Type: Public Utilities Board

File created: 9/25/2017 **In control:** Public Utilities Board

On agenda: 10/9/2017 **Final action:**

Title: Consider recommending adoption of an ordinance of the City of Denton, Texas providing for, authorizing, and approving software maintenance and server patch management services for continued vendor support for Denton Municipal Electric Supervisory Control and Data Acquisition (SCADA) software modules. It is essential for the City of Denton to keep current subscription and maintenance with the software vendor in order to ensure availability of upgrades, software fixes, and access to knowledge and support resources. Open Systems International, Inc. is the sole-source vendor for continued upgrade, support and maintenance for the SCADA software suite. Therefore this system is available from only one source and in accordance with Chapter 252.022 of the Texas Local Government Code, procurement of commodities and services that are available from one source are exempt from competitive bidding; and if over \$50,000 shall be awarded by the governing body; and providing an effective date (File 4074 awarded to Open Systems International, Inc. in the three (3) year not-to-exceed amount of \$416,392.22).
