Agenda Information Sheet

DEPARTMENT: Fleet Services

CM/ ACM: Howard Martin

Date: February 13, 2017

SUBJECT

Consider recommending adoption of an ordinance of the City of Denton authorizing the City Manager or his designee to execute contract for the acquisition of one (1) Refuse Trailer for the City of Denton Solid Waste Department which are available from only one source and in accordance with Chapter 252.022 of the Texas Local Government Code, such purchases are exempt from requirements of competitive bidding; and providing an effective date (File 6361-awarded to East Manufacturing in the amount of \$68,200).

BACKGROUND

This item is a fleet addition for the Solid Waste Departments mining operations. This equipment will be used to haul sorted materials to various locations. It has a one hundred (100) yard capacity which allows it to haul a large amount of materials and also a hydraulically operated floor for easy unloading of that material.

The City of Denton is standardizing to the East Manufacturing Refuse Trailer because it is a custom specification that is unique to our operation and accommodates the tarping system necessary to contain the municipal solid waste materials (Exhibit 2). Due to the Fleet department's standardization to East Manufacturing Refuse Trailers, these trailers will be purchased as single source and in accordance with Chapter 252.022 of the Texas Local Government Code, such purchases are exempt from the requirement of competitive bidding.

RECOMMENDATION

Award the purchase of one (1) Refuse Trailer to East Manufacturing in the amount of \$68,200.

STRATEGIC PLAN RELATIONSHIP

The City of Denton's Strategic Plan is an action-oriented road map that will help the City achieve its vision. The foundation for the plan is the five long-term Key Focus Areas (KFA): Organizational Excellence; Public Infrastructure; Economic Development; Safe, Livable, and Family-Friendly Community; and Sustainability and Environmental Stewardship. While individual items may support multiple KFAs, this specific City Council agenda item contributes most directly to the following KFA and goal:

Related Key Focus Area: **Public Infrastructure**

Related Goal: **2.3 Promote superior utility services and facilities**
