AGENDA INFORMATION SHEET

DEPARTMENT: Materials Management

ACM: Bryan Langley

AGENDA DATE: September 20, 2016

SUBJECT

Consider adoption of an ordinance of the City of Denton authorizing the City Manager or his designee to execute a contract through the Buy Board Cooperative Purchasing Network for the acquisition of one (1) 2014 Elgin model Broom Badger street sweeper for the City of Denton Solid Waste Department; and providing an effective date (File 6225-awarded to Kinloch Equipment & Supply, Inc. in the amount of \$169,000). The Public Utilities Board recommends approval (7-0).

FILE INFORMATION

This item is a Fleet addition for the Solid Waste Department and will be used to maintain the roads at the City of Denton Municipal Solid Waste Facility located at 1527 S. Mayhill Road. Quotes were obtained from two (2) cooperative contract vendors and one (1) non contract vendor. Staff requested quotes for demonstration (demo) models with up to 15,000 miles. The unit that staff is recommending is a 2014 Elgin Broom Badger demo model that currently has 11,945 miles. The equipment will have the same warranty as a new unit. The 2014 equipment is also immediately available so there will be no lead time for an order.

The 2016 Elgin Broom Badger shown on the price comparison sheet does not include a chassis. The additional cost for the chassis for the new unit is estimated to be \$40,000, which would increase the cost above the recommended unit to \$57,749. The third vendor, BTE Body Company, Inc. responded with a comparable 2014

unit that is \$44,175 higher than the staff recommendation. Therefore, the 2014 Elgin model Broom Badger street sweeper is the best value for the City. The street sweeper will be purchased through the Buy Board Cooperative Purchasing Network Contract# 420-13.
