree Fund Management, L.C.C.,  
a Texas limited liability company  
its General Partner

By: Paul A. Gardner

VOL 3047 PG 0783

ORDINANCE NO. 91-122

AN ORDINANCE OF THE CITY OF DENTON, TEXAS, ABANDONING AND VACATING A PORTION OF MAYHILL ROAD LOCATED BETWEEN INTERSTATE HIGHWAY 35 EAST AND THE UNION PACIFIC RAILROAD TRACKS (FORMERLY KNOWN AS THE M.K.T.) AS A PUBLIC STREET; RESERVING A UTILITY EASEMENT THEREIN; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, the Planning and Zoning Commission has recommended that a portion of Mayhill Road between Interstate Highway 35E and the Union Pacific Railroad Tracks be abandoned and vacated as a public street; and

WHEREAS, the City Council has determined that portion of the street being abandoned and vacated is no longer needed for public use; and

WHEREAS, the fair market value of the street easement has been determined and received, as required by section 272.001 of the Local Government Code; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION I. That the 60.0 foot wide public street right-of-way of Mayhill Road described in Exhibit A, (and labeled as tracts, 3, 4, 8, 9, and 14), attached to and incorporated into this ordinance by reference, is abandoned and vacated as a public street; provided, however, that there is expressly reserved and excepted from vacation and abandonment in the property described, a utility easement for the purpose of constructing, reconstructing, repairing, and maintaining public utilities.

SECTION II. That by operation of law the City of Denton's property interest in the street easement abandoned and vacated shall revert to the abutting property owner, whether one or more, and the City of Denton releases all claims to the use of the property for street purposes.

SECTION III. That this ordinance shall become effective immediately upon its passage and approval.

PASSED AND APPROVED this the 13<sup>th</sup> day of August, 1991.

  
BOB CASTLEBERRY, MAYOR

## LEGAL DESCRIPTION TRACT 9

VOL 3047 PG 0784

BEING THE DESCRIPTION of a 0.587 acre tract of land lying and being situated in the M.E.P. & P. Railroad Company Survey, Abstract 950, Denton County, Texas, said tract lying within the existing Right-of-Way of Mayhill Road as now fenced, and more specifically described by notes and bounds as follows:

BEGINNING at a point in a fence and the center of T.M.P.A. Electrical Transmission Line, said point being in the apparent East Right-of-Way line (variable width R.O.W.) of existing Mayhill Road, and also being in the Northwest corner of an 18.2159 acre tract as conveyed to Mayhill Road Realty Company by Deed Recorded in Volume 1441, Page 606, and the Southwest corner of a 24.2584 acre tract as conveyed to Andrews Corporation by Deed Recorded in Volume 944, Page 424, Real Property Records, Denton County, Texas;

THENCE N. 39° 28' 16" W., with said T.M.P.A. Electrical Transmission Line, 11.0 feet to a point on a curve and in the East Right-of-Way line proposed Mayhill Road (120' R.O.W.);

THENCE in a Northerly direction with said curve, to the left, radius of 910.00 feet, through a central angle of 08° 44' 01", an arc distance of 138.71 feet, chord bears N. 08° 22' 38" E., 138.58 feet to the end of said curve;

THENCE N. 04° 00' 37" E., 27.88 feet to a point in the center of existing asphalt paving of Mayhill Road (variable R.O.W.);

THENCE with said center of asphalt paving in Mayhill Road the following calls and distances:

1. N. 14° 45' 35" E., 354.89 feet to an angle point;
2. N. 24° 48' 07" E., 239.15 feet to an angle point;
3. N. 33° 37' 47" E., 126.26 feet to a point on the Southerly Right-of-Way line of proposed Colorado Boulevard (80' R.O.W.), said point being on a curve;

THENCE Northeasterly, with said curve, to the left, radius of 540.00 feet, through a central angle of 07° 48' 38", an arc distance of 73.61, chord bears N. 59° 40' 39" E., 73.56 feet to a point in a fence and the West boundary line of said 24.2584 acre tract; said point being in the apparent East Right-of-Way line of existing Mayhill Road (variable width R.O.W.);

THENCE with said West Boundary and apparent East Right-of-Way line of Mayhill Road the following calls and distances:

1. S. 36° 48' 47" W., with a fence, 66.48 feet to a fence post and an angle point;
2. S. 33° 33' 32" W., with a fence, 108.90 feet to a fence post and an angle point;
3. S. 24° 59' 08" W., with a fence, 240.16 feet to a fence post and an angle point;
4. S. 15° 00' 07" W., with a fence, 532.43 feet; to the PLACE OF BEGINNING AND CONTAINING 25,370 Square Feet or 0.587 Acre of Land.

LEGAL DESCRIPTION  
TRACT 14

BEING THE DESCRIPTION of a 0.021 acre tract of land lying and being situated in the M.E.P. & P. Railroad Company Survey, Abstract 950, Denton County, Texas, said tract lying within the existing Right-of-Way of Mayhill Road as now fenced, and more specifically described by metes and bounds as follows:

BEGINNING at a fence post in the apparent North Right-of-Way line of existing Mayhill Road (variable width R.O.W.), said point also being in the South boundary line of a 10.087 acre tract as conveyed to Aubry Products, Inc. by Deed Recorded in Volume 1709, Page 526, Real Property Records, Denton County, Texas, which lies N. 89° 11' 21" W., 24.28 feet from the Southeast corner of said 10.087 Acre Tract and the West Right-of-Way line of the Missouri, Kansas and Texas Railroad (100' R.O.W.);

THENCE S. 89° 11' 21" E., with South line said 10.087 Acre Tract, 14.42 feet to a point on the North Right-of-Way line of proposed Colorado Boulevard (80' R.O.W.), said point also being on a curve;

THENCE with said North Right-of-Way line the following calls and distances:

1. Southwesterly with said curve, to the left, radius of 540.00 feet, through a central angle of 13° 00' 25", an arc distance of 122.59 feet, chord bears S. 54° 24' 19" W., 122.32 feet to the end of said curve;
2. S. 47° 54' 06" W., 81.48 feet to a point in fence line and apparent North Right-of-Way line of existing Mayhill Road (variable width R.O.W.);

THENCE with said North Right-of-Way line of existing Mayhill Road and a fence the following calls and distances:

1. N. 37° 23' 10" E., 23.97 feet to a fence post and an angle in fence;
2. N. 47° 56' 39" E., 84.91 feet to a fence post and an angle in said fence;
3. N. 53° 34' 55" E., 84.39 feet to the PLACE OF BEGINNING AND CONTAINING 897 Square Feet or 0.021 Acre of Land.

PUBLIC ACCESS, FIRE LANE AND PUBLIC UTILITY EASEMENT

THE STATE OF TEXAS           §  
                                  §           KNOW ALL MEN BY THESE PRESENTS:  
COUNTY OF DENTON           §

THAT MAYHILL DENTON, L.P., a Texas limited partnership (Grantor), in consideration of the sum of ONE DOLLAR and NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee), receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by Grantor and situated in Denton County, Texas, in the M.E.P. & P.R.R. Survey, Abstract No. 950.

SEE ATTACHED EXHIBITS "A" & "B"

And it is further agreed that the City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of access in along and across said premises. The access and fire lane easement shall be open to the public, fire and police units and emergency services. The maintenance of paving on the access and fire lane easement described herein shall be the responsibility of the property Owner. In addition, for the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities, in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and

representatives having ingress, egress, and regress in, along upon and across said premises for the purpose of making additions to, improvements on and repairs to said public utility facilities or any part thereof.

No buildings, fences, trees, shrubs, or other improvements or growths, other than paving, shall be constructed, reconstructed or placed upon, over or across the easement granted herein. That the undersigned does hereby covenant and agree that it shall construct upon the access and fire lane tract, as described and illustrated herein, a hard surface that it shall maintain the same in a state of good repair at all times and keep the same free and clear of any structures, fences, trees, shrubs, or other improvements, other than paving, or obstructions, including but not limited to the parking of motor vehicles, trailers or other impediments to the access of fire apparatus. The Owner shall post and maintain appropriate signs and markings in conspicuous places along such fire lanes, stating "Fire Lane, No Parking". The Fire Chief or his duly authorized representative is hereby authorized to cause such access and fire lane to be maintained free and unobstructed at all times for Fire Department use.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness its hand, this 22<sup>nd</sup> day of May, 2006.

WATER LINE EASEMENT

THE STATE OF TEXAS,       §  
                                  §       KNOW ALL MEN BY THESE PRESENTS:  
COUNTY OF DENTON       §

THAT REGIONS BANK (Grantor), in consideration of the sum of ONE DOLLAR and NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee), receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by Grantor and situated in Denton County, Texas, in the M.E.P. & P.R.R. Survey, Abstract No. 950.

SEE EXHIBIT "A"

And it is further agreed that the City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining the water lines and related appurtenances in, along, upon and across said premises, with the right and privilege at all times of the Grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said water line facilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as  
aforesaid for the purposes aforesaid the premises above described.

CITY OF DENTON, DENTON COUNTY, TEXAS

6232

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding,

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

THE STATE OF TEXAS    X  
COUNTY OF DENTON       X

KNOW ALL MEN BY THESE PRESENTS:

9845

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its President, J. L. Foxworth, for and in consideration of the sum of TEN DOLLARS (\$10.00) cash and other good and valuable consideration to it in hand paid by the City of Denton, Texas, a municipal corporation, of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing, and perpetually maintaining a sanitary sewer line and appurtenances in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

VOL 501 PAGE 274

BEGINNING at a point in the East property line of of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 feet East, and 109.5 feet North, 2 degrees, 05 minutes, East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North, 2 degrees, 05 minutes, East from the Southeast corner of said 154.7 acre tract;

THENCE North 65 degrees 15 minutes West, a distance of 298.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West, a distance of 285.4 feet to a point for corner;

THENCE North 67 degrees 42 minutes West, a distance of 263.8 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970.9 feet to a point for corner;

THENCE North 50 degrees 28 minutes West, a distance of 775.1 feet to a point in the West property line of said Smith to Foxworth-Galbraith 154.7 acre tract;

THENCE North 2 degrees 05 minutes East with the West property line of said 154.7 acre tract of land a distance of 12.8 feet to a point for corner;

THENCE South 50 degrees 28 minutes East, a distance of 784.7 feet to a point for corner;

THENCE South 32 degrees 28 minutes East, a distance of 969.1 feet to a point for corner;

THENCE South 67 degrees 42 minutes East, a distance of 258.8 feet to a point for corner;

THENCE North, 89 degrees 03 minutes East, a distance of 285.6 feet to a point for corner;

THENCE South 65 degrees 15 minutes East, a distance of 296.0 feet to a point in the East property line of said 154.7 acre tract of land;

THENCE South 2 degrees 05 minutes West, with the East property line of said 154.7 acre tract, a distance of 11.0 feet to the place of beginning; and containing 0.60 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter the said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the said City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences.

that might be disturbed or damaged in performing said work;  
and further upon the condition that Grantor, its successors and assigns shall have the right to make connections with the

aforesaid sanitary sewer line for the purpose of providing sewage collection service to their property, all upon such terms and conditions and upon the payment of such charges for such connections and service as may from time to time be provided by the ordinances of the said City of Denton, Texas;

PROVIDED, HOWEVER, that for the purpose of initially constructing the sanitary sewer line and appurtenances above described, and during such initial construction, the City of Denton, Texas, shall have the right to use and occupy a strip of land sixty (60) feet in width and being thirty (30) feet on either side of the center line of said strip of land, as said center line is more particularly described as follows:

BEGINNING at a point in the East property line of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 East, and 115.0 feet North, 2 degrees 05 minutes East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North 2 degrees 05 minutes East, 115.0 feet from the Southeast corner of said 154.7 acre tract of land;

THENCE North 65 degrees 15 minutes West, a distance of 297.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West a distance of 285.5 feet to a point for corner;

THENCE North 67 degrees 42 minutes West a distance of 261.3 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970 feet to a point for corner;

THENCE North 50 degrees 28 minutes West a distance of 780 feet to a point in the West property line of said 154.7 acre tract; said easement having a total length of 2,593.8 feet, more or less.

VOL 501 PAGE 276

All upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

FOXWORTH-GALBRAITH LUMBER COMPANY

2140

THAT T. L. Caruthers and Tommy Caruthers of the County of Denton, State of Texas, in consideration of the sum of Ten and no/100 Dollars (\$10.00) and other good and valuable consideration, in hand paid by the City of Denton, receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto to the City of Denton, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by us. Situated in Denton County, Texas, in the M.E.P. and P.R.R. Survey, Abstract No. 950.

All that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, being a part of the M.E.P. and P.R.R. Survey, Abstract No. 950, and being part of an original 142.18 acre tract conveyed by O. L. Sargent et al to Alfred F. Sellmeyer by deed recorded in Volume 423, Page 446 of the Deed Records of Denton County, Texas, and being a part of two certain tracts, to hereafter be referred to as Tract No. 1 and Tract No. 2 respectively, Tract No. 1 being conveyed by Charles Runyon to T. L. Caruthers by deed dated September 22, 1964, and recorded in Volume 514 Page 133 of the Deed Records of Denton County, Texas, and Tract No. 2 being conveyed by Alfred F. Sellmeyer and wife, Barbara F. Sellmeyer to T. L. Caruthers and Tommy Caruthers by deed dated June 3, 1968, and recorded in Volume 567, Page 549 of the Deed Records of Denton County, Texas, and being more particularly described as follows, to-wit:

BEGINNING at the northwest corner of Tract No. 1 at an existing iron pin;

THENCE south 02° 10' west with the west boundary line of Tract No. 1, 750.30 feet more or less to a point for a corner at the southwest corner of said Tract No. 1, same being the northwest corner of Tract No. 2;

THENCE south 03° 02' west, with the west boundary line of Tract No. 2, 780.10 feet, more or less, (called distance of 782.59 feet) to a point for a corner at the southwest corner of Tract No. 2;

THENCE east with the south boundary line of Tract No. 2 a distance of 1,311.30 feet, more or less, (called distance of 1,311.88 feet) to a point for a corner at the southeast corner of Tract No. 2;

THENCE north 03° 18' east, with the east boundary line of Tract No. 2, 10.02 feet, more or less, to a point for a corner, 16.00 feet north of and perpendicular to the south boundary line of Tract No. 2, extended;

THENCE west, 16.00 feet north of and parallel with the south boundary line of Tract No. 2, 1,301.88 feet, more or less, to a point for a corner 16.00 feet east of and perpendicular to the west boundary line of Tract No. 2;

THENCE north 03° 02' east 16.00 feet east of and parallel with the west boundary line of Tract No. 2, 770.25 feet, more or less, to a point for a corner in the north boundary line of Tract No. 2 same being the south boundary line of Tract No. 1;

THENCE north 02° 10' east, 16.00 feet east of and parallel with the west boundary line of Tract No. 1, 750.34 feet, more or less, to a point for a corner in the north boundary line of Tract No. 1;

THENCE south 88° 57' west, with the north boundary line of Tract No. 1, 16.00 feet, more or less, to the place of beginning and containing 0.650 acres of land, more or less.

And it is further agreed that the said City of Denton, Texas, in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property. For the purpose of constructing, installing and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along upon and across said premises for the purpose of making additions to, improvements on and repairs to the said public utilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton as aforesaid for the purposes aforesaid the premises above described.

WITNESS our hands, this the 26 day of February,  
A. D. 1968.

## SINGLE ACKNOWLEDGMENT

THE STATE OF TEXAS,  
COUNTY OF DENTON

BEFORE ME, the undersigned authority,

in and for said County, Texas, on this day personally appeared  
T. L. CARUTHERSknown to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purposes and consideration therein expressed.GIVEN UNDER MY HAND AND SEAL OF OFFICE, This 3rd day of January, A.D. 19 73

(L.S.)

Alfred Vick (Alfred Vick)  
Notary Public, Denton County, Texas  
My Commission Expires June 1, 1973

## EXHIBIT A

This Agreement by and between T. L. Caruthers and the City of Denton, Texas is to be included in and made a part of the Easement Agreement to which this Exhibit is attached.

The City of Denton hereby agrees to saw with a concrete saw all driveway and paving which is necessary to be removed so that said opening will produce a smooth joint. The City of Denton further agrees to repair and replace to its original condition all parking lot, driveway and other paving or concrete which is in any way damaged or removed in connection with said Easement.

The City of Denton agrees that only one driveway shall be blocked at any one time, both during the construction of the waterline which is to be placed in said Easement and during any replacement or repairs that shall be necessary in the future. In this connection, the City of Denton shall repair to its original condition any driveway which is or has been blocked before proceeding to cut or block any other driveway on said property.

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

THENCE North 67 degrees 42 minutes West, a distance of 263.8 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970.9 feet to a point for corner;

THENCE North 50 degrees 28 minutes West, a distance of 775.1 feet to a point in the West property line of said Smith to Foxworth-Galbraith 154.7 acre tract;

THENCE North 2 degrees 05 minutes East with the West property line of said 154.7 acre tract of land a distance of 12.8 feet to a point for corner;

THENCE South 50 degrees 28 minutes East, a distance of 784.7 feet to a point for corner;

THENCE South 32 degrees 28 minutes East, a distance of 969.1 feet to a point for corner;

THENCE South 67 degrees 42 minutes East, a distance of 258.8 feet to a point for corner;

THENCE North, 89 degrees 03 minutes East, a distance of 285.6 feet to a point for corner;

THENCE South 65 degrees 15 minutes East, a distance of 296.0 feet to a point in the East property line of said 154.7 acre tract of land;

THENCE South 2 degrees 05 minutes West, with the East property line of said 154.7 acre tract, a distance of 11.0 feet to the place of beginning; and containing 0.60 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter the said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the said City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences.

that might be disturbed or damaged in performing said work;  
and further upon the condition that Grantor, its successors and assigns shall have the right to make connections with the

aforesaid sanitary sewer line for the purpose of providing sewage collection service to their property, all upon such terms and conditions and upon the payment of such charges for such connections and service as may from time to time be provided by the ordinances of the said City of Denton, Texas;

PROVIDED, HOWEVER, that for the purpose of initially constructing the sanitary sewer line and appurtenances above described, and during such initial construction, the City of Denton, Texas, shall have the right to use and occupy a strip of land sixty (60) feet in width and being thirty (30) feet on either side of the center line of said strip of land, as said center line is more particularly described as follows:

BEGINNING at a point in the East property line of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 East, and 115.0 feet North, 2 degrees 05 minutes East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North 2 degrees 05 minutes East, 115.0 feet from the Southeast corner of said 154.7 acre tract of land;

THENCE North 65 degrees 15 minutes West, a distance of 297.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West a distance of 285.5 feet to a point for corner;

THENCE North 67 degrees 42 minutes West a distance of 261.3 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970 feet to a point for corner;

THENCE North 50 degrees 28 minutes West a distance of 780 feet to a point in the West property line of said 154.7 acre tract; said easement having a total length of 2,593.8 feet, more or less.

VOL 501 PAGE 276

All upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

That Josten's, Inc., a Minnesota Corporation owning real property in Denton County, Texas, in consideration of the sum of One (\$1.00) Dollar and other good and valuable consideration in hand paid by the City of Denton, Texas, receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by it and being situated in Denton County, Texas, and being more particularly described as follows, to-wit:

All that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the M.E.P. & P.R.R. Company Survey, Abstract No. 950, and being part of two tracts of land, hereafter referred to as Tract One and Tract Two, said Tract One being conveyed by Foxworth-Galbraith Lumber Company to Josten's Incorporated by deed dated August 28, 1968, and recorded in Volume 571, Page 39 of the Deed Records of Denton County, Texas, and said tract Two being conveyed from T. L. Caruthers to Josten's Incorporated by deed dated September 3, 1968 and recorded in Volume 571, Page 42 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the most northerly corner of said Tract One, said point of beginning lying in the southwest right of way line of Interstate Highway No. 35 E;

THENCE south 50° 26' east, along the northeast boundary line of said Tract One, same being the southwest right of way line of Interstate Highway 35E, passing at 400.0 feet the southeast corner of said Tract One, same being the most northerly corner of said Tract Two, and continuing south 50° 26' east, a total distance of 678.0 feet to the beginning of a curve to the right;

THENCE southeasterly along a 5.14° curve to the right, same being the southwest right of way line of Interstate Highway 35E a distance of 187.9 feet to a point;

THENCE south 35° 55' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 104.6 feet to a point;

THENCE south 49° 54' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 11.25 feet to a point for a corner, same being the most easterly corner of said tract and also being the intersection of the southwest right of way line of Interstate Highway 35E and the west right of way line of Regal Drive;

THENCE south  $19^{\circ} 34'$  west along the east boundary line of said Tract Two, same being the west right of way line of Regal Drive, a distance of 10.68 feet to a point for a corner;

THENCE north  $49^{\circ} 54'$  west 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 13.77 feet to a point;

THENCE north  $35^{\circ} 55'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 103.737 feet to the beginning of a curve to the left;

THENCE northwesterly along a  $5.14^{\circ}$  curve to the left, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 187.00 feet to a point;

THENCE north  $50^{\circ} 26'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, passing at 288.66 feet the north boundary line of said Tract Two, same being the south boundary line of said Tract One, and continuing north  $50^{\circ} 26'$  west, a total distance of 677.88 feet to a point for a corner in the northwest boundary line of said Tract One;

THENCE north  $38^{\circ} 52'$  east along the northwest boundary line of said Tract One, a distance of 10.00 feet to the place of beginning and containing 9,844.03 square feet of land, more or less.

And it is agreed that the said City of Denton, Texas, in consideration of the benefits above set out, will remove from the property above described, such fences, and other obstructions as may now be found upon said property for the purpose of constructing, installing, repairing and perpetually maintaining a water line in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said water line, or any part thereof. It is further agreed that the City of Denton shall perform all construction in a workmanlike manner, will close all open ditches each and every night work is in progress, will repair any and all damages promptly, and in no event more than 30 days after the completion of work, and specifically but not limited to, the City of Denton will repair of any and all fencing, repair or replace trees, shrubbery or landscaping if any such be damaged, and restore the surface of the ground, including sod, to as good a condition as when the land was entered onto.

And it is agreed that the City of Denton shall indemnify and hold harmless Josten's, Inc. for any loss or damage occasioned by the use of the rights hereinabove granted, whether such loss or damage be suffered by Josten's, Inc. or a third party.

TO HAVE AND TO HOLD unto the said City of Denton, Texas, as aforesaid for the purpose aforesaid the premises above described.

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding,

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

KNOW ALL MEN BY THESE PRESENTS:

9845

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its President, J. L. Foxworth, for and in consideration of the sum of TEN DOLLARS (\$10.00) cash and other good and valuable consideration to it in hand paid by the City of Denton, Texas, a municipal corporation, of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing, and perpetually maintaining a sanitary sewer line and appurtenances in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

VOL 501 PAGE 274

BEGINNING at a point in the East property line of of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 feet East, and 109.5 feet North, 2 degrees, 05 minutes, East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North, 2 degrees, 05 minutes, East from the Southeast corner of said 154.7 acre tract;

THENCE North 65 degrees 15 minutes West, a distance of 298.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West, a distance of 285.4 feet to a point for corner;

THENCE North 67 degrees 42 minutes West, a distance of 263.8 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970.9 feet to a point for corner;

THENCE North 50 degrees 28 minutes West, a distance of 775.1 feet to a point in the West property line of said Smith to Foxworth-Galbraith 154.7 acre tract;

THENCE North 2 degrees 05 minutes East with the West property line of said 154.7 acre tract of land a distance of 12.8 feet to a point for corner;

THENCE South 50 degrees 28 minutes East, a distance of 784.7 feet to a point for corner;

THENCE South 32 degrees 28 minutes East, a distance of 969.1 feet to a point for corner;

THENCE South 67 degrees 42 minutes East, a distance of 258.8 feet to a point for corner;

THENCE North, 89 degrees 03 minutes East, a distance of 285.6 feet to a point for corner;

THENCE South 65 degrees 15 minutes East, a distance of 296.0 feet to a point in the East property line of said 154.7 acre tract of land;

THENCE South 2 degrees 05 minutes West, with the East property line of said 154.7 acre tract, a distance of 11.0 feet to the place of beginning; and containing 0.60 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter the said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the said City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences.

that might be disturbed or damaged in performing said work;  
and further upon the condition that Grantor, its successors and assigns shall have the right to make connections with the

aforesaid sanitary sewer line for the purpose of providing sewage collection service to their property, all upon such terms and conditions and upon the payment of such charges for such connections and service as may from time to time be provided by the ordinances of the said City of Denton, Texas;

PROVIDED, HOWEVER, that for the purpose of initially constructing the sanitary sewer line and appurtenances above described, and during such initial construction, the City of Denton, Texas, shall have the right to use and occupy a strip of land sixty (60) feet in width and being thirty (30) feet on either side of the center line of said strip of land, as said center line is more particularly described as follows:

BEGINNING at a point in the East property line of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 East, and 115.0 feet North, 2 degrees 05 minutes East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North 2 degrees 05 minutes East, 115.0 feet from the Southeast corner of said 154.7 acre tract of land;

THENCE North 65 degrees 15 minutes West, a distance of 297.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West a distance of 285.5 feet to a point for corner;

THENCE North 67 degrees 42 minutes West a distance of 261.3 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970 feet to a point for corner;

THENCE North 50 degrees 28 minutes West a distance of 780 feet to a point in the West property line of said 154.7 acre tract; said easement having a total length of 2,593.8 feet, more or less.

VOL 501 PAGE 276

All upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

## EXHIBIT A

This Agreement by and between T. L. Caruthers and the City of Denton, Texas is to be included in and made a part of the Easement Agreement to which this Exhibit is attached.

The City of Denton hereby agrees to saw with a concrete saw all driveway and paving which is necessary to be removed so that said opening will produce a smooth joint. The City of Denton further agrees to repair and replace to its original condition all parking lot, driveway and other paving or concrete which is in any way damaged or removed in connection with said Easement.

The City of Denton agrees that only one driveway shall be blocked at any one time, both during the construction of the waterline which is to be placed in said Easement and during any replacement or repairs that shall be necessary in the future. In this connection, the City of Denton shall repair to its original condition any driveway which is or has been blocked before proceeding to cut or block any other driveway on said property.

That Josten's, Inc., a Minnesota Corporation owning real property in Denton County, Texas, in consideration of the sum of One (\$1.00) Dollar and other good and valuable consideration in hand paid by the City of Denton, Texas, receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by it and being situated in Denton County, Texas, and being more particularly described as follows, to-wit:

All that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the M.E.P. & P.R.R. Company Survey, Abstract No. 950, and being part of two tracts of land, hereafter referred to as Tract One and Tract Two, said Tract One being conveyed by Foxworth-Galbraith Lumber Company to Josten's Incorporated by deed dated August 28, 1968, and recorded in Volume 571, Page 39 of the Deed Records of Denton County, Texas, and said tract Two being conveyed from T. L. Caruthers to Josten's Incorporated by deed dated September 3, 1968 and recorded in Volume 571, Page 42 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the most northerly corner of said Tract One, said point of beginning lying in the southwest right of way line of Interstate Highway No. 35 E;

THENCE south 50° 26' east, along the northeast boundary line of said Tract One, same being the southwest right of way line of Interstate Highway 35E, passing at 400.0 feet the southeast corner of said Tract One, same being the most northerly corner of said Tract Two, and continuing south 50° 26' east, a total distance of 678.0 feet to the beginning of a curve to the right;

THENCE southeasterly along a 5.14° curve to the right, same being the southwest right of way line of Interstate Highway 35E a distance of 187.9 feet to a point;

THENCE south 35° 55' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 104.6 feet to a point;

THENCE south 49° 54' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 11.25 feet to a point for a corner, same being the most easterly corner of said tract and also being the intersection of the southwest right of way line of Interstate Highway 35E and the west right of way line of Regal Drive;

THENCE south  $19^{\circ} 34'$  west along the east boundary line of said Tract Two, same being the west right of way line of Regal Drive, a distance of 10.68 feet to a point for a corner;

THENCE north  $49^{\circ} 54'$  west 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 13.77 feet to a point;

THENCE north  $35^{\circ} 55'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 103.737 feet to the beginning of a curve to the left;

THENCE northwesterly along a  $5.14^{\circ}$  curve to the left, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 187.00 feet to a point;

THENCE north  $50^{\circ} 26'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, passing at 288.66 feet the north boundary line of said Tract Two, same being the south boundary line of said Tract One, and continuing north  $50^{\circ} 26'$  west, a total distance of 677.88 feet to a point for a corner in the northwest boundary line of said Tract One;

THENCE north  $38^{\circ} 52'$  east along the northwest boundary line of said Tract One, a distance of 10.00 feet to the place of beginning and containing 9,844.03 square feet of land, more or less.

And it is agreed that the said City of Denton, Texas, in consideration of the benefits above set out, will remove from the property above described, such fences, and other obstructions as may now be found upon said property for the purpose of constructing, installing, repairing and perpetually maintaining a water line in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said water line, or any part thereof. It is further agreed that the City of Denton shall perform all construction in a workmanlike manner, will close all open ditches each and every night work is in progress, will repair any and all damages promptly, and in no event more than 30 days after the completion of work, and specifically but not limited to, the City of Denton will repair of any and all fencing, repair or replace trees, shrubbery or landscaping if any such be damaged, and restore the surface of the ground, including sod, to as good a condition as when the land was entered onto.

And it is agreed that the City of Denton shall indemnify and hold harmless Josten's, Inc. for any loss or damage occasioned by the use of the rights hereinabove granted, whether such loss or damage be suffered by Josten's, Inc. or a third party.

TO HAVE AND TO HOLD unto the said City of Denton, Texas, as aforesaid for the purpose aforesaid the premises above described.

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding,

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

THENCE North 32 degrees 28 minutes West a distance of 970.9 feet to a point for corner;

THENCE North 50 degrees 28 minutes West, a distance of 775.1 feet to a point in the West property line of said Smith to Foxworth-Galbraith 154.7 acre tract;

THENCE North 2 degrees 05 minutes East with the West property line of said 154.7 acre tract of land a distance of 12.8 feet to a point for corner;

THENCE South 50 degrees 28 minutes East, a distance of 784.7 feet to a point for corner;

THENCE South 32 degrees 28 minutes East, a distance of 969.1 feet to a point for corner;

THENCE South 67 degrees 42 minutes East, a distance of 258.8 feet to a point for corner;

THENCE North, 89 degrees 03 minutes East, a distance of 285.6 feet to a point for corner;

THENCE South 65 degrees 15 minutes East, a distance of 296.0 feet to a point in the East property line of said 154.7 acre tract of land;

THENCE South 2 degrees 05 minutes West, with the East property line of said 154.7 acre tract, a distance of 11.0 feet to the place of beginning; and containing 0.60 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter the said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the said City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences.

that might be disturbed or damaged in performing said work;  
and further upon the condition that Grantor, its successors and assigns shall have the right to make connections with the

aforesaid sanitary sewer line for the purpose of providing sewage collection service to their property, all upon such terms and conditions and upon the payment of such charges for such connections and service as may from time to time be provided by the ordinances of the said City of Denton, Texas;

PROVIDED, HOWEVER, that for the purpose of initially constructing the sanitary sewer line and appurtenances above described, and during such initial construction, the City of Denton, Texas, shall have the right to use and occupy a strip of land sixty (60) feet in width and being thirty (30) feet on either side of the center line of said strip of land, as said center line is more particularly described as follows:

BEGINNING at a point in the East property line of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 East, and 115.0 feet North, 2 degrees 05 minutes East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North 2 degrees 05 minutes East, 115.0 feet from the Southeast corner of said 154.7 acre tract of land;

THENCE North 65 degrees 15 minutes West, a distance of 297.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West a distance of 285.5 feet to a point for corner;

THENCE North 67 degrees 42 minutes West a distance of 261.3 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970 feet to a point for corner;

THENCE North 50 degrees 28 minutes West a distance of 780 feet to a point in the West property line of said 154.7 acre tract; said easement having a total length of 2,593.8 feet, more or less.

VOL 501 PAGE 276

All upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

That Josten's, Inc., a Minnesota Corporation owning real property in Denton County, Texas, in consideration of the sum of One (\$1.00) Dollar and other good and valuable consideration in hand paid by the City of Denton, Texas, receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by it and being situated in Denton County, Texas, and being more particularly described as follows, to-wit:

All that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the M.E.P. & P.R.R. Company Survey, Abstract No. 950, and being part of two tracts of land, hereafter referred to as Tract One and Tract Two, said Tract One being conveyed by Foxworth-Galbraith Lumber Company to Josten's Incorporated by deed dated August 28, 1968, and recorded in Volume 571, Page 39 of the Deed Records of Denton County, Texas, and said tract Two being conveyed from T. L. Caruthers to Josten's Incorporated by deed dated September 3, 1968 and recorded in Volume 571, Page 42 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the most northerly corner of said Tract One, said point of beginning lying in the southwest right of way line of Interstate Highway No. 35 E;

THENCE south 50° 26' east, along the northeast boundary line of said Tract One, same being the southwest right of way line of Interstate Highway 35E, passing at 400.0 feet the southeast corner of said Tract One, same being the most northerly corner of said Tract Two, and continuing south 50° 26' east, a total distance of 678.0 feet to the beginning of a curve to the right;

THENCE southeasterly along a 5.14° curve to the right, same being the southwest right of way line of Interstate Highway 35E a distance of 187.9 feet to a point;

THENCE south 35° 55' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 104.6 feet to a point;

THENCE south 49° 54' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 11.25 feet to a point for a corner, same being the most easterly corner of said tract and also being the intersection of the southwest right of way line of Interstate Highway 35E and the west right of way line of Regal Drive;

THENCE south  $19^{\circ} 34'$  west along the east boundary line of said Tract Two, same being the west right of way line of Regal Drive, a distance of 10.68 feet to a point for a corner;

THENCE north  $49^{\circ} 54'$  west 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 13.77 feet to a point;

THENCE north  $35^{\circ} 55'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 103.737 feet to the beginning of a curve to the left;

THENCE northwesterly along a  $5.14^{\circ}$  curve to the left, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 187.00 feet to a point;

THENCE north  $50^{\circ} 26'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, passing at 288.66 feet the north boundary line of said Tract Two, same being the south boundary line of said Tract One, and continuing north  $50^{\circ} 26'$  west, a total distance of 677.88 feet to a point for a corner in the northwest boundary line of said Tract One;

THENCE north  $38^{\circ} 52'$  east along the northwest boundary line of said Tract One, a distance of 10.00 feet to the place of beginning and containing 9,844.03 square feet of land, more or less.

And it is agreed that the said City of Denton, Texas, in consideration of the benefits above set out, will remove from the property above described, such fences, and other obstructions as may now be found upon said property for the purpose of constructing, installing, repairing and perpetually maintaining a water line in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said water line, or any part thereof. It is further agreed that the City of Denton shall perform all construction in a workmanlike manner, will close all open ditches each and every night work is in progress, will repair any and all damages promptly, and in no event more than 30 days after the completion of work, and specifically but not limited to, the City of Denton will repair of any and all fencing, repair or replace trees, shrubbery or landscaping if any such be damaged, and restore the surface of the ground, including sod, to as good a condition as when the land was entered onto.

And it is agreed that the City of Denton shall indemnify and hold harmless Josten's, Inc. for any loss or damage occasioned by the use of the rights hereinabove granted, whether such loss or damage be suffered by Josten's, Inc. or a third party.

TO HAVE AND TO HOLD unto the said City of Denton, Texas, as aforesaid for the purpose aforesaid the premises above described.

WITNESS our hands this the 2nd day of February, A.D. 1973.

### FIELD NOTES

### DESCRIBING A DRAINAGE EASEMENT FROM LODGE CONSTRUCTION COMPANY, INC.

BEING a 0.0867 acre tract of land situated in the M.E.P. & P.R.R. County Survey, Abstract No. 950, City of Denton, Denton County, Texas and being part of a tract of land described in deed to Lodge Construction Co., Inc., as recorded in Volume 1429, Page 0156, of the Property Records of Denton County, Texas (P.R.D.C.T.) and being more particularly described as follows:

COMMENCING at a 5/8-inch iron rod with cap stamped "Carter Burgess" found at the intersection of the north right-of-way of Windriver Lane (an 80 foot right-of-way) as described in County Clerk's File Number 99-R0065227, P.R.D.C.T., and the west right-of-way of Interstate Highway 35 (a variable width right-of-way);

THENCE South 40 degrees 02 minutes 38 seconds West, departing said west right-of-way line of Interstate Highway 35 and along the said north right-of-way line of Windriver Lane, a distance of 435.95 feet to a 5/8-inch found iron rod with cap stamped "Carter Burgess" for the point of curvature of a circular curve to the right having a radius of 460.00 feet and whose chord bears South 59 degrees 09 minutes 10 seconds West, a distance of 301.18 feet;

THENCE Southwesterly, continuing along said north right-of-way line and along said curve to the right through a central angle of 38 degrees 13 minutes 05 seconds, an arc distance of 306.83 feet to a 1/2-inch set iron rod with a yellow plastic cap stamped "HALFF ASSOC. INC." (hereinafter referred to as "with cap") for corner, said point being southeast corner of the proposed Lot 1, Block A, Cinemark Addition at Unicorn Lake;

THENCE North 11 degrees 44 minutes 05 seconds West, along the proposed east line of Lot 1, Block A, a distance of 521.68 feet to a 1/2-inch set iron rod with cap;

THENCE North 89 degrees 52 minutes 55 seconds West, along the proposed east line of Lot 1, Block A, a distance of 33.22 feet to the POINT OF BEGINNING;

THENCE North 89 degrees 52 minutes 55 seconds West, continuing along said north line, a distance of 100.70 feet to a point or corner;

THENCE North, departing said north line a distance of 37.50 feet to a point for corner;

THENCE South 89 degrees 52 minutes 55 seconds East, a distance of 100.70 feet to a point for corner;

THENCE South, a distance of 37.50 feet to the POINT OF BEGINNING AND  
CONTAINING 3,776 square feet or 0.0867 acres of land more or less.

The basis of bearing for this tract is the deed to the City of Denton for the right-of-way  
dedication of Windriver Lane, as recorded in the Denton County Clerk's File Number 99-  
R0065227 P.R.D.C.T.

PUBLIC DRAINAGE EASEMENT

THE STATE OF TEXAS,           §  
                                  §       KNOW ALL MEN BY THESE PRESENTS:  
COUNTY OF DENTON           §

THAT LODGE CONSTRUCTION CO., INC. (Grantor) in consideration of the sum of ONE DOLLAR and NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee), receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by Grantor and situated in Denton County, Texas, in the M.E.P. & P.R.R. Co. Survey, Abstract No. 950.

SEE ATTACHED EXHIBITS "A" & "B"

And it is further agreed that the City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining drainage in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to said drainage facilities or any part thereof.

This easement is hereby adopted by the Grantor and approved by the City of Denton (called "City") subject to the following conditions that

shall be binding upon the Grantor, their heirs, grantees and successors:  
The Public Drainage easement tract described and illustrated in Exhibits  
"A" and "B", attached herewith, shall remain open at all times and shall  
be maintained in a safe and sanitary condition by the Grantor. The City  
shall not be responsible for the maintenance and operation of said  
easement or for any damage to private property or person that results  
from conditions in the Easement or for the control of erosion. No  
obstruction to the natural flow of storm water run-off shall be  
permitted by construction of any type of building, fence or any other  
structure within the Public Drainage easement, as herein above defined,  
unless approved by the City. The Grantor shall keep the Public Drainage  
easement clear and free of debris, silt, and any substance that would  
result in unsanitary conditions or obstruct the flow of water. And, the  
City shall have the right of ingress and egress for the purpose of  
inspection and supervision of maintenance by the Grantor to alleviate  
any undesirable conditions that may occur. Furthermore, the City shall  
have the right, but not the obligation, to enter upon the above-  
described Public Drainage easement tract to remove any obstruction to  
the flow of water, after giving the Grantor written notice of such  
obstruction and Grantor fails to remove such obstruction. Should the  
City of Denton be compelled to remove any obstruction to the flow of  
water, after giving the Grantor written notice of such obstruction and  
Grantor fails to remove such obstruction, then the City of Denton shall  
be reimbursed by the Grantor the reasonable costs for labor, materials  
and equipment for each instance. The natural drainage through the  
Public Drainage easement is subject to storm water overflow and natural  
bank erosion to an extent that cannot be definitely defined. The City  
shall not be held liable for any damages of any nature resulting from  
the occurrence of these natural phenomena or resulting from the failure

**EXHIBIT A**

**FIELD NOTES**

**DESCRIBING A DRAINAGE EASEMENT FROM LODGE CONSTRUCTION COMPANY, INC.**

BEING a 0.7304 acre tract of land situated in the M.E.P. & P.R.R. County Survey, Abstract No. 950, City of Denton, Denton County, Texas and being part of a tract of land described in deed to Lodge Construction Company Inc., as recorded in Volume 1429, Page 156, of the Property Records of Denton County, Texas (P.R.D.C.T.) and being more particularly described as follows:

COMMENCING at a 5/8-inch iron rod with cap stamped "Carter Burgess" found at the intersection of the north right-of-way of Windriver Lane (an 80 foot right-of-way) as described in County Clerk's File Number 99-R0065227, P.R.D.C.T., and the west right-of-way of Interstate Highway 35 (a variable width right-of-way);

THENCE South 40 degrees 02 minutes 38 seconds West, departing said west right-of-way line of Interstate Highway 35 and along the said north right-of-way line of Windriver Lane, a distance of 435.95 feet to a 5/8-inch found iron rod with cap stamped "Carter Burgess" for the point of curvature of a circular curve to the right having a radius of 460.00 feet and whose chord bears South 59 degrees 09 minutes 10 seconds West, a distance of 301.18 feet;

THENCE Southwesterly, continuing along said north right-of-way line and along said curve to the right through a central angle of 38 degrees 13 minutes 05 seconds, an arc distance of 306.83 feet to a 1/2-inch set iron rod with a yellow plastic cap stamped "HALFF ASSOC. INC." (hereinafter referred to as "with cap") for corner, said point being southwest corner of the proposed Lot 1, Block A, Cinemark Addition at Unicorn Lake;

THENCE North 11 degrees 44 minutes 05 seconds West, along the proposed east line of Lot 1, Block A, a distance of 521.68 feet to a 1/2-inch set iron rod with cap;

THENCE North 89 degrees 52 minutes 55 seconds West, along the proposed east line of Lot 1, Block A, a distance of 17.70 feet to the POINT OF BEGINNING;

THENCE North 89 degrees 52 minutes 55 seconds West, continuing along said north line, a distance of 15.52 feet to a point for corner;

THENCE North, departing said north line a distance of 37.50 feet to a point for corner;

THENCE North 89 degrees 52 minutes 55 seconds West, a distance of 100.70 feet to a point for corner;

#### GENERAL PLAT NOTES

- All interior property corners are marked with a capped 1/2" iron rod with a green cap stamped "Eagle Surveying" unless otherwise noted.
- This property is located in "Non-shaded Zone X" as scaled from the F.E.M.A. Flood Insurance Rate Map dated April 18, 2011 and is located in Community Number 480194 as shown on Map Number 48121C0390G. The location of the Flood Zone is approximate; no vertical datum was collected at the time of the survey. For the exact Flood Zone designation, please contact 1-(877) FEMA MAP.
- The City of Denton has adopted the National Electrical Safety Code the ("CODE"). The code generally prohibits structures within 17.5 feet on either side of the centerline of overhead distribution lines and within 37.5 feet on either side of the centerline of transmission lines. In some instances, the code requires greater clearances. Building permits will not be issued for structures within these clearance areas.
- There are no gas well drilling and production sites located within 1000 feet of this property at the time it was platted.
- The purpose of this plat is to create two lots of record for development purposes.
- Property owners are responsible for the maintenance of Access Easement shown on plat.

APPROVED BY THE CITY OF DENTON PLANNING AND ZONING COMMISSION  
ON THIS 31st DAY OF October, 2017.

#### OWNERS CERTIFICATION

STATE OF TEXAS  
COUNTY OF DENTON

WHEREAS, DENTON COMMONS, LLC, & WINDRIVER LODGING, LTD., is the sole owner of a tract of land with parts situated in the M.E.P. & P.R.R. Company Survey, Abstract Number 950, and the D. Lombard Survey, Abstract No. 784, Denton County, Texas, being all of Lot 1, Block 1 of Denton Commons, an addition to the City of Denton as recorded in Document No. 2009-56, Plat Records of Denton County, Texas and being more particularly described as follows:

BEGINNING at an "X" cut found in concrete for the Northeast corner of said Lot 1 and being the Northwest corner of a tract of land described in a deed to CNMK Properties, Ltd. as recorded in Document No. 2014-817, Real Property Records of Denton County, Texas, said point lies in the southwesterly Right-of-Way line of Interstate I-35E Frontage Road;

Thence South 39°34'22" West with the westerly boundary line of said CNMK tract for a distance of 309.89 feet to a 1/2" capped iron rod stamped "Eagle Surveying" set for corner;

Thence South 89°32'23" West with the North boundary line of said CNMK tract for a distance of 102.87 feet to an "X" cut found in concrete at the Southeast corner of Lot 1, Block A of The Epic Addition, an addition to the City of Denton, as recorded in Document No. 2016-30, Plat Records of Denton County, Texas;

Thence along the East boundary line of said Lot 1 of The Epic Addition the following courses to wit:

Along a non-tangent curve to the left, having a radius of 536.50 feet, having a chord bearing and distance of North 23°24'42" West, 169.70 feet, and for an arc distance of 170.42 feet to a 1/2" capped iron rod set stamped "Eagle Surveying" at the beginning of a curve to the left, having a radius of 536.50 feet;

Thence along said curve to the left having a chord bearing and distance of North 41°42'54" East, 171.61 feet, for an arc distance of 172.35 feet to a 1/2" capped iron rod set stamped "Eagle Surveying";

North 50°55'07" West for a distance of 279.43 feet to a 1/2" capped iron rod set stamped "Eagle Surveying" for the Northeast corner of said Lot 1 of The Epic Addition, said point lies in the Southern boundary line of a tract of land described in a deed to Darush H. Heidary as recorded in Volume 2960, Page 287, Real Property Records of Denton County, Texas;

Thence along the southerly boundary line of said Heidary tract the following courses to wit:

North 88°54'16" East for a distance of 126.08 feet to a 1/2" iron rod found;

South 87°23'30" East for a distance of 117.37 feet to a 1/2" iron rod found at the beginning of curve to the left with a radius of 54.94 feet;

Thence along said curve to the left having a chord bearing and distance of North 42°52'22" East, 84.02 feet, for an arc distance of 95.66 feet to a 1/2" iron rod found;

North 06°53'40" West for a distance of 50.42 feet to a 1/2" capped iron rod found in the southeasterly Right-of-Way line of said Interstate I-35E Frontage Road;

Thence along the southeasterly Right-of-Way of said frontage road the following courses to wit:

South 50°55'06" East for a distance of 293.33 feet to a 1/2" capped iron rod set stamped "Eagle Surveying";

South 50°55'06" East for a distance of 43.06 feet to a 1/2" iron rod found;

South 50°46'48" East for a distance of 184.94 feet to the POINT OF BEGINNING and there terminating, enclosing 3.73 acres of land, more or less.

STATE OF TEXAS :

2114

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT WE, G. A. Godfrey and wife Sue R. Godfrey, of Denton County, Texas, for and in consideration of the sum of One Dollar cash in hand paid and other good and valuable consideration including the right to connect service lines to the hereinafter described water pipe line without payment of the linear frontage foot charge provided by City of Denton Ordinance No. 56-06, have GRANTED AND CONVEYED and by these presents do GRANT AND CONVEY unto the said City of Denton, Texas, its successors and assigns, and the public, for a water pipe line together with a perpetual easement thereon for the benefit of the said City of Denton, Texas, its successors and assigns, and to its agents, officers and employees, perpetually for said water pipe line, the right to construct, reconstruct and perpetually maintain said water pipe line in, upon and across the following described property and to the said City of Denton, we hereby give the free and uninterrupted right of ingress, regress and egress of said water pipe line, said tract being more particularly described as follows:

Being a part of a tract of land out of the M.E.P. and P.R.R. Co. Survey, Abstract No. 950 as conveyed by Harold L. Goodman and wife Tillie L. Goodman and C. P. Smith and wife Gwendolyn Smith to G. A. Godfrey and wife Sue R. Godfrey by deed recorded in Volume 429, Page 501 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the intersection of the east line of the G. A. Godfrey tract and the south right-of-way of U. S. Highway No. 77 at approximate Highway Station 1044 + 55, said beginning point being the northeast corner of a tract of the G. A. Godfrey property bordered on the north by U. S. Highway 77 and on the east by a county road;

THENCE south with the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner;

THENCE west 20 feet. more or less. to a point for a corner:

THENCE north parallel to and 20 feet from the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner in the south right-of-way of Highway 77;

THENCE in an easterly direction with the south right-of-way of U. S. Highway 77 and the north line of the G. A. Godfrey tract a distance of 20 feet, more or less, to the place of beginning.

This easement contains a strip of land 20 feet wide and approximately 193 feet long lying along and adjacent to the west line of a county road.

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and the public, and to its successors and assigns, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and maintaining said water pipe line.

WITNESS OUR HANDS this 26 day of March A.D. 1959.

G. A. Godfrey  
Sue R. Godfrey Sue R. Godfrey

THAT Dariush H. Heidary, M.D., (Grantor) in consideration of the sum of ONE DOLLAR and NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee), receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, subject to the conditions set forth herein, a perpetual easement for the subsurface use, liberty and privilege in, under and across the following described property, hereinafter referred to as the Easement Property, owned by Grantor and situated in Denton County, Texas, in the M.E.P. & P.R.R. Survey, Abstract No. 950.

### **EASEMENT PROPERTY AREA DESCRIBED IN EXHIBIT "A"**

### **AND ILLUSTRATED IN EXHIBIT "B"**

### **BOTH ATTACHED HERETO AND MADE A PART HEREOF**

For the purposes of constructing, reconstructing, installing, repairing, and perpetually maintaining subsurface public utilities in, under and across said Easement Property. The initial installation of any and all subsurface public utility infrastructure shall be placed within steel sleeve encasement(s) with a maximum top of casing pipe(s) elevation of 634 feet Mean Sea Level, which is intended to be at least four (4) feet below the surface of the Easement Property as it exists on the date this instrument is executed. This being a subsurface easement, no permanent rights of surface access are granted; provided however, steel encasement pipe(s) may be constructed by the open-cut method until such time that paving improvements are present upon the Easement Property. Thereafter any

future utility installations, operations or maintenance activities shall be restricted to subsurface use only, at or below the MSL elevation stipulated herein.

Grantor hereby further reserves to itself, its successors and assigns, all rights in and to the Easement Property and the right to use and enjoy the surface and subsurface thereof for any and all purposes whatsoever, so long as such use does not unreasonably interfere with the rights herein granted to Grantee. Grantor specifically reserves the right of passage over the Easement Property including the right to place and maintain pavement improvements over the Easement Property.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness my hand, this 21 day of October, 2010.

By:

Dariush H. Heidary, M.D.

STATE OF TEXAS :

2114

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT WE, G. A. Godfrey and wife Sue R. Godfrey, of Denton County, Texas, for and in consideration of the sum of One Dollar cash in hand paid and other good and valuable consideration including the right to connect service lines to the hereinafter described water pipe line without payment of the linear frontage foot charge provided by City of Denton Ordinance No. 56-06, have GRANTED AND CONVEYED and by these presents do GRANT AND CONVEY unto the said City of Denton, Texas, its successors and assigns, and the public, for a water pipe line together with a perpetual easement thereon for the benefit of the said City of Denton, Texas, its successors and assigns, and to its agents, officers and employees, perpetually for said water pipe line, the right to construct, reconstruct and perpetually maintain said water pipe line in, upon and across the following described property and to the said City of Denton, we hereby give the free and uninterrupted right of ingress, regress and egress of said water pipe line, said tract being more particularly described as follows:

Being a part of a tract of land out of the M.E.P. and P.R.R. Co. Survey, Abstract No. 950 as conveyed by Harold L. Goodman and wife Tillie L. Goodman and C. P. Smith and wife Gwendolyn Smith to G. A. Godfrey and wife Sue R. Godfrey by deed recorded in Volume 429, Page 501 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the intersection of the east line of the G. A. Godfrey tract and the south right-of-way of U. S. Highway No. 77 at approximate Highway Station 1044 + 55, said beginning point being the northeast corner of a tract of the G. A. Godfrey property bordered on the north by U. S. Highway 77 and on the east by a county road;

THENCE south with the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner;

THENCE west 20 feet. more or less. to a point for a corner:

THENCE north parallel to and 20 feet from the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner in the south right-of-way of Highway 77;

THENCE in an easterly direction with the south right-of-way of U. S. Highway 77 and the north line of the G. A. Godfrey tract a distance of 20 feet, more or less, to the place of beginning.

This easement contains a strip of land 20 feet wide and approximately 193 feet long lying along and adjacent to the west line of a county road.

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and the public, and to its successors and assigns, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and maintaining said water pipe line.

WITNESS OUR HANDS this 26 day of March A.D. 1959.

## LEGAL DESCRIPTION

**BEING** a tract of land situated in the Daniel Lombard Survey, Abstract No. 784, City of Denton, Denton County, Texas, and being part of a called 4.4753 acre tract of land described in Special Warranty Deed with Vendor's Lien to Dariush H. Heidary, M.D. recorded in Volume 2960, Page 287 of the Deed Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at an aluminum disk stamped "TXDOT" found in the east line of Lot 1, Block 1 Achievers Gymnastic Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume R, Page 116 of the Plat Records of Denton County, Texas; from said point the northeast corner of said Lot 1, and being a point in the southwest right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) bears North 01°46'30" East, a distance of 45.07 feet;

**THENCE** departing the said east line of Lot 1, Block 1, South 51°14'56" East, a distance of 40.41 feet to a point for corner in the northwest line of Lot 1, Block A, Denton Commons, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2018-6 of the Official Public Records of Denton, Texas;

**THENCE** South 6°49'56" East, along the said northwest line of Lot 1, Block A, a distance of 0.48 feet to a point at the beginning of a non-tangent curve to the right having a central angle of 24°43'00", a radius of 54.94 feet, a chord bearing and distance of South 5°29'27" West, 23.52 feet;

**THENCE** continuing along said northwest line of Lot 1, Block A, in a southwesterly direction, with said curve to the right, an arc distance of 23.70 feet to a point for corner;

**THENCE** North 51°14'56" West, a distance of 38.60 feet to a point for corner in the said east line of Lot 1, Block 1; from said point a 1/2-inch iron rod found for the southeast corner of said Lot 1, Block 1 bears South 1°46'30" West, a distance of 28.26 feet;

**THENCE** North 1°46'47" East, along the said east line of Lot 1, Block 1, a distance of 25.03 feet to the **POINT OF BEGINNING** and containing 811 square feet or 0.0186 acres of land.

THE STATE OF TEXAS, §  
 COUNTY OF DENTON §

KNOW ALL MEN BY THESE PRESENTS:

THAT Steve Nunno and Frank Kudlac, General Partners of S & F Performance, Ltd., (Grantors) of Denton County, Texas, in consideration of the sum of ONE DOLLAR AND NO CENTS (\$1.<sup>00</sup>) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee) receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by Grantors and situated in Denton County, Texas, in the Daniel Lombard Survey, Abstract No. 784.

All that certain lot, tract or parcel of land lying and being situated in the Daniel Lombard Survey, Abstract No. 784 in Denton County, Texas, and being part of Lot 1, Block 1, Achievers Gymnastic Addition, an addition to the City and County of Denton, Texas, according to the plat thereof recorded in Cabinet R, Page 116 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

COMMENCING from the northwest corner of said Achievers Gymnastic Addition, same being the northeast corner of Lot 1, Block A, Action Carpet Addition, an addition to the city and county of Denton, Texas, according to the plat thereof recorded in Cabinet N, Page 355 of the Plat Records of Denton County, Texas, said point being on the southwesterly right-of-way of Interstate Highway 35-E (service road);

THENCE South 38° 56' 00" West with the southeast line of said Action Carpet Addition and the northwest line of said Achievers Gymnastic Addition, a distance of 208.49 feet to the POINT OF BEGINNING of the herein described tract;

THENCE South 51° 04' 00" East, a distance of 28.00 feet to a point for corner;

THENCE North 38° 56' 00" East, a distance of 35.49 feet to a point for corner;

THENCE South 51° 04' 42" East, a distance of 5.00 feet to a point for corner;

THENCE South 38° 56' 00" West, a distance of 40.49 feet to a point for corner;

THENCE North 51° 04' 00" West, a distance of 33.00 feet to a point for corner on the southeast line of said Action Carpet Addition and the northwest line of said Achievers Gymnastic Addition;

THENCE North 38° 56' 00" East, with the southeast line of said Action Carpet Addition and the northwest line of said Achievers Gymnastic Addition, a distance of 5.00 feet to the POINT OF BEGINNING and containing in all 342.45 square feet of land or 0.01 acres of land.

And it is further agreed that the City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining electric utilities in, along, upon and across said premises, with the right and privilege at all times of the grantees herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to said electric facilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness our hands, this the 15 day of December, 1999.

**RECIPROCAL EASEMENT AGREEMENT**

THIS RECIPROCAL EASEMENT AGREEMENT ("Agreement") is promulgated this 17<sup>th</sup> day of May, 2002 by QUADRANT SOUTHERN HILLS PARTNERS, LTD., a Texas limited partnership ("Grantor"), whose address is c/o Quadrant Properties, L.L.C., 8000 Maryland Avenue, Suite 640, St. Louis, Missouri 63105.

**WITNESSETH:**

WHEREAS, Grantor is the owner of a certain parcel of land (the "Property") located in Denton County, Texas, which parcel of land is more particularly described on that certain Final Plat Southern Hills Plaza (the "Plat") dated April 5, 2002, filed April 24, 2002, and recorded in Plat Cabinet U, Page 357, in the Office of the County Clerk, Denton County, Texas, a copy of which Plat is attached hereto as Exhibit A;

WHEREAS, Grantor has caused the Property to be subdivided of record into six (6) lots (each, a "Lot" and collectively the "Lots") as shown on the Plat.

WHEREAS, Grantor desires that the Lots be developed in conjunction with each other pursuant to a general plan of improvement to form a commercial development (sometimes hereinafter referred to as the "Development") in accordance with the Site Plan attached hereto as Exhibit B-1 (the "Site Plan"), and Grantor desires that the Development be subject to the easements and covenants hereinafter set forth.

NOW, THEREFORE, Grantor does hereby declare and grant the following rights, covenants and servitudes on the Property:

**1. Building/Common Areas.**

A. "Building Area" as used herein shall mean that portion of a Lot within the building set back lines on a Lot as shown on Exhibit B-2 attached hereto. Canopies may encroach from the Building Area over the Common Areas provided the canopies do not interfere with the use of the Common Areas.

B. "Common Areas" shall be all of the Property except the Building Area.

C. Conversion to Common Areas: Those portions of the Building Area on each Lot which are not from time to time used, or cannot under the terms of this Agreement be used, for buildings, shall become part of the Common Area for the uses permitted hereunder and shall be improved, kept and maintained as provided herein.

2. Use. Buildings in the Development shall be used only for retail and other commercial purposes including, without limitation, medical offices, lodging facilities, video rental and sales, financial institutions, restaurants, offices, and retail stores. Only

Lot 6 may be used for purposes of automobile service, convenience stores, service stations and the sale of motor vehicle fuels. Subject to the foregoing and Section 3 and Section 4 below, no portion of the Development shall be used for anything other than the purposes which may be permitted by applicable zoning regulations, nor shall anything be done in the Development which is a nuisance or an annoyance to the owners or occupants of the Development.

3. Prohibited Uses. During the term of this Agreement no portion of the Development may ever be used for any of the following uses whatsoever: (i) an adult-type bookstore or other establishment selling, leasing or exhibiting pornographic materials or paraphernalia for use with illicit drugs; (ii) a massage parlor, topless bar, or a club or establishment which provides striptease entertainment; (iii) a mortuary; (iv) a mobile home or trailer court, labor camp, junkyard or stockyard; (v) a land fill, garbage dump or for the dumping, disposing, incineration or reduction of garbage; (vi) an off-track betting parlor (or any other type of gambling establishment), carnival or amusement park; (vii) a manufacturing, distillation, smelting, refining, industrial, agricultural, drilling, mining or quarrying operation; or (viii) an x-rated movie theatre or video shop.

4. Restrictions on Use and Special Uses.

A. Italian Restaurant Restriction. For so long as a restaurant which features Italian food is operated on Lot 3, but in no event longer than fifty (50) years from the date of recordation of this Agreement, no Lot in the Development (except Lot 3 and except Lot 2 if Lot 2 is under contract to be purchased by or is owned by Texas Roadhouse (as defined below)) shall be used as a restaurant which features Italian food. For the purposes of this section: (a) "features" means that Italian food items comprise more than twenty five percent (25%) of the menu offerings. If Lot 3 ceases to be used as an Italian restaurant for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure then this restriction shall lapse and shall terminate. The foregoing restriction: (a) is not intended to exclude a pizza restaurant, which is defined as a restaurant where at least seventy five percent (75%) of its gross food sales is derived from sales of pizza, including, but not limited to, restaurants of the type of a Chuck E. Cheese restaurant, and (b) shall not be applied to exclude restaurants of the type of a "Boston Pizza and Sports Bar" from the Development, however, such restriction will be applied to exclude restaurants of the type of Pizzeria Uno.

B. Parking Requirement. Any restaurant operating on Lot 4 or Lot 5 (and on Lot 2 if such restaurant is not owned by Texas Roadhouse) shall be required to provide one parking space for each 67 square feet of building area on such Lot.

C. Lot 3 Building Area Restriction. So long as the Development is being used primarily for retail purposes, the floor area of any building on Lot 3 shall not exceed 8,000 square feet, exclusive of mechanical rooms.

D. Lot 3 Frontage Restriction. So long as Lot 2 is being used as a restaurant, the principal entrance to any building on Lot 3 shall not face either Lot

5097 02797

2 or Brinker Road. If Lot 2 ceases to be used for restaurant purposes for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure, then the provisions of this section shall lapse and terminate.

**E. Mexican Restaurant Restriction.** For so long as (i) Brinker Texas, L.P., a Texas limited partnership, or an affiliate thereof, is reasonably pursuing the development of an On the Border restaurant (or other Mexican-style restaurant) on Lot 1, and/or (ii) Brinker (as hereinafter defined) is operating an On the Border restaurant (or other Mexican-style) restaurant on Lot 1 (excluding any periods of inoperation due to remodeling, renovation, or reconstruction as a result of an assignment, sublease, casualty, condemnation or otherwise), then Grantor shall not lease or sell any part of any Lot in the Development other than Lot 1 to any tenant or purchaser for the operation of a restaurant (nor shall Grantor otherwise permit the operation of a restaurant on any Lot in the Development other than Lot 1) offering alcoholic beverages and a menu featuring Mexican cuisine, "Tex-Mex" cuisine, and/or southwestern cuisine as the primary entrees. For the purposes of this section an "affiliate" shall mean any legal entity which is either (i) the successor by merger or otherwise, to all or substantially all of Brinker Texas, L.P.'s assets and liabilities, (ii) controls or is controlled by, or is under common control with Brinker Texas, L.P., or (iii) any franchisee of Brinker Texas, L.P. (Brinker Texas, L.P. and such affiliates being herein collectively called "Brinker"). Without limiting the foregoing, Grantor shall not lease or sell any part of the Property in the Development to any tenant or purchaser for the operation of the following restaurants (nor shall Grantor otherwise permit the operation of a restaurant in the Development operating under the following trade names): Blue Mesa, Canyon Café, Chi Chi's, Don Pablo's, Rio Bravo, Uncle Julio's, Rio Grande Café, Mia's, Chevy's, El Chico, El Fenix, Chuy's, Cantina Laredo, Abuelo's, Pappasito's, Mi Cocina, and Chipotle Mexican Grill. The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 2 under the trade name "Texas Roadhouse" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

**F. Steakhouse Restriction.** For so long as a full service steakhouse or similar restaurant concept which features steaks, ribs and related menu items is operated on Lot 2 by Texas Roadhouse, or an affiliate thereof, no portion of the Development other than Lot 2 shall be used as a full service steakhouse or similar restaurant concept featuring steaks, ribs and related menu items or for the advertisement of such a restaurant. For the purposes of this section "features" shall mean that steaks, ribs and related menu items served in a full service steakhouse comprise more than twenty five percent (25%) of the menu items. If Lot 2 ceases to be used as a full service steakhouse restaurant which features steaks, ribs and related menu items for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure,

5097 02798

or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate. For the purposes of this section "affiliate" shall mean any entity which is owned or controlled by, under common control with or owns or controls Texas Roadhouse Holdings LLC or any entity in to which Texas Roadhouse Holdings LLC shall merge or shall transfer substantially all of its assets, or any franchisee of Texas Roadhouse Development Corporation (Texas Roadhouse Holdings LLC and such affiliates being herein collectively called "Texas Roadhouse"). The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 1 under the trade name "On the Border" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

G. Lot 6 Parking Requirement. For so long as a restaurant is being operated on Lot 2, any restaurant operating on Lot 6 shall be required to provide fifteen (15) parking spaces for each 1,000 square feet of any building constructed on Lot 6. If Lot 2 ceases to be used as a restaurant for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure, or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate.

H. Gravel Parking Area. So long as Lot 2 is under contract to be sold to or is owned by Texas Roadhouse and is being operated as a restaurant, Texas Roadhouse and its customers shall have a non-exclusive right to use that portion of Lot 6 depicted as "Gravel Parking Area" (the "Gravel Parking Area") on the Site Plan for the parking of passenger motor vehicles and Grantor hereby grants to Texas Roadhouse a license for such use. Texas Roadhouse may, at its sole cost and expense, place gravel on the Gravel Parking Area. The owner of Lot 6 or Grantor may terminate the license granted by this section by thirty (30) days advance written notice to Texas Roadhouse. Prior to the effective date of the termination of such license Texas Roadhouse shall restore the Gravel Parking Area to the condition as existed on the date on which Texas Roadhouse commenced use of the Gravel Parking Area, unless otherwise directed by Grantor or the owner of Lot 6. Texas Roadhouse shall indemnify and hold the owner of Lot 6 harmless from any losses, damages, liabilities or claims for property damage or personal injury caused by Texas Roadhouse, its customers, employees, agents or contractors in connection with their use of the Gravel Parking Area.

I. Medical Use Restriction. No part of the Development or any of the improvements now or hereafter located thereon may be used or operated: (a) as an acute care or medical surgical hospital or for the provision of services usually provided in such a hospital or to provide any services that are furnished at any hospital or other medical facility located in Denton County, Texas owned or operated by Epic Development, Inc. ("Epic") or any "Affiliate" of Epic; or (b) as a facility wherein any medical care or service of any kind is provided to human beings. In no event may a laboratory, x-ray or other form of diagnostic imaging service, or surgery or birthing services or facilities be provided on or in the

5097 02799

development on any basis. "Affiliate," for the purposes of this section shall mean any person which directly or indirectly controls or is controlled by or is under control with Epic. For the purposes of this definition, "control" (including the correlative meanings of the terms "controlled by" and "under common control with"), as used herein, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person, through ownership of voting securities, partnership interests or other equity interests. The provisions of this section shall remain in effect and be enforceable until such time as all of the hospitals and other medical facilities owned or operated by Epic or any Affiliate of Epic described above in this section, or all successor health care facilities which replace such hospitals, are permanently closed; provided, however, the provisions of this section shall in any event terminate, lapse and be of no further effect on the date which is 99 years following March 4, 1999.

5. Buildings.

A. Design and Construction. The buildings within the Development shall be designed so that the same are comparable to the buildings located on outparcels within other first class community shopping centers in the metropolitan Dallas, Texas area. Notwithstanding the foregoing, subject to the approval of applicable governmental authorities, prototypical designs for national chain businesses shall be acceptable designs for buildings within the Development.

B. Location. No building shall be constructed on a Lot except within the Building Area.

C. Fire Protection. Any building constructed in the Development shall be constructed and operated in such a manner that standard form of fire insurance policy rates concerning other buildings in the Development are preserved.

D. Parking. Without limiting the specificity of the other provisions hereof relating to required parking, in developing and using a Lot, the owner of the Lot shall continuously provide and maintain parking spaces on such Lot at a minimum equal to the number of parking spaces required by applicable law or code.

E. Damage. In the event any building, structure or other improvement on a Lot shall be damaged or destroyed by any casualty, the owner, lessee or user of the Lot shall within ninety (90) days of such damage or destruction: (i) commence to repair and/or reconstruct such building, structure or improvement (and thereafter promptly complete such work) to a condition at least as good as existed prior to the casualty, subject to the terms of this Agreement (such commencement of repair or reconstruction work shall be deemed to include the preparation of construction plans and the pursuit of permits for such work with diligence and continuity to completion); or (ii) level such improvement, remove the debris from the Lot and keep the Lot neat, orderly, planted in grass and trimmed, until subsequently improved and constructed upon.

5097 02800

6. Grant of Easements.

A. Access and Parking Easements. Grantor hereby establishes, for the benefit of the Lots, and the respective owners and lessees thereof, a reciprocal perpetual non-exclusive easement over, through and around the Common Areas of the Lots for roadways, walkways, ingress and egress and parking for the use of customers, invitees, licensees and employees of all businesses and owners, tenants and occupants of the buildings constructed within the Building Area on the Lots. The grant of the easement for reciprocal parking shall not release the owner of any Lot from such owner's obligation to maintain on such owner's Lot at minimum the number of parking spaces required by applicable laws or codes.

B. Limitations on Use of Access and Parking Easements.

(i) Employees. The owners of the Lots shall use reasonable efforts to ensure that their employees do not park their vehicles on the Common Areas of Lots of the other owners.

(ii) No Dedication to Public. Nothing contained in this Agreement shall constitute or be construed as a gift or dedication of any portion of the Property, specifically including the Common Areas, for roadways, walkways, ingress, egress, parking, or utilities constructed thereon, to the public or give any member of the public any rights whatsoever, it being the express intention of Grantor that this Agreement shall be for the exclusive benefit of the Lots, the owners thereof and their respective heirs, representatives, lessees, successors and assigns as set forth herein. Notwithstanding the foregoing, approximately forty (40) feet of frontage of the Property along Interstate Highway No. 35 shall be dedicated to the appropriate governmental authority without compensation for right-of-way purposes.

(iii) Prevention of Prescriptive Rights. The owner of each Lot hereby reserves the right to eject from the Common Areas on its Lot any person not authorized to use the same. In addition, the owner of each Lot reserves the right to close off the Common Areas on its Lot for such reasonable periods of time as may be legally necessary in the reasonable opinion of its attorneys to prevent the acquisition of prescriptive rights by anyone. Before closing off any part of the Common Areas as provided above, such owner must give notice to the other owners of its intention to do so and must coordinate its closing with the activities of the other owners of the Development so that no unreasonable interference with the operation of the Development occurs. Reasonable efforts shall be used to ensure that no such closing shall occur during weekends, holidays or normal business hours. No prescriptive easement rights or claims shall ever accrue in favor of any Lot owner or user against any other Lot owner as the result of any use or action taken by any Lot owner or user with respect to another owner's Lot.

5097 02801

C. Utility and Service Easements. Grantor hereby establishes non-exclusive easements over the Common Areas on each Lot in favor of each other Lot to permit the maintenance and use of all apparatus necessary to provide utility services to a Lot, including telephone, cable, electricity, water, natural gas and storm and sanitary sewers, provided that same are constructed underground. Any disruption or demolition of a servient Lot by reason of the use of this easement shall be kept to a minimum which shall not exceed one (1) day in duration except during the period when the Development is initially constructed, unless such disruption or demolition cannot be reasonably completed within such one (1) day period, in which event the period will be extended to such time period as reasonably is required and such area forthwith shall be restored as quickly as possible by the dominant Lot owner to its original condition at no expense to the servient Lot owner. Nothing herein shall permit a Lot owner to: (i) disrupt the utility service of any business which is operating in the Development; or (ii) eliminate access to any business operating on a servient Lot. Prior to the commencement of any action by an owner of a dominant Lot on a servient Lot pursuant to the easement rights granted by this Section 6.C., the owner of such dominant Lot shall give the owner of such servient Lot at least five (5) days prior written notice of such action, except in the event of an emergency in which case the owner of the dominant Lot shall give notice as is reasonable under the circumstances. Such notice shall set forth the general scope of the work to be performed.

D. Construction Easements. Grantor hereby grants, declares and establishes for the benefit of the Lots, and the respective owners and lessees thereof, temporary easements in the Common Areas of the Lots, and prior to the construction of any improvements thereon, in the Building Area on a Lot, for the initial grading of the Development, including construction of retaining wall(s), and for the construction of the Development's internal roads. With respect to any Lot on which fresh dirt is dumped, the area shall be sloped to meet any contiguous property within the Development or public roads, and shall be smoothed in a level manner consistent with the contours of the adjoining property. Each owner covenants and agrees, respectively, that its exercise of such easements shall not result in damage or injury to the buildings or other improvements of any other owner, and shall not unreasonably interfere with or interrupt the construction of improvements or the business operations conducted by any other owner in the Development. In addition, each owner, at its sole cost and expense, shall promptly repair, replace or restore any and all improvements of another owner which have been damaged or destroyed in the exercise by such owner of the easements granted under this section and shall defend, indemnify and hold the other owners harmless from and against all liens, losses, liabilities, costs or expenses (including reasonable attorneys' fees) incurred in connection with or as a result of an owner's exercise of said easements, except to the extent occasioned by the negligence or willful misconduct of another owner.

E. Water Flow. Any alteration in the natural water flow which may occur as a natural consequence of normal construction activities and the existence of an

5097 02802

owner's improvements substantially as shown on the Site Plan (including without limitation building, curbs, drives and paving) shall be permitted as long as such water flow conforms to the drainage easements shown on the Plat. Notwithstanding the foregoing, Lot owners shall comply with all applicable laws or regulations concerning storm water, and soil and erosion control.

F. Lot 4 Sign Easement. Grantor hereby grants and conveys for the benefit of Lot 4, Lot 5 and Lot 6, and the respective owners and lessees thereof, a perpetual nonexclusive appurtenant easement on, in, through and over that portion of Lot 4 shown on Exhibit B-2 as the "Mutual Sign Easement", for the purpose of the installation, construction, reconstruction, use, operation, maintenance, repair and replacement of a free standing, lighted pylon sign structure ("Sign Structure") and sign panels located thereon at the option of such Lot owners identifying the owner, lessee and/or occupants of such Lots. The Sign Structure and the panels located thereon shall comply with all applicable laws, ordinances and regulations of governmental authorities and any other requirements set forth hereinbelow. No more than one (1) Sign Structure shall exist in the Mutual Sign Easement at any one time and such Sign Structure may include no more than one (1) two (2)-sided sign panel for each of Lots 4, 5 and 6. The owners of each of Lots 4, 5 and 6 shall be responsible for the maintenance and upkeep of the Sign Structure during the time that the Sign Structure includes a sign panel for such owners' Lot, and such Lot owners shall, during such time when they are responsible for the Sign Structure's maintenance, share pro-rata in the actual and reasonable costs and expenses of permitting, construction, maintenance, repair, replacement, operation and reconstruction of the Sign Structure based on the relative square footage of each Lot owner's sign panel located thereon; provided, however, that such pro rata share shall not include any costs or expenses strictly related to each Lot's particular sign panel, which costs and expenses shall be the responsibility of such panel's owner.

7. Development, Maintenance and Taxes.

A. Development. The arrangement of the Common Areas shall not be changed in any manner which negatively affects the access and parking easements provided for in this Agreement. The Common Areas shall not be changed to alter or reconfigure the access points of the Development, including the access points of each Lot as shown on the Site Plan, without the prior written consent of the owners of all of the Lots, which consent shall not be unreasonably withheld, delayed or conditioned.

B. Maintenance.

(i) Standards. Each owner shall maintain its Lot in good condition and repair, at its own expense, following completion of the improvements on its Lot. The maintenance is to include, without limitation, the following:

5097 02803

(a) Maintaining the surfaces of the Common Areas on its Lot in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(b) Removing all papers, ice and snow, mud and sand, debris, filth and refuse and thoroughly sweeping the Common Areas on its Lot to the extent reasonably necessary to keep such areas in a clean and orderly condition;

(c) Placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines on the Common Areas of its Lot;

(d) Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as shall be reasonably required on the Common Areas of its Lot;

(e) Maintaining all perimeter and exterior building walls including but not limited to all retaining walls in a good condition and state of repair; and

(f) Maintaining, mowing, weeding, trimming and watering all landscaped areas and making such replacements of shrubs and other landscaping as is necessary.

(ii) Lots. Each owner of a Lot covenants that it, in addition to other requirements of this section, will keep all glass in the doors and windows on its Lot clean; will maintain its Lot at its own expense in a clean, orderly and sanitary condition and free of insects, rodents, vermin and other pests; and will not permit accumulation of garbage, trash, rubbish and other refuse on its Lot, will remove same at its own expense, and will keep such refuse in proper containers or compactors in places designated therefor until called for to be removed.

C. Taxes. Each of the owners shall pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against its Lot (including, without limitation, that part of the Common Areas owned by it).

#### 8. Indemnification/Insurance.

A. Indemnification. Each owner of a Lot hereby indemnifies and saves the other owners harmless from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from personal injury, death, or property damage and occurring on or from its own Lot, except if caused by the act or negligence of another owner.

5097 02804

**B. Insurance.**

(i) The owner of each Lot shall procure and maintain in full force and effect throughout the term of this Agreement commercial general liability insurance and property damage insurance (including contractual liability coverage) against claims for personal injury, death, or property damage occurring upon, in or about its Lot with combined single limit coverage of not less than Two Million Dollars (\$2,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) in the aggregate. The owner of each Lot shall provide the other owners with certificates of such insurance from time to time upon written request to evidence that such insurance is in force. Such insurance may be written by additional premises endorsement on any master policy of insurance which may cover other property in addition to the property covered by this Agreement, and the coverage amounts may be obtained through combination of primary and umbrella policies.

(ii) A policy shall include provisions denying the insurer subrogation rights against the other owners to the extent such rights were waived by the insured prior to the occurrence of loss.

(iii) Each owner of a Lot, for itself and its property insurer, hereby releases the other owners, and their tenants, employees and agents from and against any and all claims, demands, liabilities or obligations whatsoever for damage to each other's property or loss of rents or profits of the owner resulting from or in any way connected with any fire or other casualty whether or not such fire or other casualty shall have been caused by the negligence or the contributory negligence of the party being released or by any agent, associate or employee of the party being released, this release being to the extent that such damage or loss is covered by the property insurance which the releasing party is obligated hereunder to carry, or, if the releasing party is not carrying that insurance, then to the extent such damage or loss would be covered if the releasing party were carrying that insurance.

(iv) Notwithstanding anything to the contrary contained in this Section 8.B., so long as the net worth of an owner of a Lot shall exceed Twenty Million Dollars (\$20,000,000.00), such owner shall have the right to satisfy its obligations under this Section 8.B. by self-insuring and retaining the financial risk for any claim.

**9. Eminent Domain.**

A. Owner's Right to Award. Nothing herein shall be construed to give any owner any interest in any award or payment made to any other owner in connection with any exercise of eminent domain or transfer in lieu thereof affecting said other owner's Lot, or giving the public or any government any rights in a Lot. In the event of any exercise of eminent domain or transfer in lieu

5097 02805

thereof of any part of the Common Areas located on a Lot, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the owner thereof, and no claim thereon shall be made by the owners of any other portion of the Common Areas.

B. Collateral Claims. All other owners of the Common Areas may file collateral claims with the condemning authority for their losses which are separate and apart from the value of the land area and improvements taken from another owner.

C. Tenant's Claim. Nothing in this section shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between tenant and owner for all or a portion of any such award or payment.

D. Restoration of Common Areas. The owner of any portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas within its respective tract as nearly as practicable to the condition of the same immediately prior to such condemnation or transfer, to the extent that the proceeds of such award are sufficient to pay the cost of such restoration and repair and without contribution from any other owner.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a Lot of any owner, such lien shall expressly be subordinate and inferior to the lien of any first lienholder now or hereafter placed on such Lot. Except as set forth in the preceding sentence, however, any holder of a first lien on a Lot, and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement. By executing and acknowledging this Agreement, the lender that holds a deed of trust encumbering the Property on the date of this Agreement (the "Lender") hereby consents to this Agreement and to the provisions hereof, and subordinates its interest in the Property to this Agreement.

11. Release from Liability. Any person acquiring fee or leasehold title to a Lot or any portion thereof, shall be bound by this Agreement only as to the Lot acquired by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of such Lot, except as to the obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this section, the easements, covenants and restrictions in this Agreement shall continue to be benefits to and servitudes upon the Lots running with the land.

## 12. Breach.

A. Parties with Remedies. In the event of a breach or threatened breach of this Agreement, any owner of a Lot shall, subject to Section 12.B. hereinbelow, be entitled to institute proceedings for full and adequate relief from the consequences of said breach or threatened breach, by injunction and/or all such other available legal and equitable remedies. The unsuccessful party in any action shall pay to the prevailing party a reasonable sum for attorney's fees.

5097 02806

**B. Remedies.** If any owner of a Lot shall fail to perform any covenant or condition contained in this Agreement, the aggrieved party shall give the defaulting owner at least thirty (30) days written notice of such alleged default. If such default shall not have been cured within said period of thirty (30) days after the service of notice of default (or if such default be not reasonably susceptible of being cured within said period of thirty (30) days, and said defaulting owner shall not have in good faith commenced curing such default within said thirty (30) day period and shall not thereafter prosecute curing such default with diligence and continuity to completion) the aggrieved party may institute legal proceedings for full and adequate relief from the consequences of said default or threatened default.

**C. Self Help; Right of Entry.** The defaulting owner hereby grants to the aggrieved party a non-exclusive right of entry and non-exclusive easements across and under any and all parts of the defaulting owner's Lot (excluding the right to enter in or upon any buildings on such Lot) for all purposes reasonably necessary to enable the aggrieved party (acting directly or through agents, contractors or subcontractors) to perform any of the terms, provisions, covenants or conditions of this Agreement which the defaulting owner shall have failed to perform, after notice and time to cure, as aforesaid, but only such notice and time to cure as shall be reasonable or practicable under the circumstances need be given in the event of any emergency. Any amounts so expended may be withheld from amounts otherwise payable to the defaulting owner or collection may be sought otherwise and in any event the defaulting owner shall pay such amount with interest at the rate of three percent (3%) per annum over the then existing prime rate of interest announced from time to time by Citibank, N.A. or its successors (but in no event exceeding the maximum rate per annum permitted by law).

**13. Rights of Successors.** The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall bind and inure to the benefit of the owners of the buildings constructed on the Lots, their respective heirs, representatives, lessees, successors and assigns, and occupants of the Lots. The singular number includes the plural and the masculine gender includes the feminine and neuter.

**14. Non-Merger.** This Agreement shall not be subject to the doctrine of merger.

**15. Duration.** Unless otherwise canceled or terminated, all of the easements granted in this Agreement shall continue in perpetuity and all other rights and obligations hereof shall automatically terminate and be of no further force and effect after ninety-nine (99) years from the date hereof.

**16. Headings.** The headings herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this document nor in any way affect the terms and provisions hereof.

5097 02807

17. Notices. Any notices required or permitted to be given under this Agreement shall be delivered: (i) personally, (ii) by overnight mail or overnight air courier service; or (iii) by United States Mail as Certified Mail, Return Receipt Requested, postage prepaid, and addressed to the owner of a Lot at the last known business address of such owner. Any such notice, request or other communication shall be considered given or delivered, as the case may be, when received or refused. An owner of a Lot may designate a notice address by sending written notice to the last known business address of the other Lot owners.

18. Estoppel Certificates. Each owner shall upon not less than thirty (30) days from receipt of written notice from any other owner execute and deliver to such other owner a certificate stating that: (a) either this Agreement is unmodified and in full force and effect or is modified (and stating the modification); and (b) whether or not to the best of its knowledge the other owner is in default in any respect under this Agreement and if in default, specifying such default.

19. Severability. In the event any provision or portion of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, such holding will not effect the remainder hereof, and the remaining provisions shall continue in full force and effect at the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof.

20. Responsibility. Notwithstanding anything to the contrary contained in this Agreement, each owner of a Lot shall be liable for the obligations, covenants, agreements, and responsibilities created by this Agreement and for any judgment rendered hereon only to the extent of its respective interest in its Lot and the improvements located thereon.

21. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all such counterparts shall constitute one and the same instrument.

22. Modification. This Agreement may be amended, modified or changed only by the written consent of all of the owners of the Lots, with any such amendment, modification or change being recorded in the land records of Denton County, Texas.

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the J. Worrall Survey, Abstract No. 1433, City of Denton, Denton County, Texas, and being part of Lot 1, Block 1, Southern Hills Plaza Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume U, Page 556 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at a point in the northwest line of said Lot 1; from said point the west corner of said Lot 1, and being a point in the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) bears South 38°30'05" West, a distance of 55.45 feet;

**THENCE** North 38°30'05" East, a distance of 20.07 feet to a point for corner; from said point an "X" cut in concrete found bears North 83°21'00" West, a distance of 39.17 feet;

**THENCE** departing the said northeast line of Lot 1, South 47°01'49" East, a distance of 233.17 feet to a point for corner;

**THENCE** North 84°27'43" East, a distance of 59.15 feet to a point for corner;

**THENCE** South 51°07'20" East, a distance of 8.03 feet to a point for corner in the southeast line of said Lot 1;

**THENCE** South 38°29'49" West, along the said southeast line of Lot 1, a distance of 20.01 feet to a point for corner;

**THENCE** departing the said southeast line of Lot 1, South 84°27'43" West, a distance of 60.00 feet to a point for corner;

**THENCE** North 47°01'49" West, a distance of 240.62 feet to the **POINT OF BEGINNING** and containing 6,011 square feet or 0.1380 acres of land.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

EASEMENT

032575

THE STATE OF TEXAS,  
COUNTY OF DENTON

§  
§  
§

KNOW ALL MEN BY THESE PRESENTS:

THAT EPIC DEVELOPMENT, INC.

of Denton County, Texas, in consideration of the sum of one dollar (\$1.00) and no cents and other good and valuable consideration in hand paid by the City of Denton, Texas receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by them situated in Denton County, Texas in the J. White Survey, Abstract No. 1433

LEGAL DESCRIPTION  
UTILITY EASEMENT No. 4

BEING 10,220 square feet of land located in the J. WHITE SURVEY, Abstract No. 1433, Denton County, Texas, being a portion of a tract of land described in deed to Epic Development, Inc., recorded in Volume 3245, Page 699 of the Real Property Records of Denton County, Texas and being more particularly described by metes and bounds as follows:

BEGINNING at the intersection of the North right-of-way line of Interstate Highway No. 35-E (a variable width right-of-way) and the West right-of-way line of Southern Hills Boulevard (an 80 foot wide right-of-way) as shown by the plat recorded in Cabinet F, Page 125 of the Plat Records of Denton County, Texas, being in the South boundary line of said Epic tract;

THENCE N 51°00'00"W along the North right-of-way line of said Interstate Highway No. 35-E (a variable width right-of-way) and the South boundary line of said Epic tract, 16.00 feet to a point;

THENCE N 38°54'10"E, 453.19 feet to a point at the Beginning of a Curve to the Right;

THENCE NORTHEASTERLY, 186.32 feet along said Curve to the Right, having a radius of 2056.00 feet, a central angle of 05°11'32" and a chord bearing N 41°29'56"E, 186.26 feet to a point at the End of said Curve to the Right and the Beginning of a non-tangent Curve to the Left;

THENCE SOUTHEASTERLY, 16.00 feet along said non-tangent Curve to the Left, having a radius of 1456.00 feet, a central angle of 00°37'47" and a chord bearing S 45°33'53"E, 16.00 feet to a point in the West right-of-way line of said Southern Hills Boulevard (an 80 foot wide right-of-way);

THENCE along the West right-of-way line of said Southern Hills Boulevard (an 80 foot wide right-of-way) as follows:

SOUTHEASTERLY, 184.77 feet along a Curve to the Left, having a radius of 2040.00 feet, a central angle of 05°11'23" and a chord bearing S 41°29'51"W, 184.71 feet to a point at the End of said Curve to the Left;

S 38°54'10"W, 453.22 feet to the PLACE OF BEGINNING, containing 10,220 square feet of land.

SEE EXHIBIT "A"

And it is further agreed that the said City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along upon and across said premises for the purpose of making additions to, improvements on and repairs to the said public facilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness \_\_\_\_\_ hands, this the 15<sup>th</sup> day of March, A.D. 1994.

**RECIPROCAL EASEMENT AGREEMENT**

THIS RECIPROCAL EASEMENT AGREEMENT ("Agreement") is promulgated this 17<sup>th</sup> day of May, 2002 by QUADRANT SOUTHERN HILLS PARTNERS, LTD., a Texas limited partnership ("Grantor"), whose address is c/o Quadrant Properties, L.L.C., 8000 Maryland Avenue, Suite 640, St. Louis, Missouri 63105.

**WITNESSETH:**

WHEREAS, Grantor is the owner of a certain parcel of land (the "Property") located in Denton County, Texas, which parcel of land is more particularly described on that certain Final Plat Southern Hills Plaza (the "Plat") dated April 5, 2002, filed April 24, 2002, and recorded in Plat Cabinet U, Page 357, in the Office of the County Clerk, Denton County, Texas, a copy of which Plat is attached hereto as Exhibit A;

WHEREAS, Grantor has caused the Property to be subdivided of record into six (6) lots (each, a "Lot" and collectively the "Lots") as shown on the Plat.

WHEREAS, Grantor desires that the Lots be developed in conjunction with each other pursuant to a general plan of improvement to form a commercial development (sometimes hereinafter referred to as the "Development") in accordance with the Site Plan attached hereto as Exhibit B-1 (the "Site Plan"), and Grantor desires that the Development be subject to the easements and covenants hereinafter set forth.

NOW, THEREFORE, Grantor does hereby declare and grant the following rights, covenants and servitudes on the Property:

**1. Building/Common Areas.**

A. "Building Area" as used herein shall mean that portion of a Lot within the building set back lines on a Lot as shown on Exhibit B-2 attached hereto. Canopies may encroach from the Building Area over the Common Areas provided the canopies do not interfere with the use of the Common Areas.

B. "Common Areas" shall be all of the Property except the Building Area.

C. Conversion to Common Areas: Those portions of the Building Area on each Lot which are not from time to time used, or cannot under the terms of this Agreement be used, for buildings, shall become part of the Common Area for the uses permitted hereunder and shall be improved, kept and maintained as provided herein.

2. Use. Buildings in the Development shall be used only for retail and other commercial purposes including, without limitation, medical offices, lodging facilities, video rental and sales, financial institutions, restaurants, offices, and retail stores. Only

Lot 6 may be used for purposes of automobile service, convenience stores, service stations and the sale of motor vehicle fuels. Subject to the foregoing and Section 3 and Section 4 below, no portion of the Development shall be used for anything other than the purposes which may be permitted by applicable zoning regulations, nor shall anything be done in the Development which is a nuisance or an annoyance to the owners or occupants of the Development.

3. Prohibited Uses. During the term of this Agreement no portion of the Development may ever be used for any of the following uses whatsoever: (i) an adult-type bookstore or other establishment selling, leasing or exhibiting pornographic materials or paraphernalia for use with illicit drugs; (ii) a massage parlor, topless bar, or a club or establishment which provides striptease entertainment; (iii) a mortuary; (iv) a mobile home or trailer court, labor camp, junkyard or stockyard; (v) a land fill, garbage dump or for the dumping, disposing, incineration or reduction of garbage; (vi) an off-track betting parlor (or any other type of gambling establishment), carnival or amusement park; (vii) a manufacturing, distillation, smelting, refining, industrial, agricultural, drilling, mining or quarrying operation; or (viii) an x-rated movie theatre or video shop.

4. Restrictions on Use and Special Uses.

A. Italian Restaurant Restriction. For so long as a restaurant which features Italian food is operated on Lot 3, but in no event longer than fifty (50) years from the date of recordation of this Agreement, no Lot in the Development (except Lot 3 and except Lot 2 if Lot 2 is under contract to be purchased by or is owned by Texas Roadhouse (as defined below)) shall be used as a restaurant which features Italian food. For the purposes of this section: (a) "features" means that Italian food items comprise more than twenty five percent (25%) of the menu offerings. If Lot 3 ceases to be used as an Italian restaurant for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure then this restriction shall lapse and shall terminate. The foregoing restriction: (a) is not intended to exclude a pizza restaurant, which is defined as a restaurant where at least seventy five percent (75%) of its gross food sales is derived from sales of pizza, including, but not limited to, restaurants of the type of a Chuck E. Cheese restaurant, and (b) shall not be applied to exclude restaurants of the type of a "Boston Pizza and Sports Bar" from the Development, however, such restriction will be applied to exclude restaurants of the type of Pizzeria Uno.

B. Parking Requirement. Any restaurant operating on Lot 4 or Lot 5 (and on Lot 2 if such restaurant is not owned by Texas Roadhouse) shall be required to provide one parking space for each 67 square feet of building area on such Lot.

C. Lot 3 Building Area Restriction. So long as the Development is being used primarily for retail purposes, the floor area of any building on Lot 3 shall not exceed 8,000 square feet, exclusive of mechanical rooms.

D. Lot 3 Frontage Restriction. So long as Lot 2 is being used as a restaurant, the principal entrance to any building on Lot 3 shall not face either Lot

5097 02797

2 or Brinker Road. If Lot 2 ceases to be used for restaurant purposes for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure, then the provisions of this section shall lapse and terminate.

**E. Mexican Restaurant Restriction.** For so long as (i) Brinker Texas, L.P., a Texas limited partnership, or an affiliate thereof, is reasonably pursuing the development of an On the Border restaurant (or other Mexican-style restaurant) on Lot 1, and/or (ii) Brinker (as hereinafter defined) is operating an On the Border restaurant (or other Mexican-style) restaurant on Lot 1 (excluding any periods of inoperation due to remodeling, renovation, or reconstruction as a result of an assignment, sublease, casualty, condemnation or otherwise), then Grantor shall not lease or sell any part of any Lot in the Development other than Lot 1 to any tenant or purchaser for the operation of a restaurant (nor shall Grantor otherwise permit the operation of a restaurant on any Lot in the Development other than Lot 1) offering alcoholic beverages and a menu featuring Mexican cuisine, "Tex-Mex" cuisine, and/or southwestern cuisine as the primary entrees. For the purposes of this section an "affiliate" shall mean any legal entity which is either (i) the successor by merger or otherwise, to all or substantially all of Brinker Texas, L.P.'s assets and liabilities, (ii) controls or is controlled by, or is under common control with Brinker Texas, L.P., or (iii) any franchisee of Brinker Texas, L.P. (Brinker Texas, L.P. and such affiliates being herein collectively called "Brinker"). Without limiting the foregoing, Grantor shall not lease or sell any part of the Property in the Development to any tenant or purchaser for the operation of the following restaurants (nor shall Grantor otherwise permit the operation of a restaurant in the Development operating under the following trade names): Blue Mesa, Canyon Café, Chi Chi's, Don Pablo's, Rio Bravo, Uncle Julio's, Rio Grande Café, Mia's, Chevy's, El Chico, El Fenix, Chuy's, Cantina Laredo, Abuelo's, Pappasito's, Mi Cocina, and Chipotle Mexican Grill. The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 2 under the trade name "Texas Roadhouse" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

**F. Steakhouse Restriction.** For so long as a full service steakhouse or similar restaurant concept which features steaks, ribs and related menu items is operated on Lot 2 by Texas Roadhouse, or an affiliate thereof, no portion of the Development other than Lot 2 shall be used as a full service steakhouse or similar restaurant concept featuring steaks, ribs and related menu items or for the advertisement of such a restaurant. For the purposes of this section "features" shall mean that steaks, ribs and related menu items served in a full service steakhouse comprise more than twenty five percent (25%) of the menu items. If Lot 2 ceases to be used as a full service steakhouse restaurant which features steaks, ribs and related menu items for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure,

5097 02798

or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate. For the purposes of this section "affiliate" shall mean any entity which is owned or controlled by, under common control with or owns or controls Texas Roadhouse Holdings LLC or any entity in to which Texas Roadhouse Holdings LLC shall merge or shall transfer substantially all of its assets, or any franchisee of Texas Roadhouse Development Corporation (Texas Roadhouse Holdings LLC and such affiliates being herein collectively called "Texas Roadhouse"). The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 1 under the trade name "On the Border" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

G. Lot 6 Parking Requirement. For so long as a restaurant is being operated on Lot 2, any restaurant operating on Lot 6 shall be required to provide fifteen (15) parking spaces for each 1,000 square feet of any building constructed on Lot 6. If Lot 2 ceases to be used as a restaurant for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure, or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate.

H. Gravel Parking Area. So long as Lot 2 is under contract to be sold to or is owned by Texas Roadhouse and is being operated as a restaurant, Texas Roadhouse and its customers shall have a non-exclusive right to use that portion of Lot 6 depicted as "Gravel Parking Area" (the "Gravel Parking Area") on the Site Plan for the parking of passenger motor vehicles and Grantor hereby grants to Texas Roadhouse a license for such use. Texas Roadhouse may, at its sole cost and expense, place gravel on the Gravel Parking Area. The owner of Lot 6 or Grantor may terminate the license granted by this section by thirty (30) days advance written notice to Texas Roadhouse. Prior to the effective date of the termination of such license Texas Roadhouse shall restore the Gravel Parking Area to the condition as existed on the date on which Texas Roadhouse commenced use of the Gravel Parking Area, unless otherwise directed by Grantor or the owner of Lot 6. Texas Roadhouse shall indemnify and hold the owner of Lot 6 harmless from any losses, damages, liabilities or claims for property damage or personal injury caused by Texas Roadhouse, its customers, employees, agents or contractors in connection with their use of the Gravel Parking Area.

I. Medical Use Restriction. No part of the Development or any of the improvements now or hereafter located thereon may be used or operated: (a) as an acute care or medical surgical hospital or for the provision of services usually provided in such a hospital or to provide any services that are furnished at any hospital or other medical facility located in Denton County, Texas owned or operated by Epic Development, Inc. ("Epic") or any "Affiliate" of Epic; or (b) as a facility wherein any medical care or service of any kind is provided to human beings. In no event may a laboratory, x-ray or other form of diagnostic imaging service, or surgery or birthing services or facilities be provided on or in the

5097 02799

development on any basis. "Affiliate," for the purposes of this section shall mean any person which directly or indirectly controls or is controlled by or is under control with Epic. For the purposes of this definition, "control" (including the correlative meanings of the terms "controlled by" and "under common control with"), as used herein, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person, through ownership of voting securities, partnership interests or other equity interests. The provisions of this section shall remain in effect and be enforceable until such time as all of the hospitals and other medical facilities owned or operated by Epic or any Affiliate of Epic described above in this section, or all successor health care facilities which replace such hospitals, are permanently closed; provided, however, the provisions of this section shall in any event terminate, lapse and be of no further effect on the date which is 99 years following March 4, 1999.

5. Buildings.

A. Design and Construction. The buildings within the Development shall be designed so that the same are comparable to the buildings located on outparcels within other first class community shopping centers in the metropolitan Dallas, Texas area. Notwithstanding the foregoing, subject to the approval of applicable governmental authorities, prototypical designs for national chain businesses shall be acceptable designs for buildings within the Development.

B. Location. No building shall be constructed on a Lot except within the Building Area.

C. Fire Protection. Any building constructed in the Development shall be constructed and operated in such a manner that standard form of fire insurance policy rates concerning other buildings in the Development are preserved.

D. Parking. Without limiting the specificity of the other provisions hereof relating to required parking, in developing and using a Lot, the owner of the Lot shall continuously provide and maintain parking spaces on such Lot at a minimum equal to the number of parking spaces required by applicable law or code.

E. Damage. In the event any building, structure or other improvement on a Lot shall be damaged or destroyed by any casualty, the owner, lessee or user of the Lot shall within ninety (90) days of such damage or destruction: (i) commence to repair and/or reconstruct such building, structure or improvement (and thereafter promptly complete such work) to a condition at least as good as existed prior to the casualty, subject to the terms of this Agreement (such commencement of repair or reconstruction work shall be deemed to include the preparation of construction plans and the pursuit of permits for such work with diligence and continuity to completion); or (ii) level such improvement, remove the debris from the Lot and keep the Lot neat, orderly, planted in grass and trimmed, until subsequently improved and constructed upon.

5097 02800

6. Grant of Easements.

A. Access and Parking Easements. Grantor hereby establishes, for the benefit of the Lots, and the respective owners and lessees thereof, a reciprocal perpetual non-exclusive easement over, through and around the Common Areas of the Lots for roadways, walkways, ingress and egress and parking for the use of customers, invitees, licensees and employees of all businesses and owners, tenants and occupants of the buildings constructed within the Building Area on the Lots. The grant of the easement for reciprocal parking shall not release the owner of any Lot from such owner's obligation to maintain on such owner's Lot at minimum the number of parking spaces required by applicable laws or codes.

B. Limitations on Use of Access and Parking Easements.

(i) Employees. The owners of the Lots shall use reasonable efforts to ensure that their employees do not park their vehicles on the Common Areas of Lots of the other owners.

(ii) No Dedication to Public. Nothing contained in this Agreement shall constitute or be construed as a gift or dedication of any portion of the Property, specifically including the Common Areas, for roadways, walkways, ingress, egress, parking, or utilities constructed thereon, to the public or give any member of the public any rights whatsoever, it being the express intention of Grantor that this Agreement shall be for the exclusive benefit of the Lots, the owners thereof and their respective heirs, representatives, lessees, successors and assigns as set forth herein. Notwithstanding the foregoing, approximately forty (40) feet of frontage of the Property along Interstate Highway No. 35 shall be dedicated to the appropriate governmental authority without compensation for right-of-way purposes.

(iii) Prevention of Prescriptive Rights. The owner of each Lot hereby reserves the right to eject from the Common Areas on its Lot any person not authorized to use the same. In addition, the owner of each Lot reserves the right to close off the Common Areas on its Lot for such reasonable periods of time as may be legally necessary in the reasonable opinion of its attorneys to prevent the acquisition of prescriptive rights by anyone. Before closing off any part of the Common Areas as provided above, such owner must give notice to the other owners of its intention to do so and must coordinate its closing with the activities of the other owners of the Development so that no unreasonable interference with the operation of the Development occurs. Reasonable efforts shall be used to ensure that no such closing shall occur during weekends, holidays or normal business hours. No prescriptive easement rights or claims shall ever accrue in favor of any Lot owner or user against any other Lot owner as the result of any use or action taken by any Lot owner or user with respect to another owner's Lot.

5097 02801

C. Utility and Service Easements. Grantor hereby establishes non-exclusive easements over the Common Areas on each Lot in favor of each other Lot to permit the maintenance and use of all apparatus necessary to provide utility services to a Lot, including telephone, cable, electricity, water, natural gas and storm and sanitary sewers, provided that same are constructed underground. Any disruption or demolition of a servient Lot by reason of the use of this easement shall be kept to a minimum which shall not exceed one (1) day in duration except during the period when the Development is initially constructed, unless such disruption or demolition cannot be reasonably completed within such one (1) day period, in which event the period will be extended to such time period as reasonably is required and such area forthwith shall be restored as quickly as possible by the dominant Lot owner to its original condition at no expense to the servient Lot owner. Nothing herein shall permit a Lot owner to: (i) disrupt the utility service of any business which is operating in the Development; or (ii) eliminate access to any business operating on a servient Lot. Prior to the commencement of any action by an owner of a dominant Lot on a servient Lot pursuant to the easement rights granted by this Section 6.C., the owner of such dominant Lot shall give the owner of such servient Lot at least five (5) days prior written notice of such action, except in the event of an emergency in which case the owner of the dominant Lot shall give notice as is reasonable under the circumstances. Such notice shall set forth the general scope of the work to be performed.

D. Construction Easements. Grantor hereby grants, declares and establishes for the benefit of the Lots, and the respective owners and lessees thereof, temporary easements in the Common Areas of the Lots, and prior to the construction of any improvements thereon, in the Building Area on a Lot, for the initial grading of the Development, including construction of retaining wall(s), and for the construction of the Development's internal roads. With respect to any Lot on which fresh dirt is dumped, the area shall be sloped to meet any contiguous property within the Development or public roads, and shall be smoothed in a level manner consistent with the contours of the adjoining property. Each owner covenants and agrees, respectively, that its exercise of such easements shall not result in damage or injury to the buildings or other improvements of any other owner, and shall not unreasonably interfere with or interrupt the construction of improvements or the business operations conducted by any other owner in the Development. In addition, each owner, at its sole cost and expense, shall promptly repair, replace or restore any and all improvements of another owner which have been damaged or destroyed in the exercise by such owner of the easements granted under this section and shall defend, indemnify and hold the other owners harmless from and against all liens, losses, liabilities, costs or expenses (including reasonable attorneys' fees) incurred in connection with or as a result of an owner's exercise of said easements, except to the extent occasioned by the negligence or willful misconduct of another owner.

E. Water Flow. Any alteration in the natural water flow which may occur as a natural consequence of normal construction activities and the existence of an

5097 02802

owner's improvements substantially as shown on the Site Plan (including without limitation building, curbs, drives and paving) shall be permitted as long as such water flow conforms to the drainage easements shown on the Plat. Notwithstanding the foregoing, Lot owners shall comply with all applicable laws or regulations concerning storm water, and soil and erosion control.

F. Lot 4 Sign Easement. Grantor hereby grants and conveys for the benefit of Lot 4, Lot 5 and Lot 6, and the respective owners and lessees thereof, a perpetual nonexclusive appurtenant easement on, in, through and over that portion of Lot 4 shown on Exhibit B-2 as the "Mutual Sign Easement", for the purpose of the installation, construction, reconstruction, use, operation, maintenance, repair and replacement of a free standing, lighted pylon sign structure ("Sign Structure") and sign panels located thereon at the option of such Lot owners identifying the owner, lessee and/or occupants of such Lots. The Sign Structure and the panels located thereon shall comply with all applicable laws, ordinances and regulations of governmental authorities and any other requirements set forth hereinbelow. No more than one (1) Sign Structure shall exist in the Mutual Sign Easement at any one time and such Sign Structure may include no more than one (1) two (2)-sided sign panel for each of Lots 4, 5 and 6. The owners of each of Lots 4, 5 and 6 shall be responsible for the maintenance and upkeep of the Sign Structure during the time that the Sign Structure includes a sign panel for such owners' Lot, and such Lot owners shall, during such time when they are responsible for the Sign Structure's maintenance, share pro-rata in the actual and reasonable costs and expenses of permitting, construction, maintenance, repair, replacement, operation and reconstruction of the Sign Structure based on the relative square footage of each Lot owner's sign panel located thereon; provided, however, that such pro rata share shall not include any costs or expenses strictly related to each Lot's particular sign panel, which costs and expenses shall be the responsibility of such panel's owner.

7. Development, Maintenance and Taxes.

A. Development. The arrangement of the Common Areas shall not be changed in any manner which negatively affects the access and parking easements provided for in this Agreement. The Common Areas shall not be changed to alter or reconfigure the access points of the Development, including the access points of each Lot as shown on the Site Plan, without the prior written consent of the owners of all of the Lots, which consent shall not be unreasonably withheld, delayed or conditioned.

B. Maintenance.

(i) Standards. Each owner shall maintain its Lot in good condition and repair, at its own expense, following completion of the improvements on its Lot. The maintenance is to include, without limitation, the following:

5097 02803

(a) Maintaining the surfaces of the Common Areas on its Lot in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(b) Removing all papers, ice and snow, mud and sand, debris, filth and refuse and thoroughly sweeping the Common Areas on its Lot to the extent reasonably necessary to keep such areas in a clean and orderly condition;

(c) Placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines on the Common Areas of its Lot;

(d) Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as shall be reasonably required on the Common Areas of its Lot;

(e) Maintaining all perimeter and exterior building walls including but not limited to all retaining walls in a good condition and state of repair; and

(f) Maintaining, mowing, weeding, trimming and watering all landscaped areas and making such replacements of shrubs and other landscaping as is necessary.

(ii) Lots. Each owner of a Lot covenants that it, in addition to other requirements of this section, will keep all glass in the doors and windows on its Lot clean; will maintain its Lot at its own expense in a clean, orderly and sanitary condition and free of insects, rodents, vermin and other pests; and will not permit accumulation of garbage, trash, rubbish and other refuse on its Lot, will remove same at its own expense, and will keep such refuse in proper containers or compactors in places designated therefor until called for to be removed.

C. Taxes. Each of the owners shall pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against its Lot (including, without limitation, that part of the Common Areas owned by it).

#### 8. Indemnification/Insurance.

A. Indemnification. Each owner of a Lot hereby indemnifies and saves the other owners harmless from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from personal injury, death, or property damage and occurring on or from its own Lot, except if caused by the act or negligence of another owner.

5097 02804

**B. Insurance.**

(i) The owner of each Lot shall procure and maintain in full force and effect throughout the term of this Agreement commercial general liability insurance and property damage insurance (including contractual liability coverage) against claims for personal injury, death, or property damage occurring upon, in or about its Lot with combined single limit coverage of not less than Two Million Dollars (\$2,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) in the aggregate. The owner of each Lot shall provide the other owners with certificates of such insurance from time to time upon written request to evidence that such insurance is in force. Such insurance may be written by additional premises endorsement on any master policy of insurance which may cover other property in addition to the property covered by this Agreement, and the coverage amounts may be obtained through combination of primary and umbrella policies.

(ii) A policy shall include provisions denying the insurer subrogation rights against the other owners to the extent such rights were waived by the insured prior to the occurrence of loss.

(iii) Each owner of a Lot, for itself and its property insurer, hereby releases the other owners, and their tenants, employees and agents from and against any and all claims, demands, liabilities or obligations whatsoever for damage to each other's property or loss of rents or profits of the owner resulting from or in any way connected with any fire or other casualty whether or not such fire or other casualty shall have been caused by the negligence or the contributory negligence of the party being released or by any agent, associate or employee of the party being released, this release being to the extent that such damage or loss is covered by the property insurance which the releasing party is obligated hereunder to carry, or, if the releasing party is not carrying that insurance, then to the extent such damage or loss would be covered if the releasing party were carrying that insurance.

(iv) Notwithstanding anything to the contrary contained in this Section 8.B., so long as the net worth of an owner of a Lot shall exceed Twenty Million Dollars (\$20,000,000.00), such owner shall have the right to satisfy its obligations under this Section 8.B. by self-insuring and retaining the financial risk for any claim.

**9. Eminent Domain.**

A. Owner's Right to Award. Nothing herein shall be construed to give any owner any interest in any award or payment made to any other owner in connection with any exercise of eminent domain or transfer in lieu thereof affecting said other owner's Lot, or giving the public or any government any rights in a Lot. In the event of any exercise of eminent domain or transfer in lieu

5097 02805

thereof of any part of the Common Areas located on a Lot, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the owner thereof, and no claim thereon shall be made by the owners of any other portion of the Common Areas.

B. Collateral Claims. All other owners of the Common Areas may file collateral claims with the condemning authority for their losses which are separate and apart from the value of the land area and improvements taken from another owner.

C. Tenant's Claim. Nothing in this section shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between tenant and owner for all or a portion of any such award or payment.

D. Restoration of Common Areas. The owner of any portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas within its respective tract as nearly as practicable to the condition of the same immediately prior to such condemnation or transfer, to the extent that the proceeds of such award are sufficient to pay the cost of such restoration and repair and without contribution from any other owner.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a Lot of any owner, such lien shall expressly be subordinate and inferior to the lien of any first lienholder now or hereafter placed on such Lot. Except as set forth in the preceding sentence, however, any holder of a first lien on a Lot, and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement. By executing and acknowledging this Agreement, the lender that holds a deed of trust encumbering the Property on the date of this Agreement (the "Lender") hereby consents to this Agreement and to the provisions hereof, and subordinates its interest in the Property to this Agreement.

11. Release from Liability. Any person acquiring fee or leasehold title to a Lot or any portion thereof, shall be bound by this Agreement only as to the Lot acquired by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of such Lot, except as to the obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this section, the easements, covenants and restrictions in this Agreement shall continue to be benefits to and servitudes upon the Lots running with the land.

## 12. Breach.

A. Parties with Remedies. In the event of a breach or threatened breach of this Agreement, any owner of a Lot shall, subject to Section 12.B. hereinbelow, be entitled to institute proceedings for full and adequate relief from the consequences of said breach or threatened breach, by injunction and/or all such other available legal and equitable remedies. The unsuccessful party in any action shall pay to the prevailing party a reasonable sum for attorney's fees.

5097 02806

**B. Remedies.** If any owner of a Lot shall fail to perform any covenant or condition contained in this Agreement, the aggrieved party shall give the defaulting owner at least thirty (30) days written notice of such alleged default. If such default shall not have been cured within said period of thirty (30) days after the service of notice of default (or if such default be not reasonably susceptible of being cured within said period of thirty (30) days, and said defaulting owner shall not have in good faith commenced curing such default within said thirty (30) day period and shall not thereafter prosecute curing such default with diligence and continuity to completion) the aggrieved party may institute legal proceedings for full and adequate relief from the consequences of said default or threatened default.

**C. Self Help; Right of Entry.** The defaulting owner hereby grants to the aggrieved party a non-exclusive right of entry and non-exclusive easements across and under any and all parts of the defaulting owner's Lot (excluding the right to enter in or upon any buildings on such Lot) for all purposes reasonably necessary to enable the aggrieved party (acting directly or through agents, contractors or subcontractors) to perform any of the terms, provisions, covenants or conditions of this Agreement which the defaulting owner shall have failed to perform, after notice and time to cure, as aforesaid, but only such notice and time to cure as shall be reasonable or practicable under the circumstances need be given in the event of any emergency. Any amounts so expended may be withheld from amounts otherwise payable to the defaulting owner or collection may be sought otherwise and in any event the defaulting owner shall pay such amount with interest at the rate of three percent (3%) per annum over the then existing prime rate of interest announced from time to time by Citibank, N.A. or its successors (but in no event exceeding the maximum rate per annum permitted by law).

**13. Rights of Successors.** The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall bind and inure to the benefit of the owners of the buildings constructed on the Lots, their respective heirs, representatives, lessees, successors and assigns, and occupants of the Lots. The singular number includes the plural and the masculine gender includes the feminine and neuter.

**14. Non-Merger.** This Agreement shall not be subject to the doctrine of merger.

**15. Duration.** Unless otherwise canceled or terminated, all of the easements granted in this Agreement shall continue in perpetuity and all other rights and obligations hereof shall automatically terminate and be of no further force and effect after ninety-nine (99) years from the date hereof.

**16. Headings.** The headings herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this document nor in any way affect the terms and provisions hereof.

5097 02807

17. Notices. Any notices required or permitted to be given under this Agreement shall be delivered: (i) personally, (ii) by overnight mail or overnight air courier service; or (iii) by United States Mail as Certified Mail, Return Receipt Requested, postage prepaid, and addressed to the owner of a Lot at the last known business address of such owner. Any such notice, request or other communication shall be considered given or delivered, as the case may be, when received or refused. An owner of a Lot may designate a notice address by sending written notice to the last known business address of the other Lot owners.

18. Estoppel Certificates. Each owner shall upon not less than thirty (30) days from receipt of written notice from any other owner execute and deliver to such other owner a certificate stating that: (a) either this Agreement is unmodified and in full force and effect or is modified (and stating the modification); and (b) whether or not to the best of its knowledge the other owner is in default in any respect under this Agreement and if in default, specifying such default.

19. Severability. In the event any provision or portion of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, such holding will not effect the remainder hereof, and the remaining provisions shall continue in full force and effect at the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof.

20. Responsibility. Notwithstanding anything to the contrary contained in this Agreement, each owner of a Lot shall be liable for the obligations, covenants, agreements, and responsibilities created by this Agreement and for any judgment rendered hereon only to the extent of its respective interest in its Lot and the improvements located thereon.

21. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all such counterparts shall constitute one and the same instrument.

22. Modification. This Agreement may be amended, modified or changed only by the written consent of all of the owners of the Lots, with any such amendment, modification or change being recorded in the land records of Denton County, Texas.

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the J. Worrall Survey, Abstract No. 1433, City of Denton, Denton County, Texas, and being part of Lot 2, Block 1, Southern Hills Plaza Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume U, Page 556 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at an aluminum disk stamped "TXDOT" found in the northwest line of said Lot 2; from said point the west corner of said Lot 2, and being a point in the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) bears South 38°30'05" West, a distance of 56.93 feet;

**THENCE** North 38°30'05" East, along the said northwest line of said Lot 2, a distance of 20.01 feet to a point for corner;

**THENCE** departing the said northwest line of Lot 2, South 51°54'08" East, a distance of 86.64 feet to a point for corner;

**THENCE** South 51°20'46" East, a distance of 58.02 feet to a point for corner;

**THENCE** South 47°01'49" East, a distance of 24.33 feet to a point for corner in the southeast line of said Lot 2;

**THENCE** South 38°30'05" West, along the said southeast line of Lot 2, a distance of 20.07 feet to a point for corner; from said point the south corner of said Lot 2, and being a point in the said northeast right-of-way line of Interstate Highway No. 35 bears South 38°30'05" West, a distance of 55.44 feet;

**THENCE** North 47°01'49" West, along the south line of said Lot 2, a distance of 25.14 feet to a "TXDOT" monument found for corner;

**THENCE** North 51°20'46" West, a distance of 57.17 feet to an aluminum disk stamped "TXDOT" found for corner;

**THENCE** North 51°54'08" West, a distance of 86.68 feet to the **POINT OF BEGINNING** and containing 3,381 square feet or 0.0776 acres of land.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

**RECIPROCAL EASEMENT AGREEMENT**

THIS RECIPROCAL EASEMENT AGREEMENT ("Agreement") is promulgated this 17<sup>th</sup> day of May, 2002 by QUADRANT SOUTHERN HILLS PARTNERS, LTD., a Texas limited partnership ("Grantor"), whose address is c/o Quadrant Properties, L.L.C., 8000 Maryland Avenue, Suite 640, St. Louis, Missouri 63105.

**WITNESSETH:**

WHEREAS, Grantor is the owner of a certain parcel of land (the "Property") located in Denton County, Texas, which parcel of land is more particularly described on that certain Final Plat Southern Hills Plaza (the "Plat") dated April 5, 2002, filed April 24, 2002, and recorded in Plat Cabinet U, Page 357, in the Office of the County Clerk, Denton County, Texas, a copy of which Plat is attached hereto as Exhibit A;

WHEREAS, Grantor has caused the Property to be subdivided of record into six (6) lots (each, a "Lot" and collectively the "Lots") as shown on the Plat.

WHEREAS, Grantor desires that the Lots be developed in conjunction with each other pursuant to a general plan of improvement to form a commercial development (sometimes hereinafter referred to as the "Development") in accordance with the Site Plan attached hereto as Exhibit B-1 (the "Site Plan"), and Grantor desires that the Development be subject to the easements and covenants hereinafter set forth.

NOW, THEREFORE, Grantor does hereby declare and grant the following rights, covenants and servitudes on the Property:

**1. Building/Common Areas.**

A. "Building Area" as used herein shall mean that portion of a Lot within the building set back lines on a Lot as shown on Exhibit B-2 attached hereto. Canopies may encroach from the Building Area over the Common Areas provided the canopies do not interfere with the use of the Common Areas.

B. "Common Areas" shall be all of the Property except the Building Area.

C. Conversion to Common Areas: Those portions of the Building Area on each Lot which are not from time to time used, or cannot under the terms of this Agreement be used, for buildings, shall become part of the Common Area for the uses permitted hereunder and shall be improved, kept and maintained as provided herein.

2. Use. Buildings in the Development shall be used only for retail and other commercial purposes including, without limitation, medical offices, lodging facilities, video rental and sales, financial institutions, restaurants, offices, and retail stores. Only

Lot 6 may be used for purposes of automobile service, convenience stores, service stations and the sale of motor vehicle fuels. Subject to the foregoing and Section 3 and Section 4 below, no portion of the Development shall be used for anything other than the purposes which may be permitted by applicable zoning regulations, nor shall anything be done in the Development which is a nuisance or an annoyance to the owners or occupants of the Development.

3. Prohibited Uses. During the term of this Agreement no portion of the Development may ever be used for any of the following uses whatsoever: (i) an adult-type bookstore or other establishment selling, leasing or exhibiting pornographic materials or paraphernalia for use with illicit drugs; (ii) a massage parlor, topless bar, or a club or establishment which provides striptease entertainment; (iii) a mortuary; (iv) a mobile home or trailer court, labor camp, junkyard or stockyard; (v) a land fill, garbage dump or for the dumping, disposing, incineration or reduction of garbage; (vi) an off-track betting parlor (or any other type of gambling establishment), carnival or amusement park; (vii) a manufacturing, distillation, smelting, refining, industrial, agricultural, drilling, mining or quarrying operation; or (viii) an x-rated movie theatre or video shop.

4. Restrictions on Use and Special Uses.

A. Italian Restaurant Restriction. For so long as a restaurant which features Italian food is operated on Lot 3, but in no event longer than fifty (50) years from the date of recordation of this Agreement, no Lot in the Development (except Lot 3 and except Lot 2 if Lot 2 is under contract to be purchased by or is owned by Texas Roadhouse (as defined below)) shall be used as a restaurant which features Italian food. For the purposes of this section: (a) "features" means that Italian food items comprise more than twenty five percent (25%) of the menu offerings. If Lot 3 ceases to be used as an Italian restaurant for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure then this restriction shall lapse and shall terminate. The foregoing restriction: (a) is not intended to exclude a pizza restaurant, which is defined as a restaurant where at least seventy five percent (75%) of its gross food sales is derived from sales of pizza, including, but not limited to, restaurants of the type of a Chuck E. Cheese restaurant, and (b) shall not be applied to exclude restaurants of the type of a "Boston Pizza and Sports Bar" from the Development, however, such restriction will be applied to exclude restaurants of the type of Pizzeria Uno.

B. Parking Requirement. Any restaurant operating on Lot 4 or Lot 5 (and on Lot 2 if such restaurant is not owned by Texas Roadhouse) shall be required to provide one parking space for each 67 square feet of building area on such Lot.

C. Lot 3 Building Area Restriction. So long as the Development is being used primarily for retail purposes, the floor area of any building on Lot 3 shall not exceed 8,000 square feet, exclusive of mechanical rooms.

D. Lot 3 Frontage Restriction. So long as Lot 2 is being used as a restaurant, the principal entrance to any building on Lot 3 shall not face either Lot

5097 02797

2 or Brinker Road. If Lot 2 ceases to be used for restaurant purposes for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure, then the provisions of this section shall lapse and terminate.

**E. Mexican Restaurant Restriction.** For so long as (i) Brinker Texas, L.P., a Texas limited partnership, or an affiliate thereof, is reasonably pursuing the development of an On the Border restaurant (or other Mexican-style restaurant) on Lot 1, and/or (ii) Brinker (as hereinafter defined) is operating an On the Border restaurant (or other Mexican-style) restaurant on Lot 1 (excluding any periods of inoperation due to remodeling, renovation, or reconstruction as a result of an assignment, sublease, casualty, condemnation or otherwise), then Grantor shall not lease or sell any part of any Lot in the Development other than Lot 1 to any tenant or purchaser for the operation of a restaurant (nor shall Grantor otherwise permit the operation of a restaurant on any Lot in the Development other than Lot 1) offering alcoholic beverages and a menu featuring Mexican cuisine, "Tex-Mex" cuisine, and/or southwestern cuisine as the primary entrees. For the purposes of this section an "affiliate" shall mean any legal entity which is either (i) the successor by merger or otherwise, to all or substantially all of Brinker Texas, L.P.'s assets and liabilities, (ii) controls or is controlled by, or is under common control with Brinker Texas, L.P., or (iii) any franchisee of Brinker Texas, L.P. (Brinker Texas, L.P. and such affiliates being herein collectively called "Brinker"). Without limiting the foregoing, Grantor shall not lease or sell any part of the Property in the Development to any tenant or purchaser for the operation of the following restaurants (nor shall Grantor otherwise permit the operation of a restaurant in the Development operating under the following trade names): Blue Mesa, Canyon Café, Chi Chi's, Don Pablo's, Rio Bravo, Uncle Julio's, Rio Grande Café, Mia's, Chevy's, El Chico, El Fenix, Chuy's, Cantina Laredo, Abuelo's, Pappasito's, Mi Cocina, and Chipotle Mexican Grill. The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 2 under the trade name "Texas Roadhouse" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

**F. Steakhouse Restriction.** For so long as a full service steakhouse or similar restaurant concept which features steaks, ribs and related menu items is operated on Lot 2 by Texas Roadhouse, or an affiliate thereof, no portion of the Development other than Lot 2 shall be used as a full service steakhouse or similar restaurant concept featuring steaks, ribs and related menu items or for the advertisement of such a restaurant. For the purposes of this section "features" shall mean that steaks, ribs and related menu items served in a full service steakhouse comprise more than twenty five percent (25%) of the menu items. If Lot 2 ceases to be used as a full service steakhouse restaurant which features steaks, ribs and related menu items for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure,

5097 02798

or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate. For the purposes of this section "affiliate" shall mean any entity which is owned or controlled by, under common control with or owns or controls Texas Roadhouse Holdings LLC or any entity in to which Texas Roadhouse Holdings LLC shall merge or shall transfer substantially all of its assets, or any franchisee of Texas Roadhouse Development Corporation (Texas Roadhouse Holdings LLC and such affiliates being herein collectively called "Texas Roadhouse"). The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 1 under the trade name "On the Border" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

G. Lot 6 Parking Requirement. For so long as a restaurant is being operated on Lot 2, any restaurant operating on Lot 6 shall be required to provide fifteen (15) parking spaces for each 1,000 square feet of any building constructed on Lot 6. If Lot 2 ceases to be used as a restaurant for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure, or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate.

H. Gravel Parking Area. So long as Lot 2 is under contract to be sold to or is owned by Texas Roadhouse and is being operated as a restaurant, Texas Roadhouse and its customers shall have a non-exclusive right to use that portion of Lot 6 depicted as "Gravel Parking Area" (the "Gravel Parking Area") on the Site Plan for the parking of passenger motor vehicles and Grantor hereby grants to Texas Roadhouse a license for such use. Texas Roadhouse may, at its sole cost and expense, place gravel on the Gravel Parking Area. The owner of Lot 6 or Grantor may terminate the license granted by this section by thirty (30) days advance written notice to Texas Roadhouse. Prior to the effective date of the termination of such license Texas Roadhouse shall restore the Gravel Parking Area to the condition as existed on the date on which Texas Roadhouse commenced use of the Gravel Parking Area, unless otherwise directed by Grantor or the owner of Lot 6. Texas Roadhouse shall indemnify and hold the owner of Lot 6 harmless from any losses, damages, liabilities or claims for property damage or personal injury caused by Texas Roadhouse, its customers, employees, agents or contractors in connection with their use of the Gravel Parking Area.

I. Medical Use Restriction. No part of the Development or any of the improvements now or hereafter located thereon may be used or operated: (a) as an acute care or medical surgical hospital or for the provision of services usually provided in such a hospital or to provide any services that are furnished at any hospital or other medical facility located in Denton County, Texas owned or operated by Epic Development, Inc. ("Epic") or any "Affiliate" of Epic; or (b) as a facility wherein any medical care or service of any kind is provided to human beings. In no event may a laboratory, x-ray or other form of diagnostic imaging service, or surgery or birthing services or facilities be provided on or in the

5097 02799

development on any basis. "Affiliate," for the purposes of this section shall mean any person which directly or indirectly controls or is controlled by or is under control with Epic. For the purposes of this definition, "control" (including the correlative meanings of the terms "controlled by" and "under common control with"), as used herein, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person, through ownership of voting securities, partnership interests or other equity interests. The provisions of this section shall remain in effect and be enforceable until such time as all of the hospitals and other medical facilities owned or operated by Epic or any Affiliate of Epic described above in this section, or all successor health care facilities which replace such hospitals, are permanently closed; provided, however, the provisions of this section shall in any event terminate, lapse and be of no further effect on the date which is 99 years following March 4, 1999.

5. Buildings.

A. Design and Construction. The buildings within the Development shall be designed so that the same are comparable to the buildings located on outparcels within other first class community shopping centers in the metropolitan Dallas, Texas area. Notwithstanding the foregoing, subject to the approval of applicable governmental authorities, prototypical designs for national chain businesses shall be acceptable designs for buildings within the Development.

B. Location. No building shall be constructed on a Lot except within the Building Area.

C. Fire Protection. Any building constructed in the Development shall be constructed and operated in such a manner that standard form of fire insurance policy rates concerning other buildings in the Development are preserved.

D. Parking. Without limiting the specificity of the other provisions hereof relating to required parking, in developing and using a Lot, the owner of the Lot shall continuously provide and maintain parking spaces on such Lot at a minimum equal to the number of parking spaces required by applicable law or code.

E. Damage. In the event any building, structure or other improvement on a Lot shall be damaged or destroyed by any casualty, the owner, lessee or user of the Lot shall within ninety (90) days of such damage or destruction: (i) commence to repair and/or reconstruct such building, structure or improvement (and thereafter promptly complete such work) to a condition at least as good as existed prior to the casualty, subject to the terms of this Agreement (such commencement of repair or reconstruction work shall be deemed to include the preparation of construction plans and the pursuit of permits for such work with diligence and continuity to completion); or (ii) level such improvement, remove the debris from the Lot and keep the Lot neat, orderly, planted in grass and trimmed, until subsequently improved and constructed upon.

5097 02800

6. Grant of Easements.

A. Access and Parking Easements. Grantor hereby establishes, for the benefit of the Lots, and the respective owners and lessees thereof, a reciprocal perpetual non-exclusive easement over, through and around the Common Areas of the Lots for roadways, walkways, ingress and egress and parking for the use of customers, invitees, licensees and employees of all businesses and owners, tenants and occupants of the buildings constructed within the Building Area on the Lots. The grant of the easement for reciprocal parking shall not release the owner of any Lot from such owner's obligation to maintain on such owner's Lot at minimum the number of parking spaces required by applicable laws or codes.

B. Limitations on Use of Access and Parking Easements.

(i) Employees. The owners of the Lots shall use reasonable efforts to ensure that their employees do not park their vehicles on the Common Areas of Lots of the other owners.

(ii) No Dedication to Public. Nothing contained in this Agreement shall constitute or be construed as a gift or dedication of any portion of the Property, specifically including the Common Areas, for roadways, walkways, ingress, egress, parking, or utilities constructed thereon, to the public or give any member of the public any rights whatsoever, it being the express intention of Grantor that this Agreement shall be for the exclusive benefit of the Lots, the owners thereof and their respective heirs, representatives, lessees, successors and assigns as set forth herein. Notwithstanding the foregoing, approximately forty (40) feet of frontage of the Property along Interstate Highway No. 35 shall be dedicated to the appropriate governmental authority without compensation for right-of-way purposes.

(iii) Prevention of Prescriptive Rights. The owner of each Lot hereby reserves the right to eject from the Common Areas on its Lot any person not authorized to use the same. In addition, the owner of each Lot reserves the right to close off the Common Areas on its Lot for such reasonable periods of time as may be legally necessary in the reasonable opinion of its attorneys to prevent the acquisition of prescriptive rights by anyone. Before closing off any part of the Common Areas as provided above, such owner must give notice to the other owners of its intention to do so and must coordinate its closing with the activities of the other owners of the Development so that no unreasonable interference with the operation of the Development occurs. Reasonable efforts shall be used to ensure that no such closing shall occur during weekends, holidays or normal business hours. No prescriptive easement rights or claims shall ever accrue in favor of any Lot owner or user against any other Lot owner as the result of any use or action taken by any Lot owner or user with respect to another owner's Lot.

5097 02801

C. Utility and Service Easements. Grantor hereby establishes non-exclusive easements over the Common Areas on each Lot in favor of each other Lot to permit the maintenance and use of all apparatus necessary to provide utility services to a Lot, including telephone, cable, electricity, water, natural gas and storm and sanitary sewers, provided that same are constructed underground. Any disruption or demolition of a servient Lot by reason of the use of this easement shall be kept to a minimum which shall not exceed one (1) day in duration except during the period when the Development is initially constructed, unless such disruption or demolition cannot be reasonably completed within such one (1) day period, in which event the period will be extended to such time period as reasonably is required and such area forthwith shall be restored as quickly as possible by the dominant Lot owner to its original condition at no expense to the servient Lot owner. Nothing herein shall permit a Lot owner to: (i) disrupt the utility service of any business which is operating in the Development; or (ii) eliminate access to any business operating on a servient Lot. Prior to the commencement of any action by an owner of a dominant Lot on a servient Lot pursuant to the easement rights granted by this Section 6.C., the owner of such dominant Lot shall give the owner of such servient Lot at least five (5) days prior written notice of such action, except in the event of an emergency in which case the owner of the dominant Lot shall give notice as is reasonable under the circumstances. Such notice shall set forth the general scope of the work to be performed.

D. Construction Easements. Grantor hereby grants, declares and establishes for the benefit of the Lots, and the respective owners and lessees thereof, temporary easements in the Common Areas of the Lots, and prior to the construction of any improvements thereon, in the Building Area on a Lot, for the initial grading of the Development, including construction of retaining wall(s), and for the construction of the Development's internal roads. With respect to any Lot on which fresh dirt is dumped, the area shall be sloped to meet any contiguous property within the Development or public roads, and shall be smoothed in a level manner consistent with the contours of the adjoining property. Each owner covenants and agrees, respectively, that its exercise of such easements shall not result in damage or injury to the buildings or other improvements of any other owner, and shall not unreasonably interfere with or interrupt the construction of improvements or the business operations conducted by any other owner in the Development. In addition, each owner, at its sole cost and expense, shall promptly repair, replace or restore any and all improvements of another owner which have been damaged or destroyed in the exercise by such owner of the easements granted under this section and shall defend, indemnify and hold the other owners harmless from and against all liens, losses, liabilities, costs or expenses (including reasonable attorneys' fees) incurred in connection with or as a result of an owner's exercise of said easements, except to the extent occasioned by the negligence or willful misconduct of another owner.

E. Water Flow. Any alteration in the natural water flow which may occur as a natural consequence of normal construction activities and the existence of an

5097 02802

owner's improvements substantially as shown on the Site Plan (including without limitation building, curbs, drives and paving) shall be permitted as long as such water flow conforms to the drainage easements shown on the Plat. Notwithstanding the foregoing, Lot owners shall comply with all applicable laws or regulations concerning storm water, and soil and erosion control.

F. Lot 4 Sign Easement. Grantor hereby grants and conveys for the benefit of Lot 4, Lot 5 and Lot 6, and the respective owners and lessees thereof, a perpetual nonexclusive appurtenant easement on, in, through and over that portion of Lot 4 shown on Exhibit B-2 as the "Mutual Sign Easement", for the purpose of the installation, construction, reconstruction, use, operation, maintenance, repair and replacement of a free standing, lighted pylon sign structure ("Sign Structure") and sign panels located thereon at the option of such Lot owners identifying the owner, lessee and/or occupants of such Lots. The Sign Structure and the panels located thereon shall comply with all applicable laws, ordinances and regulations of governmental authorities and any other requirements set forth hereinbelow. No more than one (1) Sign Structure shall exist in the Mutual Sign Easement at any one time and such Sign Structure may include no more than one (1) two (2)-sided sign panel for each of Lots 4, 5 and 6. The owners of each of Lots 4, 5 and 6 shall be responsible for the maintenance and upkeep of the Sign Structure during the time that the Sign Structure includes a sign panel for such owners' Lot, and such Lot owners shall, during such time when they are responsible for the Sign Structure's maintenance, share pro-rata in the actual and reasonable costs and expenses of permitting, construction, maintenance, repair, replacement, operation and reconstruction of the Sign Structure based on the relative square footage of each Lot owner's sign panel located thereon; provided, however, that such pro rata share shall not include any costs or expenses strictly related to each Lot's particular sign panel, which costs and expenses shall be the responsibility of such panel's owner.

7. Development, Maintenance and Taxes.

A. Development. The arrangement of the Common Areas shall not be changed in any manner which negatively affects the access and parking easements provided for in this Agreement. The Common Areas shall not be changed to alter or reconfigure the access points of the Development, including the access points of each Lot as shown on the Site Plan, without the prior written consent of the owners of all of the Lots, which consent shall not be unreasonably withheld, delayed or conditioned.

B. Maintenance.

(i) Standards. Each owner shall maintain its Lot in good condition and repair, at its own expense, following completion of the improvements on its Lot. The maintenance is to include, without limitation, the following:

5097 02803

(a) Maintaining the surfaces of the Common Areas on its Lot in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(b) Removing all papers, ice and snow, mud and sand, debris, filth and refuse and thoroughly sweeping the Common Areas on its Lot to the extent reasonably necessary to keep such areas in a clean and orderly condition;

(c) Placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines on the Common Areas of its Lot;

(d) Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as shall be reasonably required on the Common Areas of its Lot;

(e) Maintaining all perimeter and exterior building walls including but not limited to all retaining walls in a good condition and state of repair; and

(f) Maintaining, mowing, weeding, trimming and watering all landscaped areas and making such replacements of shrubs and other landscaping as is necessary.

(ii) Lots. Each owner of a Lot covenants that it, in addition to other requirements of this section, will keep all glass in the doors and windows on its Lot clean; will maintain its Lot at its own expense in a clean, orderly and sanitary condition and free of insects, rodents, vermin and other pests; and will not permit accumulation of garbage, trash, rubbish and other refuse on its Lot, will remove same at its own expense, and will keep such refuse in proper containers or compactors in places designated therefor until called for to be removed.

C. Taxes. Each of the owners shall pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against its Lot (including, without limitation, that part of the Common Areas owned by it).

#### 8. Indemnification/Insurance.

A. Indemnification. Each owner of a Lot hereby indemnifies and saves the other owners harmless from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from personal injury, death, or property damage and occurring on or from its own Lot, except if caused by the act or negligence of another owner.

5097 02804

**B. Insurance.**

(i) The owner of each Lot shall procure and maintain in full force and effect throughout the term of this Agreement commercial general liability insurance and property damage insurance (including contractual liability coverage) against claims for personal injury, death, or property damage occurring upon, in or about its Lot with combined single limit coverage of not less than Two Million Dollars (\$2,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) in the aggregate. The owner of each Lot shall provide the other owners with certificates of such insurance from time to time upon written request to evidence that such insurance is in force. Such insurance may be written by additional premises endorsement on any master policy of insurance which may cover other property in addition to the property covered by this Agreement, and the coverage amounts may be obtained through combination of primary and umbrella policies.

(ii) A policy shall include provisions denying the insurer subrogation rights against the other owners to the extent such rights were waived by the insured prior to the occurrence of loss.

(iii) Each owner of a Lot, for itself and its property insurer, hereby releases the other owners, and their tenants, employees and agents from and against any and all claims, demands, liabilities or obligations whatsoever for damage to each other's property or loss of rents or profits of the owner resulting from or in any way connected with any fire or other casualty whether or not such fire or other casualty shall have been caused by the negligence or the contributory negligence of the party being released or by any agent, associate or employee of the party being released, this release being to the extent that such damage or loss is covered by the property insurance which the releasing party is obligated hereunder to carry, or, if the releasing party is not carrying that insurance, then to the extent such damage or loss would be covered if the releasing party were carrying that insurance.

(iv) Notwithstanding anything to the contrary contained in this Section 8.B., so long as the net worth of an owner of a Lot shall exceed Twenty Million Dollars (\$20,000,000.00), such owner shall have the right to satisfy its obligations under this Section 8.B. by self-insuring and retaining the financial risk for any claim.

**9. Eminent Domain.**

A. Owner's Right to Award. Nothing herein shall be construed to give any owner any interest in any award or payment made to any other owner in connection with any exercise of eminent domain or transfer in lieu thereof affecting said other owner's Lot, or giving the public or any government any rights in a Lot. In the event of any exercise of eminent domain or transfer in lieu

5097 02805

thereof of any part of the Common Areas located on a Lot, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the owner thereof, and no claim thereon shall be made by the owners of any other portion of the Common Areas.

B. Collateral Claims. All other owners of the Common Areas may file collateral claims with the condemning authority for their losses which are separate and apart from the value of the land area and improvements taken from another owner.

C. Tenant's Claim. Nothing in this section shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between tenant and owner for all or a portion of any such award or payment.

D. Restoration of Common Areas. The owner of any portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas within its respective tract as nearly as practicable to the condition of the same immediately prior to such condemnation or transfer, to the extent that the proceeds of such award are sufficient to pay the cost of such restoration and repair and without contribution from any other owner.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a Lot of any owner, such lien shall expressly be subordinate and inferior to the lien of any first lienholder now or hereafter placed on such Lot. Except as set forth in the preceding sentence, however, any holder of a first lien on a Lot, and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement. By executing and acknowledging this Agreement, the lender that holds a deed of trust encumbering the Property on the date of this Agreement (the "Lender") hereby consents to this Agreement and to the provisions hereof, and subordinates its interest in the Property to this Agreement.

11. Release from Liability. Any person acquiring fee or leasehold title to a Lot or any portion thereof, shall be bound by this Agreement only as to the Lot acquired by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of such Lot, except as to the obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this section, the easements, covenants and restrictions in this Agreement shall continue to be benefits to and servitudes upon the Lots running with the land.

## 12. Breach.

A. Parties with Remedies. In the event of a breach or threatened breach of this Agreement, any owner of a Lot shall, subject to Section 12.B. hereinbelow, be entitled to institute proceedings for full and adequate relief from the consequences of said breach or threatened breach, by injunction and/or all such other available legal and equitable remedies. The unsuccessful party in any action shall pay to the prevailing party a reasonable sum for attorney's fees.

5097 02806

**B. Remedies.** If any owner of a Lot shall fail to perform any covenant or condition contained in this Agreement, the aggrieved party shall give the defaulting owner at least thirty (30) days written notice of such alleged default. If such default shall not have been cured within said period of thirty (30) days after the service of notice of default (or if such default be not reasonably susceptible of being cured within said period of thirty (30) days, and said defaulting owner shall not have in good faith commenced curing such default within said thirty (30) day period and shall not thereafter prosecute curing such default with diligence and continuity to completion) the aggrieved party may institute legal proceedings for full and adequate relief from the consequences of said default or threatened default.

**C. Self Help; Right of Entry.** The defaulting owner hereby grants to the aggrieved party a non-exclusive right of entry and non-exclusive easements across and under any and all parts of the defaulting owner's Lot (excluding the right to enter in or upon any buildings on such Lot) for all purposes reasonably necessary to enable the aggrieved party (acting directly or through agents, contractors or subcontractors) to perform any of the terms, provisions, covenants or conditions of this Agreement which the defaulting owner shall have failed to perform, after notice and time to cure, as aforesaid, but only such notice and time to cure as shall be reasonable or practicable under the circumstances need be given in the event of any emergency. Any amounts so expended may be withheld from amounts otherwise payable to the defaulting owner or collection may be sought otherwise and in any event the defaulting owner shall pay such amount with interest at the rate of three percent (3%) per annum over the then existing prime rate of interest announced from time to time by Citibank, N.A. or its successors (but in no event exceeding the maximum rate per annum permitted by law).

**13. Rights of Successors.** The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall bind and inure to the benefit of the owners of the buildings constructed on the Lots, their respective heirs, representatives, lessees, successors and assigns, and occupants of the Lots. The singular number includes the plural and the masculine gender includes the feminine and neuter.

**14. Non-Merger.** This Agreement shall not be subject to the doctrine of merger.

**15. Duration.** Unless otherwise canceled or terminated, all of the easements granted in this Agreement shall continue in perpetuity and all other rights and obligations hereof shall automatically terminate and be of no further force and effect after ninety-nine (99) years from the date hereof.

**16. Headings.** The headings herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this document nor in any way affect the terms and provisions hereof.

5097 02807

17. Notices. Any notices required or permitted to be given under this Agreement shall be delivered: (i) personally, (ii) by overnight mail or overnight air courier service; or (iii) by United States Mail as Certified Mail, Return Receipt Requested, postage prepaid, and addressed to the owner of a Lot at the last known business address of such owner. Any such notice, request or other communication shall be considered given or delivered, as the case may be, when received or refused. An owner of a Lot may designate a notice address by sending written notice to the last known business address of the other Lot owners.

18. Estoppel Certificates. Each owner shall upon not less than thirty (30) days from receipt of written notice from any other owner execute and deliver to such other owner a certificate stating that: (a) either this Agreement is unmodified and in full force and effect or is modified (and stating the modification); and (b) whether or not to the best of its knowledge the other owner is in default in any respect under this Agreement and if in default, specifying such default.

19. Severability. In the event any provision or portion of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, such holding will not effect the remainder hereof, and the remaining provisions shall continue in full force and effect at the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof.

20. Responsibility. Notwithstanding anything to the contrary contained in this Agreement, each owner of a Lot shall be liable for the obligations, covenants, agreements, and responsibilities created by this Agreement and for any judgment rendered hereon only to the extent of its respective interest in its Lot and the improvements located thereon.

21. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all such counterparts shall constitute one and the same instrument.

22. Modification. This Agreement may be amended, modified or changed only by the written consent of all of the owners of the Lots, with any such amendment, modification or change being recorded in the land records of Denton County, Texas.

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the J. Worrall Survey, Abstract No. 1433, City of Denton, Denton County, Texas, and being part of Lot 3, Block 1, Southern Hills Plaza Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume U, Page 556 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at a point in the northwest line of said Lot 3; from which a cut "X" found for a southwest corner of said Lot 3, and being on the northeast right-of-way of Interstate Highway No. 35 (a variable width right-of-way) bears South 18°24'29" West, a distance of 47.75 feet;

**THENCE** North 38°30'05" East, along the said northwest line of Lot 3, a distance of 20.01 feet to a point for corner;

**THENCE** departing the said northwest line of Lot 3, South 51°54'08" East, a distance of 201.01 feet to a point for corner in the southeast line of said Lot 3;

**THENCE** South 38°30'05" West, along the said southeast line of Lot 3, a distance of 20.01 feet to a TXDOT monument found for corner;

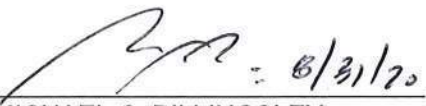

**THENCE** departing the said southeast line of Lot 3, North 51°54'08" West, a distance of 201.01 feet to the **POINT OF BEGINNING** and containing 4,021 square feet or 0.0923 acres of land.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

**RECIPROCAL EASEMENT AGREEMENT**

THIS RECIPROCAL EASEMENT AGREEMENT ("Agreement") is promulgated this 17<sup>th</sup> day of May, 2002 by QUADRANT SOUTHERN HILLS PARTNERS, LTD., a Texas limited partnership ("Grantor"), whose address is c/o Quadrant Properties, L.L.C., 8000 Maryland Avenue, Suite 640, St. Louis, Missouri 63105.

**WITNESSETH:**

WHEREAS, Grantor is the owner of a certain parcel of land (the "Property") located in Denton County, Texas, which parcel of land is more particularly described on that certain Final Plat Southern Hills Plaza (the "Plat") dated April 5, 2002, filed April 24, 2002, and recorded in Plat Cabinet U, Page 357, in the Office of the County Clerk, Denton County, Texas, a copy of which Plat is attached hereto as Exhibit A;

WHEREAS, Grantor has caused the Property to be subdivided of record into six (6) lots (each, a "Lot" and collectively the "Lots") as shown on the Plat.

WHEREAS, Grantor desires that the Lots be developed in conjunction with each other pursuant to a general plan of improvement to form a commercial development (sometimes hereinafter referred to as the "Development") in accordance with the Site Plan attached hereto as Exhibit B-1 (the "Site Plan"), and Grantor desires that the Development be subject to the easements and covenants hereinafter set forth.

NOW, THEREFORE, Grantor does hereby declare and grant the following rights, covenants and servitudes on the Property:

**1. Building/Common Areas.**

A. "Building Area" as used herein shall mean that portion of a Lot within the building set back lines on a Lot as shown on Exhibit B-2 attached hereto. Canopies may encroach from the Building Area over the Common Areas provided the canopies do not interfere with the use of the Common Areas.

B. "Common Areas" shall be all of the Property except the Building Area.

C. Conversion to Common Areas: Those portions of the Building Area on each Lot which are not from time to time used, or cannot under the terms of this Agreement be used, for buildings, shall become part of the Common Area for the uses permitted hereunder and shall be improved, kept and maintained as provided herein.

2. Use. Buildings in the Development shall be used only for retail and other commercial purposes including, without limitation, medical offices, lodging facilities, video rental and sales, financial institutions, restaurants, offices, and retail stores. Only

Lot 6 may be used for purposes of automobile service, convenience stores, service stations and the sale of motor vehicle fuels. Subject to the foregoing and Section 3 and Section 4 below, no portion of the Development shall be used for anything other than the purposes which may be permitted by applicable zoning regulations, nor shall anything be done in the Development which is a nuisance or an annoyance to the owners or occupants of the Development.

3. Prohibited Uses. During the term of this Agreement no portion of the Development may ever be used for any of the following uses whatsoever: (i) an adult-type bookstore or other establishment selling, leasing or exhibiting pornographic materials or paraphernalia for use with illicit drugs; (ii) a massage parlor, topless bar, or a club or establishment which provides striptease entertainment; (iii) a mortuary; (iv) a mobile home or trailer court, labor camp, junkyard or stockyard; (v) a land fill, garbage dump or for the dumping, disposing, incineration or reduction of garbage; (vi) an off-track betting parlor (or any other type of gambling establishment), carnival or amusement park; (vii) a manufacturing, distillation, smelting, refining, industrial, agricultural, drilling, mining or quarrying operation; or (viii) an x-rated movie theatre or video shop.

4. Restrictions on Use and Special Uses.

A. Italian Restaurant Restriction. For so long as a restaurant which features Italian food is operated on Lot 3, but in no event longer than fifty (50) years from the date of recordation of this Agreement, no Lot in the Development (except Lot 3 and except Lot 2 if Lot 2 is under contract to be purchased by or is owned by Texas Roadhouse (as defined below)) shall be used as a restaurant which features Italian food. For the purposes of this section: (a) "features" means that Italian food items comprise more than twenty five percent (25%) of the menu offerings. If Lot 3 ceases to be used as an Italian restaurant for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure then this restriction shall lapse and shall terminate. The foregoing restriction: (a) is not intended to exclude a pizza restaurant, which is defined as a restaurant where at least seventy five percent (75%) of its gross food sales is derived from sales of pizza, including, but not limited to, restaurants of the type of a Chuck E. Cheese restaurant, and (b) shall not be applied to exclude restaurants of the type of a "Boston Pizza and Sports Bar" from the Development, however, such restriction will be applied to exclude restaurants of the type of Pizzeria Uno.

B. Parking Requirement. Any restaurant operating on Lot 4 or Lot 5 (and on Lot 2 if such restaurant is not owned by Texas Roadhouse) shall be required to provide one parking space for each 67 square feet of building area on such Lot.

C. Lot 3 Building Area Restriction. So long as the Development is being used primarily for retail purposes, the floor area of any building on Lot 3 shall not exceed 8,000 square feet, exclusive of mechanical rooms.

D. Lot 3 Frontage Restriction. So long as Lot 2 is being used as a restaurant, the principal entrance to any building on Lot 3 shall not face either Lot

5097 02797

2 or Brinker Road. If Lot 2 ceases to be used for restaurant purposes for one hundred eighty (180) days or more, for reasons other than closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation or other force majeure, then the provisions of this section shall lapse and terminate.

E. Mexican Restaurant Restriction. For so long as (i) Brinker Texas, L.P., a Texas limited partnership, or an affiliate thereof, is reasonably pursuing the development of an On the Border restaurant (or other Mexican-style restaurant) on Lot 1, and/or (ii) Brinker (as hereinafter defined) is operating an On the Border restaurant (or other Mexican-style) restaurant on Lot 1 (excluding any periods of inoperation due to remodeling, renovation, or reconstruction as a result of an assignment, sublease, casualty, condemnation or otherwise), then Grantor shall not lease or sell any part of any Lot in the Development other than Lot 1 to any tenant or purchaser for the operation of a restaurant (nor shall Grantor otherwise permit the operation of a restaurant on any Lot in the Development other than Lot 1) offering alcoholic beverages and a menu featuring Mexican cuisine, "Tex-Mex" cuisine, and/or southwestern cuisine as the primary entrees. For the purposes of this section an "affiliate" shall mean any legal entity which is either (i) the successor by merger or otherwise, to all or substantially all of Brinker Texas, L.P.'s assets and liabilities, (ii) controls or is controlled by, or is under common control with Brinker Texas, L.P., or (iii) any franchisee of Brinker Texas, L.P. (Brinker Texas, L.P. and such affiliates being herein collectively called "Brinker"). Without limiting the foregoing, Grantor shall not lease or sell any part of the Property in the Development to any tenant or purchaser for the operation of the following restaurants (nor shall Grantor otherwise permit the operation of a restaurant in the Development operating under the following trade names): Blue Mesa, Canyon Café, Chi Chi's, Don Pablo's, Rio Bravo, Uncle Julio's, Rio Grande Café, Mia's, Chevy's, El Chico, El Fenix, Chuy's, Cantina Laredo, Abuelo's, Pappasito's, Mi Cocina, and Chipotle Mexican Grill. The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 2 under the trade name "Texas Roadhouse" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

F. Steakhouse Restriction. For so long as a full service steakhouse or similar restaurant concept which features steaks, ribs and related menu items is operated on Lot 2 by Texas Roadhouse, or an affiliate thereof, no portion of the Development other than Lot 2 shall be used as a full service steakhouse or similar restaurant concept featuring steaks, ribs and related menu items or for the advertisement of such a restaurant. For the purposes of this section "features" shall mean that steaks, ribs and related menu items served in a full service steakhouse comprise more than twenty five percent (25%) of the menu items. If Lot 2 ceases to be used as a full service steakhouse restaurant which features steaks, ribs and related menu items for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure,

5097 02798

or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate. For the purposes of this section "affiliate" shall mean any entity which is owned or controlled by, under common control with or owns or controls Texas Roadhouse Holdings LLC or any entity in to which Texas Roadhouse Holdings LLC shall merge or shall transfer substantially all of its assets, or any franchisee of Texas Roadhouse Development Corporation (Texas Roadhouse Holdings LLC and such affiliates being herein collectively called "Texas Roadhouse"). The foregoing restriction shall not be deemed to prohibit the operation of a restaurant on Lot 1 under the trade name "On the Border" featuring menu items reasonably consistent with the items shown on such restaurant's menu as of the effective date hereof.

G. Lot 6 Parking Requirement. For so long as a restaurant is being operated on Lot 2, any restaurant operating on Lot 6 shall be required to provide fifteen (15) parking spaces for each 1,000 square feet of any building constructed on Lot 6. If Lot 2 ceases to be used as a restaurant for one hundred eighty (180) days or more, for reasons other than a closure for reasonable periods of time under the circumstances due to renovation, casualty, condemnation, or other force majeure, or ceases to be owned by Texas Roadhouse, then the provisions of this section shall lapse and terminate.

H. Gravel Parking Area. So long as Lot 2 is under contract to be sold to or is owned by Texas Roadhouse and is being operated as a restaurant, Texas Roadhouse and its customers shall have a non-exclusive right to use that portion of Lot 6 depicted as "Gravel Parking Area" (the "Gravel Parking Area") on the Site Plan for the parking of passenger motor vehicles and Grantor hereby grants to Texas Roadhouse a license for such use. Texas Roadhouse may, at its sole cost and expense, place gravel on the Gravel Parking Area. The owner of Lot 6 or Grantor may terminate the license granted by this section by thirty (30) days advance written notice to Texas Roadhouse. Prior to the effective date of the termination of such license Texas Roadhouse shall restore the Gravel Parking Area to the condition as existed on the date on which Texas Roadhouse commenced use of the Gravel Parking Area, unless otherwise directed by Grantor or the owner of Lot 6. Texas Roadhouse shall indemnify and hold the owner of Lot 6 harmless from any losses, damages, liabilities or claims for property damage or personal injury caused by Texas Roadhouse, its customers, employees, agents or contractors in connection with their use of the Gravel Parking Area.

I. Medical Use Restriction. No part of the Development or any of the improvements now or hereafter located thereon may be used or operated: (a) as an acute care or medical surgical hospital or for the provision of services usually provided in such a hospital or to provide any services that are furnished at any hospital or other medical facility located in Denton County, Texas owned or operated by Epic Development, Inc. ("Epic") or any "Affiliate" of Epic; or (b) as a facility wherein any medical care or service of any kind is provided to human beings. In no event may a laboratory, x-ray or other form of diagnostic imaging service, or surgery or birthing services or facilities be provided on or in the

5097 02799

development on any basis. "Affiliate," for the purposes of this section shall mean any person which directly or indirectly controls or is controlled by or is under control with Epic. For the purposes of this definition, "control" (including the correlative meanings of the terms "controlled by" and "under common control with"), as used herein, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such person, through ownership of voting securities, partnership interests or other equity interests. The provisions of this section shall remain in effect and be enforceable until such time as all of the hospitals and other medical facilities owned or operated by Epic or any Affiliate of Epic described above in this section, or all successor health care facilities which replace such hospitals, are permanently closed; provided, however, the provisions of this section shall in any event terminate, lapse and be of no further effect on the date which is 99 years following March 4, 1999.

5. Buildings.

A. Design and Construction. The buildings within the Development shall be designed so that the same are comparable to the buildings located on outparcels within other first class community shopping centers in the metropolitan Dallas, Texas area. Notwithstanding the foregoing, subject to the approval of applicable governmental authorities, prototypical designs for national chain businesses shall be acceptable designs for buildings within the Development.

B. Location. No building shall be constructed on a Lot except within the Building Area.

C. Fire Protection. Any building constructed in the Development shall be constructed and operated in such a manner that standard form of fire insurance policy rates concerning other buildings in the Development are preserved.

D. Parking. Without limiting the specificity of the other provisions hereof relating to required parking, in developing and using a Lot, the owner of the Lot shall continuously provide and maintain parking spaces on such Lot at a minimum equal to the number of parking spaces required by applicable law or code.

E. Damage. In the event any building, structure or other improvement on a Lot shall be damaged or destroyed by any casualty, the owner, lessee or user of the Lot shall within ninety (90) days of such damage or destruction: (i) commence to repair and/or reconstruct such building, structure or improvement (and thereafter promptly complete such work) to a condition at least as good as existed prior to the casualty, subject to the terms of this Agreement (such commencement of repair or reconstruction work shall be deemed to include the preparation of construction plans and the pursuit of permits for such work with diligence and continuity to completion); or (ii) level such improvement, remove the debris from the Lot and keep the Lot neat, orderly, planted in grass and trimmed, until subsequently improved and constructed upon.

5097 02800

6. Grant of Easements.

A. Access and Parking Easements. Grantor hereby establishes, for the benefit of the Lots, and the respective owners and lessees thereof, a reciprocal perpetual non-exclusive easement over, through and around the Common Areas of the Lots for roadways, walkways, ingress and egress and parking for the use of customers, invitees, licensees and employees of all businesses and owners, tenants and occupants of the buildings constructed within the Building Area on the Lots. The grant of the easement for reciprocal parking shall not release the owner of any Lot from such owner's obligation to maintain on such owner's Lot at minimum the number of parking spaces required by applicable laws or codes.

B. Limitations on Use of Access and Parking Easements.

(i) Employees. The owners of the Lots shall use reasonable efforts to ensure that their employees do not park their vehicles on the Common Areas of Lots of the other owners.

(ii) No Dedication to Public. Nothing contained in this Agreement shall constitute or be construed as a gift or dedication of any portion of the Property, specifically including the Common Areas, for roadways, walkways, ingress, egress, parking, or utilities constructed thereon, to the public or give any member of the public any rights whatsoever, it being the express intention of Grantor that this Agreement shall be for the exclusive benefit of the Lots, the owners thereof and their respective heirs, representatives, lessees, successors and assigns as set forth herein. Notwithstanding the foregoing, approximately forty (40) feet of frontage of the Property along Interstate Highway No. 35 shall be dedicated to the appropriate governmental authority without compensation for right-of-way purposes.

(iii) Prevention of Prescriptive Rights. The owner of each Lot hereby reserves the right to eject from the Common Areas on its Lot any person not authorized to use the same. In addition, the owner of each Lot reserves the right to close off the Common Areas on its Lot for such reasonable periods of time as may be legally necessary in the reasonable opinion of its attorneys to prevent the acquisition of prescriptive rights by anyone. Before closing off any part of the Common Areas as provided above, such owner must give notice to the other owners of its intention to do so and must coordinate its closing with the activities of the other owners of the Development so that no unreasonable interference with the operation of the Development occurs. Reasonable efforts shall be used to ensure that no such closing shall occur during weekends, holidays or normal business hours. No prescriptive easement rights or claims shall ever accrue in favor of any Lot owner or user against any other Lot owner as the result of any use or action taken by any Lot owner or user with respect to another owner's Lot.

5097 02801

C. Utility and Service Easements. Grantor hereby establishes non-exclusive easements over the Common Areas on each Lot in favor of each other Lot to permit the maintenance and use of all apparatus necessary to provide utility services to a Lot, including telephone, cable, electricity, water, natural gas and storm and sanitary sewers, provided that same are constructed underground. Any disruption or demolition of a servient Lot by reason of the use of this easement shall be kept to a minimum which shall not exceed one (1) day in duration except during the period when the Development is initially constructed, unless such disruption or demolition cannot be reasonably completed within such one (1) day period, in which event the period will be extended to such time period as reasonably is required and such area forthwith shall be restored as quickly as possible by the dominant Lot owner to its original condition at no expense to the servient Lot owner. Nothing herein shall permit a Lot owner to: (i) disrupt the utility service of any business which is operating in the Development; or (ii) eliminate access to any business operating on a servient Lot. Prior to the commencement of any action by an owner of a dominant Lot on a servient Lot pursuant to the easement rights granted by this Section 6.C., the owner of such dominant Lot shall give the owner of such servient Lot at least five (5) days prior written notice of such action, except in the event of an emergency in which case the owner of the dominant Lot shall give notice as is reasonable under the circumstances. Such notice shall set forth the general scope of the work to be performed.

D. Construction Easements. Grantor hereby grants, declares and establishes for the benefit of the Lots, and the respective owners and lessees thereof, temporary easements in the Common Areas of the Lots, and prior to the construction of any improvements thereon, in the Building Area on a Lot, for the initial grading of the Development, including construction of retaining wall(s), and for the construction of the Development's internal roads. With respect to any Lot on which fresh dirt is dumped, the area shall be sloped to meet any contiguous property within the Development or public roads, and shall be smoothed in a level manner consistent with the contours of the adjoining property. Each owner covenants and agrees, respectively, that its exercise of such easements shall not result in damage or injury to the buildings or other improvements of any other owner, and shall not unreasonably interfere with or interrupt the construction of improvements or the business operations conducted by any other owner in the Development. In addition, each owner, at its sole cost and expense, shall promptly repair, replace or restore any and all improvements of another owner which have been damaged or destroyed in the exercise by such owner of the easements granted under this section and shall defend, indemnify and hold the other owners harmless from and against all liens, losses, liabilities, costs or expenses (including reasonable attorneys' fees) incurred in connection with or as a result of an owner's exercise of said easements, except to the extent occasioned by the negligence or willful misconduct of another owner.

E. Water Flow. Any alteration in the natural water flow which may occur as a natural consequence of normal construction activities and the existence of an

5097 02802

owner's improvements substantially as shown on the Site Plan (including without limitation building, curbs, drives and paving) shall be permitted as long as such water flow conforms to the drainage easements shown on the Plat. Notwithstanding the foregoing, Lot owners shall comply with all applicable laws or regulations concerning storm water, and soil and erosion control.

F. Lot 4 Sign Easement. Grantor hereby grants and conveys for the benefit of Lot 4, Lot 5 and Lot 6, and the respective owners and lessees thereof, a perpetual nonexclusive appurtenant easement on, in, through and over that portion of Lot 4 shown on Exhibit B-2 as the "Mutual Sign Easement", for the purpose of the installation, construction, reconstruction, use, operation, maintenance, repair and replacement of a free standing, lighted pylon sign structure ("Sign Structure") and sign panels located thereon at the option of such Lot owners identifying the owner, lessee and/or occupants of such Lots. The Sign Structure and the panels located thereon shall comply with all applicable laws, ordinances and regulations of governmental authorities and any other requirements set forth hereinbelow. No more than one (1) Sign Structure shall exist in the Mutual Sign Easement at any one time and such Sign Structure may include no more than one (1) two (2)-sided sign panel for each of Lots 4, 5 and 6. The owners of each of Lots 4, 5 and 6 shall be responsible for the maintenance and upkeep of the Sign Structure during the time that the Sign Structure includes a sign panel for such owners' Lot, and such Lot owners shall, during such time when they are responsible for the Sign Structure's maintenance, share pro-rata in the actual and reasonable costs and expenses of permitting, construction, maintenance, repair, replacement, operation and reconstruction of the Sign Structure based on the relative square footage of each Lot owner's sign panel located thereon; provided, however, that such pro rata share shall not include any costs or expenses strictly related to each Lot's particular sign panel, which costs and expenses shall be the responsibility of such panel's owner.

7. Development, Maintenance and Taxes.

A. Development. The arrangement of the Common Areas shall not be changed in any manner which negatively affects the access and parking easements provided for in this Agreement. The Common Areas shall not be changed to alter or reconfigure the access points of the Development, including the access points of each Lot as shown on the Site Plan, without the prior written consent of the owners of all of the Lots, which consent shall not be unreasonably withheld, delayed or conditioned.

B. Maintenance.

(i) Standards. Each owner shall maintain its Lot in good condition and repair, at its own expense, following completion of the improvements on its Lot. The maintenance is to include, without limitation, the following:

5097 02803

(a) Maintaining the surfaces of the Common Areas on its Lot in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(b) Removing all papers, ice and snow, mud and sand, debris, filth and refuse and thoroughly sweeping the Common Areas on its Lot to the extent reasonably necessary to keep such areas in a clean and orderly condition;

(c) Placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines on the Common Areas of its Lot;

(d) Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as shall be reasonably required on the Common Areas of its Lot;

(e) Maintaining all perimeter and exterior building walls including but not limited to all retaining walls in a good condition and state of repair; and

(f) Maintaining, mowing, weeding, trimming and watering all landscaped areas and making such replacements of shrubs and other landscaping as is necessary.

(ii) Lots. Each owner of a Lot covenants that it, in addition to other requirements of this section, will keep all glass in the doors and windows on its Lot clean; will maintain its Lot at its own expense in a clean, orderly and sanitary condition and free of insects, rodents, vermin and other pests; and will not permit accumulation of garbage, trash, rubbish and other refuse on its Lot, will remove same at its own expense, and will keep such refuse in proper containers or compactors in places designated therefor until called for to be removed.

C. Taxes. Each of the owners shall pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against its Lot (including, without limitation, that part of the Common Areas owned by it).

#### 8. Indemnification/Insurance.

A. Indemnification. Each owner of a Lot hereby indemnifies and saves the other owners harmless from any and all liability, damage, expense, causes of action, suits, claims, or judgments arising from personal injury, death, or property damage and occurring on or from its own Lot, except if caused by the act or negligence of another owner.

5097 02804

**B. Insurance.**

(i) The owner of each Lot shall procure and maintain in full force and effect throughout the term of this Agreement commercial general liability insurance and property damage insurance (including contractual liability coverage) against claims for personal injury, death, or property damage occurring upon, in or about its Lot with combined single limit coverage of not less than Two Million Dollars (\$2,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) in the aggregate. The owner of each Lot shall provide the other owners with certificates of such insurance from time to time upon written request to evidence that such insurance is in force. Such insurance may be written by additional premises endorsement on any master policy of insurance which may cover other property in addition to the property covered by this Agreement, and the coverage amounts may be obtained through combination of primary and umbrella policies.

(ii) A policy shall include provisions denying the insurer subrogation rights against the other owners to the extent such rights were waived by the insured prior to the occurrence of loss.

(iii) Each owner of a Lot, for itself and its property insurer, hereby releases the other owners, and their tenants, employees and agents from and against any and all claims, demands, liabilities or obligations whatsoever for damage to each other's property or loss of rents or profits of the owner resulting from or in any way connected with any fire or other casualty whether or not such fire or other casualty shall have been caused by the negligence or the contributory negligence of the party being released or by any agent, associate or employee of the party being released, this release being to the extent that such damage or loss is covered by the property insurance which the releasing party is obligated hereunder to carry, or, if the releasing party is not carrying that insurance, then to the extent such damage or loss would be covered if the releasing party were carrying that insurance.

(iv) Notwithstanding anything to the contrary contained in this Section 8.B., so long as the net worth of an owner of a Lot shall exceed Twenty Million Dollars (\$20,000,000.00), such owner shall have the right to satisfy its obligations under this Section 8.B. by self-insuring and retaining the financial risk for any claim.

**9. Eminent Domain.**

A. Owner's Right to Award. Nothing herein shall be construed to give any owner any interest in any award or payment made to any other owner in connection with any exercise of eminent domain or transfer in lieu thereof affecting said other owner's Lot, or giving the public or any government any rights in a Lot. In the event of any exercise of eminent domain or transfer in lieu

5097 02805

thereof of any part of the Common Areas located on a Lot, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the owner thereof, and no claim thereon shall be made by the owners of any other portion of the Common Areas.

B. Collateral Claims. All other owners of the Common Areas may file collateral claims with the condemning authority for their losses which are separate and apart from the value of the land area and improvements taken from another owner.

C. Tenant's Claim. Nothing in this section shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between tenant and owner for all or a portion of any such award or payment.

D. Restoration of Common Areas. The owner of any portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas within its respective tract as nearly as practicable to the condition of the same immediately prior to such condemnation or transfer, to the extent that the proceeds of such award are sufficient to pay the cost of such restoration and repair and without contribution from any other owner.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a Lot of any owner, such lien shall expressly be subordinate and inferior to the lien of any first lienholder now or hereafter placed on such Lot. Except as set forth in the preceding sentence, however, any holder of a first lien on a Lot, and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement. By executing and acknowledging this Agreement, the lender that holds a deed of trust encumbering the Property on the date of this Agreement (the "Lender") hereby consents to this Agreement and to the provisions hereof, and subordinates its interest in the Property to this Agreement.

11. Release from Liability. Any person acquiring fee or leasehold title to a Lot or any portion thereof, shall be bound by this Agreement only as to the Lot acquired by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of such Lot, except as to the obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this section, the easements, covenants and restrictions in this Agreement shall continue to be benefits to and servitudes upon the Lots running with the land.

## 12. Breach.

A. Parties with Remedies. In the event of a breach or threatened breach of this Agreement, any owner of a Lot shall, subject to Section 12.B. hereinbelow, be entitled to institute proceedings for full and adequate relief from the consequences of said breach or threatened breach, by injunction and/or all such other available legal and equitable remedies. The unsuccessful party in any action shall pay to the prevailing party a reasonable sum for attorney's fees.

5097 02806

**B. Remedies.** If any owner of a Lot shall fail to perform any covenant or condition contained in this Agreement, the aggrieved party shall give the defaulting owner at least thirty (30) days written notice of such alleged default. If such default shall not have been cured within said period of thirty (30) days after the service of notice of default (or if such default be not reasonably susceptible of being cured within said period of thirty (30) days, and said defaulting owner shall not have in good faith commenced curing such default within said thirty (30) day period and shall not thereafter prosecute curing such default with diligence and continuity to completion) the aggrieved party may institute legal proceedings for full and adequate relief from the consequences of said default or threatened default.

**C. Self Help; Right of Entry.** The defaulting owner hereby grants to the aggrieved party a non-exclusive right of entry and non-exclusive easements across and under any and all parts of the defaulting owner's Lot (excluding the right to enter in or upon any buildings on such Lot) for all purposes reasonably necessary to enable the aggrieved party (acting directly or through agents, contractors or subcontractors) to perform any of the terms, provisions, covenants or conditions of this Agreement which the defaulting owner shall have failed to perform, after notice and time to cure, as aforesaid, but only such notice and time to cure as shall be reasonable or practicable under the circumstances need be given in the event of any emergency. Any amounts so expended may be withheld from amounts otherwise payable to the defaulting owner or collection may be sought otherwise and in any event the defaulting owner shall pay such amount with interest at the rate of three percent (3%) per annum over the then existing prime rate of interest announced from time to time by Citibank, N.A. or its successors (but in no event exceeding the maximum rate per annum permitted by law).

**13. Rights of Successors.** The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall bind and inure to the benefit of the owners of the buildings constructed on the Lots, their respective heirs, representatives, lessees, successors and assigns, and occupants of the Lots. The singular number includes the plural and the masculine gender includes the feminine and neuter.

**14. Non-Merger.** This Agreement shall not be subject to the doctrine of merger.

**15. Duration.** Unless otherwise canceled or terminated, all of the easements granted in this Agreement shall continue in perpetuity and all other rights and obligations hereof shall automatically terminate and be of no further force and effect after ninety-nine (99) years from the date hereof.

**16. Headings.** The headings herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of this document nor in any way affect the terms and provisions hereof.

5097 02807

17. Notices. Any notices required or permitted to be given under this Agreement shall be delivered: (i) personally, (ii) by overnight mail or overnight air courier service; or (iii) by United States Mail as Certified Mail, Return Receipt Requested, postage prepaid, and addressed to the owner of a Lot at the last known business address of such owner. Any such notice, request or other communication shall be considered given or delivered, as the case may be, when received or refused. An owner of a Lot may designate a notice address by sending written notice to the last known business address of the other Lot owners.

18. Estoppel Certificates. Each owner shall upon not less than thirty (30) days from receipt of written notice from any other owner execute and deliver to such other owner a certificate stating that: (a) either this Agreement is unmodified and in full force and effect or is modified (and stating the modification); and (b) whether or not to the best of its knowledge the other owner is in default in any respect under this Agreement and if in default, specifying such default.

19. Severability. In the event any provision or portion of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, such holding will not effect the remainder hereof, and the remaining provisions shall continue in full force and effect at the same extent as would have been the case had such invalid or unenforceable provision or portion never been a part hereof.

20. Responsibility. Notwithstanding anything to the contrary contained in this Agreement, each owner of a Lot shall be liable for the obligations, covenants, agreements, and responsibilities created by this Agreement and for any judgment rendered hereon only to the extent of its respective interest in its Lot and the improvements located thereon.

21. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all such counterparts shall constitute one and the same instrument.

22. Modification. This Agreement may be amended, modified or changed only by the written consent of all of the owners of the Lots, with any such amendment, modification or change being recorded in the land records of Denton County, Texas.

NOTE:

Bearings based upon the northeast line of Lot 4, Block 1 of Southern Hills Plaza as recorded in Cabinet U, Page 556, Plat Records of Denton County, Texas, said bearing being North 51°07'16" West.

The purpose of this amending plat is to abandon part of a utility easement, add a 10' gas line and (2) 16' public utility easements to service the lot.

PLACE OF BEGINNING lies approximately south 2060± and east 80± from the northwest corner of the J. White Survey, Abstract No. 1433.

Approved this 18 day of October, 2008, A.D. by the Development Review Committee of the City of Denton, Texas.

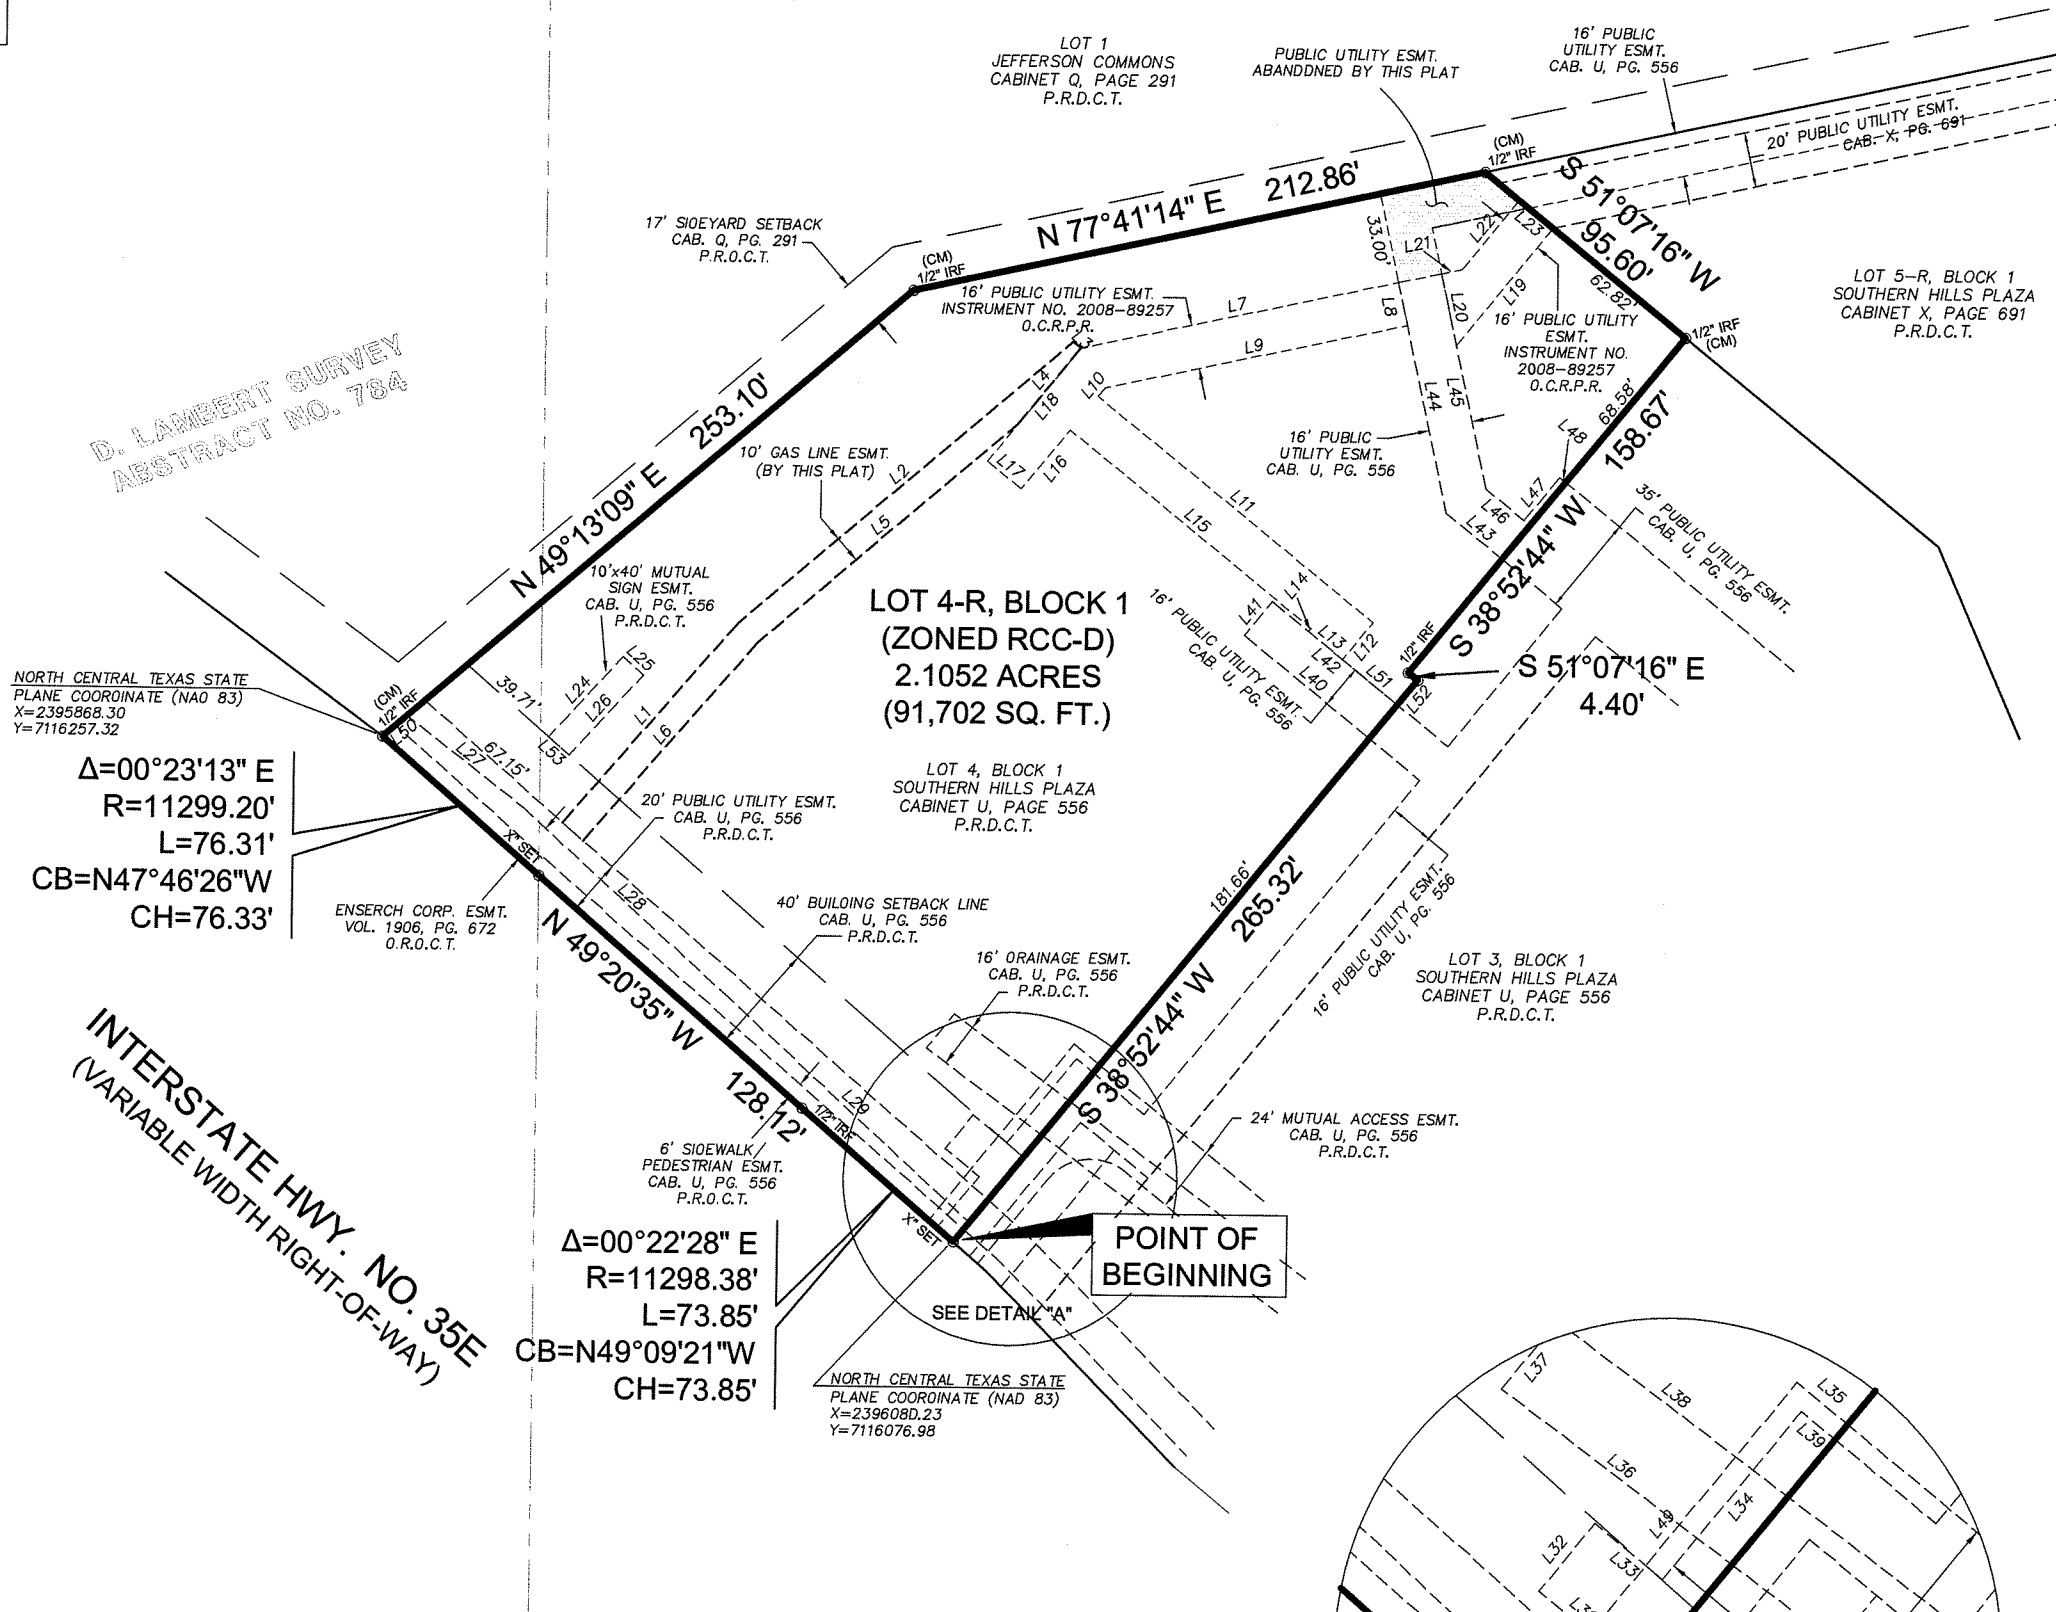

CERTIFICATE OF APPROVAL

Chairperson  
Development Review Committee

Witness my hand on this 21st day of Oct, 2008.

J. WHITE SURVEY  
ABSTRACT NO. 1433

Dedication Statement

WHEREAS DARDEN SW, LLC, is the sole owner of at certain tract, parcel or lot of land out of the J. White Survey, Abstract No. 1433, City of Denton, Denton County, Texas, and being all of Lot 4, Block 1 of SOUTHERN HILLS PLAZA, an addition to the City of Denton, Denton County, Texas, according to the plat thereof recorded in Cabinet V, Page 556 of the Plat Records of Denton County, Texas, and being all of the certain Lot, tract of land described in deed to GMRI Texas L.P., a Texas limited partnership, recorded under Instrument No. 2004-63013 of the Deed Records of Denton County, Texas.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That I, DARDEN SW, LLC, Owner, do hereby bind myself and my heirs, assignees and successors of title this plat designating the herein above described property as LOT 4-R, BLOCK 1 of SOUTHERN HILLS PLAZA, an addition to the City of Denton, Denton County, Texas and do hereby dedicate to the public use forever the streets, alleys, and right-of-way easements shown thereon, and so hereby reserve the easement strips shown on this plat for the mutual use and accommodation of garbage collection agencies and all public utilities desiring to use or using same. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths that in any way endanger or interfere with the construction, maintenance efficiency of its respective systems on any of these easement strips, and any public utility shall at all times have the right of ingress and egress to and from upon the said easement strips for the purpose of constructing, reconstructing, inspecting, patrolling, without the necessity at any time of procuring the permission of anyone.

Witness our hands at ORLANDO, FL, this 10 day of October, 2008.

DEDICATION  
PROPERTY DESCRIPTION

STATE OF TEXAS  
COUNTY OF DENTON

WHEREAS, Josten's, Inc. is the owner of that certain tract of land situated in the MEP and PRR Survey, Abstract Number 950, Denton County, Texas:

Being all that certain 10.796 acre tract or parcel of land situated in the MEP and PRR Survey, Abstract Number 950, Denton County, Texas, being part of a tract conveyed to Josten's, Inc. from T. L. Caruthers by deed recorded in Volume 571, Page 42 Deed Records, Denton County, Texas, said 10.740 acre tract being more particularly described as follows:

Beginning at a steel pin at a fence corner post at the northwest corner of said Josten's tract, same being the northwest corner of a certain tract deeded by Charles Runyon to T. L. Caruthers by deed recorded in Volume 514, Page 133, Deed Records, Denton County, Texas;

Thence South 86 degrees 00 minutes 00 seconds East a distance of 586.62 feet to a set half inch rebar on the southwest right-of-way of Interstate Highway 35 East, said point being South 49 degrees 55 minutes 52 seconds East 83.79 feet from the most northerly northeast corner of said Josten's tract;

Thence South 49 degrees 55 minutes 52 seconds East with said right-of-way a distance of 165.13 feet to a set half inch rebar for corner;

Thence South 52 degrees 37 minutes 00 seconds West, departing said right-of-way, a distance of 385.25 feet to a set half inch rebar for corner;

Thence South 52 degrees 30 minutes 00 seconds East a distance of 531.43 feet to a set half inch rebar in the northwest right-of-way of Regal Drive;

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding,

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

THE STATE OF TEXAS    X  
COUNTY OF DENTON       X

KNOW ALL MEN BY THESE PRESENTS:

9845

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its President, J. L. Foxworth, for and in consideration of the sum of TEN DOLLARS (\$10.00) cash and other good and valuable consideration to it in hand paid by the City of Denton, Texas, a municipal corporation, of the County of Denton, State of Texas, the receipt of which is hereby acknowledged, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing, and perpetually maintaining a sanitary sewer line and appurtenances in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

VOL 501 PAGE 274

BEGINNING at a point in the East property line of of a 154.7 acre tract of land out of the M.E.P. & P.R.R. Co. Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co. by H. Edward Smith, and wife, Mary Frances Smith, and recorded in Volume 974, Page 491, of the Deed Records of Denton County, Texas; said beginning point being 2,454 feet North, 1,885.35 feet East, and 109.5 feet North, 2 degrees, 05 minutes, East of the Southwest corner of the M.E.P. & P.R.R. Co. Survey; said point also being North, 2 degrees, 05 minutes, East from the Southeast corner of said 154.7 acre tract;

THENCE North 65 degrees 15 minutes West, a distance of 298.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West, a distance of 285.4 feet to a point for corner;

THENCE North 67 degrees 42 minutes West, a distance of 263.8 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance of 970.9 feet to a point for corner;

THENCE North 50 degrees 28 minutes West, a distance of 775.1 feet to a point in the West property line of said Smith to Foxworth-Galbraith 154.7 acre tract;

THENCE North 2 degrees 05 minutes East with the West property line of said 154.7 acre tract of land a distance of 12.8 feet to a point for corner;

THENCE South 50 degrees 28 minutes East, a distance of 784.7 feet to a point for corner;

THENCE South 32 degrees 28 minutes East, a distance of 969.1 feet to a point for corner;

THENCE South 67 degrees 42 minutes East, a distance of 258.8 feet to a point for corner;

THENCE North, 89 degrees 03 minutes East, a distance of 285.6 feet to a point for corner;

THENCE South 65 degrees 15 minutes East, a distance of 296.0 feet to a point in the East property line of said 154.7 acre tract of land;

THENCE South 2 degrees 05 minutes West, with the East property line of said 154.7 acre tract, a distance of 11.0 feet to the place of beginning; and containing 0.60 acres of land, more or less.

TO HAVE AND TO HOLD, all and singular, the privileges aforesaid to it, the said City of Denton, Texas, its successors and assigns forever, together with the right and privilege, at any and all times to enter the said premises or any part thereof, for the purpose of constructing, reconstructing and perpetually maintaining said sanitary sewer line together with necessary appurtenances, and for making connections therewith; all upon the condition that the said City of Denton, Texas, will at all times, after doing any work in connection with the construction, reconstruction or repair of said sanitary sewer line restore said premises to the condition in which same were found before such work was undertaken, including repair of all fences.

that might be disturbed or damaged in performing said work;  
and further upon the condition that Grantor, its successors and  
assigns shall have the right to make connections with the

aforesaid sanitary sewer line for the purpose of providing  
sewage collection service to their property, all upon such  
terms and conditions and upon the payment of such charges  
for such connections and service as may from time to time  
be provided by the ordinances of the said City of Denton,  
Texas;

PROVIDED, HOWEVER, that for the purpose of initially con-  
structing the sanitary sewer line and appurtenances above  
described, and during such initial construction, the City  
of Denton, Texas, shall have the right to use and occupy  
a strip of land sixty (60) feet in width and being thirty  
(30) feet on either side of the center line of said strip  
of land, as said center line is more particularly described  
as follows:

BEGINNING at a point in the East property line of  
a 154.7 acre tract of land out of the M.E.P. &  
P.R.R. Co. Survey, Abstract No. 950, as conveyed  
to Foxworth-Galbraith Lumber Co. by H. Edward Smith,  
and wife, Mary Frances Smith, and recorded in  
Volume 974, Page 491, of the Deed Records of Denton  
County, Texas; said beginning point being 2,454  
feet North, 1,885.35 East, and 115.0 feet North,  
2 degrees 05 minutes East of the Southwest corner  
of the M.E.P. & P.R.R. Co. Survey; said point also  
being North 2 degrees 05 minutes East, 115.0 feet  
from the Southeast corner of said 154.7 acre tract  
of land;

THENCE North 65 degrees 15 minutes West, a distance  
of 297.0 feet to a point for corner;

THENCE South 89 degrees 03 minutes West a distance  
of 285.5 feet to a point for corner;

THENCE North 67 degrees 42 minutes West a distance  
of 261.3 feet to a point for corner;

THENCE North 32 degrees 28 minutes West a distance  
of 970 feet to a point for corner;

THENCE North 50 degrees 28 minutes West a distance  
of 780 feet to a point in the West property line of  
said 154.7 acre tract; said easement having a total  
length of 2,593.8 feet, more or less.

VOL 501 PAGE 276

All upon the condition that said City of Denton, Texas, and its agents, will restore said premises as nearly as possible to the condition in which same were found before such initial construction work was undertaken, including repair of all fences that might be disturbed or damaged in performing said initial construction work.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

All that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the M.E.P. & P.R.R. Company Survey, Abstract No. 950, and being part of two tracts of land, hereafter referred to as Tract One and Tract Two, said Tract One being conveyed by Foxworth-Galbraith Lumber Company to Josten's Incorporated by deed dated August 28, 1968, and recorded in Volume 571, Page 39 of the Deed Records of Denton County, Texas, and said tract Two being conveyed from T. L. Caruthers to Josten's Incorporated by deed dated September 3, 1968 and recorded in Volume 571, Page 42 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the most northerly corner of said Tract One, said point of beginning lying in the southwest right of way line of Interstate Highway No. 35 E;

THENCE south 50° 26' east, along the northeast boundary line of said Tract One, same being the southwest right of way line of Interstate Highway 35E, passing at 400.0 feet the southeast corner of said Tract One, same being the most northerly corner of said Tract Two, and continuing south 50° 26' east, a total distance of 678.0 feet to the beginning of a curve to the right;

THENCE southeasterly along a 5.14° curve to the right, same being the southwest right of way line of Interstate Highway 35E a distance of 187.9 feet to a point;

THENCE south 35° 55' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 104.6 feet to a point;

THENCE south 49° 54' east along the northeast boundary line of said Tract Two, same being the southwest right of way line of Interstate Highway 35E, a distance of 11.25 feet to a point for a corner, same being the most easterly corner of said tract and also being the intersection of the southwest right of way line of Interstate Highway 35E and the west right of way line of Regal Drive;

THENCE south  $19^{\circ} 34'$  west along the east boundary line of said Tract Two, same being the west right of way line of Regal Drive, a distance of 10.68 feet to a point for a corner;

THENCE north  $49^{\circ} 54'$  west 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 13.77 feet to a point;

THENCE north  $35^{\circ} 55'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 103.737 feet to the beginning of a curve to the left;

THENCE northwesterly along a  $5.14^{\circ}$  curve to the left, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, a distance of 187.00 feet to a point;

THENCE north  $50^{\circ} 26'$  west, 10.0 feet south of and parallel with the northeast boundary line of said Tract Two, passing at 288.66 feet the north boundary line of said Tract Two, same being the south boundary line of said Tract One, and continuing north  $50^{\circ} 26'$  west, a total distance of 677.88 feet to a point for a corner in the northwest boundary line of said Tract One;

THENCE north  $38^{\circ} 52'$  east along the northwest boundary line of said Tract One, a distance of 10.00 feet to the place of beginning and containing 9,844.03 square feet of land, more or less.

And it is agreed that the said City of Denton, Texas, in consideration of the benefits above set out, will remove from the property above described, such fences, and other obstructions as may now be found upon said property for the purpose of constructing, installing, repairing and perpetually maintaining a water line in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said water line, or any part thereof. It is further agreed that the City of Denton shall perform all construction in a workmanlike manner, will close all open ditches each and every night work is in progress, will repair any and all damages promptly, and in no event more than 30 days after the completion of work, and specifically but not limited to, the City of Denton will repair of any and all fencing, repair or replace trees, shrubbery or landscaping if any such be damaged, and restore the surface of the ground, including sod, to as good a condition as when the land was entered onto.

And it is agreed that the City of Denton shall indemnify and hold harmless Josten's, Inc. for any loss or damage occasioned by the use of the rights hereinabove granted, whether such loss or damage be suffered by Josten's, Inc. or a third party.

TO HAVE AND TO HOLD unto the said City of Denton, Texas, as aforesaid for the purpose aforesaid the premises above described.

WITNESS our hands this the 2nd day of February, A.D. 1973.

KNOW ALL MEN BY THESE PRESENTS:

That Windjammer, Ltd., (Grantor) in consideration of the sum of ONE DOLLAR AND NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee) receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton the free and uninterrupted use, liberty and privilege of passage in, along, upon and across the following described property, owned by Grantor, situated in Denton County, Texas in the M. E. P. & P. R. R. Co. Survey, Abstract No. 950.

## TRACT 1

All that certain lot, tract or parcel of land lying and being situated in the M. E. P. & P. R. Co. Survey, Abstract No. 950, Denton County, Texas, and being part of a tract of land described in a deed to Windjammer, Ltd., dated July 10, 1998, recorded under Clerk's File No. 98-R0093041, Real Property Records, Denton County, Texas, and being more particularly described as follows:

BEGINNING at the north corner of said Windjammer, Ltd., tract, on the southeast right-of-way of I-35 E., same being the east corner of a tract of land described in a deed to Lodge Construction Company, Inc., recorded in Volume 1429, Page 456, Real Property Records, Denton County, Texas;

THENCE South 49° 57' 22" East with the southeast right-of-way of I-35 E., and the southeast line of said Windjammer, Ltd., tract, a distance of 402.40 feet to a point for corner;

THENCE South 40° 02' 38" West with the north right-of-way of Wind River Lane, a distance of 435.95 feet to a point for corner at the beginning of a curve to the right;

THENCE with the north right-of-way of Wind River Lane and said curve to the right, having a central angle of 49° 57' 20", a radius of 460.00 feet, an arc length of 401.07 feet, with a chord that bears South 65° 01' 19" West a distance of 388.48 feet to a point for corner;

THENCE West with the north line of Wind River Lane, a distance of 508.30 feet to a point for corner at the beginning of a curve to the right;

THENCE with the north right-of-way of Wind River Lane and said curve to the right, having a central angle of 41° 24' 25", a radius of 460.00 feet, an arc length of 332.44 feet, with a chord that bears North 69° 17' 47" West a distance of 325.25 feet to a point for corner;

THENCE North 48° 35' 33" West with the north right-of-way of Wind River Lane, a distance of 249.94 feet to a point for corner at the beginning of a curve to the left;

THENCE with the north right-of-way of Wind River Lane and said curve to the left, having a central angle of 10° 19' 54", a radius of 1040.00 feet, an arc length of 187.53 feet, with a chord that bears North 53° 45' 30" West a distance of 187.28 feet to a point for corner on the west line of said Windjammer, Ltd., tract;

THENCE North 00° 36' 46" East with the west line of said Windjammer, Ltd., tract, a distance of 18.51 feet to a point for corner at the beginning of a curve to the right;

THENCE with said curve to right, being 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 10° 50' 27", a radius of 1056.00 feet, an arc length of 199.81 feet, with a chord that bears South 54° 00' 47" East a distance of 199.51 feet to a point for corner;

THENCE South 48° 35' 33" East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 249.94 feet to a point for corner at the beginning of a curve to the left;

THENCE with said curve to the left, being 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 41° 24' 25", a radius of 444.00 feet, an arc length of 320.87 feet, with a chord that bears South 69° 17' 47" East a distance of 313.94 feet to a point for corner;

THENCE East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 508.30 feet to a point for corner at the beginning of a curve to the left;

THENCE with said curve to the left, 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 49° 57' 20", a radius of 444.00 feet, an arc length of 387.12 feet, with a chord that bears North 65° 01' 19" East a distance of 374.97 feet to a point for corner;

THENCE North 40° 02' 38" East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 419.95 feet to a point for corner;

THENCE North 49° 57' 22" West, 16-foot south of and parallel to the southeast right-of-way of I-35 E., a distance of 386.43 feet to a point for corner on the northeast line of said Windjammer, Ltd., tract, same being the southwest line of said Lodge Construction Company, Inc., tract;

THENCE North 40° 08' 36" East, with the northeast line of said Windjammer, Ltd., tract, and the southwest line of said Lodge Construction Company, Inc., tract, a distance of 16.00 feet to the POINT OF BEGINNING and containing in all 0.916 acres.

## TRACT 2

All that certain lot, tract or parcel of land lying and being situated in the M. E. P. & P. R. Survey, Abstract No. 950 in the City and County of Denton, Texas, and being part of a tract of land described in a deed to Windjammer, Ltd., recorded in County Clerk's File No. 98-R093041 of the Real Property Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point for corner at the north corner of a tract of land described in a deed to Denton Security Investment, Inc., Replacement Property Irrevocable Trust, as recorded in Clerk's File No. 98-R0062519 of the Real Property Records of Denton County, Texas, said point being on the southeast right-of-way of Interstate Highway 35-E;

THENCE South 40° 02' 38" West with the northwest line of said Denton Security Investment, Inc., Replacement Property Irrevocable Trust tract, a distance of 16.00 feet to a point for corner;

THENCE North 49° 57' 22" West, 16-foot south of and parallel to the southeast line of said Windjammer, Ltd., tract and the southeast right-of-way of Interstate Highway 35-E, a distance of 244.40 feet to a point for corner on the southerly right-of-way of Wind River Lane;

C:\Projects\Wind River DME\CO530\Windjammer easement.doc

THENCE North 40° 02' 38" East with the southerly right-of-way of Wind River Lane, a distance of 16.00 feet to a point for corner at the intersection of the southeast right-of-way of said Interstate Highway 35-E and the north right-of-way of Wind River Lane;

THENCE South 49° 57' 22" East with the southeast line of said Windjammer, Ltd., tract and the southeast right-of-way of Interstate Highway 35-E, a distance of 244.40 feet to the POINT OF BEGINNING and containing in all 0.089 acres of land.

And it is further agreed that the said City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may be now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to said public facilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness my hand, this the 18<sup>th</sup> day of MAY, A.D. 2000.

#### GENERAL NOTES:

- All bearings shown are based on grid north of the Texas Coordinate System of 1983, North Central Zone 4202, using the City of Denton control monumentation. All dimensions shown are ground distances. To obtain a grid distance, multiply the ground distance by the Project Combined Factor (PCF) of 0.999848685.
- Selling a portion of this addition by metes and bounds is a violation of City ordinance and state laws and is subject to fines and withholding of utilities and building permits.
- All corners are 5/8-inch iron rods with a red plastic cap stamped "KHA" set, unless otherwise noted.
- According to Community Panel No. 48121C0390G, dated April 18, 2011 of the National Flood Insurance Program Map, Flood Insurance Rate Map of Denton County, Texas, Federal Emergency Management Agency, Federal Insurance Administration, this property is not within a special flood hazard area. If this site is not within an identified special flood hazard area, this flood statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of the surveyor.
- Gas, petroleum lines or easements are not apparent with-in the bounds of this plat.
- The property owner is responsible for the maintenance of the Access Easements shown on this plat.
- Taps made to existing waterlines or relocation of Fire Hydrant shall be done by the City of Denton at the expense of the Contractor. Contact Harry Bopp with the Water Department at 940-349-7167.
- Taps made to existing sewer lines shall be done by the City of Denton at the expense of the Contractor. Contact Justin Divney with the Wastewater Department at 940-349-8489.

#### OWNERS CERTIFICATE

STATE OF TEXAS §

COUNTY OF DENTON §

WHERE AS CNMK Texas Properties, LTD., is the rightful owner of all of that tract of land situated in the M.E.P. & P.R.R. Company Survey, Abstract No. 950, City of Denton, Denton County, Texas and being the remainder of a 15.00 acre tract of land described in Special Warranty Deed to CNMK Texas Properties, LTD., recorded in Instrument No. 2004-40691, Official Public Records, Denton County, Texas, and being more particularly described as follows:

BEGINNING at a 5/8-inch iron rod with cap stamped "Carter&Burgess" found at the intersection of the southwesterly right-of-way line of Interstate Highway 35E (a variable width right-of-way) and the northwesterly right-of-way line of Windriver Lane (an 80-foot wide right-of-way);

THENCE with said northwesterly right-of-way line the following courses and distances, to wit:

South 39°30'19" West, a distance of 435.95 feet to a 5/8-inch iron rod with plastic cap stamped "KHA" set at the beginning of a tangent curve to the right having a central angle of 6°22'07", a radius of 460.00 feet, a chord bearing and distance of South 42°41'22" West, 51.10 feet;  
In a southwesterly direction, with said curve to the right, an arc distance of 51.13 feet to a "X" cut in concrete found for the east corner of Lot 1, Block A of Town Center Bank Addition, an addition to the City of Denton, Denton County, Texas, according to the plat thereof recorded in Cabinet Y, Page 9, Plat Records, Denton County, Texas;

THENCE departing said northwesterly right-of-way line and with the east line of said Lot 1, Block A, the following courses and distances, to wit:

North 40°27'59" West, a distance of 109.33 feet to a "X" cut in concrete found;  
North 29°33'18" West, passing at a distance of 94.53 feet to a "X" cut in concrete found for the north corner of said Lot 1, Block A and being the inner el corner of Lot 1, Block A, BJ's Brewery, an addition to the City of Denton according to the plat thereof recorded in Instrument No. 2014-29, Official Public Records, Denton County, Texas, and continuing a total distance of 128.41 feet to a 5/8-inch iron rod with plastic cap stamped "KHA" set;

THENCE with the east line of said BJ's Brewery, the following courses and distances, to wit:

North 49°00'14" East, a distance of 74.84 feet to a "X" cut in concrete set;  
North 40°41'53" East, a distance of 13.54 feet to a 5/8-inch iron rod with plastic cap stamped "KHA" set;  
North 50°05'48" East, a distance of 112.25 feet to a "X" cut in concrete set;  
North 39°21'05" East, a distance of 224.36 feet to a 1/2-inch iron rod with cap stamped "RPLS 5312" found in said southwesterly right-of-way line and being the east corner of said AUK Denton Partners, LLC tract;

THENCE with said southwesterly right-of-way line, South 50°29'41" East, a distance of 197.77 feet to the POINT OF BEGINNING and containing 2.194 acres or 95,554 square feet of land.

Bearing system of this survey is based on a line oriented between City of Denton monuments 2010 and 2011 found in the field, whose positions are published on the Texas Coordinate System of 1983, North Central Zone (4202) North American Datum of 1983. The horizontal coordinates of this survey are local surface coordinates using a combined local scale factor of 0.999848685.

#### OWNER'S DEDICATION

STATE OF TEXAS §

COUNTY OF DENTON §

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT, CNMK Texas Properties, LTD., does hereby adopt this plat designating the herein described property as BONE DADDY'S DENTON, an addition to the City of Denton, Denton County, Texas, and does hereby dedicate to the public use forever the streets and alleys shown thereon, and does hereby reserve the easement strips shown on this plat for the mutual use and accommodations of all public utilities desiring to or using same. Any public utility shall have the right to remove and keep removed all or part of any building, fence, trees, shrubs or other growths or improvements which in any way endangers or interferes with the construction, maintenance, or efficiency of its respective systems on any of these easement strips, and any public utility shall, at all times, have the right of ingress and egress to and from and upon the said easement strips for the purpose of construction, reconstruction, inspecting, patrolling, maintaining and adding to or removing all or part of its respective system without the necessity at any time procuring permission of anyone.

WITNESS MY HAND, this 17th day of February, 2015.

The undersigned, BS's Restaurants, Inc., (hereinafter called "Developer") executes this Waiver and Covenant not to Sue, for the benefit of the City of Denton, Texas (the "City") as of the 28<sup>th</sup> day of January, 20 14.

WHEREAS, Developer is the owner and developer of certain real property located in the City of Denton, County of Denton, Texas at 3250 S. Hwy I-35E, a 2.57-acre tract more particularly described as Lot 1, Block A of the BJ's Brewery Addition, the Final Plat of which was approved by Planning & Zoning Commission on December 11<sup>th</sup>, 2013 (the "Property"); and

WHEREAS, the Developer wants to construct a commercial building and various other improvements on the Property for a project entitled BJ's Restaurant (the "Project") that requires the construction of various public works improvements on the site as defined by the project plans; and

WHEREAS, the Developer has requested City to allow Developer to advance the construction of private grading, utilities, paving, foundation, and full vertical construction ("Expedited Private Improvements") concurrently with completion and acceptance of the public improvements required by the Project, specifically public water, sanitary sewer, and storm sewer ("Concurrent Public Improvements"), under a limited building permit, containing the limitations noted in this paragraph ("Limited Building Permit"). This Limited Building Permit shall entitle the Developer to construct all improvements on the site which are included in the approved construction documents. Developer stipulates and agrees that no Certificate of Occupancy will be requested or allowed until such time as all Concurrent Public Improvements have been accepted by the City; and

WHEREAS, the Developer has requested the City consider allowing the Developer to advance the building permit for the property in advance of the completion of the public improvements; NOW, THEREFORE:

Construction shall comply with all applicable portions of the Fire Code as to emergency access and water supply for firefighting purposes at all times during construction. Adequate access for fire apparatus shall be provided. At such time as combustible construction materials are brought on site, sufficient water for firefighting purposes shall be provided. For all projects (involving combustible or non-combustible construction), adequate ambulance access must be provided at all times.

In anticipation of City's subsequent approval of the requested Limited Building Permit, and because proceeding in this manner is an option requested by Developer, rather than a requirement, Developer agrees to indemnify and hold harmless the City, its employees, agents,

successors, and assigns from any and all costs Developer may incur as a consequence of proceeding in this manner before full building permits are issued, and agrees to assume all risks arising therefrom. Developer understands and agrees that the City will issue a "Stop Work" order for all activity associated with the Limited Building Permit in the event that the Developer's contractor fails to perform the work associated with this permit in a manner satisfactory to the City, or for any other reason authorized by ordinance. Developer hereby covenants not to sue the City, and forever irrevocably waives any and all claims of every kind whatsoever against the City, its employees, agents, successors, and assigns, arising out of either: (1) the City's subsequent issuance of a "Stop Work" order due to the failure of the Developer's contractor to perform the work associated with the Limited Building Permit in a manner satisfactory to the City, or (2) the subsequent failure or refusal of the City to issue a Certificate of Occupancy for any building or structure in the Project, if due to Developer's failure or inability to obtain required permits or approvals from City or any other entity with authority to grant such approvals.

No subsequent change in the law shall in any way affect the validity or enforceability of this Waiver and Covenant not to Sue. This Waiver and Covenant not to Sue is intended to satisfy §35.16.6.D.c.i.2 of the Denton Code of Ordinances – one of the necessary elements which must be satisfied before the City Building Official may issue a Limited Building Permit to advance construction of the Expedited Private Improvements. However, nothing herein shall be construed to authorize any delay in the construction of any public improvements required by the Project, including the Concurrent Public Improvements, beyond any completion deadlines specified in any other agreement, ordinance, project plans or plat, regardless of whether or not the Expedited Private Improvements are complete.

Developer further stipulates to the nexus and proportionality of the public improvements made subject to this Waiver and Covenant not to Sue (specifically including both those contemplated now and those necessitated by changes required for final approval), regardless of whether they were known, quantified or anticipated at the time this document was executed.

Developer, as the sole owner of the Property, hereby declares that all of the Property shall be held, sold and conveyed subject to the covenants contained herein, which are covenants touching and running with the Property and shall be binding on all parties having any right, title or interest in the Property or any part thereof, either now or in the future, and their successors, heirs and assigns, and shall inure to the benefit of the Developer, the City and their successors and assigns. These Restrictive Covenants shall be recorded in the Real Property Records of Denton County, Texas.

Developer has executed this Waiver and Covenant not to Sue, to be effective as of the date first above written (the "Effective Date").

## EXHIBIT A

### FIELD NOTES

#### DESCRIBING A DRAINAGE EASEMENT FROM WINDJAMMER, LTD.

BEING a 0.0996 acre tract of land situated in the M.E.P. & P.R.R. County Survey, Abstract No. 950, City of Denton, Denton County, Texas and being part of a 136.50 acre tract of land described in deed to Windjammer, Ltd., as recorded in County Clerk's File Number 98-R0093041 and 98-R0062520, of the Property Records of Denton County, Texas (P.R.D.C.T.) and being more particularly described as follows:

COMMENCING at a 5/8-inch iron rod with cap stamped "Carter Burgess" found at the intersection of the north right-of-way of Windriver Lane (an 80 foot right-of-way) as described in County Clerk's File Number 99-R0065227, P.R.D.C.T., and the west right-of-way of Interstate Highway 35 (a variable width right-of-way);

THENCE South 40 degrees 02 minutes 38 seconds West, departing said west right-of-way line of Interstate Highway 35 and along the said north right-of-way line of Windriver Lane, a distance of 435.95 feet to a 5/8-inch found iron rod with cap stamped "Carter Burgess" for the point of curvature of a circular curve to the right having a radius of 460.00 feet and whose chord bears South 59 degrees 09 minutes 10 seconds West, a distance of 301.18 feet;

THENCE Southwesterly, continuing along said north right-of-way line and along said curve to the right through a central angle of 38 degrees 13 minutes 05 seconds, an arc distance of 306.83 feet to a 1/2-inch set iron rod with a yellow plastic cap stamped "HALFF ASSOC. INC." (hereinafter referred to as "with cap") for corner, said point being southeast corner of the proposed Lot 1, Block A, Cinemark Addition at Unicorn Lake;

THENCE North 11 degrees 44 minutes 05 seconds West, departing said north right-of-way line and along the proposed east line of Lot 1, Block A, a distance of 256.78 feet to the POINT OF BEGINNING;

THENCE North 11 degrees 44 minutes 05 seconds West, continuing along said proposed east line a distance of 16.85 feet to a point for corner;

THENCE North 60 degrees 00 minutes 00 seconds East, departing said proposed east line a distance of 277.31 feet to a point for corner;

THENCE South 49 degrees 59 minutes 52 seconds East, a distance of 5.40 feet to a point for corner;

THENCE South 40 degrees 02 minutes 38 seconds West, a distance of 32.00 feet to a point for corner;

THENCE South 60 degrees 00 minutes 00 seconds West, a distance of 254.36 feet to the POINT OF BEGINNING AND CONTAINING 4,340 square feet or 0.0996 acres of land more or less.

The basis of bearing for this tract is the deed to the City of Denton for the right-of-way dedication of Windriver Lane, as recorded in the Denton County Clerk's File Number 99-R0065227 P.R.D.C.T.

DECLARATION OF RESTRICTIVE COVENANTS

1136 544

STATE OF TEXAS

DEED RECORDS

COUNTY OF DENTON

9472

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by DENTON TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center").

INTRODUCTION

1. Towne Center is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Towne Center Tract").
2. Duncan Properties, Ltd., a Texas limited partnership ("Duncan," with such term also applying to the successors and assigns of Duncan who becomes owner of all or any portion of the Duncan Outlet Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Duncan Outlet Tract").
3. The Towne Center Tract and the Duncan Outlet Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract."
4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Towne Center has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Duncan Outlet Tract.

ARTICLE I

Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below.

(1) the term "Building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below:

(1) No portion of any building or any protrusions therefrom nor any other structures other than landscaping, signage, trash enclosures, lighting, paving,

curbing, walkways or similar nonstructural improvements shall be located on the Colorado Boulevard side of the Permissible Building Line as shown on Exhibit "C" to this Declaration (the "Site Plan").

(ii) No portion of any building which is located on the Colorado Boulevard side of the "Two Story Line" (herein so called) shown on the Site Plan shall be in excess of one story in height.

(iii) There shall exist at all times a space and separation of at least one hundred twenty feet (120') between buildings to the east of the area shown as being "Access Drive #2" (herein so called) on the Site Plan and buildings to the west of Access Easement #2, (the "120 Foot Area"). Encroachments into the 120 Foot Area will be permitted for all canopies, walkways, awnings, columns, roof overhangs, building or canopy mounted signs and stairways; provided, that a separation between any encroachments on the east side of Access Drive #2 and encroachments on the west side of Access Drive #2 of at least one hundred feet (100') must at all times exist. Any stairway encroachments contained within the 120 Foot Area shall not be enclosed on the second level of the stairway, if any, but may be enclosed on the first level of the stairway. The restrictions contained in this Section 1.2(iii) shall not prohibit the erection of curbing, landscaping, lighting and similar non-structural matters at any place on the Towne Center Tract.

(iv) No portion of any buildings or any protrusions therefrom (not including sidewalks) shall be closer than five feet (5') to Access Drive #2 at any point along the boundaries of Access Drive #2.

(v) No curb openings along the easterly and westerly boundaries of Access Drive #2 shall be permitted to exist except at the general locations shown on the Site Plan.

(vi) No portion of any building located on the I-35 side of the Two Story Line (herein so called) shown on the Site Plan may exceed thirty-four feet (34') in height and no portion of any building located on the Colorado Boulevard side of the Two Story Line shall exceed twenty-five feet (25') in height, with all such height level being measured from the finished grade level for the building pad of such building; provided, however, that elevator enclosures, antennas and towers (such as stairways or clock towers) may exceed the above-described height restrictions, and signs and clocks may be located on the elevator enclosures and towers.

(vii) Any receptacle for trash storage shall be screened on three sides (with at least one screened side facing the Duncan Outlot Tract and one screened side facing the area described on Exhibit "D" to this Declaration) by either a wood screen fence, a masonry screen fence of the same finish as the building in which the trash being stored is generated or as provided below. The surface grade levels to the south of the area in which it is anticipated that trash receptacles will be placed rise rapidly; accordingly, where the surface grade to the south of the area where the

Vol 1136 -545

v 1136 - 546

trash receptacles are placed is equal to or greater than the highest point of a trash receptacle placed on the Towne Center Tract, such surface grade may replace the screen wall required on that side as required above so long as the horizontal distance between:

(a) the closest point of the trash receptacle, and

(b) the point of the surface grade level which is sufficiently high to provide a screening device as provided above,

is equal to or less than the vertical height of the trash receptacle. For example, if the trash receptacle is six feet tall, but within five feet of the trash receptacle the grade level rises to be seven feet higher than the grade level where the trash receptacle sits, such rise in grade level would constitute a screening wall. The foregoing restrictions shall not apply to any trash receptacles which are located within the area designated as the "Permitted Trash Receptacle Area" on the Site Plan.

(viii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment so located on the roof.

(ix) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, performed concrete panels, stucco and decorative concrete blocks.

(x) No fascia signs (except for clocks and related signage which may be located on towers, but which may not extend higher than such towers) located on any building may extend higher than the roof or, if higher, the parapet line of such building.

**1.3 Use Restrictions.** Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below. No part of the Towne Center Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Towne Center Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

(i) Any public or private nuisance;

(ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;

(iii) Any obnoxious odor;

(iv) Any noxious, toxic, caustic, or corrosive fuel or gas;

(v) Any dust, dirt, or fly ash in excessive quantities;

(vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;

(vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;

(viii) Any "second hand" store, Army, Navy, or government "surplus" store;

(ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;

(x) Any dumping, disposal, incineration or reduction of garbage or refuse;

(xi) Any fire or bankruptcy sale or auction house operation;

(xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Towne Center Tract is located;

(xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);

(xiv) Living quarters, sleeping apartments or lodging rooms;

(xv) Any mortuary;

(xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

(xvii) Any trailer rental.

## ARTICLE II

### Miscellaneous

2.1 Estoppel Certificate. Duncan hereby covenants that within twenty (20) days from the delivery of written requests, from time to time, of Towne Center, it will issue to designees of Towne Center an estoppel certificate stating: (i) whether Duncan knows of any default by Towne Center under this Declaration, and if there are known defaults, specifying the nature thereof; and (ii) whether to Duncan's knowledge this Declaration has been modified or amended in any way (and if it has, then stating the nature thereof). Notwithstanding the provisions of Section 2.2 below, any requests for an estoppel certificate and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type

VOL 1136 - 517

vol 1136 pg 548

service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Duncan agrees to act in good faith in connection with requests for estoppel certificates from Towne Center. Failure by Duncan to respond within the 20-day period shall be deemed the equivalent of a statement that no defaults exist, that no amendment to this Declaration has been entered into and that this Declaration remains in full force and effect.

2.2 Notices. All notices, demands, statements and requested required or permitted to be given under this Declaration must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center:      Denton Towne Center Joint Venture  
                                 c/o Henry S. Miller Company  
                                 2001 Bryan Tower, 30th Floor  
                                 Dallas, Texas 75201  
                                 Attention: Raymond J. Poche

with copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan:              Duncan Properties, Ltd.  
                                 100 Park Avenue Bldg.  
                                 Suite 1204  
                                 Oklahoma City, Oklahoma 73102  
                                 Attention: Neil Hill

with copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as hereinafter set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Towne Center Tract and all such covenants shall be binding upon the successors and assigns of Towne Center who become owners of any portion of the Towne Center Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Duncan and the successors and assigns of Duncan as the owner(s) of the Duncan Outlot Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the person(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract and the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Towne Center (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to

VOL 1136 - 549

be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Towne Center. Upon the bona fide assignment, conveyance, sale or other transfer by Towne Center of its fee simple ownership to any portion or all of the Towne Center Tract, Towne Center shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Towne Center under this Declaration prior to such sale or transfer).

2.8 Approvals. Towne Center may at any time request that Duncan review plans and specifications for proposed buildings to be located on the Towne Center Tract and advise Towne Center of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Towne Center shall also deliver to Duncan sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Duncan to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Towne Center shall be deemed to have submitted adequate information to Duncan if Duncan fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Duncan shall be in writing and shall specify the specific portion of the Restrictions which Duncan believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Duncan fails to identify in writing to Towne Center within thirty (30) days of the delivery of the initial information, or, if later, within fifteen days of the delivery of all information requested by Duncan, Duncan shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Duncan and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Towne Center Tract, an affidavit identifying Towne Center and the Towne Center Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Duncan shall thereafter be estopped to assert any violations of Section 1.2 of Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

2.11 Joinder By Other Persons. The persons and/or entities executing Exhibit "E", "F" and "G" to this Agreement have done so to evidence the subordination of their respective interests in the Towne Center Tract to the terms and provisions of this Declaration.

EXECUTED, to be effective as of the date first above specified.

DENTON TOWNE CENTER JOINT VENTURE,  
a joint venture

By: Herbert D. Weitzman  
Herbert D. Weitzman  
Venture Manager

STATE OF TEXAS       §  
                                  §  
COUNTY OF DALLAS   §

BEFORE ME, the undersigned authority, on this day personally appeared HERBERT D. VOL 1136 : 551

Exhibit "A"

Towne Center Tract

VOL 1136 PAGE 552

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing the Easterly line of said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to the POINT OF BEGINNING;

Continuing along said curve to the right having a central angle of 14°46'26", a radius of 3740.00 feet, and an arc length of 964.37 feet to a point of curvature to the right;

THENCE along said curve to the right in a Southeasterly direction and departing said Loop 288 and having a central angle of 08°31'31", a radius of 705.00 feet, an arc length of 104.90 feet, and a chord bearing of S 19°21'05" E to a point of reverse curve to the left;

THENCE along said curve to the left having a central angle of 11°00'18", a radius of 453.38 feet, and an arc length of 87.08 feet to a point for corner;

THENCE S 60°43'46" W a distance of 268.95 feet to a point for corner;

THENCE S 41°57'26" W a distance of 357.99 feet to a point for corner;

THENCE S 48°02'34" E a distance of 21.62 feet to a point for corner;

THENCE S 34°48'00" W a distance of 136.00 feet to a point for corner;

THENCE S 25°15'00" W a distance of 170.17 feet to a point for corner;

THENCE N 64°45'00" W a distance of 51.87 feet to a point for corner;

THENCE N 34°42'00" W a distance of 307.00 feet to the POINT OF BEGINNING and containing 4.9698 acres of land, more or less.

Exhibit "B"

Duncan Outlot Tract

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

Vol 1136 pg 553

Exhibit "D"

DUNCAN MAIN TRACT

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01°41'20" E a distance of 70.71 feet to a point;

S 34°42'00" E a distance of 226.60 feet to a point;

S42°00'59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42°33'00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86°43'12" E a distance of 90.00 feet to a point for corner;

THENCE N 05°49'03" E a distance of 95.00 feet to a point for corner;

THENCE N 64°45'00" W a distance of 14.00 feet to a point for corner;

THENCE N 25°15'00" E a distance of 170.17 feet to a point for corner;

THENCE N 34°48'00" E a distance of 136.00 feet to a point for corner;

THENCE N 48°02'34" W a distance of 21.62 feet to a point for corner;

THENCE N 41°57'26" E a distance of 357.99 feet to a point for corner;

THENCE N 60°43'46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22°31'07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37°21'11" W to the point of tangency;

THENCE S 48°36'44" E a distance of 323.16 feet to a point for corner;

THENCE S 41°57'26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

DECLARATION OF RESTRICTIVE COVENANTS

STATE OF TEXAS           §  
                                  §     DEED RECORDS                   9473  
COUNTY OF DENTON       §

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan").

INTRODUCTION

1. Duncan is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Duncan Outlot Tract").

2. Denton Towne Center Joint Venture, a Texas joint venture ("Towne Center," with such term also applying to the successors and assigns of Towne Center who become owners of all or any portion of the Towne Center Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Towne Center Tract").

3. The Towne Center Tract and the Duncan Outlot Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract".

4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Duncan has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Towne Center Tract.

ARTICLE I

Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below:

(1) the term "building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan Outlot Tract, in accordance with the terms and provisions stated below:

(1) Any receptacle for trash storage shall be enclosed on three sides (with at least one enclosed side facing the Towne Center Tract) by either a wood

screen fence or by a masonry screen fence of the same finish as the building in which the trash being stored is generated.

(ii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment located on the roof.

(iii) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, preformed concrete panels, stucco and decorative concrete blocks.

(iv) No fascia signs located on any building may extend higher than the roof or, if higher, the parapet line of such building.

(v) No portion of any building nor any signs or other vertical structures (other than lighting standards or poles) may be constructed or located within the area identified as the "No Building Area" on Exhibit "C" to this Declaration.

(vi) The maximum number of square feet of gross floor area contained within building(s) which may be constructed within the area identified as the "Restricted Building Area" (herein so called) on Exhibit "C" to this Declaration shall be 3,000 square feet of gross floor area; provided, however, no one building constructed within the Restricted Building Area may contain more than 2,000 square feet of gross floor area. The area contained under any canopies or roof overhangs shall be included within the gross floor area calculations prescribed above when all or any portion of foundation support for such canopies or roof overhangs is located exterior of the building exterior walls, whether the devices providing such foundation support are attached to the building or not.

(vii) No portion of any building (including all vertical projections other than antennas) may exceed twenty-five feet (25') in height above any point along the finished grade level for the building pad of such building.

(viii) No building located anywhere on the Duncan Outlot Tract may be leased to or otherwise occupied by more than one business entity; provided, however, that one building may be leased or otherwise occupied by two, but no more than two, business entities, if such building does not exceed 5,000 square feet of gross floor area.

(ix) All buildings shall be separated from one another at their nearest point by at least fifteen feet (15').

(x) No building shall exceed one story in height; provided, however, that this restriction shall not prohibit mezzanine areas.

1.3 Use Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan

Outlot Tract, in accordance with the terms and provisions stated below. No part of the Duncan Outlot Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Duncan Outlot Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

- (i) Any public or private nuisance;
- (ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;
- (iii) Any obnoxious odor;
- (iv) Any noxious, toxic, caustic, or corrosive fuel or gas;
- (v) Any dust, dirt, or fly ash in excessive quantities;
- (vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;
- (vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;
- (viii) Any "second hand" store, Army, Navy, or government "surplus" store;
- (ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;
- (x) Any dumping, disposal, incineration or reduction of garbage or refuse;
- (xi) Any fire or bankruptcy sale or auction house operation;
- (xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Duncan Outlot Tract is located;
- (xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);
- (xiv) Living quarters, sleeping apartments or lodging rooms;
- (xv) Any mortuary;
- (xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

Vol 1136 No 563

(xvii) Any trailer rental.

ARTICLE II

v 1138 m. 564

Miscellaneous

2.1 Estoppel Certificate. Towne Center hereby cove-  
nants that within twenty (20) days from the delivery of  
written requests, from time to time, of Duncan, it will  
issue to designees of Duncan an estoppel certificate stat-  
ing: (1) whether Towne Center knows of any default by  
Duncan under this Declaration, and if there are known de-  
faults, specifying the nature thereof; and (2) whether to  
Towne Center's knowledge this Declaration has been modified  
or amended in any way (and if it has, then stating the  
nature thereof). Notwithstanding the provisions of Section 2.2  
below, any requests for an estoppel certificate and the  
response thereto may, at the election of the sender, be sent  
by private carrier expedited mail service (i. e., Federal  
Express type service) and, in such event, the request or the  
response, as the case may be, shall be effective on the  
first day following deposit with such private carrier.  
Towne Center agrees to act in good faith in connection with  
requests for estoppel certificates from Duncan. Failure by  
Towne Center to respond within the 20-day period shall be  
deemed the equivalent of a statement that no defaults exist,  
that no amendments to this Declaration have been entered  
into and that this Declaration remains in full force and  
effect.

2.2 Notices. All notices, demands, statements and  
requests required or permitted to be given under this Decla-  
ration must be in writing and shall be deemed to have been  
properly given or served, whether received or not, by deposit-  
ing the same in the United States mails, addressed to Duncan  
or Towne Center, postage prepaid and registered or certified  
mail, return receipt requested, at the address set forth  
below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor  
Dallas, Texas 75201  
Attention: Raymond J. Poche

with copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan: Duncan Properties, Ltd.  
100 Park Avenue Bldg.  
Suite 1204  
Oklahoma City, Oklahoma 73102  
Attention: Neil Hill

with copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein after set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Duncan Outlot Tract and all such covenants shall be binding upon the successors and assigns of Duncan who become owners of any portion of the Duncan Outlot Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Towne Center and the successors and assigns of Towne Center as the owner(s) of the Towne Center Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the persons(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract and the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Duncan (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained

Vol 1136 : 565

V. 1133 W. 556

and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Duncan. Upon the bona fide assignment, conveyance, sale or other transfer by Duncan of its fee simple ownership to any portion or all of the Duncan Outlot Tract, Duncan shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Duncan under this Declaration prior to such sale or transfer).

2.8 Approvals. Duncan may at any time request that Towne Center review plans and specifications for proposed buildings to be located on the Duncan Outlot Tract and advise Duncan of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Duncan shall also deliver to Towne Center sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Towne Center to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Duncan shall be deemed to have submitted adequate information to Towne Center if Towne Center fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Towne Center shall be in writing and shall specify the specific portion of the Restrictions which Towne Center believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Towne Center fails to identify in writing to Duncan within thirty (30) days of the delivery of the initial information or, if later, within fifteen days of the delivery of all information requested by Towne Center, Towne Center shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above-described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Towne Center and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Duncan Outlot Tract, an affidavit identifying Duncan and the Duncan Outlot Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Towne Center shall thereafter be estopped to assert any violations of Section 1.2 of this Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

EXECUTED, to be effective as of the date first above specified.

DUNCAN PROPERTIES, LTD.,

35655

THAT DUNCAN PROPERTIES, LTD., a limited partnership ("Grantor"), for and in consideration of the sum of Ten Dollars (\$10.00) cash and other good and valuable consideration paid by HANDY DAN HOME IMPROVEMENT CENTERS, INC., a Delaware corporation ("Grantee"), whose mailing address is 7909 Fredericksburg Road, San Antonio, Texas 78229, the receipt and sufficiency of which is hereby acknowledged and confessed; and the further consideration of the assumption and agreement by Grantee to keep, pay and perform all of the covenants and obligations of Grantor contained in that certain Grant of Reciprocal Easements, dated March 31, 1962, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, as modified by that certain Modification of Grant of Reciprocal Easements, dated December 7, 1982, duly recorded in the Deed Records of Denton County, Texas (as modified being herein called the "Grant"), for the benefit of all parties owning portions of the real property covered by the Grant (the "Center Property"), insofar and only insofar as said covenants and obligations or any of them pertain to the Property (hereinafter defined), has GRANTED, SOLD and CONVEYED, and by these presents does GRANT, SELL and CONVEY, unto Grantee, that certain tract of land situated in Denton County, Texas, and being a part of the John McGowen Survey, Abstract No. 797, and the Daniel Lambert Survey, Abstract No. 784, more particularly described on Exhibit A attached hereto and incorporated herein by reference for all purposes, together with all and singular all rights and appurtenances thereto in anywise belonging (collectively the "Property").

And Grantor does hereby declare, for the sole and exclusive benefit of the Property and as a covenant running with the tracts of land described on Exhibit B attached hereto and made a part hereof (the "Retained Land"), that as long as Grantee or any affiliate of Grantee is the user of the Property or the major portion thereof, either as owner or lessee, no portion of the Retained Land or any real property adjacent to the Center Property now or hereafter owned or leased by Grantor shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes, however, are not included in the foregoing restriction.

And as further consideration for this conveyance, Grantee does hereby declare, for the sole and exclusive benefit of (i) the first grantee under Grantor of that portion of the Retained Land described on Exhibit C attached hereto and made a part hereof (the "Parcel I Tract") or (ii) an affiliate of said first grantee as the user, owner or lessee of the Parcel I Tract, that no portion of the Property shall be used for the purpose of conducting thereon or for use as a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided, however, that nothing contained herein shall prevent any occupant of improvements on the Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

This conveyance is made subject to those certain exceptions (the "Permitted Exceptions"), set forth in Exhibit B attached hereto and incorporated herein by reference for all purposes, but only to the extent the same are valid and subsisting and affect the Property.

TO HAVE AND TO HOLD the Property unto Grantee, its successors, legal representatives and assigns forever, and Grantor does hereby bind itself, its legal representatives, successors and assigns to WARRANT and FOREVER DEFEND all and singular the Property unto Grantee, its successors, legal representatives and assigns, against every person whomsoever lawfully claiming or to claim the same, or any part thereof, subject, however, to the Permitted Exceptions.

EXECUTED this 9<sup>th</sup> day of December, 1982, but effective for all purposes as of the 9<sup>th</sup> day of December, 1982.

RESTATEMENT OF AGREEMENT OF  
EASEMENTS, COVENANTS AND RESTRICTIONS

VOL 1181 PAGE 564

DEED RECORDS

35656

THIS RESTATEMENT OF AGREEMENT OF EASEMENTS, COVENANTS AND RESTRICTIONS is made and entered into as of the 7<sup>TH</sup> day of November, 1982, by and between DUNCAN PROPERTIES, LTD. ("Duncan"), WAL-MART PROPERTIES, INC. ("Wal-Mart") and HANDY DAN HOME IMPROVEMENT CENTERS, INC. ("Handy Dan").

W I T N E S S E T H:

WHEREAS, Duncan and Wal-Mart entered into an Agreement of Easements, Covenants and Restrictions dated April 26, 1982 and recorded in Volume 1141 at Page 974 et seq of the Deed Records of Denton County, Texas, pertaining to certain real property in the City of Denton, Denton County, Texas shown on Exhibit "A" attached hereto and described in Exhibit "B-1" attached hereto (the "Center Property"); and

WHEREAS, Wal-Mart is the owner of the land designated as Tract I on Exhibit "A" attached hereto and described in Exhibit "B-2"; Handy Dan is the owner of the land designated as Tract II, Parcel 2 on Exhibit "A" and described in Exhibit "B-3"; and Duncan is the owner of Tract II, Parcel 1, Tract II, Parcel 3 and Tract II, Parcel 4 shown on Exhibit "A" and described in Exhibits "B-4", "B-5" and "B-6"; and

WHEREAS, the parties hereto desire to amend and restate the aforesaid agreement.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, THAT for and in consideration of the premises, easements, covenants, conditions and restrictions contained herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Building Areas. Any building or structure constructed on the Center Property (either as immediate development or future expansion) shall be built only in that area within the building lines or only to the maximum square footage as set forth on Exhibit "A" hereto (the "Building Areas"). That portion of the Center Property not within the Building Areas is hereinafter referred to as the Common Area. Any canopies, signs or ornaments which are attached to a building or structure situated within the Building Areas may encroach upon that space above the Common Area provided that such canopy, sign or ornament does not interfere with the unrestricted use of any portion of the Common Area as set forth in paragraph 5 hereof. A Building Area may be improved as Common Area, in which case it shall be deemed Common Area and subject to all the provisions of this Agreement pertaining to Common Area until it is improved with a building.
2. Use. Buildings located on the Center Property shall be used for commercial purposes of the type normally found in a retail shopping center including, without limitation, financial institutions, service shops, offices, and retail stores. With the exception stated below, no cafeteria, restaurant, theater, flea market, car wash, bowling alley, billiard parlor, night club, any business which, as its primary business activity, serves alcoholic beverages for consumption on the premises of such business, or any place of recreation or amusement, shall be situated within any portion of the Center Property which is within a 300 foot radius of the front door of Wal-Mart's or Handy Dan's retail outlet. The parties acknowledge that the location of any such business within said area may inconvenience the customers and may adversely affect the business of Wal-Mart and Handy Dan. Notwithstanding the foregoing restriction, restaurants may be located on Tract II, Parcel 3, and restaurants and restaurant-theater and restaurant-entertainment businesses may be located on Tract II, Parcel 4. No adult book store, massage parlor, "head shop" or store devoted to the sale of sexual material and devices shall be allowed on the Center Property.

2321A-120282

### 3. Competing Business.

a. Duncan and Handy Dan agree that as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I or the major portion thereof, either as owner or lessee, no portion of Tract II and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be occupied by, or leased or conveyed to any other party for use as a discount department store similar to Wal-Mart's retail outlet and whose overall retail concept is based on a discounting price structure similar to the concept used by Wal-Mart.

b. Duncan and Handy Dan further agree that for the benefit of the first grantee from Duncan of Tract II, Parcel 1 or any affiliate of said grantee (as the user of Tract II, Parcel 1 as owner or lessee), no portion of Tract II, Parcels 2, 3 and 4 and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be used for the purpose of conducting therein or for use as, a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided however, that nothing contained herein shall prevent any occupant of improvements on Parcels 2, 3 or 4 or real property adjoining the Center Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

c. Duncan agrees that as long as Handy Dan or any affiliate of Handy Dan is the user of Tract II, Parcel 2 or the major portion thereof, either as owner or lessee, no portion of Tract II, Parcels 1, 3 and 4 and no portion of any real property adjacent to the Center Property now or hereafter owned or leased by Duncan shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes are not included in the foregoing restriction.

d. As used in this Agreement, the term "affiliate" means any person or entity controlling, controlled by or under common control with the party in question.

### 4. Buildings.

a. Design and Construction. All buildings constructed on the Center Property shall be designed so that the exterior of each such building shall be architecturally and aesthetically compatible to all other buildings located on the Center Property and so that any building wall footing shall not encroach from one Tract onto another Tract. The design and construction of any building on the Center Property shall be of high quality and shall be in accordance with sound architectural and engineering standards. Buildings on the following Tracts and Parcels shall not exceed the heights above finished grade set forth below:

Tract I	35 feet
Tract II, Parcels 1 and 2	35 feet
Tract II, Parcel 3	22 feet
Tract II, Parcel 4	22 feet

VOL 1181 PAGE 565

b. Easements. In the event building wall footings encroach from one parcel of separately owned land ("tract") onto another, despite efforts to avoid such occurrence, the party onto whose tract the footings encroach shall cooperate in granting an encroachment permit or easement to the party whose building wall footings encroach.

c. Fire Protection. Any building constructed on the Center Property which is not equipped with a sprinkler system shall be constructed and operated in a manner which will preserve the sprinkler rating on the buildings situated on the Center Property which are equipped with sprinkler systems as established by applicable City, County or State fire code authorities in the City of Denton, Denton County, Texas.

#### 5. Common Area.

a. Grant of Easements. Each of the parties hereto, as grantor, hereby grants to the other parties, as grantees, for their benefit and the benefit of their respective customers, invitees, licensees, tenants, and employees, a nonexclusive easement across the Common Area for roadways, walkways, ingress and egress to any and all public roadways, whether established or proposed, which run adjacent to the Center Property; parking of motor vehicles (except construction worker vehicles); loading and unloading of commercial and other vehicles (except for construction vehicles) and the use of facilities installed for the comfort and convenience of customers, invitees, licensees, tenants and employees of all businesses and occupants of buildings situated on the Center Property.

#### b. Limitations on Use.

(i) Customers. The parties hereto shall use all reasonable efforts to ensure that no person shall be permitted to park on the Common Area except for employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses.

(ii) Employees. Each party shall use reasonable efforts to ensure that all employees of businesses located in the Center Property park in those portions of the Common Area which the parties hereto from time to time mutually designate as employee parking areas.

(iii) General. The primary purpose of the Common Area is to provide for parking for the employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses. Persons using the Common Area in accordance with the provisions of this subparagraph shall not be charged any fee for such use. However, no activity shall be conducted in the Common Area which will interfere with the aforementioned primary purpose of the Common Area.

(iv) Trash Containers. Each owner, on its own tract, may use or permit the use of the portion of the Common Area to the south of the Building Area on Tract I and Tract II, Parcels 1 and 2 for trash containers or compactors and outside storage of merchandise and equipment, provided that they do not interfere with normal access and unloading by delivery and other service vehicles between the Building Area and the southern boundary of the Center Property. Outdoor trash containers and compactors located on Tract II, Parcel 3 shall be screened so that they are not visible from Tract II, Parcels 1 and 2, and the access to the containers and compactors shall be from the north or west.

(v) Outdoor Sales. Outside sales and displays of merchandise shall be permitted to be conducted by any of the stores located on Tract I and Tract II, Parcels 1 and 2 upon their respective sidewalks and within 125 feet of their respective main entrances; provided, however, that the sales area is not located in the drive lanes parallel and adjacent to the front of the building on the respective tract.

(vi) Service Drive and Driving Lane. The Common Area designated "Service Drive" on Exhibit "A" shall be used exclusively for access, loading and unloading of service vehicles, except for underground utility lines, overhead utility lines that do not interfere with service vehicles and the trash containers described in Section 5.b.(iv). The Common Area designated "Driving Lane" on Exhibit "A" shall be used exclusively for passage of vehicles and pedestrians and for underground utility lines.

c. Utility and Service Easements. The parties hereto shall cooperate in the granting of appropriate and proper easements for the installation, use, repair and replacement of storm drains, sewers, utilities and other proper services necessary for the orderly development and operation of the Common Area and those buildings to be erected upon the Building Areas. The parties will use their best efforts to effect the installation of such utility and service lines prior to the paving of the Common Area. However, in no event shall the lines, sewers, utilities and services which benefit one tract be installed within the Building Areas of any other tract without the express written consent of the owner of the other tract.

d. Water Flow. The parties agree to the drainage of surface water in the Center Property that results from (i) the grading and underground drainage system shown on Exhibit "C" attached hereto and (ii) the location of buildings within the Building Area (the "Permitted Drainage"); and the parties hereby grant each other an easement to allow the Permitted Drainage over their respective tracts. Each party agrees that it will not alter the grading within its tract or place improvements in the Common Area that will materially alter the Permitted Drainage or cause the owner of any other tract to be in violation of the surface drainage easement contained in the Grant of Reciprocal Easements between Duncan Properties, Ltd. and Denton Towne Center Joint Venture dated March 31, 1982 as recorded in Volume 1136, Page 509, Deed Records, Denton County, Texas.

e. Subdivision of Existing Tracts. Tracts created by subdivision of already existing tracts shall have, with respect to each other, all easements granted in this Section 5 that benefit the present Tracts and Parcels in which said newly created tracts are located.

#### 6. Development, Maintenance, and Taxes.

##### a. Development.

(i) "Parking Area" Ratio. Each owner agrees it shall maintain, in that portion of the Common Area situated on its respective tract, sufficient parking area to accommodate not fewer than five (5) cars spaces for each one thousand (1,000) square feet of building floor area constructed on its respective tract. If a restaurant is operated on Tract II, Parcel 3, then (i) the Common Area on said Parcel shall contain no fewer car spaces than the seating capacity of the restaurant divided by 3 and (ii) the principal occupant of Tract II, Parcel 2 may require all or some of the restaurant employees to park their cars on designated portions of Tract II, Parcel 2.

(ii) Design of Common Area. The design and arrangement of the Common Area shall not be changed in a manner inconsistent with the terms of this Agreement without the express written consent of the parties entitled to amend this Agreement pursuant to Article 17, except that the location and use of the Service Drive and Driving Lane shown on Exhibit "A" shall not be changed without the express written consent of all Principal Parties (as defined in Paragraph 17).

(iii) Coordination of Common Area Construction-Service Drive. Wal-Mart acknowledges that at the time it opened for business to the general public on November 16, 1982 the Service Drive located as set forth on Exhibit "A" was completed in Tract I only. As Wal-Mart gave Duncan no written notice of its scheduled opening date, Wal-Mart has

waived its right to complete that portion of the service drive located on Tract II, Parcels 1 & 2 and does hereby waive any rights it may have had to complete same. Nevertheless, it is agreed by all parties that the portion of the Service Drive on Tract II Parcels 1 & 2 will be constructed on the respective parcels by the time the buildings on said Parcels are completed.

(iv) Coordination of Common Area Construction-Tract II, Parcels 1 & 2. In addition to Subparagraph 6.a.(iii), each of the owners of Tract II, Parcel 1 and Tract II, Parcel 2 agree with the other to complete construction on its Parcel of the work described below within forty (40) days after it receives written notice from the other owner that an occupant intends to open a place of business on the latter's Parcel within seventy-five (75) days. The work to be performed by each owner is the paving of the Service Drive and the parking area lying north of the sidewalk line and within thirty-five (35) feet of the boundary between Tract II, Parcels 1 and 2. The specifications for the work to be performed on each owner's Parcel are set forth in Exhibit "D" attached hereto. In the event that either owner should fail to fulfill its obligations under this paragraph 6.a.(iv) (the "defaulting party"), then the other owner (the "non-defaulting party") shall have the right to complete such work on the defaulting party's Parcel pursuant to a bid approved by the defaulting party, said approval not to be unreasonably withheld and to be deemed given if not refused within ten (10) days after it is submitted. In connection therewith the non-defaulting party shall obtain a waiver from its contractors and sub-contractors of any and all liens which could be asserted against the defaulting party's tract. All costs and expenses incurred in connection with any such construction shall be payable by the defaulting party to the non-defaulting party upon demand after the issuance of a certificate of occupancy for the building on the defaulting owner's Parcel. In order to secure such sums the non-defaulting party shall have a lien on the Parcel owned by the defaulting party, which shall be superior to all other liens except liens securing lawful governmental assessments and bona fide first lien mortgages or first lien deeds of trust, and which shall be evidenced by the non-defaulting party preparing, executing, acknowledging and recording in the appropriate records in the office of the County Clerk of Denton County, Texas, a notice of such lien setting forth the principal amount due, the name of the defaulting party and a description of the tract owned by the defaulting party. After recordation of such notice the lien may be foreclosed in like manner as a mortgage on real property subsequent to the recording of a notice or claim thereof. The defaulting party shall be responsible for and shall pay all costs and expenses incurred by the non-defaulting party in enforcing any of the foregoing rights and remedies (including attorneys' fees and court costs).

(v) Conduct of Construction. All construction work done within the Center Property and the right of way adjoining the Center Property shall be conducted so as not to unreasonably interfere with permitted uses (including construction activity) and businesses conducted in the Center Property. The Service Drive designated on Exhibit "A" shall not be obstructed except temporarily for necessary construction work or unloading, provided that during the period the Service Drive is so temporarily obstructed the dock area of the building on Tract I must be served by an unobstructed truck route utilizing portions of the Service Drive connected to the parking area on Tracts I and II. Notwithstanding Section 6.b.(i), an owner of a tract upon which construction is taking place shall repair all damage to the Building and Common Areas on other tracts caused by its construction work.

b. Maintenance.

(i) Standards. Following completion of the improvements on the Common Area, each of the parties respectively shall maintain that portion of the Common Area situated on its tract in good condition and repair. Such maintenance shall include, without limitation, the following:

(A) Maintaining the surfaces in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(B) Removing all papers, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition;

(C) Installing, repairing, and replacing any and all necessary directional signs, markers and lines;

(D) Operating, repairing and replacing, where necessary, such artificial lighting facilities as shall reasonably be required;

(E) Maintaining all perimeter walls in a good condition and state of repair; and

(F) Maintaining all landscaped areas and making such replacements of shrubs and other landscaping as is reasonably necessary.

(ii) Expenses. Each of the parties hereto shall pay the cost of maintaining their respective tracts, except that owners and tenants of tracts that negligently or wilfully cause damage to other tracts shall reimburse its owner for the cost of the repair.

(iii) Maintenance Service. The parties hereto may agree to employ an independent maintenance service to maintain the Common Area in the manner above outlined. The expenses incurred in connection with the hiring of such maintenance service shall be borne by the parties hereto in the same proportion that the number of square feet contained in their respective tracts is to the total number of square feet in the Center Property.

c. Prior to Development. Before land in the Center Property is improved, its owner shall maintain the land in compliance with all laws and governmental rules and regulations and shall not permit a nuisance affecting any other part of the Center Property to exist on its land. Without limiting the foregoing, the owner shall keep grass and underbrush cut, remove debris, prevent soil from washing into improved portions of the Center Property and maintain in an attractive condition any fences or barriers on its Building Area that is not intended for use solely during construction.

d. Restoration. A building in the Center Property damaged by casualty or condemnation does not have to be restored, but its owner shall within ninety (90) days after the damage occurs remove all debris resulting therefrom and within a reasonable time thereafter either (i) repair or restore the building, (ii) replace the building with a new improvement that complies with this Agreement or (iii) demolish the building, remove the debris, smooth the ground surface and either pave or grass over the site.

e. Taxes. Each of the parties hereto agrees to pay or cause to be paid, before delinquent, directly to the appropriate taxing authority those assessments which are levied against that portion of the Center Property owned by it.

VOL 1181 PAGE 349

7. Signs.

a. No sign shall be located on the Center Property, except as allowed in this Article. All signs located on the Center Property shall be related to business(es) conducted on the Center Property. 774 DMC

b. The two (2) signs designated as Center I.D. signs on said Exhibit "A" and located on Tract I and Tract II, Parcel 4, respectively, shall be composed of a pylon structure and not more than three individual box signs. None of the boxes shall have flashing lights or moving visual or mechanical elements. The top box of each such Center I.D. sign shall be designated for use by Wal-Mart. The second box from the top of each such Center I.D. sign shall be designated for use by the principal user of Tract II, Parcel 1. The third box from the top of the easterly Center I.D. sign shall be designated for use by Handy Dan. The remaining box on the westerly Center I.D. sign, if used, shall be used by the business designated by Wal-Mart and the user of Tract II, Parcel 1. The designated user of each box shall bear an equal share of the cost of constructing and maintaining the Center I.D. pylon sign structures, said share being proportional to the number of boxes on the pylon. The cost of installing, equipping, maintaining, illuminating and metering each of the boxes used by owners or tenants utilizing such boxes shall be borne completely by such tenant or owner.

c. The sign situated on Tract II, Parcel 2 and designated "Handy Dan Sign" on Exhibit "A" hereto shall be the sole responsibility of Handy Dan and Handy Dan shall have the right to erect and use or allow the use of such sign.

d. The two signs situated on Tract II, Parcel 4, each designated "Duncan Sign Easement" on Exhibit "A", shall be the sole responsibility of the principal user of Tract II, Parcel 1, and said user shall have the right to erect and use or allow the use of such sign.

e. Duncan shall have the right to erect and to apportion the use of four (4) additional signs on Tract II, Parcel 4 (other than the Center I.D. sign and the two Duncan Sign Easements) and one sign on Tract II, Parcel 3, provided that the sign on Tract II, Parcel 3 does not exceed thirty-five (35) feet in height and does not materially impede the visibility of the sign described in subparagraph 7.c. from Interstate Highway 35.

8. Indemnification/Insurance.

a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim, or judgment arising from personal injury, death, or property damage occurring on or in any way connected with the indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee.

b. Insurance.

(i) Each owner of a tract at its sole cost and expense shall procure and maintain or cause to be procured and maintained in full force and effect throughout the term of this Agreement policies of general public liability insurance and of property damage insurance. Such policies shall provide coverage against all claims, demands or actions for personal injury, death or property damage occurring upon or in connection with that portion of the Center Property owned by such party within limits of not less than \$500,000.00 for injury or death of a single person, within limits of not less than \$1,000,000.00 for any one occurrence, and within limits of not less than \$500,000.00 for property damage. Such policies shall name as additional insureds all Principal Parties (as defined in Paragraph 17) of which the owner has knowledge and shall provide that it may not be cancelled as to any insured without at least ten (10) days advance written notice to the insured. Each owner shall provide the Principal Parties named as additional insureds with

certificates of such insurance from time to time to evidence that such insurance is in force. Such insurance may be written by an additional premises endorsement on any master policy of insurance carried by either of the parties hereto.

(ii) During the term of this Agreement, each owner shall insure or cause to be insured all improvements located on its tract against loss or damage by fire and any other perils or events which may be covered under the broad form of Uniform Extended Coverage Clause in effect from time to time in the State of Texas. Said insurance shall be for the full replacement cost of such improvements.

(iii) Except for damage covered by Subparagraph 6.b.(ii), each owner and occupant of real property within the Center Property hereby releases, on behalf of itself and its insurers, each other owner and occupant of real property within the Center Property from any and all claims for damage to real and personal property, business interruption, loss of profits and loss of rent or payment of rent for untenable premises, regardless of whether such losses are insurable or the releasing party is insured or is able to collect on its insurance claims. If the releasing party is unable to obtain insurance by reason of the aforementioned release, then the release (i) shall be limited to the releasing party and apply only to the uninsured and uncollectible portions of its loss, and (ii) shall not apply to its insurer or bar a subrogation action by the insurer to recover the amount it has paid. In that instance, however, the releasing party shall indemnify and hold harmless each other owner and occupant of real property within the Center Property from all loss, damage and expense (including attorneys' fees) in connection with the claims mentioned in the first sentence of this paragraph made by the releasing party's insurer.

(iv) Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Wal-Mart or its parent company, Wal-Mart Stores, Inc., shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I, either as owner or lessee, then Wal-Mart shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract I up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Handy Dan or its parent company, Grace Retail Corporation, shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Handy Dan, or any affiliate of Handy Dan, is the user of Tract II, Parcel 2, either as owner or lessee, then Handy Dan shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 2 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of a company operating a supermarket on Tract II, Parcel 1 or its parent company, shall exceed Fifty Million Dollars (\$50,000,000.00), then the company operating the supermarket shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 1 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim.

#### 9. Eminent Domain.

a. Owner's Right to Award. Nothing herein shall be construed to (i) give either party any interest in and to any award or payment made to another party in connection with any exercise of eminent domain (or transfer in lieu thereof) affecting the other party's tract, or (ii) give the public or any government any interest in and to said tract. In the event of any exercise of eminent domain (or transfer of any part of the Center Property in lieu thereof) the award attributable to the land and improvements of such tract shall be payable only to the owner thereof, and no claim therefor shall be made by the owner of any other tract.

b. Collateral Claims. An owner of a tract may file collateral claims with any condemning authority in connection with any losses sustained by it in connection with the taking of any other tract.

c. Tenant's Claim. Nothing in this Paragraph 9 shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between a tenant and owner for all or a portion of any such award or payment.

d. Restoration of Common Area. The party owning any portion of the Common Area so condemned or taken shall use its best efforts to promptly repair and restore the remaining portion of the Common Area owned by such party to the condition existing immediately prior to such condemnation or transfer. However, in connection with such restoration or repair, no party shall be required to expend an amount which exceeds the amount such party received for such condemnation or taking.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a tract, such lien shall expressly be subordinate and inferior to any lien securing lawful governmental assessments and bona fide mortgages or first priority deeds of trust which encumber such tract prior to the attachment of said lien. Except as set forth in the preceding sentence, the holder of a first lien on any portion of the Center Property and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement.

11. Release from Liability. Any person now owning or hereafter acquiring fee or leasehold title to any portion of the Center Property shall be bound by this Agreement only as to that portion of the Center Property owned or leased by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of a portion of the Center Property, except as to obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this paragraph, the easements, covenants and restrictions in this Agreement shall continue to be benefits and servitudes upon the Center Property which run with the land.

12. Breach. In the event of breach or threatened breach of this Agreement, a party entitled to enforce the breached obligation (as described in Paragraph 18) shall be entitled to any relief available under the laws of the State of Texas, ~~and the right to enjoin a violation or threatened violation of this Agreement without regard to the sufficiency of legal damages or any other remedy.~~ The unsuccessful party in any action shall pay to the prevailing party all reasonable attorneys' fees incurred in connection with the prosecution or defense of such suit. 7/12 DMC

13. Right to Cure. Should any owner or user of a portion of Tract II fail to timely perform any of its obligations hereunder and thereafter fail to cure such failure within thirty (30) days of its receipt of a demand for performance made by another owner or user of a portion of Tract II that is entitled to enforce the obligation pursuant to Paragraph 18 (or, if the default cannot be reasonably cured within thirty days, the defaulting party does not commence to cure such default promptly and thereafter diligently pursue the curing of the default to completion), the party giving such notice shall, in addition to any other remedy provided at law or in this Agreement, have the right (but not the obligation) to perform such obligation on behalf of the defaulting party. The thirty (30) day period to cure the default may be reduced in the event of an emergency by the party giving notice stating the nature of the emergency and the shorter time to cure the default in its notice. The defaulting party shall reimburse the party curing the default for the cost of performing the defaulted obligation within fifteen (15) days after receipt of billing therefor and proof of payment thereof. In the event the defaulting party does not reimburse the curing party within such fifteen (15) day period, the amount due shall bear interest at the rate of three percent (3%) per annum over the stated prime interest rate of the largest commercial bank (asset size) in Dallas, Texas, from the date of billing until paid and the curing party shall have: (i) the right to exercise any and all rights which such curing party might have at law to collect the same, and (ii) have a lien on the tract owned by the defaulting party to the extent of the amount paid by the curing party but

not reimbursed by the defaulting party. Such lien may be filed for record by the curing party as a claim against the defaulting party, in the manner described in Subparagraph 6(a)(iv).

The lien so claimed shall attach from the date of recordation in the amount claimed by the party curing the default and it may be enforced and foreclosed in any manner allowed by law, including but not limited to suits to foreclose a mortgage or mechanic's lien under the applicable law of the State of Texas.

14. Rights of Successors. The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, legal representatives, lessees, successors and assigns. As used herein, the singular number includes the plural and the masculine gender includes the feminine and neuter.

15. Adjoining Shopping Center Restrictions. The parties hereto each acknowledge that Denton Towne Center Joint Venture as the owner of real property situated adjacent to the Center Property (the "Towne Center Tract"), made, executed and delivered that certain Declaration of Restrictive Covenants (the "Declaration") dated March 31, 1982, recorded in Volume 1136, page 544, Deed Records, Denton County, Texas, which benefits the Center Property, but for which the benefits and the enforcement thereof were limited to the owners of Tract 11, Parcel 4. Duncan, for itself, its successors, legal representatives and assigns, and as a covenant running with Tract 11, Parcel 4, hereby covenants and agrees that the Declaration shall not be altered, modified, amended or affirmatively waived in any manner without the prior written consent of all of the owners of the Center Property.

16. Prior Easements and Restrictions. The parties each acknowledge that this Agreement is made and accepted subject to certain prior easements and restrictions of record in Denton County, Texas, including (i) that certain Declaration of Restrictive Covenants, dated March 31, 1982, recorded in Volume 1136, page 561, Deed Records, Denton County, Texas, burdening Tract 11, Parcel 4 for the benefit of the Towne Center Tract, and (ii) that certain Grant of Reciprocal Easements, dated March 31, 1982, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, covering the Center Property and the Towne Center Tract. To the extent any term or covenant hereof conflicts with a term or covenant set forth in such prior easements and restrictions, the terms of such prior easements and restrictions shall control.

17. Cancellation, Extension and Modification. This Agreement may be cancelled or extended only by all the owners of the Center Property, the Principal Parties (hereinafter defined) and all holders of first mortgages on the Center Property. The provisions of this Agreement may be amended by the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property, provided, however, that (i) no change will be made in the improvement or layout of a portion of a Building Area or Common Area without the consent of its owner and its tenant if the tenant is a Principal Party and (ii) the Service Drive and Driving Lane shall not be changed without consent of all Principal Parties. Consent, as referred to in this Paragraph, shall be evidenced only by execution of a formal, written amendment of the document in question. The provision of the Grant of Easements described in Subparagraph 16(ii) shall not be amended by the owners of the Center Property without the prior written consent of the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property. "Principal Party" means (i) Wal-Mart, Handy Dan, Duncan and their respective affiliates, (ii) a tenant of the entire Building Area on Tract 1, Tract 11, Parcel 1, or Tract 11, Parcel 2, and (iii) the owner of Tract 1 or Parcel 1, 2, 3 or 4 of Tract 11, if said Tract or Parcel is not used by another Principal Party. Any purchaser, lender, lessee, assignee, grantee, sublessee or any other party acquiring any interest in and to the Center Property shall appoint and be deemed to

7/11  
JMC

VOL 1181 PAGE 573

have appointed the Principal Party of the property in which it has an interest as such party's attorney-in-fact for the purpose of negotiating and entering into any modifications of this Agreement in connection with such party's interest, except for changing the duration of this Agreement.

18. Enforcement. The covenants and restrictions in this Agreement may be enforced only by a record owner of land within the Center Property and a Principal Party. Any occupant of the Center Property may enforce its right to use an easement granted herein for its benefit but may not enforce any limitations or obligations imposed upon other parties with respect to such easements.

19. Estoppel Certificate. Each Principal Party and owner of property within the Center Property, upon written request made by any other owner or Principal Party ("Requesting Party") from time to time, (but not more frequently than three (3) times during any calendar year), shall issue to a prospective mortgagee or successor Principal Party of the Requesting Party, an estoppel certificate stating:

- (i) whether the party to whom the request has been directed knows of any default by the Requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof;
- (ii) whether to its knowledge this Agreement has been modified or amended in any way (and if it has, then stating the nature thereof);
- (iii) that to the knowledge of the party to whom the request has been directed, this Agreement is in full force and effect.

20. Non-Extinguishment. This Agreement shall not be extinguished, so long as Duncan, Wal-Mart or Handy Dan, or any affiliate of Wal-Mart or Handy Dan is the owner or lessee of any portion of the Center Property, even though the underlying fee ownership of the Center Property may be vested in a single person or entity.

21. Duration. Unless otherwise cancelled or terminated, this Agreement and all the easements, rights and obligations contained herein shall automatically terminate and be of no further force and effect after seventy-five (75) years from and after the date hereof.

22. Headings. The headings used in this Agreement are for convenience and reference only and shall not be deemed to expand or limit the meaning of this Agreement.

23. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements whether oral or written.

24. Notice. All notices, demands and requests which may be given or which are required to be given by any party to other parties shall be in writing and shall be sent by United States certified or registered mail, postage prepaid, return receipt requested, addressed to Wal-Mart, Handy Dan or Duncan, respectively, as follows:

EXHIBIT B-1

VOL 1181 PAGE 578

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J.S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E ( a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01° 41' 20" E a distance of 70.71 feet to a point;  
S 34° 42' 00" E a distance of 226.60 feet to a point;  
S 42° 00' 59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42° 33' 00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 90.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 170.17 feet to a point for corner;

THENCE N 34° 48' 00" E a distance of 136.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 21.62 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 357.99 feet to a point for corner;

THENCE N 60° 43' 46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22° 31' 07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37° 21' 11" W to the point of tangency;

THENCE S 48° 36' 44" E a distance of 323.16 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

N 47° 27' 00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 ( a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42° 27' 28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02° 48' 06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34° 42' 00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 65.87 feet to a point for corner;

THENCE S 05° 49' 03" W a distance of 95.00 feet to a point for corner;

THENCE S 86° 43' 12" W a distance of 90.00 feet to a point for corner;

THENCE S 42° 33' 00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42° 00' 59" W a distance of 90.60 feet to a point for corner;

N 34° 42' 00" W a distance of 226.60 feet to a point for corner;

N 01° 41' 20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

MU

## EXHIBIT B-2

BEING a tract of land situated in Denton County in the J.S. Taft Survey, Abstract No. 1256, the John McGowan Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784 and also being all of Lot 1, Block 1 of the Denton Shopping Center Addition, an addition to the City of Denton, according to the replat thereof, recorded in the Map Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point in the common line between the said John McGowan Survey and the said Daniel Lambert Survey, 124.00 feet south of the Northwest corner of the Daniel Lambert Survey;

THENCE N  $60^{\circ} 43' 46''$  E, a distance of 268.95 feet to a point for corner, said point also being the beginning of a curve to the left having a radius of 453.38 feet and central angle of  $22^{\circ} 31' 07''$ ;

THENCE along said curve, an arc distance of 178.19 feet to a point for corner;

THENCE S  $48^{\circ} 36' 44''$  E, a distance of 323.16 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 580.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 125.00 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 105.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 155.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 108.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 303.66 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 357.99 feet to the POINT OF BEGINNING and containing 7.242 acres of land, more or less.

## EXHIBIT B-3

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784, and being part of Lot 2 in Block 1 of the replat of Denton Shopping Center Addition, an addition to the City of Denton as recorded in Cabinet C, Page 19, Deed Records, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the Northeasterly line of Interstate Highway No. 35-E (variable right of way), said point also being the Southwesterly corner of said Denton Shopping Center Addition;

THENCE along the said Northeasterly line of I.H. 35-E the following:  
N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

THENCE N 41° 57' 26" E departing said I.H. 35-E a distance of 95.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 85.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 132.75 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 12.61 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 30.17 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 25.00 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 236.91 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 25.50 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 244.00 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 333.26 feet to the POINT OF BEGINNING and containing 127,375 square feet or 2.924 acres of land, more or less.

VOL 1181 PAGE 581

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797, and the Daniel Lambert Survey, Abstract No. 784, and being part of Lot 2 of the replat of Denton Shopping Center Addition as recorded in Cabinet C, Page 67, Deed Records, Denton County, Texas and being more particularly described as follows:

BEGINNING at the Southwest Corner of Lot 1 of the said replat of Denton Shopping Center Addition;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 239.34 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W a distance of 244.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 25.50 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W a distance of 236.91 feet to a point for corner;

THENCE N  $64^{\circ} 45' 00''$  W a distance of 25.00 feet to a point for corner;

THENCE N  $25^{\circ} 15' 00''$  E a distance of 140.00 feet to a point for corner;

THENCE N  $34^{\circ} 48' 00''$  E a distance of 136.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 282.03 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E a distance of 108.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 155.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 105.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 125.00 feet to the POINT OF BEGINNING AND containing 3.50 acres of land, more or less.

EXHIBIT B-5

BEING a tract of land of the John McGowen Survey, Abstract No. 797, and being part of lot 2, of the replat of Denton Shopping Center Addition. An addition to the City of Denton as recorded in Cabinet C, page 67 Deed Record, Denton County, Texas and being more particularly described as follows:

BEGINNING with an iron rod set at the Northwest corner of Lot 2, and being in the Easterly line of Interstate Highway 35 (a variable width row) said point also being the Southwest corner of Lot 3.

THENCE N  $42^{\circ} 33' 00''$  E a distance of 145.00 feet to an iron rod set for corner;

THENCE N  $86^{\circ} 43' 12''$  E a distance of 77.39 feet to an iron rod set for corner;

THENCE S  $05^{\circ} 49' 03''$  W a distance of 132.75 feet to an iron rod set for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 85.00 feet to an iron rod set for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 95.00 feet to an iron rod set for corner in the said East line of Interstate Highway 35.

§  
§  
§  
MODIFICATION OF RESTATEMENT  
OF AGREEMENT OF EASEMENTS,  
COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

Complainant Party *nn*.

*nn* - ~~greater~~

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the ~~party~~ who owns the ~~greatest~~ portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

the Principal Party of

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. ~~Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.~~ nn.

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the <sup>party</sup> who owns the greater portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

VOL 1225 PAGE 385

# 3675  
ECT:vmv  
5/19/83

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

COUNTY OF DENTON

§ MODIFICATION OF RESTATEMENT  
§ OF AGREEMENT OF EASEMENTS,  
§ COVENANTS & RESTRICTIONS  
**DEED RECORDS**

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26<sup>th</sup> day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

**W I T N E S S E T H:**

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the party who owns the greater portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

\* Complaining

VOL 1225 PAGE 371

the Principal  
Party of

ABW

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of <sup>Tract</sup> Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.

ABW

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

DEED RECORDS

GRANT OF RECIPROCAL EASEMENTS

9471

THIS GRANT OF RECIPROCAL EASEMENTS ("Agreement") is to be effective as of March 31, 1982, and is between DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan") and DENTON TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center"), upon the following terms and conditions:

INTRODUCTION

1. Duncan owns a tract of land (the "Duncan Tract") located partially in the Daniel Lambert Survey, Abstract No. 784, and partially in the John McGowan Survey, Abstract No. 797, and partially in the J. S. Taft Survey, Abstract No. 1256, City of Denton, Denton County, Texas, which land is described on Exhibit "A" to this Agreement and shown on Exhibit "C-1" to this Agreement (the "Site Plan"). The Duncan Tract is composed of "Duncan's Main Tract", being the area shown as such on the Site Plan and "Duncan's Outlot Tract", being the area shown as such on the Site Plan.
2. Towne Center owns a tract of land located partially in the Daniel Lambert Survey, Abstract No. 784, partially in the John McGowan Survey, Abstract No. 797 and partially in the J. S. Taft Survey, Abstract No. 1256, which is contiguous to the Duncan Tract, and which is described on Exhibit "B" to this Agreement and shown on the Site Plan (the "Towne Center Tract"). The Towne Center Tract and the Duncan Tract collectively shall be referred to as the "Shopping Center", and are sometimes individually referred to as a "Tract".
3. The terms "Duncan" and "Towne Center" shall include their respective successors and assigns as owners of portions of the Shopping Center and all such parties shall be referred to in this Agreement individually as a "Party" and collectively as the "Parties". As used in this Agreement, the term "Permittee" shall collectively refer to the Parties, each person or entity entitled to occupy a portion of the Shopping Center and all of their respective officers, employees, agents, contractors, customers, visitors, business invitees and other invitees of any nature whatsoever.
4. Towne Center and Duncan intend to develop and operate their respective Tracts in conjunction with each other, and in order to effectuate that purpose, Towne Center and Duncan desire to grant to each other certain reciprocal easements in, to, over and across their respective Tracts.

ARTICLE I

EASEMENTS

- 1.1 Access Easements. Each Party hereby grants and conveys to each other Party for its use and for the use of its Permittees, in common with others entitled to use the same, a nonexclusive perpetual easement for the passage of vehicles over and across the portions of the grantor's Tract shown as "Access Easements" on Exhibit "C-2" to this Agreement and described by metes and bounds on Exhibits "D-1, D-2 and D-3" to this Agreement as Access Easement #1, Access Easement #2 and Access Easement #3 so as to assure a free and unimpeded flow of vehicular traffic through the interconnecting Access Easements. Neither Party shall vary, alter

Vol 1136 - 569

or change the grade levels of its Tract within any of the Access Easements from the grade levels shown on the grading plan attached to this Agreement as Exhibit "E" without the prior written consent of the other Party. No fence (except the required guard rails referred to in Section 3.4 hereof and shown on Exhibit "H") or other barrier which would prevent or obstruct the passage of vehicular travel shall be erected or permitted within or across the Access Easements; provided, however, that a Party may, at its sole election, erect curbing along those boundary lines of the Access Easements which are located on its Tract except (i) in that area identified as "No Curb Area" on Exhibit "C-1", within which no curbing may be erected by any Party, and (ii) within any intersection of two Access Easements. Towne Center shall have the right, and an easement over and across that portion of the Duncan Tract as is necessary to effectuate such right is hereby granted, to penetrate any curbing erected within the "Optional Curb Opening Area" shown on Exhibit "C-2" to create a curb opening and to pave and use as a driveway, from the Towne Center Tract to Access Easement #1, an area of a width to be determined by Towne Center in its sole discretion, but in no event to exceed two hundred sixty-eight feet (268'). In such event, Towne Center acknowledges that water will likely surface drain from Duncan's Tract into the Towne Center Tract through any opening so created by Towne Center in the curb, and Towne Center will accept all such water onto its Tract and will release, indemnify and hold Duncan harmless from any loss, liability or cause of action arising from such water drainage, notwithstanding the provisions of Section 1.3 hereof. Towne Center shall be responsible at its sole expense for all such work and to prepare neat and sightly curb openings. The foregoing provisions shall not prohibit temporary barricades erected and reasonably necessary in connection with the construction, reconstruction or repair and maintenance of improvements erected or constructed in connection with this Article I (collectively "Construction"). All Construction shall be conducted in the most expeditious manner reasonably possible to minimize the interference with the use of the Access Easements, with the Party erecting temporary barricade(s) being obligated to provide alternate routes of vehicular travel to the extent that such are obstructed at all times while any barricade(s) remains in place; provided, however, that prior to closing off any portion of the Access Easements, as herein provided, such Party shall give written notice to the other Party of its intention to do so, and shall coordinate such closing with the other Party so that no unreasonable interference in the operation of the Shopping Center shall occur.

1.2 Utilities. Each Party hereby grants and conveys to each other Party a nonexclusive perpetual easement in, to, under and across the areas of the grantor's Tract shown as "Utility Easements" on Exhibit "C-3" and described by metes and bounds on Exhibit "F" attached to this Agreement, for the installation, operation, flow and passage, use, maintenance, repair, relocation within the easement area and removal of water and gas mains, electrical power lines, telephone lines, television cable and any related facilities which are incidental to any such services to serve the Tract of the grantee. All utility lines or systems installed pursuant to the foregoing grant shall be underground, except for incidental surface structures such as phone pedestals and power transformers, which may be installed above ground in an area outside of Access Easement #1 which is either within the Utility Easement or on the Tract of the installing Party. Any Party installing utilities pursuant to the

provisions of this subparagraph shall pay all costs and expenses with respect thereto and shall cause all work in connection therewith to be completed, including general clean-up and surface restoration, as quickly as practical. If any of the Parties elect to install common utility lines or systems, all costs and expenses with respect to the initial installation thereof shall be set forth in a separate agreement between the cooperating Parties.

1.3 Surface Drainage Easement. Towne Center hereby grants to Duncan and Duncan's successors and assigns, a perpetual nonexclusive easement for surface water drainage from Duncan's Main Tract into the Surface Drainage Entry Area owned by Towne Center, as shown on Exhibit "C-2", but not into any other portion of the Towne Center Tract. Towne Center acknowledges that the path of surface water after entering the Surface Drainage Entry Area will be the responsibility of Towne Center. Attached to this Agreement as Exhibit "C" is a grading plan which identifies a possible Drainage Basin (with the term "Drainage Basin" referring to an area from which water will flow and drain through the Surface Drainage Entry Area), pursuant to which Duncan may elect to grade its Tract (the "Safe Harbor Grading Plan"). If Duncan does so grade its Tract, then Towne Center shall accept whatever amount of water flow is created by the Safe Harbor Grading Plan from the Drainage Basin. If Duncan shall grade its Tract in such a manner so as (a) to increase or change the perimeter boundaries of the Drainage Basin from that shown in the Safe Harbor Grading Plan or (b) to materially alter the grade levels within the Drainage Basin shown in the Safe Harbor Grading Plan in any manner, then Duncan shall be obligated and does hereby covenant to grade Duncan's Main Tract so as to assure that the water flow into the Surface Drainage Entry Area shall not exceed five cubic feet per second of water based on a ten-year design frequency as established by the City of Denton Drainage Design Manual dated May 1975, using the applicable assumptions used by the City of Denton, Texas on the effective date of this Agreement. If Duncan shall violate the terms of the covenants contained in the immediately preceding sentence, Towne Center may deliver written notice thereof to Duncan together with a certification from a registered civil engineer of such violation, together with an identification of the Drainage Basin which is causing the default (the "Drainage Default Notice"). The Party owning the Drainage Basin causing the default shall be the only person or entity deemed to be Duncan for purposes of the remainder of this Section 1.3. In such event, the following procedures shall apply:

(i) If Duncan concedes that a violation does exist, Duncan may, within thirty days from delivery of the Drainage Default Notice, submit to the City Engineer of the City of Denton, Texas (or if he declines to assist, to an engineer designated by the City Engineer of the City of Denton, Texas -- whichever may be applicable being referred to as the "Binding Engineer") and to Towne Center a proposal for curing the violation. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at its sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(ii) If Duncan does not agree that a violation exists, Duncan may, within thirty days following delivery of the Drainage Default Notice, obtain an opinion

Vol: 1136 511

VC: 1136 512

from the Binding Engineer concerning the existence of a violation. If the Binding Engineer determines that no violation exists, such determination shall be final and binding on all Parties. If the Binding Engineer determines that a violation does exist, then Duncan shall have a period of thirty days from the date on which written notice of such determination is delivered to Duncan and Towne Center to submit a proposal to cure the violation to the Binding Engineer and to Towne Center. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at Duncan's sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(iii) If Duncan fails to obtain an opinion of the Binding Engineer within the stated thirty-day period, then a violation shall be deemed to have been conclusively established and Towne Center may pursue all remedies prescribed below.

Notwithstanding anything contained hereinabove to the contrary, if within sixty days following the delivery of the Drainage Default Notice, Duncan has not either (x) commenced curing the asserted violation or (y) delivered to Towne Center an opinion from the Binding Engineer that no violation exists, then Towne Center shall have, in addition to all other rights and remedies otherwise available, the right to terminate the easement granted in this Section 1.3. In addition, Towne Center may erect or construct, at Duncan's sole expense, whatever barriers or other devices (including, but not limited to, underground water collection devices) Towne Center may deem appropriate to prevent the passage of surface water into the Surface Drainage Entry Area. Duncan shall promptly reimburse Towne Center upon request for any such expenses actually incurred by Towne Center in connection with curing such violation. In addition to all of the foregoing, (aa) until such time as the initial Slope Retention Devices (i.e., the earthen bank described in Section 1.4 hereof) are modified, altered or replaced in accordance with Section 2.3 hereof, Duncan may drain surface water over and across any portion of the Towne Center Tract located to the west of Access Easement #2, and (bb) if Towne Center is the direct cause of a violation of the covenants of this Section 1.3 (for example, but not by way of limitation, by penetrating any curb bordering the Duncan Main Tract as contemplated by Section 1.1 or by failing to maintain or repair the Slope Retention Devices in accordance with Section 2.3 hereof), thereby causing water to enter the Towne Center Tract at a place other than the Surface Drainage Entry Area, Duncan shall not be responsible therefor, notwithstanding any other provision hereof.

1.4 Slope Maintenance Easement. Significant grade differences exist between the Towne Center Tract and Duncan's Main Tract, and Duncan and Towne Center have by separate instrument dated on even date herewith and entitled "Standard Form of Agreement as outlined in the February 1982 Construction Documents and Technical Specifications", prepared by Pierce Lunsford & Associates, Inc., as amended, from time to time, agreed to cooperate concerning the grading and construction of slope retention devices along the common boundary between Duncan's Main Tract and the Towne Center Tract in the area identified on Exhibit "H" (the "Slope Retention Devices"). The Slope Retention Devices are contemplated to consist initially of earthen bank. The Slope Retention Devices will

commence to the north of the northernmost boundary of the area shown as Access Easement #1 on the Site Plan (with the southernmost point of the Slope Retention Devices being referred to as the "Slope Commencement Line" and being in the location shown on Exhibit "H" to this Agreement). Duncan hereby grants to Towne Center a perpetual easement over, across, under and to all portions of the Shopping Center adjoining the Slope Commencement Line or the Slope Retention Devices for the purposes of maintaining and replacing the Slope Retention Devices, as more particularly described in Section 2.3 below.

1.5 Construction. Each Party grants and conveys to each other Party, and to its respective contractors, materialmen and workmen during the term of this Agreement such temporary licenses for ingress and egress, and for the performance of construction activities (but then only within the Access Easements and the Utility Easement) over, upon and across the portions of the Shopping Center located upon the grantor's Tract not occupied by buildings, signage, landscaping or other improvements other than paving, as shall be reasonably necessary to construct, maintain and reconstruct improvements, utilities, curbing and curb openings, parking, buildings, signs, landscaping, guard rails and Slope Retention Devices on the Tract of such other Party. Towne Center shall make reasonable efforts to perform all construction activities related to the parking area, building, signs and landscaping to be located on its Tract from and on the Towne Center Tract and to avoid use of the Access Drives in connection therewith, subject to the rights and limitations described in the last three sentences of this Section 1.5. Such temporary licenses shall be in effect only during such periods as actual construction, maintenance or reconstruction is performed and shall be exercised so as not to unreasonably interfere with the use and operation of the affected areas. The Access Easements and the Utility Easement located upon the grantor's Tract may also be utilized by vehicles transporting construction materials, equipment and persons employed in connection with any work provided for herein. Storage of materials and vehicles being utilized in connection with such construction may only occur on the constructing Party's Tract and only for temporary periods of time. Prior to exercising any rights under this temporary construction license, the Party wishing to cause such work to be performed shall obtain reasonable and customary liability insurance protection as is appropriate. Any Party availing itself of such temporary license shall indemnify and hold harmless the Party owning the affected area from any liability (including the reasonable attorneys' fees and costs of suit of the indemnified Party) or obligation arising out of or related to the use of such license, except for claims caused by the negligence or willful act or omission of such indemnified Party, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensees or concessionaires wherever the same may occur. In addition, the Party causing the work to be performed agrees to promptly pay all costs and expenses associated therewith, to diligently complete such work as quickly as possible, and to promptly clean the area and restore the affected areas to a condition which is equal to or better than the condition which existed prior to the beginning of such work. Notwithstanding the foregoing, Towne Center may, from time to time, obstruct the Access Drives in connection with the performance of construction activities relating to the Towne Center Tract for a

VOL 1136 42513

VC: 1136 514

continuous period of not more than four (4) hours on any one occasion. If Towne Center contemplates obstructing an Access Drive for more than a continuous period of four (4) hours in connection with such activities, Towne Center shall deliver written notice thereof to the owner of the greatest portion of the Duncan Tract with a request for written approval therefor at least seven (7) days prior to the contemplated commencement date of the construction activities. Towne Center may not commence any such activities without such approval, which shall not be unreasonably withheld or delayed; however, if no response is received by Towne Center within ten (10) days after the delivery of the request for approval, such request shall be deemed approved.

**1.6 No Parking Easements.** Nothing contained in this Agreement shall be deemed to grant, confer or otherwise entitle any Party or any Permittee of a Party to park automobiles on the Tract of another Party, and any such rights are hereby expressly negated. If the Permittees of a Party shall park automobiles on the Tract of another Party, then the Party upon whose Tract automobiles are wrongfully being parked (the "Innocent Party") may, in addition to all other rights to which the Innocent Party is otherwise entitled, tow or cause to be towed all such wrongfully parked automobiles; provided, however, that prior to towing or causing to be towed any such automobiles, the Innocent Party shall first have delivered written notice to the Party whose Permittees are violating the no-parking restriction that the Innocent Party intends to begin towing violating automobiles and shall have allowed ten days thereafter to elapse.

**1.7 Sign Easement.** Duncan hereby grants to Towne Center the right, and an easement therefor, to place in the manner provided below a sign on any pylon or pole sign structure (the "Sign Structure") which Duncan may erect on the Duncan Tract along or contiguous to the frontage road of Interstate Highway #35. Duncan shall have no obligation whatsoever to erect or build a Sign Structure; however, if Duncan shall erect or build a Sign Structure, Duncan agrees that each sign placed thereon shall be of approximately equal size (or at Duncan's election, and as an alternative, that a sign placed on the Sign Structure by Towne Center may be as large as the largest sign placed on the Sign Structure), and Towne Center may, if Towne Center so elects, use the sign position which is fourth from the top of the Sign Structure to identify the shopping center located on the Towne Center Tract. In such event, the bottom of the sign to be used by Towne Center shall be at least ten feet (10') above the grade level directly underneath the sign. Duncan shall deliver written notice to Towne Center of Duncan's commitment to commence construction of the Sign Structure within ninety days, and thereafter Towne Center shall have a period of sixty (60) days in which to exercise its right to locate a sign on the Sign Structure as provided above by delivering written notice thereof to Duncan, and failure by Towne Center to so exercise its sign rights shall be a waiver of the right of Towne Center to locate a sign on the Sign Structure. If Towne Center elects to use the space on the Sign Structure designated above for use by Towne Center, Towne Center shall pay to Duncan prior to placing its sign on the Sign Structure (and in no event later than ninety (90) days following exercise by Towne Center of this sign option) an amount equal to one-fourth (1/4th) of the actual costs incurred by Duncan in erecting and building the Sign Structure. Duncan shall, if requested by Towne Center,

reasonably substantiate the amount which it requests as payment therefor. In addition to the above-granted sign easement, Duncan also hereby grants to Towne Center an underground electrical utility easement to be placed in a location designated by Towne Center and approved in writing by Duncan (such approval not to be unreasonably withheld or delayed) for the purpose of illuminating any sign placed by Towne Center on the Sign Structure. Any such electrical services shall be separately metered and Towne Center shall be solely responsible for any costs incurred for such electrical service. Any sign erected on the Sign Structure by Towne Center shall as to the enclosure for such sign conform to the enclosures used for the other signs erected on the Sign Structure.

## ARTICLE II

### MAINTENANCE AND REPAIR

2.1 Utilities. Each Party shall be obligated to maintain, service and repair:

(i) any utility lines, services or facilities situated on that Party's Tract unless (a) such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation, or (b) such utility is required by subsection (ii) below to be maintained, serviced and repaired by another Party; and

(ii) any utility lines, services or facilities situated on the Tract of another Party, the benefits of which, however, are used solely by that Party unless such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation; and

(iii) without regard for which Party would otherwise be required to perform such maintenance, service or repair, any damage caused by the act of that Party or its servants, employees or independent contractors.

Any such maintenance and repair required to be performed on the Tract of another Party shall be subject to the insurance and indemnity provisions of Section 1.5 hereof and shall be performed only after fourteen (14) days' notice to the grantor of the easement (hereinafter in this Section 2.1 referred to as the "Grantor") of the intention of the grantee of the easement to do such work (except in the case of any emergency, whereupon the work may be initiated immediately). Any such work shall be done without cost or expense to the Grantor, after normal business hours whenever possible and otherwise in such manner as to cause as little disturbance in the use of the Grantor's Tract as may be practicable under the circumstances. Any Party performing or causing to be performed maintenance work hereunder agrees to pay promptly all costs and expenses associated therewith (seeking reimbursement from other grantees, if applicable), to complete diligently such work as quickly as possible, and to clean promptly the

VOL 1136 PAGE 515

VO 1136 516

area and restore the affected portion of the Shopping Center to a condition which is equal to or better than the condition which existed prior to the beginning of such work.

2.2 Access Easements. Each Party covenants and agrees to cause to be maintained and kept, at its cost and expense, those portions of Access Easement #1 and Access Easement #2 located on its Tract. With respect to Access Easement #3, Duncan shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled as "Duncan's Maintenance Area" on Exhibit "C-2" to this Agreement and Towne Center shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled "Towne Center's Maintenance Area" on Exhibit "C-2" to this Agreement. All Access Easements shall be maintained by the Party responsible therefor in good condition and state of repair, and in compliance with all laws, rules and regulations, orders and ordinances of governmental agencies exercising jurisdiction thereover and further in compliance with the provisions of this Agreement. In this regard, each Party acknowledges that the Access Easements are intended to be used by delivery trucks and other "heavy-duty" vehicles, and further acknowledges that any damage caused by such "heavy-duty" use is not excluded from the maintenance obligations hereby imposed. The standard of maintenance for the Access Easements Area to be followed by the Parties shall be comparable to the standards of maintenance followed in other first-class retail real estate developments of comparable size in Denton, Texas. The maintenance and repair obligation in any event shall include, but not be limited to, the following:

(i) Maintaining all paved surfaces of the Access Easements in a smooth and evenly covered condition, which maintenance work shall include, without limitation, cleaning, sweeping, restriping, repairing and resurfacing (using surfacing material and design of a quality equal or superior to the original surfacing material and design).

(ii) Removal of all papers, debris, filth, refuse, ice and/or snow; and sweeping the Access Easements to the extent necessary to keep the Access Easements in a first-class, clean and orderly condition.

(iii) Placing, keeping in repair and replacing any appropriate directional signs, markers and lines.

2.3 Slope Retention Devices. Towne Center shall maintain and repair the Slope Retention Devices as defined in Section 1.4 so as to maintain the structural soundness thereof and to maintain any erosion control devices placed on the Slope Retention Devices in a neat and orderly condition. Towne Center shall also maintain the paving covering Access Easement #1 at the grades and levels shown on Exhibit "E" to this Agreement, but only to the extent that any damage caused to the paving covering Access Easement #1 is directly caused by or attributable to the Slope Retention Devices or Towne Center's failure to maintain same. Subject to the following qualifications, Towne Center shall have the right to modify, alter or replace all or any portion of the Slope Retention Devices whether located on Duncan's Main Tract or the Towne Center Tract. At least twenty days prior to commencing any modification, alteration or replacement of any portion of the Slope Retention Devices, Towne Center shall deliver to Duncan (as the owner of Duncan's Main

Tract) plans and specifications for such modification, alteration or replacement. To the extent such plans and specifications are substantially in conformity with the concept displayed on Exhibit "I" attached hereto, such plans and specifications shall automatically be deemed approved. To the extent such plans and specifications are not in conformity with the concept displayed on Exhibit "I", however, Duncan shall have the right to approve such plans and specifications, which approval shall not be unreasonably withheld or delayed. In any event Duncan shall have the right to approve the structural soundness of such plans and specifications, which approval shall not be unreasonably withheld or delayed. If Duncan fails to approve such plans and specifications as provided above, Duncan shall submit to Towne Center specific recommendations from a registered civil engineer for improving the design of the Towne Center proposal. If no objections are delivered by Duncan to Towne Center within twenty days from the delivery to Duncan of the plans and specifications, they shall be deemed approved.

### ARTICLE III

#### OPERATION

3.1 Liability. Each Party ("Indemnitor") covenants and agrees to indemnify, defend and hold harmless the other Party ("Indemnitee") from and against all claims, costs, expenses and liability (including reasonable attorneys' fees and cost of suit incurred in connection with all claims), including any action or proceedings brought hereon, arising from or as a result of:

(a) the death of, or any accident, injury, loss or damage whatsoever caused to, any person or entity, or to the property of any person or entity, which shall occur on the Tract owned by each Indemnitor, except for claims caused by the negligence or willful act or omission of such Indemnitee, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensee or concessionaire wherever the same may occur; and

(b) all claims asserted by or through any Permittees of the Indemnitor's Tract for any loss or damage to the property of such Permittee located upon the respective Indemnitor's Tract, which loss or damage is of the type generally covered by fire insurance with extended coverage irrespective of any negligence on the part of the Indemnitee which may have contributed to or caused such loss.

In addition, each Party (the "Releasing Party"), on behalf of itself and its insurer, hereby releases the other Party (the "Released Party") from any liability for any loss or damage to all property of such Releasing Party located upon any portion of the Shopping Center, which loss or damage is of the type generally covered by fire insurance with an extended coverage endorsement, irrespective of any negligence on the part of the Released Party which may have contributed to or caused such loss, or of the amount of such insurance required or actually carried. Each Party agrees to use its best efforts to obtain, if needed, appropriate endorsements to its policies of insurance with respect to the foregoing release; it being understood, however, that

Vol 1136 517

1135 - 518

failure to obtain such endorsements shall not affect the release hereinabove given.

3.2 Taxes. Each Party shall pay, or cause to be paid, prior to delinquency, all taxes and assessments upon the Tract, and the buildings and improvements and personalty owned or leased by such Party in the Shopping Center, provided that if the taxes or assessments on any part thereof may be paid in installments, the Party may pay each such installment as and when the same become due and payable, and in any event prior to the delinquency thereof. Nothing herein contained in this subsection shall prevent any Party from contesting at its cost and expense any such taxes and assessments with respect to the Tract in any manner such Party elects, so long as such contest is maintained with reasonable diligence and in good faith, and at such time as such contest is concluded, such Party promptly pays all such taxes and assessments determined to be owing, together with all interest, penalties and costs thereon.

3.3 Liens. In the event any mechanic's liens are filed against the Tract of any Party as a result of services performed or materials furnished for the use of another Party's Tract, the Party permitting or causing such lien to be filed hereby covenants to cause such lien to be discharged prior to the foreclosure of such lien, and further agrees to indemnify, defend and hold harmless the other Party and its Tract against liability, loss, damage, costs or expenses, including reasonable attorneys' fees and cost of suit on account of such claim of lien. Upon request of the Party whose Tract is subject to such lien, the Party permitting or causing such lien to be filed agrees to promptly cause such lien to be released and discharged of record, either by paying the indebtedness which gave rise to such lien, or posting such bond or other securities as shall be required by law to obtain such release and discharge. Nothing herein shall prevent a Party permitting or causing such lien to contest the validity thereof in any manner such Party chooses, so long as such contest is pursued with reasonable diligence, and in the event such contest is determined adversely, such Party shall promptly pay in full the required amount, together with any interest, penalties and costs.

3.4 Guardrails. Towne Center shall cause to be erected in the location shown on Exhibit "H" to this Agreement metal guard rails concurrently with installation of the initial Slope Retention Devices and Towne Center shall at all times maintain, repair and restore such guard rails as may be necessary.

#### ARTICLE IV.

##### Utility Services to Duncan's Outlot Tract

4.1 General. It is anticipated that the ultimate users of Duncan's Outlot Tract will obtain electricity and natural gas by connecting to utility services being installed by Duncan and Towne Center under the Utility Easement granted in Section 1.2 above.

4.2 Reimbursement Required. In the event that any owner or occupant of Duncan's Outlot Tract shall ever tie in, tap-in or otherwise connect to the electrical service lines or natural gas lines contained within the Utility Easement, then such owner or occupant shall reimburse Towne Center for

a portion of the cost of installing such utility lines as prescribed below in Section 4.3 (the "Utility Reimbursement"). The payment of the Utility Reimbursement shall be a condition precedent to the right of any owner or occupant of Duncan's Outlot Tract to connect into the utility lines installed in the Utility Easement.

4.3 Amount of Reimbursement. The amount of the Utility Reimbursement shall be equal to the entire installation cost (from the easternmost point of the I-35 right-of-way to the common boundary line between Duncan's Outlot Tract and the Towne Center Tract) on a lineal-foot basis of the utility line(s) to which the owner or occupant of Duncan's Outlot Tract connects. Such costs shall include, but not be limited to, all expenses incurred for engineering fees, labor, supervisory personnel, conduit, cable and primary lines. Towne Center shall notify Duncan of the amount of the Utility Reimbursement to the electrical line and the natural gas line promptly after completion of such installation.

4.4 No Other Reimbursements. The Utility Reimbursement described above shall be in lieu of and instead of any other prorata reimbursements which would otherwise be required from the owner or occupant of Duncan's Outlot Tract to Towne Center. Towne Center shall credit against the Utility Reimbursement an amount equal to twenty-four percent (24%) of any reimbursements or pro rata paybacks Towne Center shall receive from any utility company in connection with electricity or natural gas utilities.

#### ARTICLE V

##### MISCELLANEOUS

5.1 Default. Upon the default by any party obligated to perform under the terms of this Agreement (the party owning the land upon which or as a result of which the default is asserted to have occurred being hereinafter in this paragraph referred to as the "Defaulting Party"), and the Defaulting Party's failure to cure such default (or, in the case of a default which cannot be cured within a thirty-day period, to commence and diligently work toward curing the default) within thirty (30) days after the delivery of written notice by the other party (hereinafter in this paragraph referred to as the "Complaining Party"), such written notice to be delivered not only to the Defaulting Party but also to any mortgagees of the Defaulting Party about whom the Complaining Party has received prior written notice, then for as long as the default continues, the Complaining Party shall have the right to exercise one or more of the following remedies, at the sole election of the Complaining Party -- to be determined in the case of the Duncan Tract by the Complaining Party who owns the greatest portion of the Duncan Tract and in the case of the Towne Center Tract by the Complaining Party who owns the greatest portion of the Towne Center Tract.

(a) The Complaining Party may cure the default of the Defaulting Party, or cause the default to be cured (with an easement for ingress and egress necessary for such purposes being hereby granted by each Party to the other), in which event the Defaulting Party shall immediately reimburse the Complaining Party for the reasonable expenses thereby incurred, plus interest at the rate of eighteen percent (18%) per annum, plus all

Vol 1136 519

vc: 1136 520

reasonable attorneys fees incurred by the Complaining Party in curing the default and obtaining full reimbursement.

(b) The Complaining Party may obtain specific performance by injunction and such other legal and equitable remedies as may be available, in which event the Complaining Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys fees incurred by the Complaining Party in obtaining its relief.

(c) The Complaining Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the default; and if the Complaining Party proceeds to litigation on this demand, the Defaulting Party shall also be liable for all court costs and reasonable attorneys fees.

5.2 Estoppel Certificate. Each Party hereby severally covenants that within twenty (20) days from the delivery of written requests from time to time of the other Party, it will issue to a prospective mortgagee, purchaser or tenant of such other Party or to a prospective successor Party to such other Party, an estoppel certificate stating: (i) whether the Party to whom the request has been directed knows of any default by the requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof; (ii) whether to its knowledge this Agreement has been assigned, modified or amended in any way (or if it has, then stating the nature thereof); and (iii) that to the Party's knowledge this Agreement as of the date is in full force and effect. Such statement, however, shall in no event subject the Party furnishing it to any liability whatsoever, notwithstanding the negligent or otherwise inadvertent failure of such Party to disclose correct and/or relevant information. Notwithstanding the provisions of Section 5.3 below, any requests for an estoppel certificate as provided above and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Each Party agrees to act in good faith in connection with requests for estoppel certificates from the others. Failure by a Party to respond within the 20-day period shall be deemed to be the equivalent of a statement that no defaults exist, that no amendment to this Agreement has been entered into and that this Agreement remains in full force and effect.

5.3 Notices. All notices, demands, statements and requests required or permitted to be given under this Agreement must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor

Attention: Neil Hill

with a copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein-  
after set forth, be effective upon being deposited in the  
United States mails in accordance with the provisions hereof.  
Rejection or other refusal to accept, or the inability to  
deliver because of changes of address of which no notice was  
given, shall be deemed to be receipt of the notice, demand  
or request. Any Party shall have the right from time to  
time and at any time, upon at least ten (10) days' prior  
written notice thereof in accordance with provisions hereof,  
to change its respective address and to specify any other  
address within the United States of America.

5.4 Condemnation. In the event of a condemnation or a  
sale in lieu thereof concerning a portion or all of the  
Shopping Center, the award or purchase price paid for such  
taking shall be paid to the Party owning such land so taken;  
it being the intent of the other Party who might have an  
easement or other property interest or right under this  
Agreement in the land so taken, to release and/or waive such  
property interest or right with respect to such award or  
purchase price; provided, however, such other Party shall  
have the right to seek an award or compensation for the loss  
of its easement right to the extent such award or compensa-  
tion paid or allocated for such loss does not reduce or  
diminish the amount paid to the Party owning such land.

5.5 Binding Effect. The terms of this Agreement shall  
constitute covenants running with, and be appurtenant to,  
the land affected, and all such terms shall inure to the  
benefit of and be binding upon the undersigned Parties and  
their respective successors and assigns who become owners of  
any portion of the Shopping Center.

5.6 Singular and Plural. Whenever required by the  
context of this Agreement, the singular shall include the  
plural, and vice versa, and the masculine shall include the  
feminine and neuter genders, and vice versa.

VOL 1136 PAGE 521

5.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original.

5.8 Negation of Partnership. None of the terms or provisions of this Agreement shall be deemed to create a partnership between or among the Parties in their respective businesses or otherwise, nor shall it cause them to be considered joint venturers or members of any joint enterprise. This Agreement is not intended nor shall it be construed to create any third party beneficiary rights to any person who is not a Party hereto unless expressly otherwise provided.

5.9 Not a Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of any portion of the Shopping Center or of any Tract or portion thereof to the general public, or for the general public or for any public use or purpose whatsoever; it being the intention and understanding of the Parties hereto that this Agreement shall be strictly limited to and for the purposes herein expressed solely for the benefit of the Parties hereto.

5.10 Excusable Delays. Whenever performance is required of any Party hereunder, that Party shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if completion of performance shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes, unavailability of labor or materials or damage to work in progress by reason of fire or other casualty or causes beyond the reasonable control of a Party, then the time of performance as herein specified shall be appropriately extended by the amount of the delay actually so caused, not to exceed sixty (60) days total.

5.11 Severability. Invalidation of any of the provisions contained in this Agreement, or of the application thereof to any person by judgment or court order shall in no way affect any of the other provisions hereof or the application thereof to any other person and the same shall remain in full force and effect.

5.12 Entire Agreement. This written Agreement and the exhibits hereto contain all the representations and the entire agreement between the Parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement and exhibits hereto.

5.13 Amendments; Termination. Amendments to or termination of this Agreement must be in writing and must be executed by the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Duncan Tract and the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Towne Center Tract.

5.14 Captions. The captions preceding the text of each paragraph and subparagraph hereof are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement.

5.15 Minimization of Damages. In all situations arising out of this Agreement, all Parties shall attempt to

avoid and minimize the damages resulting from the conduct of any other Party. Each Party hereto shall take all necessary measures to effectuate the provisions of this Agreement.

5.16 Agreement Shall Continue Notwithstanding Breach. It is expressly agreed that, except as otherwise provided above, no breach of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement; however, such limitation shall not affect in any manner any other rights or remedies which such Party may have hereunder by reason of any such breach.

5.17 Joinder by Other Parties. The parties executing Exhibit "J" to this Agreement have done so to evidence the subordination of their respective interests in the Shopping Center to the terms and provisions of this Agreement.

5.18 Time. Time is of the essence of this Agreement and each and every provision hereof.

5.19 Release. Upon the bona fide assignment, conveyance, sale or other transfer by either Duncan or Towne Center to all or any portion of its respective Tract, the transferring party shall be released from any liability arising out of a failure to observe the covenants, terms and obligations imposed by this Agreement on the owner of the land so transferred arising subsequent to the effective date of such conveyance; provided, that as a condition to such release, the transferor shall obtain a written assumption agreement from the transferee for the benefit of the other parties then owning portions of the Shopping Center whereby the transferee expressly assumes all such covenants, terms and obligations.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed effective as of the date first stated above.

DUNCAN PROPERTIES, LTD., an  
Oklahoma limited partnership

By: Neil Hill  
Neil Hill, its sole  
General Partner

DENTON TOWNE CENTER JOINT VENTURE

Exhibit "A"

Duncan Tract

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01°41'20" E a distance of 70.71 feet to a point;

S 34°42'00" E a distance of 226.60 feet to a point;

S42°00'59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42°33'00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86°43'12" E a distance of 90.00 feet to a point for corner;

THENCE N 05°49'03" E a distance of 95.00 feet to a point for corner;

THENCE N 64°45'00" W a distance of 14.00 feet to a point for corner;

THENCE N 25°15'00" E a distance of 170.17 feet to a point for corner;

THENCE N 34°48'00" E a distance of 136.00 feet to a point for corner;

THENCE N 48°02'34" W a distance of 21.62 feet to a point for corner;

THENCE N 41°57'26" E a distance of 357.99 feet to a point for corner;

THENCE N 60°43'46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22°31'07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37°21'11" W to the point of tangency;

THENCE S 48°36'44" E a distance of 323.16 feet to a point for corner;

THENCE S 41°57'26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

vol. 1136 44526

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47°27'00" W a distance of 112.51 feet to a point for corner;

N 55°58'59" W a distance of 101.10 feet to a point for corner;

N 47°27'00" W a distance of 30.50 feet to a point for corner;

S 45°26'45" W a distance of 3.00 feet to a point for corner;

N 41°33'15" W a distance of 29.05 feet to a point for corner;

N 47°27'00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'05", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

§

REAL PROPERTY RECORD

21968

THAT Arnold/Denton Town Center, Ltd., a Texas limited partnership of Dallas County, Texas, in consideration of the sum of One dollar (\$1.00) and no cents and other good and valuable consideration in hand paid by the City of Denton, Texas receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by it, situated in Denton County, Texas in the J. McGowan Survey, Abstract No. 797.

ALL that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the J. McGowan survey, Abst. No. 797, and being part of Lot No. 3A, Block 1, of the Denton Shopping Center Addition, an addition to the City and County of Denton, and also being part of a tract of land as conveyed from 2307 I-35E Joint Venture, a Texas venture to Arnold/Denton Town Center, LTD., a Texas limited partnership by deed dated January 5, 1987 and recorded in Volume 2058, Page 190 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the southern most corner of said Lot 3A, same being the western most corner of said Lot 2C, said point also lying in the northeast right-of-way line of IH 35 E;

THENCE northwesterly, along the southwest boundary line of said Lot 3A, same being the northeast right-of-way line of said IH 35 E the following two (2) courses and distances: (1) north 42° 00' 59" west, 90.6 feet; (2) north 34° 42' 00" west, 171.29 feet to the westerly southwest corner of said Lot 3A, same being the southern most corner of Lot 3C of said addition;

THENCE north 55° 18' 00" east, along the westerly northwest boundary line of said Lot 3A, same being the southeast boundary line of said Lot 3C, a distance of 16.0 feet, to a point lying 16.0 feet northeast of and perpendicular to the southwest boundary line of said Lot 3A for corner;

THENCE southeasterly, 16.0 feet northeast of and parallel to the southwest boundary line of said Lot 3A the following two (2) courses and distances: (1) south 34° 42' 00" east, 170.27 feet; (2) south 42° 00' 59" east, 88.05 feet to a point lying in the southeast boundary line of said Lot 3A, same being the northwest boundary line of said Lot 2C for corner;

THENCE south 42° 33' 00" west along the southeast boundary line of said Lot 3A, same being the northwest boundary line of Lot 2C, a distance of 16.07 feet, to the Point of Beginning and containing 0.0955 acres of land.

0415E/99

And it is further agreed that the said City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along upon and across said premises for the purpose of making additions to, improvements on and repairs to the said public utilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness hand

# DECLARATION OF RESTRICTIVE COVENANTS

1136 544

STATE OF TEXAS

DEED RECORDS

COUNTY OF DENTON

9472

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center").

## INTRODUCTION

1. Towne Center is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Towne Center Tract").
2. Duncan Properties, Ltd., a Texas limited partnership ("Duncan," with such term also applying to the successors and assigns of Duncan who becomes owner of all or any portion of the Duncan Outlet Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Duncan Outlet Tract").
3. The Towne Center Tract and the Duncan Outlet Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract."
4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Towne Center has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Duncan Outlet Tract.

## ARTICLE I

### Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below.

(1) the term "Building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below:

(1) No portion of any building or any protrusions therefrom nor any other structures other than landscaping, signage, trash enclosures, lighting, paving,

N

C  
O  
P  
Y

curbing, walkways or similar nonstructural improvements shall be located on the Colorado Boulevard side of the Permissible Building Line as shown on Exhibit "C" to this Declaration (the "Site Plan").

(ii) No portion of any building which is located on the Colorado Boulevard side of the "Two Story Line" (herein so called) shown on the Site Plan shall be in excess of one story in height.

(iii) There shall exist at all times a space and separation of at least one hundred twenty feet (120') between buildings to the east of the area shown as being "Access Drive #2" (herein so called) on the Site Plan and buildings to the west of Access Easement #2, (the "120 Foot Area"). Encroachments into the 120 Foot Area will be permitted for all canopies, walkways, awnings, columns, roof overhangs, building or canopy mounted signs and stairways; provided, that a separation between any encroachments on the east side of Access Drive #2 and encroachments on the west side of Access Drive #2 of at least one hundred feet (100') must at all times exist. Any stairway encroachments contained within the 120 Foot Area shall not be enclosed on the second level of the stairway, if any, but may be enclosed on the first level of the stairway. The restrictions contained in this Section 1.2(iii) shall not prohibit the erection of curbing, landscaping, lighting and similar non-structural matters at any place on the Towne Center Tract.

(iv) No portion of any buildings or any protrusions therefrom (not including sidewalks) shall be closer than five feet (5') to Access Drive #2 at any point along the boundaries of Access Drive #2.

(v) No curb openings along the easterly and westerly boundaries of Access Drive #2 shall be permitted to exist except at the general locations shown on the Site Plan.

(vi) No portion of any building located on the I-35 side of the Two Story Line (herein so called) shown on the Site Plan may exceed thirty-four feet (34') in height and no portion of any building located on the Colorado Boulevard side of the Two Story Line shall exceed twenty-five feet (25') in height, with all such height level being measured from the finished grade level for the building pad of such building; provided, however, that elevator enclosures, antennas and towers (such as stairways or clock towers) may exceed the above-described height restrictions, and signs and clocks may be located on the elevator enclosures and towers.

(vii) Any receptacle for trash storage shall be screened on three sides (with at least one screened side facing the Duncan Outlot Tract and one screened side facing the area described on Exhibit "D" to this Declaration) by either a wood screen fence, a masonry screen fence of the same finish as the building in which the trash being stored is generated or as provided below. The surface grade levels to the south of the area in which it is anticipated that trash receptacles will be placed rise rapidly; accordingly, where the surface grade to the south of the area where the

Vol 1136 -545

v 1136 - 546

trash receptacles are placed is equal to or greater than the highest point of a trash receptacle placed on the Towne Center Tract, such surface grade may replace the screen wall required on that side as required above so long as the horizontal distance between:

(a) the closest point of the trash receptacle, and

(b) the point of the surface grade level which is sufficiently high to provide a screening device as provided above,

is equal to or less than the vertical height of the trash receptacle. For example, if the trash receptacle is six feet tall, but within five feet of the trash receptacle the grade level rises to be seven feet higher than the grade level where the trash receptacle sits, such rise in grade level would constitute a screening wall. The foregoing restrictions shall not apply to any trash receptacles which are located within the area designated as the "Permitted Trash Receptacle Area" on the Site Plan.

(viii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment so located on the roof.

(ix) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, performed concrete panels, stucco and decorative concrete blocks.

(x) No fascia signs (except for clocks and related signage which may be located on towers, but which may not extend higher than such towers) located on any building may extend higher than the roof or, if higher, the parapet line of such building.

**1.3 Use Restrictions.** Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below. No part of the Towne Center Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Towne Center Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

(i) Any public or private nuisance;

(ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;

(iii) Any obnoxious odor;

(iv) Any noxious, toxic, caustic, or corrosive fuel or gas;

(v) Any dust, dirt, or fly ash in excessive quantities;

(vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;

(vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;

(viii) Any "second hand" store, Army, Navy, or government "surplus" store;

(ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;

(x) Any dumping, disposal, incineration or reduction of garbage or refuse;

(xi) Any fire or bankruptcy sale or auction house operation;

(xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Towne Center Tract is located;

(xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);

(xiv) Living quarters, sleeping apartments or lodging rooms;

(xv) Any mortuary;

(xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

(xvii) Any trailer rental.

## ARTICLE II

### Miscellaneous

2.1 Estoppel Certificate. Duncan hereby covenants that within twenty (20) days from the delivery of written requests, from time to time, of Towne Center, it will issue to designees of Towne Center an estoppel certificate stating: (i) whether Duncan knows of any default by Towne Center under this Declaration, and if there are known defaults, specifying the nature thereof; and (ii) whether to Duncan's knowledge this Declaration has been modified or amended in any way (and if it has, then stating the nature thereof). Notwithstanding the provisions of Section 2.2 below, any requests for an estoppel certificate and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type

VOL 1136 - 517

vol 1136 pg 548

service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Duncan agrees to act in good faith in connection with requests for estoppel certificates from Towne Center. Failure by Duncan to respond within the 20-day period shall be deemed the equivalent of a statement that no defaults exist, that no amendment to this Declaration has been entered into and that this Declaration remains in full force and effect.

2.2 Notices. All notices, demands, statements and requested required or permitted to be given under this Declaration must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center:      Denton Towne Center Joint Venture

All notices, demands and requests shall, except as hereinafter set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Towne Center Tract and all such covenants shall be binding upon the successors and assigns of Towne Center who become owners of any portion of the Towne Center Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Duncan and the successors and assigns of Duncan as the owner(s) of the Duncan Outlot Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the person(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract and the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Towne Center (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to

VOL 1136 - 549

be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Towne Center. Upon the bona fide assignment, conveyance, sale or other transfer by Towne Center of its fee simple ownership to any portion or all of the Towne Center Tract, Towne Center shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Towne Center under this Declaration prior to such sale or transfer).

2.8 Approvals. Towne Center may at any time request that Duncan review plans and specifications for proposed buildings to be located on the Towne Center Tract and advise Towne Center of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Towne Center shall also deliver to Duncan sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Duncan to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Towne Center shall be deemed to have submitted adequate information to Duncan if Duncan fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Duncan shall be in writing and shall specify the specific portion of the Restrictions which Duncan believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Duncan fails to identify in writing to Towne Center within thirty (30) days of the delivery of the initial information, or, if later, within fifteen days of the delivery of all information requested by Duncan, Duncan shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Duncan and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Towne Center Tract, an affidavit identifying Towne Center and the Towne Center Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Duncan shall thereafter be estopped to assert any violations of Section 1.2 of Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

2.11 Joinder By Other Persons. The persons and/or entities executing Exhibit "E", "F" and "G" to this Agreement have done so to evidence the subordination of their respective interests in the Towne Center Tract to the terms and provisions of this Declaration.

EXECUTED, to be effective as of the date first above specified.

DENTON TOWNE CENTER JOINT VENTURE,  
a joint venture

By: Herbert D. Weitzman  
Herbert D. Weitzman  
Venture Manager

STATE OF TEXAS       §  
                                  §  
COUNTY OF DALLAS   §

BEFORE ME, the undersigned authority, on this day personally appeared HERBERT D. WEITZMAN, Venture Manager of Denton Towne Center Joint Venture, a Texas joint venture, known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purposes, consideration and in the capacity therein expressed, as the act and deed of said joint venture.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this 31st day of March, 1982.

Thomas J. Jukil  
Notary Public in and for  
Dallas, County, Texas

My Commission Expires:

DECLARATION OF RESTRICTIVE COVENANTS

STATE OF TEXAS           §  
                                  §     DEED RECORDS                   9473  
COUNTY OF DENTON       §

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan").

INTRODUCTION

1. Duncan is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Duncan Outlot Tract").
2. Denton Towne Center Joint Venture, a Texas joint venture ("Towne Center," with such term also applying to the successors and assigns of Towne Center who become owners of all or any portion of the Towne Center Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Towne Center Tract").
3. The Towne Center Tract and the Duncan Outlot Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract".
4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Duncan has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Towne Center Tract.

ARTICLE I

Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below:

(1) the term "building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan Outlot Tract, in accordance with the terms and provisions stated below:

(1) Any receptacle for trash storage shall be enclosed on three sides (with at least one enclosed side facing the Towne Center Tract) by either a wood

screen fence or by a masonry screen fence of the same finish as the building in which the trash being stored is generated.

(ii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment located on the roof.

(iii) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, preformed concrete panels, stucco and decorative concrete blocks.

(iv) No fascia signs located on any building may extend higher than the roof or, if higher, the parapet line of such building.

(v) No portion of any building nor any signs or other vertical structures (other than lighting standards or poles) may be constructed or located within the area identified as the "No Building Area" on Exhibit "C" to this Declaration.

(vi) The maximum number of square feet of gross floor area contained within building(s) which may be constructed within the area identified as the "Restricted Building Area" (herein so called) on Exhibit "C" to this Declaration shall be 3,000 square feet of gross floor area; provided, however, no one building constructed within the Restricted Building Area may contain more than 2,000 square feet of gross floor area. The area contained under any canopies or roof overhangs shall be included within the gross floor area calculations prescribed above when all or any portion of foundation support for such canopies or roof overhangs is located exterior of the building exterior walls, whether the devices providing such foundation support are attached to the building or not.

(vii) No portion of any building (including all vertical projections other than antennas) may exceed twenty-five feet (25') in height above any point along the finished grade level for the building pad of such building.

(viii) No building located anywhere on the Duncan Outlot Tract may be leased to or otherwise occupied by more than one business entity; provided, however, that one building may be leased or otherwise occupied by two, but no more than two, business entities, if such building does not exceed 5,000 square feet of gross floor area.

(ix) All buildings shall be separated from one another at their nearest point by at least fifteen feet (15').

(x) No building shall exceed one story in height; provided, however, that this restriction shall not prohibit mezzanine areas.

1.3 Use Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan

Outlot Tract, in accordance with the terms and provisions stated below. No part of the Duncan Outlot Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Duncan Outlot Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

- (i) Any public or private nuisance;
- (ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;
- (iii) Any obnoxious odor;
- (iv) Any noxious, toxic, caustic, or corrosive fuel or gas;
- (v) Any dust, dirt, or fly ash in excessive quantities;
- (vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;
- (vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;
- (viii) Any "second hand" store, Army, Navy, or government "surplus" store;
- (ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;
- (x) Any dumping, disposal, incineration or reduction of garbage or refuse;
- (xi) Any fire or bankruptcy sale or auction house operation;
- (xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Duncan Outlot Tract is located;
- (xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);
- (xiv) Living quarters, sleeping apartments or lodging rooms;
- (xv) Any mortuary;
- (xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

Vol 1136 No 563

(xvii) Any trailer rental.

ARTICLE II

v 1138 m 564

Miscellaneous

2.1 Estoppel Certificate. Towne Center hereby cove-  
nants that within twenty (20) days from the delivery of  
written requests, from time to time, of Duncan, it will  
issue to designees of Duncan an estoppel certificate stat-  
ing: (1) whether Towne Center knows of any default by  
Duncan under this Declaration, and if there are known de-  
faults, specifying the nature thereof; and (2) whether to  
Towne Center's knowledge this Declaration has been modified  
or amended in any way (and if it has, then stating the  
nature thereof). Notwithstanding the provisions of Section 2.2  
below, any requests for an estoppel certificate and the  
response thereto may, at the election of the sender, be sent  
by private carrier expedited mail service (i.e., Federal  
Express type service) and, in such event, the request or the  
response, as the case may be, shall be effective on the  
first day following deposit with such private carrier.  
Towne Center agrees to act in good faith in connection with  
requests for estoppel certificates from Duncan. Failure by  
Towne Center to respond within the 20-day period shall be  
deemed the equivalent of a statement that no defaults exist,  
that no amendments to this Declaration have been entered  
into and that this Declaration remains in full force and  
effect.

2.2 Notices. All notices, demands, statements and  
requests required or permitted to be given under this Decla-  
ration must be in writing and shall be deemed to have been  
properly given or served, whether received or not, by deposit-  
ing the same in the United States mails, addressed to Duncan  
or Towne Center, postage prepaid and registered or certified  
mail, return receipt requested, at the address set forth  
below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor

with copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein after set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Duncan Outlot Tract and all such covenants shall be binding upon the successors and assigns of Duncan who become owners of any portion of the Duncan Outlot Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Towne Center and the successors and assigns of Towne Center as the owner(s) of the Towne Center Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the persons(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract and the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Duncan (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained

Vol 1136 : 565

V. 1133 W. 556

and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Duncan. Upon the bona fide assignment, conveyance, sale or other transfer by Duncan of its fee simple ownership to any portion or all of the Duncan Outlot Tract, Duncan shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Duncan under this Declaration prior to such sale or transfer).

2.8 Approvals. Duncan may at any time request that Towne Center review plans and specifications for proposed buildings to be located on the Duncan Outlot Tract and advise Duncan of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Duncan shall also deliver to Towne Center sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Towne Center to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Duncan shall be deemed to have submitted adequate information to Towne Center if Towne Center fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Towne Center shall be in writing and shall specify the specific portion of the Restrictions which Towne Center believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Towne Center fails to identify in writing to Duncan within thirty (30) days of the delivery of the initial information or, if later, within fifteen days of the delivery of all information requested by Towne Center, Towne Center shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above-described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Towne Center and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Duncan Outlot Tract, an affidavit identifying Duncan and the Duncan Outlot Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Towne Center shall thereafter be estopped to assert any violations of Section 1.2 of this Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

EXECUTED, to be effective as of the date first above specified.

DUNCAN PROPERTIES, LTD.,  
an Oklahoma limited partnership

By: Neil Hill  
Neil Hill, General Partner

STATE OF TEXAS       §  
                                  §  
COUNTY OF DALLAS   §

BEFORE ME, the undersigned authority, on this day personally appeared NEIL HILL, General Partner of Duncan Properties, Ltd., an Oklahoma limited partnership, known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purposes, consideration and in the capacity therein expressed, as the act and deed of said limited partnership.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this 1<sup>st</sup> day of April, 1982.

Carol M. Cobb  
Notary Public in and for  
Dallas County, Texas

VOL 1136 567

Exhibit "A"  
Duncan Tract

v. 1136-568

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

Exhibit "B"

Towme Center Tract

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing the Easterly line of said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to the POINT OF BEGINNING;

Continuing along said curve to the right having a central angle of 14°46'26", a radius of 3740.00 feet, and an arc length of 964.37 feet to a point of curvature to the right;

THENCE along said curve to the right in a Southeasterly direction and departing said Loop 288 and having a central angle of 08°31'31", a radius of 705.00 feet, an arc length of 104.90 feet, and a chord bearing of S 19°21'05" E to a point of reverse curve to the left;

THENCE along said curve to the left having a central angle of 11°00'18", a radius of 453.38 feet, and an arc length of 87.08 feet to a point for corner;

THENCE S 60°43'46" W a distance of 268.95 feet to a point for corner;

THENCE S 41°57'26" W a distance of 357.99 feet to a point for corner;

THENCE S 48°02'34" E a distance of 21.62 feet to a point for corner;

THENCE S 34°48'00" W a distance of 136.00 feet to a point for corner;

THENCE S 25°15'00" W a distance of 170.17 feet to a point for corner;

THENCE N 64°45'00" W a distance of 51.87 feet to a point for corner;

THENCE N 34°42'00" W a distance of 307.00 feet to the POINT OF BEGINNING and containing 4.9698 acres of land, more or less.

THAT DUNCAN PROPERTIES, LTD., a limited partnership ("Grantor"), for and in consideration of the sum of Ten Dollars (\$10.00) cash and other good and valuable consideration paid by HANDY DAN HOME IMPROVEMENT CENTERS, INC., a Delaware corporation ("Grantee"), whose mailing address is 7909 Fredericksburg Road, San Antonio, Texas 78229, the receipt and sufficiency of which is hereby acknowledged and confessed; and the further consideration of the assumption and agreement by Grantee to keep, pay and perform all of the covenants and obligations of Grantor contained in that certain Grant of Reciprocal Easements, dated March 31, 1962, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, as modified by that certain Modification of Grant of Reciprocal Easements, dated December 7, 1982, duly recorded in the Deed Records of Denton County, Texas (as modified being herein called the "Grant"), for the benefit of all parties owning portions of the real property covered by the Grant (the "Center Property"), insofar and only insofar as said covenants and obligations or any of them pertain to the Property (hereinafter defined), has GRANTED, SOLD and CONVEYED, and by these presents does GRANT, SELL and CONVEY, unto Grantee, that certain tract of land situated in Denton County, Texas, and being a part of the John McGowen Survey, Abstract No. 797, and the Daniel Lambert Survey, Abstract No. 784, more particularly described on Exhibit A attached hereto and incorporated herein by reference for all purposes, together with all and singular all rights and appurtenances thereto in anywise belonging (collectively the "Property").

And Grantor does hereby declare, for the sole and exclusive benefit of the Property and as a covenant running with the tracts of land described on Exhibit B attached hereto and made a part hereof (the "Retained Land"), that as long as Grantee or any affiliate of Grantee is the user of the Property or the major portion thereof, either as owner or lessee, no portion of the Retained Land or any real property adjacent to the Center Property now or hereafter owned or leased by Grantor shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes, however, are not included in the foregoing restriction.

And as further consideration for this conveyance, Grantee does hereby declare, for the sole and exclusive benefit of (i) the first grantee under Grantor of that portion of the Retained Land described on Exhibit C attached hereto and made a part hereof (the "Parcel I Tract") or (ii) an affiliate of said first grantee as the user, owner or lessee of the Parcel I Tract, that no portion of the Property shall be used for the purpose of conducting thereon or for use as a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided, however, that nothing contained herein shall prevent any occupant of improvements on the Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

This conveyance is made subject to those certain exceptions (the "Permitted Exceptions"), set forth in Exhibit B attached hereto and incorporated herein by reference for all purposes, but only to the extent the same are valid and subsisting and affect the Property.

TO HAVE AND TO HOLD the Property unto Grantee, its successors, legal representatives and assigns forever, and Grantor does hereby bind itself, its legal representatives, successors and assigns to WARRANT and FOREVER DEFEND all and singular the Property unto Grantee, its successors, legal representatives and assigns, against every person whomsoever lawfully claiming or to claim the same, or any part thereof, subject, however, to the Permitted Exceptions.

EXECUTED this 9<sup>th</sup> day of December, 1982, but effective for all purposes as of the 9<sup>th</sup> day of December, 1982.

RESTATEMENT OF AGREEMENT OF  
EASEMENTS, COVENANTS AND RESTRICTIONS

VOL 1181 PAGE 564

DEED RECORDS

35656

THIS RESTATEMENT OF AGREEMENT OF EASEMENTS, COVENANTS AND RESTRICTIONS is made and entered into as of the 7<sup>TH</sup> day of November, 1982, by and between DUNCAN PROPERTIES, LTD. ("Duncan"), WAL-MART PROPERTIES, INC. ("Wal-Mart") and HANDY DAN HOME IMPROVEMENT CENTERS, INC. ("Handy Dan").

W I T N E S S E T H:

WHEREAS, Duncan and Wal-Mart entered into an Agreement of Easements, Covenants and Restrictions dated April 26, 1982 and recorded in Volume 1141 at Page 974 et seq of the Deed Records of Denton County, Texas, pertaining to certain real property in the City of Denton, Denton County, Texas shown on Exhibit "A" attached hereto and described in Exhibit "B-1" attached hereto (the "Center Property"); and

WHEREAS, Wal-Mart is the owner of the land designated as Tract I on Exhibit "A" attached hereto and described in Exhibit "B-2"; Handy Dan is the owner of the land designated as Tract II, Parcel 2 on Exhibit "A" and described in Exhibit "B-3"; and Duncan is the owner of Tract II, Parcel 1, Tract II, Parcel 3 and Tract II, Parcel 4 shown on Exhibit "A" and described in Exhibits "B-4", "B-5" and "B-6"; and

WHEREAS, the parties hereto desire to amend and restate the aforesaid agreement.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, THAT for and in consideration of the premises, easements, covenants, conditions and restrictions contained herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Building Areas. Any building or structure constructed on the Center Property (either as immediate development or future expansion) shall be built only in that area within the building lines or only to the maximum square footage as set forth on Exhibit "A" hereto (the "Building Areas"). That portion of the Center Property not within the Building Areas is hereinafter referred to as the Common Area. Any canopies, signs or ornaments which are attached to a building or structure situated within the Building Areas may encroach upon that space above the Common Area provided that such canopy, sign or ornament does not interfere with the unrestricted use of any portion of the Common Area as set forth in paragraph 5 hereof. A Building Area may be improved as Common Area, in which case it shall be deemed Common Area and subject to all the provisions of this Agreement pertaining to Common Area until it is improved with a building.

2. Use. Buildings located on the Center Property shall be used for commercial purposes of the type normally found in a retail shopping center including, without limitation, financial institutions, service shops, offices, and retail stores. With the exception stated below, no cafeteria, restaurant, theater, flea market, car wash, bowling alley, billiard parlor, night club, any business which, as its primary business activity, serves alcoholic beverages for consumption on the premises of such business, or any place of recreation or amusement, shall be situated within any portion of the Center Property which is within a 300 foot radius of the front door of Wal-Mart's or Handy Dan's retail outlet. The parties acknowledge that the location of any such business within said area may inconvenience the customers and may adversely affect the business of Wal-Mart and Handy Dan. Notwithstanding the foregoing restriction, restaurants may be located on Tract II, Parcel 3, and restaurants and restaurant-theater and restaurant-entertainment businesses may be located on Tract II, Parcel 4. No adult book store, massage parlor, "head shop" or store devoted to the sale of sexual material and devices shall be allowed on the Center Property.

2321A-120282

### 3. Competing Business.

a. Duncan and Handy Dan agree that as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I or the major portion thereof, either as owner or lessee, no portion of Tract II and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be occupied by, or leased or conveyed to any other party for use as a discount department store similar to Wal-Mart's retail outlet and whose overall retail concept is based on a discounting price structure similar to the concept used by Wal-Mart.

b. Duncan and Handy Dan further agree that for the benefit of the first grantee from Duncan of Tract II, Parcel 1 or any affiliate of said grantee (as the user of Tract II, Parcel 1 as owner or lessee), no portion of Tract II, Parcels 2, 3 and 4 and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be used for the purpose of conducting therein or for use as, a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided however, that nothing contained herein shall prevent any occupant of improvements on Parcels 2, 3 or 4 or real property adjoining the Center Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

c. Duncan agrees that as long as Handy Dan or any affiliate of Handy Dan is the user of Tract II, Parcel 2 or the major portion thereof, either as owner or lessee, no portion of Tract II, Parcels 1, 3 and 4 and no portion of any real property adjacent to the Center Property now or hereafter owned or leased by Duncan shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes are not included in the foregoing restriction.

d. As used in this Agreement, the term "affiliate" means any person or entity controlling, controlled by or under common control with the party in question.

### 4. Buildings.

a. Design and Construction. All buildings constructed on the Center Property shall be designed so that the exterior of each such building shall be architecturally and aesthetically compatible to all other buildings located on the Center Property and so that any building wall footing shall not encroach from one Tract onto another Tract. The design and construction of any building on the Center Property shall be of high quality and shall be in accordance with sound architectural and engineering standards. Buildings on the following Tracts and Parcels shall not exceed the heights above finished grade set forth below:

Tract I	35 feet
Tract II, Parcels 1 and 2	35 feet
Tract II, Parcel 3	22 feet
Tract II, Parcel 4	22 feet

VOL 1181 PAGE 565

b. Easements. In the event building wall footings encroach from one parcel of separately owned land ("tract") onto another, despite efforts to avoid such occurrence, the party onto whose tract the footings encroach shall cooperate in granting an encroachment permit or easement to the party whose building wall footings encroach.

c. Fire Protection. Any building constructed on the Center Property which is not equipped with a sprinkler system shall be constructed and operated in a manner which will preserve the sprinkler rating on the buildings situated on the Center Property which are equipped with sprinkler systems as established by applicable City, County or State fire code authorities in the City of Denton, Denton County, Texas.

#### 5. Common Area.

a. Grant of Easements. Each of the parties hereto, as grantor, hereby grants to the other parties, as grantees, for their benefit and the benefit of their respective customers, invitees, licensees, tenants, and employees, a nonexclusive easement across the Common Area for roadways, walkways, ingress and egress to any and all public roadways, whether established or proposed, which run adjacent to the Center Property; parking of motor vehicles (except construction worker vehicles); loading and unloading of commercial and other vehicles (except for construction vehicles) and the use of facilities installed for the comfort and convenience of customers, invitees, licensees, tenants and employees of all businesses and occupants of buildings situated on the Center Property.

#### b. Limitations on Use.

(i) Customers. The parties hereto shall use all reasonable efforts to ensure that no person shall be permitted to park on the Common Area except for employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses.

(ii) Employees. Each party shall use reasonable efforts to ensure that all employees of businesses located in the Center Property park in those portions of the Common Area which the parties hereto from time to time mutually designate as employee parking areas.

(iii) General. The primary purpose of the Common Area is to provide for parking for the employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses. Persons using the Common Area in accordance with the provisions of this subparagraph shall not be charged any fee for such use. However, no activity shall be conducted in the Common Area which will interfere with the aforementioned primary purpose of the Common Area.

(iv) Trash Containers. Each owner, on its own tract, may use or permit the use of the portion of the Common Area to the south of the Building Area on Tract I and Tract II, Parcels 1 and 2 for trash containers or compactors and outside storage of merchandise and equipment, provided that they do not interfere with normal access and unloading by delivery and other service vehicles between the Building Area and the southern boundary of the Center Property. Outdoor trash containers and compactors located on Tract II, Parcel 3 shall be screened so that they are not visible from Tract II, Parcels 1 and 2, and the access to the containers and compactors shall be from the north or west.

(v) Outdoor Sales. Outside sales and displays of merchandise shall be permitted to be conducted by any of the stores located on Tract I and Tract II, Parcels 1 and 2 upon their respective sidewalks and within 125 feet of their respective main entrances; provided, however, that the sales area is not located in the drive lanes parallel and adjacent to the front of the building on the respective tract.

(vi) Service Drive and Driving Lane. The Common Area designated "Service Drive" on Exhibit "A" shall be used exclusively for access, loading and unloading of service vehicles, except for underground utility lines, overhead utility lines that do not interfere with service vehicles and the trash containers described in Section 5.b.(iv). The Common Area designated "Driving Lane" on Exhibit "A" shall be used exclusively for passage of vehicles and pedestrians and for underground utility lines.

c. Utility and Service Easements. The parties hereto shall cooperate in the granting of appropriate and proper easements for the installation, use, repair and replacement of storm drains, sewers, utilities and other proper services necessary for the orderly development and operation of the Common Area and those buildings to be erected upon the Building Areas. The parties will use their best efforts to effect the installation of such utility and service lines prior to the paving of the Common Area. However, in no event shall the lines, sewers, utilities and services which benefit one tract be installed within the Building Areas of any other tract without the express written consent of the owner of the other tract.

d. Water Flow. The parties agree to the drainage of surface water in the Center Property that results from (i) the grading and underground drainage system shown on Exhibit "C" attached hereto and (ii) the location of buildings within the Building Area (the "Permitted Drainage"); and the parties hereby grant each other an easement to allow the Permitted Drainage over their respective tracts. Each party agrees that it will not alter the grading within its tract or place improvements in the Common Area that will materially alter the Permitted Drainage or cause the owner of any other tract to be in violation of the surface drainage easement contained in the Grant of Reciprocal Easements between Duncan Properties, Ltd. and Denton Towne Center Joint Venture dated March 31, 1982 as recorded in Volume 1136, Page 509, Deed Records, Denton County, Texas.

e. Subdivision of Existing Tracts. Tracts created by subdivision of already existing tracts shall have, with respect to each other, all easements granted in this Section 5 that benefit the present Tracts and Parcels in which said newly created tracts are located.

#### 6. Development, Maintenance, and Taxes.

##### a. Development.

(i) "Parking Area" Ratio. Each owner agrees it shall maintain, in that portion of the Common Area situated on its respective tract, sufficient parking area to accommodate not fewer than five (5) cars spaces for each one thousand (1,000) square feet of building floor area constructed on its respective tract. If a restaurant is operated on Tract II, Parcel 3, then (i) the Common Area on said Parcel shall contain no fewer car spaces than the seating capacity of the restaurant divided by 3 and (ii) the principal occupant of Tract II, Parcel 2 may require all or some of the restaurant employees to park their cars on designated portions of Tract II, Parcel 2.

(ii) Design of Common Area. The design and arrangement of the Common Area shall not be changed in a manner inconsistent with the terms of this Agreement without the express written consent of the parties entitled to amend this Agreement pursuant to Article 17, except that the location and use of the Service Drive and Driving Lane shown on Exhibit "A" shall not be changed without the express written consent of all Principal Parties (as defined in Paragraph 17).

(iii) Coordination of Common Area Construction-Service Drive. Wal-Mart acknowledges that at the time it opened for business to the general public on November 16, 1982 the Service Drive located as set forth on Exhibit "A" was completed in Tract I only. As Wal-Mart gave Duncan no written notice of its scheduled opening date, Wal-Mart has

waived its right to complete that portion of the service drive located on Tract II, Parcels 1 & 2 and does hereby waive any rights it may have had to complete same. Nevertheless, it is agreed by all parties that the portion of the Service Drive on Tract II Parcels 1 & 2 will be constructed on the respective parcels by the time the buildings on said Parcels are completed.

(iv) Coordination of Common Area Construction-Tract II, Parcels 1 & 2. In addition to Subparagraph 6.a.(iii), each of the owners of Tract II, Parcel 1 and Tract II, Parcel 2 agree with the other to complete construction on its Parcel of the work described below within forty (40) days after it receives written notice from the other owner that an occupant intends to open a place of business on the latter's Parcel within seventy-five (75) days. The work to be performed by each owner is the paving of the Service Drive and the parking area lying north of the sidewalk line and within thirty-five (35) feet of the boundary between Tract II, Parcels 1 and 2. The specifications for the work to be performed on each owner's Parcel are set forth in Exhibit "D" attached hereto. In the event that either owner should fail to fulfill its obligations under this paragraph 6.a.(iv) (the "defaulting party"), then the other owner (the "non-defaulting party") shall have the right to complete such work on the defaulting party's Parcel pursuant to a bid approved by the defaulting party, said approval not to be unreasonably withheld and to be deemed given if not refused within ten (10) days after it is submitted. In connection therewith the non-defaulting party shall obtain a waiver from its contractors and sub-contractors of any and all liens which could be asserted against the defaulting party's tract. All costs and expenses incurred in connection with any such construction shall be payable by the defaulting party to the non-defaulting party upon demand after the issuance of a certificate of occupancy for the building on the defaulting owner's Parcel. In order to secure such sums the non-defaulting party shall have a lien on the Parcel owned by the defaulting party, which shall be superior to all other liens except liens securing lawful governmental assessments and bona fide first lien mortgages or first lien deeds of trust, and which shall be evidenced by the non-defaulting party preparing, executing, acknowledging and recording in the appropriate records in the office of the County Clerk of Denton County, Texas, a notice of such lien setting forth the principal amount due, the name of the defaulting party and a description of the tract owned by the defaulting party. After recordation of such notice the lien may be foreclosed in like manner as a mortgage on real property subsequent to the recording of a notice or claim thereof. The defaulting party shall be responsible for and shall pay all costs and expenses incurred by the non-defaulting party in enforcing any of the foregoing rights and remedies (including attorneys' fees and court costs).

(v) Conduct of Construction. All construction work done within the Center Property and the right of way adjoining the Center Property shall be conducted so as not to unreasonably interfere with permitted uses (including construction activity) and businesses conducted in the Center Property. The Service Drive designated on Exhibit "A" shall not be obstructed except temporarily for necessary construction work or unloading, provided that during the period the Service Drive is so temporarily obstructed the dock area of the building on Tract I must be served by an unobstructed truck route utilizing portions of the Service Drive connected to the parking area on Tracts I and II. Notwithstanding Section 6.b.(i), an owner of a tract upon which construction is taking place shall repair all damage to the Building and Common Areas on other tracts caused by its construction work.

b. Maintenance.

(i) Standards. Following completion of the improvements on the Common Area, each of the parties respectively shall maintain that portion of the Common Area situated on its tract in good condition and repair. Such maintenance shall include, without limitation, the following:

(A) Maintaining the surfaces in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(B) Removing all papers, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition;

(C) Installing, repairing, and replacing any and all necessary directional signs, markers and lines;

(D) Operating, repairing and replacing, where necessary, such artificial lighting facilities as shall reasonably be required;

(E) Maintaining all perimeter walls in a good condition and state of repair; and

(F) Maintaining all landscaped areas and making such replacements of shrubs and other landscaping as is reasonably necessary.

(ii) Expenses. Each of the parties hereto shall pay the cost of maintaining their respective tracts, except that owners and tenants of tracts that negligently or wilfully cause damage to other tracts shall reimburse its owner for the cost of the repair.

(iii) Maintenance Service. The parties hereto may agree to employ an independent maintenance service to maintain the Common Area in the manner above outlined. The expenses incurred in connection with the hiring of such maintenance service shall be borne by the parties hereto in the same proportion that the number of square feet contained in their respective tracts is to the total number of square feet in the Center Property.

c. Prior to Development. Before land in the Center Property is improved, its owner shall maintain the land in compliance with all laws and governmental rules and regulations and shall not permit a nuisance affecting any other part of the Center Property to exist on its land. Without limiting the foregoing, the owner shall keep grass and underbrush cut, remove debris, prevent soil from washing into improved portions of the Center Property and maintain in an attractive condition any fences or barriers on its Building Area that is not intended for use solely during construction.

d. Restoration. A building in the Center Property damaged by casualty or condemnation does not have to be restored, but its owner shall within ninety (90) days after the damage occurs remove all debris resulting therefrom and within a reasonable time thereafter either (i) repair or restore the building, (ii) replace the building with a new improvement that complies with this Agreement or (iii) demolish the building, remove the debris, smooth the ground surface and either pave or grass over the site.

e. Taxes. Each of the parties hereto agrees to pay or cause to be paid, before delinquent, directly to the appropriate taxing authority those assessments which are levied against that portion of the Center Property owned by it.

VOL 1181 PAGE 349

7. Signs.

a. No sign shall be located on the Center Property, except as allowed in this Article. All signs located on the Center Property shall be related to business(es) conducted on the Center Property. 774 DMC

b. The two (2) signs designated as Center I.D. signs on said Exhibit "A" and located on Tract I and Tract II, Parcel 4, respectively, shall be composed of a pylon structure and not more than three individual box signs. None of the boxes shall have flashing lights or moving visual or mechanical elements. The top box of each such Center I.D. sign shall be designated for use by Wal-Mart. The second box from the top of each such Center I.D. sign shall be designated for use by the principal user of Tract II, Parcel 1. The third box from the top of the easterly Center I.D. sign shall be designated for use by Handy Dan. The remaining box on the westerly Center I.D. sign, if used, shall be used by the business designated by Wal-Mart and the user of Tract II, Parcel 1. The designated user of each box shall bear an equal share of the cost of constructing and maintaining the Center I.D. pylon sign structures, said share being proportional to the number of boxes on the pylon. The cost of installing, equipping, maintaining, illuminating and metering each of the boxes used by owners or tenants utilizing such boxes shall be borne completely by such tenant or owner.

c. The sign situated on Tract II, Parcel 2 and designated "Handy Dan Sign" on Exhibit "A" hereto shall be the sole responsibility of Handy Dan and Handy Dan shall have the right to erect and use or allow the use of such sign.

d. The two signs situated on Tract II, Parcel 4, each designated "Duncan Sign Easement" on Exhibit "A", shall be the sole responsibility of the principal user of Tract II, Parcel 1, and said user shall have the right to erect and use or allow the use of such sign.

e. Duncan shall have the right to erect and to apportion the use of four (4) additional signs on Tract II, Parcel 4 (other than the Center I.D. sign and the two Duncan Sign Easements) and one sign on Tract II, Parcel 3, provided that the sign on Tract II, Parcel 3 does not exceed thirty-five (35) feet in height and does not materially impede the visibility of the sign described in subparagraph 7.c. from Interstate Highway 35.

8. Indemnification/Insurance.

a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim, or judgment arising from personal injury, death, or property damage occurring on or in any way connected with the indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee.

b. Insurance.

(i) Each owner of a tract at its sole cost and expense shall procure and maintain or cause to be procured and maintained in full force and effect throughout the term of this Agreement policies of general public liability insurance and of property damage insurance. Such policies shall provide coverage against all claims, demands or actions for personal injury, death or property damage occurring upon or in connection with that portion of the Center Property owned by such party within limits of not less than \$500,000.00 for injury or death of a single person, within limits of not less than \$1,000,000.00 for any one occurrence, and within limits of not less than \$500,000.00 for property damage. Such policies shall name as additional insureds all Principal Parties (as defined in Paragraph 17) of which the owner has knowledge and shall provide that it may not be cancelled as to any insured without at least ten (10) days advance written notice to the insured. Each owner shall provide the Principal Parties named as additional insureds with

certificates of such insurance from time to time to evidence that such insurance is in force. Such insurance may be written by an additional premises endorsement on any master policy of insurance carried by either of the parties hereto.

(ii) During the term of this Agreement, each owner shall insure or cause to be insured all improvements located on its tract against loss or damage by fire and any other perils or events which may be covered under the broad form of Uniform Extended Coverage Clause in effect from time to time in the State of Texas. Said insurance shall be for the full replacement cost of such improvements.

(iii) Except for damage covered by Subparagraph 6.b.(ii), each owner and occupant of real property within the Center Property hereby releases, on behalf of itself and its insurers, each other owner and occupant of real property within the Center Property from any and all claims for damage to real and personal property, business interruption, loss of profits and loss of rent or payment of rent for untenable premises, regardless of whether such losses are insurable or the releasing party is insured or is able to collect on its insurance claims. If the releasing party is unable to obtain insurance by reason of the aforementioned release, then the release (i) shall be limited to the releasing party and apply only to the uninsured and uncollectible portions of its loss, and (ii) shall not apply to its insurer or bar a subrogation action by the insurer to recover the amount it has paid. In that instance, however, the releasing party shall indemnify and hold harmless each other owner and occupant of real property within the Center Property from all loss, damage and expense (including attorneys' fees) in connection with the claims mentioned in the first sentence of this paragraph made by the releasing party's insurer.

(iv) Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Wal-Mart or its parent company, Wal-Mart Stores, Inc., shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I, either as owner or lessee, then Wal-Mart shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract I up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Handy Dan or its parent company, Grace Retail Corporation, shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Handy Dan, or any affiliate of Handy Dan, is the user of Tract II, Parcel 2, either as owner or lessee, then Handy Dan shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 2 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of a company operating a supermarket on Tract II, Parcel 1 or its parent company, shall exceed Fifty Million Dollars (\$50,000,000.00), then the company operating the supermarket shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 1 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim.

9. Eminent Domain.

a. Owner's Right to Award. Nothing herein shall be construed to (i) give either party any interest in and to any award or payment made to another party in connection with any exercise of eminent domain (or transfer in lieu thereof) affecting the other party's tract, or (ii) give the public or any government any interest in and to said tract. In the event of any exercise of eminent domain (or transfer of any part of the Center Property in lieu thereof) the award attributable to the land and improvements of such tract shall be payable only to the owner thereof, and no claim therefor shall be made by the owner of any other tract.

b. Collateral Claims. An owner of a tract may file collateral claims with any condemning authority in connection with any losses sustained by it in connection with the taking of any other tract.

c. Tenant's Claim. Nothing in this Paragraph 9 shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between a tenant and owner for all or a portion of any such award or payment.

d. Restoration of Common Area. The party owning any portion of the Common Area so condemned or taken shall use its best efforts to promptly repair and restore the remaining portion of the Common Area owned by such party to the condition existing immediately prior to such condemnation or transfer. However, in connection with such restoration or repair, no party shall be required to expend an amount which exceeds the amount such party received for such condemnation or taking.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a tract, such lien shall expressly be subordinate and inferior to any lien securing lawful governmental assessments and bona fide mortgages or first priority deeds of trust which encumber such tract prior to the attachment of said lien. Except as set forth in the preceding sentence, the holder of a first lien on any portion of the Center Property and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement.

11. Release from Liability. Any person now owning or hereafter acquiring fee or leasehold title to any portion of the Center Property shall be bound by this Agreement only as to that portion of the Center Property owned or leased by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of a portion of the Center Property, except as to obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this paragraph, the easements, covenants and restrictions in this Agreement shall continue to be benefits and servitudes upon the Center Property which run with the land.

12. Breach. In the event of breach or threatened breach of this Agreement, a party entitled to enforce the breached obligation (as described in Paragraph 18) shall be entitled to any relief available under the laws of the State of Texas, ~~and the right to enjoin a violation or threatened violation of this Agreement without regard to the sufficiency of legal damages or any other remedy.~~ The unsuccessful party in any action shall pay to the prevailing party all reasonable attorneys' fees incurred in connection with the prosecution or defense of such suit. 7/12 DMC

13. Right to Cure. Should any owner or user of a portion of Tract II fail to timely perform any of its obligations hereunder and thereafter fail to cure such failure within thirty (30) days of its receipt of a demand for performance made by another owner or user of a portion of Tract II that is entitled to enforce the obligation pursuant to Paragraph 18 (or, if the default cannot be reasonably cured within thirty days, the defaulting party does not commence to cure such default promptly and thereafter diligently pursue the curing of the default to completion), the party giving such notice shall, in addition to any other remedy provided at law or in this Agreement, have the right (but not the obligation) to perform such obligation on behalf of the defaulting party. The thirty (30) day period to cure the default may be reduced in the event of an emergency by the party giving notice stating the nature of the emergency and the shorter time to cure the default in its notice. The defaulting party shall reimburse the party curing the default for the cost of performing the defaulted obligation within fifteen (15) days after receipt of billing therefor and proof of payment thereof. In the event the defaulting party does not reimburse the curing party within such fifteen (15) day period, the amount due shall bear interest at the rate of three percent (3%) per annum over the stated prime interest rate of the largest commercial bank (asset size) in Dallas, Texas, from the date of billing until paid and the curing party shall have: (i) the right to exercise any and all rights which such curing party might have at law to collect the same, and (ii) have a lien on the tract owned by the defaulting party to the extent of the amount paid by the curing party but

not reimbursed by the defaulting party. Such lien may be filed for record by the curing party as a claim against the defaulting party, in the manner described in Subparagraph 6(a)(iv).

The lien so claimed shall attach from the date of recordation in the amount claimed by the party curing the default and it may be enforced and foreclosed in any manner allowed by law, including but not limited to suits to foreclose a mortgage or mechanic's lien under the applicable law of the State of Texas.

14. Rights of Successors. The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, legal representatives, lessees, successors and assigns. As used herein, the singular number includes the plural and the masculine gender includes the feminine and neuter.

15. Adjoining Shopping Center Restrictions. The parties hereto each acknowledge that Denton Towne Center Joint Venture as the owner of real property situated adjacent to the Center Property (the "Towne Center Tract"), made, executed and delivered that certain Declaration of Restrictive Covenants (the "Declaration") dated March 31, 1982, recorded in Volume 1136, page 544, Deed Records, Denton County, Texas, which benefits the Center Property, but for which the benefits and the enforcement thereof were limited to the owners of Tract 11, Parcel 4. Duncan, for itself, its successors, legal representatives and assigns, and as a covenant running with Tract 11, Parcel 4, hereby covenants and agrees that the Declaration shall not be altered, modified, amended or affirmatively waived in any manner without the prior written consent of all of the owners of the Center Property.

16. Prior Easements and Restrictions. The parties each acknowledge that this Agreement is made and accepted subject to certain prior easements and restrictions of record in Denton County, Texas, including (i) that certain Declaration of Restrictive Covenants, dated March 31, 1982, recorded in Volume 1136, page 561, Deed Records, Denton County, Texas, burdening Tract 11, Parcel 4 for the benefit of the Towne Center Tract, and (ii) that certain Grant of Reciprocal Easements, dated March 31, 1982, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, covering the Center Property and the Towne Center Tract. To the extent any term or covenant hereof conflicts with a term or covenant set forth in such prior easements and restrictions, the terms of such prior easements and restrictions shall control.

17. Cancellation, Extension and Modification. This Agreement may be cancelled or extended only by all the owners of the Center Property, the Principal Parties (hereinafter defined) and all holders of first mortgages on the Center Property. The provisions of this Agreement may be amended by the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property, provided, however, that (i) no change will be made in the improvement or layout of a portion of a Building Area or Common Area without the consent of its owner and its tenant if the tenant is a Principal Party and (ii) the Service Drive and Driving Lane shall not be changed without consent of all Principal Parties. Consent, as referred to in this Paragraph, shall be evidenced only by execution of a formal, written amendment of the document in question. The provision of the Grant of Easements described in Subparagraph 16(ii) shall not be amended by the owners of the Center Property without the prior written consent of the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property. "Principal Party" means (i) Wal-Mart, Handy Dan, Duncan and their respective affiliates, (ii) a tenant of the entire Building Area on Tract 1, Tract 11, Parcel 1, or Tract 11, Parcel 2, and (iii) the owner of Tract 1 or Parcel 1, 2, 3 or 4 of Tract 11, if said Tract or Parcel is not used by another Principal Party. Any purchaser, lender, lessee, assignee, grantee, sublessee or any other party acquiring any interest in and to the Center Property shall appoint and be deemed to

7H  
OMC

VOL 1181 PAGE 573

have appointed the Principal Party of the property in which it has an interest as such party's attorney-in-fact for the purpose of negotiating and entering into any modifications of this Agreement in connection with such party's interest, except for changing the duration of this Agreement.

18. Enforcement. The covenants and restrictions in this Agreement may be enforced only by a record owner of land within the Center Property and a Principal Party. Any occupant of the Center Property may enforce its right to use an easement granted herein for its benefit but may not enforce any limitations or obligations imposed upon other parties with respect to such easements.

19. Estoppel Certificate. Each Principal Party and owner of property within the Center Property, upon written request made by any other owner or Principal Party ("Requesting Party") from time to time, (but not more frequently than three (3) times during any calendar year), shall issue to a prospective mortgagee or successor Principal Party of the Requesting Party, an estoppel certificate stating:

- (i) whether the party to whom the request has been directed knows of any default by the Requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof;
- (ii) whether to its knowledge this Agreement has been modified or amended in any way (and if it has, then stating the nature thereof);
- (iii) that to the knowledge of the party to whom the request has been directed, this Agreement is in full force and effect.

20. Non-Extinguishment. This Agreement shall not be extinguished, so long as Duncan, Wal-Mart or Handy Dan, or any affiliate of Wal-Mart or Handy Dan is the owner or lessee of any portion of the Center Property, even though the underlying fee ownership of the Center Property may be vested in a single person or entity.

21. Duration. Unless otherwise cancelled or terminated, this Agreement and all the easements, rights and obligations contained herein shall automatically terminate and be of no further force and effect after seventy-five (75) years from and after the date hereof.

22. Headings. The headings used in this Agreement are for convenience and reference only and shall not be deemed to expand or limit the meaning of this Agreement.

23. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements whether oral or written.

24. Notice. All notices, demands and requests which may be given or which are required to be given by any party to other parties shall be in writing and shall be sent by United States certified or registered mail, postage prepaid, return receipt requested, addressed to Wal-Mart, Handy Dan or Duncan, respectively, as follows:

EXHIBIT B-1

VOL 1181 PAGE 578

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J.S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E ( a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01° 41' 20" E a distance of 70.71 feet to a point;  
S 34° 42' 00" E a distance of 226.60 feet to a point;  
S 42° 00' 59" E a distance of 90.60 feet to the POINT OF BEGINNING:

THENCE N 42° 33' 00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 90.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 170.17 feet to a point for corner;

THENCE N 34° 48' 00" E a distance of 136.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 21.62 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 357.99 feet to a point for corner;

THENCE N 60° 43' 46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22° 31' 07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37° 21' 11" W to the point of tangency;

THENCE S 48° 36' 44" E a distance of 323.16 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

N 47° 27' 00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 ( a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42° 27' 28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02° 48' 06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34° 42' 00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 65.87 feet to a point for corner;

THENCE S 05° 49' 03" W a distance of 95.00 feet to a point for corner;

THENCE S 86° 43' 12" W a distance of 90.00 feet to a point for corner;

THENCE S 42° 33' 00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42° 00' 59" W a distance of 90.60 feet to a point for corner;

N 34° 42' 00" W a distance of 226.60 feet to a point for corner;

N 01° 41' 20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

## EXHIBIT B-2

BEING a tract of land situated in Denton County in the J.S. Taft Survey, Abstract No. 1256, the John McGowan Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784 and also being all of Lot 1, Block 1 of the Denton Shopping Center Addition, an addition to the City of Denton, according to the replat thereof, recorded in the Map Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point in the common line between the said John McGowan Survey and the said Daniel Lambert Survey, 124.00 feet south of the Northwest corner of the Daniel Lambert Survey;

THENCE N  $60^{\circ} 43' 46''$  E, a distance of 268.95 feet to a point for corner, said point also being the beginning of a curve to the left having a radius of 453.38 feet and central angle of  $22^{\circ} 31' 07''$ ;

THENCE along said curve, an arc distance of 178.19 feet to a point for corner;

THENCE S  $48^{\circ} 36' 44''$  E, a distance of 323.16 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 580.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 125.00 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 105.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 155.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 108.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 303.66 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 357.99 feet to the POINT OF BEGINNING and containing 7.242 acres of land, more or less.

## EXHIBIT B-3

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784, and being part of Lot 2 in Block 1 of the replat of Denton Shopping Center Addition, an addition to the City of Denton as recorded in Cabinet C, Page 19, Deed Records, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the Northeasterly line of Interstate Highway No. 35-E (variable right of way), said point also being the Southwesterly corner of said Denton Shopping Center Addition;

THENCE along the said Northeasterly line of I.H. 35-E the following:  
N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

THENCE N 41° 57' 26" E departing said I.H. 35-E a distance of 95.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 85.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 132.75 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 12.61 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 30.17 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 25.00 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 236.91 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 25.50 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 244.00 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 333.26 feet to the POINT OF BEGINNING and containing 127,375 square feet or 2.924 acres of land, more or less.

THE STATE OF TEXAS  
COUNTY OF DENTON

§  
§  
§  
MODIFICATION OF RESTATEMENT  
OF AGREEMENT OF EASEMENTS,  
COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

Complainant Party *nn*.

*nn-greater*

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the ~~party~~ who owns the ~~greatest~~ portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

the Principal Party of

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. ~~Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.~~ nn.

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

THE STATE OF TEXAS            §            MODIFICATION OF RESTATEMENT  
   §            OF AGREEMENT OF EASEMENTS,  
COUNTY OF DENTON            §            COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement: SEE ADDENDUM

INITIALED BY ~~With respect to the Grant of Reciprocal Easements referred to in subparagraph (1) above (the "Grant"), the parties hereby agree that the party who owns the greatest portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event~~

VOL 1225 PAGE 359

INITIALED BY: \_\_\_\_\_

~~of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Town Center Joint Venture as set forth in the Grant.~~

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

THE STATE OF TEXAS        §        MODIFICATION OF RESTATEMENT  
                                 §        OF AGREEMENT OF EASEMENTS,  
COUNTY OF DENTON        §        COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 21 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the <sup>party</sup> who owns the greater portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

VOL 1225 PAGE 385

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

§ OF AGREEMENT OF EASEMENTS,  
§ COVENANTS & RESTRICTIONS  
**DEED RECORDS**

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26<sup>th</sup> day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

**W I T N E S S E T H:**

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the party who owns the greater portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

                                 §        OF AGREEMENT OF EASEMENTS,  
COUNTY OF DENTON        §        COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the party who owns the greater ~~greatest~~ portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

the Principal Party of

Tract I

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. ~~Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.~~

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

DEED RECORDS

GRANT OF RECIPROCAL EASEMENTS

9471

THIS GRANT OF RECIPROCAL EASEMENTS ("Agreement") is to be effective as of March 31, 1982, and is between DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan") and DENTON TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center"), upon the following terms and conditions:

INTRODUCTION

1. Duncan owns a tract of land (the "Duncan Tract") located partially in the Daniel Lambert Survey, Abstract No. 784, and partially in the John McGowan Survey, Abstract No. 797, and partially in the J. S. Taft Survey, Abstract No. 1256, City of Denton, Denton County, Texas, which land is described on Exhibit "A" to this Agreement and shown on Exhibit "C-1" to this Agreement (the "Site Plan"). The Duncan Tract is composed of "Duncan's Main Tract", being the area shown as such on the Site Plan and "Duncan's Outlot Tract", being the area shown as such on the Site Plan.
2. Towne Center owns a tract of land located partially in the Daniel Lambert Survey, Abstract No. 784, partially in the John McGowan Survey, Abstract No. 797 and partially in the J. S. Taft Survey, Abstract No. 1256, which is contiguous to the Duncan Tract, and which is described on Exhibit "B" to this Agreement and shown on the Site Plan (the "Towne Center Tract"). The Towne Center Tract and the Duncan Tract collectively shall be referred to as the "Shopping Center", and are sometimes individually referred to as a "Tract".
3. The terms "Duncan" and "Towne Center" shall include their respective successors and assigns as owners of portions of the Shopping Center and all such parties shall be referred to in this Agreement individually as a "Party" and collectively as the "Parties". As used in this Agreement, the term "Permittee" shall collectively refer to the Parties, each person or entity entitled to occupy a portion of the Shopping Center and all of their respective officers, employees, agents, contractors, customers, visitors, business invitees and other invitees of any nature whatsoever.
4. Towne Center and Duncan intend to develop and operate their respective Tracts in conjunction with each other, and in order to effectuate that purpose, Towne Center and Duncan desire to grant to each other certain reciprocal easements in, to, over and across their respective Tracts.

ARTICLE I

EASEMENTS

- 1.1 Access Easements. Each Party hereby grants and conveys to each other Party for its use and for the use of its Permittees, in common with others entitled to use the same, a nonexclusive perpetual easement for the passage of vehicles over and across the portions of the grantor's Tract shown as "Access Easements" on Exhibit "C-2" to this Agreement and described by metes and bounds on Exhibits "D-1, D-2 and D-3" to this Agreement as Access Easement #1, Access Easement #2 and Access Easement #3 so as to assure a free and unimpeded flow of vehicular traffic through the interconnecting Access Easements. Neither Party shall vary, alter

Vol 1136 - 569

or change the grade levels of its Tract within any of the Access Easements from the grade levels shown on the grading plan attached to this Agreement as Exhibit "E" without the prior written consent of the other Party. No fence (except the required guard rails referred to in Section 3.4 hereof and shown on Exhibit "H") or other barrier which would prevent or obstruct the passage of vehicular travel shall be erected or permitted within or across the Access Easements; provided, however, that a Party may, at its sole election, erect curbing along those boundary lines of the Access Easements which are located on its Tract except (i) in that area identified as "No Curb Area" on Exhibit "C-1", within which no curbing may be erected by any Party, and (ii) within any intersection of two Access Easements. Towne Center shall have the right, and an easement over and across that portion of the Duncan Tract as is necessary to effectuate such right is hereby granted, to penetrate any curbing erected within the "Optional Curb Opening Area" shown on Exhibit "C-2" to create a curb opening and to pave and use as a driveway, from the Towne Center Tract to Access Easement #1, an area of a width to be determined by Towne Center in its sole discretion, but in no event to exceed two hundred sixty-eight feet (268'). In such event, Towne Center acknowledges that water will likely surface drain from Duncan's Tract into the Towne Center Tract through any opening so created by Towne Center in the curb, and Towne Center will accept all such water onto its Tract and will release, indemnify and hold Duncan harmless from any loss, liability or cause of action arising from such water drainage, notwithstanding the provisions of Section 1.3 hereof. Towne Center shall be responsible at its sole expense for all such work and to prepare neat and sightly curb openings. The foregoing provisions shall not prohibit temporary barricades erected and reasonably necessary in connection with the construction, reconstruction or repair and maintenance of improvements erected or constructed in connection with this Article I (collectively "Construction"). All Construction shall be conducted in the most expeditious manner reasonably possible to minimize the interference with the use of the Access Easements, with the Party erecting temporary barricade(s) being obligated to provide alternate routes of vehicular travel to the extent that such are obstructed at all times while any barricade(s) remains in place; provided, however, that prior to closing off any portion of the Access Easements, as herein provided, such Party shall give written notice to the other Party of its intention to do so, and shall coordinate such closing with the other Party so that no unreasonable interference in the operation of the Shopping Center shall occur.

1.2 Utilities. Each Party hereby grants and conveys to each other Party a nonexclusive perpetual easement in, to, under and across the areas of the grantor's Tract shown as "Utility Easements" on Exhibit "C-3" and described by metes and bounds on Exhibit "F" attached to this Agreement, for the installation, operation, flow and passage, use, maintenance, repair, relocation within the easement area and removal of water and gas mains, electrical power lines, telephone lines, television cable and any related facilities which are incidental to any such services to serve the Tract of the grantee. All utility lines or systems installed pursuant to the foregoing grant shall be underground, except for incidental surface structures such as phone pedestals and power transformers, which may be installed above ground in an area outside of Access Easement #1 which is either within the Utility Easement or on the Tract of the installing Party. Any Party installing utilities pursuant to the

provisions of this subparagraph shall pay all costs and expenses with respect thereto and shall cause all work in connection therewith to be completed, including general clean-up and surface restoration, as quickly as practical. If any of the Parties elect to install common utility lines or systems, all costs and expenses with respect to the initial installation thereof shall be set forth in a separate agreement between the cooperating Parties.

1.3 Surface Drainage Easement. Towne Center hereby grants to Duncan and Duncan's successors and assigns, a perpetual nonexclusive easement for surface water drainage from Duncan's Main Tract into the Surface Drainage Entry Area owned by Towne Center, as shown on Exhibit "C-2", but not into any other portion of the Towne Center Tract. Towne Center acknowledges that the path of surface water after entering the Surface Drainage Entry Area will be the responsibility of Towne Center. Attached to this Agreement as Exhibit "C" is a grading plan which identifies a possible Drainage Basin (with the term "Drainage Basin" referring to an area from which water will flow and drain through the Surface Drainage Entry Area), pursuant to which Duncan may elect to grade its Tract (the "Safe Harbor Grading Plan"). If Duncan does so grade its Tract, then Towne Center shall accept whatever amount of water flow is created by the Safe Harbor Grading Plan from the Drainage Basin. If Duncan shall grade its Tract in such a manner so as (a) to increase or change the perimeter boundaries of the Drainage Basin from that shown in the Safe Harbor Grading Plan or (b) to materially alter the grade levels within the Drainage Basin shown in the Safe Harbor Grading Plan in any manner, then Duncan shall be obligated and does hereby covenant to grade Duncan's Main Tract so as to assure that the water flow into the Surface Drainage Entry Area shall not exceed five cubic feet per second of water based on a ten-year design frequency as established by the City of Denton Drainage Design Manual dated May 1975, using the applicable assumptions used by the City of Denton, Texas on the effective date of this Agreement. If Duncan shall violate the terms of the covenants contained in the immediately preceding sentence, Towne Center may deliver written notice thereof to Duncan together with a certification from a registered civil engineer of such violation, together with an identification of the Drainage Basin which is causing the default (the "Drainage Default Notice"). The Party owning the Drainage Basin causing the default shall be the only person or entity deemed to be Duncan for purposes of the remainder of this Section 1.3. In such event, the following procedures shall apply:

(i) If Duncan concedes that a violation does exist, Duncan may, within thirty days from delivery of the Drainage Default Notice, submit to the City Engineer of the City of Denton, Texas (or if he declines to assist, to an engineer designated by the City Engineer of the City of Denton, Texas -- whichever may be applicable being referred to as the "Binding Engineer") and to Towne Center a proposal for curing the violation. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at its sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(ii) If Duncan does not agree that a violation exists, Duncan may, within thirty days following delivery of the Drainage Default Notice, obtain an opinion

Vol: 1136 511

VC: 1136 512

from the Binding Engineer concerning the existence of a violation. If the Binding Engineer determines that no violation exists, such determination shall be final and binding on all Parties. If the Binding Engineer determines that a violation does exist, then Duncan shall have a period of thirty days from the date on which written notice of such determination is delivered to Duncan and Towne Center to submit a proposal to cure the violation to the Binding Engineer and to Towne Center. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at Duncan's sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(iii) If Duncan fails to obtain an opinion of the Binding Engineer within the stated thirty-day period, then a violation shall be deemed to have been conclusively established and Towne Center may pursue all remedies prescribed below.

Notwithstanding anything contained hereinabove to the contrary, if within sixty days following the delivery of the Drainage Default Notice, Duncan has not either (x) commenced curing the asserted violation or (y) delivered to Towne Center an opinion from the Binding Engineer that no violation exists, then Towne Center shall have, in addition to all other rights and remedies otherwise available, the right to terminate the easement granted in this Section 1.3. In addition, Towne Center may erect or construct, at Duncan's sole expense, whatever barriers or other devices (including, but not limited to, underground water collection devices) Towne Center may deem appropriate to prevent the passage of surface water into the Surface Drainage Entry Area. Duncan shall promptly reimburse Towne Center upon request for any such expenses actually incurred by Towne Center in connection with curing such violation. In addition to all of the foregoing, (aa) until such time as the initial Slope Retention Devices (i.e., the earthen bank described in Section 1.4 hereof) are modified, altered or replaced in accordance with Section 2.3 hereof, Duncan may drain surface water over and across any portion of the Towne Center Tract located to the west of Access Easement #2, and (bb) if Towne Center is the direct cause of a violation of the covenants of this Section 1.3 (for example, but not by way of limitation, by penetrating any curb bordering the Duncan Main Tract as contemplated by Section 1.1 or by failing to maintain or repair the Slope Retention Devices in accordance with Section 2.3 hereof), thereby causing water to enter the Towne Center Tract at a place other than the Surface Drainage Entry Area, Duncan shall not be responsible therefor, notwithstanding any other provision hereof.

1.4 Slope Maintenance Easement. Significant grade differences exist between the Towne Center Tract and Duncan's Main Tract, and Duncan and Towne Center have by separate instrument dated on even date herewith and entitled "Standard Form of Agreement as outlined in the February 1982 Construction Documents and Technical Specifications", prepared by Pierce Lunsford & Associates, Inc., as amended, from time to time, agreed to cooperate concerning the grading and construction of slope retention devices along the common boundary between Duncan's Main Tract and the Towne Center Tract in the area identified on Exhibit "H" (the "Slope Retention Devices"). The Slope Retention Devices are contemplated to consist initially of earthen bank. The Slope Retention Devices will

commence to the north of the northernmost boundary of the area shown as Access Easement #1 on the Site Plan (with the southernmost point of the Slope Retention Devices being referred to as the "Slope Commencement Line" and being in the location shown on Exhibit "H" to this Agreement). Duncan hereby grants to Towne Center a perpetual easement over, across, under and to all portions of the Shopping Center adjoining the Slope Commencement Line or the Slope Retention Devices for the purposes of maintaining and replacing the Slope Retention Devices, as more particularly described in Section 2.3 below.

1.5 Construction. Each Party grants and conveys to each other Party, and to its respective contractors, materialmen and workmen during the term of this Agreement such temporary licenses for ingress and egress, and for the performance of construction activities (but then only within the Access Easements and the Utility Easement) over, upon and across the portions of the Shopping Center located upon the grantor's Tract not occupied by buildings, signage, landscaping or other improvements other than paving, as shall be reasonably necessary to construct, maintain and reconstruct improvements, utilities, curbing and curb openings, parking, buildings, signs, landscaping, guard rails and Slope Retention Devices on the Tract of such other Party. Towne Center shall make reasonable efforts to perform all construction activities related to the parking area, building, signs and landscaping to be located on its Tract from and on the Towne Center Tract and to avoid use of the Access Drives in connection therewith, subject to the rights and limitations described in the last three sentences of this Section 1.5. Such temporary licenses shall be in effect only during such periods as actual construction, maintenance or reconstruction is performed and shall be exercised so as not to unreasonably interfere with the use and operation of the affected areas. The Access Easements and the Utility Easement located upon the grantor's Tract may also be utilized by vehicles transporting construction materials, equipment and persons employed in connection with any work provided for herein. Storage of materials and vehicles being utilized in connection with such construction may only occur on the constructing Party's Tract and only for temporary periods of time. Prior to exercising any rights under this temporary construction license, the Party wishing to cause such work to be performed shall obtain reasonable and customary liability insurance protection as is appropriate. Any Party availing itself of such temporary license shall indemnify and hold harmless the Party owning the affected area from any liability (including the reasonable attorneys' fees and costs of suit of the indemnified Party) or obligation arising out of or related to the use of such license, except for claims caused by the negligence or willful act or omission of such indemnified Party, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensees or concessionaires wherever the same may occur. In addition, the Party causing the work to be performed agrees to promptly pay all costs and expenses associated therewith, to diligently complete such work as quickly as possible, and to promptly clean the area and restore the affected areas to a condition which is equal to or better than the condition which existed prior to the beginning of such work. Notwithstanding the foregoing, Towne Center may, from time to time, obstruct the Access Drives in connection with the performance of construction activities relating to the Towne Center Tract for a

VOL 1136 42513

VC: 1136 514

continuous period of not more than four (4) hours on any one occasion. If Towne Center contemplates obstructing an Access Drive for more than a continuous period of four (4) hours in connection with such activities, Towne Center shall deliver written notice thereof to the owner of the greatest portion of the Duncan Tract with a request for written approval therefor at least seven (7) days prior to the contemplated commencement date of the construction activities. Towne Center may not commence any such activities without such approval, which shall not be unreasonably withheld or delayed; however, if no response is received by Towne Center within ten (10) days after the delivery of the request for approval, such request shall be deemed approved.

**1.6 No Parking Easements.** Nothing contained in this Agreement shall be deemed to grant, confer or otherwise entitle any Party or any Permittee of a Party to park automobiles on the Tract of another Party, and any such rights are hereby expressly negated. If the Permittees of a Party shall park automobiles on the Tract of another Party, then the Party upon whose Tract automobiles are wrongfully being parked (the "Innocent Party") may, in addition to all other rights to which the Innocent Party is otherwise entitled, tow or cause to be towed all such wrongfully parked automobiles; provided, however, that prior to towing or causing to be towed any such automobiles, the Innocent Party shall first have delivered written notice to the Party whose Permittees are violating the no-parking restriction that the Innocent Party intends to begin towing violating automobiles and shall have allowed ten days thereafter to elapse.

**1.7 Sign Easement.** Duncan hereby grants to Towne Center the right, and an easement therefor, to place in the manner provided below a sign on any pylon or pole sign structure (the "Sign Structure") which Duncan may erect on the Duncan Tract along or contiguous to the frontage road of Interstate Highway #35. Duncan shall have no obligation whatsoever to erect or build a Sign Structure; however, if Duncan shall erect or build a Sign Structure, Duncan agrees that each sign placed thereon shall be of approximately equal size (or at Duncan's election, and as an alternative, that a sign placed on the Sign Structure by Towne Center may be as large as the largest sign placed on the Sign Structure), and Towne Center may, if Towne Center so elects, use the sign position which is fourth from the top of the Sign Structure to identify the shopping center located on the Towne Center Tract. In such event, the bottom of the sign to be used by Towne Center shall be at least ten feet (10') above the grade level directly underneath the sign. Duncan shall deliver written notice to Towne Center of Duncan's commitment to commence construction of the Sign Structure within ninety days, and thereafter Towne Center shall have a period of sixty (60) days in which to exercise its right to locate a sign on the Sign Structure as provided above by delivering written notice thereof to Duncan, and failure by Towne Center to so exercise its sign rights shall be a waiver of the right of Towne Center to locate a sign on the Sign Structure. If Towne Center elects to use the space on the Sign Structure designated above for use by Towne Center, Towne Center shall pay to Duncan prior to placing its sign on the Sign Structure (and in no event later than ninety (90) days following exercise by Towne Center of this sign option) an amount equal to one-fourth (1/4th) of the actual costs incurred by Duncan in erecting and building the Sign Structure. Duncan shall, if requested by Towne Center,

reasonably substantiate the amount which it requests as payment therefor. In addition to the above-granted sign easement, Duncan also hereby grants to Towne Center an underground electrical utility easement to be placed in a location designated by Towne Center and approved in writing by Duncan (such approval not to be unreasonably withheld or delayed) for the purpose of illuminating any sign placed by Towne Center on the Sign Structure. Any such electrical services shall be separately metered and Towne Center shall be solely responsible for any costs incurred for such electrical service. Any sign erected on the Sign Structure by Towne Center shall as to the enclosure for such sign conform to the enclosures used for the other signs erected on the Sign Structure.

## ARTICLE II

### MAINTENANCE AND REPAIR

2.1 Utilities. Each Party shall be obligated to maintain, service and repair:

(i) any utility lines, services or facilities situated on that Party's Tract unless (a) such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation, or (b) such utility is required by subsection (ii) below to be maintained, serviced and repaired by another Party; and

(ii) any utility lines, services or facilities situated on the Tract of another Party, the benefits of which, however, are used solely by that Party unless such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation; and

(iii) without regard for which Party would otherwise be required to perform such maintenance, service or repair, any damage caused by the act of that Party or its servants, employees or independent contractors.

Any such maintenance and repair required to be performed on the Tract of another Party shall be subject to the insurance and indemnity provisions of Section 1.5 hereof and shall be performed only after fourteen (14) days' notice to the grantor of the easement (hereinafter in this Section 2.1 referred to as the "Grantor") of the intention of the grantee of the easement to do such work (except in the case of any emergency, whereupon the work may be initiated immediately). Any such work shall be done without cost or expense to the Grantor, after normal business hours whenever possible and otherwise in such manner as to cause as little disturbance in the use of the Grantor's Tract as may be practicable under the circumstances. Any Party performing or causing to be performed maintenance work hereunder agrees to pay promptly all costs and expenses associated therewith (seeking reimbursement from other grantees, if applicable), to complete diligently such work as quickly as possible, and to clean promptly the

VOL 1136 PAGE 515

VO 1136 516

area and restore the affected portion of the Shopping Center to a condition which is equal to or better than the condition which existed prior to the beginning of such work.

2.2 Access Easements. Each Party covenants and agrees to cause to be maintained and kept, at its cost and expense, those portions of Access Easement #1 and Access Easement #2 located on its Tract. With respect to Access Easement #3, Duncan shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled as "Duncan's Maintenance Area" on Exhibit "C-2" to this Agreement and Towne Center shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled "Towne Center's Maintenance Area" on Exhibit "C-2" to this Agreement. All Access Easements shall be maintained by the Party responsible therefor in good condition and state of repair, and in compliance with all laws, rules and regulations, orders and ordinances of governmental agencies exercising jurisdiction thereover and further in compliance with the provisions of this Agreement. In this regard, each Party acknowledges that the Access Easements are intended to be used by delivery trucks and other "heavy-duty" vehicles, and further acknowledges that any damage caused by such "heavy-duty" use is not excluded from the maintenance obligations hereby imposed. The standard of maintenance for the Access Easements Area to be followed by the Parties shall be comparable to the standards of maintenance followed in other first-class retail real estate developments of comparable size in Denton, Texas. The maintenance and repair obligation in any event shall include, but not be limited to, the following:

(i) Maintaining all paved surfaces of the Access Easements in a smooth and evenly covered condition, which maintenance work shall include, without limitation, cleaning, sweeping, restriping, repairing and resurfacing (using surfacing material and design of a quality equal or superior to the original surfacing material and design).

(ii) Removal of all papers, debris, filth, refuse, ice and/or snow; and sweeping the Access Easements to the extent necessary to keep the Access Easements in a first-class, clean and orderly condition.

(iii) Placing, keeping in repair and replacing any appropriate directional signs, markers and lines.

2.3 Slope Retention Devices. Towne Center shall maintain and repair the Slope Retention Devices as defined in Section 1.4 so as to maintain the structural soundness thereof and to maintain any erosion control devices placed on the Slope Retention Devices in a neat and orderly condition. Towne Center shall also maintain the paving covering Access Easement #1 at the grades and levels shown on Exhibit "E" to this Agreement, but only to the extent that any damage caused to the paving covering Access Easement #1 is directly caused by or attributable to the Slope Retention Devices or Towne Center's failure to maintain same. Subject to the following qualifications, Towne Center shall have the right to modify, alter or replace all or any portion of the Slope Retention Devices whether located on Duncan's Main Tract or the Towne Center Tract. At least twenty days prior to commencing any modification, alteration or replacement of any portion of the Slope Retention Devices, Towne Center shall deliver to Duncan (as the owner of Duncan's Main

Tract) plans and specifications for such modification, alteration or replacement. To the extent such plans and specifications are substantially in conformity with the concept displayed on Exhibit "I" attached hereto, such plans and specifications shall automatically be deemed approved. To the extent such plans and specifications are not in conformity with the concept displayed on Exhibit "I", however, Duncan shall have the right to approve such plans and specifications, which approval shall not be unreasonably withheld or delayed. In any event Duncan shall have the right to approve the structural soundness of such plans and specifications, which approval shall not be unreasonably withheld or delayed. If Duncan fails to approve such plans and specifications as provided above, Duncan shall submit to Towne Center specific recommendations from a registered civil engineer for improving the design of the Towne Center proposal. If no objections are delivered by Duncan to Towne Center within twenty days from the delivery to Duncan of the plans and specifications, they shall be deemed approved.

### ARTICLE III

#### OPERATION

3.1 Liability. Each Party ("Indemnitor") covenants and agrees to indemnify, defend and hold harmless the other Party ("Indemnitee") from and against all claims, costs, expenses and liability (including reasonable attorneys' fees and cost of suit incurred in connection with all claims), including any action or proceedings brought hereon, arising from or as a result of:

(a) the death of, or any accident, injury, loss or damage whatsoever caused to, any person or entity, or to the property of any person or entity, which shall occur on the Tract owned by each Indemnitor, except for claims caused by the negligence or willful act or omission of such Indemnitee, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensee or concessionaire wherever the same may occur; and

(b) all claims asserted by or through any Permittees of the Indemnitor's Tract for any loss or damage to the property of such Permittee located upon the respective Indemnitor's Tract, which loss or damage is of the type generally covered by fire insurance with extended coverage irrespective of any negligence on the part of the Indemnitee which may have contributed to or caused such loss.

In addition, each Party (the "Releasing Party"), on behalf of itself and its insurer, hereby releases the other Party (the "Released Party") from any liability for any loss or damage to all property of such Releasing Party located upon any portion of the Shopping Center, which loss or damage is of the type generally covered by fire insurance with an extended coverage endorsement, irrespective of any negligence on the part of the Released Party which may have contributed to or caused such loss, or of the amount of such insurance required or actually carried. Each Party agrees to use its best efforts to obtain, if needed, appropriate endorsements to its policies of insurance with respect to the foregoing release; it being understood, however, that

VOL 1136 517

1135 - 518

failure to obtain such endorsements shall not affect the release hereinabove given.

3.2 Taxes. Each Party shall pay, or cause to be paid, prior to delinquency, all taxes and assessments upon the Tract, and the buildings and improvements and personalty owned or leased by such Party in the Shopping Center, provided that if the taxes or assessments on any part thereof may be paid in installments, the Party may pay each such installment as and when the same become due and payable, and in any event prior to the delinquency thereof. Nothing herein contained in this subsection shall prevent any Party from contesting at its cost and expense any such taxes and assessments with respect to the Tract in any manner such Party elects, so long as such contest is maintained with reasonable diligence and in good faith, and at such time as such contest is concluded, such Party promptly pays all such taxes and assessments determined to be owing, together with all interest, penalties and costs thereon.

3.3 Liens. In the event any mechanic's liens are filed against the Tract of any Party as a result of services performed or materials furnished for the use of another Party's Tract, the Party permitting or causing such lien to be filed hereby covenants to cause such lien to be discharged prior to the foreclosure of such lien, and further agrees to indemnify, defend and hold harmless the other Party and its Tract against liability, loss, damage, costs or expenses, including reasonable attorneys' fees and cost of suit on account of such claim of lien. Upon request of the Party whose Tract is subject to such lien, the Party permitting or causing such lien to be filed agrees to promptly cause such lien to be released and discharged of record, either by paying the indebtedness which gave rise to such lien, or posting such bond or other securities as shall be required by law to obtain such release and discharge. Nothing herein shall prevent a Party permitting or causing such lien to contest the validity thereof in any manner such Party chooses, so long as such contest is pursued with reasonable diligence, and in the event such contest is determined adversely, such Party shall promptly pay in full the required amount, together with any interest, penalties and costs.

3.4 Guardrails. Towne Center shall cause to be erected in the location shown on Exhibit "H" to this Agreement metal guard rails concurrently with installation of the initial Slope Retention Devices and Towne Center shall at all times maintain, repair and restore such guard rails as may be necessary.

#### ARTICLE IV.

##### Utility Services to Duncan's Outlot Tract

4.1 General. It is anticipated that the ultimate users of Duncan's Outlot Tract will obtain electricity and natural gas by connecting to utility services being installed by Duncan and Towne Center under the Utility Easement granted in Section 1.2 above.

4.2 Reimbursement Required. In the event that any owner or occupant of Duncan's Outlot Tract shall ever tie in, tap-in or otherwise connect to the electrical service lines or natural gas lines contained within the Utility Easement, then such owner or occupant shall reimburse Towne Center for

a portion of the cost of installing such utility lines as prescribed below in Section 4.3 (the "Utility Reimbursement"). The payment of the Utility Reimbursement shall be a condition precedent to the right of any owner or occupant of Duncan's Outlot Tract to connect into the utility lines installed in the Utility Easement.

4.3 Amount of Reimbursement. The amount of the Utility Reimbursement shall be equal to the entire installation cost (from the easternmost point of the I-35 right-of-way to the common boundary line between Duncan's Outlot Tract and the Towne Center Tract) on a lineal-foot basis of the utility line(s) to which the owner or occupant of Duncan's Outlot Tract connects. Such costs shall include, but not be limited to, all expenses incurred for engineering fees, labor, supervisory personnel, conduit, cable and primary lines. Towne Center shall notify Duncan of the amount of the Utility Reimbursement to the electrical line and the natural gas line promptly after completion of such installation.

4.4 No Other Reimbursements. The Utility Reimbursement described above shall be in lieu of and instead of any other prorata reimbursements which would otherwise be required from the owner or occupant of Duncan's Outlot Tract to Towne Center. Towne Center shall credit against the Utility Reimbursement an amount equal to twenty-four percent (24%) of any reimbursements or pro rata paybacks Towne Center shall receive from any utility company in connection with electricity or natural gas utilities.

## ARTICLE V

### MISCELLANEOUS

5.1 Default. Upon the default by any party obligated to perform under the terms of this Agreement (the party owning the land upon which or as a result of which the default is asserted to have occurred being hereinafter in this paragraph referred to as the "Defaulting Party"), and the Defaulting Party's failure to cure such default (or, in the case of a default which cannot be cured within a thirty-day period, to commence and diligently work toward curing the default) within thirty (30) days after the delivery of written notice by the other party (hereinafter in this paragraph referred to as the "Complaining Party"), such written notice to be delivered not only to the Defaulting Party but also to any mortgagees of the Defaulting Party about whom the Complaining Party has received prior written notice, then for as long as the default continues, the Complaining Party shall have the right to exercise one or more of the following remedies, at the sole election of the Complaining Party -- to be determined in the case of the Duncan Tract by the Complaining Party who owns the greatest portion of the Duncan Tract and in the case of the Towne Center Tract by the Complaining Party who owns the greatest portion of the Towne Center Tract.

(a) The Complaining Party may cure the default of the Defaulting Party, or cause the default to be cured (with an easement for ingress and egress necessary for such purposes being hereby granted by each Party to the other), in which event the Defaulting Party shall immediately reimburse the Complaining Party for the reasonable expenses thereby incurred, plus interest at the rate of eighteen percent (18%) per annum, plus all

Vol 1136 519

vc: 1136 520

reasonable attorneys fees incurred by the Complaining Party in curing the default and obtaining full reimbursement.

(b) The Complaining Party may obtain specific performance by injunction and such other legal and equitable remedies as may be available, in which event the Complaining Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys fees incurred by the Complaining Party in obtaining its relief.

(c) The Complaining Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the default; and if the Complaining Party proceeds to litigation on this demand, the Defaulting Party shall also be liable for all court costs and reasonable attorneys fees.

5.2 Estoppel Certificate. Each Party hereby severally covenants that within twenty (20) days from the delivery of written requests from time to time of the other Party, it will issue to a prospective mortgagee, purchaser or tenant of such other Party or to a prospective successor Party to such other Party, an estoppel certificate stating: (i) whether the Party to whom the request has been directed knows of any default by the requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof; (ii) whether to its knowledge this Agreement has been assigned, modified or amended in any way (or if it has, then stating the nature thereof); and (iii) that to the Party's knowledge this Agreement as of the date is in full force and effect. Such statement, however, shall in no event subject the Party furnishing it to any liability whatsoever, notwithstanding the negligent or otherwise inadvertent failure of such Party to disclose correct and/or relevant information. Notwithstanding the provisions of Section 5.3 below, any requests for an estoppel certificate as provided above and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Each Party agrees to act in good faith in connection with requests for estoppel certificates from the others. Failure by a Party to respond within the 20-day period shall be deemed to be the equivalent of a statement that no defaults exist, that no amendment to this Agreement has been entered into and that this Agreement remains in full force and effect.

5.3 Notices. All notices, demands, statements and requests required or permitted to be given under this Agreement must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor  
Dallas, Texas 75201  
Attention: Raymond J. Poche

with a copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan: Duncan Properties, Ltd.  
100 Park Avenue Bldg.  
Suite 1204  
Oklahoma City, Oklahoma 73102  
Attention: Neil Hill

with a copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein-  
after set forth, be effective upon being deposited in the  
United States mails in accordance with the provisions hereof.  
Rejection or other refusal to accept, or the inability to  
deliver because of changes of address of which no notice was  
given, shall be deemed to be receipt of the notice, demand  
or request. Any Party shall have the right from time to  
time and at any time, upon at least ten (10) days' prior  
written notice thereof in accordance with provisions hereof,  
to change its respective address and to specify any other  
address within the United States of America.

5.4 Condemnation. In the event of a condemnation or a  
sale in lieu thereof concerning a portion or all of the  
Shopping Center, the award or purchase price paid for such  
taking shall be paid to the Party owning such land so taken;  
it being the intent of the other Party who might have an  
easement or other property interest or right under this  
Agreement in the land so taken, to release and/or waive such  
property interest or right with respect to such award or  
purchase price; provided, however, such other Party shall  
have the right to seek an award or compensation for the loss  
of its easement right to the extent such award or compensa-  
tion paid or allocated for such loss does not reduce or  
diminish the amount paid to the Party owning such land.

5.5 Binding Effect. The terms of this Agreement shall  
constitute covenants running with, and be appurtenant to,  
the land affected, and all such terms shall inure to the  
benefit of and be binding upon the undersigned Parties and  
their respective successors and assigns who become owners of  
any portion of the Shopping Center.

5.6 Singular and Plural. Whenever required by the  
context of this Agreement, the singular shall include the  
plural, and vice versa, and the masculine shall include the  
feminine and neuter genders, and vice versa.

VOL 1136 PAGE 521

5.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original.

5.8 Negation of Partnership. None of the terms or provisions of this Agreement shall be deemed to create a partnership between or among the Parties in their respective businesses or otherwise, nor shall it cause them to be considered joint venturers or members of any joint enterprise. This Agreement is not intended nor shall it be construed to create any third party beneficiary rights to any person who is not a Party hereto unless expressly otherwise provided.

5.9 Not a Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of any portion of the Shopping Center or of any Tract or portion thereof to the general public, or for the general public or for any public use or purpose whatsoever; it being the intention and understanding of the Parties hereto that this Agreement shall be strictly limited to and for the purposes herein expressed solely for the benefit of the Parties hereto.

5.10 Excusable Delays. Whenever performance is required of any Party hereunder, that Party shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if completion of performance shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes, unavailability of labor or materials or damage to work in progress by reason of fire or other casualty or causes beyond the reasonable control of a Party, then the time of performance as herein specified shall be appropriately extended by the amount of the delay actually so caused, not to exceed sixty (60) days total.

5.11 Severability. Invalidation of any of the provisions contained in this Agreement, or of the application thereof to any person by judgment or court order shall in no way affect any of the other provisions hereof or the application thereof to any other person and the same shall remain in full force and effect.

5.12 Entire Agreement. This written Agreement and the exhibits hereto contain all the representations and the entire agreement between the Parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement and exhibits hereto.

5.13 Amendments; Termination. Amendments to or termination of this Agreement must be in writing and must be executed by the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Duncan Tract and the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Towne Center Tract.

5.14 Captions. The captions preceding the text of each paragraph and subparagraph hereof are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement.

5.15 Minimization of Damages. In all situations arising out of this Agreement, all Parties shall attempt to

avoid and minimize the damages resulting from the conduct of any other Party. Each Party hereto shall take all necessary measures to effectuate the provisions of this Agreement.

5.16 Agreement Shall Continue Notwithstanding Breach. It is expressly agreed that, except as otherwise provided above, no breach of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement; however, such limitation shall not affect in any manner any other rights or remedies which such Party may have hereunder by reason of any such breach.

5.17 Joinder by Other Parties. The parties executing Exhibit "J" to this Agreement have done so to evidence the subordination of their respective interests in the Shopping Center to the terms and provisions of this Agreement.

5.18 Time. Time is of the essence of this Agreement and each and every provision hereof.

5.19 Release. Upon the bona fide assignment, conveyance, sale or other transfer by either Duncan or Towne Center to all or any portion of its respective Tract, the transferring party shall be released from any liability arising out of a failure to observe the covenants, terms and obligations imposed by this Agreement on the owner of the land so transferred arising subsequent to the effective date of such conveyance; provided, that as a condition to such release, the transferor shall obtain a written assumption agreement from the transferee for the benefit of the other parties then owning portions of the Shopping Center whereby the transferee expressly assumes all such covenants, terms and obligations.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed effective as of the date first stated above.

Exhibit "A"

Duncan Tract

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01°41'20" E a distance of 70.71 feet to a point;

S 34°42'00" E a distance of 226.60 feet to a point;

S42°00'59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42°33'00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86°43'12" E a distance of 90.00 feet to a point for corner;

THENCE N 05°49'03" E a distance of 95.00 feet to a point for corner;

THENCE N 64°45'00" W a distance of 14.00 feet to a point for corner;

THENCE N 25°15'00" E a distance of 170.17 feet to a point for corner;

THENCE N 34°48'00" E a distance of 136.00 feet to a point for corner;

THENCE N 48°02'34" W a distance of 21.62 feet to a point for corner;

THENCE N 41°57'26" E a distance of 357.99 feet to a point for corner;

THENCE N 60°43'46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22°31'07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37°21'11" W to the point of tangency;

THENCE S 48°36'44" E a distance of 323.16 feet to a point for corner;

THENCE S 41°57'26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

vc. 1136 and 526

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47°27'00" W a distance of 112.51 feet to a point for corner;

N 55°58'59" W a distance of 101.10 feet to a point for corner;

N 47°27'00" W a distance of 30.50 feet to a point for corner;

S 45°26'45" W a distance of 3.00 feet to a point for corner;

N 41°33'15" W a distance of 29.05 feet to a point for corner;

N 47°27'00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'05", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

ACCESS EASEMENT NO. 2

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing the Easterly line of said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

ALONG said curve to the right having a central angle of 07°21'49", a radius of 3740.00 feet, and an arc length of 480.65 to the POINT OF BEGINNING;

CONTINUING along said curve to the right having a central angle of 00°55'46", a radius of 3740.00 feet, and an arc length of 60.67 feet, to a point for corner;

THENCE S 05°13'22" E departing said Loop 288 a distance of 148.56 feet to a point for corner;

THENCE S 34°42'00" E a distance of 125.31 feet to a point for corner;

THENCE S 55°12'00" E a distance of 15.72 feet to a point for corner;

THENCE S 34°48'00" W a distance of 30.00 feet to a point for corner;

THENCE N 55°12'00" W a distance of 21.14 feet to a point for corner;

THENCE N 34°42'00" W a distance of 179.27 feet to a point for corner;

THENCE N 05°13'22" W a distance of 86.72 feet to the POINT OF BEGINNING and containing 0.2527 acres of land, more or less.

FIELD NOTE DESCRIPTION

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J.S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway 35-E (a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01°04'20" E a distance of 70.71 feet to a point;

S 34°42'00" E a distance of 226.60 feet to a point;

S 42°00'59" E a distance of 75.53 feet to the POINT OF BEGINNING;

THENCE N 42°33'00" E departing the Easterly line of said Interstate Highway No. 35-E a distance of 149.66 feet to a point for corner;

THENCE N 86°43'12" E a distance of 85.12 feet to a point for corner;

THENCE N 05°49'03" E a distance of 86.58 feet to a point for corner;

THENCE N 25°15'00" E a distance of 170.17 feet to a point for corner;

THENCE N 34°48'00" E a distance of 136.00 feet to a point for corner;

THENCE N 48°02'34" W a distance of 21.62 feet to a point for corner;

THENCE N 41°57'26" E a distance of 357.99 feet to a point for corner;

THENCE N 60°43'46" E a distance of 268.95 feet to a point situated in the curving West line of Colorado Boulevard (a variable right-of-way);

THENCE with said Colorado Boulevard and along said curve to the left having a central angle of 03°24'51" a radius of 453.38 feet, an arc length of 27.02 feet, and a chord bearing of S 27°47'45" E to a point for corner;

THENCE S 60°43'46" W departing the curving West line of said Colorado Boulevard a distance of 263.80 feet to a point for corner;

THENCE S 41°57'26" W a distance of 180.09 feet to a point for corner;

THENCE S 37°05'13" W a distance of 174.06 feet to a point for corner;

THENCE S 34°48'00" W a distance of 131.81 feet to a point for corner;

THENCE S 25°15'00" W a distance of 165.08 feet to a point for corner;

THENCE S 05°49'03" W a distance of 100.21 feet to a point for corner;

THENCE S 86°43'12" W a distance of 94.06 feet to a point for corner;

THENCE S 42°33'00" W a distance of 142.97 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 47°27'00" W a distance of 5.00 feet to a point for corner;

N 42°00'59" W a distance of 15.07 feet to the POINT OF BEGINNING and containing 0.704 acres of land, more or less.

**LEGAL DESCRIPTION****WATER AND WASTEWATER AND ELECTRIC EASEMENT**

**BEING** a tract of land situated in the John McGowan Survey, Abstract No. A-797, City of Denton, Denton County, Texas, and being a part of Lot 3A, Block 1, Denton Shopping Center Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume C, Page 130 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at a PK nail found in the northwestern line of said Lot 3A; from said point the west corner of said Lot 3A, and being a point in the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) bears South 55°00'50" West, a distance of 20.42 feet;

**THENCE** North 55°00'50" East, along the said northwestern line of said Lot 3A, a distance of 20.31 feet to a point for corner;

**THENCE** departing the said northwestern line of Lot 3A, South 44°54'13" East, a distance of 10.08 feet to a point for corner;

**THENCE** the following six (6) calls:

South 1°46'45" East, a distance of 10.35 feet to a point for corner;  
 South 44°50'45" East, a distance of 72.95 feet to a point for corner;  
 South 89°50'45" East, a distance of 21.45 feet to a point for corner;  
 South 44°54'13" East, a distance of 50.56 feet to a point for corner;  
 South 33°00'23" East, a distance of 51.02 feet to a point for corner;  
 South 46°30'08" East, a distance of 42.25 feet to a point for corner in the southeast line of said Lot 3A;

**THENCE** South 42°15'50" West, along the said southeast line of said Lot 3A, a distance of 28.01 feet to a point for corner; from said point the southernmost corner of said Lot 3A, and being a point in the said northeast right-of-way line of Interstate Highway No. 35 bears South 42°15'50" West, a distance of 44.76 feet;

**THENCE** departing the said southeast line of said Lot 3A, North 46°30'08" West, a distance of 46.17 feet to a point for corner;

**THENCE** North 33°00'23" West, a distance of 51.42 feet to a point for corner;

**THENCE** North 44°54'13" West, a distance of 156.90 feet to the **POINT OF BEGINNING** and containing 0.1299 acres or 5,659 square feet of land.

**NOTES:**

THAT Arnold/Denton Town Center, Ltd., a Texas limited partnership of Dallas County, Texas, in consideration of the sum of One dollar (\$1.00) and no cents and other good and valuable consideration in hand paid by the City of Denton, Texas receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by it, situated in Denton County, Texas in the J. McGowan Survey, Abstract No. 797.

ALL that certain lot, tract or parcel of land lying and being situated in the City and County of Denton, State of Texas, and being part of the J. McGowan survey, Abst. No. 797, and being part of Lot No. 3A, Block 1, of the Denton Shopping Center Addition, an addition to the City and County of Denton, and also being part of a tract of land as conveyed from 2307 I-35E Joint Venture, a Texas venture to Arnold/Denton Town Center, LTD., a Texas limited partnership by deed dated January 5, 1987 and recorded in Volume 2058, Page 190 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the southern most corner of said Lot 3A, same being the western most corner of said Lot 2C, said point also lying in the northeast right-of-way line of IH 35 E;

THENCE northwesterly, along the southwest boundary line of said Lot 3A, same being the northeast right-of-way line of said IH 35 E the following two (2) courses and distances: (1) north 42° 00' 59" west, 90.6 feet; (2) north 34° 42' 00" west, 171.29 feet to the westerly southwest corner of said Lot 3A, same being the southern most corner of Lot 3C of said addition;

THENCE north 55° 18' 00" east, along the westerly northwest boundary line of said Lot 3A, same being the southeast boundary line of said Lot 3C, a distance of 16.0 feet, to a point lying 16.0 feet northeast of and perpendicular to the southwest boundary line of said Lot 3A for corner;

THENCE southeasterly, 16.0 feet northeast of and parallel to the southwest boundary line of said Lot 3A the following two (2) courses and distances: (1) south 34° 42' 00" east, 170.27 feet; (2) south 42° 00' 59" east, 88.05 feet to a point lying in the southeast boundary line of said Lot 3A, same being the northwest boundary line of said Lot 2C for corner;

THENCE south 42° 33' 00" west along the southeast boundary line of said Lot 3A, same being the northwest boundary line of Lot 2C, a distance of 16.07 feet, to the Point of Beginning and containing 0.0955 acres of land.

0415E/99

And it is further agreed that the said City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along upon and across said premises for the purpose of making additions to, improvements on and repairs to the said public utilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness hand

DENTON COUNTY, TEXAS

# DECLARATION OF RESTRICTIVE COVENANTS

1136 544

STATE OF TEXAS

DEED RECORDS

COUNTY OF DENTON

9472

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by DENTON TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center").

## INTRODUCTION

1. Towne Center is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Towne Center Tract").
2. Duncan Properties, Ltd., a Texas limited partnership ("Duncan," with such term also applying to the successors and assigns of Duncan who becomes owner of all or any portion of the Duncan Outlet Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Duncan Outlet Tract").
3. The Towne Center Tract and the Duncan Outlet Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract."
4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Towne Center has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Duncan Outlet Tract.

## ARTICLE I

### Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below.

(1) the term "Building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below:

(1) No portion of any building or any protrusions therefrom nor any other structures other than landscaping, signage, trash enclosures, lighting, paving,

N  
O  
N  
-

E  
C  
O  
P  
Y

curbing, walkways or similar nonstructural improvements shall be located on the Colorado Boulevard side of the Permissible Building Line as shown on Exhibit "C" to this Declaration (the "Site Plan").

(ii) No portion of any building which is located on the Colorado Boulevard side of the "Two Story Line" (herein so called) shown on the Site Plan shall be in excess of one story in height.

(iii) There shall exist at all times a space and separation of at least one hundred twenty feet (120') between buildings to the east of the area shown as being "Access Drive #2" (herein so called) on the Site Plan and buildings to the west of Access Easement #2, (the "120 Foot Area"). Encroachments into the 120 Foot Area will be permitted for all canopies, walkways, awnings, columns, roof overhangs, building or canopy mounted signs and stairways; provided, that a separation between any encroachments on the east side of Access Drive #2 and encroachments on the west side of Access Drive #2 of at least one hundred feet (100') must at all times exist. Any stairway encroachments contained within the 120 Foot Area shall not be enclosed on the second level of the stairway, if any, but may be enclosed on the first level of the stairway. The restrictions contained in this Section 1.2(iii) shall not prohibit the erection of curbing, landscaping, lighting and similar non-structural matters at any place on the Towne Center Tract.

(iv) No portion of any buildings or any protrusions therefrom (not including sidewalks) shall be closer than five feet (5') to Access Drive #2 at any point along the boundaries of Access Drive #2.

(v) No curb openings along the easterly and westerly boundaries of Access Drive #2 shall be permitted to exist except at the general locations shown on the Site Plan.

(vi) No portion of any building located on the I-35 side of the Two Story Line (herein so called) shown on the Site Plan may exceed thirty-four feet (34') in height and no portion of any building located on the Colorado Boulevard side of the Two Story Line shall exceed twenty-five feet (25') in height, with all such height level being measured from the finished grade level for the building pad of such building; provided, however, that elevator enclosures, antennas and towers (such as stairways or clock towers) may exceed the above-described height restrictions, and signs and clocks may be located on the elevator enclosures and towers.

(vii) Any receptacle for trash storage shall be screened on three sides (with at least one screened side facing the Duncan Outlot Tract and one screened side facing the area described on Exhibit "D" to this Declaration) by either a wood screen fence, a masonry screen fence of the same finish as the building in which the trash being stored is generated or as provided below. The surface grade levels to the south of the area in which it is anticipated that trash receptacles will be placed rise rapidly; accordingly, where the surface grade to the south of the area where the

Vol 1136 -545

v 1136 - 546

trash receptacles are placed is equal to or greater than the highest point of a trash receptacle placed on the Towne Center Tract, such surface grade may replace the screen wall required on that side as required above so long as the horizontal distance between:

(a) the closest point of the trash receptacle, and

(b) the point of the surface grade level which is sufficiently high to provide a screening device as provided above,

is equal to or less than the vertical height of the trash receptacle. For example, if the trash receptacle is six feet tall, but within five feet of the trash receptacle the grade level rises to be seven feet higher than the grade level where the trash receptacle sits, such rise in grade level would constitute a screening wall. The foregoing restrictions shall not apply to any trash receptacles which are located within the area designated as the "Permitted Trash Receptacle Area" on the Site Plan.

(viii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment so located on the roof.

(ix) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, performed concrete panels, stucco and decorative concrete blocks.

(x) No fascia signs (except for clocks and related signage which may be located on towers, but which may not extend higher than such towers) located on any building may extend higher than the roof or, if higher, the parapet line of such building.

1.3 Use Restrictions. Towne Center hereby declares the following restrictions as being applicable to the Towne Center Tract, in accordance with the terms and provisions stated below. No part of the Towne Center Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Towne Center Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

(i) Any public or private nuisance;

(ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;

(iii) Any obnoxious odor;

(iv) Any noxious, toxic, caustic, or corrosive fuel or gas;

(v) Any dust, dirt, or fly ash in excessive quantities;

(vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;

(vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;

(viii) Any "second hand" store, Army, Navy, or government "surplus" store;

(ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;

(x) Any dumping, disposal, incineration or reduction of garbage or refuse;

(xi) Any fire or bankruptcy sale or auction house operation;

(xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Towne Center Tract is located;

(xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);

(xiv) Living quarters, sleeping apartments or lodging rooms;

(xv) Any mortuary;

(xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

(xvii) Any trailer rental.

## ARTICLE II

### Miscellaneous

2.1 Estoppel Certificate. Duncan hereby covenants that within twenty (20) days from the delivery of written requests, from time to time, of Towne Center, it will issue to designees of Towne Center an estoppel certificate stating: (i) whether Duncan knows of any default by Towne Center under this Declaration, and if there are known defaults, specifying the nature thereof; and (ii) whether to Duncan's knowledge this Declaration has been modified or amended in any way (and if it has, then stating the nature thereof). Notwithstanding the provisions of Section 2.2 below, any requests for an estoppel certificate and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type

Vol 1136 517

vol 1136 pg 548

service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Duncan agrees to act in good faith in connection with requests for estoppel certificates from Towne Center. Failure by Duncan to respond within the 20-day period shall be deemed the equivalent of a statement that no defaults exist, that no amendment to this Declaration has been entered into and that this Declaration remains in full force and effect.

2.2 Notices. All notices, demands, statements and requested required or permitted to be given under this Declaration must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center:      Denton Towne Center Joint Venture  
                                 c/o Henry S. Miller Company  
                                 2001 Bryan Tower, 30th Floor  
                                 Dallas, Texas 75201  
                                 Attention: Raymond J. Poche

with copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan:              Duncan Properties, Ltd.  
                                 100 Park Avenue Bldg.  
                                 Suite 1204  
                                 Oklahoma City, Oklahoma 73102  
                                 Attention: Neil Hill

with copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as hereinafter set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Towne Center Tract and all such covenants shall be binding upon the successors and assigns of Towne Center who become owners of any portion of the Towne Center Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Duncan and the successors and assigns of Duncan as the owner(s) of the Duncan Outlot Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the person(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract and the person(s) or entity(ies) that, from time to time, own in the aggregate fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Towne Center (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to

VOL 1136 - 549

be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Towne Center. Upon the bona fide assignment, conveyance, sale or other transfer by Towne Center of its fee simple ownership to any portion or all of the Towne Center Tract, Towne Center shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Towne Center under this Declaration prior to such sale or transfer).

2.8 Approvals. Towne Center may at any time request that Duncan review plans and specifications for proposed buildings to be located on the Towne Center Tract and advise Towne Center of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Towne Center shall also deliver to Duncan sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Duncan to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Towne Center shall be deemed to have submitted adequate information to Duncan if Duncan fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Duncan shall be in writing and shall specify the specific portion of the Restrictions which Duncan believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Duncan fails to identify in writing to Towne Center within thirty (30) days of the delivery of the initial information, or, if later, within fifteen days of the delivery of all information requested by Duncan, Duncan shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Duncan and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Towne Center Tract, an affidavit identifying Towne Center and the Towne Center Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Duncan shall thereafter be estopped to assert any violations of Section 1.2 of Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

2.11 Joinder By Other Persons. The persons and/or entities executing Exhibit "E", "F" and "G" to this Agreement have done so to evidence the subordination of their respective interests in the Towne Center Tract to the terms and provisions of this Declaration.

EXECUTED, to be effective as of the date first above specified.

DENTON TOWNE CENTER JOINT VENTURE,  
a joint venture

By: Herbert D. Weitzman  
Herbert D. Weitzman  
Venture Manager

STATE OF TEXAS       §

VOL 1136 : 551

Exhibit "A"

Towne Center Tract

VOL 1136 PAGE 552

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing the Easterly line of said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to the POINT OF BEGINNING;

Continuing along said curve to the right having a central angle of 14°46'26", a radius of 3740.00 feet, and an arc length of 964.37 feet to a point of curvature to the right;

THENCE along said curve to the right in a Southeasterly direction and departing said Loop 288 and having a central angle of 08°31'31", a radius of 705.00 feet, an arc length of 104.90 feet, and a chord bearing of S 19°21'05" E to a point of reverse curve to the left;

THENCE along said curve to the left having a central angle of 11°00'18", a radius of 453.38 feet, and an arc length of 87.08 feet to a point for corner;

THENCE S 60°43'46" W a distance of 268.95 feet to a point for corner;

THENCE S 41°57'26" W a distance of 357.99 feet to a point for corner;

THENCE S 48°02'34" E a distance of 21.62 feet to a point for corner;

THENCE S 34°48'00" W a distance of 136.00 feet to a point for corner;

THENCE S 25°15'00" W a distance of 170.17 feet to a point for corner;

THENCE N 64°45'00" W a distance of 51.87 feet to a point for corner;

THENCE N 34°42'00" W a distance of 307.00 feet to the POINT OF BEGINNING and containing 4.9698 acres of land, more or less.

Exhibit "B"

Duncan Outlot Tract

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

DECLARATION OF RESTRICTIVE COVENANTS

STATE OF TEXAS           §  
                                  §     DEED RECORDS                   9473  
COUNTY OF DENTON       §

THIS DECLARATION OF RESTRICTIVE COVENANTS ("Declaration") is made and entered into this 31st day of March, 1982, by DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan").

INTRODUCTION

1. Duncan is the owner of certain property situated in Denton County, Texas, being more particularly described on Exhibit "A" attached to this Declaration (the "Duncan Outlot Tract").
2. Denton Towne Center Joint Venture, a Texas joint venture ("Towne Center," with such term also applying to the successors and assigns of Towne Center who become owners of all or any portion of the Towne Center Tract) is the owner of certain abutting real property also situated in Denton County, Texas, being more particularly described on Exhibit "B" attached to this Declaration (the "Towne Center Tract").
3. The Towne Center Tract and the Duncan Outlot Tract are sometimes in this Declaration referred to collectively as the "Tracts" and individually as a "Tract".
4. On even date herewith Towne Center and Duncan have consummated an exchange of real property and entered into a Grant of Reciprocal Easements and certain other agreements relating to the engineering and construction of improvements upon the Tracts. In connection with this series of transactions, Duncan has agreed to execute this Declaration for the benefit of the owners, from time to time, of the Towne Center Tract.

ARTICLE I

Restrictions

1.1 Definition of "Building". The term "building" shall have the meaning given it below:

(1) the term "building" when used in this Declaration shall mean and include all temporary or permanent independent structures, which are completely enclosed by exterior walls, but not including exterior projections, whether vertical or horizontal, attached columns, canopies, roof overhangs and similar appendages, landscaping, signage, trash enclosures, lighting and similar nonstructural improvements.

1.2 General Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan Outlot Tract, in accordance with the terms and provisions stated below:

(1) Any receptacle for trash storage shall be enclosed on three sides (with at least one enclosed side facing the Towne Center Tract) by either a wood

screen fence or by a masonry screen fence of the same finish as the building in which the trash being stored is generated.

(ii) Any mechanical equipment placed on the roof of any buildings (except for antennas, which shall not be required to be screened) shall be screened with fences or other screening devices at least as high as the highest portion of the mechanical equipment located on the roof.

(iii) The exterior of all buildings shall be painted or finished, with the term "finished" including, but not limited to, aggregate concrete stone, preformed concrete panels, stucco and decorative concrete blocks.

(iv) No fascia signs located on any building may extend higher than the roof or, if higher, the parapet line of such building.

(v) No portion of any building nor any signs or other vertical structures (other than lighting standards or poles) may be constructed or located within the area identified as the "No Building Area" on Exhibit "C" to this Declaration.

(vi) The maximum number of square feet of gross floor area contained within building(s) which may be constructed within the area identified as the "Restricted Building Area" (herein so called) on Exhibit "C" to this Declaration shall be 3,000 square feet of gross floor area; provided, however, no one building constructed within the Restricted Building Area may contain more than 2,000 square feet of gross floor area. The area contained under any canopies or roof overhangs shall be included within the gross floor area calculations prescribed above when all or any portion of foundation support for such canopies or roof overhangs is located exterior of the building exterior walls, whether the devices providing such foundation support are attached to the building or not.

(vii) No portion of any building (including all vertical projections other than antennas) may exceed twenty-five feet (25') in height above any point along the finished grade level for the building pad of such building.

(viii) No building located anywhere on the Duncan Outlot Tract may be leased to or otherwise occupied by more than one business entity; provided, however, that one building may be leased or otherwise occupied by two, but no more than two, business entities, if such building does not exceed 5,000 square feet of gross floor area.

(ix) All buildings shall be separated from one another at their nearest point by at least fifteen feet (15').

(x) No building shall exceed one story in height; provided, however, that this restriction shall not prohibit mezzanine areas.

1.3 Use Restrictions. Duncan hereby declares the following restrictions as being applicable to the Duncan

Outlot Tract, in accordance with the terms and provisions stated below. No part of the Duncan Outlot Tract shall be used except for retail sales, service facilities, business offices, financial institutions and other related and appurtenant uses. In addition, no use or operation will be made, conducted or permitted on or with respect to all or any part of the Duncan Outlot Tract which use or operation is obnoxious or clearly injurious to a first-class shopping center, including the following:

- (i) Any public or private nuisance;
- (ii) Any noise or sound that is objectionable due to intermittence, beat, frequency, shrillness, or loudness;
- (iii) Any obnoxious odor;
- (iv) Any noxious, toxic, caustic, or corrosive fuel or gas;
- (v) Any dust, dirt, or fly ash in excessive quantities;
- (vi) Any unusual fire, explosion, or other damaging or dangerous hazard, including the storage, display or sale of explosives or fireworks;
- (vii) Any warehouse (excepting storage which is incidental to a permitted use), assembly, manufacture, distillation, refining, smelting, or mining operations;
- (viii) Any "second hand" store, Army, Navy, or government "surplus" store;
- (ix) Any mobile home or trailer court, labor camp, junk yard, stock yard, or animal raising;
- (x) Any dumping, disposal, incineration or reduction of garbage or refuse;
- (xi) Any fire or bankruptcy sale or auction house operation;
- (xii) Any central laundry or dry cleaning plants or laundromat; provided, however, this prohibition shall not be applicable to on-site service oriented to pick up and delivery by the ultimate consumer, including nominal supporting facilities, as the same may be found in retail shopping districts in the metropolitan area where the Duncan Outlot Tract is located;
- (xiii) Any automobile sales, leasing or display, including body repair facilities (but this prohibition shall not be applicable to automotive mechanical service facilities or the sale of automotive parts and accessories);
- (xiv) Living quarters, sleeping apartments or lodging rooms;
- (xv) Any mortuary;
- (xvi) Any adult bookstore selling pornographic material or pornographic theatres; and

Vol 1136 563

(xvii) Any trailer rental.

v 1138 w 564

Miscellaneous

2.1 Estoppel Certificate. Towne Center hereby cove-  
nants that within twenty (20) days from the delivery of  
written requests, from time to time, of Duncan, it will  
issue to designees of Duncan an estoppel certificate stat-  
ing: (1) whether Towne Center knows of any default by  
Duncan under this Declaration, and if there are known de-  
faults, specifying the nature thereof; and (2) whether to  
Towne Center's knowledge this Declaration has been modified  
or amended in any way (and if it has, then stating the  
nature thereof). Notwithstanding the provisions of Section 2.2  
below, any requests for an estoppel certificate and the  
response thereto may, at the election of the sender, be sent  
by private carrier expedited mail service (i.e., Federal  
Express type service) and, in such event, the request or the  
response, as the case may be, shall be effective on the  
first day following deposit with such private carrier.  
Towne Center agrees to act in good faith in connection with  
requests for estoppel certificates from Duncan. Failure by  
Towne Center to respond within the 20-day period shall be  
deemed the equivalent of a statement that no defaults exist,  
that no amendments to this Declaration have been entered  
into and that this Declaration remains in full force and  
effect.

2.2 Notices. All notices, demands, statements and  
requests required or permitted to be given under this Decla-  
ration must be in writing and shall be deemed to have been  
properly given or served, whether received or not, by deposit-  
ing the same in the United States mails, addressed to Duncan  
or Towne Center, postage prepaid and registered or certified  
mail, return receipt requested, at the address set forth  
below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor  
Dallas, Texas 75201  
Attention: Raymond J. Poche

with copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan: Duncan Properties, Ltd.  
100 Park Avenue Bldg.  
Suite 1204  
Oklahoma City, Oklahoma 73102  
Attention: Neil Hill

with copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein after set forth, be effective upon being deposited in the United States mails in accordance with the provisions hereof. Rejection or other refusal to accept, or the inability to deliver because of changes of address of which no notice was given, shall be deemed to be receipt of the notice, demand or request. Any party shall have the right from time to time and at any time, upon at least ten (10) days' prior written notice thereof in accordance with the provisions hereof, to change its respective address and to specify any other address within the United States of America.

2.3 Binding Effect. The covenants contained in Article I of this Declaration shall constitute covenants running with, and shall be deemed appurtenant to, the Duncan Outlot Tract and all such covenants shall be binding upon the successors and assigns of Duncan who become owners of any portion of the Duncan Outlot Tract.

2.4 Right to Enforce. The benefits of the covenants contained in Article I shall inure to the benefit of Towne Center and the successors and assigns of Towne Center as the owner(s) of the Towne Center Tract. The remedies provided below in Section 2.6 may be pursued only by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract. Nothing herein contained shall be deemed to be the creation of restrictions for the benefit of the general public, it being the intention and understanding of the parties hereto that this Declaration and the enforcement thereof shall be strictly limited to the persons(s) or entity(ies) specified in the immediately preceding sentence.

2.5 Amendments. Amendments to this Declaration shall be effective only when executed and acknowledged by the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Duncan Outlot Tract and the person(s) or entity(ies) that, from time to time, own fee simple title to fifty-one percent (51%) or more of the land area contained within the Towne Center Tract, and when recorded in the deed records of Denton County, Texas.

2.6 Default. Upon violation by Duncan (the "Defaulting Party") of the covenants created in Article I above, the person(s) or entity(ies) entitled pursuant to Section 2.4 above to enforce the provisions of this Declaration (the "Enforcing Party", whether one or more) shall have the right to exercise one or more of the following remedies, at the sole election and option of the Enforcing Party:

(a) The Enforcing Party may obtain specific performance by injunction, temporary or permanent restraining order and/or any other legal and equitable remedies as may be available, in which event the Enforcing Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

(b) The Enforcing Party may demand that the Defaulting Party compensate it for damages sustained

Vol 1136 : 565

V. 1133 W. 556

and to be sustained as a result of the violation; and if the Enforcing Party proceeds to litigation on this demand, the Enforcing Party shall also be entitled to recover in such proceedings all court costs and reasonable attorneys' fees incurred by the Enforcing Party.

The pursuit of one or more remedies hereinabove prescribed shall not preclude the pursuit of any other remedy otherwise provided under the laws of the State of Texas, unless inherently inconsistent with the remedy being pursued. Notwithstanding the foregoing, Defaulting Party shall not be deemed to be in violation of the covenants created by Article I above until Defaulting Party shall have failed to cure such violation (or, in the case of a violation which cannot be cured within a thirty-day period, to commence and diligently work toward curing the violation) within thirty (30) days following the delivery of written notice (describing with particularity the nature of the violation and referring specifically to the provision of this Declaration claimed to be violated) by the Enforcing Party to Defaulting Party and to all mortgagees of Defaulting Party about whom the Enforcing Party has received prior written notice.

2.7 Sale by Duncan. Upon the bona fide assignment, conveyance, sale or other transfer by Duncan of its fee simple ownership to any portion or all of the Duncan Outlot Tract, Duncan shall be released from any liability arising out of a failure to observe the covenants contained in this Declaration arising subsequent to the effective date of such sale or transfer with respect to the portion sold or otherwise transferred (other than those obligations arising from any default by Duncan under this Declaration prior to such sale or transfer).

2.8 Approvals. Duncan may at any time request that Towne Center review plans and specifications for proposed buildings to be located on the Duncan Outlot Tract and advise Duncan of any violations of the covenants contained in Section 1.2 hereof (the "Restrictions") created by such plans. In such event, Duncan shall also deliver to Towne Center sufficient supporting data (such as surveys, detailed, scaled exterior elevations, specifications for materials to be used and other renderings as may be needed) to enable Towne Center to make an informed determination concerning whether the buildings as proposed comply with the Restrictions. Duncan shall be deemed to have submitted adequate information to Towne Center if Towne Center fails to request more detailed information within fifteen days of the initial delivery of such information. Any objections raised by Towne Center shall be in writing and shall specify the specific portion of the Restrictions which Towne Center believes will be violated by the proposed building and the particular nature of the violation. With respect to any actual violation which Towne Center fails to identify in writing to Duncan within thirty (30) days of the delivery of the initial information or, if later, within fifteen days of the delivery of all information requested by Towne Center, Towne Center shall be estopped thereafter to assert any such violation and shall be deemed to have waived any right or remedy to which it might otherwise be entitled. The above-described estoppel and waiver shall be effective only as to the specific buildings described in the plans submitted to Towne Center and then only if construction of such buildings is commenced within ninety days from the expiration of the period for objection, and shall not apply to any other buildings thereafter constructed, or any remodeling, alteration or reconstruction of any such buildings.

2.9 Six Month Waiver. If, within six months following the date on which a certificate of occupancy is issued for any building or any portion thereof constructed within the Duncan Outlot Tract, an affidavit identifying Duncan and the Duncan Outlot Tract and setting forth a specific description of the manner in which such building fails to conform with the provisions of Section 1.2 of this Declaration is not filed in the Deed Records of Denton County, Texas, then in such event, the building for which the certificate of occupancy was issued shall conclusively be deemed to comply with all such provisions. Towne Center shall thereafter be estopped to assert any violations of Section 1.2 of this Declaration with respect to such building; provided, however, that nothing contained herein shall limit or affect in any manner the Enforcing Party's right to pursue any remedies set forth in Section 2.6 hereof at any time prior to the expiration of such six (6) month period.

2.10 Duration. This Declaration and the restrictions contained herein shall terminate and be of no further force and effect upon the earlier of:

(i) February 1, 2020; or

(ii) the date on which a written termination agreement, executed and acknowledged by the parties required to amend this Declaration, is recorded in the real property records of Denton County, Texas.

EXECUTED, to be effective as of the date first above specified.

DUNCAN PROPERTIES, LTD.,  
an Oklahoma limited partnership

By: Neil Hill  
Neil Hill, General Partner

STATE OF TEXAS       §

THAT DUNCAN PROPERTIES, LTD., a limited partnership ("Grantor"), for and in consideration of the sum of Ten Dollars (\$10.00) cash and other good and valuable consideration paid by HANDY DAN HOME IMPROVEMENT CENTERS, INC., a Delaware corporation ("Grantee"), whose mailing address is 7909 Fredericksburg Road, San Antonio, Texas 78229, the receipt and sufficiency of which is hereby acknowledged and confessed; and the further consideration of the assumption and agreement by Grantee to keep, pay and perform all of the covenants and obligations of Grantor contained in that certain Grant of Reciprocal Easements, dated March 31, 1962, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, as modified by that certain Modification of Grant of Reciprocal Easements, dated December 7, 1982, duly recorded in the Deed Records of Denton County, Texas (as modified being herein called the "Grant"), for the benefit of all parties owning portions of the real property covered by the Grant (the "Center Property"), insofar and only insofar as said covenants and obligations or any of them pertain to the Property (hereinafter defined), has GRANTED, SOLD and CONVEYED, and by these presents does GRANT, SELL and CONVEY, unto Grantee, that certain tract of land situated in Denton County, Texas, and being a part of the John McGowen Survey, Abstract No. 797, and the Daniel Lambert Survey, Abstract No. 784, more particularly described on Exhibit A attached hereto and incorporated herein by reference for all purposes, together with all and singular all rights and appurtenances thereto in anywise belonging (collectively the "Property").

And Grantor does hereby declare, for the sole and exclusive benefit of the Property and as a covenant running with the tracts of land described on Exhibit B attached hereto and made a part hereof (the "Retained Land"), that as long as Grantee or any affiliate of Grantee is the user of the Property or the major portion thereof, either as owner or lessee, no portion of the Retained Land or any real property adjacent to the Center Property now or hereafter owned or leased by Grantor shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes, however, are not included in the foregoing restriction.

And as further consideration for this conveyance, Grantee does hereby declare, for the sole and exclusive benefit of (i) the first grantee under Grantor of that portion of the Retained Land described on Exhibit C attached hereto and made a part hereof (the "Parcel I Tract") or (ii) an affiliate of said first grantee as the user, owner or lessee of the Parcel I Tract, that no portion of the Property shall be used for the purpose of conducting thereon or for use as a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided, however, that nothing contained herein shall prevent any occupant of improvements on the Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

RESTATEMENT OF AGREEMENT OF  
EASEMENTS, COVENANTS AND RESTRICTIONS

VOL 1181 PAGE 564

DEED RECORDS

35656

THIS RESTATEMENT OF AGREEMENT OF EASEMENTS, COVENANTS AND RESTRICTIONS is made and entered into as of the 7<sup>TH</sup> day of November, 1982, by and between DUNCAN PROPERTIES, LTD. ("Duncan"), WAL-MART PROPERTIES, INC. ("Wal-Mart") and HANDY DAN HOME IMPROVEMENT CENTERS, INC. ("Handy Dan").

W I T N E S S E T H:

WHEREAS, Duncan and Wal-Mart entered into an Agreement of Easements, Covenants and Restrictions dated April 26, 1982 and recorded in Volume 1141 at Page 974 et seq of the Deed Records of Denton County, Texas, pertaining to certain real property in the City of Denton, Denton County, Texas shown on Exhibit "A" attached hereto and described in Exhibit "B-1" attached hereto (the "Center Property"); and

WHEREAS, Wal-Mart is the owner of the land designated as Tract I on Exhibit "A" attached hereto and described in Exhibit "B-2"; Handy Dan is the owner of the land designated as Tract II, Parcel 2 on Exhibit "A" and described in Exhibit "B-3"; and Duncan is the owner of Tract II, Parcel 1, Tract II, Parcel 3 and Tract II, Parcel 4 shown on Exhibit "A" and described in Exhibits "B-4", "B-5" and "B-6"; and

WHEREAS, the parties hereto desire to amend and restate the aforesaid agreement.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, THAT for and in consideration of the premises, easements, covenants, conditions and restrictions contained herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Building Areas. Any building or structure constructed on the Center Property (either as immediate development or future expansion) shall be built only in that area within the building lines or only to the maximum square footage as set forth on Exhibit "A" hereto (the "Building Areas"). That portion of the Center Property not within the Building Areas is hereinafter referred to as the Common Area. Any canopies, signs or ornaments which are attached to a building or structure situated within the Building Areas may encroach upon that space above the Common Area provided that such canopy, sign or ornament does not interfere with the unrestricted use of any portion of the Common Area as set forth in paragraph 5 hereof. A Building Area may be improved as Common Area, in which case it shall be deemed Common Area and subject to all the provisions of this Agreement pertaining to Common Area until it is improved with a building.
2. Use. Buildings located on the Center Property shall be used for commercial purposes of the type normally found in a retail shopping center including, without limitation, financial institutions, service shops, offices, and retail stores. With the exception stated below, no cafeteria, restaurant, theater, flea market, car wash, bowling alley, billiard parlor, night club, any business which, as its primary business activity, serves alcoholic beverages for consumption on the premises of such business, or any place of recreation or amusement, shall be situated within any portion of the Center Property which is within a 300 foot radius of the front door of Wal-Mart's or Handy Dan's retail outlet. The parties acknowledge that the location of any such business within said area may inconvenience the customers and may adversely affect the business of Wal-Mart and Handy Dan. Notwithstanding the foregoing restriction, restaurants may be located on Tract II, Parcel 3, and restaurants and restaurant-theater and restaurant-entertainment businesses may be located on Tract II, Parcel 4. No adult book store, massage parlor, "head shop" or store devoted to the sale of sexual material and devices shall be allowed on the Center Property.

2321A-120282

### 3. Competing Business.

a. Duncan and Handy Dan agree that as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I or the major portion thereof, either as owner or lessee, no portion of Tract II and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be occupied by, or leased or conveyed to any other party for use as a discount department store similar to Wal-Mart's retail outlet and whose overall retail concept is based on a discounting price structure similar to the concept used by Wal-Mart.

b. Duncan and Handy Dan further agree that for the benefit of the first grantee from Duncan of Tract II, Parcel 1 or any affiliate of said grantee (as the user of Tract II, Parcel 1 as owner or lessee), no portion of Tract II, Parcels 2, 3 and 4 and no portion of any real property adjacent to the Center Property which may subsequently be acquired by Duncan shall be used for the purpose of conducting therein or for use as, a food store or a food department or for the sale for off-premises consumption of groceries, meats, produce, dairy products, or bakery products, or any of them; provided however, that nothing contained herein shall prevent any occupant of improvements on Parcels 2, 3 or 4 or real property adjoining the Center Property from selling such products as an incidental part of its other and principal business so long as the total number of square feet devoted by such occupant to the display for sale of such product does not exceed five percent (5%) of the total number of square feet of building area used by such occupant, or five hundred (500) square feet (including, either such case, one-half (1/2) of the aisle space adjacent to any display area), whichever is smaller.

c. Duncan agrees that as long as Handy Dan or any affiliate of Handy Dan is the user of Tract II, Parcel 2 or the major portion thereof, either as owner or lessee, no portion of Tract II, Parcels 1, 3 and 4 and no portion of any real property adjacent to the Center Property now or hereafter owned or leased by Duncan shall be allowed to be used for a home center or a business that engages principally in the sale (at retail or wholesale) of lumber, building materials, hardware and tools, paint and decorating material, electrical supplies, plumbing supplies, nursery products, lawn and garden supplies or any combinations thereof. The sale of lamps, carpets, window shades, curtains and drapes are not included in the foregoing restriction.

d. As used in this Agreement, the term "affiliate" means any person or entity controlling, controlled by or under common control with the party in question.

### 4. Buildings.

a. Design and Construction. All buildings constructed on the Center Property shall be designed so that the exterior of each such building shall be architecturally and aesthetically compatible to all other buildings located on the Center Property and so that any building wall footing shall not encroach from one Tract onto another Tract. The design and construction of any building on the Center Property shall be of high quality and shall be in accordance with sound architectural and engineering standards. Buildings on the following Tracts and Parcels shall not exceed the heights above finished grade set forth below:

Tract I	35 feet
Tract II, Parcels 1 and 2	35 feet
Tract II, Parcel 3	22 feet
Tract II, Parcel 4	22 feet

VOL 1181 PAGE 565

b. Easements. In the event building wall footings encroach from one parcel of separately owned land ("tract") onto another, despite efforts to avoid such occurrence, the party onto whose tract the footings encroach shall cooperate in granting an encroachment permit or easement to the party whose building wall footings encroach.

c. Fire Protection. Any building constructed on the Center Property which is not equipped with a sprinkler system shall be constructed and operated in a manner which will preserve the sprinkler rating on the buildings situated on the Center Property which are equipped with sprinkler systems as established by applicable City, County or State fire code authorities in the City of Denton, Denton County, Texas.

#### 5. Common Area.

a. Grant of Easements. Each of the parties hereto, as grantor, hereby grants to the other parties, as grantees, for their benefit and the benefit of their respective customers, invitees, licensees, tenants, and employees, a nonexclusive easement across the Common Area for roadways, walkways, ingress and egress to any and all public roadways, whether established or proposed, which run adjacent to the Center Property; parking of motor vehicles (except construction worker vehicles); loading and unloading of commercial and other vehicles (except for construction vehicles) and the use of facilities installed for the comfort and convenience of customers, invitees, licensees, tenants and employees of all businesses and occupants of buildings situated on the Center Property.

#### b. Limitations on Use.

(i) Customers. The parties hereto shall use all reasonable efforts to ensure that no person shall be permitted to park on the Common Area except for employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses.

(ii) Employees. Each party shall use reasonable efforts to ensure that all employees of businesses located in the Center Property park in those portions of the Common Area which the parties hereto from time to time mutually designate as employee parking areas.

(iii) General. The primary purpose of the Common Area is to provide for parking for the employees and invitees of those businesses occupying a portion of the Center Property in compliance with the terms of this Agreement and those persons shopping or engaging in a lawful business transaction with such businesses. Persons using the Common Area in accordance with the provisions of this subparagraph shall not be charged any fee for such use. However, no activity shall be conducted in the Common Area which will interfere with the aforementioned primary purpose of the Common Area.

(iv) Trash Containers. Each owner, on its own tract, may use or permit the use of the portion of the Common Area to the south of the Building Area on Tract I and Tract II, Parcels 1 and 2 for trash containers or compactors and outside storage of merchandise and equipment, provided that they do not interfere with normal access and unloading by delivery and other service vehicles between the Building Area and the southern boundary of the Center Property. Outdoor trash containers and compactors located on Tract II, Parcel 3 shall be screened so that they are not visible from Tract II, Parcels 1 and 2, and the access to the containers and compactors shall be from the north or west.

(v) Outdoor Sales. Outside sales and displays of merchandise shall be permitted to be conducted by any of the stores located on Tract I and Tract II, Parcels 1 and 2 upon their respective sidewalks and within 125 feet of their respective main entrances; provided, however, that the sales area is not located in the drive lanes parallel and adjacent to the front of the building on the respective tract.

(vi) Service Drive and Driving Lane. The Common Area designated "Service Drive" on Exhibit "A" shall be used exclusively for access, loading and unloading of service vehicles, except for underground utility lines, overhead utility lines that do not interfere with service vehicles and the trash containers described in Section 5.b.(iv). The Common Area designated "Driving Lane" on Exhibit "A" shall be used exclusively for passage of vehicles and pedestrians and for underground utility lines.

c. Utility and Service Easements. The parties hereto shall cooperate in the granting of appropriate and proper easements for the installation, use, repair and replacement of storm drains, sewers, utilities and other proper services necessary for the orderly development and operation of the Common Area and those buildings to be erected upon the Building Areas. The parties will use their best efforts to effect the installation of such utility and service lines prior to the paving of the Common Area. However, in no event shall the lines, sewers, utilities and services which benefit one tract be installed within the Building Areas of any other tract without the express written consent of the owner of the other tract.

d. Water Flow. The parties agree to the drainage of surface water in the Center Property that results from (i) the grading and underground drainage system shown on Exhibit "C" attached hereto and (ii) the location of buildings within the Building Area (the "Permitted Drainage"); and the parties hereby grant each other an easement to allow the Permitted Drainage over their respective tracts. Each party agrees that it will not alter the grading within its tract or place improvements in the Common Area that will materially alter the Permitted Drainage or cause the owner of any other tract to be in violation of the surface drainage easement contained in the Grant of Reciprocal Easements between Duncan Properties, Ltd. and Denton Towne Center Joint Venture dated March 31, 1982 as recorded in Volume 1136, Page 509, Deed Records, Denton County, Texas.

e. Subdivision of Existing Tracts. Tracts created by subdivision of already existing tracts shall have, with respect to each other, all easements granted in this Section 5 that benefit the present Tracts and Parcels in which said newly created tracts are located.

#### 6. Development, Maintenance, and Taxes.

##### a. Development.

(i) "Parking Area" Ratio. Each owner agrees it shall maintain, in that portion of the Common Area situated on its respective tract, sufficient parking area to accommodate not fewer than five (5) cars spaces for each one thousand (1,000) square feet of building floor area constructed on its respective tract. If a restaurant is operated on Tract II, Parcel 3, then (i) the Common Area on said Parcel shall contain no fewer car spaces than the seating capacity of the restaurant divided by 3 and (ii) the principal occupant of Tract II, Parcel 2 may require all or some of the restaurant employees to park their cars on designated portions of Tract II, Parcel 2.

(ii) Design of Common Area. The design and arrangement of the Common Area shall not be changed in a manner inconsistent with the terms of this Agreement without the express written consent of the parties entitled to amend this Agreement pursuant to Article 17, except that the location and use of the Service Drive and Driving Lane shown on Exhibit "A" shall not be changed without the express written consent of all Principal Parties (as defined in Paragraph 17).

(iii) Coordination of Common Area Construction-Service Drive. Wal-Mart acknowledges that at the time it opened for business to the general public on November 16, 1982 the Service Drive located as set forth on Exhibit "A" was completed in Tract I only. As Wal-Mart gave Duncan no written notice of its scheduled opening date, Wal-Mart has

waived its right to complete that portion of the service drive located on Tract II, Parcels 1 & 2 and does hereby waive any rights it may have had to complete same. Nevertheless, it is agreed by all parties that the portion of the Service Drive on Tract II Parcels 1 & 2 will be constructed on the respective parcels by the time the buildings on said Parcels are completed.

(iv) Coordination of Common Area Construction-Tract II, Parcels 1 & 2. In addition to Subparagraph 6.a.(iii), each of the owners of Tract II, Parcel 1 and Tract II, Parcel 2 agree with the other to complete construction on its Parcel of the work described below within forty (40) days after it receives written notice from the other owner that an occupant intends to open a place of business on the latter's Parcel within seventy-five (75) days. The work to be performed by each owner is the paving of the Service Drive and the parking area lying north of the sidewalk line and within thirty-five (35) feet of the boundary between Tract II, Parcels 1 and 2. The specifications for the work to be performed on each owner's Parcel are set forth in Exhibit "D" attached hereto. In the event that either owner should fail to fulfill its obligations under this paragraph 6.a.(iv) (the "defaulting party"), then the other owner (the "non-defaulting party") shall have the right to complete such work on the defaulting party's Parcel pursuant to a bid approved by the defaulting party, said approval not to be unreasonably withheld and to be deemed given if not refused within ten (10) days after it is submitted. In connection therewith the non-defaulting party shall obtain a waiver from its contractors and sub-contractors of any and all liens which could be asserted against the defaulting party's tract. All costs and expenses incurred in connection with any such construction shall be payable by the defaulting party to the non-defaulting party upon demand after the issuance of a certificate of occupancy for the building on the defaulting owner's Parcel. In order to secure such sums the non-defaulting party shall have a lien on the Parcel owned by the defaulting party, which shall be superior to all other liens except liens securing lawful governmental assessments and bona fide first lien mortgages or first lien deeds of trust, and which shall be evidenced by the non-defaulting party preparing, executing, acknowledging and recording in the appropriate records in the office of the County Clerk of Denton County, Texas, a notice of such lien setting forth the principal amount due, the name of the defaulting party and a description of the tract owned by the defaulting party. After recordation of such notice the lien may be foreclosed in like manner as a mortgage on real property subsequent to the recording of a notice or claim thereof. The defaulting party shall be responsible for and shall pay all costs and expenses incurred by the non-defaulting party in enforcing any of the foregoing rights and remedies (including attorneys' fees and court costs).

(v) Conduct of Construction. All construction work done within the Center Property and the right of way adjoining the Center Property shall be conducted so as not to unreasonably interfere with permitted uses (including construction activity) and businesses conducted in the Center Property. The Service Drive designated on Exhibit "A" shall not be obstructed except temporarily for necessary construction work or unloading, provided that during the period the Service Drive is so temporarily obstructed the dock area of the building on Tract I must be served by an unobstructed truck route utilizing portions of the Service Drive connected to the parking area on Tracts I and II. Notwithstanding Section 6.b.(i), an owner of a tract upon which construction is taking place shall repair all damage to the Building and Common Areas on other tracts caused by its construction work.

b. Maintenance.

(i) Standards. Following completion of the improvements on the Common Area, each of the parties respectively shall maintain that portion of the Common Area situated on its tract in good condition and repair. Such maintenance shall include, without limitation, the following:

(A) Maintaining the surfaces in a level, smooth and evenly-covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use, and durability;

(B) Removing all papers, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition;

(C) Installing, repairing, and replacing any and all necessary directional signs, markers and lines;

(D) Operating, repairing and replacing, where necessary, such artificial lighting facilities as shall reasonably be required;

(E) Maintaining all perimeter walls in a good condition and state of repair; and

(F) Maintaining all landscaped areas and making such replacements of shrubs and other landscaping as is reasonably necessary.

(ii) Expenses. Each of the parties hereto shall pay the cost of maintaining their respective tracts, except that owners and tenants of tracts that negligently or wilfully cause damage to other tracts shall reimburse its owner for the cost of the repair.

(iii) Maintenance Service. The parties hereto may agree to employ an independent maintenance service to maintain the Common Area in the manner above outlined. The expenses incurred in connection with the hiring of such maintenance service shall be borne by the parties hereto in the same proportion that the number of square feet contained in their respective tracts is to the total number of square feet in the Center Property.

c. Prior to Development. Before land in the Center Property is improved, its owner shall maintain the land in compliance with all laws and governmental rules and regulations and shall not permit a nuisance affecting any other part of the Center Property to exist on its land. Without limiting the foregoing, the owner shall keep grass and underbrush cut, remove debris, prevent soil from washing into improved portions of the Center Property and maintain in an attractive condition any fences or barriers on its Building Area that is not intended for use solely during construction.

d. Restoration. A building in the Center Property damaged by casualty or condemnation does not have to be restored, but its owner shall within ninety (90) days after the damage occurs remove all debris resulting therefrom and within a reasonable time thereafter either (i) repair or restore the building, (ii) replace the building with a new improvement that complies with this Agreement or (iii) demolish the building, remove the debris, smooth the ground surface and either pave or grass over the site.

e. Taxes. Each of the parties hereto agrees to pay or cause to be paid, before delinquent, directly to the appropriate taxing authority those assessments which are levied against that portion of the Center Property owned by it.

VOL 1181 PAGE 549

7. Signs.

a. No sign shall be located on the Center Property, except as allowed in this Article. All signs located on the Center Property shall be related to business(es) conducted on the Center Property. 7N DMC

b. The two (2) signs designated as Center I.D. signs on said Exhibit "A" and located on Tract I and Tract II, Parcel 4, respectively, shall be composed of a pylon structure and not more than three individual box signs. None of the boxes shall have flashing lights or moving visual or mechanical elements. The top box of each such Center I.D. sign shall be designated for use by Wal-Mart. The second box from the top of each such Center I.D. sign shall be designated for use by the principal user of Tract II, Parcel 1. The third box from the top of the easterly Center I.D. sign shall be designated for use by Handy Dan. The remaining box on the westerly Center I.D. sign, if used, shall be used by the business designated by Wal-Mart and the user of Tract II, Parcel 1. The designated user of each box shall bear an equal share of the cost of constructing and maintaining the Center I.D. pylon sign structures, said share being proportional to the number of boxes on the pylon. The cost of installing, equipping, maintaining, illuminating and metering each of the boxes used by owners or tenants utilizing such boxes shall be borne completely by such tenant or owner.

c. The sign situated on Tract II, Parcel 2 and designated "Handy Dan Sign" on Exhibit "A" hereto shall be the sole responsibility of Handy Dan and Handy Dan shall have the right to erect and use or allow the use of such sign.

d. The two signs situated on Tract II, Parcel 4, each designated "Duncan Sign Easement" on Exhibit "A", shall be the sole responsibility of the principal user of Tract II, Parcel 1, and said user shall have the right to erect and use or allow the use of such sign.

e. Duncan shall have the right to erect and to apportion the use of four (4) additional signs on Tract II, Parcel 4 (other than the Center I.D. sign and the two Duncan Sign Easements) and one sign on Tract II, Parcel 3, provided that the sign on Tract II, Parcel 3 does not exceed thirty-five (35) feet in height and does not materially impede the visibility of the sign described in subparagraph 7.c. from Interstate Highway 35.

8. Indemnification/Insurance.

a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim, or judgment arising from personal injury, death, or property damage occurring on or in any way connected with the indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee.

b. Insurance.

(i) Each owner of a tract at its sole cost and expense shall procure and maintain or cause to be procured and maintained in full force and effect throughout the term of this Agreement policies of general public liability insurance and of property damage insurance. Such policies shall provide coverage against all claims, demands or actions for personal injury, death or property damage occurring upon or in connection with that portion of the Center Property owned by such party within limits of not less than \$500,000.00 for injury or death of a single person, within limits of not less than \$1,000,000.00 for any one occurrence, and within limits of not less than \$500,000.00 for property damage. Such policies shall name as additional insureds all Principal Parties (as defined in Paragraph 17) of which the owner has knowledge and shall provide that it may not be cancelled as to any insured without at least ten (10) days advance written notice to the insured. Each owner shall provide the Principal Parties named as additional insureds with

certificates of such insurance from time to time to evidence that such insurance is in force. Such insurance may be written by an additional premises endorsement on any master policy of insurance carried by either of the parties hereto.

(ii) During the term of this Agreement, each owner shall insure or cause to be insured all improvements located on its tract against loss or damage by fire and any other perils or events which may be covered under the broad form of Uniform Extended Coverage Clause in effect from time to time in the State of Texas. Said insurance shall be for the full replacement cost of such improvements.

(iii) Except for damage covered by Subparagraph 6.b.(ii), each owner and occupant of real property within the Center Property hereby releases, on behalf of itself and its insurers, each other owner and occupant of real property within the Center Property from any and all claims for damage to real and personal property, business interruption, loss of profits and loss of rent or payment of rent for untenable premises, regardless of whether such losses are insurable or the releasing party is insured or is able to collect on its insurance claims. If the releasing party is unable to obtain insurance by reason of the aforementioned release, then the release (i) shall be limited to the releasing party and apply only to the uninsured and uncollectible portions of its loss, and (ii) shall not apply to its insurer or bar a subrogation action by the insurer to recover the amount it has paid. In that instance, however, the releasing party shall indemnify and hold harmless each other owner and occupant of real property within the Center Property from all loss, damage and expense (including attorneys' fees) in connection with the claims mentioned in the first sentence of this paragraph made by the releasing party's insurer.

(iv) Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Wal-Mart or its parent company, Wal-Mart Stores, Inc., shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Wal-Mart, or any affiliate of Wal-Mart, is the user of Tract I, either as owner or lessee, then Wal-Mart shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract I up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of Handy Dan or its parent company, Grace Retail Corporation, shall exceed Fifty Million Dollars (\$50,000,000.00), and as long as Handy Dan, or any affiliate of Handy Dan, is the user of Tract II, Parcel 2, either as owner or lessee, then Handy Dan shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 2 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim. Notwithstanding anything to the contrary contained in this Paragraph 8, as long as the net worth of a company operating a supermarket on Tract II, Parcel 1 or its parent company, shall exceed Fifty Million Dollars (\$50,000,000.00), then the company operating the supermarket shall have the right to assume the financial risk, independently and without obtaining insurance coverage in connection therewith, for any property located on Tract II, Parcel 1 up to an amount equal to One Million Five Hundred Thousand Dollars (\$1,500,000.00) per claim.

9. Eminent Domain.

a. Owner's Right to Award. Nothing herein shall be construed to (i) give either party any interest in and to any award or payment made to another party in connection with any exercise of eminent domain (or transfer in lieu thereof) affecting the other party's tract, or (ii) give the public or any government any interest in and to said tract. In the event of any exercise of eminent domain (or transfer of any part of the Center Property in lieu thereof) the award attributable to the land and improvements of such tract shall be payable only to the owner thereof, and no claim therefor shall be made by the owner of any other tract.

b. Collateral Claims. An owner of a tract may file collateral claims with any condemning authority in connection with any losses sustained by it in connection with the taking of any other tract.

c. Tenant's Claim. Nothing in this Paragraph 9 shall prevent a tenant from making a claim against an owner pursuant to the provisions of any lease between a tenant and owner for all or a portion of any such award or payment.

d. Restoration of Common Area. The party owning any portion of the Common Area so condemned or taken shall use its best efforts to promptly repair and restore the remaining portion of the Common Area owned by such party to the condition existing immediately prior to such condemnation or transfer. However, in connection with such restoration or repair, no party shall be required to expend an amount which exceeds the amount such party received for such condemnation or taking.

10. Rights and Obligations of Lenders. If by virtue of any right or obligation set forth herein a lien shall be placed upon a tract, such lien shall expressly be subordinate and inferior to any lien securing lawful governmental assessments and bona fide mortgages or first priority deeds of trust which encumber such tract prior to the attachment of said lien. Except as set forth in the preceding sentence, the holder of a first lien on any portion of the Center Property and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Agreement.

11. Release from Liability. Any person now owning or hereafter acquiring fee or leasehold title to any portion of the Center Property shall be bound by this Agreement only as to that portion of the Center Property owned or leased by such person. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of a portion of the Center Property, except as to obligations, liabilities or responsibilities that accrue during said period. Although persons may be released under this paragraph, the easements, covenants and restrictions in this Agreement shall continue to be benefits and servitudes upon the Center Property which run with the land.

12. Breach. In the event of breach or threatened breach of this Agreement, a party entitled to enforce the breached obligation (as described in Paragraph 18) shall be entitled to any relief available under the laws of the State of Texas, ~~and the right to enjoin a violation or threatened violation of this Agreement without regard to the sufficiency of legal damages or any other remedy.~~ The unsuccessful party in any action shall pay to the prevailing party all reasonable attorneys' fees incurred in connection with the prosecution or defense of such suit. 7/12 DMC

13. Right to Cure. Should any owner or user of a portion of Tract II fail to timely perform any of its obligations hereunder and thereafter fail to cure such failure within thirty (30) days of its receipt of a demand for performance made by another owner or user of a portion of Tract II that is entitled to enforce the obligation pursuant to Paragraph 18 (or, if the default cannot be reasonably cured within thirty days, the defaulting party does not commence to cure such default promptly and thereafter diligently pursue the curing of the default to completion), the party giving such notice shall, in addition to any other remedy provided at law or in this Agreement, have the right (but not the obligation) to perform such obligation on behalf of the defaulting party. The thirty (30) day period to cure the default may be reduced in the event of an emergency by the party giving notice stating the nature of the emergency and the shorter time to cure the default in its notice. The defaulting party shall reimburse the party curing the default for the cost of performing the defaulted obligation within fifteen (15) days after receipt of billing therefor and proof of payment thereof. In the event the defaulting party does not reimburse the curing party within such fifteen (15) day period, the amount due shall bear interest at the rate of three percent (3%) per annum over the stated prime interest rate of the largest commercial bank (asset size) in Dallas, Texas, from the date of billing until paid and the curing party shall have: (i) the right to exercise any and all rights which such curing party might have at law to collect the same, and (ii) have a lien on the tract owned by the defaulting party to the extent of the amount paid by the curing party but

not reimbursed by the defaulting party. Such lien may be filed for record by the curing party as a claim against the defaulting party, in the manner described in Subparagraph 6(a)(iv).

The lien so claimed shall attach from the date of recordation in the amount claimed by the party curing the default and it may be enforced and foreclosed in any manner allowed by law, including but not limited to suits to foreclose a mortgage or mechanic's lien under the applicable law of the State of Texas.

14. Rights of Successors. The easements, restrictions, benefits and obligations hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, legal representatives, lessees, successors and assigns. As used herein, the singular number includes the plural and the masculine gender includes the feminine and neuter.

15. Adjoining Shopping Center Restrictions. The parties hereto each acknowledge that Denton Towne Center Joint Venture as the owner of real property situated adjacent to the Center Property (the "Towne Center Tract"), made, executed and delivered that certain Declaration of Restrictive Covenants (the "Declaration") dated March 31, 1982, recorded in Volume 1136, page 544, Deed Records, Denton County, Texas, which benefits the Center Property, but for which the benefits and the enforcement thereof were limited to the owners of Tract 11, Parcel 4. Duncan, for itself, its successors, legal representatives and assigns, and as a covenant running with Tract 11, Parcel 4, hereby covenants and agrees that the Declaration shall not be altered, modified, amended or affirmatively waived in any manner without the prior written consent of all of the owners of the Center Property.

16. Prior Easements and Restrictions. The parties each acknowledge that this Agreement is made and accepted subject to certain prior easements and restrictions of record in Denton County, Texas, including (i) that certain Declaration of Restrictive Covenants, dated March 31, 1982, recorded in Volume 1136, page 561, Deed Records, Denton County, Texas, burdening Tract 11, Parcel 4 for the benefit of the Towne Center Tract, and (ii) that certain Grant of Reciprocal Easements, dated March 31, 1982, recorded in Volume 1136, page 509, Deed Records, Denton County, Texas, covering the Center Property and the Towne Center Tract. To the extent any term or covenant hereof conflicts with a term or covenant set forth in such prior easements and restrictions, the terms of such prior easements and restrictions shall control.

17. Cancellation, Extension and Modification. This Agreement may be cancelled or extended only by all the owners of the Center Property, the Principal Parties (hereinafter defined) and all holders of first mortgages on the Center Property. The provisions of this Agreement may be amended by the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property, provided, however, that (i) no change will be made in the improvement or layout of a portion of a Building Area or Common Area without the consent of its owner and its tenant if the tenant is a Principal Party and (ii) the Service Drive and Driving Lane shall not be changed without consent of all Principal Parties. Consent, as referred to in this Paragraph, shall be evidenced only by execution of a formal, written amendment of the document in question. The provision of the Grant of Easements described in Subparagraph 16(ii) shall not be amended by the owners of the Center Property without the prior written consent of the Principal Parties owning or using eighty-five percent (85%) of the area of the Center Property. "Principal Party" means (i) Wal-Mart, Handy Dan, Duncan and their respective affiliates, (ii) a tenant of the entire Building Area on Tract 1, Tract 11, Parcel 1, or Tract 11, Parcel 2, and (iii) the owner of Tract 1 or Parcel 1, 2, 3 or 4 of Tract 11, if said Tract or Parcel is not used by another Principal Party. Any purchaser, lender, lessee, assignee, grantee, sublessee or any other party acquiring any interest in and to the Center Property shall appoint and be deemed to

7H  
OMC

VOL 1181 PAGE 573

have appointed the Principal Party of the property in which it has an interest as such party's attorney-in-fact for the purpose of negotiating and entering into any modifications of this Agreement in connection with such party's interest, except for changing the duration of this Agreement.

18. Enforcement. The covenants and restrictions in this Agreement may be enforced only by a record owner of land within the Center Property and a Principal Party. Any occupant of the Center Property may enforce its right to use an easement granted herein for its benefit but may not enforce any limitations or obligations imposed upon other parties with respect to such easements.

19. Estoppel Certificate. Each Principal Party and owner of property within the Center Property, upon written request made by any other owner or Principal Party ("Requesting Party") from time to time, (but not more frequently than three (3) times during any calendar year), shall issue to a prospective mortgagee or successor Principal Party of the Requesting Party, an estoppel certificate stating:

- (i) whether the party to whom the request has been directed knows of any default by the Requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof;
- (ii) whether to its knowledge this Agreement has been modified or amended in any way (and if it has, then stating the nature thereof);
- (iii) that to the knowledge of the party to whom the request has been directed, this Agreement is in full force and effect.

20. Non-Extinguishment. This Agreement shall not be extinguished, so long as Duncan, Wal-Mart or Handy Dan, or any affiliate of Wal-Mart or Handy Dan is the owner or lessee of any portion of the Center Property, even though the underlying fee ownership of the Center Property may be vested in a single person or entity.

21. Duration. Unless otherwise cancelled or terminated, this Agreement and all the easements, rights and obligations contained herein shall automatically terminate and be of no further force and effect after seventy-five (75) years from and after the date hereof.

22. Headings. The headings used in this Agreement are for convenience and reference only and shall not be deemed to expand or limit the meaning of this Agreement.

23. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements whether oral or written.

24. Notice. All notices, demands and requests which may be given or which are required to be given by any party to other parties shall be in writing and shall be sent by United States certified or registered mail, postage prepaid, return receipt requested, addressed to Wal-Mart, Handy Dan or Duncan, respectively, as follows:

EXHIBIT B-1

VOL 1181 PAGE 578

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J.S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E ( a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01° 41' 20" E a distance of 70.71 feet to a point;  
S 34° 42' 00" E a distance of 226.60 feet to a point;  
S 42° 00' 59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42° 33' 00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 90.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 170.17 feet to a point for corner;

THENCE N 34° 48' 00" E a distance of 136.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 21.62 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 357.99 feet to a point for corner;

THENCE N 60° 43' 46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22° 31' 07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37° 21' 11" W to the point of tangency;

THENCE S 48° 36' 44" E a distance of 323.16 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

N 47° 27' 00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 ( a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42° 27' 28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02° 48' 06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34° 42' 00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 65.87 feet to a point for corner;

THENCE S 05° 49' 03" W a distance of 95.00 feet to a point for corner;

THENCE S 86° 43' 12" W a distance of 90.00 feet to a point for corner;

THENCE S 42° 33' 00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42° 00' 59" W a distance of 90.60 feet to a point for corner;

N 34° 42' 00" W a distance of 226.60 feet to a point for corner;

N 01° 41' 20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

## EXHIBIT B-2

BEING a tract of land situated in Denton County in the J.S. Taft Survey, Abstract No. 1256, the John McGowan Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784 and also being all of Lot 1, Block 1 of the Denton Shopping Center Addition, an addition to the City of Denton, according to the replat thereof, recorded in the Map Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point in the common line between the said John McGowan Survey and the said Daniel Lambert Survey, 124.00 feet south of the Northwest corner of the Daniel Lambert Survey;

THENCE N  $60^{\circ} 43' 46''$  E, a distance of 268.95 feet to a point for corner, said point also being the beginning of a curve to the left having a radius of 453.38 feet and central angle of  $22^{\circ} 31' 07''$ ;

THENCE along said curve, an arc distance of 178.19 feet to a point for corner;

THENCE S  $48^{\circ} 36' 44''$  E, a distance of 323.16 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 580.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 125.00 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 105.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 155.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W, a distance of 108.00 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W, a distance of 303.66 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E, a distance of 357.99 feet to the POINT OF BEGINNING and containing 7.242 acres of land, more or less.

31N

## EXHIBIT B-3

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797 and the Daniel Lambert Survey, Abstract No. 784, and being part of Lot 2 in Block 1 of the replat of Denton Shopping Center Addition, an addition to the City of Denton as recorded in Cabinet C, Page 19, Deed Records, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the Northeasterly line of Interstate Highway No. 35-E (variable right of way), said point also being the Southwesterly corner of said Denton Shopping Center Addition;

THENCE along the said Northeasterly line of I.H. 35-E the following:  
N 47° 27' 00" W a distance of 112.51 feet to a point for corner;

N 55° 58' 59" W a distance of 101.10 feet to a point for corner;

N 47° 27' 00" W a distance of 30.50 feet to a point for corner;

S 48° 26' 45" W a distance of 3.00 feet to a point for corner;

N 41° 33' 15" W a distance of 29.05 feet to a point for corner;

THENCE N 41° 57' 26" E departing said I.H. 35-E a distance of 95.00 feet to a point for corner;

THENCE N 48° 02' 34" W a distance of 85.00 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 132.75 feet to a point for corner;

THENCE N 86° 43' 12" E a distance of 12.61 feet to a point for corner;

THENCE N 05° 49' 03" E a distance of 95.00 feet to a point for corner;

THENCE N 64° 45' 00" W a distance of 14.00 feet to a point for corner;

THENCE N 25° 15' 00" E a distance of 30.17 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 25.00 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 236.91 feet to a point for corner;

THENCE N 41° 57' 26" E a distance of 25.50 feet to a point for corner;

THENCE S 48° 02' 34" E a distance of 244.00 feet to a point for corner;

THENCE S 41° 57' 26" W a distance of 333.26 feet to the POINT OF BEGINNING and containing 127,375 square feet or 2.924 acres of land, more or less.

VOL 1181 PAGE 581

BEING a tract of land situated in the John McGowen Survey, Abstract No. 797, and the Daniel Lambert Survey, Abstract No. 784, and being part of Lot 2 of the replat of Denton Shopping Center Addition as recorded in Cabinet C, Page 67, Deed Records, Denton County, Texas and being more particularly described as follows:

BEGINNING at the Southwest Corner of Lot 1 of the said replat of Denton Shopping Center Addition;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 239.34 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W a distance of 244.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 25.50 feet to a point for corner;

THENCE N  $48^{\circ} 02' 34''$  W a distance of 236.91 feet to a point for corner;

THENCE N  $64^{\circ} 45' 00''$  W a distance of 25.00 feet to a point for corner;

THENCE N  $25^{\circ} 15' 00''$  E a distance of 140.00 feet to a point for corner;

THENCE N  $34^{\circ} 48' 00''$  E a distance of 136.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 282.03 feet to a point for corner;

THENCE N  $41^{\circ} 57' 26''$  E a distance of 108.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 155.00 feet to a point for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 105.00 feet to a point for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 125.00 feet to the POINT OF BEGINNING AND containing 3.50 acres of land, more or less.

EXHIBIT B-5

BEING a tract of land of the John McGowen Survey, Abstract No. 797, and being part of lot 2, of the replat of Denton Shopping Center Addition. An addition to the City of Denton as recorded in Cabinet C, page 67 Deed Record, Denton County, Texas and being more particularly described as follows:

BEGINNING with an iron rod set at the Northwest corner of Lot 2, and being in the Easterly line of Interstate Highway 35 (a variable width row) said point also being the Southwest corner of Lot 3.

THENCE N  $42^{\circ} 33' 00''$  E a distance of 145.00 feet to an iron rod set for corner;

THENCE N  $86^{\circ} 43' 12''$  E a distance of 77.39 feet to an iron rod set for corner;

THENCE S  $05^{\circ} 49' 03''$  W a distance of 132.75 feet to an iron rod set for corner;

THENCE S  $48^{\circ} 02' 34''$  E a distance of 85.00 feet to an iron rod set for corner;

THENCE S  $41^{\circ} 57' 26''$  W a distance of 95.00 feet to an iron rod set for corner in the said East line of Interstate Highway 35.

THENCE N  $47^{\circ} 27' 00''$  W at the East line of Interstate Highway 35, a distance of 219.30 feet to the POINT OF BEGINNING and containing 0.648 acres of land, more or less.

.VOL 1181 PAGE 583

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being all of Lot 3, Block 1 of the Denton Shopping Center Addition, an addition to the City of Denton, according to the replat thereof, recorded in the Map Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway 35-E the following:

N 42° 27' 28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02° 48' 06", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34° 42' 00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64° 45' 00" E a distance of 65.87 feet to a point for corner;

THENCE S 05° 49' 03" W a distance of 95.00 feet to a point for corner;

THENCE S 86° 43' 12" W a distance of 90.00 feet to a point for corner;

THENCE S 42° 33' 00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway 35-E;

THENCE along the Easterly line of said Interstate Highway 35-E the following:

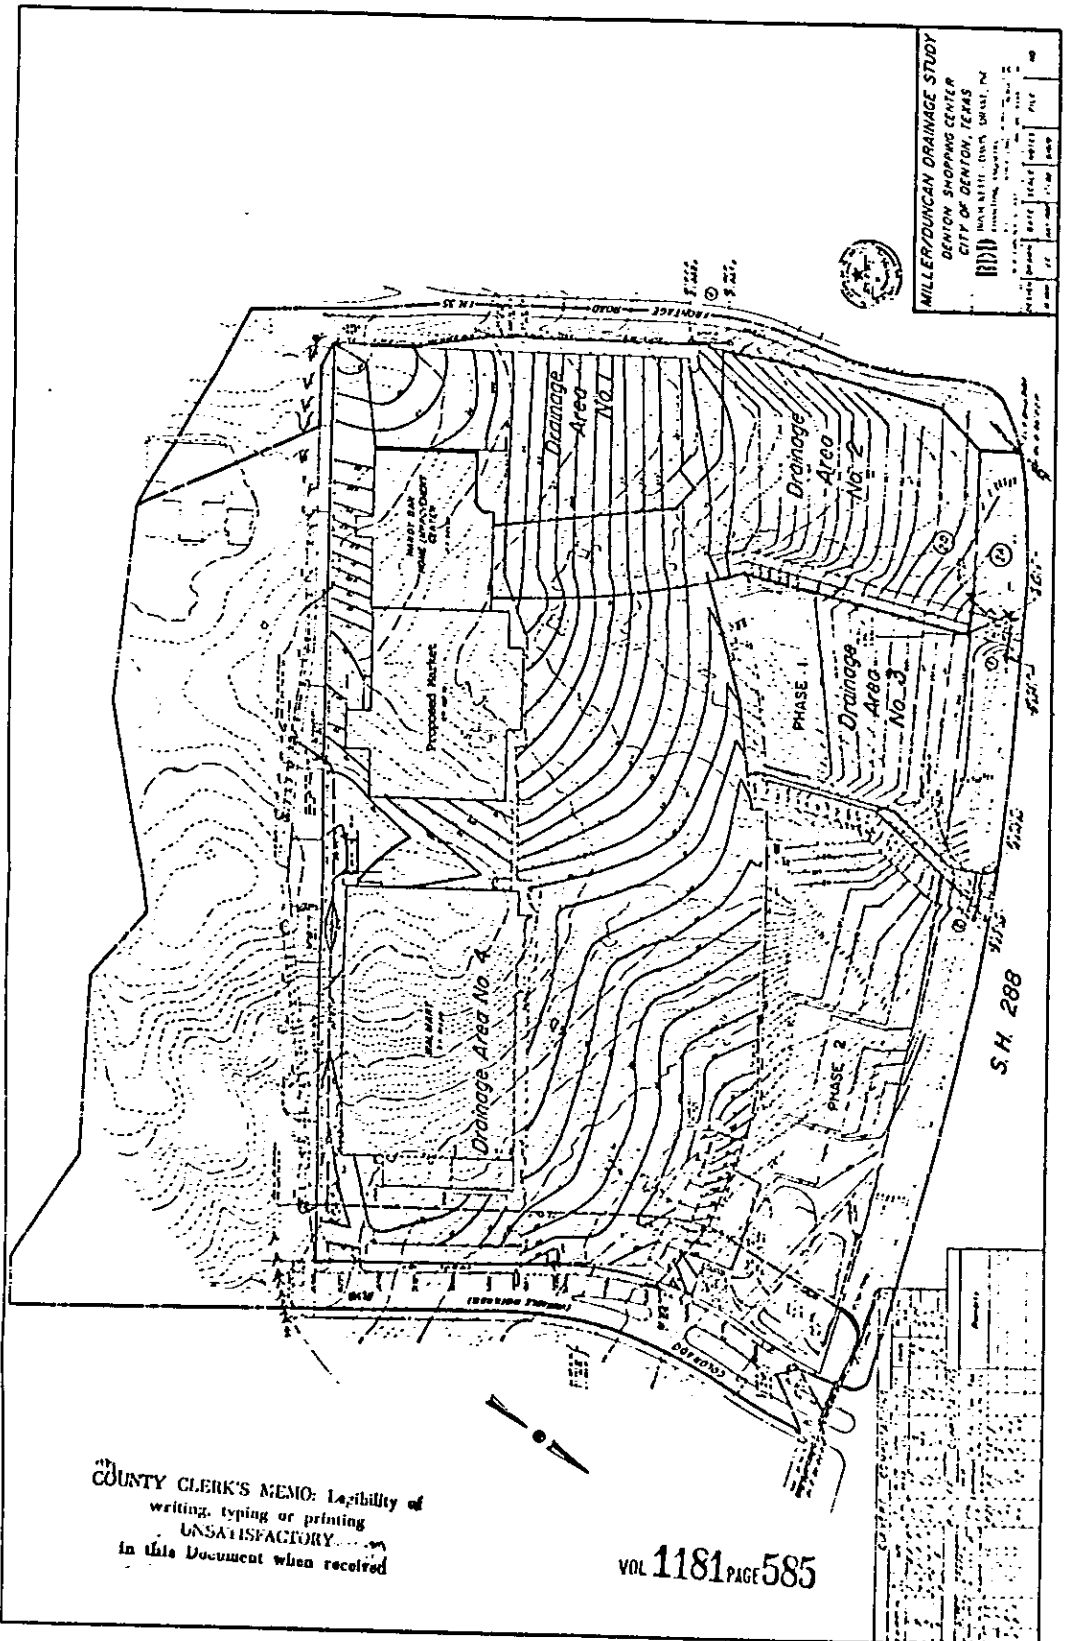

N 42° 00' 59" W a distance of 90.60 feet to a point for corner;

N 34° 42' 00" W a distance of 226.00 feet to a point for corner;

N 01° 41' 20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

MODIFICATION OF RESTATEMENT  
OF AGREEMENT OF EASEMENTS,  
COVENANTS & RESTRICTIONS

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26 day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

W I T N E S S E T H:

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

Complainant Party *nn*.

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the ~~party~~ <sup>nn</sup> who owns the ~~greatest~~ portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

*nn* - ~~greater~~

the Principal Party of

774 of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. ~~Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.~~ 774.

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

§ MODIFICATION OF RESTATEMENT  
§ OF AGREEMENT OF EASEMENTS,  
§ COVENANTS & RESTRICTIONS  
**DEED RECORDS**

This Modification of Restatement of Agreement of Easements, Covenants and Restrictions (the "Modification") is made and entered into as of the 26<sup>th</sup> day of April, 1983, by and among Duncan Properties, LTD., an Oklahoma limited partnership ("Duncan"), OTR, an Ohio general partnership ("OTR"), Handy Dan Home Improvement Centers, Inc., a Delaware corporation ("Handy Dan"), Burger King Corporation, a Florida corporation ("Burger King") and Pizza Time Theatre, Inc., a California corporation ("Pizza Time").

**W I T N E S S E T H:**

WHEREAS, as of December 7, 1982, Duncan, Wal-Mart Properties, Inc. and Handy Dan executed and delivered each to the other that certain Restatement of Agreement of Easements, Covenants and Restrictions (the "Restatement"), dated of even date therewith and recorded in Volume 1181, page 564, Deed Records, Denton County, Texas, covering the real property more particularly described therein (the "Shopping Center"); and

WHEREAS, OTR, Burger King and Pizza Time thereafter acquired portions of the Shopping Center subject to the Restatement.

WHEREAS, Duncan has requested that the Restatement be modified and amended in certain respects; and

WHEREAS, Handy Dan, OTR, Burger King and Pizza Time have agreed, upon the following terms and conditions, to such request; and

WHEREAS, Duncan, Handy Dan, OTR, Burger King and Pizza Time are all of the current owners of the Shopping Center.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That for and in consideration of the mutual covenants contained herein and other good and valuable consideration, Duncan, OTR, Handy Dan, Burger King and Pizza Time hereby agree that:

1. The Restatement is hereby amended such that Paragraph 21 of the Restatement is hereby deleted in its entirety and the following Paragraph 21 is hereby substituted in lieu thereof.

"21. Duration. Unless otherwise cancelled or terminated, this Agreement and all of the easements, rights and obligations contained herein shall continue in perpetuity."

2. The Restatement is hereby amended such that the following paragraph is inserted at the end of Paragraph 16 of the Restatement:

With respect to the Grant of Reciprocal Easements referred to in subparagraph (ii) above (the "Grant"), the parties hereby agree that the party who owns the greater portion of the Center Property (who is thereby entitled pursuant to Section 5.1 of the Grant, to determine the remedy to be exercised in the event

\* Complaining

VOL 1225 PAGE 371

the Principal  
Party of

ABW

of a default by Denton Town Center Joint Venture under the terms of the Grant) shall not take any action or exercise any remedy under the Grant without the prior written consent of the owners of <sup>Tract</sup> Tract II, Parcel 1 and Tract II, Parcel 2, which consent shall not be unreasonably withheld or delayed. Likewise, the party who owns the greatest portion of the Center Property shall from time to time take all such action as shall be reasonably requested by the owners of Tract II, Parcel 1 and Tract II, Parcel 2 to enforce the obligations of Denton Towne Center Joint Venture as set forth in the Grant.

ABW

3. The Restatement is hereby amended such that Paragraph 8a of the Restatement is hereby deleted in its entirety and the following Paragraph 8a is hereby substituted in lieu thereof:

"8a. Indemnification. The owner of each tract hereby indemnifies and holds each other owner harmless from any and all liability, damage or expense in connection with any cause of action, suit, claim or judgment arising from personal injury, death or property damage occurring on or in any way connected with the Indemnitor's Tract unless caused by the intentional act or negligence of the indemnitee, its agents, employees or contractors."

4. The Restatement is hereby amended such that the word "purchaser" in the last sentence of Paragraph 17 thereof is hereby deleted therefrom.

5. Any and all of the terms and provisions of the Restatement are hereby amended and modified wherever necessary, and even though not specifically addressed herein, so as to conform to the amendments and modifications thereto set forth in the preceding paragraphs hereof.

6. Any and all of the terms and provisions of the Restatement, except as modified and amended hereby, remain in full force and effect.

7. This Modification shall be binding upon and inure to the benefit of Duncan, Handy Dan, Pizza Time, Burger King and OTR and their respective legal representatives, successors and assigns.

8. This Modification may be executed in any number of counterparts, each of which shall be an original, and all of which shall be deemed one and the same instrument.

EXECUTED as of the day and year first above written.

DEED RECORDS

GRANT OF RECIPROCAL EASEMENTS

9471

THIS GRANT OF RECIPROCAL EASEMENTS ("Agreement") is to be effective as of March 31, 1982, and is between DUNCAN PROPERTIES, LTD., an Oklahoma limited partnership ("Duncan") and DENTON TOWNE CENTER JOINT VENTURE, a joint venture ("Towne Center"), upon the following terms and conditions:

INTRODUCTION

1. Duncan owns a tract of land (the "Duncan Tract") located partially in the Daniel Lambert Survey, Abstract No. 784, and partially in the John McGowan Survey, Abstract No. 797, and partially in the J. S. Taft Survey, Abstract No. 1256, City of Denton, Denton County, Texas, which land is described on Exhibit "A" to this Agreement and shown on Exhibit "C-1" to this Agreement (the "Site Plan"). The Duncan Tract is composed of "Duncan's Main Tract", being the area shown as such on the Site Plan and "Duncan's Outlot Tract", being the area shown as such on the Site Plan.
2. Towne Center owns a tract of land located partially in the Daniel Lambert Survey, Abstract No. 784, partially in the John McGowan Survey, Abstract No. 797 and partially in the J. S. Taft Survey, Abstract No. 1256, which is contiguous to the Duncan Tract, and which is described on Exhibit "B" to this Agreement and shown on the Site Plan (the "Towne Center Tract"). The Towne Center Tract and the Duncan Tract collectively shall be referred to as the "Shopping Center", and are sometimes individually referred to as a "Tract".
3. The terms "Duncan" and "Towne Center" shall include their respective successors and assigns as owners of portions of the Shopping Center and all such parties shall be referred to in this Agreement individually as a "Party" and collectively as the "Parties". As used in this Agreement, the term "Permittee" shall collectively refer to the Parties, each person or entity entitled to occupy a portion of the Shopping Center and all of their respective officers, employees, agents, contractors, customers, visitors, business invitees and other invitees of any nature whatsoever.
4. Towne Center and Duncan intend to develop and operate their respective Tracts in conjunction with each other, and in order to effectuate that purpose, Towne Center and Duncan desire to grant to each other certain reciprocal easements in, to, over and across their respective Tracts.

ARTICLE I

EASEMENTS

- 1.1 Access Easements. Each Party hereby grants and conveys to each other Party for its use and for the use of its Permittees, in common with others entitled to use the same, a nonexclusive perpetual easement for the passage of vehicles over and across the portions of the grantor's Tract shown as "Access Easements" on Exhibit "C-2" to this Agreement and described by metes and bounds on Exhibits "D-1, D-2 and D-3" to this Agreement as Access Easement #1, Access Easement #2 and Access Easement #3 so as to assure a free and unimpeded flow of vehicular traffic through the interconnecting Access Easements. Neither Party shall vary, alter

Vol 1136 - 569

or change the grade levels of its Tract within any of the Access Easements from the grade levels shown on the grading plan attached to this Agreement as Exhibit "E" without the prior written consent of the other Party. No fence (except the required guard rails referred to in Section 3.4 hereof and shown on Exhibit "H") or other barrier which would prevent or obstruct the passage of vehicular travel shall be erected or permitted within or across the Access Easements; provided, however, that a Party may, at its sole election, erect curbing along those boundary lines of the Access Easements which are located on its Tract except (i) in that area identified as "No Curb Area" on Exhibit "C-1", within which no curbing may be erected by any Party, and (ii) within any intersection of two Access Easements. Towne Center shall have the right, and an easement over and across that portion of the Duncan Tract as is necessary to effectuate such right is hereby granted, to penetrate any curbing erected within the "Optional Curb Opening Area" shown on Exhibit "C-2" to create a curb opening and to pave and use as a driveway, from the Towne Center Tract to Access Easement #1, an area of a width to be determined by Towne Center in its sole discretion, but in no event to exceed two hundred sixty-eight feet (268'). In such event, Towne Center acknowledges that water will likely surface drain from Duncan's Tract into the Towne Center Tract through any opening so created by Towne Center in the curb, and Towne Center will accept all such water onto its Tract and will release, indemnify and hold Duncan harmless from any loss, liability or cause of action arising from such water drainage, notwithstanding the provisions of Section 1.3 hereof. Towne Center shall be responsible at its sole expense for all such work and to prepare neat and sightly curb openings. The foregoing provisions shall not prohibit temporary barricades erected and reasonably necessary in connection with the construction, reconstruction or repair and maintenance of improvements erected or constructed in connection with this Article I (collectively "Construction"). All Construction shall be conducted in the most expeditious manner reasonably possible to minimize the interference with the use of the Access Easements, with the Party erecting temporary barricade(s) being obligated to provide alternate routes of vehicular travel to the extent that such are obstructed at all times while any barricade(s) remains in place; provided, however, that prior to closing off any portion of the Access Easements, as herein provided, such Party shall give written notice to the other Party of its intention to do so, and shall coordinate such closing with the other Party so that no unreasonable interference in the operation of the Shopping Center shall occur.

1.2 Utilities. Each Party hereby grants and conveys to each other Party a nonexclusive perpetual easement in, to, under and across the areas of the grantor's Tract shown as "Utility Easements" on Exhibit "C-3" and described by metes and bounds on Exhibit "F" attached to this Agreement, for the installation, operation, flow and passage, use, maintenance, repair, relocation within the easement area and removal of water and gas mains, electrical power lines, telephone lines, television cable and any related facilities which are incidental to any such services to serve the Tract of the grantee. All utility lines or systems installed pursuant to the foregoing grant shall be underground, except for incidental surface structures such as phone pedestals and power transformers, which may be installed above ground in an area outside of Access Easement #1 which is either within the Utility Easement or on the Tract of the installing Party. Any Party installing utilities pursuant to the

provisions of this subparagraph shall pay all costs and expenses with respect thereto and shall cause all work in connection therewith to be completed, including general clean-up and surface restoration, as quickly as practical. If any of the Parties elect to install common utility lines or systems, all costs and expenses with respect to the initial installation thereof shall be set forth in a separate agreement between the cooperating Parties.

1.3 Surface Drainage Easement. Towne Center hereby grants to Duncan and Duncan's successors and assigns, a perpetual nonexclusive easement for surface water drainage from Duncan's Main Tract into the Surface Drainage Entry Area owned by Towne Center, as shown on Exhibit "C-2", but not into any other portion of the Towne Center Tract. Towne Center acknowledges that the path of surface water after entering the Surface Drainage Entry Area will be the responsibility of Towne Center. Attached to this Agreement as Exhibit "C" is a grading plan which identifies a possible Drainage Basin (with the term "Drainage Basin" referring to an area from which water will flow and drain through the Surface Drainage Entry Area), pursuant to which Duncan may elect to grade its Tract (the "Safe Harbor Grading Plan"). If Duncan does so grade its Tract, then Towne Center shall accept whatever amount of water flow is created by the Safe Harbor Grading Plan from the Drainage Basin. If Duncan shall grade its Tract in such a manner so as (a) to increase or change the perimeter boundaries of the Drainage Basin from that shown in the Safe Harbor Grading Plan or (b) to materially alter the grade levels within the Drainage Basin shown in the Safe Harbor Grading Plan in any manner, then Duncan shall be obligated and does hereby covenant to grade Duncan's Main Tract so as to assure that the water flow into the Surface Drainage Entry Area shall not exceed five cubic feet per second of water based on a ten-year design frequency as established by the City of Denton Drainage Design Manual dated May 1975, using the applicable assumptions used by the City of Denton, Texas on the effective date of this Agreement. If Duncan shall violate the terms of the covenants contained in the immediately preceding sentence, Towne Center may deliver written notice thereof to Duncan together with a certification from a registered civil engineer of such violation, together with an identification of the Drainage Basin which is causing the default (the "Drainage Default Notice"). The Party owning the Drainage Basin causing the default shall be the only person or entity deemed to be Duncan for purposes of the remainder of this Section 1.3. In such event, the following procedures shall apply:

(i) If Duncan concedes that a violation does exist, Duncan may, within thirty days from delivery of the Drainage Default Notice, submit to the City Engineer of the City of Denton, Texas (or if he declines to assist, to an engineer designated by the City Engineer of the City of Denton, Texas -- whichever may be applicable being referred to as the "Binding Engineer") and to Towne Center a proposal for curing the violation. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at its sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(ii) If Duncan does not agree that a violation exists, Duncan may, within thirty days following delivery of the Drainage Default Notice, obtain an opinion

Vol: 1136 511

VC: 1136 512

from the Binding Engineer concerning the existence of a violation. If the Binding Engineer determines that no violation exists, such determination shall be final and binding on all Parties. If the Binding Engineer determines that a violation does exist, then Duncan shall have a period of thirty days from the date on which written notice of such determination is delivered to Duncan and Towne Center to submit a proposal to cure the violation to the Binding Engineer and to Towne Center. If the Binding Engineer approves such proposal, then Duncan shall promptly commence to cure the violation at Duncan's sole expense and Duncan shall pursue the completion of such proposal in an expeditious manner.

(iii) If Duncan fails to obtain an opinion of the Binding Engineer within the stated thirty-day period, then a violation shall be deemed to have been conclusively established and Towne Center may pursue all remedies prescribed below.

Notwithstanding anything contained hereinabove to the contrary, if within sixty days following the delivery of the Drainage Default Notice, Duncan has not either (x) commenced curing the asserted violation or (y) delivered to Towne Center an opinion from the Binding Engineer that no violation exists, then Towne Center shall have, in addition to all other rights and remedies otherwise available, the right to terminate the easement granted in this Section 1.3. In addition, Towne Center may erect or construct, at Duncan's sole expense, whatever barriers or other devices (including, but not limited to, underground water collection devices) Towne Center may deem appropriate to prevent the passage of surface water into the Surface Drainage Entry Area. Duncan shall promptly reimburse Towne Center upon request for any such expenses actually incurred by Towne Center in connection with curing such violation. In addition to all of the foregoing, (aa) until such time as the initial Slope Retention Devices (i.e., the earthen bank described in Section 1.4 hereof) are modified, altered or replaced in accordance with Section 2.3 hereof, Duncan may drain surface water over and across any portion of the Towne Center Tract located to the west of Access Easement #2, and (bb) if Towne Center is the direct cause of a violation of the covenants of this Section 1.3 (for example, but not by way of limitation, by penetrating any curb bordering the Duncan Main Tract as contemplated by Section 1.1 or by failing to maintain or repair the Slope Retention Devices in accordance with Section 2.3 hereof), thereby causing water to enter the Towne Center Tract at a place other than the Surface Drainage Entry Area, Duncan shall not be responsible therefor, notwithstanding any other provision hereof.

1.4 Slope Maintenance Easement. Significant grade differences exist between the Towne Center Tract and Duncan's Main Tract, and Duncan and Towne Center have by separate instrument dated on even date herewith and entitled "Standard Form of Agreement as outlined in the February 1982 Construction Documents and Technical Specifications", prepared by Pierce Lunsford & Associates, Inc., as amended, from time to time, agreed to cooperate concerning the grading and construction of slope retention devices along the common boundary between Duncan's Main Tract and the Towne Center Tract in the area identified on Exhibit "H" (the "Slope Retention Devices"). The Slope Retention Devices are contemplated to consist initially of earthen bank. The Slope Retention Devices will

commence to the north of the northernmost boundary of the area shown as Access Easement #1 on the Site Plan (with the southernmost point of the Slope Retention Devices being referred to as the "Slope Commencement Line" and being in the location shown on Exhibit "H" to this Agreement). Duncan hereby grants to Towne Center a perpetual easement over, across, under and to all portions of the Shopping Center adjoining the Slope Commencement Line or the Slope Retention Devices for the purposes of maintaining and replacing the Slope Retention Devices, as more particularly described in Section 2.3 below.

1.5 Construction. Each Party grants and conveys to each other Party, and to its respective contractors, materialmen and workmen during the term of this Agreement such temporary licenses for ingress and egress, and for the performance of construction activities (but then only within the Access Easements and the Utility Easement) over, upon and across the portions of the Shopping Center located upon the grantor's Tract not occupied by buildings, signage, landscaping or other improvements other than paving, as shall be reasonably necessary to construct, maintain and reconstruct improvements, utilities, curbing and curb openings, parking, buildings, signs, landscaping, guard rails and Slope Retention Devices on the Tract of such other Party. Towne Center shall make reasonable efforts to perform all construction activities related to the parking area, building, signs and landscaping to be located on its Tract from and on the Towne Center Tract and to avoid use of the Access Drives in connection therewith, subject to the rights and limitations described in the last three sentences of this Section 1.5. Such temporary licenses shall be in effect only during such periods as actual construction, maintenance or reconstruction is performed and shall be exercised so as not to unreasonably interfere with the use and operation of the affected areas. The Access Easements and the Utility Easement located upon the grantor's Tract may also be utilized by vehicles transporting construction materials, equipment and persons employed in connection with any work provided for herein. Storage of materials and vehicles being utilized in connection with such construction may only occur on the constructing Party's Tract and only for temporary periods of time. Prior to exercising any rights under this temporary construction license, the Party wishing to cause such work to be performed shall obtain reasonable and customary liability insurance protection as is appropriate. Any Party availing itself of such temporary license shall indemnify and hold harmless the Party owning the affected area from any liability (including the reasonable attorneys' fees and costs of suit of the indemnified Party) or obligation arising out of or related to the use of such license, except for claims caused by the negligence or willful act or omission of such indemnified Party, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensees or concessionaires wherever the same may occur. In addition, the Party causing the work to be performed agrees to promptly pay all costs and expenses associated therewith, to diligently complete such work as quickly as possible, and to promptly clean the area and restore the affected areas to a condition which is equal to or better than the condition which existed prior to the beginning of such work. Notwithstanding the foregoing, Towne Center may, from time to time, obstruct the Access Drives in connection with the performance of construction activities relating to the Towne Center Tract for a

VOL 1136 42513

VC: 1136 514

continuous period of not more than four (4) hours on any one occasion. If Towne Center contemplates obstructing an Access Drive for more than a continuous period of four (4) hours in connection with such activities, Towne Center shall deliver written notice thereof to the owner of the greatest portion of the Duncan Tract with a request for written approval therefor at least seven (7) days prior to the contemplated commencement date of the construction activities. Towne Center may not commence any such activities without such approval, which shall not be unreasonably withheld or delayed; however, if no response is received by Towne Center within ten (10) days after the delivery of the request for approval, such request shall be deemed approved.

1.6 No Parking Easements. Nothing contained in this Agreement shall be deemed to grant, confer or otherwise entitle any Party or any Permittee of a Party to park automobiles on the Tract of another Party, and any such rights are hereby expressly negated. If the Permittees of a Party shall park automobiles on the Tract of another Party, then the Party upon whose Tract automobiles are wrongfully being parked (the "Innocent Party") may, in addition to all other rights to which the Innocent Party is otherwise entitled, tow or cause to be towed all such wrongfully parked automobiles; provided, however, that prior to towing or causing to be towed any such automobiles, the Innocent Party shall first have delivered written notice to the Party whose Permittees are violating the no-parking restriction that the Innocent Party intends to begin towing violating automobiles and shall have allowed ten days thereafter to elapse.

1.7 Sign Easement. Duncan hereby grants to Towne Center the right, and an easement therefor, to place in the manner provided below a sign on any pylon or pole sign structure (the "Sign Structure") which Duncan may erect on the Duncan Tract along or contiguous to the frontage road of Interstate Highway #35. Duncan shall have no obligation whatsoever to erect or build a Sign Structure; however, if Duncan shall erect or build a Sign Structure, Duncan agrees that each sign placed thereon shall be of approximately equal size (or at Duncan's election, and as an alternative, that a sign placed on the Sign Structure by Towne Center may be as large as the largest sign placed on the Sign Structure), and Towne Center may, if Towne Center so elects, use the sign position which is fourth from the top of the Sign Structure to identify the shopping center located on the Towne Center Tract. In such event, the bottom of the sign to be used by Towne Center shall be at least ten feet (10') above the grade level directly underneath the sign. Duncan shall deliver written notice to Towne Center of Duncan's commitment to commence construction of the Sign Structure within ninety days, and thereafter Towne Center shall have a period of sixty (60) days in which to exercise its right to locate a sign on the Sign Structure as provided above by delivering written notice thereof to Duncan, and failure by Towne Center to so exercise its sign rights shall be a waiver of the right of Towne Center to locate a sign on the Sign Structure. If Towne Center elects to use the space on the Sign Structure designated above for use by Towne Center, Towne Center shall pay to Duncan prior to placing its sign on the Sign Structure (and in no event later than ninety (90) days following exercise by Towne Center of this sign option) an amount equal to one-fourth (1/4th) of the actual costs incurred by Duncan in erecting and building the Sign Structure. Duncan shall, if requested by Towne Center,

reasonably substantiate the amount which it requests as payment therefor. In addition to the above-granted sign easement, Duncan also hereby grants to Towne Center an underground electrical utility easement to be placed in a location designated by Towne Center and approved in writing by Duncan (such approval not to be unreasonably withheld or delayed) for the purpose of illuminating any sign placed by Towne Center on the Sign Structure. Any such electrical services shall be separately metered and Towne Center shall be solely responsible for any costs incurred for such electrical service. Any sign erected on the Sign Structure by Towne Center shall as to the enclosure for such sign conform to the enclosures used for the other signs erected on the Sign Structure.

## ARTICLE II

### MAINTENANCE AND REPAIR

2.1 Utilities. Each Party shall be obligated to maintain, service and repair:

(i) any utility lines, services or facilities situated on that Party's Tract unless (a) such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation, or (b) such utility is required by subsection (ii) below to be maintained, serviced and repaired by another Party; and

(ii) any utility lines, services or facilities situated on the Tract of another Party, the benefits of which, however, are used solely by that Party unless such utility is contained within an easement dedicated to and accepted by a quasi-municipal corporation or other utility or governmental agency whereby such quasi-municipal corporation or other utility or governmental agency assumes such maintenance, service and repair obligation; and

(iii) without regard for which Party would otherwise be required to perform such maintenance, service or repair, any damage caused by the act of that Party or its servants, employees or independent contractors.

Any such maintenance and repair required to be performed on the Tract of another Party shall be subject to the insurance and indemnity provisions of Section 1.5 hereof and shall be performed only after fourteen (14) days' notice to the grantor of the easement (hereinafter in this Section 2.1 referred to as the "Grantor") of the intention of the grantee of the easement to do such work (except in the case of any emergency, whereupon the work may be initiated immediately). Any such work shall be done without cost or expense to the Grantor, after normal business hours whenever possible and otherwise in such manner as to cause as little disturbance in the use of the Grantor's Tract as may be practicable under the circumstances. Any Party performing or causing to be performed maintenance work hereunder agrees to pay promptly all costs and expenses associated therewith (seeking reimbursement from other grantees, if applicable), to complete diligently such work as quickly as possible, and to clean promptly the

VOL 1136 PAGE 515

VO 1136 516

area and restore the affected portion of the Shopping Center to a condition which is equal to or better than the condition which existed prior to the beginning of such work.

2.2 Access Easements. Each Party covenants and agrees to cause to be maintained and kept, at its cost and expense, those portions of Access Easement #1 and Access Easement #2 located on its Tract. With respect to Access Easement #3, Duncan shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled as "Duncan's Maintenance Area" on Exhibit "C-2" to this Agreement and Towne Center shall maintain, at its sole cost and expense, that portion of Access Easement #3 labeled "Towne Center's Maintenance Area" on Exhibit "C-2" to this Agreement. All Access Easements shall be maintained by the Party responsible therefor in good condition and state of repair, and in compliance with all laws, rules and regulations, orders and ordinances of governmental agencies exercising jurisdiction thereover and further in compliance with the provisions of this Agreement. In this regard, each Party acknowledges that the Access Easements are intended to be used by delivery trucks and other "heavy-duty" vehicles, and further acknowledges that any damage caused by such "heavy-duty" use is not excluded from the maintenance obligations hereby imposed. The standard of maintenance for the Access Easements Area to be followed by the Parties shall be comparable to the standards of maintenance followed in other first-class retail real estate developments of comparable size in Denton, Texas. The maintenance and repair obligation in any event shall include, but not be limited to, the following:

(i) Maintaining all paved surfaces of the Access Easements in a smooth and evenly covered condition, which maintenance work shall include, without limitation, cleaning, sweeping, restriping, repairing and resurfacing (using surfacing material and design of a quality equal or superior to the original surfacing material and design).

(ii) Removal of all papers, debris, filth, refuse, ice and/or snow; and sweeping the Access Easements to the extent necessary to keep the Access Easements in a first-class, clean and orderly condition.

(iii) Placing, keeping in repair and replacing any appropriate directional signs, markers and lines.

2.3 Slope Retention Devices. Towne Center shall maintain and repair the Slope Retention Devices as defined in Section 1.4 so as to maintain the structural soundness thereof and to maintain any erosion control devices placed on the Slope Retention Devices in a neat and orderly condition. Towne Center shall also maintain the paving covering Access Easement #1 at the grades and levels shown on Exhibit "E" to this Agreement, but only to the extent that any damage caused to the paving covering Access Easement #1 is directly caused by or attributable to the Slope Retention Devices or Towne Center's failure to maintain same. Subject to the following qualifications, Towne Center shall have the right to modify, alter or replace all or any portion of the Slope Retention Devices whether located on Duncan's Main Tract or the Towne Center Tract. At least twenty days prior to commencing any modification, alteration or replacement of any portion of the Slope Retention Devices, Towne Center shall deliver to Duncan (as the owner of Duncan's Main

Tract) plans and specifications for such modification, alteration or replacement. To the extent such plans and specifications are substantially in conformity with the concept displayed on Exhibit "I" attached hereto, such plans and specifications shall automatically be deemed approved. To the extent such plans and specifications are not in conformity with the concept displayed on Exhibit "I", however, Duncan shall have the right to approve such plans and specifications, which approval shall not be unreasonably withheld or delayed. In any event Duncan shall have the right to approve the structural soundness of such plans and specifications, which approval shall not be unreasonably withheld or delayed. If Duncan fails to approve such plans and specifications as provided above, Duncan shall submit to Towne Center specific recommendations from a registered civil engineer for improving the design of the Towne Center proposal. If no objections are delivered by Duncan to Towne Center within twenty days from the delivery to Duncan of the plans and specifications, they shall be deemed approved.

### ARTICLE III

#### OPERATION

3.1 Liability. Each Party ("Indemnitor") covenants and agrees to indemnify, defend and hold harmless the other Party ("Indemnitee") from and against all claims, costs, expenses and liability (including reasonable attorneys' fees and cost of suit incurred in connection with all claims), including any action or proceedings brought hereon, arising from or as a result of:

(a) the death of, or any accident, injury, loss or damage whatsoever caused to, any person or entity, or to the property of any person or entity, which shall occur on the Tract owned by each Indemnitor, except for claims caused by the negligence or willful act or omission of such Indemnitee, its licensees, concessionaires, agents, servants or employees, or the agents, servants, or employees of any licensee or concessionaire wherever the same may occur; and

(b) all claims asserted by or through any Permittees of the Indemnitor's Tract for any loss or damage to the property of such Permittee located upon the respective Indemnitor's Tract, which loss or damage is of the type generally covered by fire insurance with extended coverage irrespective of any negligence on the part of the Indemnitee which may have contributed to or caused such loss.

In addition, each Party (the "Releasing Party"), on behalf of itself and its insurer, hereby releases the other Party (the "Released Party") from any liability for any loss or damage to all property of such Releasing Party located upon any portion of the Shopping Center, which loss or damage is of the type generally covered by fire insurance with an extended coverage endorsement, irrespective of any negligence on the part of the Released Party which may have contributed to or caused such loss, or of the amount of such insurance required or actually carried. Each Party agrees to use its best efforts to obtain, if needed, appropriate endorsements to its policies of insurance with respect to the foregoing release; it being understood, however, that

Vol 1136 517

1135 - 518

failure to obtain such endorsements shall not affect the release hereinabove given.

3.2 Taxes. Each Party shall pay, or cause to be paid, prior to delinquency, all taxes and assessments upon the Tract, and the buildings and improvements and personalty owned or leased by such Party in the Shopping Center, provided that if the taxes or assessments on any part thereof may be paid in installments, the Party may pay each such installment as and when the same become due and payable, and in any event prior to the delinquency thereof. Nothing herein contained in this subsection shall prevent any Party from contesting at its cost and expense any such taxes and assessments with respect to the Tract in any manner such Party elects, so long as such contest is maintained with reasonable diligence and in good faith, and at such time as such contest is concluded, such Party promptly pays all such taxes and assessments determined to be owing, together with all interest, penalties and costs thereon.

3.3 Liens. In the event any mechanic's liens are filed against the Tract of any Party as a result of services performed or materials furnished for the use of another Party's Tract, the Party permitting or causing such lien to be filed hereby covenants to cause such lien to be discharged prior to the foreclosure of such lien, and further agrees to indemnify, defend and hold harmless the other Party and its Tract against liability, loss, damage, costs or expenses, including reasonable attorneys' fees and cost of suit on account of such claim of lien. Upon request of the Party whose Tract is subject to such lien, the Party permitting or causing such lien to be filed agrees to promptly cause such lien to be released and discharged of record, either by paying the indebtedness which gave rise to such lien, or posting such bond or other securities as shall be required by law to obtain such release and discharge. Nothing herein shall prevent a Party permitting or causing such lien to contest the validity thereof in any manner such Party chooses, so long as such contest is pursued with reasonable diligence, and in the event such contest is determined adversely, such Party shall promptly pay in full the required amount, together with any interest, penalties and costs.

3.4 Guardrails. Towne Center shall cause to be erected in the location shown on Exhibit "H" to this Agreement metal guard rails concurrently with installation of the initial Slope Retention Devices and Towne Center shall at all times maintain, repair and restore such guard rails as may be necessary.

#### ARTICLE IV.

##### Utility Services to Duncan's Outlot Tract

4.1 General. It is anticipated that the ultimate users of Duncan's Outlot Tract will obtain electricity and natural gas by connecting to utility services being installed by Duncan and Towne Center under the Utility Easement granted in Section 1.2 above.

4.2 Reimbursement Required. In the event that any owner or occupant of Duncan's Outlot Tract shall ever tie in, tap-in or otherwise connect to the electrical service lines or natural gas lines contained within the Utility Easement, then such owner or occupant shall reimburse Towne Center for

a portion of the cost of installing such utility lines as prescribed below in Section 4.3 (the "Utility Reimbursement"). The payment of the Utility Reimbursement shall be a condition precedent to the right of any owner or occupant of Duncan's Outlot Tract to connect into the utility lines installed in the Utility Easement.

4.3 Amount of Reimbursement. The amount of the Utility Reimbursement shall be equal to the entire installation cost (from the easternmost point of the I-35 right-of-way to the common boundary line between Duncan's Outlot Tract and the Towne Center Tract) on a lineal-foot basis of the utility line(s) to which the owner or occupant of Duncan's Outlot Tract connects. Such costs shall include, but not be limited to, all expenses incurred for engineering fees, labor, supervisory personnel, conduit, cable and primary lines. Towne Center shall notify Duncan of the amount of the Utility Reimbursement to the electrical line and the natural gas line promptly after completion of such installation.

4.4 No Other Reimbursements. The Utility Reimbursement described above shall be in lieu of and instead of any other prorata reimbursements which would otherwise be required from the owner or occupant of Duncan's Outlot Tract to Towne Center. Towne Center shall credit against the Utility Reimbursement an amount equal to twenty-four percent (24%) of any reimbursements or pro rata paybacks Towne Center shall receive from any utility company in connection with electricity or natural gas utilities.

#### ARTICLE V

##### MISCELLANEOUS

5.1 Default. Upon the default by any party obligated to perform under the terms of this Agreement (the party owning the land upon which or as a result of which the default is asserted to have occurred being hereinafter in this paragraph referred to as the "Defaulting Party"), and the Defaulting Party's failure to cure such default (or, in the case of a default which cannot be cured within a thirty-day period, to commence and diligently work toward curing the default) within thirty (30) days after the delivery of written notice by the other party (hereinafter in this paragraph referred to as the "Complaining Party"), such written notice to be delivered not only to the Defaulting Party but also to any mortgagees of the Defaulting Party about whom the Complaining Party has received prior written notice, then for as long as the default continues, the Complaining Party shall have the right to exercise one or more of the following remedies, at the sole election of the Complaining Party -- to be determined in the case of the Duncan Tract by the Complaining Party who owns the greatest portion of the Duncan Tract and in the case of the Towne Center Tract by the Complaining Party who owns the greatest portion of the Towne Center Tract.

(a) The Complaining Party may cure the default of the Defaulting Party, or cause the default to be cured (with an easement for ingress and egress necessary for such purposes being hereby granted by each Party to the other), in which event the Defaulting Party shall immediately reimburse the Complaining Party for the reasonable expenses thereby incurred, plus interest at the rate of eighteen percent (18%) per annum, plus all

Vol 1136 519

vc: 1136 520

reasonable attorneys fees incurred by the Complaining Party in curing the default and obtaining full reimbursement.

(b) The Complaining Party may obtain specific performance by injunction and such other legal and equitable remedies as may be available, in which event the Complaining Party shall also be entitled to recover in such proceedings a full reimbursement for all injuries and damages sustained prior to the curing of the default plus all court costs and reasonable attorneys fees incurred by the Complaining Party in obtaining its relief.

(c) The Complaining Party may demand that the Defaulting Party compensate it for damages sustained and to be sustained as a result of the default; and if the Complaining Party proceeds to litigation on this demand, the Defaulting Party shall also be liable for all court costs and reasonable attorneys fees.

5.2 Estoppel Certificate. Each Party hereby severally covenants that within twenty (20) days from the delivery of written requests from time to time of the other Party, it will issue to a prospective mortgagee, purchaser or tenant of such other Party or to a prospective successor Party to such other Party, an estoppel certificate stating: (i) whether the Party to whom the request has been directed knows of any default by the requesting Party under this Agreement, and if there are known defaults, specifying the nature thereof; (ii) whether to its knowledge this Agreement has been assigned, modified or amended in any way (or if it has, then stating the nature thereof); and (iii) that to the Party's knowledge this Agreement as of the date is in full force and effect. Such statement, however, shall in no event subject the Party furnishing it to any liability whatsoever, notwithstanding the negligent or otherwise inadvertent failure of such Party to disclose correct and/or relevant information. Notwithstanding the provisions of Section 5.3 below, any requests for an estoppel certificate as provided above and the response thereto may, at the election of the sender, be sent by private carrier expedited mail service (i.e., Federal Express type service) and, in such event, the request or the response, as the case may be, shall be effective on the first day following deposit with such private carrier. Each Party agrees to act in good faith in connection with requests for estoppel certificates from the others. Failure by a Party to respond within the 20-day period shall be deemed to be the equivalent of a statement that no defaults exist, that no amendment to this Agreement has been entered into and that this Agreement remains in full force and effect.

5.3 Notices. All notices, demands, statements and requests required or permitted to be given under this Agreement must be in writing and shall be deemed to have been properly given or served, whether received or not, by depositing the same in the United States mails, addressed to Duncan or Towne Center, postage prepaid and registered or certified mail, return receipt requested, at the address set forth below.

To Towne Center: Denton Towne Center Joint Venture  
c/o Henry S. Miller Company  
2001 Bryan Tower, 30th Floor  
Dallas, Texas 75201  
Attention: Raymond J. Poche

with a copy by regular mail to:

Thomas J. Terkel  
Jenkins & Gilchrist  
2200 First National Bank Bldg.  
Dallas, Texas 75202

To Duncan: Duncan Properties, Ltd.  
100 Park Avenue Bldg.  
Suite 1204  
Oklahoma City, Oklahoma 73102  
Attention: Neil Hill

with a copy by regular mail to:

Mr. Glenn D. West  
Jackson, Walker, Winstead,  
Cantwell & Miller  
4300 First National Bank Bldg.  
Dallas, Texas 75202

All notices, demands and requests shall, except as herein-  
after set forth, be effective upon being deposited in the  
United States mails in accordance with the provisions hereof.  
Rejection or other refusal to accept, or the inability to  
deliver because of changes of address of which no notice was  
given, shall be deemed to be receipt of the notice, demand  
or request. Any Party shall have the right from time to  
time and at any time, upon at least ten (10) days' prior  
written notice thereof in accordance with provisions hereof,  
to change its respective address and to specify any other  
address within the United States of America.

5.4 Condemnation. In the event of a condemnation or a  
sale in lieu thereof concerning a portion or all of the  
Shopping Center, the award or purchase price paid for such  
taking shall be paid to the Party owning such land so taken;  
it being the intent of the other Party who might have an  
easement or other property interest or right under this  
Agreement in the land so taken, to release and/or waive such  
property interest or right with respect to such award or  
purchase price; provided, however, such other Party shall  
have the right to seek an award or compensation for the loss  
of its easement right to the extent such award or compensa-  
tion paid or allocated for such loss does not reduce or  
diminish the amount paid to the Party owning such land.

5.5 Binding Effect. The terms of this Agreement shall  
constitute covenants running with, and be appurtenant to,  
the land affected, and all such terms shall inure to the  
benefit of and be binding upon the undersigned Parties and  
their respective successors and assigns who become owners of  
any portion of the Shopping Center.

5.6 Singular and Plural. Whenever required by the  
context of this Agreement, the singular shall include the  
plural, and vice versa, and the masculine shall include the  
feminine and neuter genders, and vice versa.

VOL 1136 PAGE 521

5.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original.

5.8 Negation of Partnership. None of the terms or provisions of this Agreement shall be deemed to create a partnership between or among the Parties in their respective businesses or otherwise, nor shall it cause them to be considered joint venturers or members of any joint enterprise. This Agreement is not intended nor shall it be construed to create any third party beneficiary rights to any person who is not a Party hereto unless expressly otherwise provided.

5.9 Not a Public Dedication. Nothing herein contained shall be deemed to be a gift or dedication of any portion of the Shopping Center or of any Tract or portion thereof to the general public, or for the general public or for any public use or purpose whatsoever; it being the intention and understanding of the Parties hereto that this Agreement shall be strictly limited to and for the purposes herein expressed solely for the benefit of the Parties hereto.

5.10 Excusable Delays. Whenever performance is required of any Party hereunder, that Party shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if completion of performance shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes, unavailability of labor or materials or damage to work in progress by reason of fire or other casualty or causes beyond the reasonable control of a Party, then the time of performance as herein specified shall be appropriately extended by the amount of the delay actually so caused, not to exceed sixty (60) days total.

5.11 Severability. Invalidation of any of the provisions contained in this Agreement, or of the application thereof to any person by judgment or court order shall in no way affect any of the other provisions hereof or the application thereof to any other person and the same shall remain in full force and effect.

5.12 Entire Agreement. This written Agreement and the exhibits hereto contain all the representations and the entire agreement between the Parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement and exhibits hereto.

5.13 Amendments; Termination. Amendments to or termination of this Agreement must be in writing and must be executed by the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Duncan Tract and the Party or Parties owning fee simple title to at least seventy-five percent (75%) of the land area of the Towne Center Tract.

5.14 Captions. The captions preceding the text of each paragraph and subparagraph hereof are included only for convenience of reference and shall be disregarded in the construction and interpretation of this Agreement.

5.15 Minimization of Damages. In all situations arising out of this Agreement, all Parties shall attempt to

avoid and minimize the damages resulting from the conduct of any other Party. Each Party hereto shall take all necessary measures to effectuate the provisions of this Agreement.

5.16 Agreement Shall Continue Notwithstanding Breach. It is expressly agreed that, except as otherwise provided above, no breach of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement; however, such limitation shall not affect in any manner any other rights or remedies which such Party may have hereunder by reason of any such breach.

5.17 Joinder by Other Parties. The parties executing Exhibit "J" to this Agreement have done so to evidence the subordination of their respective interests in the Shopping Center to the terms and provisions of this Agreement.

5.18 Time. Time is of the essence of this Agreement and each and every provision hereof.

5.19 Release. Upon the bona fide assignment, conveyance, sale or other transfer by either Duncan or Towne Center to all or any portion of its respective Tract, the transferring party shall be released from any liability arising out of a failure to observe the covenants, terms and obligations imposed by this Agreement on the owner of the land so transferred arising subsequent to the effective date of such conveyance; provided, that as a condition to such release, the transferor shall obtain a written assumption agreement from the transferee for the benefit of the other parties then owning portions of the Shopping Center whereby the transferee expressly assumes all such covenants, terms and obligations.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed effective as of the date first stated above.

Exhibit "A"

Duncan Tract

Being the aggregate of:

TRACT 1 (MAIN TRACT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Daniel Lambert Survey, Abstract No. 784, and the J. S. Taft Survey, Abstract No. 1256, Denton County, Texas and being more particularly described as follows:

COMMENCING at a point situated in the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Easterly line of said Interstate Highway No. 35-E and departing the Southerly line of said Loop 288 the following:

S 01°41'20" E a distance of 70.71 feet to a point;

S 34°42'00" E a distance of 226.60 feet to a point;

S42°00'59" E a distance of 90.60 feet to the POINT OF BEGINNING;

THENCE N 42°33'00" E departing the aforementioned I.H. 35-E a distance of 145.00 feet to a point for corner;

THENCE N 86°43'12" E a distance of 90.00 feet to a point for corner;

THENCE N 05°49'03" E a distance of 95.00 feet to a point for corner;

THENCE N 64°45'00" W a distance of 14.00 feet to a point for corner;

THENCE N 25°15'00" E a distance of 170.17 feet to a point for corner;

THENCE N 34°48'00" E a distance of 136.00 feet to a point for corner;

THENCE N 48°02'34" W a distance of 21.62 feet to a point for corner;

THENCE N 41°57'26" E a distance of 357.99 feet to a point for corner;

THENCE N 60°43'46" E a distance of 268.95 feet to a point of curvature to the left;

THENCE along said curve to the left in a Southeasterly direction having a central angle of 22°31'07", a radius of 453.38 feet, an arc length of 178.19 feet, and a chord bearing of N 37°21'11" W to the point of tangency;

THENCE S 48°36'44" E a distance of 323.16 feet to a point for corner;

THENCE S 41°57'26" W a distance of 1152.60 feet to a point situated in the Easterly line of said I.H. 35-E;

vc. 1136 and 526

THENCE along the Northeasterly line of said Interstate Highway No. 35-E the following:

N 47°27'00" W a distance of 112.51 feet to a point for corner;

N 55°58'59" W a distance of 101.10 feet to a point for corner;

N 47°27'00" W a distance of 30.50 feet to a point for corner;

S 45°26'45" W a distance of 3.00 feet to a point for corner;

N 41°33'15" W a distance of 29.05 feet to a point for corner;

N 47°27'00" W a distance of 219.30 feet to the POINT OF BEGINNING and containing 14.3336 acres of land, more or less.

AND

TRACT 2 (OUT LOT):

BEING a tract of land situated in the John McGowan Survey, Abstract No. 797, Denton County, Texas and being more particularly described as follows:

BEGINNING at a point situated in the intersection of the Southerly line of Loop 288 (a variable right-of-way) and the Easterly line of Interstate Highway No. 35-E (a variable right-of-way);

THENCE along the Southerly line of said Loop 288 and departing said Interstate Highway No. 35-E the following:

N 42°27'28" E a distance of 41.80 feet to a point of curvature to the right;

Along said curve to the right having a central angle of 02°48'05", a radius of 3740.00 feet, and an arc length of 182.88 feet to a point for corner;

THENCE S 34°42'00" E departing said Loop 288 a distance of 307.00 feet to a point for corner;

THENCE S 64°45'00" E a distance of 65.87 feet to a point for corner;

THENCE S 05°49'03" W a distance of 95.00 feet to a point for corner;

THENCE S 86°43'12" W a distance of 90.00 feet to a point for corner;

THENCE S 42°33'00" W a distance of 145.00 feet to a point situated in the Easterly line of said Interstate Highway No. 35-E;

THENCE along the Easterly line of said Interstate Highway No. 35-E the following:

N 42°00'59" W a distance of 90.60 feet to a point for corner;

N 34°42'00" W a distance of 226.60 feet to a point for corner;

N 01°41'20" W a distance of 70.71 feet to the POINT OF BEGINNING and containing 2.280 acres of land, more or less.

**LEGAL DESCRIPTION****WATER AND WASTEWATER AND ELECTRIC EASEMENT**

**BEING** a tract of land situated in the John McGowan Survey, Abstract No. A-797, City of Denton, Denton County, Texas, and being a part of Lot 3C, Block 1, Denton Shopping Center Addition, an addition to the City of Denton, Texas according to the plat recorded in Volume C, Page 130 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at a PK nail found in the southeast line of said Lot 3C; from said point the south corner of said Lot 3C, and being a point in the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way), and being the south corner of said Lot 3C, bears South 55°00'50" West a distance of 20.42 feet;

**THENCE** departing said southeast line of lot 3C, North 44°54'13" West, a distance of 58.18 feet to a point for corner;

**THENCE** North 2°09'35" West, a distance of 71.23 feet to a point for corner in the southeast right-of-way line of Loop 288 (a variable width right-of-way); from said point the intersection of the said northeast right-of-way line of Interstate Highway No. 35 and the said southeast right-of-way line of Loop 288 and being the westernmost northwest corner of said Lot 3C bears South 42°03'49" West a distance of 11.60 feet;

**THENCE** continuing along the said southeast right-of-way line of Loop 288, North 42°03'49" East, a distance of 19.80 feet to a point at the beginning of a tangent curve to the right having a central angle of 0°00'20", a radius of 3739.69 feet, a chord bearing and distance of North 42°03'59" East, 0.36 feet;

**THENCE** in a northeasterly direction, along the said southeast right-of-way line of Loop 288 and with said curve to the right, an arc distance of 0.36 feet to a point for corner;

**THENCE** departing said southeast right-of-way line of Loop 288, South 47°06'41" East, a distance of 8.41 feet to a point for corner;

**THENCE** South 2°09'35" East, a distance of 71.90 feet to a point for corner;

**THENCE** South 44°54'13" East, a distance of 53.85 feet to a point for corner in the said southeast line of Lot 3C;

**THENCE** South 55°00'50" West, along the said southeast line of Lot 3C, a distance of 20.31 feet to the **POINT OF BEGINNING** and containing 2,637 square feet or 0.0605 acres of land.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

AND CCS PARTNERS, L.L.C., ACTING BY AND THROUGH THE UNDERSIGNED, THEIR DULY AUTHORIZED AGENT ARE THE SOLE OWNERS OF A TRACT OF LAND LOCATED IN THE DANIEL LAMBERT SURVEY, ABSTRACT NO. 784 AND THE M.E.P. & P.R.R. SURVEY, ABSTRACT NO. 950, DENTON COUNTY, TEXAS, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

BEING A TRACT OF LAND LOCATED IN THE DANIEL LAMBERT SURVEY, ABSTRACT NO. 784 AND THE M.E.P. & P.R.R. SURVEY, ABSTRACT NO. 950, DENTON COUNTY, TEXAS, BEING A PORTION OF A TRACT OF LAND DESCRIBED IN A DEED TO COLUMBIANA EPIC DEVELOPMENT, INC., RECORDED IN VOLUME 348, PAGE 69, REAL PROPERTY RECORDS DENTON COUNTY, TEXAS, (P.R.D.C.T.), AND BEING A TRACT OF LAND DESCRIBED IN A DEED TO CCS PARTNERS, L.L.C., RECORDED IN INSTRUMENT NUMBER 209-05016, DEED RECORDS, DENTON COUNTY, TEXAS (P.R.D.C.T.), BEING ALL OF LOTS 1R-1R1 AND 1R-1R2, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION, AN ADDITION TO THE CITY OF DENTON AS SHOWN BY THE PLAT RECORDED IN CABINET "Y", PAGE 68 OF THE PLAT RECORDS OF DENTON COUNTY, TEXAS, (P.R.D.C.T.), LOT 1R-2, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION, AN ADDITION TO THE CITY OF DENTON AS SHOWN BY THE PLAT RECORDED IN CABINET "Y", PAGE 714 OF THE P.R.D.C.T., AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT AN "X" CUT FOUND AT THE INTERSECTION OF THE WEST RIGHT-OF-WAY LINE OF MAYHILL ROAD (A 120-FOOT RIGHT-OF-WAY) AND THE SOUTH RIGHT-OF-WAY LINE OF COLORADO BOULEVARD (A 100-FOOT RIGHT-OF-WAY), BEING THE NORTHEAST CORNER OF SAID LOT 1R-1;

THENCE ALONG THE EAST OF SAID LOT 1R-1 AND THE SAID WEST RIGHT-OF-WAY LINE OF MAYHILL ROAD AS FOLLOWS:

S 00°51'34" W, 74.25 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;"

S 03°58'53" W, 647.85 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;"

S 00°34'54" W, 43.76 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;" AT THE BEGINNING OF A NON-TANGENT CURVE TO THE RIGHT;

SOUTHWESTERLY, 522.24 FEET ALONG SAID NON-TANGENT CURVE TO THE RIGHT, HAVING A RADIUS OF 1,270.09 FEET, A CENTRAL ANGLE OF 27°33'58" AND A CHORD BEARING S 28°09'00" W, 519.58 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

S 30°56'30" W, 96.86 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;" AT THE INTERSECTION OF THE NORTHWEST RIGHT-OF-WAY LINE OF MAYHILL ROAD (A 120-FOOT RIGHT-OF-WAY) AND THE NORTHEAST RIGHT-OF-WAY LINE OF INTERSTATE HIGHWAY NO. 30E (A VARIABLE WIDTH RIGHT-OF-WAY);

THENCE ALONG THE SAID NORTHEAST RIGHT-OF-WAY LINE OF INTERSTATE HIGHWAY NO. 30E AND THE SOUTHWEST LINE OF SAID LOT 1R-1 AS FOLLOWS:

N 49°51'12" W, 618.04 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

N 53°32'12" W, 54.08 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

N 49°17'51" W, 511.31 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

S 62°16'44" W, 44.20 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

N 57°00'00" W, 863.50 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE SOUTHWEST CORNER OF SAID LOT 1R-1;

N 57°00'00" W, ALONG THE SOUTHWEST LINE OF SAID COLUMBIANA EPIC DEVELOPMENT, INC. TRACT, 246.30 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE N 84°15'11" E, DEPARTING THE NORTHEAST RIGHT-OF-WAY LINE OF SAID INTERSTATE HIGHWAY NO. 30E AND THE SOUTHWEST LINE OF SAID COLUMBIANA EPIC DEVELOPMENT, INC. TRACT, A DISTANCE OF 27.90 FEET TO 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE N 30°25'19" E, 78.15 FEET TO 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE RIGHT;

THENCE NORTHEASTERLY, 210.41 FEET ALONG SAID CURVE TO THE RIGHT, HAVING A RADIUS OF 438.00 FEET, A CENTRAL ANGLE OF 27°42'40" AND A CHORD BEARING N 52°04'00" E, 208.30 TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE N 27°42'52" W, 12.18 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE LEFT;

THENCE NORTHEASTERLY, 58.27 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 150.00 FEET, A CENTRAL ANGLE OF 22°10'23" AND A CHORD BEARING N 34°53'34" W, 57.90 TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE N 49°52'19" W, 58.17 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE RIGHT;

THENCE N 43°59'44" E, 253.20 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE RIGHT;

THENCE NORTHEASTERLY, 78.84 FEET ALONG SAID CURVE TO THE RIGHT, HAVING A RADIUS OF 200.00 FEET, A CENTRAL ANGLE OF 22°00'55" AND A CHORD BEARING N 56°57'10" E, 78.37 TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE LEFT;

THENCE NORTHEASTERLY, 1.82 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 160.00 FEET, A CENTRAL ANGLE OF 00°41'30" AND A CHORD BEARING N 65°30'46" E, 1.82 TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING A WEST CORNER OF SAID LOT 1R-1;

THENCE N 22°25'56" E, 11.67 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" BEING THE WEST CORNER OF LOT 1R-3, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION, AN ADDITION TO THE CITY OF DENTON, TEXAS, RECORDED IN CABINET "Y", PAGE 275-276, P.R.D.C.T.;

THENCE S 87°37'09" E, ALONG THE SOUTH LINE OF SAID LOT 1R-1, A DISTANCE OF 60.02 FEET TO A POINT BEING THE BEGINNING OF A CURVE TO THE RIGHT;

THENCE SOUTHEASTERLY, 103.91 FEET ALONG SAID CURVE TO THE RIGHT, HAVING A RADIUS OF 290.00 FEET, A CENTRAL ANGLE OF 29°49'02" AND A CHORD BEARING S 52°44'02" E, 102.74 FEET TO A POINT BEING THE BEGINNING OF A CURVE TO THE LEFT;

THENCE SOUTHEASTERLY, 199.71 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 200.00 FEET, A CENTRAL ANGLE OF 07°04'24" AND A CHORD BEARING S 89°27'27" E, 191.52 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE N 84°56'09" E, 4.57 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "MET", SAID IRON ROD BEING THE SOUTHEAST CORNER OF SAID LOT 1R-3;

THENCE N 53°03'31" W, ALONG THE EAST LINE OF SAID LOT 1R-3, 20.77 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "MET", SAID IRON ROD BEING THE BEGINNING OF A CURVE TO THE RIGHT;

THENCE NORTHEASTERLY, 115.19 FEET ALONG SAID CURVE TO THE RIGHT, HAVING A RADIUS OF 280.00 FEET, A CENTRAL ANGLE OF 23°16'40" AND A CHORD BEARING N 09°43'19" E, 114.38 FEET TO A POINT BEING THE NORTHEAST CORNER OF SAID LOT 1R-3;

THENCE N 87°04'30" E, ALONG THE NORTH LINE OF SAID LOT 1R-3, 290.16 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" SAID IRON ROD BEING THE NORTHEAST CORNER OF SAID LOT 1R-3 AND THE SOUTHWEST CORNER OF LOT 1R-4, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION, AN ADDITION TO THE CITY OF DENTON, TEXAS, RECORDED IN CABINET "Y", PAGE 774, P.R.D.C.T.;

THENCE N 22°25'56" E, 30.33 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" BEING THE NORTHEAST CORNER OF SAID LOT 1R-3, AND LYING IN THE SOUTH RIGHT-OF-WAY LINE OF SAID COLORADO BOULEVARD (A 100-FOOT RIGHT-OF-WAY AT THIS POINT);

THENCE S 87°04'30" E, ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF SAID COLORADO BOULEVARD, 404.88 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;" AT THE NORTHEAST CORNER OF SAID LOT 1R-4 AND BEING THE NORTHEAST CORNER OF LOT 1R-4, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION AS SHOWN BY THE PLAT RECORDED IN CABINET "Y", PAGES 193-196 OF THE PLAT RECORDS OF DENTON COUNTY, TEXAS;

THENCE S 22°25'56" W, ALONG A NORTH LINE OF SAID LOT 1R-1, AND THE WEST LINE OF SAID LOT 1R-4, 244.25 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;"

THENCE S 87°04'30" E, ALONG A NORTH LINE OF SAID LOT 1R-1, AND THE SOUTH LINE OF SAID LOT 1R-4, 124.08 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;" AT THE BEGINNING OF A NON-TANGENT CURVE TO THE RIGHT;

THENCE ALONG A NORTH LINE OF SAID LOT 1R-1, AND THE EAST LINE OF SAID LOT 1R-4 AS FOLLOWS:

NORTHEASTERLY, 25.75 FEET ALONG SAID NON-TANGENT CURVE TO THE RIGHT, HAVING A RADIUS OF 273.60 FEET, A CENTRAL ANGLE OF 0°24'40" AND A CHORD BEARING N45°39'55" E, 25.74 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;"

N 52°23'35" E, 64.86 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;" AT THE BEGINNING OF A TANGENT CURVE TO THE LEFT;

NORTHEASTERLY, 85.89 FEET ALONG SAID TANGENT CURVE TO THE LEFT, HAVING A RADIUS OF 126.56 FEET, A CENTRAL ANGLE OF 29°53'06" AND A CHORD BEARING N37°42'22" E, 85.34 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

N22°37'49" E, 76.17 FEET TO A 1/2" IRON ROD FOUND WITH A CAP STAMPED "WIER & ASSOC. INC.;" AND LYING IN THE SOUTH RIGHT-OF-WAY LINE OF SAID COLORADO BOULEVARD, AND THE NORTH LINE OF SAID LOT 1R-1, BEING THE NORTHEAST CORNER OF SAID LOT 1R-4;

THENCE ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF SAID COLORADO BOULEVARD AND THE NORTH LINE OF SAID LOT 1R-1 AS FOLLOWS:

S 87°04'30" E, 326.94 FEET TO A 5/8" IRON ROD FOUND WITH A CAP STAMPED "CARTER & BURGESS;" AT THE BEGINNING OF A CURVE TO THE LEFT;

SOUTHWESTERLY, 361.38 FEET ALONG SAID CURVE TO THE LEFT, HAVING A RADIUS OF 1,340.00 FEET, A CENTRAL ANGLE OF 21°33'44" AND A CHORD BEARING S 78°25'55" E, 389.16 FEET TO A 5/8" IRON ROD FOUND WITH A CAP STAMPED "CARTER & BURGESS;"

S 89°08'10" E, 167.08 FEET TO A 5/8" IRON ROD FOUND WITH A CAP STAMPED "CARTER & BURGESS;"

S 00°50'30" W, 10.16 FEET TO A 1/2" IRON ROD SET WITH A CAP STAMPED "WIER & ASSOC. INC.;"

S 89°09'10" E, 148.61 FEET TO THE PLACE OF BEGINNING, CONTAINING 69.194 ACRES (3,014.088 SQUARE FEET) OF LAND.

THIS PLAT IS HEREBY ADOPTED BY THE OWNER AND APPROVED BY THE CITY OF DENTON (CALLED "CITY") SUBJECT TO THE FOLLOWING CONDITIONS THAT SHALL BE BINDING UPON THE OWNERS, THEIR HEIRS, GRANTEES, AND SUCCESSORS: THE DRAINAGE AND DETENTION EASEMENT WITHIN THE LIMITS OF THIS ADDITION, SHALL REMAIN OPEN AT ALL TIMES AND WILL BE MAINTAINED IN A SAFE AND SANITARY CONDITION BY THE OWNERS OF THE LOT OR LOTS THAT ARE TRAVERSED BY OR ADJACENT TO THE DRAINAGE AND DETENTION EASEMENT, AS HEREIN ADOPTED, UNLESS APPROVED BY THE CITY. THE OWNERS SHALL KEEP THE DRAINAGE AND DETENTION EASEMENT CLEAR AND FREE OF DEBRIS, SILT, AND ANY SUBSTANCE THAT WOULD RESULT IN UNSANITARY CONDITIONS OR OBSTRUCT THE FLOW OF WATER, AND THE CITY SHALL HAVE THE RIGHT OF ACCESS AND EGRESS FOR THE PURPOSE OF INSPECTION AND SUPERVISION OF MAINTENANCE BY THE OWNERS TO ALLEVIATE ANY UNDESIRABLE CONDITIONS OR OBSTRUCTION TO THE FLOW OF WATER, AFTER GIVING THE OWNERS WRITTEN NOTICE OF SUCH OBSTRUCTION AND OWNERS FAIL TO REMOVE SUCH OBSTRUCTION, SHOULD THE CITY OF DENTON BE COMPELLED TO REMOVE ANY OBSTRUCTION TO THE FLOW OF WATER, AFTER GIVING THE OWNERS WRITTEN NOTICE OF SUCH OBSTRUCTION AND OWNERS FAIL TO REMOVE SUCH OBSTRUCTION, THE CITY OF DENTON SHALL BE REIMBURSED BY THE OWNERS REASONABLE COSTS FOR LABOR, MATERIALS, AND EQUIPMENT FOR EACH INSTANCE, THE NATURAL DRAINAGE THROUGH THE DRAINAGE AND DETENTION EASEMENT IS SUBJECT TO STORM WATER OVERFLOW AND NATURAL BANK EROSION TO AN EXTENT THAT CANNOT BE DEFINITELY DETERMINED. THE CITY SHALL NOT BE HELD LIABLE FOR ANY DAMAGES OF ANY NATURE RESULTING FROM THE OCCURRENCE OF THESE NATURAL PHENOMENA OR RESULTING FROM THE FAILURE OF ANY STRUCTURE OR STRUCTURES, WITHIN THE EASEMENT OR OTHERWISE.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT, EPIC DEVELOPMENT, INC., A DELAWARE CORPORATION AND CCS PARTNERS, L.L.C., BY AND THROUGH THE UNDERSIGNED, THEIR DULY AUTHORIZED AGENT DO HEREBY ADOPT THIS PLAT DESIGNATING THE HEREABOVE DESCRIBED PROPERTY AS LOTS 1R-1R1, 1R-1R2, 1R-5, 1R-5, 1R-5 AND 10, BLOCK 1, DENTON REGIONAL MEDICAL CENTER ADDITION, AN ADDITION TO THE CITY OF DENTON, DENTON COUNTY, TEXAS, AND DO HEREBY DEDICATE TO THE PUBLIC'S USE THE RIGHTS-OF-WAY AND EASEMENTS SHOWN THEREON AND DO FURTHER CERTIFY THAT THIS PLAT DOES NOT ALTER OR REMOVE EXISTING DEED RESTRICTIONS OR COVENANTS, IN ANY, ON THIS PROPERTY.

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being part of Lot 1R-R1R, Block 1, Denton Regional Medical Center Addition, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2013-63 of the Official Public Records of Denton, Texas, and being more particularly described as follows:

**BEGINNING** at an aluminum disk stamped "TXDOT" found; from which the intersection of the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) and the northwest right-of-way line of Mayhill Road (120-foot wide right-of-way); from said point the southernmost southeast corner of said Lot 1R-R1R bears South 15°26'49" East, a distance of 51.60 feet;

**THENCE** the following twenty one (21) calls:

North 50°24'19" West, a distance of 34.44 feet to a point for corner;  
 North 39°35'41" East, a distance of 20.00 feet to a point for corner;  
 North 50°24'19" West, a distance of 101.65 feet to a point for corner;  
 South 84°37'48" West, a distance of 2.82 feet to a point for corner;  
 South 39°37'52" West, a distance of 18.01 feet to a point for corner;  
 North 50°24'19" West, a distance of 16.00 feet to a point for corner;  
 North 39°37'52" East, a distance of 24.65 feet to a point for corner;  
 North 84°38'03" East, a distance of 16.06 feet to a point for corner;  
 South 50°24'19" East, a distance of 98.11 feet to a point for corner;  
 North 84°35'29" East, a distance of 30.59 feet to a point for corner;  
 North 39°35'41" East, a distance of 218.75 feet to a point for corner;  
 North 82°28'59" East, a distance of 23.64 feet to a point for corner;  
 North 27°34'55" East, a distance of 121.59 feet to a point for corner;  
 South 72°36'59" East, a distance of 16.26 feet to a point for corner;  
 South 27°34'55" West, a distance of 132.78 feet to a point for corner;  
 South 82°28'59" West, a distance of 25.67 feet to a point for corner;  
 South 39°35'41" West, a distance of 229.13 feet to a point for corner;  
 South 70°09'21" West, a distance of 21.34 feet to a point for corner;  
 South 39°35'41" West, a distance of 6.82 feet to a point for corner;  
 South 51°06'50" East, a distance of 17.82 feet to a point for corner;

South 39°35'41" West, a distance of 15.99 feet to the **POINT OF BEGINNING** and containing 9,558 square feet or 0.2194 acres of land, more or less.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

**LEGAL DESCRIPTION**

**BEING** two tracts of land situated in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being part of Lot 1R-R1R, Block 1, Denton Regional Medical Center Addition, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2013-63 of the Official Public Records of Denton, Texas, and being more particularly described as follows:

**TRACT 1 - TEMPORARY CONSTRUCTION EASEMENT**

**COMMENCING** at the intersection of the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) and the northwest right-of-way line of Mayhill Road (120-foot wide right-of-way), and being the southernmost southeast corner of said Lot 1R-R1R;

**THENCE** North 15°26'49" West, a distance of 51.60 feet to an aluminum disk stamped "TXDOT" found;

**THENCE** North 82°33'53" East, a distance of 18.15 feet to the **POINT OF BEGINNING**;

**THENCE** North 39°33'59" East, a distance of 55.98 feet to a point at the beginning of a tangent curve to the left having a central angle of 9°26'34", a radius of 1240.00 feet, a chord bearing and distance of North 34°50'42" East, 204.13 feet;

**THENCE** in a northeasterly direction, with said curve to the left, an arc distance of 204.36 feet to a point for corner;

**THENCE** North 82°28'59" East, a distance of 12.60 feet to a point on the easterly line of a gas easement recorded in Instrument No. 2005-153191, Official Public Records, Denton County, Texas, and being at the beginning of a non-tangent curve to the right having a central angle of 9°47'44", a radius of 1250.00 feet, a chord bearing and distance of South 34°40'07" West, 213.44 feet;

**THENCE** in a southwesterly direction, along the said easterly line and with the said curve to the right, an arc distance of 213.70 feet to a point for corner;

**THENCE** South 39°33'59" West, a distance of 45.25 feet to a point for corner;

**THENCE** South 82°33'53" West, a distance of 14.66 feet to the **POINT OF BEGINNING** and containing 2,597 square feet or 0.0596 acres of land, more or less.

**TRACT 2 - TEMPORARY CONSTRUCTION EASEMENT**

**COMMENCING** at the intersection of the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) and the northwest right-of-way line of Mayhill Road (120-foot wide right-of-way), and being the southernmost southeast corner of said Lot 1R-R1R;

**THENCE** North 15°26'49" West, a distance of 51.60 feet to an aluminum disk stamped "TXDOT" found;

**THENCE** North 50°24'19" West, a distance of 154.09 feet to the **POINT OF BEGINNING**;

## AGREEMENT CONCERNING PUBLIC DRAINAGE EASEMENT

**WHEREAS**, Washington Federal Savings has entered into that certain Public Drainage Easement Agreement with the City of Denton, a true and correct copy of which is attached hereto as Exhibit "A" (hereinafter the "Easement"); and

**WHEREAS**, the Easement directly benefits a tract of land owned by Carroll Family Investments, Ltd. This tract of land is described more particularly by metes and bounds in the attached Exhibit "B"; and

**WHEREAS**, Washington Federal Savings wishes to ensure that after construction and installation in the Easement of such drainage lines and other public facilities as are determined by the City of Denton to be necessary are complete and/or repaired, as necessary from time to time, and that its property is restored as close as is practicable to the condition existing at the time of construction or the condition existing at the time of any repairs occurring; and

**WHEREAS**, Carroll Family Investments, Ltd. wishes to provide assurances to Washington Federal Savings regarding the restoration of Washington Federal Savings' property;

**NOW THEREFORE**, Based on the foregoing described facts and consideration, the parties agree as follows:

**1. Damages and Restoration:** Carroll Family Investments, Ltd. agrees that within a reasonable time following the completion of the public facilities to be located within the Easement and subject to weather and/or soil conditions, in the event the City of Denton does not restore the Easement that Carroll Family Investments, Ltd. shall restore, as near as practicable, the Easement to its original contour and condition. Further, in the event repair or maintenance of the public facilities located within the Easement causes damage to the Easement property and in the event the City of Denton does not repair and/or restore the Washington Federal Savings' property and Easement location, that Carroll Family Investments, Ltd. shall restore, as near as practicable, Washington Federal Savings property and Easement location to its then existing contour and condition as it existed immediately prior to the repair or maintenance work being done on the easement. However, Carroll Family Investments, Ltd. shall not be in breach of this agreement in the event Carroll Family Investments, Ltd. is unable to obtain consent from the City of Denton to enter the Easement and perform the restoration work. Further, a reasonable time period shall not be more than the later of: a.) thirty (30) days following the date of the completion of the public facilities, or b.) thirty (30) days following the date that Washington Federal Savings gives notice to Carroll Family Investments, Ltd. or its successors in title of the need for repair and/or restoration called for under this agreement.

**5. Assignment:** In the event in the Carroll Family Investments, Ltd. shall sell the real property described in Exhibit "B", Carroll Family Investments, Ltd. shall have no further obligation under the terms of this agreement; however, the rights described herein shall be covenants running with the land referenced in Exhibit "B" and shall be binding upon Carroll Family Investments, Ltd.'s successors in title to said property.

**6. Authority to Bind:** The Undersigned representatives from Carroll Family Investments, Ltd. affirmatively represent and warrant that they are the owners of the real property reference in Exhibit "B" and that by signing below they understand that the covenants contained herein shall bind future owners of the property to the same extent as they are bound.

**§  
§  
§**

**KNOW ALL MEN BY THESE PRESENTS:**

THAT Washington Federal Savings, a federally chartered savings and loan association (Grantor) in consideration of the sum of ONE DOLLAR and NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee), receipt of which is hereby acknowledged, does by these presents grant, bargain, sell and convey unto the City of Denton, Texas, the free and uninterrupted use, liberty and privilege of the passage in, along, upon and across the following described property, owned by Grantor and situated in Denton County, Texas, in the M.E.P. & P.R.R. Survey, Abstract No. 950.

**PROPERTY AREA DESCRIBED IN EXHIBIT "A"**

**AND ILLUSTRATED IN EXHIBIT "B"**

**ALL ATTACHED HERETO AND MADE A PART HEREOF**

And it is further agreed that the City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public drainage in, along, upon and across said premises, with the right and privilege at all times of the Grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to the said public facilities or any part thereof.

STATE OF TEXAS :

2114

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT WE, G. A. Godfrey and wife Sue R. Godfrey, of Denton County, Texas, for and in consideration of the sum of One Dollar cash in hand paid and other good and valuable consideration including the right to connect service lines to the hereinafter described water pipe line without payment of the linear frontage foot charge provided by City of Denton Ordinance No. 56-06, have GRANTED AND CONVEYED and by these presents do GRANT AND CONVEY unto the said City of Denton, Texas, its successors and assigns, and the public, for a water pipe line together with a perpetual easement thereon for the benefit of the said City of Denton, Texas, its successors and assigns, and to its agents, officers and employees, perpetually for said water pipe line, the right to construct, reconstruct and perpetually maintain said water pipe line in, upon and across the following described property and to the said City of Denton, we hereby give the free and uninterrupted right of ingress, regress and egress of said water pipe line, said tract being more particularly described as follows:

Being a part of a tract of land out of the M.E.P. and P.R.R. Co. Survey, Abstract No. 950 as conveyed by Harold L. Goodman and wife Tillie L. Goodman and C. P. Smith and wife Gwendolyn Smith to G. A. Godfrey and wife Sue R. Godfrey by deed recorded in Volume 429, Page 501 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the intersection of the east line of the G. A. Godfrey tract and the south right-of-way of U. S. Highway No. 77 at approximate Highway Station 1044 + 55, said beginning point being the northeast corner of a tract of the G. A. Godfrey property bordered on the north by U. S. Highway 77 and on the east by a county road;

THENCE south with the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner;

THENCE west 20 feet. more or less. to a point for a corner:

THENCE north parallel to and 20 feet from the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner in the south right-of-way of Highway 77;

THENCE in an easterly direction with the south right-of-way of U. S. Highway 77 and the north line of the G. A. Godfrey tract a distance of 20 feet, more or less, to the place of beginning.

This easement contains a strip of land 20 feet wide and approximately 193 feet long lying along and adjacent to the west line of a county road.

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and the public, and to its successors and assigns, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and maintaining said water pipe line.

WITNESS OUR HANDS this 26 day of March A.D. 1959.

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

## AGREEMENT CONCERNING PUBLIC DRAINAGE EASEMENT

**WHEREAS**, Washington Federal Savings has entered into that certain Public Drainage Easement Agreement with the City of Denton, a true and correct copy of which is attached hereto as Exhibit "A" (hereinafter the "Easement"); and

**WHEREAS**, the Easement directly benefits a tract of land owned by Carroll Family Investments, Ltd. This tract of land is described more particularly by metes and bounds in the attached Exhibit "B"; and

**WHEREAS**, Washington Federal Savings wishes to ensure that after construction and installation in the Easement of such drainage lines and other public facilities as are determined by the City of Denton to be necessary are complete and/or repaired, as necessary from time to time, and that its property is restored as close as is practicable to the condition existing at the time of construction or the condition existing at the time of any repairs occurring; and

**WHEREAS**, Carroll Family Investments, Ltd. wishes to provide assurances to Washington Federal Savings regarding the restoration of Washington Federal Savings' property;

**NOW THEREFORE**, Based on the foregoing described facts and consideration, the parties agree as follows:

**1. Damages and Restoration:** Carroll Family Investments, Ltd. agrees that within a reasonable time following the completion of the public facilities to be located within the Easement and subject to weather and/or soil conditions, in the event the City of Denton does not restore the Easement that Carroll Family Investments, Ltd. shall restore, as near as practicable, the Easement to its original contour and condition. Further, in the event repair or maintenance of the public facilities located within the Easement causes damage to the Easement property and in the event the City of Denton does not repair and/or restore the Washington Federal Savings' property and Easement location, that Carroll Family Investments, Ltd. shall restore, as near as practicable, Washington Federal Savings property and Easement location to its then existing contour and condition as it existed immediately prior to the repair or maintenance work being done on the easement. However, Carroll Family Investments, Ltd. shall not be in breach of this agreement in the event Carroll Family Investments, Ltd. is unable to obtain consent from the City of Denton to enter the Easement and perform the restoration work. Further, a reasonable time period shall not be more than the later of: a.) thirty (30) days following the date of the completion of the public facilities, or b.) thirty (30) days following the date that Washington Federal Savings gives notice to Carroll Family Investments, Ltd. or its successors in title of the need for repair and/or restoration called for under this agreement.

**5. Assignment:** In the event in the Carroll Family Investments, Ltd. shall sell the real property described in Exhibit "B", Carroll Family Investments, Ltd. shall have no further obligation under the terms of this agreement; however, the rights described herein shall be covenants running with the land referenced in Exhibit "B" and shall be binding upon Carroll Family Investments, Ltd.'s successors in title to said property.

**6. Authority to Bind:** The Undersigned representatives from Carroll Family Investments, Ltd. affirmatively represent and warrant that they are the owners of the real property reference in Exhibit "B" and that by signing below they understand that the covenants contained herein shall bind future owners of the property to the same extent as they are bound.

COUNTY OF DENTON :

THAT WE, G. A. Godfrey and wife Sue R. Godfrey, of Denton County, Texas, for and in consideration of the sum of One Dollar cash in hand paid and other good and valuable consideration including the right to connect service lines to the hereinafter described water pipe line without payment of the linear frontage foot charge provided by City of Denton Ordinance No. 56-06, have GRANTED AND CONVEYED and by these presents do GRANT AND CONVEY unto the said City of Denton, Texas, its successors and assigns, and the public, for a water pipe line together with a perpetual easement thereon for the benefit of the said City of Denton, Texas, its successors and assigns, and to its agents, officers and employees, perpetually for said water pipe line, the right to construct, reconstruct and perpetually maintain said water pipe line in, upon and across the following described property and to the said City of Denton, we hereby give the free and uninterrupted right of ingress, regress and egress of said water pipe line, said tract being more particularly described as follows:

Being a part of a tract of land out of the M.E.P. and P.R.R. Co. Survey, Abstract No. 950 as conveyed by Harold L. Goodman and wife Tillie L. Goodman and C. P. Smith and wife Gwendolyn Smith to G. A. Godfrey and wife Sue R. Godfrey by deed recorded in Volume 429, Page 501 of the Deed Records of Denton County, Texas, and more particularly described as follows:

BEGINNING at the intersection of the east line of the G. A. Godfrey tract and the south right-of-way of U. S. Highway No. 77 at approximate Highway Station 1044 + 55, said beginning point being the northeast corner of a tract of the G. A. Godfrey property bordered on the north by U. S. Highway 77 and on the east by a county road;

THENCE south with the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner;

THENCE west 20 feet. more or less. to a point for a corner:

THENCE north parallel to and 20 feet from the west line of said county road and the east line of the G. A. Godfrey tract a distance of 193 feet, more or less, to a point for a corner in the south right-of-way of Highway 77;

THENCE in an easterly direction with the south right-of-way of U. S. Highway 77 and the north line of the G. A. Godfrey tract a distance of 20 feet, more or less, to the place of beginning.

This easement contains a strip of land 20 feet wide and approximately 193 feet long lying along and adjacent to the west line of a county road.

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and the public, and to its successors and assigns, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and maintaining said water pipe line.

WITNESS OUR HANDS this 26 day of March A.D. 1959.

THE STATE OF TEXAS :

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF DENTON :

THAT the Foxworth-Galbraith Lumber Company, a corporation, acting through its president, J. L. Foxworth, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby fully confessed and acknowledged, and the further consideration of the agreement by Grantee to install in the water line constructed in the hereinafter described tract of land one (1)-two (2) inch water tap at such location as may be designated by Grantor without any cost or expense to Grantor, with the understanding,

by and between Grantor and Grantee that a part of the consideration for the granting of this easement is the agreement by Grantee that the Grantor shall have the right to receive water service from the line hereinafter described for the same rates charged like users within the City Limits of the City of Denton, Texas, does hereby GIVE and GRANT to the said City of Denton, Texas, its successors and assigns, the free and uninterrupted use, liberty, and right in, upon and across the following described property for the purpose of constructing, reconstructing and perpetually maintaining a water line in, upon and across a tract of land lying and being situated in the County of Denton, State of Texas, and more particularly described as follows:

BEGINNING at a point in the Northeasterly line of a tract of land out of the MEP & PRR Co., Survey, Abstract No. 950, as conveyed to Foxworth-Galbraith Lumber Co., a corporation, by H. Edward Smith and wife Mary Frances Smith, and recorded in Volume 474, Page 491 of the Deed Records of Denton County,

Texas; said beginning point also being in the Southwesterly right-of-way line of Interstate Highway 35E; said beginning point also being 654.7 feet North 49 degrees 57 minutes West from the most Easterly Northeast corner of the Foxworth-Galbraith Lumber Co. tract;

THENCE South 2 degrees 49 minutes West and passing at 488.36 feet an inner ell corner of the Foxworth-Galbraith Lumber Co. tract and continuing with the East line of said Foxworth-Galbraith tract for a total distance of 2,173.3 feet to a point for a corner in an existing fence line;

THENCE North 87 degrees 11 minutes West a distance of 20 feet to a point for a corner;

THENCE North 2 degrees 49 minutes East a distance of 2,190.0 feet to a point for a corner in the Southwesterly right-of-way of said Highway 35E;

THENCE South 49 degrees 57 minutes East with the Southwesterly right-of-way line of said Highway 35E a distance of 25.6 feet more or less to the place of beginning

TO HAVE AND TO HOLD the same perpetually to the City of Denton, Texas, and its successors, together with the right and privilege at any and all times to enter said premises for the purpose of constructing, reconstructing and perpetually maintaining said water line and for making connections therewith.

IN WITNESS WHEREOF, the said corporation has caused these presents to be signed by its duly authorized officer and to be sealed with the Seal of the Corporation.

\* OWNER'S CERTIFICATION \*

STATE OF TEXAS §  
COUNTY OF DENTON §

WHEREAS CARROLL FAMILY INVESTMENTS, LTD. is the sole owner of a lot, tract or parcel of land located in the Memphis, El Paso and Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being all of Lots 1 and 2, Block B, Unicorn Lake, an addition to the City of Denton, Denton County, Texas, as shown on the plat filed for record in Cabinet W, Slide 358, Plat Records, Denton County, Texas (P.R.D.C.T.), and being all of those certain tracts of land described in the deeds to Carroll Family Investments, Ltd. filed for record under the County Clerk's File No. 2005-80812 and County Clerk's File No. 2005-80814, Official Public Records, Denton County, Texas (O.P.R.D.C.T.), and being more particularly described by metes and bounds as follows:

BEGINNING at a 5/8 inch iron rod found with a cap stamped "JDJR" (Controlling Monument, and herein after referred to as an iron rod found) at the intersection of the southeasterly right-of-way line of Wind River Lane (an 80 foot wide public right-of-way) and the southwesterly right-of-way line of Interstate Highway No. 35E;

THENCE South 49° 57' 22" East, along the southwesterly right-of-way line of said Interstate Highway No. 35E, a distance of 244.55 feet, to a 5/8 inch iron rod set with a cap stamped "JDJR" at the most easterly corner of the aforementioned Lot 1, and being at the most northerly corner of that certain tract of land described in the deed to Denton Security Investments, Inc., filed for record under the County Clerk's File No. 98-0062519, O.P.R.D.C.T.;

THENCE South 40° 02' 38" East, departing said southwesterly right-of-way line and along the most northerly southeasterly line of Unicorn Lake, a distance of 569.47 feet, to an iron rod found at the south corner of the aforementioned Lot 2 Block B of Unicorn Lake, and being at an ell corner in the northeasterly line of Lot 4, Block B, The Parks at Unicorn Lake, an addition to the City of Denton, Denton County, Texas, according to the plat filed for record in Cabinet Y, Slide 686, P.R.D.C.T.;

THENCE North 49° 57' 22" West, along the common line of said Lot 2 and said Lot 4, at 106.54 feet passing a 5/8 inch iron rod found at the most northerly corner of said Lot 4 and the east corner of Lot 3, Block B, Unicorn Lake, an addition to the City of Denton, Denton County, Texas, according to the plat filed for record in Cabinet W, Slide 889, P.R.D.C.T., and continuing along the common line of said Lots 2 and 3, in all a distance of 261.28 feet, to an iron rod found (Controlling Monument) on the southeasterly right-of-way line of the aforementioned Wind River Lane, and being on a curve to the right whose center bears North 35° 39' 20" West, a distance of 540.00 feet;

THENCE along the southeasterly right-of-way line of said Wind River Lane and in a northeasterly direction with said curve to the right, through a central angle of 14° 18' 02", an arc length of 134.78, to an iron rod found (Controlling Monument);

THENCE North 40° 02' 38" East (Basis of Bearings), continuing along said southeasterly right-of-way line, a distance of 436.09 feet, to the POINT OF BEGINNING and containing 3.2369 acres (140,002 square feet) of land, more or less.

\* OWNER'S DEDICATION \*

NOW, THEREFORE, know all men by these present that Carroll Family Investments, Ltd., acting herein and through its duly authorized officers, does hereby adopt this plat designating the hereinabove described property as Unicorn Lake, Lots 1R and 2R, Block B, an addition to the City of Denton, Texas, and does hereby dedicated to the public use forever the streets thereon; and does hereby dedicated the easement strips shown on the plat for mutual use and accommodation of all public utilities desiring to use, or using same, no buildings, fences, trees, shrubs, or other improvements shall be constructed or placed upon, over or across, the easement strips on said plat. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths, which in any way endanger or interfere with the construction, maintenance, or efficiency of its respective system without the necessity at any time of procuring the permission of anyone.

This plat is hereby adopted by the owner and approved by the City of Denton (called "City") subject to the following conditions that shall be binding upon the owners, their heirs, grantees, and successors. The Drainage and Detention Easement within the limits of this addition, shall remain open at all times and will be maintained in a safe and sanitary condition by the owners of the lot or lots that are traversed by or adjacent to the Drainage and Detention Easement. The City will not be responsible for the maintenance and operation of said easement or for any damage to private property or person that results from conditions in the easement, or for the control of erosion. No obstruction to the natural flow of storm water run-off shall be permitted by construction of any type of building, fence, or any other structures within the Drainage and Detention Easement, as herein above defined, unless approved by the City. The owners shall keep the drainage and detention easement clear and free of debris, silt, and any substance that would result in unsanitary conditions or obstruct the flow of water. And, the City shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance by the owners to alleviate any undesirable conditions that may occur. Furthermore, the City shall have the right, but not the obligation, to enter upon the above-described drainage and detention easement to remove any obstruction to the flow of water, after giving the owners written notice of such obstruction and owners fail to remove such obstruction. Should the City of Denton be compelled to remove any obstruction to the flow of water, after giving the owners written notice of such obstruction and the owners fail to remove such obstruction, the City of Denton shall be reimbursed by the owners reasonable costs for labor, materials, and equipment for each instance. The natural drainage through the Drainage and Detention Easement is subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City shall not be held liable for any damages of any nature resulting from the occurrence of these natural phenomena or resulting from the failure of any structure or structures, within the easement or otherwise.

WITNESS MY HAND THIS 14 day of July, 2011.

\* CERTIFICATE OF APPROVAL \*

Approved this 14th day of July, 2011, by the Development Review Committee.

*POC*  
Committee Chairperson

*Janet Richardson, Asst.*  
Jennifer Walters, City Secretary

\* GENERAL NOTES \*

- The bearings shown hereon are based on the found monumentation of the easterly right-of-way line of Wind River Lane, as shown on the plat filed for record in Cabinet W, Slide 358, Plat Records, Denton County, Texas. (Called Bearing = North 40° 02' 38" East)
- According to the Flood Insurance Rate Map published by the Federal Emergency Management Agency, Department of Homeland Security, the subject property appears to be located in Zone "X" (areas determined to be outside the 500-Year Flood Plain), as shown on Map No. 48121C0386 E. Map Revised: April 2, 1997, for Denton County, Texas and incorporated areas. This flood statement does not imply that the property and/or the structures located in Zone "X" will be free from flooding or flood damage. This flood statement shall not create liability on the part of the surveyor.
- The minimum finished floor elevations shall be provided when a building permit application is submitted. The minimum finished floor elevations shall be based on the current FEMA data. The minimum finished floor elevations shall be stated as mean sea level rather than relative based on city of Denton Datum or N.G.S. 1983 datum.
- Selling a portion of this addition by metes and bounds is a violation of city ordinance and state law and is subject to fines and withholding of utilities and building permits.
- Lot 2R is undevelopable until on-site drainage is addressed in accordance with the Denton Development Code.

THE PURPOSE OF THIS AMENDED PLAT IS TO ADD AND ABANDON EASEMENTS

## PUBLIC UTILITY EASEMENT

THE STATE OF TEXAS, §  
 COUNTY OF DENTON §

046359

KNOW ALL MEN BY THESE PRESENTS:

That Windjammer, Ltd., (Grantor) in consideration of the sum of ONE DOLLAR AND NO CENTS (\$1.00) and other good and valuable consideration in hand paid by the City of Denton, Texas, (Grantee) receipt of which is hereby acknowledged, do by these presents grant, bargain, sell and convey unto the City of Denton the free and uninterrupted use, liberty and privilege of passage in, along, upon and across the following described property, owned by Grantor, situated in Denton County, Texas in the M. E. P. & P. R. R. Co. Survey, Abstract No. 950.

## TRACT 1

All that certain lot, tract or parcel of land lying and being situated in the M. E. P. & P. R. Co. Survey, Abstract No. 950, Denton County, Texas, and being part of a tract of land described in a deed to Windjammer, Ltd., dated July 10, 1998, recorded under Clerk's File No. 98-R0093041, Real Property Records, Denton County, Texas, and being more particularly described as follows:

BEGINNING at the north corner of said Windjammer, Ltd., tract, on the southeast right-of-way of I-35 E., same being the east corner of a tract of land described in a deed to Lodge Construction Company, Inc., recorded in Volume 1429, Page 456, Real Property Records, Denton County, Texas;

THENCE South 49° 57' 22" East with the southeast right-of-way of I-35 E., and the southeast line of said Windjammer, Ltd., tract, a distance of 402.40 feet to a point for corner;

THENCE South 40° 02' 38" West with the north right-of-way of Wind River Lane, a distance of 435.95 feet to a point for corner at the beginning of a curve to the right;

THENCE with the north right-of-way of Wind River Lane and said curve to the right, having a central angle of 49° 57' 20", a radius of 460.00 feet, an arc length of 401.07 feet, with a chord that bears South 65° 01' 19" West a distance of 388.48 feet to a point for corner;

THENCE West with the north line of Wind River Lane, a distance of 508.30 feet to a point for corner at the beginning of a curve to the right;

THENCE with the north right-of-way of Wind River Lane and said curve to the right, having a central angle of 41° 24' 25", a radius of 460.00 feet, an arc length of 332.44 feet, with a chord that bears North 69° 17' 47" West a distance of 325.25 feet to a point for corner;

THENCE North 48° 35' 33" West with the north right-of-way of Wind River Lane, a distance of 249.94 feet to a point for corner at the beginning of a curve to the left;

THENCE with the north right-of-way of Wind River Lane and said curve to the left, having a central angle of 10° 19' 54", a radius of 1040.00 feet, an arc length of 187.53 feet, with a chord that bears North 53° 45' 30" West a distance of 187.28 feet to a point for corner on the west line of said Windjammer, Ltd., tract;

THENCE North 00° 36' 46" East with the west line of said Windjammer, Ltd., tract, a distance of 18.51 feet to a point for corner at the beginning of a curve to the right;

THENCE with said curve to right, being 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 10° 50' 27", a radius of 1056.00 feet, an arc length of 199.81 feet, with a chord that bears South 54° 00' 47" East a distance of 199.51 feet to a point for corner;

THENCE South 48° 35' 33" East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 249.94 feet to a point for corner at the beginning of a curve to the left;

THENCE with said curve to the left, being 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 41° 24' 25", a radius of 444.00 feet, an arc length of 320.87 feet, with a chord that bears South 69° 17' 47" East a distance of 313.94 feet to a point for corner;

THENCE East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 508.30 feet to a point for corner at the beginning of a curve to the left;

THENCE with said curve to the left, 16-foot north of and parallel to the north right-of-way of Wind River Lane, having a central angle of 49° 57' 20", a radius of 444.00 feet, an arc length of 387.12 feet, with a chord that bears North 65° 01' 19" East a distance of 374.97 feet to a point for corner;

THENCE North 40° 02' 38" East, 16-foot north of and parallel to the north right-of-way of Wind River Lane, a distance of 419.95 feet to a point for corner;

THENCE North 49° 57' 22" West, 16-foot south of and parallel to the southeast right-of-way of I-35 E., a distance of 386.43 feet to a point for corner on the northeast line of said Windjammer, Ltd., tract, same being the southwest line of said Lodge Construction Company, Inc., tract;

THENCE North 40° 08' 36" East, with the northeast line of said Windjammer, Ltd., tract, and the southwest line of said Lodge Construction Company, Inc., tract, a distance of 16.00 feet to the POINT OF BEGINNING and containing in all 0.916 acres.

## TRACT 2

All that certain lot, tract or parcel of land lying and being situated in the M. E. P. & P. R. Survey, Abstract No. 950 in the City and County of Denton, Texas, and being part of a tract of land described in a deed to Windjammer, Ltd., recorded in County Clerk's File No. 98-R093041 of the Real Property Records of Denton County, Texas, and being more particularly described as follows:

BEGINNING at a point for corner at the north corner of a tract of land described in a deed to Denton Security Investment, Inc., Replacement Property Irrevocable Trust, as recorded in Clerk's File No. 98-R0062519 of the Real Property Records of Denton County, Texas, said point being on the southeast right-of-way of Interstate Highway 35-E;

THENCE South 40° 02' 38" West with the northwest line of said Denton Security Investment, Inc., Replacement Property Irrevocable Trust tract, a distance of 16.00 feet to a point for corner;

THENCE North 49° 57' 22" West, 16-foot south of and parallel to the southeast line of said Windjammer, Ltd., tract and the southeast right-of-way of Interstate Highway 35-E, a distance of 244.40 feet to a point for corner on the southerly right-of-way of Wind River Lane;

C:\Projects\Wind River DME\CO530\Windjammer easement.doc

THENCE North 40° 02' 38" East with the southerly right-of-way of Wind River Lane, a distance of 16.00 feet to a point for corner at the intersection of the southeast right-of-way of said Interstate Highway 35-E and the north right-of-way of Wind River Lane;

THENCE South 49° 57' 22" East with the southeast line of said Windjammer, Ltd., tract and the southeast right-of-way of Interstate Highway 35-E, a distance of 244.40 feet to the POINT OF BEGINNING and containing in all 0.089 acres of land.

And it is further agreed that the said City of Denton, Texas in consideration of the benefits above set out, will remove from the property above described, such fences, buildings and other obstructions as may be now be found upon said property.

For the purpose of constructing, reconstructing, installing, repairing, and perpetually maintaining public utilities in, along, upon and across said premises, with the right and privilege at all times of the grantee herein, his or its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon and across said premises for the purpose of making additions to, improvements on and repairs to said public facilities or any part thereof.

TO HAVE AND TO HOLD unto the said City of Denton, Texas as aforesaid for the purposes aforesaid the premises above described.

Witness my hand, this the 18<sup>th</sup> day of MAY, A.D. 2000.

#### GENERAL NOTES:

1. ALL CORNERS ARE MARKED WITH CAPPED 1/2" IRON RODS STAMPED "KAZ" UNLESS OTHERWISE NOTED.

2. NOTE: THE CITY OF DENTON HAS ADOPTED THE NATIONAL ELECTRICAL SAFETY CODE (THE "CODE"). THE CODE GENERALLY PROHIBITS STRUCTURES WITHIN 17.5 FEET ON EITHER SIDE OF THE CENTERLINE OF OVERHEAD DISTRIBUTION LINES AND WITHIN 30 FEET ON EITHER SIDE OF THE CENTERLINE OF OVERHEAD TRANSMISSION LINES. IN SOME INSTANCES THE CODE REQUIRES GREATER CLEARANCES. BUILDING PERMITS WILL NOT BE ISSUED FOR STRUCTURES WITHIN THESE CLEARANCE AREAS. CONTACT THE BUILDING OFFICIAL WITH SPECIFIC QUESTIONS.

3. **FLOOD STATEMENT:** I HAVE EXAMINED THE F.E.M.A. FLOOD INSURANCE RATE MAP FOR THE CITY OF DENTON, COMMUNITY NUMBER 480194 EFFECTIVE DATE 4-18-2011 AND THAT MAP INDICATES THAT THIS PROPERTY IS WITHIN "NON-SHADED ZONE X" DEFINED AS "AREAS DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOOD (500-YEAR)" AS SHOWN ON PANEL 380 G SAID MAP.

4. TAPS MADE TO EXISTING WATERLINES OR RELOCATION OF FIRE HYDRANT SHALL BE DONE BY THE CITY OF DENTON AT THE CONTRACTOR'S EXPENSE. CONTACT HARRY BOPP WITH THE WATER DEPARTMENT AT (940) 349-7167.

5. TAPS MADE TO EXISTING SEWER LINES SHALL BE DONE BY THE CITY OF DENTON AT THE CONTRACTOR'S EXPENSE. CONTACT KELVIN PRYOR WITH THE WASTEWATER DEPARTMENT AT (940) 349-8489.

6. THE SUBJECT PROPERTY IS ZONED RCC-D PER THE CITY OF DENTON'S ONLINE ZONING MAP.

7. ALL BUILDING LINES ARE IMPOSED BE RCC-D ZONING.

8. THE PURPOSE OF THIS PLAT IS TO CREATE 1 LOT.

9. THE PROPERTY OWNER IS RESPONSIBLE FOR THE MAINTENANCE OF THE PUBLIC ACCESS EASEMENT.

1. All bearings shown are based on grid north of the Texas Coordinate System of 1983, North Central Zone 4202, using the City of Denton control monumentation. All dimensions shown are ground distances. To obtain a grid distance, multiply the ground distance by the Project Combined Factor (PCF) of 0.99984865
2. Selling a portion of this addition by metes and bounds is a violation of City ordinance and state laws and is subject to fines and withholding of utilities and building permits.
3. All corners are 5/8-inch iron rods with a red plastic cap stamped "KHA" set, unless otherwise noted
4. According to Community Panel No. 48121-C0390Q, dated April 18, 2011 of the National Flood Insurance Program Map, Flood Insurance Rate Map of Denton County, Texas, Federal Emergency Management Agency, Federal Insurance Administration, this property is not within a special flood hazard area. If this site is not within an identified special flood hazard area, this flood statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of the surveyor.
5. Gas, petroleum lines or easements are not apparent with-in the bounds of this plat.
6. The property owner is responsible for the maintenance of the Access Easements shown on this plat.
7. Taps made to existing waterlines or relocation of Fire Hydrant shall be done by the City of Denton at the expense of the Contractor. Contact Harry Bopp with the Water Department at 940-349-7167.
8. Taps made to existing sewer lines shall be done by the City of Denton at the expense of the Contractor. Contact Justin Diviny with the Wastewater Department at 940-349-8489.

### WAIVER AND COVENANT NOT TO SUE

STATE OF TEXAS                    }  
  }  
COUNTY OF DENTON            }      KNOW ALL PERSONS BY THESE PRESENTS

The undersigned, BS's Restaurants, Inc., (hereinafter called "Developer") executes this Waiver and Covenant not to Sue, for the benefit of the City of Denton, Texas (the "City") as of the 28<sup>th</sup> day of January, 20 14.

WHEREAS, Developer is the owner and developer of certain real property located in the City of Denton, County of Denton, Texas at 3250 S. Hwy I-35E, a 2.57-acre tract more particularly described as Lot 1, Block A of the BJ's Brewery Addition, the Final Plat of which was approved by Planning & Zoning Commission on December 11<sup>th</sup>, 2013 (the "Property"); and

WHEREAS, the Developer wants to construct a commercial building and various other improvements on the Property for a project entitled BJ's Restaurant (the "Project") that requires the construction of various public works improvements on the site as defined by the project plans; and

WHEREAS, the Developer has requested City to allow Developer to advance the construction of private grading, utilities, paving, foundation, and full vertical construction ("Expedited Private Improvements") concurrently with completion and acceptance of the public improvements required by the Project, specifically public water, sanitary sewer, and storm sewer ("Concurrent Public Improvements"), under a limited building permit, containing the limitations noted in this paragraph ("Limited Building Permit"). This Limited Building Permit shall entitle the Developer to construct all improvements on the site which are included in the approved construction documents. Developer stipulates and agrees that no Certificate of Occupancy will be requested or allowed until such time as all Concurrent Public Improvements have been accepted by the City; and

WHEREAS, the Developer has requested the City consider allowing the Developer to advance the building permit for the property in advance of the completion of the public improvements; NOW, THEREFORE:

Construction shall comply with all applicable portions of the Fire Code as to emergency access and water supply for firefighting purposes at all times during construction. Adequate access for fire apparatus shall be provided. At such time as combustible construction materials are brought on site, sufficient water for firefighting purposes shall be provided. For all projects (involving combustible or non-combustible construction), adequate ambulance access must be provided at all times.

In anticipation of City's subsequent approval of the requested Limited Building Permit, and because proceeding in this manner is an option requested by Developer, rather than a requirement, Developer agrees to indemnify and hold harmless the City, its employees, agents,

successors, and assigns from any and all costs Developer may incur as a consequence of proceeding in this manner before full building permits are issued, and agrees to assume all risks arising therefrom. Developer understands and agrees that the City will issue a "Stop Work" order for all activity associated with the Limited Building Permit in the event that the Developer's contractor fails to perform the work associated with this permit in a manner satisfactory to the City, or for any other reason authorized by ordinance. Developer hereby covenants not to sue the City, and forever irrevocably waives any and all claims of every kind whatsoever against the City, its employees, agents, successors, and assigns, arising out of either: (1) the City's subsequent issuance of a "Stop Work" order due to the failure of the Developer's contractor to perform the work associated with the Limited Building Permit in a manner satisfactory to the City, or (2) the subsequent failure or refusal of the City to issue a Certificate of Occupancy for any building or structure in the Project, if due to Developer's failure or inability to obtain required permits or approvals from City or any other entity with authority to grant such approvals.

No subsequent change in the law shall in any way affect the validity or enforceability of this Waiver and Covenant not to Sue. This Waiver and Covenant not to Sue is intended to satisfy §35.16.6.D.c.i.2 of the Denton Code of Ordinances – one of the necessary elements which must be satisfied before the City Building Official may issue a Limited Building Permit to advance construction of the Expedited Private Improvements. However, nothing herein shall be construed to authorize any delay in the construction of any public improvements required by the Project, including the Concurrent Public Improvements, beyond any completion deadlines specified in any other agreement, ordinance, project plans or plat, regardless of whether or not the Expedited Private Improvements are complete.

Developer further stipulates to the nexus and proportionality of the public improvements made subject to this Waiver and Covenant not to Sue (specifically including both those contemplated now and those necessitated by changes required for final approval), regardless of whether they were known, quantified or anticipated at the time this document was executed.

Developer, as the sole owner of the Property, hereby declares that all of the Property shall be held, sold and conveyed subject to the covenants contained herein, which are covenants touching and running with the Property and shall be binding on all parties having any right, title or interest in the Property or any part thereof, either now or in the future, and their successors, heirs and assigns, and shall inure to the benefit of the Developer, the City and their successors and assigns. These Restrictive Covenants shall be recorded in the Real Property Records of Denton County, Texas.

Developer has executed this Waiver and Covenant not to Sue, to be effective as of the date first above written (the "Effective Date").

## EXHIBIT A

### FIELD NOTES

#### DESCRIBING A DRAINAGE EASEMENT FROM WINDJAMMER, LTD.

BEING a 0.0996 acre tract of land situated in the M.E.P. & P.R.R. County Survey, Abstract No. 950, City of Denton, Denton County, Texas and being part of a 136.50 acre tract of land described in deed to Windjammer, Ltd., as recorded in County Clerk's File Number 98-R0093041 and 98-R0062520, of the Property Records of Denton County, Texas (P.R.D.C.T.) and being more particularly described as follows:

COMMENCING at a 5/8-inch iron rod with cap stamped "Carter Burgess" found at the intersection of the north right-of-way of Windriver Lane (an 80 foot right-of-way) as described in County Clerk's File Number 99-R0065227, P.R.D.C.T., and the west right-of-way of Interstate Highway 35 (a variable width right-of-way);

THENCE South 40 degrees 02 minutes 38 seconds West, departing said west right-of-way line of Interstate Highway 35 and along the said north right-of-way line of Windriver Lane, a distance of 435.95 feet to a 5/8-inch found iron rod with cap stamped "Carter Burgess" for the point of curvature of a circular curve to the right having a radius of 460.00 feet and whose chord bears South 59 degrees 09 minutes 10 seconds West, a distance of 301.18 feet;

THENCE Southwesterly, continuing along said north right-of-way line and along said curve to the right through a central angle of 38 degrees 13 minutes 05 seconds, an arc distance of 306.83 feet to a 1/2-inch set iron rod with a yellow plastic cap stamped "HALFF ASSOC. INC." (hereinafter referred to as "with cap") for corner, said point being southeast corner of the proposed Lot 1, Block A, Cinemark Addition at Unicorn Lake;

THENCE North 11 degrees 44 minutes 05 seconds West, departing said north right-of-way line and along the proposed east line of Lot 1, Block A, a distance of 256.78 feet to the POINT OF BEGINNING;

THENCE North 11 degrees 44 minutes 05 seconds West, continuing along said proposed east line a distance of 16.85 feet to a point for corner;

THENCE North 60 degrees 00 minutes 00 seconds East, departing said proposed east line a distance of 277.31 feet to a point for corner;

THENCE South 49 degrees 59 minutes 52 seconds East, a distance of 5.40 feet to a point for corner;

THENCE South 40 degrees 02 minutes 38 seconds West, a distance of 32.00 feet to a point for corner;

THENCE South 60 degrees 00 minutes 00 seconds West, a distance of 254.36 feet to the POINT OF BEGINNING AND CONTAINING 4,340 square feet or 0.0996 acres of land more or less.

The basis of bearing for this tract is the deed to the City of Denton for the right-of-way dedication of Windriver Lane, as recorded in the Denton County Clerk's File Number 99-R0065227 P.R.D.C.T.

**EXHIBIT A**

**FIELD NOTES**

**DESCRIBING A UTILITY EASEMENT FROM WINDJAMMER, LTD.**

BEING a 0.4378 acre tract of land situated in the M.E.P. & P.R.R. County Survey, Abstract No. 950, City of Denton, Denton County, Texas and being part of a 136.50 acre tract of land described in deed to Windjammer, Ltd., as recorded in County Clerk's File Number 98-R0093041 and 98-R0062520, of the Property Records of Denton County, Texas (P.R.D.C.T.) and being more particularly described as follows:

COMMENCING at a 5/8-inch iron rod with cap stamped "Carter Burgess" found at the intersection of the north right-of-way of Windriver Lane (an 80 foot right-of-way) as described in County Clerk's File Number 99-R0065227, P.R.D.C.T., and the west right-of-way of Interstate Highway 35 (a variable width right-of-way);

THENCE North 49 degrees 57 minutes 22 seconds West, departing said Windriver right-of-way line and along said Interstate Highway 35 right-of-way line, a distance of 189.52 feet to the POINT OF BEGINNING, said point being a point for corner;

THENCE South 40 degrees 02 minutes 38 seconds West, departing said Interstate Highway 35 right-of-way line, a distance of 142.20 feet to a point for corner;

THENCE South 49 degrees 57 minutes 22 seconds East, a distance of 13.80 feet to a point for corner;

THENCE South 40 degrees 02 minutes 38 seconds West, a distance of 16.00 feet to a point for corner;

THENCE North 49 degrees 57 minutes 22 seconds West, a distance of 13.80 feet to a point for corner;

THENCE South 40 degrees 02 minutes 38 seconds West, a distance of 176.26 feet to the point of curvature of a circular curve to the right having a radius of 329.00 feet and whose chord bears South 52 degrees 07 minutes 21 seconds West, a distance of 137.69 feet;

THENCE Southwesterly, continuing along said curve to the right through a central angle of 24 degrees 09 minutes 26 seconds, an arc distance of 138.71 feet to a point for corner;

THENCE South 24 degrees 38 minutes 25 seconds East, a distance of 13.00 feet to a point for corner;

THENCE South 65 degrees 35 minutes 32 seconds West, a distance of 16.08 feet to a point for corner;

THENCE North 24 degrees 15 minutes 01 seconds West, a distance of 13.00 feet to the point of curvature for a non-tangent circular curve to the right having a radius of 329.00 feet and whose chord bears South 73 degrees 19 minutes 25 seconds West, a distance of 72.63 feet;

THENCE Southwesterly continuing along said curve to the right through a central angle of 12 degrees 40 minutes 27 seconds, an arc distance of 72.78 feet to the point of curvature of a circular curve to the left having a radius of 20.00 feet and whose chord bears South 33 degrees 57 minutes and 47 seconds West, a distance of 28.63 feet;

THENCE Southwesterly, continuing along said curve to the left through a central angle of 91 degrees 23 minutes and 44 seconds, an arc distance of 31.90 feet to a point for corner;

THENCE South 11 degrees 44 minutes 05 seconds East, a distance of 103.82 feet to the point of curvature of a circular curve to the left having a radius of 20.00 feet and whose chord bears South 15 degrees 35 minutes and 14 seconds East, a distance of 2.69 feet;

THENCE Southeasterly, continuing along said curve to the left through a central angle of 07 degrees 42 minutes 18 seconds, an arc distance of 2.69 feet to a point for corner;

THENCE South 19 degrees 26 minutes 24 seconds East, a distance of 49.52 feet to the point of curvature of a circular curve to the right having a radius of 20.00 feet and whose chord bears South 15 degrees 35 minutes 14 seconds East, a distance of 2.69 feet;

THENCE Southeasterly, continuing along said curve to the right through a central angle of 07 degrees 42 minutes 18 seconds, an arc distance of 2.69 feet to a point for corner;

THENCE South 11 degrees 44 minutes 05 seconds East, a distance of 61.08 feet to the point of curvature of a non-tangent circular curve to the right having a radius of 460.00 feet and whose chord bears South 76 degrees 53 minutes 28 seconds West, a distance of 22.01 feet, said point being on said north right-of-way line of Windriver Lane;

THENCE Southwesterly, continuing along said curve to the right and said north right-of-way line of Windriver Lane through a central angle of 02 degrees 44 minutes 30 seconds, an arc distance of 22.01 feet to a 1/2-inch set iron rod with a yellow cap stamped "HALFF ASSOC. INC." for corner, said point being the southeast corner of the proposed Lot 1, Block A, Cinemark Addition at Unicorn Lake;

THENCE North 11 degrees 44 minutes 05 seconds West, departing said north line of Windriver Lane and along the proposed east line of said Lot 1, Block A a distance of 246.54 feet to the point of curvature of a non-tangent circular curve to the right having a radius of 44.00 feet and whose chord bears North 29 degrees 41 minutes 56 seconds East, a distance of 6.34 feet;

THENCE Northeasterly, departing said east line and continuing along said curve to the right through a central angle of 08 degrees 16 minutes 02 seconds, an arc distance of 6.35 feet to a point for corner;

THENCE South 79 degrees 16 minutes 07 seconds West, a distance of 4.20 feet to a point for corner, said point being on the proposed east line of said Lot 1, Block A;

THENCE North 11 degrees 44 minutes 05 seconds West, along the proposed east line of Lot 1, Block A a distance of 16.00 feet to a point for corner;

THENCE North 79 degrees 16 minutes 07 seconds East, departing said proposed east line a distance of 80.07 feet to the point of curvature of a non-tangent circular curve to the left having a radius of 305.00 feet and whose chord bears North 55 degrees 42 minutes 55 seconds East, a distance of 164.75 feet;

THENCE Northeasterly, continuing along said curve to the left through a central angle of 31 degrees 20 minutes 15 seconds, an arc distance of 166.82 feet to a point for corner;

THENCE North 40 degrees 02 minutes 38 seconds East, a distance of 334.46 feet to a point for corner, said point being on said Interstate Highway 35 west right-of-way line;

THENCE South 49 degrees 57 minutes 22 seconds East, along said Interstate Highway 35 west right-of-way line, a distance of 24.00 feet to the POINT OF BEGINNING AND CONTAINING 19,070 square feet or 0.4378 acres of land more or less.

The basis of bearing for this tract is the deed to the City of Denton for the right-of-way dedication of Windriver Lane, as recorded in the Denton County Clerk's File Number 99-R0065227 P.R.D.C.T.

# LEGAL DESCRIPTION

## WATER AND WASTEWATER AND ELECTRIC EASEMENT

**BEING** a tract of land in the Memphis, El Paso & Pacific Railroad Company Survey, Abstract No. 950, City of Denton, Denton County, Texas, and being a part of Lot 1, Block A, Bone Daddy's Denton Addition, an addition to the City of Denton, Texas according to the plat recorded in Instrument No. 2015-123 of the Official Public Records of Denton County, Texas, and being more particularly described as follows:

**COMMENCING** at the intersection of the southwest right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) and the northwest right-of-way line of Windriver Lane (an 80-foot right-of-way); from said point an aluminum disk stamped "TXDOT" found in the southeast right-of-way line of said Windriver Lane bears South 1°29'14" East, a distance of 121.61 feet;

**THENCE** departing the said southwest right-of-way line of Interstate Highway No. 35, South 39°29'34" West along the said northwest right-of-way line of Windriver Lane a distance of 91.88 feet to a point;

**THENCE** departing the said northwest right-of-way line of Windriver Lane, North 08°58'12" West, a distance of 13.11 feet to the **POINT OF BEGINNING**;

**THENCE** the following five (5) calls:

- North 53°02'23" West, a distance of 23.21 feet to a point for corner;
- North 52°03'57" West, a distance of 30.06 feet to a point for corner;
- North 37°27'04" East, a distance of 7.68 feet to a point for corner;
- North 50°24'21" West, a distance of 74.49 feet to a point for corner;
- South 86°18'55" West, a distance of 21.64 feet to a point for corner;
- North 48°58'14" West, a distance of 43.95 feet to a point for corner in the northwest line of said Lot 1;

**THENCE** North 39°20'20" East, along the said northwest line of Lot 1, a distance of 18.60 feet to a point for corner; from said point the north corner of said Lot 1 bears North 39°20'20" East, a distance of 56.57 feet;

**THENCE** departing the said northwest line of Lot 1, South 02°59'17" East, a distance of 0.82 feet to a point for corner;

**THENCE** the following four (4) calls:

- South 48°58'14" East, a distance of 36.53 feet to a point for corner;
- North 86°18'55" East, a distance of 24.30 feet to a point for corner;
- South 50°24'19" East, a distance of 103.87 feet to a point for corner;
- South 8°58'12" East, a distance of 38.89 feet to the **POINT OF BEGINNING** and containing 0.0859 acres or 3,742 square feet of land, more or less.

## NOTES:

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

CITY OF DENTON

WHEREAS, Jefferson Commons - Denton, L.P., a Delaware Limited Partnership is the owner of a tract of land located in the J. White Survey, Abstract No. 1433 and the D. Lambert Survey, Abstract No. 784, City of Denton, Denton County, Texas and being a portion of that certain tract of land described in the deed to Epic Development, Inc., as recorded in Volume 3245, Page 699 of the Deed Records of Denton County, Texas (DRDCT) and more particularly described by metes and bounds as follows (bearings based on the northeast right-of-way line of Interstate Highway No. 35-E per Texas Department of Transportation right-of-way maps):

BEGINNING at a 1/2-inch iron rod found for the most southerly corner of Lot 1, Block 1, Pace's Crossing, an addition to the City of Denton, Texas according to the plat recorded in Cabinet E, Page 372 of the Plat Records of Denton County, Texas, from which a 1/2-inch iron rod found bears North 75°54' West, 0.5 feet;

THENCE along the west boundary line of said Epic Development, Inc. tract with the east boundary line of said Pace's Crossing, as follows:

- North 49°17'25" East, 481.59 feet to a 1/2-inch iron pipe found for a corner in the common line of said White survey and said Lambert survey;
- North 02°10'40" East, along said common line, 908.79 feet to a 1/2-inch iron rod found in the southwest right-of-way line of Colorado Boulevard (an 80-foot wide right-of-way);

THENCE along the said southwest right-of-way line of Colorado Boulevard, as follows:

- Southeasterly, 161.06 feet along a curve to the left having a radius of 640.00 feet, a central angle of 14°25'09", and a chord bearing of South 55°47'19" East, 160.64 feet to a 1/2-inch iron rod found at the end of said curve;
- South 62°59'54" East, 157.33 feet to a 1/2-inch iron rod found at the beginning of a curve to the right;
- Southeasterly, 551.27 feet along said curve to the right having a radius of 560.00 feet, a central angle of 56°24'10", and a chord bearing of South 34°47'46" East, 529.28 feet to a 1/2-inch iron rod found at the end of said curve;
- South 06°35'43" East, 100.00 feet to a 1/2-inch iron rod found at the beginning of a curve to the left;
- Southeasterly, 486.12 feet along said curve to the left having a radius of 1440.00 feet, a central angle of 19°20'31", and a chord bearing of South 16°15'59" East, 483.81 feet to a 5/8-inch "KHA" capped iron rod set for a corner;

THENCE South 77°41'14" West, departing said southwest right-of-way line of Colorado Boulevard, a distance of 659.93 feet to a 5/8-inch "KHA" capped iron rod set for a corner;

THENCE South 49°13'27" West, a distance of 253.12 feet to a 1/2-inch iron rod found for a corner in the southwest boundary line of said Epic Development, Inc. tract and the northeast right-of-way line of Interstate Highway No. 35-E, from which a 1/2-inch iron rod found bears South 83°18' West, 1.9 feet;

THENCE along said southwest boundary line with the said northeast right-of-way line of Interstate Highway No. 35-E, as follows:

- North 53°47'35" West, 99.25 feet to a 1/2-inch iron rod found at the beginning of a curve to the right, from which a 1/2-inch iron rod found bears South 70°30' West, 2.1 feet;
- Northwesterly, 139.76 feet along said curve to the right having a radius of 11,309.20 feet, a central angle of 00°42'29", and a chord bearing of North 48°06'24" West, 139.76 feet to a point for the end of said curve, from which a 1/2-inch iron rod found bears South 35°57' East, 0.6 feet and a 1/2-inch iron rod found bears South 81°25' West, 1.6 feet;
- North 47°41'40" West, 136.70 feet to the POINT OF BEGINNING and containing 18.003 acres of land, more or less.

PRIVATE DRAINAGE AND DETENTION EASEMENT

STATE OF TEXAS  
COUNTY OF DENTON  
CITY OF DENTON

The plat is hereby adopted by the Owners and approved by the City of Denton (called "City") subject to the following conditions that shall be binding upon the Owners, their heirs, grantees and successors: The portion of Lot 1, as shown on the plat, is called "Private Drainage and Detention Easement". The Private Drainage and Detention Easement within the limits of this addition, will remain open at all times and will be maintained in a safe and sanitary condition by the owners of the lot or lots that are traversed by or adjacent to the Private Drainage and Detention Easement. The City will not be responsible for the maintenance and operation of said easement or for any damage to private property or person that results from conditions in the Easement, or for the control of erosion, No obstruction to the natural flow of storm water run-off shall be permitted by construction of any type of building, fence, or any other structure within the Private Drainage and Detention Easement, as herein above defined, unless approved by the City. The property owner shall keep the Private Drainage and Detention Easement clear and free of debris, silt, and any substance that would result in unsanitary conditions or obstruct the flow of water. And, the City shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions that may occur. The natural drainage through the Private Drainage and Detention Easement is subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City shall not be held liable for any damages of any nature resulting from the occurrence of these natural phenomena, or resulting from the failure of any structure, or structures, within the Easement.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: Jefferson Commons - Denton, L.P., being the Owner of the above described tract of land does hereby adopt this plat designating the herein described property as **JEFFERSON COMMONS** an addition to the City of Denton, Denton County, Texas and does hereby dedicate to the public use forever the right-of-way shown thereon. The easements shown thereon are hereby granted for the limited purposes indicated. The utility, access and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies; and all public and private utilities for each-particular use. The maintenance of paving on the utility, access and fire lane easements it the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths, other than paving, shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements are hereby granted for the mutual use and accommodation of all public utilities using or desiring to use the same. All, and any public utility companies shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs, or other improvements, other than paving, or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective systems on the easements, and all public utility companies shall at all times have the full right of ingress and egress to or from and upon the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all or parts of its respective systems without the necessity at any time of procuring the permission of anyone. Any damages caused by the exercise of the foregoing rights shall be repaired by the party causing same. Any public utility company shall have the right of ingress and egress over private property for the purpose of reading meters and performing any maintenance and services required or ordinarily performed by that utility company.

This plat is approved subject all platting ordinances, rules, regulations and resolutions of the City of Denton, Texas.

That the undersigned does hereby covenant and agree that it shall construct upon the fire lane easements, as dedicated and shown hereon, a hard surface that it shall maintain the same in a state of good repair at all times and keep the same free and clear of any structures, fences, trees, shrubs, or other improvements, other than paving, or obstructions, including but not limited to the parking of motor vehicles, trailers, boats or other impediments to the access of fire apparatus. The maintenance of paving on the utility, access and fire lane easements is the responsibility of the owner, and the owner shall post and maintain appropriate signs in conspicuous places along such fire lanes, stating "Fire Lane, No Parking". The Fire Chief or his duly authorized representative is hereby authorized to cause such fire lanes and utility easements to be maintained free and unobstructed at all times for fire department and public utility use.

EXECUTED this 21<sup>st</sup> day of July, 1999.

STATE OF TEXAS  
COUNTY OF DENTON  
CITY OF DENTON

WHEREAS, Jefferson Commons - Denton, L.P., a Delaware Limited Partnership is the owner of a tract of land located in the J. White Survey, Abstract No. 1433 and the D. Lambert Survey, Abstract No. 784, City of Denton, Denton County, Texas and being a portion of that certain tract of land described in the deed to Epic Development, Inc., as recorded in Volume 3245, Page 699 of the Deed Records of Denton County, Texas (DRDCT) and more particularly described by metes and bounds as follows (bearings based on the northeast right-of-way line of Interstate Highway No. 35-E per Texas Department of Transportation right-of-way maps):

BEGINNING at a 1/2-inch iron rod found for the most southerly corner of Lot 1, Block 1, Pace's Crossing, an addition to the City of Denton, Texas according to the plat recorded in Cabinet E, Page 372 of the Plat Records of Denton County, Texas, from which a 1/2-inch iron rod found bears North 75°54' West, 0.5 feet;

THENCE along the west boundary line of said Epic Development, Inc. tract with the east boundary line of said Pace's Crossing, as follows:

- North 49°17'25" East, 481.59 feet to a 1/2-inch iron pipe found for a corner in the common line of said White survey and said Lambert survey;
- North 02°10'40" East, along said common line, 908.79 feet to a 1/2-inch iron rod found in the southwest right-of-way line of Colorado Boulevard (an 80-foot wide right-of-way);

THENCE along the said southwest right-of-way line of Colorado Boulevard, as follows:

- Southeasterly, 161.06 feet along a curve to the left having a radius of 640.00 feet, a central angle of 14°25'09", and a chord bearing of South 55°47'19" East, 160.64 feet to a 1/2-inch iron rod found at the end of said curve;
- South 62°59'54" East, 157.33 feet to a 1/2-inch iron rod found at the beginning of a curve to the right;
- Southeasterly, 551.27 feet along said curve to the right having a radius of 560.00 feet, a central angle of 56°24'10", and a chord bearing of South 34°47'46" East, 529.28 feet to a 1/2-inch iron rod found at the end of said curve;
- South 06°35'43" East, 100.00 feet to a 1/2-inch iron rod found at the beginning of a curve to the left;
- Southeasterly, 486.12 feet along said curve to the left having a radius of 1440.00 feet, a central angle of 19°20'31", and a chord bearing of South 16°15'59" East, 483.81 feet to a 5/8-inch "KHA" capped iron rod set for a corner;

THENCE South 77°41'14" West, departing said southwest right-of-way line of Colorado Boulevard, a distance of 659.93 feet to a 5/8-inch "KHA" capped iron rod set for a corner;

THENCE South 49°13'27" West, a distance of 253.12 feet to a 1/2-inch iron rod found for a corner in the southwest boundary line of said Epic Development, Inc. tract and the northeast right-of-way line of Interstate Highway No. 35-E, from which a 1/2-inch iron rod found bears South 83°18' West, 1.9 feet;

THENCE along said southwest boundary line with the said northeast right-of-way line of Interstate Highway No. 35-E, as follows:

- North 53°47'35" West, 99.25 feet to a 1/2-inch iron rod found at the beginning of a curve to the right, from which a 1/2-inch iron rod found bears South 70°30' West, 2.1 feet;
- Northwesterly, 139.76 feet along said curve to the right having a radius of 11,309.20 feet, a central angle of 00°42'29", and a chord bearing of North 48°06'24" West, 139.76 feet to a point for the end of said curve, from which a 1/2-inch iron rod found bears South 35°57' East, 0.6 feet and a 1/2-inch iron rod found bears South 81°25' West, 1.6 feet;
- North 47°41'40" West, 136.70 feet to the POINT OF BEGINNING and containing 18.003 acres of land, more or less.

PRIVATE DRAINAGE AND DETENTION EASEMENT

STATE OF TEXAS  
COUNTY OF DENTON  
CITY OF DENTON

The plat is hereby adopted by the Owners and approved by the City of Denton (called "City") subject to the following conditions that shall be binding upon the Owners, their heirs, grantees and successors: The portion of Lot 1, as shown on the plat, is called "Private Drainage and Detention Easement". The Private Drainage and Detention Easement within the limits of this addition, will remain open at all times and will be maintained in a safe and sanitary condition by the owners of the lot or lots that are traversed by or adjacent to the Private Drainage and Detention Easement. The City will not be responsible for the maintenance and operation of said easement or for any damage to private property or person that results from conditions in the Easement, or for the control of erosion, No obstruction to the natural flow of storm water run-off shall be permitted by construction of any type of building, fence, or any other structure within the Private Drainage and Detention Easement, as herein above defined, unless approved by the City. The property owner shall keep the Private Drainage and Detention Easement clear and free of debris, silt, and any substance that would result in unsanitary conditions or obstruct the flow of water. And, the City shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions that may occur. The natural drainage through the Private Drainage and Detention Easement is subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City shall not be held liable for any damages of any nature resulting from the occurrence of these natural phenomena, or resulting from the failure of any structure, or structures, within the Easement.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: Jefferson Commons - Denton, L.P., being the Owner of the above described tract of land does hereby adopt this plat designating the herein described property as **JEFFERSON COMMONS** an addition to the City of Denton, Denton County, Texas and does hereby dedicate to the public use forever the right-of-way shown thereon. The easements shown thereon are hereby granted for the limited purposes indicated. The utility, access and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies; and all public and private utilities for each-particular use. The maintenance of paving on the utility, access and fire lane easements it the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths, other than paving, shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements are hereby granted for the mutual use and accommodation of all public utilities using or desiring to use the same. All, and any public utility companies shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs, or other improvements, other than paving, or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective systems on the easements, and all public utility companies shall at all times have the full right of ingress and egress to or from and upon the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all or parts of its respective systems without the necessity at any time of procuring the permission of anyone. Any damages caused by the exercise of the foregoing rights shall be repaired by the party causing same. Any public utility company shall have the right of ingress and egress over private property for the purpose of reading meters and performing any maintenance and services required or ordinarily performed by that utility company.

This plat is approved subject all platting ordinances, rules, regulations and resolutions of the City of Denton, Texas.

That the undersigned does hereby covenant and agree that it shall construct upon the fire lane easements, as dedicated and shown hereon, a hard surface that it shall maintain the same in a state of good repair at all times and keep the same free and clear of any structures, fences, trees, shrubs, or other improvements, other than paving, or obstructions, including but not limited to the parking of motor vehicles, trailers, boats or other impediments to the access of fire apparatus. The maintenance of paving on the utility, access and fire lane easements is the responsibility of the owner, and the owner shall post and maintain appropriate signs in conspicuous places along such fire lanes, stating "Fire Lane, No Parking". The Fire Chief or his duly authorized representative is hereby authorized to cause such fire lanes and utility easements to be maintained free and unobstructed at all times for fire department and public utility use.

EXECUTED this 21<sup>st</sup> day of July, 1999.

**LEGAL DESCRIPTION**

**BEING** a tract of land situated in the Daniel Lombard Survey, Abstract No. 784 and the John McGowan Survey, Abstract No. 797, City of Denton, Denton County, Texas, and being part of Lot 1-R, Block 1, Pace's Crossing, an addition to the City of Denton, Texas according to the plat recorded in Volume F, Page 229 of the Plat Records of Denton County, Texas, and being more particularly described as follows:

**BEGINNING** at an aluminum disk found in the northwest line of said Lot 1-R; from said point the west corner of said Lot 1-R, and being in the northeast right-of-way line of Interstate Highway No. 35 (a variable width right-of-way) bears South 41°41'51" West, a distance of 14.15 feet;

**THENCE** North 41°41'51" East, along the said northwest line of Lot 1-R, a distance of 28.01 feet to a point for corner;

**THENCE** departing the said northwest line of Lot 1-R, South 47°50'52" East, a distance of 268.75 feet to a point for corner;

**THENCE** South 49°42'23" East, a distance of 294.60 feet to a point for corner;

**THENCE** South 58°18'39" East, a distance of 57.54 feet to a point for corner in the southeast line of said Lot 1-R;

**THENCE** South 48°54'20" West, along the said southeast line of Lot 1-R, a distance of 29.32 feet to a point for corner; from said point a 1/2-inch iron rod found for the south corner of said Lot 1-R, and being in the said northeast right-of-way line of Interstate Highway No. 35 bears South 48°54'20" West, a distance of 53.86 feet;

**THENCE** departing the said southeast line of Lot 1-R, North 58°18'39" West, a distance of 50.97 feet to a point for corner;

**THENCE** North 49°42'23" West, a distance of 297.16 feet to a point for corner;

**THENCE** North 47°50'52" West, a distance of 268.99 feet to the **POINT OF BEGINNING** and containing 17,336 square feet or 0.3980 acres of land.

**NOTES:**

Bearing system based on the Texas Coordinate System of 1983 (2011 adjustment), North Central Zone (4202).

A survey plat of even survey date herewith accompanies this metes and bounds description.

The undersigned, Registered Professional Land Surveyor, hereby certifies that foregoing description accurately sets out the metes and bounds of the easement tract.

## Legislation Text

---

**File #:** PUB24-120, **Version:** 1

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, Texas authorizing the City Manager to execute and deliver the Standard Utility Agreement (“Agreement”) by and between the City of Denton (“City”) and the Texas Department of Transportation (“TxDOT”), for the reimbursement of eligible costs incurred in the adjustment, removal, and relocation of city facilities of both Water and Wastewater Utilities along I-35E from US 377/Fort Worth Drive to Locust Street and along the North Frontage Road at UPRR Railroad to the east (“Utility Relocations Project -TxDOT CSJ# 0195-03- 103/Utility ID:U00020852), within the County and City of Denton, Texas; providing for the expenditure of funds in an amount not to exceed Seven Hundred Fifteen Thousand, One Hundred and Fifteen and 00/100 Dollars (\$715,115.00) for Water and Wastewater Utility Relocation efforts; and providing an effective date.

---

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Capital Projects/Public Works

**ACM:** Cassandra Ogden

**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, Texas authorizing the City Manager to execute and deliver the Standard Utility Agreement (“Agreement”) by and between the City of Denton (“City”) and the Texas Department of Transportation (“TxDOT”), for the reimbursement of eligible costs incurred in the adjustment, removal, and relocation of city facilities of both Water and Wastewater Utilities along I-35E from US 377/Fort Worth Drive to Locust Street and along the North Frontage Road at UPRR Railroad to the East (“Utility Relocations Project -TxDOT CSJ# 0195-03-103/Utility ID:U00020852), within the County and City of Denton, Texas; providing for the expenditure of funds in an amount not to exceed Seven Hundred Fifteen Thousand, One Hundred and Fifteen and 00/100 Dollars (\$715,115.00) for Water and Wastewater Utility Relocation efforts; and providing an effective date.

### **BACKGROUND**

The Texas Department of Transportation (TxDOT) has proposed a widening of Interstate Highway 35 (I-35) with an estimated construction start of Q4 2024. The I-35 Utility Relocation (Ft Worth Drive) Project will move public utilities in support of TxDOT with the installation of 709 LF of 8” PVC, 466 LF of 12” PVC, and removal of abandoned 340 LF of 8” wastewater in conflict with pavement & ROW longitudinal to IH35 from US-377 to S Locust Street. To align with TxDOT I-35 widening the project is scheduled for 90 days schedule. Since the project is a forced relocation of City of Denton utilities, there will be reimbursements from TxDOT to support this effort.

The I-35 Utility Relocation Project (Ft. Worth Drive) has a total estimated cost of \$750,870.75. This estimate includes a \$715,115.00 total base proposal amount and a contingency of \$35,755.75. A five (5) percent contingency allowance, if any, is for the sole use of the City and will be subject to written authorization by the City’s Project Manager and Program Manager.

### **RECOMMENDATION**

Staff recommends approval of the Ordinance.

### **PRIOR ACTION/REVIEW (Council, Boards, Commissions)**

N/A

### **ESTIMATED SCHEDULE OF PROJECT**

The City's Ft Worth Drive Utility Relocation Project is expected to be completed by Q4 2024.

### **FISCAL INFORMATION**

Reimbursements from TxDOT will be deposited to the Ft Worth Drive Utility Relocations Project.

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, TEXAS AUTHORIZING THE CITY MANAGER TO EXECUTE AND DELIVER THE STANDARD UTILITY AGREEMENT (“AGREEMENT”) BY AND BETWEEN THE CITY OF DENTON (“CITY”) AND THE TEXAS DEPARTMENT OF TRANSPORTATION (“TXDOT”), FOR THE REIMBURSEMENT OF ELIGIBLE COSTS INCURRED IN THE ADJUSTMENT, REMOVAL, AND RELOCATION OF CITY FACILITIES OF BOTH WATER AND WASTEWATER UTILITIES ALONG I-35E FROM US 377/FORT WORTH DRIVE TO LOCUST STREET AND ALONG THE NORTH FRONTAGE ROAD AT UPRR RAILROAD TO THE EAST (“UTILITY RELOCATIONS PROJECT -TXDOT CSJ# 0195-03-103/Utility ID:U00020852), WITHIN THE COUNTY AND CITY OF DENTON, TEXAS; PROVIDING FOR THE EXPENDITURE OF FUNDS IN AN AMOUNT NOT TO EXCEED SEVEN HUNDRED FIFTEEN THOUSAND, ONE HUNDRED AND FIFTEEN AND 00/100 DOLLARS (\$715,115.00) FOR WATER AND WASTEWATER UTILITY RELOCATION EFFORTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the TxDOT has deemed it necessary to make certain highway improvements as designated by the State and approved by the Federal Highway Administration within the limits of the highway as indicated for the I-35 E From US 377/Ft. Worth Dr. to Locust St. and along the North frontage road at UPRR Railroad to the East (“Utility Relocation Project”).

WHEREAS, TxDOT has expanded their right-of-way through the I-35E corridor within the Denton city limits in anticipation of the TxDOT’s I-35E Widening project with a current project letting schedule of September 2023; and

WHEREAS, the proposed Utility Relocation Project will necessitate the adjustment, removal, and/or relocation of certain facilities of the City as indicated in the following statement of work:

- 1) CSJ 088 Water Line: Install approximately 709 LF of 8” PVC Sta.3930+00 to Sta.3936+50, 466 LF of 12” PVC Sta. 2924+50 to Sta. 2927+90 , and remove 1285 of waterlines longitudinal to IH35 from IH35 2924+50 to 3930+00.
- 2) Wastewater: abandon 340 LF of 8” wastewater in conflict with pavement & ROW longitudinal to IH35 from IH35 Sta.2934+50 to Sta.2939+65; and

WHEREAS, the TXDOT will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation.

WHEREAS, TXDOT, upon receipt of evidence it deems sufficient, acknowledges the Utility’s interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work above; and

WHEREAS, in an effort to meet TxDOT’s anticipated roadway construction schedule, the City’s Utility Relocation Project will relocate both water and wastewater utilities out of TxDOT’s recently expanded right-of-way between US-377 and Locust St and along the North frontage road at UPRR Railroad to the East; and

WHEREAS, the TxDOT will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation; and

WHEREAS, TxDOT, upon receipt of evidence it deems sufficient, acknowledges the City's interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work; and

WHEREAS, TxDOT will, upon satisfactory completion of the adjustment, removal, and/or relocation and upon receipt of final billing prepared in an approved form and manner and accounting for any intermediate payments, make payment in the amount of 90 percent (90%) of the eligible costs as shown in the final billing prior to audit and after such audit shall make an additional final payment totaling the reimbursement amount found eligible for State reimbursement.

WHEREAS, the City Council having considered the importance of the project to the citizens of Denton and finding that it is in the public's health and safety interest, is of the opinion that it should approve the Agreements; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The recitals contained in the preamble of this ordinance are hereby incorporated into the body of this ordinance are true and correct.

SECTION 2. The City Manager, or designee, is hereby authorized to execute on behalf of the City the Water and Wastewater Standard Utility Agreement No. U00020852, a copy of which is attached hereto as Exhibits " A" and made a part hereof for all purposes.

SECTION 3. The City Manager, or designee, is authorized to expend funds an amount not to exceed Seven Hundred Fifteen Thousand, One Hundred and Fifteen And 00/100 Dollars (\$715,115.00) for the I-35 E From US-377 and Locust St and along the North frontage road at UPRR Railroad to the East Utility Relocation Project in the City and County of Denton.

SECTION 4. The City Manager, or designee, is further authorized to carry out all obligations and duties of the City as set forth in the Agreement.

SECTION 5. That this ordinance shall become effective immediately upon its passage and approval.

This Agreement by and between the State of Texas, acting by and through the Texas Transportation Commission, ("**State**"), and City of Denton, ("**Utility**"), acting by and through its duly authorized representative, shall be effective on the date of approval and execution by and on behalf of the **State**.

**WHEREAS**, the **State** has deemed it necessary to make certain highway improvements as designated by the **State** and approved by the Federal Highway Administration within the limits of the highway as indicated above (the "**Highway Project**");

**WHEREAS**, the proposed Highway Project will necessitate the adjustment, removal, and/or relocation of certain facilities of the **Utility** as indicated in the following statement of work: CSJ 088 Water Line: Install approximately 709 LF of 8" PVC Sta.3930+00 to Sta.3936+50, 466 LF of 12" PVC Sta. 2924+50 to Sta. 2927+90 , and remove 1285 of waterlines longitudinal to IH35 from IH35 2924+50 to 3930+00. Wastewater: abandon 340 LF of 8" wastewater in conflict with pavement & ROW longitudinal to IH35 from IH35 Sta.2934+50 to Sta.2939+65; and more specifically as shown in the **Utility's** plans, specifications and estimated costs, which are attached hereto as Attachment "A".

**WHEREAS**, the **State** will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation.

**WHEREAS**, the **State**, upon receipt of evidence it deems sufficient, acknowledges the **Utility's** interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work above.

## NOW, THEREFORE, BE IT AGREED:

The **State** will pay to the **Utility** the costs incurred in adjustment, removal, and relocation of the **Utility's** facilities up to the amount said costs may be eligible for **State** participation.

All conduct under this agreement, including but not limited to the adjustment, removal, and relocation of the facility, the development and reimbursement of costs, any environmental requirements, and retention of records will be in accordance with all applicable federal and state laws, rules and regulations, including, without limitation, the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act, 42 U.S.C. §§ 4601, et seq., the National Environmental Policy Act, 42 U.S.C. §§ 4321, et seq., the Buy America provisions of 23 U.S.C. § 313 and 23 CFR 635.410, as amended, Texas Transportation Code § 223.045, the Utility Relocations, Adjustments, and Reimbursements provisions of 23 CFR 645, Subpart A, and the Utility Accommodation provisions of 23 CFR 645, Subpart B.

The **Utility** shall supply, upon request by the **State**, proof of compliance with the aforementioned laws, rules, regulations, and guidelines prior to the commencement of the adjustment, removal, and relocation of the facility.

Initial \_\_\_\_\_ Date \_\_\_\_\_  
TxDOT

Initial \_\_\_\_\_ Date \_\_\_\_\_  
Utility

The Utility shall not commence any physical work, including without limitation site preparation, on the State's right of way or future right of way, until TxDOT provides the Utility with written authorization to proceed with the physical work upon TxDOT's completion and clearance of its environmental review of the Highway Project. Any such work by the Utility prior to TxDOT's written authorization to proceed will not be eligible for reimbursement and the Utility is responsible for entering any property within the proposed limits of the Highway Project that has not yet been acquired by TxDOT. This written authorization to proceed with the physical work is in addition to the authorization to commence work outlined below. Notwithstanding the foregoing, the provisions of this paragraph are required only when TxDOT has not obtained completion and clearance of its environmental review of the Highway Project prior to the execution of this Agreement by the State and the Utility.

The **Utility** shall comply with the Buy America provisions of 23 U.S.C. § 313, 23 CFR 635.410, as amended, and the Steel and Iron Preference provisions of Texas Transportation Code § 223.045 and, when products that are composed predominately of steel and/or iron are incorporated into the permanent installation of the utility facility, use domestically manufactured products. TxDOT Form 1818 (Material Statement), along with all required attachments, must be submitted, prior to the commencement of the adjustment, removal, and relocation of the facility, as evidence of compliance with the aforementioned provisions. Failure to submit the required documentation or to comply with the Buy America, and Steel and Iron Preference requirements shall result in: (1) the **Utility** becoming ineligible to receive any contract or subcontract made with funds authorized under the Intermodal Surface Transportation Efficiency Act of 1991; (2) the **State** withholding reimbursement for the costs incurred by the **Utility** in the adjustment, removal, and relocation of the **Utility's** facilities; and (3) removal and replacement of the non-compliant products.

The **Utility** agrees to develop relocation or adjustment costs by accumulating actual direct and related indirect costs in accordance with a work order accounting procedure prescribed by the **State**, or may, with the **State's** approval, accumulate actual direct and related indirect costs in accordance with an established accounting procedure developed by the **Utility**. Bills for work hereunder are to be submitted to the **State** not later than one (1) year after completion of the work. Failure to submit the request for final payment, in addition to all supporting documentation, within one (1) year after completion of the work may result in forfeiture of payment for said work.

When requested, the **State** will make intermediate payments at not less than monthly intervals to the **Utility** when properly billed. Such payments will not exceed 90 percent (90%) of the eligible cost as shown in each such billing. Intermediate payments shall not be construed as final payment for any items included in the intermediate payment.

The **State** will, upon satisfactory completion of the adjustment, removal, and/or relocation and upon receipt of final billing prepared in an approved form and manner and accounting for any intermediate payments, make payment in the amount of 90 percent (90%) of the eligible costs as shown in the final billing prior to audit and after such audit shall make an additional final payment totaling the reimbursement amount found eligible for **State** reimbursement.

Alternatively, if the approved accounting method is a lump sum, the **State** agrees to pay the **Utility** an agreed lump sum of \$N/A as supported by the attached estimated costs. The **State** will, upon satisfactory completion of the adjustments, removals, and relocations and upon receipt of a final billing, make payment to the **Utility** in the agreed amount.

Upon execution of this agreement by both parties hereto, the **State** will, by written notice, authorize the **Utility** to perform such work diligently and to conclude said adjustment, removal, and relocation by the stated completion date which is attached hereto in Attachment "C". The completion date shall be extended for delays caused by events outside the **Utility's** control, including an event of Force Majeure, which shall include a strike, war or act of war (whether an actual declaration of war is made or not), insurrection, riot, act of public enemy, accident, fire, flood or other act of God, sabotage, or other events, interference by the **State** or any other party with the **Utility's** ability to proceed with the work, or any other event in which the **Utility** has exercised all due care in the prevention thereof so that the causes of other events are beyond the control and without the fault or negligence of the **Utility**.

\_\_\_\_\_  
Initial      Date  
TxDOT

\_\_\_\_\_  
Initial      Date  
Utility

This agreement in its entirety consists of the following elements:

Standard Utility Agreement – ROW-U-35;

- Plans, Specifications, and Estimated Costs (Attachment “A”);
- Accounting Method (Attachment “B”);
- Schedule of Work (Attachment “C”);
- Statement Covering Contract Work – ROW-U-48 (Attachment “D”);
- Utility Joint Use Agreement – ROW-U-JUA and/or Utility Installation Request – Form 1082 (Attachment “E”);
- Eligibility Ratio (Attachment “F”);
- Betterment Calculation and Estimate (Attachment “G”); and
- Proof of Property Interest – ROW-U-Affidavit (Attachment “H”).

All attachments are included herein as if fully set forth. In the event it is determined that a substantial change from the statement of work contained in this agreement is required, reimbursement therefore shall be limited to costs covered by a modification or amendment of this agreement or a written change or extra work order approved by the **State** and the **Utility**.

This agreement is subject to cancellation by the **State** at any time up to the date that work under this agreement has been authorized, and such cancellation will not create any liability on the part of the **State**. However, the **State** will review and reimburse the **Utility** for eligible costs incurred by the **Utility** in preparation of this Agreement.

The State Auditor may conduct an audit or investigation of any entity receiving funds from the **State** directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

The **Utility** by execution of this agreement does not waive any of the rights that the **Utility** may have within the limits of the law.

It is expressly understood that the **Utility** conducts the adjustment, removal, and relocation at its own risk, and that the **State** makes no warranties or representations regarding the existence or location of utilities currently within its right of way.

## Attachment "A"

### Plans, Specifications, and Estimated Costs

All material items within the cost estimate that must meet Buy America or Steel and Iron Preference Provision requirements must be indicated with an asterisk (\*).

- ☐ Currently, **this project does not plan to use** iron and steel subject to Buy America requirements. In the event that Buy America compliant materials are used during construction on this project, compliance documentation will be provided.
- ☐ There are non-domestic iron and steel materials in this project that fall under the De Minimis equation. Calculation showing the total cost does not exceed one-tenth of one percent (0.1 %) of the individual utility agreement amount or \$2,500.00, whichever is greater is required.
- ☒ We understand the Buy America Compliance Requirements for iron and steel and will supply the required documentation to TxDOT indicating compliance with this provision. The following documents will be supplied prior to installation of the materials:
- 1) Form 1818 - Material Statement
  - 2) Material Test Reports or Certifications

# I-35 @ FT. WORTH UTILITY RELOCATION

12" WATERLINE UPRR TO EAST,  
8" WATERLINE FT. WORTH DR. TO LOCUST ST. AND  
8" SANITARY SEWER ABANDONMENT

PROJECT #630523523  
FEBRUARY 2024

## SHEET LIST

1	COVER SHEET
2	GENERAL NOTES/CONTROL POINTS
3	QUANTITY SUMMARY
4	12" WATERLINE PLAN/PROFILE - NORTH SERVICE RD. FROM UPRR TO EAST
5	8" WATERLINE PLAN/PROFILE - SOUTH SERVICE RD. FROM FT. WORTH DR. TO LOCUST ST.
6	8" SANITARY SEWER ABANDONMENT - NORTH SERVICE RD. FROM FT. WORTH DR. TO LOCUST ST.
7-8	EROSION CONTROL SHEETS
9	TRAFFIC CONTROL NARRATIVE
10-13	DETAILS CITY OF DENTON - STANDARD DETAILS

\* THE DETAILS SHEETS SPECIFICALLY IDENTIFIED ABOVE HAVE BEEN SELECTED BY ME UNDER MY RESPONSIBLE SUPERVISION AS BEING APPLICABLE TO THIS PROJECT.

## GENERAL CONSTRUCTION NOTES:

DISCUSSION

- [illegible]

## THE USE OF BILBO

- UNATED AND CANITADY CEMED NOTES:

I. THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING WATER AND SEWER CONNECTIONS IN WORKING ORDER AT ALL TIMES. IN NO CASE SHALL SERVICES BE ALLOWED TO REMAIN OUT OF SERVICE OVERNIGHT.

- 2.2. EXISTING AND PROPOSED WATER, SEWER, OR STORM DRAINAGE APPLURTENANCES (I.E., VALVE STACKS, MANHOLE FRAMES, ETC.) LOCATED IN PROPOSED STREET RECONSTRUCTION ZONES SHALL BE ADJUSTED TO MATCH THE GRADE OF STREET. THESE ADJUSTMENTS SHALL BE CONSIDERED INCIDENTAL WORK AND NOT PAID FOR SEPARATELY.

SHALL BE ADJUSTED TO MATCH THE GRADE OF STREET. THESE ADJUSTMENTS SHALL BE CONSIDERED INCIDENTAL WORK AND NOT PAID FOR SEPARATELY.

1. THE CONTRACTOR SHALL PREPARE, IMPLEMENT, AND MAINTAIN AN EROSION CONTROL PLAN AND THE ASSOCIATED EROSION CONTROL MEASURES IN ACCORDANCE WITH THE GUIDELINES CONTAINED IN THESE PLANS.
2. IN THE EVENT THAT SIGNIFICANT EROSION OCCURS AS A RESULT OF CONSTRUCTION THE CONTRACTOR SHALL RESTORE ALL AFFECTED AREAS TO ORIGINAL CONDITION.
3. THE CONTRACTOR IS RESPONSIBLE FOR KEEPING STREETS AND SIDEWALKS ADJACENT TO THE PROJECT FREE OF MUD AND DEBRIS FROM THE CONSTRUCTION. THE CONTRACTOR SHALL PREVENT ANY RELEASES OF POLLUTANTS, INCLUDING BUT NOT LIMITED TO, OIL, GREASE, OR ADDITIONAL RELEASES OF MUD OR DELETERIOUS MATERIALS ONTO PUBLIC ROADWAYS OR PRIVATE PROPERTY.

HAULING EQUIPMENT:

1. THE USE OF RUBBER-TIRED EQUIPMENT WILL BE REQUIRED FOR MOVING DIRT OR OTHER MATERIALS ALONG OR ACROSS PAVED SURFACES. WHERE THE CONTRACTOR DESIRES TO MOVE ANY EQUIPMENT NOT LICENSED FOR OPERATION ON PUBLIC HIGHWAYS, ON OR ACROSS PAVEMENT, THEY SHALL PROTECT THE PAVEMENT FROM DAMAGE AS DIRECTED/APPROVED BY THE PROJECT MANAGER.

- UNATED AND CANITADY CEMED NOTES:

I. THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING WATER AND SEWER CONNECTIONS IN WORKING ORDER AT ALL TIMES. IN NO CASE SHALL SERVICES BE ALLOWED TO REMAIN OUT OF SERVICE OVERNIGHT.

- 2.2. EXISTING AND PROPOSED WATER, SEWER, OR STORM DRAINAGE APPLIANCE (I.E., VALVE STACKS, MANHOLE FRAMES, ETC.) LOCATED IN PROPOSED STREET RECONSTRUCTION ZONES SHALL BE ADJUSTED TO MATCH THE GRADE OF STREET. THESE ADJUSTMENTS SHALL BE CONSIDERED INCIDENTAL WORK AND NOT PAID FOR SEPARATELY.

SHALL BE ADJUSTED TO MATCH THE GRADE OF STREET. THESE ADJUSTMENTS SHALL BE CONSIDERED INCIDENTAL WORK AND NOT PAID FOR SEPARATELY.

## CP NUMBER NORTHING EASTING

BEARINGS OF LINES SHOWN HEREON REFER TO GRID NORTH OF THE COORDINATE SYSTEM OF 1983 (NORTH CENTRAL ZONE; NAD83 (2011) AS DERIVED LOCALLY FROM WESTERN DATA SYSTEMS CONTING 2010) OPERATING REFERENCE STATIONS (CORS) VIA REAL TIME KINEMATIC CORPS. ALL ELEVATIONS ARE REFERENCED TO NAVD83, AS DERIVED OBSERVATIONS. ORTHOMETRIC HEIGHTS WERE CALCULATED BY APPLYING GEOD12A MODEL TO ELLIPSOID HEIGHTS.

- BEARINGS OF LINES SHOWN HEREON REFER TO GRID NORTH OF THE TEXAS COORDINATE SYSTEM OF 1983 (NORTH CENTRAL ZONE; NAD83 (2011) EPOCH 2010) AS DERIVED LOCALLY FROM WESTERN DATA SYSTEMS CONTINUITY OPERATING REFERENCE STATIONS (CORS) VIA REAL TIME KINEMATICS (RTK) CORRS. ALL ELEVATIONS ARE REFERENCED TO NAVD83, AS DERIVED FROM RTK CORRS. ORTHOMETRIC HEIGHTS WERE CALCULATED BY APPLYING THE GEOID012A MODEL TO ELLIPSOID HEIGHTS.

SURVEY DATA WAS COLLECTED IN JULY 2023

SURVEY DATA WAS COLLECTED IN JULY 2023

[illegible]

3. THE CONTRACTOR SHALL INSTALL METAL PLATES OVER OPEN TRENCHES, UNCOVERED MANHOLES OR OPEN INLETS ADJACENT TO TRAFFIC OVERNIGHT OR WHEN NO WORK IS BEING PERFORMED FOR MULTIPLE DAYS.

5. THE CONTRACTOR SHALL INSTALL METAL PLATES OVER OPEN TRENCHES, UNCOVERED MANHOLES OR OPEN INLETS ADJACENT TO TRAFFIC OVERNIGHT OR WHEN NO WORK IS BEING PERFORMED FOR MULTIPLE DAYS.

- FINAL CLEAN UP.
- UPON COMPLETION OF THE WORK AND BEFORE FINAL ACCEPTANCE AND FINAL PAYMENT IS MADE, THE CONTRACTOR SHALL CLEAR AND REMOVE FROM THE SITE ALL SURPLUS AND EXCESS MATERIALS, DEBRIS, AND WASTE OF EVERY KIND AND LEAVE THE ENTIRE PROJECT IN A SMOOTH, NEAT AND SIGHTLY CONDITION.

UPON COMPLETION OF THE WORK AND BEFORE FINAL ACCEPTANCE AND FINAL PAYMENT IS MADE, THE CONTRACTOR SHALL CLEAR AND REMOVE FROM THE SITE ALL SURPLUS AND DISCARDED MATERIALS AND DEBRIS OF EVERY KIND AND LEAVE THE ENTIRE PROJECT IN A SMOOTH, NEAT AND SIGHTLY CONDITION.

## ATMOS (LOCAL-GAS) CITY OF DEN

• THE EXISTING UTILITIES SHOWN ON THESE PLANS WERE COMPILED FROM INFORMATION PROVIDED BY THE UTILITIES. THE CONTRACTOR SHALL VERIFY THE LOCATION OF THE UTILITIES INFORMATION ON THE PLANS PRIOR TO ANY CONSTRUCTION ACTIVITY. THE CONTRACTOR SHALL VERIFY THE EXACT LOCATION OF ALL EXISTING UTILITIES AND DETERMINE IF THERE ARE ANY CONFLICTS WITH THE PROPOSED FACILITIES. THE CONTRACTOR SHALL NOTIFY THE ENGINEER IMMEDIATELY WHEN CONFLICTS WITH EXISTING UTILITIES ARE DISCOVERED.

- THE EXISTING UTILITIES SHOWN ON THESE PLANS WERE COMPILED FROM INFORMATION PROVIDED BY THE UTILITIES. THE CONTRACTOR SHALL VERIFY THE LOCATION OF THE UTILITIES INFORMATION ON THE PLANS PRIOR TO ANY CONSTRUCTION ACTIVITY. THE CONTRACTOR SHALL VERIFY THE EXACT LOCATION OF ALL EXISTING UTILITIES AND DETERMINE IF THERE ARE ANY CONFLICTS WITH THE PROPOSED FACILITIES. THE CONTRACTOR SHALL NOTIFY THE ENGINEER IMMEDIATELY WHEN CONFLICTS WITH EXISTING UTILITIES ARE DISCOVERED.

TRAFFIC CONTROL PLAN GUIDELINES

- ALL TRAFFIC CONTROL PLANS FOR THIS PROJECT SHALL BE REVIEWED BY THE CONTRACTOR AND SUBMITTED FOR REVIEW BY THE CITY PRIOR TO IMPLEMENTATION. THE PROJECT MANUAL TRAFFIC CONTROL PLANS SHALL BE SUBJECT TO THE CITY ENGINEER'S REVIEW AND APPROVAL. THE CONTRACTOR SHALL MAINTAIN ONE LANE OF TRAFFIC OPEN DURING INSTALLATION WITH THE USE OF CONE PLACEMENT AND TRAFFIC CONTROL DEVICES.
1. FOR THE WATER LINE TIE-IN AT LOUISE STREET, THE CONTRACTOR SHALL MAINTAIN ONE LANE OF TRAFFIC OPEN DURING INSTALLATION WITH THE USE OF CONE PLACEMENT AND TRAFFIC CONTROL DEVICES.
2. IF THE LOCATION OF THE REAL ESTATE'S EXISTING TRAFFIC TO PASS ON THE ROAD SAFELY, THE CONTRACTOR MAY CLOSE THE ROAD TO PASS TRAFFIC. THE CONTRACTOR SHALL MAINTAIN ONE LANE OF TRAFFIC OPEN DURING INSTALLATION. ACCESS MUST BE MAINTAINED TO THE BUSINESS AT 301 N-USE (CAMP HARBOR) AND THE RESIDENCE AT 19229 S. LOUST 51.
3. THE TRAFFIC CONTROL PLAN MUST BE SUBMITTED TO TDDT AND A TDDT PERMIT OBTAINED BEFORE WORK ON THE SITE IS COMMENCED.

# Utility Adjustment for TxDOT Project

TXDOT STANDARD  
SUA ESTIMATE

City of Denton

IH35E - UPRR

RCSJ: 0195-03-103

Utility ID#: U00020852

UNNUMBER: N/A

The cost estimate items must be sufficiently detailed to provide TxDOT with a reasonable basis for analysis. Items should include appropriate units and unit price for each (See Utility Manual, Chapter 7). Applies to All "EA" or "LS" items.

## Internally Supplied Materials - documented with Certified Ledger at Payment

Line Item / Item Description	Unit	Quantity	\$/Unit	Total
* Sample Steel item to show (*) indication				\$ -
X Select this row and Insert to add rows. Drag to fill formulas from top cell.				\$ -
OVERHEAD (%)	Enter % if applicable		0.00%	\$ -
SUBTOTAL				\$ -

## Externally Acquired Materials - documented with Invoices and/or Checks

Line Item / Item Description	Unit	Quantity	\$/Unit	Total
* Gate Valve (8")	EA	1	\$8,000.00	\$ 8,000.00
* Gate Valve (12")	EA	1	\$11,000.00	\$ 11,000.00
* Water Service Connection (1")	EA	2	\$5,000.00	\$ 10,000.00
* Water Service Connection (1.5")	EA	1	\$7,500.00	\$ 7,500.00
* 2" Air/Vacuum Release Valve	EA	1	\$15,000.00	\$ 15,000.00
* Fire Hydrant Assembly	EA	3	\$13,000.00	\$ 39,000.00
PVC Water Main (8")	LF	709	\$236.00	\$ 167,324.00
PVC Water Main (12")	LF	466	\$411.00	\$ 191,526.00
SUBTOTAL				\$ 449,350.00
MATERIALS SUBTOTAL				\$ 449,350.00

\* Indicated items are being tracked for **BUY AMERICA COMPLIANCE** and will be documented using **Form 1818** and all supporting documentation prior to installation.

X Indicated items are IRON or STEEL, but will not be tracked for BUY AMERICA COMPLIANCE due to falling under the DE MINIMUS of \$2,500, or .1% of the project total cost, whichever is greater.	Sum of De Minimus Items	\$0.00
---	-------------------------	--------

## Internal Labor Costs - documented with Certified Ledger at payment.

Line Item / Item Description	Unit	Quantity	\$/Unit	Total
Tapping Sleeve & Valve Connection (6")	EA	1	\$6,000.00	\$ 6,000.00
Tapping Sleeve & Valve Connection (8")	EA	2	\$7,000.00	\$ 14,000.00
OVERHEAD (%)	Enter % if applicable			\$ -
SUBTOTAL				\$ 20,000.00

## External Labor Costs - documented with Invoices and / or checks

Line Item / Item Description	Unit	Quantity	\$/Unit	Total
Mobilization	LS	1	\$20,000.00	\$ 20,000.00
Project Signs	EA	2	\$1,000.00	\$ 2,000.00
Utility Line Removal	LF	1285	\$45.00	\$ 57,825.00
Remove Fire Hydrant	EA	3	\$2,000.00	\$ 6,000.00
Remove Cleanout	EA	1	\$2,000.00	\$ 2,000.00
Remove Water Valve	EA	4	\$2,000.00	\$ 8,000.00
SWPPP Device Installation	EA	1	\$15,000.00	\$ 15,000.00
SWPPP Device Removal	EA	1	\$2,500.00	\$ 2,500.00
Asphalt Pavement Repair for Utility Trench	YD	80	\$300.00	\$ 24,000.00
Concrete Pavement Repair for Utility Trench	YD	94	\$360.00	\$ 33,840.00
Seeding Turf Grass	YD	1005	\$4.00	\$ 4,020.00
Black Sod	YD	412	\$10.00	\$ 4,120.00

## Attachment “B” Accounting Method

### **Actual Cost Method of Accounting**

The utility accumulates cost under a work order accounting procedure prescribed by the Federal or State regulatory body and proposes to request reimbursement for actual direct and related indirect costs.

### **Lump Sum Method of Accounting**

The Utility proposed to request reimbursement based on an agreed lump sum amount supported by a detailed cost analysis.

## Attachment “D” Statement Covering Contract Work

**Construction Contract:** Complete form ROW-U-48 and ROW-U-48-1 if applicable.

- ☐ Utility performing with their own forces (timesheets will be required at the time of billing).
- ☒ Utility will use outside forces to perform the adjustment, complete attached ROW-U-48 or ROW-U-48-1 (joint bid).

### Engineering Contract:

- ☒ Utility performing with their own forces (timesheets will be required at the time of billing).
- ☐ Utility will use consultant contract (continuing contract rate sheets or fee schedule will be required).
- ☐ TxDOT will procure a utility engineering consultant.

STATEMENT COVERING UTILITY CONSTRUCTION CONTRACT WORK  
(AS APPEARING IN ESTIMATE)

Form ROW-U-48  
(Rev. 10/20)  
Page 1 of 1

U-Number: N/A Utility ID: U00020852  
ROW CSJ Number: 0195-03-103 District: Dallas  
County: Denton Highway No.: IH35E  
Federal Project No.: N/A

I, \_\_\_\_\_, a duly authorized and qualified representative of \_\_\_\_\_, hereinafter referred to as **Owner**, am fully cognizant of the facts and make the following statements in respect to work which will or may be done on a contract basis as it appears in the estimate to which this statement is attached.

It is more economical and/or expedient for **Owner** to contract this adjustment, or **Owner** is not adequately staffed or equipped to perform the necessary work on this project with its own forces to the extent as indicated on the estimate.

Procedure to be Used in Contracting Work

- ☐ A. Solicitation for bids is to be accomplished through open advertising and contract is to be awarded to the lowest qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be performed. Associated bid tabulations will be provided to the **State**.
- ☒ B. Solicitation for bids is to be accomplished by circulating to a list of pre-qualified contractors or known qualified contractors and such contract is to be awarded to the lowest qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be performed. Associated bid tabulations will be provided to the **State**. Such presently known contractors are listed below:
1. Oscar Renda
  2. Mountain Cascade
  3. SJ. Louis Construction of Texas, Ltd
- ☐ C. The work is to be performed under an existing continuing contract under which certain work is regularly performed for **Owner** and under which the lowest available costs are developed. The existing continuing contract will be made available to the **State** for review at a location mutually acceptable to the **Owner** and the **State**. If only part of the contract work is to be done under an existing contract, give detailed information by attachment hereto.
- ☐ D. The utility proposes to contract outside the foregoing requirements and therefore evidence in support of its proposal is attached to the estimate in order to obtain the concurrence of the **State**, and the Federal Highway Administration Division Engineer where applicable, prior to taking action thereon (approval of the agreement shall be considered as approval of such proposal).
- ☐ E. The utility plans and specifications, with the consent of the **State**, will be included in the construction contract awarded by the **State**. In the best interest of both the **State** and the **Owner**, the **Owner** requests the **State** to include the plans and specifications for this work in the general contract for construction of Highway \_\_\_\_\_ in this area, so that the work can be coordinated with the other construction operations; and the construction contract is to be awarded by the **State** to the lowest qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be performed. If this option is chosen, attach form ROW-U-48-1, the terms of which are incorporated herein by reference.

Darla Payberah  
TxDOT – Dallas District Utility and Survey Supervisor  
4777 E. Highway 80  
Mesquite, Texas 76021  
214-320-6648

Dear Mrs. Payberah:

This correspondence aims to elucidate the reasons behind the limited participation in the bidding process for the Fort Worth Drive Bridge Frontage Road (CSJ-088) (RCSJ-103) - Utility ID#: U00020852 project by the City of Denton.

The City of Denton initiated the solicitation for this project utilizing a Prequalified List of Utility Relocation Construction Services, consisting of three (3) contractors: Mountain Cascade of Texas, Oscar Renda Contracting, Inc., and S.J. Louis Construction of Texas, Ltd. However, bids were only received from Mountain Cascade of Texas and Oscar Renda Contracting, Inc., as submitted to the City of Denton's Procurement Office. It's noteworthy that the City lacks the authority to mandate participation from all parties, hence S.J. Louis Construction of Texas, Ltd. did not fulfill the bid requirements.

Should you find this letter and its accompanying enclosure insufficient in addressing this matter, please don't hesitate to contact us for further assistance.

Sincerely,

**Shawn  
Messick**

In accordance with the provisions of Texas State Law, the City of Denton (the City) is requesting submissions to contract with an individual or business with considerable experience in providing goods or services of this solicitation. The responses and the cost solutions shall be submitted to the City of Denton in a sealed submission.

The awarded individual or business shall possess a proven track record of using innovative approaches to providing goods and services that represent the best value to their clients. The awarded individual or business shall have the ability to accomplish all aspects of the requested services. The selected individual or firm should be able to provide innovative methods to deal with municipal challenges, and cost effective solutions.

Only firms prequalified under the Request for Qualifications (RFQ 7968 - Prequalification for Utility Relocation Construction Services) portion of this two-step process are allowed to submit bids in response to this Invitation for Bid (IFB). The firms who have been prequalified are as follows (listed alphabetically):

- Mountain Cascade of Texas
- Oscar Renda Contracting, Inc.
- S.J. Louis Construction of Texas, Ltd.

Schedule Dates: from 06/01/2024 to 08/31/2024

TxDOT offers no objection to the location on the right-of-way of your proposed utility installation, as described by Notice of Proposed Utility Installation No. 00002/20231030/20682/40093/UP dated

10/30/2023 and accompanying documentation, except as noted below.

Contractors: Contact Denton County Area Office to submit all permit information: 72 Hour advance notice, Contact Gary Matthews (214-392-2106) Submit traffic control and lane closures to Donovan Carter (214)-415-7872 / [Donovan.carter@txdot.gov](mailto:Donovan.carter@txdot.gov) If not available Leonard Chapman (940)-230-5350 / [Leonard.Chapman@txdot.gov](mailto:Leonard.Chapman@txdot.gov) General Note Underground utilities owned by the Texas Department of Transportation may be present within the Right-Of-Way on this project. For signal, illumination, surveillance, and communications & control maintained by TxDOT, call the TxDOT Traffic Signal Office (214-320-6682) for locates a minimum of 48 hours in advance of excavation. For irrigation systems, call TxDOT Landscape Office (214-320-6205) for locates a minimum of 48 hours in advance of excavation. If city or town owned irrigation facilities are present, call the appropriate department of the local city or town a minimum of 48 hours in advance of excavation. The Contractor is liable for all damages when utilities are damaged due to Contractor's negligence including, but not limited to, repair or replacement at the Contractor's expense. If advanced notice and Lane closures are not submitted prior to starting work, Txdot will direct contractors to stop work until adequate notification is submitted. LANE CLOSURES ARE PROHIBITED THE FOLLOWING DATES AND TIMES (TOTAL ECLIPSE PRECAUTIONS): BEGINNING AT 8:00 AM, APRIL 6, 2024 -THRU- 12:00 PM, APRIL 9, 2024 CONTRACTORS MAY WORK DURING THEIR NORMAL TIMES AS LONG AS IT DOES NOT INVOLVE ANY LANE CLOSURES.

### Special Provisions:

You are required to notify TxDOT 72 hours (3 business days) before you start construction to allow for proper inspection and coordination of workdays and traffic control plans. Use the RULIS website for the 72-hour notification. DO NOT start construction until you have coordinated the construction start date and inspection with TxDOT. You are also required to keep a copy of this Approval and any approved amendments at the job site.

When installing utility lines on controlled-access highways, access for serving this installation shall be limited to access via (a) frontage roads where provided, (b) nearby or adjacent public roads or streets, (c) trails along or near the highway right-of-way lines, connecting only to intersecting roads; from any one or all of which entry may be made to the outer portion of the highway right-of-way for routine service and maintenance operations. The Installation Owner's rights of access to the through-traffic roadways and ramps shall be subject to the same rules and regulations as that apply to the general public except, however, if an emergency occurs and usual means of access for routine service operations will not permit the immediate action required by the Utility Installation Owner in making emergency repairs as required for the safety and welfare of the public, the Utility Owners shall have a temporary right of access to and from the through-traffic roadways and ramps as necessary to accomplish the required emergency repairs, provided TxDOT is immediately notified by the Utility Installation Owner when such repairs are initiated and adequate provision is made by the Utility Installation Owner for the convenience and safety of highway traffic.

The installation shall not damage any part of the highway, and adequate provisions must be made to cause minimum inconveniences to traffic and adjacent property owners. If the Utility Installation Owner fails to comply with any or all the requirements as set forth herein, the State may take such action as it deems appropriate to compel compliance.

Utility ID#: Pending

Dear Ms. Clemens:

City of Denton Water

*Utility Owner/Company Name*

hereby requests portions/portion of the existing utility facility adjustments and/or relocations shown in the attached exhibits to address items outlined in 43 TAC §21.39 to be abandoned in place. Please provide further information regarding your request for abandonment.

- Utility Owner** agrees the areas of abandonment will not have negative impacts on TxDOT's facilities and/or construction. Areas proposed for abandonment have exhibits included such as Plan/Profile(s), Plan/Cross Section(s), etc.
- Indicate how this abandonment will benefit TxDOT:

Facilities to be abandoned are located within close proximity to existing sidewalk that will potentially need to be removed.

3. Explain how the abandonment will not impede future installations of other facilities in TxDOT ROW.

Facility will not be in conflict with proposed construction for this Txdot project and can be verified during roadway construction by a City representative upon request.

4. The existing type of utility facility to be abandoned within TxDOT ROW consists of (type, diameter, material, length and depth):

Aproximitley 340' of 8" sanitary sewer at a variable depth of 3'-5' on the NBFR of IH35E.

5. Describe the proposed final condition of the abandoned facilities, ensuring compliance with TxDOT's UAR. The utility adjustment/relocation of the vacated facilities\*, shown in the attached exhibits as abandoned in place, will be (example cut, capped, grout filled):

8" line is to be cut, plugged, and grout filled per TAC.

6. **Utility Owner** agrees to all other facilities conflicting with above TxDOT Construction Project, if applicable, will be removed as indicated in detail within the enclosed plans and supporting documentation.

The enclosed plans and supporting documentation includes:

1. UIR Installation Request (Permit)
2. Relocation plans in the form of Plan/Profile(s), Plan/Cross Section(s), etc. that includes:
  - Age, condition, size, current status, type (material composition) and length of the utility facility to be abandoned.
  - The approximate depth of the existing pipeline or conduit to be abandoned.
  - Existing pipeline or conduit operating condition (Optimal/Compromised).
  - Existing pipeline or conduit is not in conflict with other existing utilities.
  - Abandonment will not cause conflict with either the proposed construction and/or other utilities.
  - The removal of abandoned facilities as shown will be coordinated in advance with the designated TxDOT Contractor and/or Utility Coordinator in the Area Office.

This abandonment **WILL NOT** be construed as a change in ownership of the facility.

1. **Utility Owner** assumes all financial responsibility and property ownership of the abandoned facility referenced above.
2. **Utility Owner** will be responsible for maintaining abandoned facility records, in accordance with 43 TAC §21.39 and all current federal, state, local laws, codes and industry standards.
3. **Utility Owner** attests the utility facility associated with this abandonment does not contain, or is not composed of, hazardous or contaminated materials.

The below contact will be on-site within 48 hours of notice to identify the abandoned utility:

Utility Owner Contact:

Cole Tankersley

Address:

401 N. Elm St.  
Denton, TX 76201

Phone Number:

### AGENDA CAPTION

Consider approval of the May 20, 2024 minutes.

**CITY OF DENTON PUBLIC UTILITIES BOARD MINUTES**  
**May 20, 2024**

After determining that a quorum was present of the Public Utilities Board of the City of Denton, convened in a Regular Meeting on Monday, May 20, 2024, at 9:00 a.m. in the Council Work Session Room at City Hall, 215 E. McKinney Street, Denton, Texas.

PRESENT: Chair Susan Parker, Vice Chair Billy Cheek, Devin Taylor, Lee Riback

Also present: General Manager Antonio Puente and Deputy City Attorney Marcella Lunn

Absent: Robert Rayner and Thomas Plock

**REGULAR MEETING**

**1. PRESENTATIONS FROM MEMBERS OF THE PUBLIC**

There were no presentations from the public.

**2. CONSENT AGENDA**

The Consent Agenda consisted of Items 2 A - G

**Board Member Cheek moved to recommend adoption of agenda items 2 A - G. Motion seconded by Board Member Riback; motion carried.**

**YES (4): Susan Parker, Billy Cheek, Devin Taylor, Lee Riback**

**NO (0):**

- A. PUB24-104** Consider recommending adoption of an ordinance of the City of Denton, a Texas Home-Rule Municipal Corporation, authorizing the City Manager or designee to execute an Oversize Cost Participation Agreement with 4600 Ganzer Investments, LLC, for the construction of a 16" water main for the Water Utilities Department; providing for the expenditure of funds therefor; and providing an effective date (4600 Ganzer Investments, LLC, in the amount not-to-exceed amount of \$1,092,497.00).
- B. PUB24-094** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a Professional Services Agreement with Binkley & Barfield, Inc., for design services for Neighborhood 5A for the Capital Projects Department as set forth in the contract; providing for the expenditure of funds therefor; and providing an effective date (RFQ 7599-019 - Professional Services Agreement for design services awarded to Binkley & Barfield, Inc., in the not-to-exceed amount of \$1,355,840.00).

- C. PUB24-095** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a Professional Services Agreement with Kimley-Horn and Associates, Inc., for engineering services for the conceptual design and due diligence items for the Clear Creek Interceptor project for the Wastewater Department as set forth in the contract; providing for the expenditure of funds therefor; and providing an effective date (RFQ 8213-001 - Professional Services Agreement for engineering services awarded to Kimley-Horn and Associates, Inc., in the not-to-exceed amount of \$1,259,400.00).
- D. PUB24-096** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Keasler Sales, LLC, for the purchase of protective relay panels for the Brinker Substation Phase II for Denton Municipal Electric; providing for the expenditure of funds therefor; and providing an effective date (RFP 8473 - awarded to Keasler Sales, LLC, in the not-to-exceed amount of \$82,578.00).
- E. PUB24-097** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with SewerAI Corporation, for sewer pipe and manhole rating services for the Drainage and Wastewater Departments; providing for the expenditure of funds therefor; and providing an effective date (RFP 8488 - awarded to SewerAI Corporation, for one (1) year, with the option for four (4) additional one (1) year extensions, in the total five (5) year not-to-exceed amount of \$875,000.00).
- F. PUB24-098** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Aerowave Technologies, LLC, for the Aerowave In-Cab Radio subscription for the Solid Waste and Recycling Department, which is the sole provider of this software, in accordance with Texas Local Government Code 252.022, which provides that procurement of commodities and services that are available from one source are exempt from competitive bidding, and if over \$50,000, shall be awarded by the governing body; providing for the expenditure of funds therefor; and providing an effective date (File 8536 - awarded to Aerowave Technologies, LLC, for one (1) year, with the option for two (2) additional one (1) year extensions, in the total three (3) year not-to-exceed amount of \$122,850.00).
- G. PUB24-099** Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, rejecting any and all competitive proposals under RFP 8429 for Substation Power Transformers; and providing an effective date (RFP 8429).

**File #:** PUB24-110, **Version:** 1

---

### **AGENDA CAPTION**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Archer Western Construction, LLC, for the Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project for the Water Utilities Department; providing for the expenditure of funds therefor; and providing an effective date (CSP 8141-2 - awarded to Archer Western Construction, LLC, in the not-to-exceed amount of \$43,994,500.00).

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Procurement  
**ACM:** Cassey Ogden  
**DATE:** June 10, 2024

### **SUBJECT**

Consider recommending adoption of an ordinance of the City of Denton, a Texas home-rule municipal corporation, authorizing the City Manager to execute a contract with Archer Western Construction, LLC, for the Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project for the Water Utilities Department; providing for the expenditure of funds therefor; and providing an effective date (CSP 8141-2 – awarded to Archer Western Construction, LLC, in the not-to-exceed amount of \$43,994,500.00).

### **STRATEGIC ALIGNMENT**

This action supports Key Focus Area: Enhance Infrastructure and Mobility.

### **INFORMATION/BACKGROUND**

The recently completed design of the Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project included improvements and updates to a majority of the treatment processes at the Ray Roberts Water Treatment Plant (RRWTP). The following are highlighted focus areas of this Project:

- Replacement of electric motor valve operators throughout the RRWTP to improve reliability and operation of the devices that have exceeded their anticipated life cycle.
- Rehabilitation of the solids removal equipment with the existing sedimentation basin to improve operations and reduce the maintenance requirements of the components that have exceeded their anticipated life cycle.
- Replacement of electric motor valve operators and valves associated with the existing filters.
- Replacement of the outdated filter media with Granular Activated Carbon in all eight filters to increase filtration efficiency and water quality.
- Addition of a backwash ground storage tank and associated piping and valve additions.
- Construction of a new backwash system for the existing filters with necessary piping, valve, and programming components to provide a greater degree of flexibility to the operations staff and allow the RRWTP staff to backwash (clean) filters back-to-back should the need arise.
- Construction of a new Variable Frequency Drive Building to support the replacement of the two existing 1000 HP soft starters to variable frequency drives to provide operational flexibility for flow control.

The goal of these improvements is to improve operational flexibility and reduce the maintenance requirements of critical components.

The RRWTP Re-Rate Project has a total estimated cost of \$43,994,500. This estimate includes a \$39,995,000 total base bid amount and a contingency of \$3,999,500. A contingency allowance, if any, is for the sole use of the City and will be subject to written authorization by the City's Project Manager and Program Manager.

The Utility Extendable Commercial Paper program is being used as appropriation authority for this contract.

Competitive Sealed Proposals were sent to 1,057 prospective suppliers, including 75 Denton firms. In addition, specifications were placed on the Procurement website for prospective suppliers to download and advertised in the local newspaper. Two (2) proposals were received, references were checked, and proposals were evaluated based upon published criteria including key personnel, past experience on similar projects, schedule/written plan, safety record, and price. Best and Final Offers (BAFO) were requested from the top firm. Based upon this evaluation, Archer Western Construction, LLC was ranked the highest and determined to be the best value for the City.

## **RECOMMENDATION**

Award a contract with Archer Western Construction, LLC, for the Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project for the Water Utilities Department, in a not-to-exceed amount of \$43,994,500.

## **PRINCIPAL PLACE OF BUSINESS**

Archer Western Construction, LLC  
Irving, TX

## **SUSTAINABILITY MEASURES**

The Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project improves the existing water treatment plant by improving reliability through rehabilitation, innovation, and capacity increases. Our goal is to improve the reliability and flexibility in the operation of the existing plant. We also ensure water is treated in accordance with regulatory requirements. Protect the health, safety, and the environment by improving several key components within the plant.

## **ESTIMATED SCHEDULE OF PROJECT**

This project will be started upon approval with an estimated final completion within 1,088 days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed.

## **FISCAL INFORMATION**

The Utility Extendable Commercial Paper program is being used as appropriation authority for this contract. These services will be funded from Water Utilities account 630409523.1360.40100. Requisition #164777 has been entered into the Purchasing software system in the amount of \$8,000,000. The budgeted amount for this item is \$43,994,500.

# Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project

Katherine Koch  
Project Manager  
Water Utilities

PUB24-110 – June 10, 2024

# RRWTP Capacity Re-Rate

- The Ray Roberts Water Treatment Plant (RRWTP) was placed into service in 2002 and has not received any major maintenance since.
  - The project includes significant improvements to treatment processes.
  - The project will improve operational flexibility and reduce maintenance.
- It is anticipated that the project add up to 10 million gallons a day (MGD) of additional treatment capacity. Yielding between 28 and 30 MGD of total capacity at the site.
- The project is anticipated to be completed in Q4 of 2028.

# Major Project Components

- Replacement of valves and actuators throughout RRWTP to improve reliability.
- Rehabilitation of the solids removal equipment within the sedimentation basins.
- Replacement of the outdated filter media with Granular Activated Carbon in all eight filters to increase filtration efficiency.
- Construction of a new backwash system to increase flexibility for the operations staff to clean filters.
- Construction of a new Variable Frequency Drive Building to support the replacement of the two existing 1000 HP soft starters to variable frequency drives.

# Competitive Sealed Proposals

Through the procurement evaluation process for this Competitive Seal Proposal staff received two competitive bids.

PUB24-110 – June 10, 2024

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE OF THE CITY OF DENTON, A TEXAS HOME-RULE MUNICIPAL CORPORATION, AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH ARCHER WESTERN CONSTRUCTION, LLC, FOR THE RAY ROBERTS WATER TREATMENT PLANT CAPACITY RE-RATE AND PERFORMANCE IMPROVEMENTS PROJECT FOR THE WATER UTILITIES DEPARTMENT; PROVIDING FOR THE EXPENDITURE OF FUNDS THEREFOR; AND PROVIDING AN EFFECTIVE DATE (CSP 8141-2 – AWARDED TO ARCHER WESTERN CONSTRUCTION, LLC, IN THE NOT-TO-EXCEED AMOUNT OF \$43,994,500.00).

WHEREAS, the City has solicited, received, and evaluated competitive proposals for the Ray Roberts Water Treatment Plant Capacity Re-Rate and Performance Improvements Project for the Water Utilities Department; and

WHEREAS, the City Manager, or a designated employee, has received, reviewed, and recommended that the herein described proposals are the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the competitive sealed proposals; and

WHEREAS, this procurement was undertaken as part of the City’s governmental function [Health and sanitation services]; and

WHEREAS, the City Council has provided in the City Budget for the appropriation of funds to be used for the purchase of the materials, equipment, supplies, or services approved and accepted herein; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF DENTON HEREBY ORDAINS:

SECTION 1. The items in the following numbered competitive sealed proposal for materials, equipment, supplies, or services shown in the “Competitive Sealed Proposals” on file in the office of the Purchasing Agent, are hereby accepted and approved as being the most advantageous to the City considering the relative importance of price and the other evaluation factors included in the competitive sealed proposal.

<u>CSP NUMBER</u>	<u>CONTRACTOR</u>	<u>AMOUNT</u>
8141-2	Archer Western Construction, LLC	\$43,994,500.00

SECTION 2. That by the acceptance and approval of the above numbered items of the submitted proposals, the City accepts the offer of the persons submitting the proposals for such items and agrees to purchase the materials, equipment, supplies, or services in accordance with the terms, specifications, standards, quantities, and for the specified sums contained in the Proposal Invitations, Proposals, and related documents.

**SECTION 3.** That should the City and person submitting approved and accepted items wish to enter into a formal written agreement as a result of the acceptance, approval, and awarding of the proposals, the City Manager, or their designated representative, is hereby authorized to execute the written contract which shall be attached hereto; provided that the written contract is in accordance with the terms, conditions, specifications, standards, quantities, and specified sums contained in the Proposal and related documents herein approved and accepted.

**SECTION 4.** The City Council of the City of Denton hereby expressly delegates the authority to take any actions that may be required or permitted to be performed by the City of Denton under this ordinance to the City Manager of the City of Denton, or their designee.

**SECTION 5.** By the acceptance and approval of the above enumerated bids, the City Council hereby authorizes the expenditure of funds therefor in the amount and in accordance with the approved bids.

**SECTION 6.** This ordinance shall become effective immediately upon its passage and approval.

The motion to approve this ordinance was made by \_\_\_\_\_ and seconded by \_\_\_\_\_. This ordinance was passed and approved by the following vote [\_\_\_ - \_\_\_]:

**SECTION 00 52 44****AGREEMENT - CSP**

**THIS AGREEMENT**, authorized on \_\_\_\_\_ is made by and between the City of Denton, a Texas home rule municipal corporation, acting by and through its duly authorized City Manager, ("City"), and Archer Western Construction, LLC, authorized to do business in Texas, acting by and through its duly authorized representative, ("Contractor").

City and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

**Article 1. WORK**

Contractor shall complete all Work as specified or indicated in the Contract Documents for the Project identified herein.

**Article 2. PROJECT**

The project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

RRWTP Capacity Re-Rate and Performance Improvements

CSP# 8141-2

**Article 3. CONTRACT PRICE**

City agrees to pay Contractor for performance of the Work in accordance with the Contract Documents an amount, in current funds, of Thirty-Nine Million Nine Hundred Ninety-Five Thousand Dollars (\$39,995,000). At the sole option of the City, ten (10) percent contingency in the amount of Three Million Nine Hundred Ninety-Nine Thousand Five Hundred Dollars (\$3,999,500) may be used for a total not-to-exceed amount of Forty-Three Million Nine Hundred Ninety-Four Thousand Five Hundred Dollars (\$43,994,500).

**Article 4. CONTRACT TIME****4.1 Time is of the essence.**

All time limits for Milestones, if any, Substantial Completion and Final Acceptance as stated in the Contract Documents are of the essence to this Contract.

**4.2 Substantial Completion.**

The Work will be Substantially Complete, as defined in the Supplementary Conditions, within 1,025 Days the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.

**4.3 Final Acceptance.**

The Work will be complete for Final Acceptance within 1,088 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.

## 4.5 Liquidated Damages:

A. Contractor recognizes that *time is of the essence* to achieve Milestones, Substantial Completion, and Final Acceptance of the Work, and City will suffer financial and other losses if the Work is not completed within the times specified in the Contract Documents. The Contractor also recognizes the delays, expense and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by the City if the Work related to the Milestones, Substantial Completion, or Final Acceptance is not completed on time. Accordingly, instead of requiring any such proof, Contractor agrees that liquidated damages for delay (but not as a penalty):

1. *Milestones*: If Contractor neglects, refuses, or fails to complete a Milestone(s) within the time (as duly adjusted in the Contract) specified in Section 01 35 00 "Special Procedures", Contractor shall pay the City the liquidated damages outlined in Section 01 35 00 "Special Procedures", until the Milestone(s) is completed.
2. *Substantial Completion*: If the Contractor neglects, refuses, or fails to achieve Substantial Completion, as defined in the Supplementary Conditions, within the time (as duly adjusted pursuant to the Contract) specified in Paragraph 4.2, Contractor shall pay City *Seven hundred fifty* Dollars (\$750) for each day that expires after such time, until Substantial Completion is achieved.
3. *Final Acceptance*: If Contractor neglects, refuse, or fails to complete the Work within the time (as duly adjusted under the Contract) specified in Paragraph 4.3, for completion and readiness for Final Payment, Contractor shall pay City five hundred Dollars (\$500) for each day that expires after such time, until the date determined by City as stated in the City-issued Letter of Final Acceptance.

**Article 5. CONTRACT DOCUMENTS**

## 5.1 CONTENTS:

A. The Contract comprises the entire agreement between City and Contractor concerning the Work and consists of this Agreement and the items set forth below. The Contract Documents consist of all items below other than this Agreement:

1. Attachments to this Agreement:
  - a. Proposal Form
    - 1) Proposal Form
    - 2) Unit Price Proposal Form
    - 3) Vendor Compliance to State Law Non-Resident Offeror
    - 4) State and Federal documents (*project specific*)
  - b. Current Prevailing Wage Rate Table
  - c. Worker's Compensation Affidavit
  - d. General Conditions.
  - e. Supplementary Conditions.
2. The following located in File 8141-2 at:
 

<https://lfpubweb.cityofdenton.com/MaterialsManagement/Browse.aspx?id=19&dbid=0&repo=MaterialsManagement&cr=1>

  - a. Specifications described in the Table of Contents (Section 00 00 00) of the Project's Contract Documents.
  - b. Drawings.

- 1 c. Addenda.
- 2 d. Documentation submitted by Contractor prior to Notice of Award.
- 3 3. The following which shall be issued after the Effective Date of this Agreement and
- 4 delivered to the City within ten (10) days of the Effective Date and before beginning
- 5 Work:
- 6 a. Payment Bond
- 7 b. Performance Bond
- 8 c. Maintenance Bond
- 9 d. Power of Attorney for the Bonds
- 10 e. Form 1295 – Certificate of Interested Parties (email to City's Materials
- 11 Management department)
- 12 f. Insurance Certificate
- 13 4. Specifications specifically made a part of the Contract Documents by attachment or,
- 14 if not attached, as incorporated by reference and described in the Table of Contents
- 15 of the Project's Contract Documents.
- 16 5. The following which may be delivered or issued after the Effective Date of the
- 17 Agreement and, if issued, become an incorporated part of the Contract Documents:
- 18 a. Notice to Proceed.
- 19 b. Field Orders.
- 20 c. Change Orders.
- 21 d. Letter of Final Acceptance.
- 22
- 23

34  
35 **Article 7. MISCELLANEOUS**

36 **7.1 Capitalized Terms.**

37 Unless otherwise stated herein, capitalized terms used in this Agreement which are defined  
38 in Article 1 of the General Conditions will have the meanings indicated in the General  
39 Conditions.

40 **7.2 Assignment of Contract.**

41 This Agreement, including all of the Contract Documents may not be assigned by the  
42 Contractor without the advance express written consent of the City.

1     7.3   Successors and Assigns.

2           City and Contractor each binds itself, its partners, successors, assigns and legal  
3           representatives to the other party hereto, in respect to all covenants, agreements and  
4           obligations contained in the Contract Documents.

5     7.4   Severability.

6           Any provision or part of the Contract Documents held to be unconstitutional, void or  
7           unenforceable by a court of competent jurisdiction shall be deemed stricken, and all  
8           remaining provisions shall continue to be valid and binding upon City and Contractor.

9     7.5   Venue and Waiver of Sovereign Immunity.

10          This Agreement, including all of the Contract Documents is performable in the State of  
11          Texas. Venue shall be in the state district courts of Denton County, Texas. The City's  
12          sovereign immunity is waived only to the extent set forth and in accordance with the  
13          provisions of Subchapter I, Chapter 271 of the Texas Local Government Code or as otherwise  
14          specifically waived by law. The City does not waive its sovereign immunity to suit in federal  
15          court.

16    7.6   Authority to Sign.

17          Contractor hereby certifies that the person signing the Agreement on its behalf is the duly  
18          authorized signatory of the Contractor.

19    7.7   Prohibition on Contracts with Companies Boycotting Israel.

20          Contractor acknowledges that in accordance with Chapter 2270 of the Texas Government  
21          Code, the City is prohibited from entering into a contract with a company for goods or  
22          services unless the contract contains a written verification from the company that it: (1) does  
23          not boycott Israel; and (2) will not boycott Israel during the term of the contract. The terms  
24          "boycott Israel" and "company" shall have the meanings ascribed to those terms in Section  
25          808.001 of the Texas Government Code. By signing this contract, Contractor certifies that  
26          Contractor's signature provides written verification to the City that Contractor: (1) does not  
27          boycott Israel; and (2) will not boycott Israel during the term of the contract.

28    7.8   Prohibition on Contracts with Companies Boycotting Certain Energy Companies

29          Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government  
30          Code, City is prohibited from entering into a contract with a company for goods or services  
31          unless the contract contains written verification from the company that it (1) does not boycott  
32          energy companies; and (2) will not boycott energy companies during the term of the contract.  
33          The terms "boycott energy company" and "company" shall have the meanings ascribed to  
34          those terms in Section 809.001 of the Texas Government Code. By signing this agreement,  
35          Contractor certifies that Contractor's signature provides written verification to the City that  
36          Contractor: (1) does not boycott energy companies; and (2) will not boycott energy  
37          companies during the term of the agreement. Failure to meet or maintain the requirements  
38          under this provision will be considered a material breach.

39    7.9   Prohibition on Contracts with Companies Boycotting Certain Firearm Entities and Firearm  
40          Trade Associations.

41          Contractor acknowledges that in accordance with Chapter 2274 of the Texas Government  
42          Code, City is prohibited from entering into a contract with a company for goods or services

1 unless the contract contains written verification from the company that it (1) does not have a  
2 practice, policy, guidance, or directive that discriminates against a firearm entity or firearm  
3 trade association; and (2) will not discriminate during the term of the contract against a  
4 firearm entity or firearm trade association. The terms “discriminate against a firearm entity  
5 or firearm trade association,” “firearm entity” and “firearm trade association” shall have the  
6 meanings ascribed to those terms in Chapter 2274 of the Texas Government Code. **By**  
7 **signing this agreement, Contractor certifies that Contractor’s signature provides written**  
8 **verification to the City that Contractor: (1) does not have a practice, policy, guidance, or**  
9 **directive that discriminates against a firearm entity or firearm trade association; and (2)**  
10 **will not discriminate during the term of the contract against a firearm entity or firearm**  
11 **trade association.** Failure to meet or maintain the requirements under this provision will be  
12 considered a material breach.

13 7.10 Prohibition on Contracts with Companies Doing Business with Iran, Sudan, or a Foreign  
14 Terrorist Organization

15 Sections 2252 and 2270 of the Texas Government Code restricts CITY from contracting with  
16 companies that do business with Iran, Sudan, or a foreign terrorist organization. **By signing**  
17 **this agreement, Contractor certifies that Contractor’s signature provides written**  
18 **verification to the City that Contractor, pursuant to Chapters 2252 and 2270, is not**  
19 **ineligible to enter into this agreement and will not become ineligible to receive payments**  
20 **under this agreement by doing business with Iran, Sudan, or a foreign terrorist**  
21 **organization.** Failure to meet or maintain the requirements under this provision will be  
22 considered a material breach.

23 7.11 Prohibition on Contracts with Companies Boycotting Certain Energy Companies

24 The City of Denton may terminate this Contract immediately without any further liability if  
25 the City of Denton determines, in its sole judgment, that this Contract meets the requirements  
26 under Chapter 2274, and Contractor is, or will be in the future, (i) owned by or the majority  
27 of stock or other ownership interest of the company is held or controlled by individuals who  
28 are citizens of China, Iran, North Korea, Russia, or other designated country (ii) directly  
29 controlled by the Government of China, Iran, North Korea, Russia, or other designated  
30 country, or (iii) is headquartered in China, Iran, North Korea, Russia, or other designated  
31 country.

32 7.12 Immigration Nationality Act.

33 Contractor shall verify the identity and employment eligibility of its employees who perform  
34 work under this Agreement, including completing the Employment Eligibility Verification  
35 Form (I-9). Upon request by City, Contractor shall provide City with copies of all I-9 forms  
36 and supporting eligibility documentation for each employee who performs work under this  
37 Agreement. Contractor shall adhere to all Federal and State laws as well as establish  
38 appropriate procedures and controls so that no services will be performed by any Contractor  
39 employee who is not legally eligible to perform such services. **CONTRACTOR SHALL**  
40 **INDEMNIFY CITY AND HOLD CITY HARMLESS FROM ANY PENALTIES,**  
41 **LIABILITIES, OR LOSSES DUE TO VIOLATIONS OF THIS PARAGRAPH BY**  
42 **CONTRACTOR, CONTRACTOR’S EMPLOYEES, SUBCONTRACTORS,**  
43 **AGENTS, OR LICENSEES.** City, upon written notice to Contractor, shall have the right  
44 to immediately terminate this Agreement for violations of this provision by Contractor.  
45

46 7.13 No Third-Party Beneficiaries.

1 This Agreement gives no rights or benefits to anyone other than the City and the Contractor  
2 and there are no third-party beneficiaries.  
3

4 7.14 No Cause of Action Against Engineer.

5 Contractor, its subcontractors and equipment and materials suppliers on the Project or their  
6 sureties, shall maintain no direct action against the Engineer, its officers, employees, and  
7 subcontractors, for any claim arising out of, in connection with, or resulting from the engineering  
8 services performed. Only the City will be the beneficiary of any undertaking by the Engineer.  
9 The presence or duties of the Engineer's personnel at a construction site, whether as on-site  
10 representatives or otherwise, do not make the Engineer or its personnel in any way  
11 responsible to Contractor or any other entity for those duties that belong to the City, and do  
12 not relieve Contractor or any other entity of its obligations, duties, and responsibilities,  
13 including, but not limited to, all construction methods, means, techniques, sequences, and  
14 procedures necessary for performing, coordinating and completing all portions of the Work  
15 in accordance with the Contract Documents and any health or safety precautions required by  
16 such Work. The Engineer and its personnel have no authority to exercise any control over  
17 any construction contractor or other entity or their employees in connection with their work  
18 or any health or safety precautions.  
19

20 SIGNATURE PAGE TO FOLLOW  
21

IN WITNESS WHEREOF, City and Contractor have each executed this Agreement to be effective as of the date subscribed by the City's City Manager or his designee ("Effective Date").

**SECTION 00 41 01**  
**PROPOSAL FORM - CSP**

TO: Erica Garcia  
c/o: Purchasing Division  
901-B Texas Street  
Denton, Texas 76209

FOR: RRWTP Capacity Re-Rate and Performance Improvements (CSP No. 8141-2)

**1 Enter into Agreement**

The undersigned Offeror proposes and agrees, if this Proposal is accepted, to enter into an Agreement with City in the form included in the Proposal Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Unit Price Proposal and within the Contract Time indicated in this Proposal and in accordance with the other terms and conditions of the Contract Documents.

**2 OFFEROR Acknowledgements and Certification**

- 2.1 In submitting this Proposal, Offeror accepts all of the terms and conditions of the INVITATION TO OFFERORS and INSTRUCTIONS TO OFFERORS, including without limitation those dealing with the disposition of Offeror's Bond.
- 2.2 Offeror is aware of all costs to provide the required insurance, will do so pending contract award, and will provide a valid insurance certificate meeting all requirements within 14 days of notification of award.
- 2.3 Offeror certifies that this Proposal is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation.
- 2.4 Offeror has not directly or indirectly induced or solicited any other Offeror to submit a false or sham Proposal.
- 2.5 Offeror has not solicited or induced any individual or entity to refrain from proposing.
- 2.6 Offeror has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph:
- a. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the proposal process.
  - b. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the proposal process to the detriment of City (b) to establish proposal prices at artificial non-competitive levels, or (c) to deprive City of the benefits of free and open competition.
  - c. "collusive practice" means a scheme or arrangement between two or more Offerors, with or without the knowledge of City, a purpose of which is to establish proposal prices at artificial, non-competitive levels.

d. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the proposal process or affect the execution of the Contract.

2.7 The Offeror acknowledges and agrees to comply with the requirements of City Ethics Ordinance No. 23-1165.

### 3 Time of Completion

- 3.1 The Work will be Substantially Complete as defined in the Supplementary Conditions within 1,025 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.
- 3.2 The Work will be complete for Final Acceptance within 1,088 Days after the date when the Contract Time commences to run, which is the day indicated in the Notice to Proceed, plus any extension thereof allowed in accordance with Article 11 of the General Conditions.
- 3.3 Offeror accepts the provisions of the Agreement as to Liquidated Damages in the event of failure to obtain Milestones (if applicable), Substantial Completion, and Final Acceptance within the times specified in the Agreement.

### 4 Attached to this Proposal

- 4.1 The following documents are attached to and made a part of this Proposal:
- a. Section 00 35 14 – Conflict of Interest Affidavit – CSP **Correct Section # 00 35 13**
  - b. Section 00 41 01 – This Proposal Form – CSP
  - c. **Section 00 42 44 – Unit Price Proposal Form – CSP – Excel Electronic Copy (either included in the hard copy Proposal, or submitted via Ionwave)**
  - d. Section 00 43 14 – Required Offeror's Bond – CSP, issued by a surety meeting the requirements of Paragraph 6.01 of the General Conditions.
  - e. Section 00 43 38 – Proposed Subcontractors Form – CSP
  - f. Section 00 43 39 – Vendor Compliance to State Law Non-Resident Offeror – CSP
  - g. Section 00 45 14 – Safety Record Questionnaire – CSP
  - h. Section 00 45 27 – Contractor Compliance with Workers Compensation Law – CSP
  - i. Section 00 45 44 – Corporate Resolution of Authorized Signatories – CSP
  - j. Any additional documents required by Paragraph 12 of Section 00 21 16 – Instructions to Offerors

**5 Total Proposal Amount**

- 5.1 Offeror will complete the Work in accordance with the Contract Documents for the following proposal amount. In the space provided below, please enter the total proposed amount for this project. This figure will be read publicly by the City at the proposal opening.
- 5.2 It is understood and agreed by the Offeror in signing this proposal that the total proposed amount entered below is subject to verification and/or modification by multiplying the unit prices for each pay item by the respective estimated quantities shown in this proposal and then totaling all of the extended amounts.

Base Proposal Amount: \$ 39,871,810

Alternate (Extra Work) Proposal Amount: \$ 23,190

Total Allowance Amount: \$ 100,000

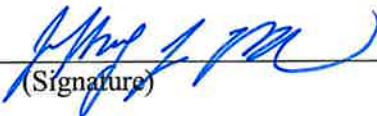

Total Proposal Amount: \$ 39,995,000

**6 Proposal Submittal**

- 6.1 It is understood by Offeror that submission of the total proposal amount is only one of the factors for the City's evaluation process, and that any award of contract will be based on the complete evaluation of the Proposal and Offeror by City under the terms provided in the Instructions to Offerors or any validly issued amendments or addenda.

- 6.2 This Proposal is submitted on MARCH 13TH, 2024 by the entity named below.

Respectfully submitted,

By:

---	-----------------	-----------------

**SECTION 00 43 39****VENDOR COMPLIANCE TO STATE LAW NON-RESIDENT OFFEROR - CSP**

Texas Government Code Chapter 2252 was adopted for the award of contracts to nonresident offerors. This law provides that, in order to be awarded a best value contract where the offeror also offered the lowest proposal price, nonresident offerors (out-of-state contractors whose corporate offices or principal place of business are outside the State of Texas) propose on projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident offeror by the same amount that a Texas resident offeror would be required to underbid a nonresident offeror in order to obtain a comparable contract in the State which the nonresident's principal place of business is located.

The appropriate blanks in Section A must be filled out by all nonresident offerors in order for your proposal to meet specifications. The failure of nonresident offerors to do so will automatically disqualify that offeror. Resident offerors must check the box in Section B.

A. Nonresident offerors in the State of \_\_\_\_\_, our principal place of business, are required to be \_\_\_\_\_ percent lower than resident offerors by State Law. A copy of the statute is attached.

Nonresident offerors in the State of Illinois, our principal place of business, are not required to underbid resident Offerors.

B. The principal place of business of our company or our parent company or majority owner is in the State of Texas. ☐

"General Decision Number: TX20240016 01/05/2024

Superseded General Decision Number: TX20230016

State: Texas

Construction Type: Heavy

County: Denton County in Texas.

Heavy Construction, Including Treatment Plants (Does not include water/sewer lines)

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 14026 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.</li> </ul>
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	<ul style="list-style-type: none"> <li>. Executive Order 13658 generally applies to the contract.</li> <li>. The contractor must pay all covered workers at least \$12.90 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2024.</li> </ul>

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

=====

\*\* Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.20) or 13658 (\$12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year.

Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

<https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses

(29CFR 5.5 (a) (1) (iii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date

for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-----  
WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

=====

END OF GENERAL DECISION"

**SECTION 00 45 27**

**CONTRACTOR COMPLIANCE WITH WORKER'S COMPENSATION LAW - CSP**

Pursuant to Texas Labor Code Section 406.096(a), as amended, Contractor certifies that it provides worker's compensation insurance coverage for all of its employees employed on RRWTP Capacity Re-Rate and Improvements Project. Contractor further certifies that, pursuant to Texas Labor Code, Section 406.096(b), as amended, it will provide to City its subcontractor's certificates of compliance with worker's compensation coverage.

## ARTICLE 1 – DEFINITIONS AND TERMINOLOGY

### 1.01 *Defined Terms*

- A. Wherever used in the Contract or in other Contract Documents, the terms listed below have the meanings indicated which are applicable to both the singular and plural thereof, and words denoting gender shall include the masculine, feminine and neuter. When used in a context consistent with the definition of a listed-defined term, the term shall have a meaning as defined below whether capitalized or italicized or otherwise. In addition to terms specifically defined, terms with initial capital letters in the Contract Documents include references to identified articles and paragraphs, and the titles of other documents or forms.
1. *Addenda*—Written or graphic instruments issued prior to the opening of Bids which clarify, correct, or change the Bidding Requirements or the proposed Contract Documents.
  2. *Agreement*—The written instrument titled “Agreement”, “Agreement – CSP”, or “Agreement – Unit Price Bid” executed by the City and Contractor for the Work, setting forth the name of the Project, Contract Price, Contract Time and the items included in the Contract.
  3. *Application for Payment*—The form acceptable to City which is to be used by Contractor during the course of the Work in requesting progress or final payments and which is to be accompanied by such supporting documentation as is required by the Contract.
  4. *Asbestos*—Any material that contains more than one percent asbestos and is friable or is releasing asbestos fibers into the air above current action levels established by the United States Occupational Safety and Health Administration.
  5. *Award*—Authorization by the City Council for the City to enter into an Agreement.
  6. *Bid*—The offer or proposal of a Bidder submitted on the prescribed form setting forth the prices for the Work to be performed. The term “Bid” shall be defined to include the term “Proposal” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  7. *Bidder*—The individual or entity that submits a Bid directly to City. The term “Bidder” shall be defined to include the terms “Proposer” or “Offeror” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  8. *Bidding Documents*—The Bidding Requirements and the proposed Contract Documents (including all Addenda). The term “Bidding Documents” shall be defined to include the terms “Proposal Documents” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid.
  9. *Bidding Requirements*—The Advertisement or Invitation to Bid, Instructions to Bidders, Bid Bond or other Bid security, if any, the Bid Form, and the Bid with any attachments. The term “Bidding Requirements” shall be defined to include the terms “Proposal Requirements” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid and will include the Request for Proposal or Invitation to Offerors, Instructions to Offerors, Offerors Bond or other Proposal security, if any, the Proposal Form, and the Proposal with any attachments.

10. *Business Day*—A day that the City conducts normal business, generally Monday through Friday, except for federal or state holidays observed by the City.
11. *Calendar Day*—A day consisting of 24 hours measured from midnight to the next midnight.
12. *Change Order*—A document which is prepared by the Contractor or City, approved by the City, and signed by Contractor and City, authorizing an addition, deletion, or revision in the Work or an adjustment in the Contract Price or the Contract Time, issued on or after the Effective Date of the Agreement.
13. *City*—The City of Denton is, a Texas home-rule municipal corporation acting by its City Council through its City Manager or his or her designee.
14. *City Attorney*—The officially appointed City Attorney of the City of Denton or his or her designee.
15. *City Council*—The duly elected and qualified governing body of the City of Denton.
16. *City Manager*—The officially appointed authorized City Manager of the City of Denton.
17. *Contract*—The entire and integrated set of written instruments between the City and Contractor concerning the Work comprised of the Agreement and all Contract Documents, which written instruments supersede all prior negotiations, representations, or agreements, whether written or oral, concerning the Work.
18. *Contract Claim*—A demand or assertion by City or Contractor seeking an adjustment of Contract Price or Contract Time, or both, or other relief with respect to the terms of the Contract. A demand for money or services by a third party is not a Contract Claim.
19. *Contract Documents*—Those items so designated as “Contract Documents.” in the Agreement at Paragraph 5.1.A. Approved Submittals, other Contractor submittals, and the reports and drawings of subsurface and physical conditions are not Contract Documents.
20. *Contract Price*—The moneys payable by City to Contractor for completion of the Work in accordance with the Contract Documents as stated in the Agreement (subject to the provisions of Paragraph 12.03 in the case of Unit Price Work). The Contract Price does not include any “Incentive”, if applicable.
21. *Contract Time*—The number of days or the dates stated in the Agreement to: (a) achieve Milestones, if any and (bb) complete the Work so that it is ready for Final Acceptance.
22. *Contractor*—The individual or entity with whom City has entered into the Agreement.
23. *Cost of the Work*—See Paragraph 12.01 of these General Conditions for definition.
24. *Damage Claims*—A demand for money or services arising from the Project or Site from a third party, City or Contractor exclusive of a Contract Claim.
25. *Day or day*—A day, unless otherwise defined, shall mean a Calendar Day.
26. *Drawings*—The part of the Contract Documents prepared or approved by an Engineer that graphically shows the scope, extent, and character of the Work to be performed by Contractor. Submittals, as defined, are not considered Drawings as so defined here.

27. *Effective Date of the Agreement*—The date, indicated in the Agreement, on which it becomes effective,, but if no such date is indicated, it means the date on which the Agreement is signed and delivered by the City.
28. *Electronic Document*—Any Project-related correspondence, attachments to correspondence, text, data, documents, drawings, information, or graphics, including but not limited to Shop Drawings and other Submittals, that are in an electronic or digital format.
29. *Electronic Means*—Electronic mail (email), upload/download from a secure Project website, or other communications methods that allow: (a) the transmission or communication of Electronic Documents; (b) the documentation of transmissions, including sending and receipt; (c) printing of the transmitted Electronic Document by the recipient; (d) the storage and archiving of the Electronic Document by sender and recipient; and (e) the use by recipient of the Electronic Document for purposes permitted by the Contract. Electronic Means does not include the use of text messaging, or of Facebook, Twitter, Instagram, or similar social media services for transmission of Electronic Documents.
30. *Engineer*—The licensed professional engineer or engineering firm registered in the State of Texas performing professional services for the City.
31. *Extra Work*—Additional work made necessary by City-approved changes or alterations to the Contract Documents. Extra Work shall be part of the Work.
32. *Field Order*—A written directive issued by City that requires changes in the Work but does not involve a change to the Contract Price, Contract Time, or Drawings, Plan, or Shop Drawings.
33. *Final Acceptance*—The written notice given by the City to the Contractor that the Work specified in the Contract Documents has been completed to the satisfaction of the City.
34. *Final Inspection*—The inspection performed by the City to determine whether the Contractor has completed each and every part or appurtenance of the Work fully, entirely, and in conformance with the Contract Documents.
35. *General Requirements*—Sections of The information set forth in “Division 101 – General Requirements” of the Standard Construction Specification Documents.
36. *Hazardous Environmental Condition*—The presence at the Site of Asbestos, P C B s , Petroleum, Hazardous Waste, Radioactive Material, or any other substance, product, waste or materials, in such quantities or circumstances that may present a substantial danger to persons or property exposed thereto.
37. *Hazardous Waste*—Any solid waste listed as hazardous or which possesses one or more hazardous characteristics as defined in applicable Laws and Regulations.
38. *Incidental or incidental*—Work items that the Contractor is not paid for directly, but costs for which are included under the various bid items of the Project.
39. *Laws and Regulations*—Any and all applicable laws, statutes, rules, regulations, ordinances, codes, and binding decrees, resolutions, and orders of any and all

governmental bodies, agencies, authorities, and courts having jurisdiction over the Site or any portion or part of the Work to be performed.

40. *Liens*—Charges, security interests, or encumbrances upon Project funds, real property, or personal property.
41. *Major Item*—An item of work included in the Contract Documents that has a total cost equal to or greater than 5% of the original Contract Price.
42. *Milestone*—A principal event specified in the Contract Documents relating to the performance of an identified portion of the Work by an intermediate Contract Time prior to Final Acceptance of the Work.
43. *Notice of Award*—The written notice by City to the Successful Bidder stating that upon timely compliance by the Successful Bidder with the conditions precedent listed in such notice, City will sign and deliver the Agreement.
44. *Notice to Proceed*—A written notice given by City to Contractor fixing the date on which the Contract Time will commence to run and on which Contractor shall start to perform the Work specified in Contract Documents.
45. *PCBs*—Polychlorinated biphenyls.
46. *Petroleum*—Petroleum, including crude oil or any fraction thereof which is liquid at standard conditions of temperature and pressure (60 degrees Fahrenheit and 14.7 pounds per square inch absolute), and including but not limited to oil, fuel oil, oil sludge, oil refuse, gasoline, diesel fuel, kerosene, and oil mixed with other non-Hazardous Waste and crude oils.
47. *Plans*—This term will have the same definition of as “Drawings”.
48. *Project* —The Work to be performed under the Contract.
49. *Project Manager*—The authorized representative of the City who will be assigned to the Project.
50. *Project Manual*—The documentary information prepared for bidding or proposing and furnishing the Work.
51. *Project Schedule*—A schedule, prepared and maintained by Contractor, in accordance with the General Requirements, describing the sequence and duration of the activities comprising Contractor’s plan to achieve each Milestone and accomplish the Work within the Contract Time.
52. *Public Meeting*—An announced meeting conducted by the City to facilitate public participation and to assist the public in gaining an informed view of the Project.
53. *Samples*—Physical examples of materials, equipment, or workmanship that are representative of some portion of the Work and that establish the standards by which such portion of the Work will be judged.
54. *Schedule of Submittals*—A schedule, prepared and maintained by Contractor, of required submittals and the time requirements to support scheduled performance of related construction activities.

55. *Schedule of Values*—A schedule, prepared and maintained by Contractor, allocating portions of the Contract Price to various portions of the Work and used as the basis for reviewing Contractor's Applications for Payment.
56. *Shop Drawings*—All drawings, diagrams, illustrations, schedules, and other data or information that are specifically prepared or assembled by or for Contractor and submitted by Contractor to illustrate some portion of the Work. Shop Drawings, whether approved or not, are not Drawings and are not Contract Documents.
57. *Site*—Lands or areas indicated in the Contract Documents as being furnished by City upon which the Work is to be performed, including rights-of-way, permits, and easements for access thereto, and such other lands furnished by City which are designated for the use of Contractor.
58. *Specifications or Technical Specifications* —The part of the Contract that consists of written requirements for materials, equipment, systems, standards, and workmanship as applied to the Work, and certain administrative requirements and procedural matters applicable to the Work. Specifications may be specifically made a part of the Contract Documents by attachment or, if not attached, may be incorporated by reference as indicated in the Table of Contents (Section 00 00 00) of the Project.
59. *Subcontractor*—An individual or entity having a direct contract with Contractor or with any other Subcontractor for the performance of a part of the Work at the Site.
60. *Submittal*—All drawings, diagrams, illustrations, schedules and other data or information which are specifically prepared or assembled by or for Contractor and submitted by Contractor to the City to illustrate some portion of the Work.
61. *Subsidiary or subsidiary*—*These terms will have the same* definition as “Incidental. or incidental”.
62. *Successful Bidder*—The Bidder to whom City issues a Notice of Award. The term “Bidder” shall be defined to include the terms “Proposer” or “Offeror” in those instances where the City utilizes a Request for Proposal rather than an Invitation for Bid and is the Proposer or Offeror submitting the proposal or offer that provides the best value to the City and to whom the City issues a Notice of Award.
63. *Superintendent*—The representative of the Contractor who is available at all times and able to receive instructions from the City and to act for the Contractor.
64. *Supplementary Conditions*—The part of the Contract set forth at Division 00 73 00 that amends or supplements these General Conditions.
65. *Supplier*—A manufacturer, fabricator, supplier, distributor, materialman, or vendor having a direct contract with Contractor or with any Subcontractor to furnish materials or equipment to be incorporated in the Work by Contractor or a Subcontractor.
66. *Underground Facilities*—All underground lines, pipelines, conduits, ducts, encasements, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or systems at the Site, including but not limited to those facilities or systems that produce, transmit, distribute, or convey telephone or other communications, cable television, fiber optic transmissions, power, electricity, light, heat, gases, oil, crude oil products, liquid

petroleum products, water, steam, waste, wastewater, storm water, other liquids or chemicals, or traffic or other control systems.

67. *Unit Price Work*—Work for which the Contract Price is determined by multiplying the unit price for the item by the estimated quantity of the item.
68. *Weekend Working Hours*—Those hours between 8:00 a.m. and 8:30 p.m. on Saturday, and between 1:00 p.m. and 8:30 p.m. on Sunday or on a federal or state holiday observed by the City, as approved in advance by the City for performing Work.
69. *Work*—The entire construction or the various separately identifiable parts thereof required to be provided under the Contract Documents. Work includes and is the result of performing or providing all labor, services, and documentation necessary to produce such construction including any Change Order or Field Order, and furnishing, installing, and incorporating all materials and equipment into such construction, all as required by the Contract Documents.
70. *Working Day*—Defined as a Business Day but excluding any days that weather or other conditions beyond the reasonable control of the Contractor prevents the performance of the principal unit of work underway for a continuous period of not less than 7 hours between 7:00 a.m. and 8:00 p.m.

#### 1.02 *Terminology*

- A. The words and terms discussed in Paragraphs 1.02.B, C, D, and E are not defined terms that require initial capital letters, but, when used in the Bidding Requirements or Contract, have the indicated meaning.
- B. *Intent of Certain Terms or Adjectives*: The Contract includes the terms “as allowed,” “as approved,” “as ordered,” “as directed” or terms of like effect or import to authorize an exercise of judgment by CityCity. In addition, the adjectives “reasonable,” “suitable,” “acceptable,” “proper,” “satisfactory,” or adjectives of like effect or import are used to describe an action or determination of City as to the Work. It is intended that such exercise of judgment, action, or determination will be to evaluate, in general, the Work for compliance with the information in the Contract Documents and with the design concept of the Project as a functioning whole as shown or indicated in the Contract Documents (unless there is a specific statement indicating otherwise).
- C. *Defective*: The word “defective,” when modifying the word “Work,” refers to Work that is unsatisfactory, faulty, or deficient in that it:
  1. does not conform to the Contract Documents; or
  2. does not meet the requirements of any applicable inspection, reference standard, test, or approval referred to in the Contract Documents; or
  3. has been damaged prior to City’s written notice of Final Acceptance.
- D. *Furnish, Install, Perform, Provide*
  1. The word “furnish,” when used in connection with services, materials, or equipment, means to supply and deliver said services, materials, or equipment to the Site (or some other specified location) ready for use or installation and in usable or operable condition.

2. The word “install,” when used in connection with services, materials, or equipment, means to put into use or place in final position said services, materials, or equipment complete and ready for intended use.
  3. The words “perform” or “provide,” when used in connection with services, materials, or equipment, means to execute, carry out, furnish and install said services, materials, or equipment complete and ready for intended use.
  4. If the Contract Documents establish an obligation of Contractor with respect to specific services, materials, or equipment, but do not expressly use any of the four words “furnish,” “install,” “perform,” or “provide,” then Contractor shall furnish and install said services, materials, or equipment complete and ready for intended use.
- E. Unless stated otherwise in the Contract, words or phrases that have a well-known technical or construction industry or trade meaning are used in the Contract in accordance with such recognized meaning.

## **ARTICLE 2 – PRELIMINARY MATTERS**

### **2.01 *Delivery of Performance and Payment Bonds; Evidence of Insurance***

- A. Performance and Payment Bonds: When Contractor delivers the signed counterparts of the Agreement to City, Contractor shall also deliver to City the performance bond, payment bond and maintenance bond that comply with the provisions of Chapter 2253 of the Texas Government Code. Work will not be allowed to begin until the performance and payment bonds have been provided by the Contractor to the City.
- B. Evidence of Contractor’s Insurance: When Contractor delivers the signed counterparts of the Agreement to City, Contractor shall also deliver to City, with copies to each additional insured (as identified in the Contract), the certificates, endorsements, and other evidence of insurance required to be provided by Contractor in accordance with Article 6. Work will not be allowed to begin until the evidence of insurance has been provided by the Contractor to the City.

### **2.02 *Copies of Documents***

- A. City shall furnish to Contractor one (1) original executed copy and one (1) electronic copy of the Contract, and three (3) additional copies of the Drawings. Additional printed copies will be furnished upon request at the cost of reproduction.

### **2.03 *Before Starting Construction***

Baseline starting Work, Contractor shall submit for review by City the following in accordance with the Contract Documents:

- A. Baseline Schedules in accordance with General Requirements, Section 01 32 16.
- B. Preliminary Schedule of Submittals.
- C. Preliminary Schedule of Values: For lump sum contracts, a Schedule of Values for all of the Work that includes quantities and prices of items that when added together equal the Contract Price and subdivides the Work into component parts in sufficient detail to serve as the basis for progress payments during performance of the Work. Such prices will include an appropriate amount of overhead and profit applicable to each item of Work.

#### 2.04 *Preconstruction Meeting*

- A. Before any Work at the Site is started, the Contractor shall attend a Preconstruction Meeting as specified in Section 01 31 19.

#### 2.05 *Public Meeting*

- A. Contractor may not mobilize any equipment, materials, or resources to the Site prior to Contractor attending the Public Meeting as scheduled by the City.

#### 2.06 *Initial Acceptance of Schedules*

- A. No progress payment shall be made to Contractor until acceptable Project Schedules are submitted to City in accordance with the Contract Documents.

#### 2.07 *Electronic Submittals and Transmittals*

- A. Except as otherwise stated elsewhere in the Contract, the City and Contractor may send, and shall accept, Electronic Documents transmitted by Electronic Means.
- B. If the Contract does not establish protocols for Electronic Means, then City and Contractor shall jointly develop such protocols.
- C. Subject to any governing protocols for Electronic Means, when transmitting Electronic Documents by Electronic Means, the transmitting party makes no representations as to long-term compatibility, usability, or readability of the Electronic Documents resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the Electronic Documents.

### **ARTICLE 3 – CONTRACT DOCUMENTS: INTENT, REQUIREMENTS, REUSE**

#### 3.01 *Intent*

- A. The Contract Documents are complementary; what is required by one Contract Document is as binding as if required by all.
- B. It is the intent of the Contract to describe a functionally complete Project to be constructed in accordance with the Contract Documents. Any labor, documentation, services, materials, or equipment that reasonably may be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the indicated result will be provided whether or not specifically called for, at no additional cost to City.
- C. City will issue clarifications and interpretations of the Contract Documents as provided herein.
- D. The Specifications may vary in form, forma and style. Some Specification sections may be written in varying degrees of streamlined or declarative style, and some sections may be relatively narrative by comparison. Omission of such words and phrases as “the Contractor shall,” “in conformity with,” “as shown,” or “as specified” are intentional in streamlined sections. Omitted words and phrases shall be supplied by inference. Similar types of provisions may appear in various parts of a section or articles within a part depending on the format of the section. The Contractor shall not take advantage of any variation of form, format or style in making Contract Claims or Damage Claims.

- E. The cross-referencing of Specification sections under the subparagraph heading “Related Sections include but are not necessarily limited to:” and elsewhere within each Specification section is provided as an aid and convenience to the Contractor. The Contractor shall not rely on the cross-referencing provided and shall be responsible to coordinate the entire Work under the Contract Documents and provide a complete Project whether or not cross-referencing is provided in each section or whether the cross-referencing is complete or accurate.

### 3.02 *Reference Standards*

#### A. Standards Specifications, Codes, Laws and Regulations

1. Reference in the Contract Documents to standard specifications, manuals, reference standards, or codes of any technical society, organization, or association, or to Laws or Regulations, whether such reference be specific or by implication, means the standard specification, manual, reference standard, code, or Laws or Regulations in effect at the time of opening of Bids (or on the Effective Date of the Agreement if there were no Bids), except as may be otherwise specifically stated in the Contract Documents.
2. No provision of any such standard specification, manual, reference standard, or code, and no instruction of a Supplier, will be effective to change the duties or responsibilities of City, Contractor, or any of their subcontractors, consultants, agents, or employees from those set forth in the Contract Documents. No such provision or instruction shall be effective to assign to City or any of its officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors, any duty or authority to supervise or direct the performance of the Work or any duty or authority to undertake responsibility inconsistent with the provisions of the Contract Documents.

### 3.03 *Reporting and Resolving Discrepancies*

#### A. Reporting Discrepancies

1. *Contractor’s Verification of Figures and Field Measurements:* Before undertaking each part of the Work, Contractor shall carefully study the Contract Documents, and check and verify pertinent figures and dimensions therein, particularly with respect to applicable field measurements, and conditions. Contractor shall promptly report in writing to City any conflict, error, ambiguity, or discrepancy that Contractor discovers, or has actual knowledge of, and shall obtain a written interpretation or clarification from City before proceeding with any Work affected thereby.
2. *Contractor’s Review of Contract Documents:* If, before or during the performance of the Work, Contractor discovers any conflict, error, ambiguity, or discrepancy within the Contract Documents, or between the Contract Documents and (a) any applicable Law or Regulation, (b) actual field conditions, (c) any standard specification, manual, reference standard, or code, or (d) any instruction of any Supplier, then Contractor shall promptly report it to City in writing. Contractor shall not proceed with the Work affected thereby (except in an emergency as required by Paragraph 7.1717) until the conflict, error, ambiguity, or discrepancy is resolved, by a clarification or interpretation by City, or by an amendment or supplement to the Contract issued pursuant to Paragraph 11.01.
3. Contractor shall not be liable to City for failure to report any conflict, error, ambiguity, or discrepancy in the Contract Documents unless Contractor had actual knowledge thereof.

**B. Resolving Discrepancies**

1. Except as may be otherwise specifically stated in the Contract Documents, the provisions of the Contract Documents take precedence in resolving any conflict, error, ambiguity, or discrepancy between such provisions of the Contract Documents and:
  - a. the provisions of any standard specification, manual, reference standard, or code, or the instruction of any Supplier; or
  - b. the provisions of any Laws or Regulations applicable to the performance of the Work (unless such an interpretation of the provisions of the Contract Documents would result in violation of such Law or Regulation).
2. In case of discrepancies, figured dimensions shall govern over scaled dimensions, Drawings shall govern over Specifications, and Supplementary Conditions shall govern over General Conditions and Specifications.

**3.04 Requirements of the Contract Documents**

- A. During the performance of the Work and until final payment, Contractor shall submit to the City in writing all matters in question concerning the requirements of the Contract Documents (sometimes referred to as requests for information or interpretation—RFIs), or relating to the acceptability of the Work under the Contract Documents, as soon as possible after such matters arise. City will be the interpreter of the requirements of the Contract Documents, and judge of the acceptability of the Work.
- B. City will, with reasonable promptness, render a written clarification, interpretation, or decision on the issue submitted, or initiate an amendment or supplement to the Contract Documents. City's written clarification, interpretation, or decision will be final and binding on Contractor, unless Contractor appeals by filing a Contract Claim.

**3.05 Reuse of Documents**

- A. Contractor and its Subcontractors and Suppliers shall not:
  1. have or acquire any title to or ownership rights in any of the Drawings, Specifications, or other documents (or copies of any thereof) prepared by or bearing the seal of Engineer or its consultants, including electronic media versions, or reuse any such Drawings, Specifications, other documents, or copies thereof on extensions of the Project or any other project without written consent of CityCity and specific written verification or adaptation by Engineer; or
  2. have or acquire any title or ownership rights in any other Contract Documents, reuse any such Contract Documents for any purpose without City's express written consent, or violate any copyrights pertaining to such Contract Documents.
- B. The prohibitions of this Paragraph 3.05 05 will survive final payment, or termination of the Contract. Nothing herein precludes Contractor from retaining copies of the Contract Documents for record purposes.

**ARTICLE 4 – COMMENCEMENT AND PROGRESS OF THE WORK****4.01** *Commencement of Contract Time; Notice to Proceed*

- A. The Contract Time will commence to run on the day indicated in the Notice to Proceed. A Notice to Proceed may be given at any time within 30 days after the Effective Date of the Contract.

**4.02** *Starting the Work*

- A. Contractor shall start to perform the Work on the date when the Contract Time commences to run. No Work may be done at the Site prior to the date on which the Contract Time commences to run.

**4.03** *Delays in Contractor's Progress*

- A. If Contractor is delayed, City shall not be liable to Contractor for any claims, costs, losses, or damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) sustained by Contractor on or in connection with any other project or anticipated project. The City shall be liable only to the extent allowed by the provisions of the Contract and as allowed by Subchapter I, Chapter 271 of the Texas Local Government Code.
- B. Contractor shall not be entitled to an adjustment in Contract Price or Contract Time for delay, disruption, or interference caused by or within the control of Contractor. Delay, disruption, and interference attributable to and within the control of a Subcontractor or Supplier shall be deemed to be within the control of Contractor.
- C. The Contractor shall receive no compensation for delays or hindrances to the Work, except when direct and unavoidable extra cost to the Contractor is caused by the failure of the City to provide information or material, if any, that the Contract specifies is to be furnished by the City.
- D. If Contractor's performance or progress is delayed, disrupted, or interfered with by unanticipated causes not the fault of and beyond the control of City, Contractor, and those for whom they are responsible, then Contractor shall be entitled to an equitable adjustment in Contract Time. Such an adjustment will be Contractor's sole and exclusive remedy for the delays, disruption, and interference described in this Paragraph 4.03. D. The Contractor is responsible for the prompt submission of a request for an adjustment to the Contract Time under this Paragraph to the City. Causes of delay, disruption, or interference that may give rise to an adjustment in Contract Time under this Paragraph include but are not limited to the following:
  - 1. Severe and unavoidable natural catastrophes such as fires, floods, epidemics, and earthquakes;
  - 2. Abnormal weather conditions;
  - 3. Acts or failures to act of third-party utility owners or other third-party entities (other than those third-party utility owners or other third-party entities performing other work at or adjacent to the Site as arranged by or under contract with City, as contemplated in Article 8); and

4. Acts of war or terrorism.
- E. Contractor's entitlement to an adjustment of Contract Time or Contract Price is limited as follows:
  1. Contractor's entitlement to an adjustment of the Contract Time is conditioned on the delay, disruption, or interference adversely affecting an activity on the critical path to completion of the Work, as of the time of the delay, disruption, or interference.
  2. Contractor shall not be entitled to an adjustment in Contract Price for any delay, disruption, or interference if such delay is concurrent with a delay, disruption, or interference caused by or within the control of Contractor. Such a concurrent delay by Contractor shall not preclude an adjustment of Contract Time to which Contractor is otherwise entitled.
  3. Adjustments of Contract Time or Contract Price are subject to the provisions of Article 11.
- F. Each Contractor request or Change Order seeking an increase in Contract Time or Contract Price must be supplemented by supporting data that sets forth in detail the following:
  1. The circumstances that form the basis for the requested adjustment;
  2. The date upon which each cause of delay, disruption, or interference began to affect the progress of the Work;
  3. The date upon which each cause of delay, disruption, or interference ceased to affect the progress of the Work;
  4. The number of days' increase in Contract Time claimed as a consequence of each such cause of delay, disruption, or interference; and
  5. The impact on Contract Price, in accordance with the provisions of Paragraph 11.08.
  6. Contractor shall also furnish such additional supporting documentation as City may require including, where appropriate, a revised Project Schedule indicating all the activities affected by the delay, disruption, or interference, and an explanation of the effect of the delay, disruption, or interference on the critical path to completion of the Work.
- G. Delays, disruption, and interference to the performance or progress of the Work resulting from the existence of a differing subsurface or physical condition, an Underground Facility that was not shown or indicated by the Contract Documents, or not shown or indicated with reasonable accuracy, and those resulting from undisclosed Hazardous Environmental Conditions, are governed by Article 5, together with the provisions of Paragraphs 4.03.F and 4.03.G.

## **ARTICLE 5 – SITE; SUBSURFACE AND PHYSICAL CONDITIONS; HAZARDOUS ENVIRONMENTAL CONDITIONS**

### **5.01 *Availability of Lands***

- A. City shall furnish the Site. City shall notify Contractor in writing of any encumbrances or restrictions not of general application but specifically related to use of the Site with which

Contractor must comply in performing the Work. City will be responsible for obtaining any necessary easements for permanent structures or permanent changes in existing facilities.

1. The City has obtained or anticipates acquisition of and/or access to right-of-way, and/or easements. Any outstanding right-of-way and/or easements are anticipated to be acquired in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding right-of-way, and/or easements.
  2. Unless otherwise specified in the Contract Documents, the City has or anticipates moving and/or relocating utilities, and obstructions to the Site. Any outstanding movement or relocation of utilities or obstructions is anticipated in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding utilities or obstructions to be moved and/or relocated by others.
- B. Upon reasonable written request of Contractor, City shall furnish Contractor with a current statement of record legal title and legal description of the lands upon which the Work is to be performed.
- C. Contractor shall provide for any additional lands and access thereto not included in the Site that may be required for construction facilities or storage of materials and equipment. The cost of such shall be part of the Contract Price.

#### 5.02 *Use of Site and Other Areas*

- A. Limitation on Use of Site and Other Areas
1. Contractor shall confine construction equipment, temporary construction facilities, the storage of materials and equipment, worker car parking and the operations of workers to the Site, to adjacent areas that Contractor has arranged to use through construction easements or otherwise, and to other adjacent areas permitted by Laws and Regulations, and shall not unreasonably encumber the Site and such other adjacent areas with worker car parking, construction equipment or other materials or equipment. Contractor shall assume full responsibility for (a) damage to the Site; (b) damage to any such other adjacent areas used for Contractor's operations; (c) damage to any other adjacent land or areas, or to improvements, structures, utilities, or similar facilities located at such adjacent lands or areas; and (d) for injuries, including death, and damage to or losses of property sustained by the owners or occupants of any such land or areas; provided that such damage, losses, injuries or deaths arose out of or result from the performance of the Work or arose out of or resulted from any other actions or conduct of the Contractor or those for whom Contractor is responsible.
  2. At any time when, in the judgment of the City, the Contractor has obstructed, closed, or is carrying on operations in a portion of a street, right-of-way, or easement greater than is necessary for proper execution of the Work, the City may require the Contractor to reduce the area impacted to only that necessary for proper execution of the Work and/or to finish the section on which operations are in progress before work is commenced on any additional area of the Site.

3. Construction equipment, spoil materials, supplies, forms, buildings, labs, or equipment and supply storage buildings, or any other item that may be transported by flood flows, shall not be stored within existing federal floodways during the course of the Work.
  4. Should any Damage Claim be made by any such owner or occupant adversely impacted because of the performance of the Work, Contractor shall promptly attempt to resolve the Damage Claim.
  5. ***PURSUANT TO PARAGRAPH 7.21, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, AND EMPLOYEES, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES ARISING OUT OF OR RELATING TO ANY CLAIM OR ACTION, LEGAL OR EQUITABLE, BROUGHT BY ANY SUCH ADVERSELY IMPACTED OWNER OR OCCUPANT AGAINST CITY.***
- B. *Removal of Debris During Performance of the Work:* During the progress of the Work the Contractor shall keep the Site and other adjacent areas free from accumulations of waste materials, rubbish, and other debris. Removal and disposal of such waste materials, rubbish, and other debris will conform to applicable Laws and Regulations.
- C. *Site Maintenance Cleaning:* If 24 hours after written notice is given to the Contractor that the clean-up at the Site is insufficient or occurring in a manner unsatisfactory to the City, the Contractor fails to correct the unsatisfactory condition and/or procedures, the City may take such direct action as the City deems appropriate to correct the clean-up deficiencies cited to the Contractor in the written notice, and the costs of such direct corrective action, plus 25 % of such costs, shall be deducted from the monies due or to become due to the Contractor under the Contract.
- D. *Final Site Cleaning:* Prior to Final Acceptance of the Work, Contractor shall clean the Site and the Work and make it ready for utilization by City and any adjacent property owners, if applicable. At the completion of the Work, Contractor shall remove from the Site and adjacent areas all tools, appliances, construction equipment and machinery, surplus materials, waste materials, rubbish and other debris and shall restore to original condition or better all areas impacted or disturbed by the Work.
- E. *Loading of Structures:* Contractor shall not load nor permit any part of any structure to be loaded in any manner that will endanger the structure, nor shall Contractor subject any part of the Work or adjacent structures or land to stresses or pressures that will endanger them.

### 5.03 *Subsurface and Physical Conditions*

- A. *Reports and Drawings:* The Supplementary Conditions identify:
1. Those reports known to City of explorations and tests of subsurface conditions at or contiguous to the Site; and
  2. Those drawings known to City of existing physical conditions at or contiguous to the Site, including those drawings known to City depicting existing surface or subsurface structures at or contiguous to the Site (except Underground Facilities.).
- B. *Underground Facilities:* Underground Facilities are shown or indicated on the Drawings, pursuant to Paragraph 5.05, and not in the drawings referred to in Paragraph 5.03.A.

Information and data regarding the presence or location of Underground Facilities are not intended to be categorized, identified, or defined as technical data.

- C. *Reliance by Contractor on Technical Data:* Contractor is provided certain technical data identified in the Supplementary Conditions with respect to such reports and drawings for its use, but the City does not warrant or guarantee the accuracy of the information, and such information including reports and drawings are not Contract Documents. Contractor may not make any Contract Claim against City, or any of their officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors with respect to:
1. the completeness or accuracy of such reports and drawings for Contractor's purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, and safety precautions and programs incident thereto; or
  2. other data, interpretations, opinions, and information contained in such reports or shown or indicated in such drawings; or
  3. the contents of other Site-related documents made available to Contractor, such as record drawings from other projects at or adjacent to the Site, or City's archival documents concerning the Site; or
  4. any Contractor interpretation of or conclusion drawn from any "technical data" or any such other data, interpretations, opinions, or information.

#### 5.04 *Differing Subsurface or Physical Conditions*

- A. *Notice by Contractor:* If Contractor believes that any subsurface or physical condition that is uncovered or revealed at the Site either:
1. is of such a nature as to establish that any "technical data" is materially inaccurate; or
  2. is of such a nature as to require a change in the Contract Documents; or
  3. differs materially from that shown or indicated in the Contract Documents; or
  4. is of an unusual nature, and differs materially from conditions ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract Documents;

then Contractor shall, promptly after becoming aware thereof and before further disturbing the subsurface or physical conditions or performing any Work in connection therewith (except in an emergency as required by Paragraph 7.17), notify City in writing about such condition.

- B. *Possible Price and Time Adjustments*
1. Contractor shall not be entitled to any adjustment in the Contract Price or Contract Time if:
    - a. Contractor knew of the existence of such condition at the time Contractor made a final commitment to City with respect to Contract Price and Contract Time by the submission of a Bid or becoming bound under the Contract; or

- b. The existence of such condition reasonably could have been discovered or revealed as a result of the examination of the Contract Documents or the Site; or
  - c. Contractor failed to give the written notice required by Paragraph 5.04.A.
- C. *Underground Facilities; Hazardous Environmental Conditions:* Paragraph 5.05 governs rights and responsibilities regarding the presence or location of Underground Facilities. Paragraph 5.06 governs rights and responsibilities regarding Hazardous Environmental Conditions. The provisions of Paragraphs 5.03 and 5.04 are not applicable to the presence or location of Underground Facilities, or to Hazardous Environmental Conditions.

#### 5.05 *Underground Facilities*

- A. *Shown or Indicated:* The information and data shown or indicated in the Contract Documents with respect to Underground Facilities at or contiguous to the Site is based on information and data furnished to City or Engineer by the owners of such Underground Facilities, including City, or by others, unless it is otherwise expressly provided in the Supplementary Conditions::
- 1. City and Engineer shall not be responsible for the accuracy or completeness of any such information or data provided by others; and
  - 2. the cost of all of the following are included in the Contract Price, and Contractor shall have full responsibility for:
    - a. reviewing and checking all information and data;
    - b. verifying the actual location of those Underground Facilities shown or indicated in the Contract Documents as being within the area affected by the Work, by exposing such Underground Facilities during the course of construction;
    - c. coordination and adjustment of the Work with the owners (including City) of such Underground Facilities, during construction; and
    - d. the safety and protection of all existing Underground Facilities at the Site, and repairing any damage thereto resulting from the Work.
- B. *Not Shown or Indicated:*
- 1. If an Underground Facility that is uncovered or revealed at the Site was not shown or indicated on the Drawings or otherwise indicated in the Contract Documents, or was not shown or indicated on the Drawings or in the Contract Documents with reasonable accuracy, then Contractor shall, promptly after becoming aware thereof and before further disturbing conditions affected thereby or performing any Work in connection therewith (except in an emergency as required by Paragraph 7.17), identify the owner of such Underground Facility and give notice to that owner and to City. Contractor shall be responsible for the safety and protection of such discovered Underground Facility.
  - 2. If City concludes that a change in the Contract Documents is required, a Change Order may be issued to reflect and document such consequences, subject to the provisions of Article 11.
  - 3. Verification of existing utilities, structures, and service lines shall include notification of all utility companies a minimum of 48 hours in advance of construction including exploratory excavation if necessary.

#### 5.06 *Hazardous Environmental Conditions at Site*

- A. *Reports and Drawings*: The Supplementary Conditions identify:
1. those reports known to City relating to Hazardous Environmental Conditions that have been identified at the Site; or
  2. drawings known to City relating to Hazardous Environmental Conditions that have been identified at the Site.
- B. *Reliance by Contractor on Technical Data*: Contractor is provided certain technical data identified in the Supplementary Conditions with respect to such reports and drawings for its use, but the City does not warrant or guarantee the accuracy of the information, and such information including reports and drawings are not Contract Documents. Contractor may not make any Contract Claim against City, or any of its officers, elected or appointed officials, directors, members, partners, employees, agents, consultants, or subcontractors with respect to:
1. the completeness or accuracy of such reports and drawings for Contractor's purposes, including, but not limited to, any aspects of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, and safety precautions and programs incident thereto; or
  2. other data, interpretations, opinions, and information contained in such reports or shown or indicated in such drawings; or
  3. the contents of other Site-related documents made available to Contractor, such as record drawings from other projects at or adjacent to the Site, or City's archival documents concerning the Site; or
  4. any Contractor interpretation of or conclusion drawn from any "technical data" or any such other data, interpretations, opinions, or information.
- C. Contractor shall not be responsible for a Hazardous Environmental Condition uncovered or revealed at the Site if such Hazardous Environmental Condition was not shown or indicated in Drawings or Specifications or identified if the removal or remediation of such Hazardous Environmental Condition was not identified in the Contract Documents to be within the scope of the Work. Contractor shall be responsible for a Hazardous Environmental Condition created by the actions of or with any materials brought to the Site by Contractor, Subcontractors, Suppliers or anyone else for whom Contractor is responsible and the costs associated with the same.
- D. If Contractor encounters, uncovers, or reveals a Hazardous Environmental Condition whose removal or remediation is not expressly identified in the Contract Documents as being within the scope of the Work, or if Contractor or anyone for whom Contractor is responsible creates a Hazardous Environmental Condition, then Contractor shall immediately: (1) secure or otherwise isolate such condition; (2) stop all Work in connection with such condition and in any area affected thereby (except in an emergency as required by Paragraph 7.17); and (3) notify City (and promptly thereafter confirm such notice in writing). City may consider the necessity to retain a qualified expert to evaluate such condition or take corrective action, if any.

- E. Contractor shall not be required to resume Work in connection with a Hazardous Environmental Condition identified pursuant to Paragraph 5.06.D or in any affected area until after City has obtained any required permits related thereto, and delivered written notice to Contractor either (1) specifying that such condition and any affected area is or has been rendered safe for the resumption of Work, or (2) specifying any special conditions under which such Work may be resumed.
- F. If, after receipt of such written notice, Contractor does not agree to resume such Work based on a reasonable belief it is unsafe, or does not agree to resume such Work under such special conditions, then City may order the portion of the Work that is in the area affected by such condition to be deleted from the Work and the Contract Price. City may have such deleted portion of the Work performed by City's own forces or others.
- G. ***TO THE FULLEST EXTENT PERMITTED BY LAWS AND REGULATIONS, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY, AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, DIRECTORS, MEMBERS, PARTNERS, EMPLOYEES, AGENTS, CONSULTANTS, AND SUBCONTRACTORS OF EACH AND ANY OF THEM, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES (INCLUDING BUT NOT LIMITED TO ALL FEES AND CHARGES OF ENGINEERS, ARCHITECTS, ATTORNEYS, AND OTHER PROFESSIONALS AND ALL COURT ARBITRATION OR OTHER DISPUTE RESOLUTION COSTS) FOR PERSONAL INJURY, DEATH OR PROPERTY DAMAGE ARISING OUT OF OR RELATING TO A HAZARDOUS ENVIRONMENTAL CONDITION CREATED BY CONTRACTOR OR BY ANYONE FOR WHOM CONTRACTOR IS RESPONSIBLE. NOTHING IN THIS PARAGRAPH 5.06.CityG OBLIGATES CONTRACTOR TO INDEMNIFY ANY INDIVIDUAL OR ENTITY FROM AND AGAINST THE CONSEQUENCES OF THAT INDIVIDUAL'S OR ENTITY'S OWN NEGLIGENCE.***
- H. The provisions of Paragraphs 5.03, 5.04, and 5.05 do not apply to the presence of a Hazardous Environmental Condition uncovered or revealed at the Site.

## **ARTICLE 6 – BONDS AND INSURANCE**

### **6.01 *Licensed Sureties and Insurers***

- A. All bonds and insurance required by the Contract Documents to be purchased and maintained by Contractor shall be obtained from surety or insurance companies that are duly licensed or authorized in the State of Texas to issue bonds or insurance policies for the limits and coverages required. Such surety and insurance companies shall also meet such additional requirements and qualifications as may be provided in the Supplementary Conditions.

### **6.02 *Performance, Payment, and Maintenance Bonds***

- A. Contractor shall furnish a performance bond and a payment bond, in accordance with the provisions of the Texas Government Code Chapter 2253 or successor statute and as required by the City, each in an amount at least equal to the Contract Price, as security for the faithful performance and payment of all of Contractor's obligations under the Contract. The performance and payment bonds must be provided by the Contractor to the City prior to the Contractor beginning any Work.

- B. Contractor shall furnish maintenance bonds in an amount equal to the Contract Price as security to protect the City against any defects in any portion of the Work described in the Contract Documents. Maintenance bonds shall remain in effect for two (2) years after the date of Final Acceptance by the City. The maintenance bond(s) shall be provided as directed by the City as part of the close-out of the Contract and shall be provided prior to the final payment being made.
- C. All bonds shall be in the form prescribed by the Contract Documents, except as provided otherwise by Laws and Regulations, and must be issued and signed by a surety named in “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies” as published in Department Circular 570 (as amended and supplemented) by the Bureau of the Fiscal Service, U.S. Department of the Treasury. A bond signed by an agent or attorney-in-fact must be accompanied by a certified copy of that individual’s authority to bind the surety. The evidence of authority must show that it is effective on the date the agent or attorney-in-fact signed the accompanying bond.
- D. If the surety on a bond furnished by Contractor is declared bankrupt or becomes insolvent, or the surety ceases to meet the requirements above, or its right to do business is terminated in the State of Texas, then Contractor shall promptly notify City in writing and shall, within 30 days after the event giving rise to such notification, provide another bond and surety, both of which must comply with the bond and surety requirements above.
- E. If Contractor has failed to obtain a required bond, City may refuse to allow the Contractor to begin Work, exclude the Contractor from the Site and exercise City’s termination rights under Article 15.
- F. Upon request to Contractor from any Subcontractor, Supplier, or other person or entity claiming to have furnished labor, services, materials, or equipment used in the performance of the Work, Contractor shall provide a copy of the payment bond to such person or entity.

#### 6.03 *Certificates of Insurance*

- A. Contractor shall deliver to City, with copies to each additional insured and loss payee identified in the Supplementary Conditions, certificates of insurance and endorsements (and other evidence of insurance requested by City or any other additional insured) establishing that Contractor has obtained and is maintaining the policies and coverages required by these General Conditions and the Supplementary Conditions prior to beginning any Work.
  - 1. The certificate of insurance shall document the City, and all identified entities named in the Supplementary Conditions as “additional insureds” on all liability policies.
  - 2. The Contractor’s general liability insurance shall include a “per project” or “per location” endorsement, that shall be identified in the certificate of insurance provided to the City.
  - 3. The certificate shall be signed by an agent authorized to bind coverage on behalf of the insured, be complete in its entirety, and show complete insurance carrier names as listed in the current A.M. Best Property & Casualty Guide.
  - 4. The insurers for all policies must be licensed and/or approved to do business in the State of Texas. Except for workers’ compensation, all insurers must have a minimum rating of A-: VII in the current A. M. Best Key Rating Guide or have reasonably equivalent

financial strength and solvency to the satisfaction City. If the rating is below that required, written approval of City is required.

5. All applicable policies shall include a Waiver of Subrogation (Rights of Recovery) in favor of the City. In addition, the Contractor agrees to waive all rights of subrogation against the Engineer (if applicable), and each additional insured identified in the Supplementary Conditions
6. Failure of the City to demand such certificates or other evidence of full compliance with the insurance requirements or failure of the City to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such lines of insurance coverage or to provide such certificates or other evidence of full compliance with the insurance requirements.
7. If insurance policies are not written for specified coverage limits, an Umbrella or Excess Liability insurance for any differences is required. Excess Liability shall follow form of the primary coverage.
8. Unless otherwise stated, all required insurance shall be written on the "occurrence basis". If If City agrees in writing that coverage is underwritten may be written on a claims-made basis, the retroactive date shall be coincident with or prior to the date of the effective date of the Agreement and the certificate of insurance shall state that the coverage is claims-made and the retroactive date. The insurance coverage shall be maintained for the duration of the Contract and for three (3) years following Final Acceptance or for the warranty period provided for under the Contract Documents or for the warranty period, whichever is longer. An annual certificate of insurance submitted to the City shall evidence such insurance coverage.
9. Policies shall have no exclusions by endorsements that either nullify or amend the required lines of coverage, nor or decrease the limits of said coverage unless such endorsements are approved in writing by the City. In the event a Notice of an Award has been issued or the Agreement executed, and the policy exclusions are determined to be unacceptable or the City desires that the Contractor obtain additional insurance coverage the contract price shall be adjusted by the cost of the premium for such additional coverage plus 10%.
10. For any proposed self-insured retention (SIR,) in excess of \$25,000.00, affecting insurance coverage, Contractor must obtain the written approval of the City in regard to asset value and stockholders' equity. In lieu of traditional insurance, proposed alternative coverage maintained through insurance pools or, risk retention groups, or self-funding will also require the written approval of the City.
11. Any deductible in excess of \$5,000.00, for any policy that does not provide coverage on a first-dollar basis must be acceptable to and approved in writing by the City.
12. City, at its sole discretion, reserves the right to review the insurance requirements and to make reasonable adjustments to insurance coverages and limits when deemed necessary and prudent by the City based upon the scope of the Work, changes in statutory law, court decision or the claims history of the industry as well as of the contracting party to the City. The City will provide prior notice of 90 days and the insurance adjustments shall be incorporated into the Work by Change Order.

13. City shall be entitled, upon written request to Contractor and without expense to City, to receive copies of policies and endorsements thereto and. City may make any reasonable requests for deletion or revision or modifications of particular policy terms, conditions, limitations, or exclusions necessary to conform the policy and endorsements to the requirements of the Contract. Deletions, revisions, or modifications shall not be required where policy provisions are established by law or regulations binding upon either party or the underwriter on any such policies.
14. City shall not be responsible for the direct payment of insurance premium costs for Contractor's insurance.

#### 6.04 *Contractor's Insurance*

- A. *Workers Compensation and Employers' Liability:* Contractor shall purchase and maintain such insurance coverage with limits consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Texas Labor Code, Ch. 406, as amended), and minimum limits for Employers' Liability as is appropriate for the Work being performed and as will provide protection from claims set forth below which may arise out of or result from Contractor's performance of the Work and Contractor's other obligations under the Contract Documents, whether it is to be performed by Contractor, any Subcontractor or Supplier, or by anyone directly or indirectly employed by any of them to perform any of the Work, or by anyone for whose acts any of them may be liable:
  1. claims under workers' compensation, disability benefits, and other similar employee benefit acts;
  2. claims for damages because of bodily injury, occupational sickness or disease, or death of employees.
- B. *Commercial General Liability.* Coverage shall include but not be limited to covering liability (bodily injury, including death, or property damage) arising from: premises/operations, independent contractors, products/completed operations, personal injury including death, liability under an insured contract, and explosion/collapse/underground (where those exposures exist). Insurance shall be provided on an occurrence basis, and as comprehensive as the current Insurance Services Office (ISO) policy. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to the City. The Commercial General Liability policy shall have no exclusions by endorsements that would alter or nullify premises/operations, products/completed operations, contractual, personal injury, or advertising injury, that are normally contained with the policy, unless the City approves such exclusions in writing.

For construction projects that present a substantial completed operation exposure, the City may require the Contractor to maintain completed operations coverage for a minimum of no less than three (3) years following the completion of the project (if identified in the Supplementary Conditions)).
- C. *Automobile Liability.* A commercial business auto policy shall provide coverage on "any auto", defined as autos owned, hired and non-owned and provide indemnity for claims for damages because of bodily injury or death of any person and/or property damage arising out of or related to the work, maintenance or use of any motor vehicle by the Contractor, any

Subcontractor or Supplier, or by anyone directly or indirectly employed by any of them to perform any of the Work, or by anyone for whose acts any of them may be liable.

- D. *Railroad Protective Liability.* If any of the Work or any warranty work is within the limits of railroad right-of-way, the Contractor shall comply with the requirements identified in the Supplementary Conditions.
- E. *Notification of Policy Cancellation:* Contractor shall immediately notify City upon cancellation or other loss of insurance coverage. Contractor shall stop Work until replacement insurance has been procured. There shall be no time credit for delays or days not worked pursuant to this section.

6.05 *Acceptance of Bonds and Insurance; Option to Replace*

- A. If City has any objection to the coverage afforded by or other provisions of the bonds or insurance required to be purchased and maintained by the Contractor in accordance with Article 6 or the Supplementary Conditions on the basis of non-conformance with the Contract Documents, the City shall so notify the Contractor in writing within 10 Business Days after receipt of the certificates (or other evidence requested). Contractor shall provide to the City such additional information in respect of insurance provided as the City may reasonably request. If Contractor does not purchase or maintain all of the bonds and insurance required by the Contract Documents, the City shall notify the Contractor in writing of such failure prior to the start of the Work, or of such failure to maintain prior to any change in the required coverage. Such failure to provide bonds or insurance as required by the Contract Documents is a breach of the terms of the Contract and the City may terminate the Contractor in accordance with the provisions of the Contract Documents.

**ARTICLE 7 – CONTRACTOR’S RESPONSIBILITIES**

7.01 *Contractor’s Means and Methods of Construction*

- A. Contractor shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction.
- B. If the Contract Documents note, or Contractor determines, that professional engineering or other design services are needed to carry out Contractor’s responsibilities for construction means, methods, techniques, sequences, and procedures, or for Site safety, then Contractor shall cause such services to be provided by a properly licensed design professional, at Contractor’s expense. Such services are not City-delegated professional design services under this Contract, and neither City nor Engineer has any responsibility with respect to (1) Contractor’s determination of the need for such services, (2) the qualifications or licensing of the design professionals retained or employed by Contractor, (3) the performance of such services, or (4) any errors, omissions, or defects in such services.

7.02 *Supervision and Superintendence*

- A. Contractor shall supervise, inspect, and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents.
- B. At all times during the progress of the Work, Contractor shall identify and assign a competent superintendent, who is proficient in English, and who shall not be replaced without written

notice to City of the name of the replacement superintendent. If at any time the superintendent is not satisfactory to the City, Contractor shall, if requested by City, replace the superintendent with another satisfactory to City.

- C. Contractor shall notify the City 24 hours prior to moving areas during the sequence of construction.

#### 7.03 *Labor; Working Hours*

- A. Contractor shall provide competent, suitably qualified personnel to survey and lay out the Work and perform construction as required by the Contract Documents. Contractor shall at all times maintain good discipline and order at the Site.
- B. Contractor shall be fully responsible to City for all acts and omissions of Contractor's employees; of Suppliers and Subcontractors, and their employees; and of any other individuals or entities performing or furnishing any of the Work, just as Contractor is responsible for Contractor's own acts and omissions.
- C. Except as otherwise required for the safety or protection of persons or the Work or property at the Site or adjacent thereto, and except as otherwise stated in the Contract Documents, all Work at the Site shall be performed during regular working hours on Business Days. Contractor will not permit the performance of Work outside of regular working hours on Business Days without City's prior written consent (which will not be unreasonably withheld)). Contractor's written request (by letter or electronic communication) for City's written consent must be made as follows:
  - 1. for Work beyond regular working hours on Business Days, request must be made by noon at least two (2) Business Days prior;
  - 2. for Work during Weekend Working Hours, request must be made by noon of the preceding Wednesday; and
  - 3. for Work on state or federal holidays observed by the City, request must be made sufficiently in advance of the holiday, to satisfy requirements for City Council approval.

#### 7.04 *Services, Materials, and Equipment*

- A. Unless otherwise specified in the Contract Documents, Contractor shall provide and assume full responsibility for all services, materials, equipment, labor, transportation, construction equipment and machinery, tools, appliances, fuel, power, light, heat, telephone, water, sanitary facilities, temporary facilities, and all other facilities and incidentals necessary for the performance, Contractor required testing, start up, and completion of the Work, whether or not such items are specifically called for in the Contract Documents.
- B. All materials and equipment incorporated into the Work shall be as specified or, if not specified, shall be of sufficient quality to complete the Work, and must be new and of good quality, except as otherwise provided in the Contract Documents. All special warranties and guarantees required by the Specifications shall expressly run to the benefit of City. If required by City, Contractor shall furnish satisfactory evidence (including reports of required tests) as to the source, kind, and quality of materials and equipment.
- C. All materials and equipment to be incorporated into the Work shall be stored, applied, installed, connected, erected, protected, used, cleaned, and conditioned in accordance with

instructions of the applicable Supplier, except as otherwise may be provided in the Contract Documents.

- D. All items of standard equipment to be incorporated into the Work shall be the latest model at the time of bid, unless otherwise specified.

#### 7.05 *Project Schedule*

- A. Contractor shall adhere to the Project Schedule established in accordance with Paragraph 2.06 and the General Requirements as it may be adjusted from time to time as provided below.
1. Contractor shall submit to the City for acceptance (to the extent indicated in Paragraph 2.06 and the General Requirements) proposed adjustments in the Project Schedule that will not result in changing the Contract Time. Such adjustments must comply with any provisions of the General Requirements applicable thereto.
  2. Contractor shall submit to City a monthly Project Schedule with a monthly progress payment request for the duration of the Contract in accordance with the Construction Progress Schedule, General Requirements 01 32 16.
  3. Proposed adjustments in the Project Schedule that will change the Contract Time shall be submitted in accordance with the requirements of Article 11. Adjustments in Contract Time may only be made by a Change Order.

#### 7.06 *“Or Equals”*

- A. *Contractor’s Request; Governing Criteria:* Whenever an item of equipment or material is specified or described in the Contract Documents by using the names of one or more proprietary items or specific Suppliers, the Contract Price has been based upon Contractor furnishing such item as specified. The specification or description of such an item is intended to establish the type, function, appearance, and quality required. Unless the specification or description contains or is followed by words reading that no like, equivalent, or “or equal” item is permitted, Contractor may request that City permit the use of other items of equipment or material, or items from other proposed Suppliers, under the circumstances described below.
1. If City in its sole discretion determines that an item of equipment or material proposed by Contractor is functionally equal to that named and sufficiently similar so that no change in related Work will be required, it may be considered by City as an “or equal” item. For the purposes of this Paragraph, a proposed item of equipment or material will be considered functionally equal to an item so named if:
    - a. the City determines that:
      - 1) it is at least equal in materials of construction, quality, durability, appearance, strength, and design characteristics;
      - 2) it will reliably perform at least equally well the function and achieve the results imposed by the design concept of the completed Project as a functioning whole;
      - 3) it has a proven record of performance and availability of responsive service; and
      - 4) it is not objectionable to City.

- b. Contractor certifies that, if the proposed item is approved and incorporated into the Work:
    - 1) there will be no increase in cost to the City or increase in Contract Time; and
    - 2) the item will conform substantially to the detailed requirements of the item named in the Contract Documents.
- B. *Contractor's Expense*: Contractor shall provide all data in support of any proposed "or equal" item at Contractor's expense.
- C. *City's Evaluation and Determination*: City will be allowed a reasonable time to evaluate each "or-equal" request. City may require Contractor to furnish additional data about the proposed "or-equal" item. City will be the sole judge of acceptability. No "or-equal" item will be ordered, furnished, installed, or utilized until City's review is complete and City determines that the proposed item is an "or-equal." City." City will advise Contractor in writing of its determination.
- D. *Effect of City's Determination*: Neither approval nor denial of an "or-equal" request will result in any change in Contract Price. The City's denial of an "or-equal" request will be final and binding, and may not be reversed through an appeal under any provision of the Contract.
- E. *Treatment as a Substitution Request*: If City determines that an item of equipment or material proposed by Contractor does not qualify as an "or-equal" item, Contractor may request that City consider the item a proposed substitution pursuant to Paragraph 7.07.

#### 7.07 Substitutions

- A. *Contractor's Request; Governing Criteria*: Unless the specification or description of an item of equipment or material required to be furnished under the Contract Documents contains or is followed by words reading that no substitution is permitted, Contractor may request that City permit the use of other items of equipment or material under the circumstances described below. To the extent possible such requests must be made before commencement of related Work at the Site.
  - 1. Contractor shall submit sufficient information as provided below to allow City to determine if the item of material or equipment proposed is functionally equivalent to that named and an acceptable substitution therefor. City will not accept requests for review of proposed substitute items of equipment or material from anyone other than Contractor.
  - 2. The requirements for review by City will be as set forth in Paragraph 7.07.B, as supplemented by the Specifications, and as City may decide is appropriate under the circumstances.
  - 3. Contractor shall make written application to City for review of a proposed substitute item of equipment or material that Contractor seeks to furnish or use. The application shall comply with Section 01 25 00 and:
    - a. will certify that the proposed substitute item will:
      - 1) perform adequately the functions and achieve the results called for by the general design;
      - 2) be substantially similar in substance to the item specified; and

- 3) be well-suited to the same use as the item specified.
  - b. will state:
    - 1) the extent, if any, to which the use of the proposed substitute item will adversely impact Contractor's achievement of Final Acceptance on or before the Contract Time;
    - 2) whether use of the proposed substitute item in the Work will require a change in any of the Contract Documents (or in the provisions of any other direct contract with City for other work on the Project) to adapt the design to the proposed substitute item; and
    - 3) whether incorporation or use of the proposed substitute item in connection with the Work is subject to payment of any license fee or royalty.
  - c. will identify:
    - 1) all variations of the proposed substitute item from the item specified; and
    - 2) available engineering, sales, maintenance, repair, and replacement services.
  - d. will contain an itemized estimate of all costs or credits that will result directly or indirectly from use of such substitute item, including but not limited to changes in Contract Price, shared savings, costs of redesign, and Damage Claims of other contractors affected by any resulting change.
- B. *City's Evaluation and Determination:* City will be allowed a reasonable time to evaluate each substitution request. City may require Contractor to furnish additional data about the proposed substitute item. City will be the sole judge of acceptability. No substitute will be ordered, furnished, installed, or utilized until City's review is complete and City determines that the proposed item is an acceptable substitution. City's approval determination will be evidenced by a Change Order accounting for the substitution itself and all related impacts, including changes in Contract Price or Contract Time. City will advise Contractor in writing of any denial determination.
- C. *Special Guarantee:* City may require Contractor to furnish at Contractor's expense a special performance guarantee or other surety with respect to any substitution. ***Contractor shall indemnify and hold harmless City and its officers, elected and appointed officials, employees, agents, consultants and subcontractors and anyone directly or indirectly employed by them from and against any and all claims, damages, losses and expenses (including attorney's fees) arising out of or relateds to the use of substituted materials or equipment.***
- D. *Reimbursement of City's Cost:* City will record City's costs in evaluating a substitution proposed or submitted by Contractor. Whether or not City approves a substitute so proposed or submitted by Contractor, Contractor shall reimburse City for evaluating each such proposed substitute. Contractor shall also reimburse City for the charges for making changes in the Contract Documents (or in the provisions of any other direct contract with City) resulting from the acceptance of each proposed substitute.
- E. *Contractor's Expense:* Contractor shall provide all data in support of any proposed substitute at Contractor's expense.

- F. *City Substitution Reimbursement:* Cost savings attributable to acceptance of a substitution shall be paid to City by Contractor by an appropriate Change Order decreasing the Contract Price.
- G. *Effect of City's Determination:* If City approves the substitution request, Contractor shall execute the proposed Change Order and proceed with the substitution. The City's denial of a substitution request will be final and binding, and may not be reversed through an appeal under any provision of the Contract. Contractor may challenge the scope of reimbursement costs imposed under Paragraph 7.07.D, by timely submittal of a Change Order.

7.08 *Concerning Subcontractors and Suppliers*

- A. Contractor shall perform with its own organization, and with the assistance of workmen under its immediate superintendence, work of a value not less than 35% of the Contract Price, unless otherwise approved by the City.
- B. Contractor may retain Subcontractors and Suppliers for the performance of parts of the Work. Contractor shall not employ any Subcontractor, Supplier, or other individual or entity, whether initially or as a replacement, against whom City may have reasonable objection. Contractor shall not be required to employ any Subcontractor, Supplier, or other individual or entity to furnish or perform any of the Work against whom Contractor has reasonable objection, except as provided in Paragraph 7.08.C. The Contractor's retention of a Subcontractor or Supplier for the performance of parts of the Work will not relieve Contractor's obligation to City to perform and complete the Work in accordance with the Contract.
- C. The City may require the use of specific Subcontractors, Suppliers, or other individuals or entities for the performance of designated parts of the Work , and will provide such requirements in the Supplementary Conditions.
- D. Contractor shall provide to City as part of the Bid, the identity of all proposed Subcontractors and Suppliers. Such proposed Subcontractor or Supplier shall be deemed acceptable to City unless City raises a substantive, reasonable objection prior to execution of the Agreement.
- E. Contractor shall be fully responsible to City for all acts and omissions of the Subcontractors, Suppliers, and other individuals or entities performing or furnishing any of the Work under a direct or indirect contract with Contractor just as Contractor is responsible for Contractor's own acts and omissions. Nothing in the Contract:
  - 1. shall create for the benefit of any such Subcontractor, Supplier, or other individual or entity any contractual relationship between City and any such Subcontractor, Supplier or other individual or entity; nor
  - 2. shall create any obligation on the part of City to pay or to see to the payment of any moneys due any such Subcontractor, Supplier, or other individual or entity except as may otherwise be required by Laws and Regulations.
- F. No acceptance by City of any such Subcontractor or Supplier, whether initially or as a replacement, will constitute a waiver of the right of City to the completion of the Work in accordance with the Contract Documents, Contract Price and Contract Time.
- G. Contractor shall be solely responsible for scheduling and coordinating the tasks of Subcontractors, Suppliers, and other individuals or entities performing or furnishing any of the Work under a direct or indirect contract with Contractor.

- H. All Work performed for Contractor by a Subcontractor or Supplier must be pursuant to an appropriate contractual agreement that specifically binds the Subcontractor or Supplier to the applicable terms and conditions of the Contract for the benefit of City. Contractor must comply with all applicable federal, state, and local laws, statutes, ordinances or regulations, including but not limited to immigration laws, workers compensation laws and wage laws, in the hiring of any Subcontractor or Supplier and shall ensure that each Subcontractor or Supplier has the same obligations.
- I. Contractor shall restrict all Subcontractors and Suppliers from communicating with City, except through Contractor or in case of an emergency, or as otherwise expressly allowed in this Contract.

#### 7.09 *Wage Rates*

- A. *Duty to pay Prevailing Wage Rates:* The Contractor shall comply with all requirements of Chapter 2258, Texas Government Code (as amended), including the payment of not less than the rates determined by the City Council of the City of Denton to be the prevailing wage rates in accordance with Chapter 2258. The then current prevailing wage rates at the time of execution of the Agreement are included in these Contract Documents.
- B. *Penalty for Violation:* A Contractor or any Subcontractor who does not pay the prevailing wage shall, upon demand made by the City, pay to the City \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the prevailing wage rates stipulated in these contract documents. This penalty shall be retained by the City to offset its administrative costs, pursuant to Texas Government Code Section 2258.023.
- C. *Complaints of Violations and City Determination of Good Cause:* On receipt of information, including a complaint by a worker, concerning an alleged violation of Section 2258.023, Texas Government Code, by a Contractor or Subcontractor, the City shall make an initial determination, before the 31st day after the date the City receives the information, as to whether good cause exists to believe that the violation occurred. The City shall notify in writing the Contractor or Subcontractor and any affected worker of its initial determination. Upon the City's determination that there is good cause to believe the Contractor or Subcontractor has violated Chapter 2258, the City shall retain the full amounts claimed by the claimant or claimants as the difference between wages paid and wages due under the prevailing wage rates, such amounts being retained from successive progress payments pending a final determination of the violation.
- D. *Arbitration Required if Violation Not Resolved:* An issue relating to an alleged violation of Section 2258.023, Texas Government Code, including a penalty owed to the City or an affected worker, shall be submitted to binding arbitration in accordance with the Texas General Arbitration Act (Article 224 et seq., Revised Statutes) if the Contractor or Subcontractor and any affected worker does not resolve the issue by agreement before the 15th day after the date the City makes its initial determination pursuant to Paragraph 7.09.C. If the persons required to arbitrate under this section do not agree on an arbitrator before the 11th day after the date that arbitration is required, a district court shall appoint an arbitrator on the petition of any of the persons. The City is not a party in the arbitration. The decision and award of the arbitrator is final and binding on all parties and may be enforced in any court of competent jurisdiction.

- E. *Records to be Maintained:* The Contractor and each Subcontractor shall, for a period of three (3) years following the date of Final Acceptance, maintain records that show (i) the name and occupation of each worker employed by the Contractor in the construction of the Work provided for in this Contract; and (ii) the actual per diem wages paid to each worker. The records shall be available in Denton County, Texas at all reasonable hours for inspection by the City. The provisions of Paragraph 7.23, Right to Audit, shall pertain to this inspection.
- F. *Progress Payments:* With each progress payment request or payroll period, whichever is less, the Contractor shall submit an affidavit stating that the Contractor has complied with the requirements of Chapter 2258, Texas Government Code.
- G. *Posting of Wage Rates:* The Contractor shall post prevailing wage rates in a conspicuous place at the Site at all times.
- H. *Subcontractor Compliance:* The Contractor shall include in its subcontracts and/or shall otherwise require all of its Subcontractors to comply with Paragraphs 7.09.A through 7.09.G.

#### 7.10 *Patent Fees and Royalties*

- A. Contractor shall pay all patent or license fees and royalties and pay all costs incident to the use in the performance of the Work or the incorporation in the Work of any invention, design, process, product, or device which is the subject of patent rights or copyrights held by others. If an invention, design, process, product, or device is specified in the Contract Documents for use in the performance of the Work and if, to the actual knowledge of City, its use is subject to patent rights or copyrights calling for the payment of any patent or license fee or royalty to others, the existence of such rights will be disclosed in the Contract Documents. Failure of the City to disclose such information does not relieve the Contractor from its obligations to pay said fees or, royalties or costs to others.
- B. ***TO THE FULLEST EXTENT PERMITTED BY LAWS AND REGULATIONS, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS CITY, AND ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, DIRECTORS, MEMBERS, PARTNERS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS OF EACH AND ANY OF THEM, FROM AND AGAINST ALL CLAIMS, COSTS, LOSSES, AND DAMAGES (INCLUDING BUT NOT LIMITED TO ALL FEES AND CHARGES OF ENGINEERS, ARCHITECTS, ATTORNEYS, AND OTHER PROFESSIONALS AND ALL COURT OR ARBITRATION OR OTHER DISPUTE RESOLUTION COSTS) ARISING OUT OF OR RELATING TO ANY INFRINGEMENT OF PATENT RIGHTS OR COPYRIGHTS INCIDENT TO THE USE IN THE PERFORMANCE OF THE WORK OR RESULTING FROM THE INCORPORATION IN THE WORK OF ANY INVENTION, DESIGN, PROCESS, PRODUCT, OR DEVICE.***

#### 7.11 *Permits and Utilities*

- A. *Contractor obtained permits and licenses.* Unless otherwise expressly provided in the Contract Documents, Contractor shall obtain and pay for all construction permits and licenses. City shall provide reasonable assistance to Contractor, if necessary, in obtaining such permits and licenses. Contractor shall pay all governmental charges and inspection fees necessary for the prosecution of the Work applicable at the time the Notice of Award is issued, except for permits provided by the City as specified in Paragraph 7.11.B. City shall pay the charges of utility service providers for connections for providing permanent service to the Work.

- B. *City obtained permits and licenses.* City will obtain and pay for those permits and licenses identified as City's responsibility in the Supplementary Conditions or Contract Documents. It will be the Contractor's responsibility to comply with and carry out the provisions of the permit. If the Contractor initiates changes to the Contract and the City approves the changes, the Contractor is responsible for obtaining clearances and coordinating with the appropriate regulatory agency, relating to the changes. The City will not reimburse the Contractor for any cost associated with the requirements of any City acquired permit. The following are permits the City will obtain if required:
1. Texas Department of Transportation Permits
  2. U.S. Army Corps of Engineers Permits
  3. Texas Commission on Environmental Quality Permits
  4. Railroad Company Permits
  5. Texas Department of Licensing and Regulation (TDLR) Permits
- C. *Outstanding permits and licenses.* Any outstanding permits and licenses are anticipated to be acquired in accordance with the schedule set forth in the Supplementary Conditions. The Project Schedule submitted by the Contractor in accordance with the Contract Documents must consider any outstanding permits and licenses.

#### 7.12 *Taxes*

- A. On issuance of a Notice of Award by the City, an organization which qualifying for exemption pursuant to Texas Tax Code, Subchapter H (as amended), the Contractor may purchase, rent or lease all materials, supplies and equipment used or consumed in the performance of this contract by issuing to hisits Supplier an exemption certificate in lieu of the tax, said exemption certificate to comply with State Comptroller's Rulings applicable to Texas Tax Code, Subchapter H. Any such exemption certificate issued to the Contractor in lieu of the tax shall be subject to and shall comply with all applicable rulings pertaining to the Texas Tax Code, Subchapter H.
- B. Texas tax permits and information may be obtained from:
1. Comptroller of Public Accounts  
Sales Tax Division  
Capitol Station  
Austin, TX 78711; or
  2. <http://www.window.state.tx.us/taxinfo/taxforms/93-forms.html>

#### 7.13 *Laws and Regulations*

- A. Contractor shall give all notices required by and shall comply with all Laws and Regulations applicable to the performance of the Work. Except where otherwise expressly required by applicable Laws and Regulations, City shall not be responsible for monitoring Contractor's compliance with any Laws and Regulations.
- B. If Contractor performs any Work or takes any other action knowing or having reason to know that it is contrary to Laws and Regulations, Contractor shall be liable for all resulting claims, costs losses, and damages, and shall indemnify and hold harmless City, and its officers, elected

and appointed officials, directors, members, partners, employees, agents, consultants, and subcontractors of each and any of them, from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such Work or other action.

- C. Changes in Laws and Regulations not known at the time of the City's issuance of a Notice of Award having an effect on the cost or time of performance of the Work may be the subject of an adjustment in Contract Price or Contract Time.

#### 7.14 *Record Documents*

- A. Contractor shall maintain in a safe place at the Site one printed record copy of all Drawings, Specifications, Addenda, Change Orders, Field Orders, written interpretations and clarifications, and approved Shop Drawings. Contractor shall keep such record documents in good order and annotate them to show changes made during construction. Contractor shall include accurate locations for buried and imbedded items. These record documents, together with all approved Samples, will be available to City for reference. Upon completion of the Work, Contractor shall deliver these record documents to City prior to Final Inspection.

#### 7.15 *Safety and Protection*

- A. As between City and Contractor, Contractor shall be responsible for the safety of persons and property in the performance of the Work, for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work and for compliance with applicable safety Laws and Regulations.
- B. Contractor shall designate a qualified and experienced safety representative whose duties and responsibilities are the prevention of Work-related accidents and the maintenance and supervision of safety precautions and programs. Contractor shall inform the City in writing of Contractor's designated safety representative at the Site.
- C. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to:
  - 1. all persons on the Site or who may be affected by the Work;
  - 2. all the Work and materials and equipment to be incorporated therein, whether in storage on or off the Site; and
  - 3. other property at the Site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, other work in progress, utilities, and Underground Facilities not designated for removal, relocation, or replacement in the course of construction.
- D. All damage, injury, or loss to any property referred to in Paragraph 7.1515.C.2 or 7.1515.C.3 caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, Supplier, or any other individual or entity directly or indirectly employed by any of them to perform any of the Work, or anyone for whose acts any of them may be liable, shall be the responsibility of and remedied by Contractor at its expense.
- E. Contractor shall comply with all applicable Laws and Regulations relating to the safety of persons or property, or to the protection of persons or property from damage, injury, or loss;

and shall implement, erect and maintain all necessary safeguards for such safety and protection.

- F. Contractor shall notify City; the owners of adjacent property; the owners of Underground Facilities and other utilities (if the identity of such owners is known to Contractor); and other contractors and utility owners performing work at or adjacent to the Site, in writing, when Contractor knows that prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, and replacement of their property or work in progress.
- G. Contractor shall comply with the applicable requirements of City's safety programs, if any.
- H. Contractor shall inform City in advance in writing of the specific requirements of Contractor's safety program with which City's and Engineer's employees and representatives must comply while at the Site.
- I. Contractor's duties and responsibilities for safety and protection will continue until all the Work is completed and City has issued a Letter of Final Acceptance.
- J. Contractor's duties and responsibilities for safety and protection will resume whenever Contractor or any Subcontractor or Supplier returns to the Site to fulfill warranty or correction obligations, or to conduct other tasks arising from the Contract Documents.

#### 7.16 *Hazard Communication Programs*

- A. Contractor shall be responsible for coordinating any exchange of safety data sheets (formerly known as material safety data sheets) or other hazard communication information required to be made available to or exchanged between or among employers at the Site in accordance with Laws and Regulations.

#### 7.17 *Emergencies and/or Rectification*

- A. In the event of threatened or actual emergencies affecting the safety or protection of persons or the Work or property at the Site or adjacent thereto, Contractor is obligated to immediately act to prevent damage, injury, or loss. Contractor shall give City prompt written notice if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused by an emergency or are required as a result of Contractor's response to an emergency. If City determines that a change in the Contract Documents is required because of an emergency or Contractor's response, a Change Order may be issued.
- B. Should the Contractor fail to respond to a request from the City to rectify any discrepancies, omissions, or correction necessary to conform with the requirements of the Contract Documents, the City shall give the Contractor written notice that such work or changes are to be performed. The written notice shall direct attention to the discrepant condition and request the Contractor to take remedial action to correct the condition. In the event the Contractor does not take proper action within 24 hours to fulfill this written request or fails to show just cause for not taking the proper action, within 24 hours, the City may take such remedial action with City resources or by contract. The City shall deduct an amount equal to the entire cost for such remedial action, plus 25% from any funds due or to become due the Contractor on the Project.

### 7.18 Submittals

- A. *Submittal Procedures for Shop Drawings and Samples:* Contractor shall submit required Submittals to City for review and acceptance in accordance with the accepted Schedule of Submittals (as required by Paragraph 2.03).
1. Contractor shall submit the Submittals in accordance with Section 01 33 00 of the General Requirements.
  2. Data shown on the Submittals must be complete with respect to quantities, dimensions, specified performance and design criteria, materials, and similar data to demonstrate to City the services, materials, and equipment Contractor proposes to provide, and to enable City to review the information for the limited purposes required by Paragraph 7.18.C.
  3. Submittals reviewed and accepted by City for conformance with the design concept shall be executed in conformity with the Contract Documents unless otherwise required by City.
  4. When Submittals are submitted for the purpose of showing the installation in greater detail, their review shall not excuse Contractor from requirements shown on the Drawings and Specifications.
  5. For-Information-Only submittals upon which the City is not expected to conduct a review or take responsive action may be so identified in the Contract Documents.
  6. Contractor shall submit the required number of Samples specified in the Specifications.
  7. Contractor shall clearly identify each Sample as to material, Supplier, pertinent data such as catalog numbers, the use for which it is intended and other data as City may require to enable City to review the Submittal for the limited purposes set forth in Paragraph 7.18.C.
- B. Where a Submittal is required by the Contract Documents or the Schedule of Submittals, any related Work performed prior to City's review and acceptance of the pertinent submittal will be at the sole risk, expense and responsibility of Contractor.
- C. City's Review
1. City will provide timely review of Submittals in accordance with the accepted Schedule of Submittals. City's review and acceptance will be to determine if the items covered by the Submittals will, after installation or incorporation in the Work, comply with the requirements of the Contract Documents, and be compatible with the design concept of the completed Project as a functioning whole as indicated by the Contract Documents.
  2. City's review and acceptance will not extend to means, methods, techniques, sequences, or procedures of construction (except where a particular means, method, technique, sequence or procedure of construction is specifically and expressly called for by the Contract Documents), or to safety precautions or programs incident thereto.
  3. City's review and acceptance of a separate item as such will not indicate approval of the assembly in which the item functions.
  4. City's review and acceptance of a Submittal will not relieve Contractor from responsibility for any variation from the requirements of the Contract Documents unless Contractor has complied with the requirements of Section 01 33 00 of the General

Requirements, and City has given written acceptance of each such variation by specific written notation thereof incorporated in or accompanying the Submittal.

5. City's review and acceptance of a Submittal will not relieve Contractor from responsibility for complying with the requirements of the Contract Documents.
6. City's review and acceptance of a Submittal, or of a variation from the requirements of the Contract Documents, will not, under any circumstances, change the Contract Time or Contract Price, unless such changes are included in a Change Order.
7. Neither City's receipt, review, or acceptance of a Submittal will result in such item becoming a Contract Document.
8. Contractor shall perform the Work in compliance with the requirements and commitments set forth in accepted Submittals, subject to the provisions of Section 01 33 00 of the General Requirements.

7.19 *Continuing the Work*

- A. Except as otherwise provided, Contractor shall carry on the Work and adhere to the Project Schedule during all disputes or disagreements with City. No Work shall be delayed or postponed pending resolution of any disputes or disagreements, except as City and Contractor may otherwise agree in writing.

7.20 *Contractor's General Warranty and Guarantee*

- A. Contractor warrants and guarantees to City that all Work will be in accordance with the Contract Documents and will not be defective. City and its officers, elected and appointed officials, directors, members, partners, employees, agents, consultants, and subcontractors shall be entitled to rely on Contractor's warranty and guarantee.
- B. Contractor's warranty and guarantee hereunder excludes defects or damage caused by:
  1. abuse, or improper modification, maintenance, or operation, by persons other than Contractor, Subcontractors, Suppliers, or any other individual or entity for whom Contractor is responsible; or
  2. normal wear and tear under normal usage.
- C. Contractor's obligation to perform and complete the Work in accordance with the Contract Documents is absolute. None of the following will constitute an acceptance of Work that is not in accordance with the Contract Documents, a release of Contractor's obligation to perform the Work in accordance with the Contract Documents, or a release of Contractor's warranty and guarantee under this Paragraph 7.20:
  1. Observations by Engineer or City;
  2. Recommendation by Engineer or payment by City of any progress or final payment;
  3. The issuance of a letter or certificate of Final Acceptance by City or any payment related thereto by City;
  4. Use or occupancy of the Work or any part thereof by City;
  5. Any review and acceptance of a Submittal by City;

- 6. Any inspection, test, or acceptance by others; or
  - 7. Any correction of defective Work by City.
- D. The Contractor shall remedy any defects or damages in the Work and pay for any damage to other work or property resulting therefrom which shall appear within a period of two (2) years from the date of Final Acceptance of the Work unless a longer period is specified. Contractor shall furnish a good and sufficient maintenance bond, complying with the requirements of Paragraph 6.02.B. The City will give notice of observed defects with reasonable promptness.

#### 7.21 *Indemnification*

- A. **CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS AND ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM , FROM AND AGAINST ANY AND ALL CLAIMS FOR PERSONAL OR BODILY INJURY OR DEATH, ARISING OUT OF OR RELATED TO, OR ALLEGED TO ARISE OUT OF OR BE RELATED TO, THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THESE CONTRACT DOCUMENTS. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY, OR ITS OFFICERS, ELECTED OR APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS OR SUBCONTRACTORS OR ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM. THIS INDEMNITY PROVISION IS INTENDED TO INCLUDE, WITHOUT LIMITATION, INDEMNITY FOR COSTS, EXPENSES AND LEGAL FEES INCURRED IN DEFENDING AGAINST SUCH CLAIMS AND CAUSES OF ACTIONS.**
- B. **CONTRACTOR COVENANTS AND AGREES TO INDEMNIFY AND HOLD HARMLESS, AT ITS OWN EXPENSE, THE CITY, ITS OFFICERS, ELECTED AND APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS AND ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM FROM AND AGAINST ANY AND ALL LOSS, DAMAGE OR DESTRUCTION OF PROPERTY OF THE CITY, ARISING OUT OF OR RELATED TO, OR ALLEGED TO ARISE OUT OF OR BE RELATED TO, THE WORK AND SERVICES TO BE PERFORMED BY THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUBCONTRACTORS, LICENSEES OR INVITEES UNDER THIS CONTRACT. THIS INDEMNIFICATION PROVISION IS SPECIFICALLY INTENDED TO OPERATE AND BE EFFECTIVE EVEN IF IT IS ALLEGED OR PROVEN THAT ALL OR SOME OF THE DAMAGES BEING SOUGHT WERE CAUSED, IN WHOLE OR IN PART, BY ANY ACT, OMISSION OR NEGLIGENCE OF THE CITY OR ITS OFFICERS, ELECTED OR APPOINTED OFFICIALS, EMPLOYEES, AGENTS, CONSULTANTS OR SUBCONTRACTORS OR ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM.**

## 7.22 *Delegation of Professional Design Services*

- A. Contractor will not be required to provide professional design services unless such services are specifically required by the Contract Documents for a portion of the Work or unless such services are required to carry out Contractor's responsibilities for construction means, methods, techniques, sequences and procedures.
- B. If professional design services or certifications by a design professional related to systems, materials or equipment are specifically required of Contractor by the Contract Documents, City will specify all performance and design criteria that such services must satisfy. Contractor shall cause such services or certifications to be provided pursuant to the professional standard of care by a properly licensed design professional, whose signature and seal must appear on all drawings, calculations, specifications, certifications, and Submittals prepared by such design professional. Such design professional must issue all certifications of design required by Laws and Regulations.
- C. If a Submittal related to the requirements indicated in Paragraph 7.22.B is prepared by Contractor, a Subcontractor, or others for submittal to City, then such Submittal must bear the written approval of Contractor's design professional when submitted by Contractor to City.
- D. City shall be entitled to rely upon the adequacy, accuracy, and completeness of the services, certifications, and approvals performed or provided by the design professionals retained or employed by Contractor under the conditions indicated in Paragraph 7.22.B, subject to the professional standard of care and the performance and design criteria stated in the Contract Documents.
- E. Pursuant to this Paragraph 7.22, City's review, acceptance, and other determinations regarding design drawings, calculations, specifications, certifications, and other Submittals furnished by Contractor pursuant to the conditions indicated in Paragraph 7.22.B, will be only for the following limited purposes:
  - 1. Checking for conformance with the requirements of this Paragraph 7.22;
  - 2. Confirming that Contractor (through its design professionals) has used the performance and design criteria specified in the Contract Documents; and
  - 3. Establishing that the design furnished by Contractor is consistent with the design concept expressed in the Contract Documents.

## 7.23 *Right to Audit*

- A. The City shall have the right to audit and make copies of the books, records and computations pertaining to the Contract. The Contractor shall retain such books, records, documents and other evidence pertaining to the Contract during the term of the Contract and for five years thereafter, except if an audit is in progress or audit findings are yet unresolved, in which case records shall be kept until all audit tasks are completed and resolved. These books, records, documents and other evidence shall be made available, in Denton County, Texas within ten (10) Business Days of City's written request. Further, the Contractor shall also require all Subcontractors, material suppliers, and other payees to retain all books, records, documents and other evidence pertaining to the Contract, and to allow the City similar access to those documents. All books and records will be made available within Denton County, Texas. Except as otherwise provided herein, the cost of the audit will be borne by the City

unless the audit reveals an overpayment of 1% or greater. If the City is undertaking an audit or inspection pursuant to Paragraph 7.09 or if an overpayment of 1% or greater occurs, the City's reasonable cost of the audit, including any travel costs, must be paid by the Contractor within five (5) Business Days of receipt of City's invoice for such costs.

- B. Failure to comply with the provisions of this section shall be a material breach of the Contract and shall constitute, in the City's sole discretion, grounds for termination thereof. Each of the terms "books", "records", "documents" and "other evidence", as used above, shall be construed to include drafts and electronic files, even if such drafts or electronic files are subsequently used to generate or prepare a final printed document.

#### 7.24 *Nondiscrimination*

- A. The City is responsible for operating Public Transportation Programs and implementing transit-related projects, funded in part with Federal financial assistance awarded by the U.S. Department of Transportation and the Federal Transit Administration (FTA), without discriminating against any person in the United States on the basis of race, color, or national origin.
- B. Contractor shall comply with the requirements of *Title VI, Civil Rights Act of 1964 as amended* and the regulations promulgated thereunder, as may be further defined in the Supplementary Conditions, for any project receiving Federal assistance.

### ARTICLE 8 – OTHER WORK AT THE SITE

#### 8.01 *Other Work*

- A. In addition to and apart from the Work under the Contract Documents, the City may perform other work at or adjacent to the Site. Such other work may be performed by City's employees, or through contracts between the City and third parties. City may also arrange to have third-party utility owners perform work on their utilities and facilities at or adjacent to the Site.
- B. If City performs other work at or adjacent to the Site with City's employees, or through contracts for such other work, then City shall give Contractor written notice thereof prior to starting any such other work, if such other work is not noted in the Contract Documents.
- C. Contractor shall afford proper and safe access to the Site to each contractor that performs such other work, each utility owner performing other work, and City, if City is performing other work with City's employees, and provide a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such other work.
- D. Contractor shall do all cutting, fitting, and patching of the Work that may be required to properly connect or otherwise make its several parts come together and properly integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating, or otherwise altering such work; provided, however, that Contractor may cut or alter others' work with the written consent of City and the others whose work will be affected.
- E. If the proper execution or results of any part of Contractor's Work depends upon work performed by others, Contractor shall inspect such other work and promptly report to City in writing any delays, defects, or deficiencies in such other work that render it unavailable or unsuitable for the proper execution and results of Contractor's Work. Contractor's failure to so report will constitute an acceptance of such other work as fit and proper for integration with

Contractor's Work except for latent defects and deficiencies in such other work that could not have been discovered through a proper inspection.

- F. The provisions of this Article 8 are not applicable to work that is performed by third-party utilities or other third-party entities without a contract with City, or that is performed without having been arranged by City. If such work occurs, then any related delay, disruption, or interference incurred by Contractor is governed by the provisions of Paragraph 4.03.D.3.

#### 8.02 *Coordination*

- A. If City intends to contract with others for the performance of other work at or adjacent to the Site, to perform other work at or adjacent to the Site with City's employees, or to arrange to have utility owners perform work at or adjacent to the Site, the following will be set forth in the Supplementary Conditions or provided to Contractor prior to the start of any such other work:
  - 1. The identity of the individual or entity that will have authority and responsibility for coordination of the activities among the various contractors;
  - 2. An itemization of the specific matters to be covered by such authority and responsibility; and
  - 3. The extent of such authority and responsibilities.
- B. Unless otherwise provided in the Supplementary Conditions, City shall have authority for such coordination.

#### 8.03 *Legal Relationships*

- A. Contractor shall take reasonable and customary measures to avoid damaging, delaying, disrupting, or interfering with the work of City, any other contractor, or any utility owner performing other work at or adjacent to the Site.
  - 1. When City is performing other work at or adjacent to the Site with City's employees, Contractor shall be liable to City for damage to such other work, and for the reasonable direct delay, disruption, and interference costs incurred by City as a result of Contractor's failure to take reasonable and customary measures with respect to City's other work.
- B. If Contractor damages, delays, disrupts, or interferes with the work of any other contractor, or any utility owner performing other work at or adjacent to the Site, through Contractor's failure to take reasonable and customary measures to avoid such impacts, or if any Damage Claim arising out of Contractor's actions, inactions, or negligence in performance of the Work at or adjacent to the Site is made by any such other contractor or utility owner against Contractor, City, or Engineer, then Contractor shall (1) promptly attempt to settle the claim as to all parties through negotiations with such other contractor or utility owner, or otherwise resolve the claim by arbitration or other dispute resolution proceeding or at law, and (2) indemnify, defend and hold harmless City and Engineer, and the officers, elected and appointed officials, directors, members, partners, employees, agents, consultants and subcontractors of each and any of them from and against any such claims, and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such damage, delay, disruption, or interference.

**ARTICLE 9 – CITY’S RESPONSIBILITIES****9.01**    *Communications to Contractor*

- A. Except as otherwise provided in the Supplementary Conditions, City shall issue all communications to Contractor.

**9.02**    *Furnish Data*

- A. City shall promptly furnish the data required of City under the Contract Documents.

**9.03**    *Pay When Due*

- A. City shall make payments to Contractor when they are due in accordance with and subject to the provisions of Article 14.

**9.04**    *Lands and Easements; Reports, Tests, and Drawings*

- A. City’s duties with respect to providing lands and easements are set forth in Paragraph 5.01.
- B. Article 5 refers to City’s identifying and making available to Contractor copies of reports of explorations and tests of subsurface conditions at the Site, and drawings of physical conditions relating to existing surface or subsurface structures at or contiguous to the Site that have been utilized by City in preparing the Contract Documents.

**9.05**    *Change Orders*

- A. City’s responsibilities with respect to Change Orders are set forth in Article 11.

**9.06**    *Inspections, Tests, and Approvals*

- A. City’s responsibility with respect to certain inspections, tests, and approvals is set forth in Paragraph 13.02.DD.

**9.07**    *Limitations on City’s Responsibilities*

- A. The City shall not supervise, direct, or have control or authority over, nor be responsible for, Contractor’s means, methods, techniques, sequences, or procedures of construction, or the safety precautions and programs incident thereto, or for any failure of Contractor to comply with Laws and Regulations applicable to the performance of the Work. City will not be responsible for Contractor’s failure to perform the Work in accordance with the Contract Documents.

**9.08**    *Undisclosed Hazardous Environmental Condition*

- A. City’s responsibility in respect to an undisclosed Hazardous Environmental Condition is set forth in Paragraph 5.06.

**9.09**    *Compliance with Safety Program*

- A. While at the Site, City’s employees and representatives shall comply with the specific applicable requirements of Contractor’s safety programs of which City has been informed in advance in writing pursuant to Paragraph 7.15.

**ARTICLE 10 – CITY’S OBSERVATION DURING CONSTRUCTION****10.01** *City’s Project Manager or Duly Authorized Representative*

- A. City will provide a Project Manager or duly authorized representative during the construction period. The duties and responsibilities and the limitations of authority of City’s Project Manager or duly appointed representative during construction are set forth in the Contract Documents.
- B. City’s Project Manager for these Contract Documents is as set forth in the Supplementary Conditions. City will establish a duly authorized representative at the Preconstruction Meeting in accordance with Section 01 31 19 of the General Requirements.

**10.02** *Visits to Site*

- A. City will make visits to the Site at intervals appropriate to the various stages of construction as City deems necessary in order to observe the progress that has been made and the quality of the various aspects of Contractor’s executed Work. Based on information obtained during such visits and observations, City will determine, in general, if the Work is proceeding in accordance with the Contract Documents. City will not be required to make exhaustive or continuous inspections on the Site to check the quality or quantity of the Work. City’s efforts will be directed toward providing City a greater degree of confidence that the completed Work will conform generally to the Contract Documents.
- B. City’s visits and observations are subject to all the limitations on City’s responsibility set forth in Paragraph 99.07. Particularly, but without limitation, during or as a result of City’s visits or observations of Contractor’s Work, City will not supervise, direct, control, or have authority over or be responsible for Contractor’s means, methods, techniques, sequences, or procedures of construction, or the safety precautions and programs incident thereto, or for any failure of Contractor to comply with Laws and Regulations applicable to the performance of the Work.

**10.03** *Determinations for Work Performed*

- A. As applicable, Contractor will determine the actual quantities and classifications of Work performed.. City’s Project Manager or duly authorized representative will review with Contractor the preliminary determinations on such matters before rendering a written recommendation. City’s written decision will be final (except as modified to reflect changed factual conditions or more accurate data).

**10.04** *Decisions on Requirements of Contract Documents and Acceptability of Work*

- A. City will be the interpreter of the requirements of the Contract Documents and judge the acceptability of the Work thereunder.
- B. City will render a written decision on any issue referred.
- C. City’s written decision on the issue referred will be final and binding on the Contractor, subject to the provisions of Paragraph 11.07.

**ARTICLE 11 – CHANGES IN THE WORK; CLAIMS; EXTRA WORK****11.01 *Amending and Supplementing the Contract***

- A. The Contract may be amended to provide for additions, deletions, and revisions in the Work or to modify the terms and conditions thereof, including in the Contract Price or Contract Time, but such amendment will be made by Change Order only.
- B. The requirements of the Contract Documents may be supplemented, and minor variations and deviations in the Work not involving a change in Contract Price or Contract Time, may be authorized, by one of the following ways:
  - 1. A Field Order; or
  - 2. City's review of a Submittal (subject to the provisions of Paragraph 7.18.C); or
  - 3. City's written interpretation or clarification.

**11.02 *Execution of Change Orders***

- A. City and Contractor shall execute appropriate Change Orders covering:
  - 1. Changes in the Contract Price or Contract Time which are agreed to by the parties, including any undisputed sum or amount of time for Work actually performed..
  - 2. Changes in the Work which are: (a) ordered by City pursuant to Paragraph 11.04, (b) required because of City's acceptance of defective Work under Paragraph 13.05 or City's correction of defective Work under Paragraph 13.08, or (c) as otherwise agreed to by the parties.

**11.03 *Field Orders***

- A. City may authorize minor variations and deviations in changes in the Work if the changes do not involve an adjustment in the Contract Price or the Contract Time and are compatible with the design concept of the completed Project as a functioning whole as indicated by the Contract Documents. Such changes will be accomplished by a Field Order and will be binding on both the City and Contractor, which shall perform the Work involved promptly.

**11.04 *Authorized Changes in the Work – Extra Work***

- A. Without invalidating the Contract and without notice to any surety, City may, at any time or from time to time, order Extra Work. Upon notice of such Extra Work, Contractor shall proceed with the Work involved only upon receiving written notice from City. Extra Work will be performed under the applicable conditions of the Contract Documents (except as otherwise specifically provided). Extra Work shall be memorialized by a Change Order which may or may not precede an order of Extra Work.
- B. For minor changes of Work not requiring changes to Contract Time or Contract Price, a Field Order may be issued by City.

**11.05 *Unauthorized Changes in the Work***

- A. Contractor shall not be entitled to an increase in the Contract Price or an extension of the Contract Time with respect to any work performed that is not required by the Contract

Documents, as amended, modified, or supplemented as allowed herein, except in certain cases of an emergency as provided in Paragraph 7.17.A.

**11.06** *Dispute of Extra Work*

- A. Should a difference arise as to what does or does not constitute Extra Work, or as to the payment for such Extra Work, and the City requires its performance, the Contractor shall proceed with the Extra Work after making written request for a Change Order and shall keep accurate account of the actual reasonable cost thereof. Contract Claims regarding Extra Work shall be made pursuant to Paragraph 11.07.
- B. The Contractor shall furnish the City such records of all deviations from the original Contract Documents as may be necessary to enable the City to prepare for permanent record a corrected set of plans showing the actual work performed.
- C. The compensation agreed upon for Extra Work whether or not initiated by a Change Order shall be the full, complete and final payment for all charges, fees and costs Contractor incurs as a result of or relating to the Extra Work, whether said charges, fees or costs are known, unknown, foreseen or unforeseen at that time, including without limitation, any charges, fees or costs for delay, extended overhead, ripple or impact cost, or any other effect on changed or unchanged work as a result of the Extra Work.

**11.07** *Contract Claims Process*

- A. *City's Decision Required:* All Contract Claims, except those waived pursuant to Paragraph 14.08, shall be referred to the City for decision. A decision by City shall be required as a condition precedent to any exercise by Contractor of any rights or remedies he may otherwise have under the Contract Documents or by Laws and Regulations in respect of such Contract Claims.
- B. *Notice:*
  - 1. Written notice stating the general nature of each Contract Claim shall be delivered by the Contractor to City no later than 15 days after the start of the event giving rise thereto. The responsibility to substantiate a Contract Claim shall rest with the party making the Contract Claim.
  - 2. Notice of the amount or extent of the Contract Claim, with supporting data shall be delivered to the City no later than 45 days after the start of the event giving rise thereto (unless the City notifies Contractor in writing that City will allow additional time for Contractor to submit additional or more accurate data in support of such Contract Claim).
  - 3. A Contract Claim for an adjustment in Contract Price shall be prepared in accordance with the provisions of Paragraph 11.08.
  - 4. A Contract Claim for an adjustment in Contract Time shall be prepared in accordance with the provisions of Paragraph 11.09.
  - 5. Each Contract Claim shall be accompanied by Contractor's written statement that the adjustment claimed is the entire adjustment to which the Contractor believes it is entitled as a result of said event.

6. The City shall submit any response to the Contractor within 30 days after receipt of the Contractor's last submittal (unless in connection with the Contract Claim (unless Contractor allows the City additional time to submit a response)).
- C. *City's Action:* City will review each Contract Claim and, within 30 days after receipt of the last submittal of the Contractor unless action by City's Council is required, take one of the following actions in writing:
  1. deny the Contract Claim in whole or in part;
  2. approve the Contract Claim; or
  3. notify the Contractor that the City is unable to resolve the Contract Claim if, in the City's sole discretion, it would be inappropriate for the City to do so. For purposes of further resolution of the Contract Claim, such notice shall be deemed a denial.
- D. City's written action under this Paragraph 11.07 will be final and binding, unless City or Contractor invoke the dispute resolution procedure set forth in Article 16 within 30 days of such action or denial.
- E. No Contract Claim for an adjustment in Contract Price or Contract Time will be valid if not submitted in accordance with this Paragraph 11.07.
- F. If the City fails to take any action pursuant to this Paragraph 11.07, the Contract Claim is considered to have been denied by the City.

#### 11.08 *Change of Contract Price*

- A. The Contract Price may only be changed by a Change Order.
- B. TheThe value of any Work covered by a Change Order will be determined as follows:
  1. Where the Work involved is covered by unit prices contained in the Contract Documents, then by application of such unit prices to the quantities of the items involved (subject to the provisions of Paragraph 12.03);
  2. Where the Work involved is not covered by unit prices contained in the Contract Documents, then by a mutually agreed lump sum or unit price (which may include an allowance for overhead and profit not necessarily in accordance with Paragraph 11.08.C.2), and shall include the cost of any secondary impacts that are foreseeable at the time of pricing the cost of Extra Work; or
  3. Where the Work involved is not covered by unit prices contained in the Contract Documents and the parties do not reach mutual agreement to a lump sum or unit price, then on the basis of the Cost of the Work (determined as provided in Paragraph 12.01) plus a Contractor's fee for overhead and profit (determined as provided in Paragraph 11.08.C).
- C. *Contractor's Fee:* The Contractor's fee for overhead and profit will be determined as follows:
  1. A mutually acceptable fixed fee; or
  2. If a fixed fee is not agreed upon, then a fee based on the following percentages of the various portions of the Cost of the Work:

- a. For costs incurred under Paragraphs 12.01.B.1, 12.01.B.2, and 12.01.B.3, the Contractor's fee will be 15 percent except for:
  - 1) rental fees for Contractor's own equipment; and
  - 2) bonds and insurance;
- b. For costs incurred under Paragraph 12.01.B.4, the Contractor's fee will be 5 percent;
  - 1) Where one or more tiers of subcontracts are on the basis of Cost of the Work plus a fee and no fixed fee is agreed upon, the intent of Paragraphs 11.08.C.2.a and 11.08.C.2.b is that the Contractor's fee will be based on: (1) a fee of 15 percent of the costs incurred under Paragraphs 12.01.B.1, 12.01.B.2, and 12.01.B.3 by the Subcontractor that actually performs the Work, at whatever tier, and (2) with respect to Contractor itself and to any Subcontractors of a tier higher than that of the Subcontractor that actually performs the Work, a fee of 5 percent of the amount (fee plus underlying costs incurred) attributable to the next lower tier Subcontractor; provided, however, in no case shall the cumulative total of fees paid be in excess of 25% of the Cost of the Work;
- c. No fee will be payable on the basis of costs itemized under Paragraphs 12.01.B.5, 12.01.B.6, and 12.01.C;
- d. The amount of credit to be allowed by Contractor to City for any change which results in a net decrease in Cost of the Work will be the amount of the actual net decrease in Cost of the Work and a deduction of an additional amount equal to 5 percent of such actual net decrease in Cost of the Work; and

#### 11.09 *Change of Contract Time*

- A. The Contract Time may only be changed by a Change Order.
- B. No extension of the Contract Time will be allowed under a Change Order for Extra Work or for claimed delay unless the Extra Work contemplated or claimed delay is shown to be on the critical path of the Project Schedule or Contractor can show by critical path method analysis how the Extra Work or claimed delay adversely affects the critical path.
- C. Delay, disruption, and interference in the Work, and any related changes in Contract Time, are addressed in and governed by Paragraph 4.03.

#### 11.10 *Notification to Surety*

- A. If the provisions of any bond require notice to be given to a surety of any change affecting the general scope of the Work or the provisions of the Contract Documents (including, but not limited to, Contract Price or Contract Time), the giving of any such notice will be Contractor's responsibility. The amount of each applicable bond will be adjusted by the Contractor to reflect the effect of any such change.

**ARTICLE 12 – COST OF THE WORK; ALLOWANCES; UNIT PRICE WORK; PLANS QUANTITY MEASUREMENT****12.01 *Cost of the Work***

- A. *Purposes for Determination of Cost of the Work:* The term “Cost of the Work” means the sum of all costs necessary for the proper performance of the Work at issue, as further defined below. The provisions of this Paragraph 12.01 are used for two distinct purposes:
1. To determine Cost of the Work when Cost of the Work is a component of the Contract Price, under cost-plus-fee, time-and-materials, or other cost-based terms; or
  2. When needed to determine the value of a Change Order. When the value of any such adjustment is determined on the basis of Cost of the Work, Contractor is entitled only to those additional or incremental costs required because of the change in the Work or because of the event giving rise to the adjustment.
- B. *Costs Included:* The term, “Cost of the Work” means the sum of all costs, except those excluded in Paragraph 12.01.C, necessarily incurred and paid by Contractor in the proper performance of the Work. When the value of any Work is covered by a Change Order, the costs reimbursed to Contractor will be only those additional or incremental costs required because of the change in the Work. Such costs shall be in amounts no higher than those calculated based on the prevailing wage rates contained in the Contract Documents, shall not include any of the costs itemized in Paragraph 12.01.C, and may include as applicable, but not be limited to the following items:
1. Payroll costs for employees in the direct employ of Contractor in the performance of the Work under schedules of job classifications agreed upon by City and Contractor. Such employees shall include, without limitation, superintendents, foremen, safety managers, safety representatives, and other personnel employed full time on the Work. Payroll costs for employees not employed full time on the Work will be apportioned on the basis of their time spent on the Work. Payroll costs shall include, salaries and wages plus the cost of fringe benefits, which include social security contributions, unemployment, excise, and payroll taxes, workers’ compensation, health and retirement benefits, sick leave, and vacation and holiday pay applicable thereto. The expenses of performing Work outside of regular working hours on Business Days, during Weekend Working Hours, or on a state or federal holiday observed by the City, shall be included in the above to the extent authorized by City.
  2. Cost of all materials and equipment furnished and incorporated in the Work, including costs of transportation and storage thereof, and Suppliers’ field services required in connection therewith.
  3. Rentals of all construction equipment and machinery and the parts thereof, whether rented from Contractor or others, in accordance with rental agreements approved in writing by City, and the costs of transportation, loading, unloading, assembly, dismantling, and removal thereof. All such costs shall be in accordance with the terms of said rental agreements. and the Contract Documents. The rental of any such equipment, machinery, or parts shall cease when the use thereof is no longer necessary for the Work.

4. Payments made by Contractor to Subcontractors for Work performed by Subcontractors. If required by City, Contractor shall obtain competitive bids from subcontractors acceptable to City. Contractor shall deliver such bids to City, which will then determine, which bids, if any, will be acceptable. If any subcontract provides that the Subcontractor is to be paid on the basis of Cost of the Work plus a fee, the Subcontractor's Cost of the Work and fee will be determined in the same manner as Contractor's Cost of the Work and fee as provided in this Paragraph 12.01 and Paragraph 11.08.C.
5. Costs of special consultants (including but not limited to engineers, architects, testing laboratories, surveyors, attorneys, and accountants) employed or retained for services specifically related to the Work and specifically included in the agreed upon schedule of job classifications referred to in Paragraph 12.01.B.1 or otherwise specifically included in the Contract.
6. Supplemental costs consisting of the following:
  - a. The proportion of necessary transportation, travel, and subsistence expenses of Contractor's employees incurred in discharge of duties connected with the Work.
  - b. Cost, including transportation and maintenance, of all materials, supplies, equipment, machinery, appliances, and temporary office or facilities at the Site, which are consumed in the performance of the Work, and cost, less market value, of such items used but not consumed which remain the property of Contractor.
  - c. Sales, consumer, use, and other similar taxes related to the Work, and for which Contractor is liable, as imposed by Laws and Regulations, excluding those taxes for which an exemption is available as described in Paragraph 7.12.
  - d. Deposits lost for causes other than the negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, and royalty payments and fees for permits and licenses.
  - e. Losses and damages (and related expenses) caused by damage to the Work, not compensated by insurance or otherwise, sustained by Contractor in connection with the performance of the Work, provided such losses and damages have resulted from causes other than the negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable. Such losses include settlements made with the written consent and approval of CityCity. No such losses, damages, and expenses will be included in the Cost of the Work for the purpose of determining Contractor's fee.
  - f. The cost of utilities, fuel, and sanitary facilities at the Site.
  - g. Minor expenses such as communication service at the Site, express and courier services, and similar petty cash items in connection with the Work.
  - h. The costs of premiums for all bonds and insurance that Contractor is required by the Contract Documents to purchase and maintain.

C. *Costs Excluded:* The term Cost of the Work does not include any of the following items:

1. Payroll costs and other compensation of Contractor's officers, executives, principals, general managers, engineers, architects, estimators, attorneys, auditors, accountants, purchasing and contracting agents, expeditors, timekeepers, clerks, and other personnel employed by Contractor, whether at the Site or in Contractor's principal or branch office for general administration of the Work and not specifically included in the agreed upon schedule of job classifications referred to in Paragraph 12.01.B.1 or otherwise specifically covered in the Contract. The payroll costs and other compensation excluded here are to be considered administrative costs covered by the Contractor's fee.
2. Expenses of Contractor's principal and branch offices other than Contractor's office at the Site.
3. Any part of Contractor's capital expenses, including interest on Contractor's capital employed for the Work and charges against Contractor for delinquent payments.
4. Costs due to the acts, omissions, negligence or willful misconduct of Contractor, any Subcontractor, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, including but not limited to, the correction of defective Work, disposal of materials or equipment wrongly supplied, and making good any damage to property.
5. Other overhead or general expense costs of any kind.

D. *Contractor's Fee*

1. When the Work as a whole is performed on the basis of cost-plus-a-fee, then:
  - a. Contractor's fee for the Work set forth in the Contract Documents as of the Effective Date of the Agreement will be determined as set forth in the Contract.
  - b. for any Work covered by a Change Order for an adjustment in Contract Price on the basis of Cost of the Work, Contractor's fee will be determined as set forth in Paragraph 11.08.C.
2. When the Work as a whole is performed on the basis of a stipulated sum, or any other basis other than cost-plus-a-fee, then Contractor's fee for any Work covered by a Change Order for an adjustment in Contract Price on the basis of Cost of the Work will be determined in accordance with Paragraph 11.08.C.2.

- E. *Documentation and Audit:* Whenever the Cost of the Work for any purpose is to be determined pursuant to this Article 12, Contractor and pertinent Subcontractors will establish and maintain records of the costs in accordance with generally accepted accounting practices, and submit in a form acceptable to City an itemized cost breakdown together with supporting data. Subject to prior written notice, City will be afforded reasonable access, during normal business hours, to all Contractor's accounts, records, books, correspondence, instructions, drawings, receipts, vouchers, memoranda, and similar data relating to the Cost of the Work and Contractor's fee. Contractor shall preserve all such documents for a period of three years after the final payment by City. Contractor will be responsible for ensuring that pertinent Subcontractors will afford such access to City, and preserve such documents, to the same extent as is required of Contractor.

## 12.02 Allowances

- A. *Specified Allowance*: It is understood that Contractor has included in the Contract Price all allowances so named in the Contract Documents and shall cause the Work so covered to be performed for such sums and by such persons or entities as may be acceptable to City.
- B. *Cash Allowances*: Contractor agrees that:
  - 1. the cash allowances include the cost to Contractor (less any applicable trade discounts) of materials and equipment required by the allowances to be delivered at the Site, and all applicable taxes; and
  - 2. Contractor's costs for unloading and handling on the Site, labor, installation, overhead, profit, and other expenses contemplated for the cash allowances, have been included in the Contract Price and not in the allowances, and no demand for additional payment for any of the foregoing will be valid.
- C. *Contingency Allowance*: Contractor agrees that a contingency allowance, if any, is for the sole use of City.
- D. Prior to final payment, an appropriate Change Order will be issued to reflect actual amounts due Contractor for Work covered by allowances, and the Contract Price will be correspondingly adjusted.

## 12.03 Unit Price Work

- A. Where the Contract Documents provide that all or part of the Work is to be Unit Price Work, initially the Contract Price will be deemed to include for all Unit Price Work an amount equal to the sum of the unit price for each separately identified item of Unit Price Work multiplied by the estimated quantity of each item as indicated in the Agreement.
- B. The estimated quantities of items of Unit Price Work are not guaranteed and are solely for the purpose of comparison of Bids and determining an initial Contract Price. Determinations of the actual quantities and classifications of Unit Price Work performed by Contractor will be made by City subject to the provisions of Paragraph 10.03.
- C. Each unit price will be deemed to include an amount considered by Contractor to be adequate to cover Contractor's overhead and profit for each separately identified item. Work described in the Contract Documents, or reasonably inferred as required for a functionally complete installation, but not identified in the listing of unit price items shall be considered incidental to Unit Price Work listed and the cost of incidental work included as part of the unit price.
- D. Adjustments in Contract Price
  - 1. City may make an adjustment in the Contract Price in accordance with Paragraph 11.08 if:
    - a. the quantity of the item of Work performed by Contractor differs materially and significantly from the estimated quantity of such item indicated in the Agreement; and
    - b. there is no corresponding adjustment with respect to any other item of Work.
  - 2. Adjusted unit prices will apply to all units of that item.

- E. Increased or Decreased Quantities: The City reserves the right to order Extra Work in accordance with Paragraph 11.04.
1. If the changes in quantities or the alterations do not significantly change the character of the Work under the Contract Documents, the altered Work will be paid for at the Contract unit price.
  2. If the changes in quantities or alterations materially and significantly change the character of the Work, the Contract will be amended by a Change Order.
  3. If no unit prices exist, this any increase or decrease in quantities will be considered Extra Work and the Contract will be amended by a Change Order in accordance with Article 11.
  4. A significant change in the character of Work occurs when:
    - a. the character of work for any Item as altered differs materially or significantly in kind or nature from that in the Contract; or
    - b. a Major Item of work varies by more than 25% from the original Contract quantity.
  5. When the quantity of work to be done under any Major Item of the Contract is more than 125% of the original quantity stated in the Contract, then either party to the Contract may request an adjustment to the unit price on the portion of the work that is above 125%.
  6. When the quantity of work to be done under any Major Item of the Contract is less than 75% of the original quantity stated in the Contract, then either party to the Contract may request an adjustment to the unit price.

12.04 *Plans Quantity Measurement for Unclassified Excavation or Embankment*

- A. Plans quantities may or may not represent the exact quantity of Work performed or material moved, handled, or placed during the term of the Contract. The estimated bid quantities are designated as final payment quantities, unless revised in accordance with the Contract.
- B. If the total actual quantity measured for an individual item varies by more than 25% (or as stipulated under "Price and Payment Procedures" for specific Items) from the total estimated quantity for an individual Item originally shown in the Contract Documents, an adjustment may be made to the quantity of authorized Work done for payment purposes. The party to the Contract requesting the adjustment will provide field measurements and calculations showing the final quantity for which payment will be made. Payment for revised quantity will be made at the unit price bid for that Item, except as provided for in Article 11.
- C. When quantities are revised by a change in design approved by the City, by Change Order, or to correct an error, or to correct an error on the plans, the plans quantity will be increased or decreased by the amount identified in the approved change, and the 25% variance provisions of Paragraph 12.04.B will apply to the new plans quantity.
- D. If the total Contract quantity multiplied by the unit price bid for an individual Item is less than \$250 and the Item is not originally a plans quantity Item, then the Item may be paid as a plans quantity Item if the City and Contractor agree in writing to fix the final quantity as a plans quantity.

- E. For callout work or non-site specific Contracts, the plans quantity measurement requirements are not applicable.

## **ARTICLE 13 – TESTS AND INSPECTIONS; CORRECTION, REMOVAL, OR ACCEPTANCE OF DEFECTIVE WORK**

### **13.01 *Access to Work***

- A. City and its Engineer, consultants, representatives, employees, and independent testing laboratories, and authorities having jurisdiction shall have access to the Site and the Work at reasonable times for their observation, inspection, and testing. Contractor shall provide them proper and safe conditions for such access and advise them of Contractor's safety procedures and programs so that they may comply with such procedures and programs as applicable.

### **13.02 *Tests and Inspections***

- A. Contractor shall give City timely notice of readiness of the Work (or specific parts thereof) for all required inspections and tests and shall cooperate with inspection and testing personnel to facilitate required inspections and tests.
- B. If the Contract Documents or any Laws and Regulations of any public body having jurisdiction require any Work (or part thereof) specifically to be inspected, tested, or approved, Contractor shall assume full responsibility for arranging and obtaining such inspections, tests, or approvals, pay all costs in connection therewith, and furnish City the required certificates of inspection, testing or approval, except that those fees specifically identified in the Supplementary Conditions or any Texas Department of Licensure and Regulation (TDLR) inspections, which shall will be paid as described in the Supplementary Conditions.
- C. Contractor shall be responsible for arranging, obtaining, and paying for all inspections, tests, re-tests, and approvals required:
1. by the Contract Documents, unless the Contract Documents expressly allocate responsibility for a specific inspection or test to City;
  2. to attain City's acceptance of materials or equipment to be incorporated in the Work;
  3. by manufacturers of equipment furnished under the Contract Documents;
  4. for testing, adjusting, and balancing of mechanical, electrical, and other equipment to be incorporated into the Work; and
  5. for acceptance of materials, mix designs, or equipment submitted for approval prior to Contractor's purchase thereof for incorporation in the Work.

Such inspections and tests will be performed by independent inspectors, testing laboratories, or other qualified individuals or entities acceptable to City.

- D. City may arrange for the services of an independent testing laboratory ("Testing Lab") to perform any inspections or tests ("Testing") for any part of the Work, as determined solely by City.
1. City will coordinate such Testing to the extent possible, with Contractor;

2. Should any Testing under this Section 13.03.D result in a “fail”, “did not pass” or other similar negative result, the Contractor shall be responsible for paying for any and all retests. Contractor’s cancellation without cause of City initiated Testing shall be deemed a negative result and require a retest.
  3. Any amounts owed for any retest under this Section 13.02.D shall be paid directly to the Testing Lab by Contractor. City will forward all invoices for retests to Contractor.
  4. If Contractor fails to pay the Testing Lab, City will not issue Final Payment until the Testing Lab is paid.
- E. If the Contract Documents require the Work (or part thereof) to be approved by City or another designated individual or entity, then Contractor shall assume full responsibility for seeking and obtaining such approvals.
- F. If any Work (or the work of others) that is to be inspected, tested, or approved is covered by Contractor without the written approval of City, Contractor shall, if requested by City, uncover such Work for observation. Such uncovering and the recovering of such Work will be at Contractor’s expense.

### 13.03 *Defective Work*

- A. *Contractor’s Obligation:* It is Contractor’s obligation to assure that the Work is not defective.
- B. *City’s Authority:* City has the authority to determine whether Work is defective, and to reject defective Work.
- C. *Notice of Defects:* Written notice of all defective Work of which City has actual knowledge will be given to Contractor.
- D. *Correction, or Removal and Replacement:* Promptly after receipt of written notice of defective Work, Contractor shall correct all such defective Work, whether or not fabricated, installed, or completed, or, if City has rejected the defective Work, shall remove the defective Work from the Project and replace it with Work that is not defective. Failure to require the removal of any defective Work shall not constitute acceptance of such Work.
- E. *Preservation of Warranties:* When correcting defective Work, Contractor shall take no action that would void or otherwise impair City’s warranty and guarantee, if any, on said Work.
- F. *Costs and Damages:* In addition to its correction, removal, and replacement obligations with respect to defective Work, Contractor shall pay all claims, costs, losses, and damages arising out of or relating to defective Work, including but not limited to the cost of the inspection, testing, correction, removal, replacement, or reconstruction of such defective Work, fines levied against Contractor or City by governmental authorities because the Work is defective, and the costs of repair, replacement or reconstruction of work of others resulting from defective Work.

### 13.04 *Rejecting Defective Work*

- A. City will have authority to reject Work which City believes to be defective or will not produce a completed Project that conforms to the Contract Documents or that will prejudice the integrity of the design concept of the completed Project as a functioning whole as indicated by the Contract Documents. City will have authority to conduct special inspection or testing

of the Work as provided in this Article 13, whether or not the Work is fabricated, installed, or completed.

#### 13.05 *Acceptance of Defective Work*

- A. If, instead of requiring correction or removal and replacement of defective Work, City prefers to accept it, City may do so. Contractor shall pay all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) attributable to City's evaluation of and determination to accept such defective Work, and for the diminished value of the Work to the extent not otherwise paid by Contractor. If any such acceptance occurs prior to Final Acceptance, a Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work, and City shall be entitled to an appropriate decrease in the Contract Price, reflecting the diminished value of the Work so accepted.

#### 13.06 *Uncovering Work*

- A. City has the authority to require additional inspection or testing of the Work, whether or not the Work is fabricated, installed, or completed.
- B. If any Work is covered contrary to the Contract Documents or specific instructions of City and if requested by City, Contractor shall uncover such Work for City's observation, inspection or testing and then replace the covering, all at Contractor's expense.
- C. If City considers it necessary or advisable that covered Work be observed by City or inspected or tested by others, then Contractor, at City's request, shall uncover, expose, or otherwise make available for observation, inspection, or testing as City may require, that portion of the Work in question, and provide all necessary labor, material, and equipment.
  - 1. If it is found that the uncovered Work is defective, Contractor shall be responsible for all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or dispute resolution costs) arising out of or relating to such uncovering, exposure, observation, inspection, and testing, and of satisfactory replacement or reconstruction (including but not limited to all costs of repair or replacement of work of others). City shall be entitled to accept defective Work in accordance with Paragraph 13.05 and in such case Contractor shall still be responsible for all costs associated with exposing, observing, and testing defective Work.
  - 2. If the uncovered Work is not found to be defective, Contractor shall be allowed an extension of the Contract Time to the extent directly attributable to such uncovering, exposure, observation, inspection, testing, replacement, and reconstruction.

#### 13.07 *City May Stop the Work*

- A. If the Work is defective, or Contractor fails to supply sufficient skilled workers or suitable materials or equipment, or Contractor fails to perform the Work in such a way that the completed Work will conform to the Contract Documents, then City may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been corrected or eliminated; however, this right of City to stop the Work will not give rise to any duty on the part of City to exercise this right for the benefit of Contractor, any Subcontractor, any Supplier, any other individual or entity, or any surety for, or any employee or agent of, any of them.

**13.08 City May Correct Defective Work**

- A. If Contractor fails within a reasonable time after written notice from City to correct defective Work, or to remove and replace defective Work as required by City, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any other provision of the Contract Documents, then City may, after providing 7 days' advance written notice to Contractor, correct or remedy any such deficiency.
- B. In connection with such corrective or remedial action, City may exclude Contractor from all or part of the Site, take possession of all or part of the Work and suspend Contractor's services related thereto, and incorporate in the Work all materials and equipment stored at the Site or for which City has paid Contractor but which are stored elsewhere. Contractor shall allow City, City's representatives, agents and employees, and City's other contractors access to the Site to enable City to exercise the rights and remedies under this Paragraph 13.08.
- C. All claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court, or arbitration or other dispute resolution costs) incurred or sustained by City in exercising the rights and remedies under this Paragraph 13.08 will be the responsibility of and will be charged against Contractor. A Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work, and City shall be entitled to an appropriate decrease in the Contract Price. Such claims, costs, losses and damages will include, but not be limited to, all costs of repair or replacement of work of others destroyed or damaged by correction, removal, or replacement of Contractor's defective Work.
- D. Contractor shall not be allowed an extension of the Contract Time because of any delay in the performance of the Work attributable to the exercise by City of City's rights and remedies under this Paragraph 13.08.

**ARTICLE 14 – PAYMENTS TO CONTRACTOR; COMPLETION; CORRECTION PERIOD****14.01 Progress Payments**

- A. *Basis for Progress Payments:* The Schedule of Values established as provided in Paragraph 2.03 will serve as the basis for progress payments and will be incorporated into a form of Application for Payment acceptable to City. Progress payments for Unit Price Work will be based on the number of units completed during the pay period, as determined under the provisions of Paragraph 12.03. Progress payments for cost-based Work will be based on Cost of the Work completed by Contractor during the pay period.
- B. Applications for Payments
  - 1. Contractor is responsible for providing all information as required to become a vendor of the City.
  - 2. At least 20 days before the date established in the General Requirements for each progress payment (but not more often than once a month), Contractor shall submit to City for review an Application for Payment filled out and signed by Contractor covering the Work completed as of the date of the Application and accompanied by such supporting documentation as is required by the Contract Documents.

3. If payment is requested on the basis of materials and equipment not incorporated in the Work but delivered and suitably stored at the Site or at another location agreed to in writing, the Application for Payment must also be accompanied by: (a) bill of sale, invoice, or purchase order payments, copies of cancelled checks or other documentation establishing full payment by Contractor for the materials and equipment; (b) at City's request, documentation warranting that City has received the materials and equipment free and clear of all Liens; and (c) evidence that the materials and equipment are covered by appropriate property insurance, or other arrangements to protect City's interest therein, all of which must be satisfactory to City.
4. Beginning with the second Application for Payment, each Application must include an affidavit of Contractor stating that all previous progress payments received on account of the Work by Contractor have been applied to discharge Contractor's legitimate obligations associated with prior Applications for Payment.
5. The amount of retainage with respect to progress payments will be as stipulated in the Contract Documents.

C. Review of Applications

1. City will, after receipt of each Application for Payment, either indicate in writing it will proceed to process the Application for Payment or return the Application to Contractor indicating reasons for refusing payment. In the latter case, Contractor may make the necessary corrections and resubmit the Application.
2. City's processing of any payment requested in an Application for Payment will be based on City's observations of the executed Work, and on City's review of the Application for Payment and the accompanying data and schedules, that based City's actual knowledge:
  - a. the Work has progressed to the point indicated; and
  - b. the quality and/or quantity of the Work is generally in accordance with the Contract Documents (subject to any subsequent evaluations of the Work, an evaluation of the Work as a functioning whole prior to or upon Final Acceptance, the results of any subsequent tests or inspections called for in the Contract Documents, a final determination of quantities and classifications for Unit Price Work under Paragraphs 10.05 and 12.03, and any other qualifications stated).
3. Processing any such payment will not thereby be deemed to have represented that:
  - a. inspections made to check the quality or the quantity of the Work as it has been performed have been exhaustive, extended to every aspect of the Work in progress, or involved detailed inspections of the Work; or
  - b. there are no other matters or issues between the parties that might entitle Contractor to be paid additionally by City or entitle City to withhold payment to Contractor; or
  - c. Contractor has complied with Laws and Regulations applicable to Contractor's performance of the Work.
4. City may refuse to process or pay the whole or any part of any payment because of subsequently discovered evidence or the results of subsequent inspections or tests, and

may revise or revoke any such payment previously made, to such extent as may be necessary to protect City from loss because:

- a. the Work is defective, or the completed Work has been damaged by the Contractor or his subcontractors, requiring correction or replacement;
- b. there are discrepancies in quantities contained in previous applications for payment;
- c. the Contract Price has been reduced by Change Orders;
- d. City has been required to correct defective Work in accordance with Paragraph 1313.08, or has accepted defective Work pursuant to Paragraph 13.05;
- e. City has been required to remove or remediate a Hazardous Environmental Condition for which Contractor is responsible; or
- f. City has actual knowledge of the occurrence of any of the events enumerated in Paragraph 15.02.A that would constitute a default by Contractor and therefore justify termination for cause under the Contract Documents.

D. Retainage:

1. For all contracts, retainage shall be five percent (5%).

E. *Liquidated Damages*: For each calendar day that any work shall remain uncompleted after the time specified in the Contract Documents, the sum per day specified in the Agreement will be paid by the Contractor to the City, not as a penalty, but as liquidated damages suffered by the City. If feasible, the parties may agree to have the liquidated damages deducted from any amounts owned to Contractor by City instead of being paid directly to City by Contractor.

F. *Payment*: Contractor will be paid pursuant to the requirements of this Article 14 and payment will become due in accordance with the Contract Documents.

G. Reduction in Payment

1. City may refuse to make payment of the of the amount requested because:

- a. Claims have been made against City based on Contractor's performance or furnishing of the Work, or City has incurred costs, losses, or damages resulting from Contractor's performance or furnishing of the Work, including but not limited to claims, costs, losses, or damages from workplace injuries, adjacent property damage, non-compliance with Laws and Regulations, or patent infringement;
- b. Contractor has failed to take reasonable and customary measures to avoid damage, delay, disruption, and interference with other work at or adjacent to the Site;
- c. Contractor has failed to provide and maintain required bonds or insurance;
- d. City has been required to remove or remediate a Hazardous Environmental Condition for which Contractor is responsible;
- e. City has incurred extra charges or engineering costs related to submittal reviews, evaluations of proposed substitutes, tests and inspections, or return visits to manufacturing or assembly facilities;
- f. The Work is defective, requiring correction or replacement;

- g. City has been required to correct defective Work in accordance with Paragraph 13.08, or has accepted defective Work pursuant to Paragraph 13.05;
  - h. The Contract Price has been reduced by Change Orders;
  - i. An event has occurred that would constitute a default by Contractor and therefore justify a termination for cause;
  - j. Liquidated or other damages have accrued as a result of Contractor's failure to achieve Milestones or Final Acceptance of the Work;
  - k. Liens have been filed in connection with the Work, except where Contractor has delivered a specific bond satisfactory to City to secure the satisfaction and discharge of such Liens;
  - l. Other items entitle City to a set-off against the payment amount requested; or
  - m. City has actual knowledge of the occurrence of any of the events enumerated in Paragraph 15.02.
2. If City refuses to make payment of the amount requested, City will give Contractor written notice stating the reasons for such action and promptly pay Contractor any amount remaining after deduction of the amount so withheld. City shall pay Contractor the amount so withheld, or any adjustment thereto agreed to by City and Contractor, within a reasonable time after Contractor remedies the reasons for such action to the satisfaction of City and City has confirmed such action.

#### 14.02 *Contractor's Warranty of Title*

- A. Contractor warrants and guarantees that title to all Work, materials, and equipment covered by any Application for Payment, whether incorporated in the Project or not, will pass to City no later than the time of payment free and clear of all Liens.

#### 14.03 *Partial Utilization*

- A. Prior to Final Acceptance of all the Work, City may use or occupy any substantially completed part of the Work which has specifically been identified in the Contract Documents, or which City determines constitutes a separately functioning and usable part of the Work that can be used by City for its intended purpose without significant interference with Contractor's performance of the remainder of the Work. City at any time may notify Contractor in writing to of any such part of the Work which City determines to be ready for its intended use. In addition, City may request in writing that Contractor permit City to use or occupy any such part of the Work that City believes to be substantially complete, subject to the following conditions:
- 1. At any time, Contractor may notify City that Contractor considers any such part of the Work ready for its intended use.
  - 2. Within a reasonable time after notification as enumerated in Paragraph 14.03, City and Contractor shall make an inspection of that part of the Work to determine its status of completion. If City does not consider that part of the Work to be substantially complete, City will notify Contractor in writing giving the reasons therefor.
  - 3. Partial Utilization by City will not constitute Final Acceptance by City.

#### 14.04 *Final Inspection*

- A. Upon written notice from Contractor that the entire Work is complete in accordance with the Contract Documents:
  - 1. City will promptly schedule a Final Inspection with Contractor.
  - 2. City will notify Contractor in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. Contractor shall immediately take such measures as are necessary to complete such Work or remedy such deficiencies.
- B. City reserves the right to deny request for Final Inspection if City determines that the entire Work is not sufficiently complete to warrant a Final Inspection.

#### 14.05 *Final Acceptance*

- A. Upon completion by Contractor to City's satisfaction, of any and all Work in accordance with the Contract Documents, including any corrections or additional Work identified in the Final Inspection and delivery of all maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurances, certificates of inspection, annotated record documents and other required documents in accordance with the Contract Documents, City will issue to Contractor a letter of Final Acceptance.

#### 14.06 *Final Payment*

- A. Application for Payment
  - 1. Upon receipt of a letter of Final Acceptance from City, Contractor may make application for Final Payment following the procedures for requesting payments in accordance with the Contract Documents.
  - 2. The final Application for Payment must be accompanied (except as previously delivered) by:
    - a. all documentation called for in the Contract Documents, including but not limited to the evidence of insurance required by Paragraph 6.03;
    - b. consent of the surety, if any, to final payment;
    - c. satisfactory evidence that all title issues have been resolved such that title to all Work, materials, and equipment has passed to City free and clear of any Liens or other title defects or will so pass upon final payment.
    - d. a list of all Contract Claims or Damage Claims against City that Contractor believes are unsettled; and
    - e. affidavits of payments and complete and legally effective releases or waivers (satisfactory to City) of all Lien rights arising out of the Work, and of Liens filed in connection with the Work.
- B. Payment Becomes Due: The final payment requested by Contractor, less previous payments made and less any sum to which City is entitled, including but not limited to liquidated damages, will become due and payable:
  - 1. After City's acceptance of the Application for Payment and accompanying documentation; and

2. After all Damage Claims have been resolved:

- a. directly by the Contractor; or
- b. Contractor provides evidence that the Damage Claim has been reported to Contractor's insurance provider for resolution.

The making of the final payment by the City shall not relieve the Contractor of any guarantees or other requirements of the Contract that continue thereafter.

14.07 *Final Completion Delayed and Partial Retainage Release*

- A. If final completion of the Work is significantly delayed, and if City so confirms, City may, upon receipt of Contractor's final Application for Payment, and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance to be held by City for Work not fully completed or corrected is less than the retainage stipulated in Paragraph 14.01.D, and if bonds have been furnished as required in Paragraph 6.02, the written consent of the surety to the payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by Contractor to City with the Application for such payment. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of Contract Claims.
- B. *Partial Retainage Release.* If the Contract provides for separate establishment and maintenance periods and/or test and performance periods following the completion of all other construction in the Contract Documents for all Work locations, the City may release a portion of the amount retained provided that all other work is completed as determined by the City. Before the release, all submittals and final quantities must be completed and accepted for all other work. An amount sufficient to ensure Contract compliance will be retained.

14.08 *Waiver of Claims*

- A. The acceptance of final payment will constitute a waiver and release by Contractor of all claims, rights, causes of action, or liabilities, including Contract Claims, against City arising out of, related to or under the Contract or for any act, omission or neglect of City.

14.09 *Correction Period*

- A. If within two (2) years after the date of Final Acceptance (or such longer period of time as may be prescribed by the Contract Documents) any Work has been found to be defective, or Contractor's repair of any damages to the Site, adjacent areas, or areas made available for Contractor's use by City has been found to be defective, then after receipt of City's written notice of defect, Contractor shall promptly, without cost to City and in accordance with City's written instructions:
  1. correct the defective repairs to the Site or such adjacent areas, or areas made available for Contractor's use by City;
  2. correct such defective Work;
  3. remove the defective Work from the Project and replace it with Work that is not defective, if the defective Work has been rejected by City, and

4. satisfactorily correct or repair or remove and replace any damage to other Work, to the work of others, or to other land or areas resulting from the corrective measures.
- B. If Contractor does not promptly comply with the terms of City's written instructions, or in an emergency where delay would cause serious risk of loss or damage, City may have the defective Work corrected or repaired or may have the rejected Work removed and replaced. Contractor shall pay all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such correction or repair or such removal and replacement (including but not limited to all costs of repair or replacement of work of others).
- C. In special circumstances where a particular item of equipment is placed in continuous service before Final Acceptance of all the Work, the correction period for that item may start to run from an earlier date if so provided in the Specifications.
- D. Where defective Work (and damage to other Work resulting therefrom) has been corrected, repaired or removed and replaced under this Paragraph 14.09, the correction period hereunder with respect to such Work may be extended for an additional period of one year after the end of the initial correction period.
- E. Contractor's obligations under this paragraph are in addition to all other obligations and warranties. The provisions of this Paragraph 14.09 are not to be construed as a substitute for, or a waiver of, the provisions of any applicable statute of limitation or repose.

## **ARTICLE 15 – SUSPENSION OF WORK AND TERMINATION**

### **15.01 *City May Suspend Work***

- A. At any time and without cause, City may suspend the Work or any portion thereof by written notice to Contractor. City may fix the date on which Work will be resumed in such notice, and Contractor shall resume the Work on the date so fixed. During a temporary suspension of the Work covered by these Contract Documents, for any reason, the City will make no extra payment for stand-by time of construction equipment and/or construction crews.
- B. Should the Contractor not be able to complete a portion of the Project due to causes beyond the control of and without the fault or negligence of the Contractor, and should it be determined by mutual consent of the Contractor and City that a solution to allow construction to proceed is not available within a reasonable period of time, Contractor may request an extension in Contract Time, directly attributable to any such suspension.
- C. If it should become necessary to suspend the Work for an indefinite period, the Contractor shall store all materials in such a manner that they will not obstruct or impede the public unnecessarily nor become damaged in any way; Contractor shall take every precaution to prevent damage or deterioration of the work performed; and Contractor shall provide suitable drainage about the work, and erect temporary structures where necessary.
- D. Contractor may be reimbursed for the cost of moving its equipment off the job and returning the necessary equipment to the job when it is determined by the City that construction may be resumed. Such reimbursement shall be based on actual cost to the Contractor of moving the

equipment and no profit or overhead will be allowed. Reimbursement may not be allowed if the equipment is moved to another construction project for the City.

15.02 *City May Terminate for Cause*

- A. The occurrence of any one or more of the following events by way of example, but not of limitation, may justify termination for cause:
1. Contractor's persistent failure to perform the Work in accordance with the Contract Documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment, or failure to adhere to the Project Schedule established under Paragraph 2.06 as adjusted from time to time pursuant to Paragraph 7.05);
  2. Failure of Contractor to perform or otherwise to comply with a material term of the Contract; or
  3. Contractor's disregard of Laws and Regulations of any public body having jurisdiction; or
  4. Contractor's repeated disregard of the authority of City; or
  5. Contractor's failure to promptly make good any defect in materials or workmanship, or defects of any nature, the correction of which has been directed in writing by the City; or
  6. Substantial indication that the Contractor has made an unauthorized assignment of the Contract or any funds due therefrom for the benefit of any creditor or for any other purpose; or
  7. Substantial indication that the Contractor has become insolvent or bankrupt, or otherwise financially unable to perform the Work satisfactorily; or
  8. Contractor commences legal action in a court of competent jurisdiction against the City.
- B. If one or more of the events identified in Paragraph 15.02.A occurs, City will provide written notice to Contractor and Surety to arrange a conference with Contractor and Surety to address Contractor's failure to perform the Work. The conference shall be held not later than 15 days after receipt of notice. by both Contractor and surety.
1. If the City, the Contractor, and the Surety do not agree to allow the Contractor to proceed to perform the Contract, the City may, to the extent permitted by Laws and Regulations, declare a Contractor default and formally terminate the Contractor's right to complete the Contract. Contractor default shall not be declared earlier than 20 days after the Contractor and Surety have received notice of the conference to address Contractor's failure to perform the Work.
  2. If Contractor's services are terminated, Surety shall be obligated to take over and perform the Work. If Surety does not commence performance thereof within 15 consecutive calendar days after date of an additional written notice demanding Surety's performance of its obligations, then City, without process or action at law, may take over any portion of the Work and complete it as described below.
    - a. If City completes the Work, City may exclude Contractor and Surety from the Site and take possession of the Work, and all materials and equipment stored at the Site

or for which City has paid Contractor, but which are stored elsewhere, and the Work as City may deem expedient.

3. Whether City or Surety completes the Work, Contractor shall not be entitled to receive any further payment until the Work is completed. If the unpaid balance of the Contract Price exceeds the cost to complete the Work, including all related claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals) sustained by City, such excess will be paid to Contractor. If the cost to complete the Work including such related claims, costs, losses, and damages exceeds such unpaid balance, Contractor shall pay the difference to City. Such claims, costs, losses, and damages incurred by City will be incorporated in a Change Order, provided that when exercising any rights or remedies under this Paragraph 15.02, City shall not be required to obtain the lowest price for the Work performed.
  4. Neither City, nor any of its respective consultants, agents, officers, elected or appointed officials, directors or employees shall be in any way liable or accountable to Contractor or Surety for the method by which the completion of the said Work, or any portion thereof, may be accomplished or for the price paid therefor.
  5. City, notwithstanding the method used in completing the Contract, shall not forfeit the right to recover damages from Contractor or Surety for Contractor's failure to timely complete the entire Contract. Contractor shall not be entitled to any claim, counterclaim or offset on account of the method used by City in completing the Contract.
  6. Maintenance of the Work shall continue to be Contractor's and Surety's responsibilities as provided for in the bond requirements of the Contract Documents or any special guarantees provided for under the Contract Documents or any other obligations otherwise under the Contract or prescribed by law.
- C. Notwithstanding Paragraph 15.02.B, Contractor's services will not be terminated if Contractor begins within seven days of receipt of notice of intent to terminate to correct its failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt of said notice.
- D. Where Contractor's services have been so terminated by City, the termination will not affect any rights or remedies of City against Contractor then existing or which may thereafter accrue, or any rights or remedies of City against Contractor or Surety. Any retention or payment of money due Contractor by City will not release Contractor from liability.
- E. If and to the extent that Contractor has provided a performance bond under the provisions of Paragraph 6.02, the termination procedures of that bond shall not supersede the provisions of this Article 15.

#### 15.03 *City May Terminate for Convenience*

- A. City may, without cause and without prejudice to any other right or remedy of City, terminate the Contract, in whole or in part. Any termination shall be affected by giving notice of the termination to the Contractor specifying the extent to which performance of Work under the contract is terminated, and the date upon which such termination becomes effective. Notice shall be deemed validly given if given in accordance with Paragraph 17.01.A.

- B. After a notice of termination, has been given, and except as otherwise directed by the City, the Contractor shall:
1. stop work under the Contract on the date and to the extent specified in the notice of termination;
  2. place no further orders or subcontracts for materials, services or facilities except as may be necessary for completion of such portion of the Work under the Contract as is not terminated;
  3. terminate all orders and subcontracts to the extent that they relate to the performance of the Work terminated by notice of termination;
  4. transfer title to the City and deliver in the manner, at the times, and to the extent, if any, directed by the City:
    - a. the fabricated or unfabricated parts, Work in progress, completed Work, supplies and other material produced as a part of, or acquired in connection with the performance of, the Work terminated by the notice of the termination; and
    - b. the completed, or partially completed plans, drawings, information and other property which, if the Contract had been completed, would have been required to be furnished to the City.
  5. complete performance of such Work as shall not have been terminated by the notice of termination; and
  6. take such action as may be necessary, or as the City may direct, for the protection and preservation of the property related to the Contract that is in the possession of the Contractor and in which the City has or may acquire the rest.
- C. At a time not later than 30 days after the termination date specified in the notice of termination, the Contractor may submit to the City a list, certified as to quantity and quality, of any or all items of termination inventory not previously disposed of in accordance with the Contract, exclusive of items the disposition of which has been directed or authorized by City.
- D. Not later than 15 days after Contractor's submission of the certified list to City pursuant to Paragraph 15.03.C, the City shall accept title to such items, subject to verification of the list by the City upon removal of the items or, If the items are stored, then City shall have 45 days after submission of the list, to verify the list submitted and accept title to such items. Any necessary adjustments to correct the list as submitted, shall be made prior to final settlement.
- E. Not later than 60 days after the notice of termination has been given, the Contractor shall submit his termination claim to the City in the form and with the certification prescribed by the City. Unless an extension request is made in writing within such 60-day period by the Contractor, and granted by the City, any and all such claims of Contractor that are not submitted to City within such 60-day period shall be conclusively deemed waived.
- F. Should a termination claim be timely submitted to the City, Contractor shall be paid for (without duplication of any items):
1. completed and acceptable Work executed in accordance with the Contract Documents prior to the effective date of termination, including fair and reasonable sums for overhead

- and profit on such Work calculated and determined in accordance with the Contract Documents;
2. expenses sustained prior to the effective date of termination in performing services and furnishing labor, materials, or equipment as required by the Contract Documents in connection with uncompleted Work, plus fair and reasonable sums for overhead and profit on such expenses calculated and determined in accordance with the Contract Documents; and
  3. reasonable expenses directly attributable to reasonable and necessary wind-down and termination activities, without any overhead or profit.
- G. In the event of the failure of the Contractor and City to agree upon the whole amount to be paid to the Contractor by reason of the termination of the Work, the City shall determine, on the basis of information submitted and available to it, the amount, if any, due to the Contractor by reason of the termination and City shall pay to the Contractor the amounts so determined. Contractor shall not be paid on account of loss of anticipated profits or revenue or other economic loss arising out of, related to or resulting from such termination.

## **ARTICLE 16 – RESOLUTION OF DISPUTES**

### **16.01 *Methods and Procedures***

- A. Either City or Contractor may request mediation of any Contract Claim submitted for a decision under Paragraph 11.07 before such decision becomes final and binding. The request for mediation shall be submitted to the other party to the Contract. Timely submission of the request shall stay the effect of Paragraph 11.07.E.
- B. City and Contractor shall participate in the mediation process in good faith. The process shall be commenced within 60 calendar days of filing of the request.
- C. The parties shall agree on a mediator; however, if they cannot agree within 14 calendar days then the Denton County Alternative Dispute Resolution Program (“DCAP”) shall appoint a mediator. The mediation session shall be held within 45 days of the retention of the mediator, and last for at least one full mediation day, before any party has the option to withdraw from the process. The parties may agree to continue the mediation process beyond one day, until there is a settlement agreement, or one party, or the mediator, states that there is no reason to continue because of an impasse that cannot be overcome and sends a “notice of termination of mediation.” All reasonable efforts will be made to complete the mediation within 30 days of the first mediation session. All costs of mediation shall be borne equally by the parties.
- D. All communications, both written and oral, during Phases A and B are confidential and shall be treated as settlement negotiations for purposes of applicable rules of evidence; however, documents generated in the ordinary course of business prior to the Dispute, that would otherwise be discoverable, do not become confidential simply because they are used in the Negotiation and/or Mediation process.
- E. The process shall be confidential based on terms acceptable to the mediator and/or mediation service provider.

- F. If the Contract Claim is not resolved by mediation, City's action under Paragraph 11.07.C or a denial pursuant to Paragraphs 11.07.C.3 or 11.07.D shall become final and binding 30 days after termination of the mediation unless, within that time period, City or Contractor:
1. elects in writing to invoke any other dispute resolution process provided for in the Supplementary Conditions; or
  2. agrees with the other party to submit the Contract Claim to another dispute resolution process; or
  3. gives written notice to the other party of the intent to submit the Contract Claim to a court of competent jurisdiction as set forth within the Contract Documents.

## ARTICLE 17 – MISCELLANEOUS

### 17.01 *Giving Notice*

- A. Whenever any provision of the Contract requires the giving of written notice, it will be deemed to have been validly given if delivered:
1. in person, by a commercial courier service or otherwise, if to City, to the duly authorized representative of City identified in the Contract Documents or to City's Project Manager or, if to Contractor, to a member of the firm or to an officer of the corporation for whom it is intended; or
  2. by registered or certified mail, postage prepaid, to the recipient's place of business; or
  3. by e-mail to the recipient.

### 17.02 *Computation of Time*

- A. When any period of time is referred to in the Contract by days, it will be computed to exclude the first and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day that is a state or federal holiday observed by the City, the next Business Day shall become the last day of the period.

### 17.03 *Cumulative Remedies*

- A. The duties and obligations imposed by these General Conditions and the rights and remedies available hereunder to the parties hereto are in addition to, and are not to be construed in any way as a limitation of, any rights and remedies available to any or all of them which are otherwise imposed or available by Laws and Regulations, in equity, by special warranty or guarantee, or by other provisions of the Contract. The provisions of this Paragraph 17.03 will be as effective as if repeated specifically in the Contract Documents in connection with each particular duty, obligation, right, and remedy to which they apply.

### 17.04 *Limitation of Damages*

- A. With respect to any and all claims, disputes subject to final resolution, and other matters at issue, neither City, nor any of its officers, directors, elected or appointed officials, members, partners, employees, agents, consultants, or subcontractors, shall be liable to Contractor for any claims, costs, losses, or damages sustained by Contractor on or in connection with any other project or anticipated project. Further, the Contractor may only claim and the City may only be liable for those damages that are set forth in Subchapter I, Chapter 271 of the Texas

Local Government Code and the City shall not be liable for any consequential damages, exemplary damages or damages for unabsorbed home office overhead.

17.05 *No Waiver*

- A. A party's non-enforcement of any provision will not constitute a waiver of that provision, nor will it affect the enforceability of that provision or of the remainder of this Contract.
- B. The City has not waived its sovereign immunity except as expressly set forth in Subchapter I, Chapter 271 of the Texas Local Government Code or as expressly waived by other statute.

17.06 *Survival of Obligations*

All representations, indemnifications, warranties, and guarantees made in, required by, or given in accordance with the Contract, as well as all continuing obligations indicated in the Contract, will survive final payment, completion, and Final Acceptance of the Work or termination of the Contract or of the services of Contractor.

17.07 *Assignment of Contract*

- A. Unless expressly agreed to elsewhere in the Contract, no assignment by a party to this Contract of any rights under or interests in the Contract will be binding on the other party without the written consent of the party sought to be bound; and, specifically but without limitation, money that may become due and money that is due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract.

17.08 *Successors and Assigns*

- A. City and Contractor each binds itself, its successors, assigns, and legal representatives to the other party hereto, its successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

17.09 *Governing Law*

- A. The Contract shall be construed in accordance with the laws of the State of Texas without regard to conflicts of law principles.

17.10 *Headings*

- A. Article and paragraph headings are inserted for convenience only and do not constitute parts of these General Conditions.

This page intentionally left blank.

**SECTION 00 73 01**  
**SUPPLEMENTARY CONDITIONS - CSP**  
**TO**  
**GENERAL CONDITIONS**

**Supplementary Conditions**

These Supplementary Conditions modify and supplement Section 00 72 00 - General Conditions, and other provisions of the Contract Documents as indicated below. All provisions of the General Conditions that are modified or supplemented remain in full force and effect as so modified or supplemented. All provisions of the General Conditions which are not so modified or supplemented remain in full force and effect.

**Defined Terms**

The terms used in these Supplementary Conditions which are defined in the General Conditions have the meaning assigned to them in the General Conditions, unless specifically noted herein.

**Modifications and Supplements**

The following are instructions that modify or supplement specific paragraphs in the General Conditions and other Contract Documents.

**SC-1.01 "Defined Terms"**

The following Terms listed in the General Conditions are modified as follows:

Bid – See Proposal.

Bidder – See Offeror.

Bidding Documents – See Proposal Documents.

Bidding Requirements – See Proposal Requirements.

The following Terms are added to the General Conditions as follows:

Competitive Sealed Proposals – A procurement method by which a governmental entity requests proposals, evaluates and ranks the Offerors, and negotiates a contract with a general contractor for the construction, rehabilitation, alteration, or repair of a facility.

Daily Value – The City-determined value in dollars as indicated in the Proposal Form as the value of one Day for the purposes of determining the Incentive (if applicable) for Substantial Completion relative to the Contract Time and achievement of Substantial Completion.

Offeror – The individual or entity that submits a Proposal directly to City.

Proposal – The offer or proposal of an Offeror submitted in accordance with the requirements set forth in the Instructions to Offerors.

Proposal Documents – The Proposal Requirements and the Proposed Contract Documents.

Proposal Requirements – The Advertisement or Invitation to Offerors, Instructions to Offerors, Offeror’s Bond or other Proposal security, if any, the Proposal Form, and the Proposal with any attachments.

Substantial Completion – The completion of the Work necessary for the project to function as it was intended pursuant to the Contract Documents and as specified below, to the reasonable satisfaction of the City. The date of Substantial Completion shall be memorialized by written notice given by the City to the Contractor.

#### SC-5.01A

Easement limits shown on the Drawing are approximate and were provided to establish a basis for proposals. Upon receiving the final easements descriptions, Contractor shall compare them to the lines shown on the Contract Drawings.

##### SC-5.01A.1., “Availability of Lands”

The following is a list of known outstanding right-of-way, and/or easements to be acquired, if any as of October 21, 2022:

##### Outstanding Right-Of-Way, and/or Easements to Be Acquired

PARCEL NUMBER	OWNER	TARGET DATE OF POSSESSION
------------------	-------	------------------------------

---

None

The Contractor understands and agrees that the dates listed above are estimates only, are not guaranteed, and do not bind the City.

If Contractor considers the final easements provided to differ materially from the representations on the Contract Drawings, Contractor shall within five (5) Business Days and before proceeding with the Work, notify City in writing associated with the differing easement line locations.

##### SC-5.01A.2, “Availability of Lands”

##### Utilities or obstructions to be removed, adjusted, and/or relocated

The following is list of utilities and/or obstructions that have not been removed, adjusted, and/or relocated as of October 21, 2022:

EXPECTED OWNER	UTILITY AND LOCATION	TARGET DATE OF ADJUSTMENT
-------------------	----------------------	------------------------------

---

None

The Contractor understands and agrees that the dates listed above are estimates only, are not guaranteed, and do not bind the City.

**SC-5.03A., "Subsurface and Physical Conditions"**

The following are reports of explorations and tests of subsurface conditions at the site of the Work:

A geotechnical report titled "Lake Ray Roberts Water Treatment Plant Backwash Supply Tank," dated September 6, 2022, prepared by Freese and Nichols, Inc., a consultant of the City. This geotechnical report is not considered Technical Data and may not be relied upon by the Contractor. This report is provided for informational purposes only. The Appendix A "Vicinity Map, Boring Location Maps", Appendix B "Logs of Boring B-2201 through B-2204, including Key to Terms and Symbols" and Appendix C "Laboratory Results, Unconfirmed Results, Swell Test Results" are considered Technical Data that the Contractor may rely upon.

The following are drawings of physical conditions in or relating to existing surface and subsurface structures (except Underground Facilities) which are at or contiguous to the site of the Work:

None.

**SC-5.05 A., "Underground Facilities"**

The following are additional resources for identification of Underground Facilities which are at or contiguous to the site of the Work, and which are not necessarily shown in the Drawings:

None.

**SC-5.06A., "Hazardous Environmental Conditions at Site"**

The following are reports and drawings of existing hazardous environmental conditions known to the City:

None.

**SC-6.02, "Performance, Payment, and Maintenance Bonds"**

**The "Contract Price" for Performance, Payment, and Maintenance Bonds will be the same as indicated in Article 3 as listed in the Agreement.**

**SC-6.03A., "Certificates of Insurance"**

The entities listed below are "additional insureds as their interest may appear" including their respective officers, directors, agents and employees.

- (1) City
- (2) Consultant: Freese and Nichols, Inc.; JQ Infrastructure, Inc.; Arcadis-US, Inc.
- (3) Other: None.

**SC-6.04A., "Contractor's Insurance"**

The limits of liability for the insurance required by Paragraph GC-6.04 shall provide the following coverages for not less than the following amounts or greater where required by laws and regulations:

**6.04A. Workers' Compensation, under Paragraph GC-6.04A.**

Statutory limits	
Employer's liability	
\$100,000	each accident/occurrence
\$100,000	Disease - each employee
\$500,000	Disease - policy limit

**SC-6.04B., "Contractor's Insurance"**

**6.04B.** Commercial General Liability, under Paragraph GC-6.04B. Contractor's Liability Insurance under Paragraph GC-6.04B., which shall be on a per project basis covering the Contractor with minimum limits of:

\$1,000,000 each occurrence

\$2,000,000 aggregate limit

The policy must have an endorsement (Amendment – Aggregate Limits of Insurance) making the General Aggregate Limits apply separately to each job site.

The Commercial General Liability Insurance policies shall provide "X", "C", and "U" coverage's. Verification of such coverage must be shown in the Remarks Article of the Certificate of Insurance.

**SC 6.04C., "Contractor's Insurance"**

**6.04C.** Automobile Liability, under Paragraph GC-6.04C. Contractor's Liability Insurance under Paragraph GC-6.04C., which shall be in an amount not less than the following amounts:

- (1) **Automobile Liability** - a commercial business policy shall provide coverage on "Any Auto", defined as autos owned, hired and non-owned.

\$1,000,000 each accident on a combined single limit basis. Split limits are acceptable if limits are at least:

\$250,000 Bodily Injury per person /

\$500,000 Bodily Injury per accident /

\$100,000 Property Damage

**SC-6.04D., "Contractor's Insurance"**

The Contractor's construction activities will require its employees, agents, subcontractors, equipment, and material deliveries to cross railroad properties and tracks, or perform work within 25 feet of the center line of tracks owned and operated by None.

The Contractor shall conduct its operations on railroad properties in such a manner as not to interfere with, hinder, or obstruct the railroad company in any manner whatsoever in the use or operation of its/their trains or other property. Such operations on railroad properties may require that Contractor to execute a "Right of Entry Agreement" with the particular railroad company or companies involved, and to this end the Contractor should satisfy itself as to the requirements of each railroad company and be prepared to execute the right-of-entry (if any) required by a railroad company. The requirements specified herein likewise relate to the Contractor's use of private and/or construction access roads crossing said railroad company's properties.

The Contractual Liability coverage required by Paragraph 5.04D of the General Conditions shall provide coverage for not less than the following amounts, issued by companies satisfactory to the City and to the Railroad Company for a term that continues for so long as the Contractor's operations and work cross, occupy, or touch railroad property:

(1) General Aggregate: \$ N/A

(2) Each Occurrence: \$ N/A

1. Where a single railroad company is involved, the Contractor shall provide one insurance policy in the name of the railroad company. However, if more than one grade separation or at-grade crossing is affected by the Project at entirely separate locations on the line or lines of the same railroad company, separate coverage may be required, each in the amount stated above.
2. Where more than one railroad company is operating on the same right-of-way or where several railroad companies are involved and operated on their own separate rights-of-way, the Contractor may be required to provide separate insurance policies in the name of each railroad company.
3. If, in addition to a grade separation or an at-grade crossing, other work or activity is proposed on a railroad company's right-of-way at a location entirely separate from the grade separation or at-grade crossing, insurance coverage for this work must be included in the policy covering the grade separation.
4. If no grade separation is involved but other work is proposed on a railroad company's right-of-way, all such other work may be covered in a single policy for that railroad, even though the work may be at two or more separate locations.

The insurance specified above must be carried until all Work to be performed on the railroad right-of-way has been completed and the grade crossing, if any, is no longer used by the Contractor. In addition, insurance must be carried during all maintenance and/or repair work performed in the railroad right-of-way. Such insurance must name the railroad company as the insured, together with any tenant or lessee of the railroad company operating over tracks involved in the Project.

The following subcontractors shall be required to be utilized by the Contractor for specific portions of the Work as indicated below:

SUBCONTRACTOR COMPANY NAME	DESCRIPTION OF WORK TO BE PERFORMED
----------------------------	-------------------------------------

**SC-7.11A., “Contractor obtained permits and licenses”**

SC-7.11B. "City obtained permits and licenses"

The following are known permits and/or licenses required by the Contract to be acquired by the City: None.

**SC-7.11C., “Outstanding permits and licenses”**

The following is a list of known outstanding permits and/or licenses to be acquired, if any as of October 15, 2023:

**Outstanding Permits and/or Licenses to Be Acquired**

OWNER	PERMIT OR LICENSE AND LOCATION	TARGET DATE OF POSSESSION
-------	--------------------------------	---------------------------

None

**SC-7.20., “Contractor’s General Warranty and Guarantee”**

Delete Paragraph 7.20.D in its entirety and add the following in its place:

“D. The Contractor shall remedy any defects or damages in the Work and pay for any damage to other work or property resulting therefrom which shall appear within a period of two (2) years from the date of Substantial Completion of the Work unless a longer period is specified. Substantial Completion shall be as defined in Paragraph 14.03. Contractor shall furnish a good and sufficient maintenance bond, complying with the requirements of Paragraph 6.02.B. The City will give notice of observed defects with reasonable promptness.”

**SC-8.02., “Coordination”**

The individuals or entities listed below have contracts with the City for the performance of other work at the Site:

Vendor	Scope of Work	Coordination Authority
None	None	None

**SC-9.01, “Communications to Contractor”**

None.

**SC-10.01B., “City’s Project Manager”**

The City’s Project Manager for this Contract is David Brown, or his/her successor pursuant to written notification from the Direct of Utilities.

**SC-13.02B., “Tests and Inspections”**

None.

**SC-14.01G, “Reduction in Payment”**

Add Paragraph 14.01G.3:

3. *City may reduce payments to the Contractor, if the number of Days that have passed after the date listed on the Notice to Proceed exceeds the Contract Time for Substantial Completion.*

**SC-14.03, "Partial Utilization"**

Delete this Paragraph in its entirety and insert the following text in its place:

**"14.03 Substantial Completion and Partial Use or Occupancy"****A. Substantial Completion**

1. When Contractor considers the entire Work ready for its intended use Contractor shall notify City and Engineer in writing that the entire Work is substantially complete and request that Engineer issue a certificate of Substantial Completion. Contractor shall at the same time submit to City and Engineer an initial draft of punch list items to be completed or corrected before final payment.
2. Promptly after Contractor's notification, City, Contractor, and Engineer will make an inspection of the Work to determine the status of completion. If Engineer does not consider the Work substantially complete, Engineer will notify Contractor in writing giving the reasons therefor.
  - a. If some or all the Work has been determined not to be at a point of Substantial Completion and will require re-inspection or re-testing by Engineer, the cost of such re-inspection or re-testing, including the cost of time, travel, and living expenses, will be paid by Contractor to City. If Contractor does not pay, or the parties are unable to agree as to the amount owed, then City may impose a reasonable set-off against payments due under this Article 14.
3. If Engineer considers the Work substantially complete, Engineer will deliver to City a preliminary certificate of Substantial Completion which will fix the date of Substantial Completion. Engineer will attach to the certificate a punch list of items to be completed or corrected before final payment. City will have 7 days after receipt of the preliminary certificate during which to make written objection to Engineer as to any provisions of the certificate or attached punch list. If, after considering the objections to the provisions of the preliminary certificate, Engineer concludes that the Work is not substantially complete, Engineer will, within 14 days after submission of the preliminary certificate to City, notify Contractor in writing that the Work is not substantially complete, stating the reasons therefor. If City does not object to the provisions of the certificate, or if despite consideration of City's objections Engineer concludes that the Work is substantially complete, then Engineer will, within said 14 days, execute and deliver to City and Contractor a final certificate of Substantial Completion (with a revised punch list of items to be completed or corrected) reflecting such changes from the preliminary certificate as Engineer believes justified after considerations of any objections from City.
4. At the time of receipt of the preliminary certificate of Substantial Completion, City and Contractor will confer regarding City's use or occupancy of the Work following Substantial Completion, review the builder's risk insurance policy with respect to the end of the builder's risk coverage, and confirm the transition to coverage of the Work under a permanent property insurance policy held by City. Unless City and Contractor agree otherwise in writing, City shall bear responsibility for security, operation, protection of the Work, property insurance, maintenance, heat, and utilities upon City's use or occupancy of the Work.

5. After Substantial Completion the Contractor shall promptly begin work on the punch list of items to be completed or corrected prior to final payment. In appropriate cases Contractor may submit monthly Applications for Payment for completed punch list items, following the progress payment procedures set forth above.
6. City shall have the right to exclude Contractor from the Site after the date of Substantial Completion subject to allowing Contractor reasonable access to remove its property and complete or correct items on the punch list.
- B. Partial Use or Occupancy
1. Prior to Substantial Completion of all the Work, City may use or occupy any substantially completed part of the Work which has specifically been identified in the Contract Documents, or which City, Engineer, and Contractor agree constitutes a separately functioning and usable part of the Work that may be used by City for its intended purpose without significant interference with Contractor's performance of the remainder of the Work, subject to the following conditions:
- a. At any time, City may request in writing that Contractor permit Owner to use or occupy any such part of the Work that Owner believes to be substantially complete. If and when Contractor agrees that such part of the Work is substantially complete, Contractor, City, and Engineer will follow the procedures of Paragraph 14.03.A.1 through 14.03.A.5 for that part of the Work.
- b. At any time, Contractor may notify City and Engineer in writing that Contractor considers any such part of the Work substantially complete and request Engineer to issue a certificate of Substantial Completion for that part of the Work.
- c. Within a reasonable time after either such requests, City, Contractor, and Engineer shall make an inspection of that part of the Work to determine its status of completion. If Engineer does not consider that part of the Work to be substantially complete, Engineer will notify City and Contractor in writing giving the reasons therefor. If Engineer considers that part of the Work to be substantially complete, the provisions of Paragraph 14.03.A will apply with respect to certification of Substantial Completion of that part of the Work and the division of responsibility in respect thereof and access thereto.
- D. No use or occupancy or separate operation of part of the Work may occur prior to compliance with the requirements of Paragraph 6.04 regarding builder's risk or other property insurance."

#### SC-16.01C.1, "Methods and Procedures"

None.

#### SC – 17.01, "Documents"

*Any documents submitted to the City in electronic format shall be considered equivalent to an original of such document.*

1 **SC – 18.01, “Texas State Law Provisions”**

2  
3 **SC – 18.01A. “Prohibition on Contracts with Companies Boycotting Israel”**

4  
5 Contractor acknowledges that in accordance with Chapter 2271 of the Texas Government Code,  
6 City is prohibited from entering into a contract with a company for goods or services unless the  
7 contract contains a written verification from the company that it: (1) does not boycott Israel; and  
8 (2) will not boycott Israel during the term of the contract. The terms “boycott Israel” and  
9 “company” shall have the meanings ascribed to those terms in Section 808.001 of the Texas  
10 Government Code. ***By signing this agreement, Contractor certifies that Contractor’s signature***  
11 ***provides written verification to the City that Contractor: (1) does not boycott Israel; and (2) will***  
12 ***not boycott Israel during the term of the agreement.*** Failure to meet or maintain the  
13 requirements under this provision will be considered a material breach.

**CONFLICT OF INTEREST QUESTIONNAIRE -****FORM CIQ****For vendor or other person doing business with local governmental entity****This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.**

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a) and by City of Denton Ethics Code, Ordinance 18-757.

By law this questionnaire must be filed with the records administrator of the local government entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

**1 Name of vendor who has a business relationship with local governmental entity.**

Archer Western Construction, LLC

**2 ☐ Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7<sup>th</sup> business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

**3 Name of local government officer about whom the information in this section is being disclosed.**

\_\_\_\_\_  
Name of Officer

Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. This section, (item 3 including subparts A, B, C & D), must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐

Yes

☒

No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐

Yes

☒

No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of one percent or more?

☐

Yes

☒

No

D. Describe each employment or business and family relationship with the local government officer named in this section.

**4 ☐ I have no Conflict of Interest to disclose.****5**

## CONFLICT OF INTEREST QUESTIONNAIRE

### For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at [http://www.statutes.legis.state.tx.us/ Docs/LG/htm/LG.176.htm](http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm). For easy reference, below are some of the sections cited on this form.

**Local Government Code § 176.001(1-a):** "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

**Local Government Code § 176.003(a)(2)(A) and (B):**

(A) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

- (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor;
- (B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:
  - (i) a contract between the local governmental entity and vendor has been executed; or
  - (ii) the local governmental entity is considering entering into a contract with the vendor.

**Local Government Code § 176.006(a) and (a-1)**

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:
  - (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
  - (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
  - (3) has a family relationship with a local government officer of that local governmental entity.
- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:
  - (1) the date that the vendor:
    - (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
    - (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or
  - (2) the date the vendor becomes aware:
    - (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
    - (B) that the vendor has given one or more gifts described by Subsection (a); or
    - (C) of a family relationship with a local government officer.

### **City of Denton Ethics Code Ordinance Number 18-757**

**Definitions:**

**Relative:** a family member related to a City Official within the third 3<sup>rd</sup> degree of affinity (marriage) or consanguinity (blood or adoption)

**City Official:** for purpose of this article, the term consists of the Council Members, Department Heads, or member of the Board of Ethics, Planning and zoning Commission Members, Board of Adjustment, Historic Landmark Commission, or Public Utilities Board

**Vendor:** a person who provides or seeks to provide goods, services, and/or real property to the City in exchange for compensation. This definition does not include those property owners from whom the City acquires public right-of-way or other real property interests for public use.

Per the City of Denton Ethics Code, Section 2-273. – Prohibitions

- (3) It shall be a violation of this Article for a Vendor to offer or give a Gift to City Official exceeding fifty dollars (\$50.00) per gift, or multiple gifts cumulatively valued at more than two hundred dollars (\$200.00) per a single fiscal year.

Per the City of Denton Ethics Code, Section 2-282. – Disposition (b), (5) Ineligibility

If the Board of Ethics finds that a Vendor has violated this Article, the Board may recommend to the City Manager that the Vendor be deemed ineligible to enter into a City contract or other arrangement for goods, services, or real property, for a period of one (1) year.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Denton (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact City of Denton:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com)

**To advise City of Denton of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [melissa.kraft@cityofdenton.com](mailto:melissa.kraft@cityofdenton.com) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

**To request paper copies from City of Denton**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with City of Denton**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [purchasing@cityofdenton.com](mailto:purchasing@cityofdenton.com) and in the body of such request you must state your e-mail, full name, US Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

**Required hardware and software**

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	<ul style="list-style-type: none"><li>•Allow per session cookies</li><li>•Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection</li></ul>

\*\* These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

**Acknowledging your access and consent to receive materials electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify City of Denton as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by City of Denton during the course of my relationship with you.

## AGENDA INFORMATION SHEET

**DEPARTMENT:** Finance

**ACM:** Cassey Ogden

**DATE:** June 10, 2024

### **SUBJECT**

Receive a report, hold a discussion, and give staff direction regarding the Fiscal Year 2024-25 preliminary utility forecasts for Solid Waste, Water, Wastewater/Drainage, and Electric.

### **BACKGROUND**

The purpose of this work session and additional work sessions during the months of June and July is to provide the Public Utilities Board (PUB) with details regarding the preliminary FY 2024-25 Utility Operating and Capital Budgets. This work session will include a review of economic forecasts, prior fiscal year financial performance for each utility, and financial assumptions which will directly impact each utility's operating budget for the upcoming fiscal year. The City's budget emphasis continues to be focused on cost containment, financial transparency, long-term maintenance of utility assets, and system reliability.

### **EXHIBITS**

# Agenda

- Fiscal Year 2024-25 Budget Process Overview
- Economic Conditions
- Financial Assumptions
- Growth Forecasts & 2023 Financial Performance
  - Solid Waste
  - Water
  - Wastewater
  - Electric
- Next Steps

# Fiscal Year 2024-25 Utility Budget Process

- Budget Kickoff
- Budget Submission
- City Manager Meetings
- PUB Meetings
- City Council Review
- Budget Workshop
- Public Hearings
- Budget Adoption
- October 1, 2024 - Effective Date

# Economic Conditions

---

## **Current Challenges:**

- Community-wide Growth
  - Paying for tomorrow's growth with today's dollars
  - Existing and new infrastructure needs
  - Inflation

## **Current Opportunities:**

- Use of federal and state funding opportunities for infrastructure
  - Pursuing all available programs to assist with funding tomorrow's growth today
- Re-examination of debt portfolio and current needs
- Potential rate increases

# Financial Assumptions

---

## **All Utilities:**

- City population growth assumption of 2.94% resulting in increased system demand.
- Hunter/Cole developments accounted for in the 5-Year CIP.

## **Solid Waste:**

- Forecast is based on customer counts, tonnage, and service frequency.

## **Water & Wastewater:**

- Volume-based forecast.
- Forecast included alternative funding options for large capital projects (WIFIA/SWIFT).

## **Electric:**

- FY 2024 mid-year rate adjustment included in forecast.

# FY 2024-25 Solid Waste Fund Overview

---

## Growth Projections

- 2.6% Growth in Residential Customers
- 2.0% Growth in Commercial FL/SL Pulls
- 2.1% Growth in Landfill Customers

## Revenue Projections

- Cost of Service Study (Completion June 2024)
- Potential Rate Increase

## Expense Projections

- Annual Closure/Post Closure Contribution
- Increase in Personnel Costs
  - City-wide compensation adjustment for inflation & competitive market
- Debt service increase projected in FY 2025 for capital improvements
  - \$2,000,000 for the fleet shop (2024 issuance)
  - \$1,839,730 for vehicles (2024 issuance)

# Solid Waste 10-Year Growth Projections

# Solid Waste Fund - Financial Performance

# Electric Fund Overview

---

## Financial Assumptions

- Finance \$31.26M of energy expenses.
  - Five-Year Term Utility System Revenue Bonds (Self-Supported by DME Revenues)
- Cost of Service Study results and recommendations.
  - Primary consideration will be Fixed Costs (i.e., facility and usage charges).
- Value of Solar Study results and recommendations.
  - Price paid for Rooftop Solar energy returned to DME.

# Next Steps
