Agenda Information Sheet

DEPARTMENT: Economic Development

DCM: Bryan Langley

Date: March 28, 2017

SUBJECT

Receive a report, hold a discussion, and give staff direction regarding a Fourth Amendment to an Economic Development Program Grant Agreement with Allegiance Hillview, L.P. for the Rayzor Ranch development.

BACKGROUND

RED Development has requested a Fourth Amendment to its Economic Development Program Grant Agreement to extend its deadline to meet 300,000 square feet of retail and commercial space in the Rayzor Ranch Town Center from January 1, 2018, to April 1, 2018.

Additionally, if at least 270,000 square feet have received a certificate of occupancy or have a foundation certified by the City of Denton by April 1, the date may be extended to July 1, 2018, upon completion of a certificate of compliance with supporting documentation by RED Development and verification of compliance by the City Manager of his designee.

The request is for a total extension of 6 months, and the deadline may not extend beyond July 1, 2018.

According to the request letter from DB Denton II (RED Development), the extension will allow time to finish the City's design, permitting, and platting process for the projects currently in progress. The letter estimates the construction duration to be between 11-12 months, barring unforeseen circumstances.

As of March 20, 227,582 square feet of retail and commercial space has either been issued a certificate of occupancy or is under construction, which represents 75% of the 300,000 square foot threshold. More than 81,000 additional square feet were approved by the Planning and Zoning Commission in January 2017, including:

- Alamo Draft House - 44,052 square feet; second revisions to the plans were submitted to Development Services on March 9
- Rooms to Go - 39,120 square feet; fourth revisions to the plans were submitted on March 3

The proposed Fourth Amendment also memorializes the assignment by Allegiance GL, LLC of Phase I rights, title, interest and obligations to Rayzor Ranch 380 Associates, through its sole member FidCal, LLC.

Given that RED Development has completed 75% of the square footage threshold and has enough square footage in the City's development process to exceed 300,000 square feet, staff thinks this request is reasonable

and the proposed new deadlines are achievable. DB Denton II (RED Development) states in the amendment request letter that they do not expect to request any further amendments related to deadlines or the amount of completed improvements.

GTM Development, owners of Golden Triangle Mall, and Movie Tavern have submitted letters in opposition to the approval of RED Development's request for a Fourth Amendment

RECOMMENDATION

Staff recommends approval of the Fourth Amendment to the Economic Development Program Grant Agreement with the stipulation that no further amendment requests related to deadline or threshold changes be considered for this project.
